I've been walking in my sleep
Counting troubles 'stead of counting sheep
Where the years went I can't say
I just turned around , and they've gone away (234, 1 stop)

I've been sifting through the layers
Of dusty books and faded papers
They tell a story I used to know,
And it was one that happened , so long ago

It's gone away, in yester- day
Now I find myself on the mountain-side (234, 1 stop) (23)
Where the rivers change di-irection
Across the Great Div- ide (234 12)

Now I heard,.. the owl a callin'
Softly as,.. the night was fallin'
With a question and I re-plied
But he's gone a-cross the border line

It's gone away, in yester- day
Now I find myself on the mountain- side (234, 1 stop) (23)
Where the rivers change di-irection
Across the Great Div-ide (234 12)

The finest hour that I have seen
Is the one,.. that comes in be-tween
The edge of night, and the break of day
It's when the darkness rolls away

It's gone away, in yester-day
Now I find myself on the mountain-side (234, 1 stop) (23)
Where the rivers change di-irection
Across the Great Div-ide (234, 1 stop)
