Cheers Steve Walton!

[C] Every night it's the same
I feel your heart turn [F] cold as rain
And know that you'll be [C] gone again
[G7] I hear the front door close
You [C] say you got to go downtown
I guess there's someone [F] else you've found
So why you're still [C] coming round
[G] Heaven only [C] knows

Chorus:

[F] Heaven only knows just why loving you should [C] make me cry
[F] Make me feel like [C] I could die
[G] That's the way it goes
[F] Heaven only ever sees
How love's made a [C] fool of me
[F] I guess that's how it's [C] meant to be but
[G] Heaven only [C] knows

[C] I've heard it said that talk is cheap
But still your words they [F] cut so deep
Leave me crying [C] in my sleep
[G7] And the pain just grows
[C] I don't know who's right or wrong
But all we had is [F] dead and gone
So why you keep me [C] hanging on
[G] Heaven only [C] knows

Chorus

[C] I'm going to turn and walk away
There's nothing left for [F] me to say
It wouldn't change things [C] anyway
[G7] Though..., I suppose
[C] The love I gave was always true
Well, I don't know what [F] else to do
And how I'll ever get [C] over you
[G] Heaven only [C] knows

Chorus
