

Ragged But I'm Right

artist:Johnny Cash , writer:George Jones

Well, I come here to tell you folks I'm ragged but I'm right
I'm a tramp and a rounder and I stay out late at night
A porterhouse steak three times a day for my board
That's more than any rambler in this old town can afford

Well, a big 'lectric fan to keep me cool while I sleep
A little baby girl to play around Daddy's feet
I'm a rambler, I'm a gambler, and I lead every life
But I tell you folks, I'm ragged but I'm right

Well, when I got married, I knew I'd settle down
Build a little love nest right here in my home town
Well, I got me a family, one that I'm proud of
And I know they're the ones that I'm thinking of

A big 'lectric fan to keep me cool while I sleep
A little baby boy to play around Daddy's feet
I'm a rambler, I'm a gambler, and I lead every life
But I tell you folks, I'm ragged but I'm right

I'm a rambler, I'm a gambler, and I lead every life
But I tell you folks, I'm ragged but I'm right
