

Think It Over

artist: Buddy Holly , writer: Buddy Holly, Jerry Allison, and Norman Petty

Think it over, what you've just said
Think it over in your pretty little head
Are you sure think I'm not the one?
Is your love real or only fun?
Think it over,
yes, think it over
A lonely heart grows cold and old

Think it over and let me know
Think it over, but don't be slow
Just remember all birds and bees,
go by two through life's mysteries
You think it over,
yes, think it over
A lonely heart grows cold and old

Think it over, and think of me
Think it over and you will see
Happy days when you and I,
think as one and kiss the blues goodbye
You think it over,
yes, think it over
A lonely heart grows cold and old

Think it over, over and over x3
