

Lean On Me

artist:Bill Withers , writer:Bill Withers

thanks to Chris Hughes and Diane Ridley

a capella or gentle Instruments

Some times in our lives, we all have pain
We all have so-rrrow
But if we are wise we know that there's always to-morrow

Lean on me, when you're not strong, and I'll be your friend
I'll help you carry on
For it won't be long, 'till I'm gonna need
Somebody to lean on

Please swallow your pride
If I have faith you need to bo-rrrow
For no-one can fill those of your needs
That you won't let show

a capella

Just call on me bro-ther when you need a hand
We all need somebody to lean on
I just might have a pro-blem that you'll understand
We all need somebody to lean on

Back to playing

Lean on me, when you're not strong, and I'll be your friend
I'll help you carry on
For it won't be long, 'till I'm gonna need
Somebody to lean on

a capella

Just call on me bro-ther when you need a hand
We all need somebody to lean on
I just might have a pro-blem that you'll understand
We all need somebody to lean on

If there is a load you have to bear that you can't ca-rry
I'm right up the road I'll share your load if you just call me
(fading) Call me call me call me
