Thanks Steve Walton :-)

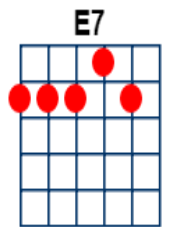

Unchain my [Am] heart, baby let me [Am] be
Unchain my [Dm] heart, 'cause you don't care about [Am] me
[Dm] You got me sewed up like a [Am] pillowcase
[Dm] but you let my love [Am] go to waste
So un[F7]chain my [E7] heart, set me [Am] free

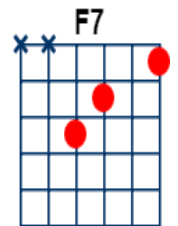

Unchain my [Am] heart, baby let me [Am] go
Unchain my [Dm] heart, 'cause you don't love me no [Am] more
[Dm] Every time I call you [Am] on the phone
[Dm] Some fellow tells me that [Am] you're not home
Un[F7]chain my [E7] heart, set me [Am] free

I'm under your [Dm] spell, like a man in a [Am] trance
Oh, but you know darn [Dm] well, that I don't stand a [E7] chance

Unchain my [Am] heart, let me go my [Am] way
Unchain my [Dm] heart, you worry me night and [Am] day
[Dm] Why lead me through a life of [Am] misery
[Dm] when you don't care a bag of [Am] beans for me
So, un[F7]chain my [E7] heart, please set me [Am] free

Instrumental:

[Unchain my \[Am\] heart, baby let me \[Am\] be](#)
