If you got a problem, don't care what it is
You need a hand, I can assure you this
I can help, I got two strong arms
I can help
It would sure do me good, to do you good
Let me help

It's a fact that people get lonely, ain't nothing new
But a woman like you, baby should never have the blues
Let me help, take a tip from me
Let me help
It would sure do me good, to do you good
Let me help

When I go to sleep at night
you're always a part of my dream
Holding me tight and telling me everything I wanna hear
Don't forget me baby, all you gotta do is call
You know how I feel about ya, if I can do anything at all
Let me help, if your child needs a daddy,
I can help
It would sure do me good to do you good
Let me help
