[A] [A] [Asus4] \*2

[A] You sheltered me from [F#m] harm [A].  
Kept me [D] warm, [Dm] kept me [A] warm . [E]  
You [A] gave my life to [F#m] me [A]  
Set me [D] free, [Dm] Set me [A] free .. [E]  
[Bm] The finest [D] years I ever [E] knew  
[Bm] were all the [D] years I had with [E] you

And [D] I would give [A] any-[Bm]thing I [E] own,  
[D] Would give up my [A] life, my [Bm] heart, my [E] home.  
[D] I would give [A] every-[Bm]thing I [E] own,  
Just to [D] have you back a-[A]gain.

[A] You taught me how to [F#m] love, [A]  
what it's [D] of, [Dm] what it's [A] of [E]  
You [A] never said too much,  
but [F#m] still, you showed the [A] way  
And I [G] knew, [D] from watching [A] you  
[Bm] Nobody [D] else could ever [E] know,  
[Bm] the part of [D] me that can't let [E] go

But [D] I would give [A] any-[Bm]thing I [E] own,  
[D] Would give up my [A] life, my [Bm] heart, my [E] home.  
[D] I would give [A] every-[Bm]thing I [E] own,  
Just to [D] have you back a-[A]gain.

Is there [F#m] someone you know, you're [A] loving them [Am] so  
Vut [D] taking them all for [Bm] granted.  
[D] You may [Bm] lose them one day, someone [A] takes them away,  
and they [G] don't hear the words you long to [E] say

And [D] I would give [A] any-[Bm]thing I [E] own,  
[D] Would give up my [A] life, my [Bm] heart, my [E] home.  
[D] I would give [A] every-[Bm]thing I [E] own,  
Just to [D] have you back a-[A]gain.

Just to [D] touch you, once a-[A]gain [A]
