

# I Wish It Could Be Christmas Every Day

artist:Wizzard , writer:Roy Wood

Oh when the snowman brings the snow  
Oh well he just might like to know  
He's put a great big smile up-on somebody's face.  
If you jump into your bed,  
Quickly cover up your head,  
Don't you lock your doors, you know that  
Sweet Santa Claus is on his way.

Oh well I wish it could be Christmas every day.  
When the kids start singing and the band begins to play.  
Oh I wish it could be Christmas every day  
So let the bells ring out for Christmas!

When we're skating in the park,  
If the storm cloud paints it dark  
Then your rosy cheeks gonna light my merry way.  
Now the 'frosticals' appeared  
And they've frozen up my beard,  
So we'll lie by the fire till the  
Sleep simply melts them all away.

Oh well I wish it could be Christmas every day.  
When the kids start singing and the band begins to play.  
Oh I wish it could be Christmas every day  
So let the bells ring out for Christmas!

When the snowman brings the snow, Oh well he just might like to know  
He's put a great big smile up-on somebody's face  
So if santa brings the sleigh, all along that Milky Way,  
I'll sign my name on the rooftop in the snow  
Then he may decide to stay

Oh well I wish it could be Christmas every day.  
When the kids start singing and the band begins to play.  
Oh I wish it could be Christmas every day  
So let the bells ring out for Christmas!

Why don't you give your love for Christmas?  
Why don't you give your love for Christmas?
