

I Will Wait

artist:Mumford & Sons , writer:Marcus Mumford

x2

I came home, like a stone
And I fell heavy into your arms
These days of dust, which we've known
Will blow away with this new sun

And I'll kneel down, wait for now
And I'll kneel down, know my ground

I will wait, I will wait for you
And I will wait, I will wait for you

So break my step, and relent
You forgave and I won't forget
Know what we've seen, and him with less
Now in some way, shake the excess

I will wait, I will wait for you
And I will wait, I will wait for you
And I will wait, I will wait for you
And I will wait, I will wait for you

Now I'll be bold, as well as strong
Use my head alongside my heart
So take my flesh, and fix my eyes
That tethered mind free from the lies

And I'll kneel down, wait for now
And I'll kneel down, know my ground
[Raise my hands, paint my spirit gold](#)
[And bow my head, keep my heart slow](#)

Raise my hands, paint my spirit gold
And bow my head, keep my heart slow

I will wait, I will wait for you
And I will wait, I will wait for you
And I will wait, I will wait for you
And I will wait, I will wait for you
