artist:Jeff Lynne's ELO , writer:Jeff Lynne

*Some suggested changes from Alan Thatcher - thanks!*

Intro:

When I was a boy I had a dream,  
All about the things I'd like to be,  
Soon as I was in my bed, music played in-side my head,  
When I was a boy - I had a dream!

When I was a boy I learnt to play,  
Far into the night and drift a-way,  
Don't wanna work on the milk or the bread,  
Just wanna play my gui-tar instead ,  
When I was a boy - I had a dream!

And radio waves kept me company,  
In those beautiful days,  
when there was no money,  
When I was a boy - I had a dream!

When I was a boy I had a dream,  
Finding out what life could really mean,  
Don't want a job, 'cause it drives me crazy,  
Just wanna sing, 'Do you love me, baby?'  
When I was a boy - I had a dream!

And radio waves kept me company,  
In those beautiful days,  
when there was no money,  
When I was a boy - I had a dream!
