

Jim's Roman Notation Songbook

Note: The base for this songbook is the Ukulele Songbook in gCEA tuning. This book simply replaces the chord names for the Roman numeral system.
This is a work in progress so please let me know of any issues

Instrumentals are shown in Blue and Underlined

Put together by Jim Carey – please let me know of problems/mistakes and I would love any updates/corrections

Songs have been sourced from lots of places. Some are as found, some have been transposed or modified by me. I am not claiming any credit on the work done to create these songs – all I have done is to collect the songs together in a common format so that Uke Clubs can use this to help their songlists. If I have put in any songs that anyone believes shouldn't have been put in there then please contact me on :

Now [I] I've [vi] had the time of my [VII] life
No, I [V7] never felt like this be-[I]fore
Yes, I [vi] swear, it's the [VII] truth
And I [V7] owe it all to you
'Cause [I] I've [vi] had the time of my [VII] life
And I [V7] owe it all to you...[I]

I've been [VII] waiting for so long
Now I've finally found someone to stand by [I] me
We saw the [VII] writing on the wall
As we felt this magical fanta-[I]sy
Now with [VII] passion in our eyes
There's no way we could disguise it secret-[I]ly
So we [VII] take each other's hand
'Cause we seem to understand the urgen-[I]cy
Just remember...

[IV] You're the one thing
[III] I can't get enough of
[IV] So I'll tell you something
[V] This could be love, because

> [I] I've [vi] had the time of my [VII] life
> No, I [V7] never felt this way be-[I]fore
> Yes, I [vi] swear, it's the [VII] truth
> And I [V7] owe it all to [I] you
> Hey, baby

With my [VII] body and soul
I want you more than you'll ever [I] know
So, we'll [VII] just let it go
Don't be afraid to lose con-[I]trol, no
Yes, I [VII] know what's on your mind
When you say, "Stay with me to-[I]night"
And remember...

[IV] You're the one thing

[V] This could be love, because

> And I've [V7] searched through every open [I] door
> 'Til I [vi] found the [VII] truth
> And I [V7] owe it all to [I] you

(single strums for this verse)
Now [I] I've [vi] had the time of my [VII] life
No, I [V7] never felt this way be[I]fore (never felt this way)
Yes, I [vi] swear, it's the [VII] truth
And I [V7] owe it all to you

[IV] Headed for the 'Frisco [II] bay
'Cause [I] I had nothin to [III7] live for

watching the [I] tide roll a-[VI7]way

[I] I can't [V] do what [IV] ten people tell me [I] to do
[VII] So I guess I'll re-[V]main the same

[I] Sittin' here resting my [III7] bones

And hear that fiddler [III] play

I'm [i] off on a bounding main
And I won't be back a-[v]gain
I'm [VII] taking a trip on a [IV] government ship
Ten [III] thousand miles a-[i]way [v] [i]

It's [i] been at least a hundred days
Since I last saw me [III] Meg
She had a [i] government band around one hand
And another one 'round her [III] leg
And [i] another one 'round her leg, me boys
And the big ship left the [III] bay
I [i] swore that I'd be true to her
Ten [v] thousand [III] miles a-[i]way

Ten [III] thousand miles a-[i]way [v] [i]

Oh, I [i] wish I was a bosun bold
Or a sailor without [III] fear
I'd [i] build me a boat and away I'd float
And straight to me true love [III] steer
And [i] straight to me true love steer, me boys
Where the dancin' dolphins [III] play
Where the [i] whales and sharks are [i] having their larks
Ten [v] thousand [III] miles a-[i]way

So [i] blow ye winds and blow
And a roving I will [v] go
I'll [VII] stay no more on [IV] this old shore
And hear that fiddler [III] play
I'm [i] off on a bounding main
And I won't be back a-[v]gain

I'm [i] off on a bounding main
And I won't be back a-[v] gain
I'm [VII] taking a trip on a [IV] government ship
Ten [III] thousand miles a-[i]way [v] [i]

Well, the [i] sun will shine through the London fog
Or the water running [III] clear
Or the [i] ocean brine turn into wine
Or I'll forget me [III] beer
Or I'll for-[i] get me beer, me boys
On the landlord's quarter-[III]pay
But I'll [i] won't forget me own true love
Ten [v] thousand [III] miles a-[i]way

And by [IV7] nineteen-forty [VII] four the father [III7] walks right out the [I] door
And in [IV7] forty [VII] five the mom and [III7] son were still a-[I]live
But [bII7] who could tell in forty six if the [I7] two were to survive

Well the [IV7] years were passing [VII] quickly,
but not [III7] fast enough for [I] him
So he [IV7] closed his eyes through [VII] fifty five,
then he [III7] opened them up [I] again
Then he [IV7] looked around he [VII] saw a clown
and the [III7] clown seemed very [I] gay
And he [bII7] set that night to join that circus [I7] clown and run away

Well allololo la diddy etc (chords as per verse above)

Well he [IV7] followed every [VII] railroad track and [III7] every highway [I] sign
And he [IV7] had a girl in [VII] each new town
and the [III7] towns he left be-[I]hind
And the [IV7] open [VII] road was the [III7] only road that he [I] knew
But the [bII7] color of his dreams was slowly [I7] turning into blue

Then he [IV7] met a girl, the [VII] kind of girl he [III7] wanted all his [I] life
She was [IV7] soft and kind and [VII] good to him,
so he [III7] took her for a [I] wife
And they [IV7] got a house not [VII] far from town and [III7] in a little [I] while
The [bII7] girl had seen the doctor and she [I7] came home with a smile

Now in [IV7] nineteen-sixty [VII] one a happy [III7] father had a [I] son
And by [IV7] nineteen-sixty [VII] four the father [III7] walked right out the [I] door
And in [IV7] sixty [VII] five the mom and [III7] son were still a-[I]round
But [bII7] what will happen to the boy when the [I7] circus comes to town

[VII] Only one day away from the Sneyd [v] Arms
I [bIII] wonder which road is the [IV] best,
the [bIII] north, south, east or the [IV]* west? {STOP}

And that is [IV] when I saw them
As I pulled in outside of a small ca-[V7]fe they were [I] there
I asked for di-[IV]-rections, they said, I'd bin drivin' around and around
And was on the [V7] road to no-[I]-where

Oh, I was [VII] only twenty-four hours from [v] Tunstall
[VII] Only one day away from the Sneyd [v] Arms,
This [bIII] trip's the worst I've [IV] had,
I'm [bIII] lost, it's driving me [IV]* mad {STOP}
I feel, so sad

[IV] Dearest darling

Back [bIII] to the town and its [IV] sights,
where we [bIII] spent some wonderful [IV]* nights {STOP}

When we were [IV] dancing wildly
To soul music all through the night at the Torch [V7] until we'd [I] drop
Then we'd [IV] walk to the Square
For a pasty or pie that we'd [V7] fetch from the [I] shop.

Oh, I was [VII] only twenty-four hours from [v] Tunstall
[VII] Only one day away from the Sneyd [v] Arms
I [bIII] hate to say this to [IV] you, but [bIII] I haven't got a [IV]* clue {STOP}
Don't [IV]* know what to [IV]* do….
and I might [IV] never, never, never [IV7] …

Here the [vi] ship sailed [I] out into the [IV] blue and sunny morn
The [IVmaj7] sweetest [V] sight ever [I] seen.

And the [V] night followed day, and the [III7] story tellers say
That the [vi] score brave [III7] souls in-[ii]side [IV]
For [I] many a lonely day sailed a-[V]cross the milky seas
[IVmaj7] Never looked [vi] back, [ii] never [V] feared, [IVmaj7] never [I] cried. [V]//

Don't you [I] hear my call though you're [IV] many years a-[I]way
Don't you hear me [IV] call-[I]ing [V] you
Write your [vi] letters [V] in the [IV] sand
[I] For the [IV] day I [I] take your [ii] hand
[IV] In the [I] land that our [V] grandchildren [I] knew.

The volun-[IV]teers came [I] home that [V] day
And they [vi] bring good [I] news of a [IV] world so newly born
Though their [IVmaj7] hearts so [V] heavily [I] weigh

For the [V] earth is old and grey, little [III7] darling we'll away
But my [vi] love this [III7] cannot [ii] be [IV]
For so [I] many years have gone though I'm [V] older but a year
Your [IVmaj7] mother's [vi] eyes [ii] from your [V] eyes [IVmaj7] cry to [I] me. [V] / /

Below [I] me, was a homeless [V] man,
I'm singing [ii] songs,... I knew com-[IV]plete,

Now I'm walking [I] home,... on those [V] streets,
the river [ii] winds,... move my f[IV] eet
The subway [I] steam,... like silhouettes in [V] dreams,
Stood by [ii] me,... stood by me: just like moon-[IV] beams,

> Well the [I] same black line that was drawn on you

> 6th avenue [IV] heartache
> Well the [I] same black line that was drawn on you

Look out the [I] window, down upon that [V] street,
And gone like at [ii] midnight, was, that [IV] man,
but I see his [I] six strings,... laid against that [V] wall,
and all his [ii] things,... they all look so s[IV] mall,

[NC] Seventy-[I]six trombones led the [V7] big parade
With a hundred and ten cornets close at [I] hand.
They were followed by rows and [I7] rows of the [IV] finest virtu-[II7]os
The [I] cream of every famous [V7] band.

Seventy-[I]six trombones caught the [V7] morning sun
With a hundred and ten cornets right be-[I]hind
There were more than a thousand [I7] reeds
Springing [IV] up like [II7] weeds
There were [I] horns of [V7] every shape and [I] kind.

There were [IV] copper bottom tympani in [I7] horse platoons
Thundering, [III] thundering [IV] all along the way.
Double bell euphoniums and [I] big bassoons,
[V7] Each bassoon having its [I] big, fat [I7] say!

There were [IV] fifty mounted cannon in the [I7] battery
Thundering, [III] thundering [IV] louder than before
Clarinets of every size and [VII] trumpeters who'd [III] improvise
A [IV] full octave [I] higher than the [IV] score! [V7]

Seventy-[I]six trombones paused the [V7] big parade
By the park to hear the ukuleles [I] play
And all of the music [I7] made when [IV] they all [II7] played
Is a [I] thing still [V7] talked about to-[I]day.

[I] And yawn and stretch and try to come to [V7] life.
[I] Jump in the shower and the blood starts pumping
[IV] Out on the street the traffic starts jumping
With [I] folks like me on the [V] job from 9 to [I] 5

[NC] Working [IV] 9 to 5, what a way to make a living
Barely [I] getting by, it's all taking and no giving
They just [IV] use your mind and they never give you credit
It's [II] enough to drive you [V] crazy if you let it
[IV] 9 to 5, for service and devotion
You would [I] think that I would deserve a fair promotion
Want to [IV] move ahead but the boss won't seem to let me
I [II] swear sometimes, that man is [V] out to get me

They [I] let you dream just to watch them shatter
You're [IV] just a step on the boss man's ladder
But [I] you've got dreams he'll never take [V7] away
You're [I] in the same boat with a lot of your friends
[IV] Waiting for the day your ship'll come in
The [I] tides gonna turn and it's [V] all gonna roll your way [I]

[NC] Working [IV] 9 to 5, what a way to make a living
Barely [I] getting by, it's all taking and no giving
They just [IV] use your mind and you never get the credit
It's [II] enough to drive you [V] crazy if you let it
Working [IV] 9 to 5, yeah they've got you where they want you
There's a [I] better life, and you think about it don't you
It's a [IV] rich man's game, no matter what they call it
And you [II] spend your life putting [V] money in his pocket [I]

[IV] 9 to 5, what a way to make a living
Barely [I] getting by, it's all taking and no giving
They just [IV] use your mind and then they never give you credit
It's [II] enough to drive you [V] crazy if you let it
[IV] 9 to 5, yeah they've got you where they want you
There's a [I] better life, and you dream about it don't you

[I] You and I in a [ii] little toy shop
Buy a [IV] bag of balloons with the [V] money we got
[I] Set them free at the [ii] break of dawn
Till [IV] one by one, [V] they were gone

[I] Back at base, [ii] bugs in the software
[IV] Flash the message: [V] Something's out there...
[I] Floating in the [ii] summer sky
[IV] 99 [V] Red Balloons go by [I] [ii] [IV] [V]

[I] 99 [ii] Red Balloons
[IV] Floating in the [V] summer sky
[I] Panicking, it's [ii] red alert
There's [IV] something here from [V] somewhere else
[I] War machines [ii] spring to life
[IV] Opens up one [V] eager eye
[I] Focusing it [ii] on the sky
Where [IV] 99 [V] Red Balloons go [I] by...

[I] 99 [ii] Decision street
[IV] 99 [V] ministers meet
To [I] worry, worry; [ii] super scurry
[IV] Call the troops out [V] in a hurry
[I] This is what we've [ii] waited for
[IV] This is it, boys, [V] this is war
The [I] president is [ii] on the line
As [IV] 99 [V] Red Balloons go [I] by [ii] [IV] [V]

[I] 99 knights [ii] of the air
Ride [IV]super high-tech [V] jet fighters
[I] Everyone's a [ii] super hero
[IV] Everyone's a [V] Captain Kirk
With [I] orders to [ii] identify
To [IV] clarify and [V] classify
[I] Scramble in the [ii] summer sky
As [IV] 99 [V] Red Balloons go [I] by [ii]
As [IV] 99 [V] Red Balloons go [I] by [ii] [IV] [V]

[I] 99 dreams [ii] I have had
In [IV] every one a [V] red balloon
[I] It's all over now and I'm [ii] standing pretty
[IV] In the dust that [V] was a city
If [I] I could find a [ii] souvenir
[IV] Just to prove the [V] world was here
[I] And here is a [ii] red balloon
[IV] I think of you [V] and let it go

[V7] [I] [IV]

The [V7] sons of the prophet were [I] brave men and bold
And [IV] quite unaccustomed to [I] fear,
But the [V7] bravest by far in the ranks of the [I] Shah
Was [V7] Abdul, the Bulbul [I] Amir.

When [V7] they needed a man to encourage [I] the van,
Or to [IV] harass a foe from the [I] rear,
Storm [V7] fort or redoubt, they had only to [I] shout
For [V7] Abdul, the Bulbul [I] Amir.

This [V7] son of the desert in [I] battle aroused,
Could [IV] split twenty men on his [I] spear.
A [V7] terrible creature, sober or [I] soused,
Was [V7] Abdul, the Bulbul [I] Amir.

Now the[V7] heroes were plenty and well known [I] to fame
Who [IV] fought in the ranks of the [I] Czar;
But the[V7] bravest of these was a man by the [I] name
Of [V7] Ivan Skavinsky [I] Skivar.

He could [V7] imitate Irving, play poker [I] and pool,
And [IV] strum on the Spanish [I] guitar;
In fact, [V7] quite the cream of the Muscovite [I] team
Was [V7] Ivan Skavinsky [I] Skivar.

The [V7] ladies all loved him, his [I] rivals were few;
He [IV] could drink them all under [I] the bar.
As [V7] gallant or tank, there was no one [I] to rank
With [V7] Ivan Skavinsky [I] Skivar.

One [V7] day this bold Russian had [I] shouldered his gun,
And [IV] donned his most truculent [bI] sneer;
Downtown [V7] he did go, where he trod on the [I] toe
Of [V7] Abdul, the Bulbul [I] Amir.

"Young man,"[V7] said Bulbul, "has your [I] life grown so dull
That [IV] you're anxious to end your [I] career ?
Vile [V7] infidel, know you have trod on the [I] toe
Of [V7] Abdul, the Bulbul [I] Amir."

"So [V7] take your last look at [I] sunshine and brook,
And [IV] send your regrets to the [I] Czar,
By [V7] which I imply, you are going to [I] die,
Mr.[V7] Ivan Skavinsky [I] Skivar."

Said [V7] Ivan, "My friend, your remarks [I] in the end
Will [IV] avail you but little, I [I] fear;
For you [V7] ne'er will survive to repeat them [I] alive,
Mr. [V7] Abdul, the Bulbul [I] Amir."

Then [V7] that bold Mameluke drew his [I] trusty skibouk,
With [IV] a cry of [I] "Allah Akbar."
And [V7] with murderous intent, he ferociously [I] went
For [V7] Ivan Skavinsky [I] Skivar.

They [V7] parried and thrust, they [I] sidestepped and cussed,
Of [IV] blood they spilled a [I] great part;
The [V7] philologist blokes, [I] who seldom crack jokes,
Say that [V7] hash was first made on that [I] spot.

They [V7] fought all that night, 'neath the [I] pale yellow moon
The [IV] din, it was heard from [I] afar,
And [V7] huge multitudes came, so great was the [I] fame,
Of [V7] Abdul and Ivan [I] Skivar.

As [V7] Abdul's long knife was extracting [I] the life,
In [IV] fact he had shouted [I] "Huzzah"
He [V7] felt himself struck by that [I] wily Calmuck
Of Count [V7] Ivan Skavinsky [I] Skivar.

The [V7] sultan drove by in his [I] red-breasted fly,
Expecting [IV] the victor to [I] cheer,
But he [V7] only drew nigh just to hear the last [I] sigh
Of [V7] Abdul, the Bulbul [I] Amir.

Czar [V7] Petrovich, too, in his [I] spectacles blue,
Rode [IV] up in his [I] new crested car;
He [V7] arrived just in time to exchange a last [I] line
With [V7] Ivan Skavinsky [I] Skivar.

There's [V7] a tomb rises up where the [I] Blue Danube rolls,
And [IV] 'graved there in [I] characters clear
Are, [V7] "Stranger, when passing, oh pray for the [I] soul
Of [V7] Abdul, the Bulbul [I] Amir."

A [V7] Muscovite maiden [I] her lone vigil keeps
'Neath [IV] the light of the pale polar [I] star,
And the [V7] name that she murmurs so [I] oft as she weeps,
Is [V7] Ivan Skavinsky [I] Skivar.

Abraham's Daughter

artist:Arcade Fire writer:Win Butler

[i] Abra-[VII]ham took [III] Isaac's [iv] hand
and [VI] led him [VII] to the [i] lonesome hill
[i] While his [VII] daughter [III] hid and [iv] watched
She [VI] dared not [VII] breathe, she [i] was so still
[III] Just as an angel [VII] cries for the slaughter,
[VI] Abraham's daughter [VII] raised her [i] voice

[i] Then the [VII] angel [III] asked her [iv] what her [VI] name was
[VII] She said, "[i] I have none."
[i] Then he [VII] asked, "How [III] can this [iv] be?"
"My [VI] father [VII] never [i] gave me one."
[III] And with his sword [VII] raised for the slaughter,
[VI] Abraham's daughter [VII] raised her [i] bow
[III] "How darest you, child, [VII] defy your father!"
"[VI] You better let young [v] Isaac [i] go."

The [V7] movies gonna make me a [I] big star
'Cause [II] I can play the part so [V7] well

[I] Well I hope you come and see me in the [IV] movies

[I] Slow down, [IV] why do you go so [I] fast?
[I] Can't be easy, [IV] living your life like [I] that
[I] Another phone call, [IV] you tell me you're doing [I] fine
[I] Won't you tell me what I got to [IV] do to [I] change your mind?

> [I] So come on [IV] back
> Come on [ii] back, Ade-[I]line [IV] [I]

[I] On the front porch, [IV] letting the walls come [I] down
[I] You and me babe, [IV] burning the midnight [I] hour
[I] Come tomorrow with [IV] a couple of states [I] between
[I] I'll be waiting like a dog for the [IV] day that you finally [I] see

> [I] So come on [IV] back
> Come on [ii] back, Ade-[I]line [IV] [I]
> [I] So come on [IV] back
> Come on [ii] back, Ade-[I]line [IV] [I]

[IV] [ii] [I] [IV] [I]

We were [ii] sitting on a curbside, sparking like a livewire
[IV] Underneath a Texaco sign
I was giving [I] you my best hand, talking like a mad man

Deep into the heart of the night
It was [ii] all that I needed, being there with you babe
[IV] Hanging on your every note
Then you were [I] off in a heartbeat, left me up and lonely
Baby why'd you have to go?

[I] So come on [IV] back
Come on [ii] back, Ade-[I]line
[I] So come on [IV] back
Come on [ii] back, Ade-[I]line
[I] So come on [IV] back

But warm is my [I] heart with pride,

Your soft as-[IV]suring ways, the rock I lean [I] on
Saw me through my [V] darkest days [II7], when all hope had [IV] gone [V7]
You're still the [I] only one I'll ever hold [IV] near [ii]
And I [V] love you after all these [I] years [IV] [I]

A lifetime [V] nearly gone, I cannot un-[I]fold, [IV] nights dark and [V] cold

[V7] Many the hopes that have [I] vanished
[II7] After [V7] the [I] ball.

[I] A little maiden climbed an old man's [V7] knee
[ii] Begged for a [V7] story - "Do, uncle, [I] please!"
Why are you single; [VI7] why live [ii] alone?
[IV] Have you no [I] ba-[VI7]bies; [II7] have [V7] you no [I] home?"
"[vi] I had a sweet-[IV]heart, years, [V7] years a-[I]go,

[I] Listen to the story, [VI7] I'll tell it [ii] all,

Chorus:
After the [IV] ball is [I] over,
After the [ii] break of [V7] morn
[ii] After the dancers' [VI7] leaving;
[V7] After the stars are [I] gone;
[I] Many a [IV] heart is [I] aching,
[VI7] If you could read them [II7] all;
[V7] Many the hopes that have [I] vanished
[II7] Af-[V7]ter the [I] ball.

There came my sweetheart, [VI7] my love, my own -
'[IV] I [iv] wish some [I] wa-[vi]ter; [II7] leave [V7] me a-[I]lone.'

[I] Down fell the glass, pet, [VI7] broken, that's [ii] all.
[IV] Just as my [I] heart [VI7] was, [II7] af-[V7]ter the [I] ball."

And I [V7] hope you can hear what the words
And the music have to [I] say.[ii] [V7]

It's so [I] hard to explain everything that I'm feelin'
Face to [ii] face I just seem to go dry
But I [V7] love you so much that the sound

[IV] Thanks for taking [iii] me
On a [ii] one way trip to the [I] sun.
[vi] And thanks for turning me into a [ii] someone. [V7]

So I [I] sing you to sleep after the lovin'.
I [ii] brush back the hair from your eyes.
And the [V7] love on your face is so real
That it makes me wanna [I] cry. [I7]

And I [IV] know that my song isn't [III7] sayin' anything [vi] new.
Oh, but [ii] after the [V7] lovin' [ii] I'm still in [V7] love with [I] you.

[IV] After you've gone, [iv] and left me cryin'
[I] After you've gone, [VI7] there's no denyin'
[II9] You feel blue, [V7] you feel sad
[I] You miss the bestest pal [I7] you ever had

[IV] There'll come a time, [iv] now don't forget it
[I] There'll come a time, [VI7] when you'll regret it
[ii] Someday when [VI7] you grow [ii] lonely
[I] Your heart will [III7] break like mine and [vi] you'll want me [Idim] only
[I] After you've gone, [V7] after you've gone [I] away [I7]

[IV] After you've gone, [iv] after the break up
[I] After you've gone, [VI7] you are gonna wake up
[II9] And you will find [V7] that you were blind
[I] To let somebody come and [I7] change your mind

[IV] After the years that [iv] we've been together
[I] The joy and all the tears, [VI7] in all types of weather
[ii] Someday when [VI7] you're down [ii] hearted [iv]
[I] You'll long to [III7] be with me right back [vi] where we [Idim] started
[I] After you've gone, [V7] after you've gone [I] away [I7]

[IV] After you've gone, [iv] and left me cryin'
[I] After you've gone, [VI7] there's no denyin'
[II9] You feel blue , [V7] you feel sad
[I] You miss the bestest pal [I7] you ever had

[IV] There'll come a time, [iv] now don't forget it
[I] There'll come a time, [VI7] when you'll regret it
[ii] Someday when [VI7] you grow [ii] lonely [iv]

[I] Now won't you [vi7] listen honey [II7] while I [V7] say
[I] How can you [vi7] tell me that you're [II7] goin[I] a-[V7]way
[III7] Don't say that [vi] we must [I7] part
[II7] Don't break my [V7] aching [I] heart
[I] You know I've [vi7] loved you true for [II7] many [V7] years
[III7] Loved you night and [vi] day [I7]
[IV] How can you leave me can't you [I] see my [VI7] tears
[II7] So listen [V7] while I [I] say [I7]

[IV] After you've gone [iv] and left me crying
[Imaj7] After you've gone [VI7] there's no denying
[II7] You'll feel blue, [V7] You'll feel sad
[I] You'll miss the [Imaj7] dearest pal you've [VI7] ever had
[IV] There'll come a time [iv] now don't forget it

[I] Your heart will [III7] break like mine
and [vi] you'll want me [II7] only
[I] After you've gone [V7] After you've gone [I] aw-[iv]-ay-[I]ay

[I] Don't you re-[vi7]member how you [II7] used to [V7] say
[I] You'd always [vi7] love me in the [II7] same old [V7] way
[III7] But now it's [vi] very [I7] strange
[II7] That you should [V7] ever change [I] Perhaps some [vi7] other
has [II7] won your [V7] heart [III7] tempted you a-[vi]way [I7] [IV]
But let me warn you tho' we're [I] miles a-[VI7]part [II7]
You'll re-[V7]gret it some [I] day

[IV] After you've gone, [iv] after the break up
[Imaj7] After you've gone, [VI7] you're gonna wake up
[II7] And you will find [V7] that you were blind
[I] To let somebody [Imaj7] come and [VI7] change your mind

[Imaj7] The joy and all the tears, [VI7] in all kinds of weather
[ii] Some [VI7] day [ii] when you're down [iv] hearted

[NC] One, two
[V] Stop the clocks, it's amazing
[I] You should see the way the light dances off your hair
[II] A million colours of [iii7] hazel, golden and [I] red
[V] Saturday morning is fading
[I] The sun's reflected by the coffee in your hand
[II] My eyes are caught in your [iii7] gaze all over a-[I]gain

We were [I] love drunk, waiting on a miracle
Trying to [V] find ourselves in the [II] winter snow
So a-[I]lone in love like the world had disa-[V]ppeared [II]
Oh, I [I] won't be silent and I won't let go
I will [V] hold on tighter 'til the [II] afterglow
And we'll [I] burn so bright 'til the darkness softly [V] clears [II]

Oh, I will [I] hold on to the afterglow [V] [II]
Oh, I will [I] hold on to the afterglow [V]

[V] The weather outside's changing
[I] The leaves are buried under six inches of white
[II] The radio is [iii7] playing, Iron & [I] Wine
[V] This is a new dimension
[I] This is a level where we're losing track of time
[II] I'm holding nothing a-[iii7] gainst it, except you and [I] I

We were [I] love drunk, waiting on a miracle
Trying to [V] find ourselves in the [II] winter snow
So a-[I]lone in love like the world had disa-[V]ppeared [II]
Oh, I [I] won't be silent and I won't let go

Afternoon Delight

artist: Starland Vocal Band, writer: Bill Danof

Intro: [I] [bii7] [I] [bii7]
Gonna [I] find my baby gonna hold her tight
Gonna [bii7] grab some afternoon delight
My [I] motto's always been when it's right it's right
Why [bii7] wait until the middle of a cold dark night
[bii7] When everything's a little clearer in the [V] light of day
[bii7] And you know the night is always gonna be there
[V] Any [V7]way [iii] [V]

[I] Thinking of you's working up my appetite
Looking [bii7] forward to a little afternoon delight
Rubbin' [I] sticks and stones together makes the sparks ignite
And the [bii7] thought of lovin' you is getting so exciting

Chorus:
[I] Sky rockets in flight [V7sus4] [I] after [bIII7]noon de [vi]light
[bii7] A.. [bII7sus4] afternoon de [I]light
[bii7] A.. [biii7].. [bII7sus4] afternoon de [I]light

[I] Started out this morning feeling so polite
I always [bii7] thought a fish could not be caught who didn't bite
But you've [I] got some bait a waitin' and I think I might
Try [bii7] nibbling a little afternoon delight

Chorus

[bii7] Please be waiting for me baby when I [V] come around
[bii7] We could make a lot of lovin' 'fore the [V] sun goes down
[I] Thinkin' of you's workin' up my appetite
Looking [bii7] forward to a little afternoon delight
Rubbin' [I] sticks and stones together makes the sparks ignite
And the [bii7] thought of lovin' you is getting so exciting

Chorus

[bii7] A [biii7] . [bII7sus4] afternoon de [I]light

[I] It seems like yesterday, [iii] but it was long ago
[IV] Janey was lovely, she was the [I] queen of my nights
[V] There in the darkness with the [IV] radio playing low.
[I] And the secrets that we shared,
[iii] the mountains that we moved
[IV] Caught like a wild fire [I] out of control
Till there was [IV] nothing left to burn
and nothing left to [V] prove.
And I [vi] remember [V] what she said to [I] me
How she swore [vi] that it would [V] never [I] end
I [vi] remember how she [V] held me oh, so [IV] tight,
Wish I didn't know now what I [V] didn't know then. [I]

[I] Against the [iii] wind,
We were [IV] running against the [I] wind.
We were [IV] young and [iii] strong,
We were [ii] running a-[IV]gainst the [I] wind.

[I] The years rolled slowly past, [iii] I found myself alone,
[IV] Surrounded by strangers I [I] thought were my friends,
[V] I found myself further and [IV] further from my home.
And I [I] guess I lost my way, [iii] there were oh, so many roads.
I was [IV] livin' to run and [I] runnin' to live,
Never [IV] worrying about paying or [V] how much I owed.
Movin' [vi] eight miles a [V] minute for months at a [I] time,
Breakin' [vi] all of the [V] rules that would [I] bend.
[vi] I began to [V] find myself [IV] searching
[IV] Searching for shelter [V] again and again.

[I] Against the [iii] wind,
A little [IV] something against the [I] wind.
I [IV] found [iii] myself seeking [ii] shelter [IV] against the [I] wind.

All those [vi] drifter's [V] days are [I] past me now,
I've got [vi] so much [V] more to think [I] about
[vi] Deadlines and com-[IV]mitments,
[IV] What to leave in and [V] what to leave out.

[I] Against the [iii] wind,
[IV] I'm still running against the [I] wind.
I'm [IV] older [iii] now and still [ii] Running a-[IV]gainst the [I] wind

fade out towards the end

Well I'm [IV] older [iii] now and still [V7] Running..
Against the [IV] wind
Against the [I] wind
Against the [IV] wind (I'm still running)
Against the [I] wind (I'm still running against the wind)
Against the [IV] wind (I'm still running)
Against the [I] wind (I'm still running against the wind)

[I] [Isus4] [I] [V7] [IV6] [V7sus4] [V7]

I've been [I] up and down and around and round and [V] back again
[IV] Been so many places I can't [I] remember where or [V] when
And my [I] only boss was the clock on the wall and my [V] only friend
[IV] Never really [V] was a friend at [I] all

I've [vi] traded love for pennies, [iii] sold my soul for less
Lost my [IV] ideals in that [I] long tunnel of [V] time
And I've turned [I] inside out and around about and [V] back and then
[IV] Found myself [V] right back where I [IV] started a-[I] gain. [Isus4] [I]

[IV] [I]

[IV] Once I [I] had myself a million now I've [V] only got a dime
[IV] Difference don't seem [V] quite as bad to-[I]day
With a [I] nickel or a million I was [V] searchin' all the time
[IV] Something that I'd [V] never lost or [IV] left be-[I]hind

I've [vi] traded love for pennies, [iii] sold my soul for less
Lost my [IV] ideals in that [I] long tunnel of [V] time
And I've turned [I] inside out and around about and [V] back and then
[IV] Found myself [V] right back where I [IV] started a-[I]gain. [Isus4] [I]

And now I'm [I] in my second circle and I'm [V] headin' for the top
I've [IV] learned a lot of [V] things along the [I] way
I'll be [I] careful while I'm climbin' cause it [V] hurts a lot to drop
[IV] When you're down [V] nobody cares a [IV] damn any-[I] way

I've [vi] traded love for pennies, [iii] sold my soul for less
Lost my [IV] ideals in that [I] long tunnel of [V] time
And I've turned [I] inside out and around about and [V] back and then

[V] [IIsus4] [V] [Isus2] x 4

[V] First thing we'd climb a tree
[V] and maybe then we'd talk
[V] or sit silently
[V] and listen to our thoughts
[IVadd9] with illusions of someday
[V] casting a golden light
[IV] no dress rehearsal,
[V] this is our life

[V] [IIsus4] [V] [Isus2] x 2

[V] you tilted my hand
[IVadd9] rain falls in real time
[V] and rain fell through the night
[IV] no dress rehearsal, [V] this is our life

[I] I ain't gonna give nobody none of my [II7] jellyroll
[V7] I wouldn't give you a piece of this cake not to [I] save your soul
My [VI7] mama told me today, [II7] before she went away
[II7] If I be a good little girl [V7] then she'd put my hair in curls
[I] Now ain't no use in you to keep a [II7] hangin' around
[V7] I know you want it, but I'm gonna have to let you [III7] down
Well, [ii] my jellyroll is [IV] sweet, you [I] know it can't be [VI7] beat

[I] I loved you for a [I7] long long time [IV] I know this love is real
It [I] don't matter how it all went wrong
That [V] don't change the way I [V7] feel
And I [I] can't believe that [III7] time's gonna heal
This [vi] wound that I'm speaking [IV] of
There [I] ain't no cure there [V] ain't no cure
There [IV] ain't no cure for [I] love

[I] I'm aching for you [I7] baby [IV] I can't pretend I'm not
I [I] need to see you naked in your [V] body and your [V7] thought
I've [I] got you like a [III7] habit and I'll [vi] never get e[IV]nough
There [I] ain't no cure there [V] ain't no cure
There [IV] ain't no cure for [I] love
There ain't no [vi] cure for love [I] there ain't no [vi] cure for [I] love

All the rocket ships are [IV] climbing through the sky
Holy books are open wide doctors [V] working day and night
But they'll never ever find that [vi] cure for [I] love
There ain't no [IV] drink no drug
[II7] There's nothing pure enough to be a [V] cure for [V7] love

[I] I see you in the [I7] subway [IV] and I see you on the bus
[I] I see you lying down with me and I [V] see you waking [V7] up
[I] I see your hand I [III] see your hair
Your [vi] bracelets and your [IV] brush
And I [I] call to you I [III] call to you but I [vi] don't call soft e[IV]nough
There [I] ain't no cure there [V] ain't no cure
There [IV] ain't no cure for [I] love

[I] I walked into this [I7] empty church I had [IV] no place else to go
When the [I] sweetest voice I ever heard [V] whispered to my [V7] soul
[I] I don't need to be for[III]given for [vi] loving you so [IV] much
[I] It's written in the [III7] scriptures it's [vi] written there in [IV] blood
[I] I even heard the [III7] angels de[vi]clare it from a[IV]bove

Albuquerque Is A Turkey

based on Clementine

Albu-[I]querque is a turkey
And he's feathered and he's [V7] fine.
And he wo-[IV]bbles and he [I] gobbles
And he's [V7] absolutely [I] mine.

Gobble [I] gobble, gobble gobble
Gobble gobble, gobble [V7] get
And he wo-[IV]bbles and he [I] gobbles
And he's [V7] absolutely [I] mine.

He's the [I] best pet you can get,
Better than a dog or [V7] cat.
He's my [IV] Albuquerque [I] turkey,
And I'm [V7] awfully proud of [I] that.

Gobble [I] gobble, gobble gobble
Gobble gobble, gobble [V7] get
And he wo-[IV]bbles and he [I] gobbles
And he's [V7] absolutely [I] mine.

He once [I] told me, very frankly
He preferred to be my [V7] pet,
Not the [IV] main course at my [I] dinner,
And I [V7] told him not to [I] fret.

Gobble [I] gobble, gobble gobble
Gobble gobble, gobble [V7] get
And he wo-[IV]bbles and he [I] gobbles
And he's [V7] absolutely [I] mine.

Albu-[I]querque is a turkey,
And he's happy in his [V7] bed.
Cause for [IV] our Thanksgiving [I] dinner,
We had [V7] pizza pie in-[I]stead!

Here's a [i] story of a sinner,
He used to be a winner who enjoyed a life of prominence and [V7] position,
[V] But the pressures at the office and his socialite engagements,
And his [V7] selfish wife's fanatical am-[i]bition,

[I7] It turned him to the booze, and he got mixed up with a floozie
And she led him to a life of inde-[iv]cision.
The floozie [i] made him spend his dough. She left him lying on Skid Row
A drunken lag in some [V] Salvation Army [i] Mission.

[bdim] It's such a [V7] shame.

[i] Oh demon [iv] alcohol,
[VII7] Sad memories I [III] can't recall,
[i] Who thought [iv] I would fall,
[V] a slave to demon [i] alcohol.

[bdim] It's such a [V7] shame.

[i] Barley wine, [VI] pink gin,
[i] He'll drink [VI] anythin',
[i] a Port, pernod, [VI] tequila, or a [V7] beer,
[V] Rum, scotch, vodka on the rocks, as long as all his troubles dis-[i]appear.

[I7] But he messed up his life when he beat up his wife,
And the floozie's gone and found another [iv] sucker
[i] She's gonna turn him on to drink, she's gonna lead him to the brink
And when his money's gone,
She'll [V7] leave him in the [i] gutter,

[bdim] It's such a [V7] shame.

[i] Oh demon [iv] alcohol,
[VII7] Sad memories I [III] can't recall,
[i] Who thought [iv] I would fall,

[II] I [V] had a little beetle, so that [I] beetle was his [V] name
And I [I] called him Alex-[V]ander and he [II] answered just the [V] same
[V] And I put him in a matchbox and [I] I kept him all the [V] day
But [I] nanny let my [V] beetle out, [I] nanny left my [V] beetle out,
She [I] went and left my [V] beetle out and [II] beetle ran a-[V]way

[II] She [V] said she didn't mean it and I [I] never said she [V] did
She [I] said she wanted [V] matches and she [II] just took off the [V] lid
She [V] said I mustn't worry and I [I] really must be [V] kind
That there's [I] lots and lots of [V] beetles thats she's [II] certain we could find
She said [V] I mustn't worry, but it's [I] difficult to [V] catch
An ex-[I]cited sort of [V] beetle you've mis-[II]taken for a [V] match

If we [V] looked in all the places that a [I] beetle might be [V] near
And we [I] made the kind of [V] noises that a [II] beetle likes to [V] hear

[V] Then I heard a [II] kind of [V] something and I [I] gave a sort of [V] shout
It was a [I] beetle house and [V] Alexander [II] beetle coming [V] out
It was Alexander beetle I'm as [I] certain as can [V] be
[V] And [II] he had that [I] kind of look [V] as though he thought it [II] might be me

[V] And [II] he [V] had that kind of look as though he [I] thought he ought to [V] say
"I'm [I] really very [V] sorry that I [II] tried to run away"
[V] And [II] nanny's very [V] sorry too cause [I] you know what she [V] did
And she's [I] writing Alex-[V]ander very [II] blackly on the [V] lid
[II] So [V] nan and me are friends because it's [I] difficult to [V] catch

[VI] When it's love [III] live. (I'll make a stand. I won't break.)
[III] I'll be the rock you can [VI] build on, be there when you're [III] old,
To have and to [VII] hold. When there's love in-[III]side (I swear I'll always be strong.)
Then there's a reason [III] why. (I'll prove to you we belong.)
[III] I'll be the wall that pro-[VI]tects you from the wind and the [III] rain,
From the hurt and [VII] pain. Yeah [III] [IIIsus4] [III]

[NC] Let's make it all for one and all for [VI] love. [iv7] Let the one you hold
be the one you [III] want, the one you [VII] need, 'cause [III] when it's [VI] all for [VII] one it
[III] one for [VI] all
When there's [iv7] someone that should [III] know then just [VI] let your feelings [III] show
And make it [VI] all for [iv7] one and [VII] all for [III] love.

When it's love you [III] make (I'll be the fire in your night.)
Then it's love you [III] take (I will defend, I will fight.)
I'll be there when you [VI] need me. When honor's at [III] stake, this vow I will [VII] make yea
[III] [IIIsus4] [III]

[NC] Let's make it all for one and all for [VI] love. [iv7] Let the one you hold
be the one you [III] want, the one you [VII] need, 'cause [III] when it's [VI] all for [VII] one it
[III] one for [VI] all
When there's [iv7] someone that should [III] know then just [VI] let your feelings [III] show
And make it [VI] all for [iv7] one and [VII] all for [III] love.

[i] Don't lay our [VI] love to rest 'cause we could [iv7] stand up to you [VI] test.
We got [i] everything and [III] more than we had [VI] planned,
[III] More than the [i] rivers that run the [III] land. We've got it [VI] all in our [VII] hands.

[VI] [VI] [iv7] [iv7] [IIIsus4] [III] [IIIsus4] [III] [VI] [VI] [iv7] [iv7] [VIIsus4] [VIIsus4] [VII]

Now it's all for one and all for [VI] love. (It's all for love.)
[iv7] Let the one you hold be the one you [III] want, the one you [VII] need,
'Cause [III] when it's [VI] all [i] for [VII] one it's [III] one for [VI] all. (It's one for all.)
When there's [iv7] someone that should [III] know then just [VI] let your feelings [III] show.
When there's [i7] someone that you [III] want, when there's [VI] someone that you [III] need

[I] I am on a lonely road and [V7] I am [vi] travelling, travelling travelling travelling.
[bVII] Looking for some-[IV]thing; [V7] what can it [I] be?
Oh, I [I] hate you some, I hate you [V7] some, I [vi] love you some.
Oh, I [bVII] love you, [IV] when I for-[V7]get about [I] me.

I want to be [vi] strong, I want to laugh a-[V]long,
I want to be-[vi] long to the living.[V]
Alive, [vi] alive, I want to get up and [V] jive,

[I] Do you want, do you want, do you want to [V] dance with me, baby?
Do you want to [bVII] take a chance, on maybe finding some,
[vi] Sweet romance with me baby? Now [V] come on. [vi7] [bVII]

[I] All I really, really [V7] want our [vi] love to do,

[I] All I really, really [V7] want our [vi] love to do,

[I] [IV] [I] [IV]

It was a [I] rainy night when he [iii] came into sight,
[IV] standing by the road, no um-[I]brella, no coat.
So I pulled up along side and I [iii] offered him a ride,
he [IV] accepted with a smile, so we [V] drove for a while.

I didn't [I] ask him his name, this lonely [vi] boy in the rain.
Fate [IV] tell me it's right, is this love at first sight.
Please, [V] don't make it wrong, just stay for the night.

[I] All I wanna do is make love to you. [IV] Say you will you want me, too.
[I] All I wanna do is make love to you. I've got [IV] lovin' arms to hold on to.

So we [I] found this hotel, it was a [iii] place I knew well.
We [IV] made magic that night. Oh, he did [I] everything right.
He brought the woman out of me, so many [iii] times, easily.
And in the [IV] morning when he woke, all I [V] left him was a note.

I told him [I] I am the flower you are the seed,
we [vi] walked in the garden, we planted a tree.
Don't [IV] try to find me, please don't you dare,
just [V] live in my memory, you'll always be there.

[I] All I wanna do is make love to you, one [IV] night of love was all we knew.
[I] All I wanna do is make love to you, I've got [IV] lovin' arms to hold on to
[V] Oh, oooh, we made [vi] love, love like strangers.
[IV] All night long we made [I] love.

Then it [iii] happened one day, we came round the same way.
[IV] You can imagine his surprise when he [V] saw his own eyes.
I said [I] please, please understand, I'm in [vi] love with another man.
And what [IV] he couldn't give me, was the [V] one little thing that you can.

[I] All I wanna do is make love to you, one [IV] night of love was all we knew.
[I] All I want to do is make love to you.
[IV] Come on, say you will, you want me, too.

[I] All I wanna do is make love to you, one [IV] night of love was all we knew.
[I] All I want to do is make love to you.
[IV] Come on, say you will, you want me, too.
All night [I] long, All night [IV] long
All night [I] long, All night [IV] long
[I] All I wanna do. All I wanna do, [IV] All I wanna do. All I wanna do
[I] All I wanna do is make love to you, one [IV] night of love was all we knew [I]

[I] All my ex's live in [V7] Texas
And Texas is the [ii] place I'd dearly [V] love [IV] to [I] be
But all my ex's live in [V7] Texas
And that's why I hang my hat in Tennes[I]see

[I] Rosanna's down in Texarkana,
[ii] wanted me to push her broom
[V7] Sweet Eileen's in Abilene, she forgot I hung the [I] moon
And Allison's in Galveston, [ii] somehow lost her sanity
And [II7] Dimple's who now lives in Temple's, Gt the [V7] law looking for me

[I] All my ex's live in [V7] Texas
And Texas is the [ii] place I'd dearly [V] love [IV] to [I] be
But all my ex's live in [V7] Texas
And that's why I hang my hat in Tennes[I]see

[I] I remember that old Frio River [ii] where I learned to swim
But it [V7] brings to mind another time where I wore my welcome [I] thin
By transcendental meditation [ii] I go there each night
But I [II7] always come back to myself [V7] long before daylight

[I] All my ex's live in [V7] Texas
And Texas is the [ii] place I'd dearly [V] love [IV] to [I] be
But all my ex's live in [V7] Texas
And that's why I hang my hat in Tennes[I]see

[V7] Some folks think I'm hidin' [IV] [bV]
[V7] It's been rumored that I died [IV] [bV]
[V7] But I'm alive and well in Tennes[I]see

[I] Hush little baby, don't you [v] cry
You [I] know your mama [iii] was born to [IV] die [iv]
[I] All [vi] my [ii] trials, [ii7] Lord, [V] soon [V7] be [I] over

The [I] river of Jordan is muddy and [v] cold
Well it [I] chills the body [iii] but not the [IV] soul [iv]
[I] All [vi] my [ii] trials, [ii7] Lord, [V] soon [V7] be [I] over

I've [I] got a little book with pages [v] three
And [I] every page [iii] spells liber-[IV]ty [iv]
[I] All [vi] my [ii] trials, [ii7] Lord, [V] soon [V7] be [I] over

[I] Too late, my brothers [iii]
Too late, but never [IV] mind [ii7]
[I] All [vi] my [ii] trials, [ii7] Lord, [V] soon [V7] be [I] over

If [I] living were a thing that money could [v] buy
Then the [I] rich would live [iii] and the poor would [IV] die [iv]
[I] All [vi] my [ii] trials, [ii7] Lord, [V] soon [V7] be [I] over

There [I] grows a tree in Para-[v]dise
And the [I] pilgrims call it [iii] the Tree of [IV] Life [iv]
[I] All [vi] my [ii] trials, [ii7] Lord, [V] soon [V7] be [I] over

[I] Too late, my brothers [iii]
Too late, but never [IV] mind [iv]
[I] All [vi] my [ii] trials, [ii7] Lord, [V] soon [V7] be [I] over

[I] All [vi] my [ii] trials, [ii7] Lord, [V] soon [V7] be [I] over

[V] [IV] [i] [I] [V]

[V] It was in the [I] spring
[vi] You said we were [I] through
[vi] I asked all my [I] friends
[vi] They said it was [I] true

[vi] That you were in [ii] love
[vi] With somebody [ii] new
[vi] Who's doing [I] all [NC] them things that I never did for you

So I [V] went to your [vi] house
[vi] I knocked on your [I] door
[vi] I snuck 'round the [I] back
[vi] Cus I knew you were [I] home

[vi] I peeked in to [ii] see
[vi] I could already [ii] hear
[vi] You doing [I] all [NC] them things that you never did for me

[V] [V7] [IV] [V] [vi] [V]

[vi] Well I went on my [I] way
[vi] My head hanging [I] down
[vi] I got me a [I] drink
[vi] Felt a breeze [I] blowing 'round
It was [vi] so sweet and [ii] warm
[vi] That my heart wasn't [ii] torn
[IV] And we did [I] all [NC] them things and we didn't stop for a while

[I] [I7] baby, baby, baby [IV] [I] [V] [IV] [I] [V]

Now one of these [I] days girl
[vi] when you change your [I] mind
[vi] I'm gonna be [I] laughing
[vi] And you gonna be [I] crying
[vi] 'Cuz I'll be in [v7] love
[V7] With somebody [V] new
[bVI] I'll be in [ii] love with somebody [bII] new
[V] I'll be in [v7] love baby with somebody [IV] new
And [ii] doing [IV] all them things [I] I [vi] never [IV] did for [I] you

Does the [IV] feeling seem oh so [ii7] right? [V]

And [IV] what would you say if I [I] called on you now
And [IV] said that I can't hold [I] on?

[I] [Isus4] [I] [I] [Isus4] [I] [I] [Isus4] [I] [I] [Isus4] [I] [I]

I wish you [I] love [Isus4] [I]
And happi-[I]ness [Isus4] [I]
I guess I [I] wish [V] you all the [I] best
I wish you [I] don't [Isus4] [I]
Do like I [I] do [Isus4] [I]
And ever [I] fall in love with [V]someone like [I] you

'Cause if you [IV] feel just like I [I] did
You'd probably [I] walk around the block
Like a little [V] kid [V7]
But kids don't [I] know [Isus4] [I]
They can only [I] guess [Isus4] [I]
How hard it [I] is [V] to wish you happi-[I]ness

[I] [Isus4] [I] [I] [Isus4] [I] [I] [Isus4] [I] [V] [I]

I guess that [I] love [Isus4] [I]
Is like a Christmas [I] card [Isus4] [I]
You decorate a [I] tree [V] you throw it in the [I] yard,
it decays and [I] dies [Isus4] [I]
And the snowmen [I] melt [Isus4] [I]
Well, I once knew [I] love, [V] I knew how love [I] felt

Yeah, I knew [IV] love, love knew [I] me
And when I walked love walked with [V] me [V7]
And I got no [I] hate [Isus4] [I]
And I got no [I] pride [Isus4] [I]
Well, I got [I] so much [V] love that I cannot [I] hide
Yeah, I got [I] so much [V] love that I cannot [I] hide

[I] [Isus4] [I] [I] [Isus4] [I] [I] [Isus4] [I] [V] [I]

Say you drive a [I] Chevy [Isus4] [I]
Say you drive a [I] Ford [Isus4] [I]
You say you [I] drive around the [V] town till you just get [I] bored
Then you change your [I] mind [Isus4] [I]
For something else to [I] do [Isus4] [I]
And your [I] heart gets bored with your
[V] mind and it changes [I] you

[I] All the good times are [IV] past and [I] gone
All the good times are [V7] o'er
[I] All the good times are [IV] past and [I] gone
Little darlin' don't you [V7] weep no [I] more.

[I] All the good times are [IV] past and [I] gone
All the good times are [V7] o'er
[I] All the good times are [IV] past and [I] gone
Little darlin' don't you [V7] weep no [I] more.

[I] I wish to the Lord I'd [IV] never been [I] born
Or died when I was [V7] young
I [I] never would have seen your [IV] sparklin' blue [I] eyes
Or heard your [V7] lying [I] tongue

[I] All the good times are [IV] past and [I] gone
All the good times are [V7] o'er
[I] All the good times are [IV] past and [I] gone
Little darlin' don't you [V7] weep no [I] more.

[I] The very first time your [IV] lips touched [I] mine
You stole my heart a[V7]way
[I] Now misery will [IV] follow [I] me
Until my [V7] dying [I] day

[I] All the good times are [IV] past and [I] gone
All the good times are [V7] o'er
[I] All the good times are [IV] past and [I] gone
Little darlin' don't you [V7] weep no [I] more.

[I] Come back, come back my [IV] own true [I] love
And stay a while with [V7] me
[I] For if ever I've had a [IV] friend in this [I] world
You've been a [V7] friend to [I] me

[I] All the good times are [IV] past and [I] gone
All the good times are [V7] o'er
[I] All the good times are [IV] past and [I] gone
Little darlin' don't you [V7] weep no [I] more.

[I] All the good times are [IV] past and [I] gone
All the good times are [V] o'er
[I] All the good times are [IV] past and [I] gone
Little darling don't you [V] weep no [I] more

[I] Don't you see that [IV] turtle [I] dove
Flying from pine to [V] pine
He's [I] mourning for [IV] his own true [I] love
Just like I [V] mourn for [I] mine

[II] [V] [I] [IV]

All the [I] nice girls love a sailor
All the [IV] nice girls love a tar
For there's [II] something about a [V] sailor
Well you know what sailors [I] are

Bright and breezy free and easy
He's the [IV] ladies' [III7] pride and [IV] joy
He falls in [II] love with Kate and Jane
Then he's [V] off to sea again
Ship a-[I]hoy ship a-[IV]hoy [I] [IV] [I]

When the [IV] man o' war or merchant ship comes sailing into port
The [I] jolly tar with joy will [IV] sing out land ahoy
[IV] With his pockets full of money and a parrot in a cage
He [V] smiles at all the pretty girls upon the landing [I] stage

All the [I] nice girls love a sailor
All the [IV] nice girls love a tar
For there's [II] something about a [V] sailor
Well you know what sailors [I] are

Bright and breezy free and easy
He's the [IV] ladies' [III7] pride and [IV] joy
He falls in [II] love with Kate and Jane
Then he's [V] off to sea again
Ship a-[I]hoy ship a-[IV]hoy [I] [IV] [I]

He will [IV] spend his money freely and he's generous to his pals
While [I] Jack has got a sou there's [IV] half of it for you
[IV] And it's just the same in love and war he goes through with a smile
And [V] you can trust a sailor he's a white man all the [I] while

All the [I] nice girls love a sailor
All the [IV] nice girls love a tar
For there's [II] something about a [V] sailor
Well you know what sailors [I] are

Bright and breezy free and easy
He's the [IV] ladies' [III7] pride and [IV] joy
He falls in [II] love with Kate and Jane
Then he's [V] off to sea again

[I] Your goodbye
Left me with [III7] eyes that cry
[VI7] How can I go on dear with [ii] out you
[IV] You took the [iv] part
That [I] once [iii7] was my [VI7] heart
So [ii7] why not take [V7] all of [I] me

[I] All of me
Why not take [III7] all of me
[VI7] Can't you see

[IV] You took the [iv] part

Some-[I]body once [V] told me the [ii] world is gonna [IV] roll me
I [I] ain't the sharpest [V] tool in the [ii] shed [IV]
She was [I] looking kind of [V] dumb with her [ii] finger and her [IV] thumb
In the [I] shape of an [V] "L" on her [ii] forehead [IV]

Well the [I] years start coming and they [V] don't stop coming
[ii] Fed to the rules and I [IV] hit the ground running
[I] Didn't make sense not to [V] live for fun
Your [ii] brain gets smart but your [IV] head gets dumb

[I] So much to do, so [V] much to see
So what's [ii] wrong with taking the [IV] back streets?
You'll [I] never know if you don't [V] go
You'll [ii] never shine if you don't [IV] glow

> [I] Hey now, you're an [IV] all-star, get your [bvdim] game on, [IV] go play
> [I] Hey now, you're a [IV] rock star, get the [bvdim] show on, [IV] get paid
> And [I] all that [IV] glitters is [bvdim] gold
> [IV] Only shooting [I] stars [VII] break the [IV] mold

It's a [I] cool place and they [V] say it gets colder
You're [ii] bundled up now, wait [IV] 'til you get older
But the [I] meteor men beg to [V] differ
Judging by the [ii] hole in the satellite [IV] picture

The ice we [I] skate is getting pretty [V] thin
The water's getting [ii] warm so you might as well [IV] swim
My world's on [I] fire, how about [V] yours?
That's the way I [ii] like it and I'll never get [IV] bored

> And [I] all that [V] glitters is [ii] gold
> [IV] Only shooting [I] stars

Some-[I]body once [V] asked could I [ii] spare some change for [IV] gas?
I need to [I] get myself a-[V]way from this [ii] place [IV]
I said, [I] "Yup" what a con-[V]cept
I could [ii] use a little fuel my-[IV]self
And we could [I] all use a [V] little [ii] change [IV]

Well the [I] years start coming and they [V] don't stop coming
[ii] Fed to the rules and I [IV] hit the ground running
[I] Didn't make sense not to [V] live for fun
Your [ii] brain gets smart but your [IV] head gets dumb

[I] So much to do, so [V] much to see
So what's [ii] wrong with taking the [IV] back streets?

The [i] roses have faded, there's frost at my door

She may have forsaken some [V7] other like [i] me

The [i] darkness is falling, the sky has turned gray
A hound in the distance is [V7] starting to [i] bay
[i] I wonder, I wonder what she's thinking of

[I] [V] [IV] [IV] x2

Well, I [I] heard some people [V] talkin' just the [IV] other day [IV]
And they [I] said you were gonna [V] put me on a [IV] shelf [IV]
But let me tell [I] you I got some [V] news for you and you'll
[IV] soon find out it's [IV] true
And then you'll [I] have to eat your [V] lunch all by [IV] yourself [IV]

'Cause I'm [I] al-[V]ready [IV] gone [IV]
And I'm [I] fee-[V]eelin' [IV] strong [IV]
I will [I] sing [V] this victory [IV] song [IV]
Woo-hoo-[I]hoo-o, my [V] my, woo-[IV]hoo-hoo-o [IV]

The [I] letter that you [V] wrote me made me [IV] stop and wonder [IV] why
But I [I] guess you felt like you [V] had to set things [IV] right [IV]
[I] Just remember [V] this, my girl, when you [IV] look up in the [IV] sky
You can [I] see the stars and [V] still not see the [IV] light, that's [IV] right

'Cause I'm [I] al-[V]ready [IV] gone [IV]
And I'm [I] fee-[V]eelin' [IV] strong [IV]
I will [I] sing [V] this victory [IV] song [IV]
Woo-hoo-[I]hoo-o, my [V] my, woo-[IV]hoo-hoo-o [IV]

'Cause I'm [I] al-[V]ready [IV] gone [IV]
And I'm [I] fee-[V]eelin' [IV] strong [IV]
I will [I] sing [V] this victory [IV] song [IV]
Woo-hoo-[I]hoo-o, my [V] my, woo-[IV]hoo-hoo-o [IV]

Though I [I] know it wasn't [V] you who held me [IV] down [IV]
Heaven [I] knows it wasn't [V] you who set me [IV] free [IV]
So [I] often times it [V] happens that we [IV] live our lives in [IV] chains
And we [I] never even [V] know we have the [IV] key [IV]

But me I'm [I] al-[V]ready [IV] gone [IV]
And I'm [I] fee-[V]eelin' [IV] strong [IV]
I will [I] sing [V] this victory [IV] song [IV]
Woo-hoo-[I]hoo-o, my [V] my, woo-[IV]hoo-hoo-o [IV]

Change of key

Yes, I'm [IV] al-[I]ready [VII] gone
And I'm [IV] fee-[I]eelin' [VII] strong [VII]
I will [IV] sing [I] this victory [VII] song [VII], 'cause I'm [IV] al-[I]ready [VII] gone [VII]
[IV] Al-[I]ready [VII] gone [VII]

Always Look on the Bright Side of Life

artist:Monty Python writer:Eric Idle

Intro = Single-strum each chord in 1st verse while singing.

Some [i] things in life are [IV7] bad
They can [VII] really make you [v] mad,
and [i] other things just [IV7] make you swear and [VII] curse [v].
When you're [i] chewing on life's [IV7] gristle,
don't [VII] grumble - give a [v] whistle
and [I7] this'll help things turn out for the [IV7] best - and -

Chorus
[VII] Always [v] look on the [i] bright [IV7] side of [VII] life
whistle [v] ...[i] ... [IV7] ...
[VII] Always [v] look on the [i] light [IV7] side of [VII] life
whistle [v] ... [i] ...[IV7] ...

If [i] life seems jolly [IV7] rotten
there's [VII] something you've for [v] gotten,
and [i] that's to laugh and [IV7] smile and dance and [VII] sing [v].
When you're [i] feeling in the [IV7] dumps, [VII] don't be silly [v] chumps
just [I7] purse your lips and whistle that's the [IV7] thing .. and ...

Chorus

For [i] life is quite ab[IV7]surd and [VII] death's the final [v] word;
You must [i] always face the [IV7] curtain with a [VII] bow. [v]
For [i] get about your [IV7] sin; give the [VII] audience a [v] grin
en[I7]joy it; it's your last chance any[IV7]how ... and ...

[VII] Always [v] look on the [i] bright [IV7] side of [VII] death
whistle [v] ... [i] ... [IV7] ...
[VII] Just be [v] fore you [i] take your [IV7] terminal [VII] breathe.
whistle [v] ... [i] ... [IV7] ...

[i] Life's a piece of [IV7] shit [VII] when you look at [v] it.
[i] Life's a laugh and [IV7] death's a joke - it's [VII] true [v]
[i] you see it's all a [IV7] show; keep them [VII] laughing as you [v] go.
Just re [I7] member that the last laugh is on [IV7] you .. and ...

Chorus x2 and fade.

Described you clearly
But the sky began to fall

Am I [IV] ever gonna see your face again [I]

Little waxworks on the move
Carry young girls past me
But none of them are you
Am I [IV] ever gonna see your face again [I]
Am I [IV] ever gonna see your face again [I]

[V] Without you near me
I [IV] got no place to go
[V] Wait at the bar
[IV] Maybe you might show
Am I [IV] ever gonna see your face again [I]
Am I [IV] ever gonna see your face again [I]

[I] / [Isus4] / x2

[I] I've got to stop these tears
That's falling from my eye
Go walk out in the rain
So no one sees me cry
Am I [IV] ever gonna see your face again [I]

Through [I] many dangers, [IV] toils and [I] snares,
I have already [V7] come.
`Tis [I] grace hath brought me [IV] safe thus [I] far,
and grace will [V7] lead me [I] home.

A-[I]mazing grace how [IV] sweet the [I] sound
that saved a wretch [V7] like me.

I [I] once was lost, but [IV] now am [I] found,

Now, I [I] can't behave
I feel it in my feet on the [iii] streets
But don't you [IV] know?
There's something I can feel when I [I] breathe

I [I] told you once you're breaking into separate [iii] parts
But don't you [IV] know?
It's something that I can't live with-[vi]out

And if [IV] somebody's going to [I] make it
Then this [vi] somebody ought to be [iii] you
And I [IV] keep telling my re-[I]flection
Am[vi] bitions are [V] already starting to [I] fade

I can't [I] tolerate the feelings that I feel when I [iii] feel
But don't you [IV] know?
Some feelings never seem to let [I] go

Like a [I] silverblade I cut my way out of con-[iii]trol
But don't you [IV] know?
Some blades will cut you right to the [vi] bone

And if [IV] somebody's going to [I] make it
Then this [vi] somebody ought to be [V] you
And if [IV] somebody's going to [I] fake it
Then this [V] somebody, somebody is you
If it's [IV] me that was going to [I] take it
Then I [vi] know that it wouldn't be straight
And I [IV] keep telling my re-[I] flection
Am-[V] bitions are [V] already starting to [I] fade

[I] Well, a ship out on the water
Just a [IV] speck a-[III]gainst the [II7]sky
[V] Amelia Earhart's flying out that [I] day
[I] With her partner, Captain Noonan,
on the [IV] second [III] of [II7] July
[V] They fell into the ocean far [I] away

[I] And [II] there's [III] a [IV] beautiful, [iv] beautiful [I] field
[I] Far away in a land that is [V] fair
Happy [I] landings to you Amelia [IV] Ear-[III]har-[II7]t
Fare-[V]well, first lady of the [I] air

[I] Twenty minutes later
An [IV] S-O-S was [II7] heard
[V] The voice that came was weak but sounded [I] brave
[I] In the shark infested waters
Their [IV] plane went down that [II7] night
And our [V] heroes fell into a watery [I] grave

[I] And [II] there's [III] a [IV] beautiful, [iv] beautiful [I] field
[I] Far away in a land that is [V] fair
Happy [I] landings to you Amelia [IV] Ear-[III]har-[II7]t
Fare-[V]well, first lady of the [I] air

[I] Well, now you've heard the story
the [IV] awful trage-[II7]dy
we [V] pray that she might fly home safe [I] again
[I] but in years to come though others
blaze a [IV] trail across the [II7] sky
we'll [V] ne'er forget Amelia and her [I] plane.

[I] And [II] there's [III] a [IV] beautiful, [iv] beautiful [I] field
[I] Far away in a land that is [V] fair
Happy [I] landings to you Amelia [IV] Ear-[III]har-[II7]t

[IV] [V7] [i7]

O [I] beautiful for [V] spacious skies,
for [V7] amber waves of [I] grain
For purple mountain [V] majesties,
a-[II]bove the [II7] fruited [V] plain! [V7]
A-[I]merica! A-[V]merica!
God [V7] shed his grace on [I7] thee
And [IV] crown thy good with [I] brotherhood,
from [IV] sea to [V7] shining [I] sea!

O [I] beautiful for [V] pilgrim feet,
whose [V7] stern impassioned [I] stress
A thoroughfare of [V] freedom beat,
a[II] cross the [II7] wilder[V]ness! [V7]
A-[I]merica! A-[V]merica!
God [V7] mend thine every [I7] flaw
Con[IV] firm thy soul in [I] self-control,
Thy [IV] liber-[V7]ty in [I] law!

O [I] beautiful for [V] heroes proved,
in [V7] liberating [I] strife.
Who more than self their [V] country loved,
and [II] mercy [II7] more than [V] life! [V7]
A-[I]merica! A-[V]merica!
May [V7] God thy gold re-[I7]fine
Till [IV] all success be [I] nobleness,

A [IV] long, [I] long [ii] time ago, [v] I can still re-[VII]member how
That [ii] music used to [I] make me smile. [I7]
I [IV] knew [I] if I [ii] had my chance that [v] I could make those [VII] people dance
and [ii] maybe they'd be [VII] happy for a [I] while.
But [ii] February [v] made me shiver, [ii] with every paper [v] I'd deliver,
[VII] Bad news [IV] on the [v] doorstep, I [VII] couldn't take one [I] more step.
I [IV] can't re-[I]member [ii] if I cried when I [v] read about his [I] widowed bride,
[IV] Something [I] touched me [ii] deep inside, the [VII] day, the [I7] music, [IV] died.

So [IV] Bye - [VII] bye, Miss A-[IV]merican [I] Pie,
drove my [IV] chevy to the [VII] levee but the [IV] levee was [I] dry,
Them [IV] good ole' [VII] boys were drinkin' [IV] whiskey and [I] rye, singin'
[ii] This'll be the day that I [V7] die, [ii] this'll be the day that I [I] die. [I7]

[IV] Did you write the [v] book of love and do [VII] you have faith in [v] God above,
[ii] if the Bible [I] tells you so? [I7]
Now do [IV] you be-[I]lieve in [ii] rock and roll,
can [v] music save your [VII] mortal soul and
[ii] Can you teach me [V7] how to dance real [I] slow?
Well, I [ii] know that you're in [I] love with him,
`cause I [ii] saw you dancing [I] in the gym.
You [VII] both kicked [IV] off your [V7] shoes, man I [VII] dig those rhythm and [I7] blues.
I was a [IV] lonely [I] teenage [ii] broncin' buck
with a [v] pink carnation and a [VII] pick up truck,
but [IV] I knew [I] I was [ii] out of luck the [VII] day, the [I7] music, [IV] died. [VII] [IV]

So [IV] Bye - [VII] bye, Miss A-[IV]merican [I] Pie,
drove my [IV] chevy to the [VII] levee but the [IV] levee was [I] dry,
Them [IV] good ole' [VII] boys were drinkin' [IV] whiskey and [I] rye, singin'
[ii] This'll be the day that I [V7] die, [ii] this'll be the day that I [I] die. [I7]

[IV] I met a [I] girl who [ii] sang the blues and I [v] asked her for some [VII] happy news,
but [ii] she just smiled and [I] turned away. [I7]
[IV] I went [I] down to the [ii] sacred store where I [v] heard the music [VII] years before,
but the [ii] man there said the [VII] music wouldn't [I] play.
And [ii] in the streets the [v] children screamed,
the [ii] lovers cried and the [v] poets dreamed,
but [VII] not a [IV] word was [v] spoken, the [VII] church bells all were [I] broken.
And the [IV] three men [I] I ad-[ii]mire most, the [v] Father, Son and the [I] Holy Ghost,
they [IV] caught the [I] last train [ii] for the coast, the [VII] day, the [v] mu-[I7]sic, [IV] died.

[I] And they were singin'....
[IV] Bye - [VII] bye, Miss A-[IV]merican [I] Pie,
drove my [IV] chevy to the [VII] levee but the [IV] levee was [I] dry,
Them [IV] good ole' [VII] boys were drinkin' [IV] whiskey and [I] rye, singin'
[VII] This'll be the [I] day that I [IV] die [VII] [IV]

I [ii] can't help but [I] wonder [V] what's gone [I] wrong

And I [I] dream I was dying,
I dreamed that my [V] soul rose unex-[vi]pectedly,

And I [I] dreamed I was flying,
And high up above [V] my eyes could [vi] clearly see
The Statue of [V] Liberty, [IV] sailing a-[I]way to [V] sea,
And I dreamed I was [I] flying.

We come on the [IV] ship [I] they [ii] call [I] the May-[V]flow-[III]er,
We come on the [vi] ship that [III7] sailed the [vi] moon.
[I] We come in the [IV] a-[I]ge's [ii] most [I] unc-[V]certain [vi] hours,
And sing an [III7] American [vi] Tune.
Oh, and it's [IV] al-[V]right, it's [IV] al-[I]right,
You can't [IV] be for-[V]ev-[III]er [III7] blessed.
[IV] Still to-[V]morrow's gonna be a-[I]noth-[V]er [II] working [V] day,

[I] I've just received a letter from my home in Ire-[IV]land
The [V] scribble so [V7] familiar, was my mother's feeble [I] hand
A house that rang with music and of laughter now is [IV] still
Dear [V7] Danny it's so lonely now among the Wicklow [I] Hills

As I [IV] gaze across the mountains
I re-[I]live that moments joy
Those [IV] same old Wicklow mountains
Where you [I] rambled as a [V7] boy
Your [I] photo as a child
That pictures by your bedside [IV] sill
And each [V7] night I pray that you'll come back home

[I] Do you remember long ago
When in summer you would [IV] stroll
Down [V] where the [V7] crystal mountain streams meets
To the Slaney [I] waters roll

Do you recall a young companion
Who talks about you [IV] still
And [V7] you know who she's waiting for

[I7] [I7] [I7] [I7] [I7] [I7] [I7] [I7]

Yeah, here comes Amos!

[I7] Now Amos Moses was a Cajun. He [II7] lived by himself in the swamp.
He [IV7] hunted alligator for a living,
he'd just knock them in the head with a [IV7] stump.
The [I7] Louisiana law gonna get you, Amos. [I7]
It ain't legal hunting alligator down in the swamp, boy. [I7]

[I7] Now everyone blamed his old man, for [II7] making him mean as a snake.
When [IV7] Amos Moses was a boy,
his daddy would use him for alligator [IV7] bait.
Tie a [I7] rope around his waist and throw him in the swamp. [I7]
Alligator bait in the Louisiana bayou. [I7]

About [V7] forty-five minutes south-[IV7]east of Thibodaux, [I7] Louisiana,
lived a [V7] man called Doc Mill-[IV7]sap and his pretty wife [I7] Hannah.
Well, they [V7] raised up a son that could [III] eat up his weight in [IV7] groceries.
Named him after a man of the cloth,
called him Amos [I7] Moses. [I7]

[I7] Now the folks around south Louisiana said [II7] Amos was a hell of a man.
He could [IV7] trap the biggest, the meanest alligator,
and just use one [IV7] hand.
That's [I7] all he's got left 'cause the alligator bit it. [I7]
Left arm gone clear up to the elbow. [I7]

[I7] Well, the sheriff caught wind that Amos
was in the [II7] swamp trapping alligator skin.
So he [IV7] snuck in the swamp gonna get the boy,
but he never come out again. [IV7]
Well I [I7] wonder where the Louisiana sheriff went to? [I7]
Well, you can sure get lost in the Louisiana bayou. [I7]

About [V7] forty-five minutes south-[IV7]east of Thibodaux, [I7] Louisiana,
lived a [V7] cat called Doc Mill-[IV7]sap and his pretty wife [I7] Hannah.
Well, they [V7] raised up a son that could [III] eat up his weight in [IV7] groceries.
Named him after a man of the cloth, called him Amos [I7] Moses. [I7]

Set out on 'em Amos! Make it count son!
About [V7] forty-five minutes south-[IV7]east of Thibodaux, [I7] Louisiana,
lived a [V7] man called Doc Mill-[IV7]sap and his pretty wife [I7] Hannah.
Well, they [V7] raised up a son that could [III] eat up his weight in [IV7] groceries.

[vi] All but [vi7] love is [ii7] dead
[IV] Th[V] at is my be-[I]lief

And [I] yes, I [vi] know how [ii7] lonely life can be
The shadows follow [V] me and the [I] night won't set me free [I] [vii] [vi]

And It Stoned Me

artist:Van Morrison writer:Van Morrison

[I] Half a mile from the [V] county fair, and the [IV] rain came pouring [I] down
[I] Me and Billy [V] standing there with a [IV] silver half a [I] crown
[I] Hands are full of [V] fishing rods, and the [IV] tackle on our [I] backs
[I] We just stood there [V] getting wet, with our [IV] backs against the [I] fence

[ii] Oh, the [V] water
[ii] Oh, the [V] water
[ii] Oh, the [V] water [vi]
Hope it don't rain all day [V]

And it [I] stoned me [IV] to my soul [I]
[I] Stoned me just like [V] jelly roll
And it [vi] stoned [I] me
And it [I] stoned me [IV] to my soul [I]
[I] Stoned me just like [V] going home
And it [vi] stoned [I] me

And the [I] rain let up, and the [V] sun came up, and [IV] we were getting [I] dry
[I] Almost let a [V] pickup truck [IV] nearly pass us [I] by
So we [I] jumped right in and the [V] driver grinned
And he [IV] dropped us up the [I] road
And we [I] looked at the swim, and we [V] jumped right in
Not to [IV] mention fishing [I] poles

[ii] Oh, the [V] water
[ii] Oh, the [V] water
[ii] Oh, the [V] water [vi]
Let it run all over me [V]

And it [I] stoned me [IV] to my soul [I]
[I] Stoned me just like [V] jelly roll
And it [vi] stoned [I] me
And it [I] stoned me [IV] to my soul [I]
[I] Stoned me just like [V] going home
And it [vi] stoned [I] me

[I] Half a mile from the [V] county fair, and the [IV] rain came pouring [I] down
[I] Me and Billy [V] standing there with a [IV] silver half a [I] crown
[I] Hands are full of [V] fishing rods, and the [IV] tackle on our [I] backs

[ii] Oh, the [V] water
[ii] Oh, the [V] water
[ii] Oh, the [V] water [vi]
Hope it don't rain all day [V]

On the [I] way back home we [V] sang a song, but our [IV] throats were getting [I] dry
Then we [I] saw the man from a-[V]cross the road with the [IV] sunshine in his [I] eyes
Well he [I] lived all alone in his [V] own little home with a [IV] great big gallon [I] jar
There were [I] bottles too, one for [V] me and you, and he [IV] said "hey, there you [I] are"

[ii] Oh, the [V] water
[ii] Oh, the [V] water
[ii] Oh, the [V] water [vi]
Get it myself from the mountain [V] stream

And it [I] stoned me [IV] to my soul [I]
[I] Stoned me just like [V] jelly roll
And it [vi] stoned [I] me
And it [I] stoned me [IV] to my soul [I]
[I] Stoned me just like [V] going home
And it [vi] stoned [I] me

And it [I] stoned me [IV] to my soul [I]
[I] Stoned me just like [V] jelly roll
And it [vi] stoned [I] me
And it [I] stoned .... [IV] me to my soul [I]
[I] Stoned me just like going [V] home
And it [vi] stoned [I] me

[I] [Isus4] [I] [Isus4]

You spend all your time [ii] waiting for that [IV] second chance,
For a [I] break that would [Isus4] make it o-[V]kay
There's always some [ii] reason to feel [IV] not good enough,
And its [I] hard at the [Isus4] end of the [V] day
I need some dis-[ii]traction, oh, a [IV] beautiful release.
[I] Memories [Isus4] seep from my [V] veins
Let me be [ii] empty, oh, and [IV] weightless and maybe,
I'll [I] find some [Isus4] peace to-[V]night.

In the [I] arms [Isus4] of the [I] angel, fly a-[iii]way... from here
From this [IV] dark, cold hotel room, and the [I] endlessness that you [V] fear
You are [I] pulled [Isus4] from the [I] wreckage of your [iii] silent.... reverie
You're in the [IV] arms of the angel, may you [I] find-[V]-ind, some comfort
[I] here. [Isus4] [I] [Isus4]

You're so tired of the [ii] straight line, and [IV] everywhere you turn,
There's [I] vultures and [Isus4] thieves at your [V] back.
the storm keeps on [ii] twisting, you keep on [IV] building the lies
That you [I] make up for [Isus4] all that you [V] lack.
Don't make no [ii] difference, [IV] escaping one last time
It's [I] easier [Isus4] to [V] believe...
In this sweet [ii] madness, oh, this [IV] glorious sadness,
That [I] brings me [Isus4] to my [V] knees.

In the [I] arms [Isus4] of the [I] angel, fly a-[iii]way... from here
From this [IV] dark, cold hotel room, and the [I] endlessness that you [V] fear
You are [I] pulled [Isus4] from the [I] wreckage of your [iii] silent.... reverie

[i7] You live your life in the songs you hear on the rock and roll radio,
And when a young girl doesn't have any friends that's a really nice place to go.

[iv7] Folks hopin' [VII7] you'd turn out cool,
[IIImaj7] But they had to take you [VImaj7] out of school.
[iv7] You're a little touched, you [V7] know, Angie [i7] Baby.

[i7] Lovers appear in your room each night and they whirl you 'cross the floor,
But they always seem to fade away when your daddy taps on your door.
[iv7] Angie Girl, [VII7] are you all right?
[IIImaj7] Tell the radio [VImaj7] good-night.
[iv7] All alone once [V7] more, Angie [i7] Baby.

[VII7] Angie [IIImaj7] Baby, you're a [iv7] spe-[VII7]cial [IIImaj7] lady
[VI] Livin' in a [VII] world of make [VImaj7] believe, [i7] well, maybe.

[i7] Stoppin' at her house is a neighbour boy with evil on his mind,
Cause he's been peekin' in Angie's room at night through her window blind.

[iv7] "I see your folks have [VII7] gone away.
[IIImaj7] Would you dance with me [bVI]today?
[iv7] I'll show you how to have a good [V7] time, Angie [i7] Baby. "

[i7] When he walks in her room, he feels confused like he walked into a play,
And the music's so loud it spins him around till his soul has lost its way.

[iv7] And as she turns the [VII7] volume down,
[IIImaj7] He's getting smaller with the [VImaj7] sound;
[iv7] It seems to pull him off the [VII7] ground.
[IIImaj7] Toward the radio [VImaj7] he's bound, [i7] never to be found.

[i7] The headlines read that a boy disappeared, now everyone thinks he died.
'Cept the crazy girl with the secret lover who keep her satisfied
[iv7] It s so nice to be [VII7] insane; [IIImaj7] no one asks her to [VImaj7] explain
[iv7] Radio by her side, Angie [i7] Baby
[VII7] Angie [IIImaj7] Baby, you're a [iv7] spe-[VII7]cial [IIImaj7] lady
[VI] Livin' in a [VII] world of make [VImaj7] bel.. ie.. ve,

[i7] well, maybe.
[i7] well, maybe. (Angie baby) x3

[V7] Raise a glass for auld lang syne, come on, rock it up for [I] all mankind.
It's [I] good to see friends I know, kissing under the [IV] mistletoe.
I [V7] love to hear the children sing, it looks like Santa's gonna bring...

Another [I] Rock 'N' Roll [vi] Christmas, another [IV] Christmas Rock 'N' [V7] Roll.
We [IV] better hold each other tight; you [V7] never know, it might snow tonight.

[I] Guys and girls, stay up late, so excited [IV] they can't wait.
[V7] Let there be peace on Earth; come on, Rock 'N' Roll for [I] all your worth.
[I] We're gonna laugh, we're gonna sing, we're gonna make the [IV] rafters ring.
I'll [V7] pull my cracker, let me be, the silver star upon your tree.

Another [I] Rock 'N' Roll [vi] Christmas, another [IV] Christmas Rock 'N' [V7] Roll.
To-[IV] night old Santa never, ever stops; he [V7] bops above the chimney tops.

You'll be [vi] rocking, in your stocking,
When you [V] see your big su-[V7]prise.
'Cos I'll be [vi] rocking, in your stocking,
You [V] won't believe your [V7] big blue eyes

[I] Come on in and join the fun; it's Christmas time for [IV] everyone.
[V7] May your days be merry and bright,
'Cos there ain't gonna be no [I] silent night!
[I] See the stars, glittering, soon they're gonna see the [IV] new year in.
[V7] No-one's looking, kiss me quick; come on, Rock 'N' Roll for old Saint Nick.

Ants On A Log

[NC] Ants on a [I] log, floatin' down a [V] river
Runnin' a-[V7]round, but not gettin' any-[I]where
Our steering [I] wheel, just ain't [V] connected
And we [IV] can't jump off like [V7] fleas on a [I] dog
[IV] Can't fly away like [V7] flies on a [I] hog
We're [IV] really just along for the [V7] ride like ants on a [I] log

[I] I got an uncle, he plays a game and can't [V] win it
He's got a mould, tries to fit everybody else [I] in it
When's he gonna learn he's bangin' his head on the [IV] wall?
[II] He ain't gonna change, and he [II7] looks at me strange
When I [II] tell him I think we're [V] all (just)

[NC] Ants on a [I] log, floatin' down a [V] river

We're [IV] really just along for the [V7] ride like ants on a [I] log

[I] We all know people who yell at the cars in the [V] traffic
Folks in a hurry lives full of heartache and [I] havoc
I finally learned how to lay back and let a lot [IV] happen
[II] I just image [II7] angels up in Heaven
Lookin' [II] down at us and [V] laughin' (at)

[NC] Ants on a [I] log, floatin' down a [V] river

[IV] Oh and just about the time you think you're rollin' in [I] clover
[II] Along comes a rapids, and the world tips [V] over

Any dream will [I] do [I7]

A [IV] crash of drums, a flash of light, my golden coat flew out of sight
The [I] colours faded [vi] into darkness, [II7] I was left a-[V]lone

[IV] Just a week or two ago my poor old Uncle Bill
[I] Went and kicked the bucket and he [VII] left me in his Will
The [I7] other day I popped around to see poor Auntie Jane
[V7] Aunty said your Uncle has left to [I] you an old watch and chain
I [IV] put it on - right a-[VII] cross me [IV] vest
Thought I [VII] looked a dan-[V7]dy as [I] it dangled on me chest
Just to flash it off I started walking round about
The [I] kids all run a-[V]ter me me and all began to [I] shout

Any old [IV] iron, any old iron
[IV] Any, any, any old [VII] iron
[V] You look sweet, [I] talk about a treat
[V] You look dapper from your [I] napper to your feet
Well, you're [IV] dressed in style
[IV] With a brand new smile
[IV] Your father's old green [I] tie on
Well, I [ii] wouldn't give you tuppence for your [IV] old watch chain
[IV] Old iron, [IV] Old [I] ir-[IV]on

[IV] Shan't forget when I got married to Selena Brown
The [I] way that people laughed at me it [VII] made me feel a clown
I began to [I] wonder when their dials began to crack
If [V7] by mistake I'd got my Sunday [I] trousers front to back
[IV] I wore my chain on me [VII] Darby-[IV]kel
The [VII] sun was shining on it and [V7] made me look a [I] swell
The organ started playing and the bells began to ring
Me [I] chain be-[V]gan to rattle so the choir began to [I] sing

Any old [IV] iron, any old iron
[IV] Any, any, any old [VII] iron
[V] You look sweet, [I] talk about a treat
[V] You look dapper from your [I] napper to your feet
Well, you're [IV] dressed in style
[IV] With a brand new smile
[IV] Your father's old green [I] tie on
Well, I [ii] wouldn't give you tuppence for your [IV] old watch chain
[IV] Old iron, [IV] Old [I] ir-[IV]on

[IV] I went to the city once and I thought I'd have a spree
[I] The Mayor of London he was there that's who I came to see
[IV] He dashed up at a canter in a carriage and a pair
I [I] shouted Holler boys and threw my hat up in the air
[IV] Just then the Mayor he began to smile
[VII] Saw my face and then he shouted Lummy what a dial
[IV] Started Lord Mayoring an' I thought that I should die
When [I] pointing to my watch and chain and he hollered to me Hi

Any old [IV] iron, any old iron
[IV] Any, any, any old [VII] iron
[V] You look sweet, [I] talk about a treat
[V] You look dapper from your [I] napper to your feet
Well, you're [IV] dressed in style
[IV] With a brand new smile
[IV] Your father's old green [I] tie on
Well, I [ii] wouldn't give you tuppence for your [IV] old watch chain
[IV] Old iron, [IV] Old [I] ir-[IV]on

[IV] Just to have a little bit of fun the other day
[I] Made up in my watch and chain I went and drew my pay
[IV] Then got out with a lot of other colonels on the loose
I [I] got full right up to here in fourp'ny stagger juice
[IV] One of them said we want a pot of ale
[VII] Run him to the rag shop and we'll bung him on the scale
[IV] I heard the fellow say what's in this bundle that you've got
Then [I] whisper to me kindly do you want to lose your lot

Any old [IV] iron, any old iron
[IV] Any, any, any old [VII] iron
[V] You look sweet, [I] talk about a treat
[V] You look dapper from your [I] napper to your feet
Well, you're [IV] dressed in style

To [II] travel on the other [V] way

But [I] in my memory lingers
[I7] All you once were to [IV] me
So [IV] I'm gonna give you [I] one more chance
To [V] prove what you can [I] be

[I] Any old time you wanna come back [I7] home
[IV] Drop me a line and honey say no more you'll [I] roam
[V] You had your chance to [I] play the game fair
[II] When you left me sweetheart
You [V] only left a love who cared

[I] Now that you're down
I'm [IV] gonna stick by [I] you
If [II] you would only [IV] tell me
Your [V] roaming days are through

[I] You'll find me here

[II] I hear it in your [VI] voice , I see it in your [V] face,
You've become the [VI] memory, I [vii] can't erase.

April Showers

artist:Al Jolson writer:Louis Silvers and B. G. De Sylva

Al Jolson: https://www.youtube.com/watch?v=Z1Z0odJJj00

Intro: (one downstroke on each chord of first verse)
[I] Life is [V] not a [I] highway [V] strewn with [I] flowers [V]
[I] Still it [V] holds a [I] goodly [V] share of [I] bliss [VII7]
[iii] When the [VII7] sun gives [iii] way to [VII7] April [iii] showers [VI7]
[ii] Here's the point that [II7] you should never [V] miss [Vdim] [V7]

[NC] Though April [V7] Showers may come your [I] way
They bring the [V7] flowers that bloom in [I] May
So if it's [VI7] raining have no re[ii]grets
Because [II7] it isn't raining rain you know
It's [V7] raining violets

[NC] And where you [V7] see clouds upon the [I] hills
You soon will [VI7] see crowds of [ii] daffo[VI7]dils [ii]
So keep on [IV] looking for a [iv] bluebird
And [I] listening for his [VI7] song
When[ii]ever April [V7] showers come a[I]long [Vdim] [V7]

[I] I'm a little doll who was [V] dropped and broken

Now [II7] won't you tell me [V] please.

Are My [I] Ears On [vi] Straight, is my [IV] nose in [II] place
[V7] Have I got a cute [I] expression on my face?
Are my [vi] blue eyes bright, [II] do I look all right?
To be [V7] taken home Christmas [I] Day?

When I [vi] first came here, just a [II] month ago.
[V7] Brought in by a little [I] girl who loved me so.

Could be [V7] taken home Christmas [I] Day. [I7]

[IV] Christmas time is drawing nearer, [I] and I'm [II7] getting [I] scared
[vi] Wish I [II7] could see [vi] in a mirror, [II7] how I've been re-[V7]paired.
I'll be [I] called for [vi] soon, but I'm [IV] worried [II7] so
[V7] Will she love me like she [I] did a month a-[V]go.

Intro: [I] [vi] [I]

[I] All I wanted was a [V] home and a [vi] roof over our [I] heads
[ii] Somewhere we could [IV] call our own
Feel [I] safer in our [IV] beds
[I] There was a storm of money [V] raining down
It [IV] only touched the [I] ground
With a [V] loan I took I [IV] can't repay and the crock of [V] gold you [I] found

[vi] At every [IV] trough you stopped to [I] feed
With your [ii] Arrogance, your [IV] Ignorance and [I] Greed.

[I] I never was a [V] cautious man , I [IV] spend more than I'm [I] paid
But [V] those with something [IV] put aside are the [I] ones that you be[IV]trayed

With your [I] bonuses and expenses you [IV] shovelled down your [I] throat
Now you bit the hand that [vi] fed you, dear [IV] God I hope you [I] choke

[vi] At every [IV] trough you stopped to [I] feed
With your [ii] Arrogance, your [IV] Ignorance and [I] Greed.

[vi] You're on your [IV] yacht, we're on our [I] knees
Through your [ii] Arrogance, your [IV] Ignorance and [I] Greed.

[IV] Toxics bring you tact and soul, [V] poisoned every watering hole
Your [vi] probity, you ex[IV]changed for [V] gold

[I] Working man stands in line, the [vi] market sets his [I] price
No [ii] feather bed, no [I] golden egg, no one pays him [vi] twice [IV]
So where's your [I] thrift and your [V] caution, your [I] honest sound advice
You know you've dealt yourself a [I] winning hand and [IV] loaded every [I] dice

[vi] At every [IV] trough you stopped to [I] feed
With your [ii] Arrogance, your [IV] Ignorance and [I] Greed.

[vi] I pray one [IV] day we'll soon be [I] free from your [ii] absolute in[IV]difference
Your [ii] avarice, in[IV]competence
Your [ii] Arrogance, your [IV] Ignorance and your [I] Greed.

The [V] valentines I never knew,

[v7] Desp'ratly re-[i7]mained at home

[I] Away in [IV] a [I] manger, no crib for a [ii] bed
The [V7] little Lord [I] Jesus lay [II7] down his sweet [V7] head.
The [I] stars in [IV] the [I] bright sky, looked down where he [ii] lay.
The [V7] little Lord [I] Jesus

I [I] love Thee, [IV] Lord [I] Jesus, look down from the [ii] sky
And [V7] stay by my [I] cradle
'til [IV] morning [V7] is [I] nigh.

[I] Be near me, [IV] Lord [I] Jesus, I ask Thee to [ii] stay

[I] Ohh wooa-[vi] oh, Ohh wooa-[IV] ah, Ohh wooa-[V] oh

You know you [I] love me, I know you care
You shout when-[vi]ever, and I'll be there
You want my [IV] love, you want my heart
And we will [V] never ever ever be apart

Are we an [I] item? Girl quit playing
We're [vi] just friends, what are you saying?
Said there's a-[IV]nother, look right in my eyes
My first [V] love broke my heart for the first time,
And I was like

> [I] Baby, baby, baby nooo
> I'm like [vi] baby, baby, baby noo
> I'm like [IV] baby, baby, baby nooo
> I [V] thought you'd always be mine, mine
>
> [I] Baby, baby, baby nooo
> I'm like [vi] baby, baby, baby noo
> I'm like [IV] baby, baby, baby nooo
> I [V] thought you'd always be mine, oh oh

For [I] you, I would have done whatever
And I just [vi] can't believe we're here together
And I gotta [IV] play it cool, [II] 'cause I'm [I] losin' you
I'll buy you [V] anything, I'll buy you any ring

'Cause I'm in [I] pieces, baby fix me
And you [vi] shake me 'til you wake? me from this bad dream
I'm [IV] going down, down, dooown
And I just [V] can't believe my first love won't be around,
And I'm like

> [I] Baby, baby, baby nooo
> I'm like [vi] baby, baby, baby noo
> I'm like [IV] baby, baby, baby nooo
> I [V] thought you'd always be mine, mine
>
> [I] Baby, baby, baby nooo
> I'm like [vi] baby, baby, baby noo
> I'm like [IV] baby, baby, baby nooo
> I [V] thought you'd always be mine, mine

[I] When I was 13, I had my first love
[vi] There was nobody that compared to my baby
And nobody came between us, nor could ever come above
[IV] She had me goin' crazy
Oh, I was starstruck
[V] She woke me up daily
Don't need no Starbucks (woo)

[I] She made my heart pound
And skip a beat when I see her in the street and
[vi] At school on the playground
But I really wanna see her on the weekend
[IV] She knows she got me dazin'
'Cause she was so amazin'
[V] And now, my heart is breakin'
But I just keep on sayin'

> [I] Baby, baby, baby nooo
> I'm like [vi] baby, baby, baby noo
> I'm like [IV] baby, baby, baby nooo
> I [V] thought you'd always be mine, mine
>
> [I] Baby, baby, baby nooo
> I'm like [vi] baby, baby, baby noo
> I'm like [IV] baby, baby, baby nooo
> I [V] thought you'd always be mine, mine

[I] Yeah yeah yeah, yeah yeah yeah
[vi] Yeah yeah yeah, yeah yeah yeah
[IV] Yeah yeah yeah
Now I'm all [V] gone, gone, gone, gone
I'm [I] gooooooooone

But I [vi] rose before the dawn, to your singing yesterday
I [I] couldn't see the rising, 'cause the dark was in my sky
I [vi] couldn't see the sun, 'cause the [IV] sun was in my [I] eye [I] [V] [I]

[IV] Take you an apple and [I] take you a [IV] song
[I] Watch a baby [V] day be [I] born
[IV] Take you an apple and [I] take you a [IV] song
[I] Watch a baby [V] day be [I] born [I] [V] [I]

gradually play verse slower

[I] Why sleep, I heard and I followed it today
To the [vi] top of the hill where the wind songs play
And I [I] sing it like I heard it
Why I [I] heard it who knows why?
Why [vi] sleep when we can [IV] watch the sun a-[I]rise [I] [V] [I]

[I] We were meant to see the beginning of the day
I believe it was planned to [V] lift us this [I] way
[IV] Take you an apple and [I] take you a [IV] song
[I] Watch a baby [V] day be [I] born
[IV] Take you an apple and [I] take you a [IV] song
[I] Watch a baby [V] day be [I] born
[IV] Take you an apple and [I] take you a [IV] song
Watch a baby [V] day be [I] born
[IV] Take you an apple and [V] take you a [I] song
[IV] Watch a baby [V] day be [I] born [I] [V] [I]

much slower on this verse

[IV] Take you an apple and [I] take you a [IV] song
Take back an answer to [I] something gone [IV] wrong
Take back some music and [I] take me a-[IV]long
And [I] watch a baby [V] day be [I] born
Watch a baby [V] day be [I] born

Baby Driver (Paul Simon, 1968)
[I] [I] [I] [I]

My [I] daddy was the family [I] bassman, my
[I] mamma was an engine-[I]eer
And [I] I was born one [I] dark grey morn
With [IV] music coming in my [IV] ears, in my [I] ears [I]

They [IV] call me Baby [IV] Driver
And [IV] once upon a pair of [IV] wheels, hit-the-road-and-I'm
[I] go-o-ne, [I] what's [VII] my [bVII] num-[VI]ber?
I [ii] wonder how your engines [ii7] feel, ba-ba ba ba
[I] Scoot down the road, [I] what's [VII] my [bVII] num-[VI] ber?
I [ii] wonder how your [V7] engines [I] feel [I]

My [I] daddy was a prominent [I] frogman, my
[I] mamma's in the Naval Re-[I]serve
When [I] I was young I [I] carried a gun
But I [IV] never got the chance to [IV] serve, I did not [I] serve [I]

They [IV] call me Baby [IV] Driver
And [IV] once upon a pair of [IV] wheels, hit-the-road-and-I'm
[I] go-o-ne, [I] what's [VII] my [bVII] num-[VI]ber?
I [ii] wonder how your engines [ii7] feel, ba-ba ba ba
[I] Scoot down the road, [I] what's [VII] my [bVII] num-[VI]ber?
I [ii] wonder how your [V7] engines [I] feel [I]

My [I] daddy was the family [I] bassman, my [I] mamma was an engine-[I]eer
And [I] I was born one [I] dark grey morn
With [IV] music coming in my [IV] ears, in my [I] ears [I]

My [I] daddy got a big pro-[I]motion, my
[I] mamma got a raise in [I] pay
There's [I] no-one home, we're [I] all alone
Oh [IV] come to my room and [IV] play yes, we can [I] play [I]

I'm not [IV] talking about your [IV] pigtails
But I'm [IV] talking 'bout your sex a-[IV]ppeal, hit-the-road-and-I'm
[I] go-o-ne, [I] what's [VII] my [bVII] num-[VI]ber?
I [ii] wonder how your engines [ii7] feel, ba-ba ba ba
[I] Scoot down the road, [I] what's [VII] my [bVII] num-[VI] ber?
I [ii] wonder how your [V7] engines [I] feel [I]

[I] [V] 2x[vi] 2x[IV] [iii] [ii7]

[I] Shadows grow so [V] long before my [vi] eyes,
[vi] And they're [IV] moving, a-[VII7]cross the page
[I] Suddenly the [V] day turns into [vi] night,
[IV] far away, from the [VII7] city
But [iii7] don't, hesi-[VI7]tate,
'cause your [ii7] love, won't [V7] wait

[I] Ooh, [V] Baby I love your [ii] way, [IV]
[I] Wanna [V] tell you I love your [ii] way, [IV]
[I] Wanna [V] be with you night and [ii] day, ay [IV] yay

[I] Moon appears to [V] shine and light the [vi] sky,
[vi] with the [IV] help of some [VII7] firefly
[I] Wonder how they [V] have the power to
[vi] shine, shine, shine shine
[IV] I can see them, [VII] under the [VII7] pine

But [iii7] don't, hesi-[VI7]tate,
'cause your [ii7] love, won't [V7] wait

[I] Ooh, [V] Baby I love your [ii] way, [IV]

[I] [V] 2x[vi] 2x[IV] [VII] [VII7]
[I] [V] 2x[vi] 2x[IV] [VII] [VII7]

But [iii7] don't, hesi-[VI7]tate,
'cause your [ii7] love, won't [V7] wait

[I] I can see the [V] sunset in your [vi] eyes,
Brown and [IV] Grey, and [VII] blue [VII7] resides
[I] Clouds are stalking [V] islands in the [vi] sun,
[vi] I wish I could [IV] buy one, out of [VII7] season

But [iii7] don't, hesi-[VI7]tate, 'cause your [ii7] love, won't [V7] wait

Repeat and fade

[I] Ooh, [V] Baby I love your [ii] way, [IV]

[I] Wanna [V] be with you night and [ii] day [IV]

[I] [vi] [ii7] [ii] .
[I] I really can't [Imaj7] stay
. ([Imaj7] But baby it's [I] cold out-[Imaj7]side)
I've [ii] got to go a-[V7]way
. ([V7]But baby it's [ii] cold out-[V7]side)
The [I] evening has [Imaj7] been
. ([Imaj7] Been hoping that [I] you'd drop in)
So very [v7] nice
. ([v7] I'll hold your [I7] hands, they're just like ice)

My [IV] mother will start worry
. ([I7] Beautiful what's your [IV] hurry?)
And [IV7] father will be pacing the floor
. ([IV7] Listen to the fireplace [I] roar)
So [I] really I'd better scurry
. ([I] Beautiful please don't [VII7] hurry)
But [ii] maybe just a half a drink [VII7] more
. ([VII7] Put some records on [V] while I [I] pour)

The [I] neighbors might [Imaj7] think
. ([Imaj7] Baby it's [I] bad out [Imaj7] there)
Say, [ii] what's in this [V7] drink?
. ([V7] No cabs to be [ii] had out [V7] there)
I [I] wish I knew [Imaj7] how
. ([Imaj7] Your eyes are like [I] starlight now)
To break the [v7] spell
. ([v7] I'll take your hat, your [I7] hair looks swell)
I [IV] ought to say, "No, no, no sir"
. ([IV] Mind if I move in closer?)

At [iv] least I'm gonna say that I [V7] tried
. ([V7] What's the sense in hurtin' my pride?)
I [I] really can't [bVII7] stay
. ([bVII7] Baby don't [VI7] hold out)
Ah, but it's [II7] cold [V7] out-[I] side

I [I] simply must [Imaj7] go
. ([Imaj7] Baby, it's [I] cold out-[Imaj7]side)
The [ii] answer is [V7] no
. ([V7] Ooh darling, it's [ii] cold [V7] outside)
[I] This [Imaj7] welcome [I] has been
. ([I] I'm lucky that you dropped in)
So nice and [v7] warm
. ([v7] Look out the [I7] window at that storm)

My [IV] sister will be sus-picious
. ([IV] Man, your lips look delicious)
My [iv] brother will be there at the door
. ([iv] Waves upon a tropical shore
My [I] maiden aunt's mind is vicious
. ([I] Gosh your lips are delicious)
Well [ii] maybe just a half a drink [V] more
. ([V] Never such a blizzard before)

I've [I] got to go [Imaj7] home
. ([Imaj7] Oh, baby, you'll [I] freeze out [Imaj7] there)
Say, [ii] lend me your [V7] coat
. ([V7] It's up to your [ii] knees out [V7] there)
You've [I] really been [Imaj7] grand
. ([Imaj7] I thrill when you [I] touch my hand)
But don't you [v7] see?
. ([v7] How can you [I7] do this thing to me?)

There's [IV] bound to be talk to-morrow
. ([IV] Think of my life long sorrow)
At [iv] least there will be plenty [V7] implied
. ([V7] If you caught pneumonia and died)
I [I] really can't [bVII7] stay
. ([bVII7] Get over that [VI7] hold out)
Ahh, but it's [II7] cold [V7] out-[I]side

Cliff Richard - https://www.youtube.com/watch?v=rpLZVb56cVA

[I] When I was young my [IV] father said,
[V] 'Son, I have something to [I] say.'
And what he told me I'll [IV] never forget
un-[V]til my dying [I] day. He said:

[I] 'Son, you are a [IV] bachelor boy,
and [V] that's the way to [I] stay.
Son, you'll be a [IV] bachelor boy
un-[V]til your dying [I] day.'

[I] When I was sixteen I [IV] fell in love
with a [V] girl as sweet as [I] can be.
But I remembered [IV] just in time,
what [V] daddy said to [I] me. He said :

[I] 'Son, you are a [IV] bachelor boy,
and [V] that's the way to [I] stay.
Son, you'll be a [IV] bachelor boy
un-[V]til your dying [I] day.'

[I] As time goes by I [IV] probably will
meet a [V] girl and fall in [I] love.
[I] Then I'll get married,
have a [IV] wife and a child,
and [V] they'll be my turtle [I] doves.

[I] But until then I'll be a [IV] bachelor boy,
[V] that's the way I'll [I] stay,
happy to be a [IV] bachelor boy,
un-[V]til my dying [I] day, Yeah

[I] I'll be a [IV] bachelor boy,
[V] that's the way I'll [I] stay.
Happy to be a [IV] bachelor boy,
un-[V]til my dying [I] day.

There's a [I] truck out on the [I7] four lane, a [IV] mile or more away
the [V7] whinin' of his wheels just makes it [I] colder.

He's an [I] hour away from [I7] ridin' on your [IV] prayers up in the sky

There's a [I] fire softly [I7] burning; [IV] supper's on the stove

the [IV] kisses that I [V7] live for; the [I] love that lights my way [IV] ;
the [ii] happiness that [IV] livin' with you [V7] brings me.

She's driving [I] back to Nova Scotia with [IV] every note that he [I] wrote her
Riding [vi] shotgun under the [IV] prairie skies [I] [V]
She said [I] goodbye Manitoba and [IV] all the friends that [I] told her
It's [vi] alright to lose your [IV] self in love sometimes [I]
See [ii] every heart she'd held before with [vi] one foot already out the door
But [I] this time he caught her in the [IV] hallway and he said

I just [V] spent the [IV] whole night thinking about my [I] whole life
Thinking how I [V] can't find a reason to [vi] stay
And there's nothing left to [ii] say, life got in the way [V] [V7]

Now he's on the [I] next plane back to Sydney a [IV] tired heart shaking within [I] to see
That [vi] California [IV] coastline fade [I] [V]
But he figures every [I] ticket costs the same to a place you can't go
[IV] No use changing the [I] hearts you won't know
and a [vi] fifteen hour plane's a [IV] good way to slowly [I] grow with the choices we've made [V]
See [ii] every heart he'd held before with [vi] one foot just about to board
But this [I] time she caught him on the [IV] runway and she said

I just [V] spent the [IV] whole night thinking about my [I] whole life
Thinking how I [V] can't find a reason to [vi] stay
And there's nothing left to [ii] say, life got in the [V] way
and it's life that spins us

[I] Round and round like you're never going to see her [vi] again
Round and round so don't ever get [vi] used to a
[IV] face or a name cause they've fallen in between all
The [I] places that you came from and everything you wanted to be
[I] Round and round like the world's getting smaller
But the [vi] higher you fly then the harder that you fall for her
[IV] Round and round like the wheels wont stop
And you [I] find yourself living as [V] somebody that you're not
And [ii] someday you'll see what you've been [V] trying to find
Lies in [ii] somebody you tried leaving behind [V] [V7]

So if you're [I] back in Nova Scotia, and [IV] I'm on the next bus [I] over the border
or I'll [vi] go by water or what [IV] ever it takes [I] [V]
Cause all the [I] time I only wanted to hold you and there's [IV] things I never [I] told you
So please just [vi] listen while I try to say it [I] straight

We could [V] spend our [IV] whole life thinking about this [I] one night
Thinking that [V] maybe we're both [vi] insane
But who's to say what's [IV] right and who's to know [I] what lies ahead
All I [V] know is that these feelings won't change [vi]
And there's nothing left to [ii] say, we were both born to [V] stray
But life got in the [I] way

Intro: [I] [V7]

Well the [I] South side of Chicago, is the [II7] baddest part of town
And if you [III7] go down there, you better [IV] just beware
Of a [V7] man named Leroy [I] Brown
Now [I] Leroy more than trouble, you see he [II7] stand 'bout six foot four
All the [III7] downtown ladies call him [IV] "Treetop Lover"
All the [V7] men just call him [I] "Sir"

Chorus:
And he's [I] bad, bad Leroy Brown
The [II7] baddest man in the whole damned town
[III7] Badder than old King [IV] Kong
And [V7] meaner than a junkyard [I] dog

Now [I] Leroy, he a gambler, and he [II7] like his fancy clothes
And he [III7] like to wave his [IV] diamond rings in front of [V7] everybody's [I] nose
He got a [I] custom Continental, he got an [II7] Eldorado too
He got a [III7] 32 gun in his [IV] pocket for fun
He got a [V7] razor in his [I] shoe

Chorus

Well [I] Friday 'bout a week ago, [II7] Leroy shootin' dice
And at the [III7] edge of the bar sat a [IV] girl named Doris and
[V7] oo that girl looked [I] nice [I]
Well he [I] cast his eyes upon her, and the [II7] trouble soon began
Cause [III7] Leroy Brown learned a [IV] lesson 'bout messin'
With the [V7] wife of a jealous [I] man

Chorus

Well the [I] two men took to fighting
And when they [II7] pulled them from the floor
[III7] Leroy looked like a [IV] jigsaw puzzle
With a [V7] couple of pieces [I] gone

Chorus

Yeah, you were [III7] badder than old King [IV] Kong,
and [V7] meaner than a [IV] junkyard [I] dog

They'd be [IV] sad, if you're [V] bad to [I] me [iii] [V7]

[ii] Just as long as [V7] you let me know,
You [iii] won't be [III] bad to [ii] me [V]

[II] Winding your way down on Baker Street - [IIsus4]
[II] Light in your head, and dead on your feet
Well an [vi] other crazy day, you [I] drink the night away
And [V] forget about [Vsus4] every[V]thing
[II] This city desert makes you feel so cold,
its [IIsus4] got [II] so many people but its got no soul
And it's [vi] taken you so long to [I] find out you were wrong
When you [V] thought it held [Vsus4] every[V]thing.

[v7] You used to think that it was [ii7] so easy,
[v7] You used to say that it was [ii7] so easy
But [IV] you're trying, [I] you're trying [V] now [Vsus4]
[v7] Another year and then you'd [ii7] be happy,
[v7] Just one more year and then you'd [ii7] be happy
But [IV] you're crying, [I] you're crying [II] now [VII]

kazoo over [V] [VII] [V] [VII] [IV] [II] [I] x2

[II] Way down the street there's a light in his place, [IIsus4]
[II] He opens the door, he's got that look on his face
And he [vi] asks you where you've been, you [I] tell him who you've seen
And you talk [V] about anything
[II] He's got this dream about buying some land, [IIsus4] he's gonna
[II] Give up the booze and the one night stands
And then he'll [vi] settle down, it's a [I] quiet little town
And for [V] get about everything

[v7] But you know he'll always [ii7] keep moving,
[v7] You know he's never gonna [ii7] stop moving
'Cause [IV] he's rolling, [I] He's the rolling [V] stone [Vsus4]
[v7] And when you wake up it's a [ii7] new morning,
[v7] The sun is shining it's a [ii7] new morning
And [IV] you're going, [I] you're going home [II] [VII]

[I] Dream on, dream on, [IV] teenage [I] queen,
[IV] prettiest [I] girl we've [V] ever [I] seen.

[I] There's a story [IV] in our [I] town of the prettiest [V] girl a-[I]round.
Golden hair and [IV] eyes of [I] blue, how those eyes could [V] flash at [I] you.
How those eyes could [V] **flash at** [I] **you.**

[IV] Boys hung around her [I] by the score,
but she loved the [V] boy next [I] door, who worked at the [V] candy [I] store.
[I] Dream on, dream on, [IV] teenage [I] queen,
[IV] prettiest [I] girl we've [V] ever [I] seen.

[I] She was tops in [IV] all they [I] said, it never once went [V] to her [I] head.
She had ev'ry[IV] thing, it [I] seemed, not a care, this [V] teenage [I] queen.
Not a care, this [V] **teenage** [I] **queen.**

[IV] Other boys could [I] offer more,
but she loved the [V] boy next [I] door, who worked at the [V] candy [I] store.
[I] Dream on, dream on, [IV] teenage [I] queen,
[IV] you should [I] be a [V] movie [I] queen.

[I] He would marry [IV] her next [I] spring, saved his money and [V] bought a [I] ring.
Then one day a [IV] movie [I] scout came to town to [V] take her [I] out.
Came to town to [V] **take her** [I] **out.**

[IV] Hollywood could [I] offer more,
so she left the [V] boy next [I] door, workin' at the [V] candy [I] store.
[I] Dream on, dream on, [IV] teenage [I] queen,
[IV] see you [I] on the [V] movie [I] screen.

[I] Very soon she [IV] was a [I] star, pretty house and [V] shiny [I] cars.
Swimming pool and a [IV] fence a-[I] ound,
but she missed her [V] old home-[I]town.
But she missed her [V] **old home-**[I]**town.**

[IV] All the world was [I] at her door,
all except the [V] boy next [I] door, who worked at the [V] candy [I] store.
[I] Dream on, dream on, [IV] teenage [I] queen,
[IV] saddest [I] girl we've [V] ever [I] seen.

[I] Then one day the [IV] teenage [I] star sold her house and [V] all her [I] cars.
Gave up all her [IV] wealth and [I] fame, left it all and [V] caught a [I] train.
Left it all and [V] **caught a** [I] **train.**

[IV] Do I have to [I] tell you more ?
She came back to the [V] boy next [I] door, who worked at the [V] candy [I] store.
[I] Now this story [IV] has some [I] more, you'll [IV] hear it [I] all at the [V] candy [I] store.

[V]/// [I]//

I tell the tale of a [IV] jealous [V] male and a [IV] maid of
Sweet [V] six-[I]teen,
She was blonde and dumb and she [IV] lived with her [V] mum
On the [IV] fringe of Beth-[V]nal [I] Green.
She [II] worked all week for a rich old Greek
For her [I] dad was on the [V] dole,
And her [I] one delight was a [IV] Friday [V] night
When she [IV] had a little rock [V] and [I] roll.

To my rit-fal-lal, to my [IV] titty-fal-[V]lal,
To my [IV] itty-bitty-fal-[V]dal-[I]day. (repeat)

Then [I] one fine day in the [IV] month of [V] May
she [IV] found her Big [V] ro-[I]mance.
He was dark and sleek with a [IV] scar on his [V] cheek
and a [IV] pair of drain-[V]pipe [I] pants.
And she [II] thought, "With you, I could be so true through all the years to [V] come."
For she [I] loved the gay ab-[IV]andoned [V] way
He [IV] chewed his chew-[V]ing [I] gum.

To my rit-fal-lal, to my [IV] titty-fal-[V]lal,
To my [IV] itty-bitty-fal-[V]dal-[I]day. (repeat)

It started well be-[IV]-cause he [V] fell for [IV] all her girlish [I] charms
But he had some doubt when he [IV] caught her [V] out
In [IV] someone els-[V]e's [I] arms.
He [II] said, "Look here, you know, my dear, this is [I] going a bit too [V] far."
Then he [I] went quite white and he [IV] sloshed her [V] right
In the [IV] middle of her cha-[V]cha-[I]cha.

He went before a [IV] man of the [V] law who [IV] said, "This will [V] not [I] do!
I've had enough of the [IV] sort of [V] stuff I [IV] get from
The likes [V] of [I] you!"
And [II] was she peeved when he received a [I] longish term in [V] clink?
In a [I] fit of pique, she [IV] married the [V] Greek
and [IV] now she's dressed [V] in [I] mink!

To my rit-fal-lal, to my [IV] titty-fal-[V]lal, to my [IV] itty-bitty-fal-[V]dal-[I]day. (repeat

Ballad Of Bonnie And Clyde, The

artist:Georgie Fame And The Blue Flames writer:Mitch Murray, Peter Callander

https://www.youtube.com/watch?v=cONe-suGgP0

[I] Bonnie and Clyde were [IV] pretty lookin' [V7] people
But [IV] I can tell you [V7] people, they were the [IV] devil's [I] children,
[I] Bonnie and Clyde be-[IV]gan their evil [V7] doin'
One [IV] lazy after-[V7]noon down Sa-[IV]vannah [I] way,
They [I] robbed a store, and [IV] high-tailed outa that [I] town
Got [IV] clean away in a [I] stolen [VI7] car,
And [II7] waited till the [V7] heat died [I] down

[I] Bonnie and Clyde ad-[IV]vanced their repu-[V7]tation
And [IV] made the gradu-[V7]ation
Into the [IV] banking [I] business.
"[I] Reach for the sky" sweet [IV] talking Clyde would [V7] holler
As [IV] Bonnie loaded [V7] dollars into the [IV] dewlap [I] bag,
Now [I] one brave man - he [IV] tried to take 'em a-[I]lone
They [IV] left him lyin' in a [I] pool of [VI7] blood,
And [II7] laughed about it [V7] all the way [I] home.

[I] Bonnie and Clyde ad-[IV]vanced their repu-[V7]tation
And [IV] made the gradu-[V7]ation
Into the [IV] banking [I] business.
"[I] Reach for the sky" sweet [IV] talking Clyde would [V7] holler
As [IV] Bonnie loaded [V7] dollars into the [IV] dewlap [I] bag,

[I] Bonnie and Clyde got to [IV] be public enemy [V7] number [I] one
[I] Running and hiding from [IV7] ev'ry American [V7] lawman's [I] gun.
[VI7] They used to laugh about [II7] dyin',
[V7] But deep inside 'em they [I] knew
[VI7] That pretty soon they'd be [II7] lyin'
[V7] Beneath the ground together
[I7] Pushing up daisies to [IV] welcome the sun and the [V7] morning [I] dew.

[I] Acting upon re-[IV]liable infor-[V7]mation
A [IV] fed'ral dep-[V7]tation laid a [IV] deadly [I] ambush.
[I] When Bonnie and Clyde came [IV] walking in the [V7] sunshine
A [IV] half a dozen [V7] carbines opened [IV] up on [I] them.

[I] Bonnie and Clyde, they [iv] lived a lot to-[V7]gether
And [iv] finally to-[V7]gether they [I] died

Thanks Gary Jensen

[I] Let me tell the story, I can tell it all
[V7] About the mountain boy who ran illegal alco-[I]hol
[I] His daddy made the whiskey, son, he drove the load
[V7] When his engine roared, they called the highway thunder [I] road.

[I] Sometimes into Ashville, sometimes Memphis town
The [V7] revenuers chased him but they couldn't run him [I] down
Each [I] time they thought they had him, his engine would explode
He'd [V7] go by like they were standing still on thunder [I] road.

And there was [IV] thunder, thunder [I] over thunder road
[V7] Thunder was his engine, and white [I] lightning was his load
There was [IV] moonshine, moonshine to [I] quench the devil's thirst
The [V7] law they swore they'd get him, but the devil got him [I] first.

[I] On the first of April, nineteen fifty-four
A [V7] federal man sent word he'd better make his run no [I] more
He [I] said two hundred agents were covering the state
Which-[V7]ever road he tried to take, they'd get him sure as [I] fate.

[I] Son, his daddy told him, make this run your last
Your [V7] tank is filled with 100-proof, you're all tuned up and [I] gassed
Now, [I] don't take any chances, if you can't get through
I'd [V7] rather have you back again than all that mountain [I] dew.

And there was [IV] thunder, thunder [I] over thunder road
[V7] Thunder was his engine, and white [I] lightning was his load
There was [IV] moonshine, moonshine to [I] quench the devil's thirst
The [V7] law they swore they'd get him, but the devil got him [I] first.

[I] Roaring out of Harlan, revvin' up his mill
He [V7] shot the gap at Cumberland, and [I] screamed by Maynardville
With [I] G-men on his taillights, roadblocks up ahead
The [V7] mountain boy took roads that even angels feared to [I] tread.

[I] Blazin' right through Knoxville, out on Kingston Pike
Then [V7] right outside of Bearden, they made the fatal [I] strike
He [I] left the road at ninety, that's all there is to say
The [V7] devil got the moonshine and the mountain boy that [I] day.

And there was [IV] thunder, thunder [I] over thunder road
[V7] Thunder was his engine, and white [I] lightning was his load
There was [IV] moonshine, moonshine to [I] quench the devil's thirst
The [V7] law they swore they'd get him, but the devil got him [I] first.

And there was [IV] thunder, thunder [I] over thunder road
[V7] Thunder was his engine, and white [I] lightning was his load
There was [IV] moonshine, moonshine to [I] quench the devil's thirst
The [V7] law they swore they'd get him, but the devil got him [I] first.

The [V7] law they swore they'd get him, but the devil got him [I] first.

Ballad of Barry and Freda

[I] Freda and Barry sat one night, [vi] the sky was clear, the stars were bright.
[ii7] The wind was [V7] soft, [iii] the moon was [VI] up.
(Slower) [ii7] Freda drained her [V] cocoa [V7] cup,
[I] she licked her lips, she felt su-[II]blime.
[vi] She switched off 'Gardeners' Question Time'.
[ii7] Barry [V7] cringed in [iii] fear and [VI] dread
(Slower) [ii7] As Freda grabbed his [V] tie, and [V7] said:

[I] Let's do it! Let's do it, [V7] do it while the mood is right!
[V7] I'm feeling Appealing, [I] I've really got an [I7] appetite.
[IV] I'm on fire with desire, I could [I] handle half the tenors in a [VI7] male voice choir.
[II7] Let's do it! [V7] Let's do it to-[I]night. ? [V7]

[I] I can't do it! I can't do it, [V7] I don't believe in too much sex.
[V7] This fashion, for passion, [I] turns us into nervous [I7] wrecks.
[IV] No derision! my decision, I'd [I] rather watch 'The Spinners' on the [VI7] television.
[II7] I can't do it; I [V7] can't do it to-[I]night.. [V7]

[I] Let's do it! Let's do it, [V7] do it till our hearts go boom!
[V7] Go native, creative, [I] living in the living [I7] room.
[IV] This folly is jolly, [I] bend me over backwards on me [VI7] hostess trolley.
[II7] Let's do it! [V7] let's do it to-[I]night. [V7]

[I] I can't do it! I can't do it [V7] me 'eavy breathing days have gone.
[V7] I'm older, Feel colder, [I] it's other things that turn me [I7] on.
[IV] I'm imploring: I'm boring, [I] let me read this Catalogue on [VI7] vinyl flooring.
[II7] I can't do it. I [V7] can't do it to-[I]night. [V7]

[I] Let's do it! Let's do it, [V7] have a crazy night of love!
[V7] I'll strip bare, I'll just wear [I] stilettos and an oven [I7] glove.
[IV] Don't starve a girl of a palava,
[I] dangle from the wardrobe in your [VI7] balaclava.
[II7] Let's do it! [V7] Let's do it to-[I]night. [V7]

[I] I can't do it! I can't do it,[V7] I know I'd only get it wrong.
[V7] Don't angle for me to dangle, [I] me arms 'ave never been that [I7] strong.
[IV] Stop pouting; Stop shouting,
you [I] know I pulled a muscle when I did that [VI7] grouting.
[II7] I can't do it; I [V7] can't do it [I] tonight. [V7]

[I] Let's do it! Let's do it, [V7] share a night of wild romance,
[V7] Frenetic, Poetic! [I7] This could be your last big chance
[IV] To quote Milton, To eat Stilton,
To [I] roll in gay abandon on the [VI7] tufted Wilton.
[II7] Let's do it! [V7] Let's do it to-[I]night. [V7]

[I] I can't do it! I can't do it, [V7] I've got other little jobs on hand.
[V7] Don't grouse around the house, [I] I've got a busy evening [I7] planned.
[IV] Stop nagging; I'm flagging,
[I] you know as well as I do that the
[VI7] pipes want lagging.
[II7] I can't do it; [V7] I can't do it to-[I]night. [V7]

[I] Let's do it! Let's do it, [V7] while I'm really in the mood!
[V7] Three cheers! It's years since I [I] caught you even semi-[I7] nude.
[IV] Be drastic; Gymnastic, [I] wear your baggy Y-fronts with the [VI7] loose elastic.
[II7] Let's do it! [V7] Let's do it to-[I]night. [V7]

[I] I can't do it. I can't do it, [V7] I must refuse to get undressed.
[V7] I feel silly, It's too chilly, to [I] go without me thermal [I7] vest.
[IV] Don't choose me; Don't use me, me
[I] mother sent a note to say you [VI7] must excuse me.
[II7] I can't do it; [V7] I can't do it [I] tonight. [V7]

[I] I can't do it, I can't do it, [V7] It's really not my cup of tea.
[V7] I'm harassed, embarrassed, I [I] wish you hadn't picked on [I7] me.
[IV] No dramas, give me my pyjamas,
the [I] only girl I'm mad about is [VI7] Judith Chalmers.
[II7] I can't do it, [V7] I can't do it, to-[I]night. [V7]

[I] Let's do it, let's do it, I [V7] really want to run amok.
[V7] Let's wiggle, let's jiggle, let's [I] really make the rafters [I7] rock.
[IV] Be mighty, be flighty,
[I] come and melt the buttons on me [VI7] flameproof nightie.
[II7] Let's do it, [V7] let's do it to-[I]night. [V7]

[I] Let's do it, let's do it, I [V7] really want to rant and rave.
[V7] Let's go 'cause I know, just [I] how I want you to be-[I7]have.
[IV] Not bleakly, not meekly,
[I] beat me on the bottom with the [VI7] 'Woman's Weekly'
[II7] Let's do it, [V7] let's do it to-[I]night.

Just [i] sit right back and you'll [VII] hear a tale,
A [i] tale of a fateful [VII] trip,
That [i] started from this [VII] tropic port,
A-[VI]board this [VII] tiny [i] ship.

[i] The mate was a mighty [VII] sailin' man,
The [i] skipper brave and [VII] sure,
Five [i] passengers set [VII] sail that day
For a [VI] three [VII] hour [i] tour, a [VI] three [VII] hour [i] tour.

[i] The weather started [VII] getting rough,
The [i] tiny ship was [VII] tossed.
If [i] not for the courage of the [VII] fearless crew,
The [VI] Minnow [VII] would be [i] lost, the [VI] Minnow [VII] would be [i] lost.

[i] The ship's aground on the [VII] shore of this
Un-[i]charted desert [VII] isle,
With [i] Gilligan the [VII] Skipper too
The [i] Millionaire and his [VII] wife
The [i] movie [VII] star!
The [i] Professor and [VII] Mary-Ann [VI] here on [VII] Gilligan's [i] Isle!

[i] So this is the tale of our [VII] castaways,
They're [i] here for a long, long [VII] time.
They'll [i] have to make the [VII] best of things,
[VI] It's an [VII] uphill [i] climb.

[I] Standing in the dock at Southampton, trying to get to Holland or France
The [I7] man in the mac said you've got to go back
You know they didn't even give us a chance

Christ you know it ain't [IV] easy you know how hard it can [I] be
The way things are [V7] going they're gonna crucify [I] me

[I] Finally made the plane into Paris, honeymooning down by the Seine
Peter [I7] Brown called to say you can make it OK
You can get married in Gibraltar near Spain

Christ you know it ain't [IV] easy you know how hard it can [I] be
The way things are [V7] going they're gonna crucify [I] me

Drove from [I] Paris to the Amsterdam Hilton, talking in our beds for a week
The [I7] newspaper said say what you doing in bed
I said we're only trying to get us some peace

Christ you know it ain't [IV] easy you know how hard it can [I] be
The way things are [V7] going they're gonna crucify [I] me

[IV] Saving up your money for a rainy day
Giving all your clothes to charity
Last night the wife said oh boy when you're dead
You [V7] don't take nothing with you but your soul – think

[I] Made a lightning trip to Vienna, eating chocolate cake in a bag
The [I7] newspaper said she's gone to his head
They look just like two gurus in drag

Christ you know it ain't [IV] easy you know how hard it can [I] be
The way things are [V7] going they're gonna crucify [I] me

[I] Caught the early plane back to London, fifty acorns tied in a sack
The [I7] men from the press said we wish you success
It's good to have the both of you back

Christ you know it ain't [IV] easy you know how hard it can [I] be

[I] [vi] [IV] [V]

Thought [I] love was easy and I [vi] kept believing
In that [IV] old fantasy, that [V] fairy tale dream
Real [I] life has shown us, it's a [vi] roller coaster and, oh
[IV] We had to learn, [V] where to take our turn

> Oh [I] love its true, the storms will come

If [I] I've got you, there's no containing what [vi] we can do
We'll see the world from a [IV] bird's eye view
Yeah we'll be taller than - [V] Bam bam boo (bamboo)
[I] Ooooh ooh ooh - [vi] Ooooh ooh - [IV] Ooooh ooh [V]

Oh [I] ain't it crazy, how we [vi] found our own way
And we [IV] stayed evergreen, a [V] shade of you and me
[I] Side by side, we lean [vi] into the light and we
[IV] Bend with the breeze, we [V] set each other free

[III] [iv] [iv] [III]

Well can't you see that it's just [iv] raining, there ain't no need to go out-[III]side.
But [VII7] Baby!

You [III] hardly even [VII7] notice [iv] when I try to [VI7] show you
[III] Song is meant to [VII7] keep you from [iv] doing what you're [VI7] supposed to
[III] wakin' up too [VII7] early, [iv] maybe we could [VI7] sleep in
[III] make you banana [VII7] pancakes, pretend [iv] like it's the [VI7] weekend
[iv] now

We could pretend it all the [III] time.
Can't you see that it's just [iv] raining, there ain't no need to go out-[III]/ side.
But just [VII7] maybe!

[III] Hala ka uku-[VII7]lele, [iv] mama made a [VI7] baby.
Really don't [III] mind to prac-[VII7]tice cause [iv] you're my little [VI7] lady.
[III] Lady lady [VII7] love me 'cause I [iv] love to lay you [VI7] lazy.
[III] We could close the [VII7] curtains [iv] pretend like there's no [VI7] world
[iv] outside.

We could pretend it all the [III] time.
Can't you see that its just [iv] raining, there ain't no need to go out-[III]side.

[III] Ain't no need, ain't no [iv] need.
mmmm mmmm mmmmm [III] mmmmm
Can't you see can't you [iv] see?
Rain all day and I don't [III] mind.

But the [iv] telephones singin', ringin' it's too early don't pick it [VII] up, we don't need to
We got [iv] everything we need right here and everything we need is [VII] enough. Just so easy
When the [v] whole world fits inside of your arms
do we [i] really need to pay attention [VI] to the alarm?
wake up [III] slow, mmmmm [VII] mmmmmm
[VII] wake up [III] slow [III]/

But [VII7] Baby!
You [III] hardly even [VII7] notice [iv] when I try to [VI7] show you
This [III] song is meant to [VII7] keep you from [iv] doing what you're [VI7] supposed to.
[III] Wakin' up too [VII7] early, [iv] maybe we could [VI7] sleep
[III] make you banana [VII7] pancakes, [iv] pretend like its the [VI7] weekend
[iv] now

Then we could pretend it all the [III] time.
Can't you see that its just [iv] raining, there ain't no need to go out-[III]side.
Ain't no need ain't no [iv] need.
Rain all day and I really, [III] really, really don't mind.
Can't you see can't you [iv] see?

Band Played Waltzing Matilda, The

artist:Eric Bogle writer:Eric Bogle

[I] [V7] [I]

[I] Now, when [I] I was a young [IV] man I [I] carried me [vi] pack,
and I [I] lived the free [V7] life of- the [I] rover.
From the Murray's green [IV] basin to the [I] dusty out[vi]back,
well, I [I] waltzed my Ma[V7]tilda all [I] over.
Then in [V7] nineteen fifteen my [IV] country said,
"[I] Son, it's [V7] time you stop rambling,
there's [IV] work to be [I] done"
So they gave me a [IV] tin hat and they [I] gave me a [vi] gun
and they [I] marched me a[V7]way to the [I] war. [IV] [I]
And the [I] band played [IV] Waltzing Ma[I]tilda,
as the ship pulled a[IV] way from the [V] quay.
And [IV] 'midst all the cheers, the flag [I] waving and [IV] tears,
we [I] sailed off for [V7] Gallipo[I]li. [V7] [I]

And how [I] well I re[IV]member that [I] terrible [vi] day,
how our [I] blood stained the [V7] sand and the [I] water.
And how in that [IV] hell that they [I] called Suvla [vi] Bay,
we were [I] butchered like [V7] lambs at the [I] slaughter.
Johnny [V7] Turk, he was ready, he'd [IV] primed himself [I] well,
he [V7] showered us with bullets and he [IV] rained us with [I] shell
And in five minutes [IV] flat he'd blown [I] us all to [vi] hell,
nearly [I] blew us right [V7] back to Aus[I]tralia [IV] [I]
But the [I] band played [IV] Waltzing Ma[I]tilda,
when we stopped to [IV] bury our [V] slain.
[IV] We buried ours, and the [I] Turks buried [IV] theirs,
then we [I] started all [V7] over a[I] gain. [V7] [I]

And [I] those that were [IV] left, well, we [I] tried to sur[vi]vive,
in that [I] mad world of [V7] blood, death and [I] fire.
And for ten weary [IV] weeks I kept [I] myself a[vi]live,
though a[I]round me the [V7] corpses piled [I] higher.
Then a [V7] big Turkish shell knocked me [IV] arse over [I] head,
and [V7] when I woke up in me [IV] hospital [I] bed
And saw what it had [IV] done, well, I [I] wished I was [vi] dead, -
never [I] knew there was [V7] worse things than [I] dying. [IV] [I]
For I'll [I] go no more [IV] Waltzing Ma[I]tilda,
All around the green [IV] bush, far and [V] free.
To [IV] hump tent and pegs, a [I] man needs both [IV] legs,
no more '[I] Waltzing Ma[V7]tilda' for [I] me. [V7] [I]

So they [I] gathered the [IV] crippled, the [I] wounded, the [vi] maimed,
and they [I] shipped us back [V7] home to Aus[I]tralia.
The legless, the [IV] armless, the [I] blind and in[vi]sane,
those [I] proud wounded [V7] heroes of [I] Suvla.
And [V7] when our ship pulled into [IV] Circular [I] Quay,
I [V7] looked at the place where [IV] me legs used to [I] be.
And thanked Christ, there was [IV] nobody [I] waiting for [vi] me,
to [I] grieve, to [V7] mourn, and to [I] pity. [IV] [I]
But the [I] band played [IV] Waltzing Ma[I]tilda,
as they carried us [IV] down the gang[V]way.
But [IV] nobody cheered, they [I] just stood and [vi] stared,
then they [I] turned all their [V7] faces a[I]way. [V7] [I]

And so [I] now every [IV] April I [I] sit on me [vi] porch,
and I [I] watch the pa[V7]rade pass be[I]fore me
And I see my old [IV] comrades, how [I] proudly they [vi] march,
re[I]viving old [V7] dreams and past [I] glory.
And the [V7] old men march slowly, old [IV] bones stiff and [I] sore;
they're [V7] tired old heroes from a [IV] forgotten [I] war.
And the young people [IV] ask "What are [I] they marching [vi] for?"
and [I] I ask me[V7]self the same [I] question. [IV] [I]
[I] But the band plays [IV] Waltzing Ma[I]tilda,
and the old men still [IV] answer the [V] call.
But as [IV] year follows year, more old [I] men disa[IV]ppear,
some day [I] no one will [V] march there at [I] all.

[I] Waltzing matilda, [IV] waltzing matilda,
[I] who'll come a-[vi]waltzing ma[ii]tilda with [V7] me?
And their [I] ghosts may be [V7] heard as they [I] march by that [IV] Billabong,
[I] Who'll come a-[vi] waltzing ma[V7]tilda with [I] me?

Now that you're gone [I]
All that's left is a [V] band of gold
All that's left of the [IV] dreams I hold, Is a band of gold
And the [I] memories of what[IV] love could be
If [I] you were still [IV] here with me

You [I] took me from the shelter of a mother
I had [V] never known, and loved any other
[IV] We kissed after taking vows
But [I] that night on our [IV] honeymoon,
[I] We stayed in [IV] separate rooms

[I] I wait in the darkness of my
[V] lonely room, filled with sadness,
[IV] filled with gloom hoping soon
That [I] you'll walk back [IV] through that door
And [I] love me like you [IV] tried before

[I] Since you've been gone, all that's left is a [V] band of gold
All that's left of the [IV] dreams I hold,

And the [I] dream of what [IV] love could be
If [I] you were still [IV] here with me

[I] [V] [IV] [I] Ohhh[IV]hhhh[I]hhhh[IV]

[IV] On the dark side of the earth, where [VIIadd9] the creatures are out
I'm a [I] man on the moon [I]
[IV] Midnight round my neck and [VIIadd9] sunrise on my breath
I still [I] wait for you [I]

Will you [IV] lay down all the [VIIadd9] things you've [I] done?
Don't turn your [IV] face around, you can [VIIadd9] come un-[I]done

Well, [IV] hey, did you [VIIadd9] call, did you fall,
do you [I] need someone, do you [I] need someone?
And [IV] hey, I'm a [VIIadd9] mess myself,
but I think I could [I] be someone, if you [I] need someone

When I [v] was alone it was fine, I could [IV] deny all I like
I could just [I] push back, and make believe it was alright
But [IV], hey did you [VIIadd9] call, did you fall,
do you [I] need someone, I could [I] be someone?
For [IV] you [VIIadd9] [I] [I]

Now there's [IV] gold in your eyes, In this [VIIadd9] rosy fingered light,

Out of [IV] sight, out of mind, never [VIIadd9] raise the alarm,
Yeah, I'm [I] just like you [I]

Can you [IV] lay down all the [VIIadd9] things you've [I] done? [I]
Don't turn your [IV] face around, you can [VIIadd9] come un-[I]done [I]

Twas in the [V7] merry month of [I] May
When green buds [IV] all were [I] swelling
Sweet William [IV] on his [I] death bed [vi] lay
For a [I] love of [V7] Barb'ry [I] Allen

He sent his [V7] servant to the [I] town
To the place where [IV] she was [I] dwelling
Saying you must [IV] come, to my [I] master [vi] dear
If your [I] name be [V7] Barb'ry [I] Allen

So slowly, [V7] slowly she got [I] up
And slowly [IV] she drew [I] nigh him
And the only [IV] words to [I] him did [vi] say
Young [I] man I [V7] think you're [I] dying

He turned his [V7] face unto the [I] wall
And death was [IV] in him [I] welling
Good-bye, [IV] good-bye, to [I] my friends [vi] all
Be [I] good to [V7] Barb'ry [I] Allen

When he was [V7] dead and laid in [I] grave
She heard the [IV] death bells [I] knelling
And every [IV] stroke to [I] her did [vi] say
Hard [I] hearted [V7] Barb'ry [I] Allen

Oh mother, oh [V7] mother go dig my [I] grave
And make it [IV] long and [I] narrow
Sweet William [IV] died of [I] love for [vi] me
And [I] I will [V7] die of [I] sorrow

And father, oh [V7] father, go dig my [I] grave
And make it [IV] long and [I] narrow
Sweet William [IV] died on [I] yester-[vi]day
And [I] I will [V7] die to-[I]morrow

Barb'ry Allen was [V7] buried in the old church-[I]yard
Sweet William was [IV] buried be-[I]side her
Out of sweet William's [IV] heart, there [I] grew a [vi] rose
Out of [I] Barb'ry [V7] Allen's a [I] briar

They grew and [V7] grew in the old church-[I]yard
Till they could [IV] grow no [I] higher
At the end they [IV] formed, a [I] true lover's [vi] knot
And the [I] rose grew [V7] round the [I] briar [IV] [I]

[IV] I can remember how [V] proud I used t' [V7] be
[I] When Dad an' Mother would [IV] buy new shoes for me
[VII] Now that's the feeling we've all had
[IV] How new shoes would [II7] make you glad
[I] But the best [II7] time, if you re-[I]call
When you [V] wore no shoes at [I] all

[IV] Barefoot days, [II7] when we were [V] just a [V7] kid
[I] Barefoot days, [I7] O boy, the [IV] things we [IV7] did
We'd go [VII] down to the shady brook
With a [IV] bent pin for a [II7] hook
We'd [V7] fish all day an' [V] fish till night
But the [I]* [NC] darn ole fish refuse to bite
[IV] Then we'd slide [II7] down some ole [V] cellar door
We'd [I] slide an' slide, till our pants got [VI7] tore
And then we'd [II7] have to go home an' climb into bed
My [V] Moma came along with the [V7] needle an' thread
O [IV] boy, what [II7] joy, we [V7] had in [I] barefoot [IV] days

[IV] I can remember, when [V] Sunday came a-[V7]long
[I7] Boy, that was one day, when [IV] ever' little thing went wrong
[VII] We lined up as stiff as starch
As [IV] off to Sunday [II7] School we'd march
But no [I] wonder we [II7] had the [I] blues
We [V] always had to wear our [I] shoes

[IV] Barefoot days, [II7] when we were [V] just a [V7] kid
[I] Barefoot days, [I7] O boy, the [IV] things we [IV7] did

Battle of New Orleans

artist:Jimmy Horton writer:Jimmy Driftwood

Jimmy Driftwood , Recorded by Johnny Horton: https://www.youtube.com/watch?v=VL7XS_8qgXM

[I] In 1814 we [IV] took a little trip
A[V7]long with Col. Jackson down the [I] mighty mississip'
We took a little bacon and we [IV] took a little beans
And we [V7] Caught the bloody British in a [I] town in New Orleans.

1st Chorus:
[I] We fired our guns and the British kept a comin'
There wasn't as many as there [V7] was a while a-[I] go
We fired once more and [IV] they began to runnin'
On down the Mississippi to the [V7] Gulf of Mexi[I]co.

[I] We looked down the river and we see'd the British come
And there musta been a hund'erd of 'em beatin' [V7] on the [I] drum
They stepped so high and they [IV] made their bugles ring
We stood beside our cotton bales and didn't [V7] say a [I] thing.

chorus

[I] Old Hick'ry said we could take 'em by su'prise
If we didn't fire our musket till we [V7] looked 'em in the [I] eyes
We held our fire till we [IV] see'd their faces well
Then we opened up with squirrel guns and [V7] really gave 'em [I] Well -

chorus

2nd Chorus:
[I] Yeah! they ran through the briars and they ran through the brambles
And they ran through the bushes where a [V7] rabbit couldn't [I] go
They ran so fast that the hounds [IV] couldn't catch 'em
On down the Mississippi to the [V7] Gulf of Mexi[I]co.

[I] We fired our cannon till the barrel melted down
So we grabbed an alligator and we fought a[V7]nother [I] round
We filled his head with cannonballs and [IV] powdered his behind
And when we touched the powder off, the 'gator [V7] lost his [I] mind.

Well I [I] walked up to her
And I [V7] asked her if she wanted to [I] dance
She [I] looked awful nice
And [V7] so I hoped she might take a [I] chance
[IV] When we danced I [I] held her tight
[IV] And then I walked her [I] home that night
And all the stars were [V7] shining bright
And then I [I] kissed her

[I] Each time I saw her

I [I] wanted to let her
[V7] Know that I was more than a [I] friend

[ii] Isn’t he a [iv] bit like you and [I] me?
Nowhere [iii] man, please [IV] listen
You don’t [iii] know what you’re [IV] missing
Nowhere [iii] man, the [ii] world is at your command [V] [V7]

Da da [I] da da da dum dum [vi] da
Da da [I] da da da dum dum [vi] da
If there’s [I] anything that you [vi] want
If there’s [I] anything I can [V7] do
Just [IV7] call on me and I’ll [vi] send it along
with [I] love from [V7] me to [I] you [I]*

[NC] Well, she was [I] just 17, you [IV7] know what I [I] mean
And the way she looked was way beyond com[V7]pare
So [I] how could I [I7] dance with [IV] another [iv] (whooh)
When I [I] saw her [V7] standin' [I] there
Well she looked at me, and I, [IV7] I could [I] see
That before too long I'd fall in love with [V7] her
[I] She wouldn't [I7] dance with [IV] another [iv] (whooh)
When I [I] saw her [V7] standing [I] there [I]*

[NC] Close your [ii] eyes and I'll [V7] kiss you
To[I]morrow I'll [vi] miss you
Re[IV]member I'll [ii] always be [bVII] true [V7]
And then [ii] while I'm a[V7]way, I'll write[I] home every [vi] day
And I'll [IV] send all my [V7] loving to [I] you
All my [vi] loving [Iaug] I will send to [I] you
All my [vi] loving [Iaug] darling I'll be [I] true

[I] Ooh I need your [II7] love babe [IV] guess you know it's [I] true
[I] Ooh I need your [II7] love babe [IV] guess you know it's [I] true
[I] Hope you need my [II7] love babe [IV] just like I need [I] you
[vi] Hold me [IV] love me [vi] hold me [II7] love me
[I] Ain't got nothing but [II7] love babe [IV] eight days a [I] week [I7]*

[NC] Just let me hear some of that
[I] Rock and roll music, any old way you choose it
It's got a [IV] back beat, you can't lose it, [I] any old time you use it
It's [V7] gotta be rock and roll music, if you wanna dance with [I] me
[V7] If you wanna dance with *[I] me

I have no kick against [V] modern jazz
[V7] Unless they try to play it [I] too darn fast

[I] Rock and roll music, any old way you choose it

It's [V7] gotta be rock and roll music, if you wanna dance with [I] me

I'll make a [VI] vow that some time, some-[VII]how

[II] [V7] [I]

There's a [I] garden, what a garden, only happy faces [V7] bloom there
And there's never any room there, for a worry, or a [I] gloom there
Oh there's music, and there's dancing, and a lot of sweet ro-[V7]mancing
When they play the polka, they all get in the [I] swing

Every [V7] time they hear that Oom-Pa-Pa
Every-[I]body feels so Tra-La-La
They want to [V7] throw their cares away
They all go Lah-dee-ahh-Dee-[I]aay

Then they [V7] hear a rumble on the floor
It's the [I] big surprise they're waiting for
And all the [V7] couples form a ring
For miles around you'll hear them [I] sing

[I] Roll out the barrel, we'll have a barrel of [V7] fun
Roll out the barrel, we've got the blues on the [I] run
Zing! Boom! Tararrel!, [I7] ring out a song of good [IV] cheer
[ii] Now's the time to [II7] roll the [I] barrel,
[VI7] for the [II7] gang's [V7] all [I] here

[I] 'Round the world the reindeer run.
[IV] Bringing joy to all the kids.
Most [V] leave him milk and chocolate chips.

Well, to-[I]night I'm leavin' beer out for Santa.
Trade the cookies for a koozie full of [IV] cheer.
When [V] he slides down the chimney with the presents,
there'll be a cold one waitin' on him this [I] year.
Yeah, I know he's workin' up a sweat this Christmas.
Ridin' 'round and 'round, and 'round, from roof to [IV] roof.
So to-[V]night, I'm leaving beer out for Santa.
Yeah, I might stay up and have one with him [I] too.

Can't wait to see ol' Saint Nick just smilin',
When he sees that six-pack by the fire-[IV]place.
Hey, [V] we all know that Rudolph does the drivin',
So what's one more before he gets on his [I] way?

Yeah, to-[I]night I'm leavin' beer out for Santa.

[I] Being a pirate is all fun and games, till somebody loses an [V] ear.
[V] It drips down your neck, and it falls on the deck,
Till someone shouts out: [NC] "Hey, what's this [I] 'ere?"
You can't wear your glasses you [vi] don't attract lasses.
And [I] folks have to [I7] shout so you'll [IV] hear.
Being a pirate is [I] all fun and games till [V] somebody loses an [I] ear.

Chorus:
But [IV] its all part of being a [I] pirate!
You can't be a [V] pirate, with all of your [I] parts;
[IV] Its all part of being a [I] pirate!
You can't be a [V] pirate, with all of your [I] pa[IV]rt[I]s. [IV] [I] [IV] [V]

[I] Being a pirate is all fun and games, till somebody loses a [V] hand.
[V] It spurts and it squirts and it bloody well hurts,
Pain only a pirate can [I] stand.
A nice metal hook is a [vi] fash'nable look,
But [I] then you can't [I7] play in the [IV] band;
Being a pirate is [I] all fun and games till [V] somebody loses an [I] hand.

Chorus

[I] Being a pirate is all fun and games, till somebody loses an [V] eye.
[V] It stings like the blazes. It makes you make faces,
You can't let your mates see you [I] cry.
Well a dashing black patch, will [vi] cover the hatch
And [I] make sure your [I7] socket stays [IV] dry.
Being a pirate is [I] all fun and games till [V] somebody loses an [I] eye.

Chorus

[I] Being a pirate is all fun and games, till somebody loses a [V] leg.
[V] It hurts like the dickens, your pace never quickens, hopping around on a [I] peg.
Ask your sweetheart to marry, but [vi] too long you've tarried,
And [I] now you can't [I7] kneel down and [IV] beg.
Being a pirate is [I] all fun and games till [V] somebody loses a [I] leg.

Chorus

[I] Being a pirate is all fun and games, till somebody loses a [V] whatsit.
[V] You didn't choose it but you still hate to lose it
and you're hoping that somebody [I] spots it.
Then the Doc comes along and he [vi] sews it back on;
Or he [I] ties it up tight [I7] and he [IV] knots it!
Being a pirate is [I] all fun and games till [V] somebody loses a [I] whatsit!.

[III] With a friend to call my [V7] own, I'll never be a-[bII]lone.
And [I] you my friend will [iv] see,
you've [VII] got a friend in me [III] [VI] x2

[iii] Ben, you're always running [VII] here and there,
[iii] you feely you're not wanted [VII] any-[VII7]where.

There's [I] something you should [iv] know,
you've [VII] got a place to go [III] [VI] x 2

I [iv] used to say [VII7] [III] I and me,

[III] Ben, most people would turn [VII] you away,
[III] I don't listen to a [VII] word they [VII7] say.
[III] They don't see you as I [V7] do, I wish they would try [bII] to,

[IV] There's no combi-[vi]nation of words

[bVII] No song that [IV] I could sing,

[IV] Our dreams, [vi] and they are[ii] made out of real [I] things
Like a, [bVII] shoebox of [IV] photographs with [v] sepia-toned [I] loving

[IV] Love is the [vi] answer,
At least for [ii] most of the questions in [I] my heart
[bVII] Why are we [IV] here? and where do we [v] go? and how come it's [I] so hard?
[IV] It's not always [vi] easy and sometimes [ii] life can be de-[I]ceiving
[bVII] I'll tell you one [IV] thing
It's always [v] better when we're to-[I]gether

[bVII] Mmm it's always [I] better when we're together
[bVII] Yeah, we'll look at them [I] stars when we're together
[bVII] Well, it's always [I] better when we're together
[bVII] Yeah, it's always [I] better when we're together

[IV] [vi] [ii] [I] [bVII] [IV] [v] [I] *2

[IV] But if all of these [IV] dreams

I'd be [bVII] under the impression I was [v] somewhere in be-[I]tween
With only [IV] two just me and you [vi]
Not so many [ii] things we got to [I] do, or [bVII] places we got to [IV] be
We'll sit be-[v]neath the mango [I] tree now

[bVII] Mmm it's always [I] better when we're together
[bVII] Mmm we're somewhere [I] in-between together
[bVII] Well, it's always [I] better when we're together
[bVII] Yeah, it's always [I] better when we're together

[IV] [vi] [ii] [I] [bVII] [IV] [v] [I] *2
[v] I believe in [I] memories, they look so, [v] so pretty when I [I] sleep
[v] Hey now, and [v] when I [I] wake up, you look so [v] pretty sleeping next to [I] me
But there is [bVII] not enough [I] time, and there is no, [bVII] no song I could [I] sing

Hardly [I] spoke to folks around him didn't have too much to [vi] say
No one [IV] dared to ask his business, no one [I] dared to make a slip
For the stranger there among them had a [vi] big iron on his hip
[IV] Big iron on his [I] hip

It was early in the mornin' when he [vi] rode into the town

He's an [IV] outlaw loose and runnin' came the [I] whisper from each lip
And he's here to do some business with the [vi] big iron on his hip
[IV] Big iron on his [I] hip

In this town there lived an outlaw by the [vi] name of Texas Red
Many [I] men had tried to take him and that many men were [vi] dead
He was [IV] vicious and a killer, though a [I] youth of twenty-four
And the notches on his pistol numbered [vi] one and nineteen more
[IV] One and nineteen [I] more

Now the stranger started talking made it [vi] plain to folks around
He was an [I] Arizona ranger wouldn't be too long in [vi] town
He came [IV] here to take an outlaw back a-[I]live or maybe dead
And he said it didn't matter he was [vi] after Texas Red
[IV] After Texas [I] Red
{c}
Wasn't long before the story was relay-[vi]ed to Texas Red
But the [I] outlaw didn't worry, men that [vi] tried before were dead
Twenty [IV] men had tried to take him twenty [I] men had made a slip
Twenty one would be the stranger with the [vi] big iron on his hip
[IV] Big iron on his [I] hip

The mornin' passed so quickly, it was [vi] time for them to meet
It was [I] twenty past eleven when they walked out in the [vi] street
Folks were [IV] watchin' from their windows, everybody held their [I] breath
They knew this handsome ranger was a-[vi]bout to meet his death
Was a-[IV]bout to meet his [I] death

There was forty feet between them when they [vi] stopped to make their play
And the [I] swiftness of the ranger is still talked about to-[vi]day
Texas [IV] Red had not cleared leather when a [I] bullet fairly ripped
And the ranger's aim was deadly with the [vi] big iron on his hip
The [IV] big iron on his [I] hip

Big [IV] iron, big [I] iron
When he tried to match the ranger with the [vi] big iron on his hip
The [IV] big iron on his [I] hip

[I] And they say Big Joe had an [IV] old pet frog
[I] Bigger than a horse and he [V] barked like a dog
And the [I] only thing quicker than a [IV] train upon a track
Was [V] Big Joe riding on the bull [IV] frog' s [I] back
[V] Heave hi, [IV] heave hi [I] ho,
the [I] best man in Ottawa was Muffaraw [V] Joe, Muffaraw [I] Joe

[I] Well they say Big Joe put out a [IV] Forest fire
[I] Half way between Renfrew and [V] old Arnpior
He was [I] fifty miles away down [IV] around Smith Falls

[I] And he swam both ways to catch a [V] cross eyed bass
But he [I] threw it on the ground and said [IV] I can't eat that
So [V] he covered it over with [IV] Mount Saint [I] Pat
[V] Heave hi, [IV] heave hi [I] ho,
the [I] best man in Ottawa was Muffaraw [V] Joe, Muffaraw [I] Joe

[I] And they say Big Joe drank a [IV] bucket of gin
[I] And he beat the livin' tar out of [V] twenty-nine men
And [I] high on the ceiling of a [IV] Pembroke pub
There's [V] twenty-nine boot marks and they're [IV] signed with [I] love

Thanks to Steve Sutton for this version - nice one

[IV] Walking on [bVII] cobble stone, [IV] little bits of [bVII] skin and bone
[ii] Jumping on a [vi] tramcar for a [v] ride [I]
[IV] I can [bVII] remember when, [IV] I was just a [bVII] boy of ten,
[ii] Hanging ar-[vi]ound the old quay [v] side [I]

[bVII] Now all the cap-[IV]stans and the [ii] cargo boats and [bVII] stevedores are gone
[ii] to where the [IV] old ships go, but [v] memories
just [I7] like the seas live [IV] on

[IV] That was when coal [bVII] was king, [IV] the river was a [bVII] living thing
[ii] and I was just a [vi] boy but it was [v] mine, [I7] the coaly [IV] Tyne [bVII]

[I] For this was a [IV] big [bVII] river
I want [ii] you all to [vi] know that I was [v] proud
[I] this was a [IV] big [bVII] river but [ii] that was long a-[vi]go,
that's not [v] now, [I7] , that's not [IV] now

Instrumental break [IV] [bVII] [I] [I] x 2

[IV] My father was a [bVII] working man, [IV] he earned our living [bVII] with his hands
[ii] he had to cross the [vi] river every [v] day [I]
[IV] he picked up the [bVII] union card
[IV] out of the [bVII] Neptune yard
[ii] mouths to [vi] feed and bills to [v] pay [I7] [bVII]
then came a [IV] time for him to [ii] sail across the sea and [bVII] far away
finally [IV] when that war was [v] won
they brought him [I7] home and home he [IV] stayed

[IV] and when his [bVII] days were done [IV] under a [bVII] golden sun
[ii] they took him back to [vi] where he longed to [v] be
[I7] back to the sea [IV] [bVII]

[I] For this was a [IV] big [bVII] river
I [ii] want you all to [vi] know that I was [v] proud
[I] this was a [IV] big [bVII] river but [ii] that was long a-[vi]go,
that's not [v] now [I] , that's not [IV] now

[IV] The Neptune was the [bVII] last to go, [IV] I heard it on my [bVII] radio
[ii] then they played the [vi] latest number [v] one [I]
[IV] But what do they [bVII] do all day?
[IV] what are they [bVII] supposed to say?
[ii] what does a [vi] father tell his [v] son? [I7] [bVII]

if you be-[IV]lieve that there's a [ii] bond between our future [bVII] and our past,
try to hold [IV] on to what we have
[v] we build them [I7] strong we build to [IV] last
'cause this is a [bVII] mighty town
[IV] built upon [bVII] solid ground
[ii] and everything they [vi] tried so hard to [v] kill
[I7] we will re-[IV]build

[I] For this was a [IV] big [bVII] river
I [ii] want you all to [vi] know I'm so very [v] proud
[I] this is a [IV] big big [bVII] river
[ii] and in my heart I [vi] know it will rise [v] again [I]
[I] the river will rise [IV] again!!!

Big Rock Candy Mountain

Harry McClintock - https://www.youtube.com/watch?v=tLKdxjCpw6U

[I] One evening as the sun went down and the jungle [V7] fire was [I] burning
Down the track came a hobo hikin' and he said boys [V7] I'm not [I] turning
I'm [IV] headed for a [I] land that's [IV] far a [I] way
be-[IV] side the crystal [V7] fountains
So [I] come with me we'll go and see
the big rock [V7] candy [I] mountains

[I] In the big rock candy [I7] mountains there's a [IV] land that's fair and [I] bright
Where the [IV] handouts grow on [I] bushes and you [IV] sleep out every [V7] night
Where the [I] boxcars all are [I7] empty and the [IV] sun shines every [I] day
On the [IV] birds and the [I] bees and the [IV] cigarette [I] trees
The [IV] lemonade [I] springs where the [IV] bluebird [I] sings
In the [V7] big rock candy [I] mountains

[I] In the big rock candy [I7] mountains all the [IV] cops have wooden [I] legs
And the [IV] bulldogs all have [I] rubber teeth
and the [IV] hens lay soft boiled [V7] eggs
The [I] farmers' trees are [I7] full of fruit and the [IV] barns are full of [I] hay
Oh I'm [IV] bound to [I] go where there [IV] ain't no [I] snow
Where the [IV] rain don't [I] fall and the [IV] wind don't [I] blow
In the [V7] big rock candy [I] mountains

[I] In the big rock candy [I7] mountains you [IV] never change your [I] socks
And the [IV] little streams of [I] alcohol come a - [IV] tricklin' down the [V7] rocks
The [I] brakemen have to [I7] tip their hats and the [IV] railroad bulls are [I] blind
There's a [IV] lake of [I] stew and of [IV] whiskey [I] too
You can [IV] paddle all a [I] round 'em in a [IV] big ca[I]noe
In the [V7] big rock candy [I] mountains

[I] In the big rock candy [I7] mountains the [IV] jails are made of [I] tin
And [IV] you can walk right [I] out again as [IV] soon as you are [V7] in
There [I] ain't no short handled - [I7] shovels no [IV] axes saws or [I] picks
I'm a - [IV] going to [I] stay where you [IV] sleep all [I] day
Where they [IV] hung the [I] jerk who in [IV] vented [I] work
In the [V7] big rock candy [I] mountains

Kazoo and strum for line 1 of the verse above:
[I] [I7] [IV] [I]

I'll [IV] see you [I] all this [IV] coming [I] fall in the [V7] big rock candy [I] mountains

The [I] day that the big storm came, it [IV7] washed away my [I] tears
The day that big storm came, it [II7] washed away my [V7] fears
Well it [I] washed away my [I7] misery,

[IV7] I was feeling sad and blue [I] under a big dark cloud
[IV7] I was feeling lonely even [I] when I was in a crowd
[IV7] The doctor gave me medication, [I] chemicals and pills
But [II7] nothing he could do could blow [V7] away my winter chills

Chorus

[IV7] Head in hands and wondering where [I] did it all go wrong
[IV7] Couldn't get the inspiration [I] for a happy song
[IV7] Thoughts where getting darker, looking [I] forward to the end
Till the [II7] mother of all storms, came [V7] roaring round the bend

Chorus

[IV7] So brother if your feeling down please [I] listen to this song
[IV7] Wear a smile and lose the frown and [I] try to sing along
[IV7] Grab your problems by the horns, and [I] throw them to the wind
[II7] Wave goodbye away they fly, and [V7] start to live again

The day that the [I] big storm came, my [V7] sun came out a[I]gain

Have you [I] heard about the big strong man,he lives in a cara-[V]van,
Have you heard about the Jeffery Johnson fight,[V7] Oh what a hell of a [I] fight,
[I] You can take all the heavy weights you got,we got a lad who will beat the whole [V] lot,
He used to ring the bells in the belfry,now he's going to fight Jack [I] Dempsey,

[I] Was my brother Sylvest, whats he got, a row of forty medals on his [V] chest, big chest
He killed fifty bad men in the west,he knows no [I] rest,
[I] Think of a man hell's fire don't push just shove plenty of room for you and me,
He's got an arm like a leg,and a punch that would sink a battle [V] ship big ship,
It takes all the army and the navy,to put the wind up Syl-[I]vest.

He [I] thought he'd take a trip to Italy,he thought that he'd go by [V] sea,
He jumped off the harbor in New York,he swam [V7] like a man made of [I] cork,
[I] He saw the Lusitania in distress,what he do,he put the Lusitania on his [V] chest,
He drank all the water in the sea,then he walked all the way to Ita-[I]ly,

[I] Was my brother Sylvest, what's he got, a row of forty medals on his [V] chest, big chest
He killed fifty bad men in the west,he knows no [I] rest,
[I] Think of a man hell's fire don't push just shove plenty of room for you and me,
He's got an arm like a leg,and a punch that would sink a battle [V] ship big ship,
It takes all the army and the navy,to put the wind up Syl-[I]vest.

He [I] thought he'd take a trip to old Japan,they turned out the whole brass [V] band,
He played every instrument they got,like a [V7] lad sure he beat the whole [I] lot,
[I] Now the old church bells will ring, hells fire, the whole church choir will [V] sing,
They all turned out to say farewell to my big brother Syl-[I]vest.

[I] Was my brother Sylvest, whats he got, a row of forty medals on his [V] chest, big chest
He killed fifty bad men in the west,he knows no [I] rest,
[I] Think of a man hell's fire don't push just shove plenty of room for you and me,

Big Things

[I] There was a big sky rocket at the Lion's park
I could see the whole town through the bars at the top
And I [V] counted from 10 to "[IV] blast-off"
But I knew that we'd never leave the [I] tan bark
We didn't have holidays growing up
We were always milking and always broke
[V] And all mum wanted was a [IV] suntan
She talked dad into driving up to [I] Queensland

I [ii] met my country from the [IV] back of a car
[I] Outside of Stawell [V] saw a big koala
[vi] Flying up the Newell to the big guitar

I [I] come from a little [IV] place but I've [V] seen a lot of big [I] things

[I] If you want a family fight here's a recipe:
Pack three of us boys in a cramped back seat
And [V] drive for a day to [IV] Sydney
Get mum to read a map. Get dad to [V] tow a van through the [I] city
Every road leads to the Harbour bridge
Every bugger's in the lane you want to merge in
So many [V] one way streets in [IV] this damn town
And you can't hang a U-ie with a [I] caravan

I [ii] met my country from the [IV] back of a car
Saw a [I] big pineapple, a [V] big banana
[vi] So much fruit made of fibreglass

I [I] come from a little [IV] place but I've [V] seen a lot of big [I] things

We filled a [IV] camera roll at the [I] picnic spots up and down the coast
[ii] So many [IV] family pics standing[I] awkwardly posed
[V] In front of [I] big things
When we get back home the cows are waiting for dad
Mum's sunburn [IV] faded and she never tanned
[V] I went back to the [IV] rocket park
And I took another look at my town from the [I] top

[I] I saw dad's overalls on the laundry floor
Blackened and singed from an SES call
I saw mum in her gumboots in the living room
Trying to sweep out the river with a K-mart broom
I've [V] seen a kitchen bench full of casserole dishes
That the [IV] neighbours brought when my mum got sick
And I've [I] seen a big fire, I've seen a big flood I've seen a little town with a great big heart
And I [V] know that this rocket won't ever launch
But there are [IV] big things here without flying up North

I [I] come from a little [IV] place but I've [V] seen a lot of big [I] things

I [I] come from a little [IV] place but I've [V] seen a lot of big [I] things
From a big sky [IV] rocket at the Lion's [I] park

[I] [iii] [ii] [V] [V7] [I]

[ii] The marchin' band came [V] down along main street,
[I] The soldier blues fell in behind.
[ii] I looked across and [V] there I saw Billy,
[I] Waiting to go and join the line,
[ii] And with her head u[V]pon his shoulder
[ii] his young and lovely [V] fiancée.
[ii] From where I stood I [V] saw she was cryin',
[ii] And through her tears I [V] heard her say :

[I] Billy, don't be a [iii] hero, don't be a [ii] fool with your life
[V] Billy, don't be a [V7] hero, come back and [I] make me your wife
And as [I] Billy started to [I7] go, she said, [IV] keep your pretty head [iv] low,
[I] Billy, don't be [V] hero, come back to [I] me !

[ii] The soldier blues were [V] trapped on a hillside,
[I] The battle raging all around,
[ii] The sergeant cried, "We've [V] got to hang on boys!
[I] We've got to hold this piece of ground !
[ii] I need a volunteer to [V] ride up,
[ii] And bring us back some [V] extra men."
[ii] And Billy's hand was [V] up in a moment,
[ii] Forgettin' all the [V] words she said

She [V] said :
[I] Billy, don't be a [iii] hero, don't be a [ii] fool with your life !
[V] Billy, don't be a [V7] hero, come back and [I] make me your wife !
And as [I] Billy started to [I7] go, she said, [IV] keep your pretty head [iv] low,
[I] Billy, don't be [V] hero, come back to [I] me!

[ii] I heard his fian[V]cée got a letter [I] that told how Billy died that day.
[ii] The letter said that [V] he was a hero, [I] she should be proud he died that way.
[ii] I heard she threw the [V] letter a[I] way.
[I] [iii] [ii] [V] [V7] [I] x 3

Or play this ending from above

She [bVI] said :
[bII] Billy, don't be a hero, don't be a [biii] fool with your life
[bVI] Billy, don't be a hero, come back and [bII] make me your wife

In a [I] neat little town they call Belfast,
apprenticed to [IV] trade I was [V] bound,
[I] Many an hour sweet happiness
Have I [ii] spent in that [V] neat little [I] town.
'Till a sad misfortune came o'er me,
and caused me to [IV] stray from the [V] land.
Far a-[I]way from my friends and relations,
Be-[ii]trayed by the [V] black velvet [I] band.

Chorus:
Her [I] eyes they shone like diamonds,
I thought her the [IV] queen of the [V] land,
And her [I] hair hung over her shoulder,
Tied [ii] up with a [V] black velvet [I] band.

I [I] took a stroll down Broadway, meaning not [IV] long for to [V] stay,
When [I] who should I meet but this pretty fair maid,
Come a [ii] traipsing a-[V]long the high-[I]way.
She was both fair and handsome, her neck it was [IV] just like a [V] swan's.
And her [I] hair hung over her shoulder,
Tied [ii] up with a [V] black velvet [I] band.

Chorus

I [I] took a stroll with this pretty fair maid,
and a gentleman [IV] passing us [V] by.
Well, I [I] knew she meant the doing of him,
By the [ii] look in her [V] roguish black [I] eye.
A gold watch she took from his pocket,
and placed it right [IV] into my [V] hand,
And the [I] very first thing that I said was:
"Bad [ii] cess to the [V] black velvet [I] band".
Chorus
Be-[I]fore the judge and the jury next morning I [IV] had to ap-[V]pear.
The [I] judge he says to me, "Young fellow,
The [ii] case against [V] you is quite [I] clear.
Seven long years is your sentence, to be spent far a [IV] way from this [V] land,

[i] Black is the [VI] colour [VII] of my true love's [i] hair.
Her lips are [VI] like some [VII] roses [V7] fair.
She's the sweetest [VI] smile and the [VII] gentlest [V7] hands.
I love the [VI] ground [VII] where on she [i] stands.

[i] I love my [VI] love - [VII] well she [i] knows.
I love the [VI] ground where on [VII] she [V7] goes.
I wish the [VI] day it [VII] soon would [V7] come
When she and [VI] I [VII] could be as [i] one.

[i] I go to the[VI] Clyde [VII] andmourn and [i] weep
Satis[VI] fied I [VII] never can [V7] be.
I write her a [VI] letter, just a [VII] few short [V7] lines
And suffer [VI] death [VII] a thousand [i] times.

[I] 'Twas early in the spring when I decide to go
For to [vi] work up in the woods in north On [iii] tar-i-o
And the [I] unemployment office said they'd send me through
To the [vi] Little Abitibi with the [iii] survey crew

And the [vi] black flies, the little black flies
[I] Always the black fly, no matter where you go
I'll [ii] die with the black fly a-picking my bones
In [IV] north On-tar-i- [I] o-i-o,
In [I] north On- [iii] tar-i- [vi] o
Now the [I] man Black Toby was the captain of the crew
And he [vi] said, "I'm gonna tell you boys [iii] what we're gonna do
They [I] want to build a power dam, we must find a way
For to [vi] make the Little Abitibi flow [iii] the other way"

So, we [I] surveyed to the east, survey to the west
And we [vi] couldn't make our minds up [iii] how to do it best
Little [I] Ab, Little Ab, whatever shall I do
For I'm [vi] all but goin' crazy with the [iii] survey crew

With the [vi] black flies, the little black flies
[I] Always the black fly, no matter where you go
I'll [ii] die with the black fly a-picking my bones
In [IV] north On-tar-i- [I] o-i-o,
In [iii] north On- tar-i- [vi] o
It was [I] black fly, black fly everywhere
A-[vi] crawlin' in your whiskers, a-[iii]crawlin' in your hair
[I] Swimmin' in the soup, swimmin' in the tea
The [vi] devil take the black fly and [iii] let me be

With the [vi] black flies, the little black flies
[I] Always the black fly, no matter where you go
I'll [ii] die with the black fly a-picking my bones
In [IV] north On-tar-i- [I] o-i-o,
In [iii] north On- tar-i- [vi] o
Black [I] Toby fell to swearin', for the work was going slow
And the [vi] state of our morale was a- [iii] gettin' pretty low
When the [I] flies swarmed heavy, it was hard to catch a breath
As you [vi] staggerd up and down the trail [iii] talkin' to yourself

With the [vi] black flies, the little black flies
[I] Always the black fly, no matter where you go
I'll [ii] die with the black fly a-picking my bones
In [IV] north On-tar-i- [I] o-i-o,
In [iii] north On- tar-i- [vi] o
Well now the [I] bull cook's name was Blind River Joe
If it [vi] hadn't been for him we'd have [iii] never pulled through
Cuz he [I] bound up our bruises, and he kidded us for fun
And he [vi] lathered us with bacon grease and [iii] balsam gum

For the [vi] black flies, the little black flies
[I] Always the black fly, no matter where you go
I'll [ii] die with the black fly a-picking my bones
In [IV] north On-tar-i- [I] o-i-o,
In [iii] north On- tar-i- [vi] o
And at [I] last the job was over,
Black [I] Toby said we're through
With the [vi] Little Abitibi and the [iii] survey crew
'Twas a [I] wonderful experience and [I] this I know
I'll [vi] never go again to north On- [iii] tar-i-o

With the [vi] black flies, the little black flies
[I] Always the black fly, no matter where you go
I'll [ii] die with the black fly a-picking my bones
In [IV] north On-tar-i- [I] o-i-o,
In [iii] north On- tar-i- [vi] o

[I] Oh! The Blackpool [vi] Belle was a [I] get-away [vi] train that
[I] went from [vi] Northern [V] Stations,
What a [ii] beautiful [V7] sight on a [ii] Saturday [V7] night,
[ii] bound for the [V7] 'lumi[I]nations.
No mothers and dads, just girls and lads, [I7] young and fancy-[IV] free
Out for the laughs on the [I] Golden [VI7] Mile at
[ii] Blackpool [V7] by the [I] Sea.

CHORUS:
I re-[IV]member very [I] well
All the [IV] happy gang a-[VI7]board the Blackpool [II7] Belle. [V7]
I re-[I]member them pals of mine when I [III7] ride the Blackpool [vi] Line,
And the [II7] songs we sang to-[V7]gether on the Blackpool [I] Belle. [V7]

[I] Little Piggy [vi] Greenfield he [I] was [vi] there.
He [I] thought he was [vi] mighty [V7] slick.
He [ii] bought a [V7] hat on the [ii] Golden Mile [V7]
and the [ii] hat said "[V7] Kiss me [I] quick".
Piggy was a lad for all the girls, but [I7] he drank too much [IV] beer.
He made a pass at a [I] Liver-[VI7] pool lass
and she [ii] pushed him [V7] off the [I] pier.

CHORUS

[I] Ice-cream [vi] Sally could [I] never settle [vi] down.
She [I] lived for her [vi] Knickerbocker [V7] Glories,
Till she [ii] clicked with a [V7] bloke who [ii] said he was [V7] broke,
but she [ii] loved his [V7] ice-cream [I] stories.
She took it all in with a smile and a grin. she [I7] fell for Sailor [IV] Jack.
They went for a trip to the [I] Isle of [VI7] Man and [ii] never [V7] did come [I] back.

CHORUS

Now [I] some of us [vi] went up the [I] Blackpool [vi] Tower,
[I] others in the [vi] Tunnel of [V] Love.
A [ii] few made [V7] off for the [ii] Blackpool [V7] Sands
[ii] under the [V7] pier a-[I] bove.
There was always a rush at the midnight hour, but we [I7] made it just the [IV] same,
And I made off with a [I] Liver-[VI7]pool lass, but I could [ii] never re-[V7] member her [I] name.

CHORUS

[I] Now the Blackpool [vi] Belle has a [I] thousand [vi] tales
if [I] they could [vi] all be [V7] told
[ii] Many of [V7] these I [ii] will re-[V7]call as [ii] I am [V7] growing [I] old
[I] They were happy days and I miss the times we'd [I7] pull the curtains [IV] down
[IV] And the Passion Wagon would [I] steam [VI7] back home and [ii] we would [V7] go to [I] town

CHORUS

Bleeding Love

artist:Leona Lewis writer:Jesse McCartney, Ryan Tedder

https://www.youtube.com/watch?v=Vzo-EL_62fQ
[I] Closed off from love, I didn't need the [vi] pain
[vi] Once or twice was enough, and it was all in [IV] vain
[IV] Time starts to pass, before you know it you're [V] frozen

[I] But something happened for the very first time with [vi] you
[vi] My heart melts into the ground, found something [IV] true
[IV] And everyone's looking round, thinking I'm going [V] crazy

[I] But I don't care what they say, I'm in love with [vi] you
[vi] They try to pull me away, but they don't know the [IV] truth
[IV] My heart's crippled by the vein that I keep on [V] closing
[V] You cut me open and I,
[I] Keep bleeding, keep, keep bleeding [vi] love
[vi] I keep bleeding, I keep, keep bleeding love
[IV] Keep bleeding, keep, keep bleeding [V] love
[V] You cut me open - [I] mmm

[I] Trying hard not to hear, but they talk so [vi] loud
[vi] Their piercing sounds fill my ears, try to fill me with [IV] doubt
[IV] Yet I know that the goal is to keep me from [V] falling

[I] But nothing's greater than the rush that comes with your em-[vi]brace
And in this world of loneliness I see your [IV] face
[IV] Yet everyone around me thinks that I'm going [V] crazy, maybe, maybe

[I] But I don't care what they say, I'm in love with [vi] you
[vi] They try to pull me away, but they don't know the [IV] truth
[IV] My heart's crippled by the vein that I keep on [V] closing
[V] You cut me open and I,
[I] Keep bleeding, keep, keep bleeding [vi] love
[vi] I keep bleeding, I keep, keep bleeding [IV] love
[IV] Keep bleeding, keep, keep bleeding [V] love
[V] You cut me open
[vi] And it's draining all of [IV] me
[IV] Oh they find it hard to be-[I]lieve
[I] I'll be wearing these scars for [V] everyone to see
[vi] But I don't care what they say, I'm in love with [IV] you
[IV] They try to pull me away, but they don't know the [V] truth
[V] My heart's crippled by the vein that I keep on closing
[V] You cut me open and I,
[vi] Keep bleeding, keep, keep bleeding [IV] love
[IV] I keep bleeding, I keep, keep bleeding [V] love
[V] Keep bleeding, [I] keep, keep bleeding [V] love
[V] You cut me open and [vi] I
[vi] Keep bleeding, [IV] keep, keep bleeding [I] love

They [I] say there's a troopship just leaving Bombay,

Heavily laden with time expired men, [V7] bound for the land they [I] adore.
There's [I] many an airman just finishing his time,

Clean up your buttons and polish your boots,

There's [I] many a rookie has taken it in, hook line and sinker an' [V] all

Ask him for leave on a Saturday night and [V7] he'll pay your fare home as [I] well.
There's [I] many an airman has blighted his life through writing rude words on the [V] wall
[V] You'll get no pro[V7]motion this [V] side of the [V7] ocean
So [V] cheer up my [V7] lads, Bless 'em [I] All

Bless 'Em [I] All, Bless 'Em All, the long and the [I7] short and the [IV] tall

see the [VI] ghosts of [VII] slavery [i] ships

Well [I] my head was full of [vi] drink, love,
And [IV] I didn't [V] think of [I] you.
And now I'm forced to [iii] go and join,

I'll re-[I]turn love ([V] I'll re-[IV]turn love),

And the [I] captain's fa'en in love wi' a [IV] very bonnie lass,
And her [I] name it is [V7] cried, "pretty [I] Peg-[IV]gy-[I]o ".

[I] There's many a bonnie lass in the howe o' Auchterless.
[IV] There's many a bonnie lass in the [V7] Garioch-o.
There's [I] many a bonnie Jean in the [IV] streets o' Aiberdeen,
But the [I] floower o' them [V7] aw lies in [I] Fy-[IV]vie-[I]o.

[I] O' come doon the stair, pretty Peggy, my dear,
[IV] Come doon the stair, pretty [V7] Peggy-o.
[I] Come doon the stair, bind [IV] up your yellow hair,
Tak a [I] last fare-[V7] weell o' your [I] dad-[IV]dy-[I]o.

[I] Then up cries the colonel, "mount, boys, mount!",
[IV] "Tarry!" says the captain, "O-[V7] tarry-o!".
O-[I] tarry for a while, for a-[IV] nother day or twa,
Til I [I] see if this [V7] bonnie lass will [I] mar-[IV]ry-[I]o.

He had a boogie style that no one [I7] else could play.
He was the [IV] top man at his craft,
but then his [I] number came up and he was gone with the draft.
He's in the [V7] army now. He's blowin' [IV7] reveille.
He's the [I] boogie woogie bugle boy of company B.
[IV] He's the [I] boogie [vi] woogie [I] bugle [vi] boy
of [I] com[vi]pany [I] B.

Chorus:
A [I] toot, a toot, a toodlie-a-da-toot.
He blows it [I7] eight to the bar in boogie rhythm.
He [IV] can't blow a note unless a bass and guitar is playin' [I] with him.
And the [V7] company jumps when he plays [IV7] reveille.
[IV] He's the [I] boogie [vi] woogie [I] bugle [vi] boy of
[I] com[vi]pany [I] B.

They [I] made him blow a bugle for his Uncle Sam.
It really brought him down because he [I7] could not jam.
The captain [IV] seemed to understand,
because the[I] next day the cap' went out and drafted the band.
And now the [V7] company jumps when he plays [IV7] reveille.
[IV] He's the [I] boogie [vi] woogie [I] bugle [vi] boy
of [I] com[vi]pany [I] B.

Chorus

He [I] puts the boys to sleep with boogie every night,
and wakes 'em up the same way in the [I7] early bright.
They clap their [IV] hands and stamp their feet,
'cause they [I] know how it goes when someone gives him a beat.
Woah, woah, he [V7] wakes 'em up when he plays [IV7] reveille.
[IV] He's the [I] boogie [vi] woogie [I] bugle [vi] boy of
[I] com[vi]pany [I] B.

[IV] [I] [V]
[IV] [I] [III7]

[vi] I opened up a message, [V] saying "We need to talk"
[vi] Right then I knew the story, [V] that you were ready to move [vi] on
[vi] You can't define what's missing, [V] but you must make the move
[vi] You say you want to leave me, [V] but why you can't seem to [IV] prove [V]

But you don't want to [IV] lose [V] me [III7]

[IV] Can't give you all my [I] time, if we are [V] not together
[IV] Can't give you life ad-[I]vice, when my [V] words just go through [IV] you
[IV] This love comes from one [I] side, it puts me [V] under pressure
[ii] You say you're bored of [IV] crying, I'm bored of [V] crying for [vi] you [V] [III7]

[vi] You calling 2 months later, [V] need me to lean upon
[vi] I'm putting on a brave face, [V] but I am trying to move [vi] on
[vi] You know I'll always be there, [V] we still talk everyday
[vi] It's a tough situation, [V] but you have made it this [IV] way [V]

But you want me to [IV] stay [V] [III7]

[IV] Can't give you all my [I] time, if we are DC] not together
[IV] Can't give you life ad-[I]vice, when my [V] words just go through [vi] you

[ii] You say you're bored of crying, [IV] I'm bored of [V] crying for [vi] you
([V] I'm bored of crying for [vi] you) [V] [III7]

[vi] I see you calling a-[III7]gain, and I know what's [IV] coming
[IV] This ship has [V] sailed, but you are crying an [vi] ocean
I won't [III7] answer this [IV] time
I gotta [V] get my life in [III7] moo..[vi]tion
([V] got to get my life in [vi] motion) [V] [III7]

[IV] Can't give you all my [I] time, if we are [V] not together

[I7] Some folks were [bII7] meant to live in [I7] clover [bV7]
[IV7] But they are [III7] such a chosen [VImaj7] few
[V7] And [i7] clovers being [bII7] green

Boy Named Sue, A

artist:Johnny Cash writer:Shel Silverstein

https://www.youtube.com/watch?v=FjtEYt6l2Cs Capo 3
[I] My daddy left home when I was three, [IV] and he didn't leave much to ma and me
[V] Just this old guitar and an empty bottle of [I] booze.
[I] Now, I don't blame him cause he run and hid
[IV] But the meanest thing that he ever did
[V] Was before he left, he went and named me "[I] Sue."

[I] Well, he must o' thought that is quite a joke,
[IV] and it got a lot of laughs from a' lots of folk,
[V] It seems I had to fight my whole life [I] through.
[I] Some gal would giggle and I'd get red [IV] and some guy'd laugh and I'd bust his head,
I tell ya, [V] life ain't easy for a boy named "[I] Sue."

[I] Well, I grew up quick and I grew up mean, [IV] my fist got hard and my wits got keen,
[V] I'd roam from town to town to hide my [I] shame.
[I] But I made a vow to the moon and stars [IV] that I'd search the honky-tonks and bars
[V] And kill that man who gave me that awful [I] name.

[I] Well, it was Gatlinburg in mid-July [IV] and I just hit town and my throat was dry,
[V] I thought I'd stop and have myself a [I] brew.
[I] At an old saloon on a street of mud, [IV] there at a table, dealing stud,
[V] Sat the dirty, mangy dog that named me "[I] Sue."
[I] Well, I knew that snake was my own sweet dad, [IV] from a worn-out picture that my mother'd had,
[V] And I knew that scar on his cheek and his [I] evil eye.
[I] He was big and bent and gray and old, [IV] and I looked at him and my blood ran cold
[V] And I said: "My name is 'Sue!' [I] How do you do! - Now you gonna die!!"

[I] Well, I hit him hard right between the eyes [IV] and he went down, but to my surprise,
[V] He come up with a knife and cut off a [I] piece of my ear.
[I] But I busted a chair right across his teeth [IV] and we crashed through the wall and into the street
[V] Kicking and a' gouging in the mud and the blood and [I] the beer.

[I] I tell ya, I've fought tougher men [IV] but I really can't remember when,
[V] He kicked like a mule and he bit like a [I] crocodile.
[I] I heard him laugh and then I heard him cuss, [IV] he went for his gun and I pulled mine first,
[V] He stood there lookin' at me and I saw him [I] smile.

[I] And he said: "Son, this world is rough [IV] and if a man's gonna make it, he's gotta be tough
[V] And I knew I wouldn't be there to help ya [I] along.
[I] So I give ya that name and I said goodbye [IV] I knew you'd have to get tough or die
[V] And it's the name that helped to make you [I] strong."
[I] He said: "Now you just fought one hell of a fight [IV] and I know you hate me, and you got the right
[V] To kill me now, and I wouldn't blame you if you [I] do.
[I] But ya ought to thank me, before I die, [IV] for the gravel in ya guts and the spit in ya eye
[V] Cause I'm the son-of-a-bitch that named you "[I] Sue.'"

[I] I got all choked up and I threw down my gun [IV] and I called him my pa, and he called me his son,
[V] And I came away with a different point of [I] view.
[I] And I think about him, now and then, [IV] every time I try and every time I win,
[NC] And if I ever have a son, I think I'm gonna name him
[I] Bill or George! Anything but Sue! I still hate that name!

The sailors say [vi] Brandy you're a [IV] fine girl (you're a fine girl)
What a [vi] good wife you would [IV] be (such a fine girl)
Your [I] eyes could steal a [V] sailor from the sea
([IV] do, [I] do, [ii7] do, [V] do)

[II] There's a [I] port on a [IV] Western [vi] bay
And it [ii] serves a [IV] hundred [bVII] ships a [IV] day
Lonely [I] sailors pass the [IV] time a-[vi]way
And [ii] talk a-[IV]bout their [I] homes

[IV] And there's a [I] girl in this [IV] harbor [vi] town
And she [ii] works [IV] layin' [bVII] whiskey [IV] down
They say [I] Brandy fetch a-[IV]nother [vi] round
She [ii] serves them [IV] whiskey and [I] wine

The sailors say [vi] Brandy you're a [IV] fine girl (you're a fine girl)
What a [vi] good wife you would [IV] be (such a fine girl)
Your [I] eyes could steal a [V] sailor from the sea
([IV] do, [I] do, [ii7] do, [V] do)

[I] Brandy wears a [iii] braided [vi] chain
Made of [ii] finest [IV] silver from the [bVII] north of [IV] Spain
A [I] locket that [iii] bears the [vi] name
Of the [ii] man that [IV] Brandy [I] loves

He [I] came on a [iii] summer's [vi] day
Bringing [ii] gifts from [bVII] far [IV] away
But he [I] made it clear he [iii] couldn't [vi] stay
No [ii] harbor [IV] was his [I] home

The sailor said [vi] Brandy you're a [IV] fine girl (you’re a fine girl)

Your [I] eyes could steal a [V] sailor from the sea
([IV] do, [I] do, [ii7] do, [V] do)

Yeah [vi] Brandy used to [I] watch his eyes
When he [IV] told his sailor's [V] stories
She could [vi] feel the ocean [I] fall and rise
She [IV] saw it's raging [V] glory
But [vi] he had always [bVII] told the truth
Lord he [vi] was an honest [IV] man
And [I] Brandy does her [V] best to under-[IV]stand [I]
([IV] do, [I] do, [ii7] do, [V] do)

At [I] night when the [iii] bars close [vi] down
[ii] Brandy [IV] walks through a [bVII] silent [IV] town
And [I] loves a man who's [iii] not a-[vi]round
She [ii] still can [IV] hear him [I] say she hears him say

She hears him say [vi] Brandy you're a [IV] fine girl (you’re a fine girl)
What a [vi] good wife you would [IV] be (such a fine girl)
Your [I] eyes could steal a [V] sailor from the sea
([IV] do, [I] do, [ii7] do, [V] do)

The sailors say [vi] Brandy you're a [IV] fine girl (you’re a fine girl)

Bread And Fishes

As [I] I went a [IV] walking one [V7] morning in [I] spring
I met with some [IV] trav'lers in an [V7] old country [I] lane
One was an [IV] old man the [V7] second a [I] maid, ,
And the third was a [IV] young boy who [V7] smiled as he [I] said:

Chorus:
With the [IV] wind in the [I] willows and the [IV] birds in the [I] sky,
There's a [IV] bright sun to [I] warm us where[IV]ever we [V7] lie,
We [I] have bread and [IV] fishes and a [V7] jug of red [I] wine
To [IV] share on our journey with [V7] all of man[I]kind.

I [I] sat down be[IV]side them with the [V7] gay flowers a[I]round,
And we ate from a [IV] mantle spread [V7] out on the [I] ground
They told me of [IV] peoples and [V7] prophets and [I] kings
And [IV] all of the one god who [V7] knew every[I]thing

Chorus

So I [I] asked them to [IV] tell me their [V7] name and their [I] race
That I may re[IV]member their [V7] kindness and [I] grace.
My name it is [IV] Joseph, this is [V7] Mary my [I] wife
And this is our [IV] young son, who [V7] is our dear [I] life

Chorus

We are [I] travelling to [IV] Glaston, through [V7] England's green [I] lanes,
To hear of men's [IV] troubles, to [V7] hear of men's [I] pains.
We travel the [IV] wide world, o'er the [V7] lands and the [I] seas
To tell all the [IV] people how [V7] they can be [I] free

Chorus

So [I] sadly, I [IV] left them, in that [V7] old country [I] lane
I know that I [IV] never shall [V7] see them a[I]gain
One was an [IV] old man, the [V7] second a [I] maid
The third was a [IV] young boy who [V7] smiled as he [I] said

[I] I hope this old [iii] train breaks down,

[I] And, see what there [iii] is to see
[vi] And time is just a [V] melody
With all the [I] people in the street

[I] I need this [vi] old train to [V] breakdown,

[I] So I don't even [iii] make a sound
[vi] It's gunna sting me when I [V] leave this town
All the [I] people in the street, that I'll [iii] never get to meet
If these [vi] tracks don't bend some-[V]how
And [I] I got no time, that [iii] I got to get to

Broken G String Blues, The

artist: You, writer: Stephen Beeston

Thanks Stephen Beeston

A simple 12 bar blues. Play with it and make it your own

[G] Well my G string broke on my uke today
And now I'm sad 'cause I want to play
[C7] Back into the case my ukulele goes
[G] When it's fixed nobody knows
[D7] Can't get out to get new strings
No [G] uke to play, no songs to sing

[G] I go down to the shop with money to pay
For some aquila strings the very next day
[C7] They're out of stock, what will I do?
[G] Another shop I try don't have them too
[D7] Can I wait until they get them in?
[G] My choices sure are looking thin

[G] Next day I buy a random brand
Walk out of the shop with them in my hand
[C7] Get my uke down off the shelf
and [G] I fit the strings all by myself
The [D7] G string breaks, I start to cry
Back [G] to the shop, more strings to buy

[G] They fit the strings while I sit and wait
By now the time is getting late
[C7] I rush right home and start to play
[G] At least I'll get to strum today
[D7] the strings all stretch as I play along
[G] Is there no end to my sad song?

[G] I'll just play on 'till they settle in
Put away my frown, put on my grin
[C7] I persevere until things come right
[G] I strum and tighten through the night
[D7] At least my ukulele now sounds ok
[G] But I've got work, no time to play

[I] Now from Charlottetown or from [I7] Summerside
They [IV] load him down for the big long ride
He [V7] jumps in the cab and he's off with the prize [I] Sabagoes
He's gotta catch the boat to make [I7] Tormentine
Then he [IV] hits up that old New Brunswick line
Through [V7] Montreal he comes just a flyin'
With another big load of [I] potatoes

verses in diff order but they all do it differently!

[I] As I was walking down the street
[V7] Down the street, [I] down the street,
A [I] pretty little gal I chanced to meet,
We [V7] danced by the light of the [I] moon.

> [I] Buffalo gals, won't you come out tonight?
> [V7] Come out tonight, [I] come out tonight?
> [I] Buffalo gals, won't you come out tonight
> And [V7] dance by the light of the [I] moon.

[I] I asked her if she'd stop and talk,
[V7] Stop and talk, [I] stop and talk.
Her [I] feet took up the whole sidewalk
And [V7] left no room for [I] me.

> [I] Buffalo gals, won't you come out tonight?
> [V7] Come out tonight, [I] come out tonight?
> [I] Buffalo gals, won't you come out tonight
> And [V7] dance by the light of the [I] moon.

[I] I asked her if she'd have a dance
[V7] Have a dance,[I] have a dance
[I] I thought that I might have a chance
To [V7] shake a foot with [I] her.

> [I] Buffalo gals, won't you come out tonight?
> [V7] Come out tonight, [I] come out tonight?
> [I] Buffalo gals, won't you come out tonight
> And [V7] dance by the light of the [I] moon.

[I] I danced with a gal with a hole in her stockin'
And her [V7] heels kept a-knockin' and her [I] toes kept a-rockin'
[I] I danced with a gal with a hole in her stockin'
And we [V7] dance by the light of the[I] moon.

> [I] Buffalo gals, won't you come out tonight?
> [V7] Come out tonight, [I] come out tonight?
> [I] Buffalo gals, won't you come out tonight
> And [V7] dance by the light of the [I] moon.

[I] I asked her if she'd be my wife,
[V7] Be my wife, [I] be my wife,
Then [I] I'd be happy all my life,
[V7] If she'd marry [I] me.

Chorus:
Bugger [IV] off, you [bVII] bastards bugger [IV] off! (F*** You!)
Bugger [ii] off, you [bVII] bastards bugger [I] off! (F*** You!)
Like a [IV] herd of bloody swine who re-[ii]fuse to leave the [bVII] trough
You'll [IV] get no more this [bVII] evening so you [I] bastards bugger [IV] off

Note: The "F*** You's" fit to the music and should be sung by the audience

Well you've [IV] been a bloody audience, but [I] oh the time does [IV] pass.
So don't you all be [ii] letting the door [bVII] hit you in the [I] ass.
You've [bVII] been a splendid audience, but [IV] enough is e-[I]nough.
We'd [IV] take it very [bVII] kindly if you'd [I] all just bugger [IV] off!

Chorus

Here's to the [IV] barkeeps and waitresses who've been [I] servin' you your [IV] beers,
They put up with your [ii] noxious breath and your [bVII] stupid drunken [I] leers.
So be [bVII] leaving your money on the [IV] table when you [I] go,
To-[IV]morrow you'll have a [bVII] throbbin' head and [I] nothing else to [IV] show

Chorus

Here's to [IV] all the lovely ladies who might be [I] waiting for the [IV] band,
And thinking one of [ii] them might make a [bVII] charmin' one night [I] stand.
So [bVII] please don't be offended girls this [IV] song's not meant for [I] you.
And we're [IV] happy to o-[bVII]blige you when this [I] nasty job is [IV] through.

Chorus

So now you're [IV] promising the ladies a [I] night of loving [IV] bliss,
When truth be told you're [ii] far to drunk to [bVII] stand up straight and [I] piss.
So [bVII] give it up you bloody sods you'll [IV] not be getting [I] laid.
And the [IV] sooner that you're [bVII] out the door the [I] sooner we'll get [IV] paid.

Bungle in The Jungle

[ii] Walking through forests of [v] palm tree apart[ii]ments
scoff at the monkeys who [v] live in their dark [ii] tents
[vi] down by the waterhole [ii] drunk every Fri[iii]day,
[vi] eating their nuts saving their [ii] raisins for [iii] Sunday.
[vi] Lions and tigers who [ii] wait in the [iii] shadows,
they're [vi] fast but they're lazy, and [ii] sleep in green [I] meadows.
Let's [VII] bungle [I] in the [IV] jungle
well, that's [VII] all right [I] by [ii] me.
I'm a [VII] tiger [I] when I [IV] want love,
but I'm a [VII] snake if we [I] dis[ii]agree.
[ii] Just say a word and the [v] boys will be right [ii] there,
with [ii] claws at your back to send a [v] chill through the night [ii] air.
[vi] Is it so [I] frightening to have [ii] me at your [iii] shoulder?
[vi] Thunder and [I] lightning [ii] couldn't be [iii] bolder.
I'll [vi] write on your tombstone, "I [ii] thank you for [iii] dinner."
This [vi] game that we [I] animals [ii] play is a [I] win[I]ner.

I'm [VI] Bert, [III7] p'raps you've heard of me
[vi] Bert, [III7] you've had word of me,
[vi] Jogging a-[VI7]long, [IV] hearty and strong
Living on plates of fresh [III7] air
I [vi] dress [III7] up in fashion
And [vi] when I am feeling de-[III7]pressed
I [vi] shave from my [VI7] cuff all the [vi] whiskers and [III7] fluff
Stick my [IV] hat on and [II7] toddle up [V7] West

[V] I'm [I] Burlington Bertie, I rise at ten thirty
And saunter a-[III7]long like a [IV] toff
[VI] I [ii] walk down the Strand with my gloves on my hand
Then I walk down again with them [V7] off
I'm [I] all airs and graces, correct easy paces
With-[V]out food so [IV] long I've for-[V7]got where my face is
I'm [I] Bert, [vi] Bert, I [ii] haven't a shirt

At [I] Rothchilds I swank it, my body I plank it
On his front door [IV] step with 'The [V7] Mail' for a blanket
I'm [I] Bert, [vi] Bert, and [ii] Rothchild was hurt
[V7] He said ' [vi] You can't sleep [II7] there' I said '[V7] Oh'

[I]

In Dublin [V] city where I did [I] dwell
A butcher [V7] boy, I loved right [I] well
He courted [vi] me, my life [ii] away
But now with [V7] me, he will not [I] stay

I wish, I [V] wish, I wish in [I] vain
I wish I [V7] was a maid a-[I]gain
A maid [vi] again I ne'er will [ii] be
'Till cherries [V7] grow on an apple [I] tree

I wish my [V] baby it was [I] born
And smiling [V7] on its daddy's [I] knee
And me poor [vi] girl to be dead and [ii] gone
With the long green [V7] grass grown over [I] me

She went up[V]-stairs to go to [I] bed
And calling [V7] down to her mother [I] said
"Give me a [vi] chair 'till I sit [ii] down
And a pen and [V7] ink 'till I write [I] down"

At every [V] word she dropped a [I] tear
And at every [V7] line cried "Willie [I] dear -
Oh, what a [vi] foolish girl was [ii] I
To be led a-[V7]stray by a butcher [I] boy"

He went up-[V]stairs and the door he [I] broke
He found her [V7] hanging from a [I] rope
He took his [vi] knife and he cut her [ii] down
And in her [V7] pocket, these words he [I] found

Oh, make my [V] grave large, wide and [I] deep
Put a marble [V7] stone at my head and [I] feet
And in the [vi] middle, a turtle [ii] dove
That the world may [V7] know, that I died for [I] love.

[I] I don't know if you can [V] see,
The [vi] changes that have come [IV] over me.
In these [I] last few days I've [V] been afraid,
That I [vi] might drift a-[IV]way.
I've been [I] telling old stories, [V] singing songs,
That [vi] make me think about [IV] where I came from.
[I] That's the reason [V] why I seem
So [vi] far away to-[IV]day.

Chorus:
[I] Oh let me tell you that I [V] love you,
That I [vi] think about you all the [IV] time.
Caledonia you're [I] calling me,
Now I'm [V] going [I] home.
But [I] if I should become a [V] stranger,
Know that [vi] it would make me more than [IV] sad,
Caledonia's been [V] everything I've ever [I] had.

[I] Now I have moved and [V] kept on moving,
[vi] Proved the points [IV] that I needed proving,
[I] Lost the friends [V] that I needed losing,
[vi] Found others on [IV] the way.
[I] I have tried [V] and kept on trying,
[vi] Stolen dreams, yes there's [IV] no denying,
[I] I have travelled hard sometimes [V] with conscience flying,
[vi] Somewhere with [IV] the wind.

Chorus

Now I'm [I] sitting here be-[V]fore the fire,
[vi] The empty room, a [IV] forest choir,
The [I] flames that couldn't [V] get any higher,
They've [vi] withered now [IV] they've gone.
[V] But I'm [I] steady thinking [V] my way is clear,
[vi] And I know what I will [IV] do tomorrow,
[I] When hands have shaken, [V] and kisses flown,
[I] Then I will [IV] disappear.

Well [I] east coast girls are hip
I really [v7] dig those styles they wear
And the [IV] southern girls with the way they talk
They knock me [V7] out when I'm down there

The [I] midwest farmers' daughters
Really [v7] make you feel alright
And the [IV] northern girls with the way they kiss
They keep their [V7] boyfriends warm at night

I [I] wish they all could [ii] be California [VII] girls
(I wish they all could [i] be California)
I [VI] wish they all could [vii7] be California [I] girls
The [I] west coast has the sunshine
And the [v7] girls all get so tanned
I dig a [IV] French bikini on Hawaiian Islands dolls
By a [V7] palm tree in the sand
I've [I] been all around this great big world
And I've [v7] seen all kind of girls
Yeah but [IV] I couldn't wait to get back in the states
Back to the [V7] cutest girls in the world
I [I] wish they all could [ii] be California [VII] girls

[I] Down at the market [IV] you can hear ladies [V7] cry out
while on their [I] heads they bear
[I] Akee, rice, salt [IV] fish are nice
And the [V7] rum is fine any [I] time of the year

> [I] But I'm sad to say, [ii] I'm on my way
> [V7] Won't be back for [I] many a day
> My [I] heart is down, my head is [ii] turning around,
> I had to [V7] leave a little girl in [I] Kingston town

[I] Sounds of laughter [IV] everywhere
And the [V7] dancing girls sway [I] to and fro
[I] I must declare my [IV] heart is there
Though I've [V7] been from Maine to [I] Mexico

> [I] But I'm sad to say, [ii] I'm on my way
> [V7] Won't be back for [I] many a day
> My [I] heart is down, my head is [ii] turning around,
> I had to [V7] leave a little girl in [I] Kingston town

[I] Yellow bird, up [V7] high in banana [I] tree,
Yellow bird, you [V7] sit all alone like [I] me
[IV] Did your lady friend [I] leave the nest again?
[V7] That is very sad [I] make me feel so bad
[IV] You can fly away [I] in the sky away,
[V7] you more lucky than [I] me

[I] I wish I were a [IV] yellow bird [V7] I'd fly away with [I] you
But I am not a [IV] yellow bird [V7] So here I sit nothing else to [I] do
[I] Yellow bird, up [V7] high in banana [I] tree,
Yellow bird, you [V7] sit all alone like [I] me

[IV] You should fly away [I] in the sky away [V7]
Picker coming soon [I] pick from night to noon
[IV] Black and yellow you [I] like banana too [V7]
They may pick you some day [I]

[I] This is my island in the [IV] sun
Where my [V7] people have toiled since [I] time begun
[vi] I may sail on [ii] many a sea,
[V7] Her shores will always be [I] home to me

[I] As morning break in [IV] heaven on high
[V7] I lift my heavy load to the [I] sky
[vi] Sun come down with a [ii] burning glow
[V7] Mingle my sweat with the [I] earth below

[I] I hope the day will [IV] never come [V7] when I can't wake to the [I] sound of drum
[vi] Never let me miss [ii] carnival with cal-[V7]ypso songs philo-[I]sophical

[i] [IV] [VII] [v] [i] [IV] [VII] [VII]

It's a [VII] long and a dusty road,
It's a [III] hot and a [v] heavy [i] load,
And the [IV] folks I meet, [IV7] ain't always [VII] kind
Some are [VII] bad and some are good
Some have [III] done the [v] best they [i] could
Some have [IV] tried to [IV7] ease my troubled [VII] mind

> And I [III] can't help but [IV] wonder where I'm [VII] bound,
> where I'm [v] bound;
> [i] can't help but [IV] wonder [IV7] where I'm [VII] bound

[i] can't help but [IV] wonder [IV7] where I'm [VII] bound

I have [VII] wandered through this land,
Just a-[III]doin' the [v] best I [i] can,
Trying to [IV] find, what [IV7] I was meant to [VII] do
And the [VII] people that I see,
Look as [III] worried [v] as can [i] be,
and it [IV] looks like [IV7] they are a-wondering [VII] too

> And I [III] can't help but [IV] wonder where I'm [VII] bound,
> where I'm [v] bound;
> [i] can't help but [IV] wonder [IV7] where I'm [VII] bound

Now I [VII] had a little girl one time,
She had [III] lips like a [v] cherry [i] wine
And she [IV] loved me til my [IV7] head went plumb [VII] insane.
But I was [VII] too blind to see,
She was [III] drifting [v] away from [i] me,
And my [IV] good gal went [IV7] off on the mornin [VII] train.

> And I [III] can't help but [IV] wonder where I'm [VII] bound,

> [i] can't help but [IV] wonder [IV7] where I'm [VII] bound

And I [VII] had a buddy back home,
But he [III] started [v] out to [i] roam
And I [IV] hear he's [IV7] out by Frisco [VII] Bay
And some-[VII]times when I've had a few,
His old [III] voice comes a-[v]ringin' [i] through
And I'm [IV] goin' out to [IV7] see him some old [VII] day

> And I [III] can't help but [IV] wonder where I'm [VII] bound,
> where I'm [v] bound;
> [i] can't help but [IV] wonder [IV7] where I'm [VII] bound

Well if you [VII] see me passin' by
And you [III] stop and you [v] wonder [i] why,
And you [IV] wish, that [IV7] you were a rambler [VII] too,
Nail your [VII] shoes to the kitchen floor
Lace 'em [III] up and [v] bar the [i] door
Thank your [IV] stars for the [IV7] roof that's over [VII] you

> And I [III] can't help but [IV] wonder where I'm [VII] bound,

[I] There was a time in [IV] this fair land when the [I] railroad did not run
When the [I] wild majestic [IV] mountains stood a-[V]lone against the sun
[I] Long before the [IV] white man and [I] long before the wheel
When the [I] green dark [V] forest was too [VII] silent to be [I] real [v] [I] [v] [I]

But [I] time has no be-[IV]ginnings and the [I] history has no bounds
As [I] to this verdant [IV] country they [V] came from all around
They [I] sailed upon her [IV] waterways and they [I] walked the forests tall
Built the [I] mines, the mills and the [V] factories for the [VII] good of us [I] all

[v] [I] [v] [I]

And [I] when the young man's [IV] fancy had [I] turned into the spring
The [I] railroad men grew [IV] restless for to [V] hear the hammers ring
Their [I] minds were over-[IV]flowing with the [I] visions of their day
With [I] many a fortune [V] won and lost and [VII] many a debt to [I] pay

For they [V] looked in the future and [ii] what did they see
They saw an [VII] iron road running from the [I] sea to the sea
[V] Bringing the goods to a [ii] young growing land
All [VII] up from the seaports and [I] into their hands

Look a-[VII]way said [I] they, a-[VII]cross this mighty [I] land
From the [VII] eastern [I] shore to the [VII] western [I] strand

[V] Bring in the workers and [ii] bring up the rails
We gotta [VII] lay down the tracks and [I] tear up the trails
[V] Open her heart let the [ii] life blood flow
Gotta [VII] get on our way 'cause we're [I] moving too slow

[V] Bring in the workers and [ii] bring up the rails
We gotta [VII] lay down the tracks and [I] tear up the trails
[V] Open her heart let the [ii] life blood flow
Gotta [VII] get on our way 'cause we're [I] moving too slow
[VII] Get on our way 'cause we're [V] moving too slow
Be-[I]hind the blue Rockies the [IV] sun is de-[V]clining
The [I] stars they come [IV] stealing at the [II] close of the [V] day [V7]
[I] Across the wide [I7] prairie our [IV] loved ones lie [V] sleeping
[I] Beyond the dark [IV] oceans in a place [V] far a-[I]way

[I] We are the navvies who [IV] work upon the rail-[V]way
[I] Swinging our [IV] hammers in the [II7] bright blazing [V] sun [V7]
[I] Living on [I7] stew and [IV] drinking bad [V] whiskey
[I] Bending our backs [IV] til the long [V] days are [I] done

[I] We are the navvies who [IV] work upon the rail-[V]way
[I] Swinging our [IV] hammers in the [II7] bright blazing [V] sun [V7]
[I] Laying down [I7] track and [IV] building the brid-[V]ges
[I] Bending our old backs [IV] 'til the rail-[V]road is [I] done

So [V] over the mountains and [ii] over the plains
[VII] Into the muskeg and [I] into the rain
[V] Up the St. Lawrence all the [ii] way to Gaspé
[VII] Swinging our hammers and [I] drawing our pay
[V] Drivin' 'em in and [ii] tying them down
A-[VII]way to the bunkhouse and [I] into the town
A [V] dollar a day and a [ii] place for my head
A [VII] drink to the living, a [V] toast to the dead

Oh the [I] song of the [v] future has been [I] sung
All the [v] battles have been [I] won
On the [v] mountain tops we [I] stand
All the [v] world at our co-[I]mmand
We have [v] opened up her [I] soil
With our tear-[v]drops and our [V] toil

For there [I] was a time in [IV] this fair land when the [I] railroad did not run
When the [I] wild majestic [IV] mountains stood a-[V]lone against the sun
[I] Long before the [IV] white man and [I] long before the wheel
When the [I] green dark [V] forest was too [VII] silent to be [I] real
When the [I] green dark [V] forest was too [VII] silent to be [I] real
And [I] many are the [V] dead men ...

While those around you [IV] crawled

[I] Eight years old with a [vi] floursack cape
Tied [IV] all around his [V] neck
[I] He climbed up on the [V] garage
[IV] Figurin' what the [V] heck
He [I] screwed his courage [vi] up so tight
The [IV] whole thing [V] came un[I]wound
[vi] He got a runnin' start and [I] bless his heart
He [IV] headed [V] for the [I] ground

Chorus:
[IV] He's one of those who knows that life
Is [vi] just a leap of [I] faith
[I] Spread your arms and [vi] hold your breath
[IV] Always [V] trust your [I] cape

[I] All grown up with a [vi] floursack cape
[IV] Tied around his [V] dreams
[I] He was full of spit and [vi] vinegar
He was [IV] bustin' at the [V] seams
He [I] licked his finger and he [vi] checked the wind
It was [IV] gonna be [V] do or [I] die
[vi] He wasn't scared of [I] nothin' boys
And he was [IV] pretty sure [V] he could [I] fly

Chorus

[I] Old and grey with a [vi] floursack cape
Tied [IV] all around his [V] head
[I] He's still jumpin' [vi] off the garage
[IV] Will be till he's [V] dead

[I] [V] [vi] [IV]

Well, I don't [I] have as many friends because
I'm [V] not as pretty as I was
I've [vi] kicked myself at times because [IV] I've lied
So I will [I] have to learn to stand my ground
I'll [V] tell them I won't be around
I'll [vi] move on over to your town [IV] and hide

> And you be the [I] captain, and I'll be [V] no one
> And you can [vi] carry me away if you [IV] want to
> And you can [I] lay low
> Just like your [V] father
> And if I [vi] tread upon your feet you just [IV] say so
> Cause you're the [I] captain, I am no one
> I tend to [V] feel as though I owe one to [IV] you
> To [I] you [V] [vi] [IV]

Well, I have [I] handed all my efforts in
I've [V] searched here for my second wind
Is there [vi] somewhere here to let me in [IV] I ask
So I [I] slammed the doors they slammed at me
I [V] found the place I'm meant to be
I [vi] figured out my destiny [IV] at last

> And you be the [I] captain, and I'll be [V] no one
> And you can [vi] carry me away if you [IV] want to
> And you can [I] lay low

> To [I] you

[III7] Did I for-[IV]get to thank [V] you for the [I] ride
I hadn't [vi] tried, I tend to [V] run away and [IV] hide

> And you be the [I] captain, and I'll be [V] no one

You're the [I] captain, I am no one

[VII] [VII] [I] [ii] [I] [VII] [VII] [I] [ii] [I] .
[VII] I ponder of something great, my [VII] lungs will fill and then de-[I]flate
They [ii] fill with fire, exhale desire,
I [I] know it's dire, my time today

[VII] I have these thoughts, so often I [VII] ought
To replace that slot [I] with what I once [ii] bought
'Cause somebody stole my car [I] radio and now I just sit in [VII] silence

[VII] Sometimes quiet is [I] violent, [ii] I find it hard to hide it
My [I] pride is no longer inside, it's [VII] on my sleeve
My skin will scream reminding me of [I] who I killed in-[ii] side my dream
I hate this car that [I] I'm driving, there's no hiding for [VII] me
I'm forced to deal with what I [VII] feel
There is no [I] distraction to mask what is [ii] real

Oh [VII] dear, I don't know if we know why we're [I] here
[ii] Oh my, too deep
Please stop thinking, [I] I liked it better when my car had sound

[VII] There are things we can do
But from the [VII] things that work there are only [I] two
And [ii] from the two that we choose to do
[I] Peace will win and fear will lose
There's [VII] faith and there's sleep
We [VII] need to pick one please [I] because [ii] faith is to be awake
And to be a-[I] wake is for us to think
And for us to [VII] think is to be alive
And I will [VII] try with every rhyme to [I] come a-[ii] cross like I am dying
To let you [I] know you need to try to [VII] think

[VII] I have these thoughts, so often I [VII] ought
To replace that slot [I] with what I once [ii] bought

Intro: [I] / [II] [bII]

The [I] early light is [II] breaking,
The [ii] morning sun is [V] waiting in the [vi] sky
And I [II] think I'm gonna [V] break away,
And [I] follow where the [II] birds of freedom [V] fly [V7]

I need to [I] give [I7], I need to [IV] live [II]
For the [I] world is slowly turning,
And the [ii] lights of love are [V] burning in my [I] eyes

> Caravans, oh my [I7] soul is on the [IV] run,
> Over [ii] land, I am [I] fly-[V]ing,
> Cara-[I]vans, moving [I7] out into the [IV] sun,
> Oh I [ii] don't know where I'm [V] going, but I'm [IV] go-[I]ing

Interlude: [I] [II] [bII]

I [I] wish I had the [II] wisdom
To [ii] find some simple [V] words to make you [vi] see,
That the [II] things that mean a [V] lot to you
Don't [I] always seem to [II] mean a lot to [V] me [V7]

I need to [I] breathe [I7], I need to [IV] leave [II]
When the [I] sands of time go drifting by
I [ii] may be on my [V] own, but I'll be [I] free

> *do chorus twice*
>
> Caravans, oh my [I7] soul is on the [IV] run,
> Over [ii] land, I am [I] fly-[V]ing,
> Cara-[I]vans, moving [I7] out into the [IV] sun,

[I] [bVII] [IV] [V] [V]

[I] Pickin up the [V] pieces of my [III7] sweet shattered [vi] dream,
I [IV] wonder how the [I] old folks are to-[V]night?
Her [I] name was Ann, and [V] I'll be damned if [III7] I recall her [vi] face;
[IV] She left me not [V] knowing what to [I] do.

[I] Carefree [bVII] highway,[IV] let me [V] slip away on [I] you
Carefree [bVII] highway, [IV] you've seen [V] better days
The [vi] morning after [V] blues, from my [IV] head down [I] to my [II] shoes
[I] Carefree [bVII] highway, [IV] let me [V] slip away, slip away on [I] you

[bVII] [IV] [V] [I] [bVII] [IV] [V] [V]

[I] Turning back the [V] pages to the [III7] times I love [vi] best [V]
I [IV] wonder if she'll [I] ever do the [V] same? [V]
Now the [I] thing that I call [V] living is just [III7] being satis-[vi]fied,
With [IV] knowing I got [V] no one left to [I] blame

[I] Carefree [bVII] highway,[IV] let me [V] slip away on [I] you
Carefree [bVII] highway, [IV] you've seen [V] better days
The [vi] morning after [V] blues, from my [IV] head down [I] to my [II] shoes
[I] Carefree [bVII] highway, [IV] let me [V] slip away, slip away on [I] you

[bVII] [IV] [V] [I] [bVII] [IV] [V] [V]

[I] Searching thru the [V] fragments of my [III7] dream shattered [vi] sleep [V]
I [IV] wonder if the [I] years have closed her [V] mind? [V]
Well I [I] guess it must be [V] wanderlust or [III7] trying to get [vi] free,
[IV] From the good old [V] faithful feeling we once [I] knew

[I] Carefree [bVII] highway, [IV] let me [V] slip away on [I] you
Carefree [bVII] highway, [IV] you've seen [V] better days
The [vi] morning after [V] blues, from my [IV] head down [I] to my [II] shoes
[I] Carefree [bVII] highway, [IV] let me [V] slip away, slip away on [I] you
Let me [V] slip away on [I] you

Carefree [bVII] highway [IV] I got to [V] see you my old [I] flame
Carefree [bVII] highway, [IV] you've seen [V] better days
The [vi] morning after [V] blues, from my [IV] head down [I] to my [II] shoes
[I] Carefree [bVII] highway, [IV] let me [V] slip away, slip away on [I] you

[I] [V7] [I] [iv] [I]

[I] Love, oh [v7] love, oh [V7] careless [I7] love
[I7] You fly [I7] to my [VI7] head like [II7] wine [V7]
You've [I] wrecked the [I7] life of [IV] a, many a poor [iv] girl
And you [I] nearly [V7] spoiled this life of [I] mine [V7]

[I] Love, oh [v7] love, oh [V7] careless [I] love [I7] [V7]
[I7] In your [I7] clutches [VI7] of de-[II7]sire [V7]
You [I] made [V] me [I7] break a [IV] many true [iv] vow
Then you [I] set my [V7] very [IV7] soul on [I] fire [V7] [I7] [V7]

[I] Love, oh [v7] love, oh [V7] careless [I] love
[I7] All my [I7] happi-[VI7]ness has [II7] left [V7]
You [I] filled my [I7] heart with them [IV] weary old [iv] blues
Now I'm [I] walkin' [V7] talkin' to my-[I] self [V7] [I] [V7]

[I] Love, oh [V7] love, oh careless [I] love
Trusted [I7] you, now [VI7] it's too [II7] late [V7]
You've [I] made me [I7] throw my [IV] only friend [iv] down
That's [I] why I [V7] sing this song of [I] hate [V7] [I] [V7]

[I] Love, oh [v7] love, oh [V7] careless [I] love [I7] [V7]
[I] Night and [I7] day I [VI7] weep and [II7] moan [V7]
You [I] brought the [I7] wrong man in-[IV] to this life of [iv] mine
For my [I] sins, till [V7] judgment I'll a-[I]tone [V7] [I]

[I] The wind is in from Africa, [V] last night I couldn't sleep
Oh, you know it [IV] sure is hard to [I] leave here Carey
But it's really [V] not my home
[I] My fingernails are filthy, I got [V] beach tar on my feet
And I [IV] miss my clean white [I] linen and my fancy French co [V]logne

Oh Carey get out your cane, [I] and I'll put on some [V] silver
[IV] Oh you're a mean old Daddy, but I [V] like [I] you fine

Come on down to the Mermaid Café and I will [V] buy you a bottle of wine
And we'll [IV] laugh and toast to [I] nothing and smash our [V] empty glasses down
Let's have a [I] round for these freaks and these soldiers
A [V] round for these friends of mine
Let's have another [IV] round for the bright red [I] devil
Who keeps me [V] in this tourist town

Come on Carey get out [I] your cane, I'll put on some [V] silver
[IV] Oh you're a mean old Daddy, [I] but I [V] like [I] you

[I] Maybe I'll go to Amsterdam,
[V] Maybe I'll go to Rome and [IV] rent me a grand pi [I]ano
And put some [V] flowers 'round my room
But [I] let's not talk about fare-thee-wells now
The [V] night is a starry dome
And they're [IV] playin' that scratchy [I] rock and roll
Beneath the [V] Matala Moon

Come on Carey get out your [I] cane, I'll put on some [V] silver
[IV] Oh you're a mean old Daddy, [I] but I [V] like [I] you

The wind is in from Africa, [V] last night I couldn't sleep
Oh you know it [IV] sure is hard to [I] leave here
But it's really not [V] my home

[I] Maybe it's been too long a time
Since I was [V] scramblin' down in the street
Everybody [IV] look for that clean white [I] linen
And that fancy [V] French cologne

Oh Carey get out your [I] cane, I'll put on my finest [V] silver
We'll [IV] go to the Mermaid [I] Café, have [V] fun to [I] night
I said, [IV] Oh, you're a mean old [I] Daddy

I have simplified the Instrumental

All the [I] places I have been to, all the [vi] things that [V] I have [IV] seen
Since I [I] left my home to wander, when [IV] I was just fif-[V]teen
Though the [I] travelin' was easy still some-[vi]times the [V] road got [IV] rough
By the [I] time that I turned thirty-five I [V] thought I'd seen e-[I]nough

But for [I] me to settle down awhile was [vi] not what [V] God had [IV] planned
So [I] one more time I left my home with [IV] suitcase in my [V] hand
Oh the [I] journey took me far and wide [vi] across the [V] deep blue [IV] sea
And [I] now I know since I've been there where [V] I was meant to [I] be

[I] I've seen [IV] sunsets on the ocean I've [I] seen the desert bloom
[I] I've [IV] driven endless highways be-[I]neath the prairie [V] moon
Yet the [I] picture in my mind I see when I [vi] think a-[V]bout it [IV] all
Is the [I] color of the leaves in Caro-[V]lina.. in the [I] Fall

[I] I've seen [IV] sunsets on the ocean I've [I] seen the desert bloom
[I] I've [IV] driven endless highways be-[I]neath the prairie [V] moon
[I] I've seen [IV] sunsets on the ocean I've [I] seen the desert bloom
[I] I've [IV] driven endless highways be-[I]neath the prairie [V] moon
Yet the [I] picture in my mind I see when I [vi] think a-[V]bout it [IV] all
Is the [I] color of the leaves in Caro-[V]lina.. in the [I] Fall

Now for [I] thirty years I've played the songs that [vi] Doc has [V] taught to [IV] me
And the [I] things that he had sung about I [IV] never thought I'd [V] see
In the [I] hills of Carolina folks have [vi] opened [V] up the [IV] door
And for the [I] first time in my life I'm not a [V] stranger any-[I]more

[I] I've seen [IV] sunsets on the ocean I've [I] seen the desert bloom
[I] I've [IV] driven endless highways be-[I]neath the prairie [V] moon
Yet the [I] picture in my mind I see when I [vi] think a-[V]bout it [IV] all

Carry on my wayward son
There'll be peace when you are done
Lay your weary head to rest
Don't you cry no more

[i] Once I [VII] rose above the [VI] noise and con-[VII]fusion
[i] Just to [VII] get a glimpse [VI] beyond this i-[VII]llusion
[iv] I was [III] soaring ever [bII] higher [bII] [III]
[iv] But I [III] flew too [VII] high
[i] Though my [VII] eyes could see I [VI] still was a [VII] blind man
[i] Though my [VII] mind could think [VI] I still was [VII] a mad man
[iv] I hear the [III] voices when I'm [bII] dreaming
[iv] I can [III] hear them [VII] say

[i] Carry [III] on my [VII] wayward [VI] son
[i] There'll be [III] peace when [VII] you are done
[i] Lay your [III] weary [VII] head to [VI] rest
[i] Don't you cry no more

[i] Masque-[VII]rading as a [VI] man with a [VII] reason
[i] My cha-[VII]rade is the [VI] event of the [VII] season
[iv] And if I [III] claim to be a [bII] wise man [bII] [III]
[iv] It surely [III] means that I don't [VII] know
[i] On a [VII] stormy sea of [VI] moving e-[VII]motion
[i] Tossed [VII] about I'm like a [VI] ship on the [VII] ocean
[iv] I set [III] sail for winds of [bII] fortune [bII] [III]
[iv] But I [III] hear the voices [VII] say

[i] Carry [III] on my [VII] wayward [VI] son
[i] There'll be [III] peace when [VII] you are done
[i] Lay your [III] weary [VII] head to [VI] rest
[i] Don't you cry no more

[i] Carry on you will [III] always [VII] remember
[i] Carry on nothing [III] equals the [VII] splendor
[iv] Now your [III] life's no longer [bII] empty [bII] [III]
[iv] Surely [III] Heaven waits for [VII] you

[i] Carry [III] on my [VII] wayward [VI] son
[i] There'll be [III] peace when [VII] you are done

In an upstairs aspidistra room that's [V7] lit by candlelight
Where [iv] Elizabeth Jones and Lily O'Grady
and [i] three or four more [v] married [V7] ladies
[V7] Practice every week unspeakable [i] pagan rites [i]

[i] Dressed in their Sunday coats and their flowerpot hats
Respectable [V7] middle-aged ladies running to fat, at [v] that
Where [iv] Elizabeth Jones and Lily O'Grady
and [i] three or four more [v] married [V7] ladies
Each with a Woolworth's broomstick and a [i] tabby cat [i]

[i] But they don't waste time with a Ouija board or a seance, now and again, no
None of your wittering, twittering, petty polter-[V7] geists for them, no
[iv] Elizabeth Jones and Lily O'Grady
and [i] three or four more married [V7] ladies
[V7] Prefer to be tickled by the whiskery chins of [i] bogey men [i]

[i] Their husband's potter at snooker down the club
Unaware of the devilish jiggery-[V7]poke and rub-a-dub-dub
While [iv] Elizabeth Jones and Lily O'Grady
and [i] three or four more married [V7] ladies
Are [V7] frantically dancing naked for Be-[i]elzebub [i]

[i] And after the witches' picnic and the devil's grog
After their savage [V7] pantings, their hysterical leap-frog
Well, [iv] Elizabeth Jones and Lily O'Grady
and [i] three or four more married [V7] ladies
Go back home for cocoa and the [i] epilogue [i]

[i] So be careful how you go of a Saturday night
If you see a little old lady passing by, it [v] very well might be
[iv] Elizabeth Jones or Lily O'Grady or [i] one of those satanical ladies
Their [v] eyes are wild and bright, their cheekbones all alight
Don't go where they in-[V7]vite

Drinkin [I] Dixie beer passin' time away
If the [V] sun goes down on a lazy day

We'll [IV] hunt them 'possums by a southern moon

[vii] You made me love you out of [iii] feeling nothing,
[II] something that you do.
[I] And I was there and not dancing with anyone,
[vi] you took a little, then you [II] took me over.
[vii] You set your mark on [iii] stealing my heart away,

[bV] I wanna get your love all ready for the [vii] sweet sensation,

[bVII] You let me hold you for the first explosion,

Changes In Latitudes

Based on tallinger on Ultimate Guitar version

[IV] [I] [V] [I]
[IV] [I] [V] [IV] [I] [I]

[I] I took off for a [IV] weekend last month
Just to [V] try and recall the whole [I] year
All of the faces and [IV] all of the places
[V] Wonderin' where they all dis-[I]appeared
[vi] I didn't ponder the [iii] question too long
I was [IV] hungry and went out for a [V] bite
Ran [IV] into a chum with a [I] bottle of rum
and we [V] wound up drinkin' all [I] night

It's those [IV] changes in latitudes, [I] changes in attitudes
[V] Nothing remains quite the [I] same
With [IV] all of our running and [I] all of our cunning
If [V] we couldn't laugh we would [IV] all go in-[I]sane

[I] Reading departure signs [IV] in some big airport
Re-[V]minds me of the places I've [I] been
Visions of good times that [IV] brought so much pleasure
Makes [V] me want to go back a-[I]gain
If it [vi] suddenly ended to-[iii]morrow
I could [IV] somehow adjust to the [V] fall
[IV] Good times and riches and [I] sons of a bitches
I've [V] seen more than I can re-[I]call

These [IV] changes in latitudes, [I] changes in attitudes
[V] Nothing remains quite the [I] same
Through [IV] all of the islands and [I]a ll of the highlands
If [V] we couldn't laugh we would [IV] all go in-[I]sane

[IV] [I] [V] [IV] [I] [I]

I [I] think about Paris when I'm [IV] high on red wine
I [V] wish I could jump on a [I] plane
So many nights I just [IV] dream of the ocean
God, I [V] wish I was sailin' a-[I]gain
Oh, [vi] yesterday's over my [iii] shoulder
So [IV] I can't look back for too [V] long
There's just [IV] too much to see waiting [I] in front of me
And I [V] know that I just can't go [I] wrong

With these [IV] changes in latitudes, [I] changes in attitudes
[V] Nothing remains quite the [I] same
With [IV] all of our running and [I] all of my cunning
If [V] I couldn't laugh, I just [IV] would go in-[I]sane
If [V] we couldn't laugh, we just [IV] would go in-[I]sane
If [V] we weren't all crazy we [IV] would [V] go in-[IV]sane [I] [V] [I]

Chicken In Black

[I] For two long years my head hurt bad
So a [IV] doctor checked me an he shook his head
He said [V7] I'm sorry to tell you
But your body's outlived your [I] brain
He said I know this doctor in New York, son
And he'll [IV] fix you right up with a brand new one
So the [V7] head doctor met me
When I stepped down off of the [I] train.

[I] He said we had this bank robber killed last night
His [IV] body's shot but his brain's alright
I'll [V7] give you a transplant, boy
And you'll be [I] OK
I got my new brain in and I was feelin' great
I went [IV] right back to Nashville with no headache
But something [V7] strange happened
When I walked in the bank one [I] day.

I said [IV] stick 'em up ever'body I'm robbin' this place
Drop [I] all of your money in my guitar case
Don't [IV] nobody move and don't nobody reach for that [V7] door
A [I] lady said, why you're Johnny Cash
I said [IV] no ma'am, I'm the Manhattan Flash
And I [V7] am the best bank robber in New [I] York.

[I] Now the other night Roy Acuff called me
He said [IV] John I'd like for you to do the Opry
So I [V7] went out on the stage, but I couldn't [I] sing
I got into a half a verse of 'I Walk The Line'
And [IV] something snapped in this head of mine
I yelled [V7] stick 'em up -
Give me your money, your watches and [I] rings.

Key change

[bII] [bV] [VI7]

[bII] Well, I called New York and talked to that brain quack
And said [bV] Doc I gotta have my old brain back
He said I'm [VI7] sorry there, Mr. Cash, but I can't do [bII] that
He said I put your brain in a chicken last monday
He's [bV] singing your songs and makin' lots of money
And I got him [VI7] signed to a ten-year recording con-[bII] tract.

[bII] Now friends if you see me walkin' down the street
Remember [bV] what you see ain't necessarily me
And if I [VI7] try to hold you up, don't pay me no [bII] mind
But when you got ten bucks that you can blow
You oughta [bV] catch that Johnny Chicken show
He's doin' [VI7] fairs and concert dates
All up and down the [bII] line.

I said [bV] stick 'em up ever'body I'm robbin' this place
Drop [bII] all of your money in my guitar case
Don't [bV] nobody move and don't nobody reach for that [VI7] door
A [bII] lady said, why you're Johnny Cash

And I [VI7] am the best bank robber in New [bII] York.

[I] [IV] [V] [I] [I]

Far be-[I]tween sundown's [V] finish and [I] midnight's broken [IV] toll
We [I] ducked inside the [IV] doorway as [V] thunder went [I] crashing
As ma-[I]jestic bells of [V] bolts struck [I] shadows in the [IV] sounds
[I] Seeming to be the [V] chimes of freedom [I] flashing
[V] Flashing for the warriors whose [I] strength is not to fight
[IV] Flashing on the [I] refugees on the [ii] unarmed road of [V] flight
And for [I] each and every [V] underdog [I] soldier in the [IV] night
And we [I] gazed upon the [IV] chimes of [V] freedom [I] flashing

[I] Through the city's melted [V] furnace, unex-[I]pectedly we [IV] watched
With [I] faces hidden [V] as the walls were [I] tightening [V]
As the [I] echo of the [V] wedding bells [I] before the blowing [IV] rain
[I] Dissolved into the [V] bells of the [I] lighting
[V] Tolling for the rebel, [I] tolling for the rake
[IV] Tolling for the [I] luckless, the [ii] abandoned and [V] forsaked
[I] Tolling for the [V] outcast burnin' [I] constantly at [IV] stake
And we [I] gazed upon the [IV] chimes of [V] freedom [I] flashing

[I] Through the mad mystic [V] hammering of the [I] wild ripping [IV] hail
The [I] sky cracked its [V] poems in naked [I] wonder [V]
That the [I] clinging of the [V] church bells blew [I] far into the [IV] breeze
[I] Leaving only bells of [V] lightning and its [I] thunder
[V] Striking for the gentle, [I] striking for the kind
[IV] Striking for the [I] guardians and [ii] protectors of the [V] mind
And the [I] poet and the [V] painter far be-[I]hind his rightful [IV] time
And we [I] gazed upon the [IV] chimes of [V] freedom [I] flashing

In the [I] wild cathedral [V] evening the [I] rain unraveled [IV] tales
For the [I] disrobed faceless [V] forms of no [I] position [V]
[I] Tolling for the [V] tongues with no [I] place to bring their [IV] thoughts
All [I] down in taken-for-[V]granted [I] situations
[V] Tolling for the deaf and blind, [I] tolling for the mute
For the [IV] mistreated, mateless [I] mother, the mis-[ii]titled prosti-[V]tute

For the [I] misdemeanor out-[V]law, chained and [I] cheated by pur-[IV]suit
And we [I] gazed upon the [IV] chimes of [V] freedom [I] flashing

Even [I] though a cloud's white [V] curtain in a [I] far-off corner [IV] flared
And the [I] hypnotic splattered [V] mist was slowly [I] lifting [V]
Electric [I] light still struck like [V] arrows, [I] fired but for the [IV] ones
[I] Condemned to drift or [V] else be kept from [I] drifting
[V] Tolling for the searching ones, on their [I] speechless, seeking trail
For the [IV] lonesome-hearted [I] lovers with too [ii] personal a [V] tale
And for [I] each unharmful, [V] gentle soul mis-[I]placed inside a [IV] jail
And we [I] gazed upon the [IV] chimes of [V] freedom [I] flashing

[I] Starry-eyed and [V] laughing, as I re-[I]call when we were [IV] caught
[I] Trapped by no track of [V] hours for they hanged sus-[I]pended [V]
As we [I] listened one last [V] time and we [I] watched with one last [IV] look
[I] Spellbound and [V] swallowed 'til the tolling [I] ended
[V] Tolling for the aching, whose [I] wounds cannot be nursed
For the [IV] countless confused, [I] accused, misused,
[ii] strung-out ones and [V] worse
And for [I] every hung-up [V] person in the [I] whole wide uni-[IV]verse

[I] "Bah, humbug!" No, that's too strong
'Cause it [I] is my favorite holiday
But [IV] all this year's been a busy blur
Don't [bIII] think I have the [II] energy
To [I] add to my already mad rush
Just [I] 'cause it 'tis the season.
The [IV] perfect gift for me would be
Com-[bIII]pletions and co-[II]nnections left from

[bIII] Most of '81 passed [II] along those lines.

[I] Would've been good to go for lunch,
[IV] Couldn't agree when we were both free.
We [bIII] tried, we said we'd [II] keep in touch.

[I] Didn't, of course, 'til summertime,
[I] Out to the beach to his boat could I join him?
[IV] No, this time it was me,

[I] Now the calendar's just one page
And, of [I] course, I am excited.

In a [IV] quiet way, unwind
[V] Doing Christmas [I] right this time.

[I] A&P has provided me
With the [I] world's smallest turkey
Al-[IV]ready in the oven, nice and hot
Oh [bIII] damn! Guess what [II] I forgot?

So [I] on with the boots, back out in the snow
To the [I] only all-night grocery,
When [IV] what to my wondering eyes should appear
In the [bIII] line is that guy I've been [II] chasing all year!

"I'm [I] spending this one alone," he said.
"Need a [I] break; this year's been crazy."
I [IV] said, "Me too, but why are you?
You mean [bIII] you forgot cran-[II] berries too?"

Then [I] suddenly we laughed and laughed
Caught [I] on to what was happening
That [IV] Christmas magic's brought this tale

Twas [V7] Christmas in the trenches
where the [IV] frost so bitter [I] hung.
The [vi] frozen fields of [iii] France were still,
no [IV] Christmas song was [V7] sung.
Our [I] families back in [vi] England
were [IV] toasting us that [ii] day,
Their [V7] brave and glorious lads so far a-[I]way.

I was [I] lyin' with my [vi] mess-mate
on the [IV] cold and rocky [ii] ground
When a-[V7]cross the lines of battle
came a [IV] most peculiar [I] sound.
Says I "Now listen [vi] up me boys",
each [IV] soldier strained to [ii] hear
As [V7] one young German voice sang out so [I] clear.
"He's [V7] singin' bloody well you know",
my [IV] partner says to [I] me.
Soon [vi] one by one each [iii] German voice
[IV] joined in in harmo-[V7]ny.
The [I] cannons rested [vi] silent.
The [IV] gas cloud rolled no [ii] more
As [V7] Christmas brought us respite from the [I] war.

As [I] soon as they were [vi] finished
a [IV] reverent pause was [ii] spent.
"God [V7] Rest Ye Merry Gentlemen"
struck [IV] up some lads from [I] Kent.
The next they sang was [vi] 'Stille Nacht"
"Tis [IV] 'Silent Night'" says [ii] I
And [V7] in two tongues one song filled up that [I] sky.

"There's [V7] someone commin' towards us"
the [IV] front-line sentry [I] cried.
All [vi] sights were fixed on [iii] one lone figure
[IV] trudging from their [V7] side.
His [I] truce flag, like a [vi] Christmas star,
shone [IV] on that plain so [ii] bright
As he [V7] bravely strode, unarmed, into the [I] night.

Soon [I] one by one on [vi] either side
walked [IV] into no-mans-[ii]land
With [V7] neither gun nor bayonet
we [IV] met there hand to [I] hand.
We shared some secret [vi] brandy
and [IV] wished each other [ii] well
And in a [V7] flare-lit soccer game we gave 'em [I] hell.
We [V7] traded chocolates, cigarettes
and [IV] photographs from [I] home
These [vi] sons and fathers [iii] far away
from [IV] families of their [V7] own.
Young [I] Sanders played his [vi] squeeze box
They [IV] had a vio-[ii]lin
This [V7] curious and unlikely band of [I] men.

Instrumental Bridge (Air of 'The Minstrel Boy'):
[I](8) [IV](2) [I](2) [V7](2) [I](2)

Soon [I] daylight stole u-[vi]pon us
and [IV] France was France once [ii] more.
With [V7] sad farewells we each began
to [IV] settle back to [I] war.
But the question haunted [vi] every heart
that [IV] beat that wonderous [ii] night
"Whose [V7] family have I fixed within my [I] sights?"
Twas [V7] Christmas in the trenches
where the [IV] frost so bitter [I] hung.
The [vi] frozen fields of [iii] France were warmed
as [IV] songs of peace were [V7] sung.
For the [I] walls they'd kept be-[vi]tween us
to e-[IV]xact the work of [ii] war
Had been [V7] crumbled and were gone forever [I] more.

My [I] name is Francis [vi] Tolliver.
In [IV] Liverpool I [ii] dwell.
Each [V7] Christmas come since World War One I've
[IV] learned its lessons [I] well.
That the ones who call the [vi] shots won't be
a-[IV]mong the dead and [ii] lame
And on [V7] each end of the rifle we're the [I] same.

[i] [iv] [VII] [VII7]

[i] Clair - the [iv] moment I met you I [VII7] swear,
[v] I felt as if something some- [i]where
had [iv] happened to me, which [VI] I couldn't [VII] see.
And [i] then - the [iv] moment I met you a- [VII7]gain,
I [v] knew in my heart that we were [i] friends,
it [iv] had to be so, it [VI] couldn't be [VII7] no.
But [III] try - as [bI] hard as I might do, I [iv] don't know why
[VII] You get to me in a way I [III] can't describe.
[VI] Words mean so little when you [bIV7] look up and smile
I don't care [i] what people say to me you're [bIV7] more than a child,
oh, [iv] Clair, [VII] Clair.

[i] Clair - if [iv] ever a moment so [VII7] rare
was [v] captured for all to com- [i]pare
that [iv] moment is you, in [VI] all that you [VII] do.

But [III] why - in [bI] spite of our age difference [iv] do I cry,
[VII7] each time I leave you I feel [III] I could die ?
[VI] Nothing means more to me than [bIV7] hearing you say:
I'm going to [III] marry you, will you marry [bIV7] me, Uncle Ray ?
Oh, [iv] Clair, [VII7] Clair !

get [v] back into bed, can't you [i] see that it's [iv] late ?
No, you [v] can't have a [i] drink,
oh, al- [iv]right then, but [VII7] wait just a [III] bit,..
while [bI] I in an effort to [iv] baby sit,
[VII7] capture my breath, what there is [III] left of it.
[VI] You can be murder at this [bIV7] hour of the day,

Clementine

artist: writer:Percy Montrose or Barker Bradford

In a [I] cavern, in a canyon, excavating for a [V] mine,
Lived a [V7] miner, forty-[I]niner, and his [V] daughter Clemen[I]tine.

Chorus:
Oh my [I] darling, oh my darling, oh my darling Clemen[V]tine
Thou art lost and gone for [I] ever, dreadful [V] sorry, Clemen[I]tine.

Light she [I] was, and like a fairy, and her shoes were number [V7] nine,
Herring [V7] boxes without [I] topses, sandals [V] were for Clemen[I]tine.

Chorus

Walking [I] lightly as a fairy, though her shoes were number [V] nine,
Sometimes [V7] tripping, lightly [I] skipping, lovely [V] girl, my Clemen[I]tine

Chorus

Drove she [I] ducklings to the water every morning just at [V] nine,
Hit her [V7] foot against a [I] splinter, fell in [V] to the foaming [I] brine.

Chorus

Ruby [I] lips above the water, blowing bubbles soft and [V] fine,
But a-[V7]las, I was no [I] swimmer, so I [V] lost Clemen[I]tine.

Chorus

In my [I] dreams she still doth haunt me, robed in garments soaked in [V] brine,
Though in [V7] life I used to [I] hug her, now she’s [V] dead I draw the [I] line

Chorus

[I] Out on the board the old shearer [IV] stands
[I] Grasping his shears in his [II7] thin bony [V7] hands
[I] Fixed is his gaze on a bare bellied [IV] ewe
[V7] Glory if he gets her, won't he [I] make the ringer go

> [V7] Click go the shears boys, [I] click, click, click

> The [I] ringer looks around and is beaten by a [IV] blow

In the [I] middle of the floor in his cane bottomed [IV] chair
Sits the [I] boss of the boards with his [II7] eyes every[V7] -where
[I] Notes well each fleece as it comes to the [IV] screen
[V7] Paying strict attention that its [I] taken off clean

[I] With his blackened tar pot [II7] in his tarry [V7] hand

The [I] colonial experience man, he is there of [IV] course
[I] With his shiny leggings on, [II7] just got off his [V7] horse
[I] Gazes all around him like a real connoi-[IV] sseur
[V7] Scented soap, and brilliantine and [I] smelling like a sewer

Now the [I] shearing is all over, we've all got our [IV] cheques
So [I] roll up your swags and its [II7] off down the [V7] track
The [I] first pub we come to, its there we'll have a [IV] spree
And [V7] everyone that comes along its "[I] Have a drink with me!"

[I] There we leave him standing, shouting for [IV] hands
[I] Whilsat all around him [II7] every shouter [V7] stands
His [I] eye is on the keg which now is lowering [IV] fast,
He [V7] works hard, he drinks hard, and [I] goes to hell at last

[I] Well, I was born a [IV] coal miner's [I] daughter [I]
In a cabin on a [II7] hill in [V] Butcher Holler [V7]
We were [I] poor, but we had love
That's the [IV] one thing that daddy made [I] sure of
He shoveled coal to [V] make a poor man's [I] dollar [I]

[I] My daddy worked all [IV] night in the Van Lear [I] coal mine [I]
All day long in the [II7] field a-hoin' [V] corn [V7]
Mommy [I] rocked the babies at night
And read the [IV] Bible by the coal-oil [I] light
And ever'thing would start all [V7] over come break of [I] morn' [I]

key changes skipped

Daddy [I] loved and raised eight [IV] kids on a miner's [I] pay [I]
Mommy scrubbed our clothes on a [II7] washboard ever' [V] day [V7]
Why, I've [I] seen her fingers bleed
To com-[IV]plain there was no [I] need
She'd smile in Mommy's [V] understanding [I] way [I]

In the [I] summertime we [IV] didn't have shoes to [I] wear [I]
But in the wintertime we'd [II7] all get a brand new [V] pair [V7]
From a [I] mail order catalog
Money [IV] made from sellin' a [I] hog
Daddy always managed to [V] get the money [I] somewhere [I]

Yeah! I'm [I] proud to be a [IV] coal miner's [I] daughter [I]
I remember well, the [II7] well where I drew [V] water [V7]
The [I] work we done was hard
At night we'd [IV] sleep 'cause we were [I] tired
I never thought of ever [V] leaving Butcher [I] Holler [I]

Well, a [I] lot of things have [IV] changed since way back [I] then [I]
And it's so good to [II7] be back home a-[V]gain [V7]
Not much [I] left but the floor
Nothing [IV] lives here any-[I]more
Except the mem'ries of a [V] coal miner's [I] daughter [V] [I]

[I] Back through the years,
[I] I go wonderin once again
Back to the seasons of [IV] my youth
I re-[I]call a box of rags that someone gave us
And how my momma put the rags to [IV] use

There were [I] rags of many colors
[I] Every piece was small
[I] And I didn't have a coat
And it was [V7] way down in the fall
Momma [I] sewed the rags together
Sewin [IV] every piece with love
She made my [I] coat of many colors
That [V] I was so proud [I] of

[I] As she sewed, she told a story
[I] From the bible, she had read
[I] About a coat of many colors
Joseph [V7] wore and then she said
Per-[I]haps this coat will bring you
Good [IV] luck and happiness
And I just [I] couldn't wait to wear it
And momma [V] blessed it with a [I] kiss

My [IV] coat of many colors that my [I] momma made for me
[IV] Made only from rags but I [I] wore it so [V7] proudly
Al-[I]though we had no money well I was [IV] rich as I could be
In my [I] coat of many colors my [V] momma made for [I] me [VI7]

So with [II] patches on my britches and [II] holes in both my shoes
[II] In my coat of many colors I [VI7] hurried off to school
Just to [II] find the others laughing and [V] making fun of me
in my [II] coat of many colors my [VI7] momma made for [II] me

And [VI7] oh I [II] couldn't understand it for [II] I felt I was rich
[II] And I told them of the love my momma [VI7] sewed in every stitch
And I [II] told em all the story momma [V] told me while she sewed
And how my [II] coat of many colors was worth [VI7] more than all [II] their clothes

But they [V] didn't understand it and I [II] tried to make them see
That [V] one is only poor only [II] if they choose to [VI7] be
Now I [II] know we had no money but I was [V] rich as I could be

[I] Early one mornin' while makin' the rounds, I took a shot of cocaine and I
[V] shot my woman down. I went right home and I went to bed.
[I] I stuck that lovin' .44 beneath my head

[I] Got up next mornin' and I grabbed that gun, took a shot of cocaine and
[V] away I run. Made a good run but I run too slow
[I] They overtook me down in Juarez, Mexico.

[I] Late in the hot joints takin' the pills, in walked the sheriff from
[V] Jericho Hill. He said Willy Lee your name is not Jack Brown.
[I] You're the dirty hack that shot your woman down.

[I] Said yes, oh yes my name is Willy Lee, if you've got the warrant just
[V] a-read it to me. Shot her down because she made me slow.
[I] I thought I was her daddy but she had five more.

[I] When I was arrested I was dressed in black, they put me on a train and they
[V] took me back. Had no friend for to go my bail.
[I] They slapped my dried up carcass in that county jail

[I] Early next mornin' about a half past nine, I spied the sheriff coming
[V] down the line. Talked and he coughed as he cleared his throat, he said
[I] come on you dirty heck into that district court.

[I] Into the courtroom my trial began where I was handled by
[V] twelve honest men. Just before the jury started out
[I] I saw the little judge commence to look about.

[I] In about five minutes in walked a man, Holding the verdict in
[V] his right hand. The verdict read in the first degree.
[I] I hollered Lawdy Lawdy, have a mercy on me.

[I] The judge he smiled as he picked up his pen 99 years in the
[V] Folsom pen. 99 years underneath that ground.
[I] I can't forget the day I shot that bad bitch down.

[I] Come on you've gotta listen
[IV] unto me, [V] lay off that whiskey and let that cocaine [I] be.

[I] Knees Up Mother Brown, [IV] knees up Mother Brown
[V7] Under the table you must go, Ee-aye, Ee-aye, Ee-ay-oh
[I] If I catch you bending [IV] I'll saw your legs right off
[V7] Knees up, knees up, don't get the breeze up
[V7] Knees up Mother[I] Brown.

[I] Oh my, [IV] what a rotten song,
[V7] what a rotten song, [I] what a rotten song,
[I] Oh my, [IV] what a rotten song,
[V7] and what a rotten singer, [I] too-oo-ooh.
[I] //// [I] ////

[I] My old man said, [II] "Follow the van
An' [V] don't dilly dally on the [I] way"
Off [III7] went the cart with my [vi] home packed in it
I [II] walked behind with me [V] old cock linnet
But I [I] dillied and [V7] dallied, [I] dallied and [V] dillied
[I] Lost the van and don't [II] know where to [V7] roam,
Oh, you [I] can't trust a [I7] special, like the [IV] old time copper
When you [I] can't find [V] your way [I] home . [I] ////

[I] I've got a lovely bunch of coconuts,
There they are a standing in a [V7] row
[V7]Big ones, small ones, some as big as your head
[II7] Give them a twist, a flick of the wrist
That's [V7] what the showman said

[I] I've got a lovely bunch of coconuts
Every ball you throw will make you [V7] rich
[V7] There stands me wife, the idol of me life
Singing roll a bowl a ball a penny a [I] pitch

Singing [I] roll a bowl a ball a penny a pitch
Singing roll a bowl a ball a penny a [V7] pitch
[V7] Rolla bowl a ball, roll a bowl a ball
Singing roll a bowl a ball a penny a [I] pitch [I] //// [II] ////

[II] Show Me The Way To Go Home, I'm [V] tired and I want to go to [II] bed
I had a little drink about an hour ago, and it [VI7] went right to my head
Where [II] ever I may roam, on [V] land or sea or [II] foam
You will [II] always hear me singing this song

[VI] Show me the [VI7] way to go [II] home x 3

It's [I] cold in Colorado, colder in my [IV] heart,
[V] Shattered hopes and dreams; [V7] tear me a-[I]part. [V7]

It's [I] cold in Colorado, colder in my [IV] heart,
[V] Shattered hopes and dreams; [V7] tear me a-[I]part. [V7]
I [I] crossed that old blue river, a river of [IV] tears, and
I don't [V] know if I can live - another heart-break [I] year.

It was [I] down in old Kentucky, where bluegrass [IV] grows,
[V] Hope springs eternal, [V7] when bourbon whiskey [I] flows.
Met a [I] pretty young lady, a southern aristo-[IV]crat, and
I [V] should have known better [V7] to trust a gal like [I] that.

Now it's [IV] cold in Colorado, colder in my [I] heart,
These [V] shattered hopes and dreams; tear me a-[I]part.
I [IV] crossed that old blue river, a river of [I] tears, and
I don't [V] know if I can live [V7] another heart-break [I] year.

I don't [V] know if I can live [V7] another heart-break [I] year.

On a [I] moonlit night in Georgia, met a sweet southern [IV] belle,
[V] Thought I knew the ways of love [V7] thought I knew them [I] well.
She was [I] sweeter than the jasmine, I do remember [IV] that,
Now, a-[V]nother shattered dream [V7] she's never coming [I] back.

Now it's [IV] cold in Colorado, colder in my [I] heart,
These [V] shattered hopes and dreams; tear me a-[I]part.
I [IV] crossed that old blue river, a river of [I] tears, and
I don't [V] know if I can live [V7] another heart-break [I] year.

There's [V] been too many lovers, too [IV] many memor-[I]ies,
That [V] took my heart and soul and the [IV] better part of [I] me.

Now it's [IV] cold in Colorado, colder in my [I] heart,
These [V] shattered hopes and dreams; tear me a-[I]part.
I [IV] crossed that old blue river, a river of [I] tears, and
I don't [V] know if I can live [V7] another heart-break [I] year.

No I don't [V] know if I can live [V7] another heart-break [IV] year. [I] [V] [I]

Intro: [IV] [bIII] [I] [IV] [I]

All you need is [IV] time
All you need is [bIII] time, time, [IV] time to make it [I] bend
[IV] Give it a try don't be rude
Put it to the test and I'll [bIII] give it right [IV] back to [I] you
It's [V] cold on the shoulder
And you [IV] know that we get a little [bIII] older every [I] day

Bridge
[IV] Take it around
Take it to town
Try to defy what you feel inside
You better be strong your love belongs to [I] us
It's [V] cold on the shoulder
And you [IV] know that we get a little [bIII] older every [I] day

[IV] All you need is trust
All you need is [bIII] trust, trust, [IV] trust to make it [I] show
[IV] I don't want to know everything you've done
If you get a [bIII] tip tell it to the [IV] eski-[I]moes
It's [V] cold on the shoulder
And you [IV] know that we get a little [bIII] older every [I] day

[IV] All you need is faith
All you need is [bIII] faith, faith, [IV] faith to make it [I] nice
[IV] Kick it around don't be rude
If you're gonna make a [bIII] mistake don't you [IV] make it [I] twice
It's [V] cold on the shoulder
And you [IV] know that we get a little [bIII] older every [I] day
It's [V] cold on the shoulder
And you [IV] know that we get a little [bIII] older every [I] day

[V7] [I]
I [I] tried so hard my dear to show that you're my every [V7] dream
Yet you're afraid each thing I do is just some evil [I] scheme
A mem'ry from your lonesome past keeps us so far [IV] apart
Why [V7] can't I free your doubtful mind and melt your Cold Cold [I] Heart.

[I] Another love before my time made your heart sad and [V7] blue
And so my heart is paying now for things I didn't [I] do
In anger, unkind words are said that make the teardrops [IV] start
Why [V7] can't I free your doubtful mind and melt your Cold Cold [I] Heart.

You'll [I] never know how much it hurts to see you sit and [V7] cry
You know you need and want my love yet you're afraid to [I] try
Why do you run and hide from life, to try it just ain't [IV] smart
Why [V7] can't I free your doubtful mind and melt your Cold Cold [I] Heart.

There [I] was a time when I believed that you belonged to [V7] me
But now I know your heart is shackled to a memo[I] ry
The more I learn to care for you, the more we drift a[IV] part
Why [V7] can't I free your doubtful mind and melt your Cold Cold [I] Heart.

[NC] In a [I] little café, just the [IV] other side of the [I] border
she was sitting there giving me [IV] looks
that made my mouth [I] water [I7]
Well, I [IV] started walking her way, she belonged to Badman José
and I [V] knew, yes I knew, I should [V7] leave,
but I heard her [I] say--[IV]ay--[V]ay

> CHORUS
>
> [NC] Come a little bit [I] closer, you're [IV] my kind of [V] man,

> Come a little bit [I] closer,

So, we [I] started to dance,
in my [IV] arms she felt so in-[I]viting
And, I just [I] couldn't resist, just [IV] one little kiss, so ex-[I]iting [I7]
Then, I [IV] heard the guitar player say
"Vamoose, José's on his way!"
and I [V] knew, yes I knew, I should [V7] run,
but I heard her [I] say--[IV]ay--[V]ay

Then, the [I] music stopped,
[NC] when I [IV] looked, the café was [I] empty
Then, I heard José say
"Man, you [IV] know you're in trouble [I] plenty" [I7]
So, I [IV] dropped my drink from my hand,
and through the window I ran,
And as I [V] rode away, I could [V7] hear her say to [I] José--[IV]ay--[V]ay

And sing while the [IV] birds fill the [I] air with their [IV] joy all day [V] long
Where the [I] trees sway in time, and [IV] even the [I] wind sings in [V] tune
And [I] cares of to-[IV]morrow must [V] wait till [IV] this day is [I] done

[I] Come by the [IV] hills to the [V] land where [IV] legend [I] remains

[IV] [I] [V] [I]

Many [I] miles I have wandered, on the [IV] paths of my [I] homeland,
By [IV] rivers, through [I] woodland, and [ii] by the sea [V] side.
On [I] streets I have seen those with [IV] greed and hate [I] in their eyes,
And [IV] those with their [I] hearts and their [V] hands open [I] wide.

[IV] [I] [V] [I]

All my life has been blessed by its [IV] thunderstorm [I] summer times,
By [IV] misty gold [I] autumns, by [ii] fires in the [V] snow.
By [I] rainbows, by bluebells, by [IV] radiant [I] spring times,
In the [IV] wild, windy [I] meadows, where the [V] dandelions [I] blow.
[IV] [I] [V] [I]

There are [I] some who would change this fair [IV] home to a [I] prison,
To [IV] enslave the [I] many, and [ii] bow to the [V] few.
[NC]The robbers, the racists, the breakers of faces,
Who [IV] hide behind [I] masks and the [V] red white and [I] blue.

So stand [I] up, come on, England, live [IV] up to your [I] history,
Your [IV] heart can't be [I] held in a [ii] flag or a [V] crown!
Raise your [I] tea cups and glasses, you [IV] bold lads and [I] lasses,
And [IV] drink to the [I] spirit that will [V] never lie [I] down!
[IV] [I] [V] [I]

For I [I]* come from the [I]* land of the [IV]* diggers and [I]* levellers,
The [IV]* fighters for [I]* freedom and [ii]* our National [V]* Health.
The [I]* beaten, mis[I]*treated, but [IV]* never de-[I]*feated,
The [IV]* builders and [I]* guardians of the [V] true Common[I]wealth.
[IV] [I] [V] [I]

Only [I] lovin' can save us, only [IV] givin' will [I] raise us,
So [IV] welcome all [I] travellers to [ii] sweet liber-[V]ty.
And [I] raise all your voices to de-[IV]fend our de-[I]mocracy...[I]
For [IV] equality, [I] justice, and [V] community. [I]

[NC] So stand up, come on, England, live up to your history,
Your heart can't be held in a flag or a crown!
Raise your tea cups and glasses, you bold lads and lasses,
And drink to the spirit that will never lie down!

So stand [I] up, come on, England, live [IV] up to your [I] history,
Your [IV] heart can't be [I] held in a [ii] flag or a [V] crown!
Raise your [I] tea cups and glasses, you [IV] bold lads and [I] lasses,
And [IV] drink to the [I] spirit that will [V] never lie [I] down!
Slow down [NC] And drink to the spirit that will never lie down!

[IV] Sang along, who'd blame them [I] [V]
[I] You're grown (you're grown up), [iii] so grown (so grown up)

Common People

artist:Pulp writer:Pulp

https://www.youtube.com/watch?v=yuTMWgOduFM
[I] She came from Greece, she had a thirst for knowledge
She studied sculpture at St. Martin's college,
that's where [V] I caught her eye
[I] She told me that her dad was loaded
I said, "in that case I'll have a rum and coca cola," she said [V] fine
[V] And then in thirty seconds time, she said:

[IV] I wanna live like common people,
I wanna do whatever common people [I] do
I wanna sleep with common people, I wanna sleep with common people, like [V] you
Well what else could I do? I said "I'll see what I can [I] do."

[I] I took her to a supermarket
I don't know why, but I had to start it some[V] where, so it started there.
[I] I said, "pretend you've got no money." She just laughed and said "oh, you're so funny"
I said [V] "Yeah, well I can't see anyone else smiling in here." Are you sure?

[IV] You wanna live like common people.
You wanna see whatever common people [I] see?
[I] You wanna sleep with common people.
You wanna sleep with common people like [V] me?
But she didn't understand, she just smiled and held my [I] hand!

[I] Rent a flat above a shop, cut your hair and get a job
Smoke some [V] fags and play some pool, pretend you never went to school
But still you'll [I] never get it right, 'cos when you're laid in bed at night
Watching [V] roaches climb the wall, if you called your dad he could stop it all, yeah

[IV] You'll never live like common people
You'll never do whatever common people [I] do
Never fail like common people, you'll never watch your life slide out of [V] view
And then dance and drink and screw, because there's nothing else to [I] do!

[I] [V] [I] [V]

[IV] Sing along with the common people, sing along and it might just get you [I] through
Laugh along with the common people, laugh along even though they're laughing at [V] you
And the stupid things that you do, because you think that poor is [I] cool
[I] I wanna live with common people like you (x6 sing higher each time)
Oh la la la oh la la la la la Oh la la la oh la la la la la [V] [I].

Watched the sheave wheels at [IV] Geevor as they spun a-[I] round,

[I] I've left childish [IV] footsteps in the soft Sennen [I] sand,
I've chased the maids there, all giggly and [V7] tanned,
I've stood on the [IV] cliff top in a westerly [I] blow,

By staying home we made darn sure [I7] our friends could all stay well and
[IV] We'll stop being lonely baby, really lonely baby,

many versions of song - this is fun

[V] Way back yonder a [I] long time [V] ago,
Daddy had a man called [V] Cotton Eye [V] Joe
Blew into town on a [I] travellin' [V] show,
nobody danced like [II] Cotton Eye [V] Joe.

> [V] Cotton Eye Joe,[iii] Cotton Eye [V] Joe,
> where did you come from,[II] where did you [V] go
> Where did you come from, [iii] where did you [V] go,
> Where did you come from, [II] Cotton Eye [V] Joe.

[V] Mama's at the window,[I] Mama's at the[V] door,
she can't see nothin'[II] but CottonEye [V] Joe
Daddy held the fiddle, I [I] held the [V] bow,
an' we beat the hell out'a [II] Cotton Eye [V] Joe.

> [V] Cotton Eye Joe,[iii]Cotton Eye [V] Joe,
> where did you come from,[II] where did you [V] go
> Where did you come from, [iii] where did you [V] go,
> Where did you come from, [II] Cotton Eye [V] Joe.

[V] Made him a fiddle, [I] made him a [V] bow
and made a little tune called [II] Cotton Eye [V] Joe
If it had'nt been for [I] Cotton Eye [V] Joe,
I'd a- been married a [II] long time [V] ago.

> [V] Cotton Eye Joe,[iii] Cotton Eye [V] Joe,
> where did you come from,[II] where did you [V] go
> Where did you come from, [iii] where did you [V] go,
> Where did you come from, [II] Cotton Eye [V] Joe.

[V] Whenever there's a dance all the [I] women want to [V] go
and they all want'a dance to [II] Cotton Eye [V] Joe.
Daddy won't say but I [I] think he [V] know's,
whatever happened to [II] Cotton Eye [V] Joe.

> [V] Cotton Eye Joe,[iii] Cotton Eye [V] Joe,
> where did you come from,[II] where did you [V] go

[I] [I]

There's a [I] house on a hill
By a [IV] worn down weathered old [I] mill
In the valley be-[V]low where the river winds
There's no such thing as bad [I] times
[I] And a soft southern flame
Oh [IV] Cotton Jenny's her [I] name
And she wakes me [V] up when the sun goes down
And the wheels of love go [I] round

> What a joyful [V] sound
> I ain't [I] got a penny for [IV] Cotton Jenny to [V] spend
> But then the wheels go [I] round
> [I]/[IV]/[I7]/[IV]/ x2

When a [I] new day begins
I go [IV] down to the cotton [I] gin
And I make my [V] time worth while till then
Then I climb back up a-[I] gain
[I] And she waits by the door
Oh [IV] Cotton Jenny I'm [I] sore
And she rubs my [V] feet while the sun goes down
And the wheel of love goes [I] round

In the [I] hot, sickly south
When they [IV] say we'll shut my [I]mouth
I can never be [V] free from the cotton grind
But I know I got what's [I] mine
[I] She's a soft southern flame

[I] We'll be counting stars
[iii] Lately, I've been, [V] I've been losing sleep
[II] Dreaming about the things that [I] we could be
[iii] Baby, I've been, [V] I've been praying hard,
[II] Said, no more counting dollars
[I] We'll be, we'll be counting stars

[NC] Oh, take that money, watch it burn
[NC] Sink in the river the lessons I learned
[NC] Take that money, watch it burn
[NC] Sink in the river the lessons I learned
[NC] Take that money, watch it burn
[NC] Sink in the river the lessons I learned
[NC] Take that money, watch it burn

[I] I've got a couple more years on you baby that's [V7] all
I've had more chances to fly and more places to [I] fall

[I] It ain't that I'm wiser it's only that
I've spent more [I7] time with my back to the [IV] wall
And I've [V7] picked up a couple more years on you babe and that's [I] all

I've walked a couple more roads than you babe and that's [V7] all
And I'm tired of running while you're only learning to [I] crawl

[I] And you're headed somewhere but I've been to somewhere
And [I7] found it was nowhere at [IV] all
And I've [V7] picked up couple more years on you baby that's [I] all
[V7] [I]

Saying goodbye girl don't ever come easy at [V7] all
But you're gonna fly cause you're hearing them young eagles [I] call
Someday when you're older you'll [I7] smile at a man strong and [IV] tall
Say [V7] I got a couple a more years on you babe and that's [I] all

[I] I've got a couple more years on you baby that's [V7] all
I've had more chances to fly and more places to [I] fall

[iii] This land is barren and [I] broken,
[II] Scarred like the face of the [V] moon [II]
[iii] Our tongue is no longer [vii] spoken
And the [I] towns all around facing [II] ruin
[iii] Will there be work in New [I] Brunswick?
[II] Will I find gold in the [V] Cape? [II]
[iii] I can tunnel way down to Aus[vii]tralia
[I] Oh but I'll ever es[II]cape

Chorus:
[V] Where there's a mine or a [II] hole in the ground
[iii] That's what I'm heading for [I] that's where I'm bound
So [II] look for me under the [V] lode or [II] inside the [I] vein,
[iii] Where the [V] copper the clay, where the [II] arsenic and tin
[iii] Run in your blood they get [I] under your skin
[II] I'm leaving the county be[V]hind, and I'm [II] not coming [I] back
So [II] follow me [I] down, cousin [iii] Jack.

[iii] The soil was too poor to make [I] Eden,
[II] Granite and sea left no [V] choice [II]
[iii] Though visions of heaven su[vii]stained us,
When John [I] Wesley gave us a [II] voice
[iii] Did Joseph once come to St [I] Michaels Mount
[II] Two thousand years pass in a [V] dream [II]
[iii] When you're working your way in the [vii] darkness,
[I] Deep in the heart of the [II] seam.

Chorus

[iii] I dream of a bridge across the [I] Tamar
It [II] opens us up to the [I] East [V]
In my dream I see the [iii] English and they live in our [I] houses
I see the [II] Spanish fishing in our [iii] seas

Chorus

So [II] follow me [I] down, cousin [iii] Jack.

[I] Well we are big rock singers, we've got golden fingers
and we're loved everywhere we [V7] go,
[V7] We sing about beauty and we sing about truth, [V7] at ten thousand dollars
[I] show;
[I] we take all kind of pills, to give us all kind of thrills,
but the thrill we've never [IV] known, is the [V7] thrill that'll get you
When you get your picture on the cover of the Rolling [I] Stone

[I] Rolling [V7] Stone, wanna see my picture on the cover
[I] wanna buy five copies for my mother
[V7] wanna see my smilin' face
on the [IV] cover of the Rolling [I] Stone

[I] I've got a freaky old lady called my Cocaine Katy
who embroiders on my [V7] jeans,
I've got my poor old gray-haired Daddy, [V7] drivin' my limou-[I] sine

Now it's all designed to blow our minds, but our minds won't really be [IV] blowr
like the [V7] blow that'll get you when you get your picture
on the cover of the Rolling [I] Stone

[I] Rolling [V7] Stone, wanna see my picture on the cover
[I] wanna buy five copies for my mother
[V7] wanna see my smilin' face
on the [IV] cover of the Rolling [I] Stone

[I] We got a lot of little teenage, blue-eyed groupies who do anything we [V7] say,
we got a genuine Indian guru, [V7] who's teachin' us a better [I] way,
we got all the friends that money can buy, so we never have to be a-[IV] lone,
and we [V7] keep gettin' richer but we can't get our picture
on the cover of the Rolling [I] Stone

repeat the following chorus

[I] Rolling [V7] Stone, wanna see my picture on the cover
[I] wanna buy five copies for my mother
[V7] wanna see my smilin' face

Coward Of The County

artist:Kenny Rogers writer:Roger Bowling and Billy Ed Wheeler

Kenny Rogers: https://www.youtube.com/watch?v=BbYj3tJRSO8

Key changes have been simplified - 2 tone steps not 1 tone

[VII] Ev'ryone considered him the [III] coward of the [VII] county,
he'd never stood one single time to prove the county [IV] wrong.
His [VII] mama named him Tommy, the [III] folks just called him [VII] Yellow,
but something always told me they were [IV] reading Tommy [VII] wrong.

[VII] He was only ten years old when his [III] daddy died in [VII] prison,
I looked after Tommy 'cause he was my brother's [IV] son.
I [VII] still recall the final words my [III] brother said to [VII] Tommy:
"Son, my life is over, but [IV] your's has just be[VII]gun.

Chorus:
[VII] Promise me, son, not to [III] do the things I've [VII] done,
[III] walk away from [VII] trouble if you [IV] can.
[VII] It won't mean you're weak if you [III] turn the other [VII] cheek,
I hope you're old e[III]nough to under[IV]stand :
Son, you don't have to [IV7] fight to be a [VII] man."

[I] There's someone for ev'ryone and [IV] Tommy's love was [I] Becky,
in her arms he didn't have to prove he was a [V] man.
One [I] day while he was workin' the [IV] Gatlin boys came [I] callin',
they took turns at Becky, [V] there was three of [I] them!

[I] Tommy opened up the door and [IV] saw his Becky [I] cryin',
the torn dress, the shattered look was more than he could [V] stand.
He [I] reached above the fireplace and took [IV] down his daddy's [I] picture,
as his tears fell on his daddy's face, he [V] heard these words a-[I]gain :

[I] Promise me, son, not to [IV] do the things I've [I] done,
[IV] walk away from [I] trouble if you [V] can.
[I] It won't mean you're weak if you [IV] turn the other [I] cheek,
I hope you're old e[IV]nough to under[V]stand :
Son, you don't have to [V7] fight to be a [I] man."

The [II] Gatlin boys just laughed at him when he [V] walked into the [II] barroom,
one of them got up and met him halfway 'cross the [VI7] floor.
When [II] Tommy turned around they said, "Hey [V] look! Ol' Yellow's [II] leavin'."
[NC] But you coulda heard a pin drop, when Tommy [VI7] stopped and blocked the [II] door.

[II] Twenty years of crawlin' was [V] bottled up in[II]side him,
he wasn't holdin' nothin' back, he let 'em have it [VI7] all.
When [II] Tommy left the barroom not a [V] Gatlin boy was [II] standin',
he said, "This one's for Becky," as he [VI7] watched the last one [II] fall.
[NC] And I heard him say :

"I [II] promised you, Dad, not to [V] do the things you [II] done,
I [V] walk away from [II] trouble when I [VI7] can.
Now [II] please don't think I'm weak, I didn't [V] turn the other [II] cheek,
and Papa, I sure [V] hope you under[VI7]stand :
Sometimes you gotta [VI7] fight when you're a [II] man."
[II] Ev'ryone considered him the [V] coward of the county [II]

[V] It was he [I] night before Christmas,
He was [V7] runnin' out of time
The [ii] rodeo had [V] ridden him 'bout [I] down to his last [ii7] dime
[V7] He got [I] bucked off back in Denver
And missed the [IV] short go a-[ii]gain
And now he's [II7] wonderin' how he'll make it home
Be-[V]fore it all begins

> There'll be a [I] cowboy Christmas goin' [ii] on
> [V] Ropers and [V7] wranglers wrapped [I] up for every-[ii] one
> And [V] there'll be [I] country cookin' on the [IV] stove [I] [ii]

[I] [I] [I] [ii] [ii]

[V] [V] [I] [ii]

[V] He'd [I] done a little shoppin' between [V] Phoenix and Cheyenne
Got a [ii] ropin' bag [V] for Barbie, a new [I] gui-tar for little [ii] Ann
[V] Picked up a [I] Sunday dress for momma and a [IV] Stetson [I] hat for [ii] dad
[ii] Bought a [II] rockin' horse for [II7] Tommy and brother [V] Bill a pair of [V7] chaps
[NC] But there was one little hitch in this getup -

[I] He had all these presents and [ii] no ride home
He looked [V] down at his watch and was about to give up all [I] hope [ii]
[ii] You see it was [V] almost [I] midnight, less than a minute away
[ii] When a jolly man in a red suit pulled up and said
"[V] Don't [NC] worry partner, your house is on my way
[NC] And if you can hang on for 8 seconds,
[NC] That's all it takes to get there on a sleigh"

> [V] Now there's a [I] cowboy Christmas goin' [ii] on
> [V] Ropers and [V7] wranglers wrapped [I] up for every-[ii]one

> [IV] Kinfolk from [iv] all around [I] comin' [VI7] home
> There'll be a [ii] cowboy [V] Christmas
> A [ii] cowgirl [V] Christmas, that's right
> A [ii] cowboy [V] Christmas goin' [I] on [I7] [I]

[i] But then he was captured, stuffed into a crate , loaded onto a truck, where he rode to his fate
[VII] Cows are [i] bummed

[i] He was a scrawny calf, who looked rather woozy, no one suspected he was packing an Uzi
[VII] Cows with [i] guns

[i] They came with a needle to stick in his thigh, he kicked for the groin, he pissed in their eye
[VII] Cow well [i] hung

[i] Knocked over a tractor and ran for the door, six gallons of gas flowed out on the floor
[VII] Run cows [i] run!

[i] He picked up a bullhorn and jumped up on the hay (Stop)
[i] We are free roving bovines, we run free today

[i] We will [VI] fight for bovine [III] freedom
And [V7] hold our large heads [i] high
We will [VI] run free with the [III] Buffalo, or [V7] die [V7] (stop)
Cows with [i] guns

[i] They crashed the gate in a great stampede, tipped over a milk truck, torched all the feed
[VII] Cows have [i] fun

[i] Sixty police cars were piled in a heap, covered in cow pies, covered up deep
[VII] Much cow [i] dung

[i] Black smoke rising, darkening the day
[i] Twelve burning McDonalds, (Stop) have it your way

We will [VI] fight for bovine [III] freedom

Cows with [i] guns [VII] [i]

[i] The President said "enough is enough, these uppity cattle, its time to get tough"
[VII] Cow dung [i] flung

[i] The newspapers gloated, folks sighed with relief, tomorrow at noon, they would all be - ground beef
[VII] Cows on [i] buns

[i] The cows were surrounded, they waited and prayed, they mooed their last moos,
[i] they chewed their last hay
(Slowing) [VII] Cows [i] outgunned (Stop)

(Spoken)
The order was given to turn cows to whoppers
Enforced by the might of ten thousand coppers
But on the horizon surrounding the shoppers
Came the deafening roar of chickens in choppers

And [V7] hold our large heads [i] high
We will [VI] run free with the [III] Buffalo, or [V7] die [V7] (Stop - Aria)

Based on Ultimate Guitar version

[I] [IV] [I] [IV] [I]

[I] A snow bound siren in the [IV] winter dawn
There's a blizzard blowing in from off the [I] river
It's ten below out on these [IV] city streets
But the feeling in your heart is even [I] colder
[V] The sunrise screeching down the line
[V7] And the fogbanks running out of time
But you won't be here when [V] they creep in to-[I]morrow

You're [I] tired of dreaming someone's else's [IV] dreams
When they really don't include you any [I] longer
Miles from home you're sliding [IV] down with each day
And you need a woman's love to make you [I] stronger
[V] And lately you've been getting doubts
[V7] A voice inside keeps calling out
That someone [V] else's dreams don't get you no-[I]where

[I] So shut the suitcase, kiss the [IV] year goodbye
Don't let nobody stop you at the [I] doorway
And close the shutters on this [IV] empty room
Where these crazy dreams come crawling to [I] devour you
[V] And head on out across that line
[V7] Where she's been waiting all this time
And tell her that you [V] want her there for-[I]ever

You're [I] tired of dreaming someone's else's [IV] dreams
When they really don't include you any [I] longer
Miles from home you're sliding [IV] down with each day
And you need a woman's love to make you [I] stronger
[V] And lately you've been getting doubts
[V7] A voice inside keeps calling out
That someone [V] else's dreams don't get you no-[I]where

[I] It's still two hours till this [IV] plane gets down
Can hardly bear to wait another [I] minute
Your sweet loving babe is [IV] all that I need
Darling, it's been building up [I] inside of me (you better believe it)
[V] Tonight we'll go and paint this town
[V7] We're gonna drink cham-[V] pagne till we both fall down
And we'll find some other crazy dream to-[I]morrow, oh yeah

You're [I] tired of dreaming someone's else's [IV] dreams
When they really don't include you any [I] longer
Miles from home you're sliding [IV] down with each day
And you need a woman's love to make you [I] stronger
[V] And lately you've been getting doubts
[V7] A voice inside keeps calling out

[i] Within the [III] fire and [VII] out upon the [v] sea
[i] Crazy Man [VII] Michael was [i] walking
He [i] met with a [III] raven with [VII] eyes black as [v] coals
And [i] shortly [v] they were [i] a-talking
"Your [v] future, your future I [i] would tell to you
Your [v] future you often have [VII] asked me
Your [i] true love will [VII] die by [i] your own right [v] hand
And [i] Crazy Man [VII] Michael will [i] cursed be"

[i] Michael he [III] ranted and [VII] Michael he [v] raved
And [i] beat up the four [VII] winds with his [i] fists-o
He [i] laughed and he [III] cried; he [VII] shouted and he [v] swore
For his [i] mad mind had [v] trapped him with a [i] kiss-o
"You [v] speak with an evil, you [i] speak with a hate
You [v] speak for the devil that [VII] haunts me
For [i] is she not the [VII] fairest in [i] all the broad [v] land?
Your [i] sorcerer's [VII] words are to [i] taunt me"

[i] [III] [VII] [VI] [VI] [i] [v] [i] [VII]

He [i] took out his [III] dagger of [VII] fire and of [v] steel
And [i] struck down the [VII] raven through the [i] heart-o
The [i] bird fluttered [III] long and the [VII] sky it did [v] spin
And the [i] cold earth did [v] wonder and [i] start-o
"Oh, [v] where is the raven that [i] I struck down dead
That [v] here did lie on the [VII] ground-o?
I [i] see but my [VII] true love [i] with a wound so [v] red,
Where [i] her lover's [VII] heart it did [i] pound-o"

[i] Crazy Man [III] Michael, he [VII] wanders and [v] walks,
And [i] talks to the [VII] night and the [i] day-o.
But his [i] eyes they are [III] sane and his [VII] speech it is [v] clear
And [i] he longs to [v] be far a- [i] way-o.
[v] Michael he whistles the [i] simplest of tunes,
And [v] asks of the wild wolves their [VII] pardon.
For his [i] true love is [VII] flown into [i] every flower [v] grown
And [i] he must be [VII] keeper of the [i] garden

Just [V] creep [IV] on [I] in, [V] creep [IV] on [I] in

[I7] [I7] [I7] [I7]
[I7] John and Mitchy were gettin' kind of itchy
Just to [I7] leave their folk music behind
[IV7] Zal and Denny, workin' for a penny
[I7] Tryin' to get a fish on the line
In a [V7] coffee house Sebastian sat
And [IV7] after every number they'd pass the hat
Mc-[I7]Guinn and McGuire just a-gettin' higher
In [I7] L.A., you know where that's [IV7] at145
And [IV7] no one's gettin' fat [III7] except Mama [I7] Cass [I7]

[I7] Zal he said, "Denny, you know there aren't many
Who can [I7] sing a song the way that you do, let's go south"
[IV7] Denny said, "Zally, golly, don't you think that I wish
[I7] I could play guitar like you"
Zal, [V7] Denny, and Sebastian sat (at the Night Owl)
And [IV7] after every number they'd pass the hat
Mc-[I7]Guinn and McGuire still are gettin' higher
In [I7] L.A., you know where that's [IV7] at
And [IV7] no one's gettin' fat [III7] except Mama [I7] Cass [I7]

When [I7] Cass was a sophomore, planned to go to Swarthmore
[I7] But she changed her mind one day
[IV7] Standin' on the turnpike, thumb out to hitchhike
[I7] "Take me to New York right away"
When [V7] Denny met Cass he gave her love bumps
[IV7] Called John and Zal and that was the Mugwumps
Mc-[I7]Guinn and McGuire couldn't get no higher
But [I7] that's what they were aimin' at
And [IV7] no one's gettin' fat [III7] except Mama [I7] Cass [I7]

[I7] Mugwumps, high jumps, low slumps, big bumps
[I7] Don't you work as hard as you play
[IV7] Make up, break up, everything is shake up
[I7] Guess it had to be that way
Se-[V7]bastian and Zal formed the Spoonful
Mi-[IV7]chelle, John, and Denny gettin' very tuneful
Mc-[I7]Guinn and McGuire just are catchin' fire
In [I7] L.A., you know where that's [IV7] at
And [IV7] everybody's gettin' fat [III7] except Mama [I7] Cass [I7]

[I7] [I7] [I7] [I7]
[IV7] [IV7] [I7] [I7]
[V7] [V7] [IV7] [IV7]
[I7] [I7] [I7] [IV7]
[IV7] [III7] [I7] [I7]

Broke [I7] busted, disgusted, agents can't be trusted
And [I7] Mitchy wants to go to the sea
[IV7] Cass can't make it; she says we'll have to fake it
We [I7] knew she'd come eventually
[V7] Greasin' on American Express cards
[IV7] Tent's low rent, but keeping out the heat's hard
[I7] Duffy's good vibrations and our imaginations
[I7] Can't go on indefinite-[IV7]ly
And [IV7] California dreamin' is be-[III7]comin' a reali-[I7]ty [I7]

Hey [I] I got a gal at the [IV] head of the [I] creek
Go up to see her 'bout the [V7] middle of the [I] week
Kiss her on the mouth, just as [IV] sweet as any [I] wine
Wraps herself around me like a [V7] sweet pertater [I] vine

Chorus:
[I] Goin' up Cripple Creek, goin' on a run
Goin' up Cripple Creek, to [V7] have a little [I] fun
[I] Goin' up Cripple Creek, goin' in a whirl
Goin' up Cripple Creek to [V7] see my [I] girl

Now the [I] girls on the Cripple Creek [IV] 'bout half [I] grown
Jump on a boy like a [V7] dog on a [I] bone
Roll my britches up [IV] to my [I] knees
I'll wade old Cripple Creek [V7] whenever I [I] please

Chorus

[I] Cripple Creek's wide and [IV] Cripple Creek's [I] deep
I'll wade old Cripple Creek a[V7]fore I [I] sleep
Roads are rocky and the [IV] hillside's [I] muddy
And I'm so drunk that I [V7] can't stand [I] steady

Chorus
Jump on your lap like a [V7] squirrel up a [I] tree
We hold on tight when [IV] things feel [I] bad
Laugh when you're happy and [V7] cry when you're [I] sad

Chorus

[I] One time it rained 'bout a [IV] week or [I] more
I never saw such [V7] mud be[I]fore
We ran 'round naked like [IV] little greased [I] pigs
Stood on our heads and [V7] danced a [I] jig

Chorus

When [I] grandma died at a [IV] hundred and [I] two
We danced and we sang like she [V7] asked us [I] to
Folks drove in from [IV] miles a[I]round
To help lay grandma [V7] in the [I] ground

Chorus

[I] Loving you is [IV] so [I] easy, cuz I love you and [V7] you love [I] me
If I had all the [IV] gold on [I] earth, it still wouldn't touch what a [V7] good friend's [I] worth

Lay the [iv] bairn to the bonnie [i] broom
Whose sound would [iv] melt a heart of [III] stone
[iv] Fa la la [III] la la la la [iv] la la la

They took three locks of her yellow [III] hair
Lay the [iv] bairn to the bonnie [i] broom
And wi' them [iv] strung that harp so [III] rare
[iv] Fa la la [III] la la la la [iv] la la la

And there she floated just like a [III] swan
Lay the [iv] bairn to the bonnie [i] broom
The salt sea [iv] bore her body [III] on
[iv] Fa la la [III] la la la la [iv] la la la

They went into her father's [III] hall
Lay the [iv] bairn to the bonnie [i] broom
To play the [iv] harp before them [III] all,

[biadd9] Now you [i] say you're lonely,

[iv] you cry the [VII7] whole night [III] through; [bV7]
Well you can [bI7] cry me a river, [bIV7] cry me a [bIV9] river,
[VI] I cried a [bV7] river over [i] you. [bV7]

[biadd9] Now you [i] say you're sorry
[iv] for being [VII7] so un-[III]-true; [bV7]
Well you can [bI7] cry me a river, [bIV7] cry me a [bIV9] river,
[VI] I cried a [bV7] river over [i] you.

[i] You drove me, [bV7] nearly drove me [iv] out of my [bV7] head;
While [i] you never [iv] shed a [bV7] tear;
[i] Remember? [bV7] I remember [iv] all that you [bV7] said -
[i] Told me love was too plebian,
[bi7] Told me you were [bi6] through with [bII9] me, [bV7] and,

[biadd9] Now you [i] say you love me;
[iv] well, just to [VII7] prove it's [III] true, [bV7]
You can [bI7] cry me a river, [bIV7] cry me a [bIV9] river,

When your [I] baby leaves you all alone
And no-[IV]body calls you on the [I] phone
Ah don't ya feel like [V7] crying
Don't ya feel like [I] crying
Well here I am [V7] honey, c'mon you cry to [I] me

[I] When you're all alone in your lonely room
And there's [IV] nothing but the smell of her per-[I]fume
Ah don’t ya feel like [V7] crying
Don't ya feel like [I] crying
Don't ya feel like [V7] crying, c'mon, c'mon, you cry to [I] me

Woah oh [IV] nothing can be sadder than a [I] glass of wine alone
[V7] Loneliness, loneliness is such a waste of [I] time
But you [IV] don't ever you don’t ever have to [I] walk alone
You see, so [V7] c'mon take my hand
Baby won't you walk with [I] me

When you're [I] waiting for a voice to come
In the [IV] night and there is no [I] one

[I] I was all right for a while, I could smile for a while
But I saw you last night, you held my [Iaug] hand so tight,
as you [IV] stopped to say he-[iv]llo
Oh, you [I] wished me well, you [V7] couldn't tell,
[V7] that I'd been

[I] Crying [iii] over you
[I] Crying [iii] over you
When [IV] you said so [V] long,
left me [IV] standing all a-[V]lone
Alone and [I] crying, [Iaug] crying, [IV] crying, [iv] crying
It's hard to [I] understand,
but the [V7] touch of your hand,
can start me [I] crying

[I] I thought that I, was over you, but it's true, so true
I love you even more, than I [Iaug] did before
But [IV] darling, what can I [iv] do?
Cause you [I] don't love me,
and I'll [V7] always be

[I] Crying [iii] over you
[I] Crying [iii] over you
[IV] Yes, now [V] you're gone
[IV] And from this moment [V] on
I'll be [I] crying, [Iaug] crying, [IV] crying, [iv] crying

I'm [I] crying, [vi] crying

[I] You saw me crying in the [ii] chapel,
The tears I shed were tears of [I] joy.
I know the meaning of con-[II7]tentment,
[iv] Now I am [V7] happy with the [I] Lord. [IV] [I]
Just a plain and simple [ii] chapel,
Where humble people go to [I] pray.
I pray the Lord that I'll grow [II7] stronger,
[iv] As I [V7] live from day to [I] day. [IV] [I7]

I've [IV] searched and I've [iv] searched
but [I] I couldn't [vi] find
No [II7] way on earth to gain peace of [V7] mind.
Now I'm happy in the [ii] chapel,
Where people are of one a-[I]ccord (one accord)
Yes, we gather in the [ii] chapel,
[iv] Just to [V7] sing and praise the [I] Lord. [IV] [I]

You'll [IV] search and you'll [iv] search,
but [I] you'll never [vi] find
no [II7] way on earth to gain peace of [V7] mind.
Take your [I] troubles to the [ii] chapel,
Get down on your knees and [I] pray (knees and pray)
Then Your burdens will be [II7] lighter,
[iv] And you'll [V7] surely find the [I] way
(And you'll surely find the way)

All my sorrow and [IV] pain [V7]
I'll do my crying in the [vi] rain

[I] If I [IV] wait for [V7] cloudy [I] skies
You won't know the [IV] rain from the [V7] tears in my [I] eyes
You'll never [IV] know that I [III7] still love you [vi] so
Only heartaches [IV] remain [V7]
I'll do my crying in the [vi] rain

[IV] Rain drops falling from [ii] heaven
Could [V7] never wash away my miser[I]y
But [ii] since we're not together
I [IV] ook for stormy weather
To [V7] hide these tears I hope you'll never see

[I] Some [IV] day when my [V7] crying's [I] done
I'm gonna [IV] wear a smile and [V7] walk in the [I] sun
I may be a [IV] fool but till [III7] then darling [vi] you'll

Gent's Part:

[I] In the movie [biii7] plays of [I] now-a-days
[IV] A romance always [V7] must begin in [I] June
Tales in [biii7] magazines have [I] all their scenes
Of [II7] love laid in a garden 'neath the [V7] moon

But [I] I don't miss, that kind of bliss
[II7] What I want is [V7] this :-

[V7] A cup of [I] coffee, a [V7] sandwich and [I] you,
[V7] A cozy corner, a table for [I] two,
A chance to whisper and [V7] cuddle and [I] coo
With lots of [V7] huggin' and kissin' in [I] view.

I [i7] don't [I7] need [IV] music, lobster or [I] wine,
Whenever [II7] your eyes look into [V7] mine.
The things I [I] long for are [V7] simple and [I] few;
A cup of [V7] coffee, a sandwich and [I] you! [Idim] [I]

Ladies Part:

[I] If it is be-[biii7]cause you [I] can't afford more
[IV] Sandwiches and [V7] coffee we will [I] share
But if it's to [biii7] help you save [I] and hoard more
I [II7] can plainly see how much you [V7] care

If [I] I were you, talking to me
[II7] My approach would [V7] be :-

[V7] A cup of [I] coffee, a [V7] sandwich and [I] you,
[V7] A cozy corner, a table for [I] two,
A chance to whisper and [V7] cuddle and [I] coo
With lots of [V7] huggin' and kissin' in [I] view.

I [i7] don't [I7] need [IV] music, lobster or [I] wine,
Whenever [II7] your eyes look into [V7] mine.
The things I [I] long for are [V7] simple and [I] few;
A cup of [V7] coffee, a sandwich and [I] you!

I [i7] don't [I7] need [IV] music, lobster or [I] wine,
Whenever [II7] your eyes look into [V7] mine.
The things I [I] long for are [V7] simple and [I] few;
A cup of [V7] coffee, a sandwich and [I] you, [Idim] you [I] you

[I] Cupid, [vi] draw back your bow, [I] and let [IV] your arrow go
[I] Straight to my [V7] lover's heart, for [I] me, for [V7] me.
[I] Cupid, [vi] please hear my cry, [I] and let [IV] your arrow fly
[I] Straight to my [V7] lover's heart, for [IV] me [I]

Now, [I] I don't mean to bother you, but [V7] I'm in distress
There's danger of me losin' all of [I] my happiness.
For I love a girl who doesn't [IV] know I exist
[V7] And this you can [I] fix. So...

[I] Cupid, [vi] draw back your bow, [I] and let [IV] your arrow go
[I] Straight to my [V7] lover's heart, for [I] me, no-[V7]body but me.
[I] Cupid, [vi] please hear my cry, [I] and let [IV] your arrow fly
[I] Straight to my [V7] lover's heart, for [IV] me [I]

Now, [I] Cupid, if your arrow makes her [V7] love storm for me
I promise I will love her until [I] eternity.
I know, between the two of us, her [IV] heart we can steal
[V7] Help me if you [I] will. So...

[I] Cupid, [vi] draw back your bow, [I] and let [IV] your arrow go
[I] Straight to my [V7] lover's heart, for [I] me, no-[V7]body but me.
[I] Cupid, [vi] please hear my cry, [I] and let [IV] your arrow fly
[I] Straight to my [V7] lover's heart, for [IV] me... [I] Now...

Her [I] name's Cushie Butterfield and she [ii] sells yellow [V] clay
And her [I] cousin's a [ii] muckman

She's a [I] big lass and a bonny lass and [IV] she likes her [V7] beer

When I [I] axed her to marry us she [V7] started to [I] laugh

Then she [I] started a bubbling and she [ii] roared like a [V] bull

[I] Words like S.H.O.T. shot or [IV] W.O.R.M. [I] worm,

[I] His Q.U.A.R.A.N.T.I.[IV]N.E starts to-[I]day,

[I] He caused me and my wife to have a big fight,

[I] [III7] [vi] [II] [I] [V] [IV] [IV] [I]

[I] The love between the two of us was [IV] dying
And it [I] got so bad I knew I had to [II] leave

My [I] little daughter [V] running after [I] me

[II] [iv] [I]

Now it broke my heart to tell my little [iv] daughter
That her [I] daddy had to run to catch a [II] train
She [I] had no way of knowin' I was [IV] leavin' home for [II] good
I [I] turned around and [V] there she was a-[I]gain

[I] [V7] [I] .
I re-[I]member when I was a [I7] lad
Times were [IV] hard and things were [I] bad
But there's a [I] silver linin' behind every [V7] cloud
Just poor [I] people that's all we [I7] were
Tryin' to make a [IV] livin' out of blackland [I] dirt
We'd get [I] together in a family [V7] circle singin' [I] loud

> [NC] Daddy sang bass, Mama sang [I] tenor
> Me and little [IV] brother would join right in [I] there
> 'Cause singin' seems to help a troubled [V7] soul
> One of these [I] days and it won't be [I7] long
> I'll re-[IV]join them in a [I] song
> I'm gonna join the family [V7] circle at the [I] throne
>
> Oh no the [I] circle won't be [I7] broken, by and [IV] by Lord by and [I] by
> [NC] Daddy'll sing bass, Mama'll sing tenor [I]
> Me and little [IV] brother would join right [I] in there
> In the [I] sky Lord [V7] in the [I] sky

Now I re-[I]member after [I7] work
Mama would [IV] call in all of [I] us
You could [I] hear us singin' for a country [V7] mile
Now little [I] brother has done gone [I7] on
But I'll re-[IV]join him in a [I] song
We'll be to-[I]gether again up [V7] yonder in a little [I] while

> [NC] Daddy sang bass, Mama sang [I] tenor
> Me and little [IV] brother would join right in [I] there
> 'Cause singin' seems to help a troubled [V7] soul
> One of these [I] days and it won't be [I7] long
> I'll re-[IV]join them in a [I] song
> I'm gonna join the family [V7] circle at the [I] throne
>
> Oh no the [I] circle won't be [I7] broken, by and [IV] by Lord by and [I] by

> Me and little [IV] brother would join right [I] in there

[I] He remembers the [V7] first time he [I] met her
He re-[IV]members the first thing she [I] said
He re-[IV]members the first time he [I] held her
And the [II7] night that she came to his [V7] bed

He re-[I]members her [V7] sweet way of [I] saying
[IV] Honey has something gone [I] wrong
He re-[IV]members the fun and the [I] teasing
And the [II7] reason he [V7] wrote her this [I] song

Chorus:
[I] I'll give you a [V7] daisy a [I] day dear
I'll [IV] give you a daisy a [I] day
I'll [IV] love you until the [I] rivers run [vi] still
And the [I] four winds we [V7] know blow a-[I]way

[I] They would walk down the [V7] street in the [I] evening
And for [IV] years I would see them go [I] by
And their [IV] love that was more than the [I] clothes that they wore
Could be [II7] seen in the gleam of their [V7] eye

As a [I] kid they would [V7] take me for [I] candy
And I'd [IV] love to go tagging a-[I]long
We'd hold [IV] hands while we walked to the [I] corner
And the [II7] old man would [V7] sing her his [I] song

CHORUS

[I] Now he walks down the street in the [I] evening
And he [IV] stops by the old candy [I] store
And I [IV] somehow believe he's be-[I]lieving
He's [II7] holding her hand like be-[V7]fore

For he [I] feels all her [V7] love walking [I] with him
And he [IV] smiles at the things she might [I] say
Then the [IV] old man walks up to the [I] hill top
And he [II7] gives her a [V7] daisy a [I] day

CHORUS

[I7] Calling out around the world
Are you ready for a brand new beat?
Summer's here and the is right
For dancing in the street
They'll be dancing in Chicago
Down in New Orleans
In New York City

All we need is [IV] music, sweet music
There'll be music everywhere
There'll [I7] be swinging and swaying,
And records playing, dancing in the street

[III7] Well, doesn't matter what you wear
Just as [vi] long as you are there
So come on [II7] every guy grab a girl
[ii7] Everywhere a-[V7]round the world
There'll be [I7] dancing, dancing in the street

[I7] This is an invitation across the nation
A chance for folks to meet
There'll be laughin' and singin'
And music swingin'
Dancing in the street
Philadelphia, PA, (dancing in the street)
Baltimore, and DC now (dancing in the street)
Can't forget the Motor City (dancing in the street)

All we need is [IV] music, sweet music
There'll be music everywhere
There'll be [I7] swinging and swaying,
And records playing, dancing in the street

[III7] Well, doesn't matter what you wear
Just as [vi] long as you are there
So come on [II7] every guy grab a girl
[ii7] Everywhere a-[V7]round the world
There'll be [I7] dancing, dancing in the street

fade towards end

[I7] They're dancin' in the street
Way down in L.A.
Every day, they're dancin' in the street
Let's form a big strong line, get in time,
We're dancin' in the street
Across the ocean blue
Me and you, we're dancin' in the street

[I] There's nothing else I'd [I7] rather do
Than to [IV] sit around and talk to you
And [I] remi[VI]nisce a[II]bout a simpler [V7] time
The [I] music that we [I7] made was [IV] simple but it [I] stayed
[I] In [III7] my [VI7] memory and [II7] on [V7] my [I] mind

[I] Dancin' on daddy's [I7] shoes
[IV] Dancin' all around the room
[I] Rollin' the rug up and [VI] kickin' our heels up
[II7] Dancin' away the [V7] blues
[I] Sister would clap a[I7]long
[IV] Everyone would [VI] sing a song
[I] Playin' [III7] homemade [VI7] music and
[II7] dancin' on [V7] daddy's [I] shoes

There's [I] something about this [I7] musty room
That [IV] makes me reel, makes me swoon
That [I] strange [IV] per[VI]fume is [II] one of a [V7] kind
This [I] rhythm takes me [I7] back when I [IV] hear that razzma[I]tazz
[I] There's no [III7] nicer [I] feeling that I can find

It's [I] many a man I've [IV] known in my [V] day
Who [vi] lived just to [I] labor his [IV] whole life a-[I]way

A [vi] man will have [I] lust for the [IV] lure of the [I] mine.

It's [V] dark as a dungeon and [IV] damp as the [I] dew
Where [V] danger is double and [IV] pleasures are [I] few
Where the [I] rain never falls and the [IV] sun never [V] shines
It's [vi] dark as a [I] dungeon way [IV] down in the [I] mines.

I [I] hope when I'm gone and the [IV] ages shall [V] roll
My [vi] body will [I] blacken and [IV] turn into [I] coal
Then I'll [I] look from the door of my [IV] heavenly [V] home
And [vi] pity the [I] miner a-[IV]diggin' my [I] bones.

It's [V] dark as a dungeon and [IV] damp as the [I] dew
Where [V] danger is double and [IV] pleasures are [I] few

It's [vi] dark as a [I] dungeon way [IV] down in the [I] mines.

[I] Come, and [IV] talk of all the things we did to [I] day
Here, and [IV] laugh about our funny little [I] ways
While we [IV] have a few [ii] minutes to [I] breathe
Then I [IV] know that it's [ii] time you must [I] leave

But [IV] darling be home soon
I [IV] couldn't bear to wait an extra [I] minute if you dawdled
My [IV] darling be home [IV] soon
It's [IV] not just these few hours but I've been [I] waiting since I toddled
For the [IV] great relief of [ii] having [V7] you to [I] talk to

And [I] now, a [IV] quarter of my life is almost [I] past
I [IV] think I've come to see myself at [I] last
And I [IV] see that the [ii] time spent con-[I]fused
Was the [IV] time that I [ii] spent without [I] you
And I [IV] feel [ii] myself in [V] bloom

So [IV] darling be home soon
I [IV] couldn't bear to wait an extra [I] minute if you dawdled
My [IV] darling be home soon
It's [IV] not just these few hours but I've been [I] waiting since I toddled
For the [IV] great relief of [ii] having [V7] you to [I] talk to

But [IV] darling be home soon
I [IV] couldn't bear to wait an extra [I] minute if you dawdled
My [IV] darling be home [IV] soon
It's [IV] not just these few hours but I've been [I] waiting since I toddled

So Darling
My [IV] darling be home soon
I [IV] couldn't bear to wait an extra [I] minute if you dawdled
My [IV] darling be home soon

So [IV] darling be home soon

Chorus:
[I] Didn't we have a [IV] lovely time the [I] day we [V] went to [I] Bangor
[IV] A beautiful day we had [I] lunch on the way
And [II7] all for under a [V] pound you know
[I] Then on the way back I [IV] cuddled with Jack
And we [I] opened a [V] bottle of [I] cider
[IV] Singing a few of our [VI7] favourite songs
as the [II] wheels [V] went [I] round [II] [V] [I]

[I] Do you recall the [IV] thrill of it all
as we [I] walked a-[V]long the [I] sea front
[IV] Then on the sand we [I] heard a brass band
That [II7] played De Diddle De Bum [V] Ta Ra Ra
[I] Elsie and me had [IV] some cups of tea
then we [I] took a [V] peddler [I] boat out
[IV] Splashing away as we [VI7] toured round the bay
as the [II] wheels [V] went [I] round [II] [V] [I]

CHORUS

[I] Wasn't it nice eating [IV] chocolate ice
as we [I] strolled a-[V]round the [I] funfair
[IV] Then we ate [I] eels on the big Ferris wheel
we [II7] sailed above the [V] ground but then
[I] We had to be quick [IV] because Elsie felt sick
and we [I] had to find [V] somewhere to [I] take her
[IV] I said to her lad "what [VI7] made her feel bad"
Twas the [II] wheels [V] went [I] round [II] [V] [I]

CHORUS

[I] Elsie and me we [IV] finished our tea,
and we [I] said good-[V]bye to the [I] seaside
[IV] Back on the bus [I] Flo says to us [II7] oh isn't it a [V] shame to go
[I] Wouldn't it be grand to have [IV] cash on demand,
and to [I] live like [V] this for a-[I]lways
[IV] Oh it makes me feel ill when I [VI7] think of the Mill

[V] Do [I] you like me? Well I [V] hope you do,
Cause if [II] you like me, then I think I'm gonna have to [V] like you too.
We'll [I] share our things, and [V] have some fun,
Then we'll [II] say goodbye, and go back home when the [V] day is done.

If [I] you tell me, I'll [V] tell you too.
And we'll [II] say the things and do the things that [V] lovers do.
We'll keep it [I] to ourselves, we won't [V] hurt no one.
Then we'll [II] say goodbye, and go back home when the [V] day is done.

We'll [I] carve our names, [V] on a tree,
Then we'll [II] burn it down so no one in the [V] world will see.
And [I] we'll make love, while we [V] watch the flame
Then we'll [II] walk away as if we never [V] had no shame.

[V] Do [I] you like me? Well I [V] hope you do,
Cause if [II] you like me, then I think I'm gonna have to [V] like you too.
We'll [I] share our things, and [V] have some fun,
Then we'll [II] say goodbye, and go back home when the [V] day is done.

Now [I] we must hide, to [V] be alone,
And [II] we can't say our sweet things on the [V] telephone.
If [I] we can't stop, what [V] we've begun,
We should [II] say goodbye and go back home when the [V] day is done.

Do you [I] still like me? Well I [V] hope you do.
Cause if you [II] still like me then I think I'm gonna have to [V] still like you.
We [I] shared our things, and [V] had some fun
Now we'll [II] say goodbye and go back home when the [V] day is done.

Yeah, we'll [II] say goodbye and go back home while we [V] still have one.
Let's [II] say goodbye, and go back home now the [V] day is done.

Intro:
[I] What a day for a [VI7] daydream
[ii] What a day for a [V7] daydreamin' boy

[I] What a day for a [VI7] daydream
[ii] What a day for a [V7] daydreamin' boy
[I] And I'm lost in a [VI7] daydream
[ii] Dreaming 'bout my [V7] bundle of joy

[IV] And even if [II7] time ain't really [I] on my [VI7] side
[IV] It's one of those [II7] days for taking a [I] walk out [VI7] side
[IV] I'm blowing the [II7] day to take a [I] walk in the [VI7] sun
[II7] And fall on my face on somebody's [V7] new-mown lawn

[I] I've been having a [VI7] sweet dream
[ii] I've been dreaming since I [V7] woke up today
[I] It starred me and my [VI7] sweet thing
[ii] Cause she's the one makes me [V7] feel this way

[IV] And even if [II7] time is passing [I] me by a [VI7] lot
[IV] I couldn't care [II7] less about the [I] dues you say I [VI7] got
[IV] Tomorrow I'll [II7] pay the dues for [I] dropping my [VI7] load
[II7] A pie in the face for being a [V7] sleepin' bull toad

(Instrumental of verse 1)

[IV] And you can be [II7] sure that if you're [I] feeling [VI7] right
[IV] A daydream will [II7] last along [I] into the [VI7] night
[IV] Tomorrow at [II7] breakfast you may [I] prick up your [VI7] ears
[II7] Or you may be daydreaming for a [V7] thousand years

[I] What a day for a [VI7] daydream
[ii] Custom made for a [V7] daydreamin' boy
[I] And I'm lost in a [VI7] daydream
[ii] Dreaming 'bout my [V7] bundle of joy
[ii] Dreaming 'bout my [V7] bundle of [I] joy

[I] Oh the Deadwood Stage is a-rollin' on over the plains,
With the curtains flappin' and the driver slappin' the [V] reins.
Beautiful [V7] sky, a [I] wonderful day.
[V] Whip crack-away, [V] whip crack-away, [V] whip crack a [I]way!

Oh the [I] Deadwood Stage is a-headin' on over the hills,

Dangerous [V7] land, no [I] time to delay.
So, [V] whip crack away, [V] whip crack away, [V] whip crack a-[I]way!

We're headin' [IV] straight for town, [I] loaded down,
[V] with a fancy [I] cargo,
[V] Care of Wells and [IV] Fargo, Illi-[V]nois [V7] - boy.

Oh the [I] Deadwood Stage is a-comin' on over the crest,
Like a homing pigeon that's a-hankerin' after its [V] nest.
Twenty three [V7] miles we've [I] covered today.
So, [V] whip crack away, [V] whip crack away, [V] whip crack a-[I]way!

The wheels go [IV] turnin' round, [I] homeward bound,
[V] Can't you hear 'em [I] humming,
[V] Happy times are [IV] coming for to [V] stay [V7] hey.

[i] Dear [III] diary, [VI] what a day it's [V] been,
Dear [i] diary, [III] it's [VI] been just like a [V] dream,
[i] Woke up too [III] late, wasn't [II7] where I should have [V] been,
[i] For goodness [III] sake, what's [II7] happening to [V] me?
Write [i] lightly, yours [III] truly, dear [IV] diary

[i] [III] [VI] [V] x2

[i] It was [III] cold out-[VI]side of my [V] door,
So [i] many [VI] people by the [V] score,
[i] Rushing a-[III]round, so [II7] senseless-[IV]ly,
[i] They don't [III] notice, there's [II7] people like [i] me,
Write [i] lightly, yours [III] truly, dear [IV] diary

[i] [III] [VI] [V] x2

[VI] They don't know what they're [III] playing,
No, they've [VI] no way of knowing what the [III] game is,
Still, they [v] carry on [VI] doing what they [IV] can,
Out-[i]side me, yours po-[III]litely, dear [IV] diary

[i] [III] [VI] [V] x2

[i] Dear [III] diary, [VI] what a day it's [V] been,
Dear [i] diary, [III] it's [VI] been just like a [V] dream,

[i] [III] [VI] [V] x2

[i] It's [III] over, will to-[VI]morrow be the [V] same?
I [i] know that [III] they're [VI] really not to [V] blame,
If [i] they weren't so [III] blind, then [II7] surely they'd [V] see
There's a [i] much better [III] way, for [II7] them to [V] be,
In-[i]side me, yours [III] truly, dear [IV] diary

[i] [III] [VI] [V] x2

[i] Dear [III] diary, [VI] it was cold today, [V]
[i] A bit of sun came out [III] later,
So, I went [VI] out, and strolled about looking at the [V] shops,
[i] Didn't really see anything I [III] liked,
[VI] So I didn't buy anything, [V]
[i] [III] On the way home I [VI] posted a letter, [V]
[i] Been [III] quite a nice day, [VI] [V]

Delaney's Donkey

artist:Val Doonican writer:Bill Hargreaves

https://www.youtube.com/watch?v=-1Ofhh30lwQ But in A

Thanks to irish-folk-songs.com

[I] Now Delaney had a donkey that [IV] every-[V7]one ad-[I]mired
[I] Temporarily lazy and permanently [V] tired
A [I] leg at ev'ry cor-[IV]ner balan-[V7]cing [I] his head
[I] And a [I7] tail to let [IV] you know which end he [I] wanted [V7] to be [I] fed
[vi] Riley slyly [III] said "We've under-[vi]rated it,
[vi] Why not train it?", then he [vi] took a rag
They [I] rubbed it, [IV] scrubbed [V] it, they oiled [V7] and em-[I]brocated [IV] it
Got it to the post and when the [I] starter dropped his [V] flag

[I] There was Riley pushing it, [IV] shoving it, shushing it
Hogan, Logan and ev'ryone in [V7] town [I] lined up attacking it
And [vi] shoving it and smacking it
[V] They might as well [VI7] have tried to push the [V] Town [II7] Hall [V] down
The [I] donkey was eyeing [IV] them, openly defying [I] them
Winking, blinking and twisting out of [V] place
[I] Riley reversing [IV] it, ev'rybody cursing it
The [I] day Del-[V7]aney's donkey [I] ran [IV] the halfmile [I] race

The [I] muscles of the migh-[IV]ty never known [V7] to flinch
They couldn't [I] budge the donkey a quarter of [V] an inch
Del-[I]aney lay exhaus-[IV]ted, hang-[V7]ing round [I] its throat
With a grip [I7] just [IV] like a Scotchman on a [I] five [V7] pound [I] note
[vi] Starter, Carter, he [III7] lined up with the [vi] rest of 'em
When it saw [III7] them, it was willing [vi] then
It [I] raced up, [IV] braced [V] up, ready [V7] for the [I] best of [IV] 'em
They started off to cheer it but it [I] changed its mind [V] again

[V7] There was [I] Riley pushing [IV] it, shoving it and shushing [I] it
Hogan, Logan and Mary Ann Mac-[V7]graw, [I] she started poking it
[vi] Grabbing it and choking [V] it
It kicked her in [VI7] the bustle and it [V] laughed [II7] "Hee - [V] Haw!"
The [I] whigs, the conservatives, [IV] radical super-[I]latives
Libr'rals and tories, they hurried to the [V] place
[V7] Stood there in unity, [IV] helping [I] the community
The day Delaney's donkey ran the [I] half [IV] mile [I] race

[I] The crowd began to cheer it, then [IV] Raff-[V7]er-[I]ty, the judge
[I] He came to assist them, but still it [V] wouldn't budge
The [I] jockey who was riding, [IV] little [V7] John Ma-[I]cGee
Was so [I7] thorough-[IV]ly disgusted that he [I] went to [V7] have his [I] tea
[vi] Hagan, Fagan was [III7] students of [vi] psychology
Swore they'd [III7] shift it with some [vi] dynamite
They [I] bought it, [IV] brought it, [V] then with-[V7]out a-[I]pology
The [IV] donkey gave a sneeze and blew the [I] darn stuff out of [V] sight

There was [I] Riley pushing [IV] it, shoving it and shushing [I] it
[I] Hogan, Logan and all the bally [V7] crew
P'lice, and auxil'ary, the [vi] Garrison Artillery
[V] The Second [VI7] Enniskillen's and [V] the Life [II7] Guards [V] too
They [I] seized it and harried [IV] it, they picked it up and carried [I] it
Cheered it, steered it to the winn-[V]ing place
[I] Then the Bookies drew a-[IV]side, they all commited suicide
The day Delaney's [V7] donkey won the [I] half [IV] mile [I] race

Della And The Dealer

https://www.youtube.com/watch?v=pN0OBHz_Xmo

Thanks to Ron Dobson

It was [I] Della and the Dealer and a dog named Jake and a [IV] cat named Kalamazoo
[III] Left the city in a [VI] pickup truck [IV] gonna make some dreams come [I] true
Yeah [I] they rolled out west where the wild sun sets and the [IV] coyote bays at the moon
[III] Della and the Dealer and a [VI] dog named Jake and a [IV] cat named Kalama-[I]zoo

[I] If that cat could talk what tales he'd tell
About [V] Della and the Dealer and the dog as well
[V] But the cat was cool and he never said a mumblin' [I] word

[I] Down Tucson way there's a small cafe where they [IV] play a little cowboy tune
And the [III] guitar picker was a [VI] friend of mine by the [IV] name of Randy [I] Boone
[I] Yeah Randy played her a sweet love song and [IV] Della got a fire in her eyes
The [III] Dealer had a knife and the [VI] dog had a gun and the [IV] cat had a shot of [I] Rye

[I] If that cat could talk what tales he'd tell
About [V] Della and the Dealer and the dog as well
[V] But the cat was cool and he never said a mumblin' [I] word

[I] Yeah the Dealer was a killer, he was evil and mean
and he was [IV] jealous of the fire in her eyes
He [III] snorted his coke through a [VI] century note
and he [IV] swore that Boone would [I] die
[I] Yeah the stage was set when the lights went out there was [IV] death in Tucson town
Two [III] shadows ran for the [VI] bar backdoor and [IV] one stayed on the [I] ground

play twice

[I] If that cat could talk what tales he'd tell
About [V] Della and the Dealer and the dog as well
[V] But the cat was cool and he never said a mumblin' [I] word

[I] Two shadows ran from the bar that night and a [IV] dog and a cat ran too
[III] And the tires got hot on the [VI] pickup truck as [IV] down the road they [I] flew
[I] It was Della and her lover and a dog named Jake and a [IV] cat named Kalamazoo
[III] Left Tucson in a [VI] pickup truck [IV] gonna make some dreams come [I] true

(Yeah yeah yeah)

play 3 times fading at end

[I] [iii] [ii] [V7]

He's [I] pining for her in a [iii] people carrier
There might be [ii] buildings and pretty things to see like that
But [V7] architecture won't do
Although it [I] might say a lot about the city or town
I don't [iii] care what they've got keep on turning them down
It don't [ii] say the funny things she does
Don't even [V7] try and cheer him up, because
It just won't [I] happen

[I] [iii] [ii] [V7]

He's got the [I] feeling again this time on [iii] the aeroplane
There might be [ii] tellys in the back of the seats in front
But [V7] Rodney and Del won't do
Although it [I] might take your mind off the aches and the pains
Laugh when he [iii] falls through the bar but you're feeling the same
'Cause she [ii] isn't there to hold your hand
She won't be [V7] waiting for you when you land

It feels like she's [vi] just nowhere [IV] near
You [vi] could well be out on your [IV] ear
This thought comes [vi] closely followed by the [II] fear
And the [IV] thought of [iii] it
Makes you [ii] feel a [V7] bit ill

[I] [iii] [ii] [V7]

[I] Yesterday I saw a girl
Who [iii] looked like someone you might knock [ii] about with
And almost [V7] shouted
And then [I] reality kicked in within us
It [iii] seems as we become the winners
You [ii] lose a bit of summat
And half [V7] wonder if you won it at all

And don't say 'owt [vi] 'cause you've got no [IV] idea
And she's [vi] still nowhere [IV] near
And the thought comes [vi] closely followed by the [II] fear
And the [IV] thought of [iii] it
Makes you [ii] feel a [V7] bit -- [NC] Ill

De-[I]spair in the de-[ii]parture lounge
It's [iii] one and they'll [IV] still be [iii] around at [ii] three
No signal and low [V7] battery
[NC] What's happened to me

[I] [I] [I] [I]

[I] 'Bout the time my daddy left to fight the big war
I saw my first pistol in the general [V] store
In the general store, I was thirteen
I thought it was the finest thing I [I] ever had seen

[I] Asked if I could have it someday when I grew up
Mama dropped a dozen eggs, she really blew [V] up
Yeah, she really blew up, I didn't understand
Mama said the pistol is the [I] devil's right hand

The [IV] devil's right hand
The [I] devil's [IV] right [I] hand
[V] Mama said the pistol is the [I] devil's right hand

[IV] [I] [IV] [I] [V] [I]

My [I] very first pistol was a cap and ball Colt
Shoot as fast as lightnin' but she loads a mite [V] slow
Loads a mite slow, I soon found out
It'll get you into trouble but it [I] can't get you out

So [I] then I went and bought myself a Colt .45
It was called a Peacemaker, but I never knew [V] why
Never knew why, I didn't understand
Mama says the pistol is the [I] devil's right hand

The [IV] devil's right hand
The [I] devil's [IV] right [I] hand
[V] Mama said the pistol is the [I] devil's right hand

The [IV] devil's right hand
The [I] devil's [IV] right [I] hand
[V] Mama said the pistol is the [I] devil's right hand

[I] [I] [I] [I] [V] [V] [V] [V] [V] [I]

Well, I [II] got into a card game in a company town
Caught a miner cheatin', I shot the dog [VI] down
I shot the dog down, I watched the man fall
Never touched his holster, never [II] had a chance to draw

The [II] trial was in the morning and they drug me outta bed
Asked me how I pleaded, "not guilty" I [VI] said
Not guilty I said, you got the wrong man
Nothin' touched the trigger but the [II] devil's right hand

The [V] devil's right hand
The [II] devil's [V] right [II] hand
[VI] Mama said the pistol is the [II] devil's right hand

[I] People say she's crazy
She's got [IV] diamonds on the [V] soles of her [I] shoes
Well [IV] that's one way to [V] lose these [I] walking blues
[IV] Diamonds on [V] the soles of her [I] shoes.[IV] [V]

[I] She's was physically forgotten
Then she [IV] slipped into my [V] pocket with my car [I] keys.
She [IV] said you've [V] taken me for [V] granted [IV] because I [I] please you [V]
Wearing these [I] diamonds [IV] [V]

[I] And I could say [IV] ooooo [V]
As [I] if [IV] everybody [V] knows what I'm [I] talking about
As if [IV] everybody here would [V] knows exactly what I was [I] talking about
[IV] Talking about [V] diamonds of her [I] shoes. [IV] [V]

She [I] makes the sign of a [IV] teaspoon
He makes [V] the sign of a [I] wave
The [IV] poor boy changes [V] clothes and puts on [I] aftershave
To [IV] compensate for [V] his ordinary [I] shoes [IV] [V]

And [I] she said honey take me [IV] dancing
But they [V] ended up by sleeping in a [I] doorway
[IV] By the bodegas and the [V] lights on upper [I] Broadway
[IV] Wearing [V] diamonds on the [I] soles of her shoes

[I] And I could say [IV] ooooo [V]
As [I] if [IV] everybody [V] knows what I'm talking a-[I]bout

Well [i] I'll be damned
Here comes your [VI] ghost again
But that's not un-[III]usual, it's just that the [VII] moon is full
And you happened to [i] call [i] [iadd9] [i]

And [i] here I sit
Hand on the [VI] telephone
Hearing a [III] voice I'd known a couple of [VII] light years ago
Heading straight for a [i] fall [i] [iadd9] [i]

As [i] I remember your eyes
Were bluer than [VI] robin's eggs
My poetry was [III] lousy you said
Where are you [VII] calling from?
A booth in the [i] Midwest [i] [iadd9] [i]

[i] Ten years ago
I bought you some [VI] cufflinks, you brought me [III] something
We both know what [VII] memories can bring
They bring diamonds and [i] rust [i] [iadd9] [i]

[i] Well you burst on the scene
Already a [VI] legend
The unwashed phe-[III]nomenon, the original [VII] vagabond
You strayed into my [i] arms [iadd9] [i]

And [i] there you stayed, temporarily [VI] lost at sea
The Madonna was [III] yours for free
Yes the girl on the [VII] half-shell would keep you [i] unharmed [i] [iadd9] [i]

Now [v] I see you standing with brown leaves falling around and snow in your [iv] hair
Now [v] you're smiling out the window of that crummy hotel over Washington [iv] Square
Our [VI] breath comes out white clouds
Mingles and hangs in the [III] air
Speaking [IImaj7] strictly for me
We both could have died then and [III] there [V7] [i] [iadd9] [i]

[i] Now you're telling me you're not nos-[VI]talgic
Then give me another [III] word for it, you who are so [VII] good with words
And at keeping things [i] vague [i] [iadd9] [i]

[i] Because I need some of that vagueness now
It's all come back too [VI] clearly
Yes I loved you [III] dearly
And if you're offering me [VII] diamonds and rust I've already [i] paid

[I] I don't care just [vi] what they say,

Did Beethoven Do the Dishes?

One [I] Afternoon, in [V] sunny June, I [vi] happened to think
as I [V] stood at the sink,
and I [vi] scrubbed away [IV] at the dirty plates
and [vi] listened to music on the [IV] phonograph
I [vi] thought of a question I've [V] often [IV] asked [I]

[I] Did Beethoven do the dishes? Did [V] Mozart sweep the [I] floor?
did all those great musicians [V] have to do their [I] chores
I [IV] can't help but think of all the [I] songs I would sing
if I [V] just didn't have to [I] clean the house [I7]
I'm sure I'd [IV] be on top of the [I] Billboard charts
if my [V] cat had not just killed a [I] mouse
and, brought it [IV] into the house, oooo-[V]oohh [NC]

I [I] have these great ideas, but I [V] also have a [I] block
If I don't do my laundry, I will [V] soon run out of [I] socks
I bet that [IV] Johann Sebastian Bach never had to [I] worry about clean socks
I'll bet [V] Peter Tchaikovsky never [I] took the garbage out [I7]
I bet [IV] Verdi rarely [I] helped to rake the leaves,
[V] even when his wife said [I] Please
Oh, pretty [IV] please, oooo-[V]oohh [NC]

My [I] driver's license did expire [V] just two weeks [I] ago
I'll bet that thought never occurred to [V] Michaelange-[I]lo-lo-lo-lo
[IV] Madame Curie [I]never had to serve on a jury
[V] Joseph Haydn hid from taking [I] care of the [I7] kids
[IV] Mozart was poor but, [I] you can be sure, he [V] never had to baby-[I]sit

And this is [IV] it, that's all I've [I] writ,
Didn't have [V] time for more of [I] it.

And by the [I] way, did she [I7] mention my [IV] name?

Did she [VII] mention my [I] name just in [IV] passing
And when the morning [ii] came,

Is the [IV] home team still on fire,

And by the [I] way, did she [I7] mention my [IV] name?

Is the [IV] home team still on fire,
do they [VII] still win all the [v] games
And by the [I] way, did she [I7] mention my [IV] name?

Is the [IV] landlord still a loser,
do his [VII] signs hang in the [v] hall
Are the [I] young girls still as pretty in the [I7] city in the [IV] fall
Does the laughter on their faces, still [VII] put the sun to [v] shame
And by the [I] way, did she [I7] mention my [IV] name?

Did she [VII] mention my [I] name just in [IV] passing
And when the talk ran [ii] high,
did the [V7] look in her eyes seem far a-[I]way [I7]
Is the [IV] old roof still leaking when the [VII] late snow turns to [v] rain
And by the [I] way, did she [I7] mention my [IV] name?

Is the [IV] landlord still a loser, do his [VII] signs hang in the [v] hall
Are the [I] young girls still as pretty in the [I7] city in the [IV] fall
Is the [IV] home team still on fire, do they [VII] still win all the [v] games
And by the [I] way, did she [I7] mention my [IV] name?

Did she [VII] mention my [I] name just in [IV] passing
And looking at the [ii] rain,
do you re-[V7]member if she dropped a name or [I] two [I7]
Won't you [IV] say hello from someone, there'll be [VII] no need to ex-[v]plain

No body [V] else could ever show,
so much love for Diggy Liggy [I] Lo

[I] There's a place they find romance
Where they do the [V] Cajun dance
[V] Steal a kiss with ev'ry chance
Shows their love with ev'ry [I] glance

Diggy Liggy [IV] Li loved Diggy Liggy Lo, everyone [I] knew he was her beau
No body [V] else could ever show, so much love for Diggy Liggy [I] Lo

[I] Finally went to see her Pa, now he's got a [V] Pa-in-law
[V] Moved out where the Bayou's low, now he's got a little Diggy Liggy [I] Lo

Diggy Liggy [IV] Li loved Diggy Liggy Lo, everyone [I] knew he was her beau
No body [V] else could ever show, so much love for Diggy Liggy [I] Lo

[I] He works all day in his old pirogue, to bring home food and a [V] little dough
[V] Time goes by, watch the family grow, for diggy Liggi Li and Diggy Liggy [I] L

Diggy Liggy [IV] Li loved Diggy Liggy Lo, everyone [I] knew he was her beau
No body [V] else could ever show, so much love for Diggy Liggy [I] Lo

[I] The little ones come one by one, first a little daughter and [V] then a son
[V] The cribs fill up, the old shed bows for Diggy Liggy Li and Diggy Liggy [I] Lo

Play twice

Diggy Liggy [IV] Li loved Diggy Liggy Lo, everyone [I] knew he was her beau
No body [V] else could ever show, so much love for Diggy Liggy [I] Lo

Look a[I]way, look a[vi]way, look a[V]way Dixie [I] Land.
In Dixie's Land, where [I7] I was born in, [IV] early on one frosty mornin',

In [I] Dixie Land I'll [IV] take my stand to [I] live and die in [V] Dixie.
A[I]way, a[V]way, a[I]way down south in [V] Dix[I]ie.
A[I]way, a[V]way, a[I]way down south in [V] Dix[I]ie
Ole [I] Missus marry "[I7] Will the weaver",

Look a[I]way, Look a[vi]way, Look a[V]way, Dixie [I] Land
But when he put his [I7] arm around 'er, he [IV] smiled fierce as a forty pounder,
Look a[I]way! Look away! Look a[V]way! Dixie [I] Land

Chorus

His [I] face was sharp as a [I7] butcher's cleaver,
[IV] but that did not seem to grieve 'er
Look a[I]way, Look a[vi]way, Look a[V]way, Dixie [I] Land
Ole Missus acted the [I7] foolish part, [IV] and died for a man that broke her heart
Look a[I]way! Look away! Look a[V]way! Dixie [I] Land

Look a[I]way! Look away! Look a[V]way! Dixie [I] Land

[I] [I]

Oh [I] me, oh [V] my, oh [I] you
What [I] ever [V] shall I [I] do
[IV] Halle [I]lujah, the [V] question is pe- [I]culiar
I'd [I] give a [V] lot of [I] dough
If [I] only [V] I could [I] know
The [II7] answer to my question, Is it yes or is it [V] no

> [V]* Does [V]* your [I] chewing gum lose its flavour
> On the [V] bedpost overnight
> [V] If your mother said don't chew it
> Do you [I] swallow it in spite
> Can you [IV] catch it on your [V] tonsils
> Can you [I] heave it left and [IV] right
> Does your [I] chewing gum lose its flavour
> On the [V] bedpost over [I] night

Here [I] comes a [V] blushing [I] bride
The [I] groom is [V] by her [I] side
[IV] Up to the [I] altar, just as [V] steady as Gib-[I]raltar
Ah, the [I] groom has [V] got the [I] ring
And it's [I] such a [V] pretty [I] thing
But [II7] as he slips it on her finger
The choir begins to [V] sing

> Chorus

The [I] convict [V] out on [I] bail
Says [I] put me [V] back in [I] jail
[IV] Harrang the [I] knocker, he must be [V] of his [I] rocker
When [I] back in [V] his old [I] cell
The [I] reason [V] he did [I] tell
His [II7] gum was stuck above his bed
And his false teeth [V] as well

> Chorus

On the [II7] bed-post [V] o-ver
[NC] Well Hello there, I love you and the one who holds you tight

[NC] Monday, Tuesday, Wednesday, Thursday, Friday, Sat'day night
On the [II7] bed-post [V] o-ver
[NC] A dollar is a dollar and a dime is a dime
[NC] He's singin' out the chorus
But he hasn't got the time
On the [II7] bed-post [V] o-ver [I] ni-i-i-ight [I]!

[I] You're so hot, teasing [vi] me
[I] So you're [IV] blue but I [I] can't take a [ii] chance on a [I] chick like [V] you
That's something I couldn't [I] do

[I] There's that look in your [vi] eyes
[I] I can [IV] read in your [I] face that your [ii] feelings are [I] driving you [V] wild
Ah, but girl you're only a [I] child

[IV] Does your mother know that you're [I] out?
And I can [IV] chat with you [IVsus4] baby
[IV] Flirt a little [IVsus4] maybe
[IV] Does your mother know that you're [I] out?

[I] Take it easy (take it [I7] easy), better [IV] slow down [iv] girl
That's no [I] way to [iv] go, does your [I] mother [iv] know?
[I] Take it easy (take it [I7] easy), try to [IV] cool it [iv] girl,
Take it [I] nice and [iv] slow, does your [I] mother [iv] know?

[I] I can see what you [vi] want
[I] But you [IV] seem pretty [I] young to be [ii] searching for that [I] kind of [V] fun
So maybe I'm not the [I] one

Now [I] you're so cute, I like your [vi] style

[I] / .....(then straight in)

Well [I] Christmas time has come again the [IV] year has gone so [I] fast
It's funny how each Christmas just gets [V] better than the [V7] last
But [I] something happened to me as I [IV] bet it has to [iv] you
'Cause [I] all I got for Christmas was [V] dog poo on me [I] shoes.

> [I] Dog poo on me shoes for Christmas, [IV] dog poo on me [I] shoes
> It's spoilt me Christmas spirit and [V] left me feeling [V7] blue
> And [I] I'll be in the dog house but [IV] hey that's nothing [iv] new
> Cause [I] all I got for Christmas was [V] dog poo on me [I] shoes.

Now [I] Santa Claus has Reindeer but [IV] they don't leave a [I] mess
Of leaving poops around your house to [V] cause you great [V7] distress
They [I] don't dump under your Christmas tree, nor [IV] in your stockings [iv] too
It's only [I] when you're outside you get [V] dog poo on your [I] shoes.

> [I] Dog poo on me shoes for Christmas, [IV] dog poo on me [I] shoes
> It's spoilt me Christmas spirit and [V] left me feeling [V7] blue
> And [I] I'll be in the dog house but [IV] hey that's nothing [iv] new
> Cause [I] all I got for Christmas was [V] dog poo on me [I] shoes.

So [I] listen you doggy lovers and [IV] take a tip from [I] me
Don't leave your doggy doodah hanging [V] up a [V7] tree
Cause it [I] doesn't look like a bauble and its [IV] not the thing to [iv] do
But I sup-[I]pose it stops me getting, your [V] dog's poo on me [I] shoes

> [I] Dog poo on me shoes for Christmas, [IV] dog poo on me [I] shoes

[I] Dog poo on me shoes for Christmas, [IV] dog poo on me [I] shoes
It's spoilt me Christmas spirit and [V] left me feeling [V7] blue
And [I] I'll be in the dog house but [IV] hey that's nothing [iv] new
Cause [I] all I got for Christmas was [V]

[II] Jingle bells around his feet,
And presents on the [VI7] sled.
Hey! Look at the mayor's derby,
On top of Dominick's [II] head.

A pair of shoes for Louie,
And a dress for Jose-[bV]phine.
The [bV] label on the [II] inside says,
They're [VI7] made in Brook-[II]lyn.

Hey! [II] Chingedy ching, (Hee-haw, hee-haw)

[II] Children sing, and clap their hands,
And Dominick starts to [VI7] dance.
They talk Italian to him,
And he even under-[II] stands.

Compare sing, cumpare s,
And dance 'a taran-[bV] tella
[bV] When Sannanicola [II] comes to town,
And [VI7] brings 'u ciuccia-[II]nello

Hey! [II] Chingedy ching, (Hee-haw, hee-haw)

Listen friends,while I say,

Wandering farther and farther a-[V]way

Take a [I] glimpse at back home
Mother [IV] sits there a-[I]lone.
Don't cause mother's [V] hair to turn [I] grey.

Don't cause mother's [V] hair to turn [I] grey
Thy words should be decent al-[V]ways
Don't [I] grieve her at night
Doing [IV] things that's not [I] right
Don't cause mother's [V] hair to turn [I] grey

Say boys while you do
And [IV] girls, that means [I] you
Are you grieving your mother to-[V]day?
So [I] start while you may
And [IV] heed what I [I] say
Don't cause mother's [V] hair to turn [I] grey

Don't cause mother's [V] hair to turn [I] grey
Thy words should be decent al-[V]ways
Don't [I] grieve her at night
Doing [IV] things that's not [I] right
Don't cause mother's [V] hair to turn [I] grey

There's dear daddy, too
He's [IV] hoping that [I] you
Will be a great man some-[V]day
So [I] cease now to roam
Mail a [IV] letter back [I] home
Don't cause mother's [V] hair to turn [I] grey

Thanks Don Orgeman

[I] Tonight my heart is beating low [I7] and my head is [IV] bowed
[V7] You've been seen with my best friend on the other side of [I] town
I don't mind this waiting don't [I7] mind this running [IV] 'round
But if you're gonna [I] cheat on me,
Don't [V7] cheat in our home [I] town

How [IV] can I stand up to my friends and [I] look 'em in the eye
[IV] Admit the question that I know would [I] be nothing but [V7] lies
[I] You spend all your past time [I7] making me a [IV] clown
But if you're gonna [I] cheat on me don't [V7] cheat in our home [I] town

Now there are no secrets in this [I7] little country [IV] town
[V7] Everyone knows everyone for miles and miles a[I]round
Your bright eyes and your sweet smile are [I7] driving me in[IV]sane
You think it's smart to [I] break my heart [V7] and tear down my [I] name

How [IV] can I stand up to my friends and [I] look 'em in the eye
[IV] Admit the question that I know would [I] be nothing but [V7] lies
[I] You spend all your past time [I7] making me a [IV] clown
But if you're gonna [I] cheat on me don't [V7] cheat in our home [I] town

So [IV] if you're gonna [I] cheat on me don't [V7] cheat in our home [I] town

[V] There is freedom within [iii7] there is freedom without [I]
Try to catch the deluge in a paper [VII7] cup
[V] There's a battle ahead [iii7] many battles are lost [I]
But you'll never see the end of the road
While you're [VII7] travelling with me

[vi7] Hey now hey [II7] now don't [V] dream it's [iii7] over
[vi7] Hey now hey [II7] now when the [V] world comes [iii7] in
[I] They come they [II7] come
[V] To build a wall be- [iii7] tween us
[I] We know that they [I] won't win [II7]

[V] Now I'm towing my car [iii7] there's a hole in the roof [I]
My possessions are causing me suspicion
But [VII7] there's no proof
[V] In the paper today [iii7] tales of war and of waste [I]
But you turn right over to the TV [VII7] Page

[vi7] Hey now hey [II7] now don't [V] dream it's [iii7] over
[vi7] Hey now hey [II7] now when the [V] world comes [iii7] in
[I] They come they [II7] come
[V] To build a wall be- [iii7] tween us
[I] We know that they [I] won't win [II7]

[V] Now I'm walking again [iii7] to the beat of a drum [I]
And I'm counting the steps to the door of your [VII7] heart
[V] Only the shadows ahead [iii7] barely clearing the roof [I]
Get to know the feeling of liberation [VII7] and relief

[vi7] Hey now hey [II7] now don't [V] dream it's [iii7] over
[vi7] Hey now hey [II7] now when the [V] world comes [iii7] in
[I] They come they [II7] come
[V] To build a wall be- [iii7] tween us
[I] We know that they [I] won't win [II7]

[I] I'm not good-[ii7]looking, [V7] I'm not too [I] smart
I [ii7] may be foolish but I've [II7] got a [V7] heart
[I] I love the [ii7] flowers, I [V7] love the [Imaj7] sun
[Vdim] But [V] when I [II7] try to [V] love the [iii] girls
They [vi7] laugh at [II7] me and [ii7] run [V7]

[I] Don't laugh at [iii7] me [vi7] 'cause I'm a [ii7] fool [V7]
[I] I know it's [iii7] true, [vi7] yes I'm a [v6] fool [VI7]
[ii7] No-one seems to [V7] care
[V7] I'd give the [iii] world to [vi] share my life with [vi7] some[II7] one
[II7] Who really [ii7] loves [V7] me
[I] I see them [iii7] all [vi7] falling in [ii7] love [V7]
But [I] my lucky [I7] star hides up [IV] above [VI7]
[IV] Someday may[II7] be my star will [I] smile on [iii6] me
[ii7] Don't laugh at me, 'cause [V] I'm a [I] fool [II7] [ii7] [V7]

Intro: [i] [iv] [i] [iv]
[i] Baby, do you under[VII]stand me now
[VI] Sometimes I feel a little [V7] mad
But [i] don't you know no one can [VII] always be an angel
[VI] When things go wrong I [V7] go bad
But [III] I'm just a soul whose [i] intentions are good
[iv] Oh Lord please don't let me be misunder[i]stood [iv] [i] [iv]

[i] Baby sometimes I'm [VII] so carefree
[VI] With a joy that's hard to [V7] hide
And [i] sometimes it seems that all I [VII] have is worry
[VI] Then you're bound to see my [V7] other side
But [III] I'm just a soul whose [i] intentions are good
[iv] Oh Lord please don't let me be misunder[i]stood [iv] [i] [iv]

[VI] If I seem [VII] edgy I [VI] want you to [VII] know
[VI] That I never [VII] mean to take it [III] out on you
[VI] Life has its [VII] problems and [VI] I get my [VII] share
[VI] And that's one [VII] thing I never [V7] meant to do ..cause I love you

[i] Oh oh oh oh baby [VII] don't you know I'm human
[VI] Have thoughts like any [V7] other man
[i] Sometimes I find myself [VII] long regretting
[VI] Some foolish thing some [V7] simple thing I've done
But [III] I'm just a soul whose [i] intentions are good
[iv] Oh Lord please don't let me be misunder[i]stood [iv] [i] [iv]

Yes [III] I'm just a soul whose [i] intentions are good
[iv] Oh Lord please don't let me be misunder[i]stood [iv]

Don't let [V] the old man in,
I wanna [I] live me some more.
Can't leave it [II] up to him,
He's knocking [V] on my door.

[NC] And I [V] knew all of my life,
that some-[I]day it would end.
Get up and [II7] go outside,
Don't let the [V] old man in.

[V7] Many [I] moons I have lived
My body's [V] weathered and worn
Ask yourself how [VI7] old would you be
If you didn't know the [II] day you were born

[NC] Try to [V] love on your wife
And stay [I] close to your friends
Toast each [II7] sundown with wine
Don't let the [V] old man in.

Hummm along to instrumental interlude

Don't let [V] the old man in,
I wanna [I] live me some more.
Can't leave it [II] up to him,
He's knocking [V] on my door.

[V7] Many [I] moons I have lived
My body's [V] weathered and worn
Ask yourself [VI7] how old would you be
If you didn't know the [II] day you were born

And you feel that [I] cold bitter wind
Look out your [II] window and smile, don't let the [V] old man in
Look out your [II] window and smile, don't let [V] the old man in.

Don't Let The Sun Go Down On Me

[IV] [bIII] [ii] [VII] [IV] [VII]

[I] I can't light no more of [VII] your [IV] darkness
[VII] All my pictures, seem to fade to black and [I] white
[I] I'm growing tired, and time stands still [VII] before [IV] me
[VII] Frozen here, on the ladder of my [I] life

[VII] Closed the door and left me [IV] blinded me by the [I] light

[IV] Don't let the sun go down on me

[IV] I'd just allow a fragment of your [v] life----[I]---- to wander [IV] free [bIII]

[I] Don't discard me, baby don't just be-[VII]cause you think I mean you [IV] harm
[VII] But these cuts I have, they [IV] need love to help them [I] heal

[Imaj7] Don't let the [IVmaj7] sun catch you [Imaj7] cryin' [IVmaj7]
[Imaj7] The night's the [IVmaj7] time for all your [V] tears [V7]

[I] Think of you with [V] pipe and slippers
[IV] Think of her in [V] bed
[IV] Laying there just [I] watching telly then [II7] think of me in[V] stead

[I] Think of you with [V] pipe and slippers
[IV] Think of her in [V] bed
[IV] Laying there just [I] watching telly then [II7] think of me in[V] stead
I'll [I] never grow so [V] old and flabby, [IV] that could never [V] be
[IV] Don't marry [V] her, have [I] me

Your [I] love light shines like [V] cardboard
But your [IV] work shoes are [V] glistening
She's a [IV] PHD in 'I [I] told you so'
You've a [II7] knighthood in 'I'm not [V] listening'
She'll [I] grab your Sandra [V] Bullocks and [IV] slowly raise the [V] knee
[IV] Don't marry [V] her, have [I] me

CHORUS:
And the [I] Sunday sun shines down on San Fran[IV] cisco [I] Bay
And you [IV] realise you can't make it any[I] way
You have to wash the car, take the [IV] kiddies to the [I] park,
[IV] Don't marry [V] her, have [I] me

Those [I] lovely Sunday [V] mornings
With [IV] breakfast brought in [V] bed
Those [IV] blackbirds look like [I] knitting needles [II7] trying to peck your [V] head
Those [I] birds will peck your [V] soul out and [IV] throw away the [V] key
[IV] Don't marry [V] her, have [I] me

And the [I] kitchen's always [V] tidy
The [IV] bathroom's always [V] clean
She's a di[IV] ploma in 'just [I] hiding things', you've a [II7] first in 'low e[V] steem'
When your [I] socks smell of [V] angels, but your [IV] life smells of [V] Brie
[IV] Don't marry [V] her, have [I] me

Chorus
[I] Think of you with [V] pipe and slippers
[IV] Think of her in [V] bed
[IV] Laying there just [I] watching telly then [II7] think of me in[V] stead

And the [I] Sunday sun shines down on San Fran[IV] cisco [I] Bay
And you [IV] realise you can't make it any[I] way

[IV] Don't sit on my Jimmy Shands, [I] don't sit on my Jimmy Shands

[I] A young cowboy named Billy Joe grew [V7] restless on the [I] farm

He [IV] changed his clothes and shined his boots and combed his dark hair down
And his [I] mother cried as he walked out

Don't [IV] Take Your Guns To [I] Town son

[IV] Leave your guns at [I] home Bill

He sang a song as on he rode his [V7] guns hung at his [I] hips
He rode into a cattle town a [V7] smile upon his [I] lips
He [IV] stopped and walked into a bar and laid his money down
But his [I] mother's words echoed again

Don't [IV] Take Your Guns To [I] Town son
[IV] Leave your guns at [I] home Bill
Don't [IV] Take Your Guns To [I] Town

Don't [IV] Take Your Guns To [I] Town

Bill was raged and Billy Joe reached [V7] for his gun to [I] draw

[I] It ain’t no use to [V] sit and wonder [vi] why, babe
[IV] It don’t matter, any-[V7]how.
[I] And it ain’t no use to [V] sit and wonder [vi] why, babe
[II7] If you don’t know by [V] now. [V7]
When your [I] rooster crows at the [I7] break of dawn
[IV] Look out your window and [II7] I’ll be gone
[I] You’re the [V] reason I’m [vi] trav’lin’ [IV] on
[I] Don’t think [V] twice, it’s all [I] right. [V]

[I] It ain’t no use in [V] turnin’ on your [vi] light, babe
[IV] A light I never [I] knowed [V]
[I] An’ it ain’t no use in [V] turnin’ on your [vi] light, babe
[II7] I’m on the dark side of the [V] road [V7]
But I [I] wish there was somethin’ you would [I7] do or say
To [IV] try and make me change my [II7] mind and stay
[I] We never [V] did too much [vi] talkin’ any-[IV]way
[I] So don’t think [V] twice, its all [I] right.

[I] So it ain’t no use in [V] callin’ out my [vi] name, gal

Where I’m [IV] bound, I can’t [I] tell [V]
[I] But goodbye is [V] too good a [vi] word, babe
[II7] So I’ll just say fare thee [V] well [V7]
[I] I ain’t sayin’ you treated [I7] me unkind

Whistle 2x [I], [ii], [IV], [I]

[I] Here's a little song I wrote, [ii] and you can learn it note for note,
Don't [IV] worry, be [I] happy

In every life we have some trouble,
[ii] when you worry you make it double,
Don't [IV] worry, be [I] happy

Ooh's 2x [I] [ii] [IV] [I]

[I] Aint got no place to lay your head, [ii] somebody came and took your bed,
Don't [IV] worry, be [I] happy

The Landlord say your rent is late, [ii] he may have to litigate,
Don't [IV] worry, be [I] happy

Whistle 2x [I] [ii] [IV] [I]

[I] Aint got no cash, aint got no style, [ii] aint got no goal to make you smile,
Don't [IV] worry, be [I] happy

Cos when you worry, your face will frown, [ii] and that will bring everybody down,
Don't [IV] worry, be [I] happy

Ooh's 2x [I] [ii] [IV] [I]

[I] Here's a little song I wrote, [ii] and you can learn it note for note,

[IV] Well it's been building up inside of me for
[VII] oh, I don't know [I] how long.
[IV] I don't know why, but I keep thinkin'
[VII] somethin's bound to [I] go wrong.
[v] But she looks [I] in my eyes,
[vi] And makes me [II7] realize,

When she [V] says, don't worry baby.
Don't worry [vi] baby,
[II7] Everything will turn [V] out all right.
Don't worry [vi] baby,
[II7] Baby, [Isus4] ooh, [I7] ooh.

[IV] I guess I should've kept my mouth shut when I
[VII] started to brag [I] about my car;
[IV] But I can't back down now because I've
[VII] pushed the other [I] guys too far.
[v] She makes me [I] come alive,
[vi] and makes me [II7] wanna drive,

When she [V] says, don't worry baby.
Don't worry [vi] baby,
[II7] Everything will turn [V] out all right.
Don't worry [vi] baby,
[II7] Baby, [Isus4] ooh, [I7] ooh.

[IV] She told me, "Baby when you race today just
[VII] take along my [I] love with you,
[IV] And if you knew how much I love you baby,
[VII] nothing could go [I] wrong with you.
[v] Oh what she [I] does to me,
[vi] when she makes [II7] love to me.

When she [V] says, don't worry baby.
Don't worry [vi] baby,

Don't worry [vi] baby,

[I]

I dreamed I [I] walked in heaven just the other night,
there was so much beauty, so much [I7] light
Don't you [V7] wish it was true;
don't you [I] wish it was true?

An [I] angel took my hand, said you don't have to hurry,
you got all the time in the world, don't [I7] worry
Don't you [V7] wish it was true;
Lord, don't you [I] wish it was true?

But if to-[IV]morrow everybody was your [I] friend,
anyone could take you [V7] in,
no matter what or where you've [I] been

But if to-[IV]morrow everybody had e-[I] nough,
the world wasn't quite so [V7] rough
Lord, don't you wish it was [I] true?

He said the [I] World's gonna change and it's starting today,
there'll be no more armies, no more [I] hate
Don't you [V7] wish it was true;
don't you [I] wish it was true?

And [I] all the little children who live happily,
there'll be singing and laughter, sweet harmo-[I7]ny
Don't you [V7] wish it was true;
Lord, don't you [I] wish it was true?

But if to-[IV]morrow, everybody under the [I] sun, was happy just living as [V7] one;
no borders or battles to be [I] won

But if to-[IV]morrow, everybody was your [I] friend, happiness would never [V7] end,

[I] [I] [vi] [vi] [ii] [ii] [V7] [V7]/

[V7] Don't get me [I] wrong, if I'm looking kind of [vi] dazzled,
I see [ii] neon lights, whenever you walk [V7] by.
[V7] Don't get me [I] wrong, if you say hello and [vi] I take a ride,
Upon a sea where the [ii] mystic moon,
Is playing havoc [V] with the tide,
Don't get me [I] wrong [I] [vi] [ii] [V7]/

[V7] Don't get me [I] wrong, if I'm acting so dis-[vi]tracted,
I'm thinking about the [ii] fireworks,
That go off when you [V7] smile

Don't get me [I] wrong, if I split like light re-[vi]fracted,
I'm only off to [ii] wander, [V7] across a moonlit [I] mile,

[ii] Once in a [V7] while, [ii] two people [V7] meet
[ii] Seemingly for no [V7] reason
They just [ii] pass on the [V7] street
[ii] Suddenly [V7] thunder [ii], showers every[V7]where
[V7] Who-can-explain-the- thunder-and-rain
But-there's-something-in-the, air

[I] [I] [vi] [vi] [ii] [ii] [V7] [V7] x2

[V7] Don't get me [I] wro-oo-ong, if I come and go like [vi] fashion,
I might be great to-[ii]morrow, but hopeless yester-[V7]day,

[V7] Don't get me [I] wro-oo-oo-ong, if I fall in the mode of [vi] passion,
It might be unbe-[ii]lievable, [V7] but let's not say so [vi] long,
It might just be fan-[ii]tastic
[V7] Don't get me [vi] wrong [vi]

Seems to [I] help, I know, [IV] down[V]town

Just [I] listen to the music of the [vi] traffic in the city
[I] Linger on the sidewalk where the [vi] neon signs are pretty
[iii7] How can you lose?
[IV] The [V7] lights [IV] are [V7] much [IV] brigh[V7]ter [IV] there
[V7] You [IV] can [V7] for-[II7]get all your troubles, forget all your cares

So go [I] down[Imaj7]town
[IV] Things will be [V] great when you're [I] down[Imaj7]town
[IV] You'll find a [V] place for sure, [I] down[Imaj7]town
[IV] Everything's [V] waiting for [I] you

[I] Down[IV]town [Imaj7] [IV], [I] Down[IV] town [Imaj7] [IV]

[I] Don't hang [Imaj7] around and let your [IV] problems su[V7]rround you
There are [I] movie [Imaj7] shows [I] down[V]town
[I] Maybe you [Imaj7] know some little [IV] places to [V7] go to
Where they [I] never [Imaj7] close [I] down[V]town

Just [I] listen to the rhythm of a [vi] gentle bossa nova
[I] You'll be dancing with 'em too be[vi]fore the night is over
[iii7] Happy again
[IV] The [V7] lights [IV] are [V7] much [IV] brigh[V7]ter [IV] there
[V7] You [IV] can [V7] for[II7]get all your troubles, forget all your cares

So go [I] down-[Imaj7]town,

Well, [I] all the parties on the streets are talking
[vi] Store front mannequins [I] sleeping in lights.
[IV] We used to smoke while we were jaywalking,
like it was your birthday every other Saturday [I] night.
[I] Knew the bands so we never payed our cover.
[I] Wrote our names on the bathroom [vi] tiles.
[IV] We never dressed to impress all the others,
[IV] they would let us in on a laid back kind of [V] style.
But, boy you know it's been a while.

> I don't know [I] why you don't take me downtown,
> [vi] like you got [I] anywhere better to be.
> Talk it [IV] up and give me the go round round like a good time tease.
> I'm only [I] countin' on your cancellation,

> Ohhhhhhhh any-[IV]more.

[I] I got some platforms sitting in the [vi] corner.
[I] They wanna stroll on a [II] city sidewalk.
[IV] I got a dress that'll show a little uhhh uh,
but [I] you ain't getting uhh ohh if you don't come pick me [V] up
Show me off (wow), you might be [V] tired but I'm not!

My friend [III] George is a [VI] drag queen called [III] Nancy
Pray tell me [VI] which are you to-[VII]night? [VII7]
If you're [III] George then let's [VI] have a game of [III] snooker [i7]
If you're [i] Nancy let's t[VI]urn out the [VII] light. [VII7]

For George [III] is a [VI] foreman in a [VII] coalmine [III]
But changes when the [i] hooter goes at [VII] five
From a [III] snooker playing [VI] friend of your's [III] truely [i7]
To the [III] man I would [VI] like to make my [VII] wife. [VII7]

For [III] Nancy brings me [VI] midnight satis[III]faction
And stays with me un-[i]til the morning [VII] light
Then he's [III] off to his [VI] work down a [III] coal shaft [i7]
Where he [i] ain't such a [IV] delicate [VII] sight. [VII7]

Oh [III] Nancy you're the [VI] girl that I [III] think of,
But George I [i] know she's part of [VII] you
But it's [III] Nancy not [VI] you that I [III] fancy [i7]
Tell me [III] George tell me [VI] what can I [VII] do? [VII7]

I'm in [III] love with half a [VI] man that's a [III] lady
And the half that ain't no [i] lady's my best [VII] friend
[III] Nancy I would [VI] like to share my [III] name with [i7]
But [III] George is not the [VI] type I could [VII] offend [VII7]

So [III] George take off your [VI] dress put on your [III] trousers
I've gotta shake your [i] Nancy from my [VII] head
So [III] tonight I am [VI] dining with a-[III]nother [i7]
One half called [v] Freda .....And the [VII] other half is [III] Fred

[I] Day after day I'm more con-[V]fused
[I] Yet I look for the [II] light in the pouring [V] rain
[I] You know that's a game that I hate to [V] lose
[vi] And I'm feelin' the strain, [I] ain't it a shame

[I] Beginning to think that I'm wastin' [V] time
[I] I don't under-[II]stand the things I [V] do
[I] The world outside looks so un-[V]kind
[vi] So I'm countin' on you [I] to carry me through

[I] Drifting through the winding lanes of [V7] Kent
[V7] On my way to Canterbury, because of the [I] big P
[I] On my way to Canterbury, for the helping of my [IV] kin you see
I'm [V7] drifting through the winding lanes of [I] Kent.

Wind-[I] ing my way up Lympne Hill past the Shepway [V7] Cross
[V7] Autumn colours painted on the [I] trees
[I] Passing by the Stanford 'Drum', on our way to [IV] Farthing Common
[V7] A more beautiful landscape you will never [I] see.

> [I] Drifting through the winding lanes of [V7] Kent
> [V7] On my way to Canterbury, because of the big [I] P
> [I] On my way to Canterbury, for the helping of my [IV] kin you see
> I'm [V7] drifting through the winding lanes of [I] Kent.

With [I] Romney Marsh in the distance as [V7] far as you can see
[V7] We enter the technicolor [I] canopy
[I] Fingers of branches with sunlight peeking [IV] through
The [V7] patchwork green & brown, no more can you see [I] the blue.

> [I] Drifting through the winding lanes of [V7] Kent
> [V7] On my way to Canterbury, because of the big [I] P
> [I] On my way to Canterbury, for the helping of my [IV] kin you see
> I'm [V7] drifting through the winding lanes of [I] Kent.

With the [I] George Inn on the left, [V7] Misling on the right
[V7] Bright pink dovecote beauti-[I] ful in the sunshine
The [I] sign for Stelling Minnis means [IV] turn off to the right
Whilst the [V7] cotton candy puffs of cloud are [I] rising in the sky.

> [I] Drifting through the winding lanes of [V7] Kent

> [I] On my way to Canterbury, for the helping of my [IV] kin you see

The [vi] Roman road to Canterbury is pleasing to the [I] eye
The [I] seasons of the countryside can be seen from sea to [vi] sky
The [vi] journey's therapeutic you [IV] know
[V7] The landscape and the fauna of Kent will [I] surely make you glow

Harmonizing Chorus

[I] Drifting - Drifting through the [V7] winding lanes of Kent
[V7] Drifting - Drifting through the [I] winding lanes of Kent
[I] Drifting - Drifting through the [IV] winding lanes of Kent
[V7] Drifting through the winding lanes of [I] Kent

The oast-[I] house comes into view with [V7] Petham coming next
[V7] Upper Hardres over on the [I] right
[I] Chequers Inn is next in line and the [IV] Granville's food is mighty fine
[V7] With Knackington Church our journey's close to [I] end.
