[III] Parsley, [i] sage, [III] rose[IV]mary and [i] thyme
Remember [III] me to one who lives [VII] there

Gather it up in [III] a basket of [VII] flowers

Intro: [ii] [V] [V7] [I]

[I] Good bye to you my trusted friend,
We`ve known each other since we were [ii] nine or ten,
Together [V] we climbed hills and [I] trees,
Learned of love and A B C; [ii]
Skinned our [V] hearts and skinned our [I] knees.

Good bye my friend it`s hard to die, when all the birds are singing [ii] in the sky
Now that the [V] spring is in the [I] air.
Pretty girls are every[ii]where, think of[V] me and I`ll be there.[I]
We had joy, we had fun, we had [ii] seasons in the sun,
But the [V] hills that we climbed were just [V7] seasons out of [I] time.

[I] Goodbye Papa, please pray for me. I was the black-sheep of the [ii] family
You tried to [V] teach me right from [I] wrong,
Too much wine and too much song; [ii]
Wonder [V] how I got a-[I]long.

Good bye Papa it`s hard to die, when all the birds are singing [ii] in the sky,
Now that the [V] spring is in the [I] air.
Little children every[ii] where, when you, [V] see them I`ll be there.[I]
We had joy, we had fun, we had [ii] seasons in the sun,
But the [V] wine and the song like the [V7] seasons have all [I] gone.

[I] Good bye Michelle, my little one
You gave me love and helped me [ii] find the sun,
And every [V] time that I was [I] down.
You would always come [ii] around
And get my [V] feet back on the [I] ground

Good bye Michelle it`s hard to die, when all the birds are singing [ii] in the sky,
Now that the [V] spring is in the [I] air.
With the flowers every[ii]where,
I wish that [V] we could both be there. [I]
We had joy, we had fun, we had [ii] seasons in the sun,
But the [V] stars we could reach were just [V7] starfish on the beach. [I]
We had joy, we had fun, we had [ii] seasons in the sun,
But the [V] wine and the song like the [V7] seasons have all [I] gone.

[I] Never thought my [I] heart could be so yearny
[I] Why did I de-[V7]cide to roam?
[I] Gotta take that [IV7] sentimental journey

[i] Señor, se-[v]ñor
Can you [VI] tell me where we're [III] headin'?
Lincoln County Road or Arma-[i]geddon?
Seems like I [VII] been down this way be-[VI]fore
[iv] Is there any truth in that, se-[i]ñor?

[i] Señor, se-[v]ñor
Do you [VI] know where she is [III] hidin'?
How long are we gonna be [i] ridin'?
How long must I [VII] keep my eyes glued to the [VI] door?
[iv] Will there be any comfort there, se-[i]ñor?

There's a [III] wicked wind still blowin' on that [v] upper deck
There's an [VI] iron cross still hanging down from [i] around her neck
There's a [III] marchin' band still playin' in that [v] vacant lot
Where she [VI] held me in her arms one time and said, "[i] Forget me not"

[i] Señor, se-[i]ñor
I can [VI] see that painted [III] wagon
Smell the tail of the [i] dragon
Can't stand the [VII] suspense any [VI] more
Can you [iv] tell me who to contact here, se-[i]ñor?

Can't stand the [VII] suspense any [VI] more
Can you [iv] tell me who to contact here, se-[i]ñor?

Well, the [III] last thing I remember before I [v] stripped and kneeled
Was that [VI] trainload of fools bogged down in a [i] magnetic field
A [III] gypsy with a broken flag and a [v] flashing ring
He said, "[VI] Son, this ain't a dream no more, it's the [i] real thing"

[i] Señor, se-[i]ñor
You know their [VI] hearts is as hard as [III] leather
Well, give me a minute, let me [i] get it together
Just gotta [VII] pick myself up off the [VI] floor
[iv] I'm ready when you are, se-[i]ñor

Instrumental:
[i] Señor, se-[i]ñor
I can [VI] see that painted [III] wagon
Smell the tail of the [i] dragon
Can't stand the [VII] suspense any [VI] more
Can you [iv] tell me who to contact here, se-[i]ñor?

[i] Señor, se-[i]ñor
Let's [VI] overturn these [III] tables
Disconnect these [i] cables
This [VII] place don't make sense to me no [VI] more
Can you [iv] tell me what we're waiting for, se-[i]ñor?

Instrumental:

Intro:[ii] [IV] [I] [v]

Verse 1
I let it [ii] fall, my [IV] heart,
And as it [I] fell you rose to [v] claim it.
It was [ii] dark and I was [IV] over,
Until you [I] kissed my lips and you [Isus4] saved me

Verse 2
My hands [ii] they're [IV] strong,
but my [I] knees were far too [v] weak,
[ii] Stand in your [IV] arms
without [I] falling to your [Isus4] feet,

Pre-chorus
But there's a [bVII] side to you that I [v] never knew, never knew.
All the [ii] things you'd say, they were never true,[ii] never true,
And the [bVII] games you'd play, you [I] would always, always win.

> But I set [ii] fire to the rain,
> Watch it [I] pour as I touched your face,
> Well, it [v] burned while I cried,
> Cause I heard it screaming out your [ii] name, your [I] name

Verse 3
When I [ii] lay with [IV] you
I could [I] stay there, [v] close my eyes
Feel you [ii] here for [IV] ever,
You and [I] me together, nothing is [Isus4] better

Pre-chorus
But there's a [bVII] side to you that I [v] never knew, never knew.
All the [ii] things you'd say, they were never true,[ii] never true,
And the [bVII] games you'd play, you would [I] always, always win.

> But I set [ii] fire to the rain,
> Watch it [I] pour as I touched your face,
> Well, it [v] burned while I cried,
> Cause I heard it screaming out your [ii] name, your [I] name

I set [ii] fire to the rain
And I [I] threw us into the flames
Where I [v] felt something die,
Cause I knew that that was the last [bVII] time, the last [I] time

Bridge
Sometimes [bVII] I wake up by the [IV] door,
That heart you [vi] caught, must be waiting for [I] you,
Even [bVII] now when we're already [IV] over,
I can't [vi] help myself from looking for [I] you

> I set [ii] fire to the rain,
> Watch it [I] pour as I touch your face,
> Well, it [v] burned when I cried,
> Cause I heard it screaming your [ii] name, your [I] name

I set [ii] fire to the rain,
And I [I] threw us into the flames
Where I [v] felt something die,
Cause I knew that was the last [bVII] time,the last [I] time, oh [ii] oh,

As [I] I went home on a Monday night, as [V] drunk as drunk could [I] be
I saw a horse outside my door, where [V] my old horse should be
Well I [I] called me wife and said to her, will you [IV] kindly tell to me,
Who [I] owns that horse outside the door where [V] my old horse should [I] be,
Ha your [I] drunk, your drunk you silly old fool, still you cannot see,
That's a lovey sow, that me [V] mother sent to [I] me,
Well [I] its many a day I travelled, a hundred miles or more,
But a saddle on a sow sure I [V] never saw be-[I]fore.

And as I went home on Tuesday night as [V] drunk as drunk could [I] be,
I saw a coat behind the door where [V] my old coat should be,
Well I [I] called me wife and said to her will you [IV] kindly tell to me,
Who [I] owns that coat behind the door where [V] my old coat should be,
Ha your [I] drunk, your drunk you silly old fool, still you cannot see,
That's a woollen blanket, that me [V] mother sent to [I] me,
Well [I] its many a day I travelled, a hundred miles or more,
But a blanket with buttons on sure I [V] never saw be-[I]fore.

And as [I] I came home on a Wednesday night as [V] drunk as drunk could [I] be,

Who [I] owns that pipe upon the chair where [V] my old pipe should be,
'Ha your [I] drunk, your drunk you silly old fool, still you cannot see,
That's a lovely tin whistle, that me [V] mother sent to [I] me,
Well [I] its many a day I travelled, a hundred miles or more,
But a whistle with tobacco in sure I [V] never saw be-[I]fore.

And as [I] I went home on a Thursday night as [V] drunk as drunk could [I] be,
I saw two boots beneath the bed where my [V] old boots should be,

Who [I] owns them boots beneath the bed where [V] my old boots should be,

But laces on a geranium pot sure I [V] never saw be-[I]fore.

And as [I] I went home on a Friday night as [V] drunk as drunk could [I] be,

Extras Verses:

The next old lady was Abigail Splatter,
She went there 'cause something was surely the matter.
When she got there, it was only her bladder,
And nobody knew she was there.

The next old lady was Antoinette Boomer
She went there to see what was wrong with her bloomers
And when she found out, she wished she'd come sooner
And nobody knew she was there.

And the first lady in was the ministers daughter
She was in there an hour and a quarter
She was so skinny her bum touched the water
Nobody knew she was there

The janitor came in the early morning,
He opened the door without any warning.
The seven old ladies their seats were adorning,
And nobody knew they were there.

Ah, [I6] Shaddap you [I] face [IV] (ahh shaddap-a my face) [I]

You [I6] ought to learn this [I] song. It's [I6] really [I] simple.
You [I6] see, I [I] sing. [I6] Whatsa Matta [I] You, hey "
Then [V7] you sing the rest, and then, at the end,

Shame & Scandal

I said [V7] oh, mise[I] ry, [V7] shame and scandal in the [I] family
[V7] Oh, mise[I] ry, [V7] shame and scandal in the [I] family

Down in [I] Trinidad, there was a [V] family
With [V7] much confusion as [I] you will see
A mama and a papa and a [V] boy who was grown
He [V7] wanted to marry and have [I] wife of his own
He found a girl, she [V] suited him nice
He [V7] went to his father to [I] ask his advice
His father said, "Son, I [V] have to say no
The [V7] girl is your sister, but your [I] mama don't know"

[V7] Oh, mise-[I]ry, [V7] shame and scandal in the [I] family
I said [V7] oh, mise-[I]ry, [V7] shame and scandal in the [I] family

And then the [I] weeks went by and the [V] summer came down
[V7] Soon, the best girl on the [I] islands he found
He went to his papa to [V] make it a date
His [V7] papa shook his head and to [I] this he did say
"You can't marry that girl, I [V] have to say no
Cause the [V7] girl is your sister, but your [I] mama don't know"

[V7] Oh, mise-[I]ry, [V7] shame and scandal in the [I] family
I said [V7] oh, mise-[I]ry, [V7] shame and scandal in the [I] family

Oh, he [I] went to his mama, he [V] covered his head
He [V7] told his mom, what his [I] father had said
His mother, she laughed, she said, "[V] go man go
Your [V7] daddy ain't your daddy, but your [I] daddy don't know"

[V7] Oh, mise-[I]ry, [V7] shame and scandal in the [I] family
Well [V7] oh, mise-[I]ry, [V7] shame and scandal in the [I] family
I said [V7] oh, mise-[I]ry, [V7] shame and scandal in the [I] family

Shane And Dixie

[I]

[I] Oh Shane and Dixie, they were two-bit crooks
They wanted to be famous like you read in books
Shane had the brain and Dixie had the looks for [V] glory
As a [I] bank robber Shane really was no use
He'd end up likely at the end of the noose
Which was fine by Shane if the papers could use the [V] story [V]

> [IV] Fame and love, [I] fame and love, [V] fame and love will never die
> [IV] Fame and love, [I] fame and love, [V] fame and love will never die
> Never [I] die, [V] never [I] die

[I] Well Shane says to Dixie "We're getting nowhere
I've a fine idea if you love me, swear
We'll be household names if we only dare, for-[V]ever.
Here's [I] two bullets in my old carbine
One is yours and the other is mine
They'll find us there at the scene of the crime to-[V]gether" [V]

> [IV] Fame and love, [I] fame and love, [V] fame and love will never die
> [IV] Fame and love, [I] fame and love, [V] fame and love will never die
> Never [I] die, [V] never [I] die [I]

Well she [vi] screams, she [I] swears, [vi] she tears her [I] hair
Saying [vi] Shane, this [II] time you've [VII] lost your [V] mind
[I] Shane took aim with the sixteen bore
Dixie lay dying down there on the floor
Shane was shaken but his purpose was more in-[V]spired
[I] Shane says "Lord, what have I done
But this victory is only halfway won"
He put the barrel underneath his tongue and [V] fired [V]

> [IV] Fame and love, [I] fame and love, [V] fame and love will never die
> [IV] Fame and love, [I] fame and love, [V] fame and love will never die
> Never [I] die, [V] never [I] die [I]

[I] [II] [I] [V]

[I] They found the bodies when the neighbours complained
Shane was all over the walls like paint
Dixie looked bad but her heart beat faint but sure-[V]ly
Well they [I] saved her life, they were just in time
She turned her back on a life of crime
And she married the man who came to type out her [V] story [V]

[I] The News of the Screws most generously gave
The money helped to pay for Shane's new grave

It looked so fine till the vandals sprayed it [V] over
And [I] time took its toll and the weeds grew high
It hid Shane's grave from the curious eye
Or maybe that's why we forget those lines he [V] told us

> [IV] Fame and love, [I] fame and love, [V] fame and love will never die
> [IV] Fame and love, [I] fame and love, [V] fame and love will never die
> [IV] Fame and love, [I] fame and love, [V] fame and love will never die
> Never [I] die, [V] never [I] die
> [V] never [I] die

[IV] Dancing without a partner
[I] Swaying on the two and four
There's a [I] rythym in her [IV] footsteps
And a [I] flower in her hair
A [IV] smile on her face
Cause [IV] she's in a place where [I] she don't have a care

And it's [I] obvious to me - [I7] shake it now
[IV] This little girl ain't crazy
She's as [I7] wild as she is free
She can [I] feel it in her fingers
And it [I] moves on down her spine
And when it [IV] hits her hips
She [IV] parts her lips and you [I] know she's feeling fine

[I] Get out the way and let the girl dance
[I] Yeah she just wants to dance
[I] Yeah she just wants to slide along the floor
[I] She wanna shuffle her shoes and shake her hips
[I] She wanna wave her hands in the air

Till [VII] our wedding [I] day

She [VII] stepped away [I] from me
And she [VII] moved through the [I] fair
And [VII] fondly I [I] watched her
Move [VII] here and move [I] there

Then [VII] she went her way [I] homeward

As a [VII] swan in the [I] evening

[I] Last night she came to me
My [VII] dead love came [I] in
So [VII] softly she [I] came
That her [VII] feet made no [I] din
And [VII] she came close beside [I] me
And [VII] this she did [I] say

Thanks to the brilliant Martyn "Eek" Cooper

[I] She sits on the table in a [V] dress made of paper,
Diplomas all over the [I] wall....
One university, [V] one school of medicine,
She's overwhelmed by it [I] all.
The [I7] nurse is all sympathy, [IV] voice of experience,
[II7] Let's have a look at that [V] eye.
It's [I] going to look bad for a [V] week, maybe more.
Go on, darling, it's all right to [I] cry.

[I] How can I leave him, she is crying,
What could I do, where would I [V] go?
He didn't mean it, he will change someday
Oh, God, how he used to love me [I] so. [V] [I]

The doctor is busy, his [V] manner professional,
She finds she must look at the [I] floor.
He looks at her eye, at her [V] ribs and her arm,
And it seems every last inch is [I] sore.
The [I7] doctor is handsome, he [IV] smells of cologne,
And his [II7] figure's athletically [V] slim.
He [I] speaks disapprovingly, [V] what did you do
To deserve such a beating from [I] him?

[I] How can I leave him, she is crying,
What could I do, where would I [V] go?
He didn't mean it, he will change someday
Oh, God, how he used to love me [I] so. [V] [I]

The policeman is waiting out-[V]side in the corridor,
He speaks to her as to a [I] child.
He's friends with her husband, he's [V] angry with her,
And he asks if there'll be charges [I] filed.
She [I7] says she's not sure, she needs [IV] time to recover,
She [II7] feels beaten down in dis-[V]grace.
The po-[I]liceman asks isn't she [V] secretly glad
For a man who'll keep her in her [I] place?

[I] How can I leave him, she is crying,
What could I do, where would I [V] go?
He didn't mean it, he will change someday
Oh, God, how he used to love me [I] so. [V] [I]

[V] He didn't mean it, he will change someday
Oh, God, how he used to love me [I] so

She Was Poor But She Played The Ukulele

Billy Bennett: https://www.youtube.com/watch?v=mKhcQmIiJys

She was [I] poor but she was [IV] honest
at least she [V7] said so, to be [I] fair
till she [I] took up, the uku-[IV]lele
and it [V7] went, downhill from [I] there [I]

For she [I] met, a tenor [IV] player
who showed her [V7] things, she'd never [I] seen
such as [I] how, to pick claw-[IV]hammer
and to [V7] play B flat [I] thirteen [I]

It's the [I] same the whole world [IV] over
the be-[V7]ginner gets the [I] blame
it's the [I] smartarse gets the [IV] pleasure
ain't it [V7] all, a blooming [I] shame [I]

For he [I] plied her with some [IV] vino
ran his [V7] fingers, down her [I] frets
left her [I] with, a sopra-[IV]nino
and a [V7] whole load, of re-[I]grets [I]

It's the [I] singer, gets the [IV] groupies
while the [V7] players get the [I] beer
and the [I] poor ruddy bass [IV] player
ends up [V7] lugging all the [I] gear [I]

So she [I] ran away to [IV] Biddulph,
she thought to [V7] hide, away a [I] spell
but she [I] found, to her ann-[IV]oyance
they were [V7] at it, there as [I] well [I]

She was [I] on the stage at [IV] midnight
with an [V7] audience of [I] four
she thought that [I] if, she'd learned the [IV] piano
she would at [V7] least, have known the [I] score [I]

It's the [I] same the whole world [IV] over
you should [V7] always keep your [I] guard
the uku-[I]lele is Vi-[IV]agra
every-[V7]body finds it [I] hard [I]

Well [IV6] I may be [Idim] late but I'll be [I6] up-to-[VI7] date
When I can [II9] shimmy like my [V7] sister [I] Kate.

[V7] I went to a dance with my sister Kate;
[I] Everybody there thought she danced so great;
[V7] I realised a thing or two,
[I] When I got wise to something new:
[V7] When I looked at Kate, she was in a trance,
[I] And then I knew it was in her dance;
[IV6] All the [Idim] boys are [I6] going [VI7] wild
Over [II9] sister [V7] Katie's [I] style.

[V7] I wish I could shimmy like my sister Kate;
[I] Shake it like a bowl of jelly on a plate.
My [V7] mama wanted to know last night,
How [I] (STOP) sister Kate could do it so nice, now
[V7] All the boys in the neighbourhood
Knew [I] Katie could shimmy, and it's mighty good
Well [IV6] I may be [Idim] late but I'll be [I6] up-to-[VI7] date
When I can [II9] shimmy like my [V7] sister [I] Kate.
O [VI7] yeah, [II9] shake it like my [V7] sister [I] Kate.

Instrumental of first verse

[V7] If I could shimmy like my Kate
I'd [I] never stay home, stay out too late
I'd [V7] get my stuff about high as a kite
You [I] (STOP) know I do it for you every night, now
[V7] Now all the boys in the neighbourhood,
Knew [I] Katie could shimmy and it's mighty good
Well [IV6] I may be [Idim] late but I'll be [I6] up-to-[VI7] date
When I can [II9] shimmy like my [V7] sister [I] Kate.
O [VI7] yeah, [II9] shake it like my [V7] sister [I] Kate.

[IV]

[IV] You, you're such a big star to [vi] me
You're everything I wanna [I] be
But you're stuck in a [VII] hole and I want you to get [IV] out
I don't know what there is to [vi] see
But I know it's time for you to [I] leave
We're all just pushing a-[VII]long
Trying to figure it [vi] out, out, out

All [ii] your antici-[I]pation pulls you [VII] down
When [IV] you can have it [V] all
[IV] You can have it [I] all, all, all

> So come [IV] on, come [VI7] on, get it [ii] on
> Don't know [I] what you're waiting [VII] for
> Your time is [IV] coming don't be [V] late, hey [I] hey
> So come [IV] on, see the [VI7] light, on your [ii] face
> Let it [I] shine, just let it [bVI] sh - [VII]ine
> Let it [IV] shine

[IV] Stop being so hard on your-[vi]self
It's not good for your [i] health
I know that you can [VII] change
So [vii] clear your head and come [IV] round
You only have to open your [vi] eyes
You might just get a big sur-[i]prise
And it may feel [VII] good and [vii] you might want to [VI7] smile, smile, smile, oh

[ii] Don't you let your [I] demons pull you [VII] down
'Cause [IV] you can have it [V] all
[IV] You can have it [I] all, all, all

> So come [IV] on, come [VI7] on, get it [ii] on
> Don't know [I] what you're waiting [VII] for

> So come [IV] on, see the [VI7] light, on your [ii] face
> Let it [I] shine, just let it [bVI] sh - [VII]ine
> Let it [IV] shine

[IV] Hey, let me [bIII] know you
[VII] You're all that [bIII] matters to [IV] me
Hey, let me [bIII] show you
[VII] You're all that [bIII] matters to [IV] me

> So come [IV] on, come [VI7] on, get it [ii] on

Hey, let me [bIII] show you
[VII] You're all that [bIII] matters to [IV] me
[IV] Hey, let me [bIII] know you
[VII] You're all that [bIII] matters to [IV] me
So come on, see the light, on your [bIII] face
Let it shine just let it ([VII] shine all your [bIII] light over [IV] me)

For [vi] the moon re-[IV7]fused to [III7] shine.
[vi] Couple sitting [III7] underneath a [vi] willow tree,

[V7] Little maid was kinda 'fraid of darkness, So she [I] said, "I guess I

[II7] Boy began to [V7] sigh, [II7] looked up at the [V7] sky,
[V7] Told the moon his [II7] little tale of [V7] woe [III7]

[VI7] Shine on,
shine on harvest [II7] moon
[II7] Up in the sky
[V7] I ain't had no loving

The [vi] night was mighty [III7] dark so you could [vi] hardly [IV] see,
For the [vi] moon refused to [III7] shine.
[vi] Couple sitting [III7] underneath a [vi] willow [IV] tree,
For [vi] love they did [III7] pine,
[IV] Little maid was kinda 'fraid of [I] darkness,
So she [IV] said, "I guess I'll [III] go."
[IV] Boy began to [I] sigh, [IV] looked up at the [I] sky,
[II7] Told the moon his little tale of [V] woe [V7] Oh,

[VI7] Shine on, shine on harvest [II7] moon
[II7] Up in the sky [V7] I ain't had no loving
since [I] January [ii7] February, June or Ju-[I]ly
[VI7] Snow time ain't no time
to [II7] stay outdoors and spoon
So [V7] Shine on shine on harvest [I] moon
for [IV7] me and my [I] gal.

I [vi] can't see why a [III7] boy should sigh when [vi] by his [IV] side
Is the [vi] girl he loves so [III7] true.
[vi] All he has to [III7] say is, "Won't you [vi] be my [IV] bride,
For [vi] I love [III7] you.
[IV] Why should I be telling you this [I] secret when I [IV] know
That you can [III] guess?"
[IV] Harvest Moon will [I] smile, [IV] shine on all the [I] while,
[II7] If the little girl should answer, [V] "Yes." [V7] Oh,

[VI7] Shine on, shine on harvest [II7] moon
[II7] Up in the sky [V7] I ain't had no loving
since [I] January [ii7] February, June or Ju-[I]ly
[VI7] Snow time ain't no time
to [II7] stay outdoors and spoon
So [V7] Shine on shine on harvest [I] moon
for [IV7] me and my [I] gal.

[II] [V] [I] [IV]

All the [I] nice girls love a sailor
All the [IV] nice girls [IVdim] love a [IV] tar
For there's [II] something about a [V] sailor
Well you know what sailors [I] are
[I] Bright and breezy free and easy
He's the [IV] ladies' [III7] pride and [IV] joy
He falls in [II] love with Kate and Jane
Then he's [V] off to sea again
Ship a-[I]hoy ship a-[IV]hoy [I] [IV] [I]

When the [IV] man o' war or merchant ship comes sailing into port
The [I] jolly tar with joy will [IV] sing out land ahoy
With his [IV] pockets full of money and a parrot in a cage
He [V] smiles at all the pretty girls upon the landing [I] stage

All the [I] nice girls love a sailor
All the [IV] nice girls [IVdim] love a [IV] tar
For there's [II] something about a [V] sailor
Well you know what sailors [I] are
[I] Bright and breezy free and easy
He's the [IV] ladies' [III7] pride and [IV] joy
He falls in [II] love with Kate and Jane
Then he's [V] off to sea again
Ship a-[I]hoy ship a-[IV]hoy [I] [IV] [I]

He will [IV] spend his money freely and he's generous to his pals
While [I] Jack has got a sou there's [IV] half of it for you
[IV] And it's just the same in love and war he goes through with a smile
And [V] you can trust a sailor, he's a white man all the [I] while

All the [I] nice girls love a sailor
All the [IV] nice girls [IVdim] love a [IV] tar

Dear [I] Sir, I write this note to you to [V] tell you of me [I] plight
and [IV] at the time of [I] writing, I am [IV] not a pretty [V] sight;
me [IV] body is all [I] black and blue, me [IV] face a deathly [V] gray
and I [I] write this note to say why Paddy's [V] not at work to-[I]day.

While working on the fourteenth floor some [V] bricks, I had to [I] clear;
now, to [IV] throw them down from [I] such a height was [IV] not a good i-[V]dea.
the [IV] foreman wasn't [I] very pleased, he [IV] being an awkward [V] sod
he [I] said I'd have to cart them down the [V] ladders in me [I] hod.

Now, clearing all these bricks by hand it [V] was so very [I] slow,
so I [IV] hoisted up a [I] barrel and se-[IV]cured the rope be-[V]low.
But [IV] in me haste to [I] do the job I [IV] was too blind to [V] see
that a [I] barrelful of building bricks was [V] heavier than [I] me.

So when I untied the rope the [V] barrel fell like [I] lead
and [IV] clinging tightly [I] to the rope I [IV] started up in-[V]stead.
Well, I [IV] shot up like a [I] rocket till to [IV] my dismay I [V] found
that [I] halfway up I met the bloody [V] barrel coming [I] down.

Well, the barrel broke me shoulder as [V] to the ground it [I] sped,
and [IV] when I reached the [I] top I banged the [IV] pully with my [V] head.
Well, I [IV] clung on tight through [I] numbed with shock from [IV] this almighty [V] blow
and the [I] barrel spilled out half the bricks some [V] fourteen floors be-[I]low.

Now, when these bricks had fallen from the [V] barrel to the [I] floor
I [IV] then outweighed the [I] barrel and so [IV] started down once [V] more;
still [IV] clinging tightly [I] to the rope, [IV] I sped towards the [V] ground,
and I [I] landed on the broken bricks that [V] were all scattered [I] round.

While I lay there groaning on the ground, I [V] thought I'd passed the [I] worst,
when the [IV] barrel hit the [I] pully-wheel and [IV] then the bottom [V] burst.
A [IV] shower of bricks rained [I] down on me, I [IV] hadn't got a [V] hope
as I l[I] ay there moaning on the ground, I let [V] go of the bloody [I] rope.

The barrel than being heavier, it [V] started down once [I] more,
and [IV] landed right a-[I]cross me, as I [IV] lay upon the [V] floor.
It [IV] broke three ribs and [I] my left arm and [IV] I can only [V] say
that I [I] hope you'll understand why Paddy's [V] not at work to-[I]day.

Side by Side (Medley)

writer:Harry Woods and Gus Kahn

[I] Oh, we ain't got a barrel of [IV] mo-[I]ney,
Maybe we're ragged and [IV] fun-[I]ny;
But we'll [IV] travel [Idim] along, [I] singin' a [VI7] song,
[II7] Side [V7] by [I] side. [V7]

We got [I] married last [IV] Fri-[I]day,
The vicar said it was [IV] my [I] day,
When the [IV] crowds had gone,
[I] We settled right [VI7] down
[II7] Side [V7] by [I] side.

We got [I] ready for [IV] bed [I] then,
I got the shock of [IV] my life [I] when
Her teeth and [IV] her hair
[I] She placed on the [VI7] chair,
[II7] Side [V7] by [I] side.

[III7] I stood in frank amazement,
[VI7] When a glass eye so small,
Her arms, [II7] her legs, her bosom
[V7] She placed on a chair by the wall.

Well, I [I] was [IV] broken [I] hearted,
'Cause most of my wife had [IV] de-[I]parted,
So I [IV] slept on the chair,
[I] 'Cause there was more of her [VI7] there,
[II7] Side [V7] by [I] side.

When they've [I] all had their quarrels and [IV] par-[I]ted,
We'll be the same as we [IV] star-[I]ted;
But we'll [IV] travel [Idim] along, [I] singing a [VI7] song
[II7] Side [V7] by [I] side [V7]

[II7] Side [V7] by [I] side [VI7]
[II7] Side [V7] by [I] side [VI7]
[II7] Side… [V7] by… [I] side…

[I] Just stop your crying, it's a sign of the [vi] times
Welcome to the [V] final show

[V] Hope you're wearing your best clothes
[I] You can't bribe the door, on your way to the [vi] sky
You look pretty [V] good down here, [V] but you ain't really good...

[I] If we never learn we've been here before
[vi] Why are we always stuck and running from the bull-[V]ets, the bull-[V7]ets...

[I] We never learn we've been here before
[vi] Why are we always stuck and running from the bull-[V]ets, the bull-[V7]ets...

Chorus:
[I] Just stop your crying, it's a sign of the [vi] times
We gotta get a-[V]way from here, we gotta get a-[V7]way from here
[I] Just stop your crying, it'll be al-[vi]right
They told me that the [V] end is near, we gotta get a-[V7]way from here

[I] Just stop your crying, have the time of your [vi] life
Breakin' through the [V] atmosphere, [V] things look pretty good from here
[I] Remember everything will be al-[vi]right, we could meet a-[V]gain somewhere.
[V] Somewhere far away from here.

[I] We never learn we've been here before
[vi] Why are we always stuck and running from the bull-[V]ets, the bul-[V7]ets...
[I] We never learn we've been here before
[vi] Why are we always stuck and running from the bull-[V]et, the bull-[V7]ets...

Chorus

[I] If we never learn we've been here before
[vi] Why are we always stuck and running from the bull-[V]ets, the bull-[V7]ets...
[I] We never learn we've been here before
[vi] Why are we always stuck and running from the bull-[V]ets, the bull-[V7]ets...

[I] We don't talk enough, [vi] we should open up, [V] before it's all too much [IV]
[I] Will we ever learn [vi] we've been here before, [V] it's just what we know [IV]

[I] Stop your crying, baby it's a sign of the [vi] times
We gotta get a-[V]way, we got to get a-[IV]way
We got to get a-[I]way, we got to get a-[vi]way
We got to get a-[V]way
[V] We got to! We got to! [I] Away!

[I] [ii] [V] [I] [ii] [I] [IV] [V] [I]

[V] When you're [I] staring a few inches from the [ii] wall
[IV] And you're [V] watching simple spider begin its [I] crawl
It's just a single thread he spins that' [IV] has to break his fall
And [I] silence is the [V] slowest dance of [I] all

[V] From the greenkeeper's 'Good morning' to the [ii] birds (To the birds)
[V] To the father at the funeral, stuck for [I] words (Stuck for words)
There's a part of us that's confident, then a [IV] padded-out two thirds
Where [I] silence is the [V] slowest song of [I] all

Chorus:
[I] Silence is the cancer that [ii] wakes us in the [V] morn
[I] Turns our every sentence into [ii] weak-kneed and with-[V]drawn
We [I] wish to speak with everyone
But [IV] wish we'd not been [V] born
[I] Silence is the deadly dance
The reason spiders [V] take that chance
[I] Spin that web for flies and ants
Silence is the [V] greatest dance of [I] all [IV] [V] [I] [IV]

[V] From the [I] noise of New York traffic to Ne-[ii]pal
[IV] From [V] Hindu-Buddhist peace to barroom [I] brawl
[I] From the CEO of supermarket to the [IV] wide boy on the stall
[I] Silence is the [V] waltz that grabs us [I] all
[I] From the friendly wave of postie over [ii] hedge (Over hedge)
To the [V] two-fingered sa-[I]lute from brand new reg (Brand new reg)
[V] It could be [I] suicide, or window cleaner [IV] standing on that ledge
But [I] silence is the [V] dance that grabs us [I] all

Chorus

[I] Silence is the mortal knife that [ii] cuts into our [V] throat
[I] Gets the punchline, slices up, [ii] turns us into the [V] joke
Takes the unco-[IV]rrupted, and [I] wraps in vampire's [V] cloak...
[I] Pacific Heights to Rio slums
[I] To silence everyone succumbs
[I] Across the world, the word is mum's
[I] Silence bangs the loudest drums
[I] Silence bangs the loudest drums
[I] Silence bangs the loudest drums
[I] Silence bangs the loudest drums of [IV] all...
[I] Silence bangs the loudest drums
[I] Silence bangs the loudest drums
[I] Silence bangs the loudest drums
[I] Silence bangs the loudest drums

Chorus

[ii] The greatest dance of [V] all
[I] The greatest dance of all

I re-[I]call last Sunday [V] morning a [IV] choir from off the [I] street
Came in to sing a few old gospel [V7] songs
And I [I] heard him tell the [V] singers "there's a [IV] song my mama [I] sang
Could I hear once be-[V7]fore you move a-[I]long?"

Won't you sing me back [V] home with a [IV] song I used to [I] hear
Make my old memories come a-[V7]live
[I] Take me a-[V]way and [IV] turn back the [I] years
Sing me back [V7] home before I [I] die

[IV] Oh, Sister [vi] Josephine,
[VII] what do all these police [IV] men mean
By [ii] coming to the convent
In a [v] grim limousine,
[I] After [I7] Sister Jose-[IV]phine?

[I] While [IV] you, Sister [vi] Josephine,
[VII] You sit with your boots upon the [IV] altar screen
You [ii] smoke one last [v] cigar -
[I] What a funny nun [I7] you [IV] are!

The [vi] policemen say that Josephine's
A [ii] burglar in disguise
Big bad [vi] Norman,
Fifteen years on the [ii] run
The [V] Sisters disbelieve it
No that [I] can't be Josephine
[V] Just think about her tenderness
[V7] Towards the [Idim] younger [I7] nuns.

[IV] Oh, Sister [vi] Josephine,
[VII] They're searching the chapel
where you've [IV] been seen
The [ii] nooks and the crannies
Of the [v] nuns' canteen
[I] After [I7] Sister Jose-[IV]phine.

[I] While [IV] you Sister [vi] Josephine,
[VII] You sip one farewell [IV] Benedictine
Before [ii] your au [v] revoir -
[I] A right funny nun [I7] you [IV] are!

[vi] Admittedly her [ii] hands are big and hairy
And [vi] embellished with a curious [ii] tattoo
[V] Admittedly her voice is on the [I] deep side
And she [V] seems to shave more often
[I] Than the [V7] other [Idim] Sisters [I7] do.

[IV] Oh, Sister [vi] Josephine,
[VII] Founder of the convent [IV] pontoon team
They're [ii] looking through your bundles
Of [v] rare magazines
[I] After [I7] Sister Jose-[IV]phine.

[I] While [IV] you, Sister [vi] Josephine,
You give a [VII] goodbye sniff of [IV] benzedrine
To the [ii] convent budgeri-[v]gar -
A [I] bloody funny nun [I7] you [IV] are!

[vi] No longer will her snores
Ring through the [ii] chapel during prayers
Nor her [vi] lustful moaning
Fill the stille [ii] night
No more [V] empty bottles of altar wine
come [I] clunking from her cell
No [V] longer will the cloister toilet [I]
Seat [V7] stand [Idim] up [I7] right.

[IV] Oh, Sister Jose-[vi]phine,
[VII] Slipping through their fingers like [IV] Vaseline
[ii] Leaving them to clutch at your [v] empty crinoline,
[I] After [I7] Sister Jose-[IV]phine.

[I] While [IV] you Sister Jose-[vi]phine,
[VII] Sprinting through the suburbs [IV] when last seen
Dressed [ii] only in your wimple and your [v] rosary
A [I] right funny nun you [bII] seem [III] to [IV] be.

[vi] [vi7] [V] [V7] [IV] [IV7] [I] [I7]

[vi] Well I was sitting, [vi7] waiting, wishing
[V] You believed in [V7] superstitions
[IV] Then maybe you'd [IV7] see the [I] signs
The [vi] Lord knows that this [vi7] world is cruel
I [V] ain't the Lord, no I'm [V7] just a fool
Learning [IV] lovin' somebody [IV7] don't make them [I] love you

Must I [III] always be waiting, waiting on [vi] you [vi7] [vi] [vi7]
Must I [III] always be playing, playing your [vi] fool [vi7] [vi] [vi7]

I [vi] sang your songs, I [vi7] danced your dance
I [V] gave your friends [V7] all a chance
But [IV] putting up with them
[IV7] Wasn't worth never [I] having you [I7]
[vi] Maybe you've been through [vi7] this before
But it's [V] my first time so [V7] please ignore
The [IV] next few lines cause [IV7] they're directed at you [I] [I7]

I can't [III] always be waiting, waiting on [vi] you [vi7] [vi] [vi7]
I can't [III] always be playing, playing your [vi] fool [vi7] [vi] [vi7]

[I] I keep playing your [III] part but it's not my [IV] scene
Want [IV] this plot to [V] twist I've had [IV] enough myste-[I]ry
[I] You keep building it [III] up then shooting me [IV] down
But I'm [IV] already [V] down just [V] wait a minute
[vi] [vi7] [V] Just [V7] sitting, wai-[IV]ting [IV7]
[I] Just [I7] wait a min-[vi]ute [vi7] [V] Just [V7] sitting, wait-[IV]ing [IV7] [I] [I7]

Well, [vi] if I was in [vi7] your position
I'd [V] put down all my [V7] ammunition
I'd [IV] wonder why'd it [IV7] taken me so [I] long [I7]
But [vi] Lord knows that I'm [vi7] not you
And [V] if I was, I wouldn't [V7] be so cruel
Cause [IV] waitin' on love aint [IV7] so easy to [I] do [I7]

Must I [III] always be waiting, waiting on [vi] you [vi7] [vi] [vi7]
Must I [III] always be playing, playing your [vi] fool [vi7] [vi] [vi7]
No, I can't al[III] ways be waiting, waiting on [vi] you [vi7] [vi] [vi7]

Well, I've been [IV] singing in the bar since [IV] God knows when [IV]
Six nights a week [IV]
I [IV] rest on Sunday, then I'm [IV] back again [IV]
Six nights a [IV7] week
I [VII] stare at the same old faces [VII]
And I [VII] gaze out at the empty seats [VII]
And [I7] think of when you said [I7] goodbye
[I7] Six nights a [IV] week [IV]

[IV] Now crazy Charlie wants the [IV] same old song
[IV] Six nights a week
[IV] He puts a dollar in the tip jar and [IV] he sings along
[IV7] Six nights a week [IV7]
So I [VII] play him the one about the [VII] hotel
At the [VII] end of a lonely [VII] street
[I7] And wish that you'd walk [I7] through that door
[I7] Six nights a [IV] week

[IV] Well, [VII] six nights a week, from [VII] nine until two
Lord, what [IV] else in the world am I sup-[I7]posed to [IV] do
[VII] A week with my buddies and I'm [VII] starting to itch
I'm [V7] left to draw your face on this [I7] same old stage [I7]

[I] [vi7] [iii] - [I] [vi7] [iii]

[I] I should have [vi7] known there was some-[iii]one else
[I] Down be[vi7] low I always [iii] kept things to myself

Now I [IV] believe on nothing, [V7] not today
As I [iii] move myself out of your [VI] sight
[IV] I'll be sleeping [V7] by myself [I] tonight [vi7] [iii] [I] [vi7] [iii]

[I] I could never [vi7] go to no one [iii] else
[I] The hurt don't [vi7] show but who knows [iii] time will tell

[IV] I believe in nothing [V7] but the pain
And I [iii] can't see this turning out [VI] right
[IV] I'll be sleeping [V7] by myself [I] tonight

[I] Forever be sad and lonely
For-[III]ever never be the [IV] same
I [IV] close my eyes
[II7] Wait for the sign
[V7] Am I just waiting in vain?

[I] [vi7] [IV] [IV] [V]
[I] [vi7] [IV] [IV] [V]

[IV] I close my eyes
[II7] Wait for the sign
[V7] Am I just waiting in vain?

Oh I [I] believe in [vi7] love and [iii] disaster
[I] Sometimes the [vi7] two are just the [iii] same
I'm [IV] beginning to see what's [V7] left of me
is gonna [iii] have to be free to sur-[VI]vive
[IV] I'll be sleeping [V7] by myself [I] tonight [vi7] [IV] [IV] [V]

[IV] I believe in nothing [V7] but the pain
And I [iii] can't see this turning out [VI] right
[IV] I'll be sleeping [V7] by myself...
[IV] I'll be sleeping [V7] by myself...

[IV7] if you're gonna put me [I] down [V7]

Well, I [I] give you all my money, girl and everything I own
Well, I [IV7] give you all my money, girl and everything I [I] own
Well, [V7] some day I'm gonna get lucky,
And [IV7] down the road you know I'm [I] goin' [V7]

[I] Walking tightly, [IV] swaying slightly
[V7] You come back looking

[V7] On your lips, a faded [I] red

[I] And you know darned well
[I] I know you completely
[I] And you can't [ii] fool [V7] me, you can't fool [I] me

[I] Your brain is burning, [IV] your eyes are turning
[V7] From me you can't
[I] Face me squarely

[IV] All our learning

[I] And you know darned well
[I] I know you completely
[I] And you can't [ii] fool [V7] me
You can't fool [I] me

[I] Your hair is tumbling, [IV] fingers fumbling
[V7] For the ring I [I] gave you wildly
[I] Your steps are stumbling
[IV] Lips are mumbling
[V7] Trying to find the words for [I] me

[I] And you know darned well
[I] I know you completely
[I] And you can't [ii] fool [V7] me
You can't fool [I] me

[I] Keep on walking, [IV] no use talking
[V7] Move on fast your a

She [I] leaves home in the [iii] early morning
[IV] Waving good-[iv]bye
With an [I] absent-minded [iii] smile
[IV] I watch her [iv] go
With a [I] surge of that well-[iii]known sadness
[IV] And I have to [V] sit down for a [I] while

The [IV] feeling that I'm [V] losing her for-[I]ever [III]
And [IV] without really [V] entering her [I] world
I'm [IV] glad whenever [V] I can share her [I] laughter,
that [V] funny little [I] girl

Slipping through my [IV] fingers all the [I] time
I try to [iii] capture every min-[ii]ute
The [IV] feeling [I] in it
Slipping through my [V] fingers all the [I] time
Do I really [IV] see what's in her [I] mind
Each time I [iii] think I'm close to [ii] knowing
She [IV] keeps on [I] growing
Slipping through my [V] fingers all the [I] time

[IV] Sleep in our [iv] eyes
Her and [I] me at the [iii] breakfast table
[IV] Barely a-[iv]wake
[I] I let precious time go [iii] by
[IV] Then when she's [iv] gone
There's that [I] odd melan-[iii]choly feeling
[IV] And a sense of [V] guilt I can't [I] deny

What [IV] happened to the [V] wonderful ad-[I]ventures [III]
The [IV] places I had [V] planned for us to [I] go
([I] slipping through my fingers all the time)
[IV] Well some of that we [V] did
But most we [I] didn't
And [V] why I just don't [I] know

Slipping through my [IV] fingers all the [I] time
I try to [iii] capture every [ii] minute
The [IV] feeling [I] in it
Slipping through my [V] fingers all the [I] time
Do I really [IV] see what's in her [I] mind
Each time I [iii] think I'm close to [ii] knowing
She [IV] keeps on [I] growing
Slipping through my [V] fingers all the [I] time

[IV] Sometimes I wish that [V] I could freeze the [I] picture [III]
[IV] And save it from the [V] funny tricks of [I] time
[I] Slipping through my [IV] fin-[V]gers [I]

[ii7] [V7] [ii7] [V7] [I]

It's all [ii7] small town [V7] talk - you [ii7] know how people [V7] are
[I] They can't stand to see someone else [VI7] doing
what they'd [ii7] like to [V7] do [ii7] [V7]
It's all [ii7] small town [V7] talk - you [ii7] mustn't pay no [V7] mind.
[I] Don't believe a word - they'll try and [VI7] do it every [ii7] time [V7] [ii7] [V7]

[IV] You [V7] can't believe in [VI7] everything you hear [IV]
and only [V] half of what you [I] see
[IV] And if you're [V7] gonna be-[VI7]lieve in anyone, [V] darling, believe in [V7] me.

It's all [ii7] small town [V7] talk - and it's [ii7] a well-known [V7] fact
[I] You don't ever know how one might re-[VI7]act
to what you're [ii7] thinkin' [V7] [ii7] [V7]
And it's [ii7] small town [V7] talk - they [ii7] tell a lot of [V7] lies
It [I] makes some people crazy, they'll never rea-[VI7]lize
that they're [ii7] sink-[V7]ing [ii7] [V7]

[IV] We're only [V7] two people [VI7] trying to live together,
[IV] trying to [V7] make something [I] work. [I7]
[IV] Who are [V7] we to [VI7] judge one another? [V7] - that could cause a lot of hurt.

It's all [ii7] small town [V7] talk - you [ii7] know how people [V7] are
[I] They can't stand to see someone else [VI7] doing
what they [ii7] want [V7] [ii7] [V7]
It's all [ii7] small town [V7] talk - you [ii7] mustn't pay no [V7] mind.

Half Verse - Spoken / sung - fade it out

[IV] We're only [V7] two folks [VI7] trying to live together [IV] - trying to [V7] make it [I] wor
[IV] Who are [V7] we to [vi7] judge one another? [V7] - that could cause a lot of [V] hurt....

[I] They asked how I [ii7] knew,

[Idim] I of course re-[Imaj7]plied:
[vi7] "Something here in-[ii7]side, [V7] cannot be de-[I]nied".

[I] [vi] [ii7] [V7]

[I] They said, some day you'll [ii7] find
[V7] all whose love are [I] blind, [Iaug] oh, [IV] oh.
[Idim] When your heart's on [Imaj7] fire,
[vi7] You must rea-[ii7]lize, [V7] smoke gets in your [I] eyes.

[I] [IV] [I] [bIII7]

[bVI] So I chaffed them and gaily laughed,
to think they could [bIII7] doubt [biiidim] my [bIII7] love.
[bVI] Yet today, my love has [iv] flown away, [V7]

[I]

[I] After the turn of the [IV] century,
In the [I] clear blue skies over [V7] Germany.
Came a [I] roar and a thunder men had [IV] never heard,
Like the [V7] screamin' sound of a [I] big war bird.

[I] Up in the sky, a [IV] man in a plane,
[I] Baron von Richthoven, [V7] was his name.
[I] Eighty men tried and [IV] eighty men died,
Now they're [V7] buried together on the [I] country side.

Chorus:
[I] Ten, twenty, thirty, forty, [IV] fifty and more,
The [I] bloody Red Baron was [V7] rollin' up the score.
[I] Eighty men died tryin' to [IV] end that spree,
Of the [V7] bloody Red Baron of [I] Germany.

In the [I] nick of time, a [IV] hero arose,
A [I] funny lookin' dog, with a [V7] big black nose.
He [I] flew into the sky to [IV] seek revenge,
But the [V7] Baron shot him down; "Curses![I] Foiled again!"

Chorus

First key change ignored

[I]
Now [I] Snoopy'd swore that he'd [IV] get that man,
So he [I] asked the great pumpkin for a [V7] new battle plan.
He [I] challenged the German to a [IV] real dog fight,
While the [V7] Baron was laughing, he [I] got him in his sight.

[I] [IV] [V] [IV] (x2) [I]

Key Change

[II]
The [II] bloody Red Baron was [V] in a fix;
He [II] tried everything, but he'd [VI7] run out of tricks.
[II] Snoopy fired once, then he [V] fired twice,
And the [VI7] bloody Red Baron was [II] spinnin' out of sight.

Intro reduced

[i] [i] [i]

[i] We're walking in the air
We're [i] floating in the moonlit [VII] sky
The [iv] people far below are [VI] sleeping as we [i] fly [I]

I'm [I] holding very [i] tight
I'm [i] riding in the midnight [VII] blue
I'm [iv] finding I can fly so [VI] high above with [i] you [I]

[III] [i] [VI] [iv] [i] [i]

[i] Far across the world
The [i] villages go by like [VII] dreams
The [iv] rivers and the hills
The [VI] forests and the [i] streams

[i] Children [V] gaze [i] open-[I]mouthed
[IV] Taken by sur-[VII]prise
[vii] Nobody [III] down below be-[VI]lieves [ii] their [V] eyes

We're [i] surfing in the air
We're [i] swimming in the frozen [VII] sky
We're [iv] drifting over icy
Moun-[VI]tains floating [i] by

[III] [i] [III] [i] [VI] [iv] [i] [i]

[V] Suddenly [i] swooping low
[IV] On an ocean [VII] deep
[vii] Rousing up a [III] mighty monster [VI] from [ii] his [V] sleep

We're [i] walking in the air
We're [i] dancing in the midnight [VII] sky
And [iv] everyone who sees us [VI] greets us as [i] we [I] fly

[I] [I] [ii] [V] [I] [IV] [I] [V]

[I] Give me a man who's a [IV] man amongst [ii] men
Who'll [V7] stow his white collar and [I] put down his pen.
We'll [I] blow down a mountain and [IV] build you a [ii] dam
Much [V7] bigger and better than [I] old Uncle Sam.

> CHORUS
>
> And It's [I] roll, roll, [ii] roll on your [V7] way,
> Snowy River [I] roll on your way.
> [vi] Roll on your way until [IV] Judgement [ii] Day.
> [V7] Snowy River [I] roll.

[I] Sometimes it's raining and [IV] sometimes it's [ii] hail,
And [V7] sometimes it blows up a [I] blizzardly gale.
[I] Sometimes there's fire and [IV] sometimes there's [ii] flood,
And [V7] sometimes you're up to your [I] eyeballs in mud!

> CHORUS
>
> And It's [I] roll, roll, [ii] roll on your [V7] way,
> Snowy River [I] roll on your way.
> [vi] Roll on your way until [IV] Judgement [ii] Day.
> [V7] Snowy River [I] roll.

[I] Give me bulldozers and [IV] tractors and [ii] hoses
And [V7] diesels to ease all my [I] troubles away.
With the [I] the help of the Lord and of [IV] good Henry [ii] Ford
The [V7] Snowy will roll on her [I] way.

> CHORUS
>
> And It's [I] roll, roll, [ii] roll on your [V7] way,
> Snowy River [I] roll on your way.
> [vi] Roll on your way until [IV] Judgement [ii] Day.
> [V7] Snowy River [I] roll.

[I] Don't bring your sweetheart un-[IV]less she's your [ii] wife,
For [V7] here you must follow the [I] bachelor life.
When [I] woman is woman a [IV] man is a [ii] fool!
You [V7] get much more work from a [I] bow-legged mule.

> CHORUS
>
> And It's [I] roll, roll, [ii] roll on your [V7] way,
> Snowy River [I] roll on your way.
> [vi] Roll on your way until [IV] Judgement [ii] Day.
> [V7] Snowy River [I] roll.

[V] You're so [IV] far away from [I] me
[V] You're so [IV] far away from [I] me

[I] Here I am again in this [V] mean old town
And you're so far a[I]way from me
And [I] where are you when the [V] sun goes down
You're so far a[I]way from me

[IV] So far a[vi]way from me
[V] So far I [I] just can't see
[IV] So far a[vi]way from me
[V] You're so [IV] far away from [I] me
[V] You're so [IV] far away from [I] me
[V] You're so [IV] far away from [I] me

[I] I'm tired of being in love and being [V] all alone
When you're so far a[I]way from me
I'm [I] tired of making out on the [V] telephone
And you're so far a[I]way from me

[IV] So far a[vi]way from me
[V] So far I [I] just can't see
[IV] So far a[vi]way from me
[V] You're so [IV] far away from [I] me
[V] You're so [IV] far away from [I] me
[V] You're so [IV] far away from [I] me

[I] I get so tired when I [V] have to explain
When you're so far a[I]way from me
See [I] you been in the sun and [V] I've been in the rain
And you're so far a[I]way from me

[IV] So far a[vi]way from me
[V] So far I [I] just can't see
[IV] So far a[vi]way from me
[V] You're so [IV] far away from [I] me

[i7] [VI] [v7] [i7]

When you walked into the room
There was voodoo in the vibes
I was [iv7] captured by your style
But I could not catch your [i7] eyes
Now I [i7] stand here helplessly [VI]
Hoping [v7] you'll get into me

I am [i7] so into you
I can't think of nothin' else
I am [iv7] so into you
I can't think of nothin' [i7] else

Thinking [i7] how it's going to be [VI]
Whenever I [v7] get you next to [iv7] me
It's gonna be good, don't you [i7] know
From your head to your toe
Gonna love you all [iv7] over, over and over
[v7] Me into you, you into me, me into you

[iv7] I am so into [i7] you
[iv7] I am so into [v7] you, ooh, ooh, ooh, ooh, ooh, [i7] ooh

When you [i7] walked into the room
There was voodoo in the vibes
I was [iv7] captured by your style
But I could not catch your [i7] eyes
Now I stand here helplessly, yeah
Hoping you get into me

I am so into you
I can't get to nothin' else
I am [iv7] so into you, baby
I can't get to nothin' [i7] else
No, no, no, come on [iv7] baby
I am so into [i7] you

Love the things I do
Listen, [iv7] baby
Driving me crazy, oh, oh, [i7] oh
Come on, [iv7] baby, oo-ooh
I am so into [i7] you

Love the things you do
[iv7] Come on baby

So Long It's Been Good To Know You

artist:The Spinners (UK) writer:Woody Guthrie

https://www.youtube.com/watch?v=swkth9JuEjk

[I] So long it's been good to know ya
[V7] So long it's been good to know ya
[I] So long it's [IV] been good to know ya
What a [I] long time since [V] I've been home
And I've [I] gotta be [V] drifting a-[I]long

[I] I've sung this song but I'll [ii] sing it a[V] gain
Of the [I] people I've met and the [ii] places I've [V] seen
Of [I] some of the troubles that [IV] bothered my mind
And a [I] lot of good people that [V] I've left be-[I]hind saying

[I] So long it's been good to know ya
[V7] So long it's been good to know ya
[I] So long it's [IV] been good to know ya
What a [I] long time since [V] I've been home
And I've [I] gotta be [V] drifting a-[I]ong

[I] The sweethearts they sat in the [ii] dark and they [V] sparked
They [I] hugged and they kissed in that [ii] dusty old [V] dark
They [I] sighed and they cried and they [IV] hugged and they kissed
But in[I] stead of marriage they [V] talked like [I] this honey

[I] So long it's been good to know ya
[V7] So long it's been good to know ya
[I] So long it's [IV] been good to know ya
What a [I] long time since [V] I've been home
And I've [I] gotta be [V] drifting a-F]long

[I] I went to your family I [ii] asked them for [V] you
They [I] all said take her oh [ii] take her please [V] do
She [I] can't cook or sew and she [IV] won't scrub your floor
So I [I] put on my coat and tip-[V] toed out the [I] door singing

[I] So long it's been good to know ya
[V7] So long it's been good to know ya
[I] So long it's [IV] been good to know ya
What a [I] long time since [V] I've been home
And I've [I] gotta be [V] drifting a-[I]long

[I] I walked down the street to the [ii] grocery [V] store
It was [I] crowded with people both [ii] rich and both [V] poor
I [I] asked the man how his [IV] butter was sold
He said [I] one pound of butter for [V] two pounds of [I] gold I said

[I] So long it's been good to know ya
[V7] So long it's been good to know ya
[I] So long it's [IV] been good to know ya
What a [I] long time since [V] I've been home
And I've [I] gotta be [V] drifting a-[I]long

[I] My telephone rang and it [ii] jumped off the [V] wall
[I] That was the preacher [ii] making a [V] call
[I] He said we're waiting to [IV] tie the knot
[I] You're getting married be-[V]lieve it or [I] not
[I] Well the church it was jammed and the [ii] church it was [V] packed
The [I] pews were crowded from the [ii] front to the [V] back
A [I] thousand friends waited to [IV] kiss my new bride
But [I] I was so anxious I [V] rushed her out-[I]side told them

[I] So long it's been good to know ya
[V7] So long it's been good to know ya
[I] So long it's [IV] been good to know ya
What a [I] long time since [V] I've been home
And I've [I] gotta be [V] drifting a-[I]long

[I] [Isus4] [I] [Isus4]

Come [I] over to the window my little [ii] darling
[IV] I'd like to try to read your [I] palm
[VII] I used to think I was some kind of [IV] gypsy boy
[vi] Before I let you take me [V7] home

Chorus:
Now [I] so long Marianne [vi] it's time we began
To [V7] laugh and cry and cry and laugh about it [I] all again [Isus4] [I] [Isus4]

[I] Well you know that I love to [ii] live with you
[IV] But you make me forget so very [I] much
[VII] I forget to pray for the [IV] angels
And then the [vi] angels forget to pray for [V7] us

Chorus

[I] We met when we were [ii] almost young
[IV] Deep in the green lilac [I] park
[VII] You held on to me like I was a [IV] crucifix
[vi] As we went kneeling through the [V7] dark

Chorus
[I] Your letters they all say that you're be[ii]side me now
[IV] Then why do I feel a[I]lone
[VII] I'm standing on a ledge and your [IV] fine spider web
Is [vi] fastening my ankle to a [V7] stone

Chorus
[I] For now I need your [ii] hidden love
[IV] I'm cold as a new razor [I] blade
[VII] You left when I told you I was [IV] curious
[vi] I never said that I was [V7] brave

Chorus
[I] Oh you are really such a [ii] pretty one
[IV] I see you've gone and changed your [I] name again
[VII] And just when I climbed this whole [IV] mountainside
[vi] To wash my eye[V7]lids in the rain

Chorus

[I] So long, Mom, I'm [I7] off to drop the bomb
So [IV] don't wait [iv] up for [I] me
[IV] But while you swelter down [I] there in your [VI7] shelter
[II7] You can see me [V7] on your TV

While [I] we're attacking [iv6] frontally
Watch [I] Brinkally and [iv6] Huntally
[I] Describing contra-[iv6]puntally
The [IV] cities we have [III] lost
No [IV] need for you to [I] miss a [VI7] minute
Of the [II7] agonizing [V] holo-[I]caust, ye[V]ah

[I] Little Johnny Jones, he was a [V] US pilot
And no shrinking violet was [I] he [V]
[I] He was mighty proud when World War [II7] Three was declared
He wasn't scared, no sir-[V7]ee!
And this is what he said on his [I] way to Arma-[II7]ged-[V7]don

[I] So long, Mom, I'm [I7] off to drop the bomb
So [IV] don't wait [iv] up for [I] me
But [IV] though I may roam I'll come [I] back to my [VI7] home
Al-[II7]though it may be a [V7] pile of debris

Re-[I]member, [iv6] Mommy, I'm [I] off to get a [iv6] commie
So [I] send me a [iv6] salami, and [IV]try to smile some-[III]how
I'll [IV] look for you when the [I] war is o-[VI7]ver
An [II7] hour and a [V] half from [I] now [V] [I]

[V]Just get [IVadd9] an [V] electric [IVadd9] guitar
Then [V] take some [IVadd9] time and learn [V] how to [IVadd9] play

[I] And with your hair [II7] swung right
And your [V7] pants too tight
It's gonna be [I] alright

[V] [IVadd9] [V] [IVadd9] x4

[V] Then it's [IVadd9] time to [V] go [IVadd9] downtown
Where the [V] agent [IVadd9] man won't [V] let you [IVadd9] down
[V]Sell your [IVadd9] soul to the [V] company [IVadd9]
Who are [V] waiting there to [IVadd9] sell [V] plastic-ware [IVadd9]

[I] And in a [II7] week or two
If you [V7] make the charts
The girls'll [I] tear you apart

[V] [IVadd9] [V] [IVadd9] x4

[V] The price [IVadd9] you paid for your [V] riches and [IVadd9] fame
Was it [V] all a strange [IVadd9] game?
You're a [V] little [IVadd9] insane

[V] The money, the [IVadd9] game and the [V] public [IVadd9] acclaim
Don't [V] forget what you [IVadd9] are you're a [V] rock 'n' roll [IVadd9] star

When [I] I was just a [IV] little bit bitty [I] girl
Up [IV] on my daddy's [I] knee
He [IV] used to [V] say my [I] darling dear
Take [bII] this advice from [V] me
There's a [I] north of Ireland [I7] saying
It is [IV] old but it is [I] true
When [IV] things get tough and the [I] goings rough
Here's [bII] what you've got to [V] do

Soap your [I] arse
and slide [I7] backwards up a [IV] rainbow
Yes my [V] dear that is my advice to [I] you [V]
Soap your [I] arse
and slide [I7] backwards up a [IV] rainbow
Don't be sad or be [I] glum
Put the soap to your [V] bum
And the skies will turn [I] blue

Now the years [I] passed by I have children of my own
And their [IV] world is full of [I] strife
And they [IV] asked me what's the [I] secret
Of my [bII] long and happy [V] life
They're [I] so filled up with [I7] sorrow
And with [IV] gloom they want to [I] cry
They [IV] feel so blue what [I] can they do?

Soap your [I] arse
And slide [I7] backwards up a [IV] rainbow
Yes you'll [V] find it's a very happy [I] ride [V]
Soap you're [I] arse
and slide [I7] backwards up a [IV] rainbow

And a slippy back-[I]side

Soap your [I] arse
And slide [I7] backwards up a [IV] rainbow

Soldier

[I] [V] [V] [I]

[I] In a station in the city a [V] British soldier stood
[V] Talking to the people there [I] if the people would
[I] Some just stared in hatred, and [V] others turned in pain
[V] And the lonely British soldier wished he [I] was back home again

Come [IV] join the British Army! said the [I] posters in his town
[V] See the world and have your fun come [I] serve before the Crown
The [IV] jobs were hard to come by and he [I] could not face the dole
So he [V] took his country's shilling and en-[IV] listed on the [I] roll

[I] For there was no fear of fighting, the [V] Empire long was lost
[V] Just ten years in the army getting [I] paid for being bossed
[I] Then leave a man experienced a [V] man who's made the grade
[V] A medal and a pension some [I] mem'ries and a trade

[I] Then came the call to Ireland as the [V] call had come before
[V] Another bloody chapter in an [I] endless civil war
[I] The priests they stood on both sides the [V] priests they stood behind
[V] Another fight in Jesus name the [I] blind against the blind

[IV] The soldier stood between them [I] between the whistling stones
And [V] then the broken bottles that [I] led to broken bones
The [IV] petrol bombs that burnt his hands the [I] nails that pierced his skin
And [V] wished that he had stayed at home su-[I] rrounded by his kin

The station filled with people the [V] soldier soon was bored
But better in the station than [I] where the people warred
The room filled up with mothers with [V] daughters and with sons
Who stared with itchy fingers at the [I] soldier and his gun

A yell of fear a screech of brakes the [V] shattering of glass
The window of the station broke to [I] let the package pass
A scream came from the mothers as they [V] ran towards the door
Dragging children crying from the [I] bomb upon the floor

The soldier stood and could not move his [V] gun he could not use
He knew the bomb had seconds and not [I] minutes on the fuse
He could not run to pick it up and [V] throw it in the street
There were far too many people there too [I] many running feet

Take [IV] cover! yelled the [ii] soldier, Take [I] cover for your lives
And the [V] Irishmen threw [iii] down their young and [I] stood before their wives
They [IV] turned towards the soldier their [I] eyes alive with fear
For [IV] God's sake save our [iii] children or they'll [IV] end their short lives [I] he

The soldier moved towards the bomb his [V] stomach like a stone
Why was this his battle God [I] why was he alone
He lay down on the package and he [V] murmured one farewell
To those at home in England to [I] those he loved so well

He saw the sights of summer felt the [V] wind upon his brow
The [iii] young girls in the [V] city parks how [I] precious were they now
The soaring of the swallow the [vii] beauty of the [V] swan
The music of the turning world so [I] soon would it be gone

A muffled soft explosion and the [V] room began to quake
The soldier blown across the floor his [I] blood a crimson lake

And the [IV] crowd they clapped and cheered and they [I] sang their rebel songs
One [IV] soldier less to [V] interfere where [I] he did not belong

And [IV] will the children growing up learn [I] at their mothers' knees
The [vi] story of the [VII] soldier who [I] bought their liberty

Who [V] gave his life to those who called him [I] murderer not friend

[V] I see how this love can do [II] terrible [V] things to you
[I] And this one is [vii] slowly tearing me a-[vi] part (oh [ii7] yes it is baby)
[V] Causing me so much pain [II] out of something I [V] can't explain
[I] How I could love some-[vii] one who keeps breaking my [vi7] heart
[II7] When I know that ...

[V] Some bridges [vii] need burning doo-[I]own
Es-[V]pecially when they [vii] keep taking me back to [I] your side of town
Where I am [vi7] too weak to fight
Where it [vii] feels so right
When-[iii]ever you [II] hold me [I] tight
Some [V] bridges need [vi7] burning
And I'm [ii7] burning this [II7] bridge to-[V]night (Yes I am)

I know you will always be [II] a love that's out of [V] reach for me
[I] And you are leading me [vii] down a dead end [vi7] street

[V] [bi] [iii] [I]

I [V] heard that you're [bi] settled down
That you [iii] found a girl and you're [I] married now.
[V] I heard that your [bi] dreams came true.
Guess she [iii] gave you things I didn't [I] give to you.

[V] Old friend, why are you [bi] so shy?
Ain't like [iii] you to hold back or [I] hide from the light.

I [bIIsus2] hate to turn up out of the [biv7] blue uninvited
But I [I] couldn't stay away, I couldn't fight it.
I had [bIIsus2] hoped you'd see my face and [biv7] that you'd be reminded
That for [I] me it isn't over.

[V] Never mind, I'll [bII] find someone like [iii] you
[I] I wish [V] nothing but the [bII] best for [iii] you [I] two
Don't for [V]get me, I [bII] beg , I'll re [iii]member you [I] said,
"Sometimes it [V] lasts in love but [bII] sometimes it hurts in [iii]stead,
[I] Sometimes it [V] lasts in love
but [bII] sometimes it hurts in [iii]stead" [I] yeah

[V] You know how the [bi] time flies
Only [iii] yesterday was the [I] time of our lives
We were [V] born and raised in a [bi] summer haze
Bound [iii] by the surprise of our [I] glory days

I [bIIsus2] hate to turn up out of the [biv7] blue uninvited
But I [I] couldn't stay away, I couldn't fight it.
I had [bIIsus2] hoped you'd see my face and [biv7] that you'd be reminded
That for [I] me it isn't over.

[V] Never mind, I'll [bII] find someone like [iii] you [I]

[bII] Nothing compares, no worries or cares
Re [iii]grets and mistakes, they are memories made.
[I] Who would have known how bitter [bII]sweet [V] this would [I] taste? [bII7]

[V] Never mind, I'll [bII] find someone like [iii] you [I]

I can [I7] see it in your [v7] eyes that you des[I7]pise
The same old lines you heard the [IVmaj7] night before
And [II7] though it's just a [vi7] line to you for [II7] me it's true
And never seemed so [ii7] right be[V7]fore [ii] [V7]

I [I] practise every [vi7] day to find some [Imaj7] clever lines to [I] say
To make the [ii] meaning come [V7] true [ii7] [V7]
But [ii] then I think I'll [V7] wait until the [ii7] evening gets [V7] late
and I'm [Imaj7] alone with [vi7] you [Imaj7]

The [I] time is right your [v7] perfume fills my [I7] head
The stars get red and oh the [IVmaj7] night's so blue [bVI]
And [ii] then I go and [V7] spoil it all by [ii7] saying something [V7] stupid

[I] I remember well the [V] day we wed, I can [IV] see that picture [I] in my head.
I [IV] still believe the [I] words we said [ii] forever will ring [V] true.
[I] Love is certain, [V] love is kind, [IV] love is yours and [I] love is mine.
But it [IV] isn't something [I] that we find, it's [V] something that we [I] do.

It's [I] holding tight, [V] lettin' go, it's [IV] flying high and [I] laying low
[IV] Let your strongest [I] feelings show, [ii] and your weakness [V] too
It's a [I] little and a [V] lot to ask, an [IV] endless and a [I] welcome task
Love [IV] isn't something [I] that we have, it's [V] something that we [I] do

[IV] We help to make each other [iii] all that we can be
Though we can [ii] find our strength and inspiration [I] independently
The [IV] way we work together is what [I] sets our love apart
So [bIII] closely that we can't tell where I [ii] end and where you [V] start

It [I] gives me heart re-[V]membering how we [IV] started with a [I] simple vow.
There's [IV] so much to look [I] back on now, [ii] still it feels brand [V] new.
We're [I] on a road that [V] has no end, and [IV] each day we be-[I]gin again.
Love's [IV] not just something [I] that we're in, it's [V] something that we [I] do.

We're [I] on a road that [V] has no end, and [IV] each day we be-[I]gin again.
Love's [IV] not just something [I] that we're in, it's [V] something that we [I] do.

[IV] We help to make each other [iii] all that we can be
Though we can [ii] find our strength and inspiration [I] independently
The [IV] way we work together is what [I] sets our love apart
So [bIII] closely that we can't tell where I [ii] end and where you [V] start

[I] Love is wide, [V] love is long, [IV] love is deep and [I] love is strong.
[IV] Love is why I [I] love this song, and I [ii] hope you love it [V] too.
I re-[I]member well the [V] day we wed, I can [IV] see that picture [I] in my head.
Love [IV] isn't just those [I] words we said, it's [V] something that we [I] do.

There's [IV] no request too [I] big or small, we [ii] give ourselves, we [I] give our all.
Love [ii] isn't someplace [I] that we [IV] fall, it's [V] something that we [I] do.

[ii] I'm getting old and I need [V7] something to rely on
[vi] So tell me when [iii] you're gonna let me in
[ii] I'm getting tired and I need [V7] somewhere to begin

[IV] So if you have a [ii] minute, why don't [V] we go
[IV] Talk about it [ii] somewhere only [V] we know?
[IV] This could be the [ii] end of every[V]thing
[IV] So why don't we go
[V] Somewhere only we know
[vi] Somewhere only [V] we know [I]

[I] Somewhere [vi] over the rainbow, [IV] way up [I] high, [I7]
[IV] There's a [I] land that I heard of, [V] once in a lulla[I]by

[I] Somewhere [vi] over the rainbow, [IV] way up [I] high, [I7]
[IV] There's a [I] land that I heard of, [V] once in a lulla[I]by

[I] Somewhere [vi] over the rainbow, [IV] skies are [I] blue, [I7]
[IV] And the [I] dreams that you dare to [V] dream really do come [I] true
[I] Someday I'll wish upon a star,
And [IV] wake up where the clouds are far [vi] behind me
Where [I] troubles melt like lemon drops,
A[II]way above the chimney tops, that's [vi] where you'll [V] find me

[I] Somewhere [vi] over the rainbow, [IV] bluebirds [I] fly, [I7]
[IV] Birds fly [I] over the rainbow, [V]why then, oh why can't [I] I?

[IV] Well, I got time on my hands and I got [bVII] you on my mind

[bVII] you may be looking for [IV] someone
[bVII] someone may be looking for [IV] you
[bVII] someday you'll awaken and [IV] open your eyes

Son Of A Preacher Man

artist:Dusty Springfield writer:John Hurley and Ronnie Wilkins

I think E7 sounds good all through this

[I] [iv] [I] [I] [iv] [I]

[I] Billy Ray was a preacher's son
And when his [IV] daddy would visit he'd [I] come along
When they'd gather 'round and started talking
[V7] Cousin Billy would take me walking
through the back yard we'd go walking
Then he'd look into my eyes
Lord knows to my surprise

The [I] only one who could ever reach me
[IV] Was the son of a [I] preacher man
The only boy who could ever teach me
[IV] Was the son of a [I] preacher man
Yes he was, he [v] was [IV] Oh, yes he was [I] [iv] [I]

[I] Being good isn't always easy
[IV] No matter how [I] hard I tried
When he started sweet talking to me
[V7] He'd come and tell me everything is all right
He'd kiss and tell me everything is all right
Can I get away again tonight

The [I] only one who could ever reach me
[IV] Was the son of a [I] preacher man
The only boy who could ever teach me
[IV] Was the son of a [I] preacher man,
Yes he was, he [v] was------[IV] lord knows he was. (yes he [VII] was)

[VII] How well I remember [IV] the look that was in his eyes
Stealin' kisses from me on the sly
[V7] Takin' time to make time
Tellin' me that he's all mine
[I7] Learnin' from each other's knowing
Lookin to see how much we'd grown and

The [IV] only one who could ever reach me, [VII] was the son of a [IV] preacher man
The only boy who could ever teach me, [VII] was the son of a [IV] preacher man
Yes he was, he [I] was, [VII7] ooh yes he was

The [IV] only one who could ever reach me,
[VII] He was the sweet talkin son of a [IV] preacher man
The only boy who could ever teach me, [VII] aah, the kiss stealing son of a [IV] preacher man.
The [IV] only one who could ever move me, [VII] the sweet talkin son of a [IV] preacher man
The only one who could ever groove me [VII] was the son of a [IV] preacher man

[iii] To breathe a [vi] sigh or [ii] two [V]
[I] I would be [V] happy just to [vi] hold the hands I [IV] love
[I] Upon this [V] winter night with [I] you

[I] The smoke is [V] rising in the [vi] shadows over-[IV] head
[I] My glass is al-[V] most [I] empty [V]
[I] I read [V] again between the [vi] lines upon each [IV] page
[I] The words of [V] love you [I] sent me

[I] If I could [V] know within [IV] my [V] heart
[iii] That you were [vi] lonely [ii] too [V]
[I] I would be [V] happy just to [vi] hold the hands I [IV] love
[I] Upon this [V] winter night with [I] you

[I] The fire is [V] dying now, my [vi] lamp is growing [IV] dim
[I] The shades of [V] night are lifting [I]
[I] The morning [V] light steals [vi] across my window [IV] pane
[I] Where webs of [V] snow are [I] drifting

[I] If I could [V] only [IV] have you [V] near
[iii] To breathe a [vi] sigh or [ii] two [V]
[I] I would be happy [V] just to [vi] hold the hands I [IV] love
[I] And to be [V] once again with with [iii] you [vi]
[IV] And be [V] once again with with [I] you

Thanks to William Kizer for some updates to this song

[i] I've been so many places in my [V7] life and time
[III] I've sung a lot of songs, I've made some [IV7] bad rhymes
[VI] I've acted out my life in [v] stages
with [iv] ten thousand people [v] watching
[VI] But we're [v] alone now
and I'm [iv] singing this song for [III] you

[i] I know your image of me is what I [V7] hope to be
[III] I treated you unkindly but darling [IV7] can't you see
[VI] There's no one more important [v] to me
[iv] Baby can't you please see [v] through me
[VI] Cause we're a-[v]lone now
And I'm [iv] singing this song for [III] you

[i] You taught me precious [V7] secrets of the
[III] Truth, withholding [IV7] nothing
[VI] You came out in [VII] front when I was [III] hiding [v]
But [i] now I'm so much [v] better and if
[III] My words don't come [IV7] together
[VI] Listen to the mel-[v]ody cause my [iv] love is in there [VII] hiding

[i] I love you in a place where there's no [V7] space or time
[III] I love you for my life you're a [IV7] friend of mine
And [VI] when my life is [v] over
[iv] Remember when we were [v] together [iv] we were a-[v]lone

[I] [vi] [ii] [V] x2

Snowflakes [I] fall like little flower petals [vi] softly, tumb-[ii]ling down [V]
Mister [ii] snowman with his wooden gun is [V7] guarding,
this old [I] town [vi] [ii] [V]
And each [I] Christmas [vi] tree with star-light [I7] glistening,

https://www.youtube.com/watch?v=AygRmWnow1w F so capo 3

[I] [IV] [I] [IV] [I]

I was [V] standing at the counter, I was waiting for the change
When I [V] heard that old familiar music [I] start
It was [V] like a lighted match had been tossed into my soul
It was [V] like a dam had broken in my [I] heart
After [IV] taking every detour, getting lost and losing track
So that [I] even if I wanted, I could not find my way back
After [IV] driving out the memory of the way things might have been
[V] After I'd forgotten all about us
The song remembers [I] when [IV]

We were [V] rolling through the Rockies, we were up above the clouds
When a [V] station out of Jackson played that [I] song
And it [V] seemed to fit the moment, and the moment seemed to freeze
When we [V] turned the music up and sang a-[I]long
And there [IV] was a God in heaven, and the world made perfect sense
We were [I] young and were in love, and we were easy to convince
We were [IV] headed straight for Eden, it was just around the bend
[V] And though I have forgotten all about it
The song remembers [I] when

I guess [IV] something must have happened
And we must have said good-[vi]bye
And my [II7] heart must have been broken
Though [V] I can't recall just why
[NC] The song remembers [I] when [IV] [I] [IV]

Well, for [V] all the miles between us, and for all the time that's past
You would [V] think I haven't gotten very [I] far
And I [V] hope my hasty heart, will forgive me just this once
If I [V] stop to wonder how on earth [I] you are
But that's [IV] just a lot of water, underneath a bridge I burned
And it's no [I] use in backtracking, around corners I have turned
Still I [IV] guess some things we bury, are just bound to rise again
[V] For even if the whole world has forgotten the song remembers [I] when

Yeah, and [V] even if the whole world has forgotten
[NC] The song remembers [I] when [IV] [I] [IV] [V]/ [I]/

A great version of the Fishermans Friends song from Sue Rollo

A [IV] good sword and a trusty hand,
A [I] merry heart and true
King [IV] James' men must [VII] understand
What [IV] Cornish [I] lads can [IV] do

And [VII] have they fixed the [I] where and when,
And [VII] shall Trelawny [I] die?
Here's [VII] twenty thousand [I] Cornish [IV] men
Will [I] know the [V] reason [I] why!

And [IV] shall Trelawny live?
Or [I7] shall Trelawny die?
[IV] Here's twenty thousand [VII] Cornish men
[IV] Will know the [I] reason [IV] why!

Out [IV] spake their Captain brave and bold:
A [I] merry wight was he:
"If [IV] London Tower were [VII] Michael's hold,
We'll [IV] set [I] Trelawny [IV] Free!
We'll [VII] cross the Tamar, [I] land to land,
The [VII] Severn is no [I] stay
With [VII] 'one and all', and [I] hand in [IV] hand,
And [I] who shall [V] bid us [I] nay?"

[IV] And shall Trelawny live?
[I7] Or shall Trelawny die?
[IV] Here's twenty thousand [VII] Cornish men
[IV] Will know the [I] reason [IV] why!

"And [IV] when we come to London Wall,
A [I] pleasant sight to view,
Come [IV] forth! come forth ye [VII] cowards all,
Here's [IV] men as [I] good as [IV] you!
Tre-[VII]lawny he's in [I] keep and hold:
Tre-[VII]lawny he may [I] die:
Here's [VII] twenty thousand [I] Cornish [IV] bold
Will [I] know the [V] reason [I] why!"

And [IV] shall Trelawny live?
And [I7] shall Trelawny die?
[IV] Here's twenty thousand [VII] Cornish men

Vamp on [IV]

Sonny [IV] lives on a farm, on a wide open space
Where you can [IV] take off your shoes and [VII] give up the [IV] race
You could [I] lay down your head, by a sweet riverbed
But Sonny [VII] always remembers, what it was his mama [IV] sai-ai-[I]aid [I]

Oh, Sonny [IV] don't go away, I am [IV] here all alone
Your [IV] daddy's a sailor, who [VII] never comes [IV] home
All these [I] nights get so long, and the silence goes on
And I'm [VII] feeling so tired, I'm not all that [IV] stro-o-[I]ong [I]

Sonny [IV] carries a load, though he's barely a man
There ain't [IV] all that to do, still he [VII] does what he [IV] can
And he [I] watches the sea, from a room by the stairs
And the [VII] waves keep on rollin', they've done that for [IV] years and for [I] years [I]

Oh, Sonny [IV] don't go away, I am [IV] here all alone
Your [IV] daddy's a sailor, who [VII] never comes [IV] home
All these [I] nights get so long, the silence goes on
And I'm [VII] feeling so tired, not all that [IV] stro-o-[I]ong [I] / [I] / [I] /

[VII] / [VII] / [VII] / [IV] / [I] / [I]*

It's a [IV] hundred miles to town, Sonny's [IV] never been there
And he [IV] goes to the highway and [VII] stands there and [IV] stares
And the [I] mail comes at four, and the mailman is old
Oh but he [VII] still dreams his dreams full of silver and [IV] go-o-o-[I]old

Oh, Sonny [IV] don't go away, I am here all alone
Your [IV] daddy's a sailor, who [VII] never comes [IV] home
All these [I] nights get so long, the silence goes on
And I'm [VII] feeling so tired, not all that [IV] stro-o-[I]ong [I]

Sonny's [IV] dreams can't be real, they're just stories he's read
They're just [IV] stars in his eyes, they're just [VII] dreams in his [IV] head
And he's [I] hungry inside, for the wide world outside
And I [VII] know I can't hold him though I've tried and I've [IV] tried and I've [I] tried [I]

Oh, Sonny [IV] don't go away, I am here all alone
Your [IV] daddy's a sailor, who [VII] never comes [IV] home
All these [I] nights get so long, the silence goes on
And I'm [VII] feeling so tired, not all that [IV] stro-o-[I]ong [I]

Oh, Sonny [VII] don't go a-[IV]way, I am [VII] here all a-[IV]lone
Your [IV] daddy's a sailor, who [VII] never comes [IV] home
All these [I] nights get so long, the silence goes on
And I'm [VII] feeling so tired, not all that [IV] stro-o-[I]ong [VII] / [VII] / [IV]*

[NC] (sing E) There is.. a feeling [IImaj7] ... here inside

[iii7] Soon as I get [IImaj7] home
[IV] Soon as I get [Imaj7] home [I6]

[I] In a different [Imaj7] place, in a [I6] different time
[Imaj7] different [bVII] people around me
[I] I would like to [Imaj7] know of their [I6] different
world [Imaj7] and how [bVII] different they find me

[IV] And just what's a Wiz is he [V] big? Will scare me?
[IV] If I ask to leave will the [V] Wiz even hear me?
[iiidim] How will I know [VIaug] then [VI7]
If I'll [ii7] ever get home a-[bVImaj7]gain?

[I] Here I am alone, [Imaj7] though it [I6] feels the same
[Imaj7] I don't [bVII] know where I'm going
[I] I'm here on my [Imaj7] own and it's [I6] not a game
[Imaj7] and a [bVII] strange wind is blowing
[IV] I'm so amazed at the [V]
things that I see here
don't [IV] want to be afraid,
I just [V] don't want to be here [iiidim]
In my mind this is [VIaug] clear [VI7]
[ii7] What am I doing [bVImaj7] here?

[bVII] I wish ... I was [Imaj7] home [I6]

[i] Hello darkness, my old [VII] friend, I`ve come to talk to you a-[i]gain,
because a [III] vision softly [VI] is cree-[III]ping,
left its seeds while I [VI] was slee-[III]ping,
and the [VI] vision that was planted in my [III] brain, still re-[i]mains,
within the [VII] sound of [i] silence.

[i] In restless dreams I walked a-[VII]lone,
narrow streets of cobble-[i]stone.
`Neath the [III] halo of [VI] a street [III] lamp,
I turned my collar to the [VI] cold and [III] damp,
when my [VI] eyes were stabbed by the flash of a neon [III] light,
that split the [i] night - [III] and touched the [VII] sound of [i] silence.

[i] And in the naked light I [VII] saw, ten thousand people, maybe [i] more,
people [III] talking wi-[VI]thout spea-[III]king,
people hearing wi-[VI]thout [III] listening,
people writing [VI] songs that voices never [III] share,
and no-one [i] dare - [III] disturb the [VII] sound of [i] silence.

[i] Fools, said I, you do not [VII] know, silence like a cancer [i] grows,
hear my [III] words, that I [VI] might teach [III] you,
take my arms that I [VI] might reach [III] you,
But my [VI] words like silent raindrops [III] fell - [i]
and echoed in the [VII] wells of [i] silence.

[i] And the people bowed and [VII] prayed to the neon god they`d [i] made.
And the [III] sign flashed out [VI] its war-[III]ning,
in the words that it [VI] was for-[III]ming.
And the sign said, the [VI] words of the prophets are written
in the subway [III] walls, and tenement [i] halls ,
and [III] whispered in the [VII] sound - of [i] silence.

[I] Stayin' too long at the honky tonk
[I] Spendin’ too much just to tie one on
[IV] Little less right and a lot more wrong
Sounds like somethin' I'd [I] do

[I] Callin’ in sick when the fish are bitin'
[I] Takin' those curves with the gravel flyin'
[IV] Keepin' one eye on the next horizon
[VII] Sounds like [IV] somethin' I'd [I] do

In [I] South Australia [IV] I was [I] born, [IV] heave a[I]way, [IV] haul a[I]way
In South Australia [V7] round Cape [I] Horn, We're bound for South Aus[V7]tra[I]lia
[I] Haul away you [IV] rolling [I] kings, [IV] heave a[I]way, [IV] haul a[I]way
Haul away, you'll [IV] hear me [I] sing, We're bound for South Aus[V7]tra[I]lia

As I walked out one [IV] morning [I] fair, [IV] heave a[I]way, [IV] haul a[I]way
'Twas there I met Miss [V7] Nancy [I] Blair, We're bound for South Aus[V7]tra[I]lia
[I] Haul away you [IV] rolling [I] kings, [IV] heave a[I]way, [IV] haul a[I]way
Haul away, you'll [IV] hear me [I] sing, We're bound for South Aus[V7]tra[I]lia

I shook her up and I [IV] shook her [I] down,[IV] heave a[I]way, [IV] haul a[I]way
I shook her round and [V7] round the [I] town, We're bound for South Aus[V7]tra[I]lia
[I] Haul away you [IV] rolling [I] kings, [IV] heave a[I]way, [IV] haul a[I]way
Haul away, you'll [IV] hear me [I] sing, We're bound for South Aus[V7]tra[I]lia

I run her all night and I [IV] run her all [I] day, [IV] heave a[I]way, [IV] haul a[I]way
And I run her until we [V7] sailed a[I]way, We're bound for South Aus[V7]tra[I]lia
[I] Haul away you [IV] rolling [I] kings, [IV] heave a[I]way, [IV] haul a[I]way
Haul away, you'll [IV] hear me [I] sing, We're bound for South Aus[V7]tra[I]lia

There’s just one thing [IV] on my [I] mind, [IV] heave a[I]way, [IV] haul a[I]way
To leave Miss Nancy [V7] Blair be[I]hind, We're bound for South Aus[V7]tra[I]lia

Haul away, you'll [IV] hear me [I] sing, We're bound for South Aus[V7]tra[I]lia

And as we wallop a[IV]round Cape [I] Horn, [IV] heave a[I]way, [IV] haul a[I]way
You'll wish to God you'd [V7] never been [I] born, We're bound for South Aus[V7]tra[I]lia
[I] Haul away you [IV] rolling [I] kings, [IV] heave a[I]way, [IV] haul a[I]way
Haul away, you'll [IV] hear me [I] sing, We're bound for South Aus[V7]tra[I]lia

In South Australia my [IV] native [I] land, [IV] heave a[I]way, [IV] haul a[I]way
Full of rocks and thieves and [V7] fleas and [I] sand, We're bound for South Aus[V7]tra[I]lia

Haul away, you'll [IV] hear me [I] sing, We're bound for South Aus[V7]tra[I]lia

I wish I was on Aus[IV]tralia's [I] strand, [IV] heave a[I]way, [IV] haul a[I]way
With a bottle of whiskey [V7] in my [I] hand, We're bound for South Aus[V7]tra[I]lia
[I] Haul away you [IV] rolling [I] kings, [IV] heave a[I]way, [IV] haul a[I]way

[I] [V] [V7] [I] [IV] [I]

South of the [I] bor-[iii]der, [ii] down [V] Mexico [I] way

that's where I fell in love, when [iii] stars a-[ii]bove came [V] out to play. [V7]
And now as I [I] wander, [I7] my thoughts ever [IV] stray, [ii]
south of the [I] bor-[iii]der, [ii] down [V] Mexico [I] way
(down [IV] Mexico [I] way).

She was a [I] pic-[iii]ture [ii] in [V] old Spanish [I] lace
(in [IV] old Spanish [I] lace),
just for a tender while, I [iii] kissed a [ii] smile u-[V]pon her face, [V7]
'cause it was [I] fiesta, [I7] and we were so [IV] gay, [ii]
south of the [I] bor-[iii]der, [ii] down [V] Mexico [I] way
(down [IV] Mexico [I] way).

Then she [I] sighed as she whispered man-[V]jana,
never dreaming that [V7] we were [I] parting.
And I lied as a whispered man-[V]jana,
for our to-[I]morrow [V] never [I] came.

South of the [I] bor-[iii]der, [ii] I [V] rode back one [I] day
(I [IV] rode back one [I] day),
there in a veil of white, by [iii] candle [ii] light she [V] knelt to pray. [V7]
The mission bells [I] told me [I7] that I mustn't [IV] stay, [ii]
south of the [I] bor-[iii]der, [ii] down [V] Mexico [I] way

[V] [V] [IV] [IV] [I] [I] [I] [V]

Got out of [V] town on a [IV] boat gon' to southern [I] islands.
Sailing a [V] reach be-[IV]fore a following [I] sea.
She was [V] making for the [IV] trades on the [I] outside,
And the [V] downhill run [IV] to Papee-[I]te.

Off the [V] wind on this [IV] heading lie the Mar-[I]quesas.
We got [V] eighty feet of [IV] waterline [I] nicely making [V] way.
In a [V] noisy bar in [IV] Avalon, I tried to [I] call you,
But on a [V] midnight watch I [IV] realized why [I] twice you ran a-[V] way. ([V] think about)

[IV] Think about how [I] many times [IV] I have [V] fallen.
[IV] Spirits are [I] using me; [IV] larger voices [V] callin'.
[IV] What heaven brought [I] you and me [IV] cannot be for-[V]gotten.
I have been [I] aro..[IV]und the [V] world, [I] lookin' for that [IV] woman [V] girl
Who [I] knows love [IV] can en-[V]dure.
And you know it [V] wi[V] ll.[IV] [IV] [I] [I] [I] [I]

[V] [V] [IV] [IV] [I] [I] [I] [V]

When you [V] see the Southern [IV] Cross for the [I] first time,
You [V] understand now [IV] why you came this [I] way.
'Cause the [V] truth you might be [IV] runnin' from is [I] so small,
But it's as [V] big as the [IV] promise, the [I] promise of a comin' [V] day.

So I'm [V] sailing for [IV] tomorrow, my dreams are a-[I] dying.
And my [V] love is an [IV] anchor tied to you, [I] tied with a silver [V] chain.
I have my ship, and [IV] all her flags are a-[I]flying.
She is [V] all that I have [IV] left, and [I] music is her [V] name. ([V] think about)

[IV] Think about how [I] many times [IV] I have [V] fallen.
[IV] Spirits are [I] using me; [IV] larger voices [V] callin'.
[IV] What heaven brought [I] you and me [IV] cannot be for-[V]gotten.

A [i] spaceman came [III] travelling on his [VII] ship from a-[i]far
'Twas [III] light years of [VII] time since his [VI] mission did start [VII]*
And [i] over a [v] village he [VI] halted his [i] craft
And it [III] hung in the [VII] sky like a [VI] star, just like [VII]* a [i] star

(Group sing, no ukes, gently)
He [i] followed a [III] light and came [VII] down to a [i] shed
Where a [III] mother and [VII] child were lying [VI] there on a bed [VII]*
A [i] bright light of [v] silver [VI] shone round his [i] head
And [III] he had the [VII] face of an [VI] angel, and they [VII]* were a-[i]fraid

(Group sing and play, gently)
Then the [i] stranger [III] spoke, he [VII] said "Do not [i] fear
I [III] come from a [VII] planet a [VI] long way from here [VII]*
And [i] I bring a [v] message for [VI] mankind to [i] hear"
And [III] suddenly the [VII] sweetest [VI] music filled [VII]* the [i] air

(Group sing and play, full volume)
And [VI] it [VII] went [i] la, la, la, [v] la, la, la, [VI] la, la, la, [i] la
[III] la, la, la, [VII] la, la, la, [VI] laaah ,[VII]*
[i] la, la, la, [v] la, la, la, [VI] la, la, la, [i] la
[III] Peace and good-[VII]will to all [VI] men, and love [VII]* for the [i] child

[VI]* [VII]* [i] La, la, la, [v] la, la, la, [VI] la, la, la, [i] la
[III] la, la, la, [VII] la, la, la, [VI] laaah, [VII]*
[i] la, la, la, [v] la, la, la, [VI] la, la, la, [i] la
[III] oh, [VII] oh, [VI] oh

(Group sing, no ukes, gently)
This [i] lovely [III] music went [VII] trembling through the [i] ground
And [III] many were [VII] wakened on [VI] hearing that sound [VII]*
And [i] travellers on the [v] road, the [VI] village they [i] found
By the [III] light of that [VII] ship in the [VI] sky which shone [VII]* all a-[i]round

(Group sing and play, gently)
And [i] just before [III] dawn at the [VII] paling of the [i] sky
The [III] stranger re-[VII]turned and said [VI] "Now I must fly [VII]*
When [i] two thousand [v] years of your [VI] time has gone [i] by
This [III] song will be-[VII]gin once a-[VI]gain, to a ba-[VII]*by's [i] cry"

(Group sing and play, full volume)
And [VI] it [VII] went [i] la, la, la, [v] la, la, la, [VI] la, la, la, [i] la
[III] la, la, la, [VII] la, la, la, [VI] laaah ,[VII]*
[i] la, la, la, [v] la, la, la, [VI] la, la, la, [i] la
[III] Peace and good-[VII]will to all [VI] men, and love [VII]* for the [i] child

And [VI] I [VII] hear [i] la, la, la, [v] la, la, la, [VI] la, la, la, [i] la
[III] la, la, la, [VII] la, la, la, [VI] laaah [VII]*

Last [i] night as I lay [VII] dreaming of pleasant days [i] gone by
My [i] mind been bent on rambling to [III] Ireland I did [VII] fly
I [i] stepped on board a vision and I [III] travelled with a [VII] will
Till at [i] last I came to [VII] anchor at the cross of Spancil [i] Hill

It was [i] on the twenty [VII] third of June, the day before the [i] fair
When [i] Ireland's sons and daughters were [III] all assembled [VII] there
The [i] young, the old, the brave and the bold, their [III] duty to ful-[VII]fill
At the [i] parish church in [VII] Clooney a mile from Spancil [i] Hill

I [i] went to see my [VII] neighbours to see what they might [i] say
The [i] old ones were all dead and gone the [III] young ones turning [VII] grey
I [i] met the tailor Quigly, he's as [III] bold as ever [VII] still
Sure he [i] used to make my [VII] britches when I lived in Spancil [i] Hill

I [i] paid a flying [VII] visit to my first and only [i] love
She's as [i] fair as any lily and as [III] gentle as a [VII] dove
She [i] threw her arms around me saying [III] "Johnny I love you [VII] still"
Sure she's [i] Ned the farmer's [VII] daughter and the pride of Spancil [i] Hill

I [i] dreamt I held and [VII] kissed her as in the days of [i] yore
She said [i] "Johnny, you're only joking as [III] many's the time be-[VII]fore"
The [i] cock crew in the morning, it [III] crew both loud and [VII] shrill
And I [i] awoke in Cali-[VII]fornia many miles from Spancil [i] Hill

[I] There is a rose in Spanish Harlem,
[I] A red rose up in Spanish Harlem.

[IV] It is a special one, it's never seen the sun,
[IV] It only comes out when the moon is on the run,
And all the stars are [I] gleaming.

[V] It's growing in the street,
[V] Right up through the concrete
But soft and sweet and [I] dreaming.

[I] There is a rose in Spanish Harlem, a red rose up in Spanish Harlem,
[IV] With eyes as black as coal, that look down in my soul,
And start a fire there, and then I lose control, I have to beg your[I] pardon.

[V] I'm gonna pick that rose and watch her as she grows - in my [I] garden.

Fare-[i]well and adieu to [III] you, Spanish [v] ladies,
Fare-[i]well and adieu to [III] you ladies of [VII] Spain;

It's [i] forty-five [VII] fathoms, with a [III] white sandy [i] bottom,
we [VI] squared off our main [VII] yard and up [VI] channel did [i] steer.

Chorus

Now [i] let every man drink [III] off his full [v] bumper,
And [i] let every man toss [III] off his full [VII] glass;
We'll [i] drink and be [VII] jolly and [III] drown melan-[i]choly,
And [VI] here's to the [VII] help of each [VI] true-hearted [i] lass

Chorus

The [i] first land we sighted [III] it is called the [v] Dodman,
Next [i] Ram's Head off Plymouth, [III] Start, Portland then [VII] Wight;
We [i] sailed on by [VII] Beachy, by [III] Fairley and [i] Dover,
And [VI] then we bore [VII] up for the [VI] South Foreland [i] light.

Chorus

Then [i] the signal was made for the [III] Grand Fleet to [v] anchor,
And [i] all in the Downs that [III] night for to [VII] lie;
Let [i] go your shank [VII] painter, like-[III]wise your cat [i] [i]

[I] What's the noise that I hear at the window I [V7] wonder?
[V] 'Tis the little birds chirping the holly bush [I] under
[I] What makes you be [I7] shoving and [IV] moving your stool [I] on?
And [V7] singing all [I] wrong the old [V] song of the '[I] Coolin'?

> [I] Merrily cheerily noiselessly [V7] whirring
> [V] Swings the wheel spins the wheel while her foot's [I] stirring
> [I] Sprightly and [I7] lightly and [IV] merrily [I] ringing
> [V7] Trills the sweet [I] voice of the [V7] young maiden [I] singing.

[I] There's a form at the casement the form of her [V7] true love
[V] And he whispers with face bent I'm waiting for [I] you love
Get [I] up on the [I7] stool through the [IV] lattice step [I] lightly
And we'll [V7] rove in the [I] grove while the [V] moon's shining [I] brightly.

> [I] Merrily cheerily noiselessly [V7] whirring

> [I] Sprightly and [I7] lightly and [IV] merrily [I] ringing
> [V7] Trills the sweet [I] voice of the [V7] young maiden [I] singing.

[I] The maid shakes her head on her lips lays her [V] fingers
Steps [V] up from the stool longs to go and yet [I] lingers
A [I] frightened glance turns to her [IV] drowsy [I] grandmother
[IV] Puts her foot on the [I] stool spins the [V] wheel with the [I] other

> [I] Merrily cheerily noiselessly [V7] whirring
> [V] Swings the wheel spins the wheel while her foot's [I] stirring
> [I] Sprightly and [I7] lightly and [IV] merrily [I] ringing
> [V7] Trills the sweet [I] voice of the [V7] young maiden [I] singing.

[I] Lazily, easily, now swings the wheel [V] round
[V] Slowly and lowly is heard now the reel's [I] sound
[I] Noiseless and light to the [IV] lattice above [I] her
The [IV] maid steps, then [I] leaps to the [V] arms of her [I] lover.

But [vi] I don't get no loving and [IV] that's no [I] lie.

Well [II] if I tore it from my songbook,
If I [II] I threw it in the trash

{Shuffle except bridge}

Well I [I] took my uke down to the U3A
Who [IV] promised they would teach me to play in a day
They [I] said we'll put you in Bert Weedon's shoes
You'll get the [V7] Five Foot Folsom Wagon Rising [I] Blues

They said we're [I] not like other ukulele bands
Who've [IV] clearly got far too much **time** on their hands
We like to [I] get it over quick and **not** to amuse
With the [V7] Five Foot Folsom Wagon Rising [I] Blues

I [I] said have you lot flown in from **some** other world
I [IV] thought this would make me a hit with the girls
I'd [I] much rather listen to the 10 o'clock news
Than the [V7] Five Foot Folsom Wagon Rising [I] Blues

They [I] said we avoid those Formby **strum**ming patterns
We [IV] like to hit our instruments with ceiling battens
We [I] don't do any number that you care to choose
Just the [V7] Five Foot Folsom Wagon Rising [I] Blues

[I] Five foot two [III7] eyes of blue
[I] Far from Folsom [V] prison
[I] Rock me mama like a [V] wagon wheel
[V] I see a [II] bad moon's [V] risen [V7]

I con-[I]fess I was tempted but I was still wary
I said [IV] have you tried those songs in that **book** by Jim Carey
I'll [I] play anybody's, I don't care whose
Not just the [V7] Five Foot Folsom Wagon Rising Blues

They [I] said that sort of thing is far too progressive
We [IV] tried it once and came over all depressive
It's [I] really quite hard for anyone to enthuse
Except for the [V7] Five Foot Folsom Wagon Rising [I] Blues

The [I] only groups with spaces were Country Dancing
Hun-[IV] garian for beginners and Necromancing
So I [I] signed up anyway: what have I got to lose

[I] [vi] [I] [vi] [I] [vi] [I] [vi]

[I] Little red uke you don't know what I got .
[I] Little red uke you don't know what I got .

[I] Well I've got a uke babe so don't put me down
She's the neatest little uke in [I7] all of the town
When a [IV] song comes along to me I don't have to try
Cause I can [I] play three chords so I can get by

Chorus:
She's my [V] little red [ii] uke [V]
You don't [ii] know what I [I] got - (Little red uke you don't know what I got)

[I] Just a little red uke with nylon strings
When I pluck her or I strum her she [I7] really swings
She [IV] cost twenty bucks but I've got no regrets
I've [I] lowered the saddle and filed all the frets

Chorus

She's got a [IV] great little sound if the strings stay in tune
When I [I] play by the light of the [I7] silvery moon
And [IV] if that ain't enough to make you flip your lid
She[illegible]ll [II7] sound even better when I [V7] fit the Aquilas

So [I] why not grab a uke babe and join in the fun
You can even join a club for uke a[I7]ppre-ci-a-tion
You can [IV] pick up ukuleles in various hues
Of [I] yellow and pink and all sorts of blues

Or get a [V] little red [ii] uke [V]
Now you [ii] know what I [I] got - (Little red uke you don't know what I got)
My [V] little red [ii] uke [V]
Now you [ii] know what I [I] got - (Little red uke you don't know what I got)

[I] [IV] [V] [I] - (It's murder)

[I] There's a [IV] jam at the junction,
[V] It's miles [I] long, what a function.
[I] We've been [IV] sitting here for hours,
[V] Running [I] low on fuel and power.

[vi] Brake lights [IV] flash, horns all blaring,
[V] Drivers curse, [I] tempers flaring.
[vi] Nowhere to go, [IV] we're stuck in dismay,
[V] And I heard someone say…

> [I] It's murder [IV] on the motorway,
> [V] And we just [I] can't get away, hey hey.
> [I] It's bumper-to-[IV] bumper, all day,
> [V] We're trapped [I] in this car ballet.

[I] Kids in the [IV] back are screaming,
[V] The sat-nav [I] just keeps on scheming.
[I] "Take the next [IV] left," it insists,
[V] But we're on the [I] road that time forgot exists.

[vi] A lorry blocks the [IV] passing lane,
[V] This stop-start [I] drive's insane.
[vi] The snacks are gone, the [IV] loo is far,
[V] Why'd we take the car?

> [I] It's murder [IV] on the motorway,
> [V] And we just [I] can't get away, hey hey.
> [I] We're stuck in [IV] traffic's cruel ballet,
> [V] Another wasted [I] Saturday.

[IV] Oh, the radio says, "[V] Expect delays,"
[vi] But we've been [IV] here for days and days.
[IV] The sign says "[V] accident ahead,"
[vi] No wonder it's the [V] highway of dread!

> [I] It's murder [IV] on the motorway,
> [V] And we just [I] can't get away, hey hey.
> [I] We're crawling [IV] forward, inch by inch,
> [V] Patience thinner [I] than a pinch.

[I] It's murder [IV] on the motorway,
[V] We'll never get a-[I]way, hey hey.
[I] I'll sell the [IV] car on eBay,
[V] And take the [I] train next day!

Intro: 4 bars of [I]

> ***Refrain:*** [V7] Oh! my [I] old man's from Totland, he looks a proper [V7] sight!
> He always loves a drink or ten, especially Ale of [I] Wight.
> He looks a proper narner in his great [I7] big wellie [IV] boots
> He's [V7] got such a job to pull em up that he calls them daisy [I] roots [V7]*

[I] My old man's from Totland, that's on the Isle of [V7] Wight
And you should see the state he comes home in every [I] night.
He like to go our walking when he's [I7] had a drop of [IV] beer.
Last [V7] night he came home soaking wet, 'cause he'd walked off Totland [I] pier!

Refrain: [V7] Oh! my [I] old man's from Totland, he looks a proper sight! [V7]
He always loves a drink or ten, especially Ale of [I] Wight.
Spoken: I say I say Les! What's hot and steaming and comes out of Cow(e)s?
(I don't know, what is hot and steaming and comes out of cows?)
The Isle of Wight ferry, of course!! ***GROAN!***

[I] The Memorial Hall's a venue for music smooth and [V7] grand,
And so he thought he'd have a go at singing with a [I] band.
The call themselves the Pilchards, and [I7] you should under-[IV]stand,
They [V7] just sound good together, when, like the fish, they're [I] canned

Refrain: [V7] Oh! my [I] old man's from Totland, he looks a proper sight! [V7]
He always loves a drink or ten, especially Ale of [I] Wight.
(spoken) I say I say I say! 'Ow far is it from Totland to Newport?
(Well how should I know?)
Darn! Nor do I, never been that far in all me life!

The [I] turf walk is quitefamouse for its views across the [V7] bay
But my old man stood on the edge and the cliff it dropped a-[I]way.
They called out Solent Coastguard, who [I7] yelled "We've got you, [IV] Jack"
[V7] But when they saw how small he was the had to throw him [I] back.

Refrain: [V7] Oh! my [I] old man's from Totland, he looks a proper sight! [V7]
He always loves a drink or ten, especially Ale of [I] Wight.
So if you catch a tiddler, don't [I7] throw it in a [IV] pan.

Your gender can be [V7] re-assigned
Que Sera Ser [I]a, [V7] what will be will [I] be (23, 123,123)

[V7] Should I do English? Should I do maths?"
Here's what my teacher [I] spake:

[I7] Que Ser [IV]a Sera, there's no point in [I] banging on
McDonalds will take you [V7] on
Que Sera Ser [I]a, [V7] what will be will [I] be (23, 123,123)

[I] When I grew up and fell in love
I asked my sweetheart what [V7] lies ahead
[V7] Will she be straight or will she be gay?
Here's what my sweetheart [I] said

[I7] Que Ser [IV]a Sera, whatever will [I] be, will be

There's still bank of [V7] Mum and Dad

My [IV] teacher told me [V] I must practice [I] daily [V]
It [I] goes like this, [IV] C, F, [V] G7
I'll [vi] never play the [IV] harp in heaven
I'm [V] going to hell to [III7] play my uku-[vi]-lele

Uku-[IV]-lele, uku-[vi]-lele, Uku-[IV]-lele, uku-[I]-le-----[V]-le [I]

On [I] X Factor they [vi] sang this song

The [IV] vocals sounded [V] shrill and far to [I] wail-ey [V]
But [I] sometimes when [IV] the spirit [V] moves

Uku-[IV]-lele, uku-[vi]-lele , Uku-[IV]-lele, uku-[I]-le-----[V]-le [I]
[I] [vi] [I] [vi]

It [I] doesn't matter [vi] who you are

You [IV] could be Greek, Bra-[V]-zilian or Is-[I]-raeli [V]
No-[I]-one will want to [IV] be your [V] friend

Uku-[IV]-lele, uku-[vi]-lele, Uku-[IV]-lele, uku-[I]-le-----[V]-le [I]
[I] [vi] [I] [vi]

So [I] armed with my [vi] half-dozen chords

[i] [IV] [i7] [IV]

In the [i] cool of the evening
When [IV] everything is gettin' kind of [i7] groovy [IV]
You [i7] call you up and ask me
Would I [IV] like to go with you and see a [i7] movie [IV]
[i] First I say no I've got some plans for the night
And then I [IV]* stop - and [iv7] say all right
[i] Love is kinda crazy
With a [IV] spooky little boy like [i7] you [v7]

You [i] always keep me guessin
I [IV] never seem to know what you are [i7] thinkin' [IV]
And if a [i] girl looks at you
It's for [IV] sure your little eye will be a [i7] winkin' [IV]
[i] I get confused I never know where I stand
And then you [IV]* smile - and [iv7] hold my hand
[i] Love is kinda crazy with a [IV] spooky little boy like [i7] you
[v7] Spooky yeah

[i] [IV] [i7] [IV] [i] [IV] [i7] [IV]

[i] If you decide some day
To [IV] stop this little game that you are [i7] playin' [IV]
I'm [i] gonna tell you all the things
My [IV] heart's been a dyin' to be [i7] sayin' [IV]
[i] Just like a ghost you've been a hauntin' my dreams
But now I [IV]* know - you're [iv7] not what you seem
[i] Love is kinda crazy with a [IV] spooky little boy like [i7] you
[v7] Spooky yeah [i] [IV]

[i] Spooky [IV] mmm [i7] spooky [IV] yeah yeah
[i] Spooky [IV] ah ha ha oo [i7] spooky [IV] ah ha ha [i]

[IV] Daddy never sleeps at [I] night

[i] I went down to the [V] St. James [i] Infirma[V7]ry
I saw my [i] baby lying [iv] there, [V7]
She was [i] laid out on a [V] long white [i] table, [V7]
So [VI] cold, so [V] pale, so [i] fair. [V7]

Let her [i] go, let her [V] go, god [i] bless [V7] her
Wher-[i]ever she may [iv] be, [V7]
She may [i] search this [V] wide world [i] over,
She'll [VI] never find a [V] sweet man like [i] me. [V7]

When I [i] die bury [V] me in my [i] strait laced [V7] shoes,
Box back [i] jacket and a stetson [iv] hat, [V7]
Put a [i] 20 dollar [V] gold piece on my [i] watch chain,
So [VI] my friends know I [V] died standing [i] pat. [V7]

I want [i] 6 crap [V] shootin' [i] pall-bear-[V7]ers,
6 chorus [i] girls to sing me a [iv] song, [V7]
Put a [i] red hot [V] jazz band on my [i] tail-[V7]gate,
To raise [VI] hell, as I [V] roll [i] along. [V7]

Now [i] that I've [V] told my [i] story, [V7]
I'll take [i] another bottle of [iv] booze, [V7]

Oh the [III] harbour [III6] lights are [III] gleaming, and the [VI] evening's still and [III] dark
And the [III] seagulls [v] are all [bi7] dreaming seagull [bIV] dreams on Amherst [VII] rock
And the [III] mist is [VII7] slowly [III] drifting
as the [VI] storefront lights go [i] dim
And the [III] moon is [v] gently [bi7] lifting
As the [bIV] last ship's coming [VII] in all the [VI] sailors got a [VII] story ,
Some are [bi7] true [III] some are [VI] false [bi7]
But they're [bIV7] always [VII] wrecked and they're [bV7] up on the [bI7] deck
[bIVsus2] Dancing the [VII] St. John's [III] Waltz

Oh we've [III] had our [III6] share of [III] history,
We've seen [VI] nations come and [III] go
We've seen [v] battles rage over [bi7] land and stage
Two [bIV] hundred years and [VII] more
For [III] glory or [VII7] for [III] freedom,
For [VI] country or for [i] king,
Or for [III] money or [v] fame but there [bi7] are no names
On the [bIV] graves where men lie [VII] sleeping;
All the [VI] nine-to-fives survive the [VII] day with a [bi7] sigh and a [III] dose of [VI] salts
And [bi7] they're [bIV7] parking their [VII] cars
And [bV7] packin' the [bI7] bars, [bIVsus2] Dancing the [VII] St. John's [III] Waltz

INSTRUMENTAL

[VI] But they're [bIV7] always [VII] wrecked and they're [bV7] up on the [bI7] deck
[bIVsus2] Dancing the [VII] St. John's [III] Waltz

Oh my [III] heart is [III6] on the [III] highway and I'm [VI] sold on going to [III] sea
All the [v] planes fill the [bi7] skyway and the [bIV] trains run swift and [VII] free;
So leave the [III] wayward [VII7] free to [III] wander, leave the [VI] restless free to [i] roam
If its [III] rocks in the [v] bay, it's an [bi7] old cliché, you'll [bIV] find your way back [VII] home
So don't [VI] question or [VII] inquire, what's been [bi7] gained, what's [III] been [VI] lost,
In a [bi7] world of [bIV7] romance, [VII] don't miss [bV7] out on the [bI7] chance
To be [bIVsus2] Dancing the [VII] St. John's [III] Waltz

[i] I went down to [V7] Old Joe's [i] Bar-room.
[i] On the corner [iv] by the [V7] square.
They were [i] serving [V7] drinks as [i] usual.
And the [VI7] usual [V7] crowd was [i] there.

[i] On my left stood [V7] Joe Mac[i]Kennedy.
[i] His eyes were [iv] blood-shot [V7] red.
He [i] turned to the [V7] crowd a[i]round him
And [VI7] these are the [V7] words that he [i] said.

[i] I went down to [V7] St. James [i] Infirmary.
[i] I saw my [iv] baby [V7] there.
[i] Lying on a [V7] long white [i] table,
So [VI7] sweet, [V7] so cold, [i] so fair.

[i] I went up to [V7] see the [i] doctor.
[i] 'She's very [iv] low,' he [V7] said.
[i] I went back to [V7] see my [i] baby
And great [VI7] god she was [V7] lying there [i] dead.

[i] Let her go, let her [V7] go, God [i] bless her.
[i] Wherever [iv] she may [V7] be.
She may [i] search this [V7] wide world [i] over
But she'll never [VI7] find another [V7] man like [i] me.

[i] When I [V7] die please [i] bury me
[i] In a high top [iv] stetson [V7] hat.
Put a [i] gold piece [V7] on my [i] watch chain.
So they'll [VI7] know I died [V7] standing [i] pat.

[i] Get six gamblers to [V7] carry my [i] coffin.
[i] Six chorus girls to [iv] sing my [V7] song.
Put a [i] jazz band [V7] on my [i] tailgate
To raise [VI7] hell as we [V7] roll a[i]long.

[i] This is the [V7] end of my [i] story.
[i] So let's have another [iv] round of [V7] booze.
And if [i] any one should [V7] ask you just [i] tell them
I've got the [VI7] St. James [V7] Infirmary [i] Blues.

[i] There's a lady who's [VII] sure
All that [III] glitters is [IV] gold
And she's [VI] buying a stairway to [VII] hea[i]ven

[i] When she gets there she [VII] knows
If the [III] stores are all [IV] closed
With a [VI] word she can get what she [VII] came [i] for

[III]Ooh [IV]ooh [VI]ooh [i] ooh
And she's [III] buying a [VII] stairway to [IV] heaven

There's a [III] sign on the [IV] wall
But she [VI] wants to be [i] sure
'Cause you [III] know sometimes [IV] words have two [VI] meanings

In a [i] tree by the [VII] brook
There's a [III] songbird who [IV] sings
Sometimes all of her [VI]thoughts are [VII]mis[i]given

[i] [VII] [III] [IV] [VI] [VII] [i]

[i7] [IVsus4] [IV] Oh, it makes me [i7] wonder [v] [IV] [III] [IV]
[i7] Oh, [IVsus4] it [IV] makes me wonder [i7] [v] [IV] [III] [IV]

There's a [III] feeling I [VII] get
When I [i] look to the west
And my [III] spirit is [VII] crying for [VI] lea-[i]ving

In my [III] thoughts I have [VII] seen
Rings of [i] smoke through the trees

[i7] [IVsus4] Oh, and [IV] it makes me wonder [i7] [v] [IV] [III] [IV]
[i7] Oh, [IVsus4] it [IV] really makes me wonder [i7] [v] [IV] [III] [IV]

And it's [III] whispered that [VII] soon
If we all [i] call the tune
And the [III] piper will [VII] lead us to [VI] rea[i]son

And the [III] new day will [VII] dawn
For [i] those who stand long
And the [III] forest will [VII] echo with [VI] laugh[i]ter
(Does anyone remember laughter?)

[III] [VII] [i] [IV]

[i] [IV] [i] [IV]Oh ho ho [i] [IV]

[III] If there's a [VII] bustle in your [i] hedgerow,
Don't be alarmed now
[III] It's just a [VII] spring clean for the [VI] May [i] queen

[III] Yes, there are [VII]two paths you can [i]go by
But in the long run
[III] There's still [VII]time to change the [VI]road you're [i] on

[III] [VII] [i] [IV]

And it makes me [i] wonder [IV] [i] [IV] Oh ho ho [i] [IV]

[III] Your head is [VII] humming and it [i] won't go
In case you don't know
[III] The piper's [VII] calling you to [VI] join [i] him

[III] Dear lady [VII] can you hear the [i] wind blow

[i] There walks the [VII] lady we all [VI] know [VII]
[i] Who shines white light and [VII] wants to [VI] how
[VII] [i] How everything [VII]s till turns to [VI] gold [VII]
[i] And if you listen [VII] very [VI] hard [VII]
[i] The truth will come to [VII] you at [VI] last [VII]
[i] When all are one and [VII] one is [VI] all [VII]

[I] Sometimes its hard to be a [V] woman,
[ii] Giving all your [V7] love to just one [I] man.
[IV] You'll have bad times, [I] and he'll have good times,
[II] doing things that [II7] you don't under[V]stand. [V7]

[I] But if you love him you'll [V] forgive him,
[ii] Even though he's [V7] hard to under[I]stand.
[IV] And if you love him, [I] oh be [IV] proud of him,
[I] cause after [V7] all he's just a [I] man [IV] [I] [V]

[I] Stand by your [III7] man, [IV] give him two arms to cling to,

In [vi] Banbridge Town in the [I] County [V] Down
One [vi] morning [IV] last [V] July
From a [vi] boreen green came a [I] sweet col-[V]leen
And she [vi] smiled as she [V] passed me [vi] by.
She [I] looked so sweet from her [V] two bare feet
To the [vi] sheen of her [IV] nut-brown [V] hair
Such a [vi] coaxing elf, sure I [I] shook my [V] self
For to [vi] see I was [V] really [vi] there

> From [I] Bantry Bay up to [V] Derry Quay and
> From [vi] Galway to [IV] Dublin [V] Town
> No [vi] maid I've seen like the [I] brown col-[V]leen
> That I [vi] met on the [V] County [vi] Down

As she [vi] onward sped, sure I [I] scratched my [V] head,
And I [vi] looked with a [IV] feelin' [V] rare,
And I [vi] says, I to a [I] passer [V] by
Who's the [vi] maid with the [V] nut-brown [vi] hair
He [I] smiled and me and he [V] says, says he
"That's the [vi] gem of [IV] Ireland's [V] crown.
Young [vi] Rosie McCann from the [I] banks of the [V] Bann,
She's the [vi] Star of the [V] County [vi] Down."

> From [I] Bantry Bay up to [V] Derry Quay and
> From [vi] Galway to [IV] Dublin [V] Town
> No [vi] maid I've seen like the [I] brown col-[V]leen
> That I [vi] met on the [V] County [vi] Down

At the [vi] Harvest Fair, she'll [I] surely be [V] there
And I'll [vi] dress in my [IV] Sunday [V] clothes,
With my [vi] shoes shone bright and my [I] hat cocked [V] right
For a [vi] smile from my [V] nut brown [vi] rose.
No [I] pipe I'll smoke, no [V] horse I'll yoke
Til my [vi] plough turns a [IV] rust-coloured [V] brown.
Til a [vi] smiling bride by my [I] own [V] fireside
Sits the [vi] Star of the [V] County [vi] Down

> From [I] Bantry Bay up to [V] Derry Quay and
> From [vi] Galway to [IV] Dublin [V] Town
> No [vi] maid I've seen like the [I] brown col-[V]leen
> That I [vi] met on the [V] County [vi] Down

So you're takin' better care of your body
Becoming more aware of your body.
Responding to your body's needs.
Everything you hear and read about diets,
Nutrition and sleeping position and detoxifying your system,
And buying machines that they advertise to help you exercise.
Herbs to revitalize you if you're traumatized.
Soaps that will sanitize.
Sprays to deordorize.
Liquid to neutralize acids and pesticides.
Free weights to maximize your strength and muscle size.
Shots that will immunize.
Pills to re-energize you.
But remember that for all your pain and gain
Eventually the story ends the same...

[IV] See the girl with cymbals on her fingers, entering through the door
Ruby glistening from her navel, shimmering around the floor
Bells on feet go ting-a ling-a linging, going through my head
Sweat is falling just-a like-a tear drop, running from her head

[IV] Now she's dancing, going through the movements, swaying to and fro
Body moving, bringing back a memory, thoughts of long ago
Blood is rushing, temperature is rising, sweating from my brow
Like a snake, her body fascinates me, I can't look away now

[VII] Stop, stop, stop all the dancing [I] give me time to breathe
[VII] Stop, stop, stop all the dancing [I] or I'll have to leave

[IV] Now she's moving all around the tables, luring all in sight
But I know that she cannot see me, hidden by the light
Closer, closer, she is getting nearer, soon she'll be in reach
As I enter into a spotlight, she stands lost for speech

[VII] Stop, stop, stop all the dancing [I] give me time to breathe
[VII] Stop, stop, stop all the dancing [I] or I'll have to leave

[VII] Stop, stop, stop all the dancing [I] give me time to breathe
[VII] Stop, stop, stop all the dancing [I] or I'll have to leave

[IV] Now I hold her, people are staring, don’t know what to think
And we struggle knocking over tables, spilling all the drinks
Can’t they understand that I want her, happens every week.
Heavy hand upon my collarbone throws me into the street

[VII] Stop, stop, stop all the dancing [I] give me time to breathe

Some would try for fame and glory, others aren't so [I] bold

[I] Everyone, and friends and family, saying, "Hey! Get a [ii] job!"
"Why do you only do that only? Why are you so [I] odd?

[I] We don't really like what you do. We don't think anyone ever [ii] will.
It's a problem that you have, and this problem's made you [I] ill."

[I] The artist walks alone, someone said behind his [ii] back,
"He's got gall to call himself that! He doesn't even know where he's [I] at!"

[I] The artist walks among the flowers, Appreciating the [ii] sun
He does this all his waking hours, but is it really so [I] wrong?

[I] They sit in front of their TV, saying, "Hey! This is [ii] fun!"
And they laugh at the artist saying, "He doesn't know how to have [I] fun."

[I] The best things in life are truly free, singing birds and laughing [ii] bees
"You've got me wrong," says he, the sun don't shine in your [I] TV"

[I] Someday I'm going to [IV] write, the [I] story of my [IV] life.
I'll [I] tell about the [V] night we met, [IV] and how my heart
[V] can't forget, the [I] way, you [IV] smiled, [V] at [I] me. [IV]

[V] I'd [I] like the world to [IV] know, the [I] story of my [IV] life.
the [I] moment that your [V] lips met mine, [IV] and that first
[V] exciting time, I [I] held, you [IV] close, [V] to [I] me. [I7]

The [IV] sorrow when our love was [I] breakin' up.
The [IV] memory of a [I] broken heart.
But [IV] later on, the joy of [I] makin' up.
[II7] Never, [NC] never, more to part.

All of our [vi] friends who think that I'm blessed
They don't [IV] know my head's a mess
No, [I] they don't know who [V] I really am

[vi] [III7] [vi] [III7]

In [vi] Mother Goose's [III7] book up in the [vi] nurs'ry,
Poor Simple Simon [III7] said, "I'm feeling [vi] sad." [VI7]
Said [ii] Peter Piper's [vi] daughter, "So am [III7] I, and think we [vi] oughter
Try to [VII7] think of something that will make us [III7] glad."
So [vi] Smarty Smarty [III7] said, "I'll give a [vi] party,"
And they called on the Old [III7] Woman in the [vi] Shoe. [VI7]
The [ii] cat she brought her [vi] fiddle, and she [III7] played "high diddle [vi] diddle,"
And what [VII7] happened then, I'm goin' to tell to [III7] you. [V7]

[I] Little Jackie [Imaj7] Horner, eating pie [I] up in the [Imaj7] corner,
Stuck [I] in his [I6] thumb, pulled [I] out a [I6] plum.
[I] Little Missy [Imaj7] Muffet she was [I] sitting on a [Imaj7] tuffet,
And she [V7] said, "Yum, yum! Please give me some."
[V7] Little Georgie Porgie with his pudding and pie,
Kissed [I] Mary Quite Con-[Imaj7]trary till he [I] made her [Imaj7] cry;
And [V] Little Bo Peep she [II7] lost her sheep
And couldn't [V] find 'em, their [II7] tails be-[V]hind 'em. [V7]
[I] Peter Peter [Imaj7] Pumpkin Eater [I] had a wife and [Imaj7] couldn't keep her.
[I] At the [I6] ball [I] in the [I6] hall.
[I] Humpty Dumpty [Imaj7] met her, said, "[I] Better that I [Imaj7] get her
And I'll [IV] make her fall." [ii] That's not all.
[IV] Old King Cole, that merry old [Idim] soul,
He [I] fell for Mother Hubbard, blew his big bank-[Idim]roll
Buying [V7] lollipops and pretties for the kiddies at the Story Book [I] Ball.

They [vi] danced and sang till [III7] early in the [vi] morning.
They really didn't [III7] know just when to [vi] stop; [VI7]
So [ii] as the day was [vi] dawning and the [III7] kiddies all were [vi] yawning,
They found [VII7] out the mouse had run up in the [III7] clock.
Then [vi] Jack Be Nimble, [III7] Jack Be Quick, he [vi] started,
And right over that big [III7] candlestick he [vi] flew. [VI7]
Then [ii] Little Tommy [vi] Tucker started [III7] singing for his [vi] supper,
And then [VII7] Poor Boy Blue said, "Gee, I'm hungry [III7] too." [V7]

[I] Peter Piper [Imaj7] picked a peck of [I] pickling [Imaj7] peppers,
Brought 'em [I] to the [I6] hall, and [I] that's no [I6] stall.
[I] Tommy Tom the [Imaj7] piper's son, he [I] stole a pig and a-[Imaj7]way he run
[V7] To the ball. Ah, that's not all.
[V7] Polly put the kettle on. The tea got cold.
They [I] had to eat the [Imaj7] porridge that was [I] nine days [Imaj7] old.
Then [V] Jack fell down. Jill [II7] broke her crown
And spilled the [V] water. She [II7] hadn't [V] oughter. [V7]
[I] Four and twenty [Imaj7] blackbirds were [I] baking in a [Imaj7] pie,
And they re-[I] fused to [I6] sing [I] any-[I6]thing.
[I] Wasn't that an [Imaj7] awful way [I] little birds to [Imaj7] act
Before a [IV] queen and king? [ii] Such a thing!
Said the [IV] knave and the king to the Queen of [Idim] Hearts,
"Come [I] on. Hurry up, honey. Bring some [Idim] tarts."
So she [V7] did and the kids had a picnic at the Story Book [I] Ball.

It's [VI] true that all the [V] men you [VI] knew were [III] dealers
Who said they were through with [VII] dealing
Every time you gave them [i] shelter
I [VII] know that kind of man
It's hard to [i] hold the hand of anyone
Who's [VII] reaching for the sky just to sur-[i]render
Who is [VII] reaching for the sky just to sur-[i]render

And then [VI] sweeping up the [V] jokers [VI] that he [III] left behind
You'll [III] find he did not [VII] leave you very much
Not even [i] laughter
Like [VII] any dealer he was watching for the [i] card
That is so high and [VII] wild
He'll never need to deal an[i] other
He was [VII] just some Joseph looking for a [i] manger
He was [VII] just some Joseph looking for a [i] manger

And then [VI] leaning on your [V] window [VI] sill
He'll [III] say one day you caused his will
To [VII] weaken with your love and warmth and [i] shelter
And then [VII] taking from his wallet
An old [i] schedule of trains, he'll say
I [VII] told you when I came I was a [i] stranger
I [VII] told you when I came I was a [i] stranger

Oh but [VI] now another [V] stranger [VI] seems
To [III] want you to ignore his dreams
As [VII] though they were the burden of some [i] other
You've [VII] seen that man before
His golden [i] arm dispatching cards
But now it's [VII] rusted from the elbow to the [i] finger
And he [VII] wants to trade the game he plays for [i] shelter
Yes he [VII] wants to trade the game he knows for [i] shelter

Ah you [VI] hate to watch a[V] nother [VI] tired [III] man
Lay down his hand
Like he was [VII] giving up the holy game of [i] poker
And [VII] while he talks his dreams to sleep
You [i] notice there's a highway
That is [VII] curling up like smoke above his [i] shoulder
It's [VII] curling just like smoke above his [i] shoulder

Well, you [VI] tell him to come [V] in sit [VI] down
But [III] something makes you turn around
The [VII] door is open you can't close your [i] shelter
You [VII] try the handle of the road
It [i] opens do not be afraid
It's [VII] you my love, you, who are the [i] stranger

Well, I[VI] 've been waiting, [V] I was [VI] sure
We'd [III] meet between the trains we're waiting [VII] for
I think it's time to board a[i] nother
Please [VII] understand, I never had a [i] secret chart
To get me to the [VII] heart of this or any other [i] matter
When he [VII] talks like this you don't know what he's [i] after
When he [VII] speaks like this, you don't know what he's [i] after

Let's [VI] meet tomorrow [V] if you [VI] choose
Up[III] on the shore, beneath the bridge
That [VII] they are building on some endless [i] river
Then he [VII] leaves the platform
For the sleeping [i] car that's warm
You realize, he's [VII] only advertising one more [i] shelter
And it [VII] comes to you, he never was a stranger
And you [VII] say okay the bridge or someplace [i] later

And then [VI] sweeping up the [V] jokers [VI] that he [III] left behind
You'll [III] find he did not [VII] leave you very much
Not even [i] laughter
Like [VII] any dealer he was watching for the [i] card
That is so high and [VII] wild
He'll never need to deal an[i] other
He was [VII] just some Joseph looking for a [i] manger
He was [VII] just some Joseph looking for a [i] manger

And then [VI] leaning on your [V] window [VI] sill
He'll [III] say one day you caused his will
To [VII] weaken with your love and warmth and [i] shelter
And then [VII] taking from his wallet
An old [i] schedule of trains, he'll say

I [VII] told you when I came I was a [i] stranger

[VII] [III] [VII] [v]
[VII] [IV] [VII]

It's a [VII] long steel rail and a short cross tie
[III] I'm on my way [VII] back home
I'm [VII] on that [III] train the [VII] king of them [v] all
That [VII] streamlined [IV] cannon[VII] ball

[VII] She moves along like a cannonball
Like a [III] star in it's heavenly [VII] flight

All [I] wrapped in white [V7] linen as [I] cold [V7] as the [I] clay

[I] As I walked [V7] out in the [I] streets of La-[V7]redo
As [I] I walked [IV] out in La-[I]redo one [V7] day
I [I] spied a poor [V7] cowboy all [I] wrapped in white [V7] linen
All [I] wrapped in white [IV] linen as [I] cold [V7] as the [I] clay

I see by your [V7] outfit that [I] you are a [V7] cowboy
[I] These words he did [IV] say as I [I] boldly walked [V7] by
[I] Come sit down be-[V7]side me and [I] hear my sad [V7] story
Got [I] shot in the [IV] breast and [I] I know [V7] I must [I] die

'Twas once in the [V7] saddle I [I] used to go [V7] dashing,
[I] 'Twas once in the [IV] saddle I [I] used to go [V7] gay.
[I] First down to [V7] Rosie's, and [I] then to the [V7] card-house,
Got [I] shot in the [IV] chest, and [I] I'm dying to-[V7]day.

Oh beat the [V7] drum slowly and [I] play the fife [V7] lowly
[I] Sing the death [IV] march as you [I] carry me [V7] along
[I] Take me to the [V7] valley then [I] lay the sod o'er [V7] me
I'm [I] a young [IV] cowboy and [V7] I know [I] I've [V7] done [I] wrong

Get six jolly [V7] cowboys to [I] carry my [V7] coffin,
[I] Get six pretty [IV] maidens to [I] bear up my [V7] pall.
[I] Put bunches of [V7] roses all [I] over my [V7] coffin,
[I] Roses to [IV] deaden the [V7] clods as they [I] fall.

Go fetch me some [V7] water a [I] cool cup of [V7] water
To [I] cool my parched [IV] lips then the [I] poor cowboy [V7] said
[I] Before I re-[V7]turned his [I] spirit had [V7] left him
Had [I] gone to his [IV] Maker the [I] cowboy [V7] was [I] dead

We beat the [V7] drum slowly and [I] played the fife [V7] lowly
[I] And bitterly [IV] wept as we [I] bore him [V7] along
[I] For we loved [V7] our comrade [I] so brave, young and hand-[V7]some
We [I] all loved our comrade [IV] although [I] he'd [V7] done [I] wrong

[I] Have you seen the [V] old man in the [vi] closed-down [iii] market
[IV] Kicking up the [I] paper with his [ii] worn out [V] shoes?

[I] Have you seen the [V] old man in the [vi] closed-down [iii] market
[IV] Kicking up the [I] paper with his [ii] worn out [V] shoes?
[I] In his eyes you [V] see no pride, [vi] and held loosely [iii] by his side
[IV] Yesterday's [I] paper telling [V7] yesterday's [I] news

Chorus:
So [IV] how can you [iii] tell me you're [I] lone[vi]ly,
[II] And say for [II7] you that the sun don't [V] shine? [V7]
[I] Let me take you [V] by the hand and
[vi] lead you through [iii] the streets of London
[IV] I'll show you [I] something to [V] make you change your [I] mind

[I] Have you seen the [V] old girl who [vi] walks the streets of [iii] London
[IV] Dirt in her [I] hair and her [ii] clothes in [V] rags?
[I] She's no time for [V] talking, she [vi] just keeps right on [iii] walking
[IV] Carrying her [I] home in [V7] two carrier [I] bags.

Chorus

[I] In the all night [V] cafÃ�, at a [vi] quarter past [iii] eleven,
[IV] Same old [I] man is sitting [ii] there on his [V] own
[I] Looking at the [V] world over the [vi] rim of his [iii] tea-cup,
[IV] each tea last an [I] hour - then he [V7] wanders home a[I]lone

Chorus

[I] And have you seen the [V] old man, out[vi]side the seaman's [iii] mission
[IV] Memory fading [I] with the medal [ii] ribbons that he [V] wears.
[I] In our winter [V] city, the [vi] rain cries a little [iii] pity
For [IV] one more forgotten [I] hero and a [V7] world that doesn't [I] care

Chorus

[IV] I'll show you [I] something to [V] make you change your [I] mind

[ii] Let it fade to black
Let me run my [IV] fingers down your back
Lets [I] whisper, let's don't talk

Baby leave my T-shirt in the hall

[ii] Let it fade to black
Let me run my [IV] fingers down your back
Lets [I] whisper, let's don't talk
Baby leave my T-shirt in the hall
Like a [ii] needle finds a groove,
Baby we'll re-[IV]member what to do
to [I] drown out every distraction,
it's time we made it happen

Strip it [ii] down, strip it down
Back to you and [IV] me like it used to be
When it was an [I] old back road with an old school beat
Cowboy boots by your little bare feet
Let it [ii] out, tell me right now
Everything I [IV] need In them white cotton sheets
Dirty [I] dance me slow in the summertime heat

Feel my belt turn loose from these old blue jeans
[ii] We both know we lost it some-[IV]how
Let's get it back
Strip it [I] down, down, down
I wanna [ii] drop this cellphone now
And Let it [IV] shatter on the ground
They ain't holdin' [I] nothin, these two hands
'Til they're holding you again

Oh, Strip it [ii] down, strip it down
Back to you and [IV] me like it used to be
When it was an [I] old back road with an old school beat
Cowboy boots by your little bare feet
Let it [ii] out, tell me right now
Everything I [IV] need In them white cotton sheets
Dirty [I] dance me slow in the summertime heat

Feel my belt turn loose from these old blue jeans
[ii] We both know we lost it some-[IV] how
Let's get it back
Strip it [I] down down down
Strip it down down down

[ii] I don't wanna let you go
[IV] No, not tonight
I just [I] wanna love you so bad baby

So lets close our eyes

[ii] I don't wanna let you go
[IV] No, not tonight
I just [I] wanna love you so bad baby
So lets close our eyes
And Strip it [ii] down, strip it down
Back to you and [IV] me like it used to be
When it was an [I] old back road with an old school beat
Cowboy boots by your little bare feet
Let it [ii] out, tell me right now

In their [IV] automo[iv]biles,
Coz a [II] motor car is [II7] phoney -
I'd [V] rather [Vmaj7] have Shanks's [V7] pony,
When I'm [I] strolling, just [ivdim] strolling,

[I7] Ev'ry [VI] night I go out [VI7] strolling,
[II7] And I [I] know my luck is [IV] rolling, [I]
[IV] When I'm [I] strolling with the one [I] I [V7] love. [I]
[I] Strolling, just [ivdim] strolling,

Well, I [I] don't know why I came here tonight

I'm so [IV] scared in case I fall off my chair

Here I [I] am stuck in the middle with you.

Yes, I'm [I] stuck in the middle with you

Lose con[I]trol yeah I'm all over the place

Stumblin In

artist:Chris Norman, Suzi Quatro writer:Mike Chapman, Nicky Chinn

[I] Our love is a-[ii]live, [V] and so we be-[I]gin, [vi]
foolishly [ii] laying our hearts on the [V] table, stumblin` [I] in. [vi]
Our love is a [ii] flame, [V] burning with-[I]in, [vi]
now and then [ii] firelight will [V] catch us, stumblin` [I] in.

Wherever you [ii] go, [V] whatever you [I] do, [vi]
you know, these [ii] reckless thoughts of [V] mine are following [I] you. [vi]
I`ve fallen for [ii] you, [V] whatever you [I] do, [vi]
`cause baby, you`ve [ii] shown me so many [V] things, that I never [I] knew. [vi]
Whatever it [ii] takes, [V] baby, I`ll do it for [I] you.

[I] Our love is a-[ii]live, [V] and so we be-[I]gin, [vi]
foolishly [ii] laying our hearts on the [V] table, stumblin` [I] in. [vi]
Our love is a [ii] flame, [V] burning with-[I]in, [vi]
now and then [ii] firelight will [V] catch us, stumblin` [I] in.

Our love is a [ii] flame, [V] burning with-[I]in, [vi]
now and then [ii] firelight will [V] catch us, stumblin` [I] in.

You were so [ii] young, [V] ah, and I was so [I] free, [vi]
I may have been [ii] young, but baby, that`s [V] not what I wanted to [I] be. [vi]
Well, you were the [ii] one, [V] oh, why was it [I] me, [vi]
Baby, you [ii] showed me so many [V] things that I`d never [I] see. [vi]
Whatever you [ii] need, [V7] baby, you`ve got it from [I] me.

[I] Our love is a-[ii]live, [V] and so we be-[I]gin, [vi]
foolishly [ii] laying our hearts on the [V] table, stumblin`[I] in. [vi]

When it's sugar cane [I] time 'long around about [bII7] June
I'll be walking with [V7] sugar 'neath that old sugar [I] moon

Gonna drop her (him) a [I] line to expect me [bII7] soon
Say I'm cravin' some [V7] sugar 'neath that old sugar [I] moon

Bridge:
I can [I7] see us right [IV] now
We'll get the calendar [I] down
And put a circle a-[bII7]round
The date we're altar [V7] bound

When it's sugar cane [I] time 'long around about [bII7] June
Wedding bells will be [V7] chiming 'neath that old sugar [I] moon

When the Sugar Moon [I] shines 'long around about [bII7] June
I'll be walking with [V7] Sugar 'neath that old sugar [I] moon

All the kisses I've [I] missed, I'll be getting [bII7] soon
Sugar kisses from [V7] Sugar 'neath that old sugar [I] moon

Bridge:
Oh I'm [I7] dreamin' sweet [IV] dreams
Of all the lovin' I'll [I] get
When I get back to my [bII7] pet
Oh, lawdy how I'll [V7] fret

Til its sugar cane [I] time 'long around about [bII7] June
And I'm walking with [V7] Sugar 'neath that old sugar [I] moon

Suicide is Painless

artist:John Bahler, Tom Bahler, Ron Hicklin and Ian Freebairn-Smith writer:Johnny Mandel and Mike Altman

Theme from M.A.S.H https://www.youtube.com/watch?v=niMNRW1iZEg
Intro: 4/4 4x[i]

[iv7] Through early morning [VII7] fog I see, [III] visions of the [i] things to be
The [iv] pains that are with [VII7] held for me,
I [III] realize and [i7] I can see [I7]
That [iv7] suicide is [VII7] painless,
it [III] brings on many [i7] changes
And [VImaj7] I can [v] take or [iv] leave it [VII7] if I [i] please [i]

I [iv7] try to find a [VII7] way to make [III] all our little [i] joys relate
[iv] Without that ever [VII7] present hate.
But [III] now I know that [i7] it's too late,
and [I7] that [iv7] suicide is [VII7] painless - it [III] brings on many [i7] changes
And [VImaj7] I can [v] take or [iv] leave it [VII7] if I [i] please [i]

The [iv7] game of life is [VII7] hard to play, [III] I'm gonna lose it [i7] anyway
[iv] The losing card I'll [VII7] someday lay, so [III] this is all I have to [i7] say [I7]
That [iv7] suicide is [VII7] painless, it [III] brings on many [i7] changes
And [VImaj7] I can [v] take or [iv] leave it [VII7] if I [i] please [i]

[iv7] The only way to win is [VII7] cheat
And [III] lay it down [i7] before I'm beat
And [iv] to another [VII7] give my seat
For [III] that's the only painless [i7] feat [I7]
That [iv7] suicide is [VII7] painless, it [III] brings on many [i7] changes
And [VImaj7] I can [v] take or [iv] leave it [VII7] if I [i] please [i]

The [iv7] sword of time will [VII7] pierce our skins
It [III] doesn't hurt when [i7] it begins
But [iv] as it works its [VII7] way on in
The [III] pain grows [i7] stronger watch it grin,[I7]
That [iv7] suicide is [VII7] painless, it [III] brings on many [i7] changes
And [VImaj7] I can [v] take or [iv] leave it [VII7] if I [i] please [i]

A [iv7] brave man once [VII7] requested me
To [III] answer questions [i7] that are key
Is [iv] it to be or [VII7] not to be ?
And [III] I replied 'Oh, [i7] why ask me? [I7]
That [iv7] suicide is [VII7] painless, it [III] brings on many [i7] changes
And [VImaj7] I can [v] take or [iv] leave it [VII7] if I [i] please [i]

And you can [v] do the [iv] same thing, [VII7] if you [i] please [i]

[I] We're all [vi] going on a [ii] summer [V7] holiday
[I] No more [vi] working for a [ii] week or [V7] two
[I] Fun and [vi] laughter on our [ii] summer [V7] holiday
[ii] No more [V7] worries for [I] me and [iii] you

[I] Summer [IV] lovin', [V] had me a [IV] blast
[I] Summer [IV] lovin', [V] happened so [IV] fast
[I] Met a [IV] girl [V] crazy for [VI] me
[II] Met a [V] boy [II] cute as can [V] be
[I] Summer [IV] days [V] drifting a-[VI]way too,
[ii] ah, those [V] summer [I] nights
[I] Well-a, [IV] well-a, [V] well-a, Ah!
[I] Tell me [IV] more, tell me [II] more, did you [V] get very [I] far?
[I] Tell me [IV] more, tell me [II] more, like does [V] he have a [I] car?
[I] U-hu [IV] U-hu [V] U-hu x2

[I] She swam [IV] by me, [V] she got a [IV] cramp
[I] He ran by [IV] me, [V] got my suit [IV] damp
[I] Saved her [IV] life, [V] she nearly [VI] drowned
[II] He showed [V] off [II] splashing a-[V]round,
[I] Summer [IV] sun, [V] something's be-[VI]gun, [ii] but, oh, those [V] summer [I] nights

[I] Well-a, [IV] well-a, [V] well-a, uh!
[I] Tell me [IV] more, tell me [II] more, was it [V] love at first [I] sight?
[I] Tell me [IV] more, tell me [II] more, did she [V] put up a [I] fight?
[I] U-hu [IV] U-hu [V] U-hu x2

[I] Took her [IV] bowling [V] in the ar-[IV]cade
[I] We went [IV] strolling; [V] drank lemon-[IV]ade
[I] We made [IV] out [V] under the [VI] dock
[II] We stayed [V] out [II] till ten o'[V]clock
[I] Summer [IV] fling [V] don't mean a [VI] thing
[ii] but, oh, those [V] summer [I] nights

[I] Tell me [IV] more, tell me [II] more, but you [V] don't gotta [I] brag
[I] Tell me [IV] more, tell me [II] more, 'cause he [V] sounds like a [I] drag
[I] U-hu [IV] U-hu [V] U-hu x2

[I] He got [IV] friendly [V] holding my [IV] hand
[I] Well, she got [IV] friendly [V] down in the [IV] sand
[I] He was [IV] sweet, [V] just turned eigh-[VI]teen
[II] Well, she was [V] good, [II] you know what I [V] mean
[I] Summer [IV] heat, [V] boy and girl [VI] meet, [ii] but, oh, those [V] summer [I] nights

[I] Tell me [IV] more, tell me [II] more, how much [V] dough did he [I] spend?
[I] Tell me [IV] more, tell me [II] more, could she [V] get me a [I] friend?

Slow Down

[I] It turned [IV] colder; [V] that's where it [IV] ends, [I] so I [IV] told her [V] we'd still be [IV] friends
[I] Then we [IV] made our [V]true love [VI] vow
[II] Wonder [V] what [II] she's doin' [V] now
[I] Summer [IV] dreams [V] ripped at the [VI] seams,
[ii] but, oh, those [V] summer [I] nights
[I] Tell me [IV] more, tell me[I] more [IV] ohhh. [I]

[I] He came down through [V] fields of green
On the [IV] summer side of [I] life [V]
His [IV] love was [I] ripe
There were no i-[V]llusions
On the [IV] summer side of [I] life [V]
Only [IV] tender-[I]ness [III]

And if you [vi] saw [V] him [IV] now [III]
You'd wonder [vi] wh..[V]y...[IV]y they'd cry
The [IV] whole day [I] long [IV] [I] [IV]

[I] There were young girls [V] everywhere
On the [IV] summer side of [I] life [V]
They [IV] talked all [I] night
To the young men [V] that they knew
On the [IV] summer side of [I] life [V]
Going [IV] off to [I] fight [III]

And if you [vi] saw [V] them [IV] now [III]
You'd wonder [vi] wh..[V]y...[IV]y they'd cry
The [IV] whole day [I] long [IV] [I] [IV] [iii]

[I] He came down through [V] fields of green
On the [IV] summer side of [I] life [V]
He [IV] prayed all [I] night
Then he walked in-[V]to a house
Where [IV] love had been mis-[I]placed [V]
His [IV] chance to [I] waste [III]

And if you [vi] saw [V] him [IV] now [III]
You'd wonder [vi] wh..[V]y...[IV]y they'd cry
The [IV] whole day [I] long [IV] [I] [IV]

Fade towards end

And if you [vi] saw [V] him [IV] now [III]
You'd wonder [vi] wh..[V]y...[IV]y
[III] And if you [vi] saw [V] him [IV] now [III]
You'd wonder [vi] wh..[V]y...[IV]y

Showin' off their [I] silver leaves
[IV] As we [V] walked [I] by

[I] Soft [V] kisses on a [I] summer's day [V]
Laughing all our [I] cares away
[IV] Just [V] you and [I] I

[I] Sweet [V] sleepy warmth of [I] summer nights [V]
Gazing at the [I] distant lights
[IV] In the [V] starry [I] sky

[IV] They say that [V] all good things must [I] end some [vi] day

[I] The summer wind came blowing in
a-[V7]cross the sea,
[V7] It lingered there to touch your hair
and [I] walk with me.
[I7] All summer long we sang a song
and [IV] strolled the golden [iv] sand.
[I] Two sweethearts [V7] and [I] the summer wind. [VI7]

[II] Like painted kites the days and nights
went [VI7] flying by.
The world was new beneath a blue um[II]brella sky.
Then, [II7] softer than a piper man
One [V] day it called to [v]you.
[II] I lost you [VI7] to the [II] summer wind. [VII7]

[III] The autumn wind, the winter winds
Have [VII7] come and gone
[VII7] And still the days, the lonely days
Go [III] on and on
And [III7] guess who sighs his lullabies
Through [VI] nights that never [vi] end.

[i] Strawberries, cherries and an [VII] angel's kiss in spring.
[i] My summer wine is really [VII] made from all these things.

Male: [i] I walked in town on silver [VII] spurs that jingled to.
[i] A song that I had only [VII] sang to just a few.
[iv] She saw my silver spurs and [i] said let's pass some time.
[iv] And I will give to you [i] summer wine.
[iv] Ohh-oh-oh summer [i] wine.

Female: [i] Strawberries, cherries and an [VII] angel's kiss in spring.
[i] My summer wine is really [VII] made from all these things.
[iv] Take off your silver spurs and [i] help me pass the time.
[iv] And I will give to you [i] summer wine.
[iv] Ohh-oh-oh summer [i] wine.

Male: [i] My eyes grew heavy and my [VII] lips they could not speak.
[i] I tried to get up but I [VII] couldn't find my feet.
[iv] She reassured me with an [i] unfamiliar line.
[iv] And then she gave to me [i] more summer wine.
[iv] Ohh-oh-oh summer [i] wine.

Female: [i] Strawberries, cherries and an [VII] angel's kiss in spring.
[i] My summer wine is really [VII] made from all these things.
[iv] Take off your silver spurs and [i] help me pass the time.
[iv] And I will give to you [i] summer wine.
[iv] Ohh-oh-oh summer [i] wine.

Male: [i] When I woke up the sun was [VII] shining in my eyes.
[i] My silver spurs were gone, my [VII] head felt twice its size.
[iv] She took my silver spurs, a [i] dollar and a dime.
[iv] And left me cravin' for [i] more summer wine.
[iv] Ohh-oh-oh summer [i] wine.

Female: [i] Strawberries, cherries and an [VII] angel's kiss in spring.

Well I [I] woke up Sunday morning
with no [IV] way to hold my head, that didn't [I] hurt
and the beer I had for breakfast
wasn't [vi] bad so I had one more for de-[V]ssert

Then I [I] fumble through my closet for
my [IV] clothes and found my cleanest dirty [I] shirt [vi]

I'd [I] smoked my brain the night before
on [IV] cigarettes and songs that I've been [I] pickin'
but I lit my first and watched a small kid
[vi] cussin' at a can that he was [V] kicking

Then I [I] crossed the empty street and caught
the [IV] Sunday smell of someone fryin' [I] chicken [vi]
and it [IV] took me back to [ii] somethin' that
I'd [IV] lost somehow [V] somewhere along the [I] way

> On the Sunday mornin' [IV] sidewalks
> wishing Lord that I was [I] stoned

> that makes a body feel a-[I]lone

And there's nothin' short of [IV] dyin'
half as lonesome as the [I] sound
on the sleepin' city [V] sidewalks
Sunday mornin' comin' [I] down

In the [I] park I saw a daddy with
a [IV] laughing little girl who he was [I] swingin'
and I stopped beside a Sunday school
and [vi] listened to the song that they were [V] singin'

Then I [I] headed back for home and
somewhere [IV] far away a lonely bell was [I] ringin' [vi]

Well I [I] woke up Sunday morning
with no [IV] way to hold my head, that didn't [I] hurt
and the beer I had for breakfast

Then I [I] crossed the empty street and caught
the [IV] Sunday smell of someone fryin' [I] chicken [vi]

And the beer I had for breakfast wasn't [vi] bad
So I had one more for [V] dessert [V7]

And Lord, it [IV] took me back to [V7] something

On a [I] Sunday morning [IV] sidewalk
I'm wishing, Lord, that I was [I] stoned
'Cause there's something in a [V] Sunday [V7]
That makes a body feel a-[I]lone
And there's [I7] nothing short a' [IV] dying

[I] Dear face that holds so sweet a smile for [V7] me

[IV] Love's radiant [I] sunshine in your [II7] lovely [V7] face.

'Cause somewhere in the crowd there's [IV] you [IV] [ii] [ii] [v] [v] [I7] [I7]

[IV] I was sick and tired of every-[vi]thing,
when I [v] called you last night from [I7] Glasgow
[IV] All I do is eat and sleep and [vi] sing, wishing [v] every show was the [I7] last show

[VII] So imagine I was [IV] glad to hear you're coming
[VII] Suddenly I feel all [IV] right [VII] and it's gonna be so [IV] different
When I'm on the stage to-[I7sus4]night [I7]

Some people sing Su-per per, Trou-per per

Tonight the [IV] Super [IVsus4] Trouper [IV] lights are gonna [IVsus4] find me
[IVsus4] Shining [IV] like the [I] sun, [v] smiling having [I7] fun

'Cause [I7] somewhere in the crowd there's [IV] you

[IV] Facing twenty thousand of your [vi] friends, how can [v] anyone be so [I7] lonely
[IV] Part of a success that never [vi] ends, still I'm [v] thinking about you [I7] only
[VII] There are moments when I [IV] think I'm going crazy, [VII] - but it's gonna be all [IV] right
[VII] Everything will be so [IV] different when I'm on the stage to[I7sus4]night [I7]

Tonight the [IV] Super [IVsus4] Trouper [IV] lights are gonna [IVsus4] find me

Arpeggio the chords ?

So I'll be [VII] there when you a-[ii]rrive
The sight of [v] you will prove to [I7] me I'm still a-[IV]live
And when you take me in your [VII] arms and hold me [v] tight [II7]
I [VII] know it's gonna mean so much to-[I7]night [I7]

Tonight the [IV] Super [IVsus4] Trouper [IV] lights are gonna [IVsus4] find me

Supercalifragilistic expialidocious

[IV]
Super[II7]cali[I]fragilistic[ii]expi[V7]ali[I]docious!
It's [I] supercali[Imaj7]fragilistic[I] expi[VI7]ali[V7]docious!
[V7] even though the sound of it is [V7] something quite a[I]trocious.
[I] If you say it [Imaj7] loud enough, you'll [I7] always sound pre[IV]cocious,
[IV] super[II7]cali[I]fragilistic[ii]expi[V7]ali[I]docious!

[I] Um diddle diddle diddle, [V7] um diddle ay. (x4)

Be[I]cause I was a[Imaj7] fraid to speak, when [I] I was [VI7] just a [V7] lad,
me [V7] father gave me nose a tweak and [V7] told me I was [I] bad.
But [I] then one day I [Imaj7] learned a word that [I7] saved me aching [IV] nose,
the [II] biggest word I ever heard, and [II7] this is how it [V7] goes :

It's [I] supercali[Imaj7]fragilistic[I] expi[VI7]ali[V7]docious!
[V7] even though the sound of it is [V7] something quite a[I]trocious.
[I] If you say it [Imaj7] loud enough, you'll [I7] always sound pre[IV]cocious,
[IV] super[II7]cali[I]fragilistic[ii]expi[V7]ali[I]docious!

[I] Um diddle diddle diddle, [V7] um diddle ay. (x4)

He [I] traveled all a[Imaj7]round the world and [I] every[VI7]where he [V7] went,
he'd [V7] use his word and all would say, "There [V7] goes a clever [I] gent"
When [I] dukes and maha[Imaj7]rajas pass the [I7] time of day with [IV] me,
I [II] say me special word and then they [II7] ask me out to [V7] tea.

It's [I] supercali[Imaj7]fragilistic[I] expi[VI7]ali[V7]docious!
[V7] even though the sound of it is [V7] something quite a[I]trocious.
[I] If you say it [Imaj7] loud enough, you'll [I7] always sound pre[IV]cocious,
[IV] super[II7]cali[I]fragilistic[ii]expi[V7]ali[I]docious!

[I] Um diddle diddle diddle, [V7] um diddle ay. (x4)

So [I] when the cat has [Imaj7] got your tongue, there's [I] no need [VI7] for dis[V7]may,
just [V7] summon up this word, and then [V7] you've got a lot to [I] say.
[I] But better use it [Imaj7] carefully, or [I7] it could change your [IV] life,
one [II] night I said it to me girl, and [II7] now me girl's my [V7] wife!

She's [I] supercali[Imaj7]fragilistic[I] expi[VI7]ali[V7]docious!
[V7] even though the sound of it is [V7] something quite a[I]trocious.
[I] If you say it [Imaj7] loud enough, you'll [I7] always sound pre[IV]cocious,
[IV] super[II7]cali[I]fragilistic[ii]expi[V7]ali[I]docious!
[IV] super[II7]cali[I]fragilistic[ii]expi[V7]ali[I]docious!

[vi] Holding me up, [IV] spread your [I] wings as you [V] go
And when [vi] God takes you [IV] back, he'll say [I] Hallelu-[V] jah, you're [I] home

[I] [iii] [IV] [V]
[I] [iii] [IV]

[V] I fluffed the [I] pillows, made the [iii] beds, stacked the [IV] chairs up
Folded your [I] nightgowns [iii] neatly in a [IV] case [V]
[vi] John said he'd [V] drive then put his [IV] hand on my [I] cheek
And wiped a [IV] tear from the [V] side of my [I] face

[ii] And I hope that I [IV] see the [I] world as you [V] did cause I know
[ii] A life with [IV] love is a [I] life that's been [V] lived

So I'll sing [I] Hallelu-[iii]jah [IV]

[I] Hallelu-[iii] jah [IV]
[IV] You were an angel in the [I] shape of my [iii] mum [IV]

Why can't you see [IV] what you're doing to me
[V] When you don't be[IV]lieve a word I [V] say? [IV] [iii] [V7]

Chorus:

[I] Should an old friend I know [IV] stop me and say hello

Chorus

[vi] Oh let our [iii] love survive [IV]

Suzanne

artist:Leonard Cohen writer:Leonard Cohen

https://www.youtube.com/watch?v=gUXC_dhQHzY (But in E)

[I] Suzanne takes you down to her place by the river
You can [ii] hear the boats go by you can spend the night beside her
And you [I] know that she's half crazy but that's why you want to be there
And she [iii] feeds you tea and oranges that come
[IV] all the way from China
And just [I] when you mean to tell her that you
[ii] have no love to give her
Then she [I] gets you on her wavelength and she
[ii] lets the river answer
That you've [I] always been her lover
And you [iii] want to travel with her and you
[IV] want to travel blind
And you [I] know that she will trust you
For you've [ii] touched her perfect body with your [I] mind

[I] And Jesus was a sailor when He walked upon the water
And He [ii] spent a long time watching from his lonely wooden tower
And [I] when He knew for certain only drowning men could see Him
He said [iii] All men will be sailors then un[IV]til the sea shall free them
But [I] He Himself was broken long be[ii]fore the sky would open
For[I]saken almost human. He [ii] sank beneath your wisdom like a [I] stone

And you [iii] want to travel with him and you [IV] want to travel blind
And you [I] think maybe you'll trust him
For he's [ii] touched your perfect body with his [I] mind
[I] Suzanne takes your hand and she leads you to the river
She is [ii] wearing rags and feathers from Salvation Army counters
And the [I] sun pours down like honey on our lady of the harbor
And she [iii] shows you where to look among the [IV] garbage and the flowers
There are [I] heroes in the seaweed there are [ii] children in the morning
They are [I] leaning out for love and they will [ii] lean that way forever
While Su[I]zanne holds the mirror

And you [iii] want to travel with her and you [IV] want to travel blind
And you [I] know that you will trust her
For she's [ii] touched your perfect body with her [I] mind

[I] Let me go, Sweet Bella, [IV7] let me [I] go
Let me [IV7] go Sweet Bella, let me [I] go
And if [V7] I can't get your [VII] love, [IV7] let me [I] know [V7]

[I] Honey we're walking by the riverside
The water below, it's [I7] deep and dark and [IV7] wide
we let it [I] flow, but my [V7] heart is breaking somewhere
[IV7] Down the [I] road [V7]

Let me [I] go Sweet Bella, [IV7] let me [I] go
Let me [IV7] go Sweet Bella, let me [I] go
And if [V7] I can't get your [VII] love, [IV7] let me [I] know [V7]

[I] Forty days and forty nights, I've been waiting
for that love light [I7] start to [IV7] glow
maybe then I'll [I] know, that you [V7] let me give these [IV7] dice
one more [I7] throw [V7]

Let me [I] go Sweet Bella, [IV7] let me [I] go
Let me [IV7] go Sweet Bella, let me [I] go
And if [V7] I can't get your [IV] love, [IV7] let me [I] know [V7]

[I] Let me go, Sweet Bella, [IV7] let me [I] go
Let me [IV7] go Sweet Bella, let me [I] go
And if [V7] I can't get your [VII] love, [IV7] let me [I] know [V7]

[I] Honey, I'm knocking at your door
You hand me a flickering flame [I7] but I want [IV7] more,
Much more to [I] call this sweet [V7] love
to keep me warm in the [IV7] rain and [I] snow [V7]

Let me [I] go Sweet Bella, [IV7] let me [I] go
Let me [IV7] go Sweet Bella, let me [I] go
And if [V7] I can't get your [VII] heart, it'll [IV7] tear my soul a-[IV7]part
And if [V7] I can't get your [VII] heart, [IV7] let me [I] know

She [bVII] takes me away to that special place

As [bVII] if they thought of rain
I [IV] hate to look into those eyes and [I] see an ounce of pain
Her [I]hair reminds me of a warm safe place
Where [bVII] as a child I'd hide
And [IV] pray for the thunder and the rain to quietly pass me [I] by

[V] Whoa-[bVII] oh, sweet child o' [I] mine

[vi] Don't know when and I [ii] don't know why
[I] You're the only [VI] reason I [ii] keep on [V] coming [I] home [vi] [ii] [V]

[I] Sweet pea, what's all [III7] this about?
[vi] Don't get your way, all you do is [ii] fuss and pout
[I] You're the only [VI] reason I [ii] keep on [V] coming [I] home [vi] [ii] [V]

I'm like the [III7] Rock of Gibraltar
I [III7] always seem to falter
And the [I] words just [vi] get in the [I] way [VI]
Oh, I [II] know I'm gonna crumble
I'm [III7] trying to stay humble
Coz I [V] never think before I say
[I] Sweet pea, [III7] apple of my eye
[vi] Don't know when and I [II] don't know why
[I] You're the only [vi] reason I [ii] keep on [V] coming [I] home [vi] [ii] [V]

[I] Sweet pea, [III7] keeper of my soul
[vi] I know, sometimes, I'm [II] out of control
[I] You're the only [VI] reason I [ii] keep on [V] coming
[I] You're the only [VI] reason I [ii] keep on [V] coming, yeah

[I] [IV] [V] [I]

[I] Oh, Sweet [IV] Pea, come [V] on and dance with [I] me.
[I] Come on, come on, come [IV] on and dance with [V] mee-[I]ee.
[I] Oh, Sweet [IV] Pea, [V] won't you be my [I] girl?
[I] Won't you, won't you, [IV] won't you be my [V] giii-[I]rl?

[I] I went to a dance just the [V] other [I] night.
[I] I saw a girl there she was [V] out of [I] sight.
[I] I asked a friend of mine who [V] she could [I] be.
[I] He said that her friends just [V] call her Sweet [I] Pea.

[I] Oh, Sweet [IV] Pea, come [V] on and dance with [I] me.
[I] Come on, come on, come [IV] on and dance with [V] mee-[I]ee.
[I] Oh, Sweet [IV] Pea, [V] won't you be my [I] girl?
[I] Won't you, won't you, [IV] won't you be my [V] giii-[I]rl? [bII]

[bII] I walked on over and I [VI] asked her to [bII] dance.
[bII] Thinkin' maybe later we'd be [VI] makin' ro-[bII]mance.
[bII] But every guy there was [VI] thinkin' like [bII] me.
[bII] I had to stand in line to get a [VI] dance with Sweet [bII] Pea.

[bII] Oh, Sweet [bV] Pea, come [VI] on and dance with [bII] me.
[bII] Come on, come on, come [bV] on and dance with [VI] mee-[bII]ee.
[bII] Oh, Sweet [bV] Pea, [VI] won't you be my [bII] girl?
[bII] Won't you, won't you, [bV] won't you be my [VI] giii-[bII]rl? [II]

[II] I finally got to whisper sweet [VI] words in her [II] ear.
[II] Convinced her that we oughta get a-[VI]way from [II] there.
[II] We took a little walk, I held her [VI] close to [II] me.
[II] And underneath the stars I [VI] said to Sweet [II] Pea.

[II] Oh, Sweet [V] Pea, I [VI] love you can't you [II] see?
Love you, love you, [V] love you can't you [VI] seee-.[II]ee?
[II] Oh, Sweet [V] Pea, [VI] won't you be my [II] girl.
[II] Won't you, won't you, [V] won't you be my [VI] giii-[II]rl?

[II] Oh, Sweet [V] Pea, I [VI] love you can't you [II] see?
Love you, love you, [V] love you can't you [VI] seee-[II]ee?..(Fade.)

[I] Hold back the days in which I'm [V] living
So far from [V7] home, so far from [I] free
Hold back the [I7] ways we've all been [IV] given
And let a [I] sweet [IV] song from [I] yesterday [V7] wash over [I] me

[I] Hold back the days in which I'm [V] living

Hold back the [I7] ways we've all been [IV] given
And let a [I] sweet [IV] song from [I] yesterday [V7] wash over [I] me

[I] I met my girl at [V] Woolwich Pier be-[I]neath the [IV] big crane [V] standing

Took her sailing [ii] on the river, [IV] flow [V] sweet [IV] river [V] flow
[I] London town was [ii] mine to give her, [IV] sweet [V] Thames flow [I] softly
[V] Made the Thames in [ii] to a crown, [IV] flow [I] sweet [V] river [I] flow
[I] Made a brooch of [ii] Silvertown, [IV] sweet [I] Thames flow [V] soft-[I]ly

[I] At London Yard I [V] held her hand, at [I] Blackwell [IV] Point I [V] faced her
At the [I] Isle of Dogs I [V] kissed her mouth and [I] ten-[V]derly em-[I]braced her
Heard the bells of [ii] Greenwich ringing, [IV] flow [V] sweet [IV] river [V] flow
[I] All the time my [ii] heart was singing, [IV] sweet [V] Thames flow [I] softly
[V] Limehouse Reach I [ii] gave her there, [IV] flow [I] sweet [V] river [I] flow
[I] As a ribbon [ii] for her hair, [IV] sweet [I] Thames flow [V] soft-[I]ly

[I] From Shadwell Dock to [V] Nine Elms Reach, we [I] cheek to [IV] cheek were [V] dancin'.
Her [I] necklace made of [V] London Bridge,her [I] beauty [V] was en-[I]hancin'.
Kissed her once [ii] again at Wapping, [IV] flow [V] sweet [IV] river [V] flow
[I] After that there [ii] was no stoppin', [IV] sweet [V] Thames flow [I] softly
[V] Richmond Park it was [ii] her ring, [IV] flow [I] sweet [V] river [I] flow
[I] I'd have given her [ii] anything, [IV] sweet [I] Thames flow [V] soft-[I]ly

[I] From Rotherhithe to [V] Putney Bridge, my [I] love I [IV] was [V] declarin'.
And [I] she from Kew to [V] Isleworth, her [I] love for [V] me was [I] swearin'.
Love had set my heart [ii] a-burnin', [IV] flow [V] sweet [IV] river [V] flow
[I] Never saw the [ii] tide was turnin', [IV] sweet [V] Thames flow [I] softly
[V] Gave her Hampton [ii] Court to twist, [IV] flow [V] sweet [IV] river [V] flow
[I] Into a bracelet for [ii] her wrist, [IV] sweet [I] Thames flow [V] soft-[I]ly

[I] And now, alas, the [V] tide has changed, my [I] love she [IV] has gone [V] from me.
And the [I] winter's frost has [V] touched my heart, and [I] left its [V] blight [I] upon me.
Creepin' fog is [ii] on the river, [IV] flow [V] sweet [IV] river [V] flow
[I] Sun and moon and [ii] stars gone with her, [IV] sweet [V] Thames flow [I] softly
[V] Swift the Thames flows [ii] to the sea, [IV] flow [V] sweet [IV] river [V] flow
[I] Bearin' ships and [ii] part of me, [IV] sweet [I] Thames flow [V] soft-[I]ly

[I] Red telephone sitting by my bed, [iii] practically [IV] bore your name
[ii] Lying alone in the twilight zone, waiting for your [V] call to come in
[iii] Hadn't been for the kid who was sleeping upstairs, you'd have [I] found me
Well [V] on my way, [II] on that midnight [V] plane to LA,

[ii] you - suffered [V] sweeter for me

[I] Once more the mist rolls to the sea - [iii] like a hundred [IV] times we've known.

[iii] How I dread when the evening comes, and I [I] cannot be
what you [V] want me to be [II] when you are [V] next to me.

[I] How silent you are as the veils come down_ [iii] before my [IV] eyes.
[ii] Soft and reserved as you move away, [V] donning your disguise.
[iii] While every folk song that I ever knew, once [I] more comes true.
And [V] love grows old [II] and [V] waxes cold.
[ii] you - suffered [V] sweeter for me

[I] Just one favor of you my love. [iii] If I should [IV] die today,

[iii] Ride a ridge on a snow white horse, and throw my [I] ashes away

[I]* [VII]* [IV]* [Isus4]*

[I]* Please allow me to intro-[VII]*-duce myself
I'm a [IV]* man of wealth and [I]* taste [Isus4] [I]
[I]* I've been around for a [VII]* long, long year
Stolen [IV]* many a man's soul and [I]* faith [Isus4] [I]

[I] I was around when [VII] Jesus Christ
Had His [IV] moment of doubt and [I] pain [Isus4] [I]
Made damn sure that [VII] Pilate washed his [IV] hands and sealed his [I] fate [Isus4] [I]

[V] Pleased to meet you hope you guess my [I] name [Isus4] [I]
But what's [V] puzzling you is the nature of my [I] game [Isus4] [I]

[I] I stuck around St. [VII] Petersburg When I [IV] saw it was time for a [I] change
I killed the Tzar and his [VII] ministers Anas-[IV]tasia screamed in [I] vain
I rode a tank, held a [VII] gen'ral's rank
When the [IV] blitzkrieg raged and the [I] bodies stank

[I] I watched with glee while your [VII] kings and queens
Fought for [IV] ten decades for the [I] gods they made
I shouted out "Who killed the [VII] Kennedys?" when [IV] after all it was [I] you and me

[I] Let me please intro-[VII]duce myself, I am a [IV] man of wealth and [I] taste
And I lay traps for [VII] troubadours Who get [IV] killed before they reach Bom-[I]bay

[I] I watched with glee while your [VII] kings and queens
Fought for [IV] ten decades for the [I] gods they made
I shouted out "Who killed the [VII] Kennedys?" when [IV] after all it was [I] you and me

Let me [I] root, root, root for the

If [I] they don't [I7] win,

[I] Katie Casey was baseball mad,
[IV] Had the fever and had it bad.
[V] Just to root for the [IV] hometown crew,
Ev'ry sou Katie [V] blew.
[I] On a Saturday her young beau
[IV] Called to see if she'd like to go
To [II] see a show but Miss [V] Kate said "No.
I'll [II] tell you what you can [V] do.

[I] Take me out to the [V7] ball game.
[I] Take me out with the [V7] crowd.
[VI7] Buy me some peanuts and [ii] Cracker Jacks.

[I] Katie Casey saw all the games.
[IV] Knew the players by their first names.
[V] Told the umpire [IV] he was wrong,
All along, good and [V] strong.
[I] When the score was just two to two,
[IV] Katie Casey knew what to do,
[II] Just to cheer up the [V] boys she knew,
She [II] made the gang sing this [V] song:

[I] Take me out to the [V7] ball game.
[I] Take me out with the [V7] crowd.
[VI7] Buy me some peanuts and [ii] Cracker Jacks.

[i] My lover's got [iv] hum-[i]our

Knows everybody's dis-[iv]appro-[i]val
I should've worshipped her [iv] soon-[i]er
If the Heavens ever [iv] did [i] speak
She is the last true [iv] mouth [III] piece
Every Sunday's getting [iv] more [i] bleak
A fresh poison [iv] each [VII] week
'We were born [VI] sick', you heard them say [i] it
My church offers no [iv] abso-[i] lutes
She tells me 'worship in the [iv] bed-[III]room'
The only heaven I'll be [iv] sent [i] to

I was born [VI] sick, but I love it
Command me to be well

[ii] They found what they will [I] always [ii] want a-[I]gain
[iii] Your beauty lost to you your-[vi]self
Just [iii] as it was lost to [vi] them

Intro: [I] [Isus4] [I] [Isus4]

[I] Early one mornin' the [VIIsus2] sun was shinin',
[I] I was layin' in [VIIsus2] bed
[I] Wond'rin' if she'd [VIIsus2] changed at all
If her [IV] hair was still red.
[I] Her folks they said our [VIIsus2] lives together
[I] Sure was gonna be [VIIsus2] rough
[I] They never did like Mama's [VIIsus2] homemade dress
Papa's [IV] bankbook wasn't big enough.
[V] And I was standin' on the [vi] side of the road
[I] Rain fallin' on my [IV] shoes
[V] Heading out for the [vi] East Coast
Lord [I] knows I've paid some [IV] dues gettin' [V] through,
[VII] Tangled [IV] up in [I] blue. [Isus4] [I] [Isus4]

[I] She was married when [VIIsus2] we first met
[I] Soon to be divorced [VIIsus2]
[I] I helped her out of a [VIIsus2] jam, I guess,
But I [IV] used a little too much force.
[I] We drove that car as [VIIsus2] car as we could
[I] Abandoned it out West [VIIsus2]
[I] Split up on a dark sad [VIIsus2] night
Both agr-[IV]eeing it was best.
[V] She turned around to [vi] look at me
[I] As I was walkin' [IV] away
[V] I heard her say [vi] over my shoulder,
"We'll [I] meet again someday [IV] on the avenue [V],"
[VII] Tangled [IV] up in [I] blue. [Isus4] [I] [Isus4]

[I] I had a job in the [VIIsus2] great north woods
[I] Working as a cook for [VIIsus2] a spell
[I] But I never did like [VIIsus2] it all that much
And [IV] one day the ax just fell.
[I] So I drifted down to [VIIsus2] New Orleans
[I] Where I happened to be [VIIsus2] employed
[I] Workin' for a while on [VIIsus2] a fishin' boat
Right [IV] outside of Delacroix.
[V] But all the while I was alone [vi]
[I] The past was close [IV] behind,
[V] I seen a lot of women [vi]
But [I] she never escaped my [IV] mind, and I [V] just grew
[VII] Tangled [IV] up in [I] blue. [Isus4] [I] [Isus4]

[I] She was workin' in a [VIIsus2] topless place
[I] And I stopped in for a [VIIsus2] beer,

[I] I just kept lookin' at [VIIsus2] the side of her face
In the [IV] spotlight so clear.
[I] And later on as the [VIIsus2] crowd thinned out
[I] I's just about to do [VIIsus2] the same,
[I] She was standing there [VIIsus2] in back of my chair
Said [IV] to me, "Don't I know your name?"
[V] I muttered somethin' [vi] underneath my breath,
[I] She studied the [IV] lines on my face.
[V] I must admit I felt a little un-[vi]easy
When [I] she bent down to tie [IV] the laces of [V] my shoe,
[VII] Tangled [IV] up in [I] blue. [Isus4] [I] [Isus4]

[I] She lit a burner [VIIsus2] on the stove
and [I] offered me a [VIIsus2] pipe
[I] "I thought you'd never [VIIsus2] say hello," she said
"You [IV] look like the silent type."
[I] Then she opened up a book [VIIsus2] of poems
[I] And handed it to me [VIIsus2]
[I] Written by an Italian [VIIsus2] poet
From [IV] the thirteenth century.
[V] And every one of them [vi] words rang true
[I] And glowed like bur-[IV]nin' coal
[V] Pourin' off of every page [vi]
Like [I] it was written in my [IV] soul from me [V] to you,
[VII] Tangled [IV] up in [I] blue. [Isus4] [I] [Isus4]

[I] I lived with them on [VIIsus2] Montague Street
[I] In a basement down the [VIIsus2] stairs,
[I] There was music in the [VIIsus2] cafes at night
And re-[IV]volution in the air.
[I] Then he started into [VIIsus2] dealing with slaves
[I] And something inside [VIIsus2] of him died.
[I] She had to sell every [VIIsus2] thing she owned
And [IV] froze up inside.
[V] And when finally the [vi] bottom fell out
[I] I became withdrawn [IV]
[V] The only thing I knew how to do [vi]
Was [I] to keep on keepin' on [IV] like a bird [V] that flew,
[VII] Tangled [IV] up in [I] blue. [Isus4] [I] [Isus4]

[I]So now I'm goin' back [VIIsus2] again,
[I] I got to get to her some-[VIIsus2]how.
[I] All the people we used [VIIsus2] to know
They're [IV] an illusion to me now.
[I] Some are mathematician [VIIsus2]s
[I] Some are carpenter's [VIIsus2] wives.
[I] Don't know how it all [VIIsus2] got started,
I don't [IV] know what they're doin' with their lives.
[V] But me, I'm still [vi] on the road
[I] Headin' for another [IV] joint
[V] We always did [vi] feel the same,

We [I] just saw it from a diff-[IV]erent point of [V] view,
[VII] Tangled [IV] up in [I] blue. [Isus4] [I] [Isus4]

[I] And every [vi] night I'd sit alone and learn what loneliness [I] meant
Up in my [vi] rented room above the world of tar and ce-[I]ment

[I] Each day I'd wake up and look at the [V7] sky
Think of the meadows where I used to [I] lie
Then I'd remember all of that's [V7] gone
You're in the city you better push [I] on
Get what you came for before it's too [V7] late
Get what you came for the meadows can [I] wait

[I] So every [vi] night I'd sit alone and learn what loneliness [I] meant
Up in my [vi] rented room above the world of tar and ce-[I]ment

[I] Many years later tired at [V7] last
I headed for home to look for my [I] past
I looked for the meadows there wasn't a [V7] trace
Six lanes of highway had taken their [I] place
Where were the lilacs and all that they [V7] meant
Nothing but acres of tar and ce-[I]ment

Yet I can [vi] see it there so clearly now where has it [I] gone
Yes I can [vi] see it there so clearly now where has it [I] gone

Fade to end

[I] Where are the meadows [vi] (tar and cement)
[I] Where are the lilacs [vi] (tar and cement)
And [I] where is the tall grass [vi] (tar and cement)
The [I] laughter of children [vi] (tar and cement)
[I] Nothing but acres [vi] (tar and cement)
[I] Acres and acres [vi] (tar and cement)

[I] Once I [IV] married a tattooed [I] lady, (well tell me about her Skeets)
it was on a [II7] cold and winter [V7] day.
[I] And tattooed [IV] all around her [I] body (what was that?)
was the [II7] map of the good old US[V]A.
[IV] And every night before I'd go to [I] sleep, (what'd ya do Skeets?)
I'd [II7] jerk down the quilt and I'd take a [V] peep.
[NC] But good gracious alive!

Upon her [I] leg was Minne[II]sota,
On her [V7] shoulder Tennes[I]see.
And tattooed [IV] on her back
was good old [I] Rackensack,
the [II7] place where I long to [V] be. [V7]
Upon her [I] (wolf whistle) was West Vir[II7]ginnie,
Through them [V] hills I did love to [I] roam.
When I [IV] saw the the moonlight on her Missi[I]ssippi
That's when I [II] recognized my [II] home sweet [V] home. [I]

I'm an [I] ordinary joker, growing [IV] old before me time,
Cause me [I] heart's in Taumarunui on the [II] Main Trunk [V] Line
in [I] Taumarunui, [IV] Taumarunui. [I] Taumarunui on the [V] Main Trunk [I] Line!

You can [I] get to Taumarunui going [IV] North or going [I] South,
And you pull in there at midnight and there's [II] cinders in your [V] mouth,
got [I] cinders in your whiskers and a [IV] cinder in your eye,
So you [I] pop off to Refreshments for a [II] cuppa tea and [V] pie,
in [I] Taumarunui [IV] Taumarunui. [I] Taumarunui on the [V] Main Trunk [I] Line!

[I] There's a sheila in Refreshments and she's [IV] pouring cups of [I] tea,
And my heart jumps like a rabbit when [II] she pours a cup for [V] me.
She's got [I] hair of flaming yellow and [IV] lips of flaming' red,
And I'll [I] love that flaming sheila till [II] I'm up and gone and [V] dead,
From [I] Taumarunui [IV] Taumarunui. [I] Taumarunui on the [V] Main Trunk [I] Line!

[I] Now you can get a job in Wellington [IV] or get a job up [I] North,
But you can't in Taumarunui though you [II] try for all [V] you're worth.
If I want [I] to see this sheila I've got [IV] to take the train,
Get ten [I] minutes for refreshments then [II] they cart me [V] off again,
From [I] Taumarunui [IV] Taumarunui. [I] Taumarunui on the [V] Main Trunk [I] Line!

[I] Well they took me on as Fireman on the [IV] Limited Express,
Add I [I] thought that she'd be Jake but she's [II] all a flamin' [V] mess
The [I] sheila didn't like me though I [IV] thought she'd be a gift,
But she's [I] gone and changed her duty now and [II] works the daylight [V] shift, in [I] Taumarunui [I
Taumarunui. [I] Taumarunui on the [V] Main Trunk [I] Line!

Because the [I] past is just a [V] goodbye

[I] Teach your children [IV] well
Their father's [I] hell did slowly [V] go by [V7]

The [IV] one thing I want, when they [bVII] lay me in the ground
When I [IV] die, [I] tear my stillhouse [IV] down

Oh, [bVII] tear my stillhouse down, let it go to rust
Don't [IV] leave no trace of the hiding place where I made that evil stuff

That [IV] old copper kettle was the [I7] death of [IV] me.

When [IV] I was a child, way [bVII] back in the hills
I [IV] laughed at the men, who [I] tended those stills
But that [IV] old mountain shine, it [bVII] caught me somehow
When I [IV] die, [I] tear my stillhouse [IV] down.

Oh, [bVII] tear my stillhouse down, let it go to rust
Don't [IV] leave no trace of the hiding place where I made that evil stuff
For [bVII] all my time and money, no profit did I see

Oh [IV] tell all your children, that [bVII] Hell ain't no dream
'Cause [IV] Satan he lives, in my [I] whiskey machine

[I] Between the darkness on the [V] street, and the houses filling

[I] Between the stillness in my [V] heart, and the roar
[vi] of the approaching night [IV]
[I] Somebody's calling after [V] somebody, somebody

Looking for somebody [I] [V] somewhere in the [vi] night [IV] [V]

Tender [I] tender [IV] are the [V] motions,

[I] Between a life that we ex-[V]pected, and the way it's
[vi] always been [IV]
I can't walk back [I] in again, [V] after the way
[vi] we fight [V] [vi] [V] [vi] [V]
[I] When just outside there are [V] people laughing, living
[vi] lives we used to [IV] lead
Chasing down the [I] love they need, [V] somewhere in the [vi] night [IV] [V]

[I] Tender [IV] is the [V] night, [I] tender and the benediction
[IV] of the [V] neon light
[I] Tender [IV] are the [V] hunters, tender is the [I] night [IV] [V]

[I] [V] [I] [V] [I] [V] [vi] [IV] [V]

[IV] You're gonna want me to-[V]night,
when you're ready to surr-[IV]ender
Forget about who's [V] right,
when you're ready to re-[IV]member
It's another world at [vi] night,
when you're ready to be [V] tender
[V] Tender, [IV] tender, [V] tender

[I] Tender, [IV] [V] [I] tender, [IV] [V] [I] tender, [IV] [V] [I] tender [IV] [V]

[I] And in the hard [IV] light of an [V] angry sun,
[I] no one remembers [IV] what was [V] said or done
[I] Tender [IV] are the [V] words they choose,
[vi] you win, I win, [V] we [I] lose [V]

[I] [IV] [V] x4

[I] Tender, tender [IV] is the [V] night
[I] Tender, the benediction [IV] of the [V] neon light
[I] Tender, tender [IV] are the [V] hunters
Tender is the [I] night, when they
[IV] hold [V] each other tight
[I] Tender, tender [IV] are the [V] undercover

[I] [I] [vi7] [vi7] [VII] [VII] [V] [V]

[I] Come on weather [vi7] man give us a [VII] forecast snowy [V] white. [V]
[I] Can't you hear the [vi7] prayers of every [VII] childlike heart to-[V]night? [V]
[IV] Rockies are calling, [I] Denver snow falling,
[V] Somebody said it's [I] four feet deep.
[IV] But it doesn't matter, [I] give me the laughter. [V7] I'm gonna choose to keep. [V7]

Another [I] tender Tennessee [IV] Christmas, the [V] only Christmas for [I] me. [I]
Where the [I] love circles a-[vi7]round us,
like the [ii7] gifts around our [V] tree. [V]
Well, I [I] know there's more snow up in [iii7] Colorado,
than my [v] roof will ever [IV] see. [IV]
But a [IV] tender [V] Tennessee [I] Christmas, [vi7]
is the [ii7] only [V] Christmas for [I] me.

[I] Every now and [vi7] then I get a [VII] wandering urge to [V] see. [V]
[I] Maybe Cali-[vi7]fornia, maybe [VII] tinseltown's for [V] me. [V]
[IV] There's a parade there, [I] we'd have it made there,
[V] Bring home a tan for [I] New Year's Eve.
[IV] Sure sounds exciting, [I] awfully inviting. [V7] Still I think I'm gonna keep. [V7]

Another [I] tender Tennessee [IV] Christmas, the [V] only Christmas for [I] me. [I]
Where the [I] love circles a-[vi7]round us,
like the [ii7] gifts around our [V] tree. [V]
Well, they [I] say in L.A., it's a [iii7] warm holiday.
It's the [v] only place to [IV] be. [IV]
But a [IV] tender [V] Tennessee [I] Christmas, [vi7]
Is the [ii7] only [V] Christmas for [I] me.

Another [I] tender Tennessee [IV] Christmas, the [V] only Christmas for [I] me. [I]

[V] Working on the dreams he planned to [ii] try, [V7] the days go [I] by [I6] [I] [I6]

[vi] Every night when the [IV] sun goes down
[vi] He’s just another [IV] lonely boy in [vi] town
[ii] And she’s out running [V] round [V]

[I] She wasn’t just another woman
[V] And I couldn’t keep from coming [ii] on, [V7] it’s been so [I] long [I6] [I] [I6]
[I] Oh and it’s a hollow feeling
[V] When it comes down to dealing [ii] friends, [V7] it never [I] ends [I6] [I] [I6]

[I] [I] [V] [V] [ii] [V] [I] [I]

[ii] Take another [V] shot of courage,

first verse is a cappella in the YouTube - up to you!

Well, [I] life on the farm is kinda laid [IV] back
Ain't [I] much a country boy like [VII] me can't [V] hack
It's [I] early to rise, early in the [IV] sack
[I] Thank God I'm a [V] country [I] boy
A [I] simple kind of life never did me no [IV] harm
[I] Raisin' me a family and [VII] livin' on the [V] farm
My [I] days are all filled with an easy country [IV] charm
[I] Thank God I'm a [V] country [I] boy

> **Chorus**
> Well, I [V] got me a fine wife, I got my old [I] fiddle
> When the [V] sun's comin' up I got [I] cakes on the griddle
> Life ain't nothin' but a funny, funny [IV] riddle
> [I] Thank God I'm a [V] country [I] boy

When the [I] work's all done and the sun's settin' [IV] low
I [I] pull out my fiddle and [VII] rosin up the [V] bow
But the [I] kids are a-sleep so I keep it kinda [IV] low
[I] Thank God I'm a [V] country [I] boy
I'd [I] play "Sally Goodin" all day if I [IV] could
But the [I] wife and my family wouldn't [VII] take it very [V] good
So I [I] fiddle when I can and I work when I [IV] should
[I] Thank God I'm a [V] country [I] boy

> **Chorus**

Well I [I] wouldn't trade my life for diamonds or [IV] jewels
I [I] never was one of those [VII] money hungry [V] fools
I'd [I] rather have my fiddle and my farmin' [IV] tools,
[I] Thank God I'm a [V] country [I] boy
Yeah, [I] city folks drivin' in a black limou-[IV]sine
A [I] lotta sad people think that's [VII] mighty [V] keen
Well, [I] folks, let me tell you exactly what I [IV] mean
[I] Thank God I'm a [V] country [I] boy

> **Chorus**

Well my [I] fiddle was my daddy's till the day he [IV] died
And he [I] took me by the hand and held me [VII] close to his [V] side
He said, [I] "Live a good life, play my fiddle with [IV] pride
And [I] thank God you're a [V] country [I] boy
My [I] daddy taught me young how to hunt and how to [IV] whittle
He [I] taught me how to work and play a [VII] tune on the [V] fiddle
He [I] taught me how to love and how to give just a [IV] little
[I] Thank God I'm a [V] country [I] boy

[vi] I drank too [IV] much last night, got [V] bills to pay, my [I] head just [V] feels in [vi] pain
I missed the [IV] bus and there'll be [V] hell today, I'm [I] late for [V] work [vi] again
And even [IV] if I'm there, they'll [V] all imply that I [I] might not [V] last the [vi] day
And then you [IV] call me and it's [V] not so bad, it's not so bad

And [I] I want to [IV] thank you

[I] Oh, just to [IV] be with you
Is having the [iii] best day of my [ii] life

[I] [IV] x2
[iii] [ii]

[I] Push the door, I'm home at [IV] last and I'm soaking through and [I] through
And then you handed me a [IV] towel and all I see is [I] you
And even if my house falls [IV] down now I wouldn't have a [iii] clue
Because you're [ii] near me

And [I] I want to [IV] thank you

[I] I'm nothing special, in [V7] fact I'm a bit of a [I] bore [v7] [I7]
If [IV] I tell a joke, [VI7] you've probably heard it be-[ii7]fore [V7]
But [I] I have a talent, a [V7] wonderful thing
'Cause [I] everyone listens when [IV] I start to [iv] sing
I'm so [vi] grateful and proud
All I [ii] want is to sing it out [V7] loud

So I say [I] thank you for the [ii] music, the [V7] songs I'm [I] singing
[vi] Thanks for all the [II7] joy they're [V7] bringing
[I] Who can live with-[ii]out it, I [iii] ask in [vi7] all hones-[IV]ty
What would life [iv] be?

Well, who-[ii]ever it was, I'm a [V7] fan

Thanks to James Ginther for the lyrics

[I] [IV] [I] [IV] [I] [V7] [I]

[I] Oh the days are bad and the [IV] nights are long
and the [I] whole wide world is [IV] going wrong.
It's [I] all because I'm [V] far away from [I] home. [V]

When I [I] bow my head and I [IV] close my eyes,
it is [I] then I stop and [IV] realize,
Oh, [I] what a fool I [II7] was to ever [V] roam.

There's a [I] long, long trail a-[IV]wind-[I]ing
to a l[IV] and that's fair and [I] bright.
It's a trail I'm always [IV] fin-[I]ding
when I [II7] go to sleep at [V] night

And I [I] dream, I'm climbing [IV] up the hill
where I [I] used to [V] hear that [IV] whipporwill
in the [I] good old country [V7] town where [V] I was [I] born.

I tried to figure out [III7] just what it's all about,
[IV] why I ever left [I] home.
[V] I got a notion [I] in my [vi] head
the [II7] ol' home town was [V] mostly dead,

but [I] I learned a thing or two [III7] as we were bound to do
[IV] when we're roaming a-[I]round
and [V] I made up my mind right now.
I'll [II7] soon be homeward [V] bound.

Oh, the [I] sun shines brighter [IV] every day
and the [I] breezes blow your [IV] blues away
In the [I] good old country [V] town I'm longing [I] for [V]

It's a [I] place where clothes don't [IV] make the man
and they [I] mean it when they [IV] shake your hand
and a [I] stranger won't be [II] turned from any [V] door.

It's a [I] land of milk and [IV] honey
where the folks are on the [I] square,
though they don't have lots of [IV] mooo-[I]ney,
you're [II7] always welcome [V] there.

Oh, I [I] know that I'm just a [IV] small time guy,
so I'm [I] going back to l[IV] ive and die
in the [I] good old country [II] town where [V] I was [I] born

abbreviated instrumental

And I [I] dream, I'm climbing [IV] up the hill
where I [I] used to [V] hear that [IV] whipporwill
in the [I] good old country [V7] town where [V] I was [I] born.

Oh I wonder if I'm [IV] going to find
That [I] little girl I [IV] left behind
I [I] never can for-[V]get her smiling [I] face [V]

When I [I] start back home where [IV] belong
In my [I] heart I know there'll [IV] be a song
For [I] no-one else can [II7] ever take her [V] place

When I [I] get off at the [IV] sta-[I]tion,
and I [IV] see those happy [I] smiles,
I will tell the whole creation.
I would [II7] walk a thousand [V] miles
just to [I] be back where the [IV] skies are blue,
where I [I] know my friends are [IV] always true
in the [I] good old country [V] town where I was [I] born.

[I] From the land of [vi] sand and [I] sea [vi]
[I] I brought home a [vi] memo-[II7]ry.
[ii] And it won't stop haunting [iv] me
[I] That Hawaiian [II7] Mel-[V7]o--[I]dy

[I] Golden sun and [vi] silver [I] rain. [vi]
[I] Blue and emerald [vi] island [II7] chain.
[ii] Linger like a sweet re-[iv]frain.
[I] That Hawaiian [II7] Mel-[V7]o-[I]dy

That [iii] warm and [bIIIaug] gentle [iii7] island [iii6] greeting,

[iii] Ever [bIIIaug] since it's [iii7] been re-[iii6]peating,

[I] Palm trees sway a-[vi]gainst the [I] moon [vi]

[ii] Such a charming, little [iv] tune.
[I] That Hawaiian [II7] Mel-[V7]o--[I]dy [IV] [I]

[I] Up in the mornin', [vi] out on the job
[iii] Work like the [IV] devil for my [I] pay.
And that [IV] lucky old sun
he's got [I] nothin' to [vi] do
But [IV] roll around [V7] heaven all [I] day.

[I] Fuss with my woman, [vi] toil for my kids
[iii] Sweat 'til I'm [IV] wrinkled and [I] gray
Well the [IV] lucky old sun,
he got [I] nothing to [vi] do
But [IV] roll around [V7] heaven all [I] day

Good [vi] Lord up a-[iii]bove, can't you [IV] see I'm cry-[I]in'
[IV] Tears are [V] in my [I] eyes.
[vi] Send down a [iii] cloud with that [IV] silver li-[I]ning,
[IV] Take me to [I] para-[V7]dise.

[I] Show me that river, [vi] lead me across
[iii] Wash all my [IV] troubles a-[I]way

Looks complex but really isn't - simpler version than the video

[bvidim] It's that [V7] ole [ii7] devil [bvidim] called [Imaj7] love again
Gets be-[VI7]hind me and [iii7] keeps giving [viidim] me that [VI7] shock again
Puttin' [ii] rain in my [ii7] eyes, [ii7] tears in my [V7] dreams
And [IV7] rocks in my [vi] heart

[bvidim] It's that [V7] sly [ii7] ole [V7] son [bvidim] of a [Imaj7] gun again
He keeps [VI7] telling me that [iii7] I'm the [viidim] lucky [VI7] one again
But I [ii] still have that [ii7] rain, [ii7] still have those [V7] tears
And those [ii7] rocks in my [I] heart

Sup-[IV7]pose I [bvidim] didn't [V7] stay -- [Imaj7] ran away, [bii7] wouldn't play
[
The [IV7] devil -- what a [V7] potion [ii7] he would [IImaj7] brew!
[II7] He'd follow [bVI7] me a-[II7]round, [V7] build me up, [biiidim] tear me [V7] down,

[I] Working on the site from [I] morning 'till night
That's [V] livin' alright, that's livin' alright
Then a [V7] pint with the boys, in a bar full of noise

[I] Telling the lie with a [I7] glint in your eye
'Cause to-[IV]morrow you'll be back on the [ii] site

[iii] My father sits at night with [Imaj7] no lights on

[v7] The living room is still
[IV] I walk by, no re-[ii7]mark [bII] [I]

[iii] I tiptoe past the master [Imaj7] bedroom where
[iii] My mother reads her maga-[I]zines
[v7] I hear her call sweet dreams
[IV] But I forgot how to [ii7] dream [bII] [I]

[VII] But you say it's time we [vi7] moved in together
[v7] And raised a [I7] family of our [IVmaj7] own, you and me
[VII] Well, that's the way I've always [vi7] heard it should be
You want to [II] marry me
We'll [V] marry

[iii] My friends from college, they're all [Imaj7] married now
[iii] They have their houses and their [I] lawns
[v7] They have their silent noons
[IV] Tearful nights, angry [ii] dawns [bII] [I]

[iii] Their children hate them for the [Imaj7] things they're not
[iii] They hate themselves for what they [I] are
[v7] And yet they drink, they laugh
[IV] Close the wound, hide the [ii7] scar [bII] [I]

[VII] But you say it's time we [vi7] moved in together

[iii] Babe, all I know is what I [I] see
[v7] The couples cling and claw
[IV] And drown in love's de-[ii]bris [bII] [I]

[iii] You say we'll soar like two birds [Imaj7] through the clouds
[iii] But soon you'll cage me on your [I] shelf
[v7] I'll never learn to be
[IVmaj7] Just me first, by my-[ii7]self [bII] [I]

[I] [I7] [IV] [I] [V] [V7] [I]

[I] Well, I know a guy who's got a lot to lose,
he's a [IV] pretty nice fella, kinda confused,
He's got [I] muscles in his head, never been used,
thinks he owns half of this [V] town. [V7]
[I] Starts drinkin' heavy, got a big red nose,
[IV] beats his old lady with a rubber hose,
Then he [I] takes her out to dinner, buys her new clothes,
that's the way the [V7] world goes [I] round

[I] That's the way the world goes [I7] round,
you're [IV] up one day, the next you're down,
It's [I] half an inch of water, but you think you're gonna drown
that's the way the [V7] world goes [I] round.

[I] Sittin' in my bathtub, countin' my [I7] toes
when the [IV] radiator broke, the water all froze
I got [I] stuck in the ice without my clothes
naked as the eyes of a [V] clown. [V7]
I was [I] cryin' ice cubes, hopin' I'd croak,
when the [IV] sun came through the window, the ice all broke,
[I] I stood up and laughed, thought it was a joke,
that's the way the [V7] world goes [I] 'round.

[I] That's the way the world goes [I7] round,
you're [IV] up one day, the next you're down,

[I] Well I walked up to her
And I [V7] asked her if she wanted to [I] dance
[I] She looked awful nice
And [V7] so I hoped she might take a [I] chance
[IV] When we danced I [I] held her tight
[IV] And then I walked her [I] home that night
And all the stars were [V7] shining bright and then I [I] kissed her

[I] Each time I saw her I [V7] couldn't wait to see her a[I]gain
I wanted to let her [V7] know that I was more than a [I] friend
[IV] I didn't know just [I] what to do
[IV] So I whispered [I] I love you
And she said that she [V7] loved me too and then I [I] kissed her

I [IV] kissed her in a [IV6] way
That I'd [IVmaj7] never kissed a [IV6] girl be[IV]fore [IV6] [IVmaj7] [IV6]
I [II] kissed her in a way
That I [II7] hoped she'd like for ever [V] more [V7]

I [I] knew that she was mine
So I [V7] gave her all the love that I [I] had
Then one day she'll take me [V7] home
To meet her mum and her [I] dad
[IV] And then I asked her to [I] be my bride
[IV] And always be right [I] by my side
I felt so happy that I [V7] almost cried and then I [I] kissed her
And then I [I] kissed her and then I [I] kissed her

Now every[bVII]thing I ever [IV] done was only [bVII] done for you [II7]
But now [V] you can go and [II7] do just what you [V] wanna do

'Coz [I] I ain't gonna be made to look a [VII7] fool no more
You [I] done it once too often what do ya [VI7] take me for
Oh [II7] darling [V7] There ain't no pleasin' [I] you [V7]

And you [I] seemed to think that everything I ever [VII7] did was wrong

Oh [II7] darling [V7] there ain't no pleasin' [I] you [IV] [I] [V7]

There Was An Old Lady Who Swallowed A Fly

beginners song

[V7] There [I] was an old lady who swallowed a fly,
[V7] I don't know why she swallowed a fly, perhaps she'll [I] die.

There [I] was an old lady who swallowed a spider,
That [V7] wriggled and jiggled and tickled inside her,
She [I] swallowed the spider to catch the fly,
[V7] I don't know why she swallowed the fly, perhaps she'll [I] die.

There [I] was an old lady who swallowed a bird,
[V7] How absurd, to swallow a bird.
She [I] swallowed the bird to catch the spider,
That [V7] wriggled and jiggled and tickled inside her,
She [I] swallowed the spider to catch the fly
[V7] I don't know why she swallowed the fly, Perhaps she'll [I] die.

There [I] was an old lady who swallowed a cat
[V7] Fancy that, to swallow a cat....

There [I] was an old lady who swallowed a dog
[V7] What a hog, to swallow a dog....

There [I] was an old lady who swallowed a horse
She [V7] died, of [I] course!

[I] A cigarette that [vi] bears a [ii] lipstick's traces, [V7]
[I] An airline [vi] ticket to ro-[ii]mantic places, [V7]
[I7] And still my heart has [IV] wings, [VI7] these foolish [II7] things
re-[ii]mind me of you, [V7]
[I] A tinkling [vi] piano in the [ii] next a-[V7]partment,
[I] Those stumbling [vi] words that told you, [ii] what my [V7] heart meant,
[I] A fairgrounds painted [IV] swings, [VI7] these foolish [II7] things
[V7] remind me of [I] you! [VII7]
[iii] You came, [vi] you [VII7] saw, [iii] you conquered [VI7] me,
[V] When [iii] you [vi] did that to [II7] me, [V7] I, knew somehow,
[ii] this had to [V7] be!
[I] The winds of [vi] March that [ii] make my heart a [V7] dancer,
[I] A telephone [vi] that rings, [ii] and who's to an-[V7]swer?
[I] Oh, how the ghost of you [IV] clings, [VI7] these foolish [ii] things
remind me of [I] you,

[I] Gardenia [vi] perfume lingering [ii] on a pillow, [V7]
[I] Wild straw-[vi]berries only seven [ii] francs a [V7] kilo,
[I7] And still my heart has [IV] wings, [VI7] these foolish [II7] things
re-[ii]mind me of you, [V7]
[I] The park at [vi] evening when [ii] the bell has soun-[V7]ded,
[I] The 'Ile de [vi] France' with all the [ii] girls around [V7] it,
[I] The beauty of [IV] spring, [VI7] these foolish [ii] things
re-[V7]mind me of [I] you, [VII7]
[iii] I know [vi] that [VII7] this [iii] was bound to [VI7] be,
[V] These [iii] things [vi] have haunted [II7] me,
[V7] for you've [biidim] entirely [ii] en-chanted [V7] me!
[I] The sigh of [vi] midnight trains [ii] in empty [V7] stations,
[I] Silk stockings [vi] thrown aside, [ii] dance invi-[V7]tations,
[I] Oh, how the ghost of you [IV] clings, [VI7] these foolish [ii] things
remind me of [V7] you,

[I] First daffodils, [vi] and long ex-[ii]cited [V7] cables,
[I] And candle-[vi]light on little [ii] corner [V7] tables,
[I] And still my heart has [IV] wings, [VI7] these foolish [II7] things
re-[ii]mind me of you, [V7]
[I] The smile of [vi] Garbo, when [ii] the scent of [V7] roses,
[I] The waiters [vi] whistling as the [ii] last bar [V7] closes,
[I] The song Crosby [IV] sings, [VI7] these foolish [ii] things
[V7] remind me of [I] you,[VII7]
[iii] How strange, [vi] how [VII7] sweet, [iii] to find you [VI7] still,
[V] These [iii] things[vi] are dear to [II7] me,
[V7] that seem [biidim] to bring [ii] you so near to [V7] me!
[I] The scent of [vi] smouldering leaves, [ii] the wail of [V7] steamers,
[I] Two lovers, [vi] on the street, who [ii] walk like [V7] dreamers,
[I] Oh how the ghost of you [IV] clings, [VI7] these foolish [II7] things
[V7] remind me of you, [I]

[I] [IV] [I] [IV]

[I] You've been around for such a [IV] long time now,
Or maybe [ii] I could leave you, but I [V] don't know how.
[I] And why should I be [IV] lonely every night,
When I can [ii] be with you; oh yes, you [V] make it right.

And I [IV] don't, listen to the [V] guys who say,
That you're [I]bad for me, and I should [IV] turn away.
'Cos, [I] they don't [ii] know about [iii] us, [V]
And [IV] they've never [VII] heard of [I] love.

[I] I get a feeling, when I [IV] look at you;
Wherever [ii] you go now, I wanna [V] be there too.
[I] They say we're crazy, but I [IV] just don't care,
And if they [ii] keep on talkin', still they [V] get nowhere.

So I [IV] don't, mind if they don't [V] understand
When I [I] look at you and you [IV] and you hold my hand
'Cos, [I] they don't [ii] know about [iii] us, [V]
And [IV] they've never [VII] heard of [I] love.

[vi] Why should it [VII] matter to us, if [IV] they don't ap-[V] prove?
[vi] We should just [VII] take our chances, while [IV] we've got nothing to [V]lose.

[I] [IV] [I] [IV] [I] [IV] [V]

Baby, [I] There's no need for living [IV] in the past,
Now I [ii] found good loving; gonna [V] make it last.
[I] I tell the others not to [IV] bother me,
'Cos when they [ii] look at you, they don't see [V] what I see.

No I [IV] don't listen to their [V] wasted lines
Got my [I] eyes wide open and I [IV] see the signs
But [I] they don't [ii] know about [iii] us, [V]
And [IV] they've never [VII] heard of [I] love.

No I [IV] don't listen to their [V] wasted lines
Got my [I]eyes wide open and I [IV] see the signs
But [I] they don't [ii] know about [iii] us, [V]
And [IV] they've never [VII] heard of [I] love.

I'm a [ii] sucker for the thrill of the [I] chase
[ii] A little damage and a [IV] little [I] grace
I think about [ii] you, [IV] think about [I] you

I pulled out of Sad Café, midnight waters at Half Moon Bay

I'm a [ii] sucker for the Fountain of [I] Youth
Though I [ii] bang my head on a [IV] mountain of [I] truth
Thinking about [ii] you, [IV] thinking 'bout [I] you

VERSE 1:

Remember the [V] days of our [I] summer [II] song
The [I] years were [V] slow and the [I] sun was [II] warm
In the [I] fields and [V] lanes where we [I] stayed so [II] long
[I] Feeling the [iii] earth between our [II] toes
[I] Making a [iii] promise that wherever we [II] go
We'd [iii] take a de[VII7]light in this life and [iii] grow
But [Imaj7] remember to think like a [IV7] child. [II7]

VERSE 2:

Remember the [V] way that the [I] big world [II] seemed
[I] Crazy and [V] mean in [I] scene after [II] scene
With [I] eyes shut [V] tight in [I] case they should [II] see
That [I] everything [iii] touches other things to [II] hand
They'd [I] try and pre[iii]tend not to under[II]stand
And the [iii] promise I [VII7] made was try hard as I [iii] can
And re[Imaj7]member to think like a [IV7] child. [II7]

BRIDGE:

[II7] And the [V] child that you [VII7] were is the [I] best you will [VI7] be
And the [VII7] eyes that [iii] saw are the [I] clearest you'll [II7] see
And the [V] shadows that [VII7] grew as the [I] years cloud your [VI7] smile
Will [VII7] fall back if you [iii] only will [II] feel like a [V] child.

VERSE 3:

[II] Remember just [V]this, you've [I] got to re[II]sist
[I] Set your al[V]arm so that [I] you never [II] miss
A [I] chance to be [V] smart, not just [I] remi[II]nisce
And [I] take a [iii] look at the ones who for[II]got
The [I] cold, cold [iii] faces and the empty [II] hearts
In the [iii] crowded [VII7] streets you might think you're [iii] lost
But [Imaj7] remember to think like a [IV7] child. [II7]

Thirty Thirsty Throats

Once the [I] gallant order of the [IV] Ukulele [V] Group,
Went for a hike [V] a country [I] hike.
Over hills [I] and over dales [IV] and over hedges [I] to
[V] Not one complaining what a gallant [I] crew. [V]
But hobnail [V] boots had made out poor feet sore.
We walked and walked and walked, and then we walked some [V7] more.

[I] Thirty thirsty throats, gosh you should have [V] seen us.
Wilder than the mountain goats, not a drink between [I] us.
Thirty thirsty throats, not a map to guide [V] us,
All the chillis in the world seemed to be inside [I] us..

With [IV] grim faced smiles we [I] tramped for miles,
[II] All about us empty bottles, piles and piles and [V] piles.
[I] Thirty thirsty throats full of dust and [V] fury
Would have sold our ukuleles for a bloomin' [I] brewery.

[I] Now the gallant players of the [IV] ukulele [V] group
Won't walk no more, [V] no sir no [I] more.
With bunions, bumps and bruises on [IV] their poor old feet [I] galore
[II] If you mention hiking they lay upon the [V] floor.

[V] They all still love to hike but here's the rub
They love to take a hike right to the [II] nearest [V] pub.
[I] Thirty thirsty throats, [I] gosh you should have seen [V] us.
Each one worth a million [V] pounds and not a drink between [I] us.

[I] Thirty thirsty throats marching on [V] together.
Each one of us, was praying hard, for some stormy [I] weather.
[IV] We couldn't talk, could [I] hardly walk.
[II] Would have given all we own, to taste a whisky[V] cork.
[I] Thirty thirsty throats feeling kinda [V] hazy.
The two stoogies are OK we'er the ones that's [I] crazy

[I] Thirty thirsty throats, thirsty boy you [V] said it
We could have drank the camels dry in the bloomin [I] desert.. STOP

[i] Well I was sitting in a [v] roadhouse [VII] havin' a cup to pass the [i] time
[i] Swapping rodeo [v] stories with a [VII] few old territory friends of [i] mine
[i] When some motorcycle [III] riders started [iv] snickering in the back
[i] They were pokin' fun[v] at my friends [i] hat
[i] Well one old boy said [v] 'Hey Tex where'd you [VII] park your [i] horse'
[i] My friend just turned his [v] hat down low but [VII] they couldn't be ig-[i]nored
[i] Then one husky [III] fella said 'I think I'll [iv] rip that hat right off your head'
[i] That's when my friend turned [v] round and this is what he [i] said

[i] Now this old [v] hat is [VII] better left a-[i]lone
[i] You see it used to be my [v] father's but [VII] last year he passed [i] on
[i] My Uncle skinned the [III] red belly black that [iv] makes up this ol' hat band
[i] But back in sixty [v] nine he was killed in Viet-[i]nam
[i] Now the eagle feather was [v] given to me by an [VII] old aboriginal friend of [i] mine
[i] But someone run him [v] down somewhere up around that [VII] Nothern Territory [i] line
[i] And a real special [III] lady gave me this hat [iv] pin
[i] But I don't know if I'm [v] ever going to see her a-[i]gain

You'll [i] ride a black tor-[III]nado a-[iv]cross the western sky
You'll [i] rope an old blue [III] norther and [v] milk it 'til it's dry
Bull-[i] dog the Diaman[III]-tina [iv] pin its ears down flat
[i] Long before you [v] take this cowboy's [i] hat

[i] Now if your leather jacket [v] means to you what this old [VII] hat means to [i] me
[i] Then I guess we under-[v]stand each other and [VII] we'll just let it [i] be
[i] But if you still think it's [III] funny then you've [iv] got my back up against the wall
[i] And if you touch my [v] hat then you're [VII] gonna have to fight us [i] all
[i] Well right then and there I [v] noticed a little [VII] sadness in the gang leader's [i] eyes
[i] He turned back toward the [v] others and they [VII] all just shuffled on out-[i]side
[i] But when my friend turned [III] back towards me I [iv] noticed his hat brim
Well it was [i] turned up in a [v] big old Territory [i] grin

From Cali-[V7]fornia to the New York [I] Island,
From the Redwood [IV] Forests to the Gulf Stream wa-[I]ters
[V7] This land was made for you and [I] me.

As I was [IV] walking that ribbon of [I] highway
I saw a-[V7]bove me that endless [I] skyway
I saw be-[IV]low me that golden [I] valley
[V7] This land was made for you and [I] me.

I roamed and I [IV] rambled and I followed my [I] footsteps
To the sparkling [V7] sands of her diamond [I] deserts
While all a-[IV]round me a voice was [I] sounding
[V7] This land was made for you and [I] me.

When the sun came [IV] shining, and I was [I] strolling
And the wheat fields [V7] waving and the dust clouds [I] rolling
A voice was [IV] chanting and the fog was [I] lifting,
[V7] This land was made for you and [I] me.

As I went [IV] walking I saw a [I] sign there
And on the [V7] sign it said "No Tres-[I]passing."
But on the [IV] other side it didn't say [I] nothing,
[V7] That side was made for you and [I] me.

In the shadow of the [IV] steeple I saw my [I] people,
By the relief [V7] office I seen my [I] people;
As they stood there [IV] hungry, I stood there [I] asking
[V7] Is this land made for you and [I] me?

Nobody [IV] living can ever [I] stop me,

Nobody [IV] living can ever make me [I] turn back

Ooh, [V7] this old [I] heart of mine, been broke a [iii] thousand times,
Each time you [IV] break away, [iii7] fear you've [ii7] gone to stay.
[V7] Lonely [I] nights that come, memo[iii]ries that flow,

This Ole House

artist:Shakin' Stevens writer:Stuart Hamblen

https://www.youtube.com/watch?v=0WhLhF12TBE Capo 3

This ole [I] house once knew my children,
this ole [IV] house once knew my wife;
This ole [V] house was home and comfort
as we [I] fought the storms of life.
This old [I] house once rang with laughter,
this old [IV] house heard many shouts;
Now she [V] trembles in the darkness
when the lightnin' walks a-[I]bout.

Ain't a-gonna [IV] need this house no longer,
Ain't a-gonna [I] need this house no more;
Ain't got [V] time to fix the shingles,
ain't got [I] time to fix the floor,
Ain't got [IV] time to oil the hinges
nor to [I] mend the window [vi7] pane;
Ain't gonna [V] need this house no longer
I'm a-gettin' ready to meet the [I] saints.

This ole [I] house is a-gettin' shaky,
this ole [IV] house is a-gettin' old;
This ole [V] house lets in the rain,
this ole [I] house lets in the cold.
Oh, my [I] knees are a-gettin' shaky,
but I [IV] feel no fear nor pain,
'Cause I [V] see an angel peekin' through a broken window [I] pane.

Ain't a-gonna [IV] need this house no longer,
Ain't a-gonna [I] need this house no more;
Ain't got [V] time to fix the shingles,
ain't got [I] time to fix the floor,
Ain't got [IV] time to oil the hinges
nor to [I] mend the window [vi7] pane;
Ain't gonna [V] need this house no longer - I'm a-gettin' ready to meet the [I] saints.

[I] The island it is silent now
But the [IV] ghosts still haunt the waves
And the [I] torch lights up a [vi] famished man
Whom [ii] fortune could not [V] save
Did you [I] work upon the railroad
Did you [IV] rid the streets of crime
Were your [I] dollars from the [vi] white house?
Were they [V] from the five and [I] dime?

Did the [vi] old songs taunt or cheer you
And do [IV] they still make you [I] cry?
Did you [vi] count the months and years
Or did your [ii] teardrops quickly [V] dry?
Ah, [I] No, says he 'twas not to be
On a [IV] coffin ship I came here
And I [I] never even [vi] got so far
That [V] they could change my [I] name

[vi] Thousands are still sailing
A-[V]cross the Western [ii] Ocean
To a [vi] land of opportunity
That [V] some of them will [ii] never see
[vi] Fortune prevailing
A-[V]cross the Western [ii] Ocean

Their [vi] bellies full,

They'll [V] break the chains of [ii] poverty
And they'll [IV] dance ..///[vi] ///[V] ///[II] /// [I]///

In the [IV] death of afternoon
We stepped [I] hand in hand on [vi] Broadway
Like the [ii] first men on the [V] moon
[V] And a [I] blackbird broke the silence
As he [IV] whistled it so sweet
And in [I] Brendan Behan's [vi] footsteps
They danced [V] up and down the [I] street

Then we [vi] said goodnight to Broadway
Giving [IV] it their best [I] regards
Tipped their [vi] hats to Mister Cohan
Dear old [ii] Times Square's favourite [V] bard
Then they [I] raised a glass to J.F.K.

[i] [i] [VII] [VI] [v] x2
[i] [VI] [iv] [VI] [v] x2

[i] On a cold winter morning, in the [VI] time before the light
In [VII] flames of death's eternal reign we ride towards the [i] fight
[i] When the darkness has fallen down, and the [VI] times are tough all right
The s[VII] ound of evil laughter falls a-[i]round the world tonight
[i] Fighting hard, fighting on for the steel, through the [vi] wastelands ever-[VI] more
The [VII] scattered souls will feel the hell bodies [i] wasted on the shores

On the [iv] blackest plains in hell's domain, we [i] watch them as we go
In [VI] fire and pain, and once again we [VII] know

So now we [III] fly ever [VII] free
We're [VI] free before the thunderstorm
[i] On towards the [VII] wilderness our [VI] quest carries on
[i] Far beyond the [VI] sundown, [i] far beyond the [III] moonlight
[iv] Deep inside our hearts and all our [VII] souls

So far a-[VI]way we wait for the [i] day
For the [VII] light source so wasted and [v] gone
We feel the [VI] pain of a lifetime lost [i] in a thousand days
Through the [VII] fire and the flames we carry [i] on

[i] As the red day is dawning, and the [VI] lightning cracks the sky
They'll [VII] raise their hands to the heavens above, With re-[i]sentment in their eyes
[i] Running back from the mid-morning light, there's a [VI] burning in my heart
We're [VII] banished from a time in a fallen land, to a [i] life beyond the stars

In your [iv] darkest dreams see to believe, our [i] destiny is time
And [VI] endlessly we'll all be free to-[VII]night

And on the [III] wings of a [VII] dream, so [VI] far beyond reality
[i] All alone in [VII] desperation, [VI] now the time has gone
[i] Lost inside you'll [VI] never find, [i] lost within [III] my own mind
[iv] Day after day this misery must go [VII] on

So far a-[VI]way we wait for the [i] day
For the [VII] light source so wasted and [v] gone
We feel the [VI] pain of a lifetime lost [i] in a thousand days
Through the [VII] fire and the flames we carry [i] on

Now here we [i] stand with their blood on our [VI] hands
We fought so [VII] hard now can we under-[III]stand
I'll break the [i] seal of this curse if I [VI] possibly can
For [VII] freedom of every [v] man

So far a-[VI]way we wait for the [i] day
For the l[VII] ight source so wasted and [v] gone
We feel the [VI] pain of a lifetime lost [i] in a thousand days
Through the [VII] fire and the flames we carry [i] on

Solo skipped

Now here we [i] stand with their blood on our [VI] hands
We fought so [VII] hard now can we under-[III]stand
I'll break the [i] seal of this curse if I [VI] possibly can
For [VII] freedom of every [v] man

So far a-[VI]way we wait for the [i] day

[I] [iii] [ii] [V]

[I] I'm comin' home, I've done my [iii] time.
Now I've [v] got to know what [VI7] is and isn't [ii] mine.
If you received my [iv] letter, tellin' [vi] you I'd soon be free,
[II7] then you'll know just what to do, [iv] if you still want [V7] me..
[iv] if you still want [V7] me..

[I] Tie a yellow ribbon 'round the [iii] old Oak tree,
It's been [v] three long years, do you [VI7] still want [ii] me?
If I don't see a [iv] ribbon round the [I] old [III7] Oak [vi] tree,
I'll [I] stay on the bus, [Iaug] forget about us, [vi] put the blame on [VI7] me..
If [ii] I don't see a [iv] yellow ribbon [ii7] round the [V7] old Oak [I] tree.

[I] Bus driver, please, look for [iii] me.
Cause I [v] couldn't bear to [VI7] see what I might [ii] see.
I'm really still in [iv] prison, and my [vi] love she holds the key.
A [II7] simple yellow ribbon's what I [iv] need to set me [V7] free
I [iv] wrote and told her, [V7] please

[I] Tie a yellow ribbon 'round the [iii] old Oak tree,

[i] A time for [v] us, someday there'll [VI] be
When chains are [III] torn by courage [iv] born
of a love that's [i] free
A time when [v] dreams so long de-[VI]nied can [iv] flou-[v]rish
As [i] we unveil the love we now must hide

A [III] time for [VII] us, at [iv] last to [i] see
A [bII] life worth-[VI]while for [v] you and [i] me

And with our [v] love through tears and [VI] thorns
We will en-[III]dure as we pass [iv] surely through every [i] storm
A time for [v] us, someday there'll [VI] be
A [iv] new [v] world
A [i] world of shining hope for you and me

If [i] I could save time in a bottle
The [iv] first thing that I'd like to [V7] do
Is to [i] save every day till [iv] eternity passes a-[i]way
Just to [iv] spend them with [i] you. [V7] [i] [V7]

If [i] I could make days last forever
If [iv] words could make wishes come [V7] true
I'd [i] save every day like a [iv] treasure and then
[i] Again, I [iv] would spend them with [i] you. [V] [i] [V7]

But there [I] never seems to be enough time
To [I] do the things you want to do once you [IV] find them [ii7] [V7]
I've [I] looked around enough to know
That [I] you're the one I want to go through [IV] time with. [ii7] [V7]

If [i] I had a box just for wishes
And [iv] dreams that had never come [V7] true
The [i] box would be empty [iv] except for the memory
[i] Of how they were [iv] answered by [i] you [V] [i] [V7]

[I7] How he loved her so [IV] dearly,

[I] In another dimension with voyeuristic [II7] intention
Well [VII] secluded [IV] I see [I] all
[I] With a bit of a mind flip you're into the [II7] time slip

He had a [I] pickup truck and the devil's eyes
He [V7] stared at me and I [IV] felt a change
[I] Time meant nothing never would again

It's a [IV] long way to [I] go.
It's a long way to Tipperary
To the [II] sweetest [II7] girl I [V] know.
[I] Goodbye Piccadilly

Oh, we [I] ain't got a barrel of [IV] mon[I]ey,

But we'll [IV] travel along
[I] Singing a [VI7] song
[II7] Side [V7] by [I] side

Pack up your troubles in your old kit-bag

[I] Pack up your troubles in your old kit bag, and [IV] smile, smile, [I] smile,
[I] While you’ve a Lucifer to light [III7] your [vi] fag,
[II] smile, boys, [II7] that’s the [V7] style.

Don't know [VI7] where, don't know when,

[I] [V7] [I]

On a [I] tree by a river a [IV] little tom-[I]tit
Sang [I]"Willow, tit-[V7]willow, tit-[I]willow".
And I [I] said to him, "Dicky-bird, [IV] why do you [I] sit
Singing [II] "Willow, tit-willow, tit-[V]willow".
"Is it [iiidim] weakness of [VI7] intellect, birdie?" I [ii] cried,
"Or a [iiidim] rather tough [VI7] worm in your little in-[ii]side?"
With a [VII] shake of his [IV] poor little [VI7] head, he re-[V]plied
"Oh, [I] willow, tit-[IV]willow, tit-[I]willow".

He [I] slapped at his chest, as he [IV] sat on that [I] bough
Singing [I] "Willow, tit-[V7]willow, tit-[I]willow".
And a [I] cold perspiration be-[IV]spangled his [I] brow
"Oh, [II] willow, tit-willow, tit-[V]willow".
He [iiidim] shivered and [VI7] shook and a gurgle he [ii] gave
Then he [iiidim] plunged himself [VI7] into the billowy [ii] wave.
And an [VII] echo a-[IV]rose from the [VI7] suicide's [V] grave
"Oh, [I] willow, tit-[IV]willow, tit-[I]willow".

Now I [I] feel just as sure as I'm [IV] sure that my [I] name
Isn't [I] Willow, tit-[V7]willow, tit-[I]willow.
That 'twas [I] blighted affection that [IV] made him ex-[I]claim
"Oh, [II] Willow, tit-willow, tit-[V]willow".
And if [iiidim] you remain [VI7] callous and obdurate, [ii] I
Shall [iiidim] perish as he did, and [VI7] you will know [ii] why.
Though I [VII] probably [IV] shall not [VI7] exclaim as I [V] die
"Oh, [I] willow, tit-[IV]willow, tit-[I]willow !".

[I] To all the girls I've loved before
Who travelled in and [ii] out my door
I'm glad they came a [V] long I dedicate this song
to all the girls I've [I] loved before

[I] To all the girls I once caressed
And may I say I've [ii] held the best
For helping me to [V] grow I owe a lot I know
To all the girls I've [I] loved before

> [I] The winds of change are blowing

[I] To all the girls who shared my life
Who now are someone [ii] else's wife
I'm glad they came a [V] long I dedicate this song
to all the girls I've [I] loved before

[I] To all the girls who cared for me
Who filled my life with [ii] ecstasy
They live within my [V] heart and always be a part
Of all the girls I've [I] loved before

> [I] The winds of change are blowing

[IV] The [VII] sun had set behind yon hill, a-[bIII]cross yon dreary [IV] moor

Can you tell me if any there be one [VII] that will give me em-[IV]ploy

'Oh, yes, [I] father do,' the [IV] daughter cried, as the [I] tears ran down her [IV] cheek
For those who would work, it's hard to hold and [VII] wander for em-[IV]ploy

[I] [IV] [I] [V] [I] [IV] [I][V] [I]

I got my [I] toes in the water, [IV] ass in the sand.
Not a [I] worry in the world, a cold [V7] beer in my hand.
Life is [IV] good today, [V7] life is [I] good today.

Well, the [I] plane touched down just a-[IV]bout three o'clock
and the [I] city's still on my [V7] mind.
Bi-[I]kinis and palm trees [IV] danced in my head
I was [I] still in the [V7] baggage [I] line.
Concrete and cars are there [IV] own prison bars like this [I] life I'm living [V7] in.
But the [I] plane brought me farther, I'm sur-[IV]rounded by water
And I'm [I] not going [V7] back a-[I]gain.

I got my [I] toes in the water, [IV] ass in the sand.
Not a [I] worry in the world, a cold [V7] beer in my hand.
Life is [IV] good today, [V7] life is [I] good today.

[I] Adios and vaya con [IV] Dios. Yeah I'm leaving [I] GA.
And if it [V7] weren't for Tequila and pretty senoritas I'd have no reason to [I] stay.
Adios and vaya con [IV] Dios. Yeah I'm leaving [I] GA.
Gonna [V7] lay in the hot sun and roll a big fat one and grab my guitar and [I] play.

[I] Four days flew by like a [IV] drunk Friday night as the [I] summer drew to an [V7] end.
[I] They can't believe that I [IV] just couldn't leave
And I [I] bid a-[V7]dieu to my [I] friends.
'Cause [I] my bartender [IV] she's from the islands, her [I] body's been kissed by the [V7] sun.
And [I] coconut replaces the [IV] smell of the bar
And I don't [I] know if it's [V7] her or the [I] Rum.

I got my [I] toes in the water, [IV] ass in the sand
Not a [I] worry in the world, a cold [V7] beer in my hand.
Life is [IV] good today, [V7] life is [I] good today.

[I] Adios and vaya con [IV] Dios. A long way from [I] GA.
Yes [V7] all the muchachas they call me Big Poppa when I throw pesos their [I] way.
Adios and vaya con [IV] Dios. A long way from [I] GA
Someone [V7] do me a favor and pour me a Jaeger, I'll grab my guitar and [I] play.

Adios and vaya con [IV] Dios. Going home now to [I] stay.
The senor-[V7]itas don't care-o when there's no dinero. I got no money to [I] stay.

Adios and vaya con [IV] Dios. Going home now to [I] stay.
Spoken: (Come on prop it up by the lake)
With my [I] ass in a lawn chair, [IV] toes in the clay, not a [I] worry in the world a PB-[V7]-R on the way.
Life is [IV] good today. [V7] Life is [I] good today. [IV][V7][I]

There is [iii] wonder in most [ii] every-[V]thing I [I] see [I7]
Not a [IV] cloud in the [V] sky, got the [iii] sun in my [VI7] eyes

And the [IV] reason is [V] clear, it's be-[iii]cause you are [VI7] near
You're the [ii] nearest thing to [IV] Heaven that I've [V7] seen

CHORUS
[XXX] I'm on the [I] top of the world lookin' [IV] down on creation

[I] Something in the [V] wind has [IV] learned my [I] name

[I] I thought I saw a man brought to life
[iii] He was warm, he came around like he was [IV7] dignified
[IV7] He showed me what it was to cry
[I] Well you couldn't be that man I adored
[iii] You don't seem to know,
Don't seem to care what your [IV7] heart is for but I don't know him anymore

There's [vi] nothing where he used to lie, [V] conversation has run dry
[iii] That's what's going on, [V] nothing's fine, I'm [I] torn

I'm all out of [V] faith, this is how I [vi] feel
I'm cold and I am [IV] shamed, lying naked on the [I] floor
Illusion never [V] changed into something [vi] real
I'm wide awake and [IV] I can see the perfect sky is [I] torn
You're a little [V] late, I'm already [vi] torn [IV]

[I] Well I guess the fortune teller's right
[iii] Should have seen just what was there and not some [IV7] holy light
But you crawled beneath my veins, and now [vi] I don't care, I had no luck
[V] I don't miss it all that much
[iii] There's just so many [V] things that I can't touch, I'm [I] torn

As [ii7] gently as I [V] can

[ii7] "There's been a-[V]nother man

[I] Well my friends are gone and my hair is grey
I ache in the places where I [I7] used to play
And I'm [IV] crazy for love [IV7] but I'm not coming [I] on
I'm just [V7] paying my rent every[IV]day in the [IV7] tower of [I] song

[I] I said to Hank Williams how lonely does it get
Hank Williams hasn't [I7] answered yet
But I [IV] hear him coughing [IV7] all night [I] long
A [V7] hundred floors above me [IV] in the [IV7] tower of [I] song

[I] I was born like this I had no choice.
I was born with the gift of a [I7] golden voice
And [IV] 27 angels [IV7] from the great be[I]yond
They [V7] tied me to this table right [IV] here in the [IV7] tower of [I] song

[I] So you can stick your little pins in that voodoo doll
I'm very sorry baby doesn't [I7] look like me at all
I'm [IV] standing by the window [IV7] where the light is [I] strong
They don't [V7] let a woman kill you [IV] not in the [IV7] tower of [I] song

[I] Now you can say that I've grown bitter but of this you may be sure:
The rich have got their channels in the [I7] bedrooms of the poor
And there's a [IV] mighty judgment coming [IV7] but I may be [I] wrong
You see you [V7] hear these funny voices [IV] in the [IV7] tower of [I] song

[vi] I see you standing on the [V] other side
[vi] I don't know how the river [V] got so wide
I [IV] loved you baby [IV7] way back [I] when
[vi] And all the bridges are burning that we [V] might have crossed
[vi] But I feel so close to every[V]thing that we lost
We'll [IV] never have to lose it a[V7]gain

[I] I bid you farewell I don't know when I'll be back
They're moving us tomorrow to that [I7] tower down the track
But you'll be [IV] hearing from me baby [IV7] long after I'm [I] gone
I'll be [V7] speaking to you sweetly from a [IV] window
In the [IV7] tower of [I] song

Better [iii] stop dreaming of the quiet life
Cos it's the [ii] one we'll never know
And [iii] quit running for that runaway bus
Cos those [ii] rosy days are few

And [IV] stop apologising
For [iii] things you've never done
Cause [V] time is short and life is cruel
But it's up to us to change
This town called [I] malice

[iii] Rows and rows of disused milk floats
[ii] stand dying in the dairy yard
And a [iii] hundred lonely housewives
Clutch empty [ii] milk bottles to their hearts

[IV] Hanging out their old love letters
[iii] on the lines to dry
It's [V] enough to make you stop believing
When tears come fast and furious
In this town called [I] malice

[iii] Ba ba ba ba ba ba ba [ii] Ba ba ba ba ba
[iii] Ba ba ba ba ba ba ba [ii] Ba ba ba ba ba

[IV] Struggle after struggle, year after year
The [V] atmosphere's a fine blend of ice
I'm almost stone cold dead
In this town called [I] malice

A [vii] whole street's belief
In [vi] Sunday's roast beef
Gets [vii] dashed against the [vi] Co-Op
To either [V] cut down on beer, or the kids new gear
It's a big decision in a town called malice [I] - Ooooh yeah!

[iii] The ghost of a steam train
[ii] Echoes down my track
It's at the [iii] moment bound for nowhere
[ii] Just going round and round

[IV] Playground kids and creaking swings
Lost [iii] laughter in the breeze
I could go [V] on for hours and I probably will
But I'd sooner put some joy back in this town called [I] malice
[I] This town called malice x3 [I]*

Intro: [I]

[I] Left in plenty of time and thank God we did [i]
The clock kept screaming the time and the tires [I] skid
Turn [VII] left, 'bout a half hour [IV] later
We were [I] right back where we began
When we started this trip [VII]/
[I] It wasn't just my mood that was going down hill
[I] It even felt we were being pursued when the car stood still
Turn [VII] right, the Tom-Tom [IV] said
I wanna [I] chuck it right out of the car
And leave it for dead [ii] [iii] [iii]

Chorus:
I swear we [IV] drove right past the [I] Old Kings Head
[IV] 25 times or [I] more
The [IV] wipers stopped and [I] Catherine said
"I can't [II7] take this any [V7] more"
So [IV] Lizzy jumped out and [I] took the wheel
She coulda [IV] took us to the moon and [I] back
By the [IV] time that we got [VII] out and [IV] slammed the [V7] door
[NC] In a town called UG[I]LEY

[I] Swerved more than a couple times for a black alpaca [i]
Delayed in every kind of way so time was a [I] factor
[I] Only made worse by a broken down tractor
Turn [VII] round and slam on the [IV] brakes
Or we will [I] drive straight down the road
To find our next mistake [ii] [iii] [iii]

Chorus

So after [IV] driving right past the [I] Old Kings Head
[IV] 55 times or [I] more
The [IV] tyre's flat and the [I] battery's dead
it doesn't [II7] matter any [V7] more
We sur[IV]vived this drive to [I] tell the tale
What the [IV] hell did we come here [I] for
We couldn't [IV] wait to get out and [VII] finally [IV] slam the [V7] door
[NC] In a town called UG[I]LEY [I] [V7] [I]

[I] In my memo-[V]ry I will [IV] always [I] see
The [IV] town that [I] I have loved so [V] well
Where our [I] school played [V] ball by the [IV] gasyard [I] wall
And we [IV] laughed through the [I] smoke [V] and the [I] smell
Going [IV] home in the [V] rain, running [I] up the [V] dark [vi] lane
Past the [IV] jail and [ii] down behind the [V] fountain
Those were [I] happy [V] days in so [IV] many many [I] ways
In the [IV] town I [I] loved [V] so [I] well

[I] In the early [V] morning the [IV] shirt factory [I] horn
Called [IV] women from [I] Creggan, the Moor and the [V] Bog
While the [I] men on the [V] dole played a [IV] mother's [I] role
Fed the [IV] children and [I] then [V] trained the [I] dog
And when [IV] times got [V] tough, there was [I] just a-[V]bout e-[vi]nough
But they [IV] saw it [ii] through without com-[V]plaining
[I] For deep in-[V]side was a [IV] burning [I] pride
In the [IV] town I [I] loved [V] so [I] well

[I] There was music [V] there in the [IV] Derry [I] air
Like a [IV] language that [I] we all could under-[V]stand
I re-[I]member the [V] day when I [IV] earned my first [I] pay
as I [IV] played in a [I] small [V] pickup [I] band
There I [IV] spent my [V] youth and to [I] tell [V] you the [vi] truth
I was [IV] sad to [ii] leave it all be-[V]hind me
For I'd [I] learned about [V] life and I'd [IV] found a [I] wife
In the [IV] town I [I] loved [V] so [I] well

[I] There was music [V] there in the [IV] Derry [I] air

For I'd [I] learned about [V] life and I'd [IV] found a [I] wife
In the [IV] town I [I] loved [V] so [I] well

[I] But when I re-[V]turned, oh my [IV] eyes, how they had [I] burned
To [IV] see how a [I] town could be brought to it's [V] knees
By the [I] armoured [V] cars and the [IV] bombed out [I] bars
And the [IV] gas that hangs [I] on to [V] every [I] breeze
Now the [IV] army's in-[V]stalled by that [I] old gas-[V]yard [vi] wall
And the [IV] damned barbed [ii] wire gets higher and [V] higher
With their [I] tanks and [V] guns, oh my [IV] God, what have they [I] done
To the [IV] town I [I] loved [V] so [I] well

[I] Now the music's [V] gone but they [IV] carry [I] on
For their [IV] spirit's been [I] bruised, never bro-[V]ken
Oh, they'll [I] not for-[V]get still their [IV] hearts are [I] set
On to-[IV]morrow and [I] peace [V] once a-[I]gain
Now what's [IV] done is [V] done and [I] what's [V] won is [vi] won
And what's [IV] lost is [ii] lost and gone for-[V]ever [V7]
I can [I] only [V] pray for a [IV] bright brand new [I] day

Steve Walton again!!

[i] The last train leaving Brunswick Wharf along the [iv] Biddulph Valley Way
[i] Rolled on by the platform on All [V7] Fools Day '68
The [i] ones before had carried …… [iv] metal, coal and straw
And [i] passengers and cattle too and [V7] even guns of [i] war

The [i] trains ran through our valley over [iv] tracks of wood and steel
The [i] sleepers and the buffers and the [V7] rails held the wheels
The [i] whistle like a banshee sounded [iv] loud across the town
Now the [i] railway track is overgrown, the [V7] stations all torn [i] down

You can [VII] hear, the [VI] whistle [i] blow

A [i] hundred years and over 'till that [V7] day in '68

You say you stand [IV] [I] [I] by your man [IV] [I] [I]
Tell me something [IV] [I] [I] I don't understand [IV] [I] [I]
You said you [IV] loved me, and that's a [ii] fact
The you left me, [IV] [I] [I] said you felt trapped [IV] [I] [I]
Well, some [IV] things you can't explain a-[I]way
But the [ii] heartache's with me till this [IV] day

All the times [IV] [I] [I] when we were close [IV] [I] [I]

I see all [IV] my dreams come tumblin' [ii] down
I can't be happy [IV] [I] [I] without you around [IV] [I] [I]
So a-[IV] lone, I keep the wolves at [I] bay
And there's [ii] only one thing I can [IV] say

> No, not at all [IV] [I] [I]
> You didn't stand by me[IV] [I] [I]
> No way [IV] [I] [I]

[I] You must expla-[vi]aaa-[ii]ain why this must be [IV] [I] [I] [IV] [I] [I]
[I] Did you li-[vi]iii-[ii]iie when you spoke to me? [IV] [I] [I] [IV] [I] [I]
Did you stand be me? [IV] [I] [I] No, not at all [IV] [I] [I]

Now I got a job, [IV] [I] [I] but it don't pay [IV] [I] [I]
I need new clothes,[IV] [I] [I] I need somewhere to stay [IV] [I] [I]
But with-[IV]out all of these things I can [ii] do
But without your love, [IV] [I] [I]I won't make it through [IV] [I] [I]
But [IV] you don't understand my point of [I] view
I [ii] suppose there nothing I can [IV] do

> You didn't stand by me [IV] [I] [I]
> No, not at all [IV] [I] [I]
> You didn't stand by me [IV] [I] [I]

[I] Two days past 18 he was waiting for the bus in his army greens
Sat [IV] down at a booth in a cafe there,
gave his [I] order to a girl with a bow in her hair
[I] He's a little shy so she gives him a smile and he said would you mind
Sitten down for a while and [IV] talking to me, I'm feeling a little [I] low
She said I'm [VII] off in an hour and [IV] I know where we can [I] go

[I] So they went down and they sat on the pier he said "I bet you got a boyfriend
but I don't care, I've [IV] got no one to send a letter [I] to.
Would you [VII] mind if I sent [IV] one back here to [I] you?"

> [vi] I ..... [IV] cried, never gonna hold the hand of another guy
> [I] Too young, for him they told her
> [V] Waitin' for the love of a travelin' soldier
> [vi] Our love will never end
> [IV] Waitin' for the soldier to come back again
> [I] Never more to be alone
> [V] When the letters said, a soldiers coming [I] home

[I] So the letters came from an army camp, in California then Vietnam
And he [IV] told her of his heart, might be love
and [I] all of the things he was so scared of.

[I] He said when it's getting kinda rough over here, I think of that day
Sittin down at the pier and I [IV] close my eyes and see your pretty [I] smile
Don't [VII] worry but I won't be [IV] able to write for a [I] while

Chorus

One [I] Friday night at a football game, the Lord's prayer said and the anthem sang
a [IV] man said folks would you bow your head for a [I] list of local Vietnam dead
[I] Cryin all alone under the stands was a piccolo player in the marching band
And [IV] one name read and nobody really [I] cared
But a [VII] pretty little girl [IV] with a bow in her [I] hair

[I] Stuck in speed bump city, where the only thing that's pretty
Is the [III] thought [IV] of getting [I] out
[I] There's a tower block overhead, all you've got's your benefits
And you're [III] barely [IV] scraping [I] by

In this [IV] trouble town ...troubles are [I] found
In this [IV] trouble town ...words do get [I] 'round

[I] Kick the bottom, make troubles flee, smoke until our eyes would bleed
[III] Sparkle pop [IV] the [I] seed
[I] Hear the sirens down the street, the kids get light on their feet
Or they'll [III] be [IV] in the [I] back seat

In this [IV] trouble town...troubles are [I] found

[v] Sitting on the pavement
[IV] Boy you've missed your payment
[IV] And they're gonna find you [I] soon

[v] If there's a beating in the rain
[IV] If there's a little bit of pain, man
[IV] You're the one it happens [I] to

[I] If I talk of getting out, I only hear the laughter loud
It's [III] got an [IV] ugly [I] echo
[I] Somewhere there's a secret road to take me far away I know
But [III] 'til then I [IV] am [I] hollow

In this [IV] trouble town ...troubles are [I] found
In this [IV] trouble town ...words do get [I] 'round

[I] [bVII] [vi] [V] [I]

[I] I left Oklahoma, driving in a Pontiac, just about to lose my [V7] mind.
[V7] I was going to Arizona, maybe on to California.
Where the people all live so [I] fine.

My baby said I'm crazy, my momma called me lazy. I was gonna show 'em all this [V7] time.
[V7] 'Cause you know I ain't no fool and I don't need no more schooling.
I was born to just walk the [I] line.

Living on Tulsa time. Living on Tulsa [V7] time.
[V7] Well you know I've been through it. When I set my watch back to it.
Living on Tulsa [I] time.

Well there I was in Hollywood, wishing I was doing good. Talking on the telephone [V7] line.
[V7] But they don't need me in the movies, and nobody sings my songs.
Guess I'm just wasting [I] time.

Well then I got to thinking, man I'm really sinking. And I really had a flash this [V7] time.
[V7] I had no business leaving and nobody would be grieving.
If I went on back to Tulsa [I] time.

Living on Tulsa time. Living on Tulsa [V7] time.
[V7] Going to set my watch back to it. Cause you know I've been through it.
Living on Tulsa [I] time.

Living on Tulsa time. Living on Tulsa [V7] time.
[V7] Going to set my watch back to it. Cause you know I've been through it.

A [IV] high note on the edge [V]chimes and we hear it [I] ring. [V7]

And I [IV] hear you - - [V] humming this [I] song. [V7]

Stop [IV] still on the deep and for[V] get where we came [I] from. [V7]

When the [I] deer has bedded down and the [IV] bear has gone to ground
And the [I] northern goose has wandered off to [IV] warmer bay and [V7] sound
It's so [I] easy in the cold to feel the [IV] darkness of the year
And the [I] heart is growing [V7] lonely for the [IV] morning [I]

Oh, my [V7] Joanie, don't you know that the [I] stars are swingin' slow
And the [I] seas are rollin' easy as they [IV] did so long a-[V7]go
And if I [I] had a thing to give you I would [IV] tell you one more time
That the [I] world is always [V7] turning toward the [IV] morning [I] [V7] [I]

Now Oc-[I]tober's growin' thin and No-[IV]vember's comin' home
You'll be [I] thinking of the seasons and the [IV] sad things that you've [V7] seen
And you hear that old wind walkin' hear him [IV] singin' high and thin
You could [I] swear he's out there [V7] singin' of your [IV] sorrow [I]

Oh, my [V7] Joanie, don't you know that the [I] stars are swingin' slow
And the [I] seas are rollin' easy as they [IV] did so long a-[V7]go
And if I [I] had a thing to give you I would [IV] tell you one more time
That the [I] world is always [V7] turning toward the [IV] morning [I] [V7] [I]

When the [I] darkness falls around you and the [IV] north wind comes to blow
And you [I] hear him call your name out as he C] walks the brittle [V7] snow
That old [I] wind don't mean you trouble, he don't [IV] care or even know
He's just [I] walkin' down the [V7] darkness toward the [IV] morning [I]

Oh, my [V7] Joanie, don't you know that the [I] stars are swingin' slow
And the [I] seas are rollin' easy as they [IV] did so long a-[V7]go
And if I [I] had a thing to give you I would [IV] tell you one more time
That the [I] world is always [V7] turning toward the [IV] morning [I] [V7] [I]

It's a [I] pity we don't know what the [IV] little flowers know
They can't [I] face the cold November they can't [IV] take the wind and [V7] snow
They put their [I] glories all behind them bow their [IV] heads and let it go
But you [I] know they'll be there [V7] shining in the [IV] morning [I]

Repeat the following

Oh, my [V7] Joanie, don't you know that the [I] stars are swingin' slow
And the [I] seas are rollin' easy as they [IV] did so long a-[V7]go
And if I [I] had a thing to give you I would [IV] tell you one more time

To-[II7]gether at [ii7] last at [V7] twilight [I] time.

[I] Heavenly shades of night are falling,
[III7] it's twilight time,
[vi] Out of the mist your voice is calling,
[I7] it's twilight time.
[IV] When purple [iv6] coloured curtains
[I] mark the end of [VI7] day,
I [II7] hear you my dear at twilight [ii7] time. [V7] [V7aug]

[I] Deepening shadows gather splendour as [III7] day is done.
[vi] Fingers of night will soon surrender,
the [I7] setting sun.
[IV] I count the [iv6] moments darling,
[I] 'till you're here with [VI7] me,
To-[II7]gether at [ii7] last at [V7] twilight [I] time. [I6]

[III7] Here in the afterglow of day we
[vi] keep our rendezvous beneath the blue,
[II7] Here in the sweet and same old way
I [ii7] fall in love again as [V] I [bvdim] did [V7] then. [V7aug]

[I] Deep in the dark your kiss will thrill me like [III7] days of old,
[vi] Lighting the spark of love that fills me

Two More Bottles Of Wine

[I] - 2 bars
[I] We came out west toge[IV]ther with a common de-[I]sire [I7]
[I] The fever we had might have set the west coast on [V7] fire
[V7] Two months [I7] later got a troublin' mind [I]
Oh, my baby [IV7] moved out and left me behind

But it's [I] all right, cause it's [IV] midnight,
And I got [V7] two more bottles of [I] wine,

The [I7] way she left sure [IV] turned my head a-[I]round
[I] Seemed like overnight she up and put me [V7] down
[V7] Well, ain't gonna [I7] let it bother me to-[I]day
I've been [IV7] workin' and I'm too tired anyway,

But it's [I] all right, cause it's [IV] midnight
And I got [V7] two more bottles of [I] wine

[I7] Well I'm [IV] sixteen hundred miles from the people I [I] know [I7]
[I] I've been doin' all I can but opportunity sure comes [V7] slow
[V7] Thought I'd [I] be in the sun all day
But I'm [IV7] sweeping out a warehouse in west LA

But it's [I] all right, 'cause it's[IV] midnight
And I got [V7] two more bottles of [I] wine

[I7] Well I'm [IV] sixteen hundred miles from the people I [I] know [I7]
[I] I've been doin' all I can but opportunity sure comes [V7] slow

[IV] [IVmaj7] [ii7] [v] [I7]

[IV] Baby we can talk all [IVmaj7] night [VII] but that ain't gettin us [IV] nowhere
I've [IV] told you [IVmaj7] everything I [ii7] possibly can
[v7] There's nothing left in[I]side of here
And [IV] maybe you can cry all [IVmaj7] night
But [VII] that'll never change the [IV] way that I feel
The snow is [IVmaj7] really piling [ii7] up outside
I [v7] wish you wouldn't make me [I] leave here
[VII] I poured it on and [I7] I [IV] poured it out [v] [IV]
[VII] I tried to show you [I7] just how [IV] much I care [v] [IV]
[VII] I'm tired of words and [I7] I'm too [IV] hoarse to [ii7] shout
[III] But you've been cold to me so long
I'm crying [VII] icicles instead of [I7] tears
And [VII] all I can [I7] do is [VII] keep on [I7] telling you

Chorus:
I [IV] want you I [ii7] need you
But there [VII] ain't no [I7] way I'm [vi] ever gonna [ii7] love you
Now [v] don't be sad cause [VII] two out of [viidim] three ain't [ii7] bad
Now [v] don't be sad cause [VII] two out of [viidim] three ain't [IV] bad

You'll [VII] never find your gold [I7] on a [IV] sandy beach [v] [IV]
You'll [VII] never drill for oil [I7] on a [IV] city street [v] [IV]
I know you're [VII] looking for a ruby [I7] in a [IV] mountain of rocks
But there [III] ain't no coupe de ville
hiding at the bottom of a [I] crackerjack box

[vi] I can't lie I can't tell you that I'm [VII] something I'm not
No matter how I try I'll [vi] never be able to give you something
[VII] Something that I just haven't [I7] got

Now there is [IV] only one girl that I will [IVmaj7] ever love
And that was [VII] so many years a[IV]go
And [IV] though I know I'll [IVmaj7] never get her [ii7] out of my heart
She never [v7] loved me back [I] ooh I know
Well I re[IV]member how she left me on a [IVmaj7] stormy night
She [VII] kissed me and got out of our [IV] bed
And though I [IV] pleaded and I [IVmaj7] begged her not to [ii7] walk out that door
She [v7] packed her bags and turned right a[I]way
And she [VII] kept on [I7] telling me she [VII] kept on [I7] telling me
She [VII] kept on [I] telling me

We [I] read in the papers, we [ii]watch on the news,
such [V7] torrents of sorrow, such [Idim] thunder of blues.
[I] -- But now on the [i] scene comes an [V] army of kooks
[II7] singing so sweetly and [V7] strumming their ukes.

[Imaj7] Ring out the news 'round the [iii7] na - [VI7] tion:
the [II7] uke is on the march!
[ii] Spreading our strummed synco - [ii7] pa - [V7] tion.
The [II] uke is [II7] on [bviidim] the [V7] march!

We [I9] don't sing the blues, we don't [IV] holler or whine.
Our [II9] melodies jingle, our [V7] words even rhyme.
Step a- [I] side, electronics! Make [II7] way for euphonics!

Well, we're [I] all in the [V] mood for a [IV] melody, [I] and [IV] you've got us [V] feeling al-[I]right [I] [I]
[I] [I] [I] [V] [V] [V] [IV] [IV] [IV] [I] [I] [I] [IV] [IV] [IV] [V] [V] [V] [I] [I] [I] [I] [I]

Now [I] John at the [V] bar is a [IV] friend of [I] mine, he [IV] gets me my [I] drinks for [II7] free [V]
And he's [I] quick with a [V] joke and he'll [IV] light up your [I] smoke
But there's [IV] some place that [V] he'd rather [I] be [I] [I] [I] [I]

He says, "[I] Bill, I be-[V]lieve this is [IV] killing [I] me" as the [IV] smile ran a[I] way from his [II7] face [V]
"Well I'm [I] sure that I [V] could be a [IV] movie [I] star if [IV] I could get [V] out of this [I] place" [I] [I]

[vi7] la la la, di da [II7] da [II7] [II7] [II7] [II7] [II7]
[vi7] La la, di di [II7] da da [V] dum [V] [V] [IV] [IV] [IV] [vi7] [vi7] [vi7] [V] [V] [V]

Now [I] Paul is a [V] real estate [IV] novelist [I] who [IV] never had [I] time for a [II7] wife [V]
And he's [I] talking with [V] Davy, who's [IV] still in the [I] Navy and [IV] probably will [V] be for [I] life [I] [I]
[I] [I] [I] [V] [V] [V] [IV] [IV] [IV] [I] [I] [I] [IV] [IV] [IV] [V] [V] [V] [I] [I] [I] [I] [I]

And the [I] waitress is [V] practicing [IV] politics [I] as the [IV] businessman [I] slowly gets [II7] stoned [V]
Yes, they're [I] sharing a [V] drink they call [IV] loneliness [I] but it's [IV] better than [V] drinking a-[I]lone [I] [I]
[vi7] [vi7] [vi7] [IV] [IV] [IV] [IV] [IV] [IV] [V] [V] [V] [V] [V] [V]

[I] Sing us a [V] song, UKE-U-[IV]LELE [I] man, [IV] sing us a [I] song to[II7] night [V]
Well, we're [I] all in the [V] mood for a [IV] melody, [I] and [IV] you've got us [V] feeling al-[I]right [I] [I]
[I] [I] [I] [V] [V] [V] [IV] [IV] [IV] [I] [I] [I] [IV] [IV] [IV] [V] [V] [V] [I] [I] [I] [I] [I]

It's a [I] pretty good [V] crowd for a [IV] Saturday, [I] and the [IV] manager [I] gives me a [II7] smile [V]
'Cause he [I] knows that it's [V] me they've been [IV] coming to [I] see to [IV] forget about [V] life for a [I] while

And the [I] UKULELE [V] sounds like a [IV] carnival, [I] and the [IV] microphone [I] smells like a [II7] beer [V]
And they [I] sit at the [V] bar and put [IV] bread in my [I] jar and say, "[IV] Man, what are [V] you doing [I] here?'
[I] [I]

[vi7] la la la, di da [II7] da [II7] [II7] [II7] [II7] [II7]
[vi7] La la, di di [II7] da da [V] dum [V] [V] [IV] [IV] [IV] [vi7] [vi7] [vi7] [V] [V] [V]

[I] Sing us a [V] song, UKE-U[IV]LELE [I] man, [IV] sing us a [I] song to[II7] night [V]
Well, we're [I] all in the [V] mood for a [IV] melody, [I] and [IV] you've got us [V] feeling al-[I]right

A great song based on Rockabilly Rebel by Matchbox and well done by Shane!

[I] My Mama don't like it, the way I comb my hair
Papa thinks I'm crazy, in the clothes [V7] I wear
They [I] took all my records [I7] and I play it all [IV] day
I [I] am what I am and I'm [V7] gonna keep a rockin' that [I] way

[NC] I'm a Ukulele [I] rebel from head to toe
I gotta keep a-strummin' everywhere I [V7] go
Everybody [I] join us, [I7] we're good compa[IV]ny
Be a [I] real cool cat, be a [V7] Ukulele rebel like [I] me

[I] The kids in the schoolhouse they couldn't wait too long
When the school is over, they put their cat clothes [V7] on
You oughta [I] hear the slap bass, [I7] swingin' to the [IV] band
It is a [I] real rockin' rhythm that is [V7] sweepin' all over this [I] land

[NC] I'm a Ukulele [I] rebel from head to toe
I gotta keep a-strummin' everywhere I [V7] go
Everybody [I] join us, [I7] we're good compa[IV]ny
Be a [I] real cool cat, be a [V7] Ukulele rebel like [I] me

[I] Squares get the message, get the boppin' beat
Let them tramp through your body, from your head to your [V7] feet
Shakin' in [I] your shoes, boy, oh, don't it [I7] make you feel [IV] Wow!
Well [I] if you can't dance, [V7] we're not gonna show you [I] how

[NC] I'm a Ukulele [I] rebel from head to toe
I gotta keep a-strummin' everywhere I [V7] go
Everybody [I] join us, [I7] we're good compa[IV]ny

[I6] Moonlit lagoons, tropical tunes, how she [iiidim] played her uku-[V7]lele
[V7] Though he could pet, he couldn't fret, on her pretty uku-[I]lele

[I7] Stranger came by with a gleam in his eye
And, [IV] oh how he could [I] wiki-waki [IV] woo [IV7] [III7] [bIII7] [II7]
[II7] After a while they went marching down the aisle,
[II7] Singing wiki waki we [V] do [V7]
[I6] Now the boy's gotten wise, girls idolize,
The way he [iiidim] plays his uku-[V7]lele
[V7] Easy to see, take it from me, get yourself a uku-[I]lele

[V7] Bring me down, no way, I'll just [I] refuse, [V7] believe me

[I] Cos a ukulele [II] is like a little baby
[V7] You cradle it in your arms and you [I] sing [V7]
A [I] lullaby or ditty, [II] when you're feeling shitty
[V7] it will cheer you up it's just the [I] thing.

Life [IV6] could [IVmaj7] be [IV] bright [IVmaj7] and [IV6] breezy
[I] When it should be light and easy
[V7] There's nothing hard or heavy about a [I] uke [I7]
[IV6] I [IVmaj7] don't [IV] play [IVmaj7] bull [IV6] fiddle
[I] No mystery, no riddle
[II7] Shlepping that thing, you look like a [V7] kook, gotta' believe me!

[I] Four strings made of nylon [II] always put a smile on
[V7] Anybody's face who's feeling [I] blue [V7] yeah
[I] When your mind starts slumming [II] start a little strumming
[V7] On your uke and your gonna feel brand [I] new [V7] you gotta' believe me!

Scat singing solo (kazoos invited):

[V7] Bring me down, no way, I'll just [I] refuse, [V7] believe me

[I] Even though it's raining [II] quit all your complaining
[V7] your roof's not leaking, nothings getting [I] in [V7]
[I] Yeah this axe is a hatchet, [II] there's magic you can catch it
[V7] on your uke you can't lose you just [I] win

Life [IV6] could [IVmaj7] be [IV] bright [IVmaj7] and [IV6] breezy
[I] when it should be light and easy
[V7] there's nothing hard or heavy about a [I] uke [I7]
[IV6] I [IVmaj7] don't [IV] play [IVmaj7] the [IV6] tuba
[I] tubas do it to ya'
[II7] just the thought of tubas makes me [V7] puke

Kind [I] sirs and gentle ladies, [II] grab your ukuleles
[V7] I suspect by now you know my [I] song [V7]
[I] And the next time that I do it [II] get down and get into it
[V7] I trust you all will sing and strum a [I] long [V7] you gotta' believe me

I [I] Got a ukulele, [II] now I'm not afraidee

Liven it up with pull offs etc - [I]* = single strum

[NC] one, two, three

Some [I]* people like to rock
Some [I]* people like to roll
But there's [I]* nothing I like more
Than [I] strumming down a hole
I wannna [IV7] play my ukulele
Play my ukulele under[I]ground
Man there [V7] aint no sweeter sound as when
I [IV7] play my ukulele under[I]ground

[I] Some people they like clubbing, and some people like to rave
[I] But theres nothing I like more than strumming in a cave
I wannna [IV7] play my ukulele
Play my ukulele under[I]ground
Man there [V7] aint no sweeter sound as when
You [IV7] play your ukulele under[I]ground

[IV7] Some folks they like country
[I] Some folks they like swing
[IV7] Some people like to fiddle on a [V7] vintage violin

But in [I] my honest opinion, for what it may be worth
[I] Underneath the ground is where I get my best reverb
I wannna [IV7] play my ukulele
Play my ukulele under[I] ground
Man there [V7] aint no sweeter sound as when
I [IV7] play my ukulele under[I]ground

Oh man there [V7] aint no sweeter sound as when
I [IV7] play my ukulele under[I]ground
Oh man there [V7]* aint no sweeter sound as when
I [IV7]* play my ukulele under[I] ground [I] [I5] -> [I]

Intro: [II7] [ii] [V7] [I] (last 2 lines of 2nd verse)

[I] Underneath the arches
I dream my dreams [II7] away
Underneath the [V7] arches
On cobble stones I [I] lay
Every night you'll [VI7] find me
Tired out and [II7] worn
Happy when the daylight comes creeping

A [I] long time ago when the [ii] earth was green
There was [V7] more kinds of animals than [I] you'd ever seen
They'd [I] run around free while the [ii] earth was being born
But the [I] loveliest of them all was the [V] uni-[I]corn

There was [I] green alligators and [IV] long necked geese
Some [V7] humpty backed camels and some [I] chimpanzees
Some [I] cats and rats and elephants, but [IV] sure as you're born
The [I] loveliest of all was the [V] uni-[I]corn.

[I] [V] [I]

Now [I] God seen some sinning and it [ii] gave him a pain
And he [V] says, stand back, "I'm going to [I] make it rain!"
He says, "[I] Hey, brother Noah I'll [ii] tell you what to do,
[I] Build me a [V] floating [I] zoo,"
"and [NC] take some of them...."

[I] Green alligators and [ii] long necked geese,
Some [V] humpty backed camels and some [I] chimpanzees.
Some [I] cats and rats and elephants, but [IV] sure as you're born.
[I] Don't you forget my [V] uni-[I]corn."

[I] [V] [I]

Old [I] Noah was there to [ii] answer the call,
He [V] finished up making the ark just as the [I] rain started pourin'
He [I] marched in the animals [IV] two by two,
And he [I] called out as [V] they went [I] through,
"Hey lord,"

I [I] got your green alligators and [ii] long necked geese,
Some [V] humpty backed camels and some [I] chimpanzees,
Some [I] cats and rats and elephants, but [IV] lord, I'm so forlorn,
I [I] just can't see no [V] uni-[I]corn!"

[I] [V] [I]

Then [I] Noah looked out through the [IV] driving rain,
Them [V] unicorns were hiding, [I] playing silly games.
[I] Kicking and splashing while the [IV] rain was pourin'
[I] Oh, them silly [V] uni-[I]corns!"

There were [I] green alligators and [ii] long necked geese,
Some [V] humpty backed camels and some [I] chimpanzees.
Noah [I] cried, "Close the door cause the [IV] rain's pourin'
And [I] we just can't wait for those [V] uni-[I]corn!"

[I] [V] [I]

The [I] ark started moving, it [ii] drifted with the tides,
Them [V7] unicorns looked up from the r[I] ocks and they cried.
And the [I] waters came down and sort of [IV] floated them away,
[NC] And that's why ya never seen a unicorn to this very day.

You'll see [I] green alligators and [IV] long necked geese,
Some [V] humpty backed camels and some [I] chimpanzees.
Some [I] cats and rats elephants, but [IV] sure as you're born,
You're [I] never gonna see no [V] u--ni--[I]corn

[I] In an Appalachian, [IV] Greyhound [I] station [IV]
She sits there [I] waiting, [V] in a family [I] way
'Goodbye brother, [IV] Tell Mom I [I] love her' [IV]
'Tell all the [I] others, [V] I'll write some-[I]day'

[I] From an teenage [IV] lover, to an unwed [I] mother
kept undercover, like some bad [V] dream
While unwed [I] fathers, [IV] they can't be [I] bothered [IV]
They run like [I] water, [V] through a mountain [I] stream

[I] In a cold and grey town, [IV] a nurse says [I] 'Lay down' [IV]
'This ain't no [I] playground, [V] and this ain't [I] home'
Someones children, [IV] out having [I] children [IV]
in a grey stone [I] building, [V] all a-[I]lone

[I] From an teenage [IV] lover, to an unwed [I] mother
kept undercover, like some bad [V] dream
While unwed [I] fathers, [IV] they can't be [I] bothered [IV]
They run like [I] water, [V] through a mountain [I] stream

[I] Some where else bound, [IV] Smokey Mountain [I] Greyhound [IV]
She bows her [I] head down, [V] humming lulla-[I]bies
'Your daddy never, [IV] meant to hurt you [I] ever' [IV]
'he just don't [I] live here, [V] but you've got his[I] eyes'

[I] From an teenage [IV] lover, to an unwed [I] mother

[I] [vi] [IV] [ii] [V7] [I] [V7]

When [I] this old world starts [vi] getting me down and
[IV] people are [ii] much too [V7] much… for me to [I] take [IV] [V7]

I [I] climb right up to the [vi] top of the stairs and [IV] all my [V7] cares just
[ii] drift… [V7] right into [I] space [I7]

[IV] On the roof it's as [ii] peaceful as can [IVmaj7] be [ii]
and [I] there the world be-[vi]low don't bother [ii7] me [V7]

So when [I] I come home feeling [vi] tired and beat
I [IV] go up where the [ii] air… is [ii7] fresh and [I] sweet [IV] [V7]

I [I] get far away from the [vi] hustling crowds and [IV] all the [I] rat race
[ii] noise….. [V7] down in the [I] street [I7]

[IV] On the roof that's the [ii] only place I [IVmaj7] know [ii]
Where [vi] you just have to [iii] wish to make it [ii7] so, [V7]

So when [I] I come home feeling [vi] tired and beat
I [IV] go up where the [ii] air… is [ii7] fresh and [I] sweet [IV] [V7]

I [I] get far away from the [vi] hustling crowds and [IV] all the [V7] rat race
[ii] noise….. [V7] down in the [I] street [I7]

At [IV] night the stars put [ii] on a show for [IVmaj7] free, [ii]
and, [I] darling, you can [vi] share it all with [ii7] me.

[V7] I keep on tellin' you that [I] right smack dab in the [vi] middle of town
I [ii] found a para-[V7] dise that's trouble-[I] proof [V7]

And if [I] this world starts [vi] getting you down,
there's [IV] room enough for [ii] two… up on the [I] roof

[vi] Up on the [I] roof, [vi] up on the [I] roof, [vi] up on the [I] roof, [vi] up on the [I] roof [I6]

[I] I never thought it would [IV] happen
With me and the girl from [I] Clapham
Out on the windy [vi] common
That night I ain't [I] forgotten
When she dealt out the [IV] rations
With some or other [I] passions
I said, "You are a [vi] lady"
"Perhaps," she said, "I [I] may be"

We [I] moved into a [IV] basement
With thoughts of our [I] engagement
We stayed in by the [vi] telly
Although the room was [I] smelly
We spent our time just [IV] kissing
The Railway Arms we're [I] missing
But love had got us [vi] hooked up
And all our time it, [I] took up

[I] I got a job with [IV] Stanley
He said I'd come in [I] handy
And started me on [vi] Monday
So I had a bath on [I] Sunday
I worked eleven [IV] hours
And bought the girl some [I] flowers
She said she'd seen a [vi] doctor
And nothing now could, [I] stop her

[vi] I worked all through the[iii] winter
The weather brass and [ii] bitter
I put away a [V] tenner
Each week to make her [VII] better
And when the time was [iv] ready
We had to sell the [iii] telly
Late evenings by the [bII] fire
With little kicks, [IV] inside her

[VII] This morning at four-[III]fifty
I took her rather [VII] nifty
Down to an incu-[v]bator
Where thirty minutes [VII] later
She gave birth to a [III] daughter
Within a year a [VII] walker
She looked just like her [v] mother
If there could be, an-[VII]other [VII] [IV] [I]

[I] And now she's two years [IV] older
Her mother's with a [I] soldier
She left me when my [vi] drinking
Became a proper [I] stinging
The devil came and [IV] took me
From bar to street to [I] bookie
No more nights by the [vi] telly
No more nights nappies, [I] smelling

[I] Alone here in the [IV] kitchen
I feel there's something [I] missing
I'd beg for some [vi] forgiveness
But begging's not my [I] business
And she won't write a [IV] letter
Although I always tell [I] her
And so it's my a-[vi]ssumption
I'm really up the, [I] junction [I]

Vacant Chair, The

Based on rhondamc22 version via Ultimate Guitar

[I] [V7] [I]

[I] We shall meet but we shall miss him,
there will [IV] be one vacant [I] chair;
[I] we shall linger to caress him,
[I] While we [II7] breathe our ev'ning [V7] pray'r

When a [I] year ago we gathered,
joy was [IV] in his mild blue [I] eyes,
[I] But a golden chord is severed,
And our hopes in [V7] ruin [I] lie.

[I] We shall [IV] meet but we shall [I] miss him,
[I] there will be one vacant [V7] chair,
[V7] We shall [I] linger to ca-[IV]ress him,
while we [I] breathe our [V7] ev'ning [I] pray'r.

[I] [IV] [V7] [I]

[I] At our fireside, sad and lonely,
often [IV] will the bosom [I] swell
[I] at remembrance of the story,
How our [II7] noble Willie [V7] fell;

How [V7] he [I] strove to bear our banner
through the [IV] thickest of the [I] fight,
[I] And uphold our country's honor,
in the strength of [V7] manhood's [I] night.

[I] We shall [IV] meet but we shall [I] miss him,
there will be one vacant [V7] chair,
[V7] We shall [I] linger to ca-[IV]ress him,
while we [I] breathe our [V7] ev'ning [I] pray'r.

[I] True, they tell us wreaths of glory
ever [IV] more will deck his [I] brow,
but this soothes the [I] anguish only,
Sweeping [II7] o'er our heartstrings [V7] now.

Sleep to-[I] day, oh early fallen,
in thy [IV] green and narrow [I] bed,
[I] Dirges from the pine and cypress
mingle with the [V7] tears we [I] shed.

[I] We shall [IV] meet but we shall [I] miss him,
[I] there will be one vacant [V7] chair,
[V7] We shall [I] linger to ca-[IV]ress him,
while we [I] breathe [V7] our ev'ning [I] pray'r.

Starry starry [I] night [Isus4] [I] paint your palette [ii] blue and grey
Look out on a [IV] summer's day with [V] eyes that know the darkness in my [I] soul
Shadows on the [I] hills [Isus4] [I] sketch the trees and the [ii] daffodils
Catch the breeze and the [IV] winter chills
In [V] colours on the snowy linen [I] land [IV] [I]

Now I under[ii]stand [ii6] what you tried to [I] say to [Imaj7] me [vi7]
How you suffered for you [ii] sanity [ii6] and how you tried to set them [vi] free
They would not listen they did [II] not know how [ii]
Per[ii6]haps they'll listen [I] now

Starry starry [I] night [Isus4] [I] flaming flowers that [ii] brightly blaze
Swirling clouds in [IV] violet haze re[V]flect in Vincent's eyes of china [I] blue
Colors changing [I] hue [Isus4] [I] morning fields of [ii] amber grain
Weathered faces [IV] lined in pain
Are [V] soothed beneath the artist's loving [I] hand [IV] [I]

Now I under[ii]stand [ii6] what you tried to [I] say to [Imaj7] me [vi7]
How you suffered for you [ii] sanity [ii6] and how you tried to set them [vi] free
They would not listen they did [II] not know how [ii]
Per[ii6]haps they'll listen [I] now

For they could not [ii] love you [ii6] but still your love was [I] true [Imaj7] [vi7]
And when no [ii] hope was left in sight on that [iv] starry starry night
You [I] took your life as [VII7] lovers often [VI7] do
But I [ii] could have told you Vincent
This [IV] world was never meant for one as [V] beautiful as you [I] [IV] [I]

Starry starry [I] night [Isus4] [I] portraits hung in [ii] empty halls
Frameless heads on [IV] nameless walls
With [V] eyes that watch the world and can't for[I]get
Like the stranger that you've [I] met [Isus4] [I] the ragged man in [ii] ragged clothes
The silver thorn of [IV] bloody rose lies [V] crushed and broken on the virgin [I] snow

Now I think I [ii] know [ii6] what you tried to [I] say to [Imaj7] me [vi7]
And how you suffered for you [ii] sanity [ii6] how you tried to set them [vi] free
They would not listen they're not [II] listening still [ii]

[I] [I] .

[I] From the wide Pacific to the broad Atlantic [IV] shore
She [V] climbs the flowery mountains, over hills and by the [I] shore
She's tall and handsome and she's known quite well by [IV] all
She's a [V] regular combination, the Wabash Cannon-[I]ball.

> Oh, [I] listen to the jingle, the rumble and the [IV] roar
> As she [V] glides along the woodland, over hills and by the [I] shore
> Hear the mighty rush of the engines, hear the lonesome hobos [IV] call
> [V] Travelling through the jungle on the Wabash Cannon-[I]ball.

[I] Well she came down from Birmingham one cold December [IV] day
[V] As she pulled into the station you could hear all the people [I] say
[I] She's from Tennessee she's long and she's [IV] tall
[V] She came down from Birmingham on the Wabash Cannon-[I]ball

> Oh, [I] listen to the jingle, the rumble and the [IV] roar
> As she [V] glides along the woodland, over hills and by the [I] shore
> Hear the mighty rush of the engines, hear the lonesome hobos [IV] call
> [V] Travelling through the jungle on the Wabash Cannon-[I]ball.

Oh, [I] here's old daddy Claxton, let his name forever [IV] stand
And [V] always be remembered in the courts thoughout the [I] land
His earthly trials are over and the curtain round him [IV] falls
[V] They'll carry him home to victory on the Wabash Cannon-[I]ball.

And I'm [vi] thumbin' my way into [IV] North Caroline
[I] Starin' up the road
And [V] pray to God I see [IV] headlights

I [I] made it down the coast in [V] seventeen hours
[vi] Pickin' me a bouquet of [IV] dogwood flowers
And I'm a [I] hopin' for Raleigh
I can [V] see my baby to-[IV]night

Chorus:

So [I] rock me mama like a [V] wagon wheel
[vi] Rock me mama any [IV] way you feel
[I] Hey, [V] mama [IV] rock me

My [I] baby plays the guitar, [V] I pick a banjo [IV] now

Oh, the [I] North country winters keep a [V] gettin' me now

[IV] [I]

[IV] I'm in a [ii] nice bit of trouble, I con-[I]fess;
[IV] Somebody with [I] me has had a [IV] game. [II]
[ii] I should by now be a proud and happy [II] bride,
[I] But I've still got to [V] keep my single [I] name.
I was pro-[I7]posed to by Obadiah [I] Binks
[ii] In a very gentlemanly way;
[II] Lent [V7] all my money [I] so that he could buy a home,
And punctually at twelve o'clock to-[I]day-

[IV] There was I, [VII] waiting at the church,
[V] Waiting at the [V7] church,
[I] Waiting at the [I7] church;
[IV] When I found he'd [III7] left me in the [vi] lurch,
[I] or, how it [V] did up-[I]set me!
[IV] All at once, he [VII] sent me round a note
[V] Here's the very [V7] note,
[I] This is what he [I7] wrote:
[IV] "Can't [II7] get away to [v] marry you today,
[IV] My wife, [I] won't [IV] let me!"

[IV] Lor, what a [ii] fuss Obadiah made of [I] me
[IV] When he used to [I] take me in the [IV] park! [II]
[ii] He used to squeeze me till I was black and [II] blue,
[I] When he kissed me, he [V] used to leave a [I] mark.
Each time he [I7] met me he treated me to [I] port,
[ii] Took me now and then to see the play;
[II] Under-[V7]stand me rightly, when I [I] say he treated me,
It wasn't him but me that used to [I] pay.

[IV] There was I, [VII] waiting at the church,
[V] Waiting at the [V7] church,
[I] Waiting at the [I7] church;
[IV] When I found he'd [III7] left me in the [vi] lurch,
[I] or, how it [V] did up-[I]set me!
[IV] All at once, he [VII] sent me round a note
[V] Here's the very [V7] note,
[I] This is what he [I7] wrote:
[IV] "Can't [II7] get away to [v] marry you today,
[IV] My wife, [I] won't [IV] let me!"

[IV] Just think how [ii] disappointed I must [I] feel,
[IV] I'll be off me [I] crumpet very [IV] soon.
[ii] I've lost my husband, the one I never [II] had!
[I] And I dreamed so a-[V]bout the honey-[I]moon.
I'm looking [I7] out for another Oba-[I]diah,
[ii] I've already bought the wedding ring,
[II] There's [V7] all my little fal-de-riddles [I] packed up in my box
Yes, absolutely two of ev'ry-[I]thing.

[IV] There was I, [VII] waiting at the church,
[V] Waiting at the [V7] church,
[I] Waiting at the [I7] church;
[IV] When I found he'd [III7] left me in the [vi] lurch,
[I] or, how it [V] did up-[I]set me!
[IV] All at once, he [VII] sent me round a note
[V] Here's the very [V7] note,
[I] This is what he [I7] wrote:
[IV] "Can't [II7] get away to [v] marry you today,

[IV] Do do do doo [I] dody oh do [II] dody oh [V] dody oh [I] do

[I] All a-[V7]round the [I] water tanks, [IV] waiting for a [I] train.
A [IV] thousand miles a-[I]way from home, [ii] sleeping in the [V] rain. [V7]
I [I] walked up [V7] to a [I] brakeman, to [IV] give him a line of [I] talk.
[IV] He says if you've got [I] money, I'll [ii] see that you don't [V7] walk.
[I] I haven't [V7] got a [I] nickel, not a [IV] penny can I [I] show.
Get [IV] off, get off, you [I] railroad [VI7] bum
and he [II7] slammed the [V] boxcar [I] door.

He [I] put me [V7] off in [I] Texas, a [IV] state I dearly [I] love.
The [IV] wide open spaces all a-[I]round me, the [ii] moon and stars up a-[V]bove. [V7]
[I] Nobody [V7] seems to [I] want me, or [ii] lend me a helping [I] hand.
[IV] I'm on my way from [I] Frisco, going [II7] back to Dixie [V7] Land.
Though my [I] pocket-[V7]book is [I] empty, my [IV] heart is full of [I] pain.
I'm a [IV] thousand miles a-[I]way from [VI7] home,
[II7] waiting [V] for a [I] train.

[V]
Walk [I] tall, walk straight and look the [V] world right in the [I] eye! [I7]
That's [IV] what my mama told me, when [I] I was about knee-high.
She [IV] said, Son, be a proud man, and [I] hold your head up high.
Walk tall, walk straight and look the [V] world right in the [I] eye!

All [I] through the years that I grew up ma [V] told these things to [I] me, [I7]
But [IV] I was young and foolish then and [I] much too blind to see.
[IV] I ignored the things she said as [I] if I'd never heard,
Now I see and understand the [V] wisdom of her [I] words.

Walk [I] tall, walk straight and look the [V] world right in the [I] eye! [I7]
That's [IV] what my mama told me, when [I] I was about knee-high.
She [IV] said, Son, be a proud man, and [I] hold your head up high.
Walk tall, walk straight and look the [V] world right in the [I] eye!

I [I] started going places where the [V] youngsters shouldn't [I] go, [I7]
I [IV] got to know the kind of girls it's [I] better not to know.
I [IV] fell in with a bad crowd and [I] laughed and drank with them,
through the laughter Mama's words would [V] echo now and [I] then.

Walk [I] tall, walk straight and look the [V] world right in the [I] eye! [I7]
That's [IV] what my mama told me, when [I] I was about knee-high.
She [IV] said, Son, be a proud man, and [I] hold your head up high.
Walk tall, walk straight and look the [V] world right in the [I] eye! [VI7]

Key change

I [II] got in trouble with the law and [VI7] I'm in prison [II] now [II7]
[V] Through these prison bars I see things [II] so much different now
I've [V] got one more year to serve and [II] when my time is done
I'll walk tall and straight and make Ma [V] proud to call me [II] son

Walk [II] tall, walk straight and look the [VI7] world right in the [II] eye! [II7]
That's [V] what my mama told me, when [II] I was about knee-high.
She [V] said, Son, be a proud man, and [II] hold your head up high.
Walk tall, walk straight and look the [VI7] world right in the [II] eye!
Walk tall, walk straight and look the [VI7] world right in the [II] eye!

Walking M' Bulldog

writer:Tom Lewis

Traditional Song (parody) sung by Tom Lewis, 1989 - tune of Waltzing Matilda
Thanks to Bill Whiston for this !!!

[I] Once a jolly [V7] vagabond [I] camped down by a [IV] lily pond
[I] Under the spreading [V7] chestnut tree
And he [I] sang as he [V7] watched
as he [I] waited till his [IV] kettle boiled
[I] Who'll come a walking m' [V7] bulldog with [I] me.

Chorus:
[I] Walking a bulldog, [IV] walking a bulldog
[I] You'll come a walking m' [V7] bulldog with me.
And he [I] sang as he [V7] watched as he [I] waited till his [IV] kettle boiled
[I] Who'll come a walking m' [V7] bulldog with [I] me.

[I] Up came a [V7] hedgehog to [I] drink at the [IV] lily pond
[I] Up jumped the vagabond with [V7] cries of glee
And he[I] sang as he [V7] stuffed that [I] hedgehog in his [IV] haversack
[I] You'll come a walking m' [V7] bulldog with [I] me.

Chorus

[I] Up came a [V7] policeman [I] mounted on his [IV] bicycle
[I] Up came the gamekeepers, [V7] one, two, three
If [I] that's a spiny [V7] hedgehog what [I] you've got in your [IV] haversack
[I] You'll come a walking m' [V7] bulldog with [I] me.

Chorus

[I] Up jumped the [V7] vagabond and [I] leapt into the [IV] lily pond
[I] You'll never take me a-[V7]live said he.
Now his [I] ghost may be [V7] heard as you [I] pass by the [IV] lily pond
[I] Who'll come a walking m' [V7] bulldog with [I] me.

She [vi] snuggles her head to my [VII7] chest
We [iii7] start in to pet and [VI7] that's when I get
[ii7] Her talcum all [V7] over my vest

[I] Then after I [vi7] kinda [iii7] straighten my [vi7] tie
[Imaj7] She has to borrow my [vi7] comb
[II7] One kiss [V7] then we con[II7]tinue a[V7]gain
[II7] Walkin' my [V7] baby back [V7] home [Imaj7]

She’s [iii] afraid of the dark so [VI7] I have to park
Out[vi]side of her door till it’s [VII7] light
She [iii] says if I try to [VI7] kiss her she’ll cry
[II7] I dry her tears [V7] all through the night

[I] Hand in [vi7] hand to a [iii7] barbecue [vi] stand
[Imaj7] Right from her doorway we [VI7] roam
[II7] Eats and [V7] then it’s [II7] pleasure a[V7]gain

We’re [i] walking in the air [i]
We're [i] floating in the moonlit [VII] sky
The [iv] people far below are [VI] sleeping as we fly [i]

I'm [i] holding very tight [i]
I'm [i] riding in the midnight [VII] blue
I'm [iv] finding I can fly so [VI] high above with you [i]

[i] Far across the world [i]
The [i] villages go by like [VII] dreams
The [iv] rivers and the hills
The [VI] forests and the streams [i]

[V7] Children gaze [i] open mouth
[IV7] Taken by [VII] surprise
[vii] Nobody [III] down below [VI] believes [II7] their [V] eyes

We're [i] surfing in the air [i]
We're [i] swimming in the frozen [VII] sky
We're [iv] drifting over icy
[VI] Mountains floating by [i]

[V7] Suddenly [i] swooping low
[IV7] on an ocean [VII] deep
[vii] Arousing of a [III] mighty monster [VI] from [II7] its [V] sleep

We're [i] walking in the air [i]
We're [i] floating in the midnight [VII] sky
And [iv] everyone who sees us [VI] greets us as we fly [i]

And [I] lately I've noticed [IV] several new [I] tears,
I'm [IV] afraid Uncle [I] Walter goes [V] waltzing with [I] bears! [I]

> He goes [I] wa-wa-wa-wa, wa-[IV]waltzing with [I] bears,
> [V] Raggy bears, shaggy bears, [IV] baggy bears [I] too.
> [I] There's nothing on Earth Uncle [IV] Walter won't [I] do,
> So [IV] he can go [I] waltzing, [IV] wa-wa-wa-[I]waltzing,
> So [IV] he can go [I] waltzing, [V] waltzing with [I] bears! [I]

We [I] told Uncle Walter that [IV] he should be [I] good,
And [V] do all the things that we [IV] said he [I] should,
I think [I] he would rather be [IV] out in the [I] wood,
I'm [IV] afraid we might [I] lose Uncle [V] Walter for [I] good! [I]

> He goes [I] wa-wa-wa-wa, wa-[IV]waltzing with [I] bears,
> [V] Raggy bears, shaggy bears, [IV] baggy bears [I] too.
> [I] There's nothing on Earth Uncle [IV] Walter won't [I] do,

> So [IV] he can go [I] waltzing, [IV] wa-wa-wa-[I]waltzing,
> So [IV] he can go [I] waltzing, [V] waltzing with [I] bears! [I]

We [I] begged Uncle Walter, "Oh [IV] please won't you [I] stay!"
He [V] managed to stay at [IV] home for a [I] day,
But the [I] bears all barged in, and they [IV] took him [I] away!
Now he's [IV] waltzing with [I] pandas, he [IV] can't [I] understand us,
the [IV] bears all [I] demand at least [V] one dance a [I] day! [I]

> He goes [I] wa-wa-wa-wa, wa-[IV]waltzing with [I] bears,
> [V] Raggy bears, shaggy bears, [IV] baggy bears [I] too.
> [I] There's nothing on Earth Uncle [IV] Walter won't [I] do,
> So [IV] he can go [I] waltzing, [IV] wa-wa-wa-[I]waltzing,
> So [IV] he can go [I] waltzing, [V] waltzing with [I] bears! [I]

My [I] Aunt Matilda was [IV] mad as could [I] be
Wal-[V]ter, that rat, never [IV] waltzes with [I] me
So she [I] took her fur coat and [IV] remodeled it [I] so
And [IV] Now she can [I] go waltz-[V]ing and Walter won't [I] know [I]

> He goes [I] wa-wa-wa-wa, wa-[IV]waltzing with [I] bears,
> [V] Raggy bears, shaggy bears, [IV] baggy bears [I] too.

My [III] folks were sad to [i] see me go, but I got no [VI] meaning [III] there.
[v] So, [III] I said, goodbye, [i] Kansas, Mo. and [VI] hello, [v] Washington [i] Square.

[VI] Near [bii] Tenne-[VI]ssee, [bii] I met a guy who played 12 [bVII] string gui-[bIV]tar.
[VI] He [bII] also [VI] had a [bii] mighty voice, [bVII] not to [vi] mention a [bii] car.
Each [bIV] time he hit those [bii] bluegrass chords, you sure smelled [bVII] mountain [bIV] air.
[VI] I [bIV] said, don't waste it [bii] on the wind, come [bVII] on to [vi] Washington [bii] Square

[bVII] In [II] New Orleans, we [ii] saw a gal a-walkin' [VII] with no [IV] shoes.
[bvii] And [ii] from her throat there comes a growl, she [VII] sure was [ii] singin' the blues.
She [IV] sang for all [ii] humanity, this gal with [VII] raven [IV] hair.
I said, it's for the [ii] world to hear, [VII] come to [bvii] Washington [ii] Square.

[vii] We [iii] cannonballed into New York on good old [b] US [bV] 1.
[VII] 'Til up a[iii]-head we saw the arch, a-[b]gleamin' [iii] bright in the sun.
As [bV] far as all the [iii] eye could see, ten thousand [b] folks were [bV] there.
And [bV] singing in sweet [iii] harm-[bV]ony, [b] right in [vii] Washington [iii] Square.

Explanation (from mudcat.org):
"death" is a misunderstanding of I cannot get to my love if I would dee. It's a construction that's not all that obvious to people who aren't used to it, and who may not realise that it just means something like I cannot get to my love for the life of me, or I cannot get to my love however hard I try; that sort of thing.

"Hinny" is just a Northern English dialectal form of honey

When [i] you attend a funeral,
It is [V7] sad to think that sooner or
Later [i] those you love will [bVI7] do the same for [V7] you. [bVI7] [V7]
And you [i] may have thought it tragic,
Not to [V7] mention other adjectives,
to [i] think of all the [II7] weeping they will [V7] do. (But don't you worry.)

[V] No more [i] ashes, no more sackcloth,
And an [bII] arm band made of black cloth
Will [V7] some day nevermore adorn a [I] sleeve.
For if the bomb that drops on [I7] you
Gets your [IV] friends and neighbors [II7] too,
There'll be [V7] nobody left behind to [I] grieve.

[V7] And [ii] we will [I] all go together when we [IV] go.
What a comforting fact that is to [V7] know.
Uni-[I]versal be-[I7]reavement,
An in-[IV]spiring a-[ii]chievement,
Yes, we will [V] all go together when we [I] go. [bVI]

We will [bII] all go together when we [bV] go.
All suffused with an incandescent [bVI] glow.
No one will [bII] have the en-[bII]durance
To co-[bV]llect on his insurance,
Lloyd's [V] of [bVI] London will be loaded when they [bII] go. [VI7]

Oh we will [II] all fry together when we [I] fry.
We'll be French fried potatoes by and [VII] by.
There will be no more misery
When the [I] world is our rotisserie,
Yes, we will [bV] all fry together when we [VII] fry.

[V] We will all [I] bake together when we [IV] bake.
There'll be nobody present at the [V7] wake.
With com-[I]plete partici-[I7]pation
In that [IV] grand incineration,
Nearly [V] three billion hunks of well-done [I] steak.[bVI7]

Oh we will [bII] all char together when we [bV] char.
And let there be no moaning of the [bVI7] bar.
Just sing [bII] out a Te Deum
When you [bV] see that I.C.B.M.,
And [V] the [bVI7] party will be come-as-you-[bII] are. [VI7]

Oh, we will [II] all burn together when we [I] burn.
There'll be no need to stand and wait your [VII] turn.
When it's time for the fallout
And Saint [I] Peter calls us all out,
We'll just [bV] drop our agendas and ad-[VII]journ. [V7]

We will [I] all go together when we [IV] go.
Every Hottentot and every Eski-[V7]mo.
When the [I] air becomes u-[I7]ranious,
Yes we will [IV] all go simul-[ii]taneous.
Yes, [bV] we [V7] all will go together
When we [VI7] all go together,
Yes we [ii] all will go to-[V7]gether when we [I] go.

We won't go until we [VII] get some
We [v] won't go until we [I] get some
We [VI7] won't go until we [VII] get some
So [IV] bring it [I] right [IV] here

Our [IV] friendship and [VII] love, good [v] neighbours, a-[I]bound

[IV] Pace, sa-[VII]lude, [v] friedmere, sha-[I]lome

Why [IV] can't we have [VII] Christmas the [v] whole year a-[I]round?
Why [ii] can't we have [VII] Christmas the [V] whole year a-[I]round?

[I] We'll meet a-[III7] gain,
don't know [VI7] where, don't know [VI7sus4] when,
But I [II7] know we'll meet again
some sunny [ii7] day. [V7] [V7aug]

[I] Keep smiling [III7] through,

'Til the [II7] blue skies drive

So will you [I7] please say "Hello"
to the [I7] folks that I know
Tell them [IV7] I won't be long,
They'll be [II7] happy to know
that as [vi7] you saw me [II7] go

I was [ii7] singing this [V7] song. [V7aug]

[I] [IV] [ii] [V7] [I] [IV] [I] [ii] [V7] [I]

[I] We'll sing in the [IV] sunshine,
[ii] We'll [V7] laugh every [I] day,
We'll [I7] sing in the [IV] sunshine,
And [ii] I'll be [V7] on my [I] way. [I] [ii] [V7]

[I] I know I'll never [ii] love you, [V7]
The [ii] cost of love's too [I] dear.
But though I'll [I7] never [ii] love you, [V7]
I'll [ii] stay with you one [I] year.

[I] And we can sing in the [IV] sunshine,
[ii] We'll [V7] laugh every [I] day,
We'll [I7] sing in the [IV] sunshine,
And [ii] I'll be [V7] on my [I] way. [I] [ii] [V7]

[I] I'll sing to you each [ii] morning, [V7]
I'll [ii] kiss you every [I] night.
But darlin' [I7] don't [ii] cling to me, [V7]
I'll [ii] soon be out of [I] sight.

[I] But we can sing in the [IV] sunshine,
[ii] We'll [V7] laugh every [I] day,
We'll [I7] sing in the [IV] sunshine,
And [ii] I'll be [V7] on my [I] way. [I] [ii] [V7]

[I] My daddy he once [ii] told me, [V]
"Hey, [ii] don't you love you any [I] man.
Just take what [I7] they may [ii] give you, [V7]
And [ii] give but what you [I] can."

[I] And you can sing in the [IV] sunshine,
[ii] You'll [V7] laugh every [I] day,
You'll [I7] sing in the [IV] sunshine,
And [ii] then be [V7] on your [I] way. [I] [ii] [V7]

[I] And when our year has [ii] ended, [V7]
And [ii] I have gone a[I]way,
You'll often [I7] think a-[ii]bout me, [V7]
And [ii] this is what you'll [I] say:

[I] We sang in the [IV] sunshine,
[ii] You know we [V7] laughed every [I] day,
We [I7] sang in the [IV] sunshine,
And [ii] then went [V7] on our [I] way. [I] [ii] [I]

[IV] Brand new shoes, walking blues, [I] climb the fence, books and pens
[V] I can tell that [IV] we are gonna be [I] friends
[V] I can tell that [IV] we are gonna be [I] friends

[I] Walk with me, Suzy-Lee, through the park, and by the tree
[IV] We can rest upon the ground [I] and look at all the bugs we've found
[V] Safely walk to [IV] school without a [I] sound
[V] Safely walk to [IV] school without a [I] sound

[I] Well here we are, no one else, we walked to school all by ourselves
[IV] There's dirt on our uniforms, [I] from chasing all the ants and worms
[V] We clean up and [IV] now it's time to [I] learn
[V] We clean up and [IV] now it's time to [I] learn

[I] Numbers. letters, learn to spell, noun, and books, and show and tell

[V] Teacher marks our [IV] height against the [I] wall

[I] I'm a weaver, a master weaver,
I've got a loom where the [IV] best cloth's [I] made.
[IV] Plain cloth, [I] twill, bro-[V]cade or [IV] satin,
[I] I'm the master of my trade.
Shed the warp and [V] fly the shuttle,
[I] Beat the reed, the [V] weft is [I] laid.

[I] I can wind a flying bobbin,
I can warp a [IV] theme of [I] thread.
[IV] I can [I] weave a [V] sheet of [IV] linen,
[I] Fit to grace a royal bed.
Lift the heel and [V] fly the shuttle,
[I] Swing the reed, the [V] weft is [I] laid.

[I] I can wind a flying bobbin,
I can warp a [IV] theme of [I] thread.
[IV] I can [I] weave a [V] sheet of [IV] linen,
[I] Fit to grace a royal bed.
Lift the heel and [V] fly the shuttle,
[I] Swing the reed, the [V] weft is [I] laid.

[I] Hear the din of loom and shuttle,
Weaving is a [IV] noisy [I] trade.
[IV] See how [I] even, [V] soft and [IV] gentle,
[I] Lies the cloth when it is made,
Lies the cloth when [V] it is [I] made.

https://www.youtube.com/watch?v=57b3OAsGw0s but in G

Oh, [I] the Wee Kirkcudbright Centipede, [bii7] she was very sweet
[V7] She was ever so proud of every one of her hundred [I] feet
[I] Early every morning her [bii7] neighbours came to glance
[V7] She always entertained them with a beautiful little [I] dance

As [I] leg number ninety four gave [bii7] ninety five a shunt
[V7] Legs number one and two were twistin out in [I] front
[I] Legs numbers nine and ten came [bii7] wriggling up the side
[V7] Seventy three and seventy four were doing the Parlour [I] Glide

[I] Now her neighbour Jenny Longlegs with [bii7] jealousy was mad
[V7] She went out and bought herself a pencil and a [I] pad
[I] She came look one morning, she [bii7] made careful note
[V7] Of every step the centipede made and this is what she [I] wrote

Well [I] leg number ninety four gave [bii7] ninety five a shunt
[V7] Legs number one and two were twistin out in [I] front
[I] Legs numbers nine and ten came [bii7] wriggling up the side
[V7] Seventy three and seventy four were doing the Parlour [I] Glide

[I] Now with her exact notation young [bii7] Jenny Longlegs tried
[V7] To dance just like the centipede, she failed and nearly [I] cried
[I] She grabbed a hold of the centipede, and [bii7] said "Now, have a look
[V7] Show me how to do this dance I've written in my [I] book?"

[I] The centipede said "Do I do that?", and [bii7] tried to demonstrate
[V7] She'd never thought it out before, sand didn't do too [I] great
[I] Her hundred legs were twisted, and she [bii7] wound up in a tangle
[V7] She fractured fourteen kneecaps, seven shinbones, and an [I] ankle

[I] As legs number one and two were [bii7] tied with three and four
[V7] Legs number five and six were cancelled on the [I] floor
[I] Leg number seventeen was a-[bii7] ttacked by number ten
[V7] Ninety eight and ninety nine will never dance a-[I]gain

[I] Oh, the Wee Kirkcudbright Centipede, she [bii7] suffered terrible pain
[V7] And some of us were very surprised she ever danced a-[I] gain
[I] But now she tells her neighbours, any-[bii7] one that calls to see
[V7] Never try an explanation of what comes natural-[I]ly.

[V7] It was in the [I] wee wee midnight hours,
[IV] long about the [I] break of day, of [V7] day, of [I] day
It was in the [IV] wee midnight hours,
long about the break of [I] day, of [V7] day, of [I] day
Say it's when the [V] blues creep down on [V7] you
and carry your mind a-[I]way, a-[V7]way, a-[I]way

[V7] Have your [I] mind been a-rambling
[IV] back to the [I] days of long ago, a-[V7]go, a-[I]go
Have your [IV] mind been a-rambling

Back [V] to the one that [V7] you love
but [IV] you don't [V] see them any-[I]more, no [V7] more, no [I] more

Just woobly, wobbly woh over the verse

[V7] Have your [I] mind been a-rambling

Have your[IV] mind been a-rambling

Back [V] to the [V7] one that you love
but [IV] you don't [V] see them any-[I]more, no [V7] more, no [I] more [V7]

Oh [IV] blues why do you worry,
why do you stay with me so [I] long, so [V7] long, so [I] long
You came to [V] me yeste-[V7]day
And stayed with me all night [I] long, so [V7] long, so [I] long [V7]

I went [I] down to the grave-[IV]yard
fell down on my [I] knees, my [V7] bended [I] knees
I went [IV] down to the graveyard
fell down on my [I] knees, my [V7] knees, my [I] knees
I asked the [V] Good Lord a-[V7]bove give me back my rider [I] please,

[I] We used to drive down to the [IV] weir
Throwing tennis balls [VII] in for the [IV] dogs to re-[I]trieve

[I] Down at the [IV] weir wall

Drove across the [IV] dried up mud
To the [I] rotten farm house that [VII] stood there be-[I]fore the [VII] flood

[I] Over that roof not [VII] knowing what [I] lies under-[VII]neath
I wonder how many [IV] people there'll be skimming [I] rocks over ghosts
At the places that I used [VII] to be

All the rivers come [I] here
Back to the [IV] weir [VII] [I] back to the [IV] weir [VII] [I]

An old man pulls a [IV] fishing line in
[VII]To see what he hasn't [I] caught
A teenager checks out the [IV] girls in the water
Pulling [VII] bull-ants from his football [I] shorts
I come here when it's [IV] late in the summer and I [VII] can't make sense of it [I] all

I still bring a pie from the [IV] bakery
'cause they're the [VII] best bloody pies in the [I] world [IV] [VII] [IV] [I]

We used to drive down to the [IV] weir
Throwing [VII] tennis balls in for the [IV] dogs to re-[I]trieve

Well we [I] used to drive down to the [IV] weir

She [i] had not been two weeks from shore
When [iv] down on her a [i] right whale bore
The [i] captain called all hands and swore
He'd [V7] take that whale in [i] tow

Chorus

[i] Before the boat had hit the water
The [iv] whale's tail came [i] up and caught her
All [i] hands to the side, harpooned and fought her
When [V7] she dived down [i] below

Chorus

No [i] line was cut, no whale was freed;
The [iv] Captain's mind was [i] not of greed
But [i] he belonged to the whaleman's creed;
She [V7] took the ship in [i] tow

Chorus

For [i] forty days, or even more
The [iv] line went slack, then [i] tight once more
All [i] boats were lost (there were only four)
But [V7] still that whale did [i] go

Chorus

As [i] far as I've heard, the fight's still on;
The [iv] line's not cut and the [i] whale's not gone
The [i] Wellerman makes his regular call
To [V7] encourage the Captain, [i] crew, and all

[V] Got a [I] whale of a tale to [IV] tell ya, [V] lads
A [I] whale of a tale or [IV] two [V]
'Bout the [I] flappin' [I7] fish and the [IV] girls I've [V] loved
[I] On nights like [V] this with the [I] moon a[V]bove
[I] A whale of a [V] tale and [I] it's all [IV] true
[I] I swear [V] by my tat[I]too

There was [IV] Mermaid Minnie, [I] met her down in Madagascar
[IV] She would kiss me, [I] any time that I would ask her
[IV] Then one evening her [I] flame of love blew [V] out
[I] Blow me down and [V] pick me [I] up!
She [IV] swapped me [V] for a [I] trout

[V] Got a [I] whale of a tale to [IV] tell ya, [V] lads

[I] A whale of a [V] tale and [I] it's all [IV] true
[I] I swear [V] by my tat[I]too

There was [IV] Typhoon Tessie, [I] met her on the coast of Java
[IV] When we kissed I [I] bubbled up like molten lava
[IV] Then she gave me the [I] scare of my young [V] life
[I] Blow me down and [V] pick me [I] up!
She [IV] was the [V] captain's [I] wife

[V] Got a [I] whale of a tale to [IV] tell ya, [V] lads

There was [IV] Harpoon Hannah, [I] had a face that made you shudder
[IV] Lips like fishhooks, [I] and a nose just like a rudder
[IV] If I kissed her and [I] held her tender[V]ly

Then there was [IV] Anchor Anna, [I] had a look that spelled out danger
[IV] My heart quivered [I] when she whispered "Hi there, stranger"
[IV] Bought her trinkets [I] that sailors can't af[V]ford
And [I] when I spent my [V] last red [I] cent
She [IV] tossed me [V] over [I] board

There was [IV] Old Man Nemo, [I] fed his crew on worms and fishes
[IV] Eels for breakfast, [I] slimy cold and seaweed dishes
[IV] When they ate it, they [I] knew it wasn't [V] meat
But [I] eat they did and [V] with a [I] scent

[i] Di Di Di Di [VII] Di De Di [i] Di [i] [i] [i]

They [i] sailed from port one [i] morning when the
[VII] weather it was [i] fair
A [i] gentle breeze it [i] pushed them, and
[VII] no one gave a [i] care
They [i] sang and danced and [III] laughed that night and
[VII] opened up a [i] keg
They're [i] out to catch the [i] monster whale that
[VII] took the captain's [i] leg

Oh [i] Di Di Di Di [VII] Di De Di [i] Di [i]

The [i] Captain said "a [i] piece of gold for

So [i] bend your backs and [i] row me lads, I

[i] Bend your backs and [III] row me lads and
[VII] take me to me [i] whale.
To [i] night we sing and [i] dance, and
[VII] tomorrow night we [i] sail.
We [i] sail into the [III] harbour, no
[VII] prouder men there'll [i] be;
We'll [i] show them all we've [i] captured, The
[VII] monster from the [i] sea

Oh [i] Di Di Di Di [VII] Di De Di [i] Di [i] [i] [i]

They [i] saw the whale one [i] morning when the
[VII] weather it was [i] fair
The [i] men were white as [i] ghosts, but the

I'll [i] take this whale my- [III] self he said, The
[VII] weak can stay be-[i] hind
The [i] strong can share my [III] glory and
to-[VII] night they'll share my [i] wine

Oh [i] Di Di Di Di [VII] Di De Di [i] Di [i]

The [i] whale it came up [i] closer, it was
[VII] bigger than the [i] sky
They [i] lowered down the [i] longboats, and they
[VII] heard the captain [i] cry
Oh [i] Bend your backs and [III] row me lads and
[VII] take me to me [i] whale.
To-[i] night we sing and [i] dance and
[VII] tomorrow night we [i] sail.
We [i] sail into the [III] harbour, no
[VII] prouder men there'll [i] be;
We'll [i] show them all we've [i] captured, the
[VII] monster from the [i] sea

Oh [i] Di Di Di Di [VII] Di De Di [i] Di [i] [i] [i]

The [i] whale it came so [i] close, that it
[VII] almost tipped the [i] boat
The [i] captain raised his [i] spear, and he
[VII] rammed it down it's [i] throat
The [i] whale it gave a [III] mournful cry and
[VII] lifted it's great [i]* ta-a-ail
And [i] brought it down a-[i]smashing their wee
[VII] boat worse than a [i]* gale
A [i]* 100 years have [i]* passed, since
the [VII]* Captain and his [i]* men
[i]* Went down below to [i]* spend their days
in [VII]* Davy Joneses' [i]* den
The [i]* whale it goes on [III]* living but in-[VII]* side it wears a [i]* scaaar
a [VII]* voice calls, from a-[i]* fa-a-ar

Hauntingly, slowly

[i] Bend your backs and [III] row me lads and
[VII] take me to me [i] whale.
To [i] night we sing and [i] dance, and
[VII] tomorrow night we [i] sail.
We [i] sail into the [III] harbour, no

[i] We'll show them all we've [i] captured, the

[i] We'll show them all we've [i] captured, the

[I] I've been waiting [Imaj7] such a long time
[I6] Looking out for [I] you but you're not [ii] here
[V7] What's another [I] year?
[I] I've been waking [Imaj7] such a long time
[I6] Reaching out for [I] you but you aren't [ii] near
[V7] What's another [I] year?

[vi] What's another year
to [vi] someone who's lost every-[bIII] thing that he owns?
[ii] What's another year
to [ii7] someone who's getting used to [II7] being a-[V7]lone?

[I] I've been praying [Imaj7] such a long time
[I7] 'Cause that's the only [VI7] way to hide my [ii] fear
[V7] What's another [I] year?

[vi] What's another year
to someone who's lost every-[iii]thing that he owns?
[ii] What's another year

[I] I've been crying [Imaj7] such a long time
[I7] With such a lot of [VI7] pain in every [ii] tear [V7]

[Imaj7] Mother, mother
There's too many [vi7] of you crying
[Imaj7] Brother, brother, brother
There's far too many [vi7] of you dying
You know we've [ii7] got to find a way
To bring some [IV] loving here today, [V7] hey, hey, hey

[Imaj7] Father, father
We don't need to [vi7] escalate
You see, [Imaj7] war is not the answer
For only love can [vi7] conquer hate
You know we've [ii7] got to find a way
To bring some [IV] loving here today, [V7] oh oh oooh

[ii7] Picket lines and [V7] picket signs
Don't [ii7] punish me with bru-[V7]tality
[ii7] Talk to me, so [V7] you can see

Oh, what's [Imaj7] going on
What's [vi7] going on
Ya, what's [Imaj7] going on
Ah, what's [vi7] going on

[Imaj7] Mother, Mother everybody [vi7] thinks we're wrong
Oh, but [Imaj7] who are they to judge us
Simply because our [vi7] hair is long
Oh, you know we've [ii7] got to find a way
To bring some under-[IV]standing here today [V7] oh oh ooh

[ii7] Picket lines and [V7] picket signs
Don't [ii7] punish me with bru-[V7] tality
[ii7] Talk to me, so [V7] you can see

Oh, what's [Imaj7] going on
Yeah What's [vi7] going on
Tell me what's [Imaj7] going on
I will tell you [vi7] what's going on

You [i] must understand that the touch of your hand, makes my [v7] pulse react,

It's [VI] phys-ic-[VII]al {Riff}
Only [VI] log-ic-[VII]al {Riff}
You must [VI] try to ignore that it [VII] means more than that, o-oh oh

[i] What's [VII] love got to [VI] do, got to [VII] do with it,
[III] What's [VII] love but a [VI] second hand e-[VII] motion,
[III] What's [VII] love got to [VI] do, got to [VII] do with it,

[i] It may seem to you that I'm acting confused
When you're [v7] close to me
If I [i] tend to look dazed I've read it someplace
I've [v7] got cause to be

There's a [VI] name for [VII] it {Riff},
There's a [VI] phrase that [VII] fits {Riff}

When a [I] man loves a [iii] woman, [vi] can't keep his mind on [I7] nothing else
[IV] He'll trade the [V7] world, for the [I] good thing he's found [V7]

When a [I] man loves a [iii] woman,
[vi] can't keep his mind on [I7] nothing else
[IV] He'll trade the [V7] world, for the [I] good thing he's found [V7]

If she is [I] bad he can't [iii] see it, [vi] he can do no [I7] wrong
[IV] Turn his back on his [V7] best friend, if he [I] put her down [V7]

When a [I] man loves a [iii] woman, [vi] spend his very last [I7] dime
[IV] Tryin' to [V7] hold on to [I] what he needs [V7]

He'd give up [I] all of his [iii] comfort, [vi] sleep out in the [I7] rain
[IV] If she said [V7] that's the way it [I] ought to be [I7]

[IV] Well, this [V] man loves a [I] woman [I7]
[IV] I gave you [V] everything I [I] had [I7]
[IV] Tryin' to [V7] hold on to [I] your [III7] precious [vi] love
[II7] Baby, please don't treat me [V] bad [Vaug]

When a [I] man loves a [iii] woman, [vi] down deep in his [I7] soul
[IV] She can [V7] bring him such [I] misery [V7]

If she [I] plays him for a [iii] fool, [vi] he's the last [I7] one to know
[IV] Lovin' [V7] eyes, can't ever [I] see [I7]

[IV] Well, this [V] man loves a [I] woman [I7]
[IV] I gave you [V] everything I [I] had [I7]
[IV] Tryin' to [V7] hold on to [I] your [III7] precious [vi] love

When a [I] man loves a [iii] woman, [vi] she can do no [I7] wrong

Yes when a [I] man loves a [iii] woman, [vi] I know exactly how [I7] he feels
'Cause [IV] baby, baby, [V7] baby, you're my [I] world [V7]
When a [I] man loves a [iii] woman, [vi] can't keep his mind on [I7] nothing else

[V7] When I [I] take my [Vdim] sugar to [V7] tea,
All the [I] boys are [Vdim] jealous of [V7] me,
'Cause I [VI7] never take her where the [ii7] gang [iv] goes,
[iv] When I [I] take my [V7] sugar to [I] tea. [V7]

I'm a [I] rowdy [Vdim] dowdy, that's [V7] me.
She's a [I] high hat [Vdim] mama, that's [V7] she,
So I [VI7] never take her where the [ii7] gang [iv] goes,
[iv] When I [I] take my sugar [V7] to [I] tea

[IV] Every Sunday afternoon, [bVII7] we forget about our cares,
[I] Rubbing elbows [II7] at the Ritz, [bVI7] with those [V7] million-[I]aires.

[V7] When I [I] take my [Vdim] sugar to [V7] tea,
All the [I] boys are [Vdim] jealous of [V7] me,

Same [IV] bed, but it feels just a little bit [v] bigger now
[I] Our song on the [I] radio, but it don't [IV] sound the same [vi]
[ii] When our friends talk [IV] about you all that it does is just [v] tear me down
[I] Cause my heart breaks a little when I [IV] hear your name

It all just sounds like [ii] oh, oh, [vi] oh
[bIII] Hmmm too young, too dumb to [IV] rea[I]lize

That I should have bought you [VII] flowers [I] and held your [IV] hand
Should have gave you all my [VII] hours [I] when I had the [IV] chance
Take you to every [VII]party cause all you [I] wanted to do was [ii] dance
[v] Now my baby is [VII] dancing, but she's [vii] dancing with another [IV] man [vi]

[ii] My pride, [IV] my ego, my needs and my [v] selfish ways
[I]Caused a good strong woman like you to walk [IV] out my life [vi]
Now I [ii] never, [IV] never get to clean up the [v] mess I made
[I] And it haunts me every time I close [IV] my eyes

It all just sounds like [ii] oh, oh, [vi] oh
[bIII] Hmmm too young, too dumb to [IV] rea[I]lize

That I should have bought you [VII] flowers [I] and held your [IV] hand
Should have gave you all my [VII] hours [I] when I had the [IV] chance
Take you to every [VII] party cause all you [I] wanted to do was [ii] dance

Although it [VII] hurts I'll be the [I] first to say that I was
[IV]wr.[I].o.[ii].o[vi]o.ng
Oh, I [V] know I'm probably much too late
To try and [v] apologize for my mistakes
But I just [I] want you to know

I hope he buys you [VII] flowers, [I] I hope he holds your [IV] hands
Give you all his [VII] hours [I] when he has the [IV] chance
Take you to every [VII] party cause I [I] remember how much you [ii] loved to dance
[V] Do all the things I [VII] should have done [vii] when I was your [IV] man!
[V] Do all the things I [VII] should have done [vii] when I was your [IV] man!

I've [I] got to have my [I7] daily fix of [IV] Chunky Kit Kat, [bII7] Double Twix
[I] Chuck a Taxi [bVI7] in the mix, [Idim] When I'm eating [I] biscuits.

Well [I] I like eating biscuits, I [bII7] shove 'em in my gob
If [V] I am feeling peckish then a Hob Nob's just the [I] job
I'm [I] partial to a [I7] Rose Marie, a [IV] Morning Coffee [bII7] or Rich Tea
And [I] Lemon Puffs [bVI7] appeal to me, [Idim] when I'm eating [I] biscuits
I've [I] got to have my [I7] daily fix of [IV] Chunky Kit Kat, [bII7] Double Twix
[I] Chuck a Taxi [bVI7] in the mix, [Idim] when I'm eating [I] biscuits

I [bIII7] can't eat half a packet, no, [bVI7] I can never stop.
I'll [bII7] get them crumbs around my gums 'til [V] I have scoffed the [V]? lot [V7]?

A [I] plain Digestive [I7] leaves me cold; they're [IV] OK for the [bII7] very old
A [I] Penguin's worth its [bVI7] weight in gold, [Idim] when I'm eating [I] biscuits
I've [I] got to have my [I7] daily fix of [IV] Chunky Kit Kat, [bII7] Double Twix
[I] Chuck a Taxi [bVI7] in the mix, [Idim] when I'm eating [I] biscuits

A [I] Jaffa Cake, the [I7] big debate, is [IV] it a biscuit [bII7] or a cake?
I've [I] had a couple [bVI7] by mistake, [Idim] when I'm eating [I] biscuits
And [I] Wagon Wheels are [I7] not for me, they're [IV] smaller than they [bII7] used to be
And [I] through the chocolate, [bVI7] I can see [Idim] when I'm eating [I] biscuits

I [bIII7] can't eat half a packet, no, [bVI7] I can never stop
I'll [bII7] get them crumbs around my gums 'til [V] I have scoffed the [V]? lot [V7]?

If [I] ever I am feel [I7]ing blue, I al [IV]ways know just [bII7] what to do
A [I] Chocolate Finger, [bVI7] maybe two, [Idim] when I'm eating [I] biscuits
I've [I] got to have my [I7] daily fix of [IV] Chunky Kit Kat, [bII7] Double Twix [I]
Chuck a Taxi [bVI7] in the mix, [Idim] when I'm eating [I] biscuits

Well [I] Fig Rolls are the [I7] thing to chew, rem [IV]ember don't have [bII7] more than two
Or [I] they could make you [bVI7] follow through, [Idim] when I'm eating [I] biscuits
It [I] makes me want to [I7] laugh and sing, when I'm [IV] nibbling on a [bII7] Party Ring
They're [I] full of sugar, [bVI7] that's the thing, [Idim] when I'm eating [I] biscuits

I [bIII7] can't eat half a packet, no, [bVI7] I can never stop.
I'll [bII7] get them crumbs around my gums 'til [V] I have scoffed the [V]? lot [V7]?
Keep [I] passing me that [I7] biscuit tin, I [IV] wasn't destined [bII7] to be thin
So [I] keep them cookies [bVI7] coming in, [Idim] when I'm eating [I] biscuits

Keep [I] passing me that [I7] biscuit tin, I [IV] wasn't destined [bII7] to be thin

[I] There's a tear in your eye
[I] And I'm wondering why
For [V7] it [I] never should be there at all
With [V7] such pow'r in your smile
Sure a [I] stone you'd be-[VI7]-guile
So there's [II7] never a teardrop should [V7] fall
When [I] your sweet lilting laughter's
[I] Like some fairy song
And your [V7] eyes [I] twinkle [I7] bright as can [IV] be
You should [II7] laugh all the while
And all [V] other times smile
And now, [II7] smile a smile for [V] me [V7]

Chorus:
When [I] Irish [V7] eyes are [I] smiling [I7]
Sure, 'tis [IV] like the morn in [I] Spring
In the [IV] lilt of Irish [I] laughter [VI7]
You can [II7] hear the angels [V] sing [V7]
When [I] Irish [V7] hearts are [I] happy [I7]
All the [IV] world seems bright and [I] gay
And when [IV] Irish [biiidim] eyes are [I] smil-[VI7]-ing
Sure, they [II7] steal your [V7] heart a-[I]-way

[I] For your smile is a part
Of the love in your heart
And [V7] it [I] makes even sunshine more bright
Like the [V7] linnet's sweet song
Crooning [I] all the day [VI7] long
Comes your [II7] laughter so tender and [V7] light
For [I] the springtime of life
[I] Is the sweetest of all
There is [V7] ne'er [I] a real [I7] care or re-[IV]-gret
And while [II7] springtime is ours
Throughout [V] all of youth's hours
Let us [II7] smile each chance we [V] get [V7]

[I] [IV] [I] [IV] [vi] [IV]

There were [I] moments of dreams, I was offered to [IV] save.
I lived [I] less like a workhorse, more like a [IV] slave.
I thought the [vi] one quick moment that was noble or brave
would be [IV] worth the most of my life.

So I [I] pointed my fingers, and shouted few quotes I [IV] knew,
as if [I] something that's written, should be taken as [IV] true.
But every [vi] path I had taken and conclusion I drew
would put [IV] truth back under the knife.

And now the [ii] only piece of advice that continues to [V] help
is anyone that's [vi] making anything [V] new only breaks something [IV] else.

> [I] When [IV] my time [I] comes, [IV] ooohh-[vi] oohhh-[V] ooohh-[IV] ooohhhh
> [I] When [IV] my time [I] comes, [IV] ooohh-[vi] oohhh-[V] ooohh-[IV] ooohhhh

So I [I] took what I wanted, and put it out of my [IV] reach.
I wanted to [I] pay for my successes, with all my de-[IV]feats.
And if [vi] Heaven was all that was promised to me
why [IV] don't I pray for a death?

Now it [I] seems like the unravelling started too [IV] soon.
Now I'm [I] sleeping in hallways and I'm drinking per-[IV]fume,
and I'm [vi] speaking to mirrors, and I'm howling at moons,
while the [IV] worse and the worse that it gets.

Oh you can [ii] judge the whole world on the sparkle that you think it [V] lacks.
Yes, you can [vi] stare into the a-[V]byss, but it's starin' right [IV] back.

[I] [I] [I]

When Santa Claus gets your letter, you [V7] know what he will [I] say: [I7]
"Have [IV] you been good the [I] way you [VI7] should on [II7] ev'ry single [V7] day?"

When [I] Santa Claus gets your letter, to [V7] ask for Christmas [I] toys.

He'll [IV] stroke his beard, his eyes will glow, and [I] at your name he'll peer;
It [IV] takes a little time, you know to [II7] check back one whole [V] year!

[V] [V] [I]

In the [I] days of bread and dripping and that [IV] good old cocky's joy,
When [V] home-made dolls and shanghais were the battlers kiddie's [I] toys [I]
We used to dream of luxury but [IV] couldn't raise the price,
So we [V] had to save our bumpers and boil the tea leaves [I] twice.

In the [I] days of darning needles, patching [IV] clothes and making do,
Dear [V] Mother at the wash-tub, bar of soap and bubbles [I] blue, [I]
She had so little comfort but she [IV] kept the old place nice,
In those [V] days of saving bumpers n' boiling tea leaves [I] twice.|
In those [V] days of saving bumpers n' boiling tea leaves [I] twice.

In the [I] days of horse and sulky and [IV] mail-order catalogues,
Of [V] cross cut saw and broad axe to work and sleeper [I] logs, [I]
When the day was done we dined on [IV] rabbit stew and rice,
And [V] then we smoked our bumpers 'n boiled the tea leaves [I] twice.

In the [I] days of Vicks, camphor, Epsom [IV] salts and castor oil,
When we [V] used the good old Clydesdale and plough to work the [I] soil, [I]
We could use the forge 'n anvil, twist the [IV] green hide rope and splice,
Back [V] when we saved our bumpers 'n boil the tea leaves [I] twice.
Back [V] when we saved our bumpers 'n boil the tea leaves [I] twice

In the [I] days of old bark humpies and [IV] wind-up gramophones,
When we [V] used to sharpen axes on that big old grinding [I] stone, [I]
We had gramma pie for smoko and [IV] ravaged every slice,
Back [V] when we saved our bumpers 'n boiled our tea leaves [I] twice.
Back [V] when we saved our bumpers 'n boiled our tea leaves [I] twice

In the [I] days of storytellers and [IV] men who could recite,
When [V] arguments were settled with a clean bare knuckle [I] fight, [I]
And I think in spite of progress with each [IV] work-saving device,
We were [V] happier saving bumpers 'n boiling tea leaves [I] twice,
Yes, we were [V] happier saving bumpers 'n boiling tea leaves [I] twice.

[V7] Since I [I] still appreciate you,
Let's [VI7] find love while we [ii] may,
Because I know I'll [V7] hate [V7] you
When [ii7] you're [V7] old and [I] grey.

[I] So say you love me here and now,
I'll [VI7] make the most of [ii] that. [VI7]
[ii] Say you love and [IV] trust me,
For I [I] know [ii] you'll dis-[VI7]gust me
When you're [II7] old and [V7] getting [I] fat.

An [I] awful debility,
A [IV] lessened utility,
A [V7] loss of mobility
Is a [I] strong possibility.
In all probability
I'll [V7] lose my vi-[V]rility
And [vi] you your fertility
And [II7] desira-[V7]bility,
[V7] And [I] this liability
Of [IV] total ste-[ii]rility
Will [V7] lead to hostility
And a [I] sense of fu-[I]tility,
So let's act with agility
While we still [V7] have facility,
For we'll [vi] soon reach senility
And [II7] lose the a-[V7]bility.

Your [I] teeth will start to go, dear,
Your [VI7] waist will start to [ii] spread.

I'll [ii7] wish that [V7] you were [I] dead.

[I] [IV] [I] [V] [I]

[I] When you [IV] shook your [I] long hair down,
[V] when you sat be-[I]side me,
[I] all my [IV] terrors [I] came to town,
[V] they began to [I] ride me.
[vi] I was left with-[iii]out a word,
I [vi] lost the situ-[V]ation,

you shook my [V] whole found-[I]ation.

[V] all my words got [I] jumbled.
[vi] Not a word would [iii] come to mind,

I saw one [V] hope of hea-[I]ven.

[vi] I was left with-[iii]out a chance, no [vi] hope of a re-[V]turning,
oh, [I] in your [IV] eyes I [I] saw a light of [V] all my bridges [I] burning.

[I] [IV] [I] [V] [I]

Now [I] you know [IV] you're [I] hardly there, [V] you'd already [I] warned me,

If [I] I go to a [IV] concert [I] hall to [IV] have a jolly spree
There's [I] someone in the party who is [V7] sure to shout at me

chorus

At [I] twenty-one I thought I would to my sweet[I7]heart get [ii] married
The people in the neighbourhood had [V] said too long we'd tarried
So [I] off to church we [IV] went right [I] quick, de[IV]termined to get wed
I [I] had not long been in there, when the [V7] parson to me said

chorus

I [I] once tried hard to be M.P. but failed to [I7] get e[ii]lected
Upon a tub I stood, round which a [V] thousand folks collected
And [I] I had dodged the [IV] eggs and [I] bricks (which [IV]was no easy task)

chorus

When [I] Colonel South, the millionaire, gave his last [I7] garden [ii] party

[I] Little girl, little [I7] girl don't [IV] lie to [bIII] me.
Tell me [I] where did you [V7] sleep last [I] night.
In the pines, in the [I7] pines where the [IV] sun never [bIII] shines.

Where Do You Go To My Lovely

artist:Peter Sarstedt writer:Peter Sarstedt

https://www.youtube.com/watch?v=0Wzf4jFgHwU
Intro: [I] [iii] [IV] [V] then vamp on [I]

You [I] talk like Marlene [iii] Dietrich and you [IV] dance like Zizi Jean [V] Maire
Your [I] clothes are all made by [iii] Balmain
And there's [IV] diamonds and pearls in your [V] hair [V7] [iii7] [V]

You [I] live in a fancy [iii] apartment on the [IV] boulevard St Mi-[V]chel
Where you [I] keep your Rolling Stones [iii] records,
and a [IV] friend of Sacha Dis-[V]tel [V7] [iii7] [V]
But [I] where do you go to my [iii] lovely, [IV] when you're alone in your [V] bed?
[I] Tell me the thoughts that sur-[iii]round you
I [IV] want to look inside your [V] head [V7] [iii7] [V]

I've [I] seen all your qualifi-[iii]cations you [IV] got from the Sor-[V]bonne
And the [I] painting you stole from Pic-[iii]asso,
And your [IV] loveliness [V] goes on and [V7] on, yes it [iii7] does [V]

When you [I] go on your summer va-[iii]cation you [IV] go to Juan-les-[V] Pins
With your [I] carefully designed topless [iii] swimsuit
You [IV] get an even sun [V] tan, on your [V7] back, and on your [iii7] legs [V]

When [I] the snow falls you're found in St [iii] Moritz with the [IV] others of the jet [V] set
And you [I] sip your Napoleon [iii] brandy
But you [IV] never get your lips [V] wet [V7] [iii7] [V]

But [I] where do you go to my [iii] lovely [IV] when you're alone in your [V] bed?
[I] Tell me the thoughts that sur-[iii]round you,
I [IV] want to look inside your [V] head [V7] [iii7] [V]

Your [I] name it is heard in high [iii] places, you [IV] know the Aga [V] Khan
He [I] sent you a racehorse for [iii] Christmas
And you [IV] keep it just for [V] fun, for a [V7] laugh, a-ha-ha [iii7] ha [V]

They [I] say that when you get [iii] married, it will [ii] be to a million-[V]aire
But they [I] don't realise where you [iii] came from,
I [IV] wonder if they really [V] care or give a [V7] damn, Oh, Oh, [iii7] oh [V]

But [I] where do you go to my [iii] lovely [IV] when you're alone in your [V] bed?
[I] Tell me the thoughts that sur-[iii]round you,
I [IV] want to look inside your [V] head [V7] [iii7] [V]
I re-[I]member the back [iii] streets of Naples, two [IV] children begging in [V] rags
Both [I] touched with a burning am-[iii]bition
To [IV] shake off off their lowly born [V] tags, yes they [V7] try [iii7] [V]

So [I] look into my face Marie [iii] Claire and [IV] remember just who you [V] are
Then [I] go and forget me for-[iii]ever, but
I [IV] know you still bear the [V] scar, deep [V7] inside, yes you [iii7] do [V]
I [I] know where you go to my [iii] lovely [IV] When you're alone in your [V] bed
[I] I know the thoughts that sur-[iii]round you - cos [IV] I can look inside your [I] head

[I] [I]
[I] As I was a goin' over the [vi] far famed Kerry mountains
I [IV] met with Captain Farrell and his [I] money he was [vi] counting
I [I] first produced my pistol and I [vi] then produced my rapier
Said [IV] "Stand and deliver" for you [I] are my bold de-[vi]ceiver

Chorus:
With me [V] ring dum-a doo dum-a da
[I] Whack for the daddy-o. [IV] whack for the daddy-o
There's [I] whiskey [V7] in the [I] jar.

I [I] counted out his money and it [vi] made a pretty penny
I [IV] put it in me pocket and I [I] brought it home to [vi] Jenny
She [I] said and she swore that she [vi] never would deceive me
But the [IV] devil take the women for they [I] never can be [vi] easy

Chorus

I [I] went into my chamber, all [vi] for to take a slumber
I [IV] dreamt of gold and jewels and for [I] sure it was no [vi] wonder
But [I] Jenny drew me charges and she [vi] filled them up with water
Then [IV] sent for captain Farrell to be [I] ready for the [vi] slaughter.
Chorus

It was [I] early in the morning, just be[vi]fore I rose to travel
The [IV] guards were all around me and [I] likewise Captain [vi] Farrell
I [I] first produced me pistol for she [vi] stole away me rapier
But I [IV] couldn't shoot the water, so a [I] prisoner I was [vi] taken.

Chorus

If [I] anyone can aid me, it's my [vi] brother in the army,
If [IV] I can find his station in [I] Cork or in Kill-[vi]arney.
And [I] if he'll come and save me, we'll go [vi] roving near Kilkenny,
and I [IV] swear he'll treat me better than me [I] darling sportling [vi] Jenny.

Chorus

Now [I] some men take delight in the [vi] drinking and the roving,
But [IV] others take delight in the [I] gambling and the [vi] smoking.
But [I] I take delight in the [vi] juice of the barley,
and [IV] courting pretty Jenny in the [I] morning bright and [vi] early.

[I] As long as I remember, the [IV] rain's been comin' [I] down
Clouds of mystery pourin', [IV] confusion on the [I] ground
[IV] Good men through the [I] ages, [IV] tryin' to find the [I] sun
[IV] And I wonder, [V7] still I wonder, [vi] who'll stop the [I] rain [I]

[I] I went down Virginia, seekin' [IV] shelter from the [I] storm
Caught up in the [vi] fable, I [IV] watched the tower [I] grow
[IV] Five year plans and [I] new deals, [IV] wrapped in golden [I] chains

[I] When a wild butterfly makes its mind up to land
[iii] Out of the blue, on the back of your hand,
Count your [IV] blessings and bear in [I] mind
Those [v] small fragile wings could [IV] beat again at any [I] time

Chorus 1

[I] So write down that feeling, cast it in stone
Get it [iii] tattooed so deep that it's etched on the bone
A [IV] memento when it's gone [I] away.
Those [v] flashes of colour can [IV] light up the world when it's [I] grey

Instrumental [I] [iii] [IV] [I]

[I] When you look to the sky and there's nothing but blue
[iii] Paint your nails in that shade, paint your life in that hue
To re-[IV]mind you of the de-[I]light
You'll [v] need it when clouds have [IV] obscured the view from your [I] sight

Chorus 2

[I] So write down that feeling, carve it in stone
Get it [iii] tattooed so deep that it's etched on the bone
A [IV] reminder when it's gone [I] away.
Those [v] flashes of colour can [IV] light up the world when it's [I] grey

Instrumental [I] [iii] [IV] [I]

[I] When happiness lands like a wild butterfly
Don't [iii] choose to ignore it, the same rules apply
Take a [IV] photograph and lock it [I] away
You can [v] use it to light up your [IV] path on your darkest [I] day

Chorus 3

[I] Write down that feeling, carve it in stone
Get it [iii] tattooed so deep that it's etched on the bone
A [IV] memento when it's gone [I] away.
Those [v] flashes of colour can [IV] light up the world when it's [I] grey
Those [v] flashes of colour can [IV] light up the world when it's [I] grey

And time breaks your [ii] heart, I wasn't there but I know
[VIImaj7] She was your [vi7] girl
You showed her the [ii] world
You fell out of love and you both [vi7] let [VIImaj7] go

She was cryin' on my shoul-[vi7]der
All I could do was hold [ii] her
Only made us closer until Ju-[VIImaj7]ly
Now I know that you [vi7] love me
You don't need to remind [ii] me
I should put it all behind me, [NC] shouldn't I?

> But [VIImaj7] I see her in the [I] back of my mind all [VI7] the tiii-[ii]iime [I]

> Did [I] I cross the [VIImaj7] line?
> [vi7] (Mm) [ii] Hmm [I]

[VIImaj7] Well, good things don't [vi7] last
And life moves so [ii] fast
I'd never ask who was [I] bet-[VIImaj7]ter
'Cause she couldn't [vi7] be
More different from [ii] me
Happy and free in lea-[I]the-[VIImaj7]er

And I know that you love [vi7] me
You don't need to remind [ii] me

> But [VIImaj7] I see her in the [I] back of my mind all [VI7] the tiii-[ii]iime [I]
> Like [VIImaj7] a fever, like [I] I'm burning alive, like [VI7] a siii-[ii]iign
> Did [I] I cross the [VIImaj7] liiiii-[I]inene?
> [vi7] (Mm) [ii] Hmm [I]

And I wonder
Do [VIImaj7] you see her in the [I] back of your mind in [VI7] my eyes [ii]
[VIImaj7] [I] [VI7] [ii] [I]

[VIImaj7] You say no one [I] knows you so well
But [VI7] every time you touch me, I just [ii] wonder how she [I] felt
[VIImaj7] Valentine's Day, cryin' [I] in the hotel
I know you [VI7] didn't mean to hurt me, so I [NC] kept it to myself

When a [I] flower grows wild, it can [IV] always sur-[I]vive,
Wild-[I]flowers don't [V7] care where they [I] grow.

The [I] hills were alive with wild [IV] flowers and,
[I] I was as wild, even [V7] wilder than [I] they,
For at least I could run, they just [IV] died in the [I] sun
And I refused to just [V7] wither in [I] place.

> Just a [IV] wild mountain rose, needing [I] freedom to grow
> So I [IV] ran fearing not where I'd [I] go-o-[V7]-o
> When a [I] flower grows wild, it can [IV] always sur[I]vive,
> Wild-[I]flowers don't [V7] care where they [I] grow.

And the [I] flowers I knew, in the [IV] fields where I [I] grew
Were con-[I]tent to be [V7] lost in the [I] crowd,
They were [I] common and close, I had [IV] no room to [I] grow
And I [I] wanted so [V7] much to branch [I] out.

> Just a [IV] wild mountain rose, needing [I] freedom to grow
> So I [IV] ran fearing not where I'd [I] go-o-[V7]-o
> When a [I] flower grows wild, it can [IV] always sur-[I]vive,
> Wild-[I]flowers don't [V7] care where they [I] grow.

So I [IV] uprooted myself, from my [I] home ground and left,
Took my [IV] dreams and I took to the [I] road-o-[V7]oad
When a [I] flower grows wild, it can [IV] always sur-[I]vive,
Wild-[I]flowers don't [V7] care where they [I] grow.

I grew [I] up fast and wild and I [IV] never felt [I] right
In a garden so [V7] different from [I] me,
I just [I] never belonged, I just [IV] longed to be [I] gone
So the garden one [V7] day, set me [I] free.

> Just a [IV] wild mountain rose, needing [I] freedom to grow
> So I [IV] ran fearing not where I'd [I] go-o-[V7]-o
> When a [I] flower grows wild, it can [IV] always sur-[I]vive,
> Wild-[I]flowers don't [V7] care where they [I] grow.

I hitched a [IV] ride with the wind, and since [I] he was my friend
I just [IV] let him decide where we'd [I] go-o-[V7]-o
When a [I] flower grows wild, it can [IV] always sur[I]vive,
Wild-[I]flowers don't [V7] care where they [I] grow.

Just a [IV] wild rambling rose, seeking [I] myst'ries untold,
No re-[IV]grets for the path that I [I] chose-o-[V7]ose
When a [I] flower grows wild, it can [IV] always sur-[I]vive
Wild-[I]flowers don't [V7] care where they [I] grow.

Will you [I] come to the [V] bower o'er the [V7] free boundless [I] ocean
Where the [I] stupendous [V] waves roll in thundering [I] motion,
Where the [I] mermaids are seen,and the fierce tempest [IV] gathers,
To loved [I] Erin the green,the dear [V7] land of our fathers.

Will you [I] come, will you, [V7] will you, will you come to the [I] bower.

Of Lord [I] Lucan the [V] bold and the immortal O'[I] Connell,

Will you [I] come, will you, [V7] will you, will you come to the [I] bower.

You can [I] visit Ben[V]burb and the [V7] storied Black-[I]water,
Where Owen [I] Roe met Mun-[V]roe and his chieftains did [I] slaughter,
Where the [I] lambs sport and play on the mossy all [IV] over,
From those [I] golden bright views,to en-[V7]chanting Rostrevor.

Will you [I] come, will you, [V7] will you, will you come to the [I] bower.

You can [I] see Dublin [V] city and the [V7] fine groves of [I] Blarney
The [I] Bann, Boyne the [V] Liffey, and the lakes of Kil-[I]larney
You may [I] ride on the tide o'er the broad majestic [IV] Shannon
You may [I] sail round Loch Neagh and see [V7] storied Dungannon.

Will you [I] come, will you, [V7] will you, will you come to the [I] bower.

You can [I] visit New [V] Ross, gallant [V7] Wexford and [I] Gorey,
Where the [I] green was last [V] seen by proud Saxon and [I] Tory.
Where the [I] soil is sanctified by the blood of each [IV] true man
Where they [I] died satisfied their ene-[V7]mies they would not run from.

[I] [iii] [IV] [I] [I] [iii] [IV] [I]

[I] We lit a flame with trembling hands,
Paper wings began to [IV] rise,
A quiet [ii] glow against the night, [V]
Like the promise in your [I] eyes.

I watched it lift and drift away,
Carried where the breezes [IV] go,
A warming [ii] light that couldn't stay, [V]
Rising to the sky so [I] slow.

Like a lantern drifting [IV] skyward, [V]
You were shining, then you [I] flew, [vi]
I reach but only catch the [IV] shadows, [V]
The night keeps taking me from [I] you.

The wind decides the path it takes,
No hand can guide it where to [IV] roam,
And so it [ii] is with hearts that break, [V]
We burn, then wander far from [I] home.

[IV] Maybe it's [V] enough we had that [I] moment,

A fragile warmth I keep [I] within.

Like a lantern drifting [IV] skyward, [V]

The night keeps taking me from [I] you.

Some lights are always meant to [IV] wander, [V]
I'll take the time I had with [I] you.

[I] [IV] [VII] [bIII] [bVI] [bII] [V7] [I]

A [I] mouse lived in a [IV] windmill in [VII] old Amster-[bIII]dam;
A [bVI] windmill with a [bII] mouse in, and [V7] he wasn't [I] grousin'.
He sang every [IV] morning, "How [VII] lucky I [bIII] am,
[bVI] Living in a [bII] windmill in [V7] old Amster-[I]dam".

[I] I saw a [IV] mouse. Where? [I] There on the stair.
[V7] Where on the stair?
Right [I] there, a little mouse with [IV] clogs on.
[I] Well, I declare.
Going [II7] clip, clippety [V7] clop on the [I] stair, oh [I] yeah.

This [I] mouse, he got [IV] lonely, he [VII] took him a [bIII] wife;
A [bVI] windmill with [bII] mice in is [V7] hardly [I] surprising.
She sang every [IV] morning, "How [VII] lucky I [bIII] am,
[bVI] Living in a [bII] windmill in [V7] old Amster-[I]dam".

[I] I saw a [IV] mouse. Where? [I] There on the stair.
[V7] Where on the stair?
Right [I] there, a little mouse with [IV] clogs on.
[I] Well, I declare.
Going [II7] clip, clippety [V7] clop on the [I] stair, oh [I] yeah.

[I] First they had [IV] triplets, and [VII] then they had [bIII] quins;
A [bVI] windmill with [bII] quins in, [V7] triplets and [I] twins in.
They sang every [IV] morning, "How [VII] lucky we [bIII] are,
[bVI] Living in a [bII] windmill in [V7] Amsterdam [I] Ja!".

[I] I saw a [IV] mouse. Where? [I] There on the stair.
[V7] Where on the stair?
Right [I] there, a little mouse with [IV] clogs on.
[I] Well, I declare.
Going [II7] clip, clippety [V7] clop on the [I] stair, oh [I] yeah.

The [I] daughters got [IV] married and [VII] so did the [bIII] sons.
The [bVI] windmill had [bII] christ'nings when [V7] no one was [I] list' nin'.
They all sang in [IV] chorus, "How [VII] lucky we [bIII] am,
[bVI] Living in a [bII] windmill in [V7] old Amster–[I]dam".

[I] I saw a [IV] mouse. Where? [I] There on the stair.
[V7] Where on the stair?
Right [I] there, a little mouse with [IV] clogs on.
[I] Well, I declare.
Going [II7] clip, clippety [V7] clop on the [I] stair, oh [I] yeah.

[I] A mouse lived in a [IV] windmill, so [VII] snug and so [bIII] nice
[bVI] There's nobody [bII] there now but a [V7] whole load of [I] mice
[V7] Oh! [I] Yeah!

In [I] days gone [V7] by, when the [IV] world was much [I] younger
Men harnessed the [V7] wind to [IV] work for man[I]kind
Seamen built [V7] ships to [IV] sail on the [I] ocean
Landsmen built [V7] windmills the [IV] corn for to [I] grind

chorus
It's a[I] round and a[V7]round and a[IV]round went the [I] big sail
Turning the [V7] shaft and the [IV] great wooden [I] wheel
Creaking and [V7] groaning, the [IV] millstones kept [I] turning
Grinding to [V7] flour the good [IV] corn from the [I] field

In [I] Flanders and [V7] Spain and the [IV] lowlands of [I] Holland
And the kingdoms of [V7] England and [IV] Scotland and [I] Wales
Windmills sprang [V7] up all a[IV]long the wild [I] coastline
Ships of the [V7] land with their [IV] high canvas [I] sails

chorus

In [I] Lancashire, [V7] lads work [IV] hard at the [I] good earth
Ploughing and [V7] sowing as the[IV] seasons de[I]clare
Waiting to [V7] reap all the [IV] rich, golden [I] harvest
While the [V7] miller is idle, his [IV] mill to re[I]pair

chorus

[I] Windmills of [V7] wood all [IV] blackened by [I] weather
[I] Windmills of [V7] stone, glaring [IV] white in the [I] sun
[I] Windmills like [V7] giants all [IV] ready for [I] tilting
[I] Windmills that [V7] died in the [IV] gales and the [I] sun

[i] [V7] [i]

Round, like a circle in a spiral, like a wheel within a [V7] wheel
Never ending or beginning on an ever spinning [i] reel
Like a snowball down a [I7] mountain or a carnival bal[iv7]loon
Like a carousel that's [VII7] turning,
Running rings around the [IIImaj7] moon
Like a clock whose hands are [VImaj7] sweeping
Past the minutes of its [iv6] face
And the world is like an [V7] apple
Whirling silently in [bvdim] space
Like the circles that you [V7] find
In the windmills of your [i] mind

Like a tunnel that you follow to a tunnel of its [V7] own
Down a hollow to a cavern where the sun has never [i] shone
Like a door that keeps revol[I7]ving
In a half-forgotten [iv7] dream
Or the ripples from a [VII7] pebble
Someone tosses in a [IIImaj7] stream
Like a clock whose hands are [VImaj7] sweeping
Past the minutes of its [iv6] face
And the world is like an [V7] apple
Whirling silently in [bvdim] space
Like the circles that you [V7] find
In the windmills of your [i] mind

Keys that jingle in your pocket, words that jangle in your [iv7] head
Why did summer go so [VII7] quickly?
Was it something that you [IIImaj7] said?
Lovers walk along the [III7] shore
And leave their footprints in the [VImaj7] sand
Is the sound of distant [II7] drumming
Just the fingers of your [v] hand?
Pictures hanging in a [I7] hallway
And the fragment of a [iv] song
Half-remembered names and [VII7] faces,
But to whom do they be[IIImaj7]long?

When you knew that it was [VImaj7] over,
You were suddenly [iv6] aware
That the autumn leaves were [V7] turning
To the colour of her [i]hair
A circle in a spiral, a wheel within a [V7] wheel
Never ending or beginning on an ever spinning [bvdim] reel
As the images un[i]wind,
Like the circles that you [V7] find
In the windmills of your [i] mind
Like the circles that you [V7] find
In the windmills of your [i] mind

"I [I] could have been a giant" said the [vi] bonsai tree
"But [IV] someone bound my [ii] roots and held me [V] down."
"I [I] could have reached the Heavens" said the [vi] snowy owl
"But they [IV] clipped my wings and [V] kept me on the [I] ground."

"I [IV] think I heard them [V] tell me that they [I] loved me
That they'd [IV] care for me, [ii] without them I would [V] die
But [I] what's the use of roots if you can't [vi] spread them?
[IV] What's the use of [V] wings if you can't [I] fly?"

"I [I] could have been a singer" said the [vi] Myna bird
"But they [IV] caged me and [ii] told me what to [V] say."
"[I] I could have run forever" said the [vi] pony
"But they [IV] bridled me and [V] made me go their [I] way."

"I [IV] think I heard them [V] tell me that they [I] loved me
That they'd [IV] care for me [ii] forever so it [V] seems
[I] What's the use of voices without [vi] freedom?
[IV] What's the use of [V] living other's [I] dreams?"

[IV] Why do people [V] cage the things they [I] love the most?
Is it [IV] simply that they [ii] fear to be a-[V] lone?
[I] If you give you're love it's freedom, it will [vi] stay awhile
If it [IV] leaves you, it was [V] never yours to [I] own

"I [I] could have found adventure" said the [vi] angelfish
"Now my [IV] world's so small there's [ii] nowhere left to [V] go."
"I [I] could have ruled a kingdom" said the [vi] lion
"Now this [IV] land inside my [V] head is all I [I] know."

"I [IV] think I heard them [V] tell me that they [I] loved me
That they'd [IV] care for me, and [ii] tell me it's al-[V] right
But [I] what's the use of life without ad-[vi] venture?
[IV] What's the use of [V] strength if you [I] can't fight?"

[IV] Why do people [V] cage the things they [I] love the most?
Is it [IV] simply that they [ii] fear to be a-[V] lone?
[I] If you give you're love it's freedom, it will [vi] stay awhile
If it [IV] leaves you, it was [V] never yours to [I] own

"I [IV] know I heard them [V] tell me that they [I] loved me
They'd [IV] care for me, [ii] without them I would [V] die

Winkle, The

Thanks to Kathryn Dean - this one is based on Jacqui McDonald CD version

> [I] Why does the Winkle always turn to the right
> [V] turn to the right, [I] turn to the right,
> and why does the Winkle going upstairs at night,
> [II] put his little nightdress on and [V] turn to the right.
> [IV] Tail first he [I] toddles off to bed
> with his [II] door shut tight down [V] on his head.
> [I] Why does the Winkle always turn to the left,
> when [V] he comes down to breakfast in the [IV] mor-[I]ning.

[I] As the lion build his [V] lair out in the [I] jungle oh,
Birdies build their [V] nest up in the [I] trees.
But the Winkle always [V] builds his little [I] bungalow,
in a [II] puddle at the bottom of the [V] sea.
The reason for this scientists [I] can never tell,
what [II] makes the Winkle go inside his [V] Winkle [V7] shell.

> [I] Why does the Winkle always turn to the right
> [V] turn to the right, [I] turn to the right,
> and why does the Winkle going upstairs at night,
> [II] put his little nightdress on and [V] turn to the right.
> [IV] Tail first he [I] toddles off to bed
> with his [II] door shut tight down [V] on his head.
> [I] Why does the Winkle always turn to the left,
> when [V] he comes down to breakfast in the [IV] mor-[I]ning.

[I] Now the moral of the [V] story is quite [I] obvious,
if the [V] Winkle he turned left then as sure as [I] sin.
[V] when you [I] try to get him [V] out with your [I] Winkle pin,
your pin [II] wouldn't get him out, you'd screw him in.
[IV] And nature that put whiskers on the [I] Walruses,
[II] makes one way streets for Winkles [V] and the chorus is:-

> [I] Why does the Winkle always turn to the right
> [V] turn to the right, [I] turn to the right,
> and why does the Winkle going upstairs at night,
> [II] put his little nightdress on and [V] turn to the right.
> [IV] Tail first he [I] toddles off to bed
> with his [II] door shut tight down [V] on his head.
> [I] Why does the Winkle always turn to the left,
> when [V] he comes down to breakfast in the [IV] mor-[I]ning.

[I] [vi7] [ii] [V] [I] [vi7] [ii] [V]

[V] I don't wanna [I] talk about the things we've [V] gone through
Though it's hurting [ii] me, now it's histo-[V]ry
I played all my [I] cards, and that's what you've [V] done too
Nothing more to [ii] say, no more ace to [V] play

The winner takes it [I] all, the loser standing [vi7] small
Beside the victo-[ii]ry - that's her desti-[V]ny

I was in your [I] arms, thinking I be-[V]longed there
I figured it made [ii] sense, building me a [V] fence
Building me a [I] home, thinking I'd be [V] strong there
But I was a [ii] fool, playing by the [V] rules

The gods may throw a [I] dice, their minds as cold as [vi7] ice
And someone way down [ii] here loses someone [V] dear

The winner takes it [I] all, the loser has to [vi7] fall
It's simple and it's [ii] plain - why should I [V] complain?

But tell me does she [I] kiss like I used to [V] kiss you?
Does it feel the [ii] same, when she calls your [V] name?
Somewhere deep in-[I]side, you must know I [V] miss you
But what can I [ii] say? Rules must be o-[V]beyed.

The judges will de-[I]cide, the likes of me a-[vi7]bide
Spectators of the [ii] show, always staying [V] low

The game is on a-[I]gain - a lover or a [vi7] friend
A big thing or a [ii] small - the winner takes it [V] all

I don't wanna [I] talk, if it makes you [V] feel sad
And I under-[ii]stand - you've come to shake my [V] hand
I apolo-[I]gize if it makes you [V] feel bad
Seeing me so [ii] tense - no self-confi-[V]dence

repeat fading out

But you see, the winner takes it [I] all [vi7]
The winner takes it [ii] all... [V]

[V7] Sleigh bells [I] ring, are you listenin'
In the [V7] lane, snow is glistenin'
A [V7] beautiful [ii] sight, we're [V] happy to-[IV]-night
[II7] Walkin' in a [V7] winter wonder-[I]land

Gone a-[I]-way is the blue bird
Here to [V7] stay is a new bird
He [V7] sings a love [ii] song, as [V] we go a-[IV]-long
[II7] Walkin' in a [V7] winter wonder-[I]land

[III7] In the meadow [VII7] we can build a [III7] snowman
[III7] And pretend that [VII7] he is Parson [III7] Brown
[V] He'll say, "Are you [II7] married?" We'll say, [V] "No Man,
But [VI7] you can do the [II7] job while you're in [V] town"

Later [I] on we'll conspire
As we [V7] dream by the fire
To [V7] face una-[ii]-fraid the [V] plans that we [IV] made
[II7] Walkin' in a [V7] winter wonder-[I]land

[III7] In the meadow [VII7] we can build a [III7] snowman
[III7] And pretend that [VII7] he's a circus [III7] clown
[V] We'll have lots of [II7] fun with Mr [V] Snowman
Un-[VI7]til the other [II7] kiddies knock him [V] down [V7]

When it [I] snows ain't it thrillin'
Though your [V7] nose gets a chillin'
We'll [V7] frolic and [ii] play the [V] Eskimo [IV] way
[II7] Walkin' in a [V7] winter wonder-[I]land
We'll [V7] frolic and [ii] play the [V] Eskimo [IV] way

Much closer to correct - but more difficult

[bVI] [bV7] [bI7] [V7] [I]

I've [V] tried to write a [I] love song, [V6] [IV] that [I] shows the way I [V] feel
[IV] But per-[V7]haps I just [I] ain't got it, [V6] [IV] perhaps I [V7] never [I] will
I wish that I could [IV] write down words, [I] that I want you to [V] see
[I] Wish I could [I7] write a [IV] love song, [I] just to [V7] you from [I] me

I [I7] write the words [I] [I7] [IV] down, and change them [V] all around
'cos I [I] ain't too [I7] sure, they [IV] look all wrong, it's just anoth-[V7]er song
It's all been [I] done before, and it's [iii] got to mean [IV] much more [IV] [V] [IV] [V]

[I] I wish that I [bVI7] could write a love [bII7] song, [V7] that shows the way I [I] feel
But per-[bVI7]haps I just ain't [bII7] got it, [V7] perhaps I never [I] will
[vi] Rock & roll songs [bII7] come easy, [V] rock & roll songs [bIII7] are dead [IV] ea-[bIII7]sy
P'raps it's [bV7] simply that I [bI7] love you, [V7] more than words can [I] say [bIII7]

[bVI] [bV7] [bI7] [V7] [I]

Is it [V] that I feel sil-[I]ly, [V6] [IV] when I let my [I] feelings [V] show
Or [IV] am I a-[V7]fraid to [I] give too much [V6] in [IV] case one [V7] day you [I] go
If I give in to [IV] my emotions, [I] then I might get [V] hurt
[I] If one [I7] day you [IV] run away, [I] with my [V7] uncle [I] Bert

But I'm [I7] making [IV] fun again, trust me to make a [V] joke, out of an-[I7]y-thing,
[I7] Wish I could [IV] think of lines, wish I could make [V7] up rhymes
Can't think of an-[I]y-thing, [iii] [IV] good to sing [IV] [V] [IV] [V]

[I] I wish that [bVI7] I could write a [bII7] love song, [V7] that shows the way I [I] feel
But per-[bVI7]haps I just ain't [bII7] got it, [V7] perhaps I never [I] will

[V] Here's a little [vi] wishful [II] thinking
Be [I] mindful of [IV] ourselves at [iii] Christmas
[V] Leave behind our [vi] small [II] misgivings
[I] Fill those hearts [IV] whose joy is [iii] missing
[IV] It's the season [iii] to be jolly
[IV] Makes more [iii] sense than [V7] senseless folly

[V] Remember when your [vi] life was [II] simpler
[I] Hopes and dreams your [IV] stocking [iii] filler
[V] So carry on this [vi] wishful [VII] thinking
[I] And make it last [IV] beyond the [iii] winter
[IV] Cos when the cold [iii] around us gathers
[IV] That's when goodwill [iii] truly [V7] matters

[V] And if it's only [vi] wishful [II] thinking
[I] Maybe it's that [IV] I've been [iii] drinking
[V] Forgive me for my [vi] past [II] transgressions
[I] This old fool could yet [IV] learn his [iii] lesson
[IV] Call on those who [iii] might just need it
[IV] Simple gestures, [iii] love [V7] preceded

[V] Tell me that it's [vi] wishful [II] thinking
[I] That I'm the only [IV] one who [iii] feels it
[V] Make a case for [vi] all your [II] wishes
[IV] This is all I [iii] want for [V7] Christmas

[I] Wishin' and [V] hopin' and [IV] thinkin' and [V] prayin',
[I] plannin' and [V] dreamin' each [IV] night of his charms.
That won't get you [V] into his arms
So if you're [iii] lookin' to find love [bIII7] you can [vi] share,
[iv7]* all you gotta do is;
[I] Hold him and [V] kiss him and [IV] love him,
And [V] show him that you [I] care [IV] [I]

Show him that you [V] care just for [V7] him,
Do the [I] things [IV] he likes to [I] do
Wear your [V] hair just for him, 'Cos
[iii] You won't get him, thinkin' and a-prayin,' Wishin' and hopin'!

Just [I] Wishin' and [V] hopin' and [IV] thinkin' and [V] prayin'
[I] Plannin' and [V] dreamin' his [IV] kisses will start,
That won't get you [V] into his heart

So if you're [iii] thinking how great [bIII7] true love [vi] is,
[iv7]* all you gotta do is:
[I] Hold him and [V] kiss him and [IV] squeeze him and [V] love him.
Yeah just [I] do it and [V] after you [IV] do,
You [V7] will be [I] his [IV] [I]

You gotta show him that you [V] care just for [V7] him,
Do the [I] things [IV] he likes to [I] do
Wear your [V] hair just for him, 'Cos
[iii] You won't get him, thinkin' and a-prayin,' Wishin' and hopin'!

[I] Wishin' and [V] hopin' and [IV] thinkin' and [V] prayin'
[I] Plannin' and [V] dreamin' his [IV] kisses will start,
That won't get you [V] into his heart

So if you're [iii] thinking how great [bIII7] true love [vi] is,
[iv7]* all you gotta do is;

Yeah, just [I] Do it and [V] after you [IV] do, you [V] will [V7] be [I] his [IV] [I]

[I] [V]
[I] [I] [I]

The Lord a-[I]bove [I] gave [IV] man an [V7] arm of [I] iron, [Imaj7] [I6]

The [V] Lord [I7] a-[IV]bove [IV] gave [VI7] man an [VI7] arm of [IV] i-[IVmaj7]ron, [II7] but
with a [IV] little bit [IV] of [IV] luck, [II7] with a [V] little bit [V] of [I] luck,
[III7] someone [IV] else [II7] will [V] do [ii7] the [I] blin-[V7]kin' [I] work. [I]

With a [V] little bit, [V] with a [I] little bit,[I]
with a [V] little bit of [V] luck you'll never [I] work.

The Lord a-[I]bove [I] made [IV] liquor [V7] for temp-[I] ta-[Imaj7]tion [I6]
to [V] see if [I] man [Imaj7] could [I6] turn a-[V7]way from [I] sin.[Imaj7] [I6]
The [V] Lord [I7] a-[IV]bove [IV] made [VI7] liquor [VI7] for temp-[IV] ta-[IVmaj7]tion, [II7] but
with a [IV] little bit [IV] of [IV] luck, [II7] with a [V] little bit [V] of [I] luck,
[III7] when temp-[IV] ta-[II7]tion [V] comes [ii7] you'll [I] give [V7] right [I] in.

With a [V] little bit, [V] with a [I] little bit,[I]
with a [V] little bit of [V] luck you'll give right [I] in.

Oh, you can [IV] walk [IV] the [IV] straight [IV] and [I] nar-[I]row,
but [biidim] with a [V] little bit of [II7] luck you'll run a-[V]mok.

The gentle [I] sex [I] was [IV] made for [V7] man t'[I] mar-[Imaj7]ry [I6]

With a [V] little bit, [V] with a [I] little bit,
with a [I] little bit of [V] bloomin' [I] luck.

The Lord a-[I]bove [I] made [IV] man to [V7] help his [I] neigh-[Imaj7]bour, [I6]
no [V] matter [I] where [Imaj7] on [I6] land or [V7] sea or [I] foam [Imaj7] [I6]
The [V] Lord [I7] a-F]bove [IV] made [VI7] man to [VI7] help his [IV] neigh-[IVmaj7]bour, [II7] but,

They're always [IV] throw-[IV]ing [IV] good-[IV]ness [I] at [I] you,

[III7] they'll go [IV] out [II7] and [V] start[ii7] sup-[I]por-[V7]ting [I] you.

With a [V] little bit, [V] with a [I] little bit,
with a [V] little bit of [V] luck they'll work for [I] you.

He doesn't [I] have [I] a [IV] tuppence [V7] in his [I] po-[Imaj7]cket, [I6]

[I] What would you [V] do if I [ii] sang out of tune,

[I] [I] [V] [V] [I] [I] [V] [V]

[NC] They say don't [I] go on Wolverton [V] Mountain
If you're looking for a [I] wife
'Cause Clifton Clowers has a pretty young [V] daughter
He's mighty handy with a gun and a [I] knife

> Her tender [V] lips (her tender lips) are sweeter than [I] honey
> And Wolverton [II7] Mountain protects her [V] there [V7]
> [NC] The bears and the [I] birds tell Clifton [V] Clowers
> If a stranger should enter [I] there.

[NC] All of my [I] dreams are on Wolverton [V] Mountain
I want his daughter for my [I] wife.
I'll take my chances and climb that [V] mountain
Though Clifton Clowers, he might take my [I] life.

> And Wolverton [II7] Mountain protects her [V] there [V7]
> [NC] The bears and the [I] birds tell Clifton [V] Clowers
> If a stranger should wander [I] there. [II]

Key Change

[NC] I'm going [II] up on Wolverton [VI] Mountain
It's too lonesome down here be - [II] low
It's just not right to hide his [VI] daughter
From the one who loves her [II] so.

> And Wolverton [III7] Mountain protects her [VI] there [VI7]
> [NC] The bears and the [II] birds tell Clifton [VI] Clowers
> If a stranger should wander [II] there.

But I don't [VI] care about Clifton Clowers
I'm gonna [II] climb up on his mountain
I'm gonna [VI] take the girl I love
I don't [II] care about Clifton Clowers
I'm gonna [VI] climb up on that mountain
And I'll [II] get the one I love

Intro: [I] [IV] [I] [IV] [I] [IV] [I] (pause)

[NC] Would you [VI7] like to swing on a [II7] star
Carry [V7] moonbeams home in a [I] jar
And be [VI7] better off than you [II7] are
[V7] or would you rather be a [I] mule

A [I] mule is an [IV] animal with [I] long funny [IV] ears
He [I] kicks up at [IV] anything he [I] hears [vi7]
His [II7] back is brawny but his [V] brain is weak
He's [vi7] just plain [II7] stupid with a [V] stub[II7]born [V7] streak
And by the [I] way if you [IV] hate to go to [I] school [VI7]
[ii] You may grow [V7] up to be a [I] mule

[NC] Or would you [VI7] like to swing on a [II7] star
Carry [V7] moonbeams home in a [I] jar
And be [VI7] better off than you [II7] are
[V7] or would you rather be a [I] pig

A [I] pig is an [IV] animal with [I] dirt on his [IV] face
His [I] shoes are a [IV] terrible dis[I]grace [vi7]
He [II7] has no manners when he [V] eats his food
He's [vi7] fat and [II7] lazy and ex[V]treme[II7]ly [V7] rude
But if you [I] don't care a [IV] feather or a [I] fig [VI7]

[NC] Or would you [VI7] like to swing on a [II7] star
Carry [V7] moonbeams home in a [I] jar
And be [VI7] better off than you [II7] are
[V7] or would you rather be a [I] fish

A [I] fish won't do [IV] anything but [I] swim in a [IV] brook
He [I] can't write his [IV] name or read a [I] book [vi7]
To [II7] fool the people is his [V] only thought
And [vi7] though he's [II7] slippery he [V] still [II7] gets [V7]caught
But then if [I] that sort of [IV] life is what you [I] wish [VI7]
[ii] You may grow [V7] up to be a [I] fish

And all the [VI7] monkeys aren't in the [II7] zoo
Every [V7] day you meet quite a [I] few
So you [VI7] see it's all up to [II7] you [V7] you can be better than you [VI7] are

The [II] legend lives on from the [vi] Chippewa on down
Of the [I] big lake they [V] called "Gitche [II] Gumee"
The lake, it is said, never [vi] gives up her dead
When the [I] skies of No-[V]vember turn [II] gloomy
With a [II] load of iron ore twenty-six [vi] thousand tons more
Than the [I] Edmund Fitz-[V]gerald weighed [II] empty
That good [II] ship and crew was a [vi] bone to be chewed
When the "[I] Gales of No-[V]vember" came [II] early

The [II] ship was the pride of the [vi] American side
Coming [I] back from some [V] mill in Wis-[II]consin
As the [II] big freighters go, it was [vi] bigger than most
With a [I] crew and good [V] captain well [II] seasoned
Con-[II]cluding some terms with a [vi] couple of steel firms
When they [I] left fully [V] loaded for [II] Cleveland
And [II] later that night when the [vi] ship's bell rang
Could it [I] be the north [V] wind they'd been [II] feelin'?

[II] [I] [V] [II]

The [II] wind in the wires made a [vi] tattle-tale sound
And a [I] wave broke [V] over the [II] railing
And [II] every man knew, as the [vi] captain did too
T'was the [I] witch of No-[V]vember come [II] stealin'
The [II] dawn came late and the [vi] breakfast had to wait
When the [I] Gales of No-[V]vember came [II] slashin'
When [II] afternoon came it was [vi] freezin' rain
In the [I] face of a [V] hurricane [II] west wind

Thanks to Mansfield Ukulele Group

I'll [I] tell you the tale of the [V7] Nancy Lee
The ship that got ship [I] wrecked at sea
And the bravest man was [ii] Captain Brown
'cause he [V7] played his ukulele as the [I] ship went down

Chorus:
[vi] All the crew were [IV] in des-[vi]pair
Some rushed here and [II] some rushed [V] there.
But the [I] captain sat in the [ii] captain's chair
And he [V7] played his ukulele as the [I] ship went down

The [I] captain called to [V7] Seaman Jones
"You'd best put on your [I] working clothes.
While you can stand and [ii] play your hose,
I'|l [V7] play my ukulele as the [I] ship goes down".

Repeat Chorus

The [I] owners signalled [V7] to the crew
Saying, "Do the best that [I] you can do.
We're only insured for [ii] half a crown
So we'll [V7] all be out of pocket if the [I] ship goes down"

Repeat Chorus

The [I] Captain's wife was [V7] on board ship
And he was very [I] glad of it
But she could swim and [ii] might not drown
So they [V7] tied her to the anchor as the [I] ship went down

Repeat Chorus

The [I] crow's nest fell and [V7] killed the crow
The starboard watch was [I] two hours slow
But the captain sang Fal- [ii] -oh- di- do
And he [V7] played his ukulele as the [I] ship went down

Repeat Chorus

And [I] that was the tale of the [V7] Nancy Lee
The ship that got ship [I] wrecked at sea
And Captain Brown was [ii] in command
Now he [V7] plays his ukulele in the [I] mermaid band

Even knowing [IV] where it will [I] end
Here I go down that [V7] wrong road a-[I]gain

Though I see the [IV] web that you're [I] weaving
You and your [V7] soft easy [I] lines
Before I stop to [IV] think I'm be-[I]lieving
And I'm falling for [V7] you one more [I] time

[V7] Sheep graze the land and a [I] lone curlew [V7] flies
[I] Bright water glistens on the [IV] stones 'neath the [I] sun

Chorus:
[I] Down by the banks, those lovely green banks
Where the [IV] small birds whistle and [I] sing
I long to bide on the Wyre Waterside
Where the [V7] river bends to the [I] sea

[I] The small streams all gather and [IV] quickly roll [I] on
[V7] As a river that grows with each [I] mile that it [V7] runs
[I] Out of the valleys, through the [IV] fields and the [I] trees
To [V7] bend o'er the plain to the [I] sea

Chorus

[I] By hedges and bridges and [IV] churches so [I] old
[V7] By houses and farms the [I] Wyre lazily [V7] flows
[I] Into the harbour where the [IV] fishing boats [I] lie
At [V7] rest from their labour at [I] sea

Chorus

[I] How often I've wandered on a [IV] far distant [I] shore
[V7] And dreamed i was home on the [I] green banks once [V7] more
[I] In the cool of the evening at the [IV] end of the [I] day
With my [V7] friends on the banks by the [I] sea

[I] [I] [I] [I]/ [iii]/ [IV] [IV] [IV] [IV]

Ah, it's [I] Christmas time, can't skip the beat
[I] Somethin's comin', comin', comin' over me
[IV] How we get through it? It's a mystery
[I] Gettin' all the presents underneath the tree
So I [I] can't stop now, I got to go
No [I] huggin' and-a kissin' out in the snow
[IV] Put it on the menu for later though
[IV] Anythin' can happen baby, I don't know

[V] But I think we're gonna have a magical time
[vi] Ringin' all the bells on the edge of the night
[IV] No one knows the words but we're singin' along
[IV] To our song

> Everybody goin' [I] X-M-A-S, X-M-A-S
> Oh yeah, we're goin' [IV] X-M-A-S, X-M-A-S
> Let me hear you goin' [I] X-M-A-S, X-M-A-S
> All night, we're goin' [IV] X-M-A-S, X-M-A-S

By the [I] fireplace, or out in the street
Oh, [I] I don't care as long as you are next to me
[IV] Even in the cold, we're feelin' the heat
[IV] You and me together underneath the tree

[V] But I think we're gonna have a magical time
[vi] Ringin' all the bells on the edge of the night
[IV] No one knows the words but we're singin' along

[NC] S, yes, yes, yes
[NC] X-M-A-S, X-M-A-S

[VImaj7] [VII] [i] x3
[iv7] [VII7]

On a [VImaj7] morning from a [v] Bogart [i] movie
In a [VImaj7] country where they [v] turned back [i] time
You go [VImaj7] strolling through the [v] crowd like [i] Peter Lorre
Contem-[iv7]plating a crime [VII7]
She comes [VImaj7] out of the [v] sun in a [i] silk dress
Running like a [V7] water colour in the [VI] rain
[iv] Don't bother [V7] asking for [i] explanations
She'll just [iv7] tell you that she came [VII7] - In the Year of the [VImaj7] Cat [VII]
[i] [VImaj7] [VII] [i] [VImaj7] [VII] [i] [iv7] [VII7]

She [VImaj7] doesn't give you [v] time for [i] questions
As she [VImaj7] locks up you [v] arm in [i] hers
And you [VImaj7] follow 'til your [v] sense of
[i] Which direction com-[iv7]pletely disappears [VII7]
By the [VImaj7] blue-tiled [v] walls near the [i] market stalls
There's a [V7] hidden door she leads you [VI] to
[iv] These days [V7] she says I [i] feel my life
Just like a [iv7] river running through [VII7] - The Year of the [VImaj7] Cat [VII]
[i] [VImaj7] [VII] [i] [VImaj7] [VII] [i] [iv7] [VII]

Well she [V7] looks at you so [VI] coolly
And her [III] eyes shine like the [VII] moon in the sea
She comes in [V7] incense and pat-[VI]chouli
So you [III] take her to [II] find what's [iv] waiting in-[VII]side
The Year of the [VImaj7] Cat [VII]
[i] [VImaj7] [VII] [i] [VImaj7] [VII] [i] [iv7] [VII7]

Well morning [VImaj7] comes and [v] you're still [i] with her
And the [VImaj7] bus and the [v] tourists are [i] gone
And you've [VImaj7] thrown away your [v] choice and [i] lost your ticket so you
[iv7] Have to stay on [VII7]
But the [VImaj7] drumbeat [v] strains of the [i] night remain
In the [V7] rhythm of the newborn [VI] day
[iv] You know some [V7] time you're [i] bound to leave her
But for [iv7] now you're gonna stay [VII7] - In the Year of the [VImaj7] Cat [VII]

You [I] couldn't see beyond yourself
[IV] Your pain and wounded [V] pride
But [IV] now you know the [I] truth is

She's the [I] golden flower of spring
She's the [IV] yellow rose of [I] Texas

There's a [I] yellow rose of Texas I'm going for to see,
no other feller [V] knows her, no-[V7]body only me.
She [I] cried so when I left her, it like to broke my heart,
and [V7] if I ever [I] find her, we [V] never [V7] more will [I] part.

She's the [I] sweetest little rose bud that Texas ever knew.
Her eyes are bright as [V] diamonds, they [V7] sparkle like the dew.
You may [I] talk about your Valentine and sing of Rosalie,
but the [V7] yellow rose of [I] Texas is the [V] only gal [V7] for [I] me

Where the [I] Rio Grande is flowing and starry skies are bright,
she walks along the [V] river in the [V7] quiet summer night.
She [I] thinks if I remember we parted long ago;
I [V7] promised to come [I] back again and [V] never [V7] let her [I] go.

She's the [I] sweetest little rose bud that Texas ever knew.
Her eyes are bright as [V] diamonds, they [V7]sparkle like the dew.
You may [I] talk about your Valentine and sing of Rosalie,
but the [V7] yellow rose of [I] Texas is the [V] only gal [V7] for [I] me

Oh, [I] now I'm going to find her, my heart is full of woe;
we'll sing the song to-[V] gether we [V7] sang so long ago.
We'll [I] play the banjo gaily and sing the songs of yore,
and the [V] yellow rose of [I] Texas will be [V] mine for-[V7]ever [I] more.

She's the [I] sweetest little rose bud that Texas ever knew.

[NC] It seems the love I've known
Has always been the most destructive kind

[VI] Yester-[ii]-day, when I was [V7] young
The taste of life was [Imaj7] sweet as rain upon my [IV] tongue
I teased at life as [ii] if it were a foolish [III7] game
The way the evening [vi] breeze may tease a candle flame

The thousand dreams I [ii] dreamed, the splendid things I [V7] planned
I always built [Imaj7] alas on weak and shifting [IV] sand
I lived by night and [ii] shunned the naked light of [III7] day
And only now I [vi] see how the time ran away

Yester-[ii]-day, when I was [V7] young
So many happy [Imaj7] songs were waiting to be [IV] sung
So many wild [ii] pleasures lay in store for [III7] me
And so much pain my [vi] dazzled eyes refused to see

I ran so fast that [ii] time and youth at last ran [V7] out
I never stopped to [Imaj7] think what life was all [IV] about
And every conver-[ii]-sation I can now [III7] recall
Concerned itself with me [vi] and nothing else at all

The game of love I [ii] played with arrogance and [V7] pride
And every flame I [Imaj7] lit too quickly, quickly [IV] died
The friends I made all [ii] seemed somehow to slip [III7] away
And only I am [vi] left on stage to end the play

Yester-[ii]-day, when I was [V7] young
So many happy [Imaj7] songs were waiting to be [IV] sung
So many wild [ii] pleasures lay in store for [III7] me
And so much pain my [vi] dazzled eyes refused to see

Yester-[ii]-day, when I was [V7] young
So many happy [Imaj7] songs were waiting to be [IV] sung
So many wild [ii] pleasures lay in store for [III7] me
And so much pain my [vi] dazzled eyes refused to see

There are so many [ii] songs in me that won't be [V7] sung
I feel the bitter [Imaj7] taste of tears upon my [IV] tongue
The time has come for [ii] me to pay for
Yester-[III7]-day, when I was [vi] young

[I] I told you I was looking for some [IV] empathy
Well [V] you fooled me
[IV] Just, a [V] touch and a thought and I was [I] gone
And now [I] someone's gonna get to know the [IV] better you
When [V] I was supposed to
[IV] Oh, oh, [V] oh why did it have to be [I] you

I guess [I]
[I] Now the next time there's an oppor-[IV]tunity
I'll tread more [V] carefully
[IV] My heart's [V] running out of sello-[I]tape
You know [I]
[I] How is it I've never felt that [IV] way before
Oh [V] I was so sure
[IV] Oh, oh, [V] oh it wasn't going to be [I] you - Ooh

[IV] Why do all the [III] red flags
Just [I] look like so much fun, oh
[IV] I have a habit of
[V] Searching for the damage
To [I] share my love
[IV] I promised to be [III] numb
But [I] somehow you were the one
[IV] Now to unwind
[iv] Months of a go-[I]od time

[I] People will tell me that [IV] I messed up
And it [V] wasn't love
[IV] And I'm [V] secretly hoping they are [I] right, because
What[I] ever it was it [II] was [IV] wonderful
But non [V] functional
[IV] Oh [V]
I really hope I don't [I] love you

The other [I] night dear, as I lay [I7] sleeping
I dreamed I [IV] held you in my [I] arms [I7]
When I a-[IV]woke, dear, I was mis-[I]ta-[vi]ken
So I [I] hung my [V7] head and [I] cried. [V7]

CHORUS:
[NC] You are my [I] sunshine, my only [I7] sunshine
You make me [IV] happy when skies are [I] grey [I7]
You'll never [IV] know dear, how much I [I] love [vi] you
Please don't [I] take my [V7] sunshine a-[I]way [V7]

I'll always [I] love you and make you [I7] happy
If you will [IV] only say the [I] same [I7]
But if you [IV] leave me and love [I] a-[vi]nother
You'll re-[I]gret it [V7] all some [I] day [V7]

CHORUS

You told me [I] once, dear, you really [I7] loved me
And no one [IV] else could come be-[I]tween [I7]
But now you've [IV] left me to love a-[I]nother [vi]
You have [I] shattered [V7] all of my [I] dreams

CHORUS

In all my [I] dreams, dear, you seem to [I7] leave me

So when you [IV] come back and make me [I] ha-[vi]ppy
I promise [I] I will [V7] take all the [I] blame [V7]

[I] You ask me to give up the hand of the [V] girl I love
[V7] You tell me I'm not the man she's [I] worthy of.
But who are [I7] you to tell her [IV] who to love [iv]
That's [I] up to her and the [V] Lord above,
You better move [I] on.

Well I [I] know you can buy her fancy clothes and [V] diamond rings
But I believe she's [V7] happy with me with [I] out those things.
Still you beg [I7] me to [IV] set her free [iv]
But my friend that will [I] never be [V]
You better move [I] on.

Now [IV] I don't blame you for [I] loving her [I7]
But [IV] can't you understand, man, that she's my [I] girl [I7]
And I [IV] I'm never, never, ever gonna [I] let her go [vi]
Cause I, [ii] yeah, I [V] love her sooo [V7]

I [I] think you'd better go now, I'm getting [V] mighty mad

[Imaj7] [iii7] [ii7] [V7]

[Imaj7] Woke up this morning, sun shining bright,
Grab [iii7] me a coffee and feeling alright.
The [ii7] world's got troubles, that's plain to see,
But I'm [V7] just one soul, it ain't all on me.
[Imaj7] Millions of questions, answers like dust,
But I'll find [iii7] comfort in what I can trust.
[ii7] Take a step back, breathe in the air,
[V7] Life's a journey, with love to share.

'Cos you [I] can't change the course of a [Imaj7] river,
[iii7] Can't move the clouds in the sky,
The [ii7] wind's gonna blow where the wind's gonna go,
So [V] don't waste your wondering [V7] why.
You [I] don't need to carry the [Imaj7] weight of the world,
Or [iii7] hold every wrong to account,
Just [ii7] smile for the man and do what you can,
And the [V7] rest can work itself ou- ou [Imaj7]-out.

[Imaj7] [iii7] [ii7] [V7]

[Imaj7] Dance in a meadow, run with the breeze,
Join [iii7] hands with the flowers, move how you please.
There's [ii7] magic in kindness, it's simple, just start,
A [V7] thought for a stranger , you're playing your part.
It's not [I] all on your shoulders, [Imaj7] just let it be,
The [iii7] secret to living, is no mystery.
[ii7] Look for the smiles, let joy be a sign,
Lets [V] make the world better, one day at a time.

But you [I] can't change the course of a [Imaj7] river,
[iii7] Can't move the clouds in the sky,
The [ii7] wind's gonna blow where the wind's gonna go,
So [V] don't waste your wondering [V7] why.
You [I] don't need to carry the [Imaj7] weight of the world,
Or [iii7] hold every wrong to account,
Just [ii7] stick to the plan and do what you can,
And the [V7] rest can work itself out

So [IV] whisper your hopes to the [V]stars up above,
And [iii] watch as the universe [vi] dances with love.
Tell [IV] someone you love them, [V] stay for a while,
In a [iii] world full of sorrow, be the [vi] one with a smile.

[IV] Kindness is currency, [V] let your heart pay,
The [iii] more that you give, the more [vi] comes your [IV] way.

'Cos you [I] can't change the course of a [Imaj7] river,
[iii7] Can't move the clouds in the sky,
The [ii7] wind's gonna blow where the wind's gonna go,
So [V] don't waste your wondering [V7] why.
You [I] don't need to carry the [Imaj7] weight of the world,
Or [iii7] hold every wrong to account,
Just [ii7] stick to the plan and do what you can,
And the [V] rest can work itself ou-[V7]ou [I]-out.

But I have time to [I] cry, my [VII] baby
[IV] You don't have to [I] cry,

I said [I] cry my [VII] baby, [IV] you don't have to [I] cry

In the [III] mornin' when you [VII] rise
Do you [IV] think of me, and how you left me [I] cryin'?
Are you [III] thinkin' of [VII] telephones, and [IV] managers,
And where you got to [I] be at noon?
You are [III] living a [VII] reality I left [IV] years ago
It quite nearly [I] killed me.
In the [III] long run it will [VII] make you cry
Make you [IV] crazy and old before your [I] time
And the [III] difference between [VII] me and you
I won't argue [IV] right or wrong.

But I have time to [I] cry, my [VII] baby
[IV] You don't have to [I] cry,
I said [I] cry my [VII] baby, [IV] you don't have to [I] cry
I said [I] cry my [VII] baby, [IV] you don't have to [VII] cr-[IV]yy-[I]y

[I] Walking down the levee with my head hangin' low
Looking for my mama but she ain't [I7] here no more
Baby [IV] you don't know, you don't know my [I] mind
When you [V] see me laughing, I'm [IV] laughing just to keep from [I] crying

She won't [I] cook my dinner, won't wash my clothes
Won't do nothing but [I7] walk the road
Baby [IV] you don't know, you don't know my [I] mind
When you [V] see me laughing, I'm [IV] laughing just to keep from [I] crying

My [I] breakfast on the table and my coffee's getting cold
And mama's in the kitchen getting a [I7] sweet papa talk
Baby [IV] you don't know, you don't know my [I] mind
When you [V] see me laughing, I'm [IV] laughing just to keep from [I] crying

Baby [IV] you don't know, you don't know my [I] mind
When you [V] see me laughing, I'm [IV] laughing just to keep from [I] crying

Sometimes I think she should be [I7] buried alive
Baby [IV] you don't know, you don't know my [I] mind
When you [V] see me laughing, I'm [IV] laughing just to keep from [I] crying

I [I] wish I had a nickel, I wish I had a dime
I wish I hadn't give myself a [I7] fabulous time
Baby [IV] you don't know [IV], you don't know my [I] mind

You got my money now you [I7] broke and run
Baby [IV]you don't know, you don't know my [I] mind

[V] You have placed a [I] chill in my [V] heart [I]

[V] Take me to the desert where there's got to be
A [vii] whole heap of nothing For you and me
[iii] Take me to the desert Take me to the sand
[I] Show me the colour of your right hand.

[V] [I] [V] [I]

[V] You have placed a [I] chill in my [V] heart Aaaah [I]
[V] You have placed a [I] chill in my [V] heart [I]

[V] Love is a temple, Love is a shrine
[vii] Buy some love at the five and dime
[iii] A little bit of love from the counter store
[I] Get it on credit if you need some more.
[V] I'll be the figure of your disgrace
A [vii] criss cross pattern upon your face
A [iii] woman's just too tired to think
About the [I] dirty old dishes in the kitchen sink.

[vi] I wish I was [V] invisible, so I could [iii] climb through the [vi] telephone
[vi] When it hurts my ear [I] and it hurts my brain
[iii] And it makes me feel too much
Too much, too much, too [II] much
Don't cut me [iii] down when I'm talking to [I] you
[vi] Cause I'm much too tall [I] to feel that small. [iii] Yeh [II] [II7]

[V] Love is a temple, love is a shrine, [vii] love is pure and love is blind
[iii] Love is a religious sign, [I] I'm gonna leave this love behind.
[V] Love is hot and love is cold, [iii] I've been bought and I've been sold
[I] Love is rock and love is roll, [I] I just want someone to hold.

[iv] Meet you downstairs
in the [vii] bar and hurt
Your [I7] rolled up sleeves
in your [iv] skull t-shirt.
You say, [iv] "What did you do
with [vii] him today?"
And [I7] sniff me out
like I was [iv] Tanqueray.

[vii] 'Cos you're my fella, my guy.
[V7] Hand me your Stella and fly.
[VI] By the time I'm out the door,
You [V7] tear men down
like [I7] Roger Moore.

> [iv] I cheated myself, [i]
> like I [V7] knew I [i] would.
> I [iv] told ya,
> I was [i] trouble.

[iv] Upstairs in bed
with [vii] my ex boy.
[I7] He's in the place,
but I [iv] can’t get joy.
[iv] Thinking of you
in the [vii] final throes,
[I7] This is when
my [iv] buzzer goes.

[vii] Run out to meet your chips and pitta.
[V7] You say, "When we marry?", 'cos you're not bitter.
[VI] There'll be none of him no more.
I [V7] cried for you
on the [I7] kitchen floor.

> [iv] I cheated myself, [i]

[iv] Sweet reunion,
Ja-[vii]maica and Spain.
[I7] We're like how
we [iv] were again.
[iv] I'm in the tub,
You're [vii] on the seat.
[I7] Lick your lips
as I [iv] soak my feet.

[vii] Then you notice lickle carpet burn.
[V7] My stomach drops and my guts churn.
[VI] You shrug and it's the worst,
to [V7] truly stick
the [I7] knife in first?

[I] I've been stranded in the combat zone,

I told you dirty jokes until you [V] smiled
You were [ii] lonely for a man, I said [VII] take me as I am
Cause you [V] might enjoy some madness for a [I] while

[I] Now think of all the years you tried to, find someone to satisfy you

You Never Can Tell

artist:Chuck Berry writer:Chuck Berry

Chuck Berry: https://www.youtube.com/watch?v=KeKPkGflDB4

It was a [I] teenage wedding, and the old folks wished them well.
You could see that Pierre did truly love the mademoi[V7]selle.
[V7] And now the young monsieur and madam have rung the chapel bell,
'C'est la vie', say the old folks, it goes to show you never can [I] tell. [V7]

They furnished [I] off an apartment with a two room Roebuck sale.
The coolerator was crammed with TV dinners and ginger [V7] ale.
[V7] But when Pierre found work, the little money comin' worked out well.
'C'est la vie', say the old folks, it goes to show you never can [I] tell. [V7]

They had a [I] hi-fi phono, oh boy, did they let it blast.
Seven hundred little records, all rock, rhythm and [V7] jazz.
[V7] But when the sun went down, the rapid tempo of the music fell.
'C'est la vie', say the old folks, it goes to show you never can [I] tell. [V7]

They bought a [I] souped-up jitney, 'twas a cherry red '53.
They drove it down New Orleans to celebrate their anniversa[V7]ry.
[V7] It was there that Pierre was married to the lovely mademoiselle.
C'est la vie', say the old folks, it goes to show you never can [I] tell.

It was [I] all that I could [V] do to keep from [I] cryin'
Some-[IV]times it seems so [V] useless to re-[I]main
[IV] You don't have to call me darlin', [I] dar-[vi]lin'
You [I] never even [V] call me by my [I] name.

You don't have to [V] call me Waylon [I] Jennings
And [IV] you don't have to [V] call me Charlie [I] Pride.
And [IV] you don't have to call me Merle [I] Haggard any-[vi]more.
[II] Even though your on my fightin' [V] side. [V7]

> And I'll [IV] hang around as long as you will [I] let me
> And I [IV] never minded [V] standin' in the [I] rain. [I7]
> But [IV] you don't have to call me darlin', [I] dar[vi] lin'
> You [I] never even [V7] called me by my [I] name.

I've heard my name a [V] few times in your [I] phone book
I've [IV] seen it on [V] signs where I have [I] played
But the [IV] only time I know, I'll hear [I] David Allan [vi] Coe
Is when [II] Jesus has his final Judgement [V] Day. [V7]

> So I'll [IV] hang around as long as you will [I] let me
> And I [IV] never minded [V] standin' in the [I] rain. [I7]
> But [IV] you don't have to call me darlin', [I] dar[vi] lin'
> You [I] never even [V7] called me by my [I] name.

Spoken:

[I] Well, a friend of mine named Steve Goodman wrote that song
and he told me [V] it was the perfect country and western song.
I wrote him back a letter and told him it was NOT the perfect
country and western song because he hadn't said [I] anything at all about
Momma, or trains, [V] or trucks, or prison, [I] or gettin' drunk.[V]
Well, he sat down [I] and wrote another verse to the song and he sent
it to me and after reading it, I realized that my friend had written
the perfect country and western song. And I felt obliged to include it
on this album. The last verse goes like this here:

Well, I was [I] drunk the day my [V] Mom got outta [I] prison.
And I [IV] went to pick her [V] up in the [I] rain.
But, be-[IV]fore I could get to the station in my [I] pickup [vi] truck
[II] She got runned [II7] over by a damned old [V] train. [V7]

> And I'll [IV] hang around as long as you will [I] let me
> And I [IV] never minded [V] standin' in the [I] rain. [I7]
> No [IV] you don't have to call me darlin', [I] dar-[vi]lin'
> You [I] never even [IV] call me,
> I [I] wonder why you don't [V] call me
> Why [I] don't you ever [V] call me by my [IV] name. [I]

[IV] [ii] [v7] [I]

[IV] I would take the stars out of the sky for you,
[ii] stop the rain from falling if you asked me to.
[v] I'd do anything for you, your wish is my comm[vi7]and.
[v] I could move a mountain when your hand is in my hand. [I]

[IV] Words can not express how much you mean to me,
[ii] there must be some other way to make you see.
[v] If it takes my heart and soul, you know I'll pay [vi7] the price.
[v] Ev'rything that I possess I'd gladly sacrif[I]ice.

[IV] You to me are everything,
The [I] sweetest song that I could sing, oh [v7] baby, oh [I]baby!
To [IV] you I guess I'm just a clown
Who [I] picks you up each time you're down, oh [v7] baby, oh [I] baby!

You give me [v] just a taste of love to build my hopes upon,
You know [v7] you've got the power, girl, to keep me holding on.
So now [IV] you've got the best of me, [I]
Come on and [v7] take the rest of me, oh baby!

[IV] [ii] [v7] [I]

[IV] Though you're close to me, we seem so far apart.
[ii] Maybe, given time, you'll have a change of heart.

[V] [I] [IV] [I] [VI7] [II7] [V] [I]

I'll [I] tell you a lovely place down by the sea
It's not in France or Italy
Just [V] made for you, it's made for me.
The [II7] place I mean is [V7] Blackpool.

There's a [I] lovely beach and a lovely prom
The Brass bands play tiddly, um Pom Pom
You'll [V] hear the folks sing "Eee by gum,
a [II7] right old place is [V7] Blackpool"

If you [I] can't sleep after five
And feel [IV] glad to be a-[I]live
[I] You're at Blackpool by the [V] Sea.

If you [I] find upon the shore,
blondes and [IV] brunettes by the score
[II7] You're at Blackpool by the [V7] Sea

And if [I] you find in your arms
a [IV] bunch of smile and charms
[II7] Lovely eyes that twinkle roguish-[V7]ly.
If at [I] night you sit and try
yards and [IV] yards of lovely tripe,
[vi] you're at [V] Blackpool by the [I] Sea.

And if [I] you find in your arms
a [IV] bunch of smile and charms
[II7] Lovely eyes that twinkle roguish-[V7]ly.
If a [I] policeman on the pier,
says you [IV] can’t do that there here,
[vi] You’re at [V7] Blackpool by the [I] Sea.

Now if you [I] can't sleep after five,
feel [IV] glad to be a-[I]live,
[I] You're at Blackpool by the [V] Sea.

If you [I] find upon the shore,
blondes and [IV] brunettes by the score
[II7] You're at [V] Blackpool by the [V7] Sea

And if [I] you find in your arms
a [IV] bunch of smile and charms
[II7] Lovely eyes that twinkle roguish-[V7]ly.
If you've [I] paid five bob or more
to sleep [IV] on the bathroom floor,
[vi] You're at [V7] Blackpool by the [I] Sea.

[I] Eeee there's thousand there from Manchester,
thousands there from everywhere,
[II7] thousands there without a care,
as long as they're in [V7] Blackpool.

I've [I] been to Spain and Honolulu,
been to Paris and Timbuctu,
But [II7] they've no chance I'm telling you,
[V] not on the map with Blackpool.

Now if you [I] can't sleep after five,
feel [IV] glad to be a-[I]live,
[I] You're at Blackpool by the [V] Sea.

If you [I] find upon the shore,
blondes and [IV] brunettes by the score
[II7] You're at [V] Blackpool by the [V7] Sea

And if [I] you find in your arms

If you [I] stay for more and more,
and don't [IV] know where to go
[vi] You're at [II7] Blackpool by the [I] Sea.

[V] And if [I] you find in your arms

Hands that [VII] broke the stubborn ground
Hands that [I] built the roads and rails
Every [VII] bush track, every [IV] town

[IV]
[IV] I've seen the immigrants step up
I've [VII] seen them sweat and toil
On [I] building sites with shovels
And with [IV] hoes into the soil
No shortcuts, no complaints
Just [VII] getting on somehow
Turning [I] hard work into hope
They're all [IV] Australian now

[IV] This country grants a second start
An [VII] empty book, an open heart
[I] Leave the hate and hurt behind
And [IV] bring the things you hope to [VII] find

Yes, [I] she caught my eye, as [V] we walked on by
She could [vi] see from my face that I was
[IV] Fucking high
[I] And I don't think that I'll [V] see her again
But [vi] we shared a [IV] moment that will last to the end
[IV] You're beauti[V]ful
[I] You're beautiful
[IV] You're beauti[V]ful, it's [I] true

I [IV] saw your [I] face
In a [I] crow[V]ded [vi] place
And [IV] I don't know [V] what [vi] to do
'Cause I'll [IV] never [V] be with [I] you
[IV] La la la [vi] la, la [IV] la la [vi] la, la [IV] la la [vi] la, la [V]
[I] You're beauti[V]ful
[I] You're beautiful
[IV] You're beauti[V]ful, it's [I] true

[IV] There must [V] be an angel
With a [I] smile [V] on her [vi] face
When [IV] she thought up [V] that I should [I] be [V] with [vi] you
But [IV] it's time [V] to face the [vi] truth
I will [IV] never [V] be with [I] you

[iii] [biii] [ii]/ [ii7] [bVII7]/ [I]

[I] I didn't know what [vii7] day it was
when you [vi7] walked into the [V] room
I said [I] hello un-[vii7]noticed,
you [vi7] said goodbye too [V] soon
[I] Breezin' through the [vii7] clientele,
spinning [vi7] yarns that were so [V] lyrical
[I] I really must con-[vii7]fess right here,
that the [vi7] attraction was purely [V] physical

[I] [vii7] [vi7] [V]

[I] I took all those [vii7] habits of yours,
which in the [vi7] beginning were hard to [V] accept
Your [I] fashion sense for [vii7] Beardsley prints,
I put [vi7] down to exper-[V]ience
The [I] big bosomed lady with a [vii7] Dutch accent,
who tried to [vi7] change my, point of [V] view
Her [I] ad-lib lines were [vii7] well rehearsed,
but my [vi7] heart cried out for [I] you

> You're [IV] in my [bVII] heart, you're in my [IV] soul,
> you'll be my [bVII] breath should I grow [IV] old
> You are my [bVII] lover, you're my best [IV] friend,

My [I] love for you is [vii7] immeasurable,
my [vi7] respect for you, i-[V]mmense
You're [I] ageless, timeless, [vii7] lace and fineness,
you're [vi7] beauty and ele-[V]gance
You're a [I] rhapsody, a [vii7] comedy,
you're a [vi7] symphony and a [V] play
You're [I] every love song [vii7] ever written,
but honey [vi7] what do you see in [I] me?

> You're [IV] in my [bVII] heart, you're in my [IV] soul,
> you'll be my [bVII] breath should I grow [IV] old
> You are my [bVII] lover, you're my best [IV] friend,
> [bVII] you're [vi] in my [v7] soul [IV] [vii]

You're an [I] essay in glamour, please [vii7] pardon the grammer,
but you're [vi7] every schoolboy's [V] dream
You're [I] Celtic, United, but [vii7] baby I've decided,
you're the [vi7] best team I've ever [V] seen
[I] And there have been, [vii7] many affairs,

many [vi7] times I've thought to [V] leave
[I] But I bite my lip and [vii7] turn around,
cause you're the [vi7] warmest thing I ever [I] found

You're [IV] in my [bVII] heart, you're in my [IV] soul,
you'll be my [bVII] breath should I grow [IV] old
You are my [bVII] lover, you're my best [IV] friend,
[bVII] you're in my [v7] soul [IV]
You're [IV] in my [bVII] heart, you're in my [IV] soul,
you'll be my [bVII] breath should I grow [IV] old
You are my [bVII] lover, you're my best [IV] friend,
[bVII] you're in my [v7] soul [IV]
You're [IV] in my [bVII] heart, you're in my [IV] soul,
you'll be my [bVII] breath should I grow [IV] old

Intro: [VII] [vi] [v] [vi] (x2)

[VII] I could be discontent and [vi] chase the rainbows end
[v] I might win much more but [I] lose all that is mine
[VII] I could be a lot [vi] but I know I'm not
[v] I'm content just with the [I] riches that you bring

[VII] I might shoot to win [vi] and commit the sin
[v] Of wanting more than [I] I've already got
[VII] I could runaway [vi] but I'd rather stay
[v] In the warmth of your smile [I] lighting up my day
The [I7] one that makes me say, hey

Chorus:
[V] 'Cause you're the best thing that ever [iii] happened
[V] To me or my [iii] world
[V] You're the best thing that ever [I] happened
So [ii7] don't go [V] away

[VII] [vi] [v] [I]
[VII] [vi] [v] [I] [I]

[VII] I might be a king and [vi] steal my people's things
[v] But I don't go for that [I] power crazy way
[VII] All that I could rule [vi] but I don't check for fools
[v] All that I need is to be [I] left to live my way
Say [I7] listen what I say, hey!

Chorus

[VII] I could chase around for [vi] nothing to be found
[v] But why look for something [I] that is never there
[VII] I may get it wrong sometimes [vi] but I'll come back in style
[v] For I realise your love means [I] more than anything
The [I7] song you makes me sing .. yeah!

Chorus x2

[I] I have sailed the peaceful waters of the ocean deep and blue
I [V7] held my breath and watched the western [I] sunsets golden hue
I've flown above the mountain peaks and valleys wide and green
But you're the [V7] nearest thing to heaven that I've [I] seen

You're the [IV] nearest thing to heaven, yes you [I] are
I have [V7] searched for happiness so long and [I] far
But my search for love was through the [IV] day that I found you
Cause you're the [I] nearest thing to [V7] heaven, yes you [I] are

I confess that I've been tempted by alluring magic charms
When a [V7] smile was flashed my way and stood [I] before two open arms
But I turn and walk away because I love you like I do
You're the [V7] nearest thing to heaven, darling [I] you

You're the [IV] nearest thing to heaven, yes you [I] are
I have [V7] searched for happiness so long and [I] far
But my search for love was through the [IV] day that I found you

[II] Sometimes I feel like throwing my [I] hands up in the air

Intro: [I] [vi] [ii] [V]

The [I] young ones, darling we're the [vi] young ones
and the [I] young ones, shouldn't be a-[vi]fraid
to [I] live [V] love [I] while the flame is [IV] strong
cos we [I] may not be the [V] young ones, very [I] long. [IV] [V]

To[I]morrow, why wait until to-[vi]morrow
cos to-[I]morrow, sometimes never [vi] comes
so [I] love [V] me, [I] there's a song to be [IV] sung
and the [I] best time to [V] sing it is while we're [I] young. [I7]

[IV] Once in every life time, [I] comes a love like this
Oh, [II] I need you, you need me, [V] oh my darling [V7] cant you see

The [I] young dreams, should be dreamed to-[vi]gether
And [I] young hearts, shouldn't be a-[vi]fraid
And [I] some [V] day, [I] when the years have [IV] flown
Darling [I] then we'll teach the [V] young ones of our [I] own. [I7]

[IV] Once in every life time, [I] comes a love like this
Oh, [II] I need you, you need me, [V] oh my darling [V7] cant you see

The [I] young dreams, should be dreamed to-[vi]gether

INTRO COUNT: 1 2 3 4
[I] [I] There was a lady in a window,
In the [V] room across the way.
From the hotel I was staying in,
While [IV] on my holi-[I]day. [I]
I [I] couldn't help but see everything,
Cause I was [V] peeping, I confess.
Still, after dinner every night, she [IV] had the strangest [I] guest. [I]

She'd [I] retire to her favorite chair, and [V] sit there with a dog.
Fill the crystal glasses while the [IV] fire danced on the [I] log. [I]
Well, I [I] watched them drink their bubbly brew, [V] 'til that fire grew dim.
Then I stuck my head out the window,
And said, 'WHY NOT [IV] ME INSTEAD OF [I] HIM'!!?? [I]

> Oh, your [IV] bulldog drinks [V] champagne,
> And [I] I ain't one to com-[IV]plain.
> But, what a [I] perfect waste of [IV] wine it seems to [V] me. [V]
> So, [I] honey, tell ol' [IV] rover that the [I] big dog's coming [IV] over... [IV]
> Cause any [I] woman that'd get a [vi] bulldog drunk, [vi]
> Would [IV] have to be [V] good to [I] me. [I]

[I] Fourteen days and fourteen nights, not [V] one word did I hear.
Her with her silk and champagne, and [IV] me in my shorts with a [I] beer. [I]
She just [I] left the curtains wide, and [V] I knew she knew I could see.
Her and the pug-nosed mutt,
Guzzling [IV] wine and teasing [I] me. [I]

> Oh, your [IV] bulldog drinks [V] champagne,
> And [I] I ain't one to com-[IV]plain.
> But, what a [I] perfect waste of [IV] wine it seems to [V] me. [V]
> So, [I] honey, tell ol' [IV] rover that the [I] big dog's coming [IV] over... [IV]
> Cause any [I] woman that'd get a [vi] bulldog drunk, [vi]
> Would [IV] have to be [V] good to [I] me. [I]

So I [I] made a bolder move, I went [V] over and rang her bell.
I heard growling from inside, and [IV] I got scared as [I] hell. [I]
Then the [I] bulldog staggered out the door, and he [V] said, 'How do you do?'
But the lady bit me on the leg,
And I said [IV] rrrruuuffff, I love you [I] too! [I]

> Oh, your [IV] bulldog drinks [V] champagne,
> And [I] I ain't one to com-[IV]plain.
> But, what a [I] perfect waste of [IV] wine it seems to [V] me. [V]
> So, [I] honey, tell ol' [IV] rover that the [I] big dog's coming [IV] over... [IV]

Your Flag Decal Won't Get You Into Heaven Anymore

[NC] While di-[I]gesting Readers Digest in the [IV] back of a dirty book store
A [V] plastic flag with gum on the back fell out on the [I] floor.
Well I [I] picked it up and ran outside and slapped it on my window-[IV]shield.
And If [V] I could see old Betsy Ross I'd tell her how good I [I] feel.

> But, your [IV] flag decal won't get you into [I] Heaven anymore.
> They're al-[V]ready overcrowded from your [I] dirty little war
> Now [IV] Jesus don't like killin' no matter [I] what the reasons for.
> And your [V] flag decal won't get you into Heaven any-[I]more. [bIII] [IV] [V]

Well I [I] went to the bank this morning and the [IV] cashier said to me
[V] If you join the Christmas Club we'll give you ten of them flags for [I] free.
[I] I didn't mess a round a bit I took him up on what he [IV] said
And [V] stuck them stickers all over my car and one on my wife's fore-[I] head.

> But, your [IV] flag decal won't get you into [I] Heaven anymore.
> They're al-[V]ready overcrowded from your [I] dirty little war
> Now [IV] Jesus don't like killin' no matter [I] what the reasons for.
> And your [V] flag decal won't get you into Heaven any-[I]more. [bIII] [IV] [V]

Well I [I] got my windshield so filled with flags I couldn't [IV] see
So I [V] ran my car upside a curb and right into a [I] tree
By the [I] time they got a doctor down I was already [IV] dead,
And I'll [V] never understand why the man,
Standing in the Pearly Gates [I] said -

> But, your [IV] flag decal won't get you into [I] Heaven anymore.
> They're al-[V]ready overcrowded from your [I] dirty little war
> Now [IV] Jesus don't like killin' no matter [I] what the reasons for.
> And your [V] flag decal won't get you into Heaven any-[I]more. [bIII] [IV] [V]

[I] You came along, [IV] showed me I was wrong
[I] You gave your [V] smile to [IV] me, and now I [V]see

I see it [I] every day, and every night

I remember putting love songs on [IV] cassette for you
I [I] let 'em sing the words like I could [V] never do
[I] You gave a listen, [IV] heard what you been missin'
[I] You finally [V]came a[IV]round, and now I've [V] found

Without that [II7] face of yours
Right here next to [V] mine

Your lovely face, I know it [IV] well

[I] Ziggy played guitar [iii] jamming good
with Weird and [IV] Gilly and the Spiders from [V] Mars.
He played it left [I] hand, but made it too [vi] far
became the [ii] special man, and we were [IV] Ziggy's band.

[I] Ziggy really sang, with [iii] screwed up eyes and
screwed down [IV] hairdo like some cat from [V] Japan.
He could lick 'em by [I] smiling,
he could leave 'em to [vi] hang.
Came on so [ii] loaded man,
well hung and [IV] snow-white tan.

[ii] But [I] where were the [bVII]* spi-[ii]*ders [bVII]* [ii]* [bVII]* [ii]* [bVII]* [I]*
[ii] While the [I] ?y tried to [bVII]* break [ii]* our [bVII]* balls [bVII]* [ii]* [bVII]* [I]*
[ii] Just the [I] beer light to [bVII]* guide [ii]* us [bVII]* [ii]* [bVII]* [ii]* [bVII]*
[V] And so we bitched about his fans and should we [bVI7] crush his sweet hands

[I]* [I]* [V] [Vsus4] [V] [Vsus4] [V]
[Isus4] [I] [bii7]* [bii7]* [I]* (x2)

[I] Ziggy played for time, [iii] jiving us that
we were [IV] voodoo and the kids was just [V] crass.
He was the [I] nazz with God-given [vi] ass.
He took it [ii] all too far but boy could he [IV] play guitar.

[ii] Making [I] love with his e-[bVII]*go [ii]* [bVII]* [ii]* [bVII]* [ii]* [bVII]* [I]*
[ii] Ziggy [I] sucked up in [bVII]* to his mi-[ii]*-l- [bVII]*-ind [bVII]* [ii]* [bVII]* [I]*
[ii] Like a [I] leper messiah [bVII]* [ii]* [bVII]* [ii]* [bVII]* [ii]* [bVII]* [I]*
[V] When the kids had killed the man I had to [bVI7] break up the band.

[vi] [IV] [I] [V] x4

[vi] Another [IV] head hangs lowly, [I] child is slowly [V] taken
[vi] And the violence [IV] caused such silence [I] who are we mis-[V]taken
But you [vi] see it's not me, it's not [IV] my family,
In your [I] head, in your head, they are [V] fighting
With their [vi] tanks and their bombs and their [IV] bombs and their guns
in your [I] head, in your head, they are [V] crying.

> CHORUS
>
> In your [vi] head, in your [IV] head, zom-[I]bie, zombie, zom-[V]bie
> What's in your [vi] head, in your [IV] head, zom-[I]bie, zombie, zom-[V]bie

[vi] [IV] [I] [V] x2

[vi] Another [IV] mother's breaking, [I] heart is taking [V] over.
[vi] When the violence [IV] causes silence, [I] we must be mis-[V]taken.
It's the [vi] same old theme since [IV] 1916,
in your [I] head, in your head, they're still [V] fighting
With their [vi] tanks and their bombs and their [IV] bombs and their guns
In your [I] head, in your head, they're [V] dying.

> CHORUS
>
> In your [vi] head, in your [IV] head, zom-[I]bie, zombie, zom-[V]bie
> What's in your [vi] head, in your [IV] head, zom-[I]bie, zombie, zom-[V]bie

[i] Out of the night, when the full moon is [bV7] bright,
Comes the horseman known as [i] Zorro.
This [bI7] bold renegade carves a Z with his [iv] blade,
A [bV7] Z that stands for [i] Zorro.

> CHORUS
>
> [bI] Zorro, Zorro, the fox so cunning and [bV7] free,
> Zorro, Zorro, who makes the sign of the [i] Z.

[i] He is polite, but the wicked take [bV7] flight
When they catch the sight of [i] Zorro.
He's [bI7] friend of the weak, and the poor and the [iv] meek,
This [bV7] very unique senor [i] Zorro.

> CHORUS
>
> [bI] Zorro, Zorro, the fox so cunning and [bV7] free,
> Zorro, Zorro, who makes the sign of the [i] Z.
