[I] [IV] [I] [IV]

[I] Just like the driftwood of a dream,
left on the [IV] seashore of [V] sleep.
[I] Just like the words that wouldn't rhyme,
lost in the [IV] desert of [V] time.
Time waits for [ii] no-one at all,
[V] no, not even you.
You thought you'd [ii] seen it all before,
[V] you really thought you knew.

[I] I don't remember what was said,
in the con-[IV]fusion that [V] night.
[I] I only know what's on my mind,
what's in the [IV] future we will de-[V]cide.
Time waits for [ii] no-one at all,
[V] no, not even you.
You thought you'd [ii] seen it all before,
[V] you really thought you knew.

I've [iv] shattered the illusion, of [i] fortune and of [iv] fame.
But [I] darling now I [IV] know you, life can [I] never be the [IV] same.
Oh [V] no, don't leave me [ii] driftwood, [V] on the [I] shore.

[I] [IV] [V] [I] [IV] [V]

[V] Time waits for [ii] no-one my love,
[V] no, not even you.
You thought you'd [ii] seen it all before,
[V] you really thought you knew.

I've [iv] shattered the illusion, of [i] fortune and of [iv] fame.
I'm [I] waking up, I'm [IV] reaching up, I'm [I] getting up from this [IV] game.
Oh [V] no, don't leave me [ii] driftwood, [V] on [I] the shore.
[IV] Oh, no [V] don't, don't leave me [ii] driftwood, [V] on the [I] shore.
[IV] Whoa, [V] no, don't leave me [ii] driftwood, [V] on the [I] shore.

[ii] [V] [ii] [V]
[I] Everything is [IV6] open, [Vsus4] nothing is set in [V] stone
[I] Rivers turn to [IV6] ocean, [Vsus4] oceans tide you [V] home
[I] Home is where the [IV6] heart is, but [Vsus4] your heart had to [V] roam
[I] Drifting over [IV6] bridges [Vsus4] never to [V] return
[Vsus4] Watching bridges [V] burn

You're [I] driftwood [V] floating under-[ii]water
Breaking into [IV6] pieces, pieces, pieces
Just [I] driftwood, [V] hollow and of [ii] no use
Waterfalls will [IV6] find you, bind you, grind you

[I] Nobody is an [IV6] island, [Vsus4] everyone has to [V] go
[I] Pillars turn to [IV6] butter, [Vsus4] butterflying [V] low
[I] Low is where your [IV6] heart is but [Vsus4] your heart has to [V] grow
[I] Drifting under [IV6] bridges, [Vsus4] never with the [V] flow

And you [ii] really didn't think it would [V] happen
But it [ii] really is the end of the [V] line
So I'm [I] sorry [V] that you've turned to [ii] driftwood
But you've been [IV6] drifting for a long, long [I] time

[ii] [V] [ii] [V] - [ii] [V] [ii] [ii]
[I] Everywhere there's [IV6] trouble, [Vsus4] nowhere's safe to [V] go
[I] Pushes turn to [IV6] shovels, [Vsus4] shoveling the [V] snow
[I] Frozen you have [IV6] chosen the [Vsus4] path you wish to [V] go
[I] Drifting now [IV6] forever [Vsus4] and forever [V] more
[Vsus4] Until you reach your [V] shore

You're [I] driftwood [V] floating under-[ii]water
Breaking into [IV6] pieces, pieces, pieces

[I] I got my driver[?]s license last week
Just like we always talked a-[vi]bout
'Cause you were so excited for me
To finally drive up to your [IV] house
But today I drove through the suburbs
Crying 'cause you weren't a-[I]round

[I] And you're probably with that blonde girl
Who always made me doubt
[vi] She's so much older than me
She's everything I'm insecure about
Yeah, to-[IV]day I drove through the suburbs
'Cause how could I ever love someone [I] else?

> And I [IV] know we weren't perfect
> but I've never felt this way for [I] noone [V]
> And [IV] I just can't imagine how you could be so okay
> now that [I] I'm gone [V]
> I guess [vi] you didn't [V] mean what you
> [I] wrote in that [iii7] song a-[IV]bout me
> 'Cause [IV] you said forever,
> now [V] I drive alone past your [I] street

[I] And all my friends are tired
of hearing how much I miss you, but
[vi] I kinda feel sorry for them
'Cause they'll never know you the way that I do, yeah
To[IV] day I drove through the suburbs
and pictured I was driving home [I] to you

Chorus

[vi] Red lights, stop signs
[IV] I still see your face in the [I] white cars, front yards
[V] Can't drive past the places we [vi] used to go to
'Cause [IV] you know I still love you,[I] babe
[V] Oooooooo

[vi] Sidewalks we crossed
[IV] I still hear your voice in the [I] traffic
We're laughing [V] over all the noise
God I'm [vi] so blue, know we're through
'Cause [IV] you know I still love you,[I] babe
[V] Ooooooooh

Dublin In The Rare Old Times

artist:The Dubliners writer:Pete St. John

https://www.youtube.com/watch?v=9T7OaDDR7i8

[I] Raised on songs and [IV] sto-[I]ries, heroes of re-[vi]known
The [I] passing tales and [IV] glo-[I]ries, that [V] once was [IV] Dublin [V] town
The [I] hallowed halls and [IV] hou-[I]ses, the [I] haunting children's [vi] rhymes
That [I] once was part [IV] Dublin, [I] in the [V] rare old [I] times

[I] Ring a ring a [IV] ros-[I]ie, as the light de-[vi]clines
I re-[I]member Dublin [IV] City, [I] in the [V] rare old [I] times

My [I] name it is Sean [IV] Demp-[I]sey, as Dublin as could [vi] be
Born hard [I] and late in [IV] Pimli-[I]co, in a [V] house that's [IV] ceased to [V] be
By [I] trade I was a [IV] coo-[I]per, lost [I] out to redundan-[vi]cy
[I] Like my house that fell to [IV] pro-[I]gress, my trade's a [V] memo-[I]ry

I [I] courted Peggy [IV] Diag-[I]nam, as [I] pretty as you [vi] please
I [I] roved with a child of [IV] Ma-[I]ry, from the [V] rebel [IV] liber-[V]ties
I [I] lost her to a [IV] student [I] chap, with [I] skin as black as [vi] coal
When he [I] took her off to [IV] Birming-[I]ham, he [V] took away my [I] soul

[I] Ring a ring a [IV] ros-[I]ie, as the light de-[vi]clines
I re-[I]member Dublin [IV] City, [I] in the [V] rare old [I] times

The [I] years have made me [IV] bi-tter, [I] the gargles dims me [vi] brain
'Cause [I] Dublin keeps on [IV] chan-[I]ging, and [V] nothing [IV] seems the [V] same
The [I] Pillar and the [IV] Met have [I] gone, the [I] Royal long since pulled [vi] down
As the [I] great and unyielding [IV] con-[I]crete, makes a [V] city of my [I] town

[I] Ring a ring a [IV] ros-[I]ie, as the light de-[vi]clines
I re-[I]member Dublin [IV] City, [I] in the [V] rare old [I] times

[I] Fare thee well sweet Anna [IV] Li-[I]ffey, I can no longer [vi] stay
And [I] watch the new [IV] glass ca-[I]ges, that [V] spring up a-[IV]long the [V] quay
My [I] mind's too [IV] full of [IV] memo-[I]ries, too old to hear new [vi] chimes
I'm a [I] part of what was [IV] Dublin, [I] in the [V] rare old [I] times

- repeat x1

[I] Ring a ring a [IV] ros-[I]ie, as the light de-[vi]clines
I re-[I]member Dublin [IV] City, [I] in the [V] rare old [I] times

Dunna Thay Want May

A song in the Potteries dialect adapted from "Don't You Want Me"

[ii] 1234 1234
Thay wos [VII] working as a frier in an [Isus4] oatcake [I] shop
[VII] When I [IV] met [I] you
I [VII] picked thay out, I shook thay up, and [Isus4] turned thay a-[I]rint
[VII] Turned thay into some-[IV]one [I] new
Now [VII] five years later on, thay's got the [Isus4] world at thay [I] feet
Suc-[VII]cess has been so easy [IV] for [I] you
But [VII] don't forget it's may who put thay [Isus4] where thay are [I] now
And [VII] I can put thay back [IV] there [I] too

> [ii] Dunna, dunna thay [vi] want may?
> Thay [VII] knowst I canna believe it
> When I [v] hear thay wanna [Isus4] see [I] may
> [ii] Dunna, dunna thay [vi] want may?
> Thay [VII] knowst I dunna believe thay
> When I [v] hear thay dunna [Isus4] need [I] may
> It's [II] much too late to find
> To [iii7] think thay's changed thay mind
> Thay's [ii] better change it back or we will [VI7] both be sorry
>

> [VII] Dunna thay want may, [I] baby?
> [VII] Dunna thay want may [I] oh – oh oh oh

Thay [VII] wos working as a frier in an [Isus4] oatcake [I] shop
[VII] That much [IV] is [I] true
But [VII] now thay wanna go n' [Isus4] fend for thee-[I]sen
[VII] Gotta try sum-[IV]mit [I] new
The [VII] five years we have had, have bin [Isus4] owe [I] rate
[VII] I wish [IV] thay [I] luck
But [VII] now thay needs to do what thay [Isus4] hast to [I] do
So [VII] all I'll say is [IV] ta-ra [I] duck

Dutchman, The

artist:Liam Clancy writer:Michael Peter Smith

Most from Meisterdieb on https://tabs.ultimate-guitar.com

The [I] Dutchman's not the kind of man to keep his thumb jammed in the dam
That [ii] holds his dreams in [ii]
[V] But that's a secret that only [I] Margaret knows.
[I] When Amsterdam is golden,
In the morning Margaret brings him breakfast, [ii]
She believes him. [V]
[V] He thinks the tulips bloom [I] beneath the snow.
He's mad as [ii] he can be, but [V] Margaret only [I] sees that [V] sometimes,
[vi] Sometimes she [ii] sees her unborn [V] children in his [I] eyes.

Let us [ii] go to the [V] banks of the [I] ocean [V] [vi]
[ii] Where the walls rise a-[V]bove the Zuider [I] Zee. [V] [vi]
Long a-[ii]go, I [V] used to be a [I] young man [V] [vi]
And dear [ii] Margaret re-[V]members that for [I] me.

[I] The Dutchman still wears wooden shoes, his cap and coat are patched with the love
That [ii] Margaret sewed there. [ii]
[V] Sometimes he thinks he's still in [I] Rotterdam.
He [I] watches the tug-boats down canals
An' calls out to them when he thinks he [ii] knows the Captain. [ii] [V]

Long a-[ii]go, I [V] used to be a [I] young man [V] [vi]
And dear [ii] Margaret re-[V]members that for [I] me.

Ohh the [I] windmills swirl the winter wind, she winds his muffler tighter
[ii] they sit in the kitchen. [ii]
[V] And a tea with whiskey keeps a-[I]way the dew. He sees her for a moment, calls her name
She makes the bed up humming [ii] some old [V] love song,
She learned it when the tune was [I] very new
He hums a [ii] line or two, they [V] hum together in the [I] night. [V] [vi]
The Dutchman [ii] falls asleep and [V] Margaret blows the [I] candle out.

Let us [ii] go to the [V] banks of the [I] ocean [V] [vi]

Dyin' Breed

[I]

[I] I like to slow dance, with a young thing, to an old melo-[IV]dy
A [V] full figured woman, who can really, hold it a-[I]gainst me
And when I drink a little beer, my words don't always come out [IV] easy
Brother [ii] you and me, are the [V] last of the dying [I] breed

I like to ride my horse, through the pasture, and just look at the [IV] cows
And maybe [V] roll one up, in the saddle, and just mellow [I] out
Sometimes I sit on a barstool, and lie to them barmaids till [IV] three
Brother [ii] you and me, are the [V] last of the dying [I] breed

They don't make them like [IV] us anymore [V]
Not like they [I] did before
[I] Still country [II] down to the core
Just two old [V] dinosaurs

I love them [I] old western movies, with a two fisted [IV] story
And I [V] still get a lump in my throat, when they wave Old [I] Glory
A two inch steak, and cheap cigar, is my [IV] creed
Brother [ii] you and me, are the [V] last of the dying [I] breed

[I] [IV] [V] [I]

They don't make them like [IV] us anymore
[V] Not like they [I] did before
[I] Still country [II] down to the core
Just two old [V] dinosaurs

Now if we [I] make to heaven, those honky tonk angels will [IV] sing
Brother [ii] you and me, were the [V] last of the dying [I] breed

[V] Oh, don't de-[I]ceive me, [V] Oh never [I] leave me,

Oh [I] gay is the garland, and [IV] fresh are the [V] roses,

A [I] crown of thorns placed [vi] on his head,
He [I] knew that He would [vi] soon be dead,
He [IV] said "Did You for-[V]get me, Father, [I] did [V] You?"
They [I] nailed him to a [IV] wooden [V] cross,
Soon [vi] all the world would [IV] feel the loss,
Of [V] Christ the King, be-[III7]for His Halle-[vi]lujah,

Halle- [IV] lujah, Halle-[vi] lujah,
Halle- [IV] lujah, Halle [I] lu--- ---[V] jah [I]

He [I] hung His head, and pre-[vi]pared to die,
Then [I] lifted His face up [vi] to the sky,
Said [IV] I am coming [V] home, now Father [I] to [V] You,
A [I] reed, which held His [IV] final [V] sip,
Was [vi] gently lifted [IV] to His lips,
He [V] drank his last, and [III7] gave his soul to [vi] glory.

Halle- [IV] lujah, Halle- [vi] lujah,
Halle- [IV] lujah, Halle [I] lu--- ---[V] jah [I]

The [I] soldier, who had [vi] used his sword,
to [I] pierce the body [vi] of our Lord,
Said, [IV] "Truly, this was [V] Jesus Christ, our [I] Saviour [V] ya.
He [I] looked with fear up-[IV]on his [V] sword,
Then [vi] turned to face His [IV] Christ and [V] Lord,
Fell [V] to His knees [III7] crying Halle-[vi]lujah,

Halle- [IV] lujah, Halle- [vi] lujah,
Halle- [IV] lujah, Halle [I] lu--- ---[V] jah [I]

Took [I] from His head the [vi] thorny crown,
And [I] wrapped Him in a [vi] linen gown,
Then [IV] laid Him down to [V] rest inside the [I] tomb [V]
The[I] holes in His [IV] hand, His feet [V] and side,
Now [vi] in our hearts, we [IV] know He died,
To [V] save us from our-[III7]selves, Oh Halle-[vi]lujah

Halle- [IV] lujah, Halle- [vi] lujah,
Halle- [IV] lujah, Halle [I] lu--- ---[V] jah [I]

Three [I] days went by, a-[vi]gain they came,
To [I] move the stone, to [vi] bless the slain,
With [IV] oil and spice, a-[V]nointing Halle-[I]lujah [V]
But[I] as they went to [IV] move the [V] stone
They [vi] saw that they were [IV] not
a-[V]lone, for [III7] Jesus Christ has risen, Halle-[vi]lujah

Eighteen yellow [V7] roses in a pretty bou-[I]quet. [I7]
When the [IV] boy came to the door
I [I] didn't know what to say.
But [V7] eighteen yellow roses came to-[I]day. [V7]

I [I] opened up the [V7] card to see what it [I] said. [V7]
I [I] couldn't believe my [V7] eyes when I had [I] read [I7]
Though [IV] you belong to another, I [I] love you anyway.
Yes, [V7] eighteen yellow roses came to-[I]day.

> [III] I never doubted your love for a [I] minute.
> [III] I always thought that you would be [I] true.
> [III] But now this box and the flowers [I] in it..
> [III] I guess there's nothin' left for [IV] me to [V7] do.

But [I] ask to meet the [V7] boy that's done this [I] thing. [V7]
And [I] find out if he's got [V7] plans to buy you a [I] ring. [I7]
Cause [IV] eighteen yellow roses will [I] wilt and die one day

El Paso

artist:Marty Robbins writer:Marty Robbins

Marty Robbins: https://www.youtube.com/watch?v=R-y3DB0wLh4 - Thanks Chris Clark for corrections

[I] Out in the West Texas [ii] town of El Paso
[V7] I fell in love with a Mexican [I] girl
Night-time would find me in [ii] Rosa's cantina
[V7] Music would play and Felina would [I] whirl

[I] Blacker than night were the [ii] eyes of Felina
[V7] Wicked and evil while casting a [I] spell
My love was deep for this [ii] Mexican maiden
[V7] I was in love but in vain, I could [I] tell

[IV] One night a wild young [I] cowboy came [IV] in
Wild as the West Texas [I] wind [I7]
[I7] Dashing and daring, a drink he was sharing
[I7] With wicked Felina, the girl that I [IV] loved

So in [V7] anger I:
[I] Challenged his right for the [ii] love of this maiden
[V7] Down went his hand for the gun that he [I] wore
My challenge was answered in [ii] less than a heart-beat
[V7] The handsome young stranger lay dead on the [I] floor

[I] Just for a moment I [ii] stood there in silence
[V7] Shocked by the foul evil deed I had [I] done
Many thoughts raced through my [ii] mind as I stood there
[V7] I had but one chance and that was to [I] run

[IV] Out through the back door of [I] Rosa's I [IV] ran
Out where the horses were [I] tied [I7]
[I7] I caught a good one, it looked like it could run
[I7] Up on its back, and away I did [IV] ride

Just as [V7] fast as I
[I] Could from the West Texas [ii] town of El Paso
[V7] Out to the bad-lands of New Mexi[I]co
[I] Back in El Paso my life [ii] would be worthless
[V7] Everything's gone in life nothing is [I] left

[I] It's been so long since I've seen [ii] the young maiden
[V7] My love is stronger than my fear of [I] death
[IV] I saddled up and [I7] away I did [IV] go
Riding alone in the [I] dark [I7]
[I7] Maybe tomorrow a bullet may find me
[I7] Tonight nothing's worse than this
Pain in my [IV] heart

And at [V7] last here I
[I] Am on the hill over [ii] looking El Paso
[V7] I can see Rosa's cantina be[I] low
My love is strong and it [ii] pushes me onward
[V7] Down off the hill to Felina I [I] go

[I] Off to my right I see [ii] five mounted cowboys
[V7] Off to my left ride a dozen or [I] more
Shouting and shooting I [ii] can't let them catch me
[V7] I have to make it to Rosa's back [I] door

[IV] Something is dreadfully [I7] wrong for I [IV] feel
A deep burning pain in my [I] side [I7]
[I7] Though I am trying to stay in the saddle
[I7] I'm getting weary, unable to [IV] ride

But my [V7] love for
[I] Felina is strong and I [ii] rise where I've fallen
[V7] Though I am weary I can't stop to [I] rest
I see the white puff of smoke [ii] from the rifle
[V7] I feel the bullet go deep in my [I] chest

[I] From out of nowhere [ii] Felina has found me
[V7] Kissing my cheek as she kneels by my [I] side
Cradled by two loving arms [ii] that I'll die for
[V7] One little kiss and Felina, good [I] bye

[iv] Oh Ellan [i] Vannin, of the [iv] Isle of Man Compa-Am]ny,
[iv] Oh Ellan [i] Vannin, [III] lost in the [v] Irish [i] Sea

[i] Less than a mile from the [iv] Bar light-[i]ship,
By a [i] mighty wave Ellan [V] Vannin was [i] hit.
She [i] sank in the [IV] waters of [VII] Liverpool [v] Bay,
And [i] there she lies un-[v]til this [i] day.

[iv] Oh Ellan [i] Vannin, of the [iv] Isle of Man Compa-[i]ny,
[iv] Oh Ellan [i] Vannin, [III] lost in the [v] Irish [i] Sea

You [i] Manxmen [iv] now re-[i]member,
The [i] third day of the [V] month De-[i]cember,
A [i] terrible [IV] storm in [VII] Nineteen [v] Nine,
Ellan [i] Vannin sailed for the [v] very last [i] time.

[iv] Oh Ellan [i] Vannin, of the [iv] Isle of Man Compa-[i]ny,

When the [I] summer day is [IV] over
Its busy [I] cares have [V7] flown
I will [I] sit beneath the [IV] starlight
With A [I] weary [V7] heart [I] alone.

Then it [V7] rises like a [I] vision
Sparkling [IV] bright it shines for [V7] me
My [I] own dear Ellan [IV] Vannin
With its [I] green hills [V7] by the [I] sea.

Let me [I] hear the ocean [IV] murmur
Let me [I] watch your stormy [V7] sky
Then [I] above the emerald [IV] waters
Sings the [I] sea-eagle [V7] as she [I] flies.

Then [V7] arising like a [I] vision
Sparkling [IV] bright it shines for [V7] me
My [I] own dear Ellan [IV] Vannin
With its [I] green hills [V7] by the [I] sea.

And in [I] all my times of [IV] sorrow
And on some [I] lonely [V7] shore
I'll go [I] back to Ellan [IV] Vannin
To my [I] childhood [V7] days once [I] more.

From every [iv] step I can't make
[VI] Feet don't you ever break
[i] Drag me over that [VII] line
Half-[i]way, around the medicine ball

Like you broke the [iv] bank on the ticket
Worth [VI] every damn nickel
Well you [i] got me, that [VII] time

'Cause I've been on the [VI] road one day too [III] long
Can't hear the [VI] record for another sad [III] song
Look at all these [VI] faces can't all be [III] wrong
That's a lot of my [VII] heart out there

[i] [i] [VI] [III] [iv] [VI] [i] [VII]

Did you [i] fly, a million miles
For [VI] every single one that I [III] ran
I don't know [iv] which of us is crazier
[VI] Oh sweet baby
That's the [i] madness, I de-[VII]sire
And there's a [i] twinkle, in the clifted sky
Been [VI] there for-[III]ever
And lights the [iv] way for the waters
The [VI] jackals and the lovers
And the [i] broken street [VII] lights

'Cause I've been on the [VI] road one day too [III] long
Can't hear the [VI] record for another sad [III] song
Look at all these [VI] faces can't all be [III] wrong

Bought me a [I] coffee grinder that's the [IV7] best one I could [I7] find
Bought me a [IV7] coffee grinder that's the best one I could [I7] find
Oh he could [V7] grind my coffee, cause he [IV7] had a brand new [I7] grind [V7]

He can [V7] stay at the bottom and his [IV7] wind holds out so [I7] long [V7]

He [I] knows how to thrill me and he [IV7] thrills me night and [I7] day
Oh he [IV7] knows how to thrill me, he thrills me night and [I7] day
He's got a [V7] new way of loving, almost [IV7] takes my breath a[I7]way [V7]

Lord he's [I] got that sweet somethin' and [IV7] I told my girlfriend [I7] Lou

From the [V7] way she's raving, she must have [IV7] gone and tried it [I7] too [V7]

Bought him a [IV7] blanket, pillow for his head at [I7] night

He came [I] home one evening with his [IV7] beret way up [I7] high
He came [IV7] home one evening with his beret way up [I7] high
What he [V7] had to give me, make me [IV7] wring my hands and [I7] cry [V7]

He give me a [I] lesson that I never [IV7] had be[I7]fore
He give me a [IV7] lesson that I never had be[I7]fore
When he [V7] got to teachin' me, from my [IV7] elbow down was [I7] sore [V7]

He poured [IV7] my first cabbage and he made it awful [I7] hot

There's a pain goes on and [IV] on.
Empty chairs at empty [v] tables
Now my [VI] friends are dead and [ii] gone.

[ii] Here they talked of revolution.
Here it was they lit the [IV] flame.
Here they sang about 'to-[v]morrow'
And to-[VI]morrow never [ii] came.

From the [IV] table [IV7] in the [VII] corner
They could [IV] see a [VII7] world re-[bIII]born
And they [I] rose with voices [IV] ringing
I can [bIII] hear them [II] now!
The very [v] words that [IV] they had [bIII] sung
Be-[i]came their last co-[I7]mmunion
[VII] On the lonely barri-[IV6]cade at [ii] dawn.

[ii] Oh my friends, my friends forgive me
That I live and you are [IV] gone.
There's a grief that can't be [v] spoken.

[bv] Phantom faces at the window.
Phantom shadows on the [VI] floor.
Empty chairs at empty [vii] tables
Where my [bII] friends will meet no [bv] more.

[bv] Oh my friends, my friends, don't ask me
What your sacrifice was [VI] for
Empty chairs at empty [vii] tables
Where my [bII] friends will sing no [bv] more.

Chorus:
En-[I]joy yourself, it's later than you [V7] think
Enjoy yourself, while you're still in the [I] pink
The years go by, as quickly as you [IV] wink
Enjoy yourself, en-[I]joy yourself,
It's [V7] later than you [I] think [I] [I] [I]

You [I] work and work, for years and years, you're always on the [V7] go
You never take a minute off, too busy making [I] dough
Someday you say, you'll have your fun when you're a millio-[IV]aire
Imagine all the [I] fun you'll have in [V7] some old rocking [I] chair

[I] [I] [I]

Chorus

You're [I] gonna take that ocean trip, no matter come what [V7] may
You got your reservation but you just can't get a-[I]way

But how far can you [I] travel when you're [V7] six feet under-[I]ground?

[I] [I] [I]

Chorus

You [I] worry when the weather's cold, you worry when it's [V7] hot
You worry when you're doing well, you worry when you're [I] not

artist:Carl Sigman writer:Carl Sigman , Herb Magidson

Chorus (between each verse):
En-[I]joy yourself, it's later than you [V7] think
[V7] Enjoy yourself, while you're still in the [I] pink
The [I] years go by, as [I7] quickly as a [IV] wink
[IV] Enjoy yourself, en-[I]joy yourself,
It's [ii] later [V7] than you [I] think

[I] You work and work for years and years, you're always on the [V7] go
[V7] You never take a minute off, too busy makin' [I] dough
Some-[I]day, you say, you'll have your fun,
[I7] when you're a million-[IV]aire
[IV] But tell me how much [I] fun you'll have
in your [ii] old [V7] rockin' [I] chair

[I] You're gonna take that ocean trip, no matter, come what [V7] may
[V7] You've got your reservations made, but you just can't get [I] away
Next [I] year for sure, you'll see the world, [I7] you'll really get a-[IV]round
[IV] But how far can you [I] travel when you're [ii] six feet [V7] under-[I]ground?

[I] Your heart of hearts, your dream of dreams, your ravishing bru-[V7]nette
[V7] She's left you and she's now become somebody else's [I] pet
Lay [I] down that gun, don't try, my friend, to [I7] reach the great be-[IV]yond
[IV] You'll have more fun by [I] reaching for a [ii] red head [V7] or a [I] blonde

[I] You never go to nightclubs and you just don't care to [V7] dance;
[V7] You don't have time for silly things like moonlight and ro-[I]mance.
You [I] only think of dollar bills tied [I7] neatly in a [IV] stack;
[IV] But when you kiss a [I] dollar bill, it [ii] doesn't [V7] kiss you [I] back.

[I] You love somebody very much you'd like to set the [V7] date
[V7] But money doesn't grow on trees so you decide to [I] wait
You're [I] so afraid that you will bite off [I7] more than you can [IV] chew
Don't be afraid, you won't [I] have any teeth when [ii] you reach [V7] ninety [I] two

Ernie The Fastest Milkman In The West

artist:Benny Hill writer:Benny Hill

https://www.youtube.com/watch?v=8e1xvyTdBZI

You could [I] hear the hoof beats pound as they raced across the ground,
[vi] And the clatter of the wheels as they went 'round and 'round.
And he [IV] galloped into Market Street, his badge upon his chest,
His name was [V] Ernie, and he drove the fastest milk cart in the [I] west.

Now [I] Ernie loved a widow, a lady known as Sue,
She lived [vi] all alone in Lily Lane at number 22.
They [IV] said she was too good for him, she was haughty, proud and chic,
But [V] Ernie had his cocoa there three times every [I] week.

They called him [I] Ernie, ([vi] Ernie),
And he [IV] drove the fastest [V] milk cart in the [I] west.

She [I] said she'd like to bathe in milk, he said, "All right, sweetheart,"
And [vi] when he'd finished work one night he loaded up the cart.
He [IV] said, "you wanted pasteurised? 'Coz pasteurised is best,"
She says, "[V] Ernie, I'll be happy if it comes up to my [I] chest."

And that tickled old [I] Ernie, ([vi] Ernie),
And he [IV] drove the fastest [V] milk cart in the [I] west. (Ah-Ooh)

Half tone key change up ignored

Now Ernie [I] had a rival, an evil-looking man,
Called T[vi] wo-Ton Ted from Teddington and he drove the baker's van.
He [IV] tempted her with his treacle tarts and his tasty wholemeal bread,
And when she [V] seen the size of his hot meat pies it very near turned her [I] head.

[I] She nearly swooned at his macaroon, and he said "now if you treat me right
You'll have [vi] hot rolls every morning and crumpets every night"
He [IV] knew once she'd sampled his layer cake he'd have his wicked way
And all [V] Ernie had to offer was a pint of milk a [I] day

[I] Poor Ernie ([vi] Ernie),
And he [IV] drove the fastest [V] milkcart in the [I] west. (Ah Ooh)

One [I] lunch time Ted saw Ernie's horse and cart outside her door,
It [vi] drove him mad to find it was still there at half past four.
And as he [IV] leapt down from his van, hot blood through his veins did course,
And he [V] went across to Ernie's cart and he didn't half kick his [I] 'orse.

Whose name was [I] Trigger, ([vi] Trigger),
And he [IV] pulled the fastest [V] milk cart in the [I] west.

Now [I] Ernie rushed out into the street with his gold top in his hand,
He [vi] said, "If you wanna marry Susie you'll fight for her like a man."
"Oh, [IV] why don't we play cards for her?" he sneeringly replied,
"And [V] just to make it interesting we'll have a shilling on the [I] side."

Now [I] Ernie dragged him from his van and beneath the blazing sun,
They [vi] stood there face to face, and Ted went for his bun.
But [IV] Ernie was too quick, things didn't go the way Ted planned,
And a [V] strawberry-flavoured yogurt sent it spinning from his [I] hand.

Now [I] Sue, she came between them and she tried to keep them apart,
And [vi] Ernie pushed her aside, and a rock cake caught him underneath his heart
And he [IV] looked up in pained surprise, as the concrete hardened crust
Of a [V] stale pork pie caught him in the eye and Ernie bit the [I] dust.

Poor [I] Ernie, ([vi] Ernie),
And he [IV] drove the fastest [V] milk cart in the [I] west.

[I] Ernie was only 52, he didn't wanna die,
Now he's [vi] gone to make deliveries in that milk round in the sky.
Where the [IV] customers are angels and ferocious dogs are banned,
And a [V] milkman's life is full of fun in that fairy, dairy [I] land.

But a [I] woman's needs are manifold and Sue, she married Ted,
But [vi] strange things happened on their wedding night as they lay in their bed.
Was [IV] that the trees a-rustling? or the hinges of the gate?
Or [V] Ernie's ghostly gold tops a-rattling in their [I] crate?

They won't forget [I] Ernie, ([vi] Ernie),
And he [IV] drove the fastest [V] milk cart in the [I] west.

[I] [Isus4] [I] [Isus4]

The [I] Eastern world, it [IV] is ex-[V7]plodin'
[I] Violence flarin' [IV], bullets [V] loadin'
You're [I] old enough to kill, but [IV] not for [V] votin'
You [I] don't believe in war, but [IV] what's that gun you're [V] totin'?
And [I] even the Jordan River has, [IV] bodies [V] floatin'

But you [I] tell me, [IV] over and [V] over and [I] over again my [vi] friend
Ah, you [IV] don't believe, we're [V] on the Eve of Des-[I]truction [I] [Isus4] [I] [Isus4] [IV] [V]

[I] Don't you understand what I'm [IV] tryin' to [V] say?
[I] Can't you feel the fears that I'm [IV] feelin' [V] today?
If the [I] button is pushed there's no [IV] running a-[V]way
There'll be [I] no one to save with the [IV] world in a [V] grave
Take a [I] look around you boy, it's [IV] bound to scare you [V] boy

And you [I] tell me, [IV] over and [V] over and [I] over again my [vi] friend
Ah, you [IV] don't believe, we're [V] on the Eve of Des-[I] truction [I] [Isus4] [I] [Isus4] [IV] [V]

My [I] blood's so mad, feels [IV] like coagu-[V7]latin'
[I] I'm sittin' here, [IV] just contem-[V] platin'
[I] Can't twist the truth it [IV] knows no regu-[V]lation
[I] Handful of Senators don't [IV] pass legis-[V]lation
[I] and Marches alone, can't [IV] bring inte-[I]gration,
When [I] human respect is, [IV] disinter-[I]gratin'
[I] This whole crazy world is [IV] just too frus-[V]tratin'.

And you [I] tell me, [IV] over and [V] over and [I] over again my [vi] friend
Ah, you [IV] don't believe, we're [V] on the Eve of Des-[I] truction [I] [Isus4] [I] [Isus4] [IV] [V]

[I] Think of all the hate there [IV] is in Red [V7] China
Then [I] take a look around to [IV] Selma, Ala-[V]bama
[I] You may leave here, for [IV] four days in [V] space
But [I] when you return, it's the [IV] same old [V] place
The [I] pounding of the drums, the [IV] pride and dis-[V]grace
You can [I] bury your dead, but don't [IV] leave a [V] trace,
[I] Hate your next door neighbour but [IV] don't forget to [V] say grace

But you [I] tell me,
[IV] over and [V] over and [I] over and over a-[vi]gain my friend
You [IV] don't believe we're [V] on the Eve of Des-[I]truction
You [IV] don't believe we're [V] on the Eve of Des-[I]truction [I]

[VII] [I] [III] [IV] [VII] [IV]

Every [VII] street that you meet is a Coronation Street.
There's the 'Rover's Return' where old friends love to [IV7] meet. [i] [IV7] [i]
There's the same old mission hall where the [VII] kids go every Sunday morn.
There's the [v] flowers in the window [I] boxes, trim and [IV7] neat. [V] [III] [I
There's the [VII] little corner shop where you can get things on the slate.
And there's the girl at number ten who loves the boy at number [III] eight.
There's the butcher, baker and the window [I7] cleaner
And [VII] ten to one you'll find another [V7] Ena,
For [I7] every street's a [IV7] Coronation [VII] Street.

Key Change

Every [I] street that you meet is a Coronation Street.
There's the 'Rover's Return' where old friends love to [V7] meet. [ii] [V7] [ii]
There's the same old mission hall where the [I] kids go every Sunday morn.

There's the [I] little corner shop where you can get things on the slate.
And there's the girl at number ten who loves the boy at number [IV] eight.
And I bet you all the paint there is in [II7] Chelsea,
You're [I] bound to find yourself another [VI7] Elsie
There's the [II7] corner where the gang all meet,
It's [V] not half way but we repeat -
[II7] Every street's a [V7] Coronation [I] Street.

[ii] Sing a little love song
My love and [IV] myself
If there's something that you want to [I] hear

Everything Stops For Tea

But there [I] isn't any [I7] roar when the [IV] clock strikes [I] four,
Everything [V7] stops for [I] tea.

[V] Oh the [I] factories may be [V7] roaring,
With a [I] booma lacka, [bVII] zooma lacka [V7] wee.
But there [I] isn't any [I7] roar when the [IV] clock strikes [I] four,
Everything [V7] stops for [I] tea.

Oh a [I] lawyer [V7] in the [I] courtroom,
In the [I] middle of [bVII] an alimony [V7] plea.
Has to [I] stop and help 'em [I7] pour, when the [IV] clock strikes [I] four.
Everything [V7] stops for [I] tea.

It's a [vi] very good [III7] English [vi] custom,
Though [vi] the weather be [III7] cold or [vi] hot.
When you [II7] need a little pickup, you'll [V] find a little teacup,
Will [II7] always hit the [V] spot.

[I] You remember [V7] Cleo[I]patra
Had a [I] date to meet [bVII] Mark Anthony at [V7] 3.
When he [I] came an hour [I7] late , she said you'll [IV] have to [I] wait.
Everything [V7] stops for [I] tea.

Oh they [I] may be [V7] playing [I] football,
And the [I] crowd is yelling, [bVII] Kill the [V7] referee!
But no [I] matter what the [I7] score, when the [IV] clock strikes [I] four.
Everything [V7] stops for [I] tea.

Oh the [I] golfer [V7] may be [I] golfing,
And be [I] just about to [bVII] make a hole in [V7] three.
But it [I] always gets them [I7] sore when the [IV] clock yells [I] four.
Everything [V7] stops for [I] tea.

It's a [vi] very good [III7] English [vi] custom,
And a [vi] stimulant [III7] for the [vi] brain.
When you [II7] feel a little weary, a [V] cup will make you cheery
And it's [II7] cheaper than [V] champagne.

Now I [I] know just [V7] why Franz [I] Schubert
Didn't [I] finish his un[bVII]finished [V7] symphony.
He [I] might have written [I7] more, but the [IV] clock struck [I] four.
And everything [V7] stops for [I] tea!

Well I guess it would be [I] nice... if I could touch your body
I know not [IV] everybody... has a body like [I] you
But I've got to think twice... before I give my heart away
And I know [IV] all the games you play... 'cause I play them too [I]
Oh but I [IV] need some time off... from [I] that emotion
[IV] Time to pick my heart up off the [I] floor
Oh when that [IV] love comes down with... [iii] out de-[vi]votion
Well it [ii] takes a strong man baby but I'm [V] showin' you the door

Because I gotta have [I] faith... I gotta have faith
Because I gotta have faith faith faith... I gotta have faith, faith, faith-ah

Ba-[I]by... I know you're asking me to stay
Say please, please, [IV] please don't go away
You say I'm giving you the [I] blues
Ma-a-aybe (huh)... you mean every word you say
Can't help but [IV] think of yesterday
And a lover who [I] tied me down to the lover boy rules

Be-[IV]fore this river... be-[I]comes an ocean
Be-[IV]fore you throw my heart back on the [I] floor
Oh baby I'll [IV] reconsider... my [iii] foolish [vi] notion
Well I [ii] need someone to hold me but I'll [V] wait for something more

Because I gotta have [I] faith, I gotta have faith
Because I gotta have faith faith faith, I gotta have faith, faith, faith-ah

Be-[IV]fore this river... be-[I]comes an ocean
Be-[IV]fore you throw my heart back on the [I] floor
Oh baby I'll [IV] reconsider... my [iii] foolish [vi] notion
Well I [ii] need someone to hold me but I'll

Well we [IV] hadn't gone far in my [I] beat old car
And [II] I was prepared for the [V] worst.
[IV] Will you still see me to-[I]morrow?
[IV] No I got too much to [V] do.

Fare-[I]well Angelina, the [IV] bells of the [I] crown

[I] The triangle tingles and the [IV] trumpets play [V] slow
Fare-[vi]well Ange-[iii]lina, the [vi] sky is on [iii] fire

There's [I] no need for anger, there's [IV] no need for [I] blame

[I] Just a table standing empty by the [IV] edge of the [V] sea means
Fare-[vi]well Ange-[iii]lina, the [vi] sky is [iii] trembling

The [I] jack and the queen have for-[IV]sake the court-[I]yard,

[I] In the space where the deuce and the [IV] ace once ran [V] wild
Fare-[vi]well Ange-[iii]lina the [vi] sky is [iii] falling,

See the [I] cross-eyed pirates sitting [IV] perched in the [I] sun

[I] And the neighbors they clap and they [IV] cheer with each [V] blast
Fare-[vi]well Ange-[iii]lina, the [vi] sky's changing [iii] colour

[IVmaj7] [I] [vi] [V] x4

[IVmaj7] You got a fast [I] car.
[vi] I want a ticket to [V] anywhere.
[IVmaj7] Maybe we make a [I] deal,
[vi] Maybe together we can [V] get somewhere.
[IVmaj7] Any place is [I] better.
[vi] Starting from zero, got [V] nothing to lose.
[IVmaj7] Maybe we'll make [I] something,
[vi] Me myself, I got [V] nothing to prove.

[IVmaj7] [I] [vi] [V] x2

[IVmaj7] You got a fast [I] car.
[vi] I got a plan to [V] get us out of here:
[IVmaj7] I been working at the [I] convenience store,
[vi] Managed to save just a [V] little bit of money.
[IVmaj7] Won't have to drive too [I] far
[vi] Just 'cross the border and [V] into the city,
[IVmaj7] You and I can [I] both get jobs
And [vi] finally see what it [V] means to be living.

[IVmaj7] [I] [vi] [V] x2

You see, [IVmaj7] my old man's got a [I] problem:
He [vi] live with the bottle, that’s the [V] way it is.
He [IVmaj7] says his body's too old for [I] working,
His [vi] body's too young to [V] look like his.
My [IVmaj7] mama went off and [I] left him,
she [vi] wanted more from life than [V] he could give,
I said, "[IVmaj7] Somebody's got to take [I] care of him."
So [vi] I quit school and that's [V] what I did.

[IVmaj7] [I] [vi] [V] x2

[IVmaj7] You got a fast [I] car.
But is it [vi] fast enough so we can [V] fly away?
[IVmaj7] We gotta make a de-[I]cision:
[vi] Leave tonight or live and [V] die this way.

[IVmaj7] [I] [vi] [V] x2

So I remember when: we were [IV] driving, driving [I] in your car,
The [IV] speed so fast I felt like [I] I was drunk,
[vi] City lights lay [IV] out before us
And your [vi] arm felt nice wrapped [V] 'round my shoulder.
And [IV] I [vi] had a [V] feeling that I belonged
And [IV] I [vi] had a [V] feeling I could
[vi] be someone, [IV] be someone, [vi] be someone.

[IVmaj7] [I] [vi] [V] x2

[IVmaj7] You got a fast [I] car.
And [vi] we go cruising to enter-[V]tain ourselves;
[IVmaj7] you still ain't got a [I] job
And I [vi] work in a market as a [V] checkout girl.
[IVmaj7] I know things will get [I] better:
[vi] You'll find work and [V] I'll get promoted,
[IVmaj7] We'll move out of the [I] shelter
[vi] Buy a bigger house and [V] live in the suburbs.

[IVmaj7] [I] [vi] [V] x2

So I remember when: we were [IV] driving, driving [I] in your car,
The [IV] speed so fast I felt like [I] I was drunk,
[vi] City lights lay [IV] out before us
And your [vi] arm felt nice wrapped [V] 'round my shoulder.
And [IV] I [vi] had a [V] feeling that I belonged
And [IV] I [vi] had a [V] feeling I could
[vi] be someone, [IV] be someone, [vi] be someone.

[IVmaj7] [I] [vi] [V] x2

[IVmaj7] You got a fast [I] car.
And [vi] I got a job that [V] pays all our bills.
[IVmaj7] You stay out drinking [I] late at the bar,
You see [vi] more your friends than you [V] do your kids.
[IVmaj7] I'd always hoped for [I] better,
[vi] Thought maybe together [V] you and me would find it,
[IVmaj7] I got no plans I ain't [I] going nowhere,
so [vi] take your fast car and [V] keep on driving.

[IVmaj7] [I] [vi] [V] x2

So I remember when: we were [IV] driving, driving [I] in your car,
The [IV] speed so fast I felt like [I] I was drunk,
[vi] City lights lay [IV] out before us
And your [vi] arm felt nice wrapped [V] 'round my shoulder.
And [IV] I [vi] had a [V] feeling that I belonged
And [IV] I [vi] had a [V] feeling I could
[vi] be someone, [IV] be someone, [vi] be someone.

[I] Are you gonna [VII] take me home to-[IV]night?
[I] Ah down be-[VII]side that red fire-[V]light?
[I] Are you gonna [IV] let it all hang out?
Fat bottomed [I] girls, you make the [V] rockin' world go [I] round [I]

Hey I was [I] just a skinny lad, never knew no good from bad
But I knew life before I left my [V] nursery
Left a-[I]lone with big fat Fanny, she was [IV] such a naughty nanny
Heap big wo-[I]man you made a [V] bad boy out of [I] me, Hey hey!

I've been [I] singing with my band, across the wire across the land
I seen ev'ry blue eyed floozy on the [V] way
But their [I] beauty and their style, went kind of [IV] smooth after a while
Take me [I] to them dirty [V] ladies every-[I]time

[I] Oh won't you [VII] take me home to-[IV]night?
[I] Oh down be-[VII]side that red fire-[V]light?
[I] Oh and give [IV] it all you got
Fat bottomed [I] girls, you make the [V] rockin' world go [I] round [IV]
Fat bottomed [I] girls, you make the [V] rockin' world go [I] round
Hey listen here

[I] Now your mortgages and homes, I got stiffness in the bones
Ain't no beauty queens in this [V] locality (I tell you)
Oh but I [I] still get my pleasure
Still [IV] got my greatest treasure
Heap big [I] woman you made a [V] big man out of [I] me
Now get this

[I] Oh won't you [VII] take me home to-[IV]night?
[I] Oh down be-[VII]side that red fire-[V]light?
[I] Oh you gotta [IV] let it all hang out
Fat bottomed [I] girls, you make the [V] rockin' world go [I] round [IV]

[i] I went to the country to es-[V7]cape the noise and lights
And I [VI] lay there in the [V7] pine cones all [i] night [VII] [i] [VII] [i]
[i] I woke in the morning and [V7] all the trees were gone
[VI7] I got this sinking [V7] feeling [i] everything felt wrong
[iv] There were strip malls and dollar stores and [V7] diesel in the air

[i] So I slept in a rowboat and I [V7] anchored far from shore
Now [VI] I don't hear them [V7] chainsaws no [i] more [VII] [i] [VII] [i]
[i] I woke in the morning when [V7] someone pulled the plug
I was [VI] stranded in the [V7] lake-bottom [i] sludge
[iv] With all the tires, [V7] paint cans, and things

> Well [i] every little [VI] critter in [III] feather fur and [VI] fin
> [III] Cried to mother [VI] nature to come back for them
> For [i] every piece of [VI] litter, for [VII] every little [i] sin
> She cried for [iv] all of them, [VII] feather [i] fur and fin
> She cried for [iv] all of them, [VII] feather [i] fur and fin

[i] So I went to an island down the [V7] Caribbean way
And I [VI] laid there in the [V7] sand all [i] day [VII] [i] [VII]
[i] I turned on a radio and I [V7] heard the DJ say,
"Well [VI7] batten down the [V7] hatches down [i] Santa Elena way."
[iv] I swam the ocean reef, but the [V7] coral all was grey

> Well [i] every little [VI] critter in [III] feather fur and [VI] fin

> She cried for [iv] all of them, [VII] feather [i] fur and fin

[iv] She saw the eagle's eye, [VII] weeping in the willow
[i] She prayed to the mantis, and she [iv] cried into her pillow
[VII] For the salmon in the Fraser, and the [iv] salamander's kin
[i] She cried for [iv] all of them, [VII] yeah feather [i] fur and fin
[i] She cried for [iv] all of them, [VII] feather [i] fur and fin [VII] [i] [VII] [i]

[i] Well I went to the city when [V7] all the trees were gone
And I [VI] laid there on an [b] asphalt [i] lawn [VII] [i] [VII]
[i] And she cried out a thousand days of [V7] hurricanes and floods
Her [VI7] face ran with [V7] tears, and the [i] streets ran with blood

Can't keep my hands to [i] myself

Got another mouth to [i] feed
[III] Leave her with a baby sitter, mama, call the grave digger
[iv] Gone with the fallen [i] leaves
Am I coming out of left field?

> Ooh woo, I'm a rebel just for kicks, now
> [III] Let me kick it like it's 1986, now
> [iv] Might be over now, but I feel it [i] still

[i] We could fight a war for [VI] peace
(Ooh woo, I'm a rebel just for kicks, now)
[III] Give in to that easy living
Goodbye to my hopes and [VI] dreams
Stop [iv] flipping for my ene-[i]mies
We could wait until the walls come [VI] down
(Ooh woo, I'm a [iv] rebel just for kicks, now)
It's [III] time to give a little to the
Kids in the middle, but [VI] oh 'til it [iv] falls
Won't bother [i] me

[VI] Is it coming?
[iv] Is it coming?
[i] Is it coming?
[i] Is it coming?
[VI] Is it coming?
[iv] Is it coming [i] back?

[i] Ooh woo, I'm a rebel just for kicks, yeah
Your [III] love is an abyss for my heart to eclipse, now
[iv] Might be over now, but I feel it [i] still
[i] Ooh woo, I'm a rebel just for kicks, now
[III] I've been feeling it since 1966, now
[iv] Might be over now, but I feel it [i] still
[i] Ooh woo, I'm a rebel just for kicks, now
[III] Let me kick it like it's 1986, now
[iv] Might be over now, but I feel it [i] still
Might've had your fill, but you feel it still

[I] Can you hear the drums Fernando?
I remember long ago another starry night like [vi] this,
In the firelight [ii] Fernando,
You were humming to yourself and softly strumming your [V7] guitar.
I could hear the distant drums, and sounds of bugle calls were coming from a-[I]far.

[I] They were closer now Fernando,
Every hour every minute seemed to last eterna-[vi]lly.
I was so afraid [ii] Fernando.
We were young and full of life and none of us prepared to [V7] die.
And I'm not ashamed to say, the roar of guns and cannons almost made me [I] cry.

There was something in the [V7] air that night,
The stars were bright, Fer-[I]nando.
They were shining there [V7] for you and me, for [V7] liberty, Fer-[I]nando.
Though I [I7] never thought that we could [VI] lose,
There's no re-[II7]gret.
If I had to do the [V7] same again, I [V7] would, my friend, Fer-[I]nando.
If I had to do the [V7] same again, I [V7] would, my friend, Fer-[IV]nando.

[I] Now we're old and grey Fernando.
And since many years I haven't seen a rifle in your [vi] hand.
Can you hear the drums [ii] Fernando?
Do you still recall the fateful night we crossed the Rio [V7] Grande?
I can see it in your eyes, how proud you were to fight for freedom in this [I] land.

There was something in the [V7] air that night,
The stars were bright, Fer-[I]nando.
They were shining there [V7] for you and me,
For [V7] liberty, Fer-[I]nando.
Though I [I7] never thought that we could [VI] lose,
There's no re-[II7]gret.
If I had to do the [V7] same again, I [V7] would, my friend, Fer-[I]nando

There was something in the [V7] air that night,

They were shining there [V7] for you and me,

Though I [I7] never thought that we could [VI] lose, there's no re-[II7]gret.
If I had to do the [V7] same again, I [V7] would, my friend, Fer-[I]nando

fading and slowing

If I had to do the [V7] same again, I would, my friend, Fer-[I]nando.
Yes, if I had to do the [V7] same again, I [V7] would, my friend, Fer-[I]nando.

[i] [VI] [i] [ii7] [V7] [i] [V7]

[i] I have never been aboard a [IV7] steamer
[V7] I am just content to be a [i] dreamer
Even if I could afford a [II7] steamer
[V7] I will take the ferry boat every [I] time [V7]

[I] I love to ride the [IV7] ferry
[ii7] Where music is so [i] merry
There's a [II7] man who plays the concer-[V7]tina
On the moonlit upper deck a-[I7]rena [V7]
[I7] While boys and girls are [IV7] dancing
[ii7] While sweethearts are ro-[i]mancing
Life is [ii7] like a Mardi-Gras
Funiculi, funicu-[V7]la

[V7] Happy, we drink together
[i] Happy, we sing together
[V7] Happy, with the ferry boat sere-[i]nade

[I] I am happy, very, very happy
When we're on the [i] ferry
The music is so [ii7] merry

There's a [II7] man who always plays the concertina
On the moonlit upper deck a-[I7]rena, a-[V7]rena

[I] I love to ride the [IV7] ferry
[ii7] Where music is so [i] merry
There's a [II7] man who always plays the concer-[V7]tina, oh my
On the moonlit upper deck a-[I7]rena, [V7] by and by
[I7] While the boys and girls are [IV7] dancing, oh dancing
[ii7] While, while the sweethearts are ro-[i]mancing
Life is [ii7] like a Mardi-Gras
Funiculi, funicu-[V7]la

[V7] Happy, we cling together
[i] Happy, we sing together
[V7] Happy with the merry boat sere-[i]nade

[I] I love to ride the [IV7] ferry
[ii7] Sailing, sailing where, where the music is so [i] merry
There's a [II7] man who just plays the concer-[V7]tina
On the moonlit upper deck a-[I7]rena
[I7] All the while the boys and girls are dancing
[ii7] Look around and you see sweethearts ro-[i]mancing

[I] [I] [V7] [V7] [I] [I] [V7] [I] [I].
Oh, when [I] I was a little lad of two or three
I [V7] learned to play the fiddle on my old dad's knee
And the [I] first little diddle that he hung on me
Was a [V7] tune called Fiddler's [I] Folly [I]

I [I] played it on the fiddle every time that I could
Till the [V7] old man said "now, he's getting' pretty good"
Then it [I] didn't take long 'til the whole neighbourhood
Was [V7] dancin' to the Fiddler's [I] Folly. [I]

My [I] school days came and I fiddled them away
Cause I [V7] didn't want to work, all I did was play
And my [I] chest puffed up a little more each day
By the [V7] Devil and the "Fiddler's [I] Folly" [I]

[I] [I] [V7] [V7] [I] [I] [V7] [I] [I].
Now when my [I] head got bigger than my little home town
I [V7] thought my fortune could be found
[I] Playin' in a big band, tourin' all around
With a [V7] heart full of "Fiddler's [I] Folly" [I]

My [I] girl in the country, I left her blue
Got [V7] another in the city and I left her too
And the [I] only kind of love this fiddler knew
Was a [V7] love called "Fiddler's [I] Folly" [I]

I [I] played my fiddle till I fiddled everywhere
And I [V7] tried to get a break but there wasn't any there
And I [I] found myself in a deep despair
A [V7] victim of "Fiddler's [I] Folly" [I]

[I] [I] [V7] [V7] [I] [I] [V7] [I] [I].
Now I [I] took my fiddle and I took my bow
And I [V7] went back home and I put on a show
But I [I] lost my shirt when they all said 'No'
Get [V7] away with your "Fiddler's [I] Folly" [I]

And [I] now there's a fiddler not so grand
He's [V7] livin' all alone like a broken man
A [I] worn out fiddle in the Devil's hand
[V7] Fooled by the "Fiddler's [I] Folly" [I]
So come [I] all you fiddlers, old and young
When you [V7] let your fiddle get a little high strung
[I] Remember the little fiddle-diddle I've sung
And the [V7] tune called "Fiddler's [I] Folly" [I]
[I] [I] [V7] [V7] [I] [I] [V7] [I] [I]*

Fiddler's Green

As I [I] walked by the [IV] dockside one [I] evening so [vi] fair,
to [I] view the salt [IV] waters and [I] take the salt [V] air,
I [IV] heard an old fisherman [I] singing a song,
'Oh take me a-[V] way boys, me [I] time is not [V] long'.

Wrap me [I] up in me [V] oilskins and [I] jumpers,
no [IV] more on the [I] docks I'll be [V] seen.
Just [IV] tell me old shipmates, I'm [I] taking a trip, mates,
and [V] I'll see you some day on [V7] Fiddler's [I] Green.

Now [I] Fiddler's [IV] Green is a [I] place I've heard [vi] tell,
where the [I] fishermen [IV] go if they [I] don't go to [V] hell.
Where the [IV] skies are all clear and the [I] dolphins do play,
and the cold coast of [V] Greenland is [I] far, far a-[V] way.

Wrap me [I] up in me [V] oilskins and [I] jumpers,
no [IV] more on the [I] docks I'll be [V] seen.
Just [IV] tell me old shipmates, I'm [I] taking a trip, mates,
and [V] I'll see you some day on [V7] Fiddler's [I] Green.

Where the [I] skies are all [IV] clear and there's [I] never a [vi] gale,
and the [I] fish jump on [IV] board with one [I] swish of their [V] tail.
Where you [IV] lie at your leisure, there's [I] no work to do,
and the skipper's be-[V] low making [I] tea for the [V] crew.

Wrap me [I] up in me [V] oilskins and [I] jumpers,
no [IV] more on the [I] docks I'll be [V] seen.
Just [IV] tell me old shipmates, I'm [I] taking a trip, mates,
and [V] I'll see you some day on [V7] Fiddler's [I] Green.

When you [I] get back on [IV] docks and the [I] long trip is [vi] through,
there's [I] pubs and there's [IV] clubs and there's [I] lassies there, [V] too.
Where the [IV] girls are all pretty and the [I] beer it is free,
and there's bottles of [V] rum growing [I] from every [V] tree.

Wrap me [I] up in me [V] oilskins and [I] jumpers,
no [IV] more on the [I] docks I'll be [V] seen.
Just [IV] tell me old shipmates, I'm [I] taking a trip, mates,
and [V] I'll see you some day on [V7] Fiddler's [I] Green.

Now I [I] don't want a [IV] harp nor a [I] halo, not [vi] me,
just [I] give me a [IV] breeze on a [I] good rolling [V] sea.
I'll [IV] play me old squeezebox as [I] we sail along,
with the wind in the [V] rigging to [I] sing me a [V] song.

Wrap me [I] up in me [V] oilskins and [I] jumpers,
no [IV] more on the [I] docks I'll be [V] seen.
Just [IV] tell me old shipmates, I'm [I] taking a trip, mates,
and [V] I'll see you some day on [V7] Fiddler's [I] Green.

Introduction
[I]/// | [I]/ [I] [I] | [IV]/// | [IV]/ [IVadd9] [IV] x 2

[I] Way up high on Mount Read, a pine tree [IV] stands,
[I] North West Tasmania, on Tommeginne [IV] land.
It's the [I] oldest tree in our country, 2000 rings it shows.
It [IV] sprouted at the time of Christ all those years ago.
[I] Nearby mines have come and gone, miracle it survived,
[IV] Short-term greed all around (Stop)
Scars the mountain [I] sides.
The mountain [IV] sides,
Yeah, scars the mountain [I] sides,
The mountain [IV] sides.

[I] Way up high near Toolangi town, the Kalatha Giant [IV] stands,
[I] 400 years it's been growing on Woiworung [IV] land.
[I] Central Highlands mountain ash, precious as it comes,
[IV] Cleansing air and water, alchemists of the sun,
But [I] as I sing these giant trees, Hercules of nature, are [IV] being pulped into, (Stop)
Photocopy [I] paper,
Photocopy [IV] paper
Into Photocopy [I] paper.

How [V] is that we let this happen, [IV] it's a travesty,
[V] Out of sight out mind, we [IV] cannot not let that be,
The [V] simple truth is that we can't [IV] live, (Stop)

> Without the [I] trees
> We can't live without the [IV] trees
> We can't live without the [I] trees,
> We need the [IV] trees, sing with me
> [V] Oooh, [IV] we need the trees
> [V] Oooooh, [IV] we need trees,
> [V] Ooooh, [IV] (Stop)
> Gotta fight for the [I] trees.

[I]/// | [I]/ [I] [I] |[IV]/// | [IV]/ [IVadd9] [IV] x 2

[I] Way up high in on Capitol Hill [I], a big house [IV] stands, [IV]
With [I] red and Green chambers [I], on Ngunnawal [IV] land, [IV]
Our [I] so-called leaders riding high, in their big charade,
They let [IV] power plays and politics always win the day,
They can [I] dodge and weave and doublespeak as much as they please,
But [IV] when will they face the fact [IV] (stop):
We can't live

> Without the [I] trees
> We can’t live without the [IV] trees
> We can’t live without the [I] trees,
> We need the [IV] trees, sing with me
> [V] Oooh, [IV] we need the trees
> [V] Oooooh, [IV] we need trees,
> [V] Ooooh, [IV] (stop)
> Gotta fight for the [I] trees.

Walk among the [IV] trees,
Miracles of [I] green.
Walk among the [IV] trees,
Our future’s in their [I] leaves,
Walk among the [IV] trees,
Feel their presence, feel their [I] peace,
Walk among the [IV] trees, One last time
[V] Oooh, [IV] we need the trees
[V] Oooooh, [IV] we need trees,
[V] Ooooh, [IV] (Stop)
Gotta fight for the [I] trees.

[iii7] a fine [vi7] romance, my [ii7] friend [V] this is
We [I] should be like [iii7] clams in a [II7] dish of [ii7] chowder [V7]

A [I] fine [vi7] romance, [iii7] with no [II7] clinches,
A [iii7] fine [vi7] romance, with [ii7] no [V] pinches

Intro: [VII] [v]//// [I]// [Isus2]/// [I]////, [VII]//// [v]//// [I]////-////
[I] Just yesterday [v] morning,
They let me [IV] know you were [I] gone. [Isus2] [I]
[I] Suzanne the [V] plans they made put an [VIImaj7] end to you.
[I] I walked out this [v] morning and I [IV] wrote down this [I] song [Isus2] [I]
I just can't re-[V]member who to [VIImaj7] send it to.

[IV] I've seen [ii7] fire and [V] I've seen [I] rain. [Isus2] [I] – I've seen
[IV] Sunny days that I [ii7] thought would [V7] never [I] end. [Isus4] [I]
I've seen [IV] lonely times when I [ii7] could not [V7] find a [I] friend, [Isus2] [I]
But I [VII] always [IV] thought that I'd [v] see you, a-[I]gain.

[VII]//// [v]//// [I]////-////

Won't you [I] look down upon me [v] Jesus ?
You've got [IV] help me make a [I] stand. [Isus2] [I]
[I] You've just got to [V] see me through a-[VIImaj7]nother day.
[I] My body's [v] aching and my [IV] time is at [I] hand, [Isus2] [I]
[I] And I won't [V] make it any [VIImaj7] other way.

[IV] Oh, I've seen [ii7] fire and [V] I've seen [I] rain. [Isus2] [I] – I've seen
[IV] Sunny days that I [ii7] thought would [V7] never [I] end. [Isus4] [I]
I've seen [IV] lonely times when I [ii7] could not [V7] find a [I] friend, [Isus2] [I]
But I [VII] always [IV] thought that I'd [v] see you, a-[I]-gain.

[VII]//// [v]//// [I]////-////

Been [I] walking my mind to an [v] easy time,
My [IV] back turned towards the [I] sun, [Isus2] [I]
[I] Lord knows when the [V] cold wind blows, it'll [VIImaj7] turn your head around.
Well there's [I] hours of time on the [v] telephone line,
To [IV] talk about things to [I] come. [Isus2] [I]
[I] Sweet dreams and [V] flying machines, in [VIImaj7] pieces on the ground.

[IV] Oh, I've seen [ii7] fire and [V] I've seen [I] rain. [Isus2] [I] – I've seen
[IV] Sunny days that I [ii7] thought would [V7] never [I] end. [Isus4] [I]
I've seen [IV] lonely times when I [ii7] could not [V7] find a [I] friend, [Isus2] [I]
But I [VII] always [IV] thought that I'd [v] see–you–ba–by,
One–more–time–a-[I]-gain, now,

Thought I'd [VII] see you one more [v] t-i-me a-[I]gain.
There's just a [VII] few things coming my [v] way this time a-[I]-round, now.
Thought I'd [VII] see you, thought I'd [v] see you, fire and rain, [I] now.

The [I] first No-[V]el the [IV] angels did [I] say
Was to [IV] certain poor [V] shepherds in [IV] fields as they [I] lay.
In [I] fields where they [V] lay [IV] keeping their [I] sheep
On a [IV] cold winter's [V] night that was [IV] so [I] deep.
No-[I]el No-[V]el No-[IV]el No-[I]el
[IV] Born is the [V] King of [IV] Isra-[I]el.

They [I] looked [V] up and [IV] saw a [I] star
Shining [IV] in the [V] east bey-[IV]ond them [I] far
And [I] to the [V] earth it [IV] gave great [I] light
And [IV] so it con-[V]tinued both [IV] day and [I] night.
No-[I]el No-[V]el No-[IV]el No-[I]el
[IV] Born is the [V] King of [IV] Isra-[I]el.

And [I] by the [V] light of [IV] that same [I] star
Three [IV] wise men [V] came from [IV] countries [I] far;
To [I] seek for a [V] King was [IV] their in-[I]tent,
And to [IV] follow the [V] star wher-[IV]ever it [I] went.
No-[I]el No-[V]el No-[IV]el No-[I]el
[IV] Born is the [V] King of [IV] Isra-[I]el.

This [I] star [V] drew nigh [IV] to the north [I] west
O'er [IV] Bethle-[V]hem it [IV] took it's [I] rest,
And [I] there it [V] did both [IV] pause and [I] stay,
Right [IV] over the [V] place where [IV] Jesus [I] lay.
No-[I]el No-[V]el No-[IV]el No-[I]el
[IV] Born is the [V] King of [IV] Isra-[I]el.

Then [I] entered [V] in those [IV] wise men [I] three,
Fell [IV] reverently [V] upon their [IV] knee [I]
And [I] offered [V] there in His [IV] pre-[I]sence
Their [IV] gold and [V] myrrh and [IV] frankin-[I]cense.
No-[I]el No-[V]el No-[IV]el No-[I]el
[IV] Born is the [V] King of [IV] Isra-[I]el.

Then [I] let us [V] all with [IV] one a-[I]ccord
Sing [IV] praises [V] to our [IV] heavenly [I] Lord,
That [I] hath [V] made heaven and [IV] earth of [I] nought,
And [IV] with his [V] blood [IV] mankind has [I] bought.

But [IV] this [I] time, you [IV] gotta put your [V] heart on the[I] game!
You're [V] out for the first [I] time, but [V] you're not really out there a[I]lone
Keep [V] doing it, the words gonna [I] spread
[IV] Keep out of your [I] bed, get [IV] out on your [V] own.
Keep [I] trying, [IV] [I] be fine [IV] first [I] time! [IV] [I]

[ii] Uuh [I] uh, [ii] [I] [ii] uuh [I] uh [ii] [I]
[IV] This [I] time, [IV] [I] the [IV] whole world is [I] watching [IV] [I]
[IV] This [I] time, you [I] better put your [V] heart on the [I] game!
You're [V] rocking for the very first [I] time, you [V] only want the feeling to [I] last,
And [V] every single day that you're going [I] out
It's [IV] less of a [I] doubt, it's [IV] all in the [V] past!
This [I] time, [IV] [I] [IV] you [I] shine, [IV] [I] [IV] your [I] flying, [IV] [I] [IV] first [I] time! [I

[ii] [V]

The [ii] first time [V7] ever I [I] saw your face,
[vi] I thought the sun [iii7] rose in your ey-[IV]es.
And the [I] moon and sta-[V7]rs were the [I] gifts you gave,
To the [bVII] dark and the endless [I] sky, my love.

[ii] And the first time [V] ever I [iii7] kissed your [V] mouth,
[vi] I felt the earth [iii7] move in my [I] ha-[IV]nds.
[V] Like the trembling [IV] hea-[I]rt [V7] of a [I] captive [V] bird
[bVII] That was there at [I] my [V7] com-[I]mand [V] my love

[ii] And the first time [V] ever I [iii7] laid [I] with [V] you,
[vi] I felt your heart [iii7] so close to [I] mi-[IV]ne.
And [V] I know our [IV] jo-[I]y [V7] would [I] fill the [V] earth,
[bVII] And last [I] till the end of time, [V] my love.

[ii] The first time ever I [I] sa-[V]aw [I] your face,

I'm [iv] coming now I'm coming to [i] reward them
[VII] First we take Man[VI]hattan [V] then we take Berl[i]in

I'm [iv] guided by a signal in the [i] heavens
I'm [iv] guided by this birthmark [i] on my skin
I'm [iv] guided by the beauty of our [i] weapons
[VII] First we take Man[VI]hattan [V] then we take Berl[i]in

Chorus:
I'd [III] really like to [iv7] live beside you [VII] baby [VI]
I love your [III] body and your spirit and your [i] clothes
But you [III] see that line there moving through the [i] station
I [VII] told you I [VI] told you I [V] told you I was one of [i] those

You [iv] loved me as a loser but now you're [i] worried that I just might win
You [iv] know the way to stop me but you [i] don't have the discipline
How [iv] many nights I prayed for this: to [i] let my work begin
[VII] First we take Man[VI]hattan [V] then we take Berl[i]in

[iv] I don't like your fashion business, [i] mister
[iv] I don't like these drugs that [i] keep you thin
[iv] I don't like what happened to my [i] sister
[VII] First we take Man[VI]hattan [V] then we take Berl[i]in

Chorus

And I [iv] thank you for those items that you [i] sent me
The [iv] monkey and the plywood [i] violin
I [iv] practised every night and now I'm [i] ready
[VII] First we take Man[VI]hattan [V] then we take Berl[i]in

[I] Lazy yellow moon comin' up tonight, shinin' through the trees
[IV] Crickets are singin' and lightning bugs are floatin' on the breeze,
Baby get [I] ready
[I] Across the field where the creek turns back by the old stump road
[IV] I'm gonna take you to a special place that nobody knows
Baby get [I] ready, [V] oooh oohooh

[I] You and me going fishin' in the dark
[I] Lying on our backs and counting the stars
Where the [IV] cool grass grows

[I] Down by the river in the full moonlight
[I] We'll be fallin' in love in the middle of the night
Just [IV] movin' slow
[ii] Stayin' the whole night [V] through
[ii] Feels so good to [V] be with [I] you

[I] Spring is almost over and the summer's comin', the days are gettin' long
[IV] Waited all winter for the time to be right, just to take you along
Baby get [I] ready
[I] And it don't matter if we sit forever and the fish don't bite
[IV] We'll jump in the river and cool ourselves from the heat of the night
Baby get [I] ready, [V] ooh oohooh

[I] You and me going fishin' in the dark
[I] Lying on our backs and counting the stars
Where the [IV] cool grass grows

[I] I'm going down to the fishin' hole
And [V7] you can come fishin' all the time

[I] Have you been a-fishin' all the time, [IV] I'm a-goin' fishin' [I] too
Well you can [I] bet your life your lovin' wife
Will [II7] catch more fish than [V7] you
[I] Any fish'll bite if you [I7] got good bait
[IV] Here's a little something I would [IV7] like to relate
So [I] come on baby, [II7] come on gal
[I] I'm a-goin' fishin', [II7] yes I'm goin' [I] fishin'
And [II7] you can come a-[V7]fishin' [I] too

Well I [I] went down the hill about one o'clock
[IV] Spied them catfish swimmin' around
[I] I'm a-goin' down to the fishin' hole
[V7] Live in the country instead of the town

[I] Have you been a-fishin' all the time, [IV] I'm a-goin' fishin' [I] too

But we'll [IV] travel [Idim] along, [I] singin' a [VI7] song, [II7] side [V7] by [I] side.
Don't know what's comin' [IV] tomor[I]row, maybe it's trouble and [IV] sor[I]row;
But we'll [IV] travel the [Idim] road, [I] sharin' our [VI7] load, [II7] side [V7] by [I] side.

[III7] Through all kinds of weather, [VI7] what if the sky should fall;
Just as [II7] long as we're together, it [V7] really doesn't matter at all.
When they've [I] all had their quarrels and [IV] part[I]ed,
We'll be the same as we [IV] start[I]ed;

[I] Five foot two, [III7] eyes of blue, but [VI7] oh, what those five foot could do!

[I] Turned up nose, [III7] turned down hose, [VI7] flapper, yes sir, one of those
Has [II7] anybody [V7] seen my [I] gal?
Now if you [III7] run into a five foot two, [VI7] covered in fur
[II7] Diamond rings and all those things, [V7] (STOP) betcha life it isn't her
But [I] could she love, [III7] could she woo, [VI7] could she, could she, could she coo!
Has [II7] anybody [V7] seen my [I] gal?

[I] Yes sir, that's my baby,[V7] no sir, I don't mean maybe

Five Minutes

[I] [vi] [IV] [I] [vi] [IV]

I've got [I] five [V] minutes to [vi] sneak a cigarette, [I]
[IV] Five minutes to my-[V]self,
[I] Back behind the screen door of [vi] Andy's Luncheon-[I]ette,
And I [IV] ain't got time to [V] worry 'bout my [I] health [Isus4] [I]

[I] My boss, [V] Andy, says I [vi] smoke myself to [I] death,
[IV] Andy, he reminds me some of [V] you,
[I] Back when you were [V] Romeo, and [vi] I was Juli-[I]et,
West [IV] Texas Capu-[V]let and Monta-[I]gue [Isus4] [I]

[vi] Now I don't think too much a-[IV]bout you anymore,
[I] We weren't much more than [V] kids,
It was [vi] nearly twenty years ago I [IV] shut and locked that door,
Now I've got [I] five [vi] [I] [IV]
[IV] Not much [V] time to remi-[I]nice [vi] [I] [IV] [vi] [I] [IV]

Most [I] nights I come home from work, and I [vi] pour a glass of [I] wine,
Some-[IV]times it's three, or four, before I [V] stop,
[I] And Jessie makes a [V] sandwich, if I [vi] sleep through supper-[I]time,
And she [IV] leaves me on the [V] couch to sleep it [I] off [Isus4] [I]

[I] Now, Jessie just turned [V] seventeen,
And she's [vi] wild as she can [V] be,
[IV] And there ain't nothing I can [V] do,
Last [I] weekend she ran off to meet a [vi] boy in Tennes-[I]see,
[IV] Just like I [V] used to run to [I] you [Isus4] [I]

[vi] I gave her hell, when she came [IV] home this afternoon,
Mas-[I] cara running down her [V] face,
Seems like [vi] history repeats it-[IV]self, and it ain't up to you,
And in [I] five [vi] minutes [I] [IV]
[V] your whole life can [I] change [vi] [I] [IV] [I] [vi] [V] [IV]

[I] Now, Andy, he's good to me, and I can [vi] see it in his eyes, [I]
[IV] He'd love to take your [V] place,
[I] But something deep inside me [vi] just withers up and [I] dies,
To make [IV] love to him, and [V] only see your [I] face [Isus4] [I]

[vi] Somehow I've let my-self go [IV] gently down the stream,
[I] A fine example I have [V] set,
Between the [vi] working and the living,
And the [IV] ghosts that haunt my dreams,
I've got [I] five [vi]
[IV] And I'm gonna [V] smoke this cigar-[I]ette [vi] [V] [IV] [I] [vi] [V] [IV]

[V] [I] [II] [I] x4

Oh, well, in [V] five years [I] time
we could be [II] walking round a [I] zoo
With the [V] sun shining [I] down over [II] me and [I] you
And there'll be [V] love in the [I] bodies of the [II] elephants [I] too
I'll put my [V] hands over [I] your eyes, but [II] you'll peep [I] through

And there'll be [V] sun, sun, [I] sun [II] all over our [I] bodies.
And [V] sun, sun, [I] sun, [II] all down our [I] necks
And there'll be [V] sun, sun, [I] sun, [II] all over our [I] faces
And [V] sun, sun, [I] sun, [II] so, what the [I] heck

Cause I'll be [V] laughing at [I] all your [II] silly little [I] jokes
And we'll [V] be laughing about [I] how we [II] use to [I] smoke
All those [V] stupid little [I] cigarettes and [II] drink stupid [I] wine
Cause it's [V] what we [I] needed to [II] have a good [I] time

But it was [V] fun, fun, [I] fun, [II] when we were [I] drinking.
It was [V] fun, fun, [I] fun, [II] when we were [I] drunk
And it was [V] fun, fun, [I] fun, [II] when we were [I] laughing
It was [V] fun, fun, [I] fun, [II] Oh, it was [I] fun.

[V] [I] [II] [I] [V] [I] [II] [I]

Oh, well, I [V] look at you and [I] say it's the happiest that [II] I've ever [I] been
And I'll say [V] I no longer [I] feel I have to [II] be James [I] Dean
And she'll say [V] "Yeah, well I [I] feel all [II] pretty happy [I] too,
And I'm [V] always pretty [I] happy
when I'm just [II] kicking back with [I] you"

And it'll be [V] love, love, [I] love, [II] all through our [I] bodies.
And [V] love, love, [I] love, [II] all through our [I] minds
And it be [V] love, love, [I] love, [II] all over her [I] face
And [V] love, love, [I] love, [II] all over [I] mine.

Although [V] maybe all these [I] moments are [II] just in my [I] head
I'll be [V] thinking 'bout [I] them as I'm [II] lying in [I] bed
And [V] all that we be-[I]lieve they might not [II] even come [I] true
But in my [V] mind I'm [I] having a pretty good [II] time with [I] you

In [V] five years [I] time, [II] I might not [I] know you
In [V] five years [I] time, [II] we might not [I] speak at all
In [V] five years [I] time, [II] we might not [I] get along
In [V] five years [I] time, [II] you might just [I] prove me [V] wrong

[V] [I] [II] [I] [V] [I] [II] [I]

Oh, there'll be [V] love, love, [I] love, [II] wherever [I] you go x4
Oh, there'll be [V] love, love, [I] love, [II] wherever [I] you go x4

[I]
[IV] Kids out driving Saturday after-[I]noon just pass me by
[IV] I'm just savouring fa-[I]miliar sights
[IV] We shared some history, this [I] town and I
[IV] And I can't [V] stop that long for-[iii]gotten feeling of [IV] her
[IV] It's time to book a [V] room to stay to-[I] night

[IV] Number one is to find some friends to say "[I] You're doing well
[IV] After all this time you boys look [I] just the same"
[IV] Number two is the happy hour at [I] one of two hotels
[IV] Settle in to [V] play "Do you re-[I]member so and [IV] so?"
[IV] Number three is [V] never say her [I] name

Oh the [IV] flame trees will [V] blind the weary [ii] driver
And there's [IV] no way to [V] set fire to this [I] town
There's no [IV] change, there's no [V] pace,
every-[vi]thing within its [I] place
Just makes it [IV] harder to be-[V]lieve she won't [I] be around

[IV] Oh! Who needs that sentimental bull-[I]shit, anyway
[IV] Takes more than just a memory to [I] make me cry
And I'm [IV] happy just to sit here round a table with old [I] friends
[IV] And see which one of us can tell the biggest [I] lies

And there's a [IV] girl, she's falling in love near where the pianola [I] stands
With a young [IV] local factory out-of-worker,
Ah! they're just hol-[I]ding hands
And I'm [IV] wondering if he'll [iii] go or if he'll [V] stay
[bVI] Do you re-[III]member, nothing [bVI] stopped us on the [III] field in our [VII] day [I]

[I] Oh the [IV] flame trees will [V] blind the weary [ii] driver
[IV] And there's [V] nothing else could set fire to this [I] town
There's no [IV] change, there's no [V] pace,
every-[vi]thing within its [I] place
Just makes it [IV] harder to be-[V]lieve she won't [I] be around

Oh the [IV] flame trees will [V] blind the weary [ii] driver

I heard the [V7] sound of the [I] Flo-[IV]ral [I] Dance

[V7] As [I] I walked [IV] home on a [I] Summer [IV] night
when [bII] stars in Heav'n were [bII7] shining [V] bright
[bIII7] Far away from the footlight's [vi] glare
[V] into the [bII7] sweet and [V7] scented [I] air
of a [vi] quaint old [bII7] Cornish [V] town.

[I] Borne from a-[bI]far on the [bVII] gentle [bVI] breeze
[bVII] Joining the [bVI] murmur of the summer [V] seas,
[IV] distant [I] tones of an [V7] old world [I] dance
[IV] played by the [I] village band [V7] per-[I]chance
on the [bII7] calm air came [V7] floating [I] down

[IV]/ [I]/ [V7]/ [I]/ [IV]/ [I]/ [V7] (Pause)

[V7] I [I] thought I could hear the curious tone
Of the cornet, [V] clarinet and [I] big trombone,
[IV] fiddle, cello, [I] big bass drum, [V7] bassoon, flute and eu-[I]phonium.
[IV] Far away, as [I] in a trance
I heard the [V7] sound of the [I] Flo-[IV]ral [I] Dance

[IV]/ [I]/ [V7]/ [I]/ [IV]/ [I]/ [bII7]/ [V7] (Pause)

[V7] And [I] soon I [IV] heard such [I] a bustling and [IV] prancing
[bII] then I saw the whole village was [V] dancing
[bIII7] in and [bvi7] out of the [bIII7] houses they [vi] came,
[V] old folk, [bvi7] young folk, [V7] all the [I] same,
in that [vi] quaint old [bII7] Cornish [V] town.

[I] Every [bI] boy took a [bVII] girl 'round the [bVI] waist,
and [bVII] hurried her [bVI] off in tremendous [V] haste.
[IV] Whether they [I] knew one a-[V7]nother I [I] care not
[IV] Whether they [I] cared at [V7] all, [I] I know not.
But they [bII7] kissed as they [V7] danced a-[I]long.

[I]/ [IV]/ [I]/ [V7]/ [I]/ [IV]/ [I]/ [V7] (Pause)

[V7] And [I] there was the band with that curious tone,
of the cornet, [V] clarinet and [I] big trombone.
[IV] Fiddle, cello, [I] big bass drum, [V7] bassoon, flute and eu-[I]phonium.
[IV] Each one making the [I] most of his chance, all together in the [V7] Floral [I] Dance
[IV] Each one making the [I] most of his chance, all together in the [V7] Floral [I] Dance

Flying Dutchman, The

artist:The Jolly Rogers writer:The Jolly Rogers

[i] [i]

The [i] sky was grey and cloudy and the wind was from the west
When we spied a battered frigate with her tattered sail full dressed
They [iv] signaled they had letters home they asked if we could take
They [i] dropped 'em in a barrel they left bobbing in their wake

We [i] reefed the sails and slowed the ship to fish the barrel out
The old ship sailed to the distance and we saw her come about
The [iv] captain watched through a spyglass and we heard him catch his breath
And we [i] saw the storm a-brewing had become a wall of death

[i] [i]

[V] Turn this ship around me boys, [IV] turn around and run
This [V] storm it wants a battle and it's [IV] sure that we're outgunned
What [i] of the ship that's [III] out there do we [IV] leave her to the [V] gale?
[NC] She's called the Flying Dutchman and it's wraiths that fills her sails.

[i] [i] [i] [i]

The [i] thunder growled like demons and the lightening stabbed the waves
And the Dutchman she lept towards us riding fury from the graves
Our [iv] captain he stayed at the wheel, the crew the manned the lines,
And [i] still that ship and storm were quickly closing in behind.

Our [i] ship we crest a giant wave and crash to the trough below
The crew held on to what they could, they were damned if they let go.
The [iv] rain and sea and storm winds crashed against our ship with wrath
And [i] from the deck of that cursed ship, we could hear them laugh

[V] Turn this ship around me boys, [IV] turn around and run
This [V] storm it wants a battle and it's [IV] sure that we're outgunned
That [i] ghostly ship is [III] hunting us, it's [IV] bringing on the [V] gale,
[NC] She's called the Flying Dutchman and it's wraiths that fills her sails

[i] [i]

That [i] was when we sighted land, it became a race wih time
We believed it Santa Marta, the Dutchman closing in behind
[iv] "Risk it all" the captain cried "it's the only chance we've got,
Sal-[i]vation if we make it and our souls if we get caught."

The [i] storm was all around us and the Dutchman cut our winds,
The beast nearly capsized us, and we watched our strong mast bend
We were [iv] almost to the harbour, we could see the natural break,
And [i] each man willed her forward, for they knew what was at stake

[V] Turn this ship around me boys, [IV] turn around and run
[V] This storm it wants a battle and it's [IV] sure that we're outgunned
That [i] ghostly ship is [III] hunting us, it's [IV] bringing on the [V] gale,
[NC] She's called the Flying Dutchman and it's wraiths that fills her sails

[i] [i]

[i] Once we charged into that harbour, the Dutchman heaved away
And we heard their bitter screams, for the Devil lost his prey.
Once [iv] we made it safely to the leeward of the bay,
We [i] cracked that barrel open to see what those letters say.

[i] [i]

[i] There must've been a hundred and that's when we realized,
Those mouldy parchments were addressed to those who'd long since died.
If you [iv] see a battered frigate 'neath a grey and stormy sky,
Give [i] way and watch mehind you, or you'll hear your captain cry

[V] Turn this ship around me boys, [IV] turn around and run
This [V] storm it wants a battle and it's [IV] sure that we're outgunned
That [i] ghostly ship is [III] hunting us, it's [IV] bringing on the [V] gale,
She's [i]* called the [NC] Flying Dutchman and it's [I]* wraiths [NC] that fills her sails

But the [i] Angelus bell o'er the [VII] Liffey's swell
rang [III] out through the [VI] Foggy [i] Dew

Right [i] proudly high o'er [VII] Dublin town they [III] hung out the [VII] flag of [i] war
Twas [i] better to die neath an [VII] Irish sky than at [III] Sulva or [VII] Sud El [i] Bar
And [III] from the plains of [VII] Royal [i] Meath strong men
came [v] hurrying [i] through,
While [i] Britannia's sons with their [VII] long range guns,
sailed [III] in through the [VI] Foggy [i] Dew

The [i] bravest fell and the [VII] requiem bell rang [III] mournfully [VII] and [i] clear,
For [i] those who died that [VII] Eastertide in the [III] springing of [VII] the [i] year
While the [III] world did gaze with [VII] deep [i] amaze
at those fearless [v] men but [i] few
Who [i] bore the fight that [VII] freedom's light
might [III] shine through the [VI] Foggy [i] Dew

Back [i]through the glen I [VII] rode again, and my [III] heart was [VII] sore with [i] grief
For I [i] parted then with [VII] valiant men who I [III] never [VII] more shall [i] see
But [III] to and fro in my [VII] dreams I [i] go and I kneel
and I [v] pray for [i] you,
For [i] slavery fled o [VII] glorious dead
when you [III] fell in the [VI] Foggy [i] Dew

[I] When I was a bachelor I [IV] lived all a-[II]lone
I [V] worked at the weaver's [I] trade
And the only only thing I did [IV] that was [II] wrong
Was to [V7] woo a fair young [I] maid

I [V7] wooed her in [I] the winter time
[V7] Part of the [I] summer too
And the only only thing I did [IV] that was [II7] wrong
Was to [V7] keep her from the foggy foggy [I] dew

One night she knelt [IV] close by my [II7] side
When [V7] I was fast a-[I]sleep
She threw her arms a-[IV]round my [II] neck
And [V7] then began to [I] weep

She [V7] wept she cried she [I] tore her hair
[V7] Ah me what could I [I] do
So all night long I held [IV] her in my [II7] arms
Just to [V7] keep her from the foggy foggy [I] dew

Again I am a bachelor and I [IV] live with my [II7] son
[V7] We work at the weaver's [I] trade
And every single time that I [IV] look into his [II7] eyes
He re-[V7]minds me of the fair young [I] maid

He re-[V7]minds me of the [I] winter time
[V7] Part of the summer [I] too
And the many times I [IV] held her in my [II7] arms

To be [VII] so in love with [v] you and so a-[I]lone

Follow [IV] me where I [VII] go what I [IV] do and who I [VII] know
Make it [IV] part of you to [VII] be a part of [I] me
Follow [IV] me up and [VII] down all the [IV] way and all a-[VII]round
[IV] Take my hand and [VII] say you'll [I] follow [IV] me

It's long been on my [I] mind you know it's [VII] been a long long [IV] time
I'll [ii] try to find the [I] way that I can [VII] make you under-[I]stand
The [VII] way I feel a-[IV]bout you and [VII] just how much I [IV] need you
To be [VII] there where [IV] I can [v] talk to [IV] you

Intro [I] [vi] [I] [vi]

If you [I] save yourself for marriage you're a bore
If you don't [vi] save yourself for marriage
You're a whore?able person
If [IV] you won't have a drink then you're a prude
But they'll [ii] call you a drunk as soon as [V] you down the first one

[I] If you can't lose the weight then you're just fat
But [vi] if you lose too much then you're on crack
You're [IV] damned if you do and you're damned if you don't
So you [ii] might as well just do what [V]ever you want

So.. [I] Make lots of noise and [vi] kiss lots of boys
Or [I] kiss lots of girls if that's [IV] something you're [V] into
When the [I] straight and narrow gets a little [vi] too straight
Roll up a [IV] joint, or don't
Just [I] follow your arrow wher [V]ever it [I] points, yeah
[vi] Follow your [I] arrow [V] wher [I]ever it [vi] points [I] [vi] [I]

Yeah.. If [I] you don't go to church you'll go to hell
If you're the [vi] first one on the front row
You're self?righteous son of a?
[IV] Can't win for losing ? you just disappoint 'em
Just [ii] 'cause you can't beat 'em
Don't [V] mean you should join 'em

[I] Make lots of noise and [vi] kiss lots of boys
Or [I] kiss lots of girls if that's [IV] something you're [V] into
When the [I] straight and narrow gets a little [vi] too straight
Roll up a [IV] joint, or don't
Just [I] follow your arrow wher [V]ever it [I] points, yeah
[vi] Follow your [I] arrow [V] wher [I]ever it [vi] points [I] [vi] [I]

[I] Say what you feel , [vi] love who love
'Cause you [vi] just get so many trips around the sun
Yeah, you [IV] only [I] on [vi]ly [I] live once [I] [vi] [I] [vi]

[I] Make lots of noise and [vi] kiss lots of boys
Or [I] kiss lots of girls if that's [IV] something you're [V] into

[I] I hear the train a comin', it's rolling round the bend

I'm [IV] stuck in Folsom prison, and time keeps draggin' [I] on
But that [V7] train keeps a rollin' on down to San An-[I]tone

always be a good boy, don't [I7] ever play with guns
But I [IV] shot a man in Reno just to watch him [I] die
When I [V7] hear that whistle blowing, I hang my head and [I] cry
[VI7]

I [II] bet there's rich folks eating in a fancy dining car
They're probably drinkin' coffee and [II7] smoking big cigars
Well I [V] know I had it coming, I know I can't be [II] free
But those [VI7] people keep a movin,
and that's what tortures [II] me

Well [II] if they'd free me from this prison,
if that railroad train was mine
I [II] bet I'd move on over a little [II7] further down the line
[V] Far from Folsom prison, that's [V] where I want to [II] stay

He's two black eyes already and teeth lost from his [V] gob,

[I] In the middle of the field, one afternoon, the captain says, "Mc-[V]-Graw,
Would you kindly take this penalty kick? or we'll [I] never [V] win at [I] all."
So he ran like mad and kicked the ball, and it went off like a [V] cork.
The [I] ball went sailing [IV] o'er the stand, [I] and landed [V] in New [I] York.

[I] His wife says she'll leave him, that's if doesn't [V] keep
Away from football kicking in the [I] night-time [V] in his [I] sleep.
He calls her `Eric Cantona" and other things so [V] droll,
Last [I] night he kicked her [IV] out of bed, and [I] shouted [V] "It's a [I] goal!"

> [I] For he's football crazy, he's football [V] mad,

Intro [I] [IV] [I] [V] *x2, then* [I]

There's a [I] hole in my heart that I've [IV] hidden
It's been [I] there ever since that [V] day [V7]
And, I've [I] learned how to [I7] live strong [IV] with it
Though it [I] wasn't [V] my price to [I] pay

There's a [I] hole in my heart that I'm [IV] feelin'
That [I] nobody else knows [V] about [V7]
From a [vi] time caught in grief and [IV] sorrow
When I [I] just wasn't [V] worth the [I] fight

> *Chorus*
>
> All the [IV] hills that I once [I] climbed
> It was [vi] all because of you, for what it's [V] worth [V7]
> Your [IV] mistakes that made you [I] blind
> Made the [vi] little things we [V] have fall in the [IV] dirt
> It was all because of [V] you, for what it's [I] worth

Instrumental Verse

There's a [I] hole in my heart that I'm [IV] fighting
It was [I] made by a father's [V] act [V7]
By the [I] dreams that I had that were [IV] taken
And, I [I] never [V] got them [I] back

There's a [I] hole in my heart that's not [IV] healing
And, I [I] know the reasons [V] why [V7]
This [vi] burden of mine I will [IV] carry
With [I] me until the [V] day I [I] die

> *Chorus*

You [I] may think that [IV] I'm talkin [I] foolish,
You've [IV] heard that I'm wild and I'm [I] free.
You [IV] may wonder how I can [I] promise you now,

But, [IV] honey I don't care, I ain't in [I] love with your hair,

Well it's [IV] easy to see it's [I] happenin to me,
I've al-[II7]ready forgotten every [V7] woman but you

Oh darling, [I] I'm gonna [IV] love you for-[I]ever,

As [IV] long as old men sit and [I] talk about the weather
As [II7] long as old women sit and [V7] talk about old men
If you [I] wonder how [IV] long I'll be [I] faithful,
well just [IV] listen to how this song [II7] ends
I'm [IV] gonna [V7] love you for-[I]ever and [IV] ever,

Heaven can [IV] wait we're only watching the [V] skies
Hoping for the [ii] best, but expecting the [IV] worst
Are you gonna drop the [vi] bomb or not? [V]

[I] Some are like [V] water, some are like the [vi] heat
Some are a [IV] melody and some are the [V] beat
Sooner or [ii] later they all will be [IV] gone
Why don't they [vi] stay [V] young?

[I] It's so hard to [V] get old without a [vi] cause
I don't want to [IV] perish like a fading [V] horse
Youth's like [ii] diamonds in the [IV] sun
And diamonds are for-[vi]ever [V]

Repeat Chorus

INSTRUMENTAL

[I] Let's dance in [V] style, let's dance for a [vi] while
Heaven can [IV] wait we're only watching the [V] skies
Hoping for the [ii] best, but expecting the [IV] worst
Are you gonna drop the [vi] bomb or not? [I]

[ii7] [IV] [V] (last line of verse)

Four strong [I] winds that blow [ii7] lonely,
seven [V7] seas that run [I] high
All those things that don't [ii7] change come what [V7] may
Now our [I] good times are all [ii] gone,
and I'm [V7] bound for moving [I] on
I'll look [ii7] for you if I'm [IV] ever back this [V] way.

Guess I'll [I] go out to Al[ii7]berta,
weather's [V7] good there in the [I] fall
Got some friends that I can [ii7] go to working [V7] for
Still I [I] wish you'd change your [ii] mind,
If I [V7] asked you one more [I] time
But we've [ii7] been through that a [IV] hundred times or [V] more

Four strong [I] winds that blow [ii7] lonely, seven [V7] seas that run [I] high
All those things that don't [ii7] change come what [V7] may
Now our [I] good times are all [ii] gone, and I'm [V7] bound for moving [I] on
I'll look [ii7] for you if I'm [IV] ever back this [V] way.

If I [I] get there before the [ii7] snowflies,
and if [V7] things are going [I] good
You could meet me if I [ii7] sent you down the [V7] fare
But by [I] then it would be [ii] winter, nothing [V7] much for you to [I] do
And the [ii7] wind sure blows [IV] cold way out [V] there

Four strong [I] winds that blow [ii7] lonely, seven [V7] seas that run [I] high
All those things that don't [ii7] change come what [V7] may
Now our [I] good times are all [ii] gone, and I'm[V7] bound for moving [I] on
I'll look [ii7] for you if I'm [IV] ever back this [V] way.

Yes our [I] good times are all [ii] gone, and I'm [V7] bound for moving [I] on
I'll look [ii7] for you if I'm [IV] ever back this [V] way.

[V7] [V7] [I] [I]

[I] Out where the bright lights are [ii] glowing
You're [V7] drawn like a moth, to a [I] flame
You laugh, while the [I7] wine's over-[IV]flowing
While [I] I sit and [V7] whisper your [I] name [I]

> [I] Four walls to [ii] hear me
> [V] Four walls to [I] see
> [I7] Four walls too [IV] near me
> [I] Closing [V7] in on [I] me [I]

[I] Sometimes I ask, why I'm [ii] waiting
But [V7] my walls, have nothing to [I] say
I'm made for [I7] love, not for [IV] hating
So [I] here, where you [V7] left me I'll [I] stay [I]

[I] One night with you, is like [ii] heaven
And [V7] so, while I'm walking the [I] floor
I listen for [V] steps in the [IV] hallway
And [I] wait, for your [V7] knock on my [I] door [I]

[I] Frankie and Johnny were lovers, oh how they could [I7] love
They [IV] promised to be true to each other, true as the stars a[I]bove
He was her [V7] man, he wouldn't do her no [I] wrong [IV] [I]

[I] Frankie went down to the corner, to get a pint of [I7] beer
She [IV] asked that old bartender, "has my lovin' Johnny been [I] here?"
He's my [V7] man, he wouldn't do me no [I] wrong [IV] [I]

[I] Well, I ain't gonna tell you no story, ain't gonna tell you no [I7] lie
He's [IV] here bout' an hour ago with a gal named Nelly [I] Blie
He may be your [V7] man, but he's doin' you [I] wrong [IV] [I]

[I] Frankie went down to the hotel, didn't go there for [I7] fun
Under [IV] neath her red kimono, she was packin' a 44 [I] gun
To shoot her [V7] man, cause he's doin' her [I] wrong [IV] [I]

[I] Johnny took off his Stetson hat, Said, "Baby please don't [I7] shoot!"
She put her [IV]finger on the trigger and the gun went Blooty- [I] Too!
She killed her [V7] man, cause he was doin' her [I] wrong [IV] [I]

[I] That's the end of my story, that's the end of my [I7] song
They got [IV] Frankie in the county jail and the gal's been there so [I] long
She killed her [V7] man, cause he was doin' her [I] wrong [IV] [I]

She killed her [V7] man, cause he was doin' her [I] wrong [IV] [I]

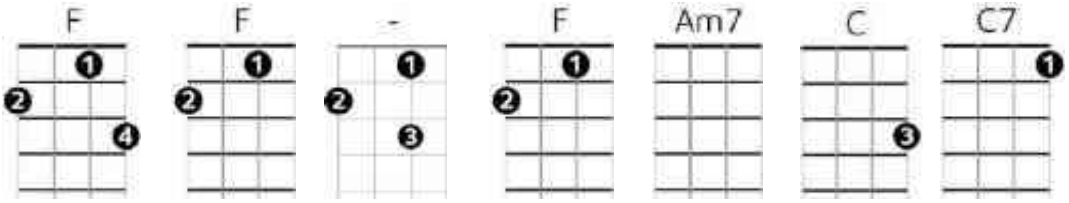
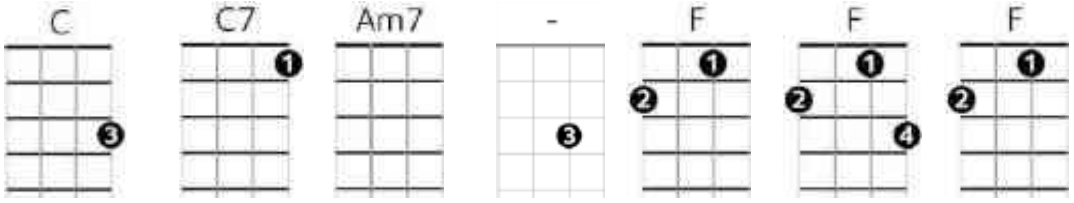
Freight Train – Chord Melody

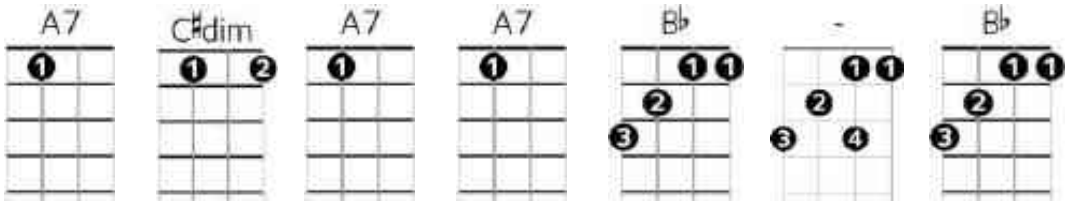
Elizabeth Cotton



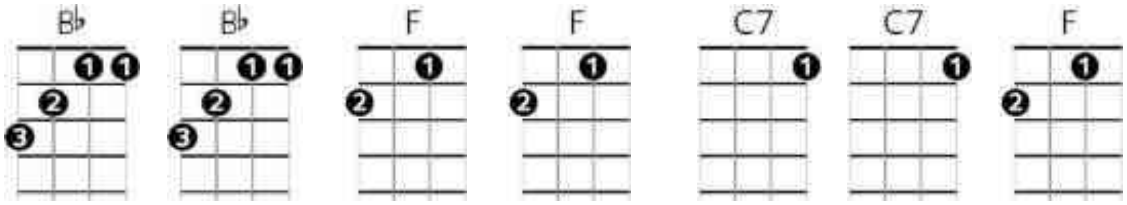
Freight train, freight train, going so fast



Freight train, freight train, going so fast



Please don't say what train I'm on



They won't know which way I've gone

When I'm dead and in my grave, no more good times will I crave
Place those stones at my head and feet, tell em all I've gone to sleep

When I die won't cha bury me deep, way down the end of old Chestnut Street
So I can hear that old train roll by, going down that old Chicago Line

Friend Of The Devil

artist:Grateful Dead writer:Jerry Garcia, John Dawso, Robert Hunter

[I] I lit out from Reno, I was [IV] trailed by twenty hounds
[I] Didn't get to sleep last night 'till the [IV] morning came around.

[V] Set out runnin' but I take my time
A [ii] friend of the devil is a friend of mine
If [V] I get home before daylight, I [ii] just might get some [IV] sleep to-[V]night.

[I] Ran into the devil, babe, he [IV] loaned me twenty bills
I [I] spent the night in Utah in a [IV] cave up in the hills.

[V] Set out runnin' but I take my time
A [ii] friend of the devil is a friend of mine
If [V] I get home before daylight, I [ii] just might get some [IV] sleep to-[V]night.

I [I] ran down to the levee but the [IV] devil caught me there
He [I] took my twenty dollar bill and [IV] vanished in the air.

[V] Set out runnin' but I take my time
A [ii] friend of the devil is a friend of mine
If [V] I get home before daylight, I [ii] just might get some [IV] sleep to-[V]night.

[V] Got two reasons why I cry away each lonely night,
The [IV] first one's named Sweet Anne Marie, and she's my hearts delight.
The [V] second one is prison, babe, the sheriff's on my trail,
And [ii] if he catches up with me, I'll [IV] spend my life in [V] jail.

[I] Got a wife in Chino, babe, and [IV] one in Cherokee
The [I] first one says she's got my child, but [IV] it don't look like me.

Frosty The Snowman

[I] Frosty the Snowman was a [IV] jolly, [V7] happy [I] soul,
With a [IV] corncob pipe and a [I] button nose
And two [V7] eyes made out of [I] coal.
Frosty the Snowman is a [IV] fairy [V7] tale they [I] say,
He was [IV] made of snow but the [I] children know
How he [ii] came to [V7] life one [I7] day.

There [IV] must have been some [iii] magic in that
[ii] Old silk [V7] hat they [I] found,
For [V] when they placed it on his head,
He [vi] began to [II7] dance a-[V]round.

[I] Frosty the Snowman was a-[IV]live as [V7] he could [I] be,
And the [IV] children say he could [I] dance and play
Just the [ii] same as [V7] you and [I] me.

Frosty the Snowman knew the [IV] sun was [V7] hot that [I] day,
So he [IV] said "Let's run, we'll have [I] lots of fun
Now [V7] before I melt [I] away."
Down in the village with a [IV] broomstick [V7] in his [I] hand,
Running [IV] here and there all a[I]-round the square
Saying [ii] "Catch me [V7] if you [I7] can!"

He [IV] lead them down the [iii] streets of town
Right [ii] to a [V7] traffic [I] cop,
And he [V] only paused one moment when
He [vi] heard them [II7] holler [V] " Stop!"

For [I] Frosty the Snowman had to [IV] hurry [V7] on his [I] way,
But he [IV] waved goodbye , saying [I] "don't you [vi] cry ,

And I'll [VI] meet you further [VII] on up the [I] road.
[NC] Further on up the [III] road

Further on up the [I] road

One sunny [I] mornin' [VII] we'll rise I [I] know [VII]
And I'll [VI] meet you further [VII] on up the [I] road.

Its my [bII7] Auntie Maggie's [V7] Reme [I]dy."

[V7] Now when the [I] baby starts [V7] crying,
there's [I] always a [V7] reason
And [I] if you in [I7]spect him you'll [IV] see,
The poor little [iv6] chappy has [I] covered his [bVI7] nappy
With [bII7] Auntie Maggie's [V7] Reme [I]dy
[V7] Now I [I] went to a [V7] doctor, I [I] wasn't too [V7] well
and he [I] made me lie on a [V7] settee
He said "there's [iv6] trouble brewing, [I] you've been over [bVI7] doing
Your [bII7] Auntie Maggie's [V7]Reme [I]dy."
[V6] Now I know a [I] girl who was [V7] putting on [I] weight,

They [I] say there's a troopship just leaving Bombay,

Heavily laden with time expired men, [V7] bound for the land they [I] adore.
There's [I] many an airman just finishing his time,

Clean up your buttons and polish your boots,

There's [I] many a rookie has taken it in, hook line and sinker an' [V] all
[V] You'll get no pro-[V7]-motion this [V] side of the [V7] ocean

So [V] cheer up my [V7] lads, Bless 'Em [I] All.

Now they [I] say that the Sergeant's a very nice chap, oh what a tale to [V] tell.
Ask him for leave on a Saturday night and [V7] he'll pay your fare home as [I] well.
There's [I] many an airman has blighted his life through writing rude words on the [V] wall
[V] You'll get no pro-[V7]-motion this [V] side of the [V7] ocean
So [V] cheer up my [V7] lads, Bless 'Em [I] All.

Tune in D

[I7] Now Mr. [IV] Wu was a [bII7] laundry man
In a [IV] shop with an [I7] old green [IV] door
He'd [I7] iron all day your [IV] linen away
He [V7] really makes me [I7] sore
He's [v] lost his [I7] heart to a [v] Chinese [I7] girl
And his [IV] laundry's all [bvii] gone [IV] wrong
All [V7] day he'll flirt and scorch your shirt
That's why I'm singing this [I7] song

[I7] Oh Mr. [IV] Wu, what can I [II7] do,
I'm feeling [V7] kind of Limehouse
[bII7] Chinese [I7] laundry [IV] blues [IV7]
This funny [bVII] feeling, keeps [bvii] round me [IV] stealing [II7]
Oh [V7] wont you throw your sweat-heart over [I] do [vi] [I7]
My vests so [IV] short that it wont fit [IV7] my little brother
And my [bVII] new Sunday shirt has got a [bII7] perforated rudder
Mr. [IV] Wu [VI7] what shall I [II7] do, I'm feeling [V7] kind of Limehouse
[bII7] Chinese [I7] laundry [IV] blues

[I7] Now Mr. [IV] Wu, he's got a [IV7] naughty eye that flickers
You [bVII] ought to see it wobble
When he's [bII7] ironing ladies blouses!
Mr. [IV] Wu [VI7] what shall I [II7] do, I'm feeling [V7] kind of Limehouse
[bII7] Chinese [I7] laundry [IV] blues
[I7] Now Mr. [IV] Wu he's got a [IV7] laundry kind of tricky
Hell [bVII] starch my shirt and collars
But he'll [bII7] never touch my waistcoat!
Mr. [IV] Wu [VI7] what shall I [II7] do, I'm feeling [V7] kind of Limehouse
[bII7] Chinese [I7] laundry [IV] blues

[VII7] Fanlight Fanny the frowsy [b7] night [VII7] club [III] queen. [V7]

By [i] tecs she's followed and when she's collared the judge she always cheats,

She's [i] often boasted she's been toasted, toasted by her friends.
She [VII7] ought to be cremated [III] too. [b7] [VII7] [III]
You [III7] can't tell if she's brunette or a [VI] blonde,
She's [IV7] like something you drag out of a [VII7] pond. [V7]
[i] She's a peach but understand, She's called a peach because she's always canned.
[VII7] Fanlight Fanny the frowsy [b7] night [VII7] club [III] queen. [b7] [VII7] [III]

GF - Frigid Air Fanny

artist:George Formby writer:George Formby

[I] A foreign dame to England came, for [ii] months she'd been afloat
[II7] Trave[vi]lling [II] first [I6] class, [II7] that's the worst class,
[V] on a [II7] cattle [V7] boat [ii] [IVdim]
[I] See her with a [IV] gay rag [I] wrapped around her [IV] hay bag,
[I] waggling her [I7] tambou[IV]rine
[V7] That's [I] Frigid Air [II7] Fanny
from the [bVI7] Ar[V7]gen[I]tine [vi] [ii7]

[I] At the caba[IV]ret show, rot[I]ten apples [IV] they throw,
[I] shouting "Keep the [I7] party [IV] clean"
[V7] That's [I] Frigid Air [II7] Fanny
from the [bVI7] Ar[V7]gen[I]tine [vi] [ii7]

Now [I7] don't tell her she's frozen mutton,
[IV] for [I7] if [IVdim] you [IV] do
[II7] Soon you'll get the frozen mitt
and the cold shoulder [V7] too [ii] [IVdim]
[I] You can recog[IV]nise her, there's [I] nothing to dis[IV]guise her,
Ex[I] cpt a bit of [I7] crepe de [IV] chine
[V7] That's [I] Frigid Air [II7] Fanny
from the [bVI7] Ar[V7]gen[I]tine [vi] [ii7]

Now [I] since a child, out in the wild,
that's [ii] where she used to dwell,
[II7] In [vi] the [II7] land [I6] where [II7] beef gets canned there,
[V] she gets [II7] canned as [V7] well [ii] [IVdim]
[I] Sitting on an [IV] ice box, [I] melting all the [IV] ice blocks,
[I] She's the hottest [I7] thing you've [IV] seen
[V7] That's [I] Frigid Air [II7] Fanny
from the [bVI7] Ar[V7]gen[I]tine [vi] [ii7]

[I] When she does the [IV] Rumba, [I] Policemen take her [IV] number
And [I] firemen dash [I7] on the [IV] scene
[V7] To [I] Frigid Air [II7] Fanny from the [bVI7] Ar[V7]gen[I] tine [vi] [ii7]

Now [I7] don't tell her she's frozen mutton, [IV] for [I7] if [IVdim] you [IV] do
[II7] Soon you'll get the frozen mitt and the cold shoulder [V7] too [ii] [IVdim]
Her [I] teeth are not a [IV] grand set, she [I] bought a second [IV] hand set,

GF - Grandad's Flannelette Nightshirt

artist:George Formby writer:George Formby, Eddie Latta

Now in [I] our fami[V7]ly we've got an [I] heirloom. [I7]
They [IV] handed it to [vidim] me a year a[I] go.
It's [I] been in our [III7] possession since [vi] Grandad was a lad.
I'll [V] tell you what it [II7] is and then you'll [V] know.

[V7] It's my [I] Grandad's Flannelette [vidim] night-[I] shirt
In it [IV] I was [vidim] christened one [I] day
Down [V7] at the church they [I] were in a [vi] whirl,
[V] No one seemed to know if I were [II7] boy or [V7] girl.
[V7] [ii] [V7] They'd [I] had one or two and ee they [vi] were in [I] mess
But it's [IV] all right said the preacher rather [III7] curt.
I've [IV] been and had a [vidim] quiz and I've [I] found out what it [VI7] is
By his [II7] Grandad's [V7] Flannelette [I] shirt lordy [vi] lordy,
his [II7] Grandad's [V7] Flannelette [I] shirt.

[V7] In my [I] Grandad's Flannelette [vidim] night-[I]shirt
[IV] I got [vidim] married one [I] day.
In the [V7] train my [I] bride gave a [vi] shout,
[V] "Ee what is that you are [II7] pulling [V7] out?"
[V7] [ii] [V7]I said, [I] "It's old fashioned and it's [vi] tattered and [I] torn
But I've [IV] brought it honeymooning with me [III7] Gert"
When [IV] she said, [vidim] "What is it dear?" I [I] whispered in her [VI7] ear
"It's my [II7] Grandad's [V7] Flannelette [I] shirt lordy [vi] lordy,
my [II7] Grandad's [V7] Flannelette [I] shirt."

The [I] other day I [V7] got an [I] invitation [I7]
to [IV] go and join a [vidim] nudist colo[I]ny
And [I] as the life is [III7] healthy and in the [vi] open air
I [V]trotted off as [II7] happy as can [V] be.

[V7] With my [I] Grandad's Flannelette [vidim] night-[I] shirt
I [IV] walked up [vidim] to the [I] door.
Someone [V7] said, "Now [I] don't make a [vi] fuss,
[V] just take off your clothes and you'll [II7] be like [V7] us."
[V7] [ii] [V7] I was [I] bashful so I [vi] stayed by my[I]self,
for with the [IV] girls I didn't want to [III7] flirt
But [IV] when I [vidim] fell asleep they all [I] came and had a [VI7] peep

At my [II7] Grandad's Flannelette [I] shirt
lordy [vi] lordy,
my [II7] Grandad's [V7]Flannelette[I] shirt.

GF - I Told my Baby With the Ukulele

artist:George Formby writer:George Formby

Now [I] I had a [bVI7] sweetie [V7] once upon a [I] time,
well [bVI7] she was my [V7] i-[I]deal,
And when she was [bVI7] near I [V7] used to [I] feel,
[bVI7] well you know how [V7] you [I] feel.
But [V] I was shy and couldn't tell my love,
when I [II7] did my knees all [iii] shook,
So [V] I thought I would say it with music
and I [VI] bought my-[II7]self a [V7] uke.
I [bVI7] learnt this sloppy [V7] tune,
then one night underneath [VI7] the [II7] Wigan [V7] moon.

I [I] told my [bVI7] baby [V7] with the uku-[I]lele,
I [II7] sung a song of Ara-[V7]by, [I] [I7]
I [I] told my [bVI7] baby [V7] with the uku-[I]lele,
[II7] but she only laughed at [V7] me.
I played it [I] soft and sad, she didn't [bVI7] care a bit,
And then I [ii] got so mad I swore I'd [bVI7] make a [V7] hit.
So I [I] told my [bVI7] baby [V7] with the uku-[I]lele,
I [bVI7] bashed her with it [V7] over the [I] head

But oh! she [bVI7] was a pal,
I [I] only wish you could have [bVI7] seen [V7] that [I] gal.
Her hair was brunette type, It [II7] had pretty wrinkles like you see in [V7] tripe.
She's [I] going to [I7] have it [IV] bobbed this [bVI7] Spring,
Now [I] where will the sparrows nest, [bVI7] po-[V7]or [I] things.

Her face, it is so bright, you [II7] can't see a blemish on a foggy [V7] night,
And [I] when she [I7] smiles on [IV] her own a-[bVI7]ccord
Her [I] face lights up because she's [bVI7] lan-[V7]tern [I] jawed.

Her teeth they are divine,
all [II7] the colours in the rainbow there you'll [V7] find,
Black, [I] blue, [I7] green and [IV] red you [bVI7] bet,
She [I] only wants a white one for a [bVI7] snoo-[V7]ker [I] set.

Her neck, I loved it so, I [II7] brought her a present about a week [V7] ago,
Two [I] little [I7] gifts she'll [IV] use I [bVI7] hope,
I [I] bought her a sponge and a [bVI7] bar [V7] of [I] soap.

When I [I] went to meet my [bVI7] little maid, [II7]
I'll let you hear the sera-[bVI7]nade [V7] I [I] played

I [I] told my [bVI7] baby [V7] with the uku-[I]lele, I [II7] sung a song of Ara-[V7]by, [I] [I7]
I [I] told my [bVI7] baby [V7] with the uku-[I]lele, [II7] but she only laughed at [V7] me.
I played it [I] soft and sad, she didn't [bVI7] care a bit,
And then I [ii] got so mad I swore I'd [bVI7] make a [V7] hit.
So I [I] told my [bVI7] baby [V7] with the uku-[I]lele,
I [bVI7] bashed her with it [V7] over the [I] head

GF - I Wonder Who's Under Her Balcony Now

artist:George Formby writer:Harry Gifford, Fred E. Cliffe & George Formby

[I] Things have gone wrong [IV] with my love song
I'm [IV] not sere-[V]-nading to-[I]-night [V7sus4] [I7]
[IV] In my place there's [I] somebody new
[II7] doing the things that [V7] I ought to do

Chorus:
[I] I wonder who's under her balcony now
[II7] Who's kissing my girl?
[V7] Will he kiss her [I] under the [VI] nose?
[II7] Or underneath the archway where the [V7] sweet william grows

[I] If he's fresh and [III7] gets too free
I [IV] hope a bulldog [II7] bites him in the [V7] place it bit me
[I] I wonder who's under her [VI] balcony now
[II7] who's [V7] kissing my [I] girl?

Chorus

[I] I will bet [III7] ten to one
There's [IV] not a thing that [II7] he can do that [V7] I haven't done
[I] I wonder who's under her [VI] balcony now
[II7] Who's [V7] kissing my [I] girl?

Chorus

[I] May he fall, [III7] feel a wreck
And [IV] stagger home with [II7] half the trellis-[V7]-work round his neck
[I] I wonder who's under her [VI] balcony now
[II7] Who's [V7] kissing my [I] girl?

Instrumental
[I] I wonder who's under her balcony now
[II7] Who's kissing my girl?
[V7] Will he kiss her [I] under the [VI] nose?
[II7] Or underneath the archway where the [V7] sweet william grows

Chorus

[I] I hope he [III7] catches the lot
[IV] When she empties [II7] out her old [V7] geranium pot
[I] I wonder who's under her [VI] balcony now
[II7] Who's [V7] kissing my [I] girl?

[II7] Come on and hear my [V7] ukulele,
[I] come on and hear, come on and hear.
[II7] I give a demon[V7]stration daily, [I] right over here, right over here.
Walk [VI7] up, walk up [ii] chalk this one up to me,
whenever I play the [V7] world goes gay The [I] Uku-[V7]ele [I] Man is here.

I'm the [I] Ukulele Man, [I] come and listen if you [iii] can [I]
The Children love to [V7] hear me [I] play,
they even [V7] make their [I] mothers stay
And [ii] stand and listen all the day to the [I] Uku-[V7]lele [I] Man.

[I] When I [VI7] out with my [IV] little black case,
[VI7] the strangest things o[V7]ccur,
A [I] lady smiled and [IV] asked me in, [VI7] I stood and [V7] looked at [I] her.
[ii] She said, "Oh doctor, look at this" to undress she be-[V]gan
I [I] shut my eyes and shouted "[bVII] Stop, I'm the [I] Uku-[V7]lele [I] Man.

I'm the Ukulele Man, [V] I'm the [vi] Ukulele [VI7] Man
I'm [V7] not a [I] doctor [V7] that's quite [I] true,
but I prescribe a [V7] tonic, too.
Just [I] smile and you'll come smiling [V7] through
with the [I] Uku-[V7]lele [I] Man.

[I] When I go [VI7] out with my [IV] little black case, [VI7] some people get me [V7] wrong.
A [I] nice young lady [IV] said to me, [VI7] I'm glad you [V7] came a-[I]long,
I'd [ii] like to see your underwear, please show me all you [V] can
I [I] said, "You won't see none of [bVII] mine, I'm the [I] Uku-[V7]lele [I] Man.

I'm the Ukulele Man, I'm the [V] Ukulele [VI7] Man
I'm [V] not a salesman [I] you can guess, but I sell something [vi] none the less,
So [ii] come and buy some happiness from the [I] Uku-[V7]lele [I] Man.

When I go out with my [IV] little black case, the [II7] strangest jobs I [V] get
A [I] lady shouted [IV] out one day "[VI7] Don't clean those [V7] windows [I] yet,
I'm [ii] in my bath so go away" but promptly in I [V] ran.
[I] I'm not cleaning [IV] windows now, I'm the [I] Uku-[V7]lele [I] Man.

I'm the Ukulele Man, I'm the [V] Ukulele [VI7] Man.
Though [V] cleaning windows [I] I refuse, I've got a happy [vi] piece of news
I'll [ii] come and clean up all your blues, I'm the [I] Uku-[V7]lele [I] Man.

Boys and girls come out to play, [V] for it is a [I] lovely day
Leave your suppers and make hay hay with the [I] Uku-[V7]lele [I] Man.

GF - In My Little Snapshot Album

Tune in D

Now [III] I'm a young inventor, a [VI] chap with [VII7] good i[III]deas,
I've [VI] built my [VII7] self a [III] camera, it [II7] took me years and [VII7] years.
[VII7sus2] [VII7]
It's a [III] wonderful invention with [VI] special [VII7] x-ray [i] tricks,
It can [VII] take a picture [VIIdim] in the [VII] dark and can [VII] even see through [VII] bricks. [VII7]
I [V7] bought myself an [i] album and [V7] filled it up with [i] snaps,
And I've [VII] got some lovely [IV7] pictures of the [VII] local girls and [VII7] chaps.

Now [III] I've got a [VI] picture of the [VII7sus4] girl next [VII7] door,
[VII7sus4] in my little [VII7] snapshot [III] album,
And [III] I've never [III6] had a better [VII7sus4] snap be [VII7] fore,
[VII7sus4] in my little [VII7] snapshot [III] album.
The [iv] night was dark and the [v] hour was late,
She was [VI] kissing her boy by the [III] gar [VII7] den [III] gate,
[iv] Wouldn't she love to [V7] see page [i] eight,
[VII7] in my little snapshot [III] album.

And [III] I've got a [III6] picture of my [VII7sus4] old [VII7] granddad,
[VII7sus4] in my little [VII7] snapshot [III] album.
[III] He's over [III6] eighty but a [VII7sus4] real bad [VII7] lad,
[VII7sus4] in my little [VII7] snapshot [III] album
[iv] Although he's an [v] old antique,
[VI] he thinks he's still the [III] vil[VII7]lage [III] sheik,
I've [iv] got him dancing [V7] cheek to [i] cheek
[VII7] in my little snapshot [III] album.

Now [III] I've got a [III6] picture of the [VII7sus4] vicar's [VII7] wife,
[VII7sus4] in my little [VII7] snapshot [III] album.
[III] Chasing the [III6] Curate with a [VII7sus4] carving [VII7] knife
[VII7sus4] in my little [VII7] snapshot [III] album.
Now [iv] what he did was [v] all in fun
But it's [VI] not the kind of [III] thing [VII7] that's [III] done,
I can [iv] see he pinched her [V7] hot-cross [i] bun,
[VII7] in my little snapshot [III] album.

And [III] I've got a [III6] picture of a [VII7sus4] nudist [VII7] camp,
[VII7sus4] in my little [VII7] snapshot [III] album,
[III] All very [III6] jolly but a [VII7sus4] trifle [VII7] damp,
[VII7sus4] in my little [VII7] snapshot [III] album.
There's [iv] Uncle Dick [v] without a care,
[VI] Discarding all his [III] un[VII7]der[III]wear,
But his [iv] watch and chain still [V7] dangle [i] there,
[VII7] in my little snapshot [III] album!

[I] Talk of your [vi] beautiful [I] meadows
and [vi] fields and your [V7] parks so grand
Talk of your wonderful gardens down at [I] Kew. [I7]
[IV] I know a [ii] spot that can [IV] beat all the [ii] lot
it's the [bIII7] best I've [vi] seen
[bII7] Keep all your hills and dales, put me with the slugs and [V7] snails.

In a little Wigan [Idim] garden, [I] where the dandelions [Idim] grow
With my sweetie frowsy [V7] Flo round the mulberry bush we [I] go
Underneath the Wigan [Idim] Palm [I] trees
there I bring her up to [bVI7] scratch

We [bII7] have such a game on the cucumber frame;
I'd show her the cabbage [V7] patch
[I7] When the morning mildew [IV] christens our shallots,
[bII7] Scented breezes coming [V7] from the [ii] chimney [V7] pots

In a little Wigan [Idim] Garden, [I] when the soot is falling [Idim] down
Oh what a [V7] place, what a case, a disgrace to my home [I] town.
[I] All sorts of [vi] things, some with [I] wings,
some with [vi] stings every [V7] night appear
Glow worms and silkworms and Wigan earwigs [I] too. [I7]
[IV] Crocuses [ii] croak with [IV] fog
and [ii] smoke from the [bIII7] gasworks [vi] near
[bII7] The one thing that only grows,
is the wart [V7] on my [ii] sweeties [V7] nose

In a little Wigan [Idim] garden [I] with my little [Idim] Wiganese
Getting [V7] stung with bumble bees, between the cabbages and [I] peas
'Neath the Wigan water [Idim] lilies [I] where the drainpipe over [bVI7] flows
There's [bII7] my girl and me she sits on my knee
and watch how the rhubarb [V7] grows

[I7] 'Neath the shady tree to my [IV] loved one I cling
[bII7] While the birds above do everything but [V7] sing

It's a rotten Wigan [Idim] garden, [I] everything grows upside [Idim] down
Oh what a [V7] place what a case, a disgrace to my home [I] town.

GF - It's A Grand And Healthy Life

tune in D

[VII] Some chaps [IV7] like a game of [VII] tennis,
[VII] Some like [IV7] boating on the [VII] sea.
[IV7] Some are fond of cricket or a [VII] ball they want to kick it
But there's [I7] only one sport that appeals to [IV7] me.

[VII] I love to hike, that's what I [bV7] like,
[VII] Ee! but it's a [IV7] grand and healthy [VII] life.
I tramp a mile, then sit a [bV7] while
A [I7] bumblebee there in the grass
[IV7] Comes and stings me on my elbow.
[VII7] Down comes the rain and [III] I get wet through,
I [V7] can't blow my nose because it's [I7] already [IV7] blue
I catch a [VII] chill, and feel so [bV7] ill.
[VII] Ee! but it's a [IV7] grand and healthy [VII] life.

I love to [VII] hike, that's what I [bV7] like,
[VII] Ee! but it's a [IV7] grand and healthy [VII] life.
My girl and me, sat 'neath a [bV7] tree
A [I7] great big blackbird with its claws
[IV7] came and tore off my girl's jumper
[VII7] When she got home [III] she heard mother shout
You [V7] haven't come home the same as [I7] when you went [IV7] out
She hung her [VII] head and blushing [bV7] said,
[VII] Ee! but it's a [IV7] grand and healthy [VII] life [bV7] [IV7] [VII]

Verse 1

[I] I'm leaning on a [V7] lamp,
maybe you [I6] think, I [Vdim] look a [V7] tramp,
[V7] Or you may [I] think I'm hanging [II7] 'round to steal a car. [V7]
But [I] no I'm not a [V7] crook,

[V7] I'll tell you [I] why I'm here, and [II7] what my motives are. [ii7] [V7]

Verse 2

[I] In case a [V7] certain little lady comes [I] by.
Oh [V7] me, oh [I] my, I [V7] hope the little [II7] lady comes by. [V]

Oh [V7] me, oh [I] my, I [V7] hope the little [II7] lady comes by, [V]

She's not a [V7] girl like that.

Verse 4

[V7] Oh, she's [I] absolutely wonderful, and marvellous and beautiful.

I'm [IV] leaning on a lamp-post at the corner of the street
[IV] In case a [I] certain little [V7] lady passes [I]by.

GF - Little Stick of Blackpool Rock

artist:George Formby writer:Gifford, Cliffe, Formby

[III] Every year when [VII7] summer comes round, off to the sea I [III] go.
[V7] I don't care if I [i] do spend a pound,
[IV7] I'm rather rash I [VII7] know.
[III7] See me dressed like [VI] all the sports,
[IV7] in my blazer and a [VII7] pair of shorts.

With my [III] little stick of Blackpool Rock,
[VII] along the promenade I [IV7] stroll.
[VII7]It [III] may be [IIIdim] sticky but I [VII7] never complain,
it's [IV7] nice to have a nibble at it [VII7] now and again
[III7] Every day [VI] wherever I stray the [IV7] kids all round me [VII7] flock.

[III7] One afternoon the band conductor [VI] up on his stand
Some [IV7] how he lost his baton - it flew [VII7] out of his hand
So I [III7] jumped in his place and then con-[V7]ducted the [i] band
With my [IV7] little stick of [VII7] Blackpool [III] Rock

With my [III] little stick of Blackpool Rock,
[VII] along the promenade I [iv] stroll
[VII7] In [III] my po-[IIIdim]cket it got [VII7] stuck I could tell
'Cos [IV7] when I pulled it out I pulled my [VII7] shirt off as well
[III7] Every day [VI] wherever I stray the [IV7] kids all round me [VII7] flock.

See alternative verse at end

[III7] A girl while bathing clung to me, my [VI] wits I'd to use
She cried, "I'm [IV7] drowning, and to save me, [VII7] you won't refuse"
I said, "[III7] Well if you're drowning then I [V7] don't want to [i] lose
My [IV7] little stick of [VII7] Blackpool [III] Rock"

With my [III] little stick of Blackpool Rock, [VII] along the promenade I [iv] stroll
[VII7] In [III] the ball [IIIdim] room I went [VII7] dancing each night
No [IV7] wonder every girl that danced with me, [VII7] stuck to me tight
[III7] Every day [VI] wherever I stray the [IV7] kids all round me [VII7] flock.

[III7] A fellow took my photograph it [VI] cost one and three.
I said when it was [IV7] done, "Is that su-[VII7]pposed to be me?"
"You've [III7] properly mucked it up the only [V7] thing I can [i] see is
My [IV7] little stick of [VII7] Blackpool [III] Rock -
[IIIdim] Lordy Lordy, -
My [IV7] little stick of [VII7] Blackpool [III] Rock"

original GF verse supplied by Stephen Jackson

[III7] A girl while bathing clung to me, I [VI] shouted out, "Oh!"
She cried,"I think I'm [IV7] drowning, and you'll [VII7] save me I know "
I said, "[III7] Well if you're drowning would [V7] you mind letting [i] go

[I] Out the bedroom [III7] door he looked and [vi] smiled [I7]
He said, [IV] "Come inside and see your wife and [V7] child!"
My [I] heart it filled with [III7] joy
I could [VI7] see it was a [ii] boy

We [V7] walked along for miles without a [I] single care or frown,
But [II7] when we reached the sand dunes, she said, "Come on - lets sit [V7] down."
I [I] felt so shy and [III7] bashful sitting there [I7]
Cause the [IV] things she said I didn't under-[III]-stand [IIImaj7] [V7]
She said, "Your [I] love just makes me [III7] dizzy
Come on [VI7] big boy get [ii] busy!"
[V7] But I [I] kept a [biidim] uku[V7]lele in my [I] hand, [III7] Yes [VI7] sir!
[II7] I kept my [V7] ukulele in my [I] hand!

[I] Made up my mind that [V7] I'd get wed some [I] eighteen months ago,
I [IV] also bought a book about [II7] the things a boy should [V7] know.
But [IV] just about a week ago I [I] had an awful fright,
I [II7] had to get dressed quickly in the middle of the [V7] night.

And with my [I] little ukulele in my hand,
I went [IV] running down the street to Doctor [I] Brand.
It [V7] didn't take him long to get his [I] bag of tools
I [II7] held his hat and coat and let him have me book of [V7] rules
[I] Out the bedroom [III7] door he looked and [III] smiled [IIImaj7] [V7]
He said, [I] "Come inside and see your wife and [III7] child!"
My [I] heart it filled with [III7] joy
I could [VI7] see it was a [ii] boy
[V7] For he [I] had a [biidim] uku[V7]lele in his [I] hand, [III] Oh [VI7] Baby!
[II7] He had a [V7] ukulele in his [I] hand!

GF - Mother What'll I Do Now

artist:George Formby writer:Cliffe, Formby

[I] Mother [Idim] you give [I] good advice, [ii7] always you mean [IVadd9] well. [V7]
[I] Now I [III7] need it [vi] more than ever I'm in[II7]side this [V7] cell. [Vdim] [V7]

[I] I'm be[III7]hind a [ii] prison [V7] wall,
the [I] bed's so [VI7] hard and [II7] much too [V7] small
There's [I] no py[I7]jamas [IV] here at [bVI7] all,
Oh [I] Mother what'll [ii7] I [V7] do [I] now? [i] [V7]

They [I] told me [I7] they would [ii] treat me [V7] swell
[I] tucked in[VI7]side my [II7] little [V7] cell
But [I] up to [I7] now it's [IV] been like [bVI7] h !
[I] Mother what'll [ii7] I [V7] do [I] now?
We're [I7] parted from each other [I] and that's [IVdim] too [IV] bad.
[II7] You're my favourite Mother, Oh the best I ever [V] had. [Vdim] [V7]

To[I]night I've [VI7] got a [ii] date you [V7] see
but [I] they won't [VI7] let me [II7] have a [V7] key
And the [I] Warder's [I7] won't wait [I] up for [bVI7] me,
Oh! [I] Mother what'll [bVI7] I [V7] do [I] now?

It's [I] hard to [VI7] pass the [ii] time a[V7]way,
I'm [I] in a [VI7] dangerous [II7] mood I [V7] say.
I've [I] smoked two [I7] ciga[IV]rettes to[bVI7]day,
Oh! [I] Mother what'll [bVI7] I [V7] do [I] now?

[I] First I [I7] stand and [ii] then I [V7] sit,
[I] then I [VI7] sit and [II7] stand a [V7] bit
But [I] I can't [I7]stand much [IV] more of [bVI7] it,
[I] Mother what'll [ii7] I [V7] do [I] now?
We're [I7] parted from each other [I] and that's [IVdim] too [IV] bad.
[II7] You're my favourite Mother, Oh the best I ever [V] had. [Vdim] [V7]

[I] I got [VI7] such an [ii] awful [V7] shock,
I [I] asked the [VI7] time for [II7] there's no [V7] clock
And the [I] Warder [I7] said six [IV] months "Old [bVI7] Cock"
Oh! [I] Mother what'll [bVI7] I [V7] do [I] now?

I [I] order [I7] lunch from [ii] soup to [V7] sweet
but [I] they for[VI7]got the [II7] fish and [V7] meat
And [I] since the [I7] soup there's [IV] nowt to [bVI7] eat,
[I] Mother what'll [ii7] I [V7] do [I] now?

[I] I've had [VI7] such a [ii] tummy [V7] ache.
[I] All night [VI7] long I've [II7] been a[V7] wake.
Some [I] castor [I7] oil they [IV] made me [bVI7] take,
[I] Mother what'll [ii7] I [V7] do [I] now?
We're [I7] parted from each other [I] and that's [IVdim] too [IV] bad.
[II7] You're my favourite Mother, Oh the best I ever [V] had. [Vdim] [V7]

[I] I've played [VI7] Peter [ii] fly away [V7] Paul,
[I] I've played [VI7] tiddly [II7] winks and [V7] all
I've [I] written rude [I7] words up[IV]on the [bVI7] wall,
Oh! [I] Mother what'll [bVI7] I [V7] do [I] now? [V7] [I]

GF - On The Wigan Boat Express

artist:George Formby writer:Gifford, Cliffe, Formby

Tune in D

On the [IV] boat express I ride, [I7] see us every [IV] day
[I7] Flashing by the [IV] countryside, [V7] picking flowers [I7] on the way

Once a [IV] wedding pair didnt seem to [ii] care
they were [V7] full of love I guess
And the [I7] honeymoon started far too soon
on the [IV] Wigan [bII7] Boat [I7] Express. [IV]

A [IV] chap one day with a girl got [ii] gay, I [V7] saw them both caress
She [I7] got what for in the corridor
on the [IV] Wigan [bII7] Boat [I7] Express. [IV]

[IV] When [I7] we [IV7] shunt the [IV] backs [I7] in [IV] front
and the [VII] front parts in the rear
If [V7] we survive then we'll arrive [I7] alongside Wigan Pier.

Cried a lady [IV] "Oo bring a doctor [ii] do, I [V7] think Im in distress."
She was feel[I7]ing shocks in a signal box
on the [IV] Wigan [bII7] Boat [I7] Express. [IV]

On a [IV] steep incline one day, [I7] the train was standing [IV] still.
I [I7] said we cant wait here [IV] all day [I7]
so we [V] pushed it [I7] up the hill.
[I7] If its wet [IV] or fine we start at nine, we are [V] prompt I must confess.
And by half[I7]-past one two miles weve done
on the [IV] Wigan [bII7] Boat Express. [IV]

Once a [IV] chap I saw on the engine floor, hed gone[IV] to sleep I guess
But he [I7] woke to find a tender behind on the [IV] Wigan [bII7] Boat Express. [IV]

Now [IV7] when we shunt the backs in front and the [VII] front parts in the rear
If we [I] survive then well arrive a[V]longside [i] Wigan [I] Pier.

[I7] Mrs. [IV] Brown looked swell but sad to tell on the [V] door she tore her dress
And the [I7] sun shone gay through the permanent way on the [IV] Wigan [bII7] Boat Express. [IV]

[IV] When [I7] we [IV7] shunt the [IV] backs [I7] in [IV] front and the [VII] front parts in the rear
If [V7] we survive then we'll arrive [I7] alongside [i] Wigan [V] Pier.

[I7] In the slee[IV]ping car they go too far, all [V] mixed up more or less
But they [I7] rearrange when I shout "All change" on the [IV] Wigan [bII7] Boat Express. [IV]

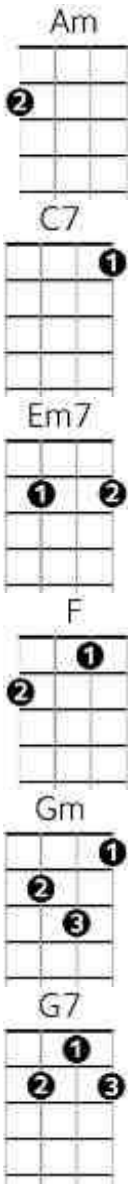
GF - Our Sergeant Major [Good Version]



[F] Now, proud of him are we, he's [Gm] generous as can be,
So [C7] sentimental, kind and gentle, our Sergeant [F] Major.

[F] He's got a heart of gold, so fearless and so bold,
He's [C7] Sergeant Major,like a Samson; strong and handsome,
our Sergeant [F] Major,

He's [Am] far away the [Em7] best friend [Am] we've ever had,
[Gm] And when he's far [D7] away, well, we're mighty [C7] sad.

We [F] praise him to the sky, for [Gm] him we'd gladly die,
[C7] We all caress him, shout 'God bless him,' our Sergeant [F] Major.

[F] To us he is so good, [Gm] be rough he never could,
We [C7] never fear him; always cheer him, our Sergeant [F] Major.

[F] On fairy tales he's keen, [Gm] he's our good fairy queen,
He's [C7] tall and slender, sweet and tender, our Sergeant [F] Major

He's [Am] far away the [Em7] best friend [Am] we've ever had,
[Gm] And when he's far [D7] away, well, we're mighty [C7] sad.

[F] If there should be a war, [Gm] don't worry on that score,
[C7] Once we're in it, who could win it, our Sergeant [F] Major!

[I] Now there's a sergeant major, enjoys life will he can.
He proves to all the ladies he's a [II7] soldier and a [V7] man.

[I] He sticks out his chest, two [ii] pillows in his vest,
A [V7] bolster under his rotunda, Our Sergeant [I] Major.

His [I] medals break our hearts, he [ii] won them playing darts,
And [V7] while competing, who was cheating? Our Sergeant [I] Major

He's [iii] far away the [vii7] worst friend [iii] we've ever had,
[ii] When he's far [VI7] away well, [ii] we're mighty glad. [V7]

In [I] the canteen bar, you [ii] know what sergeants are,
[V7] When we've passed out, who's the last out, Our Sergeant [I] Major.

He's [I] got a raucous voice, his [ii] language isn't choice,
In [V7] clink we'd shove him, how we'd love him, Our Sergeant [I] Major.

His [I] weight about he'd throw, the [ii] wicked so and so,
[V7] Who'd even smother his own mother, Our Sergeant [I] Major.

He's [iii] far away the [vii7] worst friend [iii] we've ever had,
[ii] When he's far [VI7] away well, [ii] we're mighty [V7] glad.

Our [I] bugler goes his rounds, and [ii] when the bugle sounds.
For [V7] everlasting, who's he blasting? Our Sergeant [I] Major.

Now he [I] makes raw recruits, just [ii] tremble in their boots,
He [V7] calls them slackers, who's gone crackers? Our Sergeant [I] Major.

His [I] feet fill up the road, knock-[ii] kneed and pigeon toed,
[V7] We'd sooner shoot him then salute him, Our Sergeant [I] Major.

He's [iii] far away the [vii7] worst friend [iii] we've ever had,
[ii] When he's far [VI7] away well, [ii] we're mighty [V7] glad.

The [I] mascot goat we own, so [ii] big and fat has grown,

I never [V7] go out on a hike, play [vi] golf or ride a bike,
But [II7] here's how I spend all my [V] time, [V7] you'll [ii] find [V7] me

[I] Sitting on the [V7] top of Blackpool [I] Tower

[II7] One chap with his [II7] girlfriend[I] kept [V7] bursting in[IV]to [V7] song

GF - The Bowler Hat my Grandad left to me [I]

artist:George Formby writer:Walter Langshaw

[I] Me Grandad was a fine old man, who [VI7] lived to 93
And [II7] in his will he left his favourite [V7] bowler [ii] hat to [V7] me
[III7] When I go out wearing it, I [vi] feel a [III7] proper [vi] toff
[II7] It's so snug and comfy I [V7] rarely [ii] take it [V7] off

In the [I] bowler hat me grandad left to [VI7] me
One [II7] summers day it was as warm as can [V7] be
I [III7] went out for a hike, there was [vi] nobo[III7]dy ab[vi]out
I [II7] felt so hot and sticky I [V7] thought I'd [ii] cast a [V7] clout
[I] Without a stitch I lay there [VI7] lazily
Then [II7] three girl guides dropped down out of a [V7] tree
When I [I] spotted the in[III7]trusion, I [vi] covered my con[ii]fusion
[V7] With the [I] bowler hat me [V7] grandad left to [I] me

With the [I] bowler hat me grandad left to [VI7] me
The [II7] local club had quite a novel[V7]ty
A [III7] lady did a fan dance and a [vi] lot of [III7] skin she'd [vi] got
[II7] When she waved those fans around you [V7] couldn't [ii] see a [V7] lot
[I] Then she tripped and fell down on one [VI7] knee
Her [II7] fans were lost, it was a myste[I]ry
I said "you've [I] lost your [III7] fan dear, just [vi] do the best you [ii] can here
[V7] With the [I] bowler hat me [V7] grandad left to [I] me "

In the [I] bowler hat me grandad left to [VI7] me
I [II7] met some friends and we went on a [V7] spree
They [III7] saw me to the station, I [vi] climbed [III7] aboard the [vi] train
[II7] Then I had an experience I [V7] never [ii] want [V7] again
[I] There wasn't any corridors you [VI7] see
My [II7] journey was from nine o'clock 'till [I] three
I'd had ten [I] pints of [III7] shandy, so [vi] one thing came in [ii] handy
[V7] It was the [I] bowler hat me [V7] grandad left to [I] me
In the [I] bowler hat me grandad left to [VI7] me
One [II7] summers day it was as warm as can [V7] be
I [III7] went out for a hike, there was [vi] nobo[III7]dy ab[vi]out
I [II7] felt so hot and sticky I [V7] thought I'd [ii] cast a [V7] clout
[I] Without a stitch I lay there [VI7] lazily
Then [II7] three girl guides dropped down out of a [V7] tree
When I [I] spotted the in[III7]trusion, I [vi] covered my con[ii]fusion
[V7] With the [I] bowler hat me [V7] grandad left to [I] me

In the [I] bowler hat me grandad left to [VI7] me
I [II7] loved May Jane and she loved [V7] me
We [III7] courted for a while and got [vi] married [III7] in the [vi] June
[II7] And when the do was over we [V7] went on [ii] honey[V7]moon
[I] In bed that night we cuddled tender[VI7]ly
Then [II7] Mary Hane cried out "what can it [I] be"
She said "whats this I've [I] got me [III7] hand on"
I [vi] said "ee love its a [ii] grand one"
[V7] It's the [I] bowler hat me [V7] grandad left to [I] me
Oh yeah [V7] it's the [I] bowler hat me [V7] grandad left to [I] me

And [I] after that pulls [I7] down [I6] the [I] blind [Idim] when I'm cleaning [I] windows

In [III7] my profession I work hard [VI7] but I'll never stop
I'll [II7] climb this blinking ladder 'til I [V7] get right to the [V] top
An [I] old maid walks a[I7] round the floor
She's [I] so fed up one [Idim] day I'm sure
She'll [I] drag me in and [I7] lock [I6] the [I] door [Idim] when I'm cleaning [I] windows

GF - Why Don't Women Like Me

Go To Contents

artist: George Formby, writer: Jack Cotterill, Bennett

Tune in D

Now I [I] know I'm not [bVI7] handsome, [bII7] no good looks or wealth
But the [V7] girls I chase say my plain face will [I] compromise their health.
Now I [I] know fellows worse than [bVI7] me bow-[bII7] legged and boss-eyed
[bII7] Walking out with lovely women clinging to their [V7] side.
Now if [I] women like them like men like those,
[I] why don't [V7] women like [I] me?

[IV] Look at Empress Jose[V7]phine,
the [bII7] most attractive women that ever was [V7] seen,
[I] Yet Napoleon short and [bVI7] fat,
[bII7] captivates a lovely looking dame like [V7] that
Now if [I] women like them like men like those -
[bII7] why don't [V7] women like [I] me?
Hey, hey, [bII7] why don't women like [I] me?

Last [I] night I went I out walking, my [bII7] intentions were to click
But the [V7] sights I saw while walking out, they [I] nearly made me sick.
I must admit I saw some [bVI7] girls, [bII7] attractive little dears
Arm in arm with ugly men with [V7] cauliflower ears.
Now if [I] women like them like men like those -[bII7] why don't [V7] women like [I] me?

[IV] What can the [I] attraction be, [bII7] that's the thing that always starts to worry [I] me.
Al[I]though I haven't got a [bVI7] bean, I've [bII7] got a lot of things that girls haven't [V7] seen.
Now if [I] women like them like men like those - [bII7] why don't [V7] women like me?
Hey, [bVI7] hey, [bII7] why don't [V7] women like [I] me? [V7]

Now I [I] went for my holidays down [bII7] to the gay seaside,
I saw a lot of [V7] things there being [I] hidden by the tide.
The way some women [bVI7] jumped a[bII7]round the man there in the sea
Made me think that there is still a good [V7] chance left for me.
'Cause if [I] women like them like men like those, [bII7] why don't [V7] women like [I] me

Now if [I] women like them like men like those, [bII7] why don't [V7] women like [I] me?
[IV] Take Lord Nelson with [I] one limb, [bII7] Lady William Hamilton she fell for [V7] him.
With [I] one eye and one arm gone [bVI7] west,
She [bII7] ran like the devil and she grabbed the [V7] rest.
Now if [I] women like them like men like those,
[bII7] why don't [V7] women like [I] me?

Hey, [bVI7] hey - why don't [V7] women like [I] me? [V7] [I]

GF - You Don't Need a License For That

artist:George Formby writer:Formby, Cliffe

[I] If you've a pub or a small hotel, [VI7] you need a license for all you sell
You [V7] may think I'm ro[I]mancing, but
[II7] they even tax you for [V7] singing and dancing.
[I] You need a [III7] license [VI] whatever you [I] do,
[VI] one or two [VI7] things they've [ii] exempted it's [V7] true,
[I] Lumbago, the gout or a [III7] touch of the [VI7] flu,
you [II7] don't need a license for [V7] that.

Now [I] I've got a [III7] license for [VI] chickens to [VI7] lay,
[VI] one of them [VI7] sat on a [ii] brick yester[V7]day,
And [I] then started clucking, as [III7] much as to [VI7] say,
he [II7] won't need a [V7] license for [I] that.

[III7] We'd have a good time, a wines in the wood time,
[VI7] if it were duty free.
[II7] We'd cut the taxes, with our battle-axes,
then roll out the barrel for [V7] me.

[I] Dairies must [III7] license you [VI] bet on your [VI7] life,
If [VI] you've a [VI7] cow then there's [ii] trouble and [V7] strife
As [I] Farmer Dean said when he [III7] looked at his [VI7] wife,
"By gum [II7] I'll not need a [V7] license for [I] that!"

[I] You need a [III7] license for [VI] shooting down [VI7] game,
But [VI] I'd rather [VI7] flirt with a [ii] beautiful [V7] dame,
Cause [I] I get the sport with the [III7] birds just the [VI7] same
And I [II7] don't need a [V7] license for [I] that

[I] We sit in the pictures, as warm as a glove,
[VI7] in the back row of the circle above,
[II7] Two bob's worth of dark and a [V7] basin of [I] love
and I [II7] don't need a license for [V7] that.

[III7] We'd have a good time, a wines in the wood time, [VI7] if it were duty free.
[II7] We'd cut the taxes, with our battle-axes, then roll out the barrel for [V7] me.

[I] Fishing at [III7] Richmond is [VI] licensed by [VI7] law,
A [VI] chap to his [VI7] girl said, "Now [ii] you hold your [V7] jaw".
You [I] know exactly what [III7] I'm fishing [VI7] for,
and I [II7] don't need a license for [V7] that.
No sir, I [II7] don't need a [V7] license for [I] that

GF - You're Everything to Me

artist:George Formby writer:MacDougal

I [vi7] sometimes sit and [II7] wonder just [vi7] why I am [II7] able,
to [vi7] get the lucky [II7] breaks I [V] do.
I'm [ii7] luckier than [V7] Roosevelt, or [ii7] Nuffield or [V7] Gable,
they've [ii7] never been [V] in [II7] love [Vaug] with [I] you
They [II7] may have lots of money and [V] importance,
I [II7] know I'd fail where they suc[V]ceed,
But [I] though my worldly wealth are only - [VI7aug] fourpence, [VI7]
[II7] what more do I [V7] need?
They can [I] take away the chairs, the [vi] carpet from the stairs and
[IV] all that they can [III7aug] see. [III7]
It [ii7] won't mean [iv6] anything, [I] so long as I've got [iv6]
you, [VI7] you're [ii7] every[V7]thing to [I] me. [V7sus4]

[V7] They can [I] take away the slates, the [vi] number from the gate
and [IV] even take the [III7aug] key, [III7]
[ii7] It won't mean [iv6] anything [I] so long as I've got [VI7aug]
you, you're every[V7]thing to [I] me.
I can [vi7] do without cigars and [IV] Rolls Royce motor cars and
[iv6] walk the way I've [I] done
And [IV] although the weather's damp I can [ii] do without my gamp
When you're [ii7] everything rolled into [iv6] one.
[V7] I can give up [I] all I bought, [vi] without a single thought, [IV] it's
not so hard you [III7aug] see. [III7]
[ii7] It won't mean [iv6] anything [I] so long as I've [VI7aug] got you,
[VI7] you're [ii7] every[V7]thing to [I] me.

[V7] I [I] can do without my fags or the [vi] bottom to my bags
(budada[IV]bum), I'd even go [III7aug] T.T. [III7]
I [ii7] don't need [iv6] anything [I] so long as I've[VI7aug] got you,
[VI7] you're [ii7] every[V7]thing to [I] me. [V7sus4]
[V7] I can [I] get along with now't - [vi] aye, and can even do without
[IV] me Auntie Maggie's Reme[III7aug]dy [III7]
I [ii7] don't need [iv6] anything [I] so long as I've [VI7aug] got [VI7]
you, you're [ii7] every[V7]thing to [I] me.

I'd give [vi7] up without a shock, my [IV] stick of Blackpool Rock
[iv6] Although it gives me lots of [I] fun.
I can [IV] do without my pipe or my [ii] weekly plate of tripe
For you're [ii7] everything rolled into [iv6] one.
[V7] I [I] can do without my boots or [vi] without my swimming suit,
I'd [IV] undress in the [III7aug] sea, [III7] brrrrr
I [ii7] don't need [iv6] anything [I] so long as I've got [VI7aug] you,
[VI7] you're [ii7] every[V7]thing to [I] me.
[bVI7] You see - [ii7] you're every[V7]thing [I] to [iv6] me. [I]

But out by us it's just three thousand light-years [IV] wide

[I] [IV] [V]

[I] Galveston, oh [IV] Gal-[V]ves-[I]ton
I still hear your [I7] sea winds [IV] blowin' [ii7]
And I still [I] see her dark [I7] eyes [IV] glowin' [ii7]
She was [V] twenty [vi] one, when [IV] I left Galves-[I]ton. [IV] [V]

[I] Galveston, oh [IV] Gal-[V]ves-[I]ton
I still hear your [I7] sea waves [IV] crashin'[ii7]
And [V] while I [I] watch the [I7] cannons [IV] flashing [ii7]
I [V] clean my [vi] gun, and [IV] dream of Galves-[I]ton. [IV] [V]

I [III] still see her standing [IV] by the [III] water [IV]
[v] Standing there, looking out to [III] sea
And is she [i] waiting [IV7] there for [VII] me?
On the [ii] beach where we used to [i] run [IV] [V]

[I] Galveston, oh [IV] Gal-[V]ves-[I]ton
I am so a-[I7]fraid of [IV] dyin' [ii7]
Be-[V]fore I [I] dry the [I7] tears she's [IV] cryin' [ii7]
Be-[V]fore I [vi] watch your [V] sea birds [IV] flying [iii] in the [ii7] sun
At [IV] Galves-[VI]ton, at [IV] Galves-[I]ton.

[I] Galveston, oh [IV] Gal-[V]ves-[I]ton
I still hear your [I7] sea waves [IV] crashin' [ii7]
And [V] while I [I] watch the [I7] cannons [IV] flashing [ii7]
I [V] clean my [vi] gun, and [IV] dream of Galves-[I]ton.

[I]
[I] Well, I took a stroll on the [I] old long walk, on a [I] day -I- ay-I- [IV] ay
I [I] met a little girl and we [IV] stopped to [I] talk, of a fine soft [V7] day -I-[I]ay
And I [IV] ask you [I] friend [Isus4]-[I], what's a [IV] fella to [I] do [Isus4]-[I]
'Cause her [vi] hair was [I] black and her [V7] eyes were [I] blue [Isus4]-[I]
And I [IV] knew right [I] then [Isus4]-[I], I'd be [IV] takin' a [I] whirl [Isus4]-[I]
'Round the [vi] Salthill [I] Prom with a [V7] Galway [I] girl [I]

. [I] [I] [IV] [I] [IV] [I] [V7] [I] [V7] [IV] [I]

[I] We were halfway there when the [I] rain came down, on a [I] day -I- ay-I-[IV] ay
And she [I] asked me up to her [IV] flat down- [I] town, on a fine soft [V7] day -I-ay-I-[I]ay
And I [IV] ask you [I] friend [Isus4]-[I], what's a [IV] fella to [I] do [Isus4]-[I]
'Cause her [vi] hair was [I] black and her [V7] eyes were [I] blue [Isus4]-[I]
So I [IV] took her [I] hand [Isus4]-[I], and I [IV] gave her a [I] twirl [Isus4]-[I]
And I [vi] lost my [I] heart to a [V7] Galway [I] girl [I]

[I] When I woke up I was [I] all alone, on a [I] day -I- ay-I-[IV]ay
With a [I] broken heart and a [IV] ticket [I] home, on a day -I-[V7] ay-I-[I]ay
And I [IV] ask you [I] now [Isus4]-[I], tell me [IV] what would you [I] do [Isus4]-[I]
If her [vi] hair was [I] black and her [V7] eyes were [I] blue [Isus4]-[I]
'Cause I've [IV] travelled a-[I]round [Isus4] [I], I've been all [IV] over this [I] world [Isus4]-[I]

Gambler, The

https://www.youtube.com/watch?v=oe3bXVNZOfc Capo 1

On a [I] warm summer's evenin' on a [IV] train bound for [I] nowhere,
I met up with the gambler; we were both too tired to [V] sleep.
So [I] we took turns a starin' out the [IV] window at the [I] darkness
'til [IV] boredom over [I] took us, and [V] he began to [I] speak.

He said, [I] "Son, I've made a life out of [IV] readin' people's [I] faces,
and knowin' what their cards were by the way they held their [V] eyes.
And if [I] you don't mind my sayin', I can [IV] see you're out of [I] aces.
For a [IV] taste of your [I] whiskey I'll [V] give you some [I] advice."

So I [I] handed him my bottle
and he [IV] drank down my last [I] swallow.
Then he bummed a cigarette and asked me for a [V] light.
And the [I] night got deathly quiet,
and his [IV] face lost all ex[I]pression.
Said, "If you're [IV] gonna play the [I] game, boy,
ya gotta [V] learn to play it [I] right.

You got to [I] know when to hold 'em, [IV] know when to [I] fold 'em,
[IV] know when to [I] walk away and know when to [V] run.
You never [I] count [ii] your [I] money when you're [IV] sittin' at the [I] table.
There'll be [IV] time enough for [I] countin' [V] when the dealin's [I] done.

[I] Ev'ry gambler knows that the [IV] secret to surv[I]ivin'
is knowin' what to throw away and knowing what to [V] keep.
'Cause [I] ev'ry hand's a winner and [IV] ev'ry hand's a [I] loser,
and the [IV] best that you can [I] hope for is to [V] die in your [I] sleep."

And [I] when he'd finished speakin', he [IV] turned back towards the [I] window,
crushed out his cigarette and faded off to [V] sleep.
And [I] somewhere in the darkness the [IV] gambler, he broke [I] even.
But [IV] in his final [I] words I found an [V] ace that I could [I] keep.

You got to [I] know when to hold 'em, [IV] know when to [I] fold 'em,
[IV] know when to [I] walk away and know when to [V] run.
You never [I] count [ii] your [I] money when you're [IV] sittin' at the [I] table.
There'll be [IV] time enough for [I] countin' [V] when the dealin's [I] done.

Games People Play

[I] Oh the games people play now, every night and every [V7] day now
Never meaning what they [IV] say now, [V7] never saying what they [I] mean
And they wile away the hours, in their ivory [V7] towers
Till they're covered up with [IV] flowers, in the [V7] back of a black limous-[I]ine

Chorus:
[I] La-da da, da-da da.., da da
La-da da, da-da da.., [V7] da-dee
Talking 'bout [IV] you and me
[V7] And the games people [I] play

[I] Oh the games people play now, every night and every [V7] day now
Never meaning what they [IV] say now, [V7] never saying what they [I] mean
And they wile away the hours, in their ivory [V7] towers
Till they're covered up with [IV] flowers, in the [V7] back of a black limous-[I]ine

Chorus

Oh we make one another cry, break a heart then we [V7] say goodbye
Cross our hearts and we [IV] hope to die, [V7] that the other was to [I] blame
Neither one will ever give in, so we gaze at our [V7] eight by ten
Thinking 'bout the things that [IV] might have been
[V7] it's a dirty rotten [I] shame

Chorus

[I] Oh the games people play now, every night and every [V7] day now
Never meaning what they [IV] say now, [V7] never saying what they [I] mean

People walking up to you, singing glory halle- [V7]lulia
And they're trying [IV] to sock it to you, [V7] in the name of the [I] Lord
They're gonna teach you how to meditate, read your horoscope, [V7] cheat your fate
And further more to [IV] hell with hate,
[V7] come on and get on [I] board

Chorus

Look around tell me what you see, what's happening to [V7] you and me
God grant me the ser- [IV]enity, [V7] to remember who I [I] am
Cause you've given up your sanity, for your pride and your [V7] vanity
Turned your back on hu- [IV]manity,
[V7] and you don't give a [I] damn

[I] You see you [IV] can't please [I] everyone, so you [IV] got to [V] please your-[I]self.

[I] I went to a garden [IV] party to remi-[I]nisce with my old [IV] friends
[I] A chance to share old memories [IV] and play our [V] songs a-[I]gain.
[I] When I got to the garden [IV] party, [I] they all [V] knew my [IV] name,
But [I] no one [V] recog-[I]nised me, I [IV] didn't [V] look the [I] same.

[I] But it's [IV] all [V] right [I] now. I [IV] learned my [V] lesson [I] well.
You see you [IV] can't please [I] everyone, so you [IV] got to [V] please your-[I]self.

[I] People came from [IV] miles around. [I] Everyone was [IV] there.
[I] Yoko brought her walrus. There was [IV] magic [V] in the [I] air.
[I] And over in the [IV] corner, [I] much to my [IV] surprise,
[I] Mr Hughes hid in [V] Dylan's shoes [IV] wearing [V] his dis-[I]guise.

[I] But it's [IV] all [V] right [I] now. I [IV] learned my [V] lesson [I] well.
You see you [IV] can't please [I] everyone, so you [IV] got to [V] please your-[I]self.
[IV] Lot [V] da [I] da, [IV] lot a [V] da da [I] da [IV] [I] [IV] [V] [I]

[I] I played them all the [IV] old songs, I [I] thought that's why they [IV] came.
[I] No one heard the music. [IV] We didn't [V] look the [I] same.
[I] I said hello to [IV] 'Mary Lou', [I] she belongs to [IV] me.
When I [I] sang a [V] song about a [I] honky tonk, [IV] it was [V] time to [I] leave.

[I] But it's [IV] all [V] right [I] now. I [IV] learned my [V] lesson [I] well.
You see you [IV] can't please [I] everyone, so you [IV] got to [V] please your-[I]self.
[IV] Lot [V] da [I] da, [IV] lot a [V] da da [I] da [IV] [I] [IV] [V] [I]

[I] Someone opened up the [IV] closet door and [I] out stepped Johnny B [IV] Goode,
[I] Playing guitar like a ringin' a bell and [IV] lookin' [V] like he [I] should.
[I] If you gotta play at garden [IV] parties, I [I] wish you a lot of [IV] luck
But if [I] memo-[V]ries are [I] all I sang, [IV] I'd rather [V] drive a [I] truck.

[I] But it's [IV] all [V] right [I] now. I [IV] learned my [V] lesson [I] well.
You see you [IV] can't please [I] everyone, so you [IV] got to [V] please your-[I]self.
[IV] Lot [V] da [I] da, [IV] lot a [V] da da [I] da [IV] [I] [IV] [V] [I]

[I] But it's [IV] all [V] right [I] now. I [IV] learned my [V] lesson [I] well.

The [V7] gas tap wouldn't [I] turn - I wasn't [V] getting gas at [V7] all.
He [I] tore out all the [IV] skirting boards to [II] try and find the [V7] main
And I [V7] had to call a [I] carpenter to [II] put them back [I] again.

[I] Oh, it all makes [II] work for the [I] working man to do.

[V] 'Twas [I] on a Tuesday morn[V]ing the [I] carpen[V7]ter came [I] round.

[I] Oh, it all makes [II] work for the [I] working man to do.

[V] 'Twas [I] on a Wednesday morn[V]ing the [I] elec[V7]trician [I] came.

[I] Fair and lovely Annie, your gentle [V] ways have [I] won me
You bring peace and [V] joy and [vi] laughter every-[ii]where [V7]
Where you [I] go the sunshine [vi] follows, you're a [iii] breath of [ii] spring in [I] winter
And my [I] heart and soul are [V] always in your [I] care [I7]

Gentle Ann-[vi]ie, gentle [iii] Annie
And my [I] heart and soul are [V] always in your [I] care [V7]

When you [IV] touch me with your [I] fingers, my [IV] cares and worries [I] vanish
like the morning [V] dew [vi] before the rising [ii] sun [V7]
When your [I] eyes tell me you [vi] love me and my [iii] soul is [ii] filled with [I] wonder
And my [I] love for you will [V] live when life is [I] done [I7]

Gentle Ann-[vi]ie, gentle [iii] Annie
And my [I] love for you will [V] live when life is [I] done [V7]

[I] You're a [IV] flower among the [I] flowers, you're the [IV] bird song in the [I] morning
You're the laughter of the [vi] children at their [ii] play [V7]
You're my [I] hope, and joy, and [vi] wisdom, you're my [iii] reason [ii] just for [I] living

It's [I] knowing that your [Imaj7] door is always [I6] open

It's [I] of a Gentleman Soldier as a [V] sentry he did [I] stand
He saluted a fair maiden by a [V] waving of his [I] hand
So then he boldly [V] kissed her and he [IV] passed it off as a [I] joke
He [I] drilled her up in the sentry box wrapped [V] up in a soldier's [I] cloak

> And the [I] drums are going a [V] rat a tat, tat and the [IV] fifes they loudly [I] play
> [I] Fare you well [vi] Polly my dear, I [V] must be going a-[I]way

All [I] night they tossed and tumbled till the [V] morning did a-[I]ppear
The soldier rose, put on his clothes, and [V] said farewell my [I] dear
For the drums are loudly [V] beating and the [IV] fifes they sweetly [I] play
If it [I] weren't for that, Polly my dear, with [V] you I'd gladly [I] stay

> And the [I] drums are going a [V] rat a tat, tat and the [IV] fifes they loudly [I] play
> [I] Fare you well [vi] Polly my dear, I [V] must be going a-[I]way

If [I] anyone comes a courting you, you can [V] treat them to a [I] glass
If anyone comes a courting you, you can [V] say you're a country [I] lass
You don't have to [V] tell them, that you [IV] ever played this [I] joke
That [I] you got drilled in a sentry box wrapped [V] up in a soldier's [I] cloak

> And the [I] drums are going a [V] rat a tat, tat and the [IV] fifes they loudly [I] play
> [I] Fare you well [vi] Polly my dear, I [V] must be going a-[I]way

Now [I] come you Gentleman Soldier, [V] won't you marry [I] me?
Oh no my dearest Polly this [V] thing can never [I] be
For I've a wife al-[V]ready and [IV] children I have [I] three
Two [I] wives are allowed in the army, but [V] one's too many for [I] me

> And the [I] drums are going a [V] rat a tat, tat and the [IV] fifes they loudly [I] play
> [I] Fare you well [vi] Polly my dear, I [V] must be going a-[I]way

Oh it's [I] come my Gentleman Soldier, why [V] didn't you tell me [I] so?
My parents will be angry when [V] this they come to [I] know
And when nine months had [V] been and gone the [IV] poor girl she brought [I] shame
She [I] had a little militia boy and she [V] didn't know his [I] name

> And the [I] drums are going a [V] rat a tat, tat and the [IV] fifes they loudly [I] play
> [I] Fare you well [vi] Polly my dear, I [V] must be going a-[I]way
> And the [I] drums are going a [V] rat a tat, tat and the [IV] fifes they loudly [I] play

[IV] [V] [I]

[I] I left home for the bright lights,
to find some city night life
you're a [IV] fool boy is what my mama [V] said,

[V] But from those harbour lights I strayed
Down the [I] Gardiner Expressway
in [II] old familiar footsteps did I [V] tread

In these [I] shoes all worn and tattered,
with a heart so blue and shattered
seemed like [IV] everything that mattered once was [V] dead

[V] Cause you could spend, spend and spend
and never get back change
Your're a [IV] fool boy is [V] what my mama [I] said.

[IV] [V] [I]

[I] So here's to Roy, Dick and Harry
Cause it helped ease the worry
that you [IV] naturally feel so far from [V] home

[V] And if its not the way you're brought up,
it's [I] easy to get caught up
in a [II] life thats bound to leave you all a-[V]lone

In this [I] suit of empty pockets,
there's a face inside a locket
hopes that [IV] I don't have to hock it, for a [V] bed

[V] Cause you could spend, spend and spend
and never get back change
Your're a [IV] fool boy is [V] what my mama [I] said.

Yeah you could [V] spend, spend and spend,
and never get back change
Your're a [IV] fool boy is [V] what my mama [I] said.

[IV] [V] [I]
[IV] [V] [I]

[I] I left home for the bright lights,
the fast Toronto night life
Your're a [IV] fool boy ... [V]

[V] But from those harbour lights I strayed
Down the [I] Gardiner Expressway
in [II] old familiar footsteps did I [ii] tread

[V] In these [I] shoes all worn and tattered,

The [i] floorboards creak, the [III] bedsprings squeak,
a [VII7] cold wind blows [i] across my cheek
All [VII7]night I lie here [v] haunted by your [i] ghost [V7]

The [i] shadows crawl a[III]cross the wall,
the [VII7] clock ticks loudly [i] in the hall,
but [VII7] all that I can [v] visualise...your [i] ghost

Through the [VII7] darkness I stare
in a [i] depth of despair
'cause I [II7] know you're not there
but I [V] swear I see you [V7] everywhere

All [i] I can see are [III] memories,
[VII7] endlessly tor[i]menting me,
I [VII7] find my mind is [v] blinded by your [i] ghost [V7]

I [i] go to bed to [III] rest my head
but [VII7] find that I'm pos[i]sessed instead
by [VII7] visions, appar[v]itions of your [i] ghost

I thought [VII7] you'd disappear,
if I [i] just persevered,
but I [II7] can't shake this fear,
'cause it's [V] been a year and [V7] you're still here

I [i] can't undo my [III] thoughts of you,
so [VII7] every night they [i] start anew
I [VII7] lie awake and [v] cannot shake your [i] ghost [V7]

My [i] heart once raced to [III] see your face
but [VII7] now there's just an [i] empty space
be[VII7]side me, and in[v]side me, just your [i] ghost

[IV] [I] [V7] [I] (whistle) [IV] [I] [V7] [I] x2

Verse 1:
[IV] Early this [I] morning I [V7] woke from a [I] dream
I [IV] dreamt of a [I] valley that [V7] I'd never [I] seen
A [IV] magical [I] place in a [V7] faraway [I] land
With a [IV] gingerbread [I] house and a [V7] gingerbread [I] man

Middle 1:
[V7] He seemed to [I] know me, [V7] to my sur-[I] prise
The [V7] gingerbread [I] man was in-[II7] credibly [V7] wise

Verse 2:
We [IV] walked through that [I] valley and [V7] sat by a [I] stream
He [IV] told me that [I] nothing's as [V7] bad as it [I] seems
[IV] Nothing is [I] perfect and [V7] nothing will [I] last
[IV] Live in the [I] moment but [V7] cherish the [I] past

*Musical interlude (whistle) [IV] [I] [V7] [I] x2

Middle 2:
He [V7] told me that [I] life gets [V7] harder to [I] live
When-[V7] ever we blame and [II7] never for-[V7] give

Verse 3:
And [IV] now as I [I] lie here a-[V7] wake in my [I] bed
[IV] I can re-[I] call every [V7] word that he [I] said
"What-[IV] ever you [I] do, do the [V7] best that you [I] can"
[IV] That's what he [I] told me, the [V7] gingerbread [I] man.

*Musical interlude (whistle) [IV] [I] [V7] [I] x2 [I]

Bridge:
And he said: [ii] "Sometimes life won't go to plan, it [I] happens.
If [ii] someone asks for help some day, it [V] could be you, don't [V7] turn away."

Verse 4 and tag:
So what-[IV] ever you [I] do, do the [V7] best that you [I] can
[IV] That's what I [I] learned from the [V7] gingerbread [I] man
It was [IV] only a [I] dream in a [V7] faraway [I] land
But [IV] we can all [I] learn from the [V7] gingerbread [I] man.
"What-[IV] ever you [I] do, do the [V7] best that you [I] can"
Yes [IV] we can all [I] learn from (slowing) the [V7] gingerbread [I] man (pause)

[i] I went down to the [VI] hiring fair, [III] for to sell my [VII] labour,
and I [i] noticed a maid in the [VI] very next row
and [v] hoped that she'd be my [VI] neighbour.
Im-[III]agine then oh [VII] my delight when the [i] farmer picked us [VI] both. [VII]
I [III] spoke not a word in the [VI] cart to the [i] farm
but my heart [VII] beat in my [i] throat. [VI]

My [i] lodging was dry and my [VI] master fair and [III] I gave him full [VII] measure,
But my [i] envy grew like the [VI] corn in the field
for [v] in his house was my [VI] treasure.
And I'd [III] watch her carry [VII] water or [i] drive cows from the [VI] byre, [VII]
And the [III] heat from the sun made the [VI] corn grow [i] strong
and with it [VII] my de-[i]sire [VI] [i] [VI]

I'd [i] see her in my [VI] dreaming and [III] in my dreams ca-[VII]ress.
Her [i] eyes her lips and her [VI] dark brown hair,
the [v] curves beneath her [VI] dress.
When [III] harvest time it [VII] came at last so [i] heavy was the [VI] task [VII]
That the [III] women and the men worked [VI] side by [i] side
and I had her [VII] near at [i] last.

[VI] [i] [VI] [i] [VI]

So [i] I swung harder [VI] with my scythe few [III] words between us [VII] passed,
And I [i] cursed my tongue tied [VI] youthfulness
and I [v] hoped that she'd hear my [VI] heart.
When [III] all was safely [VII] gathered in and [i] we sat down to [VI] rest [VII]
My [III] trembling fingers [VI] touched her [i] arm
and she placed them [VII] on her [i] breast. [VI]

And she [i] turned to me as the [VI] sun went down
and [III] all my senses [VII] reeled,
As [i] we lay there on the [VI] scented ground
and the [v] moon rose over the [VI] field.

[III] [VII] [i] [VI] [VII] [III] [i] [VII] [i]

[i] She was safely [VI] gathered in my [III] arms when from the [VII] barn
[i] Drifted the sound of the [VI] violin
and we [v] hurried back to the [VI] farm.
And [III] all were dancing in the [VII] lantern light and [i] music filled the [VI] air [VII]
And I [III] thanked my stars for the [VI] harvest [i] moon
and the girl from the [VII] hiring [i] fair. [VI] [i] [VI]

And [III] all were dancing in the [VII] lantern light and [i] music filled the [VI] air, [VII]

[vi] Well, if you go when the [V] snowflakes [I] storm,

[vi] Please see for me if her [V] hair hangs [I] long,

[vi] Please see for me if her [IV] hair hangs [I] long,

[I] I was cutting the rug, down at place called The Jug
With a [V] girl named Linda Lou
When [I] in walked a man with a gun in his hand
[II7] Looking for you know [V] who
He said, [I] "Hey there, fellow with the hair colored yellow
[IV] Whatcha tryin' to [II7] prove?
'Cause [I] that's my woman there and I'm a man who cares
And this [V] might be all for [I] you"
I said, "Excuse me" [I] [V] [I] [V] [I]

[I] I was scared and fearing for my life
I was shaking like a [V] leaf on a tree
'Cause [I] he was lean, mean, big and bad, Lord
[II7] Pointin' that gun on [V] me
"Oh, [I] wait a minute, mister I didn't even kiss her
[IV] Don't want no trouble with [II7] you
And I know you don't [I] owe me but I wish you'd let me
[V] Ask one favor from [I] you"

"[I] Just gimme three steps, gimme three steps, mister
Gimme [V] three steps toward the [I] door?
[I] Gimme three steps, gimme three steps, mister
And you'll [V] never see me no [I] more"

Staring [II7] straight down a forty-[V]four
Well, he [I] turned and screamed at Linda Lou

Well, you could [I] hear me screaming a mile away

Gnu Song, The

It's getting better :-)

[III] A year ago, last Thursday, I was [VII] strolling in the zoo
when I [iv] met a man who [VII] though he knew the [III] lot.
He was [II7] laying down the [v] law about the habits of [II7] baboons
And the number of [iv] quills a porcupine has [VII] got.
So I asked him:
"[III] What's that creature [VII] there?"
He [iv] answered, "Oh, it's a [VI] h'Elk"
I [v] might of gone on [i] thinking that was [iv] true
If the animal in question hadn't [I] put that chap to [i] shame
And re-[v]marked, "[VI] I h'aint a h'Elk, I'm a G[V7]nu"
[I] "I'm a Gnu, I'm a Gnu
The g-nicest work of g-nature in the [ii] zoo
I'm a Gnu, [bVII] how do you [ii] do
You [bVII] really ought to k-now w-ho's w-[ii]ho's
[I] I'm a Gnu, spelt G-N-U
I'm g-[V7]not a Camel [I] or a Kangaroo
[VII] So [ii] let me intro-[bI]duce
I'm g-[VII]neither man or [bvii] moose
Oh g-[II7]no g-[v]no g-no I'm a G[I]nu"

[IV] [VII] [IV] [v] [VI] [I] [VII]

[III] Well, I had taken furnished [iii] lodgings down at [VII] Rustington-on-Sea
[I] Whence I travelled [i] on to Ashton-under-[ii]Lyne
And the [II7] second night I [v] stayed there I was [II7] woken from a dream
That I'll [iv] tell you all about some other [VII] time
Among the hunting [III] trophies on the wall above my [VII] bed
[III] Stuffed and [VI] mounted, was a [v] face I thought I [iv] knew;
A Bison? No, it's not a Bison.
An Okapi? Unlikely, Could it [I] be a [i] Hartebeest?
When I though I heard a voice...

[I] "I'm a Gnu, I'm a Gnu, a g-nother gnu
I wish I could g-nash my teeth at [ii] you
I'm a Gnu, [bVII] how do you [ii] do
You [bVII] really ought to k-now w-ho's w-[ii]ho's
[I] I'm a Gnu, spelt G-N-U
Call me [V7] Bison or Okapi and I'll [I] sue
G-[II7]nor am I the least like that [i] dreadful Hartebeest,
Oh g-[II7] no g-[v]no g-no I'm a G[I]nu
g-[II7] no g-[v]no g-no I'm a G[I]nu

[I] "God save Ireland," said the heroes
[V] "God save Ireland," said they all
Whether [I] on the scaffold high or the [IV] battlefield we [I] die
Oh, what matter when for [V] Erin dear we [I] fall?

[I] High upon the gallows tree swung the [IV] noblehearted [I] three
By the vengeful tyrant stricken in their [V] bloom
But they [I] met him face to face with the [IV] courage of their [I] race
And they went with souls un-[V]daunted to their [I] doom

[I] "God save Ireland," said the heroes
[V] "God save Ireland," said they all
Whether [I] on the scaffold high or the [IV] battlefield we [I] die
Oh, what matter when for [V] Erin dear we [I] fall?

[I] Climbed they up the rugged stair, rang their [IV] voices out in [I] prayer
Then with England's fatal cord around them [V] cast
Close [I] beside the gallows tree, kissed like [IV] brothers loving-[I]ly
True to home and faith and [V] freedom to the [I] last

[I] "God save Ireland," said the heroes
[V] "God save Ireland," said they all
Whether [I] on the scaffold high or the [IV] battlefield we [I] die
Oh, what matter when for [V] Erin dear we [I] fall?

[I] Never 'till the latest day shall the [IV] memory pass a-[I]way
Of the gallant lives thus given for our [V] land
But on the [I] cause must go, amidst [IV] joy and weal and [I] woe
'Till we make our Isle a [V] nation free and [I] grand

[I] "God save Ireland," said the heroes
[V] "God save Ireland," said they all

I [I] think I'm goin' back,
To the [v] things I learned so well in my [I] youth

I [I] think I'm returning to,
Those [v] days when I was young enough
To [I] know the truth

Now there [vi] are no games
To only [iii] pass the time
No more [IV] colouring books,
No Christmas [I] bells to chime
But thinking [ii] young and growing [IV] older is no [I] sin
And [ii] I can play the [IV] game of life to [I] win.

[I] I can recall the time,
When I [v] wasn't ashamed to reach out to a [I] friend
[I] And now I think I've got
A [v] lot more than a skipping rope to [I] lend

Now there's [vi] more to do,
Then watch my [iii] sailboat glide
And every [IV] day can be,
My magic [I] carpet ride
And [ii] I can play [IV] hide and seek with my [I] fears
And [ii] live my days in-[IV]stead of counting my [I] years

[I] I can recall the time,
When I [v] wasn't ashamed to reach out to a [I] friend
[I] And now I think I've got
A [v] lot more than a skipping rope to [I] lend

Let every-[vi]one debate,
The true re-[iii]ality
I'd rather [IV] see the world,
The way it [I] used to be
A [ii] little bit [IV] of freedom's all we [I] lack
So [ii] catch me if you [IV] can, I'm goin' [I] back [I]

[i] I went up for my interview on the [III] fourth [V7] day of [i] July
Personnel man, he questioned me un-[III]til I nearly [i] cried
Made me fill in forms un-[III]til I shook with [i] fear
A-[i]*bout the colour of my [i]* toilet roll and [III] if my [V7] cousin's [i] queer

"[i] Here's your gold watch and the [III] shackles [V7] for your [i] chain
[i] And your piece of paper to [III] saying that your [i] sane"
"[i] And if you've a son who [III] wants a good [i] career
Just [i]* get him to sign on the [i]* dotted line and [III] work for [V7] fifty [i] years"

[i] He asked me how many [III] jobs I'd [V7] had [i] before
He nearly had a heart attack [III] when I answered, [i] "Four"
[i] "Four jobs in twenty years, he said,[III] this can never [i] be"
"We [i]* only take on [i]* men who [III] work until [V7] they [i] die"

"[i] Here's your gold watch and the [III] shackles [V7] for your [i] chain
[i] And your piece of paper to [III] saying that your [i] sane"
"[i] And if you've a son who [III] wants a good [i] career
Just [i]* get him to sign on the [i]* dotted line and [III] work for [V7] fifty [i] years"

[i] He took me outside to where the [III] gravestones [V7] stood in [i] line
[i] "This is where we bury our dead, in [III] quick-stone and in [i] lime"
"And [i] if you come to work for us, on [III] this you must a-[i]gree
That [i]* if you're going to [i]* die, you'll [III] do it [V7] during tea [i] break"

"[i] Here's your gold watch and the [III] shackles [V7] for your [i] chain
[i] And your piece of paper to [III] saying that your [i] sane"
"[i] And if you've a son who [III] wants a good [i] career
Just [i]* get him to sign on the [i]* dotted line and [III] work for [V7] fifty [i] years"

[i] This story that I've told to [III] you may seem [V7] rather [i] queer
But it is the truth [III] you'll be surprised to [i] hear
I did not want no [III] job upon the [i] board
I just [i] *want to take a [i]* broom and [III] sweep the [V7] bloody [i] floor

"[i] Here's your gold watch and the [III] shackles [V7] for your [i] chain
[i] And your piece of paper to [III] saying that your [i] sane"
"[i] And if you've a son who [III] wants a good [i] career

Hard chord changes - cut some out to make it easier

[I] Good King Wen-[V]ces-[I]las looked out,
[IV] on the [V] Feast of [I] Stephen.
When the snow [V] lay [I] round about,
[IV] deep and [V] crisp and [I] even.
Brightly shone the [V] moon that [I] night,
[IV] though the [V] frost was [I] cru..el.
[V] When a poor man [vi] came in [V] sight,
[IV] gathering [V] winter [vi] fu-[IV]u-[I]el.

'[I] Hither, Page, [V] and [I] stand by me, [IV] if thou [V] know'st it, [I] telling.
Yonder peas..[V]ant, [I] who is he?..[IV] where and [V] whence his [I] dwelling?'
'Sire, he lives a [V] good league [I] hence, [IV] under-[V]neath the [I] mountain.
[V] Right against the [vi] forest [V] fence,
[IV] by Saint [V] Agnes' [vi] Fou-[IV]oun-[I]tain.'

'[I] Bring me meat [V] and [I] bring me wine,
[IV] bring me [V] pine logs, [I] hither.
Thou and I [V] shall [I] see him dine, [IV] when we [V] bear him [I] thither.'
Page and Monarch [V] forth they [I] went, [IV] forth they [V] went, to-[I]gether.
[V] Through the rude wind's [vi] wild la-[V]ment,
[IV] and the [V] bitter [vi] we-[IV]ea-[I]ther.

'[I] Sire, the night [V] is [I] darker now, [IV] and the [V] wind blows [I] stronger.
Fails my heart, [V] I [I] know not how, [IV] I can [V] go no [I] longer.'
'Mark my footsteps, my [V] good [I] Page, [IV] tread thou [V] in them, [I] boldly.
[V] Thou shalt find the [vi] winter's [V] rage,
[IV] freeze thy [V] blood less [vi] co-[IV]old-[I]ly.'

[I] In his [V] master's [I] steps he trod, [IV] where the [V] snow lay [I] dinted.
Heat was in [V] the [I] very sod, [IV] which the [V] Saint had [I] printed.
Therefore, Christian [V] men, be [I] sure, [IV] wealth or [V] rank poss-[I]essing.
[V] Ye who now will [vi] bless the [V] poor,
[IV] shall your-[V]selves find [vi] ble-[IV]ess-[I]ing.

[I] There's a big potted tree down an old hill from me,
Where you [IV] lay down a dollar or [I] two.
You can go round the bend and when you come back again,
There's a jug full of [V7] good old mountain [I] dew.

[I] Oh they call it that old mountain dew,
and [IV] them that refuse are [I] few.
I'll shut up my mug if you fill up my jug,
With some [V7] good old mountain [I] dew.

[I] My uncle Mort he is sawed off and short,
He [IV] measures about four foot [I] two.
But he think he's a giant when you give him a pint
of that [V7] good old mountain [I] dew.

[I] My old aunt June bought some brand new perfume,
It [IV] had such a sweet smellin' [I] pew.
But to her suprise when she had it analyzed
It's nothing but [V7] good old mountain [I] dew.

[I] Oh they call it that old mountain dew,
and [IV] them that refuse are [I] few.
I'll [I] shut up my mug if you fill up my jug,
With some [V7] good old mountain [I] dew.

[I] My brother Bill got a still on the hill,
Where he [IV] runs off a gallon there or [I] two.
The buzzard in the sky get so drunk they can't fly,
From smelling that [V7] good old mountain [I] dew.

[I] Oh they call it that old mountain dew,
and [IV] them that refuse are [I] few.
I'll shut up my mug if you fill up my jug,
With some [V7] good old mountain [I] dew.

John [vi] R. and The Wolfman kept me [V] company

So [IV] what do you do with [V] good ole boys like [I] me

[I] When I was in [V] school I [IV] ran with a [V] kid down the [IV] street, [V]
And I [I] watched him [V] burn himself [IV] up on [V] bourbon and [IV] speed,[V]
But I [vi] was smarter than that, and [V] I could choose.
Learned to [vi] talk like the man on the [V] six o'clock news.
When [IV] I was eighteen, lord, [V] I hit the road
But [IV] it really doesn't matter how [V] far I'd go

I can [I] still hear the soft Southern [V] winds in the [vi] live oak [IV] trees [V]

[I] Well you win, [IV] it's your show [ii] now
So [V] what's it gonna [I] be
'Cause people [IV] will tune [ii] in
How many train wrecks [V] do we need to [I] see
Be[IV]fore we lose [ii] touch of

Chorus:
[V] Where did all the good people [I] go, [IV] [ii]

I don't [I] see them on the TV shows [ii]
[V] Where did all the good people [I] go, [IV] [ii]
[II] We got [V] heaps and heaps of [I] what we sow [IV] [ii] [V]

[V] They got [I] this and that, with a [IV] rattle of tat
Testing, [ii] one two, man [V] what you gonna do
Bad [I] news, misused, got [IV] too much to lose,
[ii] gimme some truth, now [V] whose side are we on
What[I]ever you say, [IV] turn on the boob tube
I'm in the [V] mood to obey
So [I] lead me astray, and [IV] by the way now

Chorus

[IV] Sitting around feeling far [I] away [bII] [II]
[ii] So far away but I can feel the [V] debris, can you feel it
[IV] You interrupt me from a [I] friendly conversation
[ii] To tell me how great it's all gonna [V] be
[IV] You might no[I]tice some hesitation
[ii] It's important to you it's not important to [V] me
[IV] But way down [I] by the edge of your reason [bII] [II]
[ii] Well it's beginning to show
[IV] And all I really want to know is

Chorus

[V] They got [I] this and that, with a [IV] rattle of tat
Test [ii] down, one two, now [V] what you gonna do
Bad [I] news, misused,
[IV] Gimme some truth, you got [ii] too much to lose
[V] Now whose side are we on
[I] Anyway, okay, [IV] whatever you say,
[ii] Wrong or resolute, I'm in the [V] mood to obey
[I] Station through station, [IV] desensi[ii]tizing the [V] nation
[V] Where did all the people [I] go?

Lying [I] cold the way you left 'em, but at least your lips ca[IV]ressed them [I] while you packed

What a good year for the [IV] roses, [V] many blooms still [I] linger there
The lawn could stand another [ii] mowing, [V] funny I don't even [I] care

It's [I] five o'clock this [vi] morning, and the [IV] sun is on the [I] rise
There's [I] frosting on the [vi] window pane, and [IV] sorrow in your [V7] eyes
The [I] stars are fading [vi] quietly, the [IV] night is nearly [I] gone
And [I] so you turn a-[vi]way from me, and [IV] tears begin to [V7] come

And it's good-[ii]bye a-[V]gain, I'm [I] sorry to be [vi] leavin' you
[ii] Goodbye a-[V]gain, [I] as if you didn't [vi] know
It's good-[ii]bye a-[V7]gain, and I [I] wish you could [vi] tell me
Why [ii] do we always fight when I have to [V7] go

[I] It seems a shame to [vi] leave you now, the [IV] days are soft and [I] warm
I [I] long to lay me [vi] down again, to [IV] hold you in my [V7] arms
I [I] long to kiss the [vi] tears away, [IV] give you back your [I] smile
But [I] other voices [vi] beckon me, and [IV] for a little [V7] while

And it's good-[ii]bye a-[V]gain, I'm [I] sorry to be [vi] leavin' you
[ii] Goodbye a-[V]gain, [I] as if you didn't [vi] know
It's good-[ii]bye a-[V7]gain, and I [I] wish you could [vi] tell me
Why [ii] do we always fight when I have to [V7] go

I have to [iii] go and see some [IV] friends of mine, [I] some that I don't [vi] know
[ii] Some who aren't fa-[V7]miliar with my [I] name,
It's [iii] something that's in-[IV]side of me not [I] hard to under-[vi]stand
It's any-[ii]one who [IV] listens to me [V7] sing

[I] And if your hours are [vi] empty now, [IV] who am I to [I] blame
You [I] think if I were [vi] always here, our [IV] love would be the [V7] same?
[I] As it is the [vi] time we have, [IV] is worth the time a-[I]lone
And [I] lying by your [vi] side, the greatest [IV] peace I've ever [V7] know

And it's good-[ii]bye a-[V]gain, I'm [I] sorry to be [vi] leavin' you
[ii] Goodbye a-[V]gain, [I] as if you didn't [vi] know

[I] [VII] [I]

[I] I was alone I took a ride I didn't know what I would [VII] find there
[I] Another road where maybe I can see another kind of [VII] mind there

[iii] Ooh, then I [V] suddenly see you
[iii] Ooh, did I [V] tell you I need you
[IV] Every single [ii] day [V] of my [I] life

[I] You didn't run you didn't lie you know I wanted just to [VII] hold you
[I] And had you gone you'd knew in time we meet again for I had [VII] told you
[iii] Ooh you were [V] meant to be near me
[iii] Ooh, and I [V] want you hear me
[IV] Say we'll be to-[ii]gether [V] every [I] day

[I] Got to get you into my [IV] life [VII] [I] [V] [I]

[I] What can I do? What can I be when I'm with you I wanna [VII] stay there
[I] If I'm true I'll never leave and if I do I know the [VII] way there
[iii] Ooh then I [II] suddenly see you
[iii] Ooh did I tell you I [V] need you
[IV] Every single [ii] day of [V] my [I] life

[I] Got to get you into my [IV] life [VII] [I] [V] [I]

[I] Got to get you into my [IV] life [VII] [I] [V] [I]

Fade out slowly

I was a-[I] lone, I took a ride,
I didn't know what I would find there
[VII] Another road where maybe I could see another kind of [I] mind there
Then [VII] suddenly I see you,
Did I [I] tell you I need you ....

As we [I] gathered in the [vi] chapel here in [IV] old Kilmainham [V] jail
I [IV] think about these past [I] few weeks, Oh [ii] will they say we [V] failed
From our [I] school days they have [vi] told us we must [IV] yearn for liber-[V]ty
Yet [IV] all I want in [I] this dark place is to [V] have you here with [I] me.

> CHORUS
>
> Oh [V] Grace just hold me in your arms and [IV] let this moment [I] linger
> They'll [IV] take me out at [I] dawn and I will [V] die
> With [V] all my love I'll place this wedding [IV] ring upon your [I] finger
> There [IV] won't be time to [I] share our love so [V] we must say good-[I]bye.

Now I [I] know it's hard for [vi] you my love to [IV] ever under-[V]stand
The [IV] love I'll bear for [I] these great men, my [ii] love for this dear [V] land
But when [I] Pádraic called me [vi] to his side down [IV] in the G.P.[V] O.
I [IV] had to leave my [I] own sick bed, to [V] him I had to [I] go

> CHORUS
>
> Oh [V] Grace just hold me in your arms and [IV] let this moment [I] linger
> They'll [IV] take me out at [I] dawn and I will [V] die
> With [V] all my love I'll place this wedding [IV] ring upon your [I] finger
> There [IV] won't be time to [I] share our love so [V] we must say good-[I]bye.

Now [I] as the dawn is [vi] breaking, my [IV] heart is breaking [V] too
On [IV] this May morn as [I] I walk out, my [ii] thoughts will be with [V] you
And I'll [I] write some words u-[vi]pon the wall so [IV] every-[I]one will [V] know
I [IV] loved so much that [I] I could see his [V] blood upon the [I] rose.

> CHORUS
>
> Oh [V] Grace just hold me in your arms and [IV] let this moment [I] linger
> They'll [IV] take me out at [I] dawn and I will [V] die
> With [V] all my love I'll place this wedding [IV] ring upon your [I] finger
> There [IV] won't be time to [I] share our love so [V] we must say good-[I]bye
> Now There [IV] won't be time to [I] share our love so [V] we must say good-[I]bye.

[I] Do I attract you? Do I repulse you with my [V] queasy [I] smile?
Am I too dirty, am I too flirty? Do I [V] like what you [I] like?
I could be wholesome, I could be loathsome, I guess I'm a [V] little bit [I] shy
Why don't you like me, why don't you like me, without making me try?

[I] I tried to be like Grace [VII] Kelly
[IV] But all her looks were too [V] sad
[I] So I tried a little [VII] Freddie
[IV] I've gone identity [V] mad!

> [I] I could be brown, I could be blue, I could be violet [IV] sky

> Gotta be green, gotta be mean, gotta be everything [IV] more
> Why don't you like me, why don't you [V] like me?
> Why don't you walk out the [I] door?

[I] How can I help it, how can I help it? How can I help what you [IV] think?
Hello my baby, hello my [V] baby, putting my life on my [I] brink
Why don't you like me, why don't you like me? Why don't you like your [IV] self?
Should I bend over, should I look [V] older, just to be put on your [I] shelf?

[I] I tried to be like Grace [VII] Kelly
[IV] But all her looks were too [V] sad

[iv] Say what you want to [I] satisfy yourself, hey
[IV] But [iv] you only want what [I] everybody [vi7] else says you should [II] want, you [V] want

Now, the [I] world holds seven wonders as the [IV] travellers always tell.
some [V] gardens and some towers, I [V7] guess you know them [I] well.
But now the greatest wonder is in [IV] Uncle Sam's fair land,
it's the [V] big Columbia river and the [V7] big Grand Coulee [I] Dam.

She [I] heads up the Canadian Rockies where the [IV] rippling waters glide,
comes a-[V]roaring down the canyon for to [V7] meet that salty [I] tide
of the great Pacific Ocean where the [IV] sun sets in the west,
in the [V] big Grand Coulee country in the [V7] land I love the [I] best.

In the [I] misty crystal glitter of that [IV] wild and windward spray,
men have [V] fought the pounding waters and [V7] met a watery [I] grave.
While she tore their boats to splinters, she [IV] gave men dreams to dream,
of the [V] day the Coulee Dam would cross that [V7] wild and restless [I] stream.

Now, Uncle [I] Sam took up the challenge in the [IV] year of thirty three,
for the [V] farmer and the factory and [V7] all of you and [I] me.
He said: roll along, Columbia, you can [IV] roll down to the sea
but [V] river, while you're rambling you can [V7] do some work for [I] me !

In the [I] misty crystal glitter of that [IV] wild and windward spray,
men have [V] fought the pounding waters and [V7] met a watery [I] grave.
While she tore their boats to splinters, she [IV] gave men dreams to dream,
of the [V] day the Coulee Dam would cross that [V7] wild and restless [I] stream.

Now from [I] Washington and Oregon you can [IV] hear the factories hum,
making [V] chrome and making manganese and [V7] white alumini-[I]um.
Now roars the Flying Fortress for to [IV] fight for Uncle Sam,
along the [V] roaring King Columbia by the [V7] big Grand Coulee [I] dam.

In the [I] misty crystal glitter of that [IV] wild and windward spray,
men have [V] fought the pounding waters and [V7] met a watery [I] grave.
While she tore their boats to splinters, she [IV] gave men dreams to dream,
of the [V] day the Coulee Dam would cross that [V7] wild and restless [I] stream.

[I] Motorcars were funny things, [vi] frightening
[IV] Bow and hoops and [V] spinning tops
[IV] Penny Dreadfuls, [V] lollipops

He only [IV] kills the baddies [ii] if they're really [V] bad

Ah, but [I] in my heart I sang
The day he [IV] let me join his [ii] gang

Some-[V]times I think he runs on Dura-[I]cell
[V7] But I [I] wouldn't change a thing

[vi] She'd been drinking too much [V] egg nog

but she forgot her medi-[IV]cation

[vi] When we found her Christmas [V] morning

[vi] Now we're all so proud of [V] grandpa
he's been taking this so [I] well
see him in there watching [IV] football
drinking [V] beer and playing cards with cousin [I] Mel

[vi] It's not Christmas without [V] grandma
all the familys dressed in [I] black
and we just cant help but [IV] wonder
should we [V] open up her gifts or send them [I] back !

[vi] Now the goose is on the [V] table

and the blue and silver [IV] candles
that would [V] just have matched the hair in grandmas [I] wig

[vi] I've warned all my friends and [V] neighbors
better watch out for your [I] selfs
they should never give a [IV] license

INSTRUMENTAL

But the [I] best darn thing about [IV] Grandma's house
Was her [V7] great big feather [I] bed

[I] When I was a [IV] little bitty boy [I] just up off the [V7] floor
We [I] used to go out to [IV] Grandma's house
[I] every month [V7] end or [I] so
We'd [I] chicken pie and [IV] country ham,
And [I] home made butter on the [V7] bread
But the [I] best darn thing about [IV] Grandma's house
Was her [V7] great big feather [I] bed

Chorus:
It was [I] nine feet high and six feet wide, [IV] soft as a downy [I] chick
[I] It was made from the feathers of forty 'leven geese,
Took a [bII7] whole bolt of cloth for the [V7] tick
It'd [I] hold eight kids 'n' four hound dogs and a [IV] piggy we stole from the [I] shed
[I] We didn't get much sleep but we [IV] had a lot of fun on
[V7] Grandma's feather [I] bed

INSTRUMENTAL

But the [I] best darn thing about [IV] Grandma's house
Was her [V7] great big feather [I] bed

[I] After supper we'd [IV] sit around the fire,
the [I] old folks would spit and [V7] chew
[I] Pa would talk about the [IV] farm and the war,
and my [I] Granny'd sing a [V7] ballad or [I] two
I'd [I] sit and listen and [IV] watch the fire till the [I] cobwebs filled my [V7] head
[I] Next thing I'd know I'd [IV] wake up in the mornin'
in the [V7] middle of the old feather [I] bed

Chorus

[I] Well I love my Ma, [IV] I love my Pa, love [I] Granny and Grandpa [V7] too
Been [I] fishing with my uncle, I've [IV] rassled with my cousin,
I even [I] kissed my [V7] Aunty [I] Lou eww!
[I] But if I ever had to [IV] make a choice, I [I] guess it ought to be [V7] said
That I'd [I] trade 'em all plus the [IV] gal down the road
For [V7] Grandma's feather [I] bed
Yes I'd [I] trade 'em all, plus the [IV] gal down the road (spoken: maybe not the gal)

Didn't get much sleep but we [IV] had a lot of fun on [V] Grandma's, Grandma's

[i] Mmm-mm-mm, mmm-mm-mm.

[i] Grandma's hands, clapped in church on Sunday morning,
Grandma's hands, played a [V7] tambourine so well.
[i] Grandma's hands, used to issue out a warning, she'd say;
[V7] "Billy don't you [IV7] run so fast;
[V7] might fall on a [IV7] piece of glass,
[V7] "Might be snakes there [IV7] in that grass",
[i] Grandma's hands.

[i] Grandma's hands, soothed a local un-wed mother,
Grandma's hands, used to [V7] ache sometimes and swell.
[i] Grandma's hands, used to lift her face and tell her;
[V7] "Baby, Grandma [IV7] understands,
[V7] that you really [IV7] love that man,
[V7] Put yourself in [IV7] Jesus' hands",
[i] Grandma's hands.

[i] Grandma's hands, used to hand me piece of candy,
Grandma's hands, picked me [V7] up each time I fell.
[i] Grandma's hands, boy, they really came in handy, she'd say;
[V7] "Matty don't you [IV7] whip that boy,
[V7] what you want to [IV7] spank him for?
[V7] He didn't drop no [IV7] apple core",
but I [V7] don't have Grandma [IV7] any more.
[V7] If I get to Heaven, [IV7] I'll look for, [i] Grandma's hands.

[I] You shake my nerves and you rattle my brain
[IV7] Too much love drives a man insane
[V7] You broke my will
[IV] But what a thrill
[I] Goodness, gracious, great balls of fire

[I] I laughed at love 'cause I thought it was funny
[IV7] You came along and moved me honey
[V7] I've changed my mind
[IV] Your love is fine
[I] Goodness, gracious, great balls of fire

[IV] Kiss me baby, [I] mmm feels good
[IV] Hold me baby
[V7] I want to love you like a lover should
[V7] You’re fine, so kind
[V7] I want to tell the world that your mine, mine, mine, mine

[I] I chew my nails and I twiddle my thumbs
[IV7] I'm real nervous, but it sure is fun
[V7] Come on baby
[IV] Drive my crazy
[I] Goodness, gracious, great balls of fire!!

Really HARD rhythm on this song

And if it [i] rains all day
Call on you I'll call on [vii] you like I [VI] used to
Slide down be-[i]side and wrap you in stories
Tailored entirely for [vii] you

I'll re-[VI]mind you we exchanged a [i] vow
I love you I al-[i]ways [vii7] will [vii] [VI] [i] [vii] [i] [VII] [VI]
[VII][i] A [VImaj7] call girl with yesterday eyes was our witness and [VII] priest
[i]
[VI] Stockport supporters club kindly supplied us a [VII] choir
[i] Your [VImaj7] vow was your smile

As we move down the aisle of the [VII] last [i] bus [iv] home
And this is where I'll [v] go
Just when it [i] rains [vii] [VImaj7]

[i] Blinking and stoned rain in your hair
[vii7] You only smoke 'cause it's [VI] something to share
Singing [i] bring on the night to have and to hold
The [vii7] sodium light turning [i] silver to [VII] gold [VI]
[VII] [i] [VImaj7] Spitfire thin and strung like a violin
[VII] I [i] was

[VImaj7] Yours was the face with a grace from a different [VII] age [i]
[VImaj7] You were the sun in my Sunday morning
[VII] You were the [i] sun in my [VImaj7] Sunday morning
Telling me never to [VII] go
[i] So I'll [VI] live on the smile

And move down the aisle of the [VII] last [i] bus [iv] home
And if you're running [v] late, this is where I'll [iv] go
Know I'll always [bv7] wait [v]

And rest for a [vi] while in the [IV] warm summer [V] sun
I've been [V] walking all [V7] day and [IV] I'm nearly [I] done

Well I [I] hope you died [vi] well and I [IV] hope you died [ii] clean
Or young [V] Willy Mc-[V7]Bride was it [IV] slow and ob-[I]scene

Chorus:
Did they [V] beat the drum [V7] slowly, did they [IV] play the fifes [I] lowly

And look how the [vi] sun shines from [IV] under the [V] clouds
There's no [V] gas no barbed [V7] wire, there's no [IV] gun firing [I] now.

[I] But here in this [vi] graveyard it's [IV] still no mans [ii] land

Intro: [I] [IV] [I] [V] [I] [V7]

[I] The old home town looks the same
As I [IV] step down from the [I] train,
And there to meet me is my mama and [V] papa. [V7]
Down the [I] road I look and [I7] there runs Mary,
[IV] Hair of gold and lips like cherries,
It's [I] good to touch the [V] green, green [V7] grass of [I] home [V7]
Yes, they'll [I] all come to [I7] meet me,
Arms [IV] reaching, smiling sweetly,
it's [I] good to touch the [V] green, green [V7] grass of [I] home. [V7]

The [I] old house is still [I7] standing,
though the [IV] paint is cracked and [I] dry,
And there's that old oak tree that I used to [V] play on. [V7]
Down the [I] lane I walk and with [I7] my sweet Mary,
[IV] Hair of gold and lips like cherries,
It's [I] good to touch the [V] green, green [V7] grass of [I] home.

[I] Then I awake and look around me
at the [IV] four gray walls that su[I]rround me,
And I realize, yes, I was only [V] dreaming. [V7]
For there's a [I] guard and there's a [I7] sad old padre,
[IV] Arm and arm we'll walk at daybreak,
[I] Again I'll touch the [V] green, green [V7] grass of [I] home. [IV] [I]
Yes, they'll [I] all come to [I7] see me in the [IV] shade of that old oak tree,
As they [I] lay me 'neath the [V] green, green [V7] grass of [I] home. [IV] [I]

[I] Groovin' . . . [ii7] on a Sunday after[I]noon [ii7]
[I] Really . . . [ii7] couldn't get away too [I] soon [ii7]
[iii] I can't imagine any[ii]thing that's better
[iii] The world is ours whenever [ii] we're together
[iii] There ain't a place I'd like to [ii] be in[V7]stead of

[I] Groovin' . . . [ii7] down a crowded aven[I]ue [ii7]
[I] Doin' . . . [ii7] anything we like to [I] do [ii7]
[iii] There's always lots of things that [ii] we can see
[iii] We can be anyone we [ii] like to be
[iii] And all those happy people
[ii] We could [V7] meet just

[I] Groovin' . . . [ii7] on a Sunday after[I]noon [ii7]
[I] Really . . . [ii7] couldn't get away too [I] soon [ii7]
[I] Ah ah [ii7] ah [I] ah ah [ii7] ah [I] ah ah [ii7] ah

[iii] We'll keep on spending sunny [ii] days this way
[iii] We're gonna talk and laugh our [ii] time away
[iii] I feel it comin' closer [ii] day by day
[IV] Life would be [iii] ecstasy
[ii] You and me [V] endlessly

[I] Groovin' . . . [ii7] on a Sunday after[I]noon [ii7]
[I] Really . . . [ii7] couldn't get away too [I] soon [ii7]

[I] I didn't know that gypsy girl
but I [IV] knew about her kind of thrill

[IV] holds my hope into the air
[V] she's the one that never seems to [I] care.

[IV] ooh picture [V] this, I not a-[vi]lone
but [V] when I sing a song
I'm not a-[IV]lone, with my gypsy [I] girl
with my gypsy girl

[IV] ooh picture [V] this, I'm not a-[vi]lone

[III] I would like to [VImaj7] leave this city,
[III] this old town don't [VImaj7] smell too pretty and
[III] I can feel the [i] warning signs [IV7] running around my [VImaj7] mind
[III] And when I [VImaj7] leave this island
I'll [III] book myself into a [VImaj7] soul asylum
[III] Cos' I can feel the [i] warning signs

[i] So here I [III] go still [V7] scratching around in the [i] same old hole
My [VImaj7] body feels young but my [IV7] mind is very [VII] o--[VII7]old

[I] I want to be your lover but your friend is all I've [V] stayed
I'm only [I] halfway to [IV] paradise so [I] near,
yet [V] so far a-[I]way
I [V] long for [I] your lips to kiss my lips
but just when I think they [V] may
You lead me [I] halfway to [IV] paradise
so [I] near, yet [V] so far a-[I]way

[V] Mmmm - being close to you is almost [I] heaven
but [V] seeing you can do just so [I] much
It [V] hurts me so to know your heart's a [I] treasure
That [vi] my heart [II7] is forbidden to tou-[II]uuch, [V] so

Put your [I] sweet lips close to my lips
and tell me that's where they're [V] gonna stay.
Don't lead me [I] halfway to [IV] paradise so [I] near,
yet [V] so far a-[I]way

[I] Oh, uh, oh so near, yet [V] so far a-[I]way
[I] Yeah, yeah so near, yet [V] so far a-[I]way

[I] [vi] [I] [vi]

Well I've [I] heard there was a [vi] secret chord,
That [I] David played and it [vi] pleased the Lord,
But [IV] you don't really [V] care for music, [I] do ya [V] ?
It [I] goes like this, the [IV] 4th, the [V] 5th,
the [vi] minor fall and the [IV] major lift,
The [V] baffled king com- [III7] posing halle- [vi] lujah,

Chorus:
Halle- [IV] lujah, halle- [vi] lujah,
halle- [IV] lujah, halle [I] lu--- ---[V] jah [I]

Your [I] faith was strong but you [vi] needed proof,
You [I] saw her bathing [vi] on the roof,
Her [IV] beauty and the [V] moonlight over- [I] threw [V] ya,
She [I] tied you to her [IV] kitchen [V] chair,
She [vi] broke your throne and she [IV] cut your hair,
And [V] from your lips she [III7] drew the halle- [vi] lujah,

Chorus
May [I]be there is a [vi] God above,
But [I] all I ever [vi] learned from love,
Was [IV] how to shoot at [V] someone who out- [I] drew [V] ya.
And it's [I] not a cry you can [IV] hear at [V] night,
It's not [vi] somebody who's [IV] seen the light,
It's a [V] cold and it's a [III7] broken halle- [vi] lujah,

Chorus
I [I] did my best, it [vi] wasn't much,
I [I] couldn't feel so I [vi] tried to touch,
I've [IV] told the truth, I [V] didn't come to [I] fool [V] ya.
And [I] even though it [IV] all went [V] wrong,
I'll [vi] stand before the [IV] Lord of Song,
With [V] nothing on my [III7] tongue but halle- [vi] lujah,

Chorus
There [I] was a time when you [vi] let me know,
What's [I] really going [vi] on below,
But [IV] now you never [V] show it to me [I] do [V] ya ?
Well re-[I]member when I moved [IV] in with [V] you,
And the [vi] holy dove was [IV] moving too,
And [V] every breath we [III7] drew was halle- [vi] lujah

[I] Let me [vi] tell you about a [IV] girl I [V7] know,
[I] She's my [vi] baby and I [IV] love her [V] so.
[I] Every [vi] morning when the [IV] sun comes [V] up,
She [IV] brings me coffee in my [II7] favourite cup.
That's why I [I] know, yes, I [vi] know,
Halle[II7]lujah I just [V] love her [I] so.

[IV] When I call her on the [II7] telephone,
and [I] I say baby, I'm [I7] all alone.
[IV] By the time I count from [II7] one to four,
[V] She'll be knocking [V7] on my door.
[I] In the [vi] evening when the [IV] sun goes [V7] down,
[I] And there [vi] ain't nobody [IV] else a[V7]round.
She [I] kisses [vi] me and she [IV] holds me [V7] tight,
[IV] She says, baby, every[II7]thing's alright.
That's why I [I] know, that's why I [vi] know,
Halle[II7] lujah I just [V] love her [I] so.

[vi] As I was a-[I]walking to [vi] Hambledon [V] Fair
I [iii] spied lovely [IV] Nancy [V] combing her [vi] hair
I [I] gave her a [vi] wink, and she [IV] roved a dark [V] eye

[I] There by and by!
[IV] There by and [V] by!
Says [iii] I to [I] my-[IV]self, "I'll be [V] there by and [vi] by"

That [vi] night we went [I] walking way [vi] out in the [V] dark
And I [iii] took lovely [IV] Nancy to [V] be my [vi] sweetheart
And [I] she held my [vi] hand and then [IV] gently did [V] say
"Aren't [iii] you that young [IV] man they call [V] Ramble a-[vi]way?
[I] Ramble away!
[IV] Ramble a-[V]way!
"Aren't [I] you that young [IV] man they call [V] Ramble a-[vi]way?

I [vi] said, "Pretty [I] Nancy, don't [vi] smile in my [V] face
For I[iii] don't in-[IV]tend to stay [V] long in one [vi] place
She said, "[I] Where are you [vi] bound?" and with [IV] heart full of [V] care
I [iii] told her I'd [IV] ramble, the [V] devil knows [vi] where
[I] Devil knows [V] where
[IV] Devil knows [V] where
I [iii] told her I'd [IV] ramble, the [V] devil knows [vi] where

Come [vi] all you young [I] fellows, where [IV] 'ere you may [V] be
Won't you [iii] find my sweet [IV] Nancy and [V] bring her to [vi] me?
But, [I] oh, you young [vi] ramblers, [IV] mind you take [V] care
For [iii] I left my [IV] heart back at [V] Hambledon [vi] Fair

[IV] [ii] [VII] [I]

Well it's [IV] early in the morning and it's time to make a start,
And I [ii] put my polished surfboard on the rack upon my car.
I [VII] head down to the surfside, where the waves fine,
I'm [I] gonna catch a mountain but I won't go down the mine.

Ya gotta [IV] walk the plank, [ii] ride the hook,
[VII] Goin' left and right and [I] keep it nice and tight.
And now the [IV] time is growing near, you're [ii] movin' down the wall
Now [VII] steady as she goes you got your [I] toes upon the nose.
And now you're [IV] hangin' five, hangin' five,
[I] Hangin' five toes ... upon the mali-[IV]bu... [I]

And [IV] now you've hit the beach and your feelin' mighty fine.
You [ii] turn your board around for the second time.
You [VII] make it out the back, the swells are comin' fast.
The [I] first ones are too small, and so you take the last.

Ya gotta [IV] walk the plank, [ii] ride the hook,
[VII] Goin' left and right and [I] keep it nice and tight.
And now the [IV] time is growing near, you're [ii] movin' down the wall
Now [VII] steady as she goes you got your [I] toes upon the nose.
And now you're [IV] hangin' five, hangin' five,
[I] Hangin' five toes ... upon the mali-[IV]bu... [I] LET'S S STOMP!

[IV] [ii] [VII] [I]

And [IV] when the day is over, and all the surfers meet,
You [ii] go down to the surf club to dance and stomp your feet.
And [VII] when the night is through you hear the fellas say,
[I] "Don't forget tomorrow, you got another day."

Ya gotta [IV] walk the plank, [ii] ride the hook,
[VII] Goin' left and right and [I] keep it nice and tight.
And now the [IV] time is growing near, you're [ii] movin' down the wall
Now [VII] steady as she goes you got your [I] toes upon the nose.
And now you're [IV] hangin' five, hangin' five,
[I] Hangin' five toes ... upon the mali-[IV]bu... [I] Upon the mali-[IV]bu.

Sing Hanging Five continually behind the following - fading

(You know you gotta walk the plank, Frank.)
(Get your toes right up on that nose, Surfer Joe.)
(And don't forget, Frank watch that bushy, bushy blonde hair.)

[vi7] [IV] [I]

[vi7] Walking down [IV] 29th and [I] Park
[vi7] I saw you [IV] in another's [I] arms
[vi7] Only a [IV] month we've been a-[I]part
You look [vi7] happier [IV] [I]

[vi7] Saw you [IV] walk inside a [I] bar
[vi7] He said some-[IV]thing to make you [I] laugh
[vi7] I saw that [IV] both your smiles were [I] twice as wide as ours
Yeah, you look [vi7] happier, [IV] you [I] do

[vi7] Ain't nobody [IV] hurt you like I [I] hurt you
But [vi7] ain't nobody [IV] love you like I [I] do
[vi7] Promise that I [IV] will not take it [I] personal, baby
[vi7] If you're moving [IV] on with someone [I] new

Cause baby you look [vi7] happier, [IV] you [I] do
My friends told me one [vi7] day I'll [IV] feel it [I] too
And until then I'll [vi7] smile to [IV] hide the [I] truth
But I know I was [vi7] happier [IV] with [I] you

(Heya heya heya)
[vi7] Sat in the [IV] corner of the [I] room
[vi7] Everything's re-[IV]minding me of [I] you
[vi7] Nursing an [IV] empty [I] bottle and telling myself you're [vi7] happier
[IV] Aren't [I] you?

[vi7] Ain't nobody [IV] hurt you like I [I] hurt you
But [vi7] ain't nobody [IV] need you like I [I] do
[vi7] I know that there's [IV] others that de-[I]serve you
But my [vi7] darling, I am [IV] still in love with [I] you

But I guess you look [vi7] happier, [IV] you [I] do
My friends told me one [vi7] day I'll [IV] feel it [I] too
I could try to [vi7] smile to [IV] hide the [I] truth
But I know I was [vi7] happier [IV] with [I] you

Baby, you look [vi7] happier, [IV] you [I] do
I knew one day you'd [vi7] fall for [IV] someone [I] new

[I] We broke up a month ago
Your [vi] friends are mine
You know I know you've moved [ii] on, found someone new,
One more [V] girl who brings out the [V7] better in you
And [I] I thought my heart was detached
From [vi] all the sunlight of our [I] past
But [ii] she's so sweet, she's so pretty,
[V] Does she mean you forgot about [V7] me?

I [I] hope you're happy, but [vi] not like how you were with me
I'm [ii] selfish I know, I can't let you go
So [V] find someone [V7] great, but don't find no one better
I hope you're happy [V] but [NC] don't be happier

[I] And do you tell her she's the most beautiful girl you've ever [vi] seen?
An eternal love bullshit you know you'll never [ii] mean

Remember when I believed you meant it when you [V] said it first to me?
And [I] now I'm pickin' her apart,
Like [vi] cuttin' her down will make you miss my wretched heart
But she's [ii] beautiful, she looks kind
She [V] probably gives you [V7] butterflies

I [I] hope you're happy, but [vi] not like how you were with me
I'm [ii] selfish I know, I can't let you go
So [V] find someone [V7] great, but don't find no one better

I [I] hope you're happy, I [vi] wish you all the best, really
Say [ii] you love her, baby, just not like you love me
And [V] think of me [V7] fondly when your hand's around her
I hope you're happy [V] but [NC] don't be happier

[I] Ooooh oh oh [vi] ooooh oh oh [ii] ooooh oh oh [V] ooooh oooh oooh [V7] oooh

Oh, I [I] hope you're happy
But [vi] not like how you were with me
I'm [ii] selfish, I know
I can't let you go
So [V] find someone [V7] great but don't find no one better
I [V7] hope you're happy, but [NC] don't be happier

[VI] Could have stayed in bed with you all [vii] day
[VI] I'm already calling, [vii] love it when we're talking
[VI] I just want your voice inside my [vii] brain

I never [i] thought a guy like me would [vii] find it

[I] [V] [IV] [V] x2

[I] No more cham-[ii]pagne, and the [I] fireworks are [iii7] through
Here we [IV] are, me and [I] you, feeling [ii] lost and feeling [V] blue
It's the [I] end of the [iv] party, and the [I] morning seems so [iii7] grey
So un-[IV]like yester-[I]day, now's the [ii] time for us to [V] say [V7]

> Happy New [I] Year, Happy New [iii7] Year
> May we all [vi] have a [IV] vision now and [VI7] then
> Of a world where every neighbour is a [ii] friend [V]
> Happy New [I] Year, Happy New [iii7] Year
> May we all [vi] have our [IV] hopes, our will to [VI7] try
> If we don't, we might as well lay down and [ii] die [V]
> You and [ii] I [V]

[I] Sometimes I [ii] see how the [I] brave new world a-[iii7]rrives
And I see [IV] how it [I] thrives in the [ii] ashes of our [V] lives
Oh [I] yes, man is a [iv] fool and he [I] thinks he'll be [iii7] OK
Dragging [IV] on feet of [I] clay, never [ii] knowing he's [I] astray
Keeps on [ii] going [IV] any [V] way [V7]

> Happy New [I] Year, Happy New [iii7] Year

[I] [V] [IV] [V] x2

[I] Seems to me [ii] now that the [I] dreams we had be-[iii7]fore
Are all [IV] dead, nothing [I] more than [ii] confetti on the [V] floor
It's the [I] end of a [ii] decade, in [I] another ten years' [iii7] time
Who can [IV] say what we'll [I] find
What lies [ii] waiting down the [I] line

And [V7] as I go I [I] love to sing, my [IV] knapsack [V7] on my [I] back

valder-[V7]i, valder-[I]a, valder-[V7]i, valder-[I]ra-ha-ha-ha-ha-ha
valder-[V7]i, valder-[I]a, my [IV] knapsack [V7] on my [I] back.

I [I] love to wander by the stream, that dances in the [V7] sun
So [V7] joyously it [I] calls to me, "Come! [IV] Join my [V7] happy [I] song"

valder-[V7]i, valder-[I]a, valder-[V7]i, valder-[I]ra-ha-ha-ha-ha-ha
valder-[V7]i, valder-[I]a, my [IV] knapsack [V7] on my [I] back.

[I] I wave my hat to all I meet, and they wave back to [V7] me
And [V7] blackbirds call so [I] loud and sweet, from [IV] every [V7] greenwood [I] tree.

valder-[V7]i, valder-[I]a, valder-[V7]i, valder-[I]ra-ha-ha-ha-ha-ha
valder-[V7]i, valder-[I]a, my [IV] knapsack [V7] on my [I] back.

I [I] love to wander by the stream that dances in the [V7] sun
So [V7] joyously it [I] calls to me "come [IV] join my [V7] happy [I] song"

valder-[V7]i, valder-[I]a, valder-[V7]i, valder-[I]ra-ha-ha-ha-ha-ha
valder-[V7]i, valder-[I]a, my [IV] knapsack [V7] on my [I] back.

High [I] overhead the skylarks wing, they never rest at [V7] home
But [V7] just like me they [I] love to sing as [IV] o'er the [V7] world we [I] roam.

valder-[V7]i, valder-[I]a, valder-[V7]i, valder-[I]ra-ha-ha-ha-ha-ha
valder-[V7]i, valder-[I]a, my [IV] knapsack [V7] on my [I] back.

Oh [I] may I go a-wandering until the day I [V7] die
Oh [V7] may I always [I] laugh and sing be-[IV]neath God's [V7] clear blue [I] sky.

valder-[V7]i, valder-[I]a, valder-[V7]i, valder-[I]ra-ha-ha-ha-ha-ha

[I] [IV] [I]

Oh, [I] where have you been, my [IV] blue-eyed [I] son?
And [I] where have you been, my darling young [V] one?
I've [IV] stumbled on the side of [V] twelve misty [I] mountains,
I've [IV] walked and I've crawled on [V] six crooked [I] highways,
I've [IV] stepped in the middle of [V] seven sad [I] forests,
I've [IV] been out in front of a [V] dozen dead [I] oceans,
I've been [IV] ten thousand miles in the [V] mouth of a [I] graveyard,

Chorus:
And it's a [I] hard, and it's a [V] hard, it's a [I] hard, and it's a [IV] hard,
And it's a [I] hard rai-[V]-ain's a-gonna [I] fall [IV] [I]

Oh, [I] what did you see, my [IV] blue-eyed [I] son?
Oh, [I] what did you see, my darling young [V] one?
I saw a [IV] newborn babe with [V] wild wolves all a-[I]round it
I saw a [IV] highway of diamonds with [V] nobody [I] on it,
I [IV] saw a black branch with [V] blood that kept [I] drippin',
I saw a [IV] room full of men with their [V] hammers a[I]bleedin',
I [IV] saw a white ladder all [V] covered with [I] water,
I saw [IV] ten thousand talkers whose [V] tongues were all [I] broken,
I saw [IV] guns and sharp swords in the [V] hands of young [I] children,

Chorus

And [I] what did you hear, my [IV] blue-eyed [I] son?
And [I] what did you hear, my darling young [V] one?
I heard the [IV] sound of a thunder, it [V] roared out a [I] warnin',
Heard the [IV] roar of a wave that could [V] drown the whole [I] world,
Heard [IV] one hundred drummers, their [V] hands were a[I]-blazin',
Heard [IV] ten thousand whisperin' and [V] nobody [I] listenin',
Heard [IV] one person starve, I heard [V] many people [I] laughin',
Heard the [IV] song of a poet who [V] died in the [I] gutter,
Heard the [IV] sounds of a clown who [V] cried in the [I] alley,
Heard the [IV] sound of one person who [V] said he was [I] human,

Chorus

Oh, [I] who did you meet, my [IV] blue-eyed [I] son?
[I] Who did you meet, my darling young [V] one?
I [IV] met a young child be-[V]side a dead [I] pony,
I [IV] met a white man who [V] walked a black [I] dog,
I [IV] met a woman whose [V] body was [I] burning,
I [IV] met a young girl, she [V] gave me a [I] rainbow,
I [IV] met one man who was [V] wounded in [I] love,
I [IV] met another man who was [V] wounded in hatred,

Chorus

And [I] what'll you do now, my [IV] blue-eyed [I] son?
Oh, [I] what'll you do now, my darling young [V] one?
I'm a-[IV]goin' back out 'fore the [V] rain starts a-[I]fallin',
I'll [IV] walk to the depths of the [V] deepest black [I] forest,
Where the [IV] people are many and their [V] hands are all [I] empty,
Where the [IV] pellets of poison are [V] flooding their [I] waters,
Where the [IV] home in the valley meets the [V] damp dirty [I] prison,
Where the [IV] executioner's face is [V] always well [I] hidden,
Where [IV] hunger is ugly, where [V] souls are for-[I]gotten,
Where [IV] black is the color, where [V] none is the [I] number,
And I'll [IV] tell it and think it and [V] speak it and [I] breathe it,
And re-[IV]flect from the mountain so [V] all souls can [I] see it,
Then I'll [IV] stand on the ocean un-[V]til I start [I] sinkin',
But I'll [IV] know my song well be-[V]fore I start [I] singin',

Let us [I] pause in life's pleasures and [V7] count its many [I] tears
[IV] while we [I] all sup sorrow [V7] with the [I] poor.
There's a song that will linger for-[V7]ever in our [I] ears,
[IV] Oh, [I] hard times come a-[V7]gain no [I] more.

T'is the [I] song, the sigh of the [IV] weary.
[I] Hard times, hard times come again no [V7] more.
Many [I] days you have lingered a-[V7]round my cabin [I] door;
[IV] Oh, [I] hard times come a-[V7]gain no [I] more.

While we [I] seek mirth and beauty and [V7] music light and [I] gay
[IV] there are [I] frail forms fainting [V7] at the [I] door.
Though their voices are silent, their [V7] pleading looks will [I] say
[IV] Oh, [I] hard times come a-[V7]gain no [I] more.

T'is the [I] song, the sigh of the [IV] weary.
[I] Hard times, hard times come again no [V7] more.
Many [I] days you have lingered a-[V7]round my cabin [I] door;
[IV] Oh, [I] hard times come a-[V7]gain no [I] more.

There's a [I] pale drooping maiden who [V7] toils her life [I] away
[IV] with a [I] worn heart whose better [V7] days are [I] o'er.
Though her voice would be merry, t'is [V7] sighing all the [I] day,
[IV] Oh, [I] hard times come a-[V7]gain no [I] more.

T'is the [I] song, the sigh of the [IV] weary.
[I] Hard times, hard times come again no [V7] more.
Many [I] days you have lingered a-[V7]round my cabin [I] door;
[IV] Oh, [I] hard times come a-[V7]gain no [I] more.

T'is a [I] sigh that is wafted a-[V7]cross the troubled [I] wave;
[IV] t'is a [I] wail that is heard up-[V7]on the [I] shore.
T'is a dirge that is murmured a-[V7]round the lowly [I] grave.
[IV] Oh, [I] hard times come a-[V7]gain no [I] more.

T'is the [I] song, the sigh of the [IV] weary.
[I] Hard times, hard times come again no [V7] more.
Many [I] days you have lingered a-[V7]round my cabin [I] door;

Intro: [IV] [V] [I] [I]*
Come [I] all brother tradesmen that travel a-[V]lone,
O, [IV] pray come and [V] tell me where the [IV] trade is all [I] gone,
Long time I have travelled and [IV] cannot find [I] none,
And it's [V] O, the hard times of old [I] England,
In [IV] old England [V] very hard [I] times. [I] [IV] [V] [I] [I]*

Women 1st 3 lines:

Pro-[I]visions you buy at the shop it is [V] true,
[IV] But if you've no [V] money there's [IV] none there for [I] you.
So what are poor folk and their [IV] families to [I] do?
And it's [V] O, the hard times of old [I] England,
In [IV] old England [V] very hard [I] times. [I] [IV] [V] [I] [I]*

All

If you [I] go to a shop and you ask for a [V] job
[IV] They answer you [V] there with a [IV] shake and a [I] nod.
[I] That's enough to make a poor man to [IV] turn out and [I] rob,
And it's [V] O, the hard times of old [I] England,
In [IV] old England [V] very hard [I] times. [I] [IV] [V] [I] [I]*

Men 1st 3 lines:

You will [I] see the poor tradesman a-walking the [V] street
From [IV] morning till [V] night for [IV] employment to [I] seek.
[I] And scarcely they have any [IV] shoes to their [I] feet,
And it's [V] O, the hard times of old [I] England,
In [IV] old England [V] very hard [I] times. [I] [IV] [V] [I] [I]*

1st 3 lines single strums on 1st beat of bar:

Our [I] soldiers and sailors have just come from [V] war,
[IV] Been fighting for [V] King and their [IV] country this [I] year,
[I] Come home to be starved better have [IV] stayed where they [I] were,
And it's [V] O, the hard times of old [I] England,
In [IV] old England [V] very hard [I] times. [I] [IV] [V] [I] [I]*

So [I] now to conclude and to finish my [V] song
[IV] Let us hope that these [V] hard times they [IV] will not last [I] long.
And I may soon have occasion to [IV] alter my [I] song,
And sing [V] O, the good times of old [I] England,
In old [IV] England [V] jolly good [I] times.

And sing [V] O, the good times of old [I] England,
In old [IV] England [V] jolly good [I] times. [I]*

[I] In eighteen-eighty down a dusty road,
a-[IV]long came a miner with a big fat load. [V] [I]
[I] He was caked in dirt from his head to his foot, his
[IV] hair so black, that it looked like soot. [V] [I]

[I] Well, he reined in his mule and hitched him to the rail,
and he [IV] said, Old fella it's the end of the trail. [V] [I]
[I] Well, he ambled on down to the old saloon,
he said, [IV] I know it's early and it ain't quite noon.
But, [V] hey, hey, everybody drink on [I] me.

[I] Have a drink, have a drink, have a drink on me.
[vi] Everybody have a drink on me.
[V] Hey, hey, everybody drink on [I] me.
[I] Have a drink, have a drink, have a drink on me.
[vi] Everybody have a drink on me.
[V] Hey, hey, everybody drink on [I] me.

[I] Well, I just got a letter from down in Tennessee
it [IV] said my Uncle died and left an oil-well to me.
[V] Hey, hey, everybody drink on [I] me.
[I] I've been diggin' all my life and I nearly got to hell.
but my [IV] Uncle dug potatoes and he struck an oil-well.
[V] Hey, hey, everybody drink on [I] me.

[I] Have a drink, have a drink, have a drink on me.
[vi] Everybody have a drink on me.
[V] Hey, hey, everybody drink on [I] me.
[I] Have a drink, have a drink, have a drink on me.
[vi] Everybody have a drink on me.
[V] Hey, hey, everybody drink on [I] me.

[I] [IV] [V] [I] [I] [IV] [V] [I]

[I] Well, black gold, yellow gold, guess it's all the same -
[IV] take my tip and give up the mining game.
[V] Hey, hey, everybody drink on [I] me!
[I] Well, sell your shovel and your old Long Johns
[IV] you can make a fortune writin' Adam Faith's songs.
[V] Hey, hey, everybody drink on [I] me. One more time!

[I] Have a drink, have a drink, have a drink on me, [vi] everybody have a drink on me.

One month ago today, I was happy as a lark
But now I go for walks, to the movies, maybe to the park
I have a seat on the same old bench to watch the children play, huh
You know tomorrow is their future, but for me, just another day
They all gather 'round me, they seem to know my name
We laugh, tell a few jokes, but it still doesn't ease my pain
I know I can't hide from a memory, though day after day I've tried
I keep sayin' she'll be back, but today again I've lied

[IV]/ Oh, I [I] see her face every-[Imaj7]where I go
On the [I6] street and even at the [I] picture show
Have you [V7sus4] seen her [V7], tell me have you [I] seen her [IV] [V7]
Oh, I [I] hear her voice as the [Imaj7] cold winds blow
In the [I6] sweet music on my [I] radio
Have you [V7sus4] seen her [V7], tell me have you [I] seen her [I7]

[IV] Why, [iii] oh, [ii] why
Did she have to leave and go [I] away? [Iaug] [I6] [I7]
Ohh, [II7] I've been used to havin' someone to lean on
And I'm [V7sus4] lost [V7], baby, I'm [V7sus4] lost [V7] [IV]/

Oh, doo, [I] doo, doo, doo, doo, doo, doo, doo, [Imaj7] doo

[I] I've got a stupid question, what could the answer [V] be?
My mother's got a roly-poly, pudding on the [I] way.
I saw her put the suet in, the currants in as [IV] well,
Now you will be surprised at the [V] story I will [I] tell.

Because [I] I'm having a bit tonight, tonight, I'm having a bit to-[V]night.
My mother says I must be fit if I can have this Spotted [I] Dick
I love my roly-poly, it fills me with de-[IV]light.
I haven't had any since Easter [V] so, I'm having a bit to-[I]night

[I] The youngest of our family never gets his [V] share.
I used to be the youngest, and I never thought it fair.
Now Mother's had a baby, so everything's al-[IV]right.
I'm not the youngest any-[V]more, I'm having a bit to-[I]night.

Because [I] I'm having a bit tonight, tonight, I'm having a bit to-[V]night.
My mother says I must be fit if I can have this Spotted [I] Dick
I love my roly-poly; it fills me with de-[IV]light.
I haven't had any since Easter [V] so, I'm having a bit to-[I]night

[I] There's Mary and there's Susie, and cousin Ted as [V] well,
And then the lawyer from next door, he likes his men as [I] well.
And then, of course, there's Granpapa, he is so very [IV] tough.
Although he's nearly ninety-[V]four, he's a bugger for his [I] stuff.

Because [I] I'm having a bit tonight, tonight, I'm having a bit to-[V]night.
My mother says I must be fit if I can have this Spotted [I] Dick
I love my roly-poly; it fills me with de-[IV]light.
I haven't had any since Easter [V] so, I'm having a bit to-[I]night

He Played His Ukulele As The Ship Went Down

artist:Tom Lewis writer:Arthur Le Clerq

https://youtu.be/VHBBH32Rfhw?t=41

A shortened version - far too many verses!! Lots of different versions

I'll [I] tell the tale of the [IV] Nancy Lee
The [V7] ship that got ship-[I]wrecked at [V7] sea
The [I] bravest man was [IV] Captain Brown
For he [V7] played his ukulele as the [I] ship [IV] went [I] down

[vi] All the crew were [IV] in des-[III7]pair
[vi] Some rushed here and [II7] some rushed [V7] there
But the [I] Captain sat in the [IV] Captain's chair
And he [V7] played the ukulele as the [I] ship [IV] went [I] down

Now the [I] Captain said to [IV] Fireman Mose
Best [V7] pull on your [I] fireman's [V7] clothes
While [I] you stand and [IV] use your hose
I'll [V7] play the ukulele as the [I] ship [IV] goes [I] down

[vi] All the crew were [IV] in des-[III7]pair
[vi] Some rushed here and [II7] some rushed [V7] there
But the [I] Captain sat in the [IV] Captain's chair
And he [V7] played the ukulele as the [I] ship [IV] went [I] down

Now the [I] owners signalled [IV] to the crew
To [V7] do they best [I] that you can [V7] do
We're [I] only insured for [IV] half a crown
So we'll [V7] be out of pocket if the [I] ship [IV] goes [I] down

[vi] All the crew were [IV] in des-[III7]pair
[vi] Some rushed here and [II7] some rushed [V7] there
But the [I] Captain sat in the [IV] Captain's chair
And he [V7] played the ukulele as the [I] ship [IV] went [I] down

Now the [I] captain's wife was [IV] on board ship
And [V7] he was very [I] glad of [V7] it
But [I] she could swim, and [IV] might not drown
So he [V7] tied her to the anchor as the [I] ship [IV] went [I] down

[vi] All the crew were [IV] in des-[III7]pair
[vi] Some rushed here and [II7] some rushed [V7] there
But the [I] Captain sat in the [IV] Captain's chair
And he [V7] played the ukulele as the [I] ship [IV] went [I] down

The [vi] crow's nest fell and it [IV] killed the [III7] crow
The [vi] starboard watch was [II7] two hours [V7] slow
But the [I] Captain sung fal-[IV]doh-dee-oh-doh
And he [V7] played the ukulele when the [I] ship [IV] went [I] down

[vi] All the crew were [IV] in des-[III7]pair
[vi] Some rushed here and [II7] some rushed [V7] there
But the [I] Captain sat in the [IV] Captain's chair
And he [V7] played the ukulele as the [I] ship [IV] went [I] down

He Stopped Loving Her Today

artist:George Jones writer:Bobby Braddock , Curly Putman

He said I'll love you til I [I] die [V]
[I] She told him you'll forget in [IV] time
As the years went slowly [V] by
She still preyed upon his [I] mind [V]

[I] He kept her picture on his [I] wall
Went half crazy now and [IV] then

He still loved her through it [V] all
Hoping she'd come back a[I]gain

Kept some [bVI] letters by his [bII] bed
and in 196[bV]2
He had underlined in [bVI] red
Every single I love [bII] you

I went to [bVI] see him just to[bII]day
Oh but I didn't see no [bV] tears
All dressed up to go a[bVI]way
First time I'd seen him smile in [bII] years

Chorus:
He stopped [IV7] loving [iv] her to[bII]day
They placed a wreath upon his [bV] door
And soon they'll carry him a[bVI]way
He stopped loving her to[bII]day

(Speak next verse but all hum the tune of the chorus over)
You know she came to see him one last time
Oh and we all wondered if she would
And it kept running through my mind
This time he's over her for good

[vi] [I] [VII] [I] [IV] [I] [IV] [I]

[IV] There's a [I] place in your [ii7] heart and I [iii] know that it is [IV] love
And this [I] place could be much [ii7] brighter than to-[iii]morrow [IV]
And if [I] you really [ii7] try you'll find [iii] there's no need to [IV] cry
In this [I] place you'll feel [ii7] there's no hurt or [iii] sorrow [IV]
There [ii7] are ways to [iii] get there if you [IV] care enough for the [iii] living
Make a [ii7] little space, make a [Vsus2] better place

Heal the [I] world, make it a [ii] better place
For [Vsus2] you and for me and the [I] entire human race, [V] there are
[vi] People [iii] dying, if you [IV] care enough for the [iii] living
Make a [ii] better place for [Vsus2] you and for [I] me

[I] [ii7] [iii] [IV]

If you [I] want to know [ii7] why there's a [iii] love that cannot [IV] lie
Love is [I] strong it only [ii7] cares for joyful [iii] giving [IV]
If we [I] try we shall [ii7] see in this [iii] bliss we cannot [IV] feel
Fear or [I] dread we stop [ii7] existing and start [iii] living [IV]
Then it [ii7] feels that [iii] always, [IV] love's enough for us [iii] growing
So make a [ii] better world, make a [Vsus2] better world

And the [VII] world we once believed in will shine a[I] gain in grace
Then [vi] why do we keep [iii] strangling, while [IV] earth crucify its [iii] soul
Though it's [ii] plain to see this world is heavenly, [Vsus2] be god's glow

We could [I] fly so [ii7] high, let our [iii] spirits never [IV] die
In my [I] heart I feel [ii7] you are all my [iii] brothers [IV]
Create a [I] world with no [ii7] fear together [iii] we'll cry happy [IV] tears
See the [I] nations turn [ii7] their swords into [iii] plowshares [IV]
We could [ii] really get [iii] there if you [IV] cared enough for the [iii] living
Make a [ii] little space to make a [Vsus2] better place

Well, [I] since my baby left me,
I found a new place to dwell.
It's down at the end of [I7] lonely street
At [I] heartbreak hotel.

[IV] I've been so lonely baby,
Well, I'm so lonely,
[V7] I"m so lonely, I could [I] die.

And al-[I]though it's always crowded,
You still can find some room.
For broken [I7] hearted lovers
To [I] cry away their gloom.

[IV] They've been so lonely baby,
They'll be so lonely,
[V7] They'll be so lonely they could [I] die.

[I] Now, the bell hop's tears keep flowin',
And the desk clerk's dressed in black.
Well they been so long on [I7] lonely street
They [I] never ever gonna look back.

[IV7] And they're so lonely baby,
Well they'll be so lonely,
[V7] Well they're so lonely they could [I] die.

[I] Well, if your baby leaves you,

And you got a tale to tell.

Well, just take a walk down [I7] lonely street
To [I] heart-[VII] break [I] hotel.

[I] Well, if your baby leaves you,
And you got a tale to tell.

Cheers Steve Walton!

[I] Every night it's the same
I feel your heart turn [IV] cold as rain
And know that you'll be [I] gone again
[V7] I hear the front door close
You [I] say you got to go downtown
I guess there's someone [IV] else you've found
So why you're still [I] coming round
[V] Heaven only [I] knows

Chorus:
[IV] Heaven only knows just why loving you should [I] make me cry
[IV] Make me feel like [I] I could die
[V] That's the way it goes
[IV] Heaven only ever sees
How love's made a [I] fool of me
[IV] I guess that's how it's [I] meant to be but
[V] Heaven only [I] knows

[I] I've heard it said that talk is cheap
But still your words they [IV] cut so deep
Leave me crying [I] in my sleep
[V7] And the pain just grows
[I] I don't know who's right or wrong
But all we had is [IV] dead and gone
So why you keep me [I] hanging on
[V] Heaven only [I] knows

Chorus

[I] I'm going to turn and walk away
There's nothing left for [IV] me to say
It wouldn't change things [I] anyway
[V7] Though…., I suppose
[I] The love I gave was always true
Well, I don't know what [IV] else to do
And how I'll ever get [I] over you
[V] Heaven only [I] knows

[IV] One night a little [vi] hedgehog , he [bVII] came into my [IV] garden,
[bVII] Without as much as a [IV] do you mind or I [bVII] beg your [I7] pardon.
[IV] He got into my [vi] binbag to [bVII] see what he could [IV] find,

[I7] What a very charming thing to [IV] do [IV7]
Hedgehog [bVII] poo ooh ooh, Hedgehog [IV] poo
[I7] Mr. Hedgehog how dare [IV] you !

[IV] Next night I waited [vi] in the dark
[bVII] To catch him at his [IV] crime
I [bVII] heard the leaves a [IV] rustlin'
About a [bVII] quarter after [I7] nine

The [IV] moonlight shone u[vi]pon his spines
As he [bVII] strolled across the [IV] lawn
I [bVII] turned around to [IV] get my net
When I [bVII] turned back he had [I7] gone

[bVII] Hedgehog poo ooh ooh, Hedgehog [IV] poo
[I7] What a very charming thing to [IV] do [IV7]
Hedgehog [bVII] poo ooh ooh, Hedgehog [IV] poo
I've [I7] been here before, Déja [IV] vu

Last [IV] night he left a [vi] letter
By the [bVII] bin for me to [IV] find
It [bVII] said thanks for the [IV] food you leave
You're [bVII] very very [I7] kind

It was [IV] very neatly [vi] written
Though the [bVII] words were rather [IV] small
And [bVII] from that night I [IV] realised
He was [bVII] no problem at [I7] all

[bVII] Hedgehog poo ooh ooh, Hedgehog [IV] poo
[I7] What a very charming thing to [IV] do [IV7]
Hedgehog [bVII] poo ooh ooh, Hedgehog [IV] poo

[I] Gives me more time to see my girl.
[IV] Walks in the park 'neath the summer moon
When we [V7] kiss she makes my flat cap curl.

It's [I] summer, [vi] feel her [IV] lips so close to [V7] mine.
Here comes [I] summer, [vi] when we [IV] meet our hearts en-[V7]twine.

Oh how [IV] long, must I have to [I] wait?
Can I [V] get you now, [IV] oh no, must I hesi[I]tate. [V7]

[I] Standin' on the corner with a dollar in my hand,
[I] I'm lookin' for a woman who's lookin' for a man,
Oh tell me [IV] how long (how long) must I [I] wait
Oh can I [V] get you now, [IV] or must I hesi[I]tate? [V7]

Instrumental Verse

[I] Never been to heaven, but I've been told,

[I] [iii] [I] [iii]
[I] Hey there Delilah, what's it [iii] like in New York City?
I'm a [I] thousand miles away but girl to-[iii]night you look so pretty,
Yes you [vi] do [IV] Times Square can't [V] shine as bright as [vi] you
I swear it's [V] true

[I] Hey there Delilah, don't you [iii] worry about the distance,
I'm right [I] there if you get lonely, give this [iii] song another listen,
close your [vi] eyes [IV] listen to my [V] voice it's my dis-[vi]guise
I'm by your [V] side

[I] Oh it's what you do to [vi] me,
[I] Oh it's what you do to [vi] me,
[I] Oh it's what you do to [vi] me,
[I] Oh it's what you do to [vi] me, what you do to [I] me

[I] Hey there Delilah, I know [iii] times are getting hard,
But just be-[I]lieve me girl some day I'll pay the [iii] bills with this guitar
We'll have it [vi] good, [IV] we'll have the [V] life we knew we [vi] would
My word is [V] good

[I] Hey there Delilah, I've got [iii] so much left to say,
If every [I] simple song I wrote to you, would [iii] take your breath away,
I'd write it [vi] all [IV] even more in [V] love with me [vi] you'd fall
We'd have it [V] all

[I] Oh it's what you do to [vi] me,
[I] Oh it's what you do to [vi] me,
[I] Oh it's what you do to [vi] me,
[I] Oh it's what you do to [vi] me, what you do to [I] me

A [IV] thousand miles seems pretty far, but [V] they've got planes and trains and cars,
I'd [I] walk to you if I had no other [vi] way
Our [IV] friends would all make fun of us, and [V] we'll just laugh along because we'd [I] know
That none of them have felt this [vi] way
De-[IV] lilah I can promise you, that [V] by the time that we get through,
The [vi] world will never ever be the [vi] same
And [V] you're to [V] blame

Hey [i] you, standing in the aisles
With itchy feet and fading smiles, can you [v] feel me
[VII] Hey you, don't you help them to [VII7] bury the [III] li-[VII]ght [VI]
[v] Don't give in [iv] without a [i] fight. [vii]

Hey [i] you, out there on your own

Hey [i] you, with your ear against the wall
Waiting for someone to call out would you [v] touch me
[VII] Hey you, would you help me to [VII7] carry the [III] sto-[VII]one [VI]

[I] I got lucky in life and had plenty to eat and

Hippopotamus Song - Flanders and Swann

artist:Flanders and Swann writer:Flanders and Swann

https://youtu.be/AjnOj9O16_I?t=1m18s (but in Ab ?) Thanks Ian Blackhouse

[I7] A [IV] bold hippopotamus was [v] standing one [I7] day
On the [ii] banks of the [V7] cool [I7] Shalimar.
He [IV] gazed at the bottom as he [v] peacefully [VI7] lay
By the [ii] light of the [V7] evening [I7] star.
[i] Away on the [ii] hilltop sat [i] combing her [II7] hair
His [i] fair hippo-[II7]-potami [v] maid [I]
The [ii] Hippo-[I]-potamus [ii] was no [I] ignoramus
And [v] sang her this [V7] sweet [I7] serenade.

Chorus:
[IV] Mud, mud, [v] glorious [I7] mud.
[ii] Nothing quite [V7] like it for [I7] cooling the blood.
So [IV] follow me follow, [v] down to the hollow
And [VII] there let us [IV] wallow in [I7] glorious [IV] mud. [IV]/// [v]/// [I7]//

The [IV] fair hippopotama he [v] aimed to en-[I7]-tice
From her [ii] seat on that [V7] hilltop [I7] above
As [IV] she hadn't got a ma to [v] give her ad-[VI7]-vice
Came [ii] tiptoeing [V7] down to her [I7] love.
Like [i] thunder the [II7] forest re-[i]-echoed the [II7] sound
Of the [i] song that they [II7] sang when they [v] met [I]
His [ii] inamor-[I]-ata ad-[ii]-justed her [I] garter
And [v] lifted her [V7] voice in du-[I7]-et.

Chorus
Now [IV] more hippopotami [v] began to [I7] convene
On the [ii] banks of that [V7] river so [I7] wide
I [IV] wonder now what am I to [v] say of the [VI7] scene
That [ii] ensued by the [V7] Shalimar [I7] side.
They [i] dived all at [II7] once with an [i] ear-splitting [II7] sposh
Then [i] rose to the [II7] surface [v] again [I]
A [ii] regular [I] army of [ii] hippopot-[I]-ami
All [v] singing this [V7] haunting [I] refrain.

Chorus
[I7] The [IV] amorous hippopotamus whose [v] love song we [I7] know
Is now [ii] married and [V7] father of [I7] ten,
He [IV] murmurs, "God rot 'em!" as he [v] watches them [VI7] grow,
And he [ii] longs to be [V7] single [I7] again!
He'll [i] gambol no [II7] more on the [i] banks of the [II7] Nile,
Which [i] Naser is [II7] flooding next [v] Spring, [I]

Well [I] who wouldn't be a sailor lad,sailing on the main,
To [V] gain the good will of his [I] captain's good name,
[I] He came a-[IV]shore one [I] evening for to [V] be,
And [I] that was the be-[IV]ginning of me [V] old true love and [I] me.

> And it's [I] home boys home, home I'd like to be,
> [IV] Home for a [I] while in me own coun-[V]try,
> Where the [I] Oak and the [IV] Ash,and the [I] bonny Rowan [V] tree,
> Are [I] all growing [IV] greener in the [V] old coun-[I]try.

Well I [I] asked her for a candle for to light me way to bed,
And [V] likewise for a handkerchief to [I] tie around me head,
[I] She tended to me [IV] needs like a [I] young maid aught to [V] do,
And [I] then I said to [IV] her now would you [V] leap in with me [I] too.

> And it's [I] home boys home, home I'd like to be,

> Where the [I] Oak and the [IV] Ash,and the [I] bonny Rowan [V] tree,

Well she [I] jumped into bed making no alarm,
[I] Thinking a young [IV] sailor lad could [I] do to her no [V] harm,
Well I [I] hugged her and I [IV] kissed her the [I] whole night [V] long,
Till she [I] wished the [IV] short night,had been [V] seven years [I] long.

> And it's [I] home boys home, home I'd like to be,

> Are [I] all growing [IV] greener in the [V] old coun-[I]try.

Well [I] early next morning the sailor lad arose,
And [IV] into Mary's apron threw a [I] handful of [V] gold,
Saying [I] take this me [IV] dear for the [I] mischief that I've [V] done,
For to-[I]night I fear I've [IV] left you with a [V] daughter or a [I] son.

> And it's [I] home boys home, home I'd like to be,

> Where the [I] Oak and the [IV] Ash,and the [I] bonny Rowan [V] tree,
> Are [I] all growing [IV] greener in the [V] old coun-[I]try.

Well [I] if it be a girl child send her out to nurse,
With [IV] gold in her pocket and [I] silver in her [V] purse,
And [I] if it be a [IV] boy child,he'll [I] wear the jacket [V] blue,
And go [I] climbing up the [IV] riggin' like his [V] daddy used to [I] do.

> And it's [I] home boys home, home I'd like to be,
> [IV] Home for a [I] while in me own coun-[V]try,
> Where the [I] Oak and the [IV] Ash,and the [I] bonny Rowan [V] tree,
> Are [I] all growing [IV] greener in the [V] old coun-[I]try.

Oh [I] come all of you fair maidens, a warning take by me,
And [IV] never let a sailor lad an [I] inch above your [V] knee,
For [I] I trusted [IV] one and [I] he beguiled [V] me,
He [I] left me with a [IV] pair of twins to [V] dangle on me [I] knee.

> And it's [I] home boys home, home I'd like to be,

[I] My old man said, [II7] "Follow the van,
An' [V7] don't dilly dally on the [I] way!"
[III7] Off went the cart with my [vi] home packed in it,
[II7] I walked behind with me [V] old cock linnet.
But I [I] dillied and [V7] dallied [I] dallied and [V7] dillied
[I] Lost the van and [II7] don't know where to [V] roam [V7]
Oh, you [I] can't trust the [I7] specials
[IV] like the old-time [ii] coppers
When you [I] can't find [V7] your way [I] home.

[I] Show me the way to go [I7] home
I'm [IV] tired and I want to go to [I] bed
I had a little drink about an hour ago
And it's [II7] gone right to my [V7] head
No [I] matter where I [I7] roam
Over [IV] land or sea or [III7] foam
You can [I] always hear me [vi] singing this song
[V7] Show me the way to go [I] home.

Thanks to Adam K

Well there ain't [I] nothin' in the world that I like better
Than [IV] bacon and lettuce and homegrown tomatoes
[V7] Up in the mornin', out in the garden
[I] Get you a ripe one, do not get a hard one

[I] Plant 'em in the springtime, eat 'em in the summer
[IV] All winter without 'em's a culinary bummer
[V7] I forget all about the sweatin' an' diggin'
[I] Every time I go out and [V7] pick me a big one

> *Chorus:*
>
> [I] Homegrown tomatoes, homegrown tomatoes
> [IV] What'd life be without homegrown tomatoes?
> [V7] Only two things that money can't buy
> [I] That's true love and [V7] homegrown tomatoes
> [I] [IV] [V7] [I] [V] -

You can [I] go out to eat, that's for sure
But there's [IV] nothin' a homegrown tomato won't cure
[V7] Put 'em in a salad, put 'em in a stew
[I] You can make your very own tomato juice

You can [I] eat 'em with eggs, you can eat 'em with gravy
You can [IV] eat 'em with beans, pinto or navy
[V7] Put 'em on the side, put 'em in the middle
Put a [I] homegrown tomato on a [V7] hot cake griddle

> *Chorus*
>
> [I] Homegrown tomatoes, homegrown tomatoes
> [IV] What'd life be without homegrown tomatoes?
> [V7] Only two things that money can't buy
> [I] That's true love and [V7] homegrown tomatoes
> [I] [IV] [V7] [I] [V] -

Now if [I] I had to trade this life I lead
[IV] I'd be Johnny Tomato Seed
'Cause [V7] I know what this country needs
It's [I] homegrown tomatoes in every [V] yard you see

[I] When I die don't bury me
[IV] In a box in a cemetery
[V7] Out in the garden would be much better
And [I] I could be a pushin' up [V7] homegrown tomatoes

> *Chorus X2*
>
> [I] Homegrown tomatoes, homegrown tomatoes

> [V7] Only two things that money can't buy

[I] [V] [vi] [IV] [ii] [I] [IV] [V]

[I] Cardboard sign, [V] old and bent,
Says "[vi] Friend for life, [IV] twenty five cents"
[ii] When did this start [I] making sense;
[IV] Man it's really getting [V] cold

[I] Sometimes I forget things and I [V] get confused.
I could [vi] still be working but [IV] they refuse.
[ii] Now I'm living with the [I] bums and the whores and the [IV] abused;
Man I hate [V] gettin' old

> [I] Homeless, get a-[V]way from here;
> Don't [vi] give them no money they'll just [IV] spend it on beer
> [ii] Homeless, will [V] work for food,
> You'll [vi] do anything that you [IV] gotta do,
> When you're [I] homeless. [V] [vi] [IV] [I] [V] [I]

[I] Betty sings a song that [V] no one hears,
As the [vi] wind begins to [IV] freeze her tears
[ii] She says 'God, it's been [I] so many years',
She's [IV] way past com-[V]plainin'.

[I] She sings a heartfelt [V] melody,
[vi] One that begs for [IV] harmony
[ii] No, it's not what she [I] thought it would be,
But [IV] hey, it could be [V] rainin'

> Chorus

[I] You know life ain't easy, [V] it takes work,
[vi] It takes healin' 'cause you're [IV] gonna get hurt.
[ii] You can lose your faith, [I] you can lose your shirt,
[IV] Lose your way some-[V]times
Ah, [I] you never really [V] have control,
Some-[vi]times you just gotta [IV] let it go
[ii] When the final [I] line unfolds,
[IV] It don't always [V] rhyme

> Chorus x 2

[I] Cardboard sign, [V] old and bent,
Says "[vi] Friend for life, [IV] twenty five cents" [I]

[I] I wish I'd never come back home

[I] I can't find any of my [IV] old friends hangin' round
Won't [I] nothing bring you [V] down like your home [I] town

[I] I spent some time in New Orleans
I had to live on rice and [V] beans
[I] I hitched through Texas when the [IV] sun was beating down
Won't [I] nothing bring you [V] down like your home [I] town

[IV] Home is where the heart is
Ain't that [I] what they always say
[II7] My heart lies in broken pieces

[I] So don't think about me when I'm gone
I don't mind traveling [V] alone
[I] You are the sweetest little [IV] thing I ever found
Won't [I] nothing bring you [V] down like your home [I] town

[I] I'm sitting in the railway station.
Got a [Imaj7] ticket for my destina-[I7]tion, mmm[VI]mmm
[ii] On a tour of one-night stands
my [VII] suitcase and guitar in hand.
And [I] ev'ry stop is neatly planned
for a [V7] poet and one-man ba-[I]nd.

Chorus:
Homeward [IV] bound, wish I [I] was, Homeward [IV] bound,
[I] Home where my [Isus4] thought's escaping
[I] Home where my [Isus4] music's playing,
[I] Home where my [Isus4] love lays waiting
[V] Silently for [I] me.

[I] Ev'ry day's an endless stream
Of [Imaj7] cigarettes and maga-[I7]zines, mmm [VI]mmm
And [ii] each town looks the same to me,
the [VII] movies and the factories
And [I] ev'ry stranger's face I see
re-[V7]minds me that I long to be-[I]e,

Repeat chorus

[I] Tonight I'll sing my songs again,
I'll [Imaj7] play the game and pre-[I7]tend, mmm[VI]mmm
But [ii] all my words come back to me in [VII] shades of mediocrity

[I] [V] [IV] [I]

Hoo-[I]ray for [V] Hazel, [IV] she put me [I] down,
Hoo-[I]ray for [V] Hazel, she [IV] made me her [I] clown.
Hoo-[I]ray for [V] Hazel, she's [IV] up to her [I] tricks,
Hoo-[I]ray for [V] Hazel, she's [IV] getting her [I] kicks.

[I] Hazel's been in [V] love with [IV] many a [I] guy,
She [IV] tells them that she [V] loves them and [IV] then says good-[I]bye.
hoo-[I]ray for [V] Hazel, I'm [IV] now on her [I] list,
I'm [IV] just another [V] fool that [IV] couldn't re-[I]sist.

hoo-[I]ray for [V] Hazel, [IV] she put me [I] down,
hoo-[I]ray for [V] Hazel, she [IV] made me her [I] clown.
hoo-[I]ray for [V] Hazel, she's [IV] up to her [I] tricks,
hoo-[I]ray for [V] Hazel, she's [IV] getting her [I] kicks.

[I] Hazel never [V] feels any [IV] pity or [I] shame,
A [IV] broken heart is [V] just a part of [IV] her evil [I] game.
hoo-[I]ray for [V] Hazel, she [IV] did it a-[I]gain,
I'll [IV] join the ranks of [V] broken hearts that [IV] she put me [I] in.

hoo-[I]ray for [V] Hazel, [IV] she put me [I] down,
hoo-[I]ray for [V] Hazel, she [IV] made me her [I] clown.
hoo-[I]ray for [V] Hazel, she's [IV] up to her [I] tricks,
hoo-[I]ray for [V] Hazel, she's [IV] getting her [I] kicks.

[I] Hazel only [V] does things [IV] she wants to [I] do,
She's [IV] selfish and she's [V] spoiled and she [IV] knows that she's [I] cute.
hoo-[I]ray for [V] Hazel, she [IV] still gets her [I] way,
But [IV] there's a time [V] coming we'll be [IV] able to [I] say

hoo-[I]ray for [V] Hazel, there's [IV] tears in her [I] eyes,
hoo-[I]ray for [V] Hazel, she [IV] knows how to [I] cry.
hoo-[I]ray for [V] Hazel, she's [IV] meek as a [I] dove,
hoo-[I]ray for [V] Hazel, she's [IV] begging for [I] love.

Hoo-[I]ray for [V] Hazel, there's [IV] tears in her [I] eyes,
Hoo-[I]ray for [V] Hazel, she [IV] knows how to [I] cry.

[I] [IV] [V] [V] [I] [IV] [V] [V]

Well I [I] hope that I don't [IV] fall in love with [V] you [V]
'Cause [I] falling in [IV] love jus' makes me [V] blue [V]
Well the [IV] music plays and [I] you display, Your [V] heart for me to [I] see
I [IV] had a beer and [I] now I hear you [IV] callin' out to [V] me
And I [I] hope that don't [IV] fall in [V] love with [I] you [I]

Well the [I] room is crowded,with [IV] people [V] everywhere [V]
And I [I] wonder should I [IV] offer you a [V] chair [V]
Well if [IV] you sit down with [I] this ol' clown, I'll [V] take that frown and [I] break it
Be-[IV]fore the evening's [I] gone away, I [IV] think that we could [V] make it [V]
And I [I] hope that I don't [IV] fall in [V] love with [I] you [I]

I can [I] see that you are [IV] lonesome just like [V] me [V]
And it [I] being late you'd [IV] like some compa-[V]ny [V]
Well I [IV] turn around to [I] look at you, and [V] you look back at [I] me
The [IV] guy you're with has [I] up and split, the [IV] chair next to you's [V] free [V]
And I [I] hope the you don't [IV] fall in [V] love with [I] me [I]
{c: instrumental verse with La la las over it)
And I [I] hope that I don't [IV] fall in [V] love with [I] you [I]

Well the [I] night does funny [IV] things inside a [V] man [V]
These old [I] tom-cat feelings [IV] you don't under-[V]stand [V]
When I [IV] turn around to [I] look at you, yYou [V] light a [I] cigarette
I [IV] wish I had the [I] uts to bum one, [IV] but we've never [V] met
And I [I] hope that I don't [IV] fall in [V] love with [I] you [I]

Now it's [I] closing t....ime, The [IV] music's fading [V] out [V]
Last [I] call for drinks, I'll [IV] have another [V] stout [V]
When I [IV] turn around to [I] look at you, you're [V] nowhere to be [I] found
I [IV] search the place for [I] your lost face, guess I'll [IV] have another [V] round
(SLOW)
And I [I] think that I just [IV] fell in [V] love with [I] you

Many varying lyrics to this song - good luck

[V] [VII] [I] [V]

Now [I] 'opping's just beginning,
We've got some time to [V] spend.
We've [I] only come down hopping,
To earn a quid if we [V] can.
With the [I] tee-i-ay, tee-i-ay, tee-i-ee-i-ay.

Now [I] early Monday morning,
Just at 6 o'[V]clock
You'll [I] hear them hoppers calling.
Get up and turn your [V] pots
With the [I] tee-i-ay, tee-i-ay, tee-i-ee-i-ay.

Now [I] every Tuesday morning,
The bookie he'll come [V] round;
[I] With a bag of money,
He'll flop it on the [V] ground.
With the [I] tee-i-ay, tee-i-ay, tee-i-ee-i-ay.

Saying, "[V] Do you want some money?"
"Yes sir, if you [V] please,
To [I] buy a hock of bacon
And a roll of mouldy [V] cheese".
With the [I] tee-i-ay, tee-i-ay, tee-i-ee-i-ay.

They [I] say all hopping's lousy,
I believe it's [V] true.
[I] Since I've been down hopping,
I've got a chat or [V] two.
With the [I] tee-i-ay, tee-i-ay, tee-i-ee-i-ay.

[I] Early Saturday morning,
It is our washing [V] day.
We [I] boil 'em in our hopping pot,
And we hangs 'em o'er the [V] ground.
With the [I] tee-i-ay, tee-i-ay, tee-i-ee-i-ay.

[I] Hopping is all over,
The money is all [V] spent.
I [I] wish to God I'd never done
No hopping down in [V] Kent.
With the [I] tee-i-ay, tee-i-ay, tee-i-ee-i-ay.

[I] I say one, I say two,
[VII] No more hopping shall I do.
The [I] tee-i-ay, tee-i-ay, tee-i-e-i-ay.

On the [iv] first part of the [III6] journey
I was [iv] looking at all the [III6] life
There were [iv] plants and birds and [III6] rocks and things
There was [iv] sand and hills and [III6] rings
The first [iv] thing I met was a [III6] fly with a buzz
And the [iv] sky with no [III6] clouds
The heat [iv] was hot, and the [III6] ground was dry
But the [iv] air was full of [III6] sound

I've [iv] been through the desert on a [v7] horse with no name
It felt [iv] good to be out of the [v7] rain
In the [iv] desert, you can re-[v7]member your name
'Cause there [iv] ain't no one for to [v7] give you no pain

[iv] La la, la, [v7] lalalala, lala [iv] la la [v7] la
[iv] La la, la, [v7] lalalala, lala [iv] la la [v7] la

After [iv] two days in the [III6] desert sun
My skin [iv] began to turn [III6] red
After [iv] three days in the [III6] desert fun
I was [iv] looking at a river [III6] bed
And the [iv] story it told of a [III6] river that flowed
Made me [iv] sad to think it was [III6] dead

You see I've [iv] been through the desert on a [v7] horse with no name
It felt [iv] good to be out of the [v7] rain
In the [iv] desert, you can re-[v7]member your name
'Cause there [iv] ain't no one for to [v7] give you no pain

[iv] La la, la, [v7] lalalala, lala [iv] la la [v7] la
[iv] La la, la, [v7] lalalala, lala [iv] la la [v7] la

After [iv] nine days, I let the [III6] horse run free
'Cause the [iv] desert had turned to [III6] sea
There were [iv] plants and birds and [III6] rocks and things
There was [iv] sand and hills and [III6] rings
The [iv] ocean is a desert with it's [III6] life underground
And a [iv] perfect disguise a-[III6]bove
Under [iv] the cities lies a [III6] heart made of ground
But the [iv] humans will give no [III6] love

You see I've [iv] been through the desert on a [v7] horse with no name
It felt [iv] good to be out of the [v7] rain
In the [iv] desert, you can re-[v7]member your name
'Cause there [iv] ain't no one for to [v7] give you no pain

[iv] La la, la, [v7] lalalala, lala [iv] la la [v7] la

[i] So I called up the captain [V7] please bring me my wine
He said [VII] we haven't had that spirit here since [IV] 1969
[VI] And still those voices are calling from [III] far away

[VII] Warm smell of colitas [IV] rising up through the air
[VI] Up ahead in the distance [III] I saw a shimmering light
[iv] My head grew heavy and my sight grew dim
[V7] I had to stop for the night

[i] There she stood in the doorway [V7] I heard the mission bell
[VII] And I was thinking to myself this could be [IV] heaven or this could be hell
[VI] Then she lit up a candle [III] and she showed me the way
[iv] There were voices down the corridor [V7] I thought I heard them say

[VI] Welcome to the Hotel Cali[III]fornia
Such a [iv] lovely place such a [i] lovely face
[VI] Plenty of room at the Hotel Cali[III]fornia
Any [iv] time of year you can [V7] find it here

[i] Her mind is Tiffany twisted [V7] she got the Mercedes bends
[VII] She got a lot of pretty pretty boys [IV] that she calls friends
[VI] How they dance in the courtyard [III] sweet summer sweat
[iv] Some dance to remember [V7] some dance to forget
[i] So I called up the captain [V7] please bring me my wine
He said [VII] we haven't had that spirit here since [IV] nineteen sixty-nine
[VI] And still those voices are calling from [III] far away
[iv] Wake you up in the middle of the night [V7] just to hear them say

[VI] Welcome to the Hotel Cali[III]fornia
Such a [iv] lovely place such a [i] lovely face
[VI] Plenty of room at the Hotel Cali[III]fornia
Any [iv] time of year you can [V7] find it here

[i] Mirrors on the ceiling [V7] the pink champagne on ice
And she said [VII] we are all just prisoners here [IV] of our own device
[VI] And in the master's chambers [III] they gathered for the feast
[iv] They stab it with their steely knives but they [V7] just can't kill the beast
[i] Last thing I remember I was [V7] running for the door
[VII] I had to find the passage back to the [IV] place I was before
[VI] Relax said the nightman we are [III] programmed to receive
[iv] You can check out anytime you like [V7] but you can never leave

[VI] Welcome to the Hotel Cali[III]fornia
Such a [iv] lovely place such a [i] lovely face

[I]
I was [I] watching, with one [IV] eye on the other side,
I had [V] fifteen people telling me to move, I got [I] movin' on my mind.
I found [I] shelter, in some [IV] thoughts turning wheels around,
I've said [V] 39 times that I love you to the [I] beauty I have found.

Well it's, [I] one, two, three, four, take the elevator,
at the [IV] Hotel Yorba I'll be glad to see you later,
[V] all they got inside is vacan-[I]cy [IV] [I]

[I] [IV] [V] [I]

I've been [I] thinking, of a little [IV] place down by the lake
They've got a [V] dirty old road leading up to the house
I wonder [I] how long it will take
till we're [I] alone,
sitting on a [IV] front porch of that home
[V] Stompin our feet, on the wooden boards,
[I] Never gotta worry about locking the door

Well its, [I] one, two, three, four, take the elevator,
at the [IV] Hotel Yorba I'll be glad to see you later,
[V] all they got inside is vacan-[I]cy [IV] [I]

[I] [IV] [V] [I]

It might sound [I]* silly, for me to think [IV]* childish thoughts like these
But [V]* I'm so tired of acting tough, and I'm [I]* gonna do what I please.

Let's get [I] married in a big ca-[IV]thedral by a priest
because if [V] I'm the man that you love the most,
You could [I] say I do at least.

Well its, [I] one, two, three, four, take the elevator,
at the [IV] Hotel Yorba I'll be glad to see you later,
[V] all they got inside is vacan-[I]cy
And it's [I] four, five six, seven, grab the umbrella,
And [IV] grab hold of me cause I'm your favourite fella,

[I] [V7] [I] [I] - Simplified intro

Well, the doctor comes ar[V]ound with his face all [I] bright [I]
And he [I] says, "In a little [I] while you'll be all [V] right!" [V7]
Well, all he [I] gives is a humbug [I7] pill
Dose of [IV] dope and a great big [ii] bill
Tell me, [I] how can a poor man [V7] stand such times and [I] live? [I]

[I] There once was a time when [V] everything was [I] cheap
But now [I] prices nearly [I] puts a man to [V] sleep [V7]
When we [I] get our grocery [I7] bill
We just [IV] feel like making our [ii] will
Tell me, [I] how can a poor man [V7] stand such times and [I] live ? [I]

Instrumental:
There [I] once was a time when [V] everything was [I] cheap
But now [I] prices nearly [I] puts a man to [V] sleep [V7]
When we [I] get our grocery [I7] bill
We just [IV] feel like making our [ii] will
Tell me, [I] how can a poor man [V7] stand such times and [I] live? [I]

Well I remember when dry [V] goods was cheap as [I] dirt [I]
You could [I] take two bits and [I] buy a dandy [V] shirt [V7]
Now we [I] pay three bucks or [I7] more
Maybe get a [IV] shirt that another man [ii] wore
Tell me, [I] how can a poor man [V7] stand such times and [I] live? [I]

Most preachers well they preach for [V] gold and not for [I] soul [I]
Well, that's what [I] keeps us poor folks always in a [V] hole [V7]
Now, we can [I] hardly get our [I7] breath
Taxed and [IV] schooled and preached to [ii] death
Tell me, [I] how can a poor man [V7] stand such times and [I] live? [I]
Tell me, [I] how can a poor man [V7] stand such times and [I] live? [I]

How much [I] beer can one man drink
After a [IV] long hard workin' [I] week
How many is it gonna be when the sun comes [V] 'round
How far [I] up can one man climb
On an old bar-[IV]stool in the neon [I] light
How much beer can one man [V] drink
We're about to find [I] out

[I] I was thinkin' 'bout it while I was on my way
After [IV] clockin' out, cashin' my pay-[I]check
What comes next for all us [V7] regular guys
You know [I] life is tough with lots of decisions
[IV] Questions without answers, and answers ain't been given
[I] But I got a question that's gonna get [V] answered in [I] here tonight

> How far [I] up can one man climb
> On an old bar-[IV]stool in the neon [I] light
> How much beer can one man [V] drink
> We're about to find [I] out

[I] So here you are, and we are too
[IV] Sippin' on suds of that [I] ice cold brew
And listenin' to that old jukebox [V] play
[I] There's headaches to be had and heartaches to heal
What-[IV] ever you got, we [I] know how you feel
'Cause we're all searchin', hurtin', or [V] helpin' a brother on his [I] way
[I] So what do y'all say

> [I] How much beer can one man drink
> After a [IV] long hard workin' [I] week
> How many is it gonna be when the sun comes [V] 'round
> How far [I] up can one man climb
> On an old bar-[IV]stool in the neon [I] light

[I] [IV] [I] [V] [I]

Well I [IV] guess it all depends
On if you're [iii] broke or badly bent
Got just e-[ii]nough to pay the rent
Or leanin' [V] on your [IV] new best [iii] friend
[II] So let me [V7] ask y'all once again

[I] [I] [I] [I] [I] [I] [I] [I]
[I] Oh we're going to a hukilau (Hoo-Key-Lau)
huki huki huki huki [V7] hukilau
[V7] Everybody loves a hukilau
Where the lau-lau is the kau-kau at the [I] huki-lau
We'll [VI7] throw our nets out into the sea
And [II7] all the ama-ama(Amah-Amah) come swimming to me
Oh, we're [I] going to a hukilau
huki [V7] huki huki huki huki [I]-lau

[I] What a wonderful day for fishing
In the old Hawaiian [V7] way
[V7] all the hukilau nets are swishing
Down in [II7] old Laie (Lah-ee-ah) [V7] bay

Oh we're [I] going to a hukilau
huki huki huki huki [V7] hukilau
[V7] Everybody loves a hukilau
Where the lau-lau is the kau-kau at the [I] huki-lau
We'll [VI7] throw our nets out into the sea
And [II7] all the ama-ama come swimming to me
Oh, we're [I] going to a hukilau
huki [V7] huki huki huki huki [I]-lau

PLAY SLIGHTLY FASTER
[I] [I] [I] [I] [I] [I] [I] [I]
[I] Oh we're going to a hukilau
huki huki huki huki [V7] hukilau
[V7] Everybody loves a hukilau
Where the lau-lau is the kau-kau at the [I] huki-lau

[I] On the Isle of Filalilla out [V7] Hawaii Way
A hula maiden gay stroll [I] by a moonlit bay
There come to court her over the water
From the savage Zin-[V7]gazulu land
A Bolo chieftain grand sang her this [I] lay

> And he sang . .[IV] Hula, Hawaii hula . .
> [I] Smile on your zing gang a zula
> [V7] Moon shine above on the [I] sweet jungle love
> [IV] For you my bolo is swinging
> [I] For you my love song I'm singing
> [V7] Come be my hula, hula love . . (a' ya, ya, ya)

But the chieftain of the warriors from the peaceful Fila-[V7]lilla land
Would not give him her hand, her [I] lover took his stand
Through the rattle of the battle
As she heard his sweet voice [V7] strong and true
They fled in his canoe over water [I] blue

[vi] How can I let my eyes [IV] fall
Become [I] blind to what I've [V] seen

Well the [I] world's alright with [V] me

All the [I] cows are [IV] out there [I] grazing

[I] She had a punch, like a kick from a [I7] mule

[IV] I'll tell you friend, [V] cheatin' ain't [I] cool

As [I] I was going home to tea
I [ii] thought I'd take some [IV] luxury
Went in-[V]to a winkle shop
Bought me self a pennyworth of [I] winkles

Going home to tea as [ii] happy as could be

[I] Picking all the big ones out
[IV] Picking all the big ones out
[V] You should have seen my face a'wrinkle
When I saw my [I] penny worth of winkles

All the big ones [I] gone
[IV] It made me rave and shout
There was the [V] Ma, Pa, and all the little kids
Picking all the big one's [I] out.

Singin', [I] I can't get my winkle out
[IV] Isn't it a shame!
[V] Any time I get it out it pops right in a-[I]gain

I can't get my winkle out!
[IV] Isn't it a sin!
[V] Any time I get it out it the further it goes [I] in

I can't get my winkle out!

[I] In my window every night
Well, it's [V7] over, I [IV] know it but I can't let [I] go
[I] You don't like to see me standing around
[I] Feel like I been shot and didn't fall down

[I] Went off and left me, and it [I7] just ain't right
Well, it's [V7] over, I [IV] know it but I can't let [I] go
[I7] Around every corner, something I see

[IV] Last night I stayed up late to watch the [I] sunrise
[I7] It afforded a wonderful [IV] view
[IV7] Count the sheep 'til I [bVII] cry
[bVI7] Count the times you said good-[ii]bye
[V] And I can't sleep when I can't [I7] sleep with you

[IV] There's no need to think you'd [I] remember
[I7] A love like some forgotten [IV] I.O.U
[IV7] I've been watching the [bVII] dawn
[bVI7] Every night since you're [ii] gone
[V] And I can't sleep when I [I7] can't sleep with [IV] you

[IV] Oh [IV7] baby I'm so [IV] lonely
[I] Now I'm wondering [I7] what I'm gonna [IV] do [IVsus4]
[bII] All of my life I've been [V] dreamin' a sweet dream
[V] How was I to [bVI] know that dream was [I] you [I7]

[IV] I stayed up late to watch the [I] sunrise
[I7] And I'll stay up late tomorrow night, [IV] too
[IV7] Count the sheep 'til I [bVII] cry
[bVI7] Count the times you said good-[ii]bye

[V] Now I know I [bVI] can't get over [I7] you

[IV] Last night I stayed up late to watch the [I] sunrise
[I7] And I'll stay up late tomorrow night, [IV] too
[IV7] Hear that early bird [bVII] call
[bVI7] Ain't it hard when you [ii] fall

Intro: [I]/// [iii]/// [IV]/// [V7]/// x2

[I] You're the only one that [iii] I rely on,
[IV] A shoulder there for [V7] me to cry on
[I] And the hours alone that [iii] I'm without you,
[IV] All I ever do is [V7] think about you

[bVI] No one knows that you're so [vii7] understanding,
[bVI] Even though my love is [vii7] so demanding
[I] Everytime you look at [ii] me then you'll know we'll both a-[iii]gree
That no other love could [IV] be...

> [I] I [ii7] couldn't live with-[V7]out your [I] love
> [IV] Now I know you're [V7] really [I] mine
> [IV] Got to have you [V7] all the [I] time [iii]/// [IV]/// [V7]///

[I] Didn't like you much when [iii] I first met you
[IV] But somehow I couldn't [V7] quite forget you
[I] Said you didn't want a [iii] friend or lover
[IV] That your life was happy [V7] with another

[bVI] But as time went by my [vii7] love grew stronger
[bVI] Knew that I just couldn't [vii7] wait any longer
[I] For I couldn't let you [ii] go, and I had to tell you [iii] so
That I loved you, then you'd [IV] know

> [I] I [ii7] couldn't live with-[V7]out your [I] love
> [IV] Now I know you're [V7] really [I] mine
> [IV] Got to have you [V7] all the [I] time [iii]/// [IV]/// [V7]///

Key change ignored

[I] You're the only one that [iii] I rely on,
[IV] A shoulder there for [V7] me to cry on
[I] And the hours alone that [iii] I'm without you,
[IV] All I ever do is [V7] think about you

[bVI] Now the tears are gone and [vii7] I'm not cryin'
[bVI] When you say you love me [vii7] you're not lyin'
[I] So when people want to [ii] stare I know I don't really [iii] care
Just as long as you are [IV] there

> [I] I [ii7] couldn't live with-[V7]out your [I] love
> [IV] Now I know you're [V7] really [I] mine
> [IV] Got to have you [V7] all the [I] time [iii]/// [IV]/// [V7]///
> *Fade to end*

[I] I [ii7] couldn't live with-[V7]out your [I] love
[IV] Now I know you're [V7] really [I] mine

[I] Now it's be-[V]come a part of me

I decided to [I] fly [V] [IV] [V]

[I] I-I-I [V] I-I-I [IV] de-[V] ided to [I] fly [V] [IV] [V]
You and [I] I-I-I [V] I-I-I [IV] de-[V]cided to [I] try [V] [IV] [V]
[I] I de-[V]cided to [I] fly
You and I de-[V]cided to [I] try [IV] [I] [V]

I only know I'm [I7] lonely,
And [IV] that I want you [VI7] only,

I [II7] don't know why I [V7] love you, but I [I] do.

[I] I can't sleep nights because I feel so [II7] restless,
I [V7] don't know what to do I feel so [I] helpless,
And since you been [I7] away,

[IV] My days have been so lonely,

[I]/ [vi] [I] [vi]

[I] My family reunion is [IV] goin' on [I] today
[I] My relatives have all flown in from [V] places far away
As we [I] sit there eatin' chicken, it [IV] hits me like a truck
I [I] don't, like, [V7] half the folks I [I] love

[I] Me and my former best friend [IV] had a big fallin' [I] out
I [I] caught him with my wife, so I [V] punched him in the mouth
[I] We just can't hang out anymore, but [IV] I still wish them luck
I [I] don't, like, [V7] half the folks I [I] love

[IV] God knows they're all dear to me, but [I] if the truth betold
Well, I [bII] like it when they come, but I [V] love it when they go
I'm [I] sure they've got good qualities, but the [IV] bad ones cover 'em up
I [I] don't, like, [V7] half the folks I [I] love

[I] My alcoholic buddies [IV] are fun to hang [I] around
[I] When we drink together, [V] peace and joy abound
[I] Sometimes they bring me one more shot when they [IV] know I've had enough
I [I] don't, like, [V7] half the folks I [I] love

[IV] God knows they're all dear to me, but [I] if the truth be told
Well, I [bII] like it when they come, but I [V] love it when they go
I'm [I] sure they've got good qualities, but the [IV] bad ones cover 'em up
I [I] don't, like, [V7] half the folks I [I] love

In [I] this world we live in, [IV] this I guaran-[I]tee
We [I] all need more tolerance to [V] get along peacefully
But I'm [I] not as nice as Jesus, and I [IV] really am fed up
I [I] don't, like, [V7] half the folks I [I] love

[IV] God knows they're all dear to me, but [I] if the truth be told
Well, I [bII] like it when they come, but I [V] love it when they go
I'm [I] sure they've got good qualities, but the [IV] bad ones cover 'em up
I [I] don't, like, [V7] half the folks I [I] love

[I] Oh, I don't, like, [V7] half the folks I [I] love

[I] Well, my body could use a little slimmin'
[IV] I keep my shirt on when I go swimmin'
And I [I] ain't seen my feet since nineteen eighty [V7] four
The old [I] lady wants to roll in the hay

[IV] No I don't look good naked any-[I]-more

But I [IV] guess I kinda let myself go
[I] Now I don't look good [V7] naked any-[I]-more

[IV] No I don't look good naked any-[I]-more

If [I] I keep on like I'm doing
I won't fit through the [IV] door
And [I] I don't look good [V7] naked any-[I]-more

[I] [V] [vi] [vi] [IV] [V] [I] [I]

Well, I'd [I] like to [V] visit the [vi] moon [vi]
On a [IV] rocket ship [V7] high in the [I] air [I]
Yes, I'd [I] like to [V] visit the [vi] moon [vi]
But I [IV] don't think I'd [V] like to live [I] there [I]

> Though I'd [IV] like to look [IV] down at the [I] earth from above [I]

> So [IV] although I might [V7] like it for [III7] one after [vi] noon
> I [IV] don't want to [V] live on the [I] moon [I]

I'd like to [I] travel [V] under the [vi] sea [vi]
I could [IV] meet all the [V7] fish every [I] where [I]
Yes, I'd [I] travel [V] under the [vi] sea [vi]
But I [IV] don't think I'd [V] like to live [I] there [I]

> I might [IV] stay for a [IV] day there if [I] I had my wish [I]
> But there's [IV] not much to [IV] do when your [I] friends are all fish [I]
> And an [IV] oyster and [V7] clam aren't [III7] real fami [vi] ly
> So I [IV] don't want to [V] live in the [I] sea [I]

I'd like to [IV] visit the [I] jungle, hear the [V] lions [I] roar
[IV] Go back in [V] time and meet a [I] d-i-no-saur [I]
There's [IV] so many [V7] strange places I'd [III7] like to [vi] be
But [IV] none of them [V] permanently [I] [I]

So if [I] I should [V] visit the [vi] moon [vi]
Well, I'd [IV] dance on a [V7] moonbeam and [I] then [I]
I would [I] make a [V] wish on a [vi] star [vi]
And I'd [IV] wish I was [V] home once a [I] gain [I]

> Though I'd [IV] like to look [IV] down at the [I] earth from [I] above
> I would [IV] miss all the [IV] places and [I] people I [I] love
> So [IV] although I may [V7] go I'll be [III7] coming home [vi] soon

I Get A Kick Out Of You

Slow intro - almost talking - simplified version

[I] My story is [ii7] much [V7] too sad to be [I7] told,
[V7] But practic'ly [I] ev'rything [V7] leaves me totally [I] cold.
The [I] only [ii7] exception I [V7] know is the [III7] case,
[iv7] When I'm [VII7] out on a [III] quiet spree,
[iv7] fighting vainly the [V7] old ennui,
[VI7] And I [ii7] suddenly turn and [V7] see
[I] your [iii] fabulous [VI7] face.

[II7] I get no [V7] kick from cham-[I]pagne
[ii7] Mere alco-[V7]hol doesn't [I] thrill me at [iii] all,
So [ii7] tell me, [V7] why [vi7] should it be [I7] true
That [ii7] I get a [V7] kick out of [I] you?

[ii7] Some get a [V7] kick from co-[I]caine [iii]
[ii7] I'm sure that [V7] if I took
[I] just one [I7] more [VI7] sniff that would
[ii7] Bore me ter-[V7]rif-[I7]ic'ly, [iii] too [VI7]
Yet [ii] I get a [V7] kick out of [I] you. [I7]

[I7] I get a [IV] kick ev'ry time I [I7] see
[IV] You [vi] standing there be-[VI7]fore me
[ii7] I get a kick, though it's [v7] clear to [ii] see
You [II7] obviously do not a-[ii7]dore [V7] me.

[ii7] I get no [V7] kick in a [I] plane [iii]
[ii7] Flying too [V7] high with some [I] gal in the [vi7] sky
[VI7] Is my [ii7] idea of [iii] nothing to [VI7] do
Yet [ii7] I get a [V7] kick, [iii] you give me a [VI7] boot,
Yes, [ii7] I get a [V7] kick out of [I] you.

[I] [III7] [VI] [II7] [V] [I]

Miss Anna [III7] Bellum [vi] used to take gym-[III7]nasium
[II] When she used to [V] go to public [I] school [V]
[I] English, art and [III7] grammar, [vi] 'rithmetic and [III] grammar
She [II] always did the [V] best that she could [I] do
But one [III] day she refuses and she [vi] wouldn't take gym no more
And the [II] teacher asked her why she quit
And the [V] answer came just so

[I] I had to give up [III] gym
[VI] Just keep my self in trim
[II] I had to give up [V] gym after [I] all [V]

[I] Wasn't hard e-[III]nough to make it
[VI] Even when I tried to take it
[II] Had to give up [V] gym after [I] all

[III] Every time I had my gym
I [vi] didn't ever talk
[II] After I had tried to take it
I [V] couldn't hardly walk

[I] I'm no baby [III7] you can see
[VI] But it was just too much for me
[II7] Had to give up [V] gym after [I] all

A-[III]rithmetic and grammar
I [vi] love my school subjects
[II] English, art and grammar
They're [V] always on my lips

[I] Gym's all right with-[III] out doubt
[VI] But it hurts so take it out

[II] What [IIsus2] will [II] my [II] future [VI] be?
[VI7] I wonder.

[V7] It could be so [bI] exciting
[bI] To be [II7] out in the [V7] world, to be [bI] free,
My [V7] heart should be wildly re-[bI]joicing,
Oh, [V7] what's the matter with [I] me?
I've [ii] always longed for ad-[Imaj7]venture
[Imaj7] To do the [IV] things I've never [Imaj7] dared!
Now [IV] here I am facing ad-[Imaj7]venture, then [IV] why
[NC] am I so scared?

[V] A Captain with seven Children
[V] What's so fearsome about [II] that?
Oh I [IV7] must stop all these doubts, all these [VII] worries,
If I [IV7] don't I just know I'll turn [VII] back,
I must [IV7] dream of the things I am [VII] seeking,
[NC] I am [IV7] seeking the courage I [VII7] lack.

The [II] courage to serve them with reliance
[bI7] Face my mistakes without defiance!
[vii7] Show them I'm worthy
[vii7] And while I show [III7] them
[ii7] I'll show [VImaj7] me [V7] so!

[I] Let them bring on all their [V7] problems
[I] I'll do better than my [V7] best!
[I] I have confidence
[I] They'll [vi] put me to the [vidim] test,
But [I] I'll make them [i] see,
I have [II7] confidence in [I] me

Some-[IV]how I will [I] impress them
[IV] I will be firm but [VI7] kind
And [II] all those [ii] children
[V7] (Heaven bless them)
[I] They will look up to [V] me
[NC] And mind me

[I] With each step I am more [V7] certain
[I] Everything will turn out [V7] fine
[I] I have confidence the [vi] world can all be [vidim] mine
[V] They'll have to agree I have [V7] confidence in [I] me [VI7]

[II] I have confidence in [iii7] sunshine [VI7]
[II] I have confidence in [VI7] rain
[II] I have confidence that [vii7] spring will come a-[V7]gain

[V] Strength doesn't lie in [VII7] wealth
[iii] Strength lies in nights of [VI7] peaceful slumber
[II] When you wake up, [III7] WAKE [VI7] UP!
[NC] It tells me!

[III] All I trust, I give my [VII7] heart to.
[III] All I trust becomes my [VII7] own.
[III] I have confidence, in [VI] confidence [vidim] alone!
[NC] Oh help

[NC] I have con-[vii]fidence in [VII] confi-[VII7]dence alone!

Ooh, I [i] bet you're wonderin' [IV] how I [i] knew,
'Bout your [V7] plans to make me [IV7] blue.
With some other [i] guy you [IV] knew be-[i]fore,
Between two of us [V7] guys, you know I loved you [IV7] more.
It took me by sur-[vi]prise, I must [IV7] say,
When I [I7] found out yester-[IV7]day. Don't you know that:

I [I7] heard it through the [IV7] grape-[I7]vine;
Not much [IV7] longer, would [IV7] you be mine.
Oh, I [I7] heard it through the [IV7] grape-[I7]vine;
Oh, I'm [IV7] just about to lose my [I] mind, [I] honey, [III] ho-[IV]ney, [i] yeah.
I [i] heard it through the grapevine,
Not much longer would you [IV] be [i] my baby [IV] [i] [IV]

I know a [i] man ain't sup-[IV]posed to [i] cry,
But these [V7] tears, I can't hold in-[IV7]side.
Losing [i] you, would end my [IV] life, you [i] see,
'Cos you [V7] mean that much to [IV7] me.
You could have [vi] told me your-[IV7]self,
That you [I7] loved someone [IV7] else.

I [I7] heard it through the [IV7] grape-[I7]vine;
Not much [IV7] longer, would [IV7] you be mine.
Oh, I [I7] heard it through the [IV7] grape-[I7]vine;
Oh, I'm [IV7] just about to lose my [I] mind, [I] honey, [III] ho-[IV]ney, [i] yeah.
I [i] heard it through the grapevine,
Not much longer would you [IV] be [i] my baby [IV] [i] [IV]

[i] [IV] [i] [IV] [i] (x5)

[i] People say; believe half of what you see,
Son, and [V7] none of what you [IV7] hear.
But I can't [i] help, but be confused,
If it's [V7] true, please tell me, [IV7] dear.
Do you [vi] plan to let me [IV7] go,
For the other [I7] guy you loved be-[IV7]fore?

I [I7] heard it through the [IV7] grape-[I7]vine;
Not much [IV7] longer, would [IV7] you be mine.
Oh, I [I7] heard it through the [IV7] grape-[I7]vine;
Oh, I'm [IV7] just about to lose my [I] mind, [I] honey, [III] ho-[IV]ney, [i] yeah.

[I] [Isus4] [I] [Isus4] one bar each

I [I] heard the bells on [Isus4] Christmas Day,
Their [I] old fa-[vi]miliar [ii] carols [V] play,
And [I] wild and sweet, the [iii] words re-[vi]peat,
Of [I] peace on earth, good [V] will to [I] men.

[I] [Isus4] [I] [Isus4] one bar each

And [I] thought how, as the [Isus4] day had come,
The [I] belfries [vi] of all [ii] Christen-[V]dom
Had [I] rolled along, the un-[iii]broken [vi] song,
Of [I] peace on earth, good [V] will to [I] men.

[I] [Isus4] [I] [Isus4] one bar each

Til [I] ringing, singing [Isus4] on its way,
The [I] world re-[vi]volved from [ii] night to [V] day,
A [I] voice, a chime, a [iii] chant su-[vi]blime,
Of [I] peace on earth, good [V] will to [I] men.

[I] [Isus4] [I] [Isus4] one bar each

And [I] in despair I [Isus4] bowed my head;
There [I] is no [vi] peace on [ii] earth, I [V] said;
For [I] hate is strong and [iii] mocks the [vi] song
Of [I] peace on earth, good [V] will to [I] men.

[I] [Isus4] [I] [Isus4] one bar each

Then [I] pealed the bells more [Isus4] loud and deep;
God [I] is not [vi] dead, nor [ii] doth He [V] sleep;
The [I] wrong shall fail, the [iii] right pre-[vi]vail,
With [I] peace on earth, good [V] will to [I] men.

With a [ii] trace of misty morning and a
[V7] promise of tomorrow in her [I] eyes. [Isus4] [I] [Isus4]
And I [I] just can't help believin' when she's [Imaj7] lyin' close beside me,

And it [ii] feels so small and helpless that my
[V7] fingers fold around it like a [I] glove [Isus4] [I] [Isus4]
And I [I] just can't help believin' when she's [Imaj7] whisperin' her magic,
And her [I7] tears are shinin' honey sweet with [IV] love.[iv]

[i] (4 bars)
Well I [i] took this job when I left school I thought it [VII] might be [i] fun,
so I signed the papers binding me, till [III] I was [VII] twenty-[i]one

But I [III] just can't wait to co-[VII]llect my cards, I [i] just can't wait to go,
I can't get along with the people here and the [I] work it [VII] bores me [i] so!

Well I [i] learned me job for what it's worth, but time dragged [VII] by so [i] slow,
My birthday will be coming up soon then [III] I'll be [VII] free to [i] go.

But I [III] just can't wait to co-[VII]llect my cards, I [i] just can't wait to go,
I can't get along with the people here and the [I] work it [VII] bores me [i] so!

Well I [i] think I'll wait 'till the wedding's done, [VII] wearing my golden [i] ring,
But my boy-friend tells me we must save if we [III] want a [VII] house and [i] things.

But I [III] just can't wait to co-[VII]llect my cards, I [i] just can't wait to go,
I can't get along with the people here and the [I] work it [VII] bores me [i] so!

Well I [i] think I'll wait till the baby's born then I [VII] can be [i] free,
'Cos now that I'm expecting I'll [III] need se-[VII]curi-[i]ty.

But I [III] just can't wait to co-[VII]llect my cards, I [i] just can't wait to go,
I can't get along with the people here and the [I] work it [VII] bores me [i] so!

Well I [i] think I'll wait till the kids leave school [III] then I can [VII] break a-[i]way,
For growing kids they wanted more and [III] I want a [VII] steady [i] pay.

But I [III] just can't wait to co-[VII]llect my cards, I [i] just can't wait to go,
I can't get along with the people here and the [I] work it [VII] bores me [i] so!

Well I [i] think I'll wait till the house is paid be-[III]fore I [VII] break the [i] tie
For the cost of living keeps rising and my [III] account [VII] is running [i] dry.

But I [III] just can't wait to co-[VII]llect my cards, I [i] just can't wait to go,
I can't get along with the people here and the [I] work it [VII] bores me [i] so!

Well I [i] think I'll wait till retirement age, be-[III]fore I [VII] make the [i] break;
but the pension scheme isn't up to much and it's [III] all for the [VII] kids [i]sake.

But I [III] just can't wait to co-[VII]llect my cards, I [i] just can't wait to go,
I can't get along with the people here and the [I] work it [VII] bores me [i] so!

a capella

Well thank you for the bouquet sir, a silver carriage clock too -
But are you sure I have to go, for I don't know what I'll do.
And I just can't bear to collect my cards, I just can't bear to go;

back to normal

For [i] I shall miss the people here, and [III] my life will [VII] bore me [i] so!

slowing

And I [III] just can't bear to co-[VII]llect my cards, I [i] just can't bear to go,
For I will miss the people here and [III] my life will [VII] bore me [i] so!
[NC] I took this job when I left school.

I just don't [I] know what to [IV] do with my[I]self
Don't know [I] just what to [IV] do with my[I]self
I'm so used to [ii] doing everything with you [I]
[VII] Planning everything for two
And [vi] now that we're [ii] through [V] [IV]
I just don't [I] know what to [IV] do with my [I] time

I'm so [I] lonesome for [IV] you it's a [I] crime
Going to a [ii] movie only makes me sad [I]
[VII] Parties make me feel as bad
When [vi] I'm not with [ii] you [V] [IV]
I just don't [I] know what to [IV] do [I]

Like a summer [I] rose [IV]
[I] Needs the sun and [VII] rain
I need your [III] sweet love
To [IV] ease all the [I] pain
I just don't [I] know what to [IV] do with my[I]self
I just don't [I] know what to [IV] do with my[I]self

Baby, if your [ii] new love ever lets you down [I]
[VII] Call me, I will be around
Just [vi] waiting for [ii] you [V] [IV]
I don't know [I] what else to [IV] do [I]

Like a summer [I] rose [IV]

I stepped [I] outta the shower and I gotta [V] good look at my[I]self
Pot [IV] belly, bald head, man, [V] I thought I was somebody [I] else
I [IV] caught my reflection in the [V] mirror on the [I] back of the bathroom [IV] door
I [I] just don't look good [V] naked any[I] more

So, I'm [I] goin' upstairs and turn the [V] bedroom mirror to the [I] wall
I [IV] hung it there when [V] I was trim and [I] tall
I'd [IV] stand there and smile, and [V] strut and [I] flex until my arms got [IV] sore
But I [I] just don't look good [V] naked any[I]more

Well, [I] I used to go out with the girls
I [V] loved them one and [I] all
Now they [IV] don't get very close to me
They're [V] afraid that I might [I] fall

Well, I [I] went to the Doctor for my [V] annual medical [I] exam
I [IV] Stood there in the [V] buff, and he said [I] "MAN"
I [IV] said "What is it Doc, some [V] fatal disease, I just [I] gotta know the [IV] score"
He said "You [I] just don't look good [V] naked any[I]more

Well, [I] me and my wife had a dance routine
Every[V]body said it was u[I]nique
Now it's [IV] only when we're back to back
That we're [V] dancing cheek to [I] cheek

Well, I [I] went to a nudie beach to [V] have some seaside [I] fun
Stretched [IV] out in my birthday suit, [V] soakin' up the [I] sun
Some[IV]body yelled, Hey [V] there's an old white whale [I] washed up on the [IV] shore
An' I [I] just don't look good [V] naked any[I]more

Yeah, [I] my arches fell, my chest went to hell
And my [V] butt's a-draggin' the [I] floor
An' I [I] just don't look good [V] naked any[I]more

I Just Wanna Dance With You

artist:George Strait writer:John Prine and Roger Cook

https://www.youtube.com/watch?v=HxxhNAyj3QQ

[I] I don't want to be the kind to hesitate,
Be too shy, [V] wait too late
I don't care what they say other lovers do
I just want to dance with [I] you.

[I] I got a feeling that you have a heart like mine
So let it show, [V] let it shine
If we have a chance to make one heart of two
Then I just want to dance with [I] you, [I7]

I want to [IV] dance with you.....twirl you all a- [I] round the floor
That's what they invented [V] dancing for,
I just want to dance with [I] you, [I7] {4 beats}
I want to [IV] dance with you..... hold you in my [I] arms once more
That's what they invented [V] dancing for
I just want to dance with [I] you.

[I] I caught you lookin' at me when I looked at you,
Yes I did, [V] ain't that true
[V] You won't get embarrassed by the things I do,
I just want to dance with [I] you.

[I] Oh the boys are playing softly and the girls are too
So am I, and [V] so are you
If this was a movie we'd be right on cue
I just want to dance with [I] you [I7] {4 beats}

I want to [IV] dance with you.....twirl you all a- [I] round the floor
That's what they invented [V] dancing for,
I just want to dance with [I] you, [I7] {4 beats}
I want to [IV] dance with you..... hold you in my [I] arms once more
That's what they invented [V] dancing for
I just want to dance with [I] you.

I Knew The Bride When She Used To Rock N Roll

Well the [I] bride looked a picture in the gown that her momma [V] wore
When she was married herself nearly 27 years be[I]fore
They had to change the style just a little but it looked just [V] fine
Stayed up all night but they got it finished just in [I] time

Now on the arm of her daddy - she's a-walking down the [V] aisle
And she catches my eye - and she gives me a secret [I] smile
Maybe it's too old-fashioned but we were once close [V] friends
Oh but the way that she looks today she never could have [I] then

Well I can [IV] see her now, in her tight blue jeans
[I] Pumping all her money in the record machine
[IV] Spinning like a top, you should-a seen her go [I]
[I] I knew the bride when she used to rock and roll
I knew the bride when she [V] used to rock and [I] roll {1234 1234}

Now a proud daddy only wanna give his little girl the [V] best
So he put down a grand on a cosy little lovers' [I] nest
You could have called the reception an unqualified suc[V]cess
And a flash hotel for a hundred and fifty [I] guests
Take a look at the bridegroom smiling pleased as [V] pie
Shaking hands all around with a glassy look in his [I] eye
He got a real good job and his shirt and tie is [V] nice
But I remember a time when she would never even look at him [I] twice

Well I can [IV] see her now drinking with the boys
[I] Breaking their hearts like they were toys
She [IV] used to do the pony - she used to do the stroll
[I] I knew the bride when she used to rock and roll
I knew the bride when she [V] used to rock and [I] roll
[I]I knew the bride when she used to rock and roll
I knew the bride when she [V] used to rock and [IV] roll {1234 1234}
Well the [I] bride looked a picture in the gown that her momma [V] wore

Well I can [IV] see her now with her headphones on
[I] Jumping up and down to her favourite song, I still

I [I] knew this place, I [V7] knew it [I] well, [IV] every sound and [I] every smell,
And [IV] every time I [I] walked I fell, for the [ii] first two years or [V7] so.
[I] There across the [V7] grassy [I] yard, [IV] I a young one [I] runnin' hard.
[IV] Brown and bruised and [I] battle scarred and [IV] lost in [V7] sweet il-[I]lusion.

And [I] from my window [V7] I can [I] see the [IV] fingers of an [I] ancient tree.
[IV] Reaching out it [I] calls to me to [ii] climb its surly [V7] branches.
But [I] all my climbing [V7] days are [I] gone, and [IV] these tired legs I'm [I] standin' on
Would [IV] scarcely dare to [I] leave the spot u-[IV]pon which [V7] they are [I]standin'.

And [V7] I remember every word of [ii] every voice I [I] ever heard,
[IV] Every frog and [I] every bird, yes, [ii] this is where it [V7] starts.
A [I] brother's laugh, the [V7] sighing [I] wind, [IV] this is where my [I] life begins.
[IV] This is where I [I] learned to use my [IV] hands and [V7] hear my [I] heart.

This [I] house is old, it [V7] carries [I] on, like [IV] verses to an [I] old time song,

Our [I] lives pass on from [V7] door to [I] door, [IV] dust a crossed the [I] wooden floor,
Like [IV] feather rain and [I] thunder roar, we [IV] need not [V7] know the [I] reason.

And [V7] as these thoughts come back to me like [ii] ships across a [I] friendly sea,
Like [IV] breezes blowing [I] endlessly, like [ii] rivers running [V7] deep.
The [I] day is done. The [V7] lights are [I] low, the [IV] wheels of life are [I] turning slow
And [IV] as these visions [I] turn and go, I [IV] lay me [V7] down to [I] sleep.

As a [II] matter of [V7] fact I like [I] beer

My wife often frowns when we're [IV] out on the [I] town
And I'm wearing a suit and a [V] tie

When I [II] yell as the waiter [V] goes by

Key change not done

[I] Last night I dreamed that [IV] I passed from the [I] scene
And I went to a place so su-[V7]blime
[I] The water was clear and it [IV] tasted like [I] beer
Then they [II] changed it all into [V] wine - awwww

I like [IV] beer it makes me a jolly good [I] fellow

[i] [i] [bV7] [bV7] [i]

[i] Sixteen miles from Arkadelphia
[bV7] Right near the Texas border
[bV7] Traffic was stopped at a railway crossing
I [bV7] took it to the [i] shoulder [i]
I [i] stoked the kettle, I put it to the metal
I [VI] shook the gravel loose
I [bV7] missed the train but I was happy with
A [bV7]* glimpse of the ca-[i]boose

'Cause I like [i] trains, I like [VI] fast [bV7] trains
I like [bV7] trains, that call out through the [i] rain [i]
I like [i] trains, I like [VI] sad trains
I like [bV7] trains, that whisper your [i] name [i]

[i] I was born on a Greyhound bus, my [bV7] momma was a diesel engine
They [bV7] tried to put me behind the wheel
[bV7] But I wouldn't [i] let them [i]
You [i] should have seen the look in their eyes
And [VI] how it turned to tears
[bV7] When I finally told them
I [bV7]* wanna be an engi-[i]neer

'Cause I like [i] trains, I like [VI] fast [bV7] trains
I like [bV7] trains, that call out through the [i] rain [i]
I like [i] trains, I like [VI] sad trains
I like [bV7] trains, that whisper your [i] name [i]

Now you [VI] think that I've got someone new, but [VII] darlin' that ain't true
[VI] I could never love another [bV7]* woman besides you
It's [i] not some dewy-eyed darlin', darlin'
That's [VI] gonna drive you insane
But [bV7]* sound of a big ol' [i] train

'Cause I like [i] trains, I like [VI] fast [bV7] trains
I like [bV7] trains, that call out through the [i] rain [i]
I like [i] trains, I like [VI] sad trains

Just [I] plick a little tune now, it's [II7] easy if you try.
Just a [V7] couple of chords and a flick of the wrist
[Idim] and you [V7] start to wonder [I] why

You've never [IV] tried this before. It'll [I] open a door,
To [II7] something that you thought you couldn't [V7] do [II7] | [V7]
And [IV] take it from [I] me, that [IV] little jumping [I] flea.
Will [II7] cheer you up and chase away your [V7] blues [II7] | [V7]

[VI7] It speaks to me saying [ii] please, please [VI7] play [ii] me.
[V7] All through the day, and [I] all on my own.
[VI7] I'll be [II7] strumming away 'til the [V7] cows [II7] come [V7] home

So [I] play your ukulele. Don't [II7] keep it to yourself.
Your [V7] moans and groans will fade away.
[I] They should [Vdim] stick'em on the [ii] national [V7] health.
I [I] love my ukulele. It's al [II7] ways been a friend.

[I] Silver coins that [IV] jingle [I] jangle

Oh the [I] secrets [IV] of her [I] dark eyes
they did [V7] sing a gypsy [I] rhyme

Yellow clover in [IV] tangled [I] blossoms

Where she [I] held me [IV] to her [I] bosom
just a [V7] boy of seven[I]teen

I [IV] recall a gypsy [I] woman
silver spangles in her [V7] eyes
Ivory [I] skin a[IV]gainst the [I] moonlight

Soft breezes blow from [IV] fragrant [I] meadows

Oh gentle [I] woman you [IV] sleep be[I]side me
and little know who [V7] haunts my [I] mind

Gypsy lady I [IV] hear your [I] laughter

[i] I shot the Sheriff [iv] but I didn't shoot no [i] deputy
[iv] All a[v]round in my [i] hometown
[iv] They're [v] trying to track me [i] down
[iv] They [v] say they want to bring me [i] in guilty
For the [iv] killing of a [v] depu[i]ty
For the [iv] life of a [v] depu[i]ty But I say (riff)

[i] I shot the Sheriff [iv] but I swear it was in [i] self-defence
[i] I shot the Sheriff [iv] and they say it is a [i] capital offence
[iv] Sheriff [v] John Brown always [i] hated me
[iv] For [v] what I don't [i] know
[iv] Every [v] time I [i] plant a seed
He said [iv] kill it be[v]fore it [i] grows
He said [iv] kill them be[v]fore they [i] grow And so (riff)

[i] I shot the Sheriff [iv] but I swear it was in [i] self-defence
[i] I shot the Sheriff [iv] but I swear it was in [i] self-defence
[iv] Freedom [v] came my way [i] one day
[iv] And I [v] started out of [i] town
[iv] All of a [v] sudden I saw [i] Sheriff John Brown
[iv] Aiming to [v] shoot me [i] down
So I [iv] shot I [v] shot I shot him [i] down But I say (riff)

[i] I shot the Sheriff [iv] but I did not shoot the [i] deputy
[i] I shot the Sheriff [iv] but I did not shoot the [i] deputy
[iv] Reflexes [v] got the [i] better of me
[iv] And what is to [v] be must [i] be
[iv] Every [v] day the bucket goes [i] to the well
[iv] But one [v] day the bottom [i] will drop out
[iv7] One [v] day the bottom [i] will drop out I say (riff)

Well hello [I] neighbor, I been meaning to [IV] talk to you
I been putting it [I] off, it's something I [V] gotta do
I been living with a [I] secret, been keeping me a-[IV]wake
There's just [I] something I [V] gotta [I] say

I shot your [IV] dog, he was on my [I] property
I thought he was a [V] coyote on the [I] run
I been missing some [IV] chickens
So I pulled the [I] trigger
I feel so [V] bad 'bout what I [I] done

You don't have to say [I] nothin'
I can tell how you [IV] feel
I'd feel the [I] same if it was [V] me
I'm awfully [I] sorry, If I could make it [IV] up to you
in any [I] way tell me [V] what to [I] do

I shot your [IV] dog, he was on my [I] property

So I pulled the [I] trigger
I feel so [V] bad 'bout what I [I] done

[I] So if you [vi] find someone that [IV] gives you all of her [I] love,

I Took My Harp To A Party

artist:Gracie Fields writer:Desmond Carter, Noel Gay

https://www.youtube.com/watch?v=a7jU2Pj7OI4 Capo4

A-[I]gain it is [I] Christmas, a-[I]gain it is [V] Christmas
A-[I]gain it is [IV] Christmas a-[I]gain
But [VI] that never [ii] thrills me, the [vi] thought of it [ii] chills me
I tell you it [ii] fills me with [V] pain

It [III7] makes me remember a Christmas gone [vi] by
When I was ex-[VI]tremely up-[ii]set
A night in De-Em]cember, an evening that [vi] I
Would very much rather [II7] forget [V7]

[I] I took me harp to a party but nobody [i] asked me to [ii] play [VI]
The [ii] others were jolly and [V7] 'earty but I wasn't feelin' so [I] gay
They might have said play us a tune [IV] we can sing
But [III7] somehow I [VI7] don't think they [II7] noticed the [V7] thing
I [I] took me harp to a party but [IV] nobody [VI] asked me to [ii] play
[iidim] So I [i] took the [V] damned thing a-[II]way [III7]

[III7] They asked Mrs [vi] Morgan to play her mouth-[v]organ
And [ii] somebody else did a dance
They let Mrs [ii] Carter perform a so-[v]nata
But [ii] I wasn't given a chance

A [I] north country person called Sandy McPherson
Played bagpipes and [III7] took off his [iii] coat
While [VI] both the Mc-[II]Fawcetts bust [III7] out of their corsets
while [VI] trying to [II] take a top [iii] note [III7]

They sang [vi] Home Sweet Home and The Banks of Loch Lomond
And All the King's Horses, then Trees
While [ii] nephews and nieces kept playin' their pieces
And spreadin' their jam on the keys
A [iii] daughter called Lena, played her concer-C]tina
We all [III7] played ridiculous [iii] games
'Til [VI] old Mr [ii] Dyer, set his [III7] whiskers on fire
And a [vi] fire engine [II] played on the [V] flames [II] [VI] [V7]
I [I] took me harp to a party but [IV] nobody [VI] asked me to [ii] play
So I [V] took the darned thing a-[II]way! [IV] [I]

[I]

[I] Games changes and [V] fears
When will they [ii7] go from here? When will they stop?
I believe that [I] fate has brought us [V] here
And we should be to-[ii7]gether babe, but we're not
[IV] I play it off but I'm [iii] dreaming of you
[ii7] And I'll keep my cool but I'm [V] feigning

> I try to say good-[I]bye and I choke
> I try to walk a-[Vsus4]way and I stumble
> Though I try to [ii7] hide it, it's clear
> My world [IV] crumbles when you are [V] not near
> Good-[I]bye and I choke
> Try to walk a-[Vsus4]way and I stumble
> Though I try to [ii7] hide it, it's clear
> My world [IV] crumbles when you are [V] not near

[I] I may appear to be [V] free
But I'm just a [ii7] prisoner of your [V] love
And I may seem al-[I]right and smile when you [V] leave
But my smiles are [ii7] just a front, just a front
[IV] I play it off but I'm [iii] dreaming of you
[ii7] And I'll keep my cool but I'm [V] feigning

> I try to say good-[I]bye and I choke
> I try to walk a-[Vsus4]way and I stumble

> Good-[I]bye and I choke
> Try to walk a-[Vsus4]way and I stumble
> Though I try to [ii7] hide it, it's clear
> My world [IV] crumbles when you are [V] not near

[III] Here is my con-[v]fession, May I be your [III] possession
Boy I need your [ii7] touch, your love kisses and [VII7] such
With all my might I [vi7] try but this I can't [ii7] deny, deny
[IV] I play it off but I'm [iii] dreaming of you
[ii7] And I'll keep my cool but I'm [V] feigning

Key change

I [bVI] try to say good-[bII]bye and I choke
Try to walk a-[bVI]way and I stumble
Though I try to [iii7] hide it, it's clear
My world [bV] crumbles when you are [bVI] not near
Good-[bII]bye and I choke
I try to walk a-[bVI]way and I stumble
Though I try to [iii7] hide it, it's clear
My world [bV] crumbles when you are [bVI] not near
Good-[bII]bye and I choke

fade

Good-[bII]bye and I choke
I try to walk a-[bVI]way and I stumble
Though I try to [iii7] hide it, it's clear
My world [bV] crumbles when you are [bVI] not near

Though I try to [iii7] hide it, it's clear
My world [bV] crumbles when you are [bVI] not near

I've reached the top and had to stop, and that's what botherin' [vi] me.

An ape like [VI7] me

Now [vi] don't try to kid me, mancub, I made a deal with [III7] you
What I desire is man's red fire, to make my dream come [vi] true.
Give me the secret, mancub, clue me what to [III7] do
Give me the power of man's red flower so I can be like [vi] you.

Chorus

I wanna [vi] ape your mannerisms, we'll be a set of [III7] twins

[IV] We'll take walks along the [iv] moonlit bay,
[I] Maybe find a treasure [I7] too.
[IV] I'd love living in a [iv] lighthouse…
[II7] how about [V7] you?

[I] I dream of living in a lighthouse,
baby, [IV] every [V] single [I] day.
[I] I dream of living in a lighthouse,
a [II7] white one by the [V7] bay.

So [I] if you want to make my [I7] dreams come true,
[IV] Go be a lighthouse [Idim] keeper, do,
[I] We could live in a [VI7] lighthouse -
A [II7] white one [V7] by the [I] bay-ay-[VI7] hay,
[II7] Won't that [V7] be [I] ok?
[II7] Ya-da [V7] ta-da-[I] da!

[I]
It's [i] never gonna work, I don't know what I'm [IV] doing in here [i]
My [VI] innards go beserk every time your [IV] voice gets near [i]
[VI] But when I get under control, I [IV] see you ache for it and [i] all
[i] I'll get some sugar from your bowl
I've got some lemon for your [V7] soul
Some twinkle for your [vi] eyes, [i] I
Getting sick of being just a[IV]lone

They think it's not [vi] right, [i] fine
[IV] Each to their very little own

Chorus:
[I] I want you now, I don't care [biv] how
We're both too [IV] young to be sitting a[V7]round
I want you [I] now, [II] I want you now
[I] You make me [ii] sure, you make me [biv] live
And that's worth [IV] more than I ever could [V7] give
I don't know [I] how, [II] I want you now

[VI] So Timmy goes to school and Timmy goes to [I] work all [IV] day [i]
[VI] But we just hang around and think of clever [IV] things to say [i]
[i] You deserve to get your wish
[IV] But you don't know what it [i] is
[VI] First it was that and now it's this
[IV] But there's one thing that you [i] missed.

Together we'd be [vi] fine, [VI] fine
[i] At least we can say we won't be [IV] lonely

[vi] Fine, [i] Fine, [IV] I'll never want to be alone

Chorus
I [i] want you [ii] now
I don't care [biv] how
We're both to [IV] young to sit a[V7]round
I want you [vi] now, I want you [II] now, now, now, now

[II] Now, Now, Now Now

[I] [Imaj7] [I] [Imaj7] [I]

I remember [V] wearing straight leg Levis and flannel shirts
Even when they weren't [Imaj7] in style [I] [Imaj7] [I]
I re-[I] member [V] singing with Roy Rogers at the movies
When the West was [Imaj7] really [I] wild [Imaj7] [I]
And [I] I was [IV] listening to Opry
When [V] all of my friends were digging
[I] Rock 'n Roll and [III7] Rhythm & [vi] Blues [I] [Imaj7] [I]
Cause I was [ii] country, when [V] country wasn't [I] cool.[Imaj7] [I]

I remember [V] circling the drive-in, pulling up
And turning down [Imaj7] George [I] Jones [Imaj7] [I]
I re-[I] member [V] when no one was looking
I was putting peanuts in my [Imaj7] Coke [I] [Imaj7] [I]
I [IV] took a lot of kidding
Cause I [V] never did fit in
Now [I] look at every-[III7]body trying to [vi] be what I was [IV] then

I was [ii] country, when [V] country wasn't [I] cool. [Imaj7] Oooh [I]
I was [V] country, when country wasn't [I] cool [Imaj7] yeah [I]

I was [V] Country, from my hat down to my [I] boots [I] [Imaj7] [I]
[IV] I still act, and [V] look the same
What you [I] see ain't [III7] nothing [vi] new
Cause I was [ii] country, when [V] country wasn't [I] cool.[Imaj7] [I]

They [IV] called us country bumpkins
For [V] sticking to our roots
I'm just [I] glad we're in a [III7] country
Where [vi] we're all free to [IV] choose

Cause I was [ii] country, when [V] country wasn't [I] cool. [Imaj7] [I]
Oooh, I was [V] country, when country wasn't [I] cool [Imaj7] [I]
I was [V] Country, from my hat down to my [I] boots [Imaj7] [I]
I still [IV] act, and [V] look the same
What you [I] see ain't [III7] nothing [vi] new

[I] Ever since I was a [Imaj7] kid at school
[I7] I messed around with [IV] all the rules
[iv] Apologised then [I] realised
I'm not [V] different after all [I]
[I] Me and the boys thought we [Imaj7] had it sussed,
[I7] Valentinos, [IV] all of us
[iv] My dad said we looked [I] ridiculous
but [V] boy, we broke some hearts [I]

[I] In and out of jobs, [Imaj7] runnin' free,
[I7] waging war with so-[IV]ciety
[iv] Dumb, blank faces stare [I] back at me
[V] but nothing ever changed [I]
[I] Promises made in the [Imaj7] heat of the night,
[I7] creepin' home before it [IV] got too light
[iv] I wasted all that [I] precious time and
[V] blamed it on the wine [I]

[I] Never found a [Imaj7] compromise,

[iv] Illusions of that [I] grand first prize
are [V] slowly wearin' thin [I]
[I] Susie, baby, you were [Imaj7] good to me,
[I7] givin' love un-[IV]selfishly

I [V] guess it had to end [I]

[I] Now you ask me if [Imaj7] I'm sincere,
[I7] that's the question that I al-[IV]ways fear
[iv] Verse seven is [I] never clear
but I'll [V] tell you what you wanna hear [I]
[I] I try to give you [Imaj7] all you want

[I7] but givin' love is not my [IV] strongest point
[iv] If that's the case it's pointless [I] goin' on,
I'd [V] rather be alone [I]

fade to end

'Cause [I] what I'm doin' [Imaj7] must be wrong,
[I7] pourin' my heart out [IV] in a song
[iv] Owning up for pros-[I]perity,
for the [V] whole damn world to see [I]
[I] Quietly now while I [Imaj7] turn a page,

[V] Mum and Dad and [VII] Denny
saw the [IV] passing-out pa-[I]rade at Pucka[V]punyal
It was a [IV]long march from ca[V]dets
[V] The sixth battalion was the [VII] next to tour,
and it was [IV] me who drew the [I] card
We did Ca-[V]nungra, Shoal-[IV]water before we [V] left

And [II] Townsville lined the footpaths as we [I] marched down to the [V] quay
This [II] clipping from the paper shows us [I] young and strong and [V] clean
And [iii] there's me in me [II] slouch hat with me [I] SLR and [V] greens
God [II] help me, I was only nine-[I]teen

From [V] Vung Tau, riding [VII] Chinooks, to the [IV] dust at Nui [I] Dat
I'd been [V] in and out of [IV] choppers now for [V] months
But we [V] made our tents a [VII] home, VB and [IV] pinups on the [I] lockers
And an [V] Asian orange [IV] sunset through the [V] scrub

And [II] can you tell me, doctor, why I [I] still can't get to [V] sleep?
And [II] night-time's just a jungle dark and a [I] barking M six-[V]teen?
And [iii] what's this rash that [II] comes and goes,

It was [IV] war within your-[V]self
But you wouldn't let your [VII] mates down til they [V] had you dusted [I] off
So you [V] closed your eyes and [IV] thought about something [V] else

Then [II] someone yelled out "Contact!" and the [I] bloke behind me [V] swore
We [II] hooked in there for hours, then a [I] god all mighty [V] roar
[iii] Frankie kicked a [II] mine the day that man-[I]kind kicked the [V] moon
God [II] help me, he was going home in [I] June

[V] I can still see [VII] Frankie, drinking [IV] tinnies in the [I] Grand Hotel
On a [V] thirty-six hour [IV] rec leave in Vung [V] Tau
And [V] I can still hear [VII] Frankie, lying [IV] screaming in the [I] jungle
Til the [V] morphine came and [IV] killed the bloody [V] row

And the [II] Anzac legends didn't mention [I] mud and blood and [V] tears
And the [II] stories that my father told me [I] never seemed quite [V] real
I [iii] aught some pieces [II] in my back that I [I] didn't even [V] feel

I Wish I Was In Glasgow

I [V] wish I was in Glasgow with some good old [II] friends of [I] mine
Some [V] good old rough com-[iii]panions, some [V] good old [II] smooth red [I] wine
We would [V] talk about the old days and the [iii] shipyard's [II] sad de-[I]cline
And we'd [V] drink to the [II] boys on the (C) road [V]

[V] I was born in Glasgow, in the Centre [II] of the [I] town
I would [V] take you there and [iii] show you but they [V] pulled the [II] old place [I] down
And [V] when I think about it oh it [iii] always [II] makes me (C) frown
They [V] bulldozed it [II] all to make a [I] road [V]

That [II] good old place I [II7] miss so much now [I] sees some better [V] days
Yet [I] still we talk [V] it as we [iii] go our [V] separate [iii] ways
[V] Glasgow gave me [iii] more than it [V] ever [II] took a-[I]way
And pre-[V]pared me for [II7] life on the [I] road [V]

[V] I belong to Glasgow, that's how the [II] old song [I] ran
Ask [V] anyone who's [iii] been there [V] you will [II] under-[I]stand
You can [V] take the man from [iii] Glasgow but not the [V] Glasgow [II] from the [I] man
It pre-[V]pares you for [II] life on the [I] road [V]

That [II] good old place I [II7] miss so much now [I] sees some better [V] days
Yet [I] still we talk [V] it as we [iii] go our [V] separate [iii] ways
[V] Glasgow gave me [iii] more than it [V] ever [II] took a-[I]way
And pre-[V]pared me for [II7] life on the [I] road [V]

I [V] still go to the city, to see how [II] things have [I] changed
The [V] pubs and clubs and [iii] shopping [V] the Clyde [II] the parks [I] the rain
But [V] still it makes me happy [iii] I feel [II] that I've come [I] hame
And [V] I'm still learning [II] life on the [I] road [V]

That [II] good old place I [II7] miss so much now [I] sees some better [V] days
Yet [I] still we talk [V] it as we [iii] go our [V] separate [iii] ways
[V] Glasgow gave me [iii] more than it [V] ever [II] took a-[I]way
And pre-[V]pared me for [II7] life on the [I] road [V]

Additional verse / alternative last verse (not used by Iain MacKintosh)

My [V] grannie brought the family up from the time we [II] lost our [I] mum
My [V] father was a [iii] good man and he [V] made me [II] all I [I] am
There was [V] always bread and butter, there was [iii] sometimes [II] even [I] jam
And there was [V] so much to [II] learn along the [I] road

[II] Oh when the [I] snowman brings the snow
Oh well he [IV] just might like to know

If you [I] jump into your bed,
Quickly [IV] cover up your [ii] head,
Don't you [I] lock your doors, you know that
[V] Sweet Santa Claus is on his [bVII] way. [I]

Oh well I [II] wish it could be Christmas every [V] day.

Oh I wish [II] it could be Christmas every [V] day
So let the [iii] bells ring [VI7] out for [V] Christmas! [II]

Now the [I] 'frosticals' appeared
And they've [IV] frozen up my [ii] beard,

I'll sign my [I] name on the rooftop in the [V] snow
Then he may decide to [bVII] stay [I]

Oh well I [II] wish it could be Christmas every [V] day.

I'll be here [Isus4] patiently [I] waiting
To see what you [Vsus4] find [V]

'Cause even the [IV] stars they [I] burn
Some even [vi] fall to the [V] earth
We've got a [IV] lot to [I] learn
God knows we're [Vsus4] worth it [V]
No, I won't give [IVmaj7] up

I don't [ii] wanna be someone who walks away so easily
I'm here to stay and make the difference that [V] I can make
Our [ii] differences they do a lot to teach us how to use
The tools and gifts we got yeah, we got a [V] lot at stake
And in the [VII] end, you're still my friend at least we did intend
For us to work we didn't break, we didn't burn
[viidim] We had to learn, how to bend, without the world, caving in
[VII] I had to learn, what I've got, and what I'm not
[NC] And who I [I] am

[NC] Well I won't give [IV] up on [I] us
Even if the [vi] skies get [V] rough
I'm giving you [IV] all my [I] love
I'm still looking [Vsus4] up [V] still looking [Vsus4] up [V]

I'd rather be dead, I'd rather be [V] dead
I said [III7] dead than wet my [I] bed

I'd rather be dead, I'd rather be [II] dead
I said [III7] dead than wet my [VI] bed

Intro: [I]/ [IV]/ [V]/// (x 4)

There's a [I] new world [IV] somewhere, they [II7] call the Promised [V] Land,
And I'll [I] be there [iii] someday, if [IV] you will hold my [V] hand,
I still [vi] need you there be[IV]side me, no [V] matter [IV] what I [iii] do
[ii] For I [I] know I'll [vi] never [ii] find, an[V7]other [I] you [IV] [V]

There is [I] always [IV] someone, for [II7] each of us they [V] say
And you'll [I] be my [iii] someone, for [IV] ever and a [V] day
I could [vi] search the whole world [IV] over
Un-[V7]til my [IV] life is [iii] through
[ii] But I [I] know I'll [vi] never [ii] find an[V7]other [I] you [IV] [V]

It's a [vi] long, long [IV] journey, so [I] stay [V7] by my [I] side,
When I [vi] walk through the [V] storm, you'll [IV] be my [V] guide,
[IV] Be my [V] guide

If they [I] gave me a [IV] fortune, my [II7] pleasure would be [V] small,
I could [I] lose it all to[iii]morrow, and [IV] never mind at [V] all,
But if [vi] I should lose your [IV] love, dear, I [V] don't know [IV] what I'll [iii] do,
[ii] For I [I] know I'll [vi] never [ii] find, an[V7]other [I] you [IV] [V]

[V] Sitting here so [II] lonely in the [iii] fire[vii]light,
[I] listening for a [V] footstep on the [II] stairs, [II7]
[V] all I have to [II] talk to is the [iii] moon[vii]light,

So [I] I'll pretend,
your loving arms are reaching out for [V] me,
yes, [V] I'll pre[V7]tend,
and [V] though my eyes are [V7] closed,
I still can [I] see.
As [I] I [iii] pre[I]tend, the world is new
and like it used to [IV] be,
[IV] one [V] day our [I] love must [vi] end,
till [ii] then I'll [V] just pre[I]tend. [vi] [II]

[V] Something made her [II] change,
what could it [iii] be [vii] now,
[I] wish I knew ex[V]actly what I'd [II] done. [II7]
[V] If there's someone [II] else,
I'll set you [iii] free [vii] now,
[I] guess I've lost and [II] he has [V] won. [V7]

So [I] I'll pretend,
your loving arms are reaching out for [V] me,
yes, [V] I'll pre[V7]tend,
and [V] though my eyes are [V7] closed,
I still can [I] see.
As [I] I [iii] pre[I]tend,
the world is new and like it used to [IV] be,

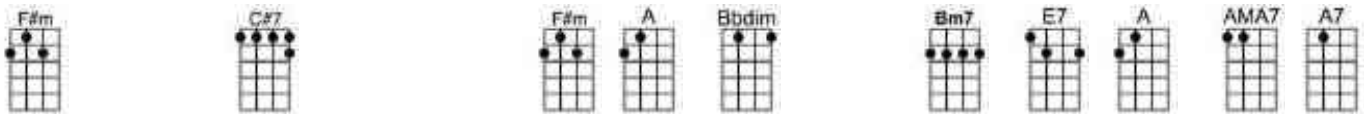
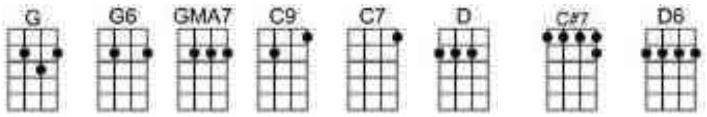
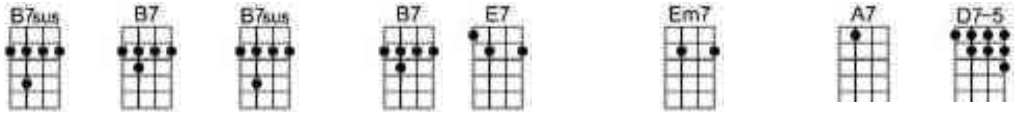
Of the happi-ness that used to be.



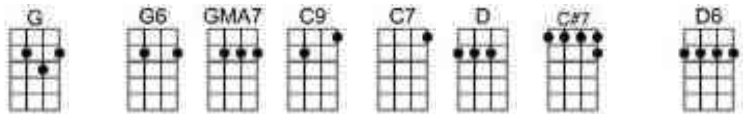
Soon my eyes will close, soon I'll find re-pose, and in dreams you're always near to me



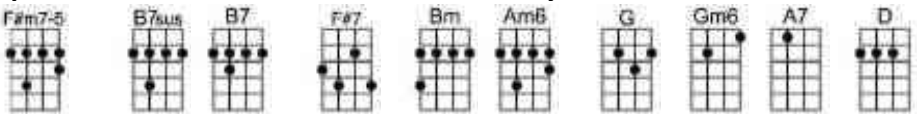
I'll see you in my dreams, hold you in my dreams.



Someone took you out of my arms, still I feel the thrill of your charms.



Lips that once were mine, tender eyes that shine,



hey will light my way to-night, I'll see you in my dreams.

And I'll for-[ii]get about the girl that said [V] no
Then I'll [ii] tell who I want where to [V] go
And I'll for-[ii]get about your lies and de-[V]ceit
And your a-[ii]ttempts to be so dis-[V]creet

Maybe to-[ii]day, [V] yeah
I'll slip a-[I]way

And you can [ii] keep your symbols of succ-[V]ess
Then I'll pur-[ii]sue my own happi-[V]ness
And you can [ii] keep your clocks and rou-[V]tines
Then I'll [ii] go mend all my shattered [V] dreams

Maybe to-[ii]day, [V] yeah
I'll slip a-[I]way [ii] [iii] [V] [ii] [iii] [V]

Cause you've been [I] down on [ii] me for too [I] long
[V] And for too [I] long I [ii] just putyou [V] on
Now I'm [I] tired of [ii] lying and I'm [V] sick of trying
Cause I'm [I] losing who I [ii] really [V] am
And I'm not [I] choosing to [ii] be like [I] them

[ii] [V] x4

And if you [ii] get bored and you got loneli-[V]ness
Or it's dis-[ii]like for me you ex-[V]press
I won't [ii] care if you're right or you're [V] wrong
I won't [ii] care cause you see I'll be [V] gone

Repeat to fade

Maybe to-[ii]day, [V] yeah
I'll slip a-[I]way [ii] [V]
Maybe to-[I]day, [ii] [V] yeah
Maybe to-[I]day, [ii] [V] yeah

I'll Take The Rain

artist:R.E.M. writer:Buck, Mills, Stipe

[iii] [iii] [iii] [iii]

[iii] The rain came down, the [V] rain came [I] down
[iii] The rain came [II] down on [I] me
[iii] The wind blew strong
[V] and summer's [I] song [iii] it fades to [II] me[I]mory

[iii] I knew you when, [V] I loved you [I] then
[iii] in summer's [II] yawn, now [I] hopeless
[iii] You laid me bare [V] and marked me [I] there
[iii] the promises [II] we [I] made

[V] I used to [iii] think, as birds take [vii] wing,
they sing through [I] life, so why can't [V] we?
We cling to [iii] this, and claim the [vii] best
if this is [I] what you're [vi] offer[V]ing
I'll take the [iii] rain, I'll take the [vii] rain, [I]

[iii] The nighttime creases [V] summer [iii] schemes
and stretches [II] out to [I] stay
[iii] The sun shine down, [V] you came around,
[iii] you loved the [II] easy [I] days
[iii] But now the sun, [I] the winters [V] come
[iii] I wanted [II] just to [I] say [iii] that if I hold [I] I'd hope you'd fold
[iii] and open [II] up in[I]side, inside of [V] me

Chorus:
[V] I used to [iii] think, as birds take [vii] wing,
they sing through [I] life, so why can't [V] we?
We cling to [iii] this, and claim the [vii] best
if this is [I] what you're [vi] offer[V]ing
I'll take the [iii] rain, I'll take the [vii] rain,
[I] I'll take the [V] rain [iii] [vii] [I]

[iii] [I]
[iii] This winter's song [V] I'll sing a[I]long
[iii] I've searched its [II] still re[I]frain.
[iii] I'll walk alone [I] if given this
take [iii] wing, and cele[II]brate the [I] rain

[I] I said that they're your favourites

I [I] turned left, anyway

I'm always [IV] wrong
It should be a [I] crime.

I'm always [I] wrong
No matter [ii] what I [V] bring
I load the [I] dishwasher
She loads it a-[IV]gain
I'm always [I] wrong
I'll [IV] never [I] win

But here's the [iii] secret that I've learned
[IV] Through the [I] years
Happy [iii] wife means happy life
That [ii] much is [V] clear
So I just [iii] smile and say 'Yes Dear
you're abso-[IV]lutely [I] right'
I'm always wrong but [vi] I sleep well at [IV] ni-[V]iight

[Nc} I'm always wrong
Every married man knows
I'm always wrong

[I] In the mill pond after [vi] midnight in our [IV] birthday [I] suit
Makin' sweet, sweet [vi] love
Meet the [I] stars a-[vi]bove
Sneakin' [I] back in through the [vi] window
'Fore the [IV] clock strikes [I] two, yeah

I'm six-[vi]teen, burstin' [I] at the seams

Vamp in [I]

[I] Many, many years ago when [V] I was 23
I was married to a widow who was [I] pretty as can be
This [I7] widow had a [VI7] grown-up daughter [ii] who had hair of red
My [II7] father fell in love with her and [V] soon they too were [V7] wed

This [I] made my dad my son-in-law and [V] really changed my life
For now my daughter was my [V7] mother 'cause she [I] was my father's wife
And to [I7] complicate the [VI7] matter even [ii] though it brought me joy
I [II7] soon became the father of a [V] bouncing baby [V7] boy

My [I] little baby then became a [V] brother-in-law to dad
And [V7] so he became my uncle though it [I] mad me very sad
For [I7] if he were my [VI7] uncle then that [ii] also made him brother
Of the [II7] widows grown-up daughter,
who was of [V] course my step-[V7] mother [VI7]

key change to D

My [II] father's wife then had a son who [VI7] kept them on the run
And [VI7] he became my grandchild for he [II] was my daughter's son
My [II7] wife is now my [VII7] mother's mother and it [iii] makes me blue
Because [III7] although she is my wife she's my [VI7] grandmother too

Now [II]if my wife is my grandmother then [VI7] I'm her grandchild
And [VI7] every time I think of it, [II] nearly drives me wild
'Cause [II7] now I have be-[VII7] come the strangest [iii] case you ever saw
As [III7] husband of my grandmother I [VI7] am my own grandpaw

Oh [II] I'm my [VI7] own grand-[II] paw
[V] I'm my own [VI7] grandpaw
It sounds [II]funny I [II7] know but it [V] really is so
Oh [II] I'm my [VI7] own grand-[II] paw

Since you said it's good-[V7]bye, we are [I] through.

The [I] troubles I've got, I'm [IV] slightly too hot
And a [I] PPI call stopped my [V7] snooze
I'm [I] stuck in a rut and the [IV] neighbours go tut
And I [Idim] think I've got the [ii7] English [I] blues [V7]

Not [I] long after dawn, when I [IV] looked at the lawn
A [I] pigeon was spoiling my [V7] views
And [I] my lazy cat, won't do a [IV] thing about that

I save my [IV] clothes for the jumble, and [I] say mustn't grumble
That's [II7] why I've got the English [V7] blues!

My [V7] f#@ks are now so f#@ked off they refuse to f#@king [I] stay!
I've [I] no more f#@ks to give, my [II7] f#@ks have gone insane,
They've [V7] come back round and passed me while they're f#@king off [I] again!

I've [I] no more f#@ks to give, my [II7] f#@ks have all dissolved

Intro: [I] [Imaj7] [I7] [IVsus2] [iv] [I] [iv6] [V7]

If a [I] picture paints a [Imaj7] thousand words
Then [I7] why can't I paint [IVsus2] you
The [iv] words will never [I] show
The [iv6] you I've come to [V7] know

If a [I] face could launch a [Imaj7] thousand ships
Then [I7] where am I to [IVsus2] go
There's [iv] no one home but [I] you
You're [iv6] all that's left me [V7] to

And [vi] when my [Iaug] love
For [vi7] life is running [vi6] dry
You [v] come and [VI7] pour your[ii]self on [V7] me

If a [I] man could be two [Imaj7] places
At one [I7] time I'd be with [IVsus2] you
To[iv]morrow and to[I]day
Be[iv6]side you all the [V7] way

If the [I] world should stop re[Imaj7]volving
Spinning [I7] slowly down to [IV] die
I'd [iv] spend the end with [I] you
And [iv6] when the world was [V7] through

Then [vi] one by [Iaug] one
The [vi7] stars would all go [vi6] out
Then [v] you and [VI7] I
Would [ii] simply [V7] fly a[I]way [IVsus2] [iv6] [I]

If I [bii] fell in love with you would you [I] promise to be true
And [bI] help me [vi] understand
Cause I've [bii] been in love before
And I [I] found that love was more
Than [ii] just holding [V7] hands

If I [I] give [ii] my [iii] heart to [ii] you
I [V7] must be sure
From the [I] ve[ii]ry [iii] start that [ii] you
would [V7] love me more than [I] her [iv] [V7]

If I [I] trust [ii] in [iii] you oh [ii7] please
Don't [V7] run and hide
If I [I] love [ii] you [iii] too oh [ii7] please
Don't [V7] hurt my pride like [I9] her

Cause I couldn't stand the [IV] pain

[IV] If I [I] had a million [VIIsus2] dollars (If I had a million [IV] dollars)
[IV] I'd buy you [I] furniture for your [VIIsus2] house
(Maybe a nice chesterfield or an [IV] ottoman)

[IV] And if I [I] had a million [VIIsus2] dollars (If I had a million [IV] dollars)
[IV] Well, I'd [I] buy you a [VIIsus2] K-Car (A nice Reliant auto-[IV]mobile)
[IV] If I [I] had a million [VIIsus2] dollars I'd buy your [I] love

[VIIsus2] If I [I] had a million [IV] dollars, I'd [ii] build a tree fort [VIIsus2] in our yard
[VIIsus2] If I [I] had a million [IV] dollars, you [ii] could help,
it wouldn't be [VIIsus2] that hard.
[VIIsus2] If I [I] had a million [IV] dollars
Maybe we [IV] could put a [ii] little tiny fridge in there some-[VIIsus2]where
You know, we could just go up there and [I]* hang out

Talking part

Like open the fridge and [IV] stuff
There would already be laid out [I] foods for us
Like [VIIsus2] little pre-wrapped sausages and [IV] things
[IV] They have pre-wrapped [I] sausages but they don't have pre-wrapped [VIIsus2] bacon
Well, can you blame [VII] 'em , [NC] Uh, [IV] yeah

[IV] If I [I] had a million [VIIsus2] dollars (If I had a million [IV] dollars)

[IV] And if I [I] had a million [VIIsus2] dollars (If I had a million [IV] dollars)
[IV] Well, I'd [I] buy you an exotic [VIIsus2] pet (Yep, like a llama or an [IV] emu)
[IV] And if I [I] had a million [VIIsus2] dollars (If I had a million [IV] dollars)
[IV] Well, I'd [I] buy you John Merrick's [VIIsus2] remains (Ooh, all them crazy elephant [IV] bones)
[IV] And If I [I] had a million [VIIsus2] dollars I'd buy your [I] love

[VIIsus2] If I [I] had a million [IV] dollars, we wouldn't [ii] have to walk to the [VIIsus2] store
[VIIsus2] If I [I] had a million [IV] dollars, we'd take a [ii] limousine 'cause it costs [VIIsus2] more
[VIIsus2] If I [I] had a million [IV] dollars, we wouldn't [ii] have to eat Kraft [VIIsus2] Dinner
But we would eat Kraft [I] Dinner

Of course we would, we'd just eat [IV] more, and buy [VIIsus2] really expensive [I] ketchups w it
That's right, all the fanciest ke... [IV] dijon ketchups!
Mmmmmm, [VIIsus2] Mmmm-Hmmm [I]

The [ii] sun can shine so bright up in the [V7] sky
[I] But Daddy always told me don't make [IV] small talk
He [ii] said come on out and say what's on your [I] mind

[I] If I [V7] said you had a beautiful body
Would you hold it against [I] me
If I [V7] swore you were an angel
Would you treat me like the devil to[I]night
If [V7] I were dying of thirst
Would you flowing love come quench [I] me
If [IV] I said you have a beautiful [V7] body
Would you hold it against [I] me

[I] If I [V7] said you had a beautiful body would you hold it against [I] me

That come the twilight should we lose our [vi] way
If as we're [IV] walkin a hand should slip [I] free [I] [Isus2] [I]
I'll wait for [vi] you
And should I [IV] fall behind
Wait for [I] me [I] [Isus2] [I]

[I] We swore we'd travel darlin' side by side [I] [Isus2] [I]
We'd help each other stay in [vi] stride
But each lover's steps [IV] fall so different-[I]ly [I] [Isus2] [I]
I'll wait for [vi] you
And should I [IV] fall behind
Wait for [I] me [I] [Isus2] [I]

[I] Now everyone [IV] dreams of a love lasting and [I] true [I] [Isus2] [I]
But you and [IV] I know what this world can [vi] do
So let's make our steps [IV] clear that the other may [I] see[I] [Isus2] [I]
I'll wait for [vi] you
And should I [IV] fall behind
Wait for [I] me [I] [Isus2] [I]

[I] Now there's a beautiful river in the valley ahead [I] [Isus2] [I]
There 'neath the oak's bough soon we will be [vi] wed
Should we lose each [IV] other in the shadow of the evening [I] trees[I] [Isus2] [I]

If I Were A Rich Man

artist:Topol writer:Sheldon Harnick, Jerry Bock

based on version on Ultimate Guitar

[II] If I were a rich man, ya ba dibbie dibbie, doobie dibbie dibbie dibbie dum
[v] All day long I'd [ii] biddy biddy bum [VI7] if I were a wealthy man
I [II] wouldn't have to work hard, ya ba dibbie dibbie, doobie dibbie dibbie dibbie dum
[VI7] If I were a [ii] biddy biddy rich, [VI7] idle-deedle-didle-didle [II] man

I'd build a [v] big tall house with [I7] rooms by the dozen,
[IV] right in the middle of the [ii] town
A [v] fine tin roof with [VI7] real wooden floors be-[II]low [II7]
There would be [v] one long staircase [I7] just going up
and [IV] one even longer coming [ii] down
And [v] one more leading [I7] nowhere, just for [VI7] show

I'd fill my [v] yard with chicks and [VI7] turkeys and geese
and [II] ducks for the town to see and [vii] hear
[iii] Squawking just as [VI7] noisily as they [II] can [II7]
And each loud "[v] cheep" and "squawk" and "[I7] honk" and "quack"
would [IV] land like a trumpet on the [ii] ear
As [v] if to say "Here [I7] lives a wealthy [VI7] man"

If I were a rich man, ya ba dibbie dibbie, doobie dibbie dibbie dibbie dum
[v] All day long I'd [ii] biddy biddy bum [VI7] if I were a wealthy man
I [II] wouldn't have to work hard, ya ba dibbie dibbie, doobie dibbie dibbie dibbie dum
[VI7] If I were a [ii] biddy biddy rich, [VI7] idle-deedle-didle-didle [II] man

I see my [v] wife, my Golde, [I7] looking like a rich man's [IV] wife
with a proper double [ii] chin
[v] Supervising [I] meals to her heart's de-[II] light [II7]
I see her [v] putting on airs and [I7] strutting like a peacock,
[IV] oh, what a happy mood she's [ii] in
[v] Screaming at the [v] servants, day and [VI7] night

[VI7] The most im[I] portant [VII] men in town would come to [IV] fawn [bIII] on [II] m
[v] They will ask me to advise them like a [bIII] Solomon the Wise
If you [i] please Reb Tevye, pardon [vi] me Reb Tevye
[II7] Posing problems that would cross a rabbi's eyes
[II7] Yah da-dee da da, yah di da da, yah di da da, daa

[v] And it won't make [I] one bit of difference [IV] if I answer right or [II7] wrong
[v] When you're rich they think you really [VI7] know
If I [v] were rich I'd have the [VI7] time
that I lack to [IV] sit in the synagogue and [ii] pray
And [v] maybe have a [VI7] seat by the Eastern [II] wall [II7]
And I'd dis-[v]cuss the holy [I7] books
with the learned [IV] men seven hours every [II7] day
[v] That would be the [v] sweetest thing of [VI7] all

If I were a rich man, ya ba dibbie dibbie, doobie dibbie dibbie dibbie dum
[v] All day long I'd [ii] biddy biddy bum [VI7] if I were a wealthy man
I [II] wouldn't have to work hard, ya ba dibbie dibbie, doobie dibbie dibbie dibbie dum

[vi] Lord who made the [ii] lion and the [VI7] lamb
You decreed I [ii] should be what I [VI7] am
Would it spoil some [ii] vast eternal [vii] plan
If I were a [VI7] wealthy [II] man

If I was [I] good I'd tell everyone I [IV] know
If I was [I] free I wouldn't be so keen to [IV] go

[vi] It's not for you to judge [IV] from all this kind of stuff
[ii] I'm only half of what you [V] see

[V] I Put on a poncho, [I] played for mosquitos
[V] And drank til I was thirsty a-[I]gain
We went [V] searching.. [I] through thrift store [V] jungles [I]
Found [V] Geronimo's rifle, [I] Marilyn's lipstick
And [V] Benny Goodman's corset and [I] pen

[I] Well, O.K. I made this [II] up, I [I] promised you I'd never give [II] up

If it makes you [vi] happy [I], it can't be that [V] bad [II]
If it makes you [vi] happy [I]
Then why the hell are you so [V] sad [I] [V] [I]

You get [V] down, [I] real low [V] down [I]
You [V] listen to Coltrane, [I] derail your own train
Well [V] who hasn't been there befo[I] re?
I come [V] round.. a-[I]round the [V] hard [I] way
Bring you [V] comics in bed, scrape the [I] mould off the bread
And [V] serve you french toast a-[I]gain

[I] Well, O.K. I still get [II] stoned, [I] I'm not the kind of girl you'd take [II] home

If it makes you [vi] happy, [I] it can't be that [V] bad [II]

[I] You ask me if I loved you [IV] and if my love is [I] true
Well if I were a rich man [II7] here is what I'd [V7] do
I'd [I] buy you a diamond ring and a [IV] new fur coat or [I] two
If my nose was running money I'd [V7] blow it all on [I] you

If my nose was running money I'd [IV] blow it all on [I] you
I'd buy you a Cadilac a [II7] new Mercedes [V7] too
I'd [I] build you a mansion [IV] upon that mountain [I] top
If my nose was running money but [V7] honey, it's [I] snot!

If my nose was running money you'd [IV] have anything you [I] please
Anytime you wanted cash [II7] all I'd have to do is [V7] sneeze
Honey [I] you'd win the lottery [IV] when I have a cold or [I] flu
If my nose was running money I'd [V7] blow it all on [I] you

It's a [IV] booger of a problem I've [I] got
I wish my nose was running money but it's [V7] snot!
I'd [I] buy you a diamond ring a new fur coat or [I] two
If my nose was running money [V7] I'd blow it all on [I] you

If my nose was running money let me [IV] tell you what I'd [I] do
I'd buy you a John Deere tractor and we'd get rid of [II7] that old gray [V7] mule
I'd [I] carry you down to the store and buy you a [IV] brand new pair [I] shoes
And you not have to be plowing bare footed [V7] the way you always [I] do

If my nose was running money we could [IV] have anything we [I] please
Any time you wanted cash all I'd [II7] have to do is [V7] sneeze
Why [I] we'd be living high on the hog and the [IV] hog wouldn't be so [I] lean
If my nose was running money honey we'd be [V7] rollin' in the [I] green

If my nose was running money you'd [IV] have anything you [I] please

[I] (to build rhythm)

[I] No one move, no one speak
Please don't say that it's just [IV] me, it's not just [I] me,
And even though I won't forget
Just don't want this to end just [IV] yet,
not just [I] yet

[I] But if I had one chance to freeze time
And stand still and soak in everything [IV]
I'd choose right now [I]
If I had one night with sunshine
Could break through and show you everything [IV]
I'd choose right now [I]

[I] If this is it, all we have, I know I've done all I [IV] can
If this is [I] it
And we can't stop and start again
We can't fast forward to the [IV] end
If this is [I] it

[I] But if I had one chance to freeze time
And stand still and soak in everything [IV]
I'd choose right now [I]
If I had one night with sunshine
Could break through and show you everything [IV]
I'd choose right now [I]

Before the [V] fears that I once had start coming [IV] back
And I can [I] take the slings and stones and fire
Because I know you'll make it all worthwhile
And every [IV] time I fold, dissolve I'm lying on the [I] ground
You drag me up again, and [V] again
Oh please come back [IV] again
Oh please come back [I] again

And I'm so scared, I might forget
Just don't want this to end just yet [IV] , not just [I] yet

[I] But if I had one chance to freeze time
And stand still and soak in everything [IV]
I'd choose right now [I]
If I had one night with sunshine

If Wishes Were Fishes

artist:Eric Bogle writer:Eric Bogle

Eric Bogle: https://www.youtube.com/watch?v=dEY9kA3OYNE Capo on 2

I [I] wish I was home again, [IV] home in my heart again,
It's [I] been a long time since my heart talked to [V] me.
[I] Wastin' my precious days, [IV] wishin' my life away,
If [I] wishes were fishes, we'd all cast [V] nets in the [I] sea.

I [I] wish I was young again, my [IV] song still be sung again,
The [I] sweet tunes of my life have gone sour and off [V] key;
[I] Writin' my tired old rhymes, [IV] tryin' to turn back time,
If [I] wishes were fishes, we'd all cast [V] nets in the [I] sea.

Chorus:
If [IV] wishes were [V] fishes, I [I] know where I'd [IV] be,
[I] Casting my net in the dark rolling [V] sea;
And [IV] if my net's [V] empty when it [I] comes back to [IV] shore,
I'll [I] throw it away and go fishing [I] no [V] more.

I [I] wish I could care again, [IV] reach out and share again,
[I] Mend what's been broken and let it run [V] free;
The [I] older I get it seems, more [IV] wishin' takes the place of dreams,
If [I] wishes were fishes, we'd all cast [V] nets in the [I] sea

Instrumental of verse

Chorus

I [I] wish I was home again, [IV] home in my heart again,
It's [I] been a long time since my heart talked to [V] me.
[I] Wastin' my precious days, [IV] wishin' my life away,
If [I] wishes were fishes, we'd all cast [V] nets in the [I] sea.

If You Could Read My Mind

artist:Gordon Lightfoot writer:Gordon Lightfoot

[I] If you could read my mind love, [VII] what a tale my thoughts could tell
[I] Just like an old time movie, [VII] about a ghost from a wishing well
[I] In a castle dark or a [IV] fortress strong
With [V] chains upon my [vi] feet - you [IV] know that ghost is [I] me
And [IV] I will never [I] be set free
As [ii7] long as I'm a [V] ghost that you can't [I] see

[I] If I could read your mind love, [VII] what a tale your thoughts could tell
[I] Just like a paperback novel, the [VII] kind that drugstores sell
[I] When you reach the part [IV] where the heartaches come
The [V] hero would be [vi] me but [IV] heroes often [I] fail
And [IV] you won't read that [I] book again
[ii7] because the ending's [V] just too hard to [I] take

[I7] I'd walk away like a [IV] movie star,
who gets [V] burned in a three way [vi] script
[IV] Enter number [I] two: a [IV] movie queen to [I] play the scene
Of [ii7] bringing all the [V] good things out in [I] me,
[IV] but for now love, let's be [I] real
I [IV] never thought I could [I] act this way,
and I've [ii7] got to say that I [V] just don't get it
[IV] I don't know where [I] we went wrong,
But the [ii7] feeling's gone and I [V] just can't get it [I] back

[I] If you could read my mind love, [VII] what a tale my thoughts could tell
[I] Just like an old time movie, [VII] about a ghost from a wishing well
[I] In a castle dark or a [IV] fortress strong with [V] chains upon my [vi] feet
But [IV] stories always [I] end. And [IV] if you read be[I]tween the lines
You'll [ii7] know that I'm just [V] trying to under[I]stand
the [IV] feelings that you [I] lack

[IV] I never thought I could [I] feel this way,
and I've [ii7] got to say that I [V] just don't get it
[IV] I don't know where [I] we went wrong [ii7] but the feeling's gone
And I [V] just can't get it [I] back

[i] [bi7] [bi6] [VImaj7] [biii] [bV7sus4] [bV7]

If you go a-[i]way ...on this summer day,

All the [VII7] birds that flew ...in the summer sky,
When [III] our love was new, and our hearts were high,

If you [i] go away, as I know you must,
There'll be [iv] nothing left in this world to trust,

Like the [III] empty look ...I see on your face,
[iv] Oh, I'd have been the [bV7] shadow of your shadow,
[i] If it might have [bi7] kept me by your side,
...If you [iv] go away, if you [bV7] go away, if you go a-[i]way!

[I] When I woke up this [V] morning, [IV] things were lookin' [I] bad
[IV] Seem like total [I] silence was the [V] only friend I [I] had
[V] Bowl of oatmeal [IV] tried to stare me [I] down [IV] and [I] won
And it was [V] twelve o'clock before I [IV] realized
That I was [I] havin' [IV] no [I] fun

Chorus:
But [V] fortunately I [I] have the key to es[IV]cape re[V]ali[I]ty
And you may [IV] see me tonight with an [I] illegal smile
It don't [V] cost very much, but it [I] lasts a long while
Won't you [IV] please tell the man I didn't [I] kill anyone
No I'm [V] just tryin' to [IV] have me some [I] fun

Last [I] time I checked my [V] bankroll,
[IV] It was gettin' [I] thin
Some[IV]times it seems like the [I] bottom
Is the [V] only place I've [I] been
I [V] chased a rainbow [IV] down a one-way [I] street - [IV] dead [I] end
And [V] all my friends turned [IV] out to be in[I]surance [IV] sales[I]men

Chorus

Well, I [I] sat down in my [V] closet with [IV] all my over[I]alls
[IV] Tryin' to get a[I]way
From all the [V] ears inside my [I] walls
I [V] dreamed the police [IV] heard
Everything I [I] thought [IV] what [I] then?
Well I [V] went to court
And the [IV] judge's name [I] was [IV] Hoff[I] man

But [V] fortunately I [I] have the key to es[IV]cape re[V]ali[I]ty
And you may [IV] see me tonight with an [I] illegal smile
It don't [V] cost very much, but it [I] lasts a long while

[I] In my hour of darkness, in my time of need
[V] Oh Lord grant me vision, [IV] Oh Lord grant me [I] speed

[I] Once I knew a young man, went driving through the night
[V] Miles and miles without a word,
with [IV] just his high-beam lights [I]
[IV] Who'd have ever [I] thought they'd build
such a [IV] deadly Denver bend [I]
[V] To be so strong, to take so long as [IV] it would till the end [I]

[I] In my hour of darkness, In my time of need
[V] Oh Lord grant me vision, [IV] Oh Lord grant me [I] speed

[I] Another young man safely strummed his silver string guitar
And he [V] played to people everywhere, some [IV] say he was a [I] star
But [IV] he was just a [I] country boy, his [IV] simple songs [I] confess
And the [V] music he had in him, so [IV] very few [I] possess

[I] In my hour of darkness, in my time of need
[V] Oh Lord grant me vision, [IV] Oh Lord grant me [I] speed

[I] Then there was an old man, kind and wise with age
And he [V] read me just like a book and he [IV] never missed a [I] page
And I [IV] loved him like my [I] father, and I [IV] loved him like my [I] friend
And I [V] knew his time would shortly come but I [IV] did not know just [I] whe

[I] In my hour of darkness, in my time of need
[V] Oh Lord grant me vision, [IV] Oh Lord grant me [I] speed

[V] Oh Lord grant me vision, [IV] Oh Lord grant me [I] speed

Intro: [I] [I] [V] [I] [I] [V] [V7]

There are [I] places I'll re[vi]member [I7]
All my [IV] li[iv]fe though
[I] some have changed
Some forever not [vi] for better [I7]
Some have [IV] go[iv]ne and [I] some remain
All these [vi] places had their [II7] moments

With [bVII] lovers and friends I [I] still can recall
Some are [vi] dead and some are [II7] living
In [iv] my life I've [I] loved them all [I] [I] [V]

But of [I] all these friends and [vi] lovers [I7]
There is [IV] no [iv] one com[I]pares with you
And these memories lose their [vi] meaning [I7]
When I [IV] think of [iv] love as
[I] something new
Though I [vi] know I'll never lose [II7] affection

For [bVII] people and things that [I] went before
I [vi] know I'll often stop and think [II7] about them
In [iv] my life I'll [I] love you more

Instrumental:

[I] I was born in Liverpool [V7] down by the docks,

At stealing from lorries [IV] I was adept,

[I] Well when I grew up I met [V7] Bridgit McCann,
She said "You're not much, but I'm [I] needin' a man."
"'Cause I want fifteen kids and a [IV] house out in Speke",
Well the [V7] spirit was willin' but the flesh it was [I] weak.

[I] Way back in the forties the [V7] world it went mad,
Mr Hitler threw at us every[I] thing that he had.
When the smoke and the dust had all [IV] cleared from the air,
"Thank [V7] God" s[XXX] aid the ol' man, "The Pier Head's still [I] there".

[IV] She likes ketchup on her scrambled eggs,

She [V] takes a lickin', and keeps on tickin'

As the [I] snow flies - -

In the [I] ghetto (in the ghetto) - and his [I] mama cries
Cause if [iii] there's one thing that she don't need
It's [IV] another hungry [V] mouth to feed
In the [I] ghetto (in the ghetto)

People, don't you [V] understand
The child [IV] needs a helping [I] hand
Or [IV] he'll grow to be an [V] angry young man some [I] day
Take a look at [V] you and me,
Are we too [IV] blind to [I] see?
[IV] Do we simply [iii] turn our heads
And [IV] look the other [V] way - well the [I] world turns

And a [iii] hungry little boy with a runny nose
[IV] Plays in the street as the [V] cold wind blows
In the [I] ghetto (in the ghetto) - and his [I] hunger burns
So he [iii] starts to roam the streets at night
And [IV] he learns how to steal and he [V] learns how to fight
In the [I] ghetto (in the ghetto)

Then one [V] night in desperation
A [IV] young man breaks a-[I]way
He [IV] buys a gun, [iii] steals a car,
[IV] Tries to run, but he [V] don't get far - and his [I] mama cries

As a [iii] crowd gathers round an angry young man
[IV] Face down on the street with a [V] gun in his hand
In the [I] ghetto (in the ghetto) - as her [I] young man dies,
On a [iii] cold and gray Chicago mornin',
A-[IV]nother little (slow down) baby [V] child is born

[I] [II7] [ii7] [V7]

[I] Mister Whatchacallum watcha doin' tonight?
Hope you're in the mood because I'm feelin' just right.
[IV] How's about a corner with a table for two,
[I] Where the music's mellow in some gay rendezvous.
[V7] There's no chance romancin' with the blue attitude,
[ii7] You've got [I] to do some [IV] dancin' to get [bVI7] in [V7] the [I6] mood.

[I] Sister Whatchacallum that's a timely idea,
Something swingadilla would be good to my ear.
[IV] Everybody must agree that dancin' has charms
[I] When you have that certain one you love in your arms.
[V7] Steppin' out with you will be a sweet interlude,
[ii7] A buil[I]der-upper [IV] that will put me [bVI7] in [V7] the [I6] mood.

[I] In the mood, [Idim] [ii7] that's it I got it,[V7]
[I] In the mood, [Idim] [ii7] your ear will spot [V7] it,
[I] in the mood, [Idim] [ii7] oh what a hot [V7] hit,
Be a-[V7]live and get [Vdim] the jive, you've got [V7] to [bVI7] lea-[V7]rn [I] how.

[I] Hep, hep, hep, [Idim] [ii7] like a hep-[V7] per,
[I] pep, pep, pep, [Idim] [ii7] hot as a pep-[V7] per,
[I] Step, step, step,[Idim] [ii7] step like a step-[V] per,
[V7] We're muggin' and [Vdim] huggin', we're in [V7] the [bVI7] mo-[V7]od [I] now.

[I] Mister Whatchacallum all you needed was fun,
You can see the wonders that this evenin' has done.
[IV] Your feet were so heavy till they hardly could move,
[I] Now they're light as feathers and you're right in the groove.
[V7] You were only hungry for some musical food,
[ii7] You're [I] positively, [IV] absolutely [bVI] in [V] the [I6] mood.

[I] Sister Whatchacallum I'm indebted to you,
It all goes to show what good influence can do.
[IV] Never felt so happy and so fully alive,
[I] Seems that jam and jumpin' is a powerful jive.
[V7] Swing a roo has given me a new attitude,
[ii7] My heart [I] is full of [IV] rhythm and I'm [bVI] in [V] the [I6] mood.

In the [I] daytime, I will [IV] meet you as be-[I]fore,
You will [I] find me waiting [IV] by the ocean [I] floor.
Building [ii] castles in the [iii] shifting sands,

[IV] 'tis the morning of my [I] life.

In the [I] morning of my [ii] life,
The [IV] minutes take so [V] long to drift [I] away.
Please be [I] patient with your [ii] life,
It's only [IV] morning and you're [V] still to live your [I] day.

In the [I] evening I will [IV] fly you to the [I] moon.
To the [I] top right hand corner of the [IV] ceiling in my [I] room.
Where we'll [ii] stay until the [iii] sun shines,
Another [ii] day to swing on [iii] clothes lines.

[I] [I] [I] [I] [IV] [IV7] x2

[I] Going down dirty inner city side road I [IV7] plotted
[I] Madness passed me by, she smiled hi, I [IV7] nodded
[I] Looked up as the sky [V7] began to cry, [I] she shot it

[I] Met a girl from Dearborn, [IV7] early six o'clock this morn, [I] A cold fact
[IV] Asked about her bag, [V7] suburbia's such a drag, [I] won't go back

[III] 'Cos Papa don't allow [VII] no new [IV] ideas [I] [I] here
[III] And now he sees the news, but the [VII] picture's [IV] not too [I] clear.
[IV] Mama, Papa, stop, treasure [IV] what you got,
Soon you may be caught [I] without it
[IV] The curfew's set for eight, will it ever all be straight [I] I doubt it

[I] [I]

[I] Seven jealous fools playing [I] by her rules, can't [IV7] believe her
[I] He feels so in between, can't [I] break the scene, it would [IV7] grieve her
[I] And that's the reason why [V7] he must cry, [I] he'll never leave her

[I] Crooked children, yellow chalk, [IV7] writing on the concrete walk
[I] Their king died
[IV7] Drinking from a Judas cup, looking down but seeing up, [I7] Sweet Red Wine

[III] 'Cos Papa don't allow no [VII] new [IV] ideas [I] here [I]
And [III] now hear the music, but the [VII] words don't [IV] sound too [I] clear [I]
[IV] Mama, Papa, stop, treasure [IV] what you got,
Soon you may be caught [I] without it
[IV] The curfew's set for eight, will it [IV] ever all be straight [I] I doubt it

[I] Going down a dusty, Georgian side road I [IV7] wonder
[I] The wind splashed in my face, [V7] can smell a trace Of thunder [I]

A-[i]bout a maid, I'll sing a song, sing rickety [iv] tickety[i] tin
A-[iv]bout a maid, I'll [i] sing a song, [VII] who didn't have her [i] family long
[i] Not only [VII] did she [i] do them [iv] wrong
She [i] did every [VII] one of them [i] in, them [VII] in, she [i] did every [VII] one of them [i] in

[i] One morning in a fit of pique, sing rickety [iv] tickety [i] tin
[iv] One morning in a [i] fit of pique [VII] she drowned her father in [i] the creek
[i] The water [VII] tasted [i] bad for a [iv] week
And [i] we had to make do with [i] gin, with [VII] gin, we [i] had to make [VII] do with [i] gin

[i] Her mother she could never stand, sing rickety [iv] tickety [i] tin
[iv] Her mother she could [i] never stand and [VII] so a cyanide [i] soup she planned
[i] The mother died with a [i] spoon in her [iv] hand
And [i] her face in a [VII] hideous [i] grin, a [VII] grin, her [i] face in a [VII] hideous [i] grin

[i] She set her sister's hair on fire, sing rickety [iv] tickety [i] tin
[iv] She set her sister's [i] hair on fire, and as the [VII] smoke and [i] flame grew higher
[i] She danced [VII] around the [i] funeral [iv] pyre
[i] Playing a [VII] vio-[i]lin, o-[VII]lin, [i] playing a [VII] vi-o-[i]lin.

[i] She tied her brother down with stones, sing [iv] rickety-tickety-[i]tin
[iv] She tied her brother [i] down with [VII] stones, and sent him off to [i] Davy Jones
[i] All they [VII] ever [i] found were the [iv] bones
And [i] occasional [VII] pieces of [i] skin, of [VII] skin, [i] occasional [VII] pieces of [i] skin

[i] One day when she had nothing to do, sing rickety [iv] tickety [i] tin
[iv] One day when she had [i] nothing to do she [VII] cut her baby [i] brother in two
[i] Served him [VII] up in an [i] Irish [iv] stew
And [i] invited the [VII] neighbors [i] in, 'bors [VII] in, [i] invited the [VII] neighbors [i] in.

[i] When at last the police came by, sing rickety [iv] tickety [i] tin
[iv] When at last the [i] police came by, these [VII] terrible deeds she [i] did not deny
[i] To do so [VII] she would [i] have to [iv] lie
And [i] lying she [VII] knew was a [i] sin, a [VII] sin, and [i] lying she knew was a [i] sin

[i] Just one last thing before I go, sing rickety [iv] tickety [i] tin
[iv] Jus' one last thing before I go, there's somethin' I think you [i] ought to know
[i] They had no [VII] proof so [i] they let her [iv] go
An' [i] they say [VII] she was tall and [i] thin, and [VII] thin, [i] they say she [VII] was tall and [i] thin.

[i] My tragic tale I won't prolong, sing rickety [iv] tickety [i] tin
[iv] My tragic tale I [i] won't prolong, [VII] and if you didn't enjoy this [i] song
[i] You've your-[VII]selves to [i] blame if it's too [iv] long
You [i] should've [VII] never let me [i] begin, [VII] begin
You [i] should've [VII] never let me [i] begin!

Verses deleted at random !!

In the [I] Fourth of July, eighteen hundred and [IV] six,
We set [I] sail from the sweet cove of [V] Cork
We were [I] sailing away with a cargo of [IV] bricks
For the [I] grand City [V] Hall in New [I] York
She was a [I] wonderful craft, she was [V] rigged 'fore and aft
And how [I] the wild winds [V] drove her
She 'stood [I] several blasts, she had [vi] twenty-seven [IV] masts
And they [I] called her the [V] Irish [I] Rover

We had [I] one million bags of the best Sligo [IV] rags
We had [I] two million barrels of [V] stones
We had [I] three million sides of old blind horses' [IV] hides
We had [I] four million [V] barrels of [I] bones
We had [I] five million hogs and [V] six million dogs
[I] And seven million barrels of [V] porter
We had [I] eight million bales of old [vi] nanny goats' [IV] tails
In the [I] hold of the [V] Irish [I] Rover

There was [I] Barney McGee from the banks of the [IV] Lee
There was [I] Hogan from County Ty-[V]rone
There was [I] Johnny McGurk who was scared stiff of [IV] work
And a [I] man from [V] Westmeath called [I] Malone
There was [I] Slugger O'Toole who was [V] drunk as a rule
[I] And fighting Bill Tracy from [V] Dover
And your [I] man Mick McCann, from the [vi] banks of the Bann
Was the [I] skipper of the [V] Irish [I] Rover

We had [I] sailed seven years when the measles broke [IV] out
And our [I] ship lost her way in the [V] fog
And the [I] whole of the crew was reduced down to [IV] two
'Twas [I] meself and [V] the captain's old [I] dog
Then the [I] ship struck a rock; oh Lord [V] what a shock
[I] The bulkhead was turned right [V] over
We turned [I] nine times around - then [vi] the poor old dog was [IV] drowned
Now I'm [I] the last of the [V] Irish Ro-[I]ver

[I] Isabel makes love upon [V] national [I] monuments
[I] With style and enthusiasm and [V] anyone at [I] all.
[I] Isabel's done Stonehenge and the [V] Houses of [I] Parliament,
[I] But so far little Isabel's never [V] played the Albert [I] Hall.
[vi] Many a [ii7] monolith has [V] seen [I] Isabel,
[vi] Her bright hair in [ii7] turmoil, her [V] breasts' surging [I] swell.
But [vi] unhappy [ii7] Albert, [V] so far [I] denied
[I] The bright sight of [ii7] Isabel getting [V] into her [I] stride.

[I] The Forth Bridge, The Cenotaph, [V] Balmoral and [I] Wembley.
[I] The British Museum and the [V] House of [I] Lords.
[I] So many ticks in her [V] National Trust [I] catalogue,
[I] But so far the Royal Albert [V] Hall has not [I] scored.
[vi] Countless [ii7] cathedrals can [V] now proudly [I] show
[vi] Where Isabel's [ii7] white shoulder blades [V] have briefly [I] reposed.
[vi] Miserable [ii7] Albert, [V] still waiting [I] for
[I] The imprint of [ii7] Isabel on [V] his parquet [I] floor.

[I] In Westminster Abbey she [V] lay upon a cold [I] tombstone,
[I] The meat in a sandwich of [V] monumental [I] love,
[I] With old po-faced Wordsworth [V] unblinking [I] beneath
And [I] a bright-eyed young Arch-Deacon [V] breathless [I] above.
[vi] Many a stony faced [ii7] statue has [V] flickered its [I] eyes
And [vi] swayed to the [ii7] rhythm of her [V] little panting [I] cries.
But [vi] oh! wretched [ii7] Albert [V] never yet has [I] known
[vi] Isabel's pretty [ii7] whinnying [V] echo round his [I] dome.

[I] On the last night of the Promenades she [V] waved to the [I] conductor
And [I] there and then on the podium, with [V] scarcely a [I] pause,
[I] With a smile and a bow and a [V] loud "Rule [I] Britannia!"
He [I] completed her collection to [V] enormous [I] applause.
[vi] Rapturous [ii7] Albert [V] now knows full [I] well
He's [vi] captured for-[ii7]ever [V] elusive Isa-[I]bel.
[vi] Prettily di-[ii7]shevelled but [V] firmly [I] installed
And [vi] faithfully for [ii7] evermore to the [V] Royal Albert [I] Hall.

No [vi] more frantic [ii7] scrambling's up the [V] dome of St. [I] Pauls.
No [vi] more dank [ii7] rambles on [V] Hadrian's [I] Wall.
With [vi] style and [ii7] enthusiasm and [V] anyone at [I] all,
[vi] Isabel makes [ii7] love in the [V] Royal Albert [I] Hall.

[I] This is my island [IV] in the sun
Where my [V7] people have toiled since [I] time begun
[vi] I may sail on [ii] many a sea
Her [I] shores will always be [V7] home to [I] me

[I] Oh island [ii] in the sun [V7] willed to me by my [I] father's hand
[vi] All my days I will [IV] sing and praise
Of your [V7] forest waters your [I] shining sands [V7] [I]

[I] As morning breaks the [IV] heaven on high
[V7] I lift my heavy load [I] to the sky
[I] Sun comes down with a [ii] burning glow
[I] Mingles my sweat with the [V7] earth be[I]low

[I] Oh island [ii] in the sun [V7] willed to me by my [I] father's hand
[vi] All my days I will [IV] sing and praise
Of your [V7] forest waters your [I] shining sands [V7] [I]

[I] I see woman on [IV] bended knee,
[V7] Cutting cane for her [I] family
[vi] I see man [ii] at the water side,
[I] Casting nets at the [V7] surging [I] tide

[I] Oh island [ii] in the sun [V7] willed to me by my [I] father's hand
[vi] All my days I will [ii] sing and praise
Of your [V7] forest waters your [I] shining sands

[I] I hope the day will [IV] never come
[V7] That I can't awake to the [I] sound of a drum
[vi] Never let me miss [ii] carnival
With caly[I]pso songs philo[V7]sophi[I]cal

It Ain't Drunk Driving If You're Riding a Horse

Listen to the intro - not straightforward

[I] [I] [I] [IV], [I] [I] [V7] [I], [I] [I] [I] [I]
On the [I] highway at night, the lights blazing [IV] red
and [I] there ain't no sounds except the pounding in my [vi] head
And a [I] couple, cop sirens, blaring for [IV] me
They [I] stopped me en route to the refine-[vi] ry
They [I] said, "You look mean", "The kettle is [IV] black"
They [I] punched me, for that one, and threw me in the [vi] back
They [I] say, "You've been drinking", I said, "Yes, of [IV] course
But [I] it ain't drunk driving if you're [V7] riding a [I] horse" {23 123 123 12}

Well there's [I] coked-up truck drivers and T-Birds on [IV] meth
And [I] cell phones, and silver folks, scare me to [vi] death
And [I] pills, weed and NyQuil in every third [IV] car
And [I] liquored-up grandmas heading down to the [vi] bar
But my [I] horse, he does all the thinking for [IV] me
He's [I] sober, as an angel, on a Christmas [vi] tree
Being [I] horny and getting messed up is life's strongest [IV] force
But [I] it ain't drunk driving if you're [V7] riding a [I] horse {23 123}

[I7] [I7]
Now my [V] equine companion is kind and good-hearted
But he [I] will not back [IV] down from a [I] fight [I] [IV] [I]
And [vi] down at the [I] stable he'll drink you [IV] under the [I] table
But [V] he wasn't drinking to-[V] night {23 123}

[I7] [I7] [IV] [IV] [I] [I] [V7] [I]
Well I [I] pleaded and pleaded without any [IV] gain, took all the
[I] names in the Bible I could think of in [vi] vain
And the [I] judge, he had the gall, to shrink all my [IV] wealth
He said, [I] "What do you have, to say for your-[vi] self
Of your [I] sinning and your drinking do you feel much re-[IV] morse?" {2} No, 'cause
[I] it ain't drunk driving if you're [V7] riding a [I] horse

[IV] It ain't drunk [I] driving if you're [V7] riding a [I] horse [I]

It Came Upon A Midnight Clear

artist:Bing Crosby writer:Edmund Sears, Richard Storrs Willis

Based on: https://www.youtube.com/watch?v=i6V0SY7RYlM F so capo 5

[IV] It came u-[VII]pon a [IV] midnight clear
That [VII] glorious [V7] song of [I7] old
[IV] From angels [VII] bending [IV] near the earth
[VII] To touch their [I7] harps of [IV] gold
"[VI7] Peace on the earth, good [ii] will to men
[II] From [I] heaven's all [V7] gracious [I] King"
[IV] The world in [VII] solemn [IV] stillness lay,
To [VII] hear the [I7] angels [IV] sing

[IV] Still through the [VII] cloven [IV] skies they come
With [VII] peaceful [V7] wings un-[I7]furled,
[IV] And still their [VII] heavenly [IV] music floats
[VII] O'er all the [I7] weary [IV] world
[VI7] Above its sad and [ii] lowly plains
[II] They [I] bend on [V7] hovering [I] wing;
[IV] And ever [VII] o'er its [IV] Babel sounds
The [VII] blessed [I7] angels [IV] sing.

[IV] O ye, be-[VII]neath life's [IV] crushing load
Whose [VII] forms are [V7] bending [I7] low,
[IV] Who toil a-[VII]long the [IV] climbing way
[VII] With painful [I7] steps and [IV] slow
[VI7] Look now! for glad and [ii] golden hours
[II] Come [I] swiftly [V7] on the [I] wing;
[IV] O rest be-[VII] side the [IV] weary road
And [VII] hear the [I7] angels [IV] sing

[IV] For lo! the [VII] days are [IV] hastening on
by [VII] prophets [V7] seen of [I7] old
W[IV] hen with the [VII] ever-[IV]circling years
[VII] shall come the [I7] time fore-[IV]told
[VI7] When peace shall over [ii] all the earth
[II] its [I] ancient [V7] splendors [I] fling
[IV] And the [VII] whole world [IV] send back the song
which [VII] now the [I7] angels [IV] sing!}

It had to be [Imaj7] you, it had to be [VI7] you

Could make me feel [vi] blue
And even be [II7] glad just to be sad, thinking of [V7] you

Some others I've [Imaj7] seen might never be [VI7] mean
Might never be [II9] cross, or [II7] try to be [II9] boss
But they [II7] wouldn't [II9] do

It Was a Very Good Year

When I was [i] seventeen it was a [bII] very good year,
It was a [i] very good year
For [III] small town girls and [bII] soft summer nights. [V7]

When I was [i] seventeen it was a [bII] very good year,
It was a [i] very good year
For [III] small town girls and [bII] soft summer nights.
We'd [I] hide from the lights
On the [VII] village green when I was [I] seventeen.

When I was [i] twentyone, it was a [bII] very good year,
It was a [i] very good year
For [III] city girls who [bII] lived up the stair,
With [I] perfumed hair
That [VII] came undone, when I was [I] twenty-one.

When I was [i] thirty-five it was a [i] very good year,
It was a [i] very good year
For [III] blue blooded girls of [bII] independant means.
We'd [I] ride in limousines
Their [VII] chauffeurs would drive when I was [I] thirty-five.

But now the [i] days are short, I'm in the [bII] autumn of the year,
And now I [i] think of my life
As vint[III]age wine from [bII] old kegs,
From the [I] brim to the dregs
It poured [VII] sweet and clear; it was a [I] very good year!

We [I] had a date, I [III7] stayed out late, I [IV] bought round after [I] round
And [II7] just for you I [II7] played the fool -
Yes [V7] I was quite the [V7] clown
[I] Words were spoken, [III7] hearts were broken,
but [IV] now I hope you [I] see
It was the [I] whiskey [V7] talkin', not [I] me [I]

I [I] didn't mean to [III7] make a scene, it's [IV] really not my [I] style
I [II7] raised some Cain and [II7] called some names,
I [V7] got a little [V7] wild
If I [I] brag too loud and [III7] act too proud, don't [IV] blame it all on [I] me
It was the [I] whiskey [V7] talkin', not [I] me [I]

I [III] had myself a [III] little splash, I [VI] said "You no good [VI] piece of trash"
[II] Shut my mouth all [II] through the night,
[V] Lord, my bark's bigger [V] than my bite

If [I] lies were told, if [III7] I was bold, don't [IV] take it personal[I]ly
It was the [I] whiskey [V7] talkin', not [I] me [I]
But [I] all that stuff is [III7] just a bluff, I [IV] wouldn't hurt a [I] flea
It was the [I] whiskey [V7] talkin', not [I] me [I]

[III] At the bar I [III] bucked and roared, I [VI] picked a fight and [VI] I got floored
I [II] had a shot, got [II] plumb insane, took [V] everybody's [V] name in vain

The [I] devil makes me [III7] do some things, it [IV] takes a lot of [I] nerve
How [II7] could I sass , a [II7] girl like you, you're [V7] more than I [V7] deserve
Don't you [I] get upset , and [III7] please accept [IV] my apolo[I]gy
It was the [I] whiskey [V7] talkin', not [I] me [I]

[III] Ended up with some [III] more moonshine, my [VI] mouth was workin' [VI] overtime
[II] Just let off a [II] little steam, I [V] ain't the killer [V] that I seem

Some[I]times I'm strange but [III7] I might change, you [IV] got my guarantee
It was the [I] whiskey [V7] talkin', not [I] me [I]

Take a [ii7] look in the five and [V7] ten,

With [V] candy canes and [II7] silver lanes a-[V7]glow.

It's be-[I]ginning to look a [IV] lot like [I] Christmas,

But the [ii7] prettiest sight to [Idim] see

[III7] Hopalong boots and a pistol that shoots

but I [I7] guess they[I]re all in awe of [IV] me
Who cares I never get [I] lonesome
[I]cause I [V7] treasure my own compa[I]ny

Chorus

I [I] guess you [IV] could say [I] I[I]m a loner,

Oh I could have lots of friends if I wanna
but then I wouldn[I]t stand out in a [I] crowd

"Can't you [bVII] tell that your tie's too [IV] wide ?"
[I] Maybe I should buy some [iii] old tab collars ?
"Welcome [bVII] back to the age of [IV] jive."

[iii] "Where have you been hiddin' [vi] out lately, honey?
You [iii] can't dress trashy till you [II] spend a lot of [V] money."
[I] Everybody [iii] talking 'bout the [bVII] new sound, [IV] funny,

[I] What's the matter with the [iii] car I'm driving?
"Can't you [bVII] tell that it's out of [IV] style?"
[I] Should I get a set of [iii] white wall tyres?
"Are you [bVII] gonna cruise the miracle [IV] mile?"

[iii] "Nowadays you can't be [vi] too sentimental,
your [iii] best bet's a true, baby, [II] blue Conti-[V]nental."
[I] Hot funk, [iii] cool punk [bVII] even if it's [IV] old junk,
it's [vi] still rock and [V] roll to [I] me.

Oh, [V] it doesn't matter what they [IV] say in the papers,
'cause it's [iii] always been the same old [VI] scene.
There's a [V] new band in town but you [IV] can't get the sound

[I] How about a pair of [iii] pink sidewinders and a [bVII] bright orange pair of [IV] pants?
[I] "Well, you could really be a [iii] Beau Brummel, baby,
if you [bVII] just give it half a [IV] chance."

[iii] "Don't waste your money on a [vi] new set of speakers.
you [iii] get more mileage from a [II] cheap pair of [V] sneakers."
[I] Next phase, [iii] new wave, [bVII] dance craze, [IV] anyways,
it's [vi] still rock and [V] roll to [I] me.

[I] What's the matter with the [iii] crowd I'm seeing? -

[I] Should I try to be a [iii] straight A student?
"If you [bVII] are, then you think too [iii] much".

[iii] "Don't you know about the [vi] new fashion, honey?

You're [IV] sweet as a honey bee
But like a [v] honey bee stings
You've gone and [VII] left my heart in [I] pain
All you [IV] left, is our favorite song
The [v] one we danced to [VII] all night [I] long
It used to [IV] bring sweet memories
Of a [v] tender love that [VII] used to [I] be

Chorus:
Now it's the [IV] same [VII] old [I] song
But with a [v] different meaning since [I] you been [VII] gone
It's the [IV] same [VII] old [I] song
But with a [v] different meaning since [I] you been gone

[IV] [ii] x2

A sentimental [IV] fool am I to [v] hear a old love song
And [VII] wanna [I] cry
But the [IV] melody keeps haunting me
Re-[v] minding me how in [VII] love we used to [I] be
Keep [IV] hearing the part that used to touch my heart
Saying to-[v]gether forever, [VII] breaking up [I] never

Chorus

[IV] [ii] x2

Now it's the [IV] same [VII] old [I] song
But with a [v] different meaning since [I] you been [VII] gone
It's the [IV] same [VII] old [I] song
But with a [v] different meaning since [I] you been gone

Precious [IV] memories keep a lingering on
[v] Every time I hear our [VII] favorite [I] song, now you're [IV] gone
[IV] Left this emptiness, I [v] only reminisce the [VII] happiness we [I] spent
We used to [IV] dance on the music (we used to dance to the music)

[I] Down on the farm we had a pig, J. [V] Edgar was his [I] name
He'd eat up all our victuals and [V] start back up a-[I]gain
Just [IV] like them vacuum cleaners they [I] sell down in the [V] lane
Well, [I] that's how J. Edgar [V] Hoover got his [I] name

Now, momma baked a cherry pie and [V] set it out to [I] cool
So we'd have something good to eat when [V] we got home from [I] school
J. [IV] Edgar climbed up on the porch and [I] ate up all that [V] pie
When [I] we got home that mornin' we [V] heard our mamma [I] cry

[I] J. Edgar, J. Edgar, just look what you've [IV] done
You [V] ate up the cherry pie that was for every-[I]one
We made it through the dusters, and the hoppers [IV] too
But God [IV] help us, J. [I] Edgar, 'cause [V] nothin's safe from [I] you

We had an extra man named Bob he [V] wouldn't work a [I] lick
He drank bad moonshine likker, and it [V] always made him [I] sick
We [IV] rode to church on Sunday and [I] stayed a while in [V] town
When [I] we reached home at suppertime, poor [V] Bob could not be [I] found

He wasn't in the parlor, and he [V] wasn't in the [I] lane
Drinking in the pantry or [V] sleepin' in the [I] hay
His [IV] hat was in the pigpen, [I] that he always [V] wore
Poor [I] Bob won't be drinking moonshine [V] likker any-[I]more

J. Edgar, J. Edgar it just don't seem [IV] fair
You [V] ate Bob our hired hand while we were at [I] prayer
Let's say a prayer for old Bob, and our country [IV] too
God help us J. [I] Edgar, nobody's [V] safe from [I] you

[II] [vi]
Well, I'm [II] rumblin' in this [VI] JCB.
I'm [II] 5 years old and my dad's [VI] giant sitting beside me.
And the [V] engine rattles my bum like [VI] berserk
While we're singin, [V] Don't forget your shovel if you [VI] want to go to work

My dad [II] probably had a bloody hard [VI] day
But he's been [II] good fun and bubbling and [VI] joking away
And the [V] procession of cars stuck [VI] behind
They're getting [V] all impatient and angry, but [VI] we don't mind

> [NC] And we're holding up the [V] bypass
> [VI] Me and my Dad having a [V] top laugh

> [VI] And I'm so glad I'm not in [V] school, boss
> [VI] So glad I'm not in [V] school oh [II] no [VI] [II] [VI]

And we [II] pull over to let cars [VI] pass
And pull [II] off again speeding by the [VI] summer green grass
And we're like [V] giants up here in our big [VI] yellow digger
Like [V] Zoids, or Transformers, or [VI] maybe even bigger
And I [II] wanna transform into a Tyrannosaurus [VI] Rex
And [II] eat up all the bullies and the [VI] teachers and their pets
And I'll [V] tell all my mates, my [VI] Dad's B.A. Baracus
Only with a [V] JCB and Bruce Lee's [VI] nunchuckas

I [vi] wish I had [III] missed the first [vi] time that we [II] kissed
'Cause [vi] you broke [III] all your [I] promises [II]
And [IV] now you're back
You don't get to [III] get me back

[I] Who do you think you [V] are?
Running 'round leaving [vi] scars
Collecting your jar of [IV] hearts
And [iv] tearing love a-[I]part
You're gonna catch a [V] cold
From the ice inside your [vi] soul
So don't come back for [IV] me
[iv] Don't come back at [I] all

And who do you think you [V] are?

[iv] Tearing love a-[I]part

(Spoken) I ought to smash his face in.
Yeah, but he's bigger than me, in'e?
I know, I'll get my mate Barry to hit him,
he'd flatten him
Yeah but Barry's a mate of Gordon's in'e?
Oh well, I don't care
(Sing)
I don't care
I don't care
Cause she's a slag and he is a creep
She's a tart, he's very cheap
She is a slut, he thinks he's tough.....

My name is Jim the Carter, a [V] jolly cock am [II] I,
I always am contented be the weather [III] wet or [VI] dry.
I [II] snap my fingers at the snow and [V] whistle at the [II] rain,
I've [II] braved the storm for [V] many a day and [II] will do [VI] so a-[II]gain.

[II] Crack, crack, goes the whip, I [V] whistle and I [II] sing.
I sits upon my wagon I'm as [III] happy as a [VI] king.
My [II] horse is always willing, and [V] I am never [II] sad,
There's [II] none can lead a [V] jollier life than [II] Jim the [VI] carter's [II] lad.

There's [II] none can lead a [V] jollier life than [II] Jim the [VI] carter's [II] lad.

[II] The girls all smile at me as [V] we go driving [II] past,
My [II] horse is such a beauty, as he [III] jogs along so [VI] fast.
We've [II] travel'd many a weary mile but [V] happy days we've [II] had;
There's [II] nothing near as [V] jolly a sight as [II] Jim the [VI] carter's [II] lad.

[II] Crack, crack, goes the whip, I [V] whistle and I [II] sing.
I sits upon my wagon I'm as [III] happy as a [VI] king.
My [II] horse is always willing, and [V] I am never [II] sad,
There's [II] none can lead a [V] jollier life than [II] Jim the [VI] carter's [II] lad.

There's [II] none can lead a [V] jollier life than [II] Jim the [VI] carter's [II] lad.

[II] My father was a carter, [V] many years a-[II] go;
[II] Off and to the market by the first [III] thing he would [VI] go.
Some-[II]times he took me with him par-[V]ticularly in the [II] spring,
I loved to sit u-[V]pon the cart and [II] hear my [VI] father [II] sing:

[II] Crack, crack, goes the whip, I [V] whistle and I [II] sing.
I sits upon my wagon I'm as [III] happy as a [VI] king.
My [II] horse is always willing, and [V] I am never [II] sad,
There's [II] none can lead a [V] jollier life than [II] Jim the [VI] carter's [II] lad.

There's [II] none can lead a [V] jollier life than [II] Jim the [VI] carter's [II] lad.

Well [II] now I see the time has come for [V] me to bid a-[II]dieu
I [II] know my horse will weary if [III] I stay here with [VI] you
To [II] see your smiling faces here it [V] makes my heart quite [II] glad
And I hope you'll give your [V] kind applause to [II] Jim the [VI] carter's [II] lad.

repeat this last chorus

[II] Crack, crack, goes the whip, I [V] whistle and I [II] sing.
I sits upon my wagon I'm as [III] happy as a [VI] king.
My [II] horse is always willing, and [V] I am never [II] sad,
There's [II] none can lead a [V] jollier life than [II] Jim the [VI] carter's [II] lad.

There's [II] none can lead a [V] jollier life than [II] Jim the [VI] carter's [II] lad.

Across the fields we [V] go,
[V7] Laughing all the [I] way (Ho, Ho, Ho)
Bells on bobtails ring,
Making spirits [IV] bright,
What fun it is to [V] ride and sing a [V7] sleighing song to-[I]night.

[I] Jingle bells, jingle bells, jingle all the way,
[IV] Oh, what fun it [I] is to ride

[I] A day or two ago I thought I'd take a [IV] ride
[ii] And soon Miss Fannie [V7] Bright was seated by my [I] side;
The horse was lean and lank, misfortune seemed his [IV] lot,

[ii] Take the girls to-[V7]night, and sing this sleighing [I] song.

[i] There were three [III6] men came out of the West
Their [v7] fortunes for to [i] try
And [i] these three men made a [III6] solemn vow
John [v7] Barleycorn must [i] die

They [III] ploughed, they sowed, they [VII] harrowed him [v7] in
Threw [III] clods upon his [v7] head
And these [i] three men made a [III] solemn vow
John [VII] Barleycorn was [i] dead

[i] [IV] [III] [VII] [v7] [i] [i]

They [i] left him stand for a [III] very long time
Till the [VII] rains from heaven did [i] fall [i] [Isus2] [VII] [i]]
Then [i] little Sir John threw up his [III] head
And [VII] so amazed them [i] all [i] [Isus2] [VII] [i]

They [III] let him stand till the [VII] Midsummer Day
Till he [III] grew both pale and [VII] wan
Then [i] little Sir John grew a [III] great, long beard
And [VII] so become a [i] man

They [i] rolled him and tied him a-[III]round the waist
Serving [VII] him most [i] barbarous-[i]ly [Isus2] [VII] [i]

They [III] hired men with their [VII] sharp pitch-forks
To [III] prick him to the [VII] heart
But the [i] drover served him [III] worse than that

Well, John [I7] Henry was a little baby, sittin' on his papa's [V7] knee
Well he [I7] picked up a hammer and [IV7] little piece of steel,
Said, " [I7] Hammer's gonna be the death of [IV7] me, Lord, Lord;
[I7] Hammer's gonna be the [V7] death of [I7] me"

Now the [I7] captain he said to John Henry,
"I'm gonna bring that steam drill a [V7]round
I'm gonna [I7] bring that steam drill [IV7] out on the job
I'm [I7] gonna whup that steel on [IV7] down, Lord, Lord
[I7] Gonna knock that [V7] steel on [I7] down"

John [I7] Henry told his captain, "Lord, man ain't nothin' but a [V7] man
Before I [I7] let your steam drill [IV7] beat me down
I'm [I7] gonna die with a hammer in my [IV7] hand, Lord, Lord
[I7] Die with a hammer [V7] in my [I7] hand"

John [I7] Henry said to his shaker, "Shaker, why don't you [V7] sing?
'Cause [I7] I'm swingin' thirty pounds from my [IV7] hips on down
Yeah, [I7] listen to my cold steel [IV7] ring, Lord, Lord
[I7] Listen to my [V7] cold steel [I7] ring"

Well, captain [I7] said to John Henry, "I believe the mountain's caving [V7] in"
John [I7] Henry said right back [IV7] to the captain,
'Aint [I7] nothing but my hammer sucking [IV7] wind, Lord, Lord
[I7] Aint nothing but my [V7] hammer sucking [I7] wind "

Now John [I7] Henry, he hammered in the mountains, His hammer was striking [V7] fire
But he [I7] worked so hard, he [IV7] broke his poor heart
And he [I7] laid down his hammer and he [IV7] died, Lord, Lord
[I7] He laid down his [V7] hammer and [I7] died

Well every, [I7] every Monday morning, when the bluebird he begin to [V7] sing
You can [I7] hear John Henry from a [IV7] mile or more
You can [I7] hear John Henry's hammer [IV7] ring, Lord, Lord
[I7] You can hear John Henry's [V7] hammer [I7] ring

say it again!:
So [I7] you can hear John Henry's hammer [IV7] ring, Lord, Lord
[I7] You can hear John Henry's [V7] hammer [I7] ring

Deep [I] down in Louisiana close to New Orleans
Way [I] back up in the woods among the evergreens
There [IV] stood a log cabin made of earth and wood
Where [I] lived a country boy named Johnny B. Goode
Who [V7] never ever learned to read or write so well, but he
could [I] play the UKULELE like a ringin' a bell. Go!

Chorus

[I] Go go, Johnny go go
[I] Go go Johnny go go
[IV] Go go Johnny go go
[I] Go go Johnny go go [V7] go!
Johnny B. [I] Goode!

He used to [I] put his UKULELE in a gunny sack
and go [I] sit beneath a tree by the railroad track.
An [IV] engineers could see him sitting in the shade
[I] strummin' to the rhythm that the drivers made
[V7] People passing by they would stop and say
Oh [I] my but that little country boy can play. Go!

Chorus

His [I] mother told him "someday you will be a man"
And [I] you will be the leader of a big ol' band

to [I] hear your UKULELE till the sun go down

Sayin' [I] "Johnny B. Goode tonight". Go!

Johnny Cash Medley

Intro: [I] (Note: There are a couple of Key changes below)

I [I] hear the train a comin', it's rollin' 'round the bend,
And I ain't seen the sunshine, since, [I7] I don't know when,
I'm [IV] stuck in Folsom Prison, and time keeps draggin' [I] on,
But that [V7] train keeps a-rollin', on down to San An[I]tone.

When [I] I was just a baby, my Mama told me, "Son,
Always be a good boy, don't [I7] ever play with guns,"
But I [IV] shot a man in Reno, just to watch him [I] die,
When I [V7] hear that whistle blowin', I hang my head and [I] cry.
[I]/// [VI7]///

I [II] bet there's rich folks eatin' in a fancy dining car,
They're probably drinkin' coffee, and [II7] smokin' big cigars,
But I [V] know I had it comin', I know I can't be [II] free,
But those [VI7] people keep a-movin', and that's what tortures [II] me.

Well, if they [II] freed me from this prison, if that railroad train was mine
I bet I'd move it on a little [II7] further down the line,
[V] Far from Folsom Prison, that's where I want to [II] stay,
And I'd [VI7] let that lonesome whistle, blow my Blues [II] away. [II]//////

I keep a [VI] close watch on this heart of [II] mine
I keep my [VI] eyes wide open all the [II] time
I keep the [V] ends out for the tie that [II] binds
Because you're [VI] mine, I walk the [II] line

I find it [VI] very, very easy to be [II] true
I find my[VI]self alone when day is [II] through
Yes, I'll ad[V]mit that I'm a fool for [II] you
Because you're [VI] mine, I walk the [II] line

As sure as [VI] night is dark and day is [II] light
I keep you [VI] on my mind both day and [II] night
And happi[V]ness I've known proves that it's [II] right
Because you're [VI] mine, I walk the [II] line. [II]/// [III]///

You've got a [VII7] way to keep me on your [III] side
You give me [VII7] cause for love that I can't [III] hide
For you I [VI] know I'd try to turn the [III] tide
Because you're [VII7] mine, I walk the [III] line

I keep a [VII7] close watch on this heart of [III] mine
I keep my [VII7] eyes wide open all the [III] time
I keep the [VI] ends out for the tie that [III] binds
Because you're [VII7] mine, I walk the [III] line x 3

[I] There's a farm called Misery but [I] of that, we'll have none
[V7] Because we know of one that's [I] always lots of fun (Ha! Ha!)

And [I] this one's name is Jollity, be-[I] lieve me folks, it's great
For [II7] everything sings out to us, as we go through the [V7] gate

[I] All the little pigs, they grunt and howl
The [V7] cats meow
The [I] dogs bow-wow
[IV] Every-[Idim]body [I] makes a [VI7] row
[ii] Down on [V7] Jollity [I] Farm

The [V7] cats meow: [NC] Me-ow! Me-ow!
The [I] dogs bow wow: [NC] Ruff! Ruff! Ruff! Ruff!
[IV] Every-[Idim]body [I] makes a [VI7] row
[ii] Down on [V7] Jollity [I] Farm

[I] All the little birds go Tweet Tweet Tweet
The [V7] lambs all bleat:, [NC] Baaaah!
And [I] shake their feet: [NC] Rattle!
[IV] Every-[Idim]thing's a [I] perfect [VI7] treat
[ii] Down on [V7] Jollity [I] Farm

[IV] Regular as habit
The [I] cocks begin to crow (Cock-a-doodle-doo)
[IV] And the old buck rabbit
Sings [V7] "Stuff it up your jumper!" [NC] Vo-doh-dee-oh!

[I] All the little ducks go Quack Quack Quack
The [V7] cows all moo: [NC] Moo!
The [I] bull does too: [NC] Whonk!

Jolly Farmer

[I] I am a jolly farmer I've been [IV] farming all me [I] life
I live on 40 acres with me [II] parents and me [V] wife
We've got [I] two delightful children the [IV] eldest one is [I] four
We're all content and happy and we [V] ask for nothing [I] more.

But me cousins up in Dublin they won't leave us a-[V]lone
On the [I] telly and the radio you can [IV] hear the people [V] moan
They [I] want to tax the farmers and [IV] some of them de-[I]clare
That the farmers down the country are a [V] bunch of million-[I]aires

Oh it's grand to be a farmer 'till the [IV] hens refuse to [I] lay
And the rains that fall in summer time des-[II]troys your fields of [V] hay
When the [I] curse of brucellosis it's your [IV] lovely herd of [I] cows
And the queer desease you can't pronounce makes [V] bacon of your [I] sows.

With the prices fluctuatiing and there's nothing guaran-[V]teed
Sure the [I] farmer has his worries when he's [IV] many mouths to [V] feed
So come all ye [I] loyal Dublin folks the [IV] farmer is your [I] friend
Don't criticise him further or you'll [V] drive him 'round the [I] bend.

[I] The farmer grows potatoes and [IV] saves them from the [I] blight
Then he drives them up to Dublin and he's [II] driving half the [V] night
His [I] pockets may be paultry but he pays for [IV] all his [I] trips
But he's happy for the city folks they can [V] have their bags of [I] chips.

The pigeons eat his cabbage and the crows devour his [V] wheet
There's a [I] levy on his creamery and a-[IV]nother on his [V] beet
When he [I] gets a spell of sunshine his [IV] grass may turn [I] brown
And the Carrot fly gets busy on his [V] carrots in the [I] ground [VI] [II]

[II] My cousin up in Dublin has a [V] job from 9 'till [II] 5
But the poor old farmer's working every [III7] minute he's a-[VI]live
When the [II] cows require a midwife or the [V] turkey's start to fight
He [II] has to don his overalls in the [VI] middle of the [II] night.

Of Dublin can be Heaven when you stroll in Stephen's [VI] Green
But the good and [II] bad are everywhere and there's [V] plenty in be-[VI]tween
We need each [II] other badly if we're [V] hoping to sur-D]vive
So lets learn to live together and thank [VI] God we're all a-[II]live.

Oh it's grand to be a farmer 'till the [V] hens refuse to [II] lay
And the rains that fall in summer time des-[III7]troys your fields of [VI] hay
When the [II] curse of brucellosis it's your [V] lovely herd of [II] cows
And the queer desease you can't pronounce makes [VI] bacon of your [II] sows.

With the prices fluctuatiing and there's nothing guaran-[VI]teed
Sure the [II] farmer has his worries when he's [V] many mouths to [VI] feed
So come all ye [II] loyal Dublin folks the [V] farmer is your [II] friend
Don't criticise him further or you'll [VI] drive him 'round the [II] bend.

I was [I] down in Savannah, eatin' cream and bananas
When the [V7] heat just made me faint
I [V7] began to get cross-eyed, I thought I was lost, I'd
Begun to see things as they [I] ain't
As the [I] relatives gathered to see what's the matter
The doctor came to see was I [bII7] dyin'
But the [I] doctor said, "Give him jug band music
It [V7] seems to make him feel [I] just fine"

I was [V7] told a little tale about a skinny-as-a-rail
Eight-foot cowboy with a [I] headache
He was [V7] hung up in the desert swattin' rats and tryin' to get
A drink of water with his knees a-gettin' [I] mud-caked
And I'll [I] tell you in a sentence how he stumbled in to Memphis,
Tennessee, hardly crawlin', lookin' [IV] dust-baked
We [IV] gave 'im a little water, a little bit of wine
He [I] opened up his eyes, but they didn't seem to shine
Then the [I] doctor said, "Give him jug band music
It [V7] seems to make him feel [I] just fine"

[I] So if you ever get sickly, get Sis to run quickly
To the [V7] dusty closet shelf
And [V7] pull out a washboard, and play a guitar chord
And do a little do-it-your [I] self
And [I] call on your neighbors to put down their labors
And come and play the hardware in [bII7] time
'Cause the [I] doctor said, "Give him jug band music
It [V7] seems to make him feel [I] just fine"

I was [V7] floatin' in the ocean greased with suntan lotion
When I got wiped out by a [I] beach boy
He was [V7] surfin' when he hit me but jumped off his board to get me
And he dragged me by the armpit like a [I] child's toy
As we [I] staggered into land with all the waiters eatin' sandwiches
He tried to mooch a towel from the [IV] hoi polloi
He [IV] emptied out his eardrums, I emptied out mine
And [I] everybody knows that the very last line
Is "the [I] doctor said, 'Give him jug band music
It [V7] seems to make him feel just [I] fine'"

And the [I] doctor said "give him jug band music
It [V7] seems to make him feel [I] just fine"

And the [I] song he [IV] sang [I] was "The [V] Jug Of [I] Punch"

[I] Too ra loo ra loo, too ra [IV] loo ra lay,
too ra [V] loo ra loo, too ra [I] loo ra lay
[I] A small bird sat on an [IV] ivy [V] bunch
And the [I] song he [IV] sang [I] was "The [V] Jug Of [I] Punch"

What [I] more diversion can a man desire?
Than to [V] sit him down by snug [I] turf fire
Upon his knee a [IV] pretty wench
And [I] on the [IV] ta-[I]ble a [V] jug of [I] punch

[I] Too ra loo ra loo, too ra [IV] loo ra lay,
too ra [V] loo ra loo, too ra [I] loo ra lay
Upon his knee a [IV] pretty [V] wench
And [I] on the [IV] ta-[I]ble a [V] jug of [I] punch

Let the [I] doctors come with all their art
They'll [V] make no impression u-[I]pon my heart
Even a cripple for-[IV] gets his hunch
When he's [I] snug out-[IV]side [I] of a [V] jug of [I] punch

[I] Too ra loo ra loo, too ra [IV] loo ra lay,
too ra [V] loo ra loo, too ra [I] loo ra lay
Even a cripple for-[IV]gets his hunch
When he's [I] snug out-[IV]side [I] of a [V] jug of [I] punch

And if [I] I get drunk, well, the money's me own
And if [V] they don't like me they can [I] leave me alone
I'll tune me fiddle and I'll [IV] rosin me bow
And [I] I'll be [IV] wel-[I]come where-[V]ever I [I] go

[I] Too ra loo ra loo, too ra [IV] loo ra lay,
too ra [V] loo ra loo, too ra [I] loo ra lay
I'll tune me fiddle and I'll [IV] rosin me bow
And [I] I'll be [IV] wel-[I]come where-[V]ever I [I] go

And [I] when I'm dead and in my grave
No [V] costly tombstone [I] will I have
[I] Just lay me down in my [IV] native peat
With a [I] jug of [IV] punch [I] at my [V] head and [I] feet

[I] Too ra loo ra loo, too ra [IV] loo ra lay,
too ra [V] loo ra loo, too ra [I] loo ra lay
Just lay me down in my [IV] native peat
With a [I] jug of [IV] punch [I] at my [V] head [V7] and [I] feet

[III] You know I love that organic cooking, I [VI] always ask for [III] more.
And they call me Mr. [I] Natural, on [IV] down to the health food [VII] store.
I [III] only eat good sea salt, white [VI] sugar don't touch my [III] lips.
[III] And my friends is always [I] begging me to take them [IV] on,
macro-[VII]biotic [III] trips.
Yes, they [i] are.

[i] Oh, but at night I take out my strongbox, that I keep under [iv] lock and [i] key.
And I [IV] take it off to my closet, where nobody else can [VII] see.
[i] I open that door so slowly, take a peek up [iv] north and [i] south.
Then I [III] pull out a Hostess [I] Twinkie, and I [IV] pop it [VII] in my [III] mouth.

Yeah, in the [VI] daytime I'm Mr. [III] Natural, just as [VII] healthy as I can [III] be.
[III] But at night I'm a junk food [i] junkie, good [V] Lord have pity on [i] me.

[III] Well, at lunchtime you can always find me, at the [VI] Whole Earth Vitamin [III] Bar.
Just sucking on my plain white [I] yogurt, from my [IV] hand thrown pottery [VII] jar.
And [III] sippin' a little hand pressed cider, with a [VI] carrot stick for [III] dessert.
[III] And wiping my face in a [I] natural way, on the [IV] sleeve of my [VII] peasant [III] shirt.
Oh [i] yeah!

[i] Ah, but when that clock strikes midnight and I'm all [iv] by my[i] self.
[i] I work that combination, on my [IV] secret hideaway [VII] shelf.
And I [i] pull out some Fritos corn chips, Dr. Pepper and an ol' [iv] Moon [i] Pie.
Then I [III] sit back in glorious [I] expectation, of a [IV] genuine [VII] junk food [III] high.

Yeah, in the [VI] daytime I'm Mr. [III] Natural, just as [VII] healthy as I can [III] be.
[III] But at night I'm a junk food [i] junkie, good [V] Lord have pity on [i] me.

[III] My friends down at the commune, they [VI] think I'm pretty [III] neat.
[III] Oh, I don't know nothing about [I] arts and crafts,
but I [IV] give 'em all something to [VII] eat.
I'm a [III] friend to old Euell Gibbons, and I [VI] only eat homegrown [III] spice.
[III] I got a John Keats autographed [I] Grecian urn, filled [IV] up with my [VII] brown [III] rice.
Yes, I [i] do.

[i] Oh, but folks, lately I have been spotted, with a Big Mac [iv] on my [i] breath.
[IV] Stumbling into a Colonel Sanders, with a [VII] face as white as death.
[i] I'm afraid someday they'll find me, just stretched out [iv] on my [i] bed.
With a [III] handful of Pringles [I] Potato Chips, and a [IV] Ding Dong [VII] by my [III] head.

Yeah, in the [VI] daytime I'm Mr. [III] Natural, just as [VII] healthy as I can [III] be.
[III] But at night I'm a junk food [i] junkie, good [V] Lord have pity on [i] me.

[I] Just hang loose, [IV] just have fun
[V7] Sippin' on a drink or lying [I] in the sun.
[I] Don't try to fight it, there [IV] ain't no use.
[V7] When you're in Hawai'i, you should [V] just hang [I] loose.

[I] Once there was a tourist man who [IV] tried to dance.
[V7] He tried to do the hula, nearly [I] lost his pants.
[I] He didn't try fight it, said [IV] it was no use.
[V7] That's when he decided he would [V] just hang [I] loose.

[I] Just hang loose, [IV] just have fun

[I] Don't try to fight it, it [IV] ain't no use.
[V7] When you're in Hawai'i, you should [V] just hang [I] loose.

[I] Down to the hotel street [IV] by the bay,
[V7] I met a pretty girl; I [I] thought I had it made.
[I] She came up to me and said, [IV] "Hi I'm Bruce."
[V7] That's when I decided I would [V] just hang [I] loose.

[I] Just hang loose, [IV] just have fun
[V7] Sippin' on a drink or lying [I] in the sun.
[I] Don't try to fight it, it [IV] ain't no use.
[V7] When you're in Hawai'i, you should [V] just hang [I] loose.

[I] Grandpa found a naughty little [IV] hula girl.
[V7] He took that girl for a [I] little "whirl."
[I] Grandma didn't worry; [IV] she knew it was no use,
[V7] Grandma knew that Grandpa would [V] just hang [I] loose.

[I] Just hang loose, [IV] just have fun
[V7] Sippin' on a drink or lying [I] in the sun.
[I] Don't try to fight it, it [IV] ain't no use.

Ooh, her love is [I] heavenly;

You always [vi] have my, [III] unspoken pass-[i]ion
[IV] Although I [IV7] might not seem to [VII7] care

[III] I don't want [i6] clever [iv7] conver-[i]sation
[VI] I never [vi] want to work that [III] hard
[vii] mmmmm-[III7] mmmm, [VI]
I just want [vi] someone [III] that I can [i] talk to
[iv7] I want you [VII7] just the way you [III] are

[VI] I need to [VII] know that you will [v] always [I7] be
[iv7] The same old [VII7] someone that I [III] knew [III7]
[vi] What will it [II7] take till you be-[vii7]lieve in [III7] me
[vi] The way that [II] I believe in [VII7sus4] you

[III] I said I [i6] love you [iv7] and that's for-[i]ever
[VI] And this I [vi] promise from the [III] heart

[I] [I] [vi7] [vi7]/ [v]/ [IV] [IV] [I] [I]

[I] Oh her eyes, her eyes, make the stars look like they're not shining
[vi7] Her hair, her hair, falls perfectly without her trying
[IV] She's so beautiful, and I tell her every [I] day

Yeah, [I] I know, I know when I compliment her she won't believe me
[vi7] And it's so, it's so sad to think that she don't see what I see
[IV] But every time she asks me do I look okay, I [I] say

When I see your [I] face, there's not a [vi7] thing that I would change
Cause you're a-[IV]mazing, just the way you [I] are
And when you [I] smile, the whole world [vi7] stops and stares for a while
Cause girl you're a-[IV]mazing, just the way you [I] are, (yeah)

[I] Her lips, her lips, I could kiss them all day if she'd let me
[vi7] Her laugh, her laugh, she hates but I think it's so sexy
[IV] She's so beautiful, and I tell her every [I] day

Oh, you [I] know, you know, you know I'd never ask you to change
If [vi7] perfect is what you're searching for, then just stay the same
[IV] So, don't even bother asking if you look okay, you know I'll [I] say

When I see your [I] face, there's not a [vi7] thing that I would change
Cause you're a-[IV]mazing, just the way you [I] are
And when you [I] smile, the whole world [vi7] stops and stares for a while
Cause girl you're a-[IV]mazing, just the way you [I] are

The way you [I] are, the way you [vi7] are
Girl you're a-[IV]mazing, just the way you [I] are

[iii] [II] [V] [II] [II] [I]

[II] Let's get [iii] drunk
I'll pour my heart out [II] through my [V] mouth
This year's been hard for [II] us no [I] doubt
Let's raise a glass to a [II] better [I] one
Let all the things that we've [II] over-[iii] come,

[iii] Bring home to [II] us [V] 'cause, [V] me and you, we can hold this [II] out,
[I] Only you understand how I'm [II] feelin' [I] now, yeah

[II] And I [I] know, I can tell you anythin',
[V] You won't [II] judge, you're just listenin', yeah
[bii] Cause you're the best thing that ever [Imaj7] happened to me

Cause my [V] darling, you and I could take [vi7] over the world
One [Imaj7] step at a time, just you and [V] I (Just you and I)
Cause [V] you're the only one, who brings [vi7] light just like the sun
One [Imaj7] step at a time, just you and [V] I (Just you and I)

Let's get [iii] drunk
We'll reminisce a-[II]bout the [V] day, when we were broke, not [II] getting [I] paid
And taking trips on the [II] week-[I]end
When I would drop down [II] to see [iii] you and we would paint the [II] town
[V] Too many shots, I'll be [II] passing [I] out, cause I can never keep [II] up
[I] Quad vods, now I'm puking open

[II] And I [I] know, I can tell you anythin',
[V] You won't [II] judge, you're just listenin', yeah
[bii] Cause you're the best thing that ever [Imaj7] happened to me

Cause my [V] darling, you and I could take [vi7] over the world
One [Imaj7] step at a time, just you and [V] I (Just you and I)
Cause [V] you're the only one, who brings [vi7] light just like the sun
One [Imaj7] step at a time, just you and [V] I (Just you and I)

[iii] Tired of chasing paper, [I] staring at this screen
[V] Been saving up for weeks now just to [II] get to you my [iii] dear
And though you're far from my [I] home, this ain't no weekend but [V]
[V] You know my heart grows fonder, must be [II] city love

Cause my [iii] darling, you and I could take [bii] over the world
One [I] step at a time, just you and [I] I (Just you and I)
Cause my [V] darling, you and I could take [vi7] over the world
One [Imaj7] step at a time, just you and [V] I (Just you and I)
Cause [V] you're the only one, who brings [vi7] light just like the sun
One [Imaj7] step at a time, just you and [V] I (Just you and I)

English lyrics

The elepaio chirps
As midnight approaches
The `apapane sings
With his beautiful voice

Our love and intimacy
Our love and intimacy

Heard at dawn,
A song of the `i`iwi pölena
Now approaches the woman,
Attended by the birds

Our love and intimacy
Our love and intimacy

[I] I'm going to Kansas City, Kansas City here I come
I'm going to [IV] Kansas City, Kansas City here I [I] come
They got some [V7] pretty little women there,
And [IV] I'm gonna get me [I] one

[I] I'm gonna be standing on the corner, 12th Street and Vine
I'm gonna be [IV] standing on the corner, 12th Street and [I] Vine
With my [V7] Kansas City baby
And a [IV] bottle of Kansas City [I] wine

[I] Well, I might take a train, might take a plane
But if I have to walk I'm going just the same
I'm going to [IV] Kansas City, Kansas City here I [I] come
They've got some [V7] crazy looking women there
And [IV] I'm gonna get me [I] one.

[I] If I stay with that woman, I know I'm going to die
Have to find a friendly baby, that's the reason why
I'm going to [IV] Kansas City, Kansas City here I [I] come

They've got some [V7] crazy looking women there
And [IV] I'm gonna get me [I] some [V7] [I]

[IV] Chicago Charlie was a [I] good time Rome-[IV]o,
[IV] He'd love a gal, then whisper, [I7] "good-bye, cheeri-[IV]o."
Just [VI] like Napo-[ii]leon, love [vi] got [VI] Charlie, [ii] too,
Here's [V7] how Chicago [I7] Charlie said he [II] met his [I7] Waterloo.

[IV] I left Frisco [bVII] Kate, [IV] swingin' on the Golden [bVII] Gate,
When [IV] Kansas City Kitty [I7] smiled at [IV] me!
[IV] I left Ma and [bVII] Pa, [IV] out in O-maha-ha-[bVII]ha,
When [IV] Kansas City Kitty [I7] smiled at [IV] me!

She comes from [VI7] Missouri and she [II7] showed me,
Like a Texas [V7] steer she buffa-[I7]loed me;
[IV] Every Jim and [bVII] Jack got the [IV] well known Hacken-[bVII]sack,
When [IV] Kansas City Kitty [I7] smiled at [IV] me!

[IV] I just played the [bVII] chill for the [IV] famous Diamond [bVII] Lil
When [IV] Kansas City Kitty [I7] smiled at [IV] me!
[IV] Folks in New Ro-[bVII]chelle said that [IV] he ain’t done right by [bVII] Nell
When [IV] Kansas City Kitty [I7] smiled at [IV] me!

[VI7] I gave Georgia Brown my watchcase, this [II7] Sunday
And [V7] I gave Louisville Lou the works on [I7] Monday
[IV] I passed up those [bVII] Queens, I could [IV] pass up Boston [bVII] beans
When [IV] Kansas City Kitty [I7] smiled at [IV] me!

[IV] Chicago [bVII] Charlie singing [I] "no more [IV] wedding bells"
[IV] He got a sore throat singing [I] "no more [IV] baby yells"
They [VI] wake the [ii] neighbours [vi] when they [VI] start to [ii] cry
And Charlie [v] has to [I] pacify [II] them with this [I] lullaby

[IV] Men give up their [bVII] lives, lots of [IV] them give up their [bVII] wives
For a [IV] smile that Kitty [I7] smiled at [IV] me!
And [VI] once a [ii] Russian [vi] Czar took a bath in [VI] cavi-[ii]ar
For a [IV] smile like Kitty [I7] smiled at [IV] me!

[VI7] All she has to do is smile so [II7] simple
Show [V7] he pearly teeth and pretty [I] dimple
[IV] Other gals don't [bVII] start [IV] I give them the Marble [bVII] Arch
When [IV] Kansas City Kitty [I7] smiles at [IV] me!

Though we meet with the darkness and [I] strife,
the [V7] sunny side we also may [I] view.

The [I] storm and it's [IV] fury broke [I] today
crushing hopes hopes that we cherish so [V7] dear.
Clouds and storm will in time pass [I] away;

Let us [I] greet with the [IV] song of hope each [I] day,
though the moment be cloudy or [V7] fair.
Let us trust in our Saviour [I] always,

[I] Keep yer hand on yer [V] 'alfpenny

Keep yer hand on yer [V] 'alfpenny
And Molly will come to no [I] harm

[I] When Molly began to go [V] courting
Her [V7] mother was anxious to [I] tell
How certain young fellows would [V] want her
To stray down the pathway to [I] Hell

[I] Keep yer hand on yer [V] 'alfpenny
[V7] Cover it well with yer [I] palm
Keep yer hand on yer [V] 'alfpenny
And Molly will come to no [I] harm

[I] They'll hug you and kiss you so [V] sweetly
And [V7] make you feel ever so [I] nice
But handle the fellows dis-[V]cretely
And listen to this simple ad-[I]vice

[I] Keep yer hand on yer [V] 'alfpenny
[V7] Cover it well with yer [I] palm
Keep yer hand on yer [V] 'alfpenny
And Molly will come to no [I] harm

[I] Now Molly and me went out [V] courting

But down in the meadow last [V] Sunday
I whispered these words in her [I] ear
