*chords at end of some lines are single beat changes*

I (I,I), don't wanna know your name  
Cause you don't look the same.  
The way you did before.  
Okay(okay,okay), you think you got a pretty face  
But the rest of you is out of place  
You looked all right before.

Fox on the run.  
You screamed and, everybody comes, a-runnin.  
Take a run and hide yourself away.  
Foxy on the run.  
F'foxy, fox on the run, and hide away.

You (you,you), you talk about just every band  
But the names you drop are second hand  
I've heard it all before.  
I(I,I), don't wanna know your name  
Cause you don't look the same  
The way you looked before.

Fox on the run.  
You screamed and, everybody comes, a-runnin.  
Take a run and hide yourself away.  
Foxy on the run.  
F'foxy, fox on the run, and hide away.

Fox on the run.  
You screamed and, everybody comes, a-runnin.  
Take a run and hide yourself away.  
Foxy on the run.  
F'foxy, fox on the run, and hide away.

Fox on the run. <---- Repeat and fade
