

# GF - It's A Grand And Healthy Life

artist:George Formby writer:Gifford, Cliffe, Formby

*tune in D*

[G] Some chaps [D7] like a game of [G] tennis,

[G] Some like [D7] boating on the [G] sea.

[D7] Some are fond of cricket or a [G] ball they want to kick it

But there's [A7] only one sport that appeals to [D7] me.

[G] I love to hike, that's what I [Eb7] like,

[G] Ee! but it's a [D7] grand and healthy [G] life.

I tramp a mile, then sit a [Eb7] while

A [A7] bumblebee there in the grass

[D7] Comes and stings me on my elbow.

[G7] Down comes the rain and [C] I get wet through,

I [E7] can't blow my nose because it's [A7] already [D7] blue

I catch a [G] chill, and feel so [Eb7] ill.

[G] Ee! but it's a [D7] grand and healthy [G] life.

I love to [G] hike, that's what I [Eb7] like,

[G] Ee! but it's a [D7] grand and healthy [G] life.

My girl and me, sat 'neath a [Eb7] tree

A [A7] great big blackbird with its claws

[D7] came and tore off my girl's jumper

[G7] When she got home [C] she heard mother shout

You [E7] haven't come home the same as [A7] when you went [D7] out

She hung her [G] head and blushing [Eb7] said,

[G] Ee! but it's a [D7] grand and healthy [G] life [Eb7] [D7] [G]
