Here you go way too fast  
Don't slow down you're gonna crash  
You should watch - watch your step  
Don't look out you're gonna break your neck  
So shut, shut your mouth  
Cause I'm not listening anyhow  
I've had e-nough, enough of you  
E-nough to last a life time through  
So what do you want of me?  
Got no words of sympathy and if I go around with you  
You know that I'll get messed up too with you

Na na na na na, na na na na nah-ah  
Na na na na na, na na na na nah-ah

Here you go way too fast  
Don't slow down you're gonna crash  
You don't know what's been going down  
You've been running all over town  
So shut, shut your mouth  
Cause I'm not listening anyhow  
I've had e-nough, enough of you  
E-nough to last a life time through  
So what do you want of me?  
Got no cure for misery and if I go around with you  
You know that I'll get messed up too with you  
With you

*slowing to fade*

Na na na na na, na na na na nah-ah  
(slow down) you're gonna crash  
Na na na na na, na na na na nah-ah  
(slow down) you're gonna crash  
Na na na na na, na na na na nah-ah  
(slow down) you're gonna crash  
Na na na na na, na na na na nah-ah  
(slow down) you're gonna crash
