

Me and My Shadow

artist:Al Jolson , writer:Al Jolson, Billy Rose, and Dave Dreyer

Shades of night are falling and I'm lonely
Standing on the corner feeling blue
Sweethearts out for fun
Pass me one by one
Guess I'll wind up like I always do, with only

Me and my shadow
Strolling down the avenue
Me and my shadow
not a soul to tell our troubles to
And when it's twelve o'clock
We climb the stair , we never knock
For nobody's there just
Me and my shadow all alone and feeling blue

When the sun sets on the far horizon,
And the parlour lamps begin to glow
Jim and Jack and John
Put their slippers on.
They're all set but we're still on the go
So lonely

Me and my shadow
Strolling down the avenue
Me and my shadow
not a soul to tell our troubles to
And when it's twelve o'clock
We climb the stair , we never knock
For nobody's there just
Me and my shadow all alone and feeling blue
