

It's The Same Old Song

artist:Four Tops , writer:Holland-Dozier-Holland

x4

You're sweet as a honey bee
But like a honey bee stings
You've gone and left my heart in pain
All you left, is our favorite song
The one we danced to all night long
It used to bring sweet memories
Of a tender love that used to be

Chorus:

Now it's the same old song
But with a different meaning since you been gone
It's the same old song
But with a different meaning since you been gone

x2

A sentimental fool am I to hear a old love song
And wanna cry
But the melody keeps haunting me
Re- minding me how in love we used to be
Keep hearing the part that used to touch my heart
Saying to-gether forever, breaking up never

Chorus

x2

[Now it's the same old song](#)
[But with a different meaning since you been gone](#)
[It's the same old song](#)
[But with a different meaning since you been gone](#)

Precious memories keep a lingering on
Every time I hear our favorite song, now you're gone
Left this emptiness, I only reminisce the happiness we spent
We used to dance on the music (we used to dance to the music)
Make ro-mance through the music (make romance through the music)

Chorus

x2

Fading
