[And I could \[E7\] waltz across Texas with \[A\] you](#)

[A] When we dance together, my [E7] world's in disguise
It's a fairy-land [E7] tale that's come [A] true
And when you look at me with those [E7] stars in your eyes
I could [E7] waltz across Texas with [A] you

[A] Waltz across Texas with [E7] you in my arms
[E7] Waltz across Texas with [A] you
[A] Like a story-book ending, I'm [E7] lost in your charms
And I could [E7] waltz across Texas with [A] you

[\[A\] Waltz across Texas with \[E7\] you in my arms](#)
[\[E7\] Waltz across Texas with \[A\] you](#)
[\[A\] Like a story-book ending, I'm \[E7\] lost in your charms](#)
[And I could \[E7\] waltz across Texas with \[A\] you](#)

My [A] heartaches and troubles are [E7] just up and gone
The moment that [E7] you come in [A] view
And with your hand in mine dear, I could [E7] dance on and on
I could [E7] waltz across Texas with [A] you

[A] Waltz across Texas with [E7] you in my arms
[E7] Waltz across Texas with [A] you
[A] Like a story-book ending, I'm [E7] lost in your charms
And I could [E7] waltz across Texas with [A] you
