artist:Sherbet , writer:Garth Porter, Clive Shakespeare

*slower*

Children see life in a special way  
Maybe we can learn from what they say

*Faster*

Chi-ih-ld's play chi-ih-ld's play when

When things don't look good don't turn out like they could  
And then when the  
Going gets tough and you don't see enough of the  
Things that you'd like to see

Kick off your shoes you've got nothing to lose you can  
Take all the world in your stri-ih-ih-ide it's

Child's play no complications child's play no hesitations  
Chi-ih-ld's play chi-ih-ld's play when you

Run in the race but you don't get a place, Okay  
That man on the line says you're making bad time and you're  
Going a-round the wrong way

Let yourself go you're the star of the show don't  
Let the whole world pass you by-ih-ih-y it's

Child's play no complications child's play no hesitations  
Chi-ih-ld's play chi-ih-ld's play

It's only a game ooh  
ooh yeah it's only a game ooh-huh ooh-huh  
eah-yeah it's only a game ooh aah  
run baby it's only a game so when

Things don't look good don't turn out like they could have been, when the  
Going gets tough and you don't see enough of the things that you'd like to see

Kick off your shoes you've got nothing to lose you can  
Take all the world in your stri-ih-ih-ide it's

Child's play no complications child's play no hesitations
