[Well \[C\] look who's coming through the door](#)

[I think we've met somewhere before, hello \[F\] love, hello \[C\] love](#)

[\[G7\] Where in the world have you been so long](#)

[I've missed you so since you've been gone, hello \[C\] love, \[G7\] hello \[C\] love](#)

Well [C] look who's coming through the door

I think we've met somewhere before, hello [F] love, hello [C] love

[G7] Where in the world have you been so long

I've missed you so since you've been gone, hello [C] love, [G7] hello [C] love

[C] Make yourself feel right at home

I hope you plan on staying long, come in [F] love, come in [C] love 123

I [G7] must say I was sure surprised

You're the last thing I expected by, hello [C] love, [G7] hello [C] love [C7] 123

I've [F] heard it said time and again

You [C] often go back where you've been

I [D7] really didn't believe it was true

But [G7] I left the door unlocked for you 123

I'll [C] try to please you in every way

Assure you of a pleasant stay, this time [F] love, this time [C] love 123

I've [G7] been so blue since you've been gone

Now you're back with me and nothing's wrong, hello [C]love, [G7] hello [C] love

[Well \[C\] look who's coming through the door](#)

[I think we've met somewhere before, hello \[F\] love, hello \[C\] love](#)

[\[G7\] Where in the world have you been so long](#)

[I've missed you so since you've been gone, hello \[C\] love, \[G7\] hello \[C\] love](#)

I've [F] heard it said time and again

You [C] often go back where you've been

I [D7] really didn't believe it was true

But [G7] I left the door unlocked for you 123

It's [C] wonderful now you're back with me

And things are like they used to be, remember [F]love, remember [C]love

You're [G7] back with me now and my world's complete

So don't mind me if I repeat, hello [C] love, [G7] hello [C] love, 123

hello [G7] love, hello [C] love.
