

Get Off My Cloud

artist:Rolling Stones , writer:Mick Jagger ,Keith Richards

Intro:

I live on an apartment
On the 99th floor of my block
And I sit at home lookin' out the window
Imagin' the world has stopped
Then in flies a guy
Who's all dressed up just like a Union Jack
And says I've won five pounds if I have
This kind of detergent pack

Chorus: Hey (hey) you (you) get off a my cloud
Hey (hey) you (you) get off a my cloud
Hey (hey) you (you) get off a my cloud
Don't hang around 'cause two's a crowd on my cloud baby

The telephone is ringin'
I say hi it's me who is there on the line
A voice says hi hello how are you
Well I guess that I'm doin' fine
He says it's three am there's too much noise
Don't you people ever want to go to bed
Just cause you feel so good
Do you have to drive me out of my head

Chorus

I was sick and tired fed up with this
And decide to take a drive down town
It was so very quiet and peaceful
There was nobody not a soul around
I laid myself down
I was so tired and I started to dream
In the morning the parking tickets
Were just like flags stuck on my windscreen

Chorus x 2
