

Follow Me

artist:John Denver , writer:John Denver

It's by far the hardest thing I've ever done
To be so in love with you and so a-lone

Follow me where I go what I do and who I know
Make it part of you to be a part of me
Follow me up and down all the way and all a-round
Take my hand and say you'll follow me

It's long been on my mind you know it's been a long long time
I'll try to find the way that I can make you under-stand
The way I feel a-bout you and just how much I need you
To be there where I can talk to you
When there's no one else a-round

Follow me where I go what I do and who I know
Make it part of you to be a part of me
Follow me up and down all the way and all a-round
Take my hand and say you'll follow me

You see I'd like to share my life with you
And show you things I've seen
Places that I'm going to places where I've been
To have you there be-side me and never be a-lone
And all the time that you're with me we will be at home

Follow me where I go what I do and who I know
Make it part of you to be a part of me
Follow me up and down all the way and all a-round
Take my hand and say you'll follow me
