

# Move It On Over

artist:Hank Williams , writer:Hank Williams

Came in last night at half past ten  
That baby of mine wouldn't let me in  
So move it on over move it on over  
Move it on over move it on over  
Move over little dog cause the big dog's moving in

She's changed the lock on my front door  
My door key don't fit no more  
So get it on over move it on over  
Scoot it on over move it on over  
Move over skinny dog cause the fat dog's moving in

This dog house here is mighty small  
But it's better than no house at all  
So ease it on over move it on over  
Drag it on over move it on over  
Move over old dog cause a new dog's moving in

[Came in last night at half past ten, that baby of mine wouldn't let me in  
So move it on over move it on over, move it on over move it on over  
Move over little dog cause the big dog's moving in](#)

She told me not to play around, but I done let the deal go down  
So pack it on over move it on over, tote it on over move it on over  
Move over nice dog cause a mad dog's moving in

She warned me once, she warned me twice, but I don't take no one's advice  
So scratch it on over move it on over, shake it on over move it on over  
Move over short dog cause the tall dog's moving in

[Came in last night at half past ten, that baby of mine wouldn't let me in  
So move it on over move it on over, move it on over move it on over  
Move over little dog cause the big dog's moving in](#)

She'll crawl back to me on her knees, I'll be busy scratching fleas  
So slide it on over move it on over, sneak it on over move it on over  
Move over good dog cause a mad dog's moving in

Remember pup, before you whine, that side's yours and this side's mine  
So shove it on over move it on over, sweep it on over move it on over  
Move over cold dog cause a hot dog's moving in
