

Fool If You Think It's Over - alt

artist:Chris Rea , writer:Chris Rea

A dying flame, you're free a-gain
Who could love, do that to you?

All dressed in black, he won't be coming back
Save your tears, you've got years and years
The pains of seventeens, unreal, they're only dreams
Save your crying for the day

Fool, if you think it's over
'Cos you said good-bye
Fool, if you think it's over
I'll tell you why

New born eyes always cry with pain
At the first look at the morning sun
Fool, if you think it's over
It's just be- gun

Miss Teenage Dream, such a tragic scene
He knocked your crown and ran away
First wound of pride but how you cried and cried
But save your tears, you've years and years

Fool, if you think it's over
'Cos you said good-bye
Fool, if you think it's over
I'll tell you why

I'll buy you first good wine
We'll have a real good time
Save your cryin' for the da-ay

Fading

Fool, if you think it's over
'Cos you said good-bye
Fool, if you think it's over
I'll tell you why
