Though we meet with the darkness and [1] strife,
the [57] sunny side we also may [1] view.

[1] Keep on the sunny side, [4] always on the [1] sunny side.
Keep on the [b27] sunny side of [57] life.
It will [1] help us every [17] day, it will [4] brighten all the [1] way,

Though we meet with the darkness and [1] strife,
the [57] sunny side we also may [1] view.

The [1] storm and it's [4] fury broke [1] today
crushing hopes hopes that we cherish so [57] dear.
Clouds and storm will in time pass [1] away;
the [57] sun again will shine bright and [1] clear.

[1] Keep on the sunny side, [4] always on the [1] sunny side.

Let us [1] greet with the [4] song of hope each [1] day,
though the moment be cloudy or [57] fair.
Let us trust in our Saviour [1] always,
who [57] keepeth everyone in his [1] care.

[1] Keep yer hand on yer [5] 'alfpenny
[57] Cover it well with yer [1] palm
Keep yer hand on yer [5] 'alfpenny
And Molly will come to no [1] harm

[1] When Molly began to go [5] courting
Her [57] mother was anxious to [1] tell
How certain young fellows would [5] want her
To stray down the pathway to [1] Hell

[1] Keep yer hand on yer [5] 'alfpenny
[57] Cover it well with yer [1] palm
Keep yer hand on yer [5] 'alfpenny
And Molly will come to no [1] harm

[1] They'll hug you and kiss you so [5] sweetly
And [57] make you feel ever so [1] nice
But handle the fellows dis-[5]cretely
And listen to this simple ad-[1]vice

[1] Keep yer hand on yer [5] 'alfpenny
[57] Cover it well with yer [1] palm
Keep yer hand on yer [5] 'alfpenny
And Molly will come to no [1] harm

[1] Now Molly and me went out [5] courting
I [57] told her she'd nothing to [1] fear
But down in the meadow last [5] Sunday
I whispered these words in her [1] ear

[1] Take yer hand off yer [5] 'alfpenny
[57] Look into my bonny blue [1] eyes
Take yer hand off yer [5] 'alfpenny
And I'll give you a lovely su-[1]prise

[1] He wanted more from life than [4] four kids and a wife
And a [1] job in a [57] dark Kentucky [1] mine
A twenty acre farm with a [4] shackey house and barn
That's [1] all I had and [57] all I left be-[1]hind

But at gambling he was lucky and [4] so he left Kentucky
And [1] left behind his [57] woman and his [1] kids
Into the gay casinos in [4] Nevada's town of Reno
This [1] Kentucky Gambler [57] planned to get rich [1] quick

Kentucky gambler [4] who's gonna love your [57] woman in Ken-[1]tucky
Yeah and [4] who's going to be the [1] one to give her [57] what she [1] needs
Kentucky gambler [4] who's going to raise your [57] kids in Ken-[1]tucky
And [4] who's going to keep them [1] fed and keep [57] shoes on their [1] feet

There at the gambler's Paradise [4] Lady luck was on his side
And [1] Kentucky [57] gambler played just [1] right
Yeah he won at everything he played [4] Kentucky gambler had it made
But [1] he should have quit and [57] gone on home that [1] night

But when you love the green backed dollar [4] sorrow's always bound to follow
And [1] Reno's dreams fade [57] into neon [1] amber
And lady luck she'll lead you on
She'll [4] stay a while and then she's gone
[1] It's better go on [57] home Kentucky [1] gambler

But a gambler never seems to stop till [4] he loses all he's got
[1] And so Kentucky gambler [57] he played [1] on
He played till he'd lost all he'd won [4] he was right back where he'd started from
[1] Then he started [57] wanting to go [1] home

Kentucky gambler [4] there ain't nobody [57] waiting in Ken-[1]tucky
[4] When he ran out [1] somebody [57] else walked [1] in
Kentucky gambler [4] looks like you ain't [57] really very [1] lucky
And it [4] seems to me a [1] gambler loses [57] much more than he [1] wins

Saturday they said "O.K. we'll cut the cake on [1] Sunday".
But Sunday came and what a shame, they had no one to [57] fetch it
Without a cake they just sat and ate Potato Chips and [1] Ketchup.

I got the [1] key to the [57] highway,
Billed [4] out and bound to [47] go.
I'm gonna [17] leave here running
[57] Walking is most too [1] slow [57]

I'm going [1] back to the [57] border

You know you [17] haven't done nothing
[57] Drove a good man away from [1] home [57]

When the [1] moon peeks over the [57] mountains
[4] I'll be on my [47] way.
I'm gonna [17] roam this old highway

I [6-] left my heart to the [4] sappers round Khe [1] Sanh [5]
And my [6-] soul was sold with my [4] cigarettes to the [5] black market man
[6-] I've had the Vietnam cold [4] turkey from the ocean to the silver [1] city
And it's [2-] only other [b7] vets could under [5]stand [1] [5]
About the [6-] long forgotten [4] dockside guaran [1]tee [4] [1]
[5] How there were [6-] no V-day [4] heroes in [5] 1973
How we [6-] sailed into Sydney [4] Harbour [1] saw an old friend but couldn't [4] kiss her
She was lined and [2-] I was [5] home to the lucky [1] land [4] [1]

[5] And she was [6-] like so many [4] more from that time [1] on
[5] Their [6-] lives were all so [4] empty till they'd [5] found their chosen one
And their [6-] legs were often [4] open but their [1] minds were always [4] closed
And their [2-] hearts were held in [b7] fast suburban [5] chains
And the [6-] legal pads were [4] yellow, hours [1] long, paypacket lean
And the [6-] telex writers [4] clattered where the [5] gunships once had been
But the [6-] car parks made me [4] jumpy and I [1] never stopped the [4] dreams
Or the [2-] growing need for [5] speed and novo [1]caine

[5] So I [6-] worked across the [4] country end to [1] end
[5] Tried to [6-] find a place to [4] settle down where my [5] mixed up life could mend
Held a [6-] job on an [4] oil rig flying [1] choppers when [4] I could
But the [2-] nightlife nearly [b7] drove me 'round the [5] bend

And I've [6-] travelled 'round the [4] world from year to [1] year
[5] And [6-] each one's found me [4] aimless one more [5] year the worse for wear
And I've been [6-] back to South East [4] Asia and the [1] answer sure ain't [4] there
But I'm [2-] drifting north to [5] check things out a [1]gain

[5] You know the [6-] last plane out of [4] Sydney's almost [1] gone
[5] Only [6-] seven flying [4] hours and I'll be [5] landing in [1] Hong [5] Kong
There ain't [6-] nothing like the [4] kisses from a [1] jaded Chinese princess
I'm gonna [2-] hit some Hong Kong [b7] mattress all night [5] long
[5] Well the [6-] last plane out of [4] Sydney's almost [1] gone
You know the [6-] last plane out of [4] Sydney's almost [5] gone
And It's [6-] really got me [4] worried I'm going [1] no-where and I'm in a [4] hurry
And the [2-] last plane out of [5] Sydney's almost [1] gone [4] [1]

[5] You know the [6-] last plane out of [4] Sydney's almost [1] gone
[5] You know the [6-] last plane out of [4] Sydney's almost [5] gone
And it's [6-] really got me [4] worried I'm going [1] no-where and I'm in a [4] hurry

[1] Looking out a dirty old window
Down below the cars in the city go [b7] rushing by
I [b6] sit here a [b7]lone and I [4] wonder why
[1] Friday night and everyone's moving
I can feel the heat but it's shooting [b7] heading down
I [b6] search for the [b7] beat in this [4] dirty town
[4] (Down town the young ones are going)
[5] Down town the young ones are growing

Chorus:
[b6] We're the kids in A [b3]merica (Whoa-oh)
[b6] We're the kids in A [b3]merica (Whoa-o)]
[b6] Everybody [b7] live for the music-go- [1]round

[1] Bright lights the music gets faster
Look boy, don't check on your watch, not a [b7]nother glance
I'm [b6] not leaving [b7] now, honey [4] not a chance
[1] Hot-shot, give me no problems
Much later baby you'll be saying [b7] never mind
You [b6] know life is [b7] cruel, life is [4] never kind
[4] (Kind hearts don't make a new story)
[5] Kind hearts don't grab any glory

[1] Come closer, honey that's better
Got to get a brand new experience [b7] feeling right
Oh [b6] don't try to [b7] stop baby [4] hold me tight
[1] Outside a new day is dawning
Outside suburbia's sprawling [b7] everywhere
I [b6] don't want to [b7] go baby - [4] New York to East California
[5] There's a new wave coming I warn you

In colors red and gold, they set us on [4] fire
Burning just like a [1] moonbeam, in our eyes.

[5] Somebody said they saw me, [1] swinging the world by the [4] tail
Bouncing over a [1] white cloud, [5] killing the [1] blues.

[1] Now I am guilty, of something
I hope you never do
Because there is [4] nothing
sadder than [1] losing yourself in love.

[5] Somebody said they saw me, [1] swinging the world by the [4] tail
Bouncing over a [1] white cloud, [5] killing the [1] blues.

[1] Now you ask me, just to leave you
To go out on my own
And get what I [4] need to
You want me to [1] find what I've already had.

Some tough chords - good luck !!

[2-] [b7] [1] [4] [2-] [b7] [1] [4]
[2-] I don't [b7] need, to [1] fall at your [4] feet
Just [2-] cause you [b7] cut me [1] to the [4] bone
[2-] And I won't [b7] miss, the [1] way that you [4] kiss me
[2-] We were never [b7] carved in [1] stone [4]
[5-] If I don't listen to the [b7] talk of the [5-] town
[5-] Maybe I can [b7] fool my-[1]self

Chorus:
I'll get [4] over [b7] you, I [1] know I [2-] will
I'll pre-[4]tend my [b7] ship's not [1] sin-[2-]king
And I'll [4] tell my-[b7]self, I'm [1] over [2-] you
Cause I'm the [4] King of wishful thin-[5-]king
[2-] [b7] [1] [4] I am the [2-] King of [b7] wishful thin-[1]king

[2-] I re-[b7]fuse to give [1] in to my [4] blues
[2-] That's not how it's [b7] gonna be [1] [4]
[2-] And I de-[b7]ny, the [1] tears in my [4] eyes
[2-] I don't want to [b7] let you see, [1] [4] no!
[5-] That you have made a [b7] hole in my [5-] heart
[5-] And now I've got to [b7] fool my-[1]self

Chorus x2

[b7] [4]
[b7] I will never never shed a tear for [1sus4] you
I'll get [2-] over [b7] you, (I [1] know I [4] will) [2-] [b7] [1] [4]
[5-] If I don't listen to the [b7] talk of the town
[5-] Maybe I can [b7] fool my-[1]self

Chorus x2

I'll get [4] over [b7] you (I [1] know I [2-] will)
I'll pre-[4]tend my [b7] heart's still [1] beat-[2-]ing
Cause [4] I've got [b7] no more [1] tears for [2-] you
I'm the [4] King of wishful thin-[5-]king

Fade out

I'll get [4] over [b7] you, I [1] know I [2-] will
[4] You made a [b7] hole in my [1] heart [2-]
And I'll [4] tell my-[b7]self.....

And [1] when I set them free [4] [1] it's just like part of [4] me
Gets [1] lifted up on [5] shining [1] wings"

[1] Charlie Edson's pigeon loft was down the yard [4]
Of a [1] rented house in Brook Street where [4] life was hard
But [1] Charlie had a [4] dream, and in [1] nineteen thir[4]teen
[1] Charlie bred a pigeon that [5] made his dream come [1] true

[1] There was gonna be a champions' race from Italy
"Look at the [1] maps, all that [4] land and sea
[1] Charlie, you'll lose that [4] bird"
But [1] Charlie never [4] heard
He [1] put it in a basket and sent it [4] off to [1] Rome

[1] On the day o' the big race a storm blew in [4]
A thousand [1] birds were swept away and [4] never seen again
[1] "Charlie we told you [4] so, [1] surely by now you [4] know
When you're [1] living in the West End there ain't many [5] dreams come [1] true"

[1] "Yeah, I know, but I had to try [4]
A man can [1] crawl around or he can [4] learn to fly
And [1] if you live 'round [4] here, the [1] ground seems awful [4] near
Some [1]times I need a [5] lift from victo[1]ry"

[1] I was off with me mates for a pint or two [4]
When I saw a [1] wing flash up [4] in the blue
[1] "Charlie, it's the King of [4] Rome, come [1] back to his West End [4] home
[1] Come outside quick, he's perched up [5] on your [1] roof"

[1] "Come on down, your majesty, I knew you'd make it [4] back to me,.
[1] Come on down, you lovely one, you made me [5] dreams come [1] true"

He [4] took the [1] shillin'
He [4] took the [1] shillin' and he's [5] off tae [1] war.

Chorus
Come [4] laddies [1] come, hear the [4] cannons roar
Tak' the [1] King's shilling an' we're [5] off tae [1] war
Come [4] laddies [1] come, hear the [4] cannons roar
Tak' the [1] King's shilling an' we're [5] off tae [1] war

Oh he [4] looked sae [1] prood and sae [5] gallant [1] then

[1] There used to be a graying [b6] tower [b7] alone on the [1] sea
You became the [b6] light on the [b7] dark side of [1] me
Love remains a [b7] drug that's the [4] high and not the [1] pill
But did you know that when it [1-] snows
My [b6] eyes become [b7] large and the [b6] light that you [b7] shine can't be [1] seen?

[1] There is so much a man can [b6] tell you, so [b7] much he can [1] say
You remain my [b6] power, my [b7] pleasure, my [1] pain, baby

Workin [5-] hand in [5-] hand to [1] make a good life

[5-] Oh lord the [1] father of twins

[b3] Oh [b7] oh [1-] kisses [5-] sweeter than [17] wine
[b3] Oh [b7] oh [1-] kisses [5-] sweeter than [17] wine

Our [b3] children they [b7] numbered [1-] just about [b7] four
They [5-] all had [5-] sweethearts [1] knockin at the door
They [b3] all got [b7] married and they [1-] didn't hesi [b7] tate I was
[5-] Oh lord the grandfather of [1] eight

[b3] Oh [b7] oh [1-] kisses [5-] sweeter than [17] wine
[b3] Oh [b7] oh [1-] kisses [5-] sweeter than [17] wine

[b3] Now that we're [b7] old and [1-] ready to [b7] go
We get to [5-] thinkin what [5-] happened a [1] long time ago.
We [b3] had a lot of [b7] kids [1-] trouble and [b7] pain but

[1-] It was a half past nothing on a nowhere night
[1-] I had no one to love, I had no one to fight
So I [7] took a walk down [6] Bad News Ave-[1-]nue

I had a [1-] heart full of blood and a head full of booze
[1-] I had nothing to gain, I had nothing to lose
So I [7] stepped inside a [6] tavern and began to [1-] play

Bad news, bad [b57] news, I'm talking to [1-] you
I don't know your [7] name. but I would [3] love [b57] to

Next thing I hear "[1-] knock knock", who that there at my [7] door?
I hear "[6] knock knock", I [b57] think she's back for [1-] more

Well, I [1-] woke up in the morning with a bad old head
[1-] I had poison in my pocket and a body in my bed
If you can [7] get it with small [6] change it might as well be [1-] free

Well the [1-] sun came up and the ship went down
[1-] I went looking through the gutter for the lost and found
And [7] that's when I saw you [6] smiling back at [1-] me [b1]

Bad news, bad [b57] news, I'm talking to [1-] you
I don't know your [7] name. but I would [3] love [b57] to

[1] Lisa likes brandy and the way it hits her lips,
She's a [1] rock 'n' roll survivor with pendulum hips,
She's got [4] deep brown eyes, that've seen it [1] all.

[1] Working at a nightclub that was called The Avenue
The [1] bar men used to call her "Little Lisa, Looney Tunes"
[4] She went down, on almost any [1]one.
From the [2-] hard time living 'til the [4] Chelsea days,
From when her [2-] hair went sweet blonde 'til the [5] day it turned grey

[NC] She said:

Chorus:
[1] L.I.F.E.G.O. [4] E.S.O.N.
You've [5] got more than money and [4] sense, my friend
You've got [1] heart, and your [4] going your own [5] way. [4]

And [1] Joey was an artist just living out of case,
But his [4] best work, were his letters [1] home.

His [1] standard works of fiction about imaginary success,
The [1] chorus girls in neon were his closest things to friends,
But to a [4] writer, the truth is no big [1] deal.
From the [2-] hard time living to the [4] sleepless nights,
And the [2-] black and blue body from the [5] weekend fights

[NC] He'd say:

Chorus

On my [6-] last night on [4] earth, I won't [1] look to the [5] sky
Just [1] breathe in the [4] air and [6-] blink in the [5] light

[1] [3-] [2-] [4]
[1] [3-] [2-] [4]
She hangs a-[1]round the boule-[3-]vard
She's a [2-] local girl with [4] local scars.
She got home [1] late, she got home [3-] late
She [2-] drank so hard the [4] bottle ached.
And she [1] tried and she tried, she [3-] tried and she tried,
But [2-] nothing's clear in a [4] bar full of flies.
So she [1] takes and she takes, she [3-] takes and she takes,
She [2-] understands when she [4] gives it a-[5]way,

> CHORUS
>
> She said, [1] man I gotta get [4] out of this [5] town
> [1] Man I gotta get [4] out of this [5] pain.
> [1] Man I gotta get [4] out of this [5] town,
> [4] Out of this town, and [5] out of L.[1]A.

[3-] [2-] [4] [1] [3-] [2-] [4]
She's got a [1] gun, she's got a [3-] gun,
She got a [2-] gun she calls the [4] lucky one.
She left a [1] note, right by the [3-] phone,
Don't [2-] leave a message cause this [4] ain't no home.
And she [1] cried and she cried, she [3-] cried and she cried,
She [2-] cried so long her [4] tears ran dry.
And she [1] laughed and she laughed, she [3-] laughed and she laughed,
Cause [2-] she knew she was never [4] comin [5] back.

> CHORUS
>
> She said, [1] man I gotta get [4] out of this [5] town
> [1] Man I gotta get [4] out of this [5] pain.
> [1] Man I gotta get [4] out of this [5] town,
> [4] Out of this town, and [5] out of L.[1]A.

It's all she [6-] loves, it's all she [b6] hates,
It's all to [1] much for her to [4] take
She can't be [6-] sure, just where it [b6] ends,
Or where the [NC] good life be-[4]gan

So she took a [1] train, she took a [3-] train,
To a [2-] little old town with-[4]out a name.
She met a [1] man, he took her [3-] in,
But [2-] fed her all the same [4] bullshit again.

'cause he [1] lied and he lied, [3-] he lied and he lied,
He [2-] lied like a salesman [4] sellin flies.
So she [1] screamed and she screamed, she [3-] screamed and she screamed,
It's a [2-] different place but the [4] same old [5] thing.

It's all I [6-] love, it's all I [b6] hate,
It's all too [1] much for me to [4] take
I can't be [6-] sure, where it [b6] begins,
Or if the [N.C.] good life lies with-[4]in.

> CHORUS
>
> She said, [1] man I gotta get [4] out of this [5] town
> [1] Man I gotta get [4] back on that [5] train.
> [1] Man I gotta get out of this [4] town,
> [4] Out of my pain, but [5] going back to [1] L.A.

[3-] [2-] [4]
Back to L. [1] A [3-] [2-] [4]
back to L. [1] A. [3-] [2-] [4]
I'm goin back to L. [1] A.

[1] Now we're agreed that we're in [b37] love
We'll have to face the [6-] lah-di-dah,
[5] The eyewash, [1] all of the fancy panto-[b37]mime.
(I love you very [6-] much.)
[5] I'll try love, [b37] I'll bill and coo
With your gruesome Auntie Susan
I'll stay [6-] calm, I'll play it [b37] cool;
I won't let your tetchy uncles
Get me back up, cross my [6-] heart.
And I [b37] shan't get shirty when they say I look peculiar.

[1] I'll be nice to your [b37] mother,
I'll come all over [6-] lah-di-dah,
[5] Although she [1] always gets up me [b37] nose.
(I love you very [6-] much.)
[5] And so I'll [b37] smile and I'll acquiesce
When she invites me to caress her scabby [6-] cat
[b37] I'll sit still while she knits
And witters, cross my [6-] heart,
And I [b37] shan't lay a finger on the crabby old batface.

[1] I'll be nice to your [b37] daddy,
Frightfully [6-] lah-di-dah,
[5] Although he [1] always bores me to my [b37] boots.
(I love you very [6-] much.)
[5] And so I [b37] won't boo and hiss
When he starts to reminisce
I won't drop [6-] off, I won't flare [b37] up;
The runs he used to score
And how he won the war, cross my [6-] heart,
But I'll [b37] have to grit me teeth when he goes on about his rupture.

[1] I'll behave at the wedding [b37] breakfast
I'll come all over [6-] lah-di-dah,
[5] So help me! [1] Hearty toasts and risky [b37] jokes!
(I love you very [6-] much.)
[5] So help me, [b37] I'll force a laugh
For the flicking photographs
So have no [6-] fear, I won't turn [b37] tail;
I won't run amuck when the females chuck
Confetti in my [6-] ears
And [b37] cross me heart, love, I'll keep off the pale ale.

[1] When we're off on our [b37] own
there'll be no more [6-] La De bloody Da
[5] I promise, [1] we just won't have the [b37] time
We won't have [6-] time [b37] for such,

From an article by Gail Ainsworth

You'd be forgiven for thinking that Maui nō ka ʻoi, Hawaiian for "Maui is the best," was cooked up by some marketing wiz to promote tourism. But you'd be wrong. The saying dates back centuries.

Ancient Hawaiians across the archipelago had a history of chant that included mele hoʻoʻikeʻike, chants that were defined by their blatant bragging. Mele hoʻoʻikeʻike could be quite rousing and often boastful of a particular beloved location. In the 1800s, Maui became the first island to take this tradition in a new direction, when Reverends S. Paʻaluhi and Samuel Kapū Sr. of Kaʻahumanu Church in Wailuku began to write songs using the phrase Maui nō ka ʻoi. Here's an excerpt from Kapū's song "Kuʻu Home ʻo Maui"

Auē, ke aloha ē,
Uʻi roselani ē,
Nani Haleakalā,
Kuʻu home ʻo Maui nō ka ʻoi,
Kuʻu home ʻo Maui nō ka ʻoi.

Oh, the love (Ifeel)!
For the roselani beauty
So lovely is Haleakalā
My home, Maui is the best!
My home, Maui is the best!

"Maui nō ka ʻoi" resonated with the island's people. Subsequent songwriters seem to have had a near-obsession with the phrase, incorporating it in boasting songs that also praised Haleakalā and the roselani, Maui's flower. Many of these songs were written anonymously, the poets humbly wanting to keep the name of their revered island foremost, rather than themselves.

Know that when you repeat "Maui nō ka ʻoi," you are continuing a tradition that began with ancient Hawaiian chant, and two centuries of Maui song.

[1] So now I'll sing to you, it's about a maiden [4] fair,
who I [57] met the other evening at the corner of the [1] square.
She had a dark and roving eye, she was a charming [4] rover,
And we [57] rode all night, in the pale moonlight
Away down to Lamor-[1]na

CHORUS

[1] 'Twas down in Albert Square, I never shall for-[4]get,
Her [57] eyes they shone like diamonds
And the evening it was [1] wet, wet, wet.
Her hair hung down in curls, She was a charming [4] rover,
And we [57] rode all night, through the pale moonlight
Away down to Lamor-[1]na

[1] As we got in the cab I asked her for her [4] name,
And [57] when she gave it me, well, mine it was the [1] same.
So I lifted up her veil, for her face was covered [4] over
To my [57] surprise it was my wife I'd rode down to Lamor-[1]na

CHORUS

[1] 'Twas down in Albert Square, I never shall for-[4]get,
Her [57] eyes they shone like diamonds
And the evening it was [1] wet, wet, wet.
Her hair hung down in curls, She was a charming [4] rover,
And we [57] rode all night, through the pale moonlight
Away down to Lamor-[1]na

And for that lark you'll pay, for the taking of yer [4] donor,
You'll [57] pay the fare, I do declare, away down to Lamor-[1]na"

CHORUS

Her [57] eyes they shone like diamonds
And the evening it was [1] wet, wet, wet.

The [1-] Lark in the [3] morning she [7] rises off her [5-] nest
She goes [1-] up in the air with the [7] dew all on her [1-] breast
And like the jolly ploughboy she [7] whistles and she [5-] sings.
She goes [1-] home in the [3] evening with the [7] dew all on her [1-] wings

Oh [1-] Roger the [3] plough-boy he [7] is a dashing [5-] blade,
He goes [1-] whistling and singing through [7] yonder leafy [1-] shade
He met with dark-eyed Susan, she's [7] handsome I de-[5-]clare,
And she's [1-] far more ent-[3]icing than the [7] birds all in the [1-] air.

The [1-] Lark in the [3] morning she [7] rises off her [5-] nest
She goes [1-] up in the air with the [7] dew all on her [1-] breast
And like the jolly ploughboy she [7] whistles and she [5-] sings.
She goes [1-] home in the [3] evening with the [7] dew all on her [1-] wings

As [1-] they were [3] coming home from the [7] rakes of the [5-] town,
The [1-] meadow being all mown and the [7] grass had been cut [1-] down.
As they should chance to tumble all [7] on the new-mown [5-] hay
Oh it's [1-] kiss me now or [3] never this [7] bonnie lass would [1-] say.

The [1-] Lark in the [3] morning she [7] rises off her [5-] nest

And like the jolly ploughboy she [7] whistles and she [5-] sings.
She goes [1-] home in the [3] evening with the [7] dew all on her [1-] wings

When [1-] twenty long [3] weeks were [7] over and [5-] past
Her [1-] mammy asked the reason why she [7] thickened round the [1-] waist.
It was the pretty ploughboy this [7] young girl then did [5-] say
For he [1-] asked me for to [3] tumble, all [7] on the new-mown [1-] hay.

The [1-] Lark in the [3] morning she [7] rises off her [5-] nest
She goes [1-] up in the air with the [7] dew all on her [1-] breast
And like the jolly ploughboy she [7] whistles and she [5-] sings.
She goes [1-] home in the [3] evening with the [7] dew all on her [1-] wings

Here's a [1-] health to you [3] ploughboys wher-[7]ever you may [5-] be,
That [1-] likes having a bonnie lass [7] sitting on each [1-] knee.
With a pint of good strong porter, he'll [7] whistle and he'll [5-] sing
And the [1-] ploughboy is as [3] happy as [7] a prince or a [1-] king

The [1-] Lark in the [3] morning she [7] rises off her [5-] nest
She goes [1-] up in the air with the [7] dew all on her [1-] breast

[1] Last Christmas I gave you my heart,
But the [6-] very next day you gave it away,

I'll [5] give it to someone special.
[1] Last Christmas I gave you my heart,
But the [6-] very next day you gave it away,
[2-] This year to save me from tears,
I'll [5] give it to someone special.

[1] Once bitten and twice shy,
[6-] I keep my distance, but you still catch my eye,
[4] Tell me baby, do you recognize me?
[5] Well, it's been a year, it doesn't surprise me.
[1] (Happy Christmas) I wrapped it up and sent it,
[6-] With a note saying, "I love you" , I meant it,
[2-] Now I know what a fool I've been,
But if you [5] kissed me now, I know you'd fool me again.

[1] Last Christmas I gave you my heart,
But the [6-] very next day you gave it away,
[2-] This year to save me from tears,
I'll [5] give it to someone special.
[1] Last Christmas I gave you my heart,
But the [6-] very next day you gave it away,
[2-] This year to save me from tears,
I'll [5] give it to someone special.

[1] A crowded room, friends with tired eyes,
[6-] I'm hiding from you, and your soul of ice,
[4] My god, I thought you were someone to rely on,
[5] Me? I guess I was a shoulder to cry on.
[1] A face on a lover with a fire in his heart,
[6-] A man under cover but you tore me apart,
[2-] Oh, oh
Now I've [5] found a real love you'll never fool me again.

[1] Last Christmas I gave you my heart,
But the [6-] very next day you gave it away,
[2-] This year to save me from tears,
I'll [5] give it to someone special.
[1] Last Christmas I gave you my heart,

[1] [4] [5] [1] [4] [5] [1]
[1] The colour of [4] summer's gone [5] of golden days when [1] I was young
Of girls who came but [4] soon moved on is [5] in my summer [1] wine

[1] The perfumes of [4] earth and vine, [5] of meadows when the [1] rain has gone
Of women with their [4] finery on, is [5] in my summer [1] wine
The [6-] memories [3-] I can see [2-] here in my [5] cup
Of [4-] sweet short days [b3] bitter days, [2-] now all drunk [5] up

[1] The taste of the [4] life that slips [5] from day to day [1] through fingers blind
The honey from the [4] woman's lips is [5] in my summer [1] wine

Bill Owen's (Compo) lyrics

[1] The last of the [4] summer wine [5] the sweet bouquet [1] of memories
Of you and I [4] as time goes by I [5] still remem-[1]ber these

[1] The last of the [4] summer wine [5] when passing shadows [1] still recur
Of golden days so [4] young in love and [5] that's the way we [1] were
We [6-] had our [3-] dreams to [2-] change the world [5] as people will
But [4-] now we're known [b3] as the folk [2-] who live on the [5] hill

[1] The last of [4] the summer wine, [5] a vintage love a [1] vintage brew
And now my love [4] this toast I give - thank [5] you for [1] being you

Compo's funeral lyrics

[1] Now all of his [4] summer's gone, [5] those urgent days when [1] he was young
Those girls he loved [4] but soon moved on to [5] drink his summer [1] wine
[1] Now perfumes of [4] earth and vine, [5] of meadows when [1] the rain has gone
These friends with their [4] black armbands on, sa-[5]lute his summer [1] wine

[6-] The memories [3-] he left to me [2-] here in my [5] cup
Of [4-] sweet short days [b3] bitter days, [2-] now all [5] drunk up
[1] The fullness of the [4] life that slipped [5] the other day all [1] mortal pain
Free now to roam [4] fresh hills and lanes and [5] taste eternal [1] wine

Well, me [1] father often told me when [1] I was just a lad:
a [1] sailor's life is very hard, the [5] food is always bad.
But, [1] now I've joined the Navy, I'm a-[1] board a man-o-war,
and [1] now I've found a sailor ain't a [6-] sailor [5] any-[1]more.

Don't [1] haul on the rope, don't [1] climb up the mast,
[1] if you see a [6-] sailing ship it [b27] might be your [57] last.
Just [1] get your civvies ready for a-[1]nother run ashore,

[1] [1]
[1] [6-] [4] [5] [1]
Well, the [1] killick of our mess, he [1] says we had it soft,
it [1] wasn't like that in his day when [5] we were up aloft.
We [1] like our bunks and sleeping bags but [1] what's a hammock for?
[1] Swinging from the deckhead, or [4] lying on the [1] floor?

Don't [1] haul on the rope, don't [1] climb up the mast,
[1] if you see a [6-] sailing ship it [b27] might be your [57] last.
Just [1] get your civvies ready for a-[1]nother run ashore,

[1] [6-] [4] [5] [1]
They [1] gave us an engine that [1] first went up and down,
[1] then with more technology the [5] engine went around.
We [1] know our steam and diesels but [1] what's a mainyard for?
A [1] stoker ain't a stoker with a [4] shovel[5] any-[1]more.

[1] Feeling like I [b7] do to [4] day [1] [b7] [4]
It's [1] too much pain and [b7] too much [4] sorrow [1] [b7] [4]
[1] Guess I'll feel the [b7] same to [4] morrow [1] [b7] [4]

Well [4] this could be the [b7] last [4] time
[4] This could be the [b7] last [4] time
[b7] Maybe the last time
I don't [4] know, oh no, [1] [b7] [4] oh no [1] [b7] [4]

Well I [1] told you once and I [b7] told you [4] twice [1] [b7] [4]
[1] That someone will have [b7] to pay the [4] price [1] [b7] [4]
But [1] here s a chance to [b7] change your [4] mind [1] [b7] [4]
[1] cuz I'll be gone a [b7] long, long [4] time [1] [b7] [4]

Well [4] this could be the [b7] last [4] time

[1] When I told you that I was [b77] leaving,
you [4] didn't believe what I [b67] said
[1] You just went [b37] right on [6-] sleep-[b6-7]-ing,
[b27] rolled over in your [5] bed
[1] Now were you surprised to, [b77] open up your eyes,
To [4] find that I had moved [b67] on?
Well [1] honey your [b37] loving man has packed [6-] all of his [b67] things,
[b2] Taken that [5] last train and [1] gone

[1] You can't say I didn't [b77] warn you,

[1] You had fifty-seven [b37] ways of being [6-] mean to [b6-7] me,

Intro: [1] x8 [5] x8 [4] x8 [1] X4 [5] X8

[1] A long, long time ago, [5] there was a volcano
[4] living all alone in the [1] middle of the [57] sea
[1] He sat high above his bay [5] watching all the couples play
[4] and wishing that [1] he had someone, [57] too
[1] And from his lava came [5] this song of hope that he sang
out [4] loud every day [1] for years and [57] years

(BOY Volcano):
[4] I have a dream I [1] hope will come true
that [57] you're here with me, and [1] I'm here with you
I [4] wish that the earth, sea, and the [1] sky up abov-a
will [57] send me someone to [1] lava

[1] Years of singing all alone [5] turned his lava into stone
[4] until he was on the [1] brink of ex- [57]tinction
[1] But little did he know that [5] living in the sea below
[4] another volcano was [1] listening to his [57] song
[1] Every day she heard his tune [5] her lava grew and grew
[4] because she believed his [1] song was meant for [57] her
[1] Now she was so ready to [5] meet him above the sea
as he [4] sang his song of hope [1] for the last [57] time

(BOY Volcano):
[4] I have a dream I [1] hope will come true
that [57] you're here with me, and [1] I'm here with you
I [4] wish that the earth, sea, and the [1] sky up abov-a
will [57] send me someone to [1] lava

[1] Rising from the sea below [5] stood a lovely volcano
[4] looking all around but [1] she could not see [57] him
[1] He tried to sing to let her know that [5] she was not there alone
but [4] with no lava his [1] song was all [57] gone
[1] He filled the sea with his tears and [5] watched his dreams disappear
As [4] she remembered what his [1] song meant to [57] her

(GIRL Volcano)
[4] I have a dream I [1] hope will come true
that [57] you're here with me, and [1] I'm here with you
I [4] wish that the earth, sea, and the [1] sky up abov-a
will [57] send me someone to [1] lava

[1] Oh, they were so happy to [5] finally meet above the sea
[4] all together now, their [1] lava grew and [57] grew
No [1] longer are they all alone with [5] aloha as their new home
[4] and when you visit them, [1] this is what they [57] sing:

[4] I have a dream [1] I hope will come true
[57] that you'll grow old with me, [1] and I'll grow old with [17] you
[4] We thank the earth, sea, and the [1] sky we thank, too
I [57] lava [1] you, I [57] lava [1] you, I [57] lava [1] you

Chorus:
[1] Lay down, [5] lay it down, [b7] lay it all [1] down,
Let your white birds [5] smile up at the [b7] ones who stand and [1] frown.
[1] Lay down, [5] lay it down, [b7] lay it all [1] down,
Let your white birds [5] smile up at the [b7] ones who stand and [6-] frown.

We were so [5] close, there was no [6-] room,
We bled in [5]side each [6-] others wounds.
We all had [5] caught the [6-] same disease,
And we all [5] sang the [6-] songs of [5] peace.

Chorus

So [5] raise the [b2] candles [6-] high,
'cause if you [1] don't, we could stay [5] black a [2-]gainst the [6-] night.
Oh, [5] raise them [b2] higher a [6-]gain,
And if you [1] do, we could stay [5] dry a [2-]gainst the [6-] rain.

Chorus

We were so [5] close, there was no [6-] room,
We bled in [5]side each [6-] others wounds.
We all had [5] caught the [6-] same disease,
and we all [5] sang the [6-] songs of peace.

Some [5] came to sing, some [5] came to pray,
Some [5] came to keep the [6-] dark away.

So [5] raise the [b2] candles [6-] high,
'cause if you [1] don't, we could stay [5] black a [2-]gainst the [6-] night.
Oh, [5] raise them [b2] higher a [6-]gain,
And if you [1] do, we could stay [5] dry a [2-]gainst the [6-] rain.

[1] Lay down, [5] lay it down, [b7] lay it all [1] down,
Let your white birds [5] smile up at the [b7] ones who stand and [1] frown.

[17] There is nothing that is wrong
In wanting you to stay here with [4] me.
I [17] know you've got somewhere to go
But won't you make yourself at home and [4] stay with me?
And don't you [57] ever leave.

[1] Lay down, Sally, and [4] rest here in my arms.
[57] Don't you think you want someone to talk [1] to?
Lay down, Sally, no [4] need to leave so soon.
[57] I've been trying all night long just to [1] talk to you.

[17] Sun ain't nearly on the rise.
We still got the moon and stars [4] above.
[17] Underneath the velvet skies, love is all that matters.
Won't you [4] stay with me? Don't you [57] ever leave.

[1] Lay down, Sally, and [4] rest here in my arms.
[57] Don't you think you want someone to talk [1] to?
Lay down, Sally, no [4] need to leave so soon.
[57] I've been trying all night long just to [1] talk to you.

I [17] long to see the morning light
Coloring your face so [4] dreamily.
[17] So don't you go and say goodbye. You can lay your worries down
and [4] stay with me. And don't you [57] ever leave.

[1] Lay down, Sally, and [4] rest here in my arms.
[57] Don't you think you want someone to talk [1] to?
Lay down, Sally, no [4] need to leave so soon.
[57] I've been trying all night long just to [1] talk to you.

[1] [4] [2-] [6-] [57] [1] [1sus4] [1] [1sus4] [1] [1sus4] [1]
[1] An only [1sus4] child, [1] alone and [1sus4] wild, a [3-] cabinet maker's [4] son
[2-] His hands were meant for [6-] different work,
and his [2-] heart was known [4] to [5] none
[1] He left his [1sus4] home and [1] went his lone and [3-] solitary [4] way
And he [2-] gave to me a [6-] gift I know I [4] never [57] can [1] repay.

[1sus4] [1] [1sus4] [1] [1sus4] [1]
[1] A quiet [1sus4] man of [1] mu-[1sus4]sic, [3-] denied a simpler [4] fate
[2-] He tried to be a [6-] soldier once, but his [2-] music wouldn't [4] wait [5]
[1] He earned his [1sus4] love through [1] discipline, a [3-] thund'ring, velvet [4] hand
His [2-] gentle means of [6-] sculpting souls [4] took me [57] years to under-[1]stand

The [4] leader of the [3-] band is tired and his [4] eyes are growing [1] old
But his [2-] blood runs through my [6-] instrument
and his [2-] song is in my [4] soul [5]
My [4] life has been a [3-] poor attempt to [4] imitate the [1] man
I'm [2-] just a living [6-] legacy to the [4] leader [57] of the [1] band.

[1sus4] [1] [1sus4] [1] [1sus4] [1]
[1] My brothers' [1sus4] lives were [1] diffe-[1sus4]rent, for they [3-] heard another [4] call
[2-] One went to Chi-[6-]cago and the [2-] other to Saint [4] Paul [5]
[1] And [1sus4] I'm in [1] Colorado [1sus4] , when I'm [3-] not in some [4] hotel
[2-] Living out this [6-] life I chose, and [4] come to [57] know so [1] well [1sus4] [1]

[1] [4] [2-] [6-] [57] [1] [1sus4] [1] [1sus4] [1] [1sus4] [1]
[1] I thank [1sus4] you for the [1] music and your [3-] stories of the [4] road
[2-] I thank you for the [6-] freedom when it [2-] came my time to [4] go [5]
[1] I thank [1sus4] you for the [1] kindness and the [3-] times when you got [4] tough
And, [2-] Papa, I don't [6-] think I said "I [4] love you" [57] near [1] enough.

The [4] leader of the [3-] band is tired and his [4] eyes are growing [1] old
But his [2-] blood runs through my [6-] instrument and his [2-] song is in my [4] soul [5]
My [4] life has been a [3-] poor attempt to [4] imitate the [1] man
I'm [2-] just a living [6-] legacy to the [4] leader [57] of the [1] band.

Got the, [4-]/ Learned Pigs and Fireproof Women, [1-] Everybody pay a dollar to see 'em
[4-]/ Got a piece of the one true cross, [b57] Got the bones of a union boss, [1-]

[1-] Jake Leg Chester and Boot Leg Sam,
were [4-] working at the carnival but they had a plan
[1-] Saturday night when the tent was full,
[b57] they were gonna rob the carnival.
They would [1-] grab the cash, jump a train,
and [4-] never come back to this town again,
they would [1-] hide in the bushes till they hear the bell,
[b57] grab the cash and run like hell

From the [4-]/ Learned Pigs and Fireproof Women, [1-] Everybody pay a dollar to see 'em
[4-]/ Got a piece of the one true cross, [b57] Got the bones of a union boss, [1-]

[1-]/ Bearded lady was still singing her song,
when the [4-] Mississippi freight train came along
[1-] Jake Leg Chester grabbed the cash and ran,
and [b57] Bootleg held a gun on the ticket man.
They [1-] ran for the tracks but they missed the rail,
the [4-] dog-faced boy was still chasing his tail,
[1-] they stashed the cash and paid the cost,
they [b57] hid it in the bones of the union boss, [1-]

No-one [1-] ever found the money, I know it's a fact,
they [4-] took those boys away and they ain't coming back
When the [1-] sheriff came around, looking for the dough,
I [b57] hid it, down in my bed roll
I [1-] left that town without thinking twice,
I [4-] found my own way to Paradise
[1-] Got myself a truck and a small sideshow,
[b57] every single summer I hit the road

[b7-] [b5] [b4] [b7-] [b1] [b5] [b4] [b7-]
[b4] What do you do when the [b1] people go [b7-] home?
And [b4] what do you [b7-] do when the [b1] show is all [b7-] done?
I [b4] know what I'll [b5] do in the a-[b2-]lone of my [b7-] time
But [b1] what will I [b4] do with the [b2-] leftover [b7-] wine?

A [b4] line from a [b7-] poem of my [b1] childhood has [b7-] said
That [b4] visions of [b7-] sugarplums were gonna [b1] dance in my [b7-] head
I'll [b4] spend my whole life [b2-] making the time [b7-] rhyme
But I'll [b1] still have a [b4] bowl of [b2-] leftover [b7-] wine

[b4] I'll spend my whole life [b2-] making the time [b7-] rhyme
And then I'm [b4] gonna run to the people
And I'll [b2-] sing them a song of [b7-] mine
You know I'm [b1] gonna do anything [b2-]
Just to take up [b7-] time
'Cause I [b1] can't find a taker for the [b2-] leftover [b7-] wine

[b7-] [b4] [b7-] [b1] [b4] [b7-]
[b4] What do you [b7-] do when the [b1] people go [b7-] home?
And [b4] what do you [b7-] do when the [b1] show is all [b7-] done?
I [b4] know what I'll do in the a-[b2-]lone of my [b7-] time
But [b1] what will I [b4] do with the left[b2-] over [b7-] wine?

[b4] I'll spend my whole life [b2-] making the time [b7-] rhyme
And then I'm gonna [b4] run to the people
And I'll [b2-] sing them a song of [b7-] mine
You know I'm [b1] gonna do [b5] anything
[b2-] Just to take up [b7-] time
'Cause I [b1] can't find a [b5] taker for the [b2-] leftover [b7-] wine

I'm gonna [b4] drink some of yours
If [b2-] you'll drink [b4] all of [b7-] mine

[1] I'm gonna pick up the [6-] pieces, and [5] build a lego [1] house
when [5] things go wrong we can [6-] knock it down
[1] My three words have two [6-] meanings,
there's [5] one thing on my [1] mind, it's [5] all for [6-] you

[1] And it's dark in a cold December, but I've got ya to keep me [6-] warm [5]

I'll [5] keep you sheltered from the [6-] storm that's raging [5] on

[1] I'm out of touch, I'm out of [6-] love
I'll pick you up when you're getting [5] down
and out of all these things I've [4] done I think I [5] love you better [1] now

[1] I'm out of sight, I'm out of [6-] mind I'll do it all for you in [5] time
and out of all these things I've [4] done I think I [5] love you better [1] now

[1] I'm gonna paint you by [6-] numbers and [5] colour you [1] in
if [5] things go right we can [6-] frame it, and [5] put you on a wall

[1] And it's so hard to [6-] say it but I've [5] been here be-[1]fore
and I'll [5] surrender up my [6-] heart and [5] swap it for yours

[1] I'm out of touch, I'm out of [6-] love, I'll pick you up when you're getting [5] down

[6-] Don't hold me [4] down
I think my [5] braces are breaking and it's [4] more than I can [5] take

[1] And it's dark in a cold December, but I've got ya to keep me [6-] warm [5]

Verse is one key, chorus another -I have standardised on Chorus key for simplicity

When [1] I was [57] just a [1] lad of ten, my father [57] said to [1] me,
"Come here and [57] take a [1] lesson from the [57] lovely lemon [1] tree."
"Don't [4] put your [17] faith in [4] love, my boy," my father [17] said to [4] me,
"I fear you'll [17] find that [4] love is like the lovely [17] lemon [4] tree."

> CHORUS
>
> Lemon [1] tree, very pretty, and the lemon flower is [57] sweet,
> But the fruit of the lemon is impossible to [1] eat.
> Lemon [1] tree, very pretty, and the lemon flower is [57] sweet,
> But the fruit of the lemon is impossible to [1] eat.

One [1] day be-[57]neath the [1] lemon tree, my love and [57] I did [1] lie,
A girl so [57] sweet that [1] when she smiled, the stars rose [57] in the [1] sky.
We [4] passed that [17] summer [4] lost in love, beneath the [17] lemon [4] tree,
The music [17] of her [4] laughter hid my father's [17] words from [4] me.

> CHORUS
>
> Lemon [1] tree, very pretty, and the lemon flower is [57] sweet,
> But the fruit of the lemon is impossible to [1] eat.
> Lemon [1] tree, very pretty, and the lemon flower is [57] sweet,
> But the fruit of the lemon is impossible to [1] eat.

One [1] day she [57] left with-[1]out a word, she took a-[57]way the [1] sun.
And in the [57] dark she [1] left behind, I knew what [57] she had [1] done.
She [4] left me [17] for a-[4]nother, it's a common [17] tale but [4] true,
A sadder [17] man, but [4] wiser now, I sing these [17] words to [4] you.

> CHORUS
>
> Lemon [1] tree, very pretty, and the lemon flower is [57] sweet,
> But the fruit of the lemon is impossible to [1] eat.
> Lemon [1] tree, very pretty, and the lemon flower is [57] sweet,

[1] Let's light a candle

We'll light a candle
To [5] show the [1] way
The [4] flame glowing [1] brighter
Our [4] hearts growing [1] lighter
With a candle of [5] hope to-[1]day

[6-] There's been plenty of darkness to curse
The news is nothing but scandal
Things go from bad to worse
So it's [b6sus4] time to light a [6-] candle

[2-] Together we can make it work
[b3] Shine a light upon the murk. [b3] [4] [57]

With a candle of [5] hope to-[1]day

Everything [6-] now is a tangle
That leaders fudge and mishandle
We are left here to dangle
So it's [b6sus4] time to light a [6-] candle

[3-] We need illumination
[b7-7] To clear our frustration
[3-] Shorten this, our darkest hour
[b7-7] With lots of candle power!

[1] [4] [1] [4]
[1] Levon wears his [4] war wound like a [1] crown
[4] He calls his child [1] Jesus
[5] `Cause he likes the [6-] name
And he [b3-7] sends him to the [4] finest school in [b2-7] town

And [1] Levon, [4] Levon likes his [1] money
[4] He makes a lot they [1] say
[5] Spend his days [6-] counting
In a [57] garage by the [4] motor-[b2-7]way

[b3-7] He was born a [6-] pauper to a pawn on a [4] Christmas day
When the [1] New York Times said [b2-7] God is dead and the [1] war's begun
[4] Alvin Tostig [1] has a son to-[b2-7]day

And he shall be [4] Levon and he shall be a [1] good man
And he shall be [4] Levon in tradition with the [1] family plan
And he shall be [4] Levon and he shall be a [1] good man
[4] He shall be Le-[5]von

[1] Levon sells [4] cartoon balloons in [1] town
[4] His family business [1] thrives
[5] Jesus blows up balloons all [6-] day
Sits [b3-7] on the porch swing [4] watching them [2-] fly

[1] And Jesus, he [4] wants to go to [1] Venus
[4] Leaving Levon far be-[1]hind
[5] Take a balloon and go [6-] sailing
While [b3-7] Levon, [4] Levon slowly [2-] dies

[b3-7] He was born a [6-] pauper to a pawn on a [4] Christmas day
When the [1] New York Times said [b2-7] God is dead and the [1] war's begun

Liar, The

artist: Tom Makem, writer: Tommy Makem

https://www.youtube.com/watch?v=qtfTWqXHQFc Capo 3
I was [1] born about ten thousand years a-[5]go
In Bell-[57] mullet in the County of Ma-[1]yo
It was [4] me that chased the vermin,
while St. [1] Patrick preached the [6-] sermon
And I'll [5] whoop the man that says it isn't [1] so

Singing [1] rightful too-ra-laddie too-ra-[57]lee
There is no one who can tell a lie like [1] me
You can [4] search until you tire, you won't [1] find a bigger [6-] liar
I've been [57] lying since the dawn of histo-[1]ry

I saw [1] Eve go pickin' apples off a [5] tree
She came [57] over and she offered one to [1] me
I [4] turned and said, "Dear madam, go [1] try your luck with [6-] Adam
I'm going [5] home to have some fish and chips and [1] tea."

Singing [1] rightful too-ra-laddie too-ra-[57]lee
There is no one who can tell a lie like [1] me
You can [4] search until you tire, you won't [1] find a bigger [6-] liar
I've been [57] lying since the dawn of histo-[1]ry

I saw [1] Delilah cuttin' Samson's [5] hair
She [57] snipped away until his head was [1] bare
When he [4] couldn't run away, well she [1] married him next [6-] day
And they [5] opened a barber shop in [1] Clare

Singing [1] rightful too-ra-laddie too-ra-[57]lee
There is no one who can tell a lie like [1] me
You can [4] search until you tire, you won't [1] find a bigger [6-] liar
I've been [57] lying since the dawn of histo-[1]ry

With King [1] Billy at the Boyne I heard them [5] call
On his [57] followers to follow till they [1] fall
Then he [4] said, "We'll win quite easy, and we'll [1] canonize the [6-] beggar."
Then he [5] up and sang a verse of Derry's [1] Walls

Singing [1] rightful too-ra-laddie too-ra-[57]lee
There is no one who can tell a lie like [1] me
You can [4] search until you tire, you won't [1] find a bigger [6-] liar
I've been [57] lying since the dawn of histo-[1]ry

It was [1] during World War II I met them [5] all
There was [57] Roosevelt and Churchill and De-[1]Gaulle
Then one [4] day I nearly fainted, I was [1] having my house [6-] painted
There was [5] Hitler hanging paper in the [1] hall
sing chorus twice for end

Singing [1] rightful too-ra-laddie too-ra-[57]lee
There is no one who can tell a lie like [1] me
You can [4] search until you tire, you won't [1] find a bigger [6-] liar
I've been [57] lying since the dawn of histo-[1]ry

[1] [b2] [4] [1]
[1] [b2] [4] [1]
[1] Well sitting in a bar alone
where [b2] no-one knows your name
is like [5] laying in a [4] graveyard wide a-[1]wake
[1] You're scared that if you cough or yawn
you [b2] might wake up the dead
So [4] pretend to read a paper
or just drink [1] instead

[1] I'm a stand-up comedian
but I'd [b2] sit down if I could
The [4] world just seems
to want folk like me to [1] stand
And the [1] punch-lines seem to disappear
like [b2] clouds across the sky
And the [4] laughter could be real
or could be [1] canned

[1] Rum by the kettle drum
[b2] Whisky by the jar
[5] At Liar's [1] Bar

[b2] [4] [1]
[1] Well living with a lying man
could [b2] never really hurt
But [4] living with a drunk
well no-one de-[1]serves
And you're [1] looking for your husband
you're not [b2] sure he's still alive
Don't [4] bother with the cemetery
he'll be down at [1] Liar's dive

I'm a [1] travelling businessman
I just [b2] stopped in for one drink
You'll [4] find that I'm not like the other [1] men
[1] Their noses are red
whilst [b2] mine is only pink
And [4] they didn't choose their drink
their drink [1] chose them

[1] Rum by the kettle drum
[b2] Whisky by the jar
[5] At Liar's [1] Bar

[b2] [2-] [4] [1]

And the [1] grave-digger's smiling
at his [b2] reflection in his spade
He's [4] visiting the seediest
the [1] shallowest of [b2] graves
The [1] vocal chords of elephants
and the [b2] characters of mice
They're [4] singing "whisky, whisky"
so [1] good they named it twice

[1] And son, this is Rule 1
[1] Well I don't pass buildings with lights on
if I [b2] said that I did I'd have lied
'Cause what [4] looks like a Chinese restaurant
may have [1] Chinese New Year inside
And [1] son all my life I've been searching
the [b2] bars I've been in I forget
The [4] lights outside ever brighter
but a [1] light on the inside [5] not yet

[1] Rum by the kettle drum
[b2] Whisky by the jar
[5] At Liar's [1] Bar

And [1] he's a world-wide traveller
he's [b2] not like me or you
But he [4] comes in mighty regular
for [1] one who's [5] passing through
[1] That one came in his work clothes
he's [b2] missed his last bus home
He's [4] missed a hell of a lot of buses
for a [1] man who wants to roam
He'll [1] never get to roam, son

And [1] son, this is Rule [1] 2
If I [1] look rough I am rough
If I [b2] look sad I am
If I [4] look broke I am broke
Just a [1] broke down piece of man

I've [1] turned over enough leaves
to fill an autumn
and if I [b2] had one final wish
I'd be your [4] slave for a decade
if you could [1] take me away from this
If you [1] took me away from this
I'd be [b2] different you'd see
'Cause I [4] didn't choose the drink
a drink [1] just chose me
[1] Rum by the kettle drum
[b2] Whisky by the jar
[5] At Liar's [1] Bar
[b2][4] [1] [5]
Well I'm [1] smoking like a chimney
[5] At Liar's [1] Bar

Dein [1-] Kuss hat mir den [4-] Frühling gebracht.
[7] Denk an Dich bei [3] Tag und bei Nacht,
[6] denk an Dich, an [4-] Dich immerzu: [b5] All meinen Träumen bist nur [1-] Du!

Und [1-] gehst Du eines [4-] Tages von mir,
[7] geht auch meine [3] Sehnsucht mit Dir.
[6] Herbstwind wird die [4-] Blätter verweh'n - [b5] unsere Liebe wird be-[1-]steh'n.

Ich fühle [6] mehr und [3] mehr, [1-] dass ich nur [4-] Dir ge-[1-]hör,
[4-] dass ich Dir ganz [1-] verfalle, dass ich von [b5] allen Dich nur be-[1-]gehr'.

Ich [6] höre Dein helles [3] Lachen und [4-] mir wird ums Herz so [1-] weh.
[4-] Sag mir was soll ich [1-] machen, dass ich vor [b5] Sehnsucht nicht ver-[1-]geh'?

Die [b1] Liebe kommt, die Liebe [b5] geht,
solang ein Stern am Himmel [b1] steht,
solang am Strauch die Rosen [b2-] blühn,
wird steht's mein [b5] Herz in heißer [b1] Lieb' erglühn.
Und fühlst Du dich geliebt, dann [b2-] frag nicht.
Und [b5] bist Du mal betrübt, ver-[b1]zag nicht,
denn immer wird's so sein wie [b2-7] heut:
Auf Liebes-[b5]leid folgt Liebes-[b1]freud.

Dein [1-] Kuss hat mir den [4-] Frühling gebracht.
[7] Als Du mir ent-[3]gegengelacht,
[6] lag in Deinem [4-] zärtlichen Blick [b5] eine ganze Welt voll [1-] Glück.

Nur [6] Du bist für mich das [3] Leben. [4-] Kann nicht mehr ohne Dich [1-] sein.
[4-] Alles will ich Dir [1-] geben, denn Dir ge-[b5]hör ich, Dir al-[1-]lein!

INTRO: 1 2 1 2 [G] [G] [G]
[G].. At [G] last the kids are gone now for the [D] day
She [Em] reaches for the [C] coffee as the [G] school bus pulls [D] away
A- [G] nother day to tend the house and [D] plan
For [Em] Friday at the [C] Legion when she's [G] dancing with her [D] man
Sure [G] was a bitter winter, but [D] Friday will be fine
And [Em] maybe last year's Easter dress will [C] serve her one more time
She'd [G] pass for twenty-nine but for her [D] eyes
But [Am] Winter lines are [D] telling wicked [G] lies

> CHORUS
>
> All [Am] lies.... [Am].. [Am].. [Am]..
> All those [G] lines, they're telling wicked [D] lies [D]
> [Am] Lies [Am]..All [C] lies [C]
> Too [G] many lines there in that face
> Too [A] many to erase or to [C] disguise
> They [D] must be telling [G] lies [G] [D] [D] [Am] [Am]! [D]! [C] [C]

Is [G] this the face that won for her the [D] man
Whose [Em] amazed and clumsy [C] fingers slipped that [G] ring upon her [D] hand
No [G] need to search that mirror for the [D] years
The [Em] menace in their [C] message shouts [G] across the blur of [D] tears
So [G] this is beauty's finish? Like [D] Rodin's "Belle Heaulmiere"?
The [Em] pretty maiden trapped inside the [C] ranch wife's toil and care
Well, [G] after seven kids, that's no sur- [D] prise
But [Am] why cannot the [D] mirror tell her [G] lies?

> CHORUS
>
> Chorus

[G] She shakes off the bitter web she [D] wove
[Em] Turns and puts the [C] mirror gently [G] face down by the [D] stove
[G] She gathers up her apron in her [D] hand
[Em] Pours a cup of [C] coffee, drips [G] Carnation from the [D] can
And [G] thinks ahead to Friday, 'cause [D] Friday will be fine
She'll [Em] look up in that weathered face that [C] loves hers line for line
To [G] see the maiden shining in his [D] eyes
And [Am] laugh at how the [D] mirror tells her [G] lies

[1] [4] [4] [5] x2

It [1] hit like a [4] train, I ran out of [5] words
I got [1] nothin' to [4] say, everything [5] hurts

But memories [5] serve our [1] sweetest re-[4]frain,

The [3-] waves came tumblin' [6-] down
As you [5] float away, I'm reachin' for you

To tell me [1] how [4]
How my [4] life [1] goes [5] on with you [1] gone

I'll sink like a [5] stone
If you leave me [1] now [4]

Oh, I re-[1]member the [4] way that you put me [5] first
What a [1] heart wrenching [4] shame that you'll never [5] know
Just like [1] tears in the [4] rain,

A [3-] constant grey in the [6-] clouds
When I [5] hear your name, I think of love

So tell me [1] how [4]
How my [4] life [1] goes [5] on with you [1] gone
I sup-[4]pose

Easy [6-] come, [5] hard [4] go
Then [5] life goes [1] on [4]

Ay-[4] yeah [5], life goes [1] on [4]
Ay-[4] yeah [5] yeah

I [3-] watched the sun setting [6-] down
I am [5] so afraid, I need you now

Oh, [1] life [17] is so peculiar
[47] You get so wet in the [17] rain
[b2-7] You get so warm in the [57] sunshine
[1dim] It doesn't [57] pay to com-[1]plain

[1] When I get up each mornin' there's [17] nothin' to breathe but air
[47] When I look in the mirror there's nothin' to comb but hair
[b27] When I sit down to breakfast there's nothin' to eat but food
[57] Life is so peculiar

But you can't stay home and brood oh, [1] life is so [17] peculiar
[47] The desert's only got [17] sand, [b2-7] the ocean's only got [57] water
[1dim] You never [57] know where you [1] stand

[1] When I go out to dinner there's [17] nothin' to wear but clothes
[47] Whenever I get sleepy, there's nothin' to do but doze
[b27] Whenever I get thirsty there's nothin' to do but drink
[57] Life is so peculiar that it makes you stop and think

Yes, [1] life [17] is so peculiar
[47] A fork belongs with a [17] knife;
[b2-7] Corned beef is lost without [57] cabbage
[b37] A husband should have a [b67] wife
[b2-7] Life is [b6-7] so pe-[4]culiar
[b27] But as [57] every-[b27] body [57] says
"That's [1] life"

> CHORUS
>
> [1] A life on the ocean wave,
> A home on the rolling [57] deep,
> Where the scattered waters rave,
> And the winds their revels [1] keep.

Like an [6-] eagle caged I [b37] pine,
On this [6-] dull unchanging [b37] shore,
Oh [6-] give me the flashing [b37] brine,
The [6-] spray and the tempest [57] roar!

> CHORUS

> A [1] life on the ocean wave,
> A home on the rolling [57] deep,
> Where the scattered waters rave,
> And the winds their revels [1] keep.
> The [57] winds, the winds, the winds their revels [1] keep
> The [57] winds, the winds, the winds their revels [1] keep

Once [1] more on the deck I stand,
Of my own swift-gliding [57] craft,
Set sail! Farewell to the land,
The gale follows far a- [1] baft.
We [6-] shoot through the sparkling [b37] foam
Like an [6-] ocean bird set [b37] free,
Like the [6-] ocean bird, our [b37] home
We'll [6-] find far out on the [57] sea.

> The [57] winds, the winds, the winds their revels [1] keep

The [1] land is no longer in view,
The clouds have begun to [57] frown,
But with a stout vessel and crew
We'll say, "Let the storm come [1] down!
And the [6-] song of our heart shall [b37] be,
While the [6-] winds and the waters [b37] rave,
A [6-] life on the heaving [b37] sea,
A [6-] home on the bounding [57] wave!

[1] Stood there boldly, sweatin', in the sun
[4] Felt like a million, felt like number one
[b7] The height of summer, I'd [4] never felt that strong
Like a [1] rock

I was eighteen, didn't have a care
[4] Working for peanuts, not a dime to spare
But [b7] I was lean and [4] solid everywhere

My hands were steady, my eyes were clear and bright
[4] My walk had purpose, my steps were quick and light
And [b7] I held firmly to [4] what I felt was right
Like a [1] rock
Like a rock, I was strong as I could be
Like a [4] rock, nothin', ever got to me
Like a [b7] rock, I was [4] something to see
Like a [1] rock

And I [6-] stood arrow straight, unencumbered by the weight
Of all these [1] hustlers and their schemes
I stood [4] proud, I stood tall, high above it all
I [2-] still believed in my dreams [5]

[1] Twenty years now, where they go?
[4] Twenty years, I don't know
[b7] I sit and I wonder sometimes
[4] Where they've [1] gone

And sometimes late at night, [4] when I'm bathed in the firelight
[b7] The moon comes callin', a ghostly [4] white

Like a rock, standin', arrow straight
Like a [4] rock, chargin', from the gate
Like a [b7] rock, [4] carryin', the weight
Like a [1] rock

Like a rock, the sun upon my skin
Like a [4] rock, hard against the wind

[1] Underneath the lamplight
[57] By the barrack gate
Darling I remember
The way you used to [1] wait [17]
[4] Twas there that you whispered [1] tenderly
That [57] you loved me
And would [4] always be
My [b2-7] Lilli [57] of the [1] lamplight
My [57] own Lilli Mar-[1]lene

[1] Time would come for roll call
[57] Time for us to part
Darling I'd caress you
And press you to my [1] heart [17]
[4] And there neath that far off [1] lantern light
I'd [57] hold you tight
We'd kiss [4] good night
My [b2-7] Lilli [57] of the [1] lamplight
My [57] own Lilli Mar-[1]lene

[1] Orders came for sailing
[57] Somewhere over there
All confined to barracks
Was more than I could [1] bear [17]
[4] I knew you were waiting [1] in the street
I could [57] hear your feet
But [4] could not meet
My [b2-7] Lilli [57] of the [1] lamplight
My [57] own Lilli Mar-[1]lene

[1] Resting in a billet
[57] Just behind the line,
Even though we're parted
Your lips are close to [1] mine [17]
[4] You wait where the lantern [1] softly gleams
Your [57] sweet face seems
To [4] haunt my dreams

Chorus:
[57] We'll [1] drink a drink a drink,
To Lily the [57] pink the pink the pink,
The saviour of, our human [1] race,
For she invented, medicinal [57] compound,
Most efficacious, in every [1] case

Mr. [1] Freers, had sticky out [57] ears, and it made him awful [1] shy,
So they gave him, medicinal [57] compound, and now he's learning how to [1] fly.

Brother [1] Tony, was notably [57] bony, he would never eat his [1] meals
And so they gave him, medicinal [57] compound,
now they move him round on [1] wheels.

Chorus

Old Ebe- [1] nezer thought he was Julius [57] Caesar, and so they put him in a [1] home
Where they gave him, medicinal [57] compound, and now he's emperor of [1] Rome.

Johnny [1] Hammer, had a terrible st st st st [57] stammer, he could hardly s-s-say a [1] word,
And so they gave him, medicinal [57] compound, now he's seen, but never [1] heard.

Chorus

Auntie [1] Milly, ran willy [57] nilly, when her legs they did [1] recede,
And so they rubbed on medicinal [57] compound, now they call her Milly [1] Peed.

Jennifer [1] Eccles, had terrible [57] freckles, and the boys all called her [1] names
But she changed with medicinal [57] compounds, now he joins in all the [1] games

Chorus

Lily the [1] pink she turned to [57] drink, she filled up with paraffin [1] inside
And despite her medicinal [57] compound, sadly Pickled Lily [1] died
Up to [1] heaven her soul [57] ascended, oh the church bells they did [1] ring
She took with her medicinal [57] compound, Hark the herald angels [1] sing

[1] (humming over)
[1] [5] [b7] [4]
If [1] you, if you could return, don't let it [5] burn, don't let it fade.
I'm [1] sure I'm not being [b7] rude, but it's just your attitude,
It's tearing me a-[4]part, it's ruining everything.
And I [1] swore, I swore I would be true, and honey, so did [5] you.
So why were you holding her [b7] hand? Is that the way we stand?
Were you lying all the [4] time? Was it just a game to you?

> CHORUS
>
> But I'm in so [1] deep.
> You know I'm such a [5] fool for you.
> You got me wrapped a-[1]round your [b7] finger, ah, ha, ha.
> Do you have to let it [4] linger?
> Do you have to, do you have to,
> Do you have to let it [1] linger?

Oh, I [5] thought the world of you.
I thought [b7] nothing could go wrong,
But I was [4] wrong. I was wrong.

If [1] you, if you could get by, trying not to [5] lie,
Things wouldn't be so con-[b7]fused and I wouldn't feel so used,
But you always really [4] knew, I just wanna be with you.

> CHORUS
>
> But I'm in so [1] deep.
> You know I'm such a [5] fool for you.
> You got me wrapped a-[1]round your [b7] finger, ah, ha, ha.

> Do you have to, do you have to,
> Do you have to let it [1] linger?

I [5] gotta red mark on my [1] willy, and I [4] don't know what it is
so I [1] went off to the doctor, for [57] his diagno[5]sis
he [1] looked at it and poked at it
and [4] then started to laugh
he [5] said that it was lipstick
and I really need a [1] bath

I got [4] lipstick all round my [1] dipstick,
and I [5] don't know where its [1] from
but with a [4] little bit of soap and [1] water,
pretty [b2] soon it will be [5] gone
the [4] doctor put my mind at rest
it [1] was a big relief
with a [4] little bit of soap and water
there be [5] clean skin underneath
I got [4] lipstick all round my [1] dipstick
and I [5] don't know where its [1] from

[5] So I [1] went up to the [6-] bathroom, and I [4] jumped in to the tub
I [5] put my hands around it, and I gave it a good [1] scrub
I [1] listened to what the doctor said
I [4] followed his advise
but it [5] felt so bloody good
that I had to wash it [1] twice

I got [4] lipstick all round my [1] dipstick, and I [5] don't know where its [1] from
but [b7-] with a little bit of [4] soap and [1] water
pretty [b2] soon [1] it will be [5] gone

there be [5] clean skin underneath

I got [4] lipstick all round my [1] dipstick
and I [5] don't know [4] where its [1] from

There's a [1] boy, a little boy, shooting arrows in the [5] blue
And he's [5] aiming them at someone, but the question is at [1] who?
Is it [1] me, or is it you, it's hard to tell until you're [5] hit
But you'll [5] know it when they hit you cause they hurt a little [1] bit

Here they [1] come pouring out of the blue [1]
Little [b2] arrows for me and for you [b2]
You're falling [5] in love again, falling in love again
Little [1] arrows in your clothing, little [4] arrows in your hair
When [5] you're in love you'll find those little [1] arrows everywhere
Little [1] arrows that will hit you once, and [4] hit you once again
Little [5] arrows that hit everybody, every now and [1] then

[5] Woe, woe, [5] woe, the [5] pain (PAUSE)

Some folks [1] run and others hide but there ain't nothing they can [5] do
And [5] some folks put on armour but the arrows go straight [1] through
So you can [1] see there's no escape, so why not face it and ad [5] mit
That you [5] love those little arrows when they hurt a little [1] bit

Here they [1] come pouring out of the blue [1]
Little [b2] arrows for me and for you [b2]
You're falling [5] in love again, falling in love again
Little [1] arrows in your clothing, little [4] arrows in your hair

Intro: [1] [4] [1] [57] [1] - Last 2 lines of the verses

Chorus:
A [1] little bitty tear let me [57] down,
spoiled my act as a [1] clown.
I had it made up not to make a [4] frown,
oh, but a [1] little bitty [57] tear let me [1] down.

[1] When you said you were leaving to-[57]morrow,
that today was our last [1] day,
I said there'd be no [4] sorrow,
that I'd [1] laugh when you [57] walked a-[1]way.

Chorus

[1] I said I'd laugh when you [57] left me,
pull a funny as you went out the [1] door..
that I'd have another one [4] waitin',
I'd [1] wave good-[57]bye as you go.. [1] But..

Chorus

[1] Everything went like I [57] planned it,
and I really put on quite a [1] show.
In my heart I felt I could [4] stand it,
Til you [1] walked with your [57] grip through the [1] door.

Chorus

A [1] little bitty [57] tear let me [1] down.(x2.)

I'm [1] praying for [4] rain in Cali-[1]fornia

I ask the [5] man behind the bar for the [1] jukebox

When they [1] ask who's the [4] fool in the [1] corner [4] crying
I say [1]* [1]* little old [5] wine [57] drinker [1] me [57]

I [1] got here last [4] week from down in [1] Nashville

[3] What big eyes you have

So [b4] just to see that you don't get chased
I think I [7] ought to walk with you for a ways

[3] What full lips you have
[1-] They're sure to lure someone bad
So un-[b4]til you get to Grandma's place
I think you [7] ought to walk with me and be safe

[1-] I'm gonna keep my [3] sheep suit on
[b4] Till I'm sure that you've been shown
[6] That I can be trusted [b57] walkin' with you a-[1-]lone [b57]

[1-] Little Red [3] Riding Hood
[b4] I'd like to hold you if I could

[5] Hey down, [57] stay down, [4] stay down, [5] down.

Cause [1] Little Willy, [4] Willy won't, [5] go [1] home.
But you can't push [4] Willy round, [5] Willy won't [1] go.

[1-] Oh you are a [b57] mucky [1-] kid,
[b57] You're dirty [1-] [1-] as a [6] dustbin lid. [b57]
[1-] When he hears the [b57] things you [1-] did,
You'll [4-] get a [b57] belt from your [1-] Dad.
[1-] [b2-] [3-]

[4-] Oh you have your [1-] father's nose,
So crimson [b57] in the dark it [1-] glows, (optional [b2-] [3-])
[4-] If you're not asleep when the [1-] boozers close,
You'll [4-] get a [b57] belt from your [1-] Dad.

You [1-] look so scruffy [b57] lying [1-] there
Strawberry-jam tarts [6] in yer [b57] hair,
[1-] In the world you [b57] haven't a [1-] care
And [6] I have got [b57] so [1-] many.

[4-] It's quite a struggle [1-] every day
Living [b57] on your [1-] father's pay,
[4-] The bugger drinks it [1-] all away
And [1-] leaves me [b57] without [1-] any.

[b7] Perhaps one day we'll [b2-] have a splash,

[b7] We'll get a house in [b2-] Knotty Ash
And [b7] buy your [6] Dad a [b2-] brewery.

> It?s a [4-] surefire method, a financial weapon
> And with [6] these ten steps I can [7] get you to heaven

It's not [3] fair but you gotta play nice
They don't [1-] care what you do for a dime
I would [4-] like someone to blame
But it?s a [7] system we?ve created
Values [3] profit over product
And you'll [1-] know you?ve finally made it
When you're [4-] questioning your ethics
Tryna [7] justify the methods
[3] Walking through the world
With the [1-] privilege of Protection

[4-] Forgettin? all that matters
As you're [3] climbin? up the latter
Watch them [6] terrorize the children and
De-[4-]tain the [1-] mothers

[3] It's not fair I don't wanna play nice
They don?t [1-] care ?bout the cost of a life
Oh and [4-] though we claim United
Never [7] been more divided
[3] Facts are like fiction
[1-] Believe what you find
[4-] Believe in a dream
That we've never achieved
It?s a [3] lie

CHORUS

So how [3] lucky are we
To be living in the [1-] future
Where you don't have to learn
To write cursive or research
[4-] Built a machine so you don?t have to think
And [6] oh, imagine all the [7] money it'll bring
When we [3] lay off the workers
Release all the cogs
The [1-] system we had
Well it may have been flawed
The [4-] people got paychecks and pensions and pride
[6] Now they?re the rejects
In [7] times of A-[1-]I

[1-] Do you hear the people fighting?
Well a fight's just what they want
Cause if [4-] we would stand united
Then we'd see all that they?ve done
Do you [1-] hear your neighbors crying?
Do you see the sky above?
Oh this [4-] world, it once was wild
Now it?s paved and painted up
[1-] Do you care about children dying?
Overseas they're being bombed
In A-[7]merica they?re [1-] hiding
As the [4-] schools they get shot up
[1-] WE THE PEOPLE
It's a sequel
Oh the war was never won
And if [7] men are all made equal
[1-] Why do some still rise a-[6]bove?

CHORUS

Oh how [1-] lucky are we?
To be living in the future
Where the [4-] land is all claimed
And the weapons are nuclear
If [b57] you got pain
There?s a pill you can take
It'll [1-] throw you on the cycle where the money is made
We create your problems then we solve them
But the [4-] fix ain?t free
So give me those dollars
It's a [b57] surefire method
A financial weapon
Won't you [1-] put a good word in
If you make it to Heaven?

[1] Sally called when she got the word.
[4] She said, "I suppose you've heard a-[5]bout [1] Alice." [57]
Well I [1] rushed to the window and I looked outside,
[4] could hardly believe my eyes,
As a [5] big Limousine rolled up into [1] Alice's drive. [57]

Chorus:
I [1] don't know why she's leaving or where she's gonna go
I [4] guess she's got her reasons but I just don't wanna know.
'Cos for [57] twenty-four years I've been living next door to [1] Alice. [57]
[1] Twenty-four years just waiting for the chance
To [4] tell her how I feel and maybe get a second glance,
Now I've [5] got to get used to not [4] living next [5] door to [1] Alice. [57]

We [1] grew up together, two kids in the park.
We [4] carved our initials deep in the bark, [5] me and [1] Alice. [57]
Now she [1] walks through the door with her head held high,
[4] Just for a moment, I caught her eye.
A [5] big Limousine pulled slowly out of [1] Alice's drive [57]

Chorus

[1] And Sally called back and asked how I felt,
[4] And she said: "I know how to help - [57] get over [1] Alice". [57]
She said: "Now [1] Alice is gone, but I'm still here,
[4] You know I've been waiting for twenty-four years "
[5]* [NC] And a big limousine disappeared

Chorus

No I'll [5] never get used to not [4] living next [5] door to [1] Alice.

[1] A chug?a chug?a motion like a [6-] railroad train, now.
[1] (Come on baby, [6-] do the Loco?motion)
[4] Do it nice and easy, now, [2-] don't lose control:
[4] A little bit of rhythm and a [b27] lot of soul.
So [1] come on, come on and [57] do the Loco?motion with [1] me.

You gotta swing your hips, now [4] Come on, baby.
Jump [1] up Jump back Well, now, I [57] think you've got the knack.

[1] Move around the floor in a [6-] Locomotion.
[1] (Come on baby, [6-] do the Locomotion)
[1] Do it holding hands if [6-] you get the notion.
[1] (Come on baby, [6-] do the Locomotion)
There's [4] never been a dance that's so [2-] easy to do.
It [4] even makes you happy when you're [b27] feeling blue,
So [1] come on, come on and [57] do the Locomotion with [1] me

You gotta swing your hips now [4] That's right [1] You're doin' fine
[4] Come on baby [1] Jump up Jump back [4] You're looking good [1]

[1] La, la, la, [4] Loddy...[1] La, la, la, [4] Loddy..

[1] I've got a girl that I love so.
(Hey, Loddy, [5] Loddy, Lo.)
[5] Her name is Loddy, Loddy, Lo.
(Hey, Loddy, [1] Loddy, Lo)

[1] Hey, Loddy Loddy Loddy..Hey, Loddy [5] Loddy Lo.
[5] Hey, Loddy Loddy Loddy..Hey, Loddy [1] Loddy Lo.

[1] Hey, Loddy Loddy Loddy..Hey, Loddy [5] Loddy Lo.

And [4] with the moon above,
[1] I should sing words of love.
But [b2] all I do is sing her name,
[5] she gets the message just the same.

[1] Hey, Loddy Loddy Loddy..Hey, Loddy [5] Loddy Lo.

Intro .. [1] [4] [1]

[1] It was just about a year ago,
I [4] set out on the [1] road
Seeking my [3-] fame and [6-] fortune,
[2-] looking for a pot of [5] gold
Well [1] things got [3-] bad and [6-] things got worse
I [4] guess you know the [1] tune
Oh Lord, I'm [5] stuck in Lodi a[4]gain [1]

I rode in on the greyhound, but I'll be [4]walking out if I [1] go
I was just [3-] passing [6-] through,
must be [2-] seven months or [5] more
I [1] ran out of [3-] time and [6-] money,
[4] looks like they took my [1] friends
Oh Lord, I'm [5] stuck in Lodi ag[4]ain [1]

The man from the magazine, said [4] I was on my [1] way
Somewhere I [3-] lost con[6-]nections,
I [2-] ran out of songs to [5] play
I [1] came into [3-] town, a [6-] one night stand
[4] Looks like my plans fell [1] through
Oh Lord, I'm [5] stuck in Lodi ag[4]ain [1]

KEY CHANGE . [5] [b2] [b6] [b2]

[b2] (Mmmmmmmm)
[b2] If only I had a dollar, for [5] every song I've [b2] sung
Every [b5-] time I [b7-] had to play,
while [3-] people sat there [b6] drunk
You [b2] know I'd [b5-] catch the [b7-] next train,
[5] back to where I [b2] live
[b2] Oh Lord, I'm [b6] stuck in Lodi ag[5]ain
[b2] Oh Lord, I'm [b6] stuck in Lodi ag[5]ain [b2] [5]

[1] [1] [1] [1]
If you should [1] ask any [1] girl from the [4] parish a-[4]round
What [5] pleases her [5] most from her [57sus4] head to her [1] toes
She'll [1] say: I'm [1] not sure that it's [4] business of [4] yours
But I [5] do like to [5] waltz with a [1] log driver, ([5] for he goes)

For he goes [1] birling [1] down, a-[4]down white [4] water
[1] That's where the [1] log driver [5] learns to step [5] lightly
It's [1] birling [1] down, a [4] down white [4] water
A [1] log drivers waltz [1sus4] pleases [1] girls [5] com-[1]pletely
[1] [1sus4] [1] [5] [1]

When the [1] drive's nearly [1] over, I [4] like to go [4] down
To [5] see all the [5] lads while they [57sus4] work on the [1] river
I [1] know that come [1] evening they'll [4] be in the [4] town
And we [5] all want to [5] waltz with a [1] log driver ([5] for he goes)

For he goes [1] birling [1] down, a-[4]down white [4] water
[1] That's where the [1] log driver [5] learns to step [5] lightly
It's [1] birling [1] down, a [4] down white [4] water
A [1] log drivers waltz [1sus4] pleases [1] girls [5] com-[1]pletely
[1] [1sus4] [1] [5] [1]

To please [1] both my parents, [1] I've had to [4] give way
And [5] dance with the [5] doctors and [57sus4] merchants and [1] lawyers
[1] Their manners are [1] fine, but their [4] feet are of [4] clay
For there's [5] none with the [5] style of a [1] log driver ([5] for he goes)

For he goes [1] birling [1] down, a-[4]down white [4] water
[1] That's where the [1] log driver [5] learns to step [5] lightly
It's [1] birling [1] down, a [4] down white [4] water
A [1] log drivers waltz [1sus4] pleases [1] girls [5] com-[1]pletely
[1] [1sus4] [1] [5] [1]

I've had [1] my chances with [1] all [4] sorts of [4] men
But [5] none is so [5] fine as my [57sus4] lad on the [1] river
So [1] when the drive's [1] over, if he [4] asks me again
I [5] think I will marry my [1] log driver ([5] for he goes)

For he goes [1] birling [1] down, a-[4]down white [4] water
[1] That's where the [1] log driver [5] learns to step [5] lightly
It's [1] birling [1] down, a [4] down white [4] water
A [1] log drivers waltz [1sus4] pleases [1] girls [5] com-[1]pletely

Where you [4] drink champagne and it [b7] tastes just like cherry [1] cola
C O L A [4] Cola [4sus4] [4]

I [4] asked her her name and in a [b7] dark brown voice she said [1] Lola
L O L A [4] Lola [b7] lo lo lo lo [b6] Lola [b6] [b7] [1]

Well [1] I'm not the world's most physical guy
But when she [4] squeezed me tight she nearly [b7] broke my spine
Oh my [1] Lola lo lo lo lo [4] Lola [4sus4] [4]
Well [1] I'm not dumb but I can't understand
Why she [4] walked like a woman and [b7] talked like a man
Oh my [1] Lola lo lo lo lo [4] Lola [b7] lo lo lo lo [b6] Lola [b6] [b7] [1]

Well we [57] drank champagne and danced all night
[b27] under electric candlelight
She [4] picked me up and sat me on her knee
[4] She said little boy won't you come home with me

Well [1] I'm not the world's most passionate guy
But when I [4] looked in her eyes well I [b7] almost fell for my [1] Lola
Lo lo lo lo [4] Lola [b7] Lo lo lo lo lo [b6] Lola [b6] [b7] [1]

I [4] fell [1] to the [57] floor I got [1] down [b37] on my [6-] knees
Then [57] I looked at her and she at me

Well [1] that's the way that I want it to stay and
I [4] always want it to [b7] be that way for my [1] Lola lo lo lo lo [4] Lola [4sus4] [4]
[1] Girls will be boys and boys will be girls
It's a [4] mixed up muddled up [b7] shook up world
Except for [1] Lola lo lo lo lo [4] Lola

Well [57] I left home just a week before
And [b27] I'd never ever kissed a woman before
But [4] Lola smiled and took me by the hand
She said dear boy I'm gonna make you a man

Well [1] I'm not the world's most masculine man,
But I [4] know what I am and I'm [b7] glad I'm a man
And so is [1] Lola lo lo lo lo [4] Lola [b7] lo lo lo lo [b6] Lola [b6] [b7] [1]

[1] Well, when you're down on your luck,
And you ain't got a buck, in [5] London you're a goner.
Even [b2-7] London Bridge has [57] fallen down,
And [1] moved to Ari-[17]zona, now I know [4] why.
And I'll substantiate the rumor
That the English sense of humor, is [1] drier than than the Texas sand.
You can [6-] put up your dukes,
And you can [b27] set your boots; I'm [5] leavin' just as fast as I [57] can.
Chorus

CHORUS

I wanna go [4] home with the [1] armadillo [2-]
Good country [4] music from Ama-[5]rillo and Abi-[1]lene
The friendliest [4] people and the prettiest [5] women you've ever [1] seen.

Well, it's cold over here, and I swear
I [5] wish they'd turn the heat on [57]
And [b2-7] where in the world is that English girl
I [1] promised I would meet ... on the third [4] floor.
And of the whole damn lot, the only friend I've got
Is a [1] smoke and a cheap guitar.
My [6-] mind keeps roamin', my [b27] heart keeps longin'
To be [5] home in a Texas [57] bar.

Chorus

INSTRUMENTAL

I wanna go [4] home with the [1] armadillo [2-]
Good country [4] music from Ama-[5]rillo and Abi-[1]lene
The friendliest [4] people and the prettiest [5] women you've ever [1] seen.

Well, I decided that I'd get my cowboy hat
And [5] go down to Marble Arch Station.
'Cause when a Texan fancies, he'll take his chances.
[1] Chances will be taken, that's for [4] sure.
And them Limey eyes, they were eyein' the prize
That some [1] people call manly footwear.
And they said [6-] you're from down South, and when you [b27] open your mouth,
You [5] always seem to put your foot there.

Chorus
Repeat chorus 'til the cows come home

Lead me [57] to your [1] door.

The [6-]* wild [1maj7]* and [5] windy [4] night
That [1] the rain [17] washed [4] away [6-] [2-]
Has [1] left a pool of [6-] tears

[4] Why [1] leave me standing [6-] here, [2-]
Let me [57] know the [1] way.

[1] Many times I've [4] been alone
And [1] many times I've [b2-7] cried, [57]
[1] Anyway you'll [4] never know
The [1] many ways I've [b2-7] tried, [5]

Feeding off the souls that are [6-] lost and [1] cryin'
[1] Rails of sin only evil remains,
Watch out brother for that [57] long black [1] train.

[1] Look to the heaven's you can look to the sky,

[1] [1] [1] [1]
Well I [1] stumbled in the [1] darkness
I'm [1] lost and a-[1]lone
Though I said I'd go be-[1]fore us... [1]
And [1] show the [1maj7] way back [6-] home [6-]
Is there a [4] light up a-[5]head
I [1] can't hold on very [4] long [4]
[1] Forgive me pretty baby but I [5] always take the long way [1] home [1]

Money's just [1] something you [1] throw
Off the [1] back of a [1] train
Got a head full of [1] lightning... [1]
A [1] hat full [1maj7] of [6-] rain [6-]
And I [4] know that I [5] said
[1] I'd never do it [4] again [4]
And I [1] love you pretty baby but I [5] always take the long way [1] home [1]

I put [1] food on the [1] table
And a [1] roof over-[1] head
But I'd trade it all to-[1]morrow... [1]
For the [1] highway [1maj7] in-[6-]stead [6-]
Watch your [4] back, if I should [5] tell you
[1] Love's the only thing I've ever [4] known [4]
One thing for [1] sure pretty baby I [5] always take the long way [1] home

[5]mmm, [5]mmm, [4]mmm, [1]mmm, [4]mmm, [4]mmm, [5]mmm, [5]
You know I love you [1] baby.... [1], more than the whole wide [1] world
[1] You are my [1] woman
I [1] know you are [1maj7] my [6-] pearl [6-]
Let's go [4] out past the party [5] lights
Where we can [1] finally be [4] alone [4]
Come with [1] me...and [5] we can take the long way [1] home, mmm
[4] mmm, come with [1] me,
together [5] we can take the long way [1] home, mmm
[4] mmm, come with [1] me,
together, [5] we can take the long way [1] home [1]

[5] Woah, [1] oh, [4] oh; [57] for the longest -

[1] If you said good- [4]bye to me to- [1]night
[1] There would still be [b27] music left to [5] write
[b37] What else could [6-] I do; [57] I'm so in- [1]spired by [17] you
[4] That hasn't [2-] happened for the [5] longest [1] time

[1] Once I thought my [4] innocence was [1] gone
[1] Now I know that [b27] happiness goes [5] on
[b37] That's where you [6-] found me, [57] when you put your [1] arms a- [17]round me
[4] I haven't [2-] been there for the [5] longest [1] time

[1] Woah, [5] oh, [1] oh, [4] oh; [57] for the longest [1] time
[5] Woah, [1] oh, [4] oh; [57] for the longest -

[1] I'm that voice you're [4] hearing in the [1] hall
[1] And the greatest [b27] miracle of [5] all
[b37] Is how I [6-] need you, [57] and how you [1] needed [17] me too
[4] That hasn't [2-] happened for the [5] longest [1] time

[5] Maybe this won't [6-] last very long
But [b77] you feel so right, and [1] I could be wrong
[3-] Maybe I've been [6-] hoping too hard
But [b2] I've gone this [b27] far
And it's [5] more than I [57] hoped for

[1] Who knows how much [4] further we'll go [1] on
[1] Maybe I'll be [b27] sorry when you're [5] gone
[b37] I'll take my [6-] chances; [57] I forgot how [1] nice ro- [17]mance is
[4] I haven't [2-] been there for the [5] longest [1] time

[5] I had second [6-] thoughts at the start
I [b77] said to myself, hold [1] on to your heart
[3-] Now I know the [6-] woman that you are
You're [b2] wonderful so [b27] far
And it's [5] more than I [57] hoped for

[1] I don't care what [4] consequence it [1] brings
[1] I have been a [b27] fool for lesser [5] things
[b37] I want you [6-] so bad; [57] I think you [1] ought to [17] know that

As [1] I camped out one evening to [5] take the midnight [1] air
I heard a maiden grieving from [4] somewhere over [5] there
Who [4] is it you are [1] mourning; for [4] whom do you wear [1] grey?
She [4] said I pine for [1] no one - I [b27] just can't pay my [57] way.

Ever [4] since the chattering [1] classes in-[5]-vaded Hebden [1] Bridge
And [4] priced the likes of [1] me and mine to the [b27] pots of the Pennine [5] Ridge
To [4] South East Wales I was [1] forced to flee and [4] now I have no [1] job
That's why tonight I'm [4] sitting on [57] top of Lord Hereford's [1] Knob.

For you I'd waive expenses to [5] try and help you [1] out
For your beauty influences the [4] landscape herea-[5]-bouts
Look [4] up my betrothed at [1] Three Cocks; be [4] sure she'll see you [1] right
While [4] I go up to [1] Yorkshire and [b27] there avenge your [57] plight.

Soon [4] reports were filtering [1] through to me the [5] pair were drowning in [1] bliss
I [4] can't recall having [1] ever been cuck-[b27]-olded quite like [5] this
I [4] gave up hope [1] ironically for Lent, [4]
Come [1] see me living in a [4] bivvie if [57] you're ever up Pen-Y-[1]-Ghent.

Although upon reflection I've [5] been a trifle [1] green
I still think with affection on [4] everything that's [5] been
So pre-[4]-pare that fatted [1] calf and string [4] up the bunting [1] gay
Your [4] brisk and bonny [1] ploughboy is [b27] coming home to-[57]-day.
And to-[1]-night he'll be sitting on [5] top of Lord Hereford's [1] Knob.
[57] Tonight he'll be sitting on top of Lord Hereford's Knob.

On [1] touching the trig point [5] I found my thrill
To the [1] east Brokeback Mountain, to the [5] west Benny Hill
I'll [4] give you the grid ref - you [5] might like to go:
[1] S O 2 2 [1] 4 3 5 0.
[1] Could this be heaven, would [5] that be the Severn?
[1] Tumpa, Tumpa, you're [5] gonna need a jumper,
It [1] gets a bit chilly on [5] top of Lord Hereford's [1] Knob.

To-[1]-night he'll be sitting on [5] top of Lord Hereford's [1] Knob.
[57] All of our songs sound the [1] same;
Tonight he'll be sitting on [57] top of Lord Hereford's [1] Knob.
I'm [57] keeping two chevrons ap-[1]-art;
Tonight he'll be sitting on [57] top of Lord Hereford's [1] Knob.
You're the [57] reason why paradise [1] lost;
Tonight he'll be sitting on [57] top of Lord Hereford's [1] Knob.

[1] I danced in the morning when the [6-] world was [1] young.
I [5] danced in the Moon and the [4] Stars and the [5] Sun.
I [1] came down from Heaven and I [5] danced on [6-] Earth..
at [5] Bethlehem I [4] had my [1] birth.

[1] Dance, dance, wher-[6-]ever you may-[1]be..
[6-] I am the Lord of the [5] Dance, said He.
And I'll [1] lead you all, wher-[6-]ever you may [1] be..
And I'll [5] lead you all in the [1] dance, said He

[1] I danced for the scribes and the [6-] phar-[1]isees.
They [5] wouldn't dance, they [4] wouldn't follow [5] me.
I [1] danced for the fishermen, [5] James and [6-] John..
they [5] came with me so the [4] dance went [1] on.

Chorus

[1] I danced on the Sabbath and I [6-] cured the [1] lame.
The [5] holy people said it [4] was a [5] shame.
They [1] ripped, they stripped, they [6-] hung me [1] high..
they [5] left me there on a [4] cross to [1] die.

Chorus

[1] I danced on a Friday when the [6-] world turned [1] black.
It's [5] hard to dance with the [4] devil on your [5] back.
They [1] buried my body, [6-] they thought I was [1] gone..
but [5] I am the Dance and the [4] dance [1] goes on.

Chorus

[1] They cut me down and I [6-] leapt up [1] high.
[5] I am the Life that will [4] never, never [5] die.
I [1] live in you if you [6-] live in [1] Me..
I [5] am the Lord of the [4] Dance, said [1] He.

And you are [2-] not me
The lengths that I will [6-] go to
The distance in your [2-] eyes

That's me in the [2-] corner

Losing my re-[2-]ligion
Trying to [6-] keep up with you
And I [2-] don't know if I can do it
[6-] Oh no I've said too [5-] much
I haven't said e-[1]nough

Trying to [6-] keep eye on you
Like a [2-] hurt lost and blinded fool fool
[6-] Oh no I've said too [5-] much I set it [1] up

Consider [2-] this,
Consider this [6-] the hint of the century
Consider [2-] this the slip

On the far side of a [1] river
[6-] We lit a signal fire
In the middle of for-[1]ever

A warning of the [4] rocks
Waiting way out in the [2-] future
Did we know we'd get [6-] lost?

[6-] [5] [1]
Em-[2-]bittered by our blindness

[6-] Now we are a-[1]sleep
And everything's for-[6-]gotten
The water got so [1] deep
Will we ever see the [6-] bottom?
Still, we sit be-[4]calmed

Chasing shit that we don't need

The boiling of the sea
Be-[4]lieved the stories told us
[5] Satisfaction guarant-[6-]eed

Now we can't [1] see
Now we can't [6-] see
Now we can't [1] see
And, miles down the [4] road

One day, we woke up [4] old

[4] There's a Lost River that flows
[47] In a [b7] valley where no one [4] goes
Where the [17] wild water's [b7] rush
Rumbles [17] deep in the [4] hush
Gone far from there [47] now
Lord, [b7] I'll get back some-[4]how
To where the [17] Lost River [b7] winds
In the [17] shadow of the [4] pines

[4] Oh, Lost River, [47] now [b7] I'm coming [4] back

Where the [17] firewood's all [4] stacked
Oh Quebec girl, go with [47] me
Oh my [b7] belle, my fleur-de [4]-lis
Where the [17] Lost River [b7] winds
In the [17] shadow of the [4] pines

[4] Now everybody knows
[47] Where that [b7] Lost River [4] flows
It's [17] some place he's [b7] lost
Behind [17] bridges that he's [4] crossed
Well, he'd like to [47] return
But his [b7] bridges are all [4] burned
And he's [17] much too far [b7] down
To [17] return to higher [4] ground

[4] Oh Lost River, [47] far [b7] over the [4] ridge
Now [17] is it too [b7] late
For me to [17] build me a new [4] bridge
To the bright golden [47] time
When her [b7] love was still [4] mine
And the [17] world was still [b7] wild
Like the [17] heart of a [4] child

[4] Oh, Lost River, [47] now [b7] I'm coming [4] back
To the [17] pot-belly [b7] stove
Where the [17] firewood's all [4] stacked
Oh Quebec girl, go with [47] me

Don't [1] worry, I'm sure that you're still [6-] breaking hearts
with the efficien-[2-]cy that only youth can [5] harness.

And do you [1] still think love is a [6-] laserquest?
Or do you take it [2-] all too serious-[5]ly?
I've tried to [1] ask you this in some [6-] daydreams that I've had,
but you're always busy [2-] being make-[5] believe.

And [4] do you look into the mirror to remind [5] yourself you're there?
Or have [1] somebody's good-night kisses got that [4] covered?
Well I'm not being honest, I'll [5] pretend that you were [4] just some [1] lover.

[1] Now I can't think of there [6-] without thinking of you,
I [2-] doubt that comes as a [5] surprise.

[1] As [b6-7] love's old [b27] sto-[57]ry.

[1] Love [b6-7] is [b27] the [57] strangest thing
[1] No [b6-7] song of [b27] birds u-[57]pon the wing
[1] Shall [17] in our [4] hearts more [57] sweetly sing
[1] Than [b6-7] love's old [57] sto-[1]ry.

[b6-7] What-[6-]ever [b3-7] heart may de-[b67]sire,
[b2-7] Whatever [57] life may [1] send,
[4] This is a tale [b37] that [b6-7] never will [6-] tire.
[b27] This is the song without [57] end.

[1] Love [6-] is [b27] the [57] strongest thing
[1] The [6-] oldest [b27] yet the [57] latest thing;
[1] I on-[17]ly [4] hope that fate may bring
[6-] Love's [57] story to [1] you.

[b27] Love is the [57] sweetest [1] thing

[4] On a [1] day like today, we [4] passed the time a-[b2]way,
writing [5] love letters [57] in the [1] sand.
How you [1] laughed when I cried, each [4] time I saw the [b2] tide,

[1] Ladies you're damn right - you can't read a man's mind
We're living in two tribes, and [b3] heading for [4] war
[1] Nobody's perfect, we all gotta work it
But fellas, we're worth it, so [b3] don't break the [4] law

Your [1] call's late, big mistake,
You've gotta hang about in limbo for as long as I take
Next time, read my mind and [b3] I'll be good to [4] you
We're [1] gift-wrapped kitty cats, we're only turning into tigers when we gotta fight back
Let's go, Eskimo [b3] out into the [4] blue

[b3] Come take my hand, [4] understand that you can
You're my [b3] man and I need you [4] tonight
[b3] Come make my dreams, honey [4] hard as it seems
Loving [b3] me is as easy as [4] pie, [5] I

> CHORUS
>
> [1] I'm just a love machine, feeding my fantasy
> Give me a kiss or three [b3] and I'm [4] fine
> [1] I need a squeeze a day, instead of this negligee
> What will the neighbours say [b3] this [4] time

[1] I've been going crazy while you sleep
Searching for a language that the [b3] two of us can [4] speak so
[1] Mr. prehistoric, make your wheel, and I'll breathe underwater
'Cos I [b3] like the way it [4] feels

[1] Living on free food tickets
Water in the milk from a hole in the roof
Where the [b7] rain came through
What can you [4] do [5]

[1] Tears from your little sister
Crying because she doesn't have a dress without a patch
For the [b7] party to go
Oh but you [4] know she'll get [5] by

> CHORUS
>
> 'Cos she's [1] living in the love of the [4] common people
> [1] Smiles from the heart of a [5] family man
> [1] Daddy's gonna buy her a [4] dream to cling to
> [1] Mama's gonna love her just as [5] much as she can
> And she [1] can

It's a [1] good thing you don't have a bus fare
It would fall through the hole in your pocket
And you'd lose it in the [b7] snow on the ground
You got to walk into [4] town to find a [5] job

[1] Tryin' to keep your hands warm
When the hole in your shoe lets the snow come through
And [b7] chills you to the bone
So now you'd better go [4] home where it's [5] warm

You can [1] live in the love of the [4] common people
[1] Smiles from the heart of a [5] family man
[1] Daddy's gonna buy you a [4] dream to cling to
[1] Mama's gonna love you just as [5] much as she can
And she [1] can

[1] Living on a dream ain't easy
But the closer the knit the tighter the fit
And the [b7] chills stay away
You take 'em in [4] stride for family [5] pride

You know that [1] faith is your foundation
Whole lot of love and a warm conversation
But [b7] don't forget to pray
Just make it [4] strong where you be- [5] long

[1] Romeo take me somewhere we can be alone
[5] I'll be waiting - all there's left to do is run
[6-] You'll be the prince and I'll be the princess
[4] It's a love story [5] baby just say yes

[1] We were both young when I first saw you
[4] I close my eyes and the flashback starts
I'm standing [6-] there on a balcony of [2-] summer air

[1] See the lights, See the party the ball gowns
I [4] see you make your way through the crowd
And say [6-] hello, little did I [5] know

That [4] you were Romeo you were [5] throwing pebbles
And my [6-] daddy said stay away from [1] Juliet
And I was [4] crying on the staircase
[5] Begging you please don't [6-] go, and I [1] said

Chorus:
[1] Romeo take me somewhere we can be alone
[5] I'll be waiting - all there's left to do is run
[6-] You'll be the prince and I'll be the princess
[4] It's a love story [5] baby just say yes [1]

[1] So I sneak out to the garden to see you
[4] We keep quite because we're dead if they knew
So close your [6-] eyes,
Escape this town for a [5] little while

Cause [4] you were Romeo I was a [5] scarlet letter
and my [6-] daddy said stay away from [1] Juliet
But you [4] were everything [1] to me
and I was [5] begging you please don't [6-] go and I said [1]

Chorus

[1] Romeo save me, they try to tell me how to feel

[1] Was just a [6-] matter of [2-] time [57]

And it's [1] one of the painful kind [6-]
'Cuz now [4] it seems that you [5] wanted a [6-] martyr

'Cuz, baby, [1] I can't [6-] hang u-[2-]pon no lover's [57] cross

[4] So you're stuck up there at the country club
Callin' me down here on the phone
'Cause it's [1] after dark and your car won't start
And no one there'll take you home
Well, your [5] so called friends at the top
Can't stop their talkin' just to give you a ride
Why don't you [1] come down here
I'll buy you a beer, it'll help you swallow your [4] pride

[4] And we can have us a low class reunion
Right [1] here at Smokey Joe's
A low class reunion where the [4] good ol' good times roll
Where there's sawdust on the dance floor and [1] graffiti on the wall
Well, I'd rather be here with some low class friends
Than to have no friends at [4] all

[4] My my, it's good to see you
You sure are lookin' swell
Just [1] pay no mind to how I look,
I know I look like hell
But [5] you remember your old friends
Here's George and Bob and Sue
They've [1] helped me through a lot of nights
Just sittin' here waitin' for [4] you

I thought how she'd made him look [57] small

[1] My name is [5sus4] Luka
[4add9] I live on the [5sus4] second floor [4add9]
[1] I live up-[5sus4]stairs from you
[4add9] Yes I think you've [5sus4] seen me before

[b6-7] If you hear [5sus4] something late at [b6-7] night
Some kind of [5sus4] trouble, some kind of [4add9] fight
Just don't [5sus4] ask me what it was [4add9]
Just don't [5sus4] ask me what it was [4add9]
Just don't [5sus4] -stop- ask me what it [1] was

I think it's 'cause I'm [5sus4] clumsy
[4add9] I try not to [5sus4] talk too loud
[1] Maybe it's be-[5sus4]cause I'm crazy
[4add9] I try not to [5sus4] act too proud

[b6-7] They only [5sus4] hit until you [b6-7] cry
And after [5sus4] that you don't ask [4add9] why
You just don't [5sus4] argue anymore [4add9]
You just don't [5sus4] argue anymore [4add9]
You just don't [5sus4] -stop- argue any-[1]more

Yes I think I'm [5sus4] okay
[4add9] I walked into the [5sus4] door again
[1] If you ask that's [5sus4] what I'll say
And [4add9] it's not your business [5sus4] anyway

[b6-7] I guess I'd [5sus4] like to be a-[b6-7]lone
With nothing [5sus4] broken, nothing [4add9] thrown
Just don't [5sus4] ask me how I am [4add9]
Just don't [5sus4] ask me how I am [4add9]

[1] City girls just [1maj7] seem to find out [4] early;
[2-] how to open doors with just a [5] smile.
A [1] rich old man and [1maj7] she won't have to [4] worry;
she'll [2-] dress up all in [4] lace and go in [1] style.
[1] Late at night a [1maj7] big old house gets [4] lonely;
I [2-] guess every form of refuge has its [5] price.
[1] And it breaks her heart to [1maj7] think her love is [4] only
Given [2-] to a man with [4] hands as cold as [1] ice. [4] [5]

So she [1] tells him she must [1maj7] go out for the [4] evening
To [2-] comfort an old friend who's feeling [5] down.
But [1] he knows where she's [1maj7] goin' as she's [4] leavin'
She's [2-] headed for that [4] cheatin' [5] side of [1] town. [1] [4] [1]

Chorus:
You can't [1] hide [4] your lyin' [1] eyes, [4] [1]
and your [6-] smile [3-] is a thin dis-[2-]guise. [5]
I thought by [1] now [17] you'd real-[4]ize [b2]

[1maj7] [4] [4] [2-] [5] [1]
On the [1] other side of [1maj7] town a boy is [4] waiting,
with [2-] fiery eyes and dreams no one could [5] steal,
she [1] drives on through the [1maj7] night antici-[4]pating,
cause he [2-] makes her feel the [4] way she used to [1] feel.
She [1] rushes to [1maj7] his arms they fall to-[4]gether,
she [2-] whispers that it's only for a [5] while,
She [1] swears that soon she'll be [1maj7] coming back for-[4]ever,
she [2-] pulls away and [4] leaves him with a [1] smile [4][5]

Chorus

She [1] gets up and [1maj7] pours herself a [4] strong one
And [2-] stares out at the stars up in the [5] sky.
[1]Another night, it's [1maj7] gonna be a [4] long one;
She [2-] draws the shade and [4] hangs her head to [1] cry.
She [1] wonders how [1maj7] it ever got this [4] crazy,
she [2-] thinks about a boy she knew in [5] school.
Did [1] she get tired [1maj7] or did she just get [4] lazy,
she's [2-] so far gone she feels [4] just just like a [1] fool [4] [5]

[1] My, oh my, you [1maj7] sure know how to a-[4]range things;
You [2-] set it up so well, so careful [5]ly.
Ain't it [1] funny how your [1maj7] new life didn't [4] change things;
You're [2-] still the same old [4] girl you used to [1] be. [4] [5]

Chorus (no instrumental at the end)

[5] Now let me tell you a story 'bout a [1] man named Charlie
On this [5] tragic & fateful [b27] day
He put [5] 10 cents into his pocket, kissed his [1] wife and family
Went to [5] ride on the [b27] M.T.[5] A.

[5] But did he ever return? No, he [1] never returned,
And his [5] fate is still un-[b27]learned
He may [5] ride forever 'neath the [1] streets of Boston
He's the [5] man who [b27] never re-[5]turned

[5] Charlie handed in his dime at the [1] Kendall Square Station
And he [5] changed for Jamaica [b27] Plain
When he [5] got there the conductor told him "[1] One more nickel"
Charlie [5] couldn't get [b27] off that [5] train

[5] But did he ever return? No, he [1] never returned,
And his [5] fate is still un-[b27]learned
He may [5] ride forever 'neath the [1] streets of Boston
He's the [5] man who [b27] never re-[5]turned

Now [5] all night long Charlie [1] rides through the station
Saying, "[5] What will become of [b27] me?
How can [5] I afford to see my [1] sister in Chelsea
Or my [5] cousin in [b27] Roxbu-[5]ry?"

[5] But did he ever return? No, he [1] never returned,
And his [5] fate is still un-[b27]learned
He may [5] ride forever 'neath the [1] streets of Boston
He's the [5] man who [b27] never re-[5]turned

[5] Charlie's wife goes down to [1] Scollay Square Station
Every [5] day at a quarter past [b27] two
And through the [5] open window she hands [1] Charlie a sandwich
As the [5] train comes [b27] rumblin' [5] through

[5] But did he ever return? No, he [1] never returned,
And his [5] fate is still un-[b27]learned
He may [5] ride forever 'neath the [1] streets of Boston
He's the [5] man who [b27] never re-[5]turned

[5] Now you citizens of Boston, don't you [1] think it is a scandal
That the [5] people have to pay and [b27] pay
Fight the [5] fare increase, vote for [1] George O'Brien
And get [5] Charlie off the [b27] M.T.[5] A.!

[5] But did he ever return? No, he [1] never returned, and his [5] fate is still un-[b27]learned
He may [5] ride forever 'neath the [1] streets of Boston
He's the [5] man who [b27] never re-[5]turned x2

[1] Lilly was so good, [57] everybody could [1] tell.

Chorus (play between each verse):

Sae [4] dauntedly ga'ed [b7] he
He [4] played a spring and [b3] danced it 'round
Be[4]low the [b7] gallows [4] tree [1]

and the old men playing [6] checkers by the [1-] trees [3] [b2] [1-]

Chorus
[7] There will be another song for [b3-] me
For I will [3] sing [3-] it
[3] There will be another dream for me
Someone will [b3-] bring [7] it
[3] I will drink the wine while it is [1-] warm
and [b3-] never let you catch me looking at the [b57] sun
And [1-] after all the loves of my [7] life
[b3-] after all the loves of my [3] life
You'll still be the [6] one. [7]

I will [7] take my life into my [b3-] hands
and I will [3] use [3-] it
[3] I will win the worship in their eyes
and I will [b3-] lose [7] it
[3] I will have the things that I de[1-]sire
and my [b3-] passion flow like rivers through the [b57] sky.
And [1-] after all the loves of my life
[b3-] After all the loves of my [3] life
I'll be thinking of [6] you
and wondering [5-] why

Just a [6-] jack-knife has old Mac [2-] Heath dear

Mademoiselle from Armentieres, [1] Parlez-vous?
Mademoiselle from [57] Armentieres,
She [1] hadn't been kissed in [57] forty years,
[1] Hinky, dinky, [57] Parlez- [1] vous?

She might have been old for all we knew, [57] Parlez-vous?
She might have been old for all we knew, [1] Parlez-vous?
She might have been old for [57] all we knew,
When Na- [1] poleon fought at [57] Waterloo,
[1] Hinky, dinky, [57] Parlez- [1] vous?

Oh Madam have you a daughter fair, [57] Parlez-vous?
Oh Madam have you a daughter fair, [1] Parlez-vous?
Oh Madam have you a [57] daughter fair,
To [1] wash a soldier's' [57] underwear?
[1] Hinky, dinky, [57] Parlez- [1] vous?

The General got the Croix de Guerre, [57] Parlez-vous?
The General got the Croix de Guerre, [1] Parlez-vous?
The General got the [57] Croix de Guerre,
The [1] son-of-a-gun was [57] never there!
[1] Hinky, dinky, [57] Parlez- [1] vous?

The officers get the pie and cake, [1] Parlez-vous?
The officers get the [57] pie and cake,
And [1] all we get is a [57] bellyache, [1] Hinky, dinky, [57] Parlez- [1] vous?

The MPs say they won the war, [57] Parlez-vous?
The MPS think they won the war, [1] Parlez-vous?

She was [1] cruising up and down Canning [5] Place

and [1] me being just a [5] sailor, I gave [1] chase

[1] Well in the [4] morning I awoke, I was [1] flat and stoney broke
No [1] Jacket, trousers, waistcoat could I [5] find
When I [1] asked her where they were she [4] said, "My very good sir,
They're [1] down in Kelly's [5] pawnshop number [1] nine

[4] Let the sound take you a-[1]way

Last [5] night I [4] held Al-[1]addin's lamp
And so I [5] wished [4] that I could [1] stay
[5] Before [4] the [1] thing could answer me
[1] Well, someone [4] came and took the [1] lamp away
[5] I [4] looked a-[1]round, a [5] lousy [4] candle's [1] all I found

Well, [5] you [4] don't [1] know what [5] we [4] can [1] find
[5] Why don't you come with [4] me little [1] girl
On a [5] magic [4] carpet [1] ride
[5] You [4] don't [1] know what [5] we [4] can [1] see
[5] Why don't you tell your [4] dreams to [1] me
[5] Fantasy will [4] set you [1] free

[1] Close your eyes girl, [b3] look inside girl
[4] Let the sound take you a-[1]way
Fading

Well, [5] you [4] don't [1] know what [5] we [4] can [1] find
[5] Why don't you come with [4] me little [1] girl
On a [5] magic [4] carpet [1] ride
[5] You [4] don't [1] know what [5] we [4] can [1] see
[5] Why don't you tell your [4] dreams to [1] me
[5] Fantasy will [4] set you [1] free

[1] If you're feeling sad and blue [57] this is what you gotta do
[1] Give yourself a reason to [4] smile

[1] Make every [4] day a [57] ukulele [1] day and the world will [57] sing a-[1]long

[1] Make every [4] day a [57] ukulele [1] day and the world will [57] sing a-[1]long

[1] Now you're in that happy place [57] put a smile on every face
[1] That's what ukuleles can [4] do
[b27] Play alone or in a crowd, sing it soft or sing it loud
[57] It's all [b27] up to [57] you

[1] Make every [4] day a [57] ukulele [1] day and the world will [57] sing a-[1]long
[b27] Pick up your uke and [57] strum
[b27] you could be having [57] so [b27] much [57] fun
[1] Make every [4] day a [57] ukulele [1] day and the world will [57] sing a-[1]long

[1] Brother, sister we can be, [57] what we need is harmony
[1] Then perhaps we'll all under-[4]stand
[b27] After all is said and done spread the word to everyone
That [57] there's this [b27] simple [57] plan

[1] Make every [4] day a [57] ukulele [1] day and the world will [57] sing a-[1]long
[b27] Pick up your uke and [57] strum
[b27] you could be having [57] so [b27] much [57] fun

[1] I am a man of constant [4] sorrow
I've seen [5] trouble [57] all my [1] days.
[1] I bid farewell to old [4] Kentucky
The place where [5] I [57] was born and [1] raised.
(The place where [5] he [57] was born and [1] raised.)

[1] For six long years I've been in [4] trouble
No pleasure [5] here [57] on earth I've [1] found.
[1] For in this world I'm bound to [4] ramble
I have no [5] friends [57] to help me [1] now.
(He has no [5] friends [57] to help him [1] now.)

[1] It's fare thee well my own true [4] lover
I never [5] expect [57] to see you [1] again.
[1] For I'm bound to ride that Northern [4] railroad
Perhaps I'll [5] die [57] upon this [1] train.
(Perhaps he'll [5] die [57] upon that [1] train.)

[1] You can bury me in some deep [4] valley
For many [5] years [57] where I may [1] lay.
[1] Then you may learn to love [4] another
While I am [5] sleeping [57] in my [1] grave.
(While he is [5] sleeping [57] in his [1] grave.)

[1] Maybe your friends think I'm just a [4] stranger
My face you [5] never [57] will see [1] again.
[1] But there is one promise that is [4] given,
I'll meet you [5] on [57] God's golden [1] shore.

Man Who Broke The Bank At Monte Carlo, The

I've [1] just got here, thro' [5] Paris,
[5] from the [1] sunny southern [b67] shore.
[b67] I to [2-] Monte Carlo [57] went, just to [1] raise my winter's rent.
Dame [1] Fortune [6-] smiled [5] upon me as [1] she'd never done [b5-] be-fore
And I've [5] now such lots of [b2] money, I'm a [5] gent.
Yes, I've now such lots of [b27] money, I'm a [5] gent.

As I [5] walk along the Bois Boolong
with an [1] independent air,
You can [2-] hear the girls de-[5]clare,
"He must be [1] a millionaire."
You can [2-] hear them sigh, and [57] wish to die,
you can [1] see them wink [b67] the other eye
At the [b27] man who broke the [57] bank at Monte Car-[1]lo.

I stay indoors till [5] after lunch, and [1] then my daily [b67] walk
To the [2-] great Triumphal [5] Arch is one [1] great triumphal march.
Observed by each [5] observer with the [1] keenness of a [b2-] hawk,
I'm a [5] mass of money, [b2] linen, silk, and [5] starch.
I'm a [5] mass of money, [b27] linen, silk, and [5] starch. [57]

As I [5] walk along the Bois Boolong
with an [1] independent air,
You can [2-] hear the girls de-[5]clare,
"He must be [1] a millionaire."
You can [2-] hear them sigh, and [57] wish to die,
you can [1] see them wink [b67] the other eye
At the [b27] man who broke the [57] bank at Monte Car-[1]lo.

I patronized the [5] tables at the [1] Monte Carlo [b67] hell
Till they [2-] hadn't got a [5] sou for a [1] Christian or a Jew,
So I quickly went [5] to Paris for the [1] charms of mad'moi-[b2-]selle,
Who's the [5] loadstone of my [b27] heart what can I [5] do,
When with the twenty tongues she [b27] swears that she'll be [5] true? [57]

Play/sing chorus twice

As I [5] walk along the Bois Boolong
with an [1] independent air,
You can [2-] hear the girls de-[5]clare,
"He must be [1] a millionaire."
You can [2-] hear them sigh, and [57] wish to die,
you can [1] see them wink [b67] the other eye
At the [b27] man who broke the [57] bank at Monte Car-[1]lo.

Got [5] some words on cardboard got your [b2] picture in my hand,
[1] Saying if you see this girl can you tell her where I am,
Some try to [5] hand me money they don't [b2] understand,
I'm not [1] broke I'm just a broken hearted man,
I know it [5] makes no sense, but what else [b2] can I do,
How [1] can I move on when I've been in love with you

Cos if [5] one day you wake up and find that [b2] your missing me,
And your [6-] heart starts to wonder where on this [1] earth I can be,
Thinking [5] maybe you'd come back here to the [b2] place that we'd meet,

From the [3-] moment a girl gets to [b7-] be full grown
The [3-] very first thing she [4] lear[57]ns

[b5] Many's the [37] time I've felt [67] lonely [b2] (Ohhh)
[b27] Many's the time I've felt [b5] sad [b57]
But [b1] now I have [6] found a com-[b5]panion [37]
The [67] best pal that I've ever [b2] had

Oh [b5] who is it [3] carries the [6] papers [67]
When I [b27] take him for romps in the [77] park (Ah, your grandfather!)
Who [b1] comes when I [6] whistle, who [b5] sits when I [37] say
And [67] who doesn't whimper or [6-7] bark [b2] (I know)

Yes, a [b5] man's best [3] friend is his [67] duck (His what?!)
Oh a [6-7] duck will [b27] bring you good [b5] luck [b57]
Oh I [b1] don't want a [6] budgie who [b5] says naughty [67] words (Get stuffed!)
And I [67] don't take to titmice (squeak) [b27] or hummingbirds (Hmmm)
And a [b5] hen can do [37] nothing but [6] cluck (Cluck cluck)
No, a [6-7] man's best [b27] friend is his [b5] duck [b27]

Spoken - play along behind

What is a [b5] duck?
A [37] duck is fi-[67]delity with feathers.
A [b2] watchdog with webbed feet.
A [b5] duck is strong, even when [b1] wet.
And when you [67] come home after a [b57] hard day
being [3-7] nibbled by vultures,
[67] something will run down the path to meet you.
Something who [b27] cares, your [b5] duck.
And as you [3] settle into your [67] armchair,
she'll climb up on your [6-7] knee,
and as she [b27] lays her [b5] head on your [37] shoulder,
and lays her [6-7] egg in your [b27] hand,
she'll stick her [b5] beak in your ear and [3-7] whisper [6-7] softly (Quack).
[b27] And you'll know, [b5] you'll know you love her,
you'll know [37] because she's [6] your old duck.

[b47] Oh a man's best friend is his [7] duck (Quack [77] quack)
A [7-7] duck is well [37] known for its [6] pluck (Quack quack)
If a [6] burglar breaks [7] in, it'll [6] chase him [4-] back (Ooh 'eck!)
And [77] scare him away with a [37] spine chilling (Quack)
'Cos [6] you can get a [b47] very nasty [77] suck (slurp)
If [7-] you muck a-[3]bout with a [6] duck (Quack [b47] quack)

A [77] man's best [3] friend is his [6] duck [b47] (All together now)

Oh a [77] man's best [37] friend is his [6] duck

Intro: [1]/// [1]//
[1] I've been over Snowdon, I've slept upon Crowdon
I've camped by the Waynestones as [5] well
[5] I've sunbathed on Kinder, been burned to a cinder
And many more things I can [1] tell
[1] My rucksack has oft been me [5] pillow, The heather has oft been me [1] bed
And sooner than part from the [5] mountains, I think I would rather be [1] dead

Chorus:
[1] I'm a rambler, I'm a rambler from [5] Manchester way
I get all me pleasure the [1] hard moorland way
I may be a wage-slave on [5] Monday
But I am a free man on [1] Sunday

The [1] day was just ending and I was descending
Down Grinesbrook just by Upper [5] Tor
[5] When a voice cried "Hey you" in the way keepers do
He'd the worst face that ever I [1] saw
The things that he said were un-[5]pleasant, In the teeth of his fury I [1] said
"Sooner than part from the [5] mountains, I think I would rather be [1] dead"

Chorus

He [1] called me a louse and said "Think of the grouse"
Well I thought, but I still couldn't [5] see
[5] Why all Kinder Scout and the moors roundabout
Couldn't take both the poor grouse and [1] me
He said "All this land is my [5] master's", At that I stood shaking my [1] head
No man has the right to own [5] mountains, Any more than the deep ocean [1] bed

Chorus

I [1] once loved a maid, a spot welder by trade
She was fair as the Rowan in [5] bloom
[5] And the bloom of her eye matched the blue Moreland sky
I wooed her from April to [1] June
On the day that we should have been [5] married, I went for a ramble in-[1]stead
For sooner than part from the [5] mountains, I think I would rather be [1] dead

Chorus
So I'll [1] walk where I will over mountain and hill, and I'll lie where the bracken is [5] deep
[5] I belong to the mountains, the clear running fountains
Where the grey rocks lie ragged and [1] steep
I've seen the white hare in the [5] gullys, And the curlew fly high over-[1]head
And sooner than part from the [5] mountains, I think I would rather be [1] dead
Chorus x 2 slow down on last line with one strum on last [1] Sunday

[4] Yes I had a woman love me
[1] I gave her what there was of me
[b7] And it was good as it could be [4]
[4] Then I heard a wild world calling
[1] I saw a lone star falling
[b7] I caught a song and I set it free [4]

> And many a [2-] long, long and lonesome [4] highway
> Lies be-[2-]fore us as we [1] go
> And in the [5-] end I'll do it [2-] my way

[4] I believe in love and danger
[1] I believe the truth is stranger
[b7] I believe that fear is much too strong [4]
[4] And I believe the best will find me
[1] When I leave the rest behind me
[b7] Out on the highway I'm my own [4]

[5-] *Every night's a new beginning*
[2-] *Every day the world keeps spinning*
[6-] *Sometimes it's hard to stand upon* [1] *I know*
[5-] *To the east the moon comes showing*
[2-] *To the west there's storm clouds growing*
[6-] *Though by myself I'm not a-*[1]*l...one no more*

[4] My father on his death bed told me
[1] There's really nothing left to hold me
[b7] Though I was there, he died alone [4]
[4] It's gonna take a fast train leaving
[1] To shake my world of grieving
[b7] I guess I'll go on until it's gone [4]

The [1] first time that I [57] picked it up, I [1] had a big [57] surprise,
'Cause [4] right on the bottom were [1] two big buttons
that [b2] looked like big green [57] eyes.
I [1] first pushed one and [57] then the other, [1] then I twisted its [4] lid,
And when I set it [1] down again, [b2] here is what it [57] did.

It went [1] zip when it moved and [57] pop when it stopped,
And [1] whirrrrrr when it stood [4] still.
I never knew just [1] what it was and I [57] guess I never [1] will.

It [1] first marched left and [57] then marched straight, [1] then marched under a [57] chair,
And [4] when I looked where [1] it had gone it [b2] wasn't even [57] there.
I [1] started to cry but my [57] daddy laughted 'cause he [1] knew that I would [4] find,
When I turned around my [1] marvelous toy would be [b2] chugging on be [57] hind.

It went [1] zip when it moved and [57] pop when it stopped,
And [1] whirrrrrr when it stood [4] still.
I never knew just [1] what it was and I [57] guess I never [1] will.

The [1] years have gone by too [57] quickly it seems, now [1] I have my own little [57] boy,
And [4] yesterday I [1] gave to him my [b2] marvelous little [57] toy.
His [1] eyes nearly popped right [57] out of his head and he [1] gave a squeal of [4] glee,
Neither one of us knows just [1] what it is but he [b2] loves it just like [57] me.

It went [1] zip when it moved and [57] pop when it stopped,
And [1] whirrrrrr when it stood [4] still.
I never knew just [1] what it was and I [57] guess I never [1] will.

.. She [1] went down last October,
In a [4] pouring [5] driving [1] rain,
The [2-] skipper he'd been drinking and
The [4] mate he felt no [5] pain,
Too [1] close to Three Mile Rock and
She was [4] dealt her mortal [1] blow and
The [2-] Mary Ellen Carter settled [5] low. [5]
There was [1] just us five aboard her,
When she [4] finally was a-[1]wash,
We [2-] worked like hell to save her,
All [4] heedless of the [5] cost, and
The [1] groan she gave as she went down,
It [4] caused us to pro-[1]claim,
That the [2-] Mary Ellen [5] Carter would rise a-[1]gain.

[1] [1] [1] [1]
.. Well the [1] owners wrote her off,
Not a [4] nickel [5] would they [1] spend,
"She gave [2-] twenty years of service, boys,
Then [4] met her sorry [5] end.
But in-[1]surance paid the loss to us,
So [4] let her rest be-[1]low.",
Then they [2-] laughed at us and said we had to [5] go. [5]
But we [1] talked of her all winter,
Some [4] days around the [1] clock.
For she's [2-] worth a quarter million,
A-[4]floating at the [5] dock and
With [1] every jar that hit the bar,
We [4] swore we would re-[1]main and
Make the [2-] Mary Ellen [5] Carter rise a-[1]gain!

All [1] spring now we've been with her,
On a [4] barge lent [5] by a [1] friend.

Thank [1] God it's only sixty feet, and

I'd [2-] never have the strength to go be-[5]low [5]
But we've [1] patched her rents stopped her vents,
Dogged [4] hatch, and portholes [1] down,

I [b7] fell in love with Mary from the [17] dairy
But Mary wouldn't [47] fall in love with [b7] me.
Down by an old mill stream
We [4] both sat down to [b27] dream
[17] Little did she know that I was [47] thinking up a scheme,

She [b7] said, 'Let's pick some buttercups and [17] daisies',
But those buttercups were [b67] full of marga-[b27]rine
She [57] slipped and we both
Down [17] by a wishing well
In the [47] same place where I fell for Nellie [b7] Dean. [47][b7]

I [b7] fell in love with Mary from the [17] dairy

We [4] both sat down to [b27] dream
[17] Little did she know that I was [47] thinking up a scheme,

'Now [b7] on our farm,' said Mary from the [17] dairy,
'We've got the finest cows you've ever [b27] seen.
I [57] don't do things by halves -
I'll [17] let you see my calves,
And they're [47] not the same shape calves as Nellie [b7] Deans

We [b7] walked and talked together in the [17] moonlight,
She asked me [47] what I knew of farme-[b7]ry,
I said, 'Mary, I'm no fool,
You [4] can't milk Barney's [b27] Bull.'
[17] That's when Mary from the [47] dairy fell for me.

The [b7] wife she says that she is going to [17] leave me,
The moment that she [b67] does then I am [b27] free,
There's [57] a little girl I know
I'll [17] take her and I'll show,
Where [47] Mary from the Dairy fell for [b7] me.

Intro: [1] [4] [2-] [1] [5] [1] (last 2 lines of 1st verse)

[1] Long time ago in [4] Bethle-[2-]-hem
So the [5] Holy Bible [1] say,
Mary's boy-child, [4] Jesus [2-] Christ
Was [1] born on [5] Christmas [1] Day.

Chorus:
Hark now! [4] Hear the [5] angels [1] sing,
A [6-] king was [2-] born to-[5]-day,
And [1] man will live for-[4]-ever [2-] more
Be-[1]-cause of [5] Christmas [1] day.

[1] While shepherds watch their [4] flocks by [2-] night,
They see a [5] bright new shining [1] star,
They hear a choir [4] sing a [2-] song,
The music [1] seemed to [5] come from a-[1]-far.

Chorus

[1] Now Joseph and his [4] wife [2-] Mary
Came to [5] Bethlehem [1] that night,
They found no place to [4] bear the [2-] child
Not a [1] single [5] room was in [1] sight.

Chorus

[1] By and by they found a [4] little [2-] nook
In a [5] stable all for-[1]-lorn
And in a manger [4] cold and [2-] dark,
Mary's [1] little [5] boy was [1] born.

Chorus

Trumpets [4] sound and [5] angels [1] sing,
[6-] Listen to [2-] what they [5] say,
That [1] man will live for-[4]-ever [2-] more
[1] Because of [5] Christmas [1] day.

[4] Surely it's not too much to ask
The [1] bravest carry [5] on though still a-[1]fraid

[4] Bang your drum, do what you can

It's the way to say we [b27] think you are the [5] best

Matchstalk Men and Matchstalk Cats and Dogs

artist: Brian and Michael, writer: Michael Coleman and Kevin Parrott

Brian and Michael - https://www.youtube.com/watch?v=kmopSVOMSsU

He [1] painted Salford's smokey tops
On [6-] cardboard boxes from the shop
And [b6] parts of Ancoats [b67] where I used to [2-] play
I'm [4] sure he once walked down our street
for he [1] painted kids with nowt on their feet
The [5] clothes they wore had all seen better [1] days.

Now they said his works of art were dull,
no [6-] room and all the walls were full,
But [b6] Lowry didn't [b67] care much any [2-]way,
They [4] said he just paints cats and dogs
and [1] matchstalk men in boots and clogs
And [5] Lowry said that's just the way they'll [1] stay. [5]

And he painted [1] matchstalk men and matchstalk cats and [4] dogs,
He painted [5] kids on the corner of the street who were sparking [1] clogs, [5]
Now he [1] takes his brush and he waits out- [4]side those factory gates
To paint his [5] matchstalk men and matchstalk cats and [1] dogs.

[1] Now canvas and brushes were wearing thin
when [6-] London started calling him
To [b6] come on down and [b67] wear the old flat [2-] cap,
They said [4] tell us all about your ways and all a [1]bout those Salford days
Is it [5] true you're just an ordinary [1] chap? [5]

And he painted [1] matchstalk men and matchstalk cats and [4] dogs,
He painted [5] kids on the corner of the street who were sparking [1] clogs, [5]
Now he [1] takes his brush and he waits out- [4]side those factory gates
To paint his [5] matchstalk men and matchstalk cats and [1] dogs.

Now [1] Lowrys hang upon the [6-] wall be- [4]side the greatest of them all
And [b67] even the Mona Lisa takes a [2-] bow,
This [4] tired old man with hair like snow told [1] northern folk it's time to go,
The [5] fever came and the good Lord mopped his [1] brow . [5]

And he painted [1] matchstalk men and matchstalk cats and [4] dogs,
He painted [5] kids on the corner of the street who were sparking [1] clogs, [5]
Now he [1] takes his brush and he waits out- [4]side those factory gates
To paint his [5] matchstalk men and matchstalk cats and [1] dogs.

[b2] And he left us matchstalk men and matchstalk cats and [3-]dogs,
And he left us [b6] kids on the corner of the street who were sparking [b2] clogs, [b6]
Now he [b2] takes his brush and he waits out- [3-]side those pearly gates
To paint his [b6] matchstalk men and matchstalk cats and [b2] dogs.

[1-] A holiday, a holiday and the first one of the year
[3] Lord Donald's wife [7] came into the church,
The [1-] gospel [5-] for to [1-] hear
And when the meeting it was done, she cast her eyes about
[3] And there she saw little [7] Matty Groves [1-] walking [5-] in the [1-] crowd
"Come home with me, little Matty Groves, come home with me tonight
[3] Come home with me, little Matty Groves and [1-] sleep with [5-] me 'til [1-] light"
"Oh, I can't come home, I won't come home and sleep with you tonight
[3] By the rings on your fingers [7] I can tell [1-] you are Lord [5-] Donald's [1-] wife"
"What if I am Lord Donald's wife? Lord Donald's not at home
[3] He is out in the [7] far cornfields [1-] bringing the [5-] yearlings [1-] home"

And a servant who was standing by and hearing what was said
[3] He swore Lord Donald [7] he would know
[1-] before the [5-] sun would [1-] set
And in his hurry to carry the news he bent his breast and ran
[3] And when he came to the [7] broad millstream
he [1-] took off his [5-] shoes and [1-] swam
Little Matty Groves, he lay down and took a little sleep
[3] When he awoke, [7] Lord Donald was [1-] standing [5-] at his [1-] feet
Saying "How do you like my feather bed and how do you like my sheets?
[3] How do you like [7] my lady who [1-] lies in your [5-] arms [1-] asleep?"

"Oh, well I like your feather bed and well I like your sheets
[3] But better I like your [7] lady gay who [1-] lies in my [5-] arms [1-] asleep"
"Well, get up, get up," Lord Donald cried "Get up as quick as you can
[3] It'll never be said in [7] fair England,I [1-] slew a [5-] naked [1-] man"
"Oh, I can't get up, I won't get up I can't get up for my life
[3] For you have two long [7] beaten swords and [1-] I not a [5-] pocket [1-] knife"

"Well it's true I have two beaten swords and they cost me deep in the purse
[3] But you will have the [7] better of them and [1-] I will [5-] have the [1-] worse
And you will strike the very first blow and strike it like a man
[3] I will strike the very next blow and [1-] I'll kill [5-] you if I [1-] can"
So Matty struck the very first blow and he hurt Lord Donald sore
[3] Lord Donald struck the [7] very next blow and [1-] Matty [5-] struck no [1-] more
And then Lord Donald he took his wife and he sat her on his knee
[3] Saying "Who do you like the [7] best of us [1-] Matty [5-] Groves or [1-] me?"
And then up spoke his own dear wife, never heard to speak so free
[3] "I'd rather a kiss from [7] dead Matty's lips than [1-] you or [5-] your [1-] finery".

Lord Donald he jumped up and loudly he did bawl
[3] He struck his wife right [7] through the heart
and [1-] pinned her [5-] against the [1-] wall
"A grave, a grave," Lord Donald cried "To put these lovers in
But bury my lady at the [7] top for [1-] she was of [b5-7] noble [1-] kin"

[1] [2-] [4] [5] x2

I re-[1]member the day we had [4] nothin' to do
[5] We went down to the [1] City Zoo
[6-] Just to kill an [2-] hour or two
[5] Out in the good sun-[1]shine

[1] But we had so much fun, we were [4] glad that we came
[5] We fed all the animals and [1] gave each a name
[6-] An' didn't even mind when it [2-] started to rain
[5] We had a real good [1] time

[1] But now that it's over and [4] you're far away
[5] I miss you more with [1] each passing day
[6-] And all my friends sympa-[2-]thise and say
[5] "You'll forget in [1] time,
Yes you will, [5] give yourself a little more [1] time"

But it's [4] already been well [5] over a year
And [1] just in case you're interested you [4] might like to hear
How [2-] everybody's doing [5] down at the City [1] Zoo
Without [17] you

Well the [4] monkeys forgot ya and the [5] hippo forgot ya
And [1] so did the kanga-[4]roo
[1] But me and the elephant, [5] we still remember you [6-] [4]
[1] Me and the elephant, [5] we'll never forget [1] you [5]

Well I [1] wrote to Ann Landers and [4] Dear Abby too
And [5] sought their advice as to [1] what I should do
And they [6-] said everything that re-[2-]minds me of you
[5] Would all have to [1] go [5]

So I [1] burned all your pictures, ex-[4]cept two or three
The [5] one by my bed and [1] one on my TV
And the [6-] one that I always [2-] carry with me
[5] Everywhere I [1] go [17]

Now to-[4]day was so nice and since [5] I was in town
I [1] thought I'd take the opportuni-[4]ty to go down
And [2-] see how everyone is [5] down at the City [1] Zoo
And what's [17] new

Well the [4] rhino forgot ya an' the [5] zebra forgot ya
The [1] polar bear and tiger [4] too [4-]
But [1] me and the elephant, [5] we still remember [6-] you [4-]
[1] Me and the elephant, [5] we'll never forget [1] you [5] [1]

feelin' nearly faded as my [57] jeans

Took us all the way to New Or [1] leans
[1] I took my harpoon out of my dirty red bandana
And was blowin' sad while Bobby sung the [4] blues,
[4] With them windshield wipers slapping time,
and [1] Bobby clapping hands with mine
We [57] sang every song that driver [1] knew

[4] Freedom's just another word for [1] nothing left to lose

[4] Feeling good was easy, Lord, when [1] Bobby sang the blues
[57] Feeling good was good enough for me;
good enough for me and bobby Mc [1] Gee.

From the [1] coal mines of Kentucky to the California sun
Bobby shared the secrets of my [57] soul
[57] Standin' right beside me, Lord, through everything I'd done
Every night she kept me from the [1] cold
[1] Then somewhere near Selinas Lord, I let her slip away
Lookin' for the home |I hope she'll [4] find
[4] But I'd trade all my tomorrows for a [1] single yesterday

[1] I'm forever [4] blowing [1] bubbles, [4] pretty bubbles in the [1] air
[4] They fly so [1] high, [4] nearly touch the [1] sky
[b27] Then like my dreams they [5] fade and die
[1] Fortunes always [b37] hiding - [6-] I've looked every [5] where
[1] I'm forever [4] blowing [1] bubbles, pretty [b27] bubbles [57] in the [1] air

[1] Pack up your troubles in your old kit bag and [4] smile, smile, [1] smile
While you've a Lucifer to light your fag, [4] smile boys that's the [5] style.
[1] What's the use of [5] worrying, it [4] never [1] was worth [5] while - so
[1] Pack up your troubles in your old kit bag and [4] smile, [5] smile, [1] smile.

It's a [1] long way to Tipperary, it's a [4] long way to [1] go.
It's a long way to Tipperary, to the [b27] sweetest gal I [5] know.
[1] Goodbye Piccadilly, [4] farewell Leicester [b37] Square
It's a [1] long, long way to Tipper[4]a[1]ry,
but my [57] heart's right [1] there.

[1] Show me the way to go home, I'm [4] tired and I want to go to [1] bed
I had a little drink about an hour ago and its [b27] gone right to my [5] head
Where [1] ever I may roam, on [4] land or sea or [b37] foam
You will always hear me sing this [1] song
[b27] Show me the [57] way to go [1] home.

[17] You are my [4] sunshine, my only [47] sunshine
You make me [b7] happy when skies are [4] grey [47]
You'll never [b7] know dear, how much I [4] love [2-] you
Please don't [4] take my [17] sunshine [4] away.
[17] The other [4] night dear as I lay [47] dreaming
I dreamt that [b7] you were by my [4] side
Came disill-[b7]usion when I a-[4]woke dear
You were [4] gone and [17] then I [4] cried

[1] She's a lassie from Lancashire, [57] just a lassie from [1] Lancashire
[1] She's the lassie that I love dear, [b27] oh so [5] dear.
[1] Though she dresses in clogs and shawl
[57] She's the prettiest [1] of them all
None could be [57] fairer or [1] rarer than [5] Sarah
My [b27] lassie from [57] Lanca[1]shire

[1] I belong to Glasgow, [4] dear old Glasgow [1] town
But what's the matter wi Glasgow, for it's [b27] going round and [5] round.

[1] Midnight, not a sound from the [6-] pavement
Has the moon lost her [4] memory?
She is smiling a[3-]lone
In the [2-] lamplight, the withered leaves co[6-]llect at my feet
And the [5] wind be[4]gins to [1] moan

[1] Memory, all alone in the [6-] moonlight
I can smile at the [4] old days
I was beautiful [3-] then
I re[2-]member the time I knew what [6-] happiness was
Let the [5] memory [4] live a[1]gain

[3-] Every [4] streetlamp [3-] seems to [4] beat
a [3-] fata[1]lis[b2]tic [5] warning
[3-] Someone [6-] mutters, and a [b2] streetlamp [5maj7] gutters,
And [3-] soon it [b67] will be [b2] morning.

[1] Daylight, I must wait for the [6-] sunrise
I must think of a [4] new life
And I mustn't give [3-] in.
When the [2-] dawn comes, tonight will be a [6-] memory too
And a [5] new day [4] will be[1]gin

Instrumental Verse 1
[1-] Burnt out [b2] ends of [1-] smokey [b2] days
The [1-] stale cold [b6] smell of [b3] morning
The [1-] streetlamp [4-] dies, another [b77] night is [b3maj7] over
A[1-]nother [4] day is [b7] dawning

[b3] Touch me!
It's so easy to [1-] leave me
All alone with the [b6] memory of my days in the[5-] sun
If you [4-] touch me, you'll understand what [1-] happiness is
Look, a [b7] new day - [1-7] Has be[b3]gun

[1] When I was a lad in a fishing town me [4] old man said to me [1]
"You can spend your life, your jolly life just sai-[6-]ling on the sea. [5]
You can [1] search the world for pretty girls 'til your [4] eyes are weak and [3-] dim,
But [4] don't go searching for [1] a mermaid, son [6-]
If you [4] don't know [5] how to [1] swim"

[4] 'Cause her hair was green as [1] seaweed
Her [4] skin was blue and [1] pale
Her [4] face it was [1] a work of art,
I [4] loved that girl [1] with all my heart
But I on-[4]ly liked [1] the upper part [6-]
I [4] did not [5] like the [1] tail

I [1] I signed on board a sailing ship, my [4] very first day at [1] sea
I seen a Mermaid in the waves a [6-] reaching out to [5] me
Come [1] live with me in the sea said she, [4] down on the ocean [3-] floor
And I'll [4] show you a million [1] wondrous things,
you've [4] never [5] seen be-[1]fore
So [1] over I jumped and she pulled me down, [4] down to her seaweed [1] bed.
And a pillow made of a tortoise-shell she [6-] placed beneath my [5] head
She [1] fed me shrimp and caviar [4] upon a silver [3-] dish
From her [4] head to her waist it was [1] just my taste
But the [4] rest of [5] her was a [1] fish

[4] 'Cause her hair was green as [1] seaweed
Her [4] skin was blue and [1] pale
Her [4] face it was [1] a work of art,
I [4] loved that girl [1] with all my heart
But I on-[4]ly liked [1] the upper part [6-]
I [4] did not [5] like the [1] tail

[1] But then one day, she swam away, so I [4] sang to the clams and the [1] whales
"Oh how I miss her seaweed hair, and the [6-] silver shine of her scales"
But [1] then her sister, she swam by and [4] set my heart [3-] awhirl
Cause her [4] upper part was an [1] ugly fish but her [4] bottom [5] part was a [1] girl
[4] 'Her toes are pink and [1] rosy [1]
Her [4] knees are smooth and pale [1]
Her [4] legs they are a work of [1] art, I [4] love that girl with all my [1] heart
But I don't [4] give a damn about the upper [1] part [6-]
Cause [4] that's how I [5] get my [1] tail.

Snowballs flying through the air, crashed my sled but I don't care.

Snowmen out on the front lawn, lift their hands and sing along.

Grandpa snores loud as choir, stockings hung above the fire.

Cookies baking in the stove, let's go hang by the mistletoe.

I hear a noise up on the roof. Might be the sound of reindeer hoofs.

Above it all the angels sing, glory, glory to the King, and a ...

When the [1] weather is fine you [5] know it's a sign
For [4] messing a-[57]bout on the [1] river
If you take my advice there's [5] nothing so nice
As [4] messing a-[57]bout on the [1] river

There's [4] cozzies and [1] wet suits and [5] all kinds of [1] dress
And [4] neoprene [1] tops and there's [b27] some with no [57] vest
So [1] remove your dryrobe and [5] gather your float
Go [4] messing a-[57]bout on the [1] river

There's [4] braving the [1] chill which [5] gives us [1] a thrill
When [4] messing a-[57]bout in the [1] river.
Whatever [1] the weather [5] we're happy together
Just [4] messing a-[57]bout in the [1] river

There is [4] laughter and [1] splashing and [5] floating and [1] swims.
Of course [4] lots of chatting [1] and [b27] out of key [57] sings
With the [1] sun on your face there's [5] no finer place
Than [4] messing a-[57]bout in the [1] river

There are [1] birds flying high and [5] fish swimming by
When [4] messing a-[57]bout in the [1] river
The [1] dark clouds and rain [57] make it hard to explain
Why we're [4] messing ab-[57]out in the [1] river

There's [4] big boats and [1] small boats and [5] paddle boards [1] too.
And [4] cruisers and [1] sail boats and [b27] and some with [57] canoes
So [1] put on your clothes [5] and warm up your toes
after [4] messing a-[57]bout in the [1] river

Messing about on the River

When the [1] weather is fine you [5] know it's a sign
For [4] messing a-[57]bout on the [1] river
If you take my advice there's [5] nothing so nice
As [4] messing a-[57]bout on the [1] river

There's [4] long boats and [1] short boats and [5] all kinds of [1] craft
And [4] cruisers and [1] keel boats and [b27] some with no [57] draft
So [1] take off your coat and [5] hop in a boat
Go [4] messing a-[57]bout on the [1] river

There are [1] boats made from kits that'll [5] reach you in bits
For [4] messing a-[57]bout on the [1] river
Or you might want to scull in a [5] fibre glass hull
Just [4] messing a-[57]bout on the [1] river

There are [4] tillers and [1] rudders and [5] anchors and [1] cleats
And [4] ropes that are [1] sometimes re-[b27]ferred to as [57] sheets
With the [1] wind in your face there's [5] no finer place
Than [4] messing a-[57]bout on the [1] river

There are [1] skippers and mates and [5] rowing club eights
Just [4] messing a-[57]bout on the [1] river
There are pontoons and trots and [5] all sorts of knots
For [4] messing a-[57]bout on the [1] river

With [4] inboards and [1] outboards and [5] dinghies you [1] sail
The [4] first thing you [1] learn is the [b27] right way to [57] bail
In a [1] one-seat canoe, you're the [5] skipper and crew
Just [4] messing a-[57]bout on the [1] river

There are [1] bridges and locks and [5] moorings and docks
When [4] messing a-[57]bout on the [1] river
There's a whirlpools and weir that you [5] mustn't go near
When [4] messing a-[57]bout on the [1] river

There are [4] backwater [1] places all [5] hidden from [1] view
And [4] quaint little [1] islands just [b27] waiting for [57] you
So I'll [1] leave you right now, to [5] cast off your bow
To [4] messing a-[57]bout on the [1] river

[1] Juanita came to me last night and she cried over and [4] over
Ooh, Daddy I [5] love you you know and I think it's the [1] moonlight
She [1] looked so fine, well she looked alright and she moaned,
Oh, Daddy move [4] over
Oh, baby you [5] know what I like and I think it's the [1] moonlight [4] [5]

[1] Made in Mexico, schooled in France ooh la lovin', she needed [4] no teachin'

> Mexican [4] girl, I want you to stay, you know my [1] heart is
> Longing to say that as [5] long as I live I will always
> Remember the one that I called my Mexican [1] girl

[1] Her skin was soft as the velvet sky and her hair it shone in the [4] moonlight
And as the [5] music did play well the night turned to day and I held her [1] tight
Then she [1] looked at me with her dark brown eyes and she whispered, "Hasta La [4] Vista!"
Well I don't [5] know what it means but it sounded so good so. I [1] kissed her

[4] [1] [5-] [1] [4] [1] [5-] [1]
[4] mmm L. [b6-7] A. [5-] [1] proved [4] too much for the [b6-7] man,
Too [5-] much for the [1] man, he couldn't [4] make it
So he's [b6-7] leavin' the life [5-] [57] he's [1] come to know,
[17] He said he's [4] goin', he said he's [b6-7] goin back to find [5-]
go-[1]in back to find
[4] Ooh, Ooh, [b6-7] Ooh what's left of [5-] his world, [1]
[4] The world he [b6-7] left behind, [5-] [57] not so long a-[1]go. [17]

He's [4] leaving, [b6-7] leavin [5-] on that mid-[1]night train to [4] Georgia,
Leavin' on the [b6-7] midnight train [5-] [1]
[4] Said he's goin' back [b6-7] [5-] goin back to find
[57] To a simpler [1] place and time.
Whenever he takes that ride, - oh yes he is - [17] guess who's gonna be right by his side
And [4] I'll be with [b6-7] him - I know you [5-] will
On that [1] midnight train to [2-] Georgia,
Leavin' on the midnight train to [57] Georgia, woo-woo
[b7] I'd rather live in his world [1] livin in his world
Than live without him in [4] mine.
Their [b6-7] world is [5-] his, [1] his and hers alone

[4] He kept [b6-7] dreamin' [5-] dreamin' [1] that someday
[4] he'd be the [b6-7] star, a [5-] superstar, but he [1] didn't get far
[4] But he sure found out [b6-7] the hard way
[5-] that dreams [5] don't always [1] come true, dreams don't always come true. [17]
Uh-uh. No. Uh-uh So he [4] pawned all his [b6-7] hopes
[5-] Ooh ooh o[1] oh ooh and he even [4] [b6-7] sold his old [5-] car
Ooh ooh [1] ooh ooh, bought a [4] one way ticket [b6-7] back
[5-] to the [57] life [1] he once knew,
Oh yes he did, [17] he said he would.

He's [4] leaving, [b6-7] leavin [5-] on that mid-[1]night train to [4] Georgia,
Leavin' on the [b6-7] midnight train [5-] [1]
[4] Said he's goin' back [b6-7] [5-] goin back to find
[57] To a simpler [1] place and time.
Whenever he takes that ride, - oh yes he is - [17] guess who's gonna be right by his side
And [4] I'll be with [b6-7] him - I know you [5-] will
On that [1] midnight train to [2-] Georgia,
Leavin' on the midnight train to [57] Georgia, woo-woo
[b7] I'd rather live in his world [1] livin in his world
Than live without him in [4] mine.
Their [b6-7] world is [5-] his, [1] his and hers alone

He's [4] leaving, [b6-7] leavin [5-] on that mid-[1]night train to [4] Georgia,
Leavin' on the [b6-7] midnight train [5-] [1]
[4] Said he's goin' back [b6-7] [5-] goin back to find
[57] To a simpler [1] place and time.
Whenever he takes that ride, - oh yes he is - [17] guess who's gonna be right by his side
And [4] I'll be with [b6-7] him - I know you [5-] will
On that [1] midnight train to [2-] Georgia,
Leavin' on the midnight train to [57] Georgia, woo-woo
[b7] I'd rather live in his world [1] livin in his world
Than live without him in [4] mine.
Their [b6-7] world is [5-] his, [1] his and hers alone

[4] One [b6-7] love, one love gonna [5-] board gonna board,
on the mid-[1]night train to ride
[4] One love, one [b6-7] love wanna board, gonna [5-] board,
gotta board, on the mid-[1]night train to ride
[4] One love, one [b6-7] love, wanna board, gonna [5-] board,
Uh-huh on the mid-[1]night train to ride
[4] My world, one [b6-7] love, his world, gonna [5-] board,
our world is [1] mine and his alone
[4] My world, one [b6-7] love, his world, gonna [5-] board,
our world is [1] mine and his alone
[4] I got to go, one [b6-7] love, I got to go, gonna [5-] board,
I got to go on the mid-[1]night train hey!

[1] If the wife and I are fussin' brother that's our right
Cause me and that sweet woman's got a [17] license to fight
Why don't you [4] mind your own business
[1] Mind your own business
Cause if [57] you mind your business, then you won't be mindin' [1] mine

Oh, the woman on our party line's a nosy thang
She picks up her receiver when she [17] knows it's my ring
Why don't you [4] mind your own business
[1] Mind your own business
Well, if [57] you mind your business, then you won't be mindin' [1] mine

If I wanna honky-tonk around til two or three
Now, brother that's my headache, don't you [17] worry 'bout me
Just [4] mind your own business
[1] Mind your own business
If you [57] mind your business, then you won't be mindin' [1] mine

If I get my head beat black and blue
Now that's my wife and my [17] stove wood too
Just [4] mind your own business
[1] Mind your own business
If you [57] mind your business, then you won't be mindin' [1] mine

I got a little gal that wears her hair up high,
The boys all whistle when [17] she walks bye
Just [4] mind your own business
[1] Mind your own business
If you [57] mind your business, then you sure won't be minding [1] mine

Mindin' other people's business seems to be high-toned
I got all that I can do just to [17] mind my own
Why don't you [4] mind your own business
[1] Mind your own business
If you [57] mind your business, then you won't be mindin' [1] mine
Yeah, if you [57] mind your own business, you'll stay busy all the [1] time [5] [1]

Singing- [6-] How d'ya do and [1] how d'ya do and [5] how d'ya do a-[1]gain

[1] This rustic was a thresher as [5] on his way he hied
And [1] with a leather bottle fast [5] buckled by his [b7] side
[1] He wore no shirt upon his back but [5] wool unto his skin
Singing- [6-] How d'ya do and [1] how d'ya do and [5] how d'ya do a-[1]gain

[1] I went a little further and [5] there I met a maid
[1] A-going a-milking, a-[5]milking Sir she [b7] said
Then [1] I began to compliment and she began to [5] sing
Singing- [6-] How d'ya do and [1] how d'ya do and [5] how d'ya do a-[1]gain

[1] This maid her name was Dolly [5] clothed in a gown of grey
[1] I being somewhat jolly [5] persuaded her to [b7] stay
And [1] straight I fell a-courting her [5] in hopes her love to win
Singing- [6-] How d'ya do and [1] how d'ya do and [5] how d'ya do a-[1]gain

[1] I having time and leisure, I [5] spent a vacant hour
[1] A-telling of my treasure while [5] sitting in the [b7] bower
[1] With many kind embraces I stroke her double [5] chin
Singing- [6-] How d'ya do and [1] how d'ya do and [5] how d'ya do a-[1]gain

[1] I said that I would married be and she would be my [5] bride
[1] And long we should not tarry and [5] twenty things [b7] beside
I'll [1] plough and sow and reap and mow and [5] you shall sit and spin
Singing- [6-] How d'ya do and [1] how d'ya do and [5] how d'ya do a-[1]gain

[1] Her parents then consented, all [5] parties were agreed
[1] Her portion thirty shillings, we [5] married were with [b7] speed
Then [1] Will the piper he did play whilst others [5] dance and sing
Singing- [6-] How d'ya do and [1] how d'ya do and [5] how d'ya do a-[1]gain

[1] Then lusty Ralph and Robin with [5] many damsels gay
[1] Did ride on Roan and Dobbin to [5] celebrate the [b7] day
And [1] when they met together their [5] caps they off did fling
Singing-[6-] How d'ya do and [1] how d'ya do and [5] how d'ya do a-[1]gain

Monster Mash

I [4] was working in the lab late one night
When my [2-] eyes beheld an eerie sight
For my [b7] monster from his slab began to rise
And [1] suddenly to my surprise

He did the [4] mash, he did the monster mash
The monster [2-] mash, it was a graveyard smash
He did the [b7] mash, it caught on in a flash
He did the [1] mash, he did the monster mash

From my [4] laboratory in the castle east
To the [2-] master bedroom where the vampires feast
The [b7] ghouls all came from their humble abodes
To [1] get a jolt from my electrodes

They did the [4] mash, they did the monster mash
The monster [2-] mash, it was a graveyard smash
They did the [b7] mash, it caught on in a flash
They did the [1] mash, they did the monster mash

The [b7] zombies were having fun, the [1] party had just begun
The [b7] guests included Wolf Man, [1] Dracula and his son

The [4] scene was rockin', all were digging the sounds
[2-] Igor on chains, backed by his baying hounds
The [b7] Coffin-Bangers were about to arrive
With their [1] vocal group, "The Crypt-Kicker Five"

They played the [4] mash, they played the monster mash
The monster [2-] mash, it was a graveyard smash
They played the [b7] mash, it caught on in a flash
They played the [1] mash, they played the monster mash

Out [4] from his coffin, Drac's voice did ring,
seems [2-] he was troubled by just one thing
He [b7] opened the lid and shook his fist,
And [1] said, "Whatever happened to my Transylvania twist?"

It's now the [4] mash, it's now the monster mash
The monster [2-] mash, and it's a graveyard smash
It's now the [b7] mash, it's caught on in a flash
It's now the [1] mash, it's now the monster mash

Now [4] everything's cool, Drac's a part of the band
And [2-] my monster mash is the hit of the land
For [b7] you, the living, this mash was meant too
When [1] you get to my door, tell them Boris sent you

Then you can [4] mash, then you can monster mash,

[1] Well if you've got a [6-] wing-o, [1] take her up to [6-] Ring-o
[1] Where the waxies [6-] sing-o, [5] all the [1] day.
If you've had your [6-] fill of porter, [1] and you can't go [6-] any further
[1] Give your man the [6-] order, [5] Back to the [1] Quay!

And take her up to [6-] Monto, [1] Monto, [6-] Monto
[1] Take her up to [6-] Monto, [5] lange [1] roo, [5] to [1] you!

You've heard of the Duke of Gloucester, the dirty old imposter
He got a mot and lost her, up the Furry Glen.
He first put on his bowler and he buttoned up his trousers
And he whistled for a growler and he says 'My man.'

And take her up to [6-] Monto, [1] Monto, [6-] Monto
[1] Take her up to [6-] Monto, [5] lange [1] roo, [5] to [1] you!

You've heard of the Dublin Fusileers, the dirty old bamboozileers
They went and got the childer, one, two, three.
Oh, marching from the Linen Hall there's one for every cannonball
And Vick's going to send them all, o'er the sea.

And take her up to [6-] Monto, [1] Monto, [6-] Monto
[1] Take her up to [6-] Monto, [5] lange [1] roo, [5] to [1] you!

When Carey told on Skin-the-goat, O'Donnell caught him on the boat
He wished he'd never been afloat, the filthy skite.
It wasn't very sensible to tell on the Invincibles
They stood up for their principles, day and night

Now when the Czar of Russia and the King of Prussia
Landed in the Phoenix Park in a big balloon
They asked the polisman to play 'The wearing of the Green'
But the buggers in the depot didn't know the tune.

And take her up to [6-] Monto, [1] Monto, [6-] Monto
[1] Take her up to [6-] Monto, [5] lange [1] roo, [5] to [1] you!

Now the Queen she came to call on us, she wanted to see all of us
I'm glad she didn't fall on us, she's eighteen stone.
'Mister Melord the Mayor' says she, 'Is this all you've got to show me?'
'Why, no ma'am, there's some more to see, pog mo thoin.'

And take her up to [6-] Monto, [1] Monto, [6-] Monto
[1] Take her up to [6-] Monto, [5] lange [1] roo, [5] to [1] you!

[1] Moody River, [6-] more deadly, [1] than the vainest [6-] knife.
[1] Moody River, [17] your muddy water, [4] took my baby's [1] life.

[6-] Last Saturday [b37] evening, I [6-] came to the old Oak [b37] tree.
[6-] It stands beside the [b37] river, where [4] you were to meet [1] me.
[6-] On the ground your [b37] glove I found,
with a [6-] note addressed to [b37] me.
[6-] It read, "Dear love, I've [b37] done you wrong,
now [4] I must set you [1] free."

[1] Moody River, [6-] more deadly, [1] than the vainest [6-] knife.
[1] Moody River, [17] your muddy water, [4] took my baby's [1] life.

[6-] I looked into the [b37] muddy waters and [6-] what could I [b37] see?
[6-] I saw a lonely, lonely face just [4] lookin' back at [1] me.
[6-] Tears in his [b37] eyes, and [6-] prayer upon his [b37] lips,

[2-] Far a [b7]way on the [1] other side
He was [4] shot six times by a [1] man on the run
And she [2-] couldn't find [b7] how to push [1] through

[1] 46 years old and I'm [5] feeling all alone
though I'm sur-[4]rounded by good people all the [1] time

and my [4] body keeps reminding me to [1] slow
[1] I preach what's on my mind,

[1] Phoenix, Arizona, the [5] pavement is on fire
and a [4] man just died before my [1] eyes
[1] The meth has taken hold of [5] so many poor young souls
and they're [4] buzzing around these streets like [1] flies
[1] And each city that we roll seems to [5] be the way things go
kind of like a [4] spectacle for traveling [1] eyes

[1-] Louie the Fly, I'm [6] Louie the Fly
[b57] Straight from rubbish tip to [1-] you.

Spreading di-[7]sease, with the [6] greatest of ease.
[b57] Straight from rubbish tip to [1-] you.

I'm [b4] bad and mean and [1-] mighty unclean.
A-[b4]fraid of no-one, 'cept the [b57] man with the can of Mort-[1-]ein.
[6] Hate that [b57] word Mor-[1-]tein.

[b2] eeeeeh!! One [b57] spray and Louie the Fly,
Apple of his [b2] old mother's eye was Louie,
[b4] Poor dead Louie,

[b57] Louie the Fly a victim of [b2] Mortein.

[1]
You [5] come to the [1] end and the [5] light there is [1] dimmer,
And [5] chances are [1] slimmer of [4] finding your [5] way.
You find that you [1] stay out of [5] trouble and [1] danger,
Cause [5] everything's [1] stranger than [4] it used to [5] be.

[5] You're a scary old [4] place out there, [1] world,
But I [1] couldn't be happy with [5]out you,
And I [57] swear all my thoughts are a [1]bout you
The most [b2] beautiful world in the [5] world. [1]

Your [1] mountains when you're mad, your rivers when you're sad
And those [57] deep, blue [1] seas.
I [4] love you for your [1] snow, your [b6] deserts down below.
I [b2] love the way you wear your [57] trees

The most [1] beautiful [57] world in the [1] world.
And [17] though there are [b3aug] times when I [4] doubted you,
I just couldn't [b2] stay here with [1]out you.

So [4] when you get older and [1] over your shoulder,
You [b37] look back to see if it's [6-] real.
[4] Tell her she's [b57] beautiful, [5aug] roll the world [b67] over,
And [b2] give her a kiss and a [1] feel.

A [4] mother was washing her [5-] baby one night;
The [1] youngest of ten and a [4] deli-[2-]cate [1] mite.
The [4] mother was poor and her [5-] baby was thin;
'Twas [1] naught but a skeleton [4] covered [2-] with [1] skin.

The [4] mother turned 'round for the [5-] soap off the rack.
She was [1] only a moment but [4] when [2-] she turned [1] back.
Her [4] baby had gone, and in [5-] anguish she cried,
"Oh, [1] where has my baby gone?"
The [4] angels [2-] re[1]-plied:

Oh, your [4] baby has [2-] gone down the [b7] plug hole.
Your [1] baby has gone down the [4] plug.
The [b7] poor little thing was so [1] skinny and [b27] thin,
He [57] should have been washed in a [1] jug... [1] in [1maj7] a [17] jug.

Your [4] baby is perfectly [b7] happy;
He [1] won't need a [17] bath any-[4]more.

[1] I pounded on a farmhouse lookin' for a place to stay
I was mighty, mighty tired I had come a long, long way
I said [4] Hey hey in there is there anybody home?
I was [1] standin' on the steps feelin' most alone
When [5] out comes a farmer he must have thought that I was nuts
He [1] immediately looked at me and stuck a gun into my guts

[1] I fell down to my bended knees
Saying I dig farmers don't shoot me, please
He [4] cocked his rifle and began to shout
"Are you that [1] travelin' salesman that I have heard about?"
I said [5] No, no, no I'm a doctor and it's true
I'm a [1] clean-cut kid and I been to college too

[1] Then in comes his daughter whose name was Rita
She looked like she stepped out of La Dolce Vita
I [4] immediately tried to cool it with her dad
And [1] told him what a nice pretty farm he had
He said [5] What do doctors know about farms, pray tell?
I said I was [1] born at the bottom of a wishing well

[1] Well, by the dirt 'neath my nails I guess he knew I wouldn't lie
He said I guess you're tired He said it kind of sly
I said [4] Yes, ten thousand miles today I drove
He said [1] I got a bed for you underneath the stove
[5] Just one condition you can go to sleep right now
That you [1] don't touch my daughter and in the morning, milk the cows

[1] I was sleepin' like a rat when I heard something jerkin'
There stood Rita lookin' just like Tony Perkins
[4] She said would you like to take a shower? I'll show you up to the door
I said [1] Oh, no, no I've been through this movie before

I [5] knew I had to split but I did not know how
When she [1] said Would you like to take that shower now?

[1] Well, I couldn't leave unless the old man chased me out
'Cause I'd already promised that I'd milk his cows
I [4] had to say something to strike him very weird
So I [1] yelled I like Fidel Castro and his beard
Rita [5] looked offended but she got out of the way
As he [1] came charging down the stairs sayin' What's that I heard you say?

[1] I said, I like Fidel Castro I think you heard me right
And I ducked as he swung at me with all his might
Rita [4] mumbled something 'Bout her mother on the hill
As his [1] fist, it hit the icebox he said he's going to kill
[5] Me if I don't get out the door in two seconds flat
You [1] unpatriotic rotten doctor Commie rat

[1] Well, he threw a Reader's Digest at my head and I did run
I did a somersault as I seen him get his gun
And [4] crashed through the window at a hundred miles an hour
And [1] landed fully blast in his garden flowers
[5] Rita said Come back and he started to load
The [1] sun was comin' up and I was runnin' down the road

[1] Well, I don't figure I'll be back there for a spell
Even though Rita moved away and got a job at a motel
He [4] still waits for me constant on the sly
He [1] wants to turn me in to the F.B.I
[5] Me, I romp and stompings thankful as I romp
Without [1] freedom of speech I might [4] be in the [1] swamp

[2-] I was down at the New [b7] Amsterdam [5-] staring at this [1] yellow-haired girl
Mr. [2-] Jones strikes up a conver-[b7]sation with this [1] black-haired flamenco dancer
[2-] She dances while his [b7] father plays gui-[5-]tar. She's suddenly [1] beautiful
We [2-] all want something [b7] beautiful, [1] I wish I was beautiful

So come [2-] dance this silence [b7] down through the morning
[5-] Sha la la [1] la la la la [2-] la yeah [b7] [1] uh huh...
[2-] Cut up, [b7] Maria! [5-] Show me some of them [1] Spanish dances
[2-] Pass me a [b7] bottle, Mr. [1] Jones
[2-] Believe in [b7] me. [5-] Help me believe in [1] anything
'Cause [2-] I want to be [b7] someone who [1] believes

[4] Mr. [b7] Jones and [1] me tell each other fairy tales
[4] Stare at the beautiful [b7] women
[1] "She's looking at you. Ah, no, no, she's looking at [4] me."
[4] Smiling in the [b7] bright lights, [1] coming through in stereo
[4] When everybody [b7] loves you, [1] you can never be lonely

[2-] I will paint my [b7] picture.
[5-] Paint myself in [1] blue and red and black and [2-] gray
[2-] All of the beautiful [b7] colors are very, [1] very meaningful
(you know) [2-] Gray is my favorite [b7] color I [5-] felt so sym-[1]bolic yester-[2-]day
[2-] If I knew [b7] Picasso I would [1] buy myself a gray guitar and [4] play

[4] Mr. [b7] Jones and [1] me look into the future, [4] stare at the beautiful [b7] women
[1] "She's looking at you. Uh, I don't think so. She's looking at [4] me."
[4] Standing in the [b7] spotlight [1] I bought myself a gray guitar
[4] When everybody [b7] loves me, [1] I will never be lone-[2-]ly
[2-] I will never be [b7maj7] lonely, I will [2-] never gonna be lone-[1]ly

[2-] I want to be a lion. [b7] Everybody wants to [4] pass as cats
[2-] We All want to be big, big stars, [1] but we got different reasons for that.
[2-] Believe in me because I [b7] don't believe in anything
And [2-] I want to be someone to believe, [1] to believe, to believe.

[4] Mr. [b7] Jones and [1] me stumbling through the barrio
[4] Yeah we stare at the beautiful [b7] women
[1] "She's perfect for you, man, there's got to be somebody for [4] me."
[4] I want to be [b7] Bob Dylan
Mr. [1] Jones wishes he was someone just a little more [4] funky
When everybody [b7] loves you, [1] son, that's just about as funky as you can [4] be.

[4] Mr. [b7] Jones and [1] me staring at the video
[4] When I look at the tele-[b7]vision, I [1] want to see me staring right back at [4] me.
[4] We all want to be [b7] big stars, but we [1] don't know why, and we don't know how.
But [4] when everybody [b7] loves me, I'm going to [1] be just about as happy as I can [4] be.

[4] Hey Mr [57] Tambourine Man [1] play a song for [4] me
In the [1] jingle jangle [4] morning I'll come [57] followin' [1] you

Though I [4] know that evenin's [57] empire has [1] returned into [4] sand
[1] Vanished from my [4] hand
Left me [1] blindly here to [2-] stand but still not [5] sleep [57]ing
My [4] weariness a [57]mazes me I'm [1] branded on my [4] feet
I [1] have no one to [4] meet
And the [1] ancient empty [2-] street's too dead for [5] dream [57]ing

Chorus

[4] Take me for a [57] trip upon your [1] magic swirlin' [4] ship
All my [1] senses have been [4] stripped and my [1] hands can't feel to [4] grip
And my [1] toes too numb to [4] step
Wait [1] only for my [2-] boot heels to be [5] wander [57]in'
I'm [4] ready to go [57] anywhere I'm [1] ready for to [4] fade
In [1]to my own pa [4]rade cast your [1] dancing spell my [4] way
I [2-] promise to go [5] under [57] it

Chorus - Then instrumental of chorus

Though you [4] might hear laughin' [57] spinnin'
Swingin' [1] madly across the [4] sun
It's not [1] aimed at any [4]one it's just es [1]capin' on the [4] run
And but [1] for the sky there [2-] are no fences [57] facin'
And [4] if you hear vague [57] traces of [1] skippin' reels of [4] rhyme
To your [1] tambourine in [4] time it's just a [1] ragged clown be [4]hind
I wouldn't [1] pay it any [4] mind it's just a [1] shadow
You're [2-] seein' that he's [5] chas [57]ing

Chorus

Then [4] take me disa- [57]ppearing through the [1] smoke rings of my [4] mind,
Down the [1] foggy ruins of [4] time, far [1] past the frozen [4] leaves,
The [1] haunted, frightened [4]trees, out [1] to the windy [4] beach,
Far [1] from the twisted [2-] reach of crazy [57] sorrow.
Yes, to [4] dance beneath the [57] diamond sky with [1] one hand waving [4] free,
Silhou- [1]etted by the [4] sea, circled [1] by the circus [4] sands,
With all [1] memory and [4] fate driven [1] deep beneath the [4] waves,
Let me for- [1]get about [4] today until to- [57]morrow.

Muckspreader Song

Way [1] down on the farm we are [57] right up to [1] date,
For mechanization's the [57] byword of late.
For [1] every task, there's a [4] gadget to [1] match,
But our new muck-spreader's the [57] best of the [1] batch.

Chorus: (between each verse)
[1] Fling it [4] here, Fling it [1] there,
If you're standing by then you'll [57] all get your [1] share.

Now [1] young Walter Hodgkins, he [4] brought back a [1] load
Of liquid manure from the [57] farm up the road.
He [1] hummed to himself as he [4] drove up the [1] street,
And his load also hummmmmmmmmmmed in the [57] afternoon [1] heat.

The [1] this muck-spreader had a [57] mechanical [1] fault,
And a bump in the road turned it [57] on with a jolt.
An [1] odorous spray of manure [4] it let [1] fly
Without fear or favor on [57] all who passed [1] by.

The [1] cats and the dogs stank to [57] high kingdom [1] come,
And the kiddies, browned off, ran home [57] screaming to Mum.
The [1] trail of sheer havoc were [4] terrible [1] grim,
One open car were filled [57] up to the [1] brim.

The [1] vicarage windows were [57] all open [1] wide,
When a generous helping de[57]scended inside.
The [1] vicar, at table, intoned "[4] Let us [1] pray"
When this manure from heaven came [57] flying his [1] way.

In [1] the garden, Miss Pringle was [57] quite scanda[1]lized.
"Good [1] gracious!" she cried, "I've [57] been fertilized."
While [1] the Methodist minister's [4] teetotal [1] wife
Were plastered for the very first [57] time in her [1] life.

And [1] all of this time Walter [57] trundled a[1]long,
He was [1] quite unaware there was [57] anything wrong,
Till [1] a vision of woe flagged him [4] down - what a [1] sight!
A policeman all covered in . . . [57] you've got it [1] right.

In the [1] days I went a [5] courtin', I was [5] never tired re-[1] sortin'.
To an [1] ale house or a [5] playhouse, Or to [5] many a house be-[1]sides
I [1] told me brother [5] Seamus, I'd go [5] off and go right [1] famous,
And before I would [5] return again, I'd [5] roam the whole world-[1]wide.

So [1] goodbye, Muirsheen [5] Durkin, I'm [5] sick and tired of [1] workin'
No [1] more I'll dig the [5] praties, no [5] longer I'll be [1] fool
For as [1] sure as me name is [5] Carney,
I'll be [5] off to Cali-[1]fornia where in-[1]stead of digging [5] praties,
I'll be [5] digging lumps of [1] gold

I've [1] courted girls in [5] Blarney, in Kan[5]turk and in [1] Killarney
In passage and in [5] Queenstown, that [5] is the Cobh of [1] Cork.
Good [1] bye to all this [5] pleasure, I'll be [5] off to take me [1] leisure
And the [1] next time that you'll [5] hear from me,
will be a [5] letter from New [1] York.

So [1] goodbye, Muirsheen [5] Durkin, I'm [5] sick and tired of [1] workin'
No [1] more I'll dig the [5] praties, no [5] longer I'll be [1] fool
For as [1] sure as me name is [5] Carney,
I'll be [5] off to Cali-[1]fornia where in-[1]stead of digging [5] praties,
I'll be [5] digging lumps of [1] gold

[1] Goodbye to the [5] girls at home, I'm [5] going far across the [1] foam.
To [1] try and make me [5] fortune, in [5] far Ameri-[1]ca.
There's [1] gold and jewels and [5] plenty, for the [5] poor and for the [5] gentry
And [1] when I return [5] again, I [5] never more will [1] say:

So [1] goodbye, Muirsheen [5] Durkin, I'm [5] sick and tired of [1] workin'
No [1] more I'll dig the [5] praties, no [5] longer I'll be [1] fool
For as [1] sure as me name is [5] Carney,

When I [1] landed in A-[5]merica I [5] met a man named [1] Burke.
He [1] told me if I [5] wait awhile he'd [5] surely find me [1] work
but [1] work he did not [5] find me so there's nothing [5] here to bind me.
and I'm [1] off to seek my [5] fortune in [5] californ-[1]i-a.

So [1] goodbye, Muirsheen [5] Durkin, I'm [5] sick and tired of [1] workin'
No [1] more I'll dig the [5] praties, no [5] longer I'll be [1] fool

I'll be [5] off to Cali-[1]fornia where in-[1]stead of digging [5] praties,

I [1] sailed to Phila-[5]delphi and I [5] crossed the land of [1] plenty
Then I [1] went to Colo-[5]rado and [5] found my pot of [1] gold
Some [1] bastard tried to [5] rob me but I [1] had my pistol [5] on me
So I [5] shot a man in [1] Reno just to [5] watch him [1] die

So [1] goodbye, Muirsheen [5] Durkin, I'm [5] sick and tired of [1] workin'
No [1] more I'll dig the [5] praties, no [5] longer I'll be [1] fool
For as [1] sure as me name is [5] Carney,
I'll be [5] off to Cali-[1]fornia where in-[1]stead of digging [5] praties,
I'll be [5] digging lumps of [1] gold

I [1] spent on booze and [5] women, [5] gambling and good [1] living
Fine [1] clothes and fancy [5] living but the [5] rest just got [1] wasted

So [1] goodbye, Muirsheen [5] Durkin, I'm [5] sick and tired of [1] workin'
No [1] more I'll dig the [5] praties, no [5] longer I'll be [1] fool
For as [1] sure as me name is [5] Carney,
I'll be [5] off to Cali-[1]fornia where in-[1]stead of digging [5] praties,
I'll be [5] digging lumps of [1] gold

I'm [1] here in San Fran-[5]cisco and my [5] fortune it is [1] made
My [1] pockets are loaded down with [5] gold, and I've [5] thrown away my [1] spade
I'll go [1] back to dear old [5] Erin, spend my fortune never [5] caring
I'll [1] marry Queen Vic-[5]tory, Mrs [5] Durkin for to [1] spite

So [1] goodbye, Muirsheen [5] Durkin, I'm [5] sick and tired of [1] workin'
No [1] more I'll dig the [5] praties, no [5] longer I'll be [1] fool
For as [1] sure as me name is [5] Carney,

My baby [4] left me, my baby left me
My baby [57] even left me, never said a [1] word. [17] [17]

Lord I [1] stand at my window, wring my hands and cry

My baby [57] even left me, never said a [1] word. [17] [17]

Baby [1] one of these mornings, Lord it won't be long

You know you [4] left me, you know you left me
My baby [57] even left me, never said good-[1]bye. [17] [17]

All I know is that the one I love is [17] gone
My baby [4] left me, you know she left me

[7] [b4] [7] [b4]
Phew! There's something funny round here
What is it?
Oh! It's you
Come here and sit down
You're gonna have the truth told about you and put on record
'Ere please don't sit too close to me,
I'm just having my breakfast
Thank you

[7] Who put [b4] salt in the [b1] sugar [b4] bowl?
[7] Who put [b4] fireworks [b1] in the [b47] coal?
[7] Who put a [b4] real live [3] toad in the hole?
[NC] My [7] brother

[7] Who put [b4] jam in [b1] mother's [b4] shoe?
[7] Who made [b4] real cater-[b1]pillars [b47] stew?
[7] Who locked [b4] grandad [3] in the loo?
[NC] My [7] brother

My [3] brother said it [b27] wasn't [b57] he
Who [b17] put sham-[b47]poo in [7] grandma's [b47] tea?
My [3] brother said that [b27] it was [b57] me
My [b17] brother's rotten!

[7] Who squeezed [b4] toothpaste [b1] round the [b4] hall?
[7] Who put [b4] soot in the [b1] baby's [b47] b****?
[7] Who drew [b4] things on the [3] garden wall?
[NC] My [7] brother

[7] You ought to [b4] see what he drew
[7] Ah, what a [b4] surprise
[7] Nobody knew [b4] what it was really
[7] But everybody had a [b4] jolly good idea
[7] And he wrote [b4] slogans
[7] "Down with [b4] young mothers" [7] that was [b4] one
[7] 'Cause he don't think [b4] my mum knows [7] how to bring [b4] us up right
[7] I don't [b4] think so either
[7] You know [b4] every [7] night when we're [b4] wide awake,
[7] she makes us [b4] go to bed
[7] And in the morning [b4] when we're [7] fast [b4] asleep,
[7] she makes us [b4] get up

[7] Whose pet [b4] mouse made [b1] auntie [b4] shriek?
[7] Who ate [b4] glue and [b1] couldn't [b47] speak?
[7] What clever [b4] dick was [3] sick for a week?
[NC] My [7] brother

[7] Who keeps [b4] maggots [b1] in a [b4] tin?
[7] Plays the [b4] twist on his [b1] vio-[b47]lin
[7] Who's been [b4] gettin' [3] at the gin?
[NC] My [7] brother

He [3] looks just like a [b27] chimney [b57] sweep
But [b17] dirt they [b4] say is [7] just skin [b47] deep
I [3] know he's good when [b27] he's a-[b57]sleep!
[NC] But you don't know what he's dreamin' about (do ya)

[7] Who wouldn't [b4] mind if I [b1] ride his [b4] bike?
[7] Who lets me [b4] shoot his [b1] gun if I [b47] like?
[7] Who says I'm [b4] best at [3] football, ludo, snakes and ladders?
[7] Hide-and-seek, [3] chasin' each other up and down the garden
[7] Pinchin' little girls up the high street
[3] Well, he's gotta say I'm [7] best
[7] 'Cause I'm bigger than he is and if he don't say I'm
[3] best at everything, I'll [7] bash him, haha [3]
[7] My [b47] lovely, lovely [7] brother

[NC] Come on, come on mate, let's get out of here
Before you fall down the hole in the middle
Come on give us your hand' we're gonna wal..

[1] Since making [5aug] whoopee be-[1]came all the [5aug] rage
It's [1] even [5aug] got into the [b67] old birdcage
And [2-] my canary has [57] circles under his [1] eyes [5dim] [1dim] [57]

[1] He used to [5aug] whistle the [1] Prisoner's [5aug] Song
[1] Now he does [5aug] Snake Hips the [b67] whole night long
And [2-] my canary has [57] circles under his [1] eyes

His [b37] only [b77] friends are the [b37] yellow lark [b6] and the tiny sparrow
But [b2] I'm a-[b67]fraid when he's [b2] in the park
He's [5] off the straight and [57] narrow [5aug]

In-[1]stead of [5aug] taking a [1] much needed [5aug] rest
He's [1] flying [5aug] out to some [b67] sparrow's nest
And [2-] my canary has [57] circles under his [1] eyes [5dim] [1dim] [57]

[1] He has no [5aug] girlfriend that [1] I'm certain [5aug] of
[1] But he thinks: [5aug] What is this [b67] thing called love?
And [2-] my canary has circles under his [1] eyes [5dim] [1dim] [57]

[1] Birds of a [5aug] feather the [1] old story [5aug] goes
But [1] love is [5aug] something no-[b67]body knows
And [2-] my canary has [57] circles under his [1] eyes

Now [b37] there was a [b77] time he was [b37] satisfied
To [b6] flit among the flowers
But [b2] now when I [b67] let him [b2] out he'll hide
[5] Up in a tree for [57] hours [5aug]

[1] He won't eat his [5aug] birdseed it's [1] really a [5aug] sin
He [1] won't sing a [5aug] thing without his [b67] cup of gin
And [2-] my canary has [57] circles under his [1] eyes [5dim] [1dim] [57]

[1] I raised that [5aug] bird in a [1] manner so [5aug] strict
[1] Now I'm [5aug] certain I'm [b67] being tricked
[2-] My canary has [57] circles under his [1] eyes [b7] [b7] [b67]

We got it together, didn't we?
We definitely got our thing together, don't we baby?
Isn't that nice? I mean, when you really sit and think about it,
isn't it really, really nice?
I can easily feel myself slipping more and more ways
Slip in a world of my own, Nobody, but you and me
We've got it together, baby

[1] The first, my [1] last, my ever-[b6-7]ything
[1]..And the answer [17] -to...all my [4] dreams

[1] There's no [17] way,they could have made [4] two

[b27] You're the first, [57] you're the last, my [1] everything

[1] In you, I've [1] found, so [b6-7] many things
[1] A love so new [17] only you could [4] bring
[b2-7] Can't you see if [5] you, [b3-7] you make me feel this [b6-7] way
[b2-7] ..You're like a first morning dew, [4-] on a brand new [57] day

[1] I see so [1] many, [b6-7] ways that I
[1] Can love you [17] till.. the [4] day I die
[b2-7] You're my re-[4-]ality, [1] yet I'm lost in a [b67] dream
[b27] You're the first, [57] the last, my [1] everything

[1-] My funny [b1-7] valentine, sweet, comic [b1-6] valentine
[6] You make me [4-] smile [b4-6] with my [b57] heart. [4-] [b57]
[1-] Your looks so [b57] laughable, [b1-7] unphoto-[b1-6]-graphable,

[77] Is your [3] figure [77] less than [3] Greek?

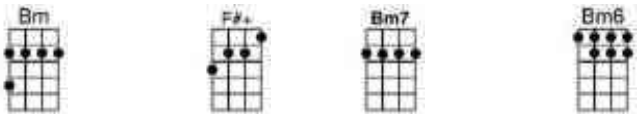
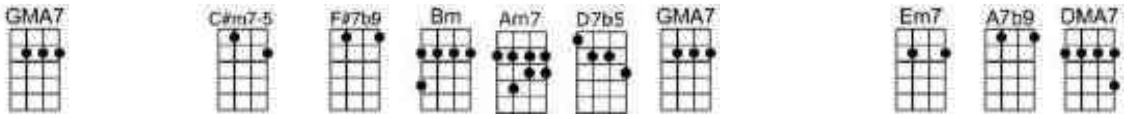
My funny Valentine, sweet comic Valentine, you make me smile with my heart



Your looks are laughable, unphoto-graphable, yet you're my favorite work of art.



Is your figure less than Greek, is your mouth a little weak,

When you open it to speak, are you smart?

But don't change a hair for me, not if you care for me

Stay, little Valen - tine, stay! Each day is Valen-tine's day.

INTRO: [1] Tick, [1] Tock, [1] Tick, [1] Tock, [1] Tick, [1] Tock, [1] Tick, [1] Tock

[1] My grandfather's [57] clock was too [1] large for the [4] shelf
So it [1] stood ninety [57] years on the [1] floor
It was taller by [57] half, than the [1] old man him-[4]self
Though it [1] weighed not a [57] penny-weight [1] more.
It was [1] bought on the morn of the [4] day that he was [1] born
And was [1] always his [b27] treasure and [57] pride
But it [1]* stopped [57]* short - [1] never to [b67] go a-[2-]gain
When the [1] old [57] man [1] died.

My [1] grandfather [57] said that of [1] those he could hire
Not a [1] servant so faith-[57]ful he [1] found
For it wasted no [57] time and had [1] but one de-[4]sire
At the [1] close of each [57] week to be [1] wound
And it kept in its' place not a [4] frown upon its' [1] face
And its' hands never [b27] hung by its [57] side
But it [1]* stopped [57]* short - [1] never to [b67] go a-[2-]gain
When the [1] old [57] man [1] died.

For it [1] struck twenty four when he [4] enter'd at the [1] door
With a [1] blooming and [b27] beau-[57]tiful bride
But it [1]* stopped [57]* short - [1] never to [b67] go a-[2-]gain
When the [1] old [57] man [1] died.
Key change to E
It [b2] rang an a-[b67]larm in the [b2] dead of the [5] night
An a-[b2]larm that for [b67] years had been [b2] dumb
And we knew that his [b67] spirit was [b2] pluming for [5] flight,
That his [b2] hour for de-[b67]parture had [b2] come.

Still the [b2] clock kept the [b2] time, with its' [5] soft and muffled [b2] chimes
As we [b2] proudly [b47] stood by his [b67] side
But it [b2]* stopped [b67]* short - [b2] never to [b17] go a-[3-]gain
When the [b2] old [b67] man [b2] died.

[b2] Ninety years without slumbering, [b2] (Dah dah dah dah, dah dah dah!)
[b2] His life seconds numbering, [b2] (Dah dah dah dah, dah dah dah!)
It [b2]* stopped [b67]* short - [b2] never to [b17] go a-[3-]gain
When the [b2] old [b67] man [b2] died.
When the [b2] old [b67] man [b2] died.

[5-] [1] [b7] [4]
An [4] empty street
An [1] empty house
A [6-] hole inside my [2-] heart
I'm [b7] all alone
The [b7] rooms are getting [1] smaller
I [4] wonder how
I [1] wonder why

I'm [4] holding on [2-] forever
[5-] Reaching for a [b7] love that seems so [1] far.

[1] When they opened up the strip I was [4] young and full of [1] zip,
I wanted some place to call my [5] home [57]
And [1] so I made the race, and I [4] staked me out a [1] place,
And I settled down a-[5]long the Cimar-[1]ron

[1] When they opened up the strip I was [4] young and full of [1] zip,
I wanted some place to call my [5] home [57]
And [1] so I made the race, and I [4] staked me out a [1] place,
And I settled down [5] along the Cimar-[1]ron

It blowed a-[4]way,(BLOWED AWAY!), it blowed a-[1]way, (BLOWED AWAY!)
My Oklahoma home, it blowed a-[5]way
It [1] looked so green and fair when I [4] built my shanty [1] there,
But my Oklahoma [5] home, it blowed a-[1]way

I [1] planted wheat and oats, had some [4] chickens and some [1] shoats,
[1] Aimed to have some ham and eggs to [5] feed my face
Got a [1] mule to pull the plow, got an [4] old red muley [1] cow
[1] And I also got a fancy [5] mortgage on the [1] place

It blowed a-[4]way,(BLOWED AWAY!), it blowed a-[1]way, (BLOWED AWAY!)
All the crops that I have planted blowed a-[5]way
You [1] can't grow any grain if you [4] ain't got any [1] rain;
Everything except my [5] mortgage blowed a-[1]way

INSTRUMENTAL

[1] When they opened up the strip I was [4] young and full of [1] zip,
I wanted some place to call my [5] home [57]
And [1] so I made the race, and I [4] staked me out a [1] place,
And I settled down a-[5]long the Cimar-[1]ron

It [1] looked so green and fair, when I [4] built my shanty [1] there,
I figured I was all set for [5] life [57]
I put [1] on my Sunday best with my [4] fancy scalloped [1] vest
And I went to town to [5] pick me out a [1] wife

She blowed a-[4]way,(BLOWED AWAY!), she blowed a-[1]way, (BLOWED AWAY!)
My Oklahoma woman blowed a-[5]way
Mister [1] as I bent and kissed her, she was [4] picked up by a [1] twister;
My Oklahoma [5] woman blowed a-[1]way

Then [1] I was left alone just a-[4] listenin' to the [1] moan
of the [1] wind around the corners of my [5] shack;
So I [1] took off down the road [4] when the south wind [1] blowed,
A-travelin' with the [5] wind upon my [1] back

I blowed a-[4]way,(BLOWED AWAY!), I blowed a-[1]way, (BLOWED AWAY!)
Chasin' that dust cloud up a[5] head
Once it [1] looked so green and fair, now [4] it's up there in the [1] air;
My Oklahoma [5] farm is blown a-[1]way

INSTRUMENTAL

[1] When they opened up the strip I was [4] young and full of [1] zip,
I wanted some place to call my [5] home [57]
And [1] so I made the race, and I [4] staked me out a [1] place,

For Oklahoma dust is every-[5] where [57]
Makes no [1] difference where I'm walkin', I can [4] hear my chickens [1] squawkin'
I can hear my wife a-[5]talkin' in the [1] air

It blowed a-[4]way,(BLOWED AWAY!), it blowed a-[1]way, (BLOWED AWAY!)
My Oklahoma home blowed a-[5]way
But my [1] home is always near; it's up [4] in the atmos-[1] phere,
My Oklahoma [5] home is blown a-[1]way

I'm a [1] roamin' Oklahoman, but I'm [4] always close to [1] home
And I'll never get homesick until I [5] die
Cause no [1] matter where I'm found, my [4] home is all a-[1] round;
My Oklahoma [5] home is in the [1] sky

It blowed a-[4]way,(BLOWED AWAY!), it blowed a-[1]way, (BLOWED AWAY!)
My farm down on the Cimar-[5]ron
But [1] all around the world, wher-[4]ever dust is [1] swirled,

Now [1] here's a [5] little [6-] story to [b27] tell it is a [57] must
[1] About an [5] unsung [6-] hero that [b27] moves away your [57] dust
Some [b27] people make a [57] fortune [b27] other's earn a [57] mint
[b27] My old man don't earn much, in [57] fact [b27] he's flippin' [57] skint

[57] Oh! [1] my old man's a dustman he wears a dustman's [57] hat
He wears cor blimey trousers and he lives in a council [1] flat
He looks a proper narner in his great [17] big hob nailed [4] boots
He's [57] got such a job to pull em up that he calls them daisy [1] roots

[1] Some folks give tips at Christmas and some of them for-[57]get
So when he picks their bins up he spills some on the [1] steps
Now one old man got nasty and [17] to the council [4] wrote
Next [57] time my old man went 'round there he punched him up the [1] throat

[57] Oh! [1] my old man's a dustman he wears a dustman's [57] hat
He wears cor blimey trousers and he lives in a council [1] flat
[1] (spoken) I say I say Lez! I 'er, I found a police dog in my dustbin
(How do you know he's a police dog?) He had a policeman with him !!

[1] Though my old man's a dustman he's got a heart of [57] gold
He got married recently though he's 86 years [1] old
We said 'Ere! Hang on Dad you're [17] getting past your [4] prime'
He said ' [57] Well when you get to my age it helps to pass the [1] time'

[57] Oh! [1] my old man's a dustman he wears a dustman's [57] hat
He wears cor blimey trousers and he lives in a council [1] flat
[1] (spoken) I say I say I say! My dustbins full of lillies
(Well throw 'em away then) I can't Lilly's wearing them !!

Now [1] one day while in a hurry he missed a lady's [57] bin
He hadn't gone but a few yards when she chased after [1] him
'What game do you think you're playing' she [17] cried right from the [4] heart
[57] 'You've missed me, am I too late?' 'No - jump up on the [1] cart'

[57] Oh! [1] my old man's a dustman he wears a dustman's [57] hat
He wears cor blimey trousers and he lives in a council [1] flat
[1] (spoken) I say I say I say (What you again!) My dustbin's absolutely full with toadstools

(How do you know it's full) 'Cos there's not "mush room" inside !!

He [1] found a tiger's head one day, nailed to a piece of [57] wood
The tiger looked quite miserable but I suppose it [1] should
Just then from out a window, a [17] voice began to [4] wail
[57] He said (Oi! Where's me tiger head) - Four foot from it's [1] tail!!

[57] Oh! [1] my old man's a dustman he wears a dustman's [57] hat
He wears cor blimey trousers and he lives in a council [1] flat
Next time you see a dustman [17] looking all pale and [4] sad
Don't [57] kick him in the dustbin it might be my old [1] dad

[1] I remember the thirty-five sweet good [6-]byes
[4] When you put me on the [5] Wolverine up to [1] Annandale [1] [4] [1]
[1] It was still September when your daddy was quite sur [6-]prised
To [4] find you with the [5] working girls in the [4] county jail [1] [4] [1]

I was [4] smoking with the boys upstairs
When I [5] heard about the whole affair
I said, " [6-] Oh no - [1] William and [6-] Mary won't [4] do "

Well I [5] did not think the [4] girl could [5] be so [6-] cruel
And I'm [5] never going back to my old [1] school

[1] Oleanders growing outside her [6-] door
[4] Soon they're gonna [5] be in bloom up in [1] Annandale [1] [4] [1]
[1] I can't stand her doing what she did [6-] before
[4] Living like a [5] Gypsy queen in a [1] fairy tale

Well I [4] hear the whistle but I can't go
I'm [5] gonna take her down to Mexico
She said, " [1] Oh [6-] no [1] Guadala [6-]jara [5] won't [4] do"

Well I [5] did not think the [2-] girl could [5] be so [6-] cruel
And I'm [5] never going [2-] back to my old [1] school

[1] California tumbles into the [6-] sea
[4] That'll be the [5] day I go back to [1] Annandale [1] [4] [1]
[1] Tried to warn you about Chino and Daddy [6-] Gee
[4] But I can't seem to [5] get to you through the [1] U.S. Mail

Well I [4] hear the whistle but I can't go
I'm [5] gonna take her down to Mexico
She said, " [1] Oh [6-] no [1] Guadala [6-]jara [5] won't [4] do"

[1] Now listen here, folks, now one thing's sure
My old pencil won't [17] write no more
Because the [4] lead's all gone, [b6] oh the [1] lead's all gone [6-]
Oh the [b27] lead's all gone, the [57] pencil won't write no [1] mo'

[1] I laid down in my bed just to write a line
I could feel my old pencil droopin' [17] forward all the time
Because the [4] lead's all gone, [b6] oh the [1] lead's all gone [6-]
Oh the [b27] lead's all gone, the [57] pencil won't write no [1] mo'

[1] I gets out of my bed down on the flo'
I's worryin' 'bout why my old pencil won't [17] write no mo'
Because the [4] lead's all gone, [b6] oh the [1] lead's all gone [6-]
Oh the [b27] lead's all gone, the [57] pencil won't write no [1] mo'

[1] I met a hot mama, I wanted to love her so bad
I lost all the lead in my [17] pencil I had
Because the [4] lead's all gone, [b6] oh the [1] lead's all gone [6-]
Oh the [b27] lead's all gone, the [57] pencil won't write no [1] mo'

[1] I hugged and I kissed her all last night
Didn't want nothing doin' my old [17] pencil wouldn't write
Because the [4] lead's all gone, [b6] oh the [1] lead's all gone [6-]
Oh the [b27] lead's all gone, the [57] pencil won't write no [1] mo'

[1] You sure can tell when a man's pencil is wrong
His mama's always [17] kissing from home
Because the [4] lead's all gone, [b6] oh the [1] lead's all gone [6-]
Oh the [b27] lead's all gone, the [57] pencil won't write no [1] mo'

[1] Now listen here man you ought to know
Ya' can't write with that woman you have to [17] let her go

Oh [1] you never knew my Nana, she [4] died four years a-[1]go
She lived in that old [1] folks home in [4] Moss Side, you [5] know,
I [1] used to go on Sundays, [4] sometimes took the [1] kids
I was always so [5] proud of what she [1] did

[1] Nana was a suffragette, [4] almost the last a-[5]live
[1] Nana was a suffragette, [4] over ninety [5] five
She sang... "[1] Votes for women, is [4] just a be-[5]ginning
[1] You haven't seen [4] anything [5] yet"
Oh [1] Nana was a suffragette

When I was young I carried a [4] photo of my [1] Nan
Speaking to some workers from a [4] clarion [5] van
[1] You'd never think it of her, she was [4] always frail and [1] ill
But on that day Nana emptied all the [b2] women [5] from the [1] mill

[1] Nana was a suffragette, [4] only five foot [5] tall
[1] Nana was a suffragette, [4] took on City [5] Hall
[5] Singing... "[1] Votes for women, is [4] just a be-[5]ginning
[1] You haven't seen [4] anything [5] yet"
Oh [1] Nana was a suffragette

[1] The proudest day in Nana's life was [4] when the vote was [1] won
The papers said "It's over!" but [4] Nan had just be-[5]gun
Her [1] Women's Committee went [4] on to better [1] things
And they tackled the Union, and their [4] wedding [5] rings

[1] Nana was a suffragette [4] never thought to [5] fail
[1] Nana was a suffragette, [4] spent a night in [5] jail
Singing... "[1] Votes for women, is [4] just a be-[5]ginning
[1] You haven't seen [4] anything [5] yet"
Oh [1] Nana was a suffragette

[1] Now here I'm standing with my [4] college de-[1]gree
And my own kids have more options than [4] Nana could a-[5]chieve
But [1] if you think we're satisfied, [4] take a look a-[1]round
There's a lot of angry women, [4] won't let their nanas [5] down

[1] Nana was a suffragette, [4] it's as if she's still a-[5]live,
[1] Nana was a suffragette, their [4] voices still sur-[5]vive
Singing... "[1] Votes for women, is [4] just a be-[5]ginning
[1] You haven't seen anything [4] yet
[1] You haven't seen anything [4] yet"
Oh [1] Nana was a suffra-[4]gette

[1] Singing... "[1] Votes for women, is [4] just a be-[5]ginning
[1] You haven't seen [4] anything [5] yet"
Oh [1] Nana was a suffragette

Well there's [4] 13 hundred and 52 guitar [17] pickers in Nashville
And they can pick more notes than the number of ants
On a [4] Tennessee ant hill
Yeah there's 13 hundred and [47] 52 guitar [b7] cases in Nashville
And any [17] one that unpacks his guitar can play
Twice as [4] better than I will

Yes I was just 13 you might say I was a musical pro-[17]verbial knee-high
When I heard a couple new soundin' tunes on the tubes
And they [4] blasted me sky-high
And the record man said every [47] one is a yellow sun
[b7] record from Nashville
And up [1] north here ain't nobody buys 'em and I said but [4] I will

All their friends play music and they ain't up-tight
If [4] one of the kids will
Because it's custom-made for any [47] mother's son
To be a [b7] guitar picker in Nashville
And I [17] sure am glad I got a chance to say a word
About the music and the mothers from [4] Nashville

Intro: [1maj7] [b2-7] (x2)

[1maj7] It's sad to think, we're not [b2-7] gonna make it,
And it's getting to the point, [57] where we just [1maj7] can't fake it. [17]
[4maj7] For some ungodly reason, [b3-7] we just [4maj7] won't let it die, [4-6]
I guess [1] neither one of us, (neither one of us),
[b2-7] Wants to be the first to say good-[1maj7] bye [b2-7]

[1maj7] I keep wondering what I'm gonna [b2-7] do without you,
And I guess you must be [57] wondering the [1maj7] same thing too. [17]
So we go [4maj7] on, go [b3-7] on together, living our [4maj7] lie, [4-6]
Because I guess, [1] neither one of us, (neither one of us),
[b2-7] Wants to be the first to say good-[1maj7]bye [17]

[4maj7] Everytime I find the nerve, everytime, I find the nerve,
To [1maj7] say I'm leaving;
[4maj7] Memories, those old memories get in my [1maj7] way. [17]
[4maj7] Lord knows it's only me, only know, it's only me,
[b3-7] That I'm deceiving.
[6-] When it comes to saying good-[6-maj7]bye,
That's a [b6-7] simple word, that I [b6-6] just can-[b2-7] not say [5]

[1maj7] There can be no way, there can be no way, be no way,
This can have a [b2-7] happy ending,
So we [57] just go on, hurting and pre-[1maj7] tending. [17]
Con-[4maj7]vincing ourselves, [b3-7]
To give it just [4maj7] one more try. [4-6]
Because [1] neither one of us, (neither one of us),
[b2-7] Wants to be the first to say;

[b3-7] Neither one of us, (neither one of us),
[b6] Wants to be the [b67] first to say,
[4maj7] Neither one of us, [b2-7] wants to be the [57] first to say
[1maj7] Farewell my [4-6] love, [57] good-[1maj7]bye

I've got a [1] never ending love for [57] you.
From now on that's all I wanna [1] do.
[1] From the first time we met I [57] knew.
I'd have a never ending love for [1] you.

I've got a [1] never ending love for [57] you.
From now on that's all I wanna [1] do.
[1] From the first time we met I [57] knew.
I'd have a never ending love for [1] you. [17]

After [4] all this time of being alone
we can [1] love one another,
feel for each other, from now [4] on [4] hey, hey, heyyyy
[57] it's so good I can hardly [1] stand it.

[1] A never ending love for [57] you.
From now on that's all I wanna [1] do.
[1] From the first time we met I [57] knew.
I'd sing my never ending song of love for [1] you.

As [1] I walked down through [4] Chatham Street, a [57] fair maid I did [1] meet,
She [1] asked me to [2-] see her home - she [57] lived in Bleecker [1] Street.
And away you [4] santy, [57] my dear [1] honey,
O you [2-] New York girls, [57] can't you dance the [1] polka?

And [1] when we got to [4] Bleecker Street, we [57] stopped at forty [1] four,
Her [1] mother and her [2-] sister there, to [57] meet her at the [1] door.
And away you [4] santy, [57] my dear [1] honey,
O you [2-] New York girls, [57] can't you dance the [1] polka?

And [1] when I got in [4]side the house, the [57] drinks were passed a [1]round,
The [1] liquor was so [2-] awful strong, my [57] head went round and [1] round.
And away you [4] santy, [57] my dear [1] honey,
O you [2-] New York girls, [57] can't you dance the [1] polka?

And [1] then we had a- [4]nother drink, be [57]fore we sat to [1] eat,
The [1] liquor was so [2-] awful strong, I [57] quickly fell [1] asleep.
(Spoken over) Henry Crun: Oh, come on, Min; play that modern banjo,

Minnie Bannister: Ya pa pa pa pa . - Goons voice)

When I a- [1]woke next [4] morning I had [57] an aching [1] head,
There was I, Jack all alone, stark naked in me [1] bed.
And away you [4] santy, [57] my dear [1] honey,
O you [2-] New York girls, [57] can't you dance the [1] polka?

My [1] gold watch and my [4] pocketbook and [57] lady friend were [1] gone;
And [1] there was I, Jack [2-] all alone, stark [57] naked in the [1] room.
And away you [4] santy, [57] my dear [1] honey,
O you [2-] New York girls, [57] can't you dance the [1] polka?

On [1] looking round this [4] little room, there's [57] nothing I could [1] see,
But a [1] woman's shift and [2-] apron that [57] were no use to [1] me.
And away you [4] santy, [57] my dear [1] honey,
O you [2-] New York girls, [57] can't you dance the [1] polka?

With a [1] flour barrel for a [4] suit of clothes, down [57] Cherry Street for [1]lorn,
There [1] Martin Churchill [2-] took me in, and [57] sent me 'round Cape [1] Horn.
And away you [4] santy, [57] my dear [1] honey,
O you [2-] New York girls, [57] can't you dance the [1] polka?

Now [1] look out all you [4] sailors, and [57] watch your step on [1]shore,
You'll [1] have to get [4] early to be [57] smarter than a [1] whore.
And away you [4] santy, [57] my dear [1] honey,
O you [4] New York girls, [57] can't you dance the [1] polka?
Your [1] hard earned cash will [4] disappear, your [57] hat and boots as [1] well,
For [1] New York gals are [4] tougher than the [57] other side of [1] Hell
And away you [4] santy, [57] my dear [1] honey,
O you [4] New York girls, [57] can't you dance the [1] polka?
And away you [4] santy, [57] my dear [1] honey,
O you [4] New York girls, [57] can't you dance the [1] polka?

[1] As I walked out on [4] Broadway one [5] evening in Ju-[1]ly
I met a maid who [4] asked my trade, A [57] sailor lad says [1] I
[1] And away you [4] Sandy, my [5] dear [1] Annie
O you [4] New York girls, [57] can't you dance the [1] polka
[1] [4] [5] [1] [4] [57] [1].

To [1] Tiffany's I [4] took her, I [5] did not mind ex-[1]pense,
I bought her two gold [4] ear-rings, they [57] cost me fifty [1] cents
[1] And away you [4] Sandy, my [5] dear [1] Annie
O you [4] New York girls, [57] can't you dance the [1] polka
[1] [4] [5] [1] [4] [57] [1].

[1] Says she - You lime-juice [4] sailor, now [5] see me home you [1] may
But when we reached her [4] cottage door, she [57] unto me did [1] say
[1] And away you [4] Sandy, my [5] dear [1] Annie
O you [4] New York girls, [57] can't you dance the [1] polka
[1] [4] [5] [1] [4] [57] [1].

I walked her home to Beaker Street, she lived at number 4
Her mother and her sister came to greet us at the door
[1] And away you [4] Sandy, my [5] dear [1] Annie
O you [4] New York girls, [57] can't you dance the [1] polka
[1] [4] [5] [1] [4] [57] [1]

And when I got inside the house, the drinks were passed around.
The liquor came so strong and quick, my head went round and round.
[1] And away you [4] Sandy, my [5] dear [1] Annie
O you [4] New York girls, [57] can't you dance the [1] polka
[1] [4] [5] [1] [4] [57] [1]

And then we had another drink, before we sat to eat.
The liquor was so awful strong, I quickly fell asleep.
[1] And away you [4] Sandy, my [5] dear [1] Annie
O you [4] New York girls, [57] can't you dance the [1] polka

When I awoke next morning, I had an aching head.
and there was I all alone, Stark naked in my bed.

O you [4] New York girls, [57] can't you dance the [1] polka

My gold watch and my wallet, and lady friend were gone.
And there was I without a stitch, or a cent to call my own
[1] And away you [4] Sandy, my [5] dear [1] Annie
O you [4] New York girls, [57] can't you dance the [1] polka
[1] [4] [5] [1] [4] [57] [1]

On looking round this little room, there's nothing I could see,
But a woman's shift and apron that were no use to me.

O you [4]New York girls, [57] can't you dance the [1] polka

With a flour barrel for a suit of clothes down Cherry Street forlorn,
There Martin Churchill took me in and sent me round Cape Horn

O you [4]New York girls, [57] can't you dance the [1] polka
[1] [4] [5] [1] [4] [57] [1]

[1] She said her man's a [4] Yankee, with a [57] pony tail be-[1]hind,
he wears a pair of [4] tall sea boots and he [57] sails in the Blackball [1] Line

How far off I sat and wondered [5]
Started humming a song from 1962 [1]
Ain't it funny how the [3-] night moves [1]
When you just don't seem to [3-] have as much to lose [1]
Strange how the [3-] night moves [1]
With autumn closing in [1] [3-] [5]

Oh the [1]* night that Paddy Murphy died, is a [4]* night that I?ll never for-[1]* get
[1]* Some of the boys got [6-]* Loaded drunk, and they [4]* ain?t got sober [5]* yet.
As [1]* long as a bottle was passed around, every [4]* man was feelin' [1]* gay
O'[1]* Leary came with the [6-]* bagpipes, some music for to [1] play

> CHORUS
>
> [1] That's how they showed their re-[4]spect for Paddy [1] Murphy
> [1] ...That's how they [6-] showed their [4] honour and their [5] pride.
> They [1] said it was a sin and a shame and [4] they winked at one a-[1]nother

[1] As Mrs. Murphy sat in the corner [4] pouring out her [1] grief
[1] Kelly and his [6-] gang, came [4] tearing down the [5] street
They [1] went into an empty room and [4] a bottle of whiskey [1] stole
They [1] put the bottle [6-] with the [5] corpse to [4] keep that [5] whiskey [1] cold
Chorus

[1] About two o'clock in the morning, after [4] empty'ing the [1] jug
[1] Doyle rolls up the [6-] ice box lid to [4] see poor Paddy's [5] mug
[1] We stopped the clock so Mrs. Murphy [4] couldn't tell the [1] time
And [1] at a quarter [6-] after two [4] we argued [5] it was [1] nine
Chorus

Oh they [1] stopped the hearse on George Street, out-[4]side Sundance Sa-[1]loon
[1] They all went in at [6-] half past eight and [4] staggered out at [5] noon
They [1] went up to the graveyard, so [4] holy and sub-[1]lime
[1] Found out when they got there, they'd [4] left the [5] corpse be-[1]hind!
Chorus

Oh the [1] night that Paddy Murphy died, is a [4] night I'll never for-[1]get
[1] Some of the boys got [6-] loaded drunk, and they [4] ain't got sober [5] yet.

[1-] He was on his way home from [7-] Candletop
Been [1-] two weeks gone and he [b4] thought he'd stop
at [1-] Web's and have him a [5-] drink 'for he went home to [1-] her

[1-] Andy Wo-Lo said [7-] hello
[b1] he said 'Hi, what's [b4] doing',
Wo said [1-] sit down, I got some [5-] bad news that's gonna [1-] hurt.

[1-] Said I'm you best friend and you [7-] know that's right
But [1-] your young bride ain't [b4] home tonight
[1-] Since you've been gone she's been [5-] seeing that Amos boy, [1-] Seth

[1-] He got mad and [7-] he saw red
[1-] Andy said, Boy, don't you [b4] lose your head
Cause to [1-] tell you the truth, [7-] I've been with her my-[1-] self

[b7-] That's the night that the [b2] lights went out in [b57] Georgia [b4-]
[b7-] That's the night that they [b2] hung an innocent [b57] man [b4-]
[b7-] Don't trust your soul to no [b2] backwoods Southern [b57] lawyer [b4-]
Cause the [b7-] judge in the town's got [b2] blood stains on his [5-] hands

[1-] Andy got scared and he [7-] left the bar
[1-] Walking on home cause he [b4] didn't live far
You see, [1-] Andy didn't have many [5-] friends and he just lost him [1-] one

[1-] Brother thought his wife [7-] must've left town
So [1-] he went home and [b4] finally found
the [1-] only thing Daddy [5-] left him and that was a [1-] gun

[1-] He went off to [7-] Andy's house
[1-] Slipping through the woods as [b4] quiet as a mouse
[1-] Come upon some tracks [5-] too small for Andy to [1-] make

He [1-] looked through the screen at the [b4] back porch door
[1-] He saw Andy [b4] lying on the floor
In a [1-] puddle of blood, and [5-] he started to [1-] shake.

[b7-] The Georgia Patrol was [b2] making their rounds
so he [b57] fired a shot just to [b4-] flag them down
A [b7-] big bellied sheriff grabbed his [b2] gun and said,
Why'd you [5-] do it?

The [1-] judge said guilty in a [7-] make believe trial
[1-] Slapped the sherrif on the [b4] back with a smile
And said [1-] supper's waiting at [5-] home and I got to get [1-] to it

[b7-] That's the night that the [b2] lights went out in [b57] Georgia [b4-]
[b7-] That's the night that they [b2] hung an innocent [b57] man [b4-]
[b7-] Don't trust your soul to no [b2] backwoods Southern [b57] lawyer [b4-]
Cause the [b7-] judge in the town's got [b2] blood stains on his [5-] hands

They [1-] hung my brother be-[b4]fore I could say
the [1-] tracks he saw while on [b4] this way
to [1-] Andy's house and [5-] back that night were [1-] mine

[1-] And his cheatin' wife had [7-] never left town
[1-] That's one body that'll [b4] never be found
You [1-] see, little sister don't [5-] miss when she aims her [1-] gun

[b7-] That's the night that the [b2] lights went out in [b57] Georgia [b4-]
[b7-] That's the night that they [b2] hung an innocent [b57] man [b4-]
[b7-] Don't trust your soul to no [b2] backwoods Southern [b57] lawyer [b4-]

[6-] Virgil [1] Caine is my name and
I [4maj7] drove on the [6-] Danville [2-] Train
'Til [6-] Stoneman's [1] cavalry came and
[4maj7] tore up the [6-] tracks a-[2-]gain
[6-] In the winter of [4maj7] '65,
We were [1] hungry, just [2-] barely alive
[6-] By May 10th [4] Richmond had fell
It was a [1] time I re-[2-]member oh so [b2] well

The [1] night they [4maj7] drove old Dixie [1] down
And all the [4maj7] bells were ringin'
The [1] night they [4maj7] drove old Dixie [1] down
And all the [4maj7] people were singin'
They went [1] na-na-na [6-] na-na-na na...
[5] Na-na na-na na [4maj7] na na-na-na-na [6-]

[6-] Back with my [1] wife in Tennessee
And [4maj7] one day [6-] she said to [2-] me
[6-] "Virgil, [1] quick come and see
[4maj7] There goes the [6-] Robert E. [2-] Lee!"
Now [6-] I don't mind [4maj7] choppin' wood, and

As [1] I went a [4] walking one [5] morning in [1] May
I met a young couple who fondly did [5] stray
And [1] One was a young maid so sweet and so [5] fair
And the [1] other was a [4] soldier and a [5] brave grena [1]dier

[1] And they kissed so sweet and [5] comforting as they clung to each [1] other
They went arm and arm along the road like sister and [5] brother
They went [1] arm in arm along the road til they came to a [5] stream
[1] And they both sat down [4] together love to hear the [5] nightingale [1] sing

Well [1] out of his [4] knapsack he [5] took a fine [1] fiddle
And he played her such a merry tune that you ever did [5] hear
And he [1] played her such a merry tunes that the valley did [5] ring

They went [1] arm in arm along the road til they came to a [5] stream

And if ever I return again it will be in the [5] spring

[1] And they kissed so sweet and [5] comforting as theyclung to each [1] other
They went arm and arm along the road like sister and [5] brother
They went [1] arm in arm along the road til they came to a [5] stream
[1] And they both sat down [4] together love to hear the [5] nightingale [1] sing

Oh [1] soldier, Oh [4] soldier, will [5] you marry [1] me
Oh no said the soldier that can never [5] be
For [1] I've a wife of my own in my own [5] country
And [1] she is the sweetest [4] fairest thing that you [5] ever did [1] see

[1] And they kissed so sweet and [5] comforting as they clung to each [1] other

[1-] No milk today, my [3] love has gone away,

No milk today, it [3] seems a common sight,

[b1] How could they know, just [7] what this message means?

[b1] How could they know, a [7] palace there had been?

He [4] smiled because I did not under-[1]stand

He [5] said it was the [57] best in all the [1] land

And I said:
[1] No, no, no, I don't [6-] drink it no [1] more
I'm [1] tired of waking up on the [5] floor
[5] No thank you please, it only [57] makes me sneeze
And [5] then it makes it [57] hard to find the [1] door

Well I Said: [1] No, no, no, I can't [6-] take it no [1] more
I'm [1] tired of waking up on the [5] floor
[5] No thank you please, it only [57] makes me sneeze

[1] Oh, my mother was just a [4] girl of seventeen
[1] Oh, my mother was just a [4] girl of [5] seventeen

Doing [4] things a man will do
And my [6-] mother was just a [5] girl of [1] seventeen

[1] It's a wonder that I'm [4] in this world at [1] all
It's a wonder that I'm [4] in this world at [5] all

[1] Ain't one soul in the whole [4] world knows my name
[1] Ain't one soul in the whole [4] world knows [5] my name

And I'll [4] see it by and by
Ain't one [6-] soul in the whole [5] world knows my [1] name

[1] Well, I had a good mother and [4] dad just the same
[1] Well, I had a good mother and [4] dad [5] just the [5] same
And they [1] took me to their breast
And they [4] surely stood the test
Yes, I had a [6-] good mother and [5] dad, just the [1] same

[1] Well, there ain't one soul in the whole [4] world knows my name
[1] Ain't one soul in the whole [4] world knows [5] my name

To a [4] girl lost and lorn
Ain't one [6-] soul in the whole [5] world knows my [1] name

[1] Now and then, there's a lonesome [4] thought in my mind
[1] Now and then, there's a lonesome [4] thought in my [5] mind
And on a [1] crowded street I see
A stranger's [4] face that looks like me
Now and [6-] then, there's a lonesome [5] thought in my [1] mind

[1] Well, there ain't one soul in the whole [4] world knows my name

[1] I know you're leaving, it's [4] too long [1]overdue,
[4] for far too long I've had [4] nothin' new [1] to show to you.
[1] Goodbye dry eyes, [b7] I watched your plane
[4] fade off west of the [1] moon,
and it [1] felt so [6-] strange [5] to walk away a[1]lone.

Chorus:
[1] [5] [4] [1] There's no regrets,
[1] [5] [4] [1] no tears goodbye,
[1] [5] [4] [1] I don't want you back,
[1] [5] [4] [1] we'd only cr[1] [5] [4] y again,
Say good[b7]bye [1] again.

[1] The hours that were [4] yours echo like [1] empty rooms,
[4] the thoughts we used to share I now [1] keep alone.
[1] I woke last night and [b7] spoke to you [4]
[1] not thinking you were gone,
[1] and it felt so [6-] strange [5] to lie awake [1] alone [4] [1]

Chorus

[1] Our friends are [4] trying to turn my [1] nights to day,
[4] strange faces on your place can't keep the [1] ghost away.
[1] Now just beyond the [b7] darkest hour [4] and just behind the [1] dawn,
[1] it still feels so [6-] strange [5] to lead my [1] life alone

[1] As I was slowly passing an [17] orphans home to[4]day
I [57] stopped for just a little while to watch the children [1] play
A lone boy standin', and [17] when I asked him [4] why
He [57] turned with eyes that could not see and he began to [1] cry

"I'm [1] nobody's child, I'm [17] nobody's [4] child
[57] Just like a flower I'm growin' [1] wild
No mama's arms to hold me, [17] no daddy's [4] smile
[57] Nobody wants me, I'm nobody's [1] child"

INSTRUMENTAL

[57] Nobody wants me, I'm nobody's [1] child"

In [1] every town and village
There are [17] places just like [4] this
With [57] rows and rows of children
And babies in their [1] cribs

They've long since stopped their cryin'
As [17] no one ever [4] hears
And [57] no one's there to notice them
Or take away their [1] fears

[1] Nobody's child, they're [17] nobody's [4] child
[57] Just like a flower they're growin' [1] wild
Got no mommy's kisses, [17] no daddy's [4] smile
[57] Nobody wants them, they're nobody's [1] child

[1] Nobody's child, they're [17] nobody's [4] child

This is my [1] Earth, and I [5] live in it
[4] It's one third dirt, and [4-] two thirds water
[1] And it rotates and revolves through space
At [17] rather an impressive pace
And [4] never even [4-] messes up my [1] hair
And [6-] here's the really weird thing
The [b2] force created [b27] by its spin
Is the [4] force that stops the [1] chaos flooding [5] in
This is my [6-] Earth, and it's [4] fine
It's [5] where I spend the vast majori-[b37]ty of my [6-] time,
It's not [4] perfect, [4-6] but it's [1] mine, it's not [4] perfect [4]

This is my [1] house, and I [b37] live in it
It's [4] made of cracks, and [4-] photographs
We [1] bought it from a guy who bought it [17] from a guy
Who bought it from a [4] guy, whose grandad [4-6] left it to him. [1]
And the [6-] weirdest thing is that this house
Has [b2] locks to keep the baddies out
But they're [4] mostly used to [1] lock ourselves [5] in
This is my [6-] house, and it's [4] fine
It's [5] where I spend the vast majori-[b37]ty of my [6-] time
It's not [4] perfect, but it's [1] mine, it's not [4] perfect, but it's [b7] mine

This is my [1] body, and I [5] live in it
It's [4] 31 and [4-] 6 months old
It's [1] changed a lot since it was new
It's [17] done stuff it wasn't built to do
I [4] often try to [4-6] fill it up with [1] wine
And the [6-] weirdest thing about it is
I [b2] spend so much time hating it
But it [4] never says a [1] bad word about [5] me
This is my [6-] body, and it's [4] fine
It's [5] where I spend the vast majori-[b37]ty of my [6-] time
It's not [4] perfect, but it's [1] mine, it's not [4] perfect [4]

This is my [1] brain, and I [b37] live in it
It's [4] made of love, and [4-] bad song lyrics
It's [1] tucked away behind my eyes
Where [17] all my screwed up thoughts can hide
'Cos [4] God forbid I [4-6] hurt somebody [1]
And the [6-] weirdest thing about a mind
Is that [b2] every answer that you find
Is the [4] basis of a [1] brand new cli-[5]che
This is my [6-] brain, and it's [4] fine
It's [5] where I spend the vast majori-[b37]ty of my [6-] time
It's not [4] perfect, but it's [1] mine, it's not [4] perfect, but it's [1] mine
It's not [4] perfect, I'm [1] not quite sure I've worked out how to [4] work it [1]
It's not [4] perfect, but it's [b76] mine [1]

[1] Today I'm doin nothin'
I've got nothin' scheduled to-[5]day
Next week I may do somethin'
but to-[b2]day nothin's good, what [5] more can I say

I'll [1] spend the day doin' nothin'
'cause nothin' I know is [4] OK
and when I'm doin' [1] nothin' [6-]
it [4] usually [5] takes the whole [1] day

[1] AY, YI, YI, [4] YI, [5] I'm doing [1] nothin'
When nothing seems right [5] everything's wrong
Try thinking of nothin' and just sing a-[1]long

[1] Today I did nothin' right
Nothing I did was [5] wrong
The only mis step that I made all day
Was [b2] not doing nothin' but [5] writtin' this song

Some-[1]times the best course of action
is to do nothing at [4] all
Cause when you're doin [1] nothin' [6-]
you're [4] usually [5] havin a [1] ball

[1] AY, YI, YI, [4] YI, [5] I'm doing [1] nothin'
When nothing seems right [5] everything's wrong
Try thinking of nothin' and just sing a-[1]long

[6-] Nothin' makes me feel peaceful
[b37] Nothin' makes me serene
[2-] Nothin's as close to heaven as I'll get
So [b2] some might say... that [5] nothin' is sacred to me

Right [1] now there's nothin' on my mind
I can't think of anything [5] else
It's not like I've lost it or I'm going insane
It's [b2] just right now nothin' [5] on my brain

There's [1] nothin' I like more than nothin
But we all know nothin' aint [4] free
That's why when I'm doin [1] somethin' [6-]
I [4] usually [5] charge a large [1] fee

Repeat Chorus

[1] AY, YI, YI, [4] YI, [5] I'm doing [1] nothin'
When nothing seems right [5] everything's wrong
Try thinking of nothin' and just sing a-[1]long
Try thinking of nothin' and just sing a-[1]long

[1] It's been seven hours and [5] fifteen days
[6-] since you took your love away [1] [5]
[1] I go out every night and [5] sleep all day
[6-] since you took your love away [1] [5]
[1] Since you been gone I can do what-[5]ever I want
[6-] I can see whomever I choose [1] [5]
[1] I can eat my dinner in a fancy [5] restaurant
but [6-] nothing, I said nothing can take a-[b3]way these blues
'cos [b7] nothing com-[4]pares
[6-] nothing com-[5]pares 2 U.

[1] It's been so lonely with-[5]out U here
[6-] like a bird without a song [1] [5]
[1] nothing can stop these lonely [5] tears from falling
[6-] tell me baby where did I go [4] wrong?
[1] I could put my arms around every [5] boy I see
[6-] but they only remind me of U. [1] [5]
[1] I went to the doctor and guess what he [5] told me guess what he told me
[6-] he said: "girl U better try to have fun no matter [b3] what U do"
[b3] but he's a fool
'cos [b7] nothing com-[4]pares
[6-] nothing com-[5]pares 2U.

[1] [5] [6-] [1] [5] [1] [5] [6-] [1] [5]
[1] All the flowers that U planted mama
[5] in the back yard
[6-] all died when U went away [1] [5]
[1] I know that living with U baby was [5] sometimes hard
[6-] but I'm willing 2 give U another [b3] try
[b7] nothing com-[4]pares
[6-] nothing com-[5]pares 2U.
[b7] nothing com-[4]pares

[1] Post office clerks put up signs saying 'Position [b6-7] Closed'
[1] And secretaries turn off typewriters and put on their [b6-7] coats
[4] Janitors padlock the [1] gates for [5] security guards to [4] patrol
And bachelors phone up their [1] friends for a drink
While [5] the married ones turn on a [4] chat show
And they'll [1] all be lonely to-[4]night and lonely to-[1]morrow

[1] 'Gentlemen, time please, you know we can't serve any [b6-7] more'
[1] Now the traffic lights change to stop when there's nothing to [b6-7] go
[4] And by five o' clock everything's [1] dead and every [5] third car is a [4] cab,
And ignorant people [1] sleep in their beds
Like the [5] doped white mice in the [4] college lab

Chorus:
[1] And nothing ever [4] happens, [1] nothing happens [4] at all:
The [6-] needle returns to the [4] start of the song
And we [5] all sing along like [4] before
And we'll [1] all be lonely to-[4]night and lonely to-[1]morrow

[1] Telephone exchanges click while there's nobody [b6-7] there
[1] The Martians could land in the car park and no one would [b6-7] care
The [4] close-circuit cameras in [1] department stores
Shoot the [5] same movie every [4] day
And the stars of these films neither [1] die nor get killed
Just [5] survive constant [4] action replay

[1] And nothing ever [4] happens, [1] nothing happens [4] at all:
The [6-] needle returns to the [4] start of the song
And we [5] all sing along like [4] before
And we'll [1] all be lonely to-[4]night and lonely to-[1]morrow

[b2] [b6-7] [b2] [b6-7] [1] [b2] [1] [b2] [1]

[1] And bill hoardings advertise products that nobody [b6-7] needs
[1] While 'Angry from Manchester' writes to complain about [b6-7] all the repeats on TV;
And [4] computer terminals [1] report some gains on the [5] values of copper and [4] tin,
While American businessmen [1] snap up Van Goghs for the [5] price of a hospital [4] wing
Slow on last line

[1] And nothing ever [4] happens, [1] nothing happens [4] at all:
The [6-] needle returns to the [4] start of the song
And we [5] all sing along like [4] before
And we'll [1] all be lonely to-[4]night and lonely to-[1]morrow

If I [1-] give up the seat I've been [b6] saving
to some [1-] elderly lady or [6] man,

Mother, [6] please, if you're pleased, say I [b2] am ! - [3]

I per-[1-]form an unfortunate [6] take,
would you [7] punish me so, unbe-[77]lievably [3] so ?
Never a-[6]gain will I make that mis-[b2]take. - [3]

eating [1-] more than enough apple [6] pies,
will I [7] glance at my screen and see [77] real human [3] beings
starve to [6] death right in front of my [b2] eyes ? - [3]

Nothing [1-] old, nothing new, nothing [b6] ventured,
nothing [1-] gained, nothing still-born or [6] lost,
nothing [7] further than proof, nothing [77] wilder than [3] youth,
nothing [6] older than time, nothing [7] sweeter than wine,
nothing [b6] physically, recklessly, [1-] hopelessly blind,
nothing [6] I couldn't say, nothing [4-] why, 'cause to-[7]day nothing [3] rhymed.

[1] Lookin' in your eyes

This [4] world that I've found is too [5] good to be true
[1] Standin' here beside you
[6-] Want so much to give you
This [4] love in my heart that I'm [5] feeling for you

[1] Let 'em say we're crazy
[6-] I don't care about that
[4] Put your hand in my hand
Baby, [5] don't ever look back

[57] [1] [57] [1] [57] [1] [4] [57] [1] - 1st verse

'Cause [57] nothing is too good for my [1] baby
For my [57] baby, sugar [1] baby
[57] Nothing is too good for my [1] baby
'Cause [4] baby is so [57] good and kind to [1] me

[1] Now when he holds me [57] in his arms
In his big and [1] brawny arms
My [4] happy heart goes [57] right up to the [1] sky

[57] Ooo I'd even buy the [1] wedding rings
And [4] if it was for [57] him I bake a [1] pie

'Cause [57] nothing is too good for my [1] baby
([1] For my baby)
For my [57] baby
(For my [1] baby)

Sugar [57] baby
(Sugar [1] baby)
[57] Nothing is too good for my [4] baby
(For my [1] baby)
'Cause [57] baby is so good and kind to [1] me
And [4] just for you I'd [57] learn to bake a [1] pie

Cause [57] nothing is too good for my [1] baby
([1] For my baby)
For my [57] baby

Umm [1] baby
(Umm [1] baby)

And [57] nothing is too good for my [1] baby
(For my baby)
'Cause [4] baby is so [57] good and kind to [1] me

Babe, and [4] just for you I [57] itch you in your [1] eye
And [4] just for you I'd [57] like to see you [1] try

[1] Can you remember the [5] times
[b7] That you have held your head [6-] high
[4] Told all your [5] friends of your [1] Indian claim
[5] Proud good lady and [1] proud good [1] man
Some [4] great great grand-[5]father from [1] Indian blood sprang
And you [5] feel in your [b2] heart for these [5] ones

Oh, it's [1] written in books and in [5] songs
That [b7] we've been mistreated and [6-] wronged [1]
Well [4] over and [5] over I [1] hear those same words
From [5] you good lady and [1] you good [1] man
Well [4] listen to [5] me if you [1] care where we stand
And you [5] feel you're a [b2] part of these [5] ones

When a [1] war between nations is [5] lost
The [b7] loser we know pays the [6-] cost
But [4] even when [5] Germany [1] fell to your hands
Con-[5] sider dear lady, con-[1]sider dear [1] man
You [4] left them their [5] pride and you [1] left them their lands
And [5] what have you [b2] done to these [5] ones

Has a [1] change come about Uncle [5] Sam
Or [b7] are you still taking our [6-] lands
A [4] treaty for-[5]ever George [1] Washington signed
He [5] did dear lady, they [1] do dear [1] man
And the [4] treaties being [5] broken by [1] Kinzua Dam
And [5] what will you [b2] do for these [5] ones

Oh, it's [1] all in the past you can [5] say
But it's [b7] still going on here to-[6-]day
The [4] governments [5] now want the [1] Iriqois land
[5] That of the Se-[1]neca and the Chey-[1]enne
It's [4] here and it's [5] now you can [1] help us dear man
[5] Now that the buffalo's [1] gone.

Ode to Billy Joe

[17]

[17] It was the third of June, another [5-7] sleepy, dusty, delta [17] day
[17] I was out chopping cotton, and my [5-7] brother was bailing [17] hay,
And at [47] dinner time we stopped and walked back to the house to eat.
And Momma [17] hollered out the back door "Y'all re - member to wipe your feet!"
And then she [47] said, I got some news this mornin from Choctaw Ridge
Today [17] Billie Joe MacAllister jumped [b77] off the Tallahatchie [17] Bridge.

[17] And Poppa said to Momma as he [5-7] passed around the blackeyed [17] peas
[17] Well Billie Joe never had a lick of sense - [5-7] pass the biscuits [17] please
" [47] There's five more acres in the lower forty - I got to plow.
And Momma [17] said it was shame - about Billie Joe anyhow,
Seems like [47] nothing ever comes to no good up on Choctaw Ridge.
And now [17] Billie Joe McAllister jumped [b77] off the Tallahatchie [17] Bridge.

[17] And Brother said he recollected - [5-7] when he and Tom, and Billie [17] Joe
[17] Put a frog down my back at the [5-7] Carroll County Picture [17] Show
[47] And, "Wasn't I talkin' to him after church, last Sunday night.
[17] I'll have a-nother piece of apple pie, you know, it don't seem right.
I [47] saw him at the sawmill yesterday up on Choctaw Ridge.
And now you [17] tell me Billie Joe's jumped [b77] off the Tallahatchie [17] Bridge.

[17] Momma said to me "Child what's [5-7] happened to your appe- [17] tite?
[17] Why, I've been cookin' all morning, and you [5-7] haven't touched a single [17] bite.
[47] That nice young preacher Brother Taylor dropped by today.
[17] Said he'd be pleased to have dinner on Sunday, [17] oh, by the way.
[47] He said he saw a girl that looked a lot like you up on Choctaw Ridge.
And she and [17] Billie Joe was throwing [b77] something off the Tallahatchie [17] Bridge."

[17] A year has come and gone since we [5-7] heard the news bout Billie [17] Joe
[17] Brother married Becky Thompson they [5-7] bought a store in Tupe- [17] lo,
[47] There was a virus going round Poppa caught it and he died last Spring.
And now [17] Momma doesn't seem to wanna do much - of anything
And [47] me, I spend a lot of time pickin flowers up on Choctaw Ridge.
And drop them [17] into the muddy water [b77] off the Tallahatchie [17] Bridge. (fade on) [17]

[1-] Well old Mr. Satan, [b57] he got mad,
Missed that soul that he [1-] thought he had;
[4-] Pharaoh's army got [1-] drownded - [b57] O Mary don't you [1-] weep.

[1-] Brothers and sisters [b57] don't you cry -
There'll be good times [1-] by and by;
[4-] Pharaoh's army got [1-] drownded - [b57] O Mary don't you [1-] weep.

Chorus x2

[1-] God gave Noah the [b57] rainbow sign;
"No more water but fire [1-] next time";
[4-] Pharaoh's army got [1-] drownded - [b57] O Mary don't you [1-] weep.

I [1] know [4] you've been [5] blue, I [1] miss the [4] way you [5] do
So [1] drop [4] your dis-[5]guise and [1] lift those [4] tired [5] eyes

[4] Oh my [1] have you ever seen such [6-] blue sky?
[5] Oh what I would do up [4] so high

Oh I [1] come from Alabama with a banjo on my [5] knee,
I'm [1] going to Louisiana, my true love [5] for to [1] see

[4] Oh, Susanna, now [1] don't you cry for [5] me
For I [1] come from Alabama, with my banjo [5] on my [1] knee.

It [1] rained all night the day I left, the weather it was [5] dry
The [1] sun so hot I froze to death; Susanna, [5] don't you [1] cry.

[4] Oh, Susanna, now [1] don't you cry for [5] me
For I [1] come from Alabama, with my banjo [5] on my [1] knee.

I [1] had a dream the other night when everything was [5] still,
I [1] thought I saw Susanna coming [5] up the [1] hill,

[4] Oh, Susanna, now [1] don't you cry for [5] me
For I [1] come from Alabama, with my banjo [5] on my [1] knee.

The [1] buckwheat cake was in her mouth, the tear was in her [5] eye,
I [1] said I'm coming from Dixieland, Susanna [5] don't you [1] cry.

[4] Oh, Susanna, now [1] don't you cry for [5] me
For I [1] come from Alabama, with my banjo [5] on my [1] knee.

I [1] soon will be in New Orleans, and then I'll look [5] around
And [1] when I find my gal Susanne, I'll fall [5] upon the [1] ground.

[4] Oh, Susanna, now [1] don't you cry for [5] me
For I [1] come from Alabama, with my banjo [5] on my [1] knee.

But [1] if I do not find her, this man will surely [5] die,
and [1] when I'm dead and buried, Susanna [5] don't you [1] cry.

[4] Oh, Susanna, now [1] don't you cry for [5] me
For I [1] come from Alabama, with my banjo [5] on my [1] knee.

[1] [5] [6-] [4]
[1] [5] [1]

[1] It's the time and the [5] place,
Every [6-] line on your [4] face,
It's the [1] truth and the [5] lie,
It's to [6-] live and to [4] die.
[1] Oh what a [5] beautiful [1] world.

It's the [1] girl and the [5] boy,
and the [6-] first taste of [4] joy
It's an [1] old photo-[5]graph
of two [6-] hearts torn in [4] half.
[1] Oh what a [5] beautiful [1] world.

[4] We build our [1] hopes up high,
[5] perchance to [1] someday fly,
[4] Across a [1] clear blue sky,
to someplace [5] new. [5] [4] [1] [2-]

It's a [1] walk in the [5] park,
or a [6-] shot in the [4] dark,
It's the [1] deep in the [5] night,
or the [6-] first ray of [4] light.
[1] Oh what a [5] beautiful [1] world.

and roll on [5] through. [4] [1] [2-]

It's the [1] rise and the [5] fall
of the [6-] clocks on the [4] wall.
It's the [1] first and the [5] last
of your [6-] days flying [4] past
[1] Oh what a [5] beautiful [1] world, [4]

[1] Oh happy travellers are we [4] around Australia in a [5] caravan
the [4] kids are gone, we [5] have no plan
you [4] navig-[5]ate, I'm your [1] engine [6-] man
yes, [4] happy [5] campers are [1] we

[1] Oh king of the road are we [4] up a mountain road [5] we wind
With a [4] mile of traffic [5] stuck behind
Two [4] friend[5]lier folk you [1] wouldn't [6-] find
Oh [4] cheery [5] ol' chooks are [1] we

We've [4] hit the road and [1] sold the home
Like a [5] pair of drover's [1] round we roam
[4] No more winter and [1] no more [6-] phone
We're [4] wild and [5] fancy [1] free

[1] And a pair of toilers are we, [4] we'll pick fruit or [5] prune a tree
Any [4] old job doesn't [5] worry me
It'll [4] cover our [5] fuel and the [1] camping [6-] fee
Ah, [4] frugal old farts I [1] are

[1] And a dear old chook are you in your [4] terry toweling dressing [5] gown,
the [4] one you bought in the [5] country town.
[4] Yours is [5] pink and [1] mine is [6-] brown
Two [4] dear old farts are [1] we

We've [4] hit the road and [1] sold the home
Like a [5] pair of drover's [1] round we roam
[4] No more winter and [1] no more [6-] phone
We're [4] wild and [5] fancy [1] free

And a [1] tidy little unit are we, [4] everything has a place [5] to be
A [4] jar of coffee and a [5] tin of tea
A [4] life for [5] two but [1] not for [6-] three
Oh [4] sexy old tarts are [1] we

And we [4] always camp just [1] near the loo
cause I [5] have to go at [1] midnight too
[4] dribble dribble dribble's [1] all I [6-] do
oh [4] over the [5] hill are [1] we

Oh [1] happy campers are we a [4]round australia in the [5] caravan
the [4] kids are gone we [5] have no plan,

[1] He turned thirty-five last Sunday [4] in his hair he found some [1] gray
But he still ain't changed his lifestyle he likes it better the [57] old way
So he [4] grows a little garden in the back [1] yard by the fence
He's con [4]suming what he's growing nowa [1]days in self de [57]fense
He [1] gets out there in the twilight zone
Some [4]times when it just don't make no [1] sense

He gets off on country music [4] cause disco left him [1] cold
He's got young friends in a new wave but he's just too friggin' [57] old
And he [4] dreams at night of Woodstock and the [1] day John Lennon died
How the [4] music made him happy and the [1] silence made him [57] cry
Yeah he [1] thinks of John sometimes [4] and he has to wonder [1] why

He's an [4] old hippie and he [1] don't know what to do
Should he [57] hang on to the old should he [1] grab on to the new
He's an [4] old hippie his new life is [1] just a bust
He ain't [57] trying to change nobody he just [4] trying real [57] hard to [1] adjust

He was sure back in the sixties [4] that everyone was [1] hip
Then they sent him off to Vietnam on his senior [57] trip
And they [4] forced him to become a man while [1] he was still a boy
And be [4]hind each wave of tragedy he [1] waited for the [57] joy
Now this [1] world may change around him [4] but he just can't change no [1] more

He ain't [57] trying to change nobody he just [4] trying real [57] hard to [1] adjust

Well he stays away a lot now [4] from the parties and the [1] clubs
And he's thinking while he's jogging around
Sure is glad he quit the hard [57] drugs
Cause [4] him and his kind get more en [1]dangered everyday
And [4] pretty soon the species will [1] just up and fade [57] away
Like the [1] smoke from that torpedo [4] just up and fade a [1]way

I [1] fell in [b37] love with a [4] girl from the [1] town.

I [1] ran a-[b37]-way to [4] Charlottes-[1]-ville.
And worked in a [5] sawmill or [1] two.

[5] What have they done to the [1] old home place?
[b27] Why did they tear it [57] down?
And [1] why did I [b37] leave the [4] plow in the [1] field
And look for a [5] job in the [1] town.

Well my [1] girl she ran [b37] off with [4] somebody [1] else.
The taverns took all my [5] pay.
And [1] here I [b37] stand where the [4] old home [1] stood
Before they [5] took it [1] away.

Now the [1] geese they fly [b37] south and the [4] cold wind [1] blows
As I stand here and hang my [5] head.

Now I've [1] often heard it said from me father and me mother
That [5] going to a wedding is the [4] making of a- [1] nother
Well, [1] if this be so, then I'll [4] go without a [1] biddin
Oh kind providence, won't you send me to a [5] wedding

And its [1] Oh [4] dear [1] me, how would it [4] be,
if I [1] die an old [5] maid in a gar- [1] ret

Well, [1] there's my sister Jean, she's not handsome or good-looking
[5] Scarcely sixteen and a fe- [4] lla she was [1] courting
Now [1] she's twenty-four with a [4] son and a [1] daughter
Here am I at forty-five and I've never had an [5] offer

And its [1] Oh [4] dear [1] me, how would it [4] be,
if I [1] die an old [5] maid in a gar- [1] ret

I can [1] cook and I can sew and I can keep the house right tidy
[5] Rise up in the morning and [4] get the breakfast [1] ready
There's [1] nothing in this wide world would [4] make me half so [1] cheery
As a wee fat man who would call me his own [5] deary

And its [1] Oh [4] dear [1] me, how would it [4] be,

Come [5] fiddler or come dancer, come [4] ploughboy or come [1] sailor
Come [1] rich man, come poor man, come [4] fool or come [1] witty
Come any man at all that will marry me for [5] pity

Well now [1] I'm away home for nobody's heeding

Just take those old records [1] off the shelf
I'll sit and listen to them [4] by myself
Todays music ain't [5] got the same soul
I like that old time [1] rock and roll

[1] Don't try to take me to a disco
You'll never even get me [4] out on the floor
In ten minutes I'll be [5] late for the door
I like that old time [1] rock and roll [5]

Still like that old time [1] rock and roll
That kind of music just [4] soothes the soul
I reminisce about the [5] days of old
With that old time [1] rock and roll

[1] Won't go to hear em play a tango
I'd rather hear some blues or [4] funky old soul
There's only one sure way to [5] get me to go
Start playin' old time [1] rock and roll

[1] Call me a relic call me what you will
Say I'm old fashioned say I'm [4] over the hill
Today's music ain't [5] got the same soul
I like that old time [1] rock and roll [5]

Still like that old time [1] rock and roll
That kind of music just [4] soothes the soul
I reminisce about the [5] days of old

My [5] eyes are baggin' and my skin is saggin'
And if that's the reason that you don't love me, [4] maybe [5] that's not [1] love.

[1] Well I ain't 20 either and I don't care neither.
My [5] hair is gray and I like it that way.

[1] Well I got saggy breasts that droop from my chest,

Intro: [6-] [b2sus2] [4maj7] [5]

[6-] Is it getting [b2sus2] better, [4maj7] or do you feel the [5] same
[6-] Will it make it [b2sus2] easier on you now [4maj7] you got someone to [5] blame
You say [1] one love, [6-] one life, [4maj7] when it's one need [1] in the night
It's one love, we get to [6-] share it
[4maj7] It leaves you baby if you don't [1] care for it

INSTRUMENTAL

[6-] Is it getting [b2sus2] better, [4maj7] or do you feel the [5] same

[6-] Did I disa[b2sus2]-ppoint you, [4maj7] or leave a bad taste in your [5] mouth
[6-] You act like you never [b2sus2] had love, [4maj7] and you want me to go with[5]-out
Well it's [1] too late [6-] tonight, [4maj7] to drag the past out [1] into the light
We're one but we're [6-] not the same,
We get to [4maj7] carry each other, [1] carry each other

[6-] One [b2sus2] [4maj7] [5]

[6-] Have you come here for for[b2sus2]-giveness,
[4maj7] Have you come to raise the [5] dead
[6-] Have you come here to play [b2sus2] Jesus
[4maj7] To the lepers in your [5] head
Did I [1] ask too much, [6-] more than a lot,
[4maj7] You gave me nothing now [1] it's all I got
We're one but we're [6-] not the same,
We [4maj7] hurt each other then we're [1] doing it again, you say

[1] Love is a temple, [6-] love the higher law
[1] Love is a temple, [6-] love the higher law
[1] You ask me to enter, [5] but then you make me crawl
And I can't be holding on [4maj7] to what you got when all you got is [1] hurt

One love, [6-] One blood, [4maj7] One life you got to [1] do what you should
One life with each [6-] other, [4maj7] sisters, [1] brothers
One life but we're [6-] not the same,
We get to [4maj7] carry each other, [1] carry each other

[1] Listen children [5] to a story [6-] that was written [3-] long ago
[4] 'Bout a kingdom [1] on a mountain, [4] and the valley [5] folk below
[1] On the mountain [5] was a treasure [6-] buried deep be[3-]neath a stone
[4] And the valley [1] people swore they'd [4] have it for their [5] very[1] own.

Chorus:
[1] Go ahead and hate your [3-] neighbor, [4] go ahead and cheat a [5] friend
[1] Do it in the name of [3-] heaven, you can [4] justify it in the [1] end
[1] There won't be any trumpets [3-] blowing, [4] come the judgment [1] day
[1] On the bloody morning [4] after - one tin soldier rides a[1]way.

[1] So the people [5] of the valley [6-] sent a message [3-] up the hill
[4] Asking for the [1] buried treasure, [4] tons of gold for [5] which they'd kill
[1] Came an answer [5] from the kingdom: '[6-] With our brothers [3-] we will share
[4] All the secrets [1] of our mountain, [4] all the riches [5] buried [1] there.'

Chorus

[1] Now the valley [5] cried with anger, [6-] mount your horses, [3-] draw your sword!
[4] And they killed the [1] mountain people, [4] sure they'd won their [5] just reward
[1] Now they stood be[5]side the treasure [6-] on the mountain [3-] dark and red
[4] Turned the stone and [1] looked beneath it -
[4] "Peace on Earth" was [5] all it [1] said.

Chorus

[1] Go ahead and hate your [3-] neighbor, [4] go ahead and cheat a [5] friend
[1] Do it in the name of [3-] heaven, you can [4] justify it in the [1] end
[1] There won't be any trumpets [3-] blowing, [4] come the judgment [1] day

[1] Listen children [5] to a story [6-] that was written [3-] long ago
[4] 'Bout a kingdom [1] on a mountain, [4] and the valley [5] folk below
[1] On the mountain [5] was a treasure [6-] buried deep be[3-]neath a stone
[4] And the valley [1] people swore they'd [4] have it for their [5] very [1] own.

Chorus:
[1] Go ahead and hate your [3-] neighbor, [4] go ahead and cheat a [5] friend
[1] Do it in the name of [3-] heaven, you can [4] justify it in the [1] end
[1] There won't be any trumpets [3-] blowing, [4] come the judgment [1] day
[1] On the bloody morning [4] after - one tin soldier rides a [1]way.

[1] So the people [5] of the valley [6-] sent a message [3-] up the hill
[4] Asking for the [1] buried treasure, [4] tons of gold for [5] which they'd kill
[1] Came an answer [5] from the kingdom: " [6-] With our brothers [3-] we will share
[4] All the secrets [1] of our mountain, [4] all the riches [5] buried [1] there."

Chorus

[b2] Now the valley [b6] cried with anger, [b7-] mount your horses, [4-] draw your sword!
[b5] And they killed the [b2] mountain people, [b5] sure they'd won their [b6] just reward
[b2] Now they stood be[b6]side the treasure [b7-] on the mountain [4-] dark and red
[b5] Turned the stone and [b2] looked beneath it -
[b5] "Peace on Earth" was [b6] all it [b2] said.

[b2] Go ahead and hate your [4-] neighbor, [b5] go ahead and cheat a [b6] friend
[b2] Do it in the name of [4-] heaven, you can [b5] justify it in the [b2] end
[b2] There won't be any trumpets [4-] blowing, [b5] come the judgment [b2] day
[b2] On the bloody morning [b5] after - one tin soldier rides a [b2]way.

[b2] Go ahead and hate your [4-] neighbor, [b5] go ahead and cheat a [b6] friend
[b2] Do it in the name of [4-] heaven, you can [b5] justify it in the [b2] end
[b2] There won't be any trumpets [4-] blowing, [b5] come the judgment [b2] day
[b2] On the bloody morning [b5] after - one tin soldier rides a [b2]way.

[1] When I was younger I saw my daddy [5-] cry and curse at the [4maj7] wind

Intro: 2 Bars on [1]

[1] There's a little ditty they're [b27] singin' in the city
[57] Especially when they've been on the [b27] gin or the [57] beer
[1] If you've got the patience your [b27] own imaginations'll
[57] Tell you just exactly what [1] you want [1] to [1] hear

[1] Oom-pah-pah, oom-pah-pah, [b27] that's how it goes
[57] Oom-pah-pah, oom-pah-pah, [1] ev'ryone [57] knows
[1] They all suppose what they [b27] want to suppose
[57] When they hear oom-pah [1] pah 2 3, 1 2 3

[1] Mister Percy Snodgrass would [b27] often have the odd glass
But [57] never when he thought any [b27]body could [57] see
[1] Secretly he'd buy it and [b27] drink it on the quiet
And [57] dream he was an Earl with a [1] girl on [1] each [1]knee

[1] Oom-pah-pah, oom-pah-pah, [b27] that's how it goes
[57] Oom-pah-pah, oom-pah-pah, [1] ev'ryone [57] knows
[1] What is the cause of his [b27] red shiny nose
[57] Could it be oom-pah [1] pah 2 3, 1 2 3

[1] Pretty little Sally goes [b27] walkin' down the alley
Dis [57] plays a pretty ankle to [b27] all of the [57] men
[1] They could see her garters, but [b27] not for free and gratis
An [57] inch or two and then she knows [1] when to [1] say [1] when

[1] Oom-pah-pah, oom-pah-pah, [b27] that's how it goes
[57] Oom-pah-pah, oom-pah-pah, [1] ev'ryone [57] knows
[1] Whether it's hidden, or whether [b27] it shows
[57] It's the same, oom-pah [1] pah 2 3, 1 2 3

[1] Oom-pah-pah, oom-pah-pah, [b27] that's how it goes
[57] Oom-pah-pah, oom-pah-pah, [1] ev'ryone [57] knows
[1] Whether it's hidden, or whether [b27] it shows
[57] It's the same, oom-pah [1] pah 2 3 [1]

And try not to [b57] hide what you feel in-[7]side

Yes [1] it is the biggest [6-] mix-up that [5] you have ever seen
Me [4] father he was [1] orange and me [5] mother she was [1] green
We [6-] tried to smooth things over, but they [2-] all began to [5] fight
And [4] me being strictly [1] neutral, I bashed [5] everyone in [1] sight

Oh [1] it is the biggest [6-] mix-up that [5] you have ever seen
Me [4] father he was [1] orange and me [5] mother she was [1] green

Oh me [1] father was an [6-] Ulsterman, proud [5] Protestant was he
Me [4] mother was a [1] Catholic girl, from [5] County Cork was [1] she
They were [6-] married in two churches, lived [2-] happily e-[5]nough
Un-[4] til the day that [1] I was born and [5] things got rather [1] tough

Oh [1] it is the biggest [6-] mix-up that [5] you have ever seen
Me [4] father he was [1] orange and me [5] mother she was [1] green

Bap-[1] tised by father [6-] Reilly, I was [5] rushed away by car
To be [4] made a little orangeman, me [5] father's shining [1] star
I was [6-] christened David Anthony, but [2-] still in spite of [5] that
To my [4] father I was [1] William while me [5] mother called me [1] Pat

Oh [1] it is the biggest [6-] mix-up that [5] you have ever seen
Me [4] father he was [1] orange and me [5] mother she was [1] green

With [1] mother every [6-] Sunday to [5] mass I'd proudly stroll
Then [4] after that the [1] orange lot would [5] try to save my [1] soul
[6-] Both sides tried to claim me, but [2-] I was smart be-[5]cause
I [4] played the flute or [1] played the harp, de-[5]pending where I [1] was

Oh [1] it is the biggest [6-] mix-up that [5] you have ever seen
Me [4] father he was [1] orange and me [5] mother she was [1] green

Now [1] when I'd sing them [6-] rebel songs much [5] to me mother's joy
Me [4] father would jump [6-] up and say "Look [5] here, William me [1] boy!
That's [6-] quite enough of that lot.", and he'd [2-] then toss me a [5] coin
And he'd [4] have me sing The [1] Orange Flute or the [5] Heroes Of The [1] Boyne.

Oh [1] it is the biggest [6-] mix-up that [5] you have ever seen
Me [4] father he was [1] orange and me [5] mother she was [1] green

One [1] day me ma's [6-] relations came [5] round to visit me

[1] Why must you always seem to critic [5]ize me

Why don't you come on out and des [4]pise me

[1] Why must you always seem to critic [5]ize me
Seems like everything I do just turns out [1] wrong
Why don't you come on out and des [4]pise me
So I could [5] pack my bag and baby I'd be [1] gone

[1] Remember when you used to call me [5] honey
Well, I'd turn around and call you honey [1] too
You might think it's a joke, but it ain't [4] funny
To [5] hurt someone who's so in love with [1] you

So he wears a smile even when he wears a [1] frown
You might think I'm here when you [4] put me down
But [5] actually, I'm on, the other [1] side of town

My [1] body's in this room with you just [5] catching hell
While my soul is drinking beer down the [1] road a spell
You might think I'm listening to your [4] grocery list
But I'm [5] leaning on the jukebox and I'm [1] about half ... way there

A [1] clown puts his makeup on, upside [5] down
So he wears a smile even when he wears a [1] frown
You might think I'm here when you [4] put me down
But [5] actually, I'm on, the other [1] side of town

I'm [1] sittin' on a chair just be? [5] hind my ear
Playing dominoes and drinking some [1] ice cold beer
When you get done talking I'll come [4] back downstairs
And [5] assume the body of the person you pre [1]sume who cares

A [1] clown puts his makeup on, upside [5] down
So he wears a smile even when he wears a [1] frown
You might think I'm here when you [4] put me down
But [5] actually, I'm on, the other [1] side of town

[1] You don't know what's going on
[5] You've been away for far too long
[4] You can't come back and think you are still [1] mine
[1] You're out of touch my [4] baby
My [5] poor old fashioned [1] baby
I said [4] baby baby [5] baby you're out of [1] time

Chorus:
Well [1] baby baby baby you're out of [5] time
I said [6-] baby baby baby you're out of [4] time
Yes you are left [1] out [4] left out of there without a doubt
'Cause [1] baby baby [5] baby you're out of [1] time

[1] You thought you were a clever girl

[1] I will always [5] love you for what it?s worth
[2-] Would never fade like [4] graffiti on the overpass

You were the [4] first full stop love that will never [5] leave
[5] Baby, you?ll never be lost on [1] me

[6-] This is goddamn shame
[5] Never wanted to [4] break it or leave us tainted
[6-] Now I should walk away
[5] But I just can?t re-[4]place us or even erase us

The [5] car was stuck the engine stalled
And both of us [6-] got caught out in the [4] snow, alone
There were [5] times where I'd forget the lows

And [1] fare thee well to Ireland,
The [b7] land of my [4] native [1] home
It [4] breaks my [1] heart for to see friends part,
For it's then the teardrops [b7] fall
I'm [4] on my [1] way to Amerikay,
Will I ever see home once [b7] more?
For I'm [1] leaving behind, the one I love,
On [b7] Paddy's green [4] shamrock [1] shore

The [1] ship she lies at anchor,
She's [b7] standing [4] by the [1] quay
May [4] fortune [1] bright shine down each night
As we sail over the [b7] sea
Many [4] ships have been [1] lost, many lives it has cost
On the journey that lies be-[b7]fore
With a [1] tear in my eye I'm bidding goodbye
To [b7] Paddy's green [4] shamrock [1] shore

So [1] fare thee well my own true love,
I'll [b7] think of you [4] night and [1] day
And a [4] place in my [1] mind, you surely will find,
Although I am far a-[b7]way
Though [4] I'll be a-[1]lone, far away from home,
I'll think of the good times once [b7] more
Until [1] the day I can make my way back
To [b7] Paddy's green [4] shamrock [1] shore

And [1] now the ship is on the wave
May [b7] heaven [4] protect us [1] all
With the [4] wind in our [1] sail we surely can't fail
On the voyage to Balti-[b7]more
My pa-[4]rents and [1] friends, they did wave till the end,
Till I could see them no [b7] more
Then [1] I took a chance, took one last glance
At [b7] Paddy's green [4] shamrock [1] shore

slow and Fade to end

Then [1] I took a chance, took one last glance

[1-] No colours anymore I [b57] want them to turn black
[1-] I [7] see the [3] girls walk [7] by
Dressed [1-] in their summer clothes
[1-] I [7] have to [3] turn my [7] head un[b47]til my darkness [b57] goes

One [1] summer evening drunk to hell, I [2-] sat there nearly [4] lifeless
An [1] old man in the corner sang "Where the [4] Water Lilies [2-] Grow"
And [1] on the jukebox Johnny sang a-[2-]bout a thing called [4] love
And it's [1] how are you [2-] kid and [4] what's your [1] name
And [4] how would you bloody [2-] know?

In [1] blood and death 'neath a screaming sky I [2-] lay down on the [4] ground
And the [1] arms and legs of other men were [4] scattered all a-[2-]round
Some [1] cursed, some prayed, some prayed then cursed, then [2-] prayed and bled some [4] more
And the [1] only [2-] thing that [4] I could [1] see
Was a [1] pair of brown [2-] eyes that was [4] looking at [1] me
But [1] when we got [2-] back, labeled [4] parts one to [1] three
There was [1] no pair of [2-] brown eyes [4] waiting for [1] me
And a [1] rovin', a [2-] rovin', a [4] rovin' I'll [1] go
For a [4] pair of brown [2-] eyes

[4] [4] [4] [2-] x2

I [1] looked at him, he looked at me, all [2-] I could do was [4] hate him
While [1] Ray and Philomena sang of [4] my elusive [2-] dream
I [1] saw the streams, the rolling hills where [2-] his brown eyes were [4] waiting
And I [1] thought a-[2-]bout a [4] pair of brown [1] eyes
that [4] waited once for [2-] me

So [1] drunk to hell I left the place, sometimes [2-] crawling, sometimes [4] walking
A [1] hungry sound came across the breeze so I [4] gave the walls a [2-] talking
And I [1] heard the sounds of long ago [2-] from the old [4] canal
And the [1] birds were [2-] whistling [4] in the [1] trees
Where the [4] wind was gently [2-] laughing

And a [1] rovin', a [2-] rovin', a [4] rovin' I'll [1] go
And a [1] rovin', a [2-] rovin', a [4] rovin' I'll [1] go
And a [1] rovin', a [2-] rovin', a [4] rovin' I'll [1] go
For a [4] pair of brown [2-] eyes
Fade to end

And a [1] rovin', a [2-] rovin', a [4] rovin' I'll [1] go
And a [1] rovin', a [2-] rovin', a [4] rovin' I'll [1] go
And a [1] rovin', a [2-] rovin', a [4] rovin' I'll [1] go
For a [4] pair of brown [2-] eyes

[1] Last night I took a walk in the dark
[6-] Out to a place called Palisades Park
[4] To have some fun and see what I could [5] see
[57] That's where the girls are

[1] I took a ride on a shoot-de-shoot
[6-] The girl I sat beside was awful cute
[4] And when it stopped she was holdin' hands with [5] me
[57] My heart was flyin'

[4] Up like a rocket ship
[6-] Down like a roller coaster
[4] Back like a loopty-loop
And [5] a-roundlike a merry-go-round.

[1] We even ate at a hot dog stand
[6-] We danced around to a rockin' band
[4] And when I could I gave that girl a [5] hug
In the [57] tunnel of love now

[4] You'll never know how great a kiss can be
when you're [6-] stopped at the top of the Ferris wheel
When I [4] fell in love
[5] down at Palisades [1] Park

[1] We even ate at a hot dog stand
[6-] We danced around to a rockin' band
[4] And when I could I gave that girl a [5] hug

[1] Living' on the road my friend, [5] was gonna keep you free and clean
[4] Now you wear your skin like iron, your [1] breath's as hard as [5] kerosene

[6-] Began to cry when you [4] said good-bye [1], [5]
And [4] sank into your [6-] dreams [1]

[1] Pancho was a bandit boys, [5] his horse was fast as polished steel
[4] He wore his gun outside his pants, for [1] all the honest [5] world to feel
[4] Pancho met his match you know, in the [1] desert down in [4] Mexico
And [6-] no one heard his [4] dying [5] words, [5]
But [4] that's the way it [6-] goes [4]

Chorus:
[4] All the Federales say, we [1] could have had him [4] any day

[1] Lefty he can't sing the blues, [5] all night long like he used to
[4] The dust that Pancho bit down south, [1] ended up in [5] Lefty's mouth
[4] The day they laid poor Pancho low, [1] Lefty split for [4] Ohio
[6-] Where he got the [4] bread to [1] go, [5]
There [4] ain't nobody [6-] knows [4]

[1] The poets tell how Pancho fell, [5] Lefty's living in a cheap hotel
[4] The desert's quiet and Cleveland's cold, and [1] so the story [5] ends, we're told
[4] Pancho needs your prayers it's true, but [1] save a few for [4] Lefty too
[6-] He only did what he [4] had to [1] do, [5]

[1] [b2-7]

[1] Endless travel
[b2-7] Can't remember where I've [1] been
[b2-7] Lying in this hammock, [4-] feeling tragic
[b27] Like the ones you hear so much about [1]
Can't [6-] wait to [b27] tell you where I've been [4]

[1] Skim the water
[b2-7] South Atlantic ocean [1] grey
[b2-7] Always searching for his [1] mate
[b2-7] Lonely albatross, [4-] cannot find them
[b27] The ones you care so much about [1]
They're [6-] lost and you're [b27] losing your [4] way

[1] [b2-7]

[1] Too much pressure, [b2-7] gin and tonic-water
[4-] They'll forget you, [b27] the ones you care so much about [1]
[6-] They'll [b27] surrender to the [4] need [1]

[1]
When [1] I was a child my [4] family would [1] travel,
down to Western Kentucky where my [57] parents were [1] born
And there's a backwards old town that's [4] often re-[1]membered,
so many times that my [57] memories are [1] worn.

And [1] daddy won't you take me back to [4] Muhlenberg [1] County,
down by the Green River where [57] Paradise [1] lay
Well, I'm sorry my son, but you're [4] too late in [1] asking,
Mr. Peabody's coal train has [57] hauled it a-[1]way

Well, [1] sometimes we'd travel right [4] down the Green [1] River,
to the abandoned old prison down by [57] Adrie [1] Hill
Where the air smelled like snakes and we'd [4] shoot with our [1] pistols,
but empty pop bottles was [57] all we would [1] kill.

And [1] daddy won't you take me back to [4] Muhlenberg [1] County,
down by the Green River where [57] Paradise [1] lay
Well, I'm sorry my son, but you're [4] too late in [1] asking,
Mr. Peabody's coal train has [57] hauled it a-[1]way

Then the [1] coal company came with the [4] world's largest [1] shovel,
and they tortured the timber and [57] stripped all the [1] land
Well, they dug for their coal till the [4] land was for-[1]saken,
then they wrote it all down as the [57] progress of [1] man.

And [1] daddy won't you take me back to [4] Muhlenberg [1] County,
down by the Green River where [57] Paradise [1] lay
Well, I'm sorry my son, but you're [4] too late in [1] asking,
Mr. Peabody's coal train has [57] hauled it a-[1]way

When I [1] die let my ashes float [4] down the Green [1] River,
let my soul roll on up to the [57] Rochester [1] dam
I'll be halfway to Heaven with [4] Paradise [1] waitin',
just five miles away from wher-[57]ever I [1] am.

And [1] daddy won't you take me back to [4] Muhlenberg [1] County,
down by the Green River where [57] Paradise [1] lay
Well, I'm sorry my son, but you're [4] too late in [1] asking,

[1] [5] [6-] [5] [1] [5] [6-] [5]
[1] Sailing 'cross the [5] seas pursuing [6-] sorry ships
don't [5] know they're sinking
[4] Holding on un-[16]til all hope is [2-] gone [1] [5]
[1] Focusing my [5] eyes on distant [6-] stars
so far a-[5]way they're blinking
[4] On and off and [16] on and off and [2-] on [1] [5]
But the [1] bird [5] in my [6-] hand
[5] promises [4] pa-[16]-a-ra[2-]dise [1] [5]

[1] Venture forth from [5] cave to conquer [6-] everything that's [5] moving
Pleasure [4] never really [16] lasted very [2-] long [1] [5]
[1] Roller coaster [5] ride the lows, the [6-] highs,
feels like you're [5] grooving
Though it's [4] on and off and [16] on and off and [2-] on [1] [5]
But the [1] bird [5] in my [6-] hand
[5] promises [4] para-[1]dise

[4] All the [1] actors in your play
Will [2-] do their part [1] and go their way
Or [5] dance as long as [1] you will pay
But [4] she will never [5] fly away

[1] [5] [6-] [5] [1] [5] [6-] [5]
[1] Man behind the [5] curtain pulls the [6-] levers for the [5] sheep
For me to-[4]night there'll be no [16] sleep until the [2-] dawn [1] [5]
[1] Neon sign from [5] Paradise Ho-[6-]tel across the [5] street
Is blinking [4] on and off and [16] on and off and [2-] on [1] [5]

[1] [1] [1] [1]
[1] Now I'm a union man, a-[2-]mazed at what I am
I [4] say what I [1] think, "That the [2-] company [1] stinks"
Yes, [5] I'm a [4] union [1] man

[1] When we meet at the local hall, I'll be [2-] voting with them all
With a [4] hell of a [1] shout it's, "[2-] Out, brothers [1] out"
And the [5] rise of the [4] factory's [1] fall

[5] Ohhhh, you [1] don't get me I'm part of the union
You [5] don't get me I'm [1] part of the union
You [1] don't get me I'm part of the union
[4] 'Till the [1] day I [2-] die, [4] 'till the [5] day I [1] die

[1] As a union man I'm wise, to the [2-] lies of the company spies
And I [4] don't get [1] fooled by the [2-] factory [1] rules
'Cause I [5] always read be-[4]tween the [1] lines.

[1] And I always get my way, if I [2-] strike for higher pay
When I [4] show my [1] card to the [2-] Scotland [1] Yard
[5] This is [4] what I [1] say

[5] Ohhhh, you [1] don't get me I'm part of the union
You [5] don't get me I'm [1] part of the union
You [1] don't get me I'm part of the union
[4] 'Till the [1] day I [2-] die, [4] 'till the [5] day I [1] die [1] [1] [1] [1]

INSTRUMENTAL

[5] Ohhhh, you [1] don't get me I'm part of the union
You [5] don't get me I'm [1] part of the union
You [1] don't get me I'm part of the union
[4] 'Till the [1] day I [2-] die, [4] 'till the [5] day I [1] die [1] [1] [1] [1]

[1] Before the union did appear, my [2-] life was half as clear
Now I've [4] cut the [1] power to the [2-] working [1] hour
And [5] every other [4] day in the [1] year

[1] So though I'm a working man, I can [2-] ruin the government's plan
Though I'm [4] not too [1] hard, the [2-] sight of my [1] card
Makes me [5] some kind of [4] Super-[1]man

Play next twice

[5] Ohhhh, you [1] don't get me I'm part of the union
You [5] don't get me I'm [1] part of the union
You [1] don't get me I'm part of the union
[4] 'Till the [1] day I [2-] die, [4] 'till the [5] day I [1] die

[1] Is it too [5] much to demand
I want a [6-] full house and a [4] rock and roll band
[1] Pens that [5] won't run out of ink
And [6-] cool quiet and [4] time to think

Shouldn't I have [4] all of this, and
[1] Passionate [4] kisses
[1] Passionate [4] kisses, whoa ohh oh
[1] Passionate [4] kisses from [1] you [5] [6-] [4]

[1] Do I [5] want too much
Am I [6-] going overboard to [4] want that touch
[1] I shouted [5] out to the night:

Last [1-] night I dreamed [7] you were back again

[1-] I swore I'd never fall like [7] this again
[6] But fools like me [3] never win, [7] came to my [1-] knees again
[1-] Can't close the door on the [7] likelihood

[7] Got to let your love invite, [1-] do you think they might be
[7] No you don't, but I [b4] do

I [4] wanna touch the [b7] moon before I [4] die
I [4] wanna do a [b7] backflip in [4] zero gravi- [1]ty
And I [4] wanna see the [b7] world for what it [4] is
Just a [4] single piece of [b7] rock
Being [4] shared by you and [1] me

Chorus:
And [b7] all the different [4] people
In [6-] all the different [2-] places
We're [b7] standing on this [4] same rock
Floating [6-] through whatever [2-] space is
It's [b7] hard to i- [1]magine we could [4] ever be a- [2-]lone
With [b7] so many people standing on one piece of [1] stone

I [4] want just one more [b7] go around the [4] sun
[4] Some have made one [b7] hundred journeys
[4] Some not even [1] one
And I [4] wanna use my [b7] time for what it [4] is
On this [4] single piece of [b7] rock
Spinning [4] slowly round the [1] sun

Chorus

If you [b7] love some- [4]one, [6-] let them [2-] know, [b7] hold them [4] close, [6-] don't let [2-] go
[b7] Keep them [4] safe, [6-] Keep them [2-] near, we'll be [b7] back a [4] round in a- [6-]nother [2-] year

Some [4] times I find it [b7] hard to under- [4]stand
How [4] someone could be [b7] cold enough to [4] take another [1] man
[4] Faster than the [b7] bullet from a [4] gun
On this [4] single piece of [b7] rock, spinning [4] slowly round the [1] sun

Chorus

If you [b7] love some- [4] one, [6-] let them [2-] know, [b7] hold them [4] close, [6-] don't let [2-] go
[b7] Keep them [4] safe, [6-] keep them [2-] near, we'll be [b7] back a- [4]round in a- [6-]nother [2-] year

[b7] Shake a [4] hand, [6-] make a [2-] friend, [b7] who knows [4] what lies be- [6-]yond the [2-] bend

Oh I [1] wish I had a [b37] pencil thin [b67] moustache
Then [b27] I could solve some [5] mysteries [1] too

Then it's [2-] Bandstand, [b67] Disneyland, [2-] growin' up [b67] fast

Yeah, and [3-] Ramar of the [b77] jungle was [3-] everyone's [b77] B'wana
But [b27] only jazz musicians were [57] smokin' marijuana
Yeah, I [1] wish I had a [b37] pencil thin [b67] moustache

Then it's [2-] flat top, [b67] dirty bop, [2-] coppin' a [b67] feel
[2-] Grubbin' on the [b67] livin' room [2-] floor (so sore)
Yeah, they [3-] send you off to [b77] college, try to [3-] gain a little
[b77] knowledge
But [b27] all you want to do is [57] learn how to score

Yeah, but [1] now I'm gettin' [b37] old, don't [b67] wear underwear
I [b27] don't go to church and I [57] don't cut my hair
But [1] I can go to [b37] movies and [b67] see it all there
Just the [b27] way that it [57] used to [1] be

That's why I [1] wish I had a [b37] pencil thin [b67] moustache
[b27] The Boston [57] Blackie [1] kind
A [1] two toned [b37] Ricky Ri- [b67]cardo jacket
And an [b27] autographed picture of [57] Andy Devine

[1] Oh, I could be anyone I [17] wanted to be
Maybe [4] suave Errol Flynn or the [b6] Sheik of Araby
If I [1] only had a [b37] pencil thin [b67] moustache
Then [b27] I could do some [57] cruisin' [1] too

[1] A light shone in the night somewhere a-[4]head
[b27] Blue turned into green, then it was [5] red.
And, [1] stirring the night, loud music [4] played
The [b27] light I saw in the night was a penny ar-[5]-[4]-[3-] -[5]cade.

Chorus:
[1] "Step up and play", each machine seemed to say
as I walked round and round the penny ar-[5]cade.
[57] "Just ring the bell on the big bagatelle
and you'll make all the coloured lights cas-[1]cade".
And music [4] played in the penny ar-[1]cade.
Yes, it [4] played and it played, [5] played all the time
[1] "Roll up and [4] spend your last [1] dime!"

At first I thought it a dream that I was [4] in.
Lost , [b27] lost in a sea of glass and [5] tin.

Perhaps [1] love is like a [6-] resting place,
a [2-] shelter from the [5] storm
It [1] exists to give you [6-] comfort,
it is [2-] there to keep you [5] warm

And [3-] some say love is [6-] holding on, and [4] some say letting [1] go
And [3-] some say love is [6-] everything, [4] some say they don't [5] know [57]

Perhaps [1] love is like the [6-] ocean, full of [2-] conflict, full of [5] pain
Like a [1] fire when it's [6-] cold outside, [2-] thunder when it [5] rains

Way [1] out in Reno, Ne-[57]vada,
Where romance blooms and [1] fades,
A great Philadelphia [4] lawyer
Was in [1] love with a [57] Hollywood [1] maid.

"Come, [1] love, and we'll go [57] ramblin'
Down where the lights are so [1] bright.
I'll win you a divorce from your [4] husband,
And [1] we can get [57] married to-[1]night."

Wild [1] Bill was a gun-totin' [57] cowboy,
Ten notches were carved on his [1] gun.
And all the boys around [4] Reno
Left [1] Wild Bill's [57] maiden a-[1]lone.

One [1] night when Bill was re-[57]turning
From ridin' the range in the [1] cold,
He dreamed of his Hollywood [4] sweetheart,
Her [1] love was as [57] lasting as [1] gold.

As [1] he drew near her [57] window,
Two shadows he saw on the [1] shade;
Twas the great Philadelphia [4] lawyer
Makin' [1] love to Bill's [57] Hollywood [1] maid.

The [1] night was as still as the [57] desert,
The moon hangin' high over-[1]head.
Bill listened a while through the [4] window,
He could [1] hear ev'ry [57] word that they [1] said:

"Your [1] hands are so pretty and [57] lovely,
Your form is so rare and di-[1]vine.
Come go with me to the [4] city
And [1] leave this wild [57] cowboy be-[1]hind."

Now to-[1] night back in old Pennsyl-[57]vania,
Among those beautiful [1] pines,
There's one less Philadelphia [4] lawyer
In [1] old Phila-[57]delphia to-[1]night.

Loving can [1] hurt, loving can [6-] hurt sometimes
But it's the [5] only thing that I know [4]
When it gets [1] hard, you know it can get [6-] hard sometimes
It is the [5] only thing that makes us feel a-[4]live

[6-] We keep this love in a [4] photograph
[1] We make these memories [5] for ourselves
Where our [6-] eyes are never closing
Our [4] hearts were never broken
And [1] times forever frozen [5] still

Chorus:
So you can [1] keep me inside the pocket of your
[5] Ripped jeans holding me closer till our
[6-] Eyes meet, you won't ever be a-[4]lone
Wait for me to come [1] home

Loving can [1] heal, loving can [6-] mend your soul
And it's the [5] only thing that I know [4]
I swear it will get [1] easier, remember that with every [6-] piece of ya
It is the [5] only thing we take with us when we [4] die

[6-] We keep this love in a [4] photograph, [1] we make these memories [5] for ourselves
Where our [6-] eyes are never closing, our [4] hearts were never broken
And [1] times forever frozen [5] still

Chorus

And you can [1] hurt me that's okay baby,
only [5] words bleed inside these pages you just
[6-] Hold me, and I won't ever let you [4] go

Wait for me to come [6-] home, wait for me to come [4] home
Wait for me to come [1] home, wait for me to come [5] home

Oh you can [1] fit me, inside the necklace you got when you were
Six-[5]teen next to your heartbeat where I
[6-] Should be, keep it deep within your [4] soul.

And you can [1] hurt me that's okay baby only [5] wrds bleed inside these pages you just
[6-] Hold me and I won't ever let you [4] go.
When I'm a-[1]way I will remember how you
[5] Kissed me, under the lamp post back on [6-] sixth street
Hearing you whisper through the [4] phone,

[1] They said, "Would you [4] like some [1] pi?"
I said, "Yes, I [5] would." [57]
[1] I forgot they [4] ma-jored-in [1] math.
I_would undo it [5] if I [1] could.
[57]* They-- said--
[1] 3 point 1-4- [4] 1-5- [1] 9, 2-6-5-3 [5] 5-8- [1] 9,
[1] 7-9-3-2 [4] 3-8- [1] 4, 6-2-6-4 [5] 3-- [1] 3.

[1] They said, "Would you [4] like some [1] more?"
I said, "That's o- [5] kay. [57]
[1] I don't really [4] need to [1] know."
But they went on [5] any- [1] way.
[57]* They-- said--
[1] Eighty-three, [4] twenty- [1] seven, ninety-five-- [5] oh-- [1] two,
[1] Eighty-eight, [4] forty- [1] one, ninety-seven [5] 1-6- [1] 9.

[1] I said, "Gee, I'm [4] running [1] late. Sorry I can't [5] stay." [57]
[1] They said, "That works [4] out just [1] fine."
Then_walked with me the [5] whole-- [1] way.
[57]* They-- said--
[1] Thirty-nine, [4] ninety- [1] three, seventy-five-- [5] then-- [1] 10.
[1] Fifty-eight, [4] twen-- [1] ty, ninety-seven [5] forty- [1] nine.

[1] I said, "Please just [4] make it [1] stop. Make it stop right [5] now. [57]
[1] I can't take it [4] any- [1] more."
They_said, "You'll find a- [5] way some- [1] how."
[57]* They-- said--
[1] Forty-four, [4] fifty- [1] nine, twenty-three-- [5] oh-- [1] seven,
[1] Eighty-one, [4] sixty- [1] four, oh-- six--, [5] 2-8- [1] 6.

[1] So I put some [4] earplugs [1] in, and I ran a- [5] way. [57]
[1] They_ran ahead with_a [4] great big [1] sign.
These_were the numbers on [5] dis- [1] play:
[57]* It said:
[1] 2-0-8, [4] 9-9- [1] 8, 6-2-8-- [5] 0-3- [1] 4,
[1] 8-2-5, [4] 3-4- [1] 2, 1-1-7-0 [5] 6-7- [1] 9.

[1] Please consider [4] my ad- [1] vice: Watch out what you [5] say. [57]
[1] When they ask, "Would_you [4] like some [1] pi?",
Turn around and [5] run a- [1] way!

(Last line to the tune of "Shave and a Haircut.")

[NC] Would_you like some pi--? [57]* There's [1]* more!

[1] In the night there are [b7] sights to be [57] seen
[1] Stars like jewels on the [b7] crown of a [57] Queen
[4] But the only sight I want to [5] view
is that [1] wonderful [4] picture of [1] you [5]

[1] On a streetcar or [b7] in the ca-[57]fé
[1] All of the evening and [b7] most of the [57] day
my [4] mind is in a maze, what can I [5] do?
I [1] still see that [4] picture of [1] you

[3-] It was last [2-] summer, [3-] I fell in [2-] love
[3-] my heart [2-] told me what [3-] to do [5]
[1] I saw you there on the [6-] crest of a hill,
and I [4] took a little picture of [5] you.

[1] Then you were gone like a [b7] dream in the [57] night
[1] With you went my heart, my [b7] love and my [57] light
I [4] didn't know your name, what could I [5] do?
I've [1] only a [4] picture [1] of [5] you

[b1sus4] [b1] x4

Ever [b1sus4] since I was a young boy - I've [b1] played the silver ball
From [7sus4] Soho down to Brighton - I [7] must have played them all
I [6] ain't seen nothing like him - in [6] any amusement hall.

That [b57] deaf, dumb and blind kid
Sure plays a-mean pin-[b1]-[b1] ball! [7] [3] [b4]-[b4] [b1]-[b1] [7] [3] [b4]-[b4]

He [b1sus4] stands like a statue - becomes [b1] part of the machine
[7sus4] Feeling all the bumpers - [7] always playing clean
He [6] plays by intuition - The di-[6]git counters fall.

That [b57] deaf, dumb and blind kid
Sure plays a-mean pin-[b1]-[b1] ball! [7] [3] [b4]-[b4] [b1]-[b1] [7] [3] [b4]-[b4]

He's a [b4] pin-ball [b1] wiz-ard - There [b4] has to be a [b1] twist
A [b4] pin-ball [b1] wiz-ards' got [6] such a supple [3] wrist [3sus4] [3]

[3] How do you think he does it? (I don't know!)
What makes him so good?

He [b1sus4] ain't got no distractions - can't [b1] hear those buzzers 'n' bells
[7sus4] Don't see no lights a flashin'... - [7] plays by sense of smell
[6] Always gets a replay - [6] never seen him fall

That [b57] deaf, dumb and blind kid
Sure plays a-mean pin-[b1]-[b1] ball! [7] [3] [b4]-[b4] [b1]-[b1] [7] [3] [b4]-[b4]

I [b4] thought I [b1] was the [b4] Bal-ly table [b1] king
But [b4] I just [b1] hand-ed my [6] Pin-ball crown to [3] him [3sus4] [3]

Even [b1sus4] on my favorite table - [b1] he can beat my best
His disc [7sus4]iples lead him in - and [7] he just does the rest
He's got [6] crazy flipper fingers - [6] never seen him fall.

That [b57] deaf, dumb and blind kid
Sure plays a-mean pin-[b1]-[b1] ball! [7] [3] [b4]-[b4] [b1]-[b1] [7] [3] [b4]-[b4]

[1] Mother, mother ocean, I have heard you call
[4] Wanted to sail upon your waters since I was three feet [1] tall
You've seen it [2-] all you've [57] seen it [1] all

[1] Watch the men who rode you, switch from sails to steam
And [4] in your belly you hold the treasure that few have ever [1] seen
Most of them [2-] dreams, [57] most of them [1] dreams

[1] Yes I am a pirate, two hundred years too late
The [4] cannons don't thunder there's nothin' to plunder,
I'm an over forty victim of [1] fate
Arriving too, arriving too [2-] late, [57] arriving too [1] late

[1] I've done a bit of smugglin' and I've run my share of grass
I [4] made enough money to buy Miami but I pissed it away so [1] fast
Never meant to [2-] last, never [57] meant to [1] last

[1] I have been drunk now for over two weeks
I passed out and I rallied and I sprung a few leaks
But I've [4] got to stop wishin', got to go fishin'
I'm down to rock bottom a-[1]gain
With just a few [2-] friends, [57] just a few [1] friends

[1] I go for younger women, lived with several awhile
And though I [4] ran away, they'll come back one day,
I still could manage a [1] smile
It just takes a [2-] while, [57] just takes a [1] while

[1] Mother, mother ocean, after all these years I've found
My [4] occupational hazard being, my occupation's just not a-[1]round

[1] She was morning and I was night time.
I one day woke up to find her lyin' be-[4]side my bed.
I softly said, "Come [1] take me."

For [1] I've been lonely, in need of someone
[1] As though I'd done someone wrong somewhere,
but I [4] don't know where.
I don't know where, come [1] lately

[4] You are the sun, [5] I am the moon,
[4] You are the words, [57] I am the tune, [1] play me.

[1] Song, she sang to me, song she brang to me,
[1] Words that rang in me, rhyme that sprang from me,
[4] warmed the night.
And what was right be-[1]came me.

[4] You are the sun, [5] I am the moon,

So [1] it was that I came to travel,
Upon a road that was thorned and narrow, another [4] place,
Another grace would save [1] me.

[2-] Wait! W....ait Mister Postman

[4] Mister Postman, look and see, oh [2-] yeah,
Is there a letter in your bag for me?
[b7] I've been waiting such a long, long time,
[1] since I heard from that girl of mine!

[4] There must be some word today [2-] from my girlfriend so far away
[b7] Please Mr. Postman, look and see [1] if there's a letter, a letter for me.
[4] I've been standing here, waiting, Mister Postman, [2-] s....o patiently,
[b7] For just a card or just a letter [1] saying she's returning home to me.

Mister [4] Postman, look and see, oh [2-] yeah,
Is there a letter in your bag for me?
Please Mister [b7] Postman - I've been waiting such a long, long time,
Whoah [1] Yeah - since I heard from that girl of mine!

[4] So many days you passed me b... [2-]y
To tears standing in my eyes.
[b7] You didn't stop to make me feel better
[1] By leaving me a card or a letter.

Mister [4] Postman, look and see, oh [2-] yeah,
Is there a letter in your bag for me?
Please Mister [b7] Postman - - I've been waiting such a long, long time,
why don't you [1] check it and see , one more time for me!

You gotta [4] wait a minute, wait a minute,
[2-] wait a minute, wait a minute, oh yeah, you gotta
Mister [b7] Postman , look and see, oh
Come on and [1] leave us a letter, the sooner the better!

You gotta [4] wait a minute, wait a minute, oh yeah,

In the [1] corner of the [1maj7] bar there stands a [1] jukebox [1maj7]
With the [1] best of country [1maj7] music, old and [b2-7] new
[57] You can [b2-7] hear your five se-[57]lections for a [b2-7] quarter [57]
And some-[4]body else's songs when yours are [57] through

I got [1] good Kentucky [1maj7] whiskey on the [1] counter [1maj7]
And my [1] friends around to [17] help me ease the [4] pain

Please Mr. [1] Please, don't play [b2-7] B Seven-[57]teen

Though you're [1] far away, you've [17] been so close to [b2-7] me
[57] I could [b2-7] swear I'd be the [57] richest girl in [b2-7] Nashville

But I [1] guess I'd better [1maj7] get myself to-[1]gether [1maj7]
'Cause when you [1] left, you didn't [17] leave too much be-[4] hind
Just a note that said "I'm sorry", by your [1] picture
And a [b2-7] song that's weighing [57] heavy on my [1] mind

Please Mr. [1] Please, don't play [b2-7] B Seven-[57]teen

[1] [4] [1]
[1] I've been lately thinking about [4] my life's [1] time
[1] All the things I've done and how it's [4] been
And [1] I can't help believing in [4] my own [1] mind
I [1] know I'm gonna hate to see it [4] end
I've [1] seen a lot of sunshine, [4] slept out in the [1] rain
[1] Spent a night or two all on my [4] own
I've [1] known my lady's pleasures, [4] had myself some [1] friends
And [1] spent a time or two in my own [4] home

And I [4] have to say it [57] now it's been a [1] good life all in [4] all
It's really [1] fine to have a [6-] chance to hang a-[2-]round [5]
And [4] lie there by the [57] fire and [1] watch the evening [4] tire
While all my [1] friends and my old [6-] lady sit and [2-] pass the pipe a-[5]round
And talk of [4] poems and prayers and [3-] promises
and [4] things that we be-[1]lieve in
How [1] sweet it is to [6-] love someone, how [4] right it is to [5] care
How [4] long it's been since [3-] yesterday and [2-] what about to-[1]morrow
And [1] what about our dreams and all the [4] memories we [5] share

[1] [4] [1]
The [1] days they pass so quickly now, [4] nights are seldom [1] long
And [1] time around me whispers when it's [4] cold
The [1] changes somehow frighten me, [4] still I have to [1] smile
It [1] turns me on to think of growing [4] old
For [1] though my life's been good to me there's [4] still so much to [1] do
So [1] many things my mind has never [4] known
I'd [1] like to raise a family, I'd [4] like to sail a-[1]way
And [1] dance across the mountains on the [4] moon

And I [4] have to say it [57] now it's been a [1] good life all in [4] all
It's really [1] fine to have a [6-] chance to hang a-[2-]round [5]
And [4] lie there by the [57] fire and [1] watch the evening [4] tire

Point Of Light

[b7] There is a point when you [b3] cannot walk a [b7]way,
When you [b3] have to stand up [b7] straight and tall,
And [1-] mean the words you [4] say.
There is a [b7] point you must decide,
Just to [b3] do it because it's [b7] right,
[5-] That's when you be [4]come a point of [b3] light.

[b7] There is a darkness that [b3] everyone must [b7] face,
It [b3] wants to take what's [b7] good and fair,
And [1-] lay it all to [4] waste.
And that [b7] darkness,
covers [b3] everything in [b7] sight,
[5-] Until it meets a [4] single point of [b3] light. [4]

[b7] All [4] it [b7] takes is a [b3] point of [b7] light
a [b3] ray of [b7] hope in the [b3] darkest [4] night
if you [b7] see what's wrong and you [b3] try to make it [b7] right
[b3] You will [b7] be a [47] point of [b3] light

There are [b7] heroes, whose [b3] names we never [b7] hear,
a [b3] dedicated [b7] army of [1-] quiet volun [4]teers.
Reaching [b7] out to feed the hungry, reaching [b3] out to save the [b7] land,
[5-] reaching out to help [4] their fellow [b3] man. [4]

Key shift from key of C to key of D

[5] There are [1] dreamers who are [4] making dreams come [1] true
taking [4] time to teach the [1] children, there's [2-] nothing they can't [5] do.
Giving [1] shelter to the homeless, giving [4] hope to those with [1]out,
[b6] isn't that what [5] this land's all a [4]bout. [5]

[6-] One by one, from the [1] mountains to the sea,
[4] point's of light, [1] are calling out [2-] to you and [5] me.

[1] All it takes is a [4] point of [1] light
a [4] ray of [1] hope in the [4] darkest [5] night
if you [1] see what's wrong and you [4] try to make it [1] right
[4] You will [1] be a [57] point of [4] light

if you [1] see what's wrong and you [4] try to make it [1] right
[4] You will [1] be a [57] point of [4] light [1]

[1] Spring is [b67] here, sp-[b27]ring is [57] here.
[1] Life is [b67] skittles and [b27] life is [57] beer.
[1] I think the [57] loveliest [1] time of the [57] year is the [1] spring.
I [b67] do, dont you? [b27] - Course you [57] do.
But there's [2-] one thing that makes spring [1] complete for me,
And [b27] makes every Sunday a [5] treat for [57] me.

All the [1] world seems in [3-] tune
On a spring after-[1]noon,
When were poisoning pigeons in the [57] park.
Every [2-] Sunday youll see my sweetheart and me,
As we [57] poison the pigeons in the [1] park.

When [4] they see us coming, the [1] birdies all try and hide,
But they [b27] still go for peanuts when [57] coated with [1] cya-[5]nide.
The [1] suns shining bright,
Everything seems all [b2] right,
When were [b27] poisoning [57] pigeons in the [1] park.

We've [57] gained notoriety, and [1] caused much anxiety
In the [57] Audubon Society with our [1] games.
They [b67] call it impiety, and lack of propriety,
And quite a variety of unpleasant [b2] names.
But its [b27] not against any reli-[5]gion
To [b27] want to dispose of a [57] pigeon.

[57] So if [1] Sunday youre free, why dont you come with me,
And we'll poison the pigeons in the [57] park.

And [2-] maybe well do in a squirrel or two,
While were [57] poisoning pigeons in the [1] park.

We'll [4] murder them all amid [1] laughter and merriment,
Ex-[b27]cept for the few we take [57] home to ex-[1]periment.
My [1] pulse will be quickening with each drop of strych-[5]nine
We [b27] feed to a [57] pigeon.
It [b27] just takes a [57] smidgen!
To [b27] poison A [57] pigeon in the [1] park. [57] [1]

artist: Gordon Lightfoot, writer: Gordon Lightfoot

[1] When it's midnight on the meadow and the [4] cats are in the [1] shed
And the river tells a [4] story at the [5] window by my [57] bed
If you [1] listen very closely be as [4] quiet as you [1] can
In the yard you'll [4] hear him it [5] is the pony [1] man.

We're [1] always there to greet him when he [4] tumbles into [1] town
He leads a string of [4] ponies some are [5] white and some are [57] brown
And they [1] never seem to kick or bite they [4] only want to [1] play
And they live on candy [4] apples in-[5]stead of oats and [1] hay.

And [1] when we're all assembled he [4] gives a soft [1] command
And we climb aboard our [4] ponies as [5] in a row they [57] stand
Then [1] down the road we gallop and a-[4]cross the fields we [1] fly
And soon we all go [4] sailing off in-[5]to the midnight [1] sky.

And [1] as we gaily rock along be-[4]side a ripplin' [1] sea
There's Tom 'n Dick 'n [4] Sally and [5] Mary Joe and [57] me
And the [1] pony man is leading cause he's [4] travelled here be-[1]fore
And he gives a whoop and a [4] holler at [5] Mr. Moon's front [1] door.

And [1] as we stop to rest a while where the [4] soda river [1] glides
Up to the slip comes a [4] pirate ship to [5] take us for a [57] ride
And the [1] pony man's the captain and the [4] children are the [1] crew
And we go in search of [4] treasure and [5] laugh the whole night [1] through.

And [1] when the hold is filled with gold and the [4] sails begin to [1] strain
And the deck's piled high with [4] apple pie we [5] head for port a-[57]gain
And [1] down the whirling staircase so [4] swift our ponies [1] fly
And we're safely in our [4] beds again, when the [5] sunbeams kiss the [1] sky.

[1] When it's midnight on the meadow and the [4] cats are in the [1] shed
And the river tells a [4] story at the [5] window by my [57] bed
If you [1] listen very closely be as [4] quiet as you [1] can
In the yard you'll [4] hear him it [5] is the pony [1] man.

[1] Do I want you, yes I do
Do I need you baby, you know it's true
[4] But I ain't got nothin', that [57] you can [1] use
So I'm [57] sittin' on my own here, [4] with these [57] poor boy [1] blues

[1] One day, baby, you will see
You're gonna give all your love to me

[1] Da Da Da Da [b6] Da Da Da Da [b2] Da Da Da Da Da [1] Da

[1] At a quarter to two in the [b6] portaloo
My [b2] watch fell off my [1] wrist
It clipped the seat and went [b6] in the bowl
And [b2] bounced into the a-[5]byss. [1]

Now I [b37] could have let it [b6] disappear
But that [b2] notion made me [5] sad
It was a [1] Rolex copy, [b6] made in China
[b2] Passed [5] down from me [1] Dad

[1] Da Da Da Da [b6] Da Da Da Da [b2] Da Da Da Da Da [1] Da

[1] So I wrapped some tissue [b6] round me face
To [b2] mask me [5] from the [1] stench
The queue outside banged [b6] on the door
But I'd [b2] paid my 20 [5] pence

Well I [b37] got down on my [b6] hands and knees
And I [b2] reached round for the [1] strap
The [1] smell was disgusting but [b6] I kept on thrusting
[b2] Up to my [5] elbows in [1] crap!

[1] Da Da Da Da [b6] Da Da Da Da [b2] Da Da Da Da Da [1] Da
Da Da Da Da [b6] Da Da Da Da [b2] Da Da Da Da Da [5] Da

Well [b37] after an hour I [b6] found the watch
And it [b2] looked as good as [5] new
But I [1] gave it a rinse and it [b6] hasn't worked since
I's [b2] stuck at a quarter to [1] poo
Yes I [1] gave it a rinse and it [b6] hasn't worked since
It's [b2] stuck at a quarter to [1] poo!

And [5] tear at the [1] world with all their [4] might
While the [1] ships bearing their [6-] dreams
[1] Sail out of [5] sight

[5] I'm gonna [1] find myself a girl,
Who can show me what [4] laughter means
Then we'll [1] fill in the missing colors in each others
[5] Paint by number [4] dreams
And then we'll [1] put our dark glasses [4] on
And we'll make [1] love until our strength [4] is gone
And when the [1] morning light comes streaming [5] in
we'll get up and do it a-[4]gain [1] [2-] A-[1]men
Say it a-[4]gain [1] [2-] A-[1]men

[1] I'm gonna be a [5] happy idiot, and [4] struggle for the legal ten-[6-]der [b37]
Where the [4] ads take aim, and lay their claim
To the [6-] heart and the soul of the [1] spender
And be-[4]lieve in whatever may [1] lie
In those [b37] things that money can [6-] buy
Though [b27] true love [1] could have been a con-[5]tender [6-] [5]

Are you [4] there, say a [5] prayer for the pre-[6-]tender
Who started out so [4] young and [5] strong only to surren-[1]der
Fade

[1] Say a prayer for the pre-[4]tender
[1] Are you there for the pre-[4]tender
[1] Say a prayer for the pre-[4]tender

Thanks to Caren Park

You've got a [1] headache, and I've [5] got some strange disease.
Don't worry a-[b2]bout it! This pill will [1] set your mind at [5] ease.
It's called Progeni-[1]torivox and it's [5] made by SquabbMerlCo.
It's a [b2] life-enhancing miracle,
But there are [1] some things you should [b2] know.

It may cause:
[5] Agitation, [b37] Palpitations, [b67] Excessive [b27] salivation
[5] Constipation, [b37] Male lactation, [b67] Rust-colored [b27] urination
[5] Hallucinations, [57] Bad vibrations, [1] Mild electric [1-] shock sensations
[5] But it's [3-] worth it [b67] For the [b27] drugs I [5] need [3-] [b67] [b27]

My di-[b7-]sease may not be fatal, but [3-] I can ease my fears
By [b67] taking two twelve-dollar pills each [b27] day for fifty years.
They've spent [b7-] billions to convince me, so [3-] now I realize
Pro-[b67]genitorivox beats [b27] diet and exercise.

I've got in-[1]surance, at [5] least for now, I do.
And [b2] if I bought generic, it would [1] cut my costs in [5] two.
But I *want* Progeni-[1]torivox 'cause I [5] saw it on TV.
Those [b2] families looked so functional, that [1] paisley pill's for [b2] me!

But it may cause:
[5] Deprivation, [b37] Humilation, [b67] Debtors' Prison, and [b27] Deportation
[5] Dark depictions, [b37] Dire predictions, [b67] Life as seen in [b27] Dickens' fiction,
[5] Empty pockets, [57] Court dockets, [1] may cause eyes to [1-] pop from sockets

[5] But it's [3-] worth it [b67] for the [b27] drugs I [5] need [3-] [b67] [b27]
[5] But it's [3-] worth it
(interrupting, to the tune of "O, Canada!")
[5] In Canada, they [b6-7] get this for a [b27] song!

[5] But it's [3-] worth it [b67] for the [b27] drugs I [5] need [3-] [b67] [b27]
[5] [3-] [b67] [b27] (repeats throughout closing "disclaimer" voice-over, below)

[1] I left my home in Norfolk, Virginia,
California on my [4] mind.
I [5] straddled that Greyhound, rode him into Raleigh,
And on across Caro-[1]line.

[1] We stopped in Charlotte but bypassed Rock Hill,
And we never was a minute [4] late.
We was [5] ninety miles out of Atlanta by sundown,
Rollin' out of Georgia [1] state.

[1] We had a little trouble, it turned into a struggle,
Half way 'cross Ala-[4]bam,
And that [5] 'hound broke down and left us all stranded
In downtown Birming-[1]ham.

[1] Right away, I bought me a through-train ticket,
Right 'cross Mississippi [4] clean
And I was [5] on that midnight flyer out of Birmingham
Smoking into New Or-[1]leans.

[1] Somebody help me get out of Louisiana
Just to help me get to Houston [4] Town
There are [5] people there who care a little about me
And they won't let the poor boy [1] down

[1] Sure as you're born they bought me a silk suit
Put luggage in my [4] hand
And I [5] woke up high over Alburquerque
On a jet to the promised [1] land

[1] Working on a T-bone steak a la carte
Flying over to the Golden [4] State
[5] When the pilot told us in thirteen minutes
He would set us at the terminal [1] gate

Taxi to the terminal [4] zone
Cut your [5] engines and cool your wings
And let me make it to the tele-[1]phone

Oh mine [1] eyes have seen the glory of the [17] theories of [17] Freud
He has [4] taught me all the evils that my [1] ego must [57] avoid

There [1] was a man who thought his friends to [17] him were all su-[17]perior
And this [4] complex he imagined made life [1] drearier and [57] drearier
Till his [1] analyst [17] assured him that he [b37] really was in-[6-]ferior
As the [2-] id goes [5sus4] marching [1] on

Is your [1] body plagued by aches and pains that [17] you can't under-[17]stand
Compound [4] fractures ingrown toenails, floating [1] kidneys, trembling [57] hands
There's a [1] secret to your [17] trouble: you're in [b37] love with your old [6-] man

[1] Oh it's lonesome a [17]way from your [4] kindred and all
By the [57] campfire at night where the wild dingos [1] call
But there's nothin' so [17] lonesome [4] morbid or drear
Than to [57] stand in the bar of a pub with no [1] beer

[1] Now the publican's [17] anxious for the [4] quota to come
And there's a [57] faraway look on the face of the [1] bum
[1] The maid's gone all [17] cranky and the [4] cook's acting queer
What a [57] terrible place is a pub with no [1] beer

[1] Then the stockman rides [17] up with his [4] dry dusty throat
He breasts [57] up to the bar and pulls a wad from his [1] coat
But the smile on his [17] face quickly [4] turns to a sneer
As the [57] barman says sadly the pub's got no [1] beer

[1] Then the swaggie comes [17] in smothered in [4] dust and flies
He [57] throws down his roll and rubs the sweat from his [1] eyes
But when he is [17] told he says [4] what's this I hear
I've trudged [57] fifty flamin' miles to a pub with no [1] beer

[1] There's a dog on the ve [17]randah for his [4] master he waits
But the [57] boss is inside drinking wine with his [1] mates
He hurries for [17] cover and he [4] cringes in fear
It's no [57] place for a dog round a pub with no [1] beer

[1] Old Billy the [17] blacksmith the first [4] time in his life
Has [57] gone home cold sober to his darling [1] wife
He walks in the [17] kitchen she says you're [4] early my dear
But then he [57] breaks down and tells her
That the pub's got no [1] beer

So it's [1] lonesome a [17] way from your [4] kindred and all

[1] Puff the magic [3-] dragon [4] lived by the [1] sea,
And [4] frolicked in the [1] autumn [6-] mist in a [b27] land called hona-[57]lee,
[1] Little Jackie [3-] Paper [4] loved that rascal [1] Puff,
And [4] bought him strings and [1] sealing [6-] wax and
[b27] Other [57] fancy [1] stuff. [57] Oh!

[1] Puff the magic [3-] dragon [4] lived by the [1] sea
And [4] frolicked in the [1] autumn [6-] mist in a [b27] Land called Honah [57]Lee,
[1] Puff the magic [3-] dragon [4] lived by the [1] sea
And [4] frolicked in the [1] autumn [6-] mist in a [b27] Land called [57] hona-[1]lee.

[1] Together they would [3-] travel on a [4] boat with billowed [1] sail,
[4] Jackie kept a [1] look out [b6-7] perched on [b27] Puff's gigantic [57] tail,
[1] Noble kings and [3-] princes would [4] bow when e're they [1] came,
[4] Pirate ships would [1] low'r their [b6-7] flag when
[b27] Puff roared [57] out his [1] name. [57] Oh!

[1] Puff the magic [3-] dragon [4] lived by the [1] sea
And [4] frolicked in the [1] autumn [6-] mist in a [b27] Land called hona-[57]lee,
[1] Puff the magic [3-] dragon [4] lived by the [1] sea
And [4] frolicked in the [1] autumn [6-] mist in a [b27] Land called [57] hona-[1]lee.

[1] A Dragon lives for [3-] ever but [4] not so little [1] boys.
[4] Painted wings and [1] giant [b6-7] rings make [b27] way for other [57] toys,
[1] One grey night it [3-] happened, Jackie [4] Paper came no [1] more. And
[4] Puff that mighty [1] dragon, [b6-7] he [b27] ceased his [57] fearless [1] roar. [57]

His [1] head was bent in [3-] sorrow, green [4] scales fell like [1] rain,
[4] And betrayal by his [3-] so-called [b6-7] friend at [b27] first gave Puff real [57] pain,
[1] Suddenly he [3-] realised, he [4] didn't need the [1] kid -
Who [4] wants a millstone [1] round [b6-7] their [b27] neck?
Much [57] better to be [1] rid! [57]

It was [1] time he did things [3-] his way, [4] time to change his [1] life,
[4] Time to cause some [1] mayhem and [6-] bring folks [b27] lots of [57] strife,
So he [1] went on the [3-] rampage, and [4] did what dragons [1] do,
Causing [4] terror, stealing [1] gold, [6-] and [b27] breathing [57] fire [1] too.

[1] Puff roasted many [3-] victims in that [4] land of Hona-[1]lee,
[4] Harry Potter [1] was the [b6-7] first, and [b27] then Hermio-[57]ne,
But [1] even through his [3-] laughter Puff [4] started to be [1] sad,
'Cos till [4] Jackie Paper [1] was burnt [6-] toast,
he [b27] knew he'd [57] still feel [1] bad. [57]

It [1] took ten years to [3-] find him, [4] playing with his new [1] toys,
Sur-[4]rounded by his [1] family of [6-] lots of [b27] girls and [57] boys,
Puff [1] barbequed the [3-] lot of them, some [4] rare and some well [1] done,
He [4] just could not re-[1]member when [6-] he'd had [b27] so [57] much [1] fun!

Then [1] Puff the magic [3-] dragon re-[4]turned to the [1] sea,
And [4] frolicked in the [1] autumn [6-] mist in that [b27] land called Hona-[57]lee,
Now if [1] ever you do [3-] meet him and de-[4]cide to be his [1] friend,
If [4] I were you I'd [1] stay real [6-] true and a-[b27]void a [57] fiery [1] end!

Now [1] don't you look at [3-] me like that, as [4] if I've broke your [1] heart,
It [4] isn't really my [1] fault if your [4] dream's fallen a-[1]part,
[1] And it isn't Puff's fault [3-] either, he's [4] really not to [1] blame,
Re-[4]member he's a [1] dragon - [6-] the [b27] clue is [57] in his [1] name!

So [1] Puff the magic [3-] dragon now [4] lives by the [1] sea.
And [4] frolicks in the [1] autumn [6-] mist in a [b27] land called Hona-[57]lee,
Yes [1] Puff the magic [3-] dragon, still [4] lives by the [1] sea,
And [4] frolicks in the [1] autumn [6-] mist in a [b27] land called [57] Hona-[1]lee!

Intro: [1] [4] [1]
There's no need for de [1]pression. [4] [1]
And no, I don't have the [2-] blues. [1] [2-]
Wouldn't wanna go to [5] heaven [5] [5] if I can't go there with [1] you. [4] [1]
And I still count my [1] blessings [4] [1] when I am standing with [2-] you. [1] [2-]
And no, I never learned my [5] lesson [5] [5]
I'm still a dedicated [1] fool. [4] [1]

And baby, I [4] will [b6-dim] try, for the [6-] sake of you and [1] I .
And baby, I [4] will [b6-dim] survive all [6-] the heartbreak love [2-] inspires.
[1] [4] [1]

There's no need for [1] guessing [4] [1] when you are faithfully [2-] true. [1] [2-]
Though my body may [5] wander, [5] [5] my mind is always with [1] you. [4] [1]
And in the depths of [1] destruction, [4] [1] there is but one golden [2-] rule: [1] [2-]
Look not unto your [5] neighbor. [5] [5]
Save yourself first, you silly [1] fool. [4] [1]

Chorus:
And baby, I [4] will [b6-dim] try for the [6-] sake of you and [1] I.
And baby, I [4] will get [b6-dim] by on [6-] whatever you [1] provide.
And baby, I [4] will [b6-dim] survive all the [6-] heartbreak love [1] inspires.
And baby, I [4] will [b6-dim] survive. Oh, [6-] I will [2-] survive.

[1] In the State of Pennsylvania there's a [5] funky little [1] town.
[4] Brimming with Tra-[1]dition and [b27] Nationwide [5] renown.
That [4] town is Punxsu-[1]tawney and [4] by far its biggest [1] thrill,
Is a [4] furry little [1] fellow, name of [5] Punxsutawney [1] Phil.

Chorus:
Oh [4] Punxsutawney [1] Phil, [4] Punxsutawney [1] Phil,
[4] We have always [1] loved you, [b27] and we always [5] will.

But, [4] Phil, [5] we will love you [1] still. [4] Phil, [5] we will love you [1] still.

[1] Now Punxsutawney's not, what you'd [5] call a hot [1] spot.
[4] It lacks the a-[1]ttraction that a [b27] lot of spots have [5] got.
But [4] every Febru-[1]ary Folks [4] brave the winter [1] chill.
And [4] stake out the [1] residence of [5] Punxsutawney [1] Phil.

Oh [4] Punxsutawney [1] Phil, [4] Punxsutawney [1] Phil,
[4] We have always [1] loved you, [b27] and we always [5] will.
[4] We would all be [1] sad, though, [4] If you see your [1] shadow...
But, [4] Phil, [5] we will love you [1] still. [4] Phil, [5] we will love you [1] still.

[1] Thousands of people come from [5] miles and miles [1] around.
To [4] glimpse that famous [1] groundhog [b27] emerging from the [5] ground.
I [4] know he thinks its [1] silly that [4] we make such [1] a fuss.
But [4] who else can fore-[1]tell the [5] future for [1] us?

Oh [4] Punxsutawney [1] Phil, [4] Punxsutawney [1] Phil,
[4] We have always [1] loved you, [b27] and we always [5] will.
[4] We would all be [1] sad, though, [4] If you see your [1] shadow...

[4] Well, I saw the thing comin' out of the sky
It had the [1] one long horn, [4] one big eye
I commenced to shakin' and I [b7] said "ooh-eee"
It [1] looks like a purple eater to [4] me

It was a [4] one-eyed, one-horned, flyin' purple people eater
[1] One-eyed, one-horned, flyin' purple people eater
A [4] one-eyed, one-horned, flyin' purple people eater
[17] Sure looks strange to [4] me (one eye? / 2nd one horn?)

[4] Well he came down to earth and he lit in a tree
I said [1] Mr. Purple People Eater, [4] don't eat me
I [47] heard him say in a [b7] voice so gruff
"I [1] wouldn't eat you 'cause you're so tough"

I said [4] Mr. Purple People Eater, what's your line?
He said "[1] eatin' purple people and it [4] sure is fine
But [47] that's not the reason that I [b7] came to land
I [1] want to get a job in a rock and roll band"

Well [4] bless my soul, rock and roll, flyin' purple people eater
[1] Pigeon-toed, under-growed, flyin' purple people eater
[4] "We wear short shorts" friendly little people eater
[17] What a sight to [4] see ([b6] oh)

And then he [5] swung from the tree and he lit on the ground
And he [b2] started to rock, really [5] rockin' around
It was a [57] crazy ditty with a [1] swingin' tune
"Singin' [b27] bop-bop, a-boopa lopa lum bam boom"

Well, [5] bless my soul, rock and roll, flyin' purple people eater
[b2] Pigeon-toed, under growed, flyin' purple people eater
[5] "I like short shorts!" flyin' purple people eater
[b27] What a sight to [5] see (purple people?)

Well, he [5] went on his way, and then what do ya know?
I [b2] saw him last night on a [5] TV show
He was [57] blowing it out, really [1] knockin' em dead
Playin' [b27] rock and roll music through the horn in his [5] head

To find a [4] calendar full of empty pages
What a [1] hell of a way to see time flippin' a [57]way

Like a [4] barrel down the hill keeps rolling faster

And you [4] wake yourself up with a nasty scream

[1] Anyone who's played on a record date
[1] Will remember Stage Door [4] Jenny
[57] Well, I saw her last night [57] and man
She looked like she wasn't gettin' [1] any
[1] Rock and roll kinda took its toll
[1] When she shed her inhi-[4]bitions
[57] Too many scenes in a Limousine
[57] And dressing room inter-[1]missions [1]

CHORUS

[1] She was the [4] queen of nineteen [1] sixty four
[1] But the [57] truth of the matter is
[4] Nobody wants her any [1] more
[1] There was a [4] time she could've [1] shown you how
[1] But [57] nobody wants an [4] overage groupie [1] now [1]

[1] When it came to a superstar
[1] Jenny was a [4] bragger
[57] She spread it all around to everyone in town
[57] That she once had Mick [1] Jagger
[1] But there's no doubt when the truth comes out
[1] True love will over [4] conquer
[57] She didn't get Mick, but she got a kick
[57] And a black eye from [1] Bianca [1]

CHORUS

[1] She was the [4] queen of nineteen [1] sixty four
[1] What a [57] pity she became a [4] shadow of the girl she [1] was before
[1] She passed her [4] prime it seems a [1] shame, somehow
[1] But [57] nobody wants an [4] overage groupie [1] now [1]

[1] I'm afraid that the Morning Trade
[1] Had a sad obit-[4]uary
[57] There'll be no more Jenny at the door
[57] They took her to the [1] cemetery
[1] Just an autograph book and a stereo
[1] There was no one she was close [4] to
[57] She was found with her arms around
an Elvis Presley [1] poster [1]

CHORUS

[1] She was the [4] queen of nineteen [1] sixty four
To [57] night there'll be a moment of [4] silence at the [1] Troubadour

BOYS: [1-] There lived a certain man in Russia long ago

Ra Ra [3] Rasputin, [b4] Russia's greatest [b1] love machine,

BOYS: [1-] In all affairs of state he was a man to please
GIRLS: But he [4-] was real great when he [b57] had a girl to [1-] squeeze
For the queen he was no wheeler dealer [4-] Though she'd heard the things he'd [b57] done
[1-] She believed he was a holy healer [4-] Who would [b57] heal her [1-] son

ALL - Chorus

BOYS: spoken: [1-] But when his drinking and [7] lusting and his hunger
For [6] power became [7] known to more and [1-] more people,
GIRLS join in whilst boys sing line below, quietly at first, get louder: [1-] Hey hey hey hey
BOYS: [1-] the demands to do something [7] about this outrageous man became [7] louder and
[1-] louder

ALL, getting louder: [1-] Hey hey hey hey hey hey hey hey Hey hey hey hey hey STOP!

BOYS: [1-] "This man's just got to go," declared his enemies
GIRLS: But the [4-] ladies begged, "Don't you [b57] try to do it, [1-] please"
BOYS: [1-] No doubt this Rasputin had lots of hidden charms
GIRLS: Though he [4-] was a brute they just [b57] fell into his [1-] arms
[1-] Then one night some men of higher standing
[4-] Set a trap they're not to [b57] blame
BOYS: [b57] We're not to blame; we're not to blame!
GIRLS: [1-] "Come to visit us," they kept demanding [4-] And he [b57] really [1-] came

ALL: [b1] Ra Ra [3] Rasputin, [b4] lover of the [b1] Russian queen

Like [4] my heart's sprung a big [1] break
[1] And the stab of loneliness, sharp and painful
[b2] That I may never [57] shake
[1] Now you might say that I was taking it hard
[4] Since you wrote me off with a [1] call
[1] But don't you wager that I'll hide the sorrow
When I may [57] break right down and [1] bawl

[NC] Now the race is [1] on and here comes pride up the backstretch
[4] Heartaches are going to the [1] inside
[1] My tears are holding back
[b2] They're trying not to [57] fall
[1] My heart's out of the running

Instrumental - Verse 1 (Use [1] instead of [NC])

[NC] One day I had ventured in love, [1] never once suspecting
What the [4] final results would [1] be
[1] How I lived in fear of waking up each morning
And [b2] finding that you'd gone from [57] me
[1] There's aching and pain in my heart
For the day was the [4] one that I hated to [1] face
[1] Somebody new came up to win her
And I came [57] out in second [1] place

[1] You may [5] wonder, [4] if you [1] know me,
[4] You may [1] wonder, [b2-7] if I [5sus4] care [5]
[1] Or if I'll [5] leave you, [4] sad and [1] lonely,
[4] Or if I'll [1] always, [b2-7] be right [5] there.
[4] There's no [5] need, [1] for doubt now [4] darlin',
[1] 'Cause I have [b2-7] come to [4] know [5sus4] [5]
[1] This love of [5] ours, [4] is no common [1] flower,
This [4] love is like a [4] red, [57] red, [1] rose. [b3-7] [4] [4]

[1] And you may [5] wonder, [4] about this [1] dreamer,
[4] If he's [1] all, you [b2-7] thought he'd [5sus4] be [5]
[1] Or if [5] any, [4] thing but [1] someday,
[4] Ever [1] comes from [b2-7] loving [5] me,
[4] But hold me [5] close, [1] and tell me [4] darlin',
[1] That you have [b2-7] come to [4] know-[5sus4]ow-[5]ow,
[1] This love I [5] bring you, [4] is no common [1] thing you know,
This [4] love is like a [4] red, [57] red, [1] rose. [b3-7] [4] [4]

Bridge

[b3] When you're all caught up in sweet sur-[b7]render,
[4] Simple truth is sometimes hard to [b7] see
[b3] But here between the tough times and the [b7] tender,
[1] It all comes down to you and [4] me-[5]e.

[1] And you may [5] see my, [4] heart of [1] darkness,
[4] We may [1] stumble, [b2-7] now and a-[5sus4]gain [5]
[1] But under-[5]neath this, [4] heart of [1] darkness,
[4] There's a heart that's [1] loving you, [b2-7] right 'till the [5] end
[4] So hold me [5] close, [1] come hold me [4] darlin',
[1] 'Cause I want [b2-7] you to [4] know-[5sus4]ow-[5]ow
[1] This love of [5] ours, [4] is no common [1] flower you know,
This [4] love is like a [4] red, [57] red, [1] rose [b3-7] [4] [4] [1]

From this [1] valley they [57] say you are [1] going,
We will miss your bright eyes and sweet [57] smile.
For they [1] say you are taking the sun [4]shine,
That has [57] brightened our pathways a [1]while.

Come and [1] sit by my [57] side, if you [1] love me,
Do not hasten to bid me [57] adieu,
Just re [1]member the Red River [4] Valley,
And the [57] cowboy who loved you so [1] true.

I've been [1] thinking a [57] long time, my [1] darling,
Of the sweet words you never would [57] say.
Now, a [1]las, must my fond hopes all [4] vanish?
For they [57] say you are going a [1]way.

Come and [1] sit by my [57] side, if you [1] love me,
Do not hasten to bid me [57] adieu,
Just re [1]member the Red River [4] Valley,
And the [57] cowboy who loved you so [1] true.

Do you [1] think of the [57] valley you are [1] leaving?
O how lonely and how dreary it will [57] be.
And do [1] you think of the kind hearts you're [4] breaking?
And the [57] pain you are causing to [1] me?

There was a [1] redback on the toilet seat when [4] I was there last night
I [5] didn't see him in the dark but [57] boy I felt his [1] bite
I jumped high up into the air and [4] when I hit the ground
that [5] crafty redback spider wasn't [57] nowhere to be [1] found

I rushed in to the missus told her [4] just where I'd been bit
she [5] grabbed the cutthroat razor blade and I [57] nearly took a [1] fit
I said, "Just forget what's on your mind and [4] call the doctor please
Cos' I've [5] got a feeling that your cure is [57] worse than the di-[1]sease

There was a [4] redback on the toilet seat when I was there last [1] night
I [b27] didn't see him in the dark but boy I felt his [57] bite
And [1] now I'm here in hospital, a [4] sad and sorry plight
and I [5] curse the redback spider on the [57] toilet seat last [1] night [5] [1]

I can't lay down, I can't sit up and I [4] don't know what to do
And all the [5] nurses think it's funny but that's [57] not my point of [1] view
I tell you it's embarrasing and [4] that's to say the least,
For [5] I'm too sick to eat a bite, while the [57] spider had a [1] feast.

And when I get back home again, I'll [4] tell you what I'll do.
I'll [5] make that Redback suffer for the [57] pain I'm going [1] through.
I've had so many needles, I'm [4] looking like a sieve.
And I [5] promise you that spider hasn't [57] very long to [1] live. [5] [1]

INTRO: [57] - STRUM A BAR THEN CHUNK

Well, I [17] used to spend my time with two [49] little children of mine
[17] Feeding and laughing and playing and loving them all the time
We [49] used to go to parks, to toddler groups and friends
To [17] feed the ducks and play on the beach and make all kinds of friends,
But now they're [57] gone
And I've [49] got that redundant mama [17] Blues [57]

Every [17]day I used to walk them to [49] school and then back
[17] Loving every minute and keeping them on track
We'd [49] play with paint and playdough, we'd bake a cake or two
No [17] matter what the weather we always had plenty to do
But now they're [57] grown
And [49] I've got the redundant mama [17] blues [57]

When they [17] got a little older we [49] used to sing all day
Adding [17] harmonies and dance moves, to them it was just play
We [49] sang three part phone messages, we performed in the car
But [17] now they're in their own bands and I don't always know where they are
Because they're [57] gone and I've [49] got that

Intro: [b6] [b6] [b6] [b6] [b6] [b6]

[b6] I'm looking for my wallet and my [b2] car keys,
[b3] Well they can't have gone too [b6] far [b6] [b6] [b6]
[b6] And just as soon as I find my [b2] glasses,
[b3] I'm sure I'll see just where they [b6] are. [b6] [b6]

[b6] I'm supposed to meet someone for lunch [b2] today,
[b3] But I can't remember [b6] where [b6] [b6] [b6]
[b6] Or who it is that I'm [b2] meeting,
[b3] It's in my 'organizer', {D] somewhere [b6] [b6]

[b6] I might have left it on the [b2] counter,
[b3] Or maybe outside in the [b6] car [b6] [b6] [b6]
[b6] The last time I remember [b2] driving,
[b3] Was to that memory enhancement semi- [b6]nar. [b6] [b6]

[b6] What's that far off distant [b2] ringing,
[b3] And that strange familiar [b6] tone [b6] [b6] [b6]
[b6] Must be the person I am [b2] meeting,
[b3] Calling me on my brand new cordless tele- [b6]phone. [b6] [b6]

[b6] I might have left it under the [b2] covers,
[b3] Or maybe outside on the [b6] lawn [b6] [b6] [b6]
[b6] And I've got just one more [b2] ring to go,
[b3] Before my answering machine kicks [b6] on. [b6] [b6]

'Click'

[b2] Hi, this is Tom, and your call means a [b3] lot to me,
[b3] So leave a message at the [b6] tone [b6] [b6] [b6]
[b6] And I'll do my best to try to [b2] remember
[b3] To call you back when I get [b6] home. [b6] [b6]

'Beep'

[b2] Tom, this is [b2] Gwendolyn,
[b3] And I'm trying not to [b6] cry, [b6] [b6] [b6]
[b6] Been here for over an [b2] hour,
[b3] I thought you loved me,
This is good- [b6]bye. [b6] [b6]

[b6] Ehhhh The voice sounds fam- [b2]iliar,
[b3] And the name, it rings a [b6] bell [b6] [b6] [b6] [b2]
Heh, but, let's see now where was [b2] I?] Oh well [b6]

I [1-] took two steps and realized
I'd been [6] taken for a [b57] ride.

[4] This time I'm gonna take it myself and put it right in her [1] hand.

with the [16] words "I Love you" rolling off my [5] tongue
No [16] never will I roam, for I [4] know my place is home
Where the [16] ocean meets the sky, I'll be [5] sail [16]ing

[16] Photographs and [4] kerosene
[16] light up my darkness, [5] light it up, light it up
I can [16] still feel the touch of your [4] thin blue jeans
[16] Running down the alley, I've got my [5] eyes all over you, [16] baby, Oh, baby

[16] Oh, the rhythm of my heart is [4] beating like a drum
with the [16] words "I Love you" rolling off my [5] tongue
No [16] never will I roam, for I [4] know my place is home
Where the [16] ocean meets the sky, I'll be [5] sail [16]ing

[16] Oh, I've got lightning in my [4] veins,
[16] shifting like the handle of a slot ma [5]chine
[16] Love may still exist, [4] in another place.
I'm just [16] yanking back the handle, no [5] expression on [16] my face.

Repeat 3 times:
[16] Oh, the rhythm of my heart is [4] beating like a drum
with the [16] words "I Love you" rolling off my [5] tongue
No [16] never will I roam, for I [4] know my place is home
Where the [16] ocean meets the sky, I'll be [5] sail [16]ing

Ohh [1] right said [6-] Fred, [1] have to take the [6-] door off

[1] Took the [6-] wall down, [1] even with it [6-] all down
[1] We was [6-] getting [1] nowhere,
[17] and [4maj7] so, [b2] we, [5] had a cup of tea and...

[1] Charlie had a [1] think and he [4] said look Fred
I've [1] got a [17] sort of [4] feeling, if [b2] we remove the [5] ceiling
With a [b27] rope or two we could [57] drop the blighter through

Ohhh [1] Right said [6-] Fred [1] climbing up a [6-] ladder

[1] Was he in [6-] trouble, [1] half a ton of [6-] rubble
[1] Landed [6-] on the [1] top of, [17] his [b67] dome.....
So [2-] Charlie and [57] me had a-[1]nother cuppa [6-] tea
And [2-] then we [5] went [1] home! [1]*

{c: talk the rest with [1] and [6-] chords)

I said to Charlie, we'll just have to leave it standing on the landing that's all
You see the trouble with Fred is he's too hasty
And you never get nowhere when you're too [6-] hasty...[5] ...[1] . ! !

It's a dark and dreary night, seems like nothing's going [4] right,
Won't you tell me honey, how can I go on with-[1]out you
Yes I'm [57] down and feeling blue, and I don't know what to do, oh oh.

[1] Ring, ring, why don't you give me a [57] call?
Ring, ring, the happiest sound of them [1] all.
Ring, ring, I stare at the phone on the [57] wall.
And I [2-] sit all alone impatiently
[2-] Won't you please understand the need in me
So, [57] ring, ring, why don't you give me a [1] call?
So, [57] ring, ring, why don't you give me a [1] call?

[1] You were here and now you're gone, hey did I do something [4] wrong?
I just can't believe that I could be so badly mis-[1]taken
Was it me or was it you? Tell me, are we really [4] through?
Won't you hear me cry and you will know that my heart is [1] breaking
Please [57] forgive and then forget, or maybe darling better yet, oh-oh

[1] Ring, ring, why don't you give me a [57] call?
Ring, ring, the happiest sound of them [1] all.
Ring, ring, I stare at the phone on the [57] wall.

So, [57] ring, ring, why don't you give me a [1] call?
So, [57] ring, ring, why don't you give me a [1] call?

Oh-oh, [57] ring, ring, why don't you give me a [1] call?
So, [57] ring, ring, why don't you give me a [1] call?

[1] I'm hearing the light from the [b6] window
I'm [1] seeing the sound of the [5-7] sea
My [1] feet have come loose from their [b67] moorings
I'm [b2-7] feeling quite wonderfully [57] free

Chorus:
And I [4] think I will travel to [4-] Rio
[1] Using the [3-] music for [b67] flight
There's [b2-7] nothing I know of in [4-] Rio
But it's [5] something to [3-] do with the [1] night
It's [4] only a whimsical [4-] notion
To [1] fly down to [3-] Rio to [b67] night
And I [b2-7] probably won't fly down to [4-] Rio
[5] But then a [3-] gain I just [1] might

There's [1] wings to the thought behind [b6] fancy
There's [1] wings to the thought behind [5-7] play
And [1] dancing to rhythms of [b67] laughter
Makes [b2-7] laughter the rhythm of [57] rain

Chorus

I [1] feel such a sense of well [b6] being
The [1] problems have come to be [5-7] solved
[1] And what I thought was proper for [b67] battle
I [b2-7] see now is proper for [57] love

away from her [6-] berth, round by the [3-] point,

Up in the mist her engine`s pounding,
back on the [1] banks that old horn sounding,
A little good-[3-]bye, a little I`ll [4] do what I must [4-] do,
A little good-[3-]bye, a little I`ll [5] do what I must [1] do.

[1] [57] [1] [57] [1] [57] [1] [57] [1]
Here I [1] go once again with my suitcase [17] in my [4] hand
And I'm [1] running a-[5]way down River [1] Ro - [5]ad
And I [1] swear once again that I'm never [17] coming [4] home
I'm [1] chasing my [5] dreams down River [1] Road

Mama [5] said, "[1] Listen [5] child
You're too [5] old [1] to run [5] wild
You're too [1] big to be [5] fishing
With the [b27] boys these days"
So I [5] grabbed some [1] clothes and [5] ran
Stole five [5] dollars from a [1] sugar [5] can
A [1] twelve year old [5] jail breaker [4] running a-[5]way [57]

Here I [1] go once again with my suitcase [17] in my [4] hand
And I'm [1] running a-[5]way down River [1] Ro - [5] ad
And I [1] swear once again that I'm never [17] coming [4] home
I'm [1] chasing my [5] dreams down River [1] Road

Well I [5] married a [1] pretty good [5] man
And he [5] tries to [1] under-[5]stand
But he [1] knows I've got [5] leavin'
On my [b27] mind these days
When I [5] get that [1] urge to [5] run
I'm just [5] like a [1] kid a-[5]gain
The [1] same old [5] jail breaker [4] runnin' a-[5]way [57]

Here I [1] go once again with my suitcase [17] in my [4] hand
And I'm [1] running a-[5]way down River [1] Ro - [5] ad
And I [1] swear once again that I'm never [17] coming [4] home

[1] You know a dream is like a river, ever [4] changing as it flows.
And a [4] dreamer's just a [3-] vessel that must [2-] follow where it [5] goes
[1] Trying to learn from what's behind him
And never [6-] knowing what's in [4] store
Makes each [1] day a constant battle
Just to [5] stay between the [1] shores

And I will [1] sail my vessel 'til the [4] river runs [1] dry,
Like a [4] bird upon the [3-] wind these [2-] waters are my [5] sky
I'll never [1] reach my destination if I [5] never [4] try
So I will [1] sail my vessel 'til the [5] river runs [1] dry.

Too many [1] times we stand aside and let the [4] waters slip a-[1]way
'Til what we [4] put off 'til to-[1]morrow has [2-] now become to-[5]day
So don't you [1] sit upon the shoreline and [6-] say you're satis-[4]fied
[1] Choose to chance the rapids and dare to [5] dance that [1] tide.

And I will [1] sail my vessel 'til the [4] river runs [1] dry,
Like a [4] bird upon the [3-] wind these [2-] waters are my [5] sky
I'll never [1] reach my destination if I [5] never [4] try
So I will [1] sail my vessel 'til the [5] river runs [1] dry.

[1] And there's [6-] bound to be rough [4] waters
And I [1] know I'll take some [4] falls
But with the [2-] good Lord as my [3-] captain
I can [4] make it through them [5] all

[NC] And I will sail my vessel 'til the river runs dry,
[NC] Like a bird upon the wind these waters are my sky
I'll never [1] reach my destination if I [5] never [4] try
So I will [1] sail my vessel 'til [5] the river [1] runs dry.
So I will [1] sail my vessel 'til [5] the river [1] runs dry.

Well we [3] know where we're [6] goin'
but we [6] don't know where we've [7] been.
And we [3] know what we're [7] knowing'
but we [6] can't say what we've [b1] see-[7]een.
And [3] we're not little [7] children
and [6] we know what we [b1] wa-[b2]ant.
And the [3] future is [7] certain
give us [6] time to work it [b1] o-o [7]out.

[b1] We're on a road to nowhere [b7-] come on inside.
[b1] Takin' that ride to nowhere - [b7-] we'll take that ride.

[b4] I'm feelin' okay this mornin' [b1] and you [b5] know.

here we [b1] go.

[b1] We're on a ride to nowhere [b7-] come on inside.
[b1] Takin' that ride to nowhere [b7-] we'll take that ride.

[b4] Maybe you wonder where you [b1] are, I don't [b5] care.

And it's [b1] very far away,
But it's growing day by day
And it's all [b7-] right, baby, it's all right
Would you [b1] like to come along
You can help me sing this song
And it's all [b7-] right, baby, it's all right
They can [b1] tell you what to do, but they'll make a fool of you
And it's all [b7-] right, baby, it's all right

[1] [4] [1] [5] [1] * 2

[1] Cold winter was [3-] howlin' o'er [4] moor and o'er [1] mountain,
and [4] wild were the [1] waves of the [b2] deep rolling [5] sea.
When I [1] met quite by [3-] chance a [4] bonnie young [1] lassie,
who [4] asked me the [1] road and the [5] miles to [1] Dundee.
[4] [1] [5] [1]

Says [1] I to that [3-] lassie, "I [4] canna weel [1] tell ye,
the [4] road and the [1] distance I [b2] canna weel [5] gie,
but [1] if you'll per [3-] mit me to [4] gang a wee [1] bittie,
I'll [4] show you the [1] road and the [5] miles to [1] Dundee."
[4] [1] [5] [1]

She [1] sweetly con [3-] sented and she [4] gie me her [1] airm,
But I [4] did nee [1] ask who the [b2] lassie might [5] be.
She was [1] just like an [3-] angel in [4] feature and [1] form,
as she [4] walked by my [1] side on the [5] road to [1] Dundee.

Instrumental of previous verse
(Verse missing here from the Youtube)

At [1] length wi' the [3-] howe o' Strath [4] martine be [1] hind us,
the [4] spires o' the [1] toon in full [b2] view we could [5] see.
She [1] said, "Gentle [3-] sir, I can [4] never forget [1] ye,
for [4] showin' me [1] far on the [5] road to [1] Dundee.

So I [1] took the gold [3-] pin from the [4] scarf on my [1] bosom,
and [4] said, "Keep ye [1] this, in re [b2] membrance o' [5] me".
Then [1] bravely I [3-] kissed the sweet [4] lips o' that [1] lassie,
and we [4] parted a [1] far on the [5] road to [1] Dundee. [4] [1] [5] [1]

And so [1] here's tae that [3-] lassie, I [4] ne'er can forget [1] her,

O [1] never be [3-] sweir to con [4] duct a young [1] lassie,

Of an [5] old bush home and friends I long to [1]see

[17] rock and roll music,
Any old way you choose it.
It's got a [4] back beat, you can't blues it,
[17] Any old time you use it.
It's [57] gotta be rock roll music,

[57] If you wanna dance with [17] me.

I've got no kick against [57] modern jazz,
Unless they try to play it [17] too darn fast.
And lose the beauty of the [4] melody,
Until they sound just like a [57] symphony.. That's why I go for that

Chorus

I took my love on over [57] 'cross the tracks, so she can hear my man [17] a wail a sax.
I must admit they have a [4] rockin' band, man, they were blowin' like a [57] hurricane.

Chorus

Way down South they had a [57] jubilee, those Georgia folks they had a [17] jamboree.
They're drinkin' home brew from a [4] wooden cup,
The folks all dancin' got [57] all shook up.. And started playin' that

Chorus

Don't care to hear 'em play a [57] tango, I'm in no mood to take a [17] mambo.
It's way too early for a [4] congo, so keep on rockin' that [57] piano.
Chorus

[1] [2-] [4] [1] [2-] [4] [57].
He was [1] born in the summer, of his [2-] twenty [b7] seventh [5] year;
Coming [1] home to a place he'd never [2-] been be-[4]fore
He [1] left yesterday behind him,
you might [2-] say he was [b7] born a-[5]gain
You might [1] say he found a key for [2-] every [4] door

When he [1] first came to the mountains, his [2-] life was [b7] far a-[5]way;
On the [1] road and hanging [2-] by a [4] song
But the [1] string's already broken, and he [2-] doesn't [b7] really [5] care;
It keeps [1] changing fast, and it don't [2-] last for [4] long [5]

But the [4] Colorado [5] Rocky Mountain [1] high
I've [4] seen it raining [5] fire in the [1] sky
The [4] shadow from the [5] starlight is [1] softer than a [4] lul-[5]la-[4]by
Rocky [5] Mountain [1] high, [2-] Colo-[4]rado
Rocky [5] Mountain [1] high, [2-] Colo-[4]rado [57]

He [1] climbed cathedral mountains, he saw [2-] silver [b7] clouds be-[5]low;
he saw [1] everything as far as [2-] you can [4] see
And they [1] say that he got crazy once,
and he [2-] tried to [b7] touch the [5] sun;
And he [1] lost a friend but [2-] kept the [b7] memo-[4]ry

Now he [1] walks in quiet solitude, the [2-] forests [b7] and the [5] streams;
seeking [1] grace in every [2-] step he [4] takes
His [1] sight has turned inside himself to [2-] try and [b7] under-[5]stand;
the se-[1]renity of a [2-] clear blue [b7] mountain [4] lake

And the [4] Colorado [5] Rocky Mountain [1] high
I've [4] seen it raining [5] fire in the [1] sky
[4] talk to God and [5] listen to the [1] casu-[4]al [5] re-[4]ply
Rocky [5] Mountain [1] high, [2-] Colo-[4]rado
Rocky [5] Mountain [1] high, [2-] Colo-[4]rado [57]

Now his [1] life is full of wonder, but his [2-] heart still [b7] knows some [5] fear;
of a [1] simple thing he [2-] cannot [b7] compre-[4]hend
Why they [1] try to tear the mountains down, to [2-] bring in a [b7] couple [5] more;
more [1] people, more [2-] scars u-[b7]pon the [4] land

And the [4] Colorado [5] Rocky Mountain [1] high, I've [4] seen it raining [5] fire in the [1] sky
I [4] know he'd be a [5] poorer man if he [1] never saw an [4] eag-[5]le [4] fly
Rocky [5] Mountain [1] high
And the [4] Colorado [5] Rocky Mountain [1] high, I've [4] seen it raining [5] fire in the [1] sky
[4] Friends around the [5] campfire and [1] every [5] body's [4] high

You ned to listen to the YouTube - timing is complex

Now [2-] somewhere in the Black Mountain Hills of Dakota
There [5] lived a young boy named Rocky Raccoon
And [1] one day his woman ran off with [4] another guy
[1] Hit young Rocky in the [2-] eye - Rocky didn't like that
He [2-] said "I'm [5] gonna get that boy" [57]
So one [1] day he walked into town
And [1] booked himself a room in the [4] local saloon [1]

[2-] Rocky Raccoon checked [5] into his room [57]
[1] Only to find Gideon's [4] Bible [1]
[2-] Rocky had come, e-[5]quipped with a [57] gun
To [1] shoot off the legs of his [4] rival [1]

His [2-] rival, it seems, had [5] broken his [57] dreams
By [1] stealing the girl of his [4] fancy [1]
Her [2-] name was Magill, and she [5] called herself [57] Lil
But [1] everyone knew her as [4] Nancy [1]

Now [2-] she and her man, who [5] called himself [57] Dan
Were [1] in the next room at the [4] hoedown [1]
[2-] Rocky burst in, and [5] grinning a [57] grin
He said, [1] "Danny boy, this is a [4] showdown" [1]

But [2-] Daniel was hot, he [5] drew first and [57] shot
And [1] Rocky collapsed in the [4] corner [1]

Now, the [2-] doctor came in, [5] stinking of [57] gin
And [1] proceeded to lie on the [4] table [1]
He said, [2-] "Rocky, you met your match"
And Rocky said, [5] "Doc, it's only a [57] scratch
And I'll be [1] better, I'll be better Doc, as soon as I am [4] able" [1]

Now [2-] Rocky Raccoon, he fell [5] back in his [57] room
[1] Only to find Gideon's [4] Bible [1]
[2-] Gideon checked out and he [5] left it no [57] doubt
To [1] help with good Rocky's revi-[4]val [1]

[1] It's nigh on fifty years since I [2-] moved into this street
And [5] there's no kinder people you could [1] ever hope to meet
But I've had a note from council, a [2-] young chap brought it 'round
He [5] said that very soon they're going to knock our houses [1] down.

But he [6-] told me not to [3-] worry
They've [6-] just the place for [3-] me
A [6-] brand-new flat not [3-] far from here
Just [2-] waiting there to [5] see
So I [3-] thought I'd take a stroll 'round there and [6-] give the place the eye
But it [2-] came as quite a shock to find it fifteen stories [5] high

Chorus:
Oh [1] I don't want to [6-] leave me [4] old two-up, two-[1]down
It [5] isn't much to look at but at [1] least it's [5] on the [1] ground
[4] It would surely break my heart for [1] me to say good-[6-]bye
When they [4] move me to that [5] room up in the [1] sky

[1] Well I asked me next-door neighbor why [2-] we have got to go
But [5] he was none the wiser, [1] no one seems to know
He said there were a rumour that he [2-] heard the other day
[5] Someone said they need the space to build a motor-[1]way

So [6-] now I'll have to [3-] pack me bags
It's [6-] going to be a [3-] squeeze
There [6-] isn't a suitcase [3-] large enough to [2-] hold me memo-[5]ries
And [3-] I can't take me old dog Ben 'cause [6-] pets, they aren't allowed
They [2-] say it won't be suited to a life amongst the [5] clouds

Chorus

[1] Just the other day I saw me [2-] old friend, Mrs. brown
She [5] has a flat, the same as mine on [1] t'other side of town
She [1] said it's nice and cosy but there's [2-] one thing, makes her vexed:
She [5] doesn't see a single soul from one day to the [1] next

Well the [6-] more I think a-[3-]bout it
The [6-] more I want to [3-] stay
I [6-] wish that I could [3-] close me eyes and [2-] make it go a-[5]way
The [3-] only consolation, I'll [6-] say to be quite fair
I'm [2-] sure to get to heaven, 'cause [2-] I'll be 'alf way [5] there

this is a very, very simplified version of the piece

heavily based on feduso Ultimate Guitar

[1-] It begins to tell
[b4-7] at sometime, round [7] midnight
[1-] I do pretty [b2-7] well
'til [6] after [b5-7] sun-[b17]down.

[4-] At supper time I'm feeling [b4-7] blue, [b47]
but [1-] I really miss [67] you, round [b57] midnight.

[1-] Memories return
[b4-7] at sometime, round [77] midnight
[1-] I have yet to [b2-7] learn
to [6] stop those [b5-7] mem'-[b17]ries.

When my [77] heart is still [3maj7] with you, [b47]
[1-] and old mid-[67] night, [b57] knows it [1-] too.

[1-] Did it mean that our [67] love, would be [b57] ending?
[1-] when some quarrel we've [67] had, need a [b57] mending.

[4-] Darling, I need [3] you, [67] but lately I [b57] find,
[b17] You're out of my [77] arms, [67] out of my [b57] mind.

[1-] Let our love take wing
[b4-7] some midnight, round [77] midnight,
[1-] and let the [b2-7] angels sing
that [6] you're re-[b5-7] tur-[b17]ning.

[4-] Let our love be [77] safe and [3maj7] sound, [b47]
[1-] when old mid-[67] night, [b57] comes a-[1-]round

You've painted up your lips and rolled and
curled your tinted [5] hair [2-]
[1] Ruby are you contemplating
[4] going out some [5]where
The [2-] shadow on the wall tells me
the [5] sun is going down [2-]
Oh [1] Ru [4]by-[6-]y-[2-]y [2-]*
Don't take your love to [1] town

It [2-] wasn't me that started that old [1] crazy Asian war
But [2-] I was proud to go and do my [4] patriotic [5] chore
And [2-] yes, it's true that I'm not the [5] man I used to be [2-]
Oh [1] Ru [4]by-[6-]y-[2-]y [2-]*
I still need some compa [1]ny

It's [1] hard to love a man whose legs are [4] bent and para [5]lyzed [2-]
and the [1] wants and the needs of a woman of your age
[4] Ruby, I rea [5]lize
But it [2-] won't be long I've heard them say un [5]til I'm not around [2-]
Oh [1] Ru [4]by-[6-]y-[2-]y [2-]*
Don't take your love to [1] town

[1] She's leaving now 'cause I just heard the [2-] slammin' of the [5] door
The [1] way I know I've heard it slam one [4] hundred times be [5]fore
And if [2-] I could move I'd get my gun and [5] put her in the ground [2-]
Oh [1] Ru [4]by-[6-]y-[2-]y [2-]*
Don't take your love to [1] town
Oh [1] Ru [4]by-[6-]y-[2-]y [2-]*

[1] Rudolph, the red-nosed reindeer
Had a very shiny [5] nose,
And if you ever saw it,
[57] You would even say it [1] glows.
All of the other reindeer
Used to laugh and call him [5] names
They never let poor Rudolph
[57] Join in any reindeer [1] games. [17]

[4] Then one foggy [1] Christmas Eve
[5] Santa came to [1] say,
[5] "Rudolph with your [b37] nose so bright,
[b2] Won't you guide my [57] sleigh tonight?"
[1] Then all the reindeer loved him
And they shouted out with [5] glee,
"Rudolph the red-nosed reindeer,

[57] You'll go down in histo-[1]ry! "

Dion and the Belmonts - https://www.youtube.com/watch?v=ik57HLn0Nm0 Capo on 2nd fret

[4] Here's my story, it's sad but true
[2-] It's about a girl that I once knew
[b7] She took my love, then ran around
[1] With every single guy in town

Chorus:
[4] Hey, hey, um-da-da-da-di-di [2-] Hey, hey, um-da-da-da-di-di
[b7] Hey, hey, um-da-da-da-di-di [17] Hey, hey, ooooooooooohhhhh

[4] I guess I should have known it from the very start
[2-] This girl would leave me with a broken heart
[b7] Now listen people what I'm telling you
[1] "I keep away from Runaround Sue"

[4] I miss her lips and the smile on her face
[2-] The touch of her hand and this girl's warm embrace
[b7] So if you don't want to cry like I do
[1] Keep away from Runaround Sue.

Chorus

[b7] She like to travel around
[4] She'll love you, then she'll put you down
[b7] Now, people let me put you wise
[1] She goes out with other guys
[4] And the moral of the story from the guy who knows
[2-] I've been in love and my love still grows
[b7] Ask any fool that she ever knew
[1] they'll say: Keep away from Runaround Sue

[4] Call you up in the middle of the night. [6-] like a firefly without a light
[2-] You were there like a slow torch burning
I [1] was a key that could use a little turning

[4] So tired that I couldn't even sleep, [3-] so many secrets I couldn't keep
[2-] Promised myself I wouldn't weep, [1] one more promise I couldn't keep

It [b7] seems no one can [1] help me now
I'm [4] in too deep, there's [2-] no way out
[b7] This time I have [6-] really led myself [1] astray

Chorus:
[4] Runaway train never going back, [6-] wrong way on a one way track
[2-] Seems like I should be getting somewhere
[1] Somehow I'm neither here nor there

[4] Can you help me remember how to smile
[3-] Make it somehow all seem worthwhile
[2-] How on earth did I get so jaded
[1] Life's mystery seems so faded

[4] I can go where no one else can go
[3-] I know what no one else knows
[2-] Here I am just drownin' in the rain
[1] With a ticket for a runaway train

[b7] Everything is [1] cut and dry, [4] day and night, [2-] earth and sky
[b7] Somehow I [6-] just don't know and be-[1]lieve it

Chorus + Instrumental chorus + instrumental of couplet above

[4] Bought a ticket for a runaway train
[3-] Like a madman laughin' at the rain
[2-] Little out of touch, little insane
[1] Just easier than dealing with the pain

[6-] Runaway train tearin' up the track
[2-] Runaway train burnin' in my veins
[1] Runaway but it always seems the same

Intro is 4 bars of [C]? [Am]? ? ? ? ?

Intro [1]* [6-] x 4

[1] Sadie, the cleaning [57] lady,
With trusty scrubbing brush and pail of [1] water
[17] Worked her [4] fingers to the bone,
for the [1] life she had at [b67] home
Pro [b27] viding at the same time for her [57] daughter

Ah [1] Sadie, the cleaning [57] lady,
Her aching knees not getting any [1] younger
[17] Well her [4] red detergent hands,
Had for [1] years not held a [b67] man's
And [b27] time would find her heart expired of [57] hunger

Scrub your [1] floors, do your chores, dear old [b27] Sadie
Looks as [57] though you'll always be a cleaning [1] lady
Can't afford to get bored, dear old [b27] Sadie
Looks as [57] though you'll always be a cleaning [1] lady

Ah [1] Sadie, the cleaning [57] lady,
Her female mind would find a way of [1] trapping [17]
Though as [4] gentle as a lamb, Sam the [1] elevator [b67] man
So [b27] she could spend the night by TV [57] napping.

Ah [1] Sadie, the cleaning [57] lady,
Her Sam was what she got hook, line and [1] sinker [17]
To her [4] sorrow and dismay, She's still [1] working to this [b67] day
Her [b27] Sam turned out to be a no-good [57] stinker

Scrub your [1] floors, do your chores, dear old [b27] Sadie
Looks as [57] though you'll always be a cleaning [1] lady
Can't afford to get bored, dear old [b27] Sadie
Looks as [57] though you'll always be a cleaning [1] lady

Cause your [b7] friends don't dance and if they don't dance
Well [1] they're no [5] friends of mine
I say, [1] we can go where we want to
a place where [b7] they will never [4] find
And we can [b7] act like we come from out of this world
Leave the [1] real one far be-[5]hind

[1] We can go when we want to
The night is [b7] young and so am [4]I
And we can [b7] dress real neat from our hats to our feet
And sur-[1]prise 'em with the [5] victory cry
Say, [1] we can act if want to
If we [b7] don't nobody [4] will
And you can [b7] act real rude and totally removed
And I can [1] act like an im-[5]becile

I say, [4] we can dance, [b7] we can dance

[4] we can dance, [b7] we can dance
[b3] We're doing it from pole to [b6] pole

Now [6-] hold your head up, Mason, see America lies there,
the morning tide has raised, the [1] capes of Dela-[4]ware
[5] Come up and [1] feel the [4] sun, [5] a new morning [1] is be-[4]gun,

[1] S is for the [5] stuns'ls that [4] drive her [1] along;
[1] T's for the tops'ls, to [5] get there takes [1] long

[1] U's for the uniform, [4] mostly worn [1] aft;
[5] V's for the vangs running from the main [1] gap
[1] W's for [5] water, we're on a [4] pint and a [1] pound;
[1] And X marks the spot where old [5] Stormy was [1] drowned

[1] Y's for yard arm, needs a [4] good sailor [1] man;
[5] Z is for Zoë, I'm her fancy [1] man
Z's also for [5] zero in the [4] cold winter [1] time;
And now we have brought all the [5] letters in [1] rhyme

[4] [1] [5] [1]

Well [1] Jimmy played harmonica in the [4] pub where I was [1] born
He played it from the night-time to the [4] peaceful early [5] morn
He [4] soothed souls of [1] psychos and the [5] men who had the horn
and they [1] all looked very [4] happy in the [5] morn-[1]ing

But [1] Jimmy didn't like his place [4] in this world of [1] ours
Where the elephant man broke strong men's necks [4] when he'd had too many [5] powers
So [4] sad to see the [1] grieving of the [5] people he was leaving
And he [1] took the road for [4] god knows in the [5] morn-[1]ing

We [1] walked him to the [4] station in the [1] rain
We [1] kissed him as we [4] put him on the [5] train
And we [4] sang him a [1] song of [5] times long [4] gone
though we [1] knew that we'd be [5] seeing him a-[1]gain
[1] Sad to say I must be on my way
so [4] buy me beer and [1] whiskey 'cause I'm [5] going far away
[1] I'd like to think I'll be returning when I can
to the [4] greatest little [1] boozer and to [5] Sally McLen-[1]nane

[4] [1] [5] [1]

The [1] years passed by the times had changed I [4] grew to be a [1] man
I learned to love the virtues of sweet [4] Sally McLen-[5]nane
I [4] took the jeers and [1] drank the beers and I [5] crawled back home at dawn
And I [1] ended up a [4] barman in the [5] mor-[1]ning

I [1] played the pump and took the hump and [4] watered whiskey [1] down

Some [1] people left for [4] heaven without [5] war-[1]ning

We [1] walked him to the [4] station in the [1] rain
We [1] kissed him as we [4] put him on the [5] train
And we [4] sang him a [1] song of [5] times long [4] gone

When [1] Jimmy came back home again he was [4] surprised that they were [1] gone
He asked me all the details of the [4] train that they went [5] on
Some [4] people they are [1] scared to croak but Jimmy drank until [5] he choked
And he [1] took the road for [4] heaven in the [5] mor-[1]ning

[1] Now I'm most de-[5]pressed and [1] sad
Where [4] I once was blithe and [1] glad
And [6-] could trip about the [1] town both trim and [5] neatly
I was [1] happy [5] night and [1] morn', but [4] from all such joys I'm [1] shorn
Since [4] I fell so deep in [5] love with Sally [1] Wheatley

Chorus:
And it's [4] Oh, [1] dear [5] me, what am [1] I ganna [6-] dee
Sally's [4] gone and stole me heart com-[5]pletely
And I'll [1] never [5] get it [1] back,
For she [4] gans with mister [1] Black
And [4] they say he's going to [5] marry Sally [1] Wheatley

[1] Now I never saw [5] such a [1] lass
And [4] I know she likes her [1] glass
She [6-] could toss a pot of [1] whiskey over [5] neatly
Now it's [1] right to [5] take a [1] drop
When [4] you know just when to [1] stop
That [4] was just the very [5] way with Sally [1] Wheatley

Chorus

[1] How I felt I [5] didn't [1] knaa
The [4] first time I Sally [1] saw
In a [6-] threesome reel she [1] stepped about so [5] sweetly
And I [1] might have [5] stood a [1] chance had [4] I asked her up to [1] dance
But [4] I was ower shy to [5] speak to Sally [1] Wheatley

Chorus

[1] Now as [5] often is the [1] case
You'll [4] find others in your [1] place
If [6-] you fail to shove [1] ahead and fettle [5] reetly
For I'd [1] scarcely [5] turned me [1] back when [4] I spied yon Mr [1] Black
He [4] was jigging roond the [5] room with Sally [1] Wheatley

Chorus

And [1] he must have [5] got it [1] right
When [4] he took her home that [1] night
After [6-] work dressed up he [1] gans to see her [5] neetly
There's [1] great danger [5] in de-[1]lay
And [4] aad not be sad to-[1]day
If [4] I had a heart to [5] break for Sally [1] Wheatley

[1] Standing on the corner with the low down blues
[b27] Great big hole in the bottom of my shoes
[57] Honey let me be your Salty [1] Dog

Let me be your [b67] Salty Dog
Or [b27] I won't be your man at all
[57] Honey let me be your Salty [1] Dog

[1] Listen here Sal well I know you
[b27] Run down stocking and a worn out shoe
[57] Honey let me be your Salty [1] Dog

Let me be your [b67] Salty Dog
Or [b27] I won't be your man at all
[57] Honey let me be your Salty [1] Dog

[1] Down in the wildwood sitting on a log
[b27] Finger on the trigger and eye on the hog
[57] Honey let me be your Salty [1] Dog

Let me be your [b67] Salty Dog
Or [b27] I won't be your man at all
[57] Honey let me be your Salty [1] Dog

[1] Pulled the trigger and they said go
[b27] Shot fell over in Mexico

[1] Sam Stone came home, to his [4] wife and family,
after [5] serving in the conflict over-[1]seas.
And the [1] time that he served, had [4] shattered all his nerves,
and [5] left a little shrapnel in his [1] knee. [4] [1]

But the mor-[4]phine eased the pain,
and the [4] grass grew round his brain,
and [b27] gave him all the confidence he [5] lacked;
with a [b27] Purple Heart and a [b2] monkey on his [5] back.

There's a [1] hole in daddy's arm where all the [2-] money goes,
and [4] Jesus Christ died for nothin' I sup-[5]pose.
Little [1] pitchers have big ears,
don't [6-] stop to count the years,
sweet [b27] songs never last too [b2] long on broken radi-[5]os.
[5] Mmm [5sus4] .. [5] [5]

Sam [1] Stone's welcome home, didn't [4] last too long,
he [5] went to work when he'd spent his last [1] dime
And [1] Sammy took to stealing, when he [4] got that empty feeling,
for a [5] hundred dollar habit without over-[1]time.

And the [4] gold rolled through his veins,
like a [4] thousand railroad trains,
and [b27] eased his mind in the hours that he [5] chose;
while the [b2] kids ran around [b27] wearin' other peoples' [5] clothes...

There's a [1] hole in daddy's arm where all the [2-] money goes,
and [4] Jesus Christ died for nothin' I sup-[5]pose.
Little [1] pitchers have big ears,
don't [6-] stop to count the years,
sweet [b27] songs never last too [b2] long on broken radi-[5]os. [5] Mmm [5sus4] .. [5] [5]

Sam [1] Stone was alone, when he [4] popped his last balloon,
[5] climbing walls while sitting in a [1] chair
Well, he [1] played his last request,
while the [4] room smelled just like death,
with an [5] overdose hovering in the [1] air

But [4] life had lost its fun, and there was [4] nothing to be done,
but [b27] trade his house that he bought on the G, I. [5] Bill;
for a [b2] flag draped casket on a [b27] local heroes' [5] hill

There's a [1] hole in daddy's arm where all the [2-] money goes,
and [4] Jesus Christ died for nothin' I sup-[5]pose.
Little [1] pitchers have big ears, don't [6-] stop to count the years,

Intro: [b27] [57] [1] [b7] (last line, verse 2)

I got the [1] blues when my baby left me
[4] by the San Francisco [1] Bay [17]
The [4] ocean liners gone so far [1] away [17]
I didn't [4] mean to treat her so bad,
she was the [1] best girl I ever [b7] had
[b27] She said goodbye, I can take a cry,
[57] I wanna lay down and die

I [1] aint got a nickel and I [4] aint got a lousy [1] dime [17]
She [4] don't come back, think I'm going to lose my [b47] mind
[4] If she ever gets back to stay, it's going to
[1] be another brand new [b7] day
[b27] Walking with my baby down [57] by the San Francisco [1] Bay [b7]

[1] Sitting down [4] looking from my [1] back door,
Wondering which [4] way to [1] go
[4] Woman I'm so crazy about, she don't love me no [1] more
[4] Think I'll catch me a freight train, [1] cause I'm feeling [b7] blue
[b27] Ride all the way to the end of the line, [57] thinking only of you

[1] Meanwhile [4] livin' in the [1] city, Just about to [4] go [1] insane
[4] Thought I heard my baby, lord, [b7] the way she used to call my name
[4] If I ever get her back to stay, it's going to
[1] be another brand new [b7] day
[1] Walking with my baby down [57] by the San Francisco [1] Bay,
hey [b7] hey

[b27] Walking with my baby down [47] by the San Francisco [1] Bay

I got the [1] blues when my baby left me
[4] by the San Francisco [1] Bay [17]
The [4] ocean liners gone so far [1] away [17]
[4] I didn't mean to treat her so bad,
she was the [1] best girl I ever [b67] had
[b27] She said goodbye, I can take a cry,
[57] I wanna lay down and die

I [1] ain't got a nickel and I [4] ain't got a lousy [1] dime [17]
She [4] don't come back, think I'm going to lose my [b37] mind
[4] If she ever gets back to stay, it's going to

[b27] Walking with my baby down

[1] Sitting down [4] looking from my [1] back door,
Wondering which [4] way to [17] go
[4] Woman I'm so crazy about, she don't love me no [1] more
[4] Think I'll catch me a freight train, [1] cause I'm feeling [b67] blue
[b27] Ride all the way to the end of the line, [57] thinking only of you

[1] Meanwhile [4] livin' in the [1] city, just about to [4] go [1] insane
[4] Thought I heard my baby, lord, [b37] the way she used to call my name

When Christmas comes I don't want a bike, or
[4] toys and things that other kids like. I [5] don't want a cat or a Labrador,
Santa bring me a dino-[1]saur. [1]

Like the tyrannosaurus rex, or [4] brontosaurus with the big long necks.
[5] Santa won't you please ensure, that you bring me a dino-[1]saur. [1]

Santa bring me a dinosaur, [4] old as a million years or more.
[5] Least as tall as the second floor. Santa bring me a dino-[1]saur.
Santa bring me a dinosaur, with [4] bloodshot eyes and a giant jaw.
[5] One to keep forever more. Santa bring me a dino-[1]saur. [1]

I'll take it to obedience school, and [4] show it how to swim in the swimming pool.
[5] Build it a bed on a ton of straw, if you bring me a dino-[1]saur. [1]

I'll teach it lots of games to play, and [4] promise I'll walk it every day,
On a [5] leash that I'll keep in the kitchen drawer,
if you bring me a dino-[1]saur. [1]

Santa bring me a dinosaur, [4] old as a million years or more.
[5] Least as tall as the second floor. Santa bring me a dino-[1]saur.
Santa bring me a dinosaur, with [4] bloodshot eyes and a giant jaw.
[5] One to keep forever more. Santa bring me a dino-[1]saur. [1] [b6]

[b2] Now a sabre tooth tiger wouldn't be bad,
but [5] how would I explain it to my mom and dad?
They'd [b6] make me send it back for sure. Santa bring me a dino-[b2]saur. [b2]

One that likes to chase a ball, and [5] comes to me every time I call.
[b6] If it's not against the law, Santa bring me a dino-[b2]saur. [b2]

Santa bring me a dinosaur, [5] old as a million years or more.
[b6] Least as tall as the second floor. Santa bring me a dino-[b2]saur.
Santa bring me a dinosaur, with [5] bloodshot eyes and a giant jaw.

[57]* Well, [1] Santa looked a lot like daddy, or daddy looked a lot like [4] him.
It's [57] not the way I had him pictured; Santa was much too [1] thin.
He didn't come down the chimney, so mama must have let him [4] in.
Yeah, [57] Santa looked a lot like daddy, or daddy looked a lot like [1] him.

They thought I was sleepin', they thought that I was tucked in [57] bed.
They never thought I'd come a peepin', or that I'd hear what was [1] said.
Santa put his arm around mama, mama put her arm around [4] him.
So if [57] Santa Claus ain't daddy, I'm a gonna tell on [1]* them.

Yeah, [57] Santa looked a lot like daddy, or daddy looked a lot like [1] him.

I never saw Dancer or Prancer, I never heard the sleigh bells [57] ring.
I never saw the red nosed reindeer, like they show on the TV [1] screen.
But he sure brought a lot presents, so Santa Claus he must have [4] been.

[1-] I laid on a dune , I [4-] looked at the sky
When the [7] children were babies and [1-] played on the beach
You [1-] came up to behind me you were [4-] always so close
I [7] saw you go by and [1-] still within' reach
[3] Sa-[5-]ra, oh oh [6] Sara
[7] Whatever made you want to [6] change your [1-] mind
[3] Sa-[5-]ra, oh oh [6] Sara, [7] radiant jewel, [6] mystical [1-] wife

[1-] I can still see them playin' with their [4-] pails in the sand
They [7] run to the water their [1-] buckets to fill
I can still see the shells fallin' [4-] out of their hands
as they [7] follow each other back [6] up the [1-] hill
[3] Sa-[5-]ra, oh oh [6] Sara
[7] Sweet virgin angel, sweet [6] love of my [1-] life
[3] Sa-[5-]ra, oh oh [6] Sara, so [7] easy to look at, so [6] hard to de-[1-]fine

Sleepin' in the woods By a [4-] fire in the night [7]
Drinkin' white rum In a [1-] Portugal bar
Them playin' leap-frog and [4-] hearin' about Snow White
[7] you in the market place in [1-] Savanna-laMar
[3] Sa-[5-]ra, oh oh [6] Sara, [7] it's all so clear, [6] I could never [1-] forget
[3] Sa-[5-]ra, oh oh [6] Sara [7] lovin' you is the one thing I'll [6] never re-[1-]gret

I can still hear the sounds of those [4-] Methodist bells
I'd [7] taken the cure and had [1-] just gotten through
Stayin' up for "In the [4-] Chelsea Hotel"
writin' [7] "Sad-Eyed Lady of the [1-] Lowlands" for you
[3] Sa-[5-]ra, oh oh [6] Sara [7] Wherever we [6] travel we're never [1-] apart
[3] Sa-[5-]ra, oh oh [6] Sara [7] Beautiful lady, so [6] dear to my [1-] heart

How did I meet you, [4-] I don't know
[7] a messenger sent me In a [1-] tropical storm
You were there in the winter, [4-] moonlight on the snow,
and on [7] Lily Pond lane when the [1-] weather was warm
[3] Sa-[5-]ra, oh oh [6] Sara [7] Scorpio [6] Sphinx in a calico [1-] dress
[3] Sa-[5-]ra, oh oh [6] Sara [7] You must forgive me my [6] unworthi-[1-]ness

Now the beach is deserted [4-] except for some kelp
and a [7] piece of an old ship that [1-] lies on the shore
You always responded when I [4-] needed your help
you [7] gimme a map and a [1-] key to your door
[3] Sa-[5-]ra, oh oh [6] Sara, [7] glamorous [6] nymph with an arrow [1-] and bow
[3] Sa-[5-]ra, oh oh [6] Sara, [7] don't ever leave me, [6] don't ever [1-] go

[1] Who are the [5] people that [6-] make you feel a-[4]live
[1] are any of [5] them [6-] standing by your [4] side?

when your [6-] dreams all disap-[4]pear?

'Cause [1] all our [5] lives are just [6-] satel-[4]lite

satellite [1] moments, [5] are just passing [6-] by [4]

[1] one truth bears re-[5]peating, a [6-] simple solemn [4] phrase,
[1] everything is [5] fleeting, [6-] everything will [4] change

'Cause [1] all our [5] lives are just [6-] satel-[4]lite
[1] here [5] and gone like [6-] satel-[4]lite
