Intro: - Hammer on E3

Little sister don't you... Little sister don't you...
Little sister don't you kiss me once or twice
and say it's very nice and then you run
Little sister don't you * do what your big sister done

Well I dated your big sister and I took her to a show
I went for some candy along came Jim Dandy
And they snuck right out the door x 8 downstrokes

Little sister don't you... Little sister don't you...
Little sister don't you kiss me once or twice
And say it's very nice and then you run
Little sister don't you * do what your big sister done

Every time I see your sister well she's got somebody new
She's mean and she's evil like that little ol' boll weevil
Guess I'll try my luck with you x 8 downstrokes

Little sister don't you... little sister don't you...
Little sister don't you kiss me once or twice
And say it's very nice and then you run
Little sister don't you * do what your big sister done

Well I used to pull your pigtails and pinch your turned up nose
But you've been growin' and baby it's been showin'
From your head down to your toes x 8 downstrokes

Little sister don't you... little sister don't you...
Little sister don't you kiss me once or twice
And say it's very nice and then you run

Little sister don't you * do what your big sister done
Little sister don't you * do what your big sister done
Little sister don't you * do what your big sister done
