[C] Looking out on the [G] morning rain
[Bb] I used to feel so uninsp-[F]ired [F]/ [F]/ [F]/
[C] And when I knew I had to [G] face another day
[Bb] Lord, it made me feel so [F] tired. [F]/ [F]/ [F]/
[Dm] Before the day I [G] met you, [Dm] life was so un-[G6]kind
[Dm] You're the key to [G6] my peace of [Dm] mind.

[G] 'Cause you make me [C] feel, [F] you make me [C] feel,
[F] You make me [C] feel [F] like [C] a natural [Dm] woman. [G] (woman)

[C] When my soul was in the [G] lost-and-found
[Bb] You came along to [F] claim it [F]/ [F]/ [F]/
[C] I didn't know just what was [G] wrong with me
[Bb] Till your kiss helped me [F] name it [F]/ [F]/ [F]/
[Dm] Now I'm no longer [G] doubtful of [Dm] what I'm living [G6] for
'Cause [Dm] if I make you happy [G6] I don't need to do [F] more.

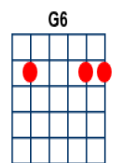

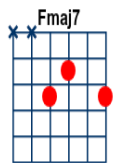

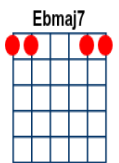

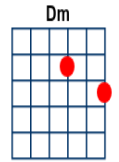

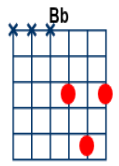

[G] You make me [C] feel, [F] you make me [C] feel,
[F] You make me [C] feel [F] like [C] a natural [Dm] woman. [G] (woman)

[C] Oh, baby, what you've [Bb] done to me
(What you've [Bb] done to me)
[C] You make me feel so [Bb] good inside (good inside)
[Fmaj7] And I just [Ebmaj7] want to be (want to be)
[F] Close to you, you make me feel so a-[Dm]live.

[G] You make me [C] feel, [F] you make me [C] feel,
[F] You make me [C] feel [F] like [C] a natural [Dm] woman, [G] (woman)

Fade to end

[G] You make me [C] feel, [F] you make me [C] feel,
[F] You make me [C] feel [F] like [C] a natural [Dm] woman [G] (woman)
[G] You make me [C] feel
