

# Cup Of Coffee, A Sandwich And You, A

## *Gent's Part:*

In the movie plays of now-a-days  
A romance always must begin in June  
Tales in magazines have all their scenes  
Of love laid in a garden 'neath the moon

But I don't miss, that kind of bliss  
What I want is this :-

A cup of coffee, a sandwich and you,  
A cozy corner, a table for two,  
A chance to whisper and cuddle and coo  
With lots of huggin' and kissin' in view.

I don't need music, lobster or wine,  
Whenever your eyes look into mine.  
The things I long for are simple and few;  
A cup of coffee, a sandwich and you!

## *Ladies Part:*

If it is be-cause you can't afford more  
Sandwiches and coffee we will share  
But if it's to help you save and hoard more  
I can plainly see how much you care

If I were you, talking to me  
My approach would be :-

A cup of coffee, a sandwich and you,  
A cozy corner, a table for two,  
A chance to whisper and cuddle and coo  
With lots of huggin' and kissin' in view.

I don't need music, lobster or wine,  
Whenever your eyes look into mine.  
The things I long for are simple and few;  
A cup of coffee, a sandwich and you!

I don't need music, lobster or wine,  
Whenever your eyes look into mine.  
The things I long for are simple and few;  
A cup of coffee, a sandwich and you, you you
