Thanks Jan Roberts for some updates

Intro: STOP

I try to dis-cover, a little something to make me sweeter
Oh baby ref-rain, from breaking my heart

I'm so in love with you, I'll be for-ever blue
That you give me no reason
Why you're making me work so hard

That you give me no, that you give me no
That you give me no, that you give me no
Soul - I hear you calling
Oh baby please - give a little res-pect to-oo me

And if I should falter, would you open your arms out to me
We can make love not war
And live at peace with our hearts

I'm so in love with you, I'll be for-ever blue
What religion or reason
Could drive a man to for-sake his lover

Don't you tell me no, don't you tell me no
Don't you tell me no, don't you tell me no
Soul - I hear you calling
Oh baby please - give a little res-pect to-oo me

I'm so in love with you, I'll be for-ever blue
That you give me no reason
Why you're making me work so hard

That you give me no, that you give me no
That you give me no, that you give me no
Soul - I hear you calling
Oh baby please - give a little res-pect to-oo me
Soul - I hear you calling
Oh baby please - give a little res-pect to-oo me
