

Seven Little Girls (Sitting in the Back Seat) [D]

artist:Paul Evans , writer:Bob Hilliard and Lee Pockriss

Dee doody doom doom, dee doody doom doom
Dee doody doom doom, DOOM (stop)

Seven little girls sittin' in the back seat
Hugging and a'kissing with Fred
I said " why don't one of you come up and sit beside me?"
And this is what the seven girls said (stop)

Chorus:
All together now, one, two, three
Keep you mind on your drivin'
Keep your hands on the wheel
Keep your snoopy eyes on the road ahead
We're havin' fun sittin' in the back seat
kissin' and a-huggin with Fred (stop)
Dee doody doom doom, dee doody doom doom
Dee doody doom doom, DOOM (stop)

Drove through the town, drove through the country
Show 'em how a motor could go
I said " how do you like my triple carburator?"
And then they whispered low (stop)

Chorus

Dee doody doom doom, dee doody doom doom
Dee doody doom doom, DOOM (stop)

Seven little girls smoochin' in the back seat
Every one in love with Fred
I said " you don't need me, I'll get off at my house"
And this is what the seven girls said (stop)

Chorus (no stop)

All of them in love with Fred
Kissin' and a-huggin with Fred
* Wish that I could * be like Fred !
