Key change in final verse not followed

Oh Shenandoah I long to see you
A-way you rolling river
Oh Shenandoah I long to hear you
Away I know I'll go
Across the wide Missou-ri

Been a long long time
Since I last saw you
A-way you rollin' river
Been a long long time
Since I last saw you
Away I know I'll go
Across the wide Missou-ri

Oh Shenandoah I'm bound to leave you
A-way you rolling river
Oh Shenandoah I'll not deceive you
Away I know I'll go
Across the wide Missou-ri

Oh Shenandoah Oh Shenandoah
