[Gm] Rick rack, [A] rickety rack

[D7] See the train go a-[Gm]long the track

[Gm] When I grow up I want to be an [A] engine driver

But [D7] if I can't be that I'll be a [Gm] deep sea diver.

[Gm] My father says that I must always [A] work on the land

[D7] And I never disagreed when I'd [Gm] see him lift his hand

Mother thinks that I should be a [A] carpenter to trade

That [D7] I could fill my house with the [Gm] things that I had made.

[Gm] Rick rack, [A] rickety rack

[D7] See the train go a-[Gm]long the track

When I grow up I want to be an [A] engine driver

But [D7] if I can't be that I'll be a [Gm] deep sea diver.

[Eb] I look at the skies, see the [F] birds that can fly, and I [Gm7] feel like [Eb] cryin'
Like the [Eb] bird on the tree I just [F] want to be free so I'll [Gm7] keep on [Eb] tryin'.

[Gm] Rick rack, [A] rickety rack

[D7] See the train go a-[Gm]long the track

When I grow up I want to be an [A] engine driver

But [D7] if I can't be that I'll be a [Gm] deep sea diver.

[Gm] My brother says that I must pay a-[A]ttention at the school

[D7] Because I've never won a prize, he [Gm] thinks that I'm a fool

Teacher always asks me why I [A] look so far away

It's [D7] just that I find nothing in the [Gm] words he has to say.

[Gm] Rick rack, [A] rickety rack

[D7] I'm leaving home and I'm [Gm] never coming back

I'm on my way to be an [A] engine driver

But [D7] if I can't be that I'll be a [Gm] deep sea diver.
