[D7] We've been friends for oh so long.

[G] I let you share what's mine.

[D7] When you mess with the girl I love

It's [G] time to draw the line.

Keep your [G] hands (Keep your hands) off my [Em] baby.

I ain't a gonna [C] tell you but one more [D7] time.

Woh, keep your [G] hands (Keep your hands) off my [Em] baby.

Boy, you get it [C] through your head[D7] - that girl is [G] mine. [C] [G]

[D7] I don't mind if you lend my clothes.

[G] But you will be in touch.

[D7] There is somethin' that you get straight.

[G] There's one thing you don't touch.

Keep your [G] hands (Keep your hands) off my [Em] baby.

I ain't a gonna [C] tell you but one more [D7] time.

Woh, keep your [G] hands (Keep your hands) off my [Em] baby.

Boy, you get it [C] through your head [D7] - that girl is [G] mine. [C] [G]
