[1] Drifting through the winding lanes of [57] Kent
[57] On my way to Canterbury, because of the [1] big P
[1] On my way to Canterbury, for the helping of my [4] kin you see
I?m [57] drifting through the winding lanes of [1] Kent.

Wind-[1] ing my way up Lympne Hill past the Shepway [57] Cross
[57] Autumn colours painted on the [1] trees
[1] Passing by the Stanford ?Drum?, on our way to [4] Farthing Common
[57] A more beautiful landscape you will never [1] see.

With [1] Romney Marsh in the distance as [57] far as you can see
[57] We enter the technicolor [1] canopy
[1] Fingers of branches with sunlight peeking [4] through
The [57] patchwork green & brown, no more can you see [1] the blue.

[1] Everything is [46] open, [5sus4] nothing is set in [5] stone
[1] Rivers turn to [46] ocean, [5sus4] oceans tide you [5] home
[1] Home is where the [46] heart is, but [5sus4] your heart had to [5] roam
[1] Drifting over [46] bridges [5sus4] never to [5] return
[5sus4] Watching bridges [5] burn

You're [1] driftwood [5] floating under-[2-]water
Breaking into [46] pieces, pieces, pieces
Just [1] driftwood, [5] hollow and of [2-] no use
Waterfalls will [46] find you, bind you, grind you

[1] Nobody is an [46] island, [5sus4] everyone has to [5] go

[1] Low is where your [46] heart is but [5sus4] your heart has to [5] grow
[1] Drifting under [46] bridges, [5sus4] never with the [5] flow

[1] Frozen you have [46] chosen the [5sus4] path you wish to [5] go
[1] Drifting now [46] forever [5sus4] and forever [5] more
[5sus4] Until you reach your [5] shore

You're [1] driftwood [5] floating under-[2-]water
Breaking into [46] pieces, pieces, pieces

I'll climb [b27] Diamond Head with a Daiquiri
I'll sail a [5] Navy Grog to Pearl City

[1] I got my driver's license last week
Just like we always talked a-[6-]bout
'Cause you were so excited for me
To finally drive up to your [4] house
But today I drove through the suburbs
Crying 'cause you weren't a-[1]round

[1] And you're probably with that blonde girl
Who always made me doubt
[6-] She's so much older than me
She's everything I'm insecure about
Yeah, to-[4]day I drove through the suburbs
'Cause how could I ever love someone [1] else?

> CHORUS
>
> And I [4] know we weren't perfect
> but I've never felt this way for [1] noone [5]
> And [4] I just can't imagine how you could be so okay
> now that [1] I'm gone [5]
> I guess [6-] you didn't [5] mean what you
> [1] wrote in that [b3-7] song a-[4]bout me
> 'Cause [4] you said forever,
> now [5] I drive alone past your [1] street

[1] And all my friends are tired
of hearing how much I miss you, but
[6-] I kinda feel sorry for them
'Cause they'll never know you the way that I do, yeah
To [4] day I drove through the suburbs
and pictured I was driving home [1] to you

Chorus

[6-] Red lights, stop signs
[4] I still see your face in the [1] white cars, front yards
[5] Can't drive past the places we [6-] used to go to
'Cause [4] you know I still love you, [1] babe
[5] Ooooooooo

[6-] Sidewalks we crossed
[4] I still hear your voice in the [1] traffic
We're laughing [5] over all the noise
God I'm [6-] so blue, know we're through
'Cause [4] you know I still love you, [1] babe

[1] Now she's back in the atmosphere
With [5] drops of Jupiter in her hair, hey, [4] hey, hey, hey
[1] She acts like summer and walks like rain
Re-[5]minds me that there's time to change, hey, [4] hey, hey, hey
[1] Since the return from her stay on the moon
She [5] listens like spring and she talks like June, hey, [4] hey, hey, hey, Hey, hey, hey, hey

[5] So tell me did you sail across the [b2] sun
Did you make it to the Milky [4] Way to see the lights all faded
[1] And that heaven is overrated
[5] Tell me, did you fall from a shooting [b2] star
One without a permanent [2-] scar
And did you miss me while you were [4] looking for yourself out [1] there

[1] [5] [4] [4]
[1] Now that she's back from that soul vacation
[5] Tracing her way through the constellation, [4] hey, hey, hey
[1] Checks out Mozart while she does tae-bo
Re-[5] minds me that there's room to grow, hey, [4] hey, hey, hey
Now [1] that she's back in the atmosphere
I'm a-f[5]raid that she might think of me as [4] plain ol' Jane
Told a story about a man who is too afraid to fly so he never did land

> CHORUS
>
> [5] Tell me did the wind sweep you off your [b2] feet
> Did you finally get the chance to [4] dance along the light of day

> Was it everything you wanted to [2-] find
> And did you miss me while you were [4] looking for yourself out [1] there

[1] [5] [4] [4]
Can you imagine no [1] love, pride, deep-fried chicken
Your [5] best friend always sticking [4] up for you, even when I know you're wrong
Can you imagine no [1] first dance, freeze dried romance [5] five-hour phone conversation
The [b7] best soy latte that you ever had, and [4] me

[1] Raised on songs and [4] sto-[1]ries, heroes of re-[6-]known
The [1] passing tales and [4] glo-[1]ries, that [5] once was [4] Dublin [5] town
The [1] hallowed halls and [4] hou-[1]ses, the [1] haunting children's [6-] rhymes
That [1] once was part [4] Dublin, [1] in the [5] rare old [1] times

[1] Ring a ring a [4] ros-[1]ie, as the light de-[6-]clines
I re-[1]member Dublin [4] City, [1] in the [5] rare old [1] times

My [1] name it is Sean [4] Demp-[1]sey, as Dublin as could [6-] be
Born hard [1] and late in [4] Pimli-[1]co, in a [5] house that's [4] ceased to [5] be
By [1] trade I was a [4] coo-[1]per, lost [1] out to redundan-[6-]cy
[1] Like my house that fell to [4] pro-[1]gress, my trade's a [5] memo-[1]ry

I [1] courted Peggy [4] Diag-[1]nam, as [1] pretty as you [6-] please
I [1] roved with a child of [4] Ma-[1]ry, from the [5] rebel [4] liber-[5]ties
I [1] lost her to a [4] student [1] chap, with [1] skin as black as [6-] coal
When he [1] took her off to [4] Birming-[1]ham, he [5] took away my [1] soul

[1] Ring a ring a [4] ros-[1]ie, as the light de-[6-]clines
I re-[1]member Dublin [4] City, [1] in the [5] rare old [1] times

The [1] years have made me [4] bi-tter, [1] the gargles dims me [6-] brain
'Cause [1] Dublin keeps on [4] chan-[1]ging, and [5] nothing [4] seems the [5] same
The [1] Pillar and the [4] Met have [1] gone, the [1] Royal long since pulled [6-] down
As the [1] great and unyielding [4] con-[1]crete, makes a [5] city of my [1] town

[1] Ring a ring a [4] ros-[1]ie, as the light de-[6-]clines
I re-[1]member Dublin [4] City, [1] in the [5] rare old [1] times

[1] Fare thee well sweet Anna [4] Li-[1]ffey, I can no longer [6-] stay
And [1] watch the new [4] glass ca-[1]ges, that [5] spring up a-[4]long the [5] quay
My [1] mind's too [4] full of [4] memo-[1]ries, too old to hear new [6-] chimes
I'm a [1] part of what was [4] Dublin, [1] in the [5] rare old [1] times
– repeat x1

[1] Ring a ring a [4] ros-[1]ie, as the light de-[6-]clines
I re-[1]member Dublin [4] City, [1] in the [5] rare old [1] times

Dutchman, The

The [1] Dutchman's not the kind of man to keep his thumb jammed in the dam
That [2-] holds his dreams in [2-]
[5] But that's a secret that only [1] Margaret knows.
[1] When Amsterdam is golden,
In the morning Margaret brings him breakfast, [2-]
She believes him. [5]
[5] He thinks the tulips bloom [1] beneath the snow.
He's mad as [2-] he can be, but [5] Margaret only [1] sees that [5] sometimes,
[6-] Sometimes she [2-] sees her unborn [5] children in his [1] eyes.

Let us [2-] go to the [5] banks of the [1] ocean [5] [6-]
[2-] Where the walls rise a-[5]bove the Zuider [1] Zee. [5] [6-]
Long a-[2-]go, I [5] used to be a [1] young man [5] [6-]
And dear [2-] Margaret re-[5]members that for [1] me.

[1] The Dutchman still wears wooden shoes, his cap and coat are patched with the love
That [2-] Margaret sewed there. [2-]
[5] Sometimes he thinks he's still in [1] Rotterdam.
He [1] watches the tug-boats down canals
An' calls out to them when he thinks he [2-] knows the Captain. [2-] [5]
Till Margaret comes to take him [1] home again
Through unfor-[2-]giving streets that [5] trip him, though she [1] holds his arm, [5] [6-]
Sometimes he [2-] thinks he's a-[5]lone and he calls her [1] name.

Let us [2-] go to the [5] banks of the [1] ocean [5] [6-]
[2-] Where the walls rise a-[5]bove the Zuider [1] Zee. [5] [6-]
Long a-[2-]go, I [5] used to be a [1] young man [5] [6-]
And dear [2-] Margaret re-[5]members that for [1] me.

Ohh the [1] windmills swirl the winter wind, she winds his muffler tighter
[2-] they sit in the kitchen. [2-]
[5] And a tea with whiskey keeps a-[1]way the dew. He sees her for a moment, calls her name,
She makes the bed up humming [2-] some old [5] love song,
She learned it when the tune was [1] very new
He hums a [2-] line or two, they [5] hum together in the [1] night. [5] [6-]
The Dutchman [2-] falls asleep and [5] Margaret blows the [1] candle out.

Let us [2-] go to the [5] banks of the [1] ocean [5] [6-]
[2-] Where the walls rise a-[5]bove the Zuider [1] Zee. [5] [6-]
Long a-[2-]go, I [5] used to be a [1] young man [5] [6-]
And dear [2-] Margaret re-[5]members that for [1] me.

Let us [2-] go to the [5] banks of the [1] ocean [5] [6-]
[2-] Where the walls rise a-[5]bove the Zuider [1] Zee. [5] [6-]

[1]

[1] I like to slow dance, with a young thing, to an old melo-[4]dy
A [5] full figured woman, who can really, hold it a-[1]gainst me
And when I drink a little beer, my words don't always come out [4] easy
Brother [2-] you and me, are the [5] last of the dying [1] breed

I like to ride my horse, through the pasture, and just look at the [4] cows
And maybe [5] roll one up, in the saddle, and just mellow [1] out
Sometimes I sit on a barstool, and lie to them barmaids till [4] three
Brother [2-] you and me, are the [5] last of the dying [1] breed

They don't make them like [4] us anymore [5]
Not like they [1] did before
[1] Still country [b2] down to the core
Just two old [5] dinosaurs

I love them [1] old western movies, with a two fisted [4] story
And I [5] still get a lump in my throat, when they wave Old [1] Glory
A two inch steak, and cheap cigar, is my [4] creed
Brother [2-] you and me, are the [5] last of the dying [1] breed

[1] [4] [5] [1]
They don't make them like [4] us anymore
[5] Not like they [1] did before
[1] Still country [b2] down to the core

Brother [2-] you and me, were the [5] last of the dying [1] breed

[1] Out in the West Texas [2-] town of El Paso
[57] I fell in love with a Mexican [1] girl
Night-time would find me in [2-] Rosa's cantina
[57] Music would play and Felina would [1] whirl

[1] Blacker than night were the [2-] eyes of Felina
[57] Wicked and evil while casting a [1] spell
My love was deep for this [2-] Mexican maiden
[57] I was in love but in vain, I could [1] tell

[4] One night a wild young [1] cowboy came [4] in
Wild as the West Texas [1] wind [17]
[17] Dashing and daring, a drink he was sharing
[17] With wicked Felina, the girl that I [4] loved

So in [57] anger I:
[1] Challenged his right for the [2-] love of this maiden
[57] Down went his hand for the gun that he [1] wore
My challenge was answered in [2-] less than a heart-beat
[57] The handsome young stranger lay dead on the [1] floor

[1] Just for a moment I [2-] stood there in silence
[57] Shocked by the foul evil deed I had [1] done
Many thoughts raced through my [2-] mind as I stood there
[57] I had but one chance and that was to [1] run

[4] Out through the back door of [1] Rosa's I [4] ran
Out where the horses were [1] tied [17]
[17] I caught a good one, it looked like it could run
[17] Up on its back, and away I did [4] ride

Just as [57] fast as I
[1] Could from the West Texas [2-] town of El Paso
[57] Out to the bad-lands of New Mexi [1] co
[1] Back in El Paso my life [2-] would be worthless
[57] Everything's gone in life nothing is [1] left

[1] It's been so long since I've seen [2-] the young maiden
[57] My love is stronger than my fear of [1] death
[4] I saddled up and [17] away I did [4] go
Riding alone in the [1] dark [17]
[17] Maybe tomorrow a bullet may find me
[17] Tonight nothing's worse than this
Pain in my [4] heart

And at [57] last here I
[1] Am on the hill over [2-] looking El Paso
[57] I can see Rosa's cantina be [1] low
My love is strong and it [2-] pushes me onward
[57] Down off the hill to Felina I [1] go

[1] Off to my right I see [2-] five mounted cowboys
[57] Off to my left ride a dozen or [1] more
Shouting and shooting I [2-] can't let them catch me
[57] I have to make it to Rosa's back [1] door

[4] Something is dreadfully [17] wrong for I [4] feel
A deep burning pain in my [1] side [17]
[17] Though I am trying to stay in the saddle
[17] I'm getting weary, unable to [4] ride

But my [57] love for
[1] Felina is strong and I [2-] rise where I've fallen
[57] Though I am weary I can't stop to [1] rest
I see the white puff of smoke [2-] from the rifle
[57] I feel the bullet go deep in my [1] chest

[1] From out of nowhere [2-] Felina has found me
[57] Kissing my cheek as she kneels by my [1] side
Cradled by two loving arms [2-] that I'll die for
[57] One little kiss and Felina, good [1] bye

[1-] Eleanor Rigby picks up the rice in the church
Where a wedding has [6] been, lives in a [1-] dream

[4-] Oh Ellan [1-] Vannin, of the [4-] Isle of Man Compa-[1-]ny,
[4-] Oh Ellan [1-] Vannin, [3] lost in the [5-] Irish [1-] Sea

At [1-] One a.m. in [4-] Ramsey [1-] Bay,
[1-] Captain Teare was [b5] heard to [1-] say,
Our [b4] contract says [7] deliver the [5-] mail.
In [1-] this rough weather we [5-] must not [1-] fail.

[4-] Oh Ellan [1-] Vannin, of the [4-] Isle of Man Compa-[1-]ny,
[4-] Oh Ellan [1-] Vannin, [3] lost in the [5-] Irish [1-] Sea

Ocean [1-] Liners sheltered [4-] from the [1-] storm,
Ellan [1-] Vannin on the [b5] waves was [1-] born.
Her [1-] hold was [b4] full and [7] battened [5-] down,

[4-] Oh Ellan [1-] Vannin, of the [4-] Isle of Man Compa-[1-]ny,
[4-] Oh Ellan [1-] Vannin, [3] lost in the [5-] Irish [1-] Sea

With a [1-] crew of twenty [4-] one Manx [1-] men,

Fare-[1-] well to [b4] Mona's [7] Isle fare-[5-]well,
[1-] This little ship was [5-] bound for [1-] hell.

[4-] Oh Ellan [1-] Vannin, of the [4-] Isle of Man Compa-Am]ny,
[4-] Oh Ellan [1-] Vannin, [3] lost in the [5-] Irish [1-] Sea

[1-] Less than a mile from the [4-] Bar light-[1-]ship,
By a [1-] mighty wave Ellan [b5] Vannin was [1-] hit.
She [1-] sank in the [b4] waters of [7] Liverpool [5-] Bay,

Let me [1] watch your stormy [57] sky

[1] I woke up this morning with an [47] awful aching [17] head
I woke [47] up this morning with an awful aching [17] head
My new [57] man had left me, just a [47] room and an empty [17] bed [57]

Bought me a [1] coffee grinder that's the [47] best one I could [17] find
Bought me a [47] coffee grinder that's the best one I could [17] find
Oh he could [57] grind my coffee, cause he [47] had a brand new [17] grind [57]

He's a [1] deep sea diver with a [47] stroke that can't go [17] wrong
He's a [47] deep sea diver with a stroke that can't go [17] wrong
He can [57] stay at the bottom and his [47] wind holds out so [17] long [57]

He [1] knows how to thrill me and he [47] thrills me night and [17] day
Oh he [47] knows how to thrill me, he thrills me night and [17] day
He's got a [57] new way of loving, almost [47] takes my breath a [17]way [57]

Lord he's [1] got that sweet somethin' and [47] I told my girlfriend [17] Lou
He's got that [47] sweet somethin' and I told my girlfriend [17] Lou
From the [57] way she's raving, she must have [47] gone and tried it [17] too [57]

When my [1] bed get empty make me feel [47] awful mean and [17] blue
When my [47] bed get empty make me feel awful mean and [17] blue
My [57] springs are getting rusty, [47] sleeping single like I [17] do [57]

Bought him a [1] blanket, pillow for his [47] head at [17] night
Bought him a [47] blanket, pillow for his head at [17] night
Then I [57] bought him a mattress so he [47] could lay just [17] right [57]

He came [1] home one evening with his [47] beret way up [17] high
He came [47] home one evening with his beret way up [17] high
What he [57] had to give me, make me [47] wring my hands and [17] cry [57]

He give me a [1] lesson that I never [47] had be [17]fore
He give me a [47] lesson that I never had be [17]fore
When he [57] got to teachin' me, from my [47] elbow down was [17] sore [57]

He poured [1] my first cabbage and he [47] made it awful [17] hot
He poured [47] my first cabbage and he made it awful [17] hot
When he [57] put in the bacon, it over [47]flowed the [17] pot ! [57]

When you [1] git good lovin', never [47] go and spread the [17] news
When you [47] git good lovin', never] go and spread the [17] news
Yes, he'll [57] double-cross you, and [47] leave you with them empty bed [1] blues [17]

There's a pain goes on and [4] on.
Empty chairs at empty [5-] tables
Now my [b6] friends are dead and [2-] gone.

[2-] Here they talked of revolution.

[1] [3-] [4] [1]
[1] There I was again tonight
[3-] Forcing laughter,faking smiles
[4] Same old tired, lonely place [1]
[1] Walls of insincerity
[3-] Shifting eyes and vacancy
[4] Vanished when I saw your face
[1] All I can say is, it [4] was enchanting to [6-] meet you-[5]ou

[1] Your eyes whispered 'have we met?'
[3-] Crossed the room, your silhouette
[4] Starts to make its way to me-[1]ee
[1] The playful conversation starts
[3-] Counter all your quick remarks
[4] Like passing notes in secre-[1]cy

And it [4] was enchanting to [6-] meet you-[5]ou
All I can say is, I was [4] enchanted to [6-] meet you-[5]ou

[4] This night is [1] sparkling
[5] Don't you let it [4] go
I'm wonder-[1]struck
Blushing [5] all the way [4] home
I'll spend for-[1]ever [5] wondering if you [4] knew
I was enchanted to [6-] meet you-[5]ou-[1]ou

The [1] lingering question kept me up
[3-] 2 AM, who do you love?
[4] I wonder till I'm wide a-[1]wake
And [1] now I'm pacing back and forth
[3-] Wishing you were at my door
[4] I'd open up and you would sa-[1]ay 'hey'

[4] It was enchanting to [6-] meet [5] you

This is me praying that

[4] This was the very first page
[6-] Not where the [5] storyline ends
[4] My thoughts will echo your name
[6-] Until I [5] see you a[4]gain
[4] These are the words I held back [6-] as I was [5] leaving too [4] soon
[4] I was enchanted to [6-] meet you-[5]ou

[1] Please, don't be in love with [3-] someone else
[4] Please, don't have somebody [1] waiting on you

You could [1] hear the hoof beats pound as they raced across the ground,
[6-] And the clatter of the wheels as they went 'round and 'round.
And he [4] galloped into Market Street, his badge upon his chest,
His name was [5] Ernie, and he drove the fastest milk cart in the [1] west.

Now [1] Ernie loved a widow, a lady known as Sue,
She lived [6-] all alone in Lily Lane at number 22.
They [4] said she was too good for him, she was haughty, proud and chic,
But [5] Ernie had his cocoa there three times every [1] week.

They called him [1] Ernie, ([6-] Ernie),
And he [4] drove the fastest [5] milk cart in the [1] west.

She [1] said she'd like to bathe in milk, he said, "All right, sweetheart,"
And [6-] when he'd finished work one night he loaded up the cart.
He [4] said, "you wanted pasteurised? 'Coz pasteurised is best,"
She says, " [5] Ernie, I'll be happy if it comes up to my [1] chest."

And that tickled old [1] Ernie, ([6-] Ernie),
And he [4] drove the fastest [5] milk cart in the [1] west. (Ah-Ooh)

Half tone key change up ignored

Now Ernie [1] had a rival, an evil-looking man,
Called T [6-] wo-Ton Ted from Teddington and he drove the baker's van.
He [4] tempted her with his treacle tarts and his tasty wholemeal bread,
And when she [5] seen the size of his hot meat pies it very near turned her [1] head.

[1] She nearly swooned at his macaroon, and he said "now if you treat me right
You'll have [6-] hot rolls every morning and crumpets every night"
He [4] knew once she'd sampled his layer cake he'd have his wicked way
And all [5] Ernie had to offer was a pint of milk a [1] day

[1] Poor Ernie ([6-] Ernie),
And he [4] drove the fastest [5] milkcart in the [1] west. (Ah Ooh)

One [1] lunch time Ted saw Ernie's horse and cart outside her door,
It [6-] drove him mad to find it was still there at half past four.
And as he [4] leapt down from his van, hot blood through his veins did course,
And he [5] went across to Ernie's cart and he didn't half kick his [1] 'orse.

Whose name was [1] Trigger, ([6-] Trigger),
And he [4] pulled the fastest [5] milk cart in the [1] west.

Now [1] Ernie rushed out into the street with his gold top in his hand,
He [6-] said, "If you wanna marry Susie you'll fight for her like a man."
"Oh, [4] why don't we play cards for her?" he sneeringly replied,
"And [5] just to make it interesting we'll have a shilling on the [1] side."

Now [1] Ernie dragged him from his van and beneath the blazing sun,
They [6-] stood there face to face, and Ted went for his bun.
But [4] Ernie was too quick, things didn't go the way Ted planned,
And a [5] strawberry-flavoured yogurt sent it spinning from his [1] hand.

Now [1] Sue, she came between them and she tried to keep them apart,
And [6-] Ernie pushed her aside, and a rock cake caught him underneath his heart.
And he [4] looked up in pained surprise, as the concrete hardened crust
Of a [5] stale pork pie caught him in the eye and Ernie bit the [1] dust.

Poor [1] Ernie, ([6-] Ernie),
And he [4] drove the fastest [5] milk cart in the [1] west.

[1] Ernie was only 52, he didn't wanna die,
Now he's [6-] gone to make deliveries in that milk round in the sky.
Where the [4] customers are angels and ferocious dogs are banned,
And a [5] milkman's life is full of fun in that fairy, dairy [1] land.

But a [1] woman's needs are manifold and Sue, she married Ted,
But [6-] strange things happened on their wedding night as they lay in their bed.
Was [4] that the trees a-rustling? or the hinges of the gate?
Or [5] Ernie's ghostly gold tops a-rattling in their [1] crate?

They won't forget [1] Ernie, ([6-] Ernie),
And he [4] drove the fastest [5] milk cart in the [1] west.

[b7] [1] [b3] [4] [b7] [4]

Every [b7] street that you meet is a Coronation Street.
There's the 'Rover's Return' where old friends love to [47] meet. [1-] [47] [1-]
There's the same old mission hall where the [b7] kids go every Sunday morn.
There's the [5-] flowers in the window [1] boxes, trim and [47] neat. [5] [b3] [4]
There's the [b7] little corner shop where you can get things on the slate.
And there's the girl at number ten who loves the boy at number [b3] eight.
There's the butcher, baker and the window [17] cleaner
And [b7] ten to one you'll find another [57] Ena,
For [17] every street's a [47] Coronation [b7] Street.

Key Change

Every [1] street that you meet is a Coronation Street.
There's the 'Rover's Return' where old friends love to [57] meet. [2-] [57] [2-]

There's the [1] little corner shop where you can get things on the slate.
And there's the girl at number ten who loves the boy at number [4] eight.
And I bet you all the paint there is in [b27] Chelsea,
You're [1] bound to find yourself another [b67] Elsie
There's the [b27] corner where the gang all meet,
It's [5] not half way but we repeat -
[b27] Every street's a [57] Coronation [1] Street.

Everybody [1-] knows that you love me, baby, everybody [6] knows that you really do
Everybody [1-] knows that you've been faithful, [6] give or take a night or two
Everybody [4-] knows you've been dis [b5]creet
But there were so many [7] people you just had to [1-] meet without your [b2] clothes
[b5] And everybody [1-] knows

Chorus:
Everybody [3] knows, everybody [7] knows that's how things [1-] goes [7]
[6] Everybody [3] knows, everybody [3] knows, everybody [7] knows
That's how it [1-] goes [7] , [6] everybody [3] knows

[1-] And everybody [1-] knows that it's now or never
Everybody [6] knows that's me or you
And everybody [1-] knows that you live forever when you've [6] done a line or two
Everybody [4-] knows the deal is [b5] rotten
Old black [7] Joe's still picking [1-] cotton for your ribbon and [b2] bows
[b5] And everybody [1-] knows

Everybody [1-] knows that the plague is coming, everybody [6] knows that it's moving fast
Everybody [1-] knows that the naked man and the woman are just a [6] shining artifact of the past
Everybody [4-] knows the scene is [b5] dead
But there's gonna [7] be a meter on your [1-] bed
That will dis [b2]close [b5] what everybody [1-] knows

And everybody [1-] knows that you're in trouble, everybody [6] knows what you've been through
From the bloody [1-] cross on top of Calvary, to the [6] beach of Malibu
Everybody [4-] knows it's coming a [b5]part

That's what they [4] say
Everything I ever [1] done
Gonna give it [5] away.
[2-] Someone hit the big score
They figured it [4] out
They were gonna do it [1] anyway
Even if doesn't [5] pay.

[2-] I can get a tip jar
Gas up the [4] car
Try to make a little [1] change
Down at the [5] bar.
[2-] Or I can get a straight job
I've done it [4] before
Never minded working [1] hard
It's who I'm working [5] for.

[2-] Everything is free now
That's what they [4] say
Everything I ever [1] done
Gotta give it [5] away.
[2-] Someone hit the big score
They figured it [4] out
They were gonna do it [1] anyway
Even if doesn't [5] pay.

[2-] Every day I wake up
Humming a [4] song
But I don't need to run [1] around
I just stay [5] home.
[2-] Sing a little love song
My love and [4] myself
If there's something that you want to [1] hear
You can sing it [5] yourself.

[2-] 'Cause everything is free now
That's what I [4] said
No one's got to listen [1] to
The words in my [5] head.
[2-] Someone hit the big score
And I figured it [4] out
That I'm gonna do it [1] anyway
Even if doesn't [5] pay.

But there [1] isn't any [17] roar when the [4] clock strikes [1] four,
Everything [57] stops for [1] tea.

[5] Oh the [1] factories may be [57] roaring,
With a [1] booma lacka, [b7] zooma lacka [57] wee.
But there [1] isn't any [17] roar when the [4] clock strikes [1] four,
Everything [57] stops for [1] tea.

Oh a [1] lawyer [57] in the [1] courtroom,
In the [1] middle of [b7] an alimony [57] plea.
Has to [1] stop and help 'em [17] pour, when the [4] clock strikes [1] four.
Everything [57] stops for [1] tea.

It's a [6-] very good [b37] English [6-] custom,
Though [6-] the weather be [b37] cold or [6-] hot.
When you [b27] need a little pickup, you'll [5] find a little teacup,
Will [b27] always hit the [5] spot.

[1] You remember [57] Cleo [1]patra
Had a [1] date to meet [b7] Mark Anthony at [57] 3.
When he [1] came an hour [17] late , she said you'll [4] have to [1] wait.
Everything [57] stops for [1] tea.

Oh they [1] may be [57] playing [1] football,
And the [1] crowd is yelling, [b7] Kill the [57] referee!
But no [1] matter what the [17] score, when the [4] clock strikes [1] four.
Everything [57] stops for [1] tea.

Oh the [1] golfer [57] may be [1] golfing,
And be [1] just about to [b7] make a hole in [57] three.
But it [1] always gets them [17] sore when the [4] clock yells [1] four.
Everything [57] stops for [1] tea.

It's a [6-] very good [b37] English [6-] custom,
And a [6-] stimulant [b37] for the [6-] brain.
When you [b27] feel a little weary, a [5] cup will make you cheery
And it's [b27] cheaper than [5] champagne.

Now I [1] know just [57] why Franz [1] Schubert
Didn't [1] finish his un [b7]finished [57] symphony.
He [1] might have written [17] more, but the [4] clock struck [1] four.
And everything [57] stops for [1] tea!

[1-] Risin' up, [6] back on the street
[7] Did my time, took my [1-] chances
[1-] Went the distance, now I'm [6] back on my feet
Just a [7] man and his will to sur[1-]vive.

[1-] So many times, it [6] happens too fast
[7] You trade your passion for [1-] glory.
[1-] Don't lose your grip on the [6] dreams of the past,
You must [7] fight just to keep them [1-] alive.

It's the [4-] eye of the tiger, it's the [3] thrill of the [7] fight,
Risin' [4-] up to the challenge of our [3]rival, [7]
And the [4-] last known survivor stalks his [3] prey in the [7] night,
And he's [4-] watching us [3] all with the [6] eye of the [1-] tiger.

[1] Well there's a [4add9] great amount of [1] strain
About [4add9] getting on that [1] train
Every [4add9] day and every [1] night
The [4add9] only thing that [1] makes it good
Is [4add9] seeing my favourite [1] sight
[4add9] Prance and flutter
[1] stride down that [4add9] green [1] escalator, [b7maj7] yeah [4]

When I'm [4add9] getting off my [1] train
And my [4add9] love is on my [1] brain every [4add9] day and every [1] night
The [4add9] only thing that [1] makes it right is [4add9] seeing my favorite [1] sight
[4add9] Crying in the [1] night
with the [4add9] summer in her [1] eyes to-[b7maj7]ni..[4]..[16]ght

[5] I tried to [1] shame myself, [5] be a happier [1] guy, [b7maj7] Nig-[4]ht [1] and [16] day [4]

[1] I can [4add9] see it in your [1] eyes, now the [4add9] summer never [1] smiles
On a [4add9] happy honey [1] day [4add9] [1]
[4add9] Am I [1] being in the way when I'm [4add9] so in love with [1] you?
[4add9] I can't sit [1] down and I [4add9] cry in pain,

As the [1] cafe was [4] closing
On a warm summer [5] night
And [4] Cathy was [5] cleaning the [1] spoons
The [4] radio played the [1] hit parade
And [b2] I hummed a long with the [5] tune
She [4] asked me to change the [1] station
Said the [4] song just drove her [5] insane
But it [1] weren't just the music [4] playing
It was [5] me that she was trying to [1] blame.

And the [4] sky is black and [1] still now
On the [4] hill where the angels [5] sing
Aint it [4] funny how an old broken [1] bottle
Looks just like a [5] diamond [1] ring
But its [4] far, [5] far from [1] me

Well I [1] leaned on my [4] left leg
In the parking lot [5] dirt
And [4] Cathy was [5] closing the [1] lights
A [4] June bug flew from the [1] warmth he once knew
And I [b2] wished for once I weren't [5] right
Why we [4] used to laugh to-[1]gether
And we'd [4] dance to any old [5] song.
Well ya [1] know she still laughs [4] with me
But she [5] waits just a second to [1] long.

And the [4] sky is black and [1] still now
On the [4] hill where the angels [5] sing
Ain't it [4] funny how an old broken [1] bottle
Looks just like a [5] diamond [1] ring
But its [4] far, [5] far from [1] me

Well I [1] started the [4] engine
And I gave it some [5] gas
And [4] Cathy was [5] closing her [1] purse
Well we [4] hadn't gone far in my [1] beat old car
And [b2] I was prepared for the [5] worst.
[4] Will you still see me to-[1]morrow?
[4] No I got too much to [5] do.
Well a [1] question ain't really a [4] question
If you [5] know the answer [1] too.

And the [4] sky is black and [1] still now
On the [4] hill where the angels [5] sing
Aint it [4] funny how an old broken [1] bottle
Looks just like a [5] diamond [1] ring
But its [4] far, [5] far from [1] me

Fare-[1]well Angelina, the [4] bells of the [1] crown
Are being [4] stolen by [1] bandits, I must [4] follow the [1] sound
[1] The triangle tingles and the [4] trumpets play [5] slow
Fare-[6-]well Ange-[3-]lina, the [6-] sky is on [3-] fire
[4] and I must [1] go.

There's [1] no need for anger, there's [4] no need for [1] blame
There's [4] nothing to [1] prove, ev'ry-[4]thing's still the [1] same
[1] Just a table standing empty by the [4] edge of the [5] sea means
Fare-[6-]well Ange-[3-]lina, the [6-] sky is [3-] trembling
[4] and I must [1] leave.

The [1] jack and the queen have for-[4]sake the court-[1]yard,
[4] Fifty-two [1] gypsies now [4] file past the [1] guards
[1] In the space where the deuce and the [4] ace once ran [5] wild
Fare-[6-]well Ange-[3-]lina the [6-] sky is [3-] falling,
I'll [4] see you in a [1] while.

See the [1] cross-eyed pirates sitting [4] perched in the [1] sun
Shooting tin cans with a [4] sawed-off [1] shotgun
[1] And the neighbors they clap and they [4] cheer with each [5] blast
Fare-[6-]well Ange-[3-]lina, the [6-] sky's changing [3-] colour
and [4] I must leave [1] fast.

[1] King Kong, little elves on the [4] rooftop they [1] dance
Valentino-type tangos while the [4] make-up man's [1] hands
[1] shut the eyes of the dead not to em-[4]barrass any-[5]one but
Fare-[6-]well Ange-[3-]lina, the [6-] sky is em-[3-]barrassed
and [4] I must be [1] gone.

The [1] machine guns are roaring and the [4] puppets heave [1] rocks
And fiends nail time bombs to the [4] hands of the [1] clocks
[1] Call me any name you like - I will [4] never de-[5]ny it, but
Fare-[6-]well Ange-[3-]lina, the [6-] sky is e-[3-]rupting
I must [4] go where it's [1] quiet.

[4maj7] [1] [6-] [5] x4

[4maj7] You got a fast [1] car.
[6-] I want a ticket to [5] anywhere.
[4maj7] Maybe we make a [1] deal,
[6-] Maybe together we can [5] get somewhere.
[4maj7] Any place is [1] better.
[6-] Starting from zero, got [5] nothing to lose.
[4maj7] Maybe we'll make [1] something,
[6-] Me myself, I got [5] nothing to prove.

[4maj7] [1] [6-] [5] x2

[4maj7] You got a fast [1] car.
[6-] I got a plan to [5] get us out of here:
[4maj7] I been working at the [1] convenience store,
[6-] Managed to save just a [5] little bit of money.
[4maj7] Won't have to drive too [1] far
[6-] Just 'cross the border and [5] into the city,
[4maj7] You and I can [1] both get jobs
And [6-] finally see what it [5] means to be living.

[4maj7] [1] [6-] [5] x2

You see, [4maj7] my old man's got a [1] problem:
He [6-] live with the bottle, that's the [5] way it is.
He [4maj7] says his body's too old for [1] working,
His [6-] body's too young to [5] look like his.
My [4maj7] mama went off and [1] left him,
she [6-] wanted more from life than [5] he could give,
I said, "[4maj7] Somebody's got to take [1] care of him."
So [6-] I quit school and that's [5] what I did.

[4maj7] [1] [6-] [5] x2

[4maj7] You got a fast [1] car.
But is it [6-] fast enough so we can [5] fly away?
[4maj7] We gotta make a de-[1]cision:
[6-] Leave tonight or live and [5] die this way.

[4maj7] [1] [6-] [5] x2

So I remember when: we were [4] driving, driving [1] in your car,
The [4] speed so fast I felt like [1] I was drunk,
[6-] City lights lay [4] out before us
And your [6-] arm felt nice wrapped [5] 'round my shoulder.
And [4] I [6-] had a [5] feeling that I belonged
And [4] I [6-] had a [5] feeling I could
[6-] be someone, [4] be someone, [6-] be someone.

[4maj7] [1] [6-] [5] x2

[4maj7] You got a fast [1] car.
And [6-] we go cruising to enter-[5]tain ourselves;
[4maj7] you still ain't got a [1] job
And I [6-] work in a market as a [5] checkout girl.
[4maj7] I know things will get [1] better:
[6-] You'll find work and [5] I'll get promoted,
[4maj7] We'll move out of the [1] shelter
[6-] Buy a bigger house and [5] live in the suburbs.

[4maj7] [1] [6-] [5] x2

So I remember when: we were [4] driving, driving [1] in your car,
The [4] speed so fast I felt like [1] I was drunk,
[6-] City lights lay [4] out before us
And your [6-] arm felt nice wrapped [5] 'round my shoulder.
And [4] I [6-] had a [5] feeling that I belonged
And [4] I [6-] had a [5] feeling I could
[6-] be someone, [4] be someone, [6-] be someone.

[4maj7] [1] [6-] [5] x2

[4maj7] You got a fast [1] car.
And [6-] I got a job that [5] pays all our bills.
[4maj7] You stay out drinking [1] late at the bar,
You see [6-] more your friends than you [5] do your kids.
[4maj7] I'd always hoped for [1] better,
[6-] Thought maybe together [5] you and me would find it,
[4maj7] I got no plans I ain't [1] going nowhere,
so [6-] take your fast car and [5] keep on driving.

[4maj7] [1] [6-] [5] x2

So I remember when: we were [4] driving, driving [1] in your car,
The [4] speed so fast I felt like [1] I was drunk,
[6-] City lights lay [4] out before us
And your [6-] arm felt nice wrapped [5] 'round my shoulder.

Fat bottomed [1] girls, you make the [5] rockin' world go [1] round
Hey listen here

[1] Now your mortgages and homes, I got stiffness in the bones
Ain't no beauty queens in this [5] locality (I tell you)
Oh but I [1] still get my pleasure
Still [4] got my greatest treasure
Heap big [1] woman you made a [5] big man out of [1] me
Now get this

[1] Oh won't you [b7] take me home to-[4]night?

[1-] I went to the country to es-[b57]cape the noise and lights
And I [6] lay there in the [b57] pine cones all [1-] night [7] [1-] [7] [1-]
[1-] I woke in the morning and [b57] all the trees were gone
[67] I got this sinking [b57] feeling [1-] everything felt wrong
[4-] There were strip malls and dollar stores and [b57] diesel in the air

[1-] So I slept in a rowboat and I [b57] anchored far from shore
Now [6] I don't hear them [b57] chainsaws no [1-] more [7] [1-] [7] [1-]
[1-] I woke in the morning when [b57] someone pulled the plug
I was [6] stranded in the [b57] lake-bottom [1-] sludge
[4-] With all the tires, [b57] paint cans, and things

> CHORUS
>
> Well [1-] every little [6] critter in [3] feather fur and [6] fin
> [3] Cried to mother [6] nature to come back for them
> For [1-] every piece of [6] litter, for [7] every little [1-] sin
> She cried for [4-] all of them, [7] feather [1-] fur and fin
> She cried for [4-] all of them, [7] feather [1-] fur and fin

[1-] So I went to an island down the [b57] Caribbean way
And I [6] laid there in the [b57] sand all [1-] day [7] [1-] [7]
[1-] I turned on a radio and I [b57] heard the DJ say,
"Well [67] batten down the [b57] hatches down [1-] Santa Elena way."
[4-] I swam the ocean reef, but the [b57] coral all was grey

CHORUS

Well [1-] every little [6] critter in [3] feather fur and [6] fin
[3] Cried to mother [6] nature to come back for them
For [1-] every piece of [6] litter, for [7] every little [1-] sin
She cried for [4-] all of them, [7] feather [1-] fur and fin
She cried for [4-] all of them, [7] feather [1-] fur and fin

[4-] She saw the eagle's eye, [7] weeping in the willow
[1-] She prayed to the mantis, and she [4-] cried into her pillow
[7] For the salmon in the Fraser, and the [4-] salamander's kin
[1-] She cried for [4-] all of them, [7] yeah feather [1-] fur and fin
[1-] She cried for [4-] all of them, [7] feather [1-] fur and fin [7] [1-] [7] [1-]

sax solo deleted

[1-] Well I went to the city when [b57] all the trees were gone
And I [6] laid there on an [b1] asphalt [1-] lawn [7] [1-] [7]
[1-] And she cried out a thousand days of [b57] hurricanes and floods
Her [67] face ran with [b57] tears, and the [1-] streets ran with blood
[4-] Fur coats and sushi boats and [b57] diesel in the air

CHORUS

Well [1-] every little [6] critter in [3] feather fur and [6] fin
[3] Cried to mother [6] nature to come back for them
For [1-] every piece of [6] litter, for [7] every little [1-] sin
She cried for [4-] all of them, [7] feather [1-] fur and fin
She cried for [4-] all of them, [7] feather [1-] fur and fin

[1] Can you hear the drums Fernando?
I remember long ago another starry night like [6-] this,
In the firelight [2-] Fernando,
You were humming to yourself and softly strumming your [57] guitar.
I could hear the distant drums, and sounds of bugle calls were coming from a-[1]far.

[1] They were closer now Fernando,
Every hour every minute seemed to last eterna-[6-]lly.
I was so afraid [2-] Fernando.
We were young and full of life and none of us prepared to [57] die.
And I'm not ashamed to say, the roar of guns and cannons almost made me [1] cry.

There was something in the [57] air that night,
The stars were bright, Fer-[1]nando.
They were shining there [57] for you and me, for [57] liberty, Fer-[1]nando.
Though I [17] never thought that we could [b6] lose,
There's no re-[b27]gret.
If I had to do the [57] same again, I [57] would, my friend, Fer-[1]nando.
If I had to do the [57] same again, I [57] would, my friend, Fer-[4]nando.

[1] Now we're old and grey Fernando.
And since many years I haven't seen a rifle in your [6-] hand.
Can you hear the drums [2-] Fernando?
Do you still recall the fateful night we crossed the Rio [57] Grande?
I can see it in your eyes, how proud you were to fight for freedom in this [1] land.

There was something in the [57] air that night,
The stars were bright, Fer-[1]nando.
They were shining there [57] for you and me,
For [57] liberty, Fer-[1]nando.
Though I [17] never thought that we could [b6] lose,
There's no re-[b27]gret.
If I had to do the [57] same again, I [57] would, my friend, Fer-[1]nando

They were shining there [57] for you and me,

fading and slowing

If I had to do the [57] same again, I would, my friend, Fer-[1]nando.

Fiddler's Folly

[1] [1] [57] [57] [1] [1] [57] [1] [1].
Oh, when [1] I was a little lad of two or three
I [57] learned to play the fiddle on my old dad's knee
And the [1] first little diddle that he hung on me
Was a [57] tune called Fiddler's [1] Folly [1]

I [1] played it on the fiddle every time that I could
Till the [57] old man said "now, he's getting' pretty good"
Then it [1] didn't take long 'til the whole neighbourhood
Was [57] dancin' to the Fiddler's [1] Folly. [1]

My [1] school days came and I fiddled them away
Cause I [57] didn't want to work, all I did was play
And my [1] chest puffed up a little more each day
By the [57] Devil and the "Fiddler's [1] Folly" [1]

[1] [1] [57] [57] [1] [1] [57] [1] [1].
Now when my [1] head got bigger than my little home town
I [57] thought my fortune could be found
[1] Playin' in a big band, tourin' all around
With a [57] heart full of "Fiddler's [1] Folly" [1]

My [1] girl in the country, I left her blue
Got [57] another in the city and I left her too
And the [1] only kind of love this fiddler knew
Was a [57] love called "Fiddler's [1] Folly" [1]

I [1] played my fiddle till I fiddled everywhere
And I [57] tried to get a break but there wasn't any there
And I [1] found myself in a deep despair
A [57] victim of "Fiddler's [1] Folly" [1]

[1] [1] [57] [57] [1] [1] [57] [1] [1].
Now I [1] took my fiddle and I took my bow
And I [57] went back home and I put on a show
But I [1] lost my shirt when they all said 'No'
Get [57] away with your "Fiddler's [1] Folly" [1]

And [1] now there's a fiddler not so grand
He's [57] livin' all alone like a broken man
A [1] worn out fiddle in the Devil's hand
[57] Fooled by the "Fiddler's [1] Folly" [1]
So come [1] all you fiddlers, old and young
When you [57] let your fiddle get a little high strung
[1] Remember the little fiddle-diddle I've sung
And the [57] tune called "Fiddler's [1] Folly" [1]

As I [1] walked by the [4] dockside one [1] evening so [6-] fair,
to [1] view the salt [4] waters and [1] take the salt [5] air,
I [4] heard an old fisherman [1] singing a song,
'Oh take me a-[5] way boys, me [1] time is not [5] long'.

Wrap me [1] up in me [5] oilskins and [1] jumpers,
no [4] more on the [1] docks I'll be [5] seen.
Just [4] tell me old shipmates, I'm [1] taking a trip, mates,
and [5] I'll see you some day on [57] Fiddler's [1] Green.

Now [1] Fiddler's [4] Green is a [1] place I've heard [6-] tell,
where the [1] fishermen [4] go if they [1] don't go to [5] hell.
Where the [4] skies are all clear and the [1] dolphins do play,
and the cold coast of [5] Greenland is [1] far, far a-[5] way.

Wrap me [1] up in me [5] oilskins and [1] jumpers,
no [4] more on the [1] docks I'll be [5] seen.
Just [4] tell me old shipmates, I'm [1] taking a trip, mates,
and [5] I'll see you some day on [57] Fiddler's [1] Green.

Where the [1] skies are all [4] clear and there's [1] never a [6-] gale,
and the [1] fish jump on [4] board with one [1] swish of their [5] tail.
Where you [4] lie at your leisure, there's [1] no work to do,
and the skipper's be-[5] low making [1] tea for the [5] crew.

Wrap me [1] up in me [5] oilskins and [1] jumpers,
no [4] more on the [1] docks I'll be [5] seen.
Just [4] tell me old shipmates, I'm [1] taking a trip, mates,
and [5] I'll see you some day on [57] Fiddler's [1] Green.

When you [1] get back on [4] docks and the [1] long trip is [6-] through,
there's [1] pubs and there's [4] clubs and there's [1] lassies there, [5] too.
Where the [4] girls are all pretty and the [1] beer it is free,
and there's bottles of [5] rum growing [1] from every [5] tree.

Wrap me [1] up in me [5] oilskins and [1] jumpers,
no [4] more on the [1] docks I'll be [5] seen.
Just [4] tell me old shipmates, I'm [1] taking a trip, mates,
and [5] I'll see you some day on [57] Fiddler's [1] Green.

Now I [1] don't want a [4] harp nor a [1] halo, not [6-] me,
just [1] give me a [4] breeze on a [1] good rolling [5] sea.
I'll [4] play me old squeezebox as [1] we sail along,
with the wind in the [5] rigging to [1] sing me a [5] song.

Wrap me [1] up in me [5] oilskins and [1] jumpers,
no [4] more on the [1] docks I'll be [5] seen.
Just [4] tell me old shipmates, I'm [1] taking a trip, mates,

Introduction

[1] Way up high on Mount Read, a pine tree [4] stands,
[1] North West Tasmania, on Tommeginne [4] land.
It's the [1] oldest tree in our country, 2000 rings it shows.
It [4] sprouted at the time of Christ all those years ago.
[1] Nearby mines have come and gone, miracle it survived,
[4] Short-term greed all around (Stop)
Scars the mountain [1] sides.
The mountain [4] sides,
Yeah, scars the mountain [1] sides,
The mountain [4] sides.

[1] Way up high near Toolangi town, the Kalatha Giant [4] stands,
[1] 400 years it's been growing on Woiworung [4] land.
[1] Central Highlands mountain ash, precious as it comes,
[4] Cleansing air and water, alchemists of the sun,
But [1] as I sing these giant trees, Hercules of nature, are [4] being pulped into, (Stop)
Photocopy [1] paper,
Photocopy [4] paper
Into Photocopy [1] paper.

How [5] is that we let this happen, [4] it's a travesty,
[5] Out of sight out mind, we [4] cannot not let that be,
The [5] simple truth is that we can't [4] live, (Stop)

> CHORUS
>
> Without the [1] trees
> We can't live without the [4] trees
> We can't live without the [1] trees,
> We need the [4] trees, sing with me
> [5] Oooh, [4] we need the trees
> [5] Oooooh, [4] we need trees,
> [5] Ooooh, [4] (Stop)

[1] Way up high in on Capitol Hill [1], a big house [4] stands, [4]
With [1] red and Green chambers [1], on Ngunnawal [4] land, [4]
Our [1] so-called leaders riding high, in their big charade,
They let [4] power plays and politics always win the day,
They can [1] dodge and weave and doublespeak as much as they please,
But [4] when will they face the fact [4] (stop):
We can't live

> CHORUS

> Gotta fight for the [1] trees.

Walk among the [4] trees,
Miracles of [1] green.
Walk among the [4] trees,
Our future's in their [1] leaves,
Walk among the [4] trees,
Feel their presence, feel their [1] peace,
Walk among the [4] trees, One last time
[5] Oooh, [4] we need the trees
[5] Oooooh, [4] we need trees,
[5] Ooooh, [4] (Stop)
Gotta fight for the [1] trees.

[1] I walked out this [5-] morning and I [4] wrote down this [1] song [1sus2] [1]
I just can't re-[5]member who to [b7maj7] send it to.

[4] I've seen [b2-7] fire and [5] I've seen [1] rain. [1sus2] [1] - I've seen

But I [b7] always [4] thought that I'd [5-] see you, a-[1]gain.

[b7]//// [5-]//// [1]////-////

Won't you [1] look down upon me [5-] Jesus ?
You've got [4] help me make a [1] stand. [1sus2] [1]
[1] You've just got to [5] see me through a-[b7maj7]nother day.
[1] My body's [5-] aching and my [4] time is at [1] hand, [1sus2] [1]
[1] And I won't [5] make it any [b7maj7] other way.

The [1] first No-[5]el the [4] angels did [1] say
Was to [4] certain poor [5] shepherds in [4] fields as they [1] lay.
In [1] fields where they [5] lay [4] keeping their [1] sheep
On a [4] cold winter's [5] night that was [4] so [1] deep.
No-[1]el No-[5]el No-[4]el No-[1]el
[4] Born is the [5] King of [4] Isra-[1]el.

They [1] looked [5] up and [4] saw a [1] star
Shining [4] in the [5] east bey-[4]ond them [1] far
And [1] to the [5] earth it [4] gave great [1] light
And [4] so it con-[5]tinued both [4] day and [1] night.
No-[1]el No-[5]el No-[4]el No-[1]el
[4] Born is the [5] King of [4] Isra-[1]el.

And [1] by the [5] light of [4] that same [1] star
Three [4] wise men [5] came from [4] countries [1] far;
To [1] seek for a [5] King was [4] their in-[1]tent,
And to [4] follow the [5] star wher-[4]ever it [1] went.
No-[1]el No-[5]el No-[4]el No-[1]el
[4] Born is the [5] King of [4] Isra-[1]el.

This [1] star [5] drew nigh [4] to the north [1] west
O'er [4] Bethle-[5]hem it [4] took it's [1] rest,
And [1] there it [5] did both [4] pause and [1] stay,
Right [4] over the [5] place where [4] Jesus [1] lay.
No-[1]el No-[5]el No-[4]el No-[1]el
[4] Born is the [5] King of [4] Isra-[1]el.

Then [1] entered [5] in those [4] wise men [1] three,
Fell [4] reverently [5] upon their [4] knee [1]
And [1] offered [5] there in His [4] pre-[1]sence
Their [4] gold and [5] myrrh and [4] frankin-[1]cense.
No-[1]el No-[5]el No-[4]el No-[1]el
[4] Born is the [5] King of [4] Isra-[1]el.

Then [1] let us [5] all with [4] one a-[1]ccord
Sing [4] praises [5] to our [4] heavenly [1] Lord,
That [1] hath [5] made heaven and [4] earth of [1] nought,
And [4] with his [5] blood [4] mankind has [1] bought.

No-[1]el No-[5]el No-[4]el No-[1]el
[4] Born is the [5] King of [4] Isra-[1]el.

That [2-] first [1] time, [2-] [1] you're [2-] far from [1] home, [2-] [1]
[2-] Finally [1] out there [2-] on your [1] own
And it's [4] your [1] time [4] [1] for [4] making it [1] happen [4] [1]
It's [4] your [1] time, and [4] it's gonna [5] happen your [1] way

It's [4] your [1] time [4] [1] so [4] live in the [1] moment [4] [1]
It's [4] your [1] time, you [4] don't want to [5] throw it a[1]way!
Still [5] remember the first word you [1] wrote

You're [2-] un-re[1]hearsed, and [2-] unpre[1]pared for that
[2-] First [1] time, [2-] [1] the [1] free and un[1]bound [2-] [1]

You're [5] out for the first [1] time, but [5] you're not really out there a[1]lone
Keep [5] doing it, the words gonna [1] spread
[4] Keep out of your [1] bed, get [4] out on your [5] own.
Keep [1] trying, [4] [1] be fine [4] first [1] time! [4] [1]

[4] This [1] time, [4] [1] the [4] whole world is [1] watching [4] [1]
[4] This [1] time, you [1] better put your [5] heart on the [1] game!
You're [5] rocking for the very first [1] time, you [5] only want the feeling to [1] last,
And [5] every single day that you're going [1] out

[1] Lazy yellow moon comin' up tonight, shinin' through the trees
[4] Crickets are singin' and lightning bugs are floatin' on the breeze,
Baby get [1] ready
[1] Across the field where the creek turns back by the old stump road
[4] I'm gonna take you to a special place that nobody knows
Baby get [1] ready, [5] oooh oohooh

[1] You and me going fishin' in the dark
[1] Lying on our backs and counting the stars
Where the [4] cool grass grows

[1] Down by the river in the full moonlight
[1] We'll be fallin' in love in the middle of the night
Just [4] movin' slow
[2-] Stayin' the whole night [5] through
[2-] Feels so good to [5] be with [1] you

[1] Spring is almost over and the summer's comin', the days are gettin' long
[4] Waited all winter for the time to be right, just to take you along
Baby get [1] ready
[1] And it don't matter if we sit forever and the fish don't bite
[4] We'll jump in the river and cool ourselves from the heat of the night
Baby get [1] ready, [5] ooh oohooh

[1] You and me going fishin' in the dark
[1] Lying on our backs and counting the stars
Where the [4] cool grass grows

Well I [1] went down the hill about twelve o'clock
I [4] ran right back and got me a pole
[1] I'm going down to the fishin' hole
And [57] you can come fishin' all the time

[1] Have you been a-fishin' all the time, [4] I'm a-goin' fishin' [1] too
Well you can [1] bet your life your lovin' wife
Will [b27] catch more fish than [57] you
[1] Any fish'll bite if you [17] got good bait
[4] Here's a little something I would [47] like to relate
So [1] come on baby, [b27] come on gal
[1] I'm a-goin' fishin', [b27] yes I'm goin' [1] fishin'
And [b27] you can come a-[57]fishin' [1] too

Well I [1] went down the hill about one o'clock
[4] Spied them catfish swimmin' around
[1] I'm a-goin' down to the fishin' hole
[57] Live in the country instead of the town

[1] Have you been a-fishin' all the time, [4] I'm a-goin' fishin' [1] too
Well you can [1] bet your life your lovin' wife

Just cast an [49] eye in her dir[1]ection
Oh me, oh [49] my! Ain't that per[1]fection? [2-] [57]
[1] I [5dim] re[2-]peat [57], don't you [1] think she's [5dim] kind of [2-] neat [57]?
And I [1] ask you [b37] very [b67] confidentially,
[b27] ain't [57] she [1] sweet?

[1] Five foot two, [b37] eyes of blue, but [b67] oh, what those five foot could do!
Has [b27] anybody [57] seen my [1] gal? [57]
[1] Turned up nose, [b37] turned down hose, [b67] flapper, yes sir, one of those
Has [b27] anybody [57] seen my [1] gal?
Now if you [b37] run into a five foot two, [b67] covered in fur
[b27] Diamond rings and all those things, [57] (Stop) betcha life it isn't her
But [1] could she love, [b37] could she woo, [b67] could she, could she, could she coo!
Has [b27] anybody [57] seen my ,
[b27] Anybody [57] seen my

[1] [6-] [4] [1] [6-] [4]
I've got [1] five [5] minutes to [6-] sneak a cigarette, [1]
[4] Five minutes to my-[5]self,
[1] Back behind the screen door of [6-] Andy's Luncheon-[1]ette,
And I [4] ain't got time to [5] worry 'bout my [1] health [1sus4] [1]

[1] My boss, [5] Andy, says I [6-] smoke myself to [1] death,
[4] Andy, he reminds me some of [5] you,
[1] Back when you were [5] Romeo, and [6-] I was Juli-[1]et,
West [4] Texas Capu-[5]let and Monta-[1]gue [1sus4] [1]

[6-] Now I don't think too much a-[4]bout you anymore,
[1] We weren't much more than [5] kids,
It was [6-] nearly twenty years ago I [4] shut and locked that door,
Now I've got [1] five [6-] [1] [4]
[4] Not much [5] time to remi-[1]nice [6-] [1] [4] [6-] [1] [4]

Most [1] nights I come home from work, and I [6-] pour a glass of [1] wine,
Some-[4]times it's three, or four, before I [5] stop,
[1] And Jessie makes a [5] sandwich, if I [6-] sleep through supper-[1]time,
And she [4] leaves me on the [5] couch to sleep it [1] off [1sus4] [1]

[1] Now, Jessie just turned [5] seventeen,
And she's [6-] wild as she can [5] be,
[4] And there ain't nothing I can [5] do,
Last [1] weekend she ran off to meet a [6-] boy in Tennes-[1]see,
[4] Just like I [5] used to run to [1] you [1sus4] [1]

[6-] I gave her hell, when she came [4] home this afternoon,
Mas-[1] cara running down her [5] face,
Seems like [6-] history repeats it-[4]self, and it ain't up to you,
And in [1] five [6-] minutes [1] [4]
[5] your whole life can [1] change [6-] [1] [4] [1] [6-] [5] [4]

[1] Now, Andy, he's good to me, and I can [6-] see it in his eyes, [1]
[4] He'd love to take your [5] place,
[1] But something deep inside me [6-] just withers up and [1] dies,
To make [4] love to him, and [5] only see your [1] face [1sus4] [1]

[6-] Somehow I've let my-self go [4] gently down the stream,
[1] A fine example I have [5] set,
Between the [6-] working and the living,
And the [4] ghosts that haunt my dreams,
I've got [1] five [6-]

[4] And I'm gonna [5] smoke this cigar-[1]ette [6-] [5] [4] [1] [6-] [5] [4]

Oh, well, in [5] five years [1] time
we could be [b2] walking round a [1] zoo
With the [5] sun shining [1] down over [b2] me and [1] you
And there'll be [5] love in the [1] bodies of the [b2] elephants [1] too
I'll put my [5] hands over [1] your eyes, but [b2] you'll peep [1] through

And there'll be [5] sun, sun, [1] sun [b2] all over our [1] bodies.
And [5] sun, sun, [1] sun, [b2] all down our [1] necks
And there'll be [5] sun, sun, [1] sun, [b2] all over our [1] faces
And [5] sun, sun, [1] sun, [b2] so, what the [1] heck

Cause I'll be [5] laughing at [1] all your [b2] silly little [1] jokes
And we'll [5] be laughing about [1] how we [b2] use to [1] smoke
All those [5] stupid little [1] cigarettes and [b2] drink stupid [1] wine
Cause it's [5] what we [1] needed to [b2] have a good [1] time

But it was [5] fun, fun, [1] fun, [b2] when we were [1] drinking.
It was [5] fun, fun, [1] fun, [b2] when we were [1] drunk
And it was [5] fun, fun, [1] fun, [b2] when we were [1] laughing
It was [5] fun, fun, [1] fun, [b2] Oh, it was [1] fun.

[5] [1] [b2] [1] [5] [1] [b2] [1]
Oh, well, I [5] look at you and [1] say it's the happiest that [b2] I've ever [1] been
And I'll say [5] I no longer [1] feel I have to [b2] be James [1] Dean
And she'll say [5] "Yeah, well I [1] feel all [b2] pretty happy [1] too,
And I'm [5] always pretty [1] happy
when I'm just [b2] kicking back with [1] you"

And it'll be [5] love, love, [1] love, [b2] all through our [1] bodies.
And [5] love, love, [1] love, [b2] all through our [1] minds
And it be [5] love, love, [1] love, [b2] all over her [1] face
And [5] love, love, [1] love, [b2] all over [1] mine.

Although [5] maybe all these [1] moments are [b2] just in my [1] head
I'll be [5] thinking 'bout [1] them as I'm [b2] lying in [1] bed
And [5] all that we be-[1]lieve they might not [b2] even come [1] true
But in my [5] mind I'm [1] having a pretty good [b2] time with [1] you

In [5] five years [1] time, [b2] I might not [1] know you
In [5] five years [1] time, [b2] we might not [1] speak at all
In [5] five years [1] time, [b2] we might not [1] get along
In [5] five years [1] time, [b2] you might just [1] prove me [5] wrong

[5] [1] [b2] [1] [5] [1] [b2] [1]
Oh, there'll be [5] love, love, [1] love, [b2] wherever [1] you go x4
Oh, there'll be [5] love, love, [1] love, [b2] wherever [1] you go x4

[4] Kids out driving Saturday after-[1]noon just pass me by
[4] I'm just savouring fa-[1]miliar sights
[4] We shared some history, this [1] town and I
[4] And I can't [5] stop that long for-[3-]gotten feeling of [4] her
[4] It's time to book a [5] room to stay to-[1] night

[4] Number one is to find some friends to say "[1] You're doing well
[4] After all this time you boys look [1] just the same"
[4] Number two is the happy hour at [1] one of two hotels
[4] Settle in to [5] play "Do you re-[1]member so and [4] so?"
[4] Number three is [5] never say her [1] name

Oh the [4] flame trees will [5] blind the weary [2-] driver
And there's [4] no way to [5] set fire to this [1] town
There's no [4] change, there's no [5] pace,
every-[6-]thing within its [1] place
Just makes it [4] harder to be-[5]lieve she won't [1] be around

[4] Oh! Who needs that sentimental bull-[1]shit, anyway
[4] Takes more than just a memory to [1] make me cry
And I'm [4] happy just to sit here round a table with old [1] friends
[4] And see which one of us can tell the biggest [1] lies

And there's a [4] girl, she's falling in love near where the pianola [1] stands
With a young [4] local factory out-of-worker,
Ah! they're just hol-[1]ding hands
And I'm [4] wondering if he'll [3-] go or if he'll [5] stay
[b6] Do you re-[b3]member, nothing [b6] stopped us on the [b3] field in our [b7] day [1]

[1] Oh the [4] flame trees will [5] blind the weary [2-] driver
[4] And there's [5] nothing else could set fire to this [1] town
There's no [4] change, there's no [5] pace,
every-[6-]thing within its [1] place
Just makes it [4] harder to be-[5]lieve she won't [1] be around

Oh the [4] flame trees will [5] blind the weary [2-] driver
[4] And there's [5] nothing else could set fire to this [1] town

And then a [1] vision, flashed 'fore my [5] eye-eye-[3-]eyes,

That [5] flamin' ukulele in the sky, lord, [57] lord.

I was a [5] lawyer, had all the [57] luck,

But now it's [1] my turn, to testi-[5]fy-y-[3-]y,
'bout a [5] flaming' uku-[b2] le-le in the [5] sky

[1] I keep hearing you're concerned a- [6-]bout my happiness.
But [b2] all that thought you're giving me is [5] conscience, I guess.
If [1] I were walking in your shoes, I [6-] wouldn't worry none.
While [b2] you and your friends are worrying about me, I'm

Counting [6-] flowers on the wall,

[1-] [1-]
The [1-] sky was grey and cloudy and the wind was from the west
When we spied a battered frigate with her tattered sail full dressed
They [4-] signaled they had letters home they asked if we could take
They [1-] dropped 'em in a barrel they left bobbing in their wake

We [1-] reefed the sails and slowed the ship to fish the barrel out
The old ship sailed to the distance and we saw her come about
The [4-] captain watched through a spyglass and we heard him catch his breath
And we [1-] saw the storm a-brewing had become a wall of death

[1-] [1-]
[b5] Turn this ship around me boys, [b4] turn around and run
This [b5] storm it wants a battle and it's [b4] sure that we're outgunned
What [1-] of the ship that's [3] out there do we [b4] leave her to the [b5] gale?
[NC] She's called the Flying Dutchman and it's wraiths that fills her sails.

[1-] [1-] [1-] [1-]
The [1-] thunder growled like demons and the lightening stabbed the waves
And the Dutchman she lept towards us riding fury from the graves
Our [4-] captain he stayed at the wheel, the crew the manned the lines,
And [1-] still that ship and storm were quickly closing in behind.

Our [1-] ship we crest a giant wave and crash to the trough below
The crew held on to what they could, they were damned if they let go.
The [4-] rain and sea and storm winds crashed against our ship with wrath
And [1-] from the deck of that cursed ship, we could hear them laugh

[b5] Turn this ship around me boys, [b4] turn around and run
This [b5] storm it wants a battle and it's [b4] sure that we're outgunned
That [1-] ghostly ship is [3] hunting us, it's [b4] bringing on the [b5] gale,

That [1-] was when we sighted land, it became a race wih time
We believed it Santa Marta, the Dutchman closing in behind
[4-] "Risk it all" the captain cried "it's the only chance we've got,
Sal-[1-]vation if we make it and our souls if we get caught."

The [1-] storm was all around us and the Dutchman cut our winds,
The beast nearly capsized us, and we watched our strong mast bend
We were [4-] almost to the harbour, we could see the natural break,
And [1-] each man willed her forward, for they knew what was at stake

[b5] Turn this ship around me boys, [b4] turn around and run
[b5] This storm it wants a battle and it's [b4] sure that we're outgunned
That [1-] ghostly ship is [3] hunting us, it's [b4] bringing on the [b5] gale,
[NC] She's called the Flying Dutchman and it's wraiths that fills her sails

[1-] [1-]
[1-] Once we charged into that harbour, the Dutchman heaved away
And we heard their bitter screams, for the Devil lost his prey.
Once [4-] we made it safely to the leeward of the bay,
We [1-] cracked that barrel open to see what those letters say.

[1-] [1-]
[1-] There must've been a hundred and that's when we realized,
Those mouldy parchments were addressed to those who'd long since died.
If you [4-] see a battered frigate 'neath a grey and stormy sky,
Give [1-] way and watch mehind you, or you'll hear your captain cry

[b5] Turn this ship around me boys, [b4] turn around and run
This [b5] storm it wants a battle and it's [b4] sure that we're outgunned
That [1-] ghostly ship is [3] hunting us, it's [b4] bringing on the [b5] gale,

Intro [1] [6-] [1] [6-]

If you [1] save yourself for marriage you're a bore
If you don't [6-] save yourself for marriage
You're a whore?able person
If [4] you won't have a drink then you're a prude
But they'll [2-] call you a drunk as soon as [5] you down the first one

[1] If you can't lose the weight then you're just fat
But [6-] if you lose too much then you're on crack
You're [4] damned if you do and you're damned if you don't
So you [2-] might as well just do what [5]ever you want

So.. [1] Make lots of noise and [6-] kiss lots of boys
Or [1] kiss lots of girls if that's [4] something you're [5] into
When the [1] straight and narrow gets a little [6-] too straight
Roll up a [4] joint, or don't
Just [1] follow your arrow wher [5]ever it [1] points, yeah
[6-] Follow your [1] arrow [5] wher [1]ever it [6-] points [1] [6-] [1]

Yeah.. If [1] you don't go to church you'll go to hell
If you're the [6-] first one on the front row
You're self?righteous son of a?
[4] Can't win for losing ? you just disappoint 'em
Just [2-] 'cause you can't beat 'em
Don't [5] mean you should join 'em

[1] Make lots of noise and [6-] kiss lots of boys
Or [1] kiss lots of girls if that's [4] something you're [5] into
When the [1] straight and narrow gets a little [6-] too straight
Roll up a [4] joint, or don't
Just [1] follow your arrow wher [5]ever it [1] points, yeah
[6-] Follow your [1] arrow [5] wher [1]ever it [6-] points [1] [6-] [1]

[1] Say what you feel , [6-] love who love
'Cause you [6-] just get so many trips around the sun
Yeah, you [4] only [1] on [6-]ly [1] live once [1] [6-] [1] [6-]

[1] Make lots of noise and [6-] kiss lots of boys

[1] I hear the train a comin', it's rolling round the bend
And I ain't seen the sunshine since [17] I don't know when
I'm [4] stuck in Folsom prison, and time keeps draggin' [1] on
But that [57] train keeps a rollin' on down to San An-[1]tone

When [1] I was just a baby my mama told me, Son
always be a good boy, don't [17] ever play with guns
But I [4] shot a man in Reno just to watch him [1] die
When I [57] hear that whistle blowing, I hang my head and [1] cry

I [b2] bet there's rich folks eating in a fancy dining car
They're probably drinkin' coffee and [b27] smoking big cigars
Well I [5] know I had it coming, I know I can't be [b2] free
But those [b67] people keep a movin,
and that's what tortures [b2] me

Well [b2] if they'd free me from this prison,
if that railroad train was mine
I [b2] bet I'd move on over a little [b27] further down the line
[5] Far from Folsom prison, that's [5] where I want to [b2] stay

[1] You all know my wee brother, his name is Jock Mc-[5]-Graw.
He's lately joined a football club for he's [1] mad [5] about [1] football.
He's two black eyes already and teeth lost from his [5] gob,

[1] In the middle of the field, one afternoon, the captain says, "Mc-[5]-Graw,
Would you kindly take this penalty kick? or we'll [1] never [5] win at [1] all."
So he ran like mad and kicked the ball, and it went off like a [5] cork.

[5] So don't you [57] shed a tear for [1] me [4] [1]
Because I [5] ain't the love [57] you thought I'd [1] be-[5]ee
[1] I got a hundred more like [6-] you
So don't be [b2] blue
[57] I'll have a [5] thousand 'fore I'm [1] through [4] [1]

[5] Now there you [57] go you're cryin' a-[1]gain [4] [1]
[5] Now there you [57] go you're cryin' a-[6-]gai-[5]nn
[1] But then someday when your poor [6-] heart

[57] Well I just might [5] pass this way a-[1]gain

[5] That's what you [57] get for lovin' [1] me [4] [1]

Everybody's been [b57] knowing
To a wedding they're [1-] going

Every Susie and [7] Sal.

They're congre-[77]gating for me and my [3] gal.
The parson's [77] waiting for me and my [b57] gal.

And someday,

There's a [1] hole in my heart that I've [4] hidden
It's been [1] there ever since that [5] day [57]
And, I've [1] learned how to [17] live strong [4] with it
Though it [1] wasn't [5] my price to [1] pay

She drove [1] west from Salt Lake City to the California coastline
She hit the San Diego Freeway doing sixty miles an [5] hour
She had a [1] husband on her bumper
She had five restless children
She was singing as sweet as a mockingbird in that [5] Ford [1] Econo-[1]line.

> CHORUS

> [5] Straight from the bosom of the [1] Mormon church
> With a [4] voice like [1] wine
> [5] Cruisin' along in that [4] Ford Econoline.

Her [1] husband was a gambler; He was a Salt Lake City rounder
And he built a golden cage around his silver-throated [5] wife
Too many [1] nights he left her cryin' with his cheatin' and his lyin'
But his big mistake was in buyin' her that [5] Ford Econo-[1]line

> [5] Straight from the bosom of the [1] Mormon church
> With a [4] voice like [1] wine
> [5] Cruisin' along in that [4] Ford Econoline.

Now she sings her [1] songs around this country from Seattle to Montgomery
Those kids are grown and that rounder knows you cannot cage your [5] wife
Along the [1] backroads of our nation she's become a living legend
She drives a Coupe DeVille but her heart rides still in that [5] Ford Econo-[1]line

You [1] may think that [4] I'm talkin [1] foolish,
You've [4] heard that I'm wild and I'm [1] free.
You [4] may wonder how I can [1] promise you now,
this [b27] love that I feel for you, [57] always will be.
But [1] you're not just [4] time that I'm [1] killin,
I'm [4] no longer one of those [1] guys.
As [4] sure as I live, this [1] love that I give,
is [b27] gonna be yours until the [57] day that I die.

Oh baby, [1] I'm gonna [4] love you for-[1]ever,
for-[4]ever and ever, a-[1]men
As [4] long as old men sit and [1] talk about the weather
As [b27] long as old women sit and [57] talk about old men
If you [1] wonder how [4] long I'll be [1] faithful,
I'll be [4] Happy to tell you a-[b27]gain

makes a [4] young girl's brown hair turn [1] grey
But, [4] honey I don't care, I ain't in [1] love with your hair,
and if it [b27] all fell out, well, I'd [57] love you anyway
They say [1] time can play [4] tricks on a [1] memory,
makes [4] people forget things they [1] knew
Well it's [4] easy to see it's [1] happenin to me,
I've al-[b27]ready forgotten every [57] woman but you

Oh darling, [1] I'm gonna [4] love you for-[1]ever,
for-[4]ever and ever, a-[1]men
As [4] long as old men sit and [1] talk about the weather
As [b27] long as old women sit and [57] talk about old men
If you [1] wonder how [4] long I'll be [1] faithful,
well just [4] listen to how this song [b27] ends
I'm [4] gonna [57] love you for-[1]ever and [4] ever,

[4] Went to the [b3] fortune [1] teller [b7] [b6]
[4] Had my [b3] fortune [1] read [b7] [b6]
I [4] didn't know [b3] what to [1] tell her [b7] [b6]
I had a [4] dizzy feeling [b3] in my [1] head [b7] [b6]

[4] Then she took a [b3] look at [1] my palm [b7] [b6]
She said, [4] Sonny, you [b3] feel kind of [1] warm [b7] [b6]
And she [4] looked into her [b3] crystal [1] ball [b7] [b6]
And said, You're in [4] lo-[b3]ove

I [4] said, how could [b3] that be [1] so [b7] [b6]
I got [4] passion with the [b3] girls I [1] know [b7] [b6]
She [4] said, When the [b3] next one [1] arrives [b7] [b6]
You'll be [4] looking [b3] into her [1] eyes [b7] [b6]

[4] Ah ha [b3] ha [1] [b7] [b6] x4

I [4] hurried back [b3] down to that [1] woman [b7] [b6]
As [4] mad as I [b3] could [1] be [b7] [b6]
I [4] told her I didn't [b3] see no-[1]body [b7] [b6]
[4] Why'd she make a [b3] fool out of [1] me [b7] [b6]
[4] Then some [b3] thing [1] struck me [b7] [b6]
As if [4] it came [b3] from up a-[1]bove [b7] [b6]

I fell in [4] lo-[b3]ove

and if [57] things are going [1] good
You could meet me if I [b2-7] sent you down the [57] fare
But by [1] then it would be [2-] winter, nothing [57] much for you to [1] do
And the [b2-7] wind sure blows [4] cold way out [5] there

Four strong [1] winds that blow [b2-7] lonely, seven [57] seas that run [1] high
All those things that don't [b2-7] change come what [57] may
Now our [1] good times are all [2-] gone, and I'm [57] bound for moving [1] on
I'll look [b2-7] for you if I'm [4] ever back this [5] way.

Yes our [1] good times are all [2-] gone, and I'm [57] bound for moving [1] on

[1] Frankie and Johnny were lovers, oh how they could [17] love
They [4] promised to be true to each other, true as the stars a [1] bove
He was her [57] man, he wouldn't do her no [1] wrong [4] [1]

[1] Frankie went down to the corner, to get a pint of [17] beer
She [4] asked that old bartender, "has my lovin' Johnny been [1] here?"
He's my [57] man, he wouldn't do me no [1] wrong [4] [1]

[1] Well, I ain't gonna tell you no story, ain't gonna tell you no [17] lie
He's [4] here bout' an hour ago with a gal named Nelly [1] Blie
He may be your [57] man, but he's doin' you [1] wrong [4] [1]

[1] Frankie went down to the hotel, didn't go there for [17] fun
Under [4] neath her red kimono, she was packin' a 44 [1] gun
To shoot her [57] man, cause he's doin' her [1] wrong [4] [1]

[1] Johnny took off his Stetson hat, Said, "Baby please don't [17] shoot!"
She put her [4] finger on the trigger and the gun went Blooty- [1] Too!
She killed her [57] man, cause he was doin' her [1] wrong [4] [1]

[1] That's the end of my story, that's the end of my [17] song
They got [4] Frankie in the county jail and the gal's been there so [1] long
She killed her [57] man, cause he was doin' her [1] wrong [4] [1]

She killed her [57] man, cause he was doin' her [1] wrong [4] [1]

Freight train, freight train, going so fast

Freight train, freight train, going so fast

Please don't say what train I'm on

They won't know which way I've gone

When I'm dead and in my grave, no more good times will I crave
Place those stones at my head and feet, tell em all I've gone to sleep

When I die won't cha bury me deep, way down the end of old Chestnut Street
So I can hear that old train roll by, going down that old Chicago Line

[1] I lit out from Reno, I was [4] trailed by twenty hounds
[1] Didn't get to sleep last night 'till the [4] morning came around.

[5] Set out runnin' but I take my time
A [2-] friend of the devil is a friend of mine
If [5] I get home before daylight, I [2-] just might get some [4] sleep to-[5]night.

The [4] first one's named Sweet Anne Marie, and she's my hearts delight.
The [5] second one is prison, babe, the sheriff's on my trail,
And [2-] if he catches up with me, I'll [4] spend my life in [5] jail.

[1] Frosty the Snowman was a [4] jolly, [57] happy [1] soul,
With a [4] corncob pipe and a [1] button nose
And two [57] eyes made out of [1] coal.
Frosty the Snowman is a [4] fairy [57] tale they [1] say,
He was [4] made of snow but the [1] children know
How he [2-] came to [57] life one [17] day.

There [4] must have been some [3-] magic in that
[2-] Old silk [57] hat they [1] found,
For [5] when they placed it on his head,
He [6-] began to [b27] dance a-[5]round.

[1] Frosty the Snowman was a-[4]live as [57] he could [1] be,
And the [4] children say he could [1] dance and play
Just the [2-] same as [57] you and [1] me.

Frosty the Snowman knew the [4] sun was [57] hot that [1] day,
So he [4] said "Let's run, we'll have [1] lots of fun
Now [57] before I melt [1] away."
Down in the village with a [4] broomstick [57] in his [1] hand,
Running [4] here and there all a[1]-round the square
Saying [2-] "Catch me [57] if you [17] can!"

He [4] lead them down the [3-] streets of town
Right [2-] to a [57] traffic [1] cop,
And he [5] only paused one moment when
He [6-] heard them [b27] holler [5] " Stop!"

One sunny [1] mornin' [b7] we'll rise I [1] know [b7]

Just say g'[1]day g'day g'[5]day and you'll be right [1] [5] [1]

[1] Isn't it [1] great [5] to be an [1] Aussie
Taking a [4] walk [4-] along the [1] street
[1] Looking in shops [5] or buying a [1] paper [6-]
[b2] Stopping and having a yarn with people [5] that you meet
Down at the [1] pub [5] or at a [1] party
[1] Whenever you're [4] stuck [4-] for what to [1] say
[5] If ya wanna be [1] dinky [5] di why [1] don't ya give it a [5] try
[b2] Look 'em right in the eye and [1] say g'[5] day

Just say g'[1]day g'day g'[5]day and you'll be right [1] [5] [1]

[1] Now [6-] when Italians [b37] meet they all go [6-] crazy
[6-] The blokes all like to [b37] hug each other [6-] too
[4] The Yanks invented [5] "hi" and "see ya [1] later" [6-]
[b2] While the Pommie will shake your hand and say "how [5] do [1] you [5] do"
[6-] Now watch out for a [b37] Frenchman or he'll [6-] kiss ya
[4] The Spaniards go for "ola" and [1] "ole"
[5] But in the land of the [1] cockatoo
[4] Cork [1] hats and a [5] didgeridoo
[b2] When you meet an Aussie [6-] 10 to 1 [5] here's [1] what he'll [57] say

[NC] G'day g'[1]day, [5] how ya [1] goin'
What do ya [4] know, [4-] well strike a [1] light
G'day g'[1]day, and [5] how ya [1] go-o-o-[6-]in'
Just say g'[1]day g'day g'[5]day and you'll be right [1] [5] [1]

[4] It's a greeting that you'll hear across [1] Australia [4] [1]
[4] From Geraldton to Gove and Gunda-[1] gai [4] [1]

[57] Now there's [1] all sorts of [b27] medicines [57] that you can buy
No matter what ailment you've [1] got
But [b67] I know a special one [2-] you ought to try
you'll [b27] find it's the best of the [57] lot

Chorus:
[57] Its my [1] Auntie Maggie's home-made [b67] re [57] me [1]dy,
it's [b67] guaranteed never to [1] fail
[b37] That's the stuff that will [6-] do the trick Its [b27] sold at every chemist
for [57] "one and a kick".
[57] Now if you've [1] got lum [57] bago, rheu [1] matics or [57] gout,
or a [1] pain in your [17] Robert E. [4] Lee
Don't kick up a [4-6] shindy, you'll [1] never get [b67] windy
with [b27] Auntie Maggie's [57] Reme [1]dy

[57] If you [1] set your [57] alarm clock for [1] eight in the [57] morning

But I'll bet you by [4-6] heaven, you'll [1] wake up at [b67] seven
With my [b27] Auntie Maggie's [57] Reme [1]dy

[57] Now In a [1] young lady's [57] bedroom I [1] went by [57] mistake
My [1] intentions [17] were honest you [4] see
She shouted with [4-6] laughter, "I [1] know what you're [b67] after
Its my [b27] Auntie Maggie's [57] Reme [1]dy."

Chorus

[57] Now when the [1] baby starts [57] crying,
there's [1] always a [57] reason
And [1] if you in [17]spect him you'll [4] see,
The poor little [4-6] chappy has [1] covered his [b67] nappy
With [b27] Auntie Maggie's [57] Reme[1]dy
[57] Now I [1] went to a [57] doctor, I [1] wasn't too [57] well
and he [1] made me lie on a [57] settee
He said "there's [4-6] trouble brewing, [1] you've been over [b67] doing
Your [b27] Auntie Maggie's [57]Reme[1]dy."
[56] Now I know a [1] girl who was [57] putting on [1] weight,
In a [57] spot where it [1] just shouldn't [57]be
So I said to [4-6] Nellie, "Now you [1] rub your [b67]ankle,
with [b27] Auntie Maggie's [57] Reme[1]dy."

bound for old Blighty [5] shore
Heavily laden with time expired men, [57] bound for the land they [1] adore.
There's [1] many an airman just finishing his time,
there's many a twerp signing [5] on

There's [1] many a rookie has taken it in, hook line and sinker an' [5] all

Now they [1] say that the Sergeant's a very nice chap, oh what a tale to [5] tell.
Ask him for leave on a Saturday night and [57] he'll pay your fare home as [1] well.
There's [1] many an airman has blighted his life through writing rude words on the [5] wall
[5] You'll get no pro-[57]-motion this [5] side of the [57] ocean
So [5] cheer up my [57] lads, Bless 'Em [1] All.

Bless 'Em [1] All, Bless 'Em All, the long and the [17] short and the [4] tall

[17] Now Mr. [4] Wu was a [b27] laundry man
In a [4] shop with an [17] old green [4] door
He'd [17] iron all day your [4] linen away
He [57] really makes me [17] sore
He's [5-] lost his [17] heart to a [5-] Chinese [17] girl
And his [4] laundry's all [b7-] gone [4] wrong
All [57] day he'll flirt and scorch your shirt
That's why I'm singing this [17] song

[17] Oh Mr. [4] Wu, what can I [b27] do,
I'm feeling [57] kind of Limehouse
[b27] Chinese [17] laundry [4] blues [47]
This funny [b7] feeling, keeps [b7-] round me [4] stealing [b27]
Oh [57] wont you throw your sweat-heart over [1] do [6-] [17]
My vests so [4] short that it wont fit [47] my little brother
And my [b7] new Sunday shirt has got a [b27] perforated rudder
Mr. [4] Wu [b67] what shall I [b27] do, I'm feeling [57] kind of Limehouse
[b27] Chinese [17] laundry [4] blues

[17] Now Mr. [4] Wu, he's got a [47] naughty eye that flickers
You [b7] ought to see it wobble
When he's [b27] ironing ladies blouses!
Mr. [4] Wu [b67] what shall I [b27] do, I'm feeling [57] kind of Limehouse
[b27] Chinese [17] laundry [4] blues
[17] Now Mr. [4] Wu he's got a [47] laundry kind of tricky
Hell [b7] starch my shirt and collars
But he'll [b27] never touch my waistcoat!
Mr. [4] Wu [b67] what shall I [b27] do, I'm feeling [57] kind of Limehouse
[b27] Chinese [17] laundry [4] blues

[77] Fanlight Fanny the frowsy [b17] night [77] club [3] queen. [b57]

By [1-] tecs she's followed and when she's collared the judge she always cheats,
[77] Twice a month two weeks she'll [3] do. [b57]
She's [1-] often boasted she's been toasted, toasted by her friends.
She [77] ought to be cremated [3] too. [b17] [77] [3]
You [37] can't tell if she's brunette or a [6] blonde,
She's [b47] like something you drag out of a [77] pond. [b57]
[1-] She's a peach but understand, She's called a peach because she's always canned.
[77] Fanlight Fanny the frowsy [b17] night [77] club [3] queen. [b17] [77] [3]

[1] A foreign dame to England came, for [2-] months she'd been afloat

[57] That's [1] Frigid Air [b27] Fanny

Now in [1] our fami [57]ly we've got an [1] heirloom. [17]
They [4] handed it to [b6-dim] me a year a [1] go.
It's [1] been in our [b37] possession since [6-] Grandad was a lad.
I'll [5] tell you what it [b27] is and then you'll [5] know.

[57] It's my [1] Grandad's Flannelette [b6-dim] night- [1] shirt
In it [4] I was [b6-dim] christened one [1] day
Down [57] at the church they [1] were in a [6-] whirl,
[5] No one seemed to know if I were [b27] boy or [57] girl.
[57] [2-] [57] They'd [1] had one or two and ee they [6-] were in [1] mess
But it's [4] all right said the preacher rather [b37] curt.
I've [4] been and had a [b6-dim] quiz and I've [1] found out what it [b67] is
By his [b27] Grandad's [57] Flannelette [1] shirt lordy [6-] lordy,
his [b27] Grandad's [57] Flannelette [1] shirt.

[57] In my [1] Grandad's Flannelette [b6-dim] night- [1] shirt
[4] I got [b6-dim] married one [1] day.
In the [57] train my [1] bride gave a [6-] shout,
[5] "Ee what is that you are [b27] pulling [57] out?"
[57] [2-] [57] I said, [1] "It's old fashioned and it's [6-] tattered and [1] torn
But I've [4] brought it honeymooning with me [b37] Gert"
When [4] she said, [b6-dim] "What is it dear?" I [1] whispered in her [b67] ear
"It's my [b27] Grandad's [57] Flannelette [1] shirt lordy [6-] lordy,
my [b27] Grandad's [57] Flannelette [1] shirt."

The [1] other day I [57] got an [1] invitation [17]
to [4] go and join a [b6-dim] nudist colo [1] ny
And [1] as the life is [b37] healthy and in the [6-] open air
I [5] trotted off as [b27] happy as can [5] be.

[57] With my [1] Grandad's Flannelette [b6-dim] night- [1] shirt
I [4] walked up [b6-dim] to the [1] door.
Someone [57] said, "Now [1] don't make a [6-] fuss,
[5] just take off your clothes and you'll [b27] be like [57] us."
[57] [2-] [57] I was [1] bashful so I [6-] stayed by my [1] self,
for with the [4] girls I didn't want to [b37] flirt
But [4] when I [b6-dim] fell asleep they all [1] came and had a [b67] peep

At my [b27] Grandad's Flannelette [1] shirt
lordy [6-] lordy,
my [b27] Grandad's [57] Flannelette [1] shirt.

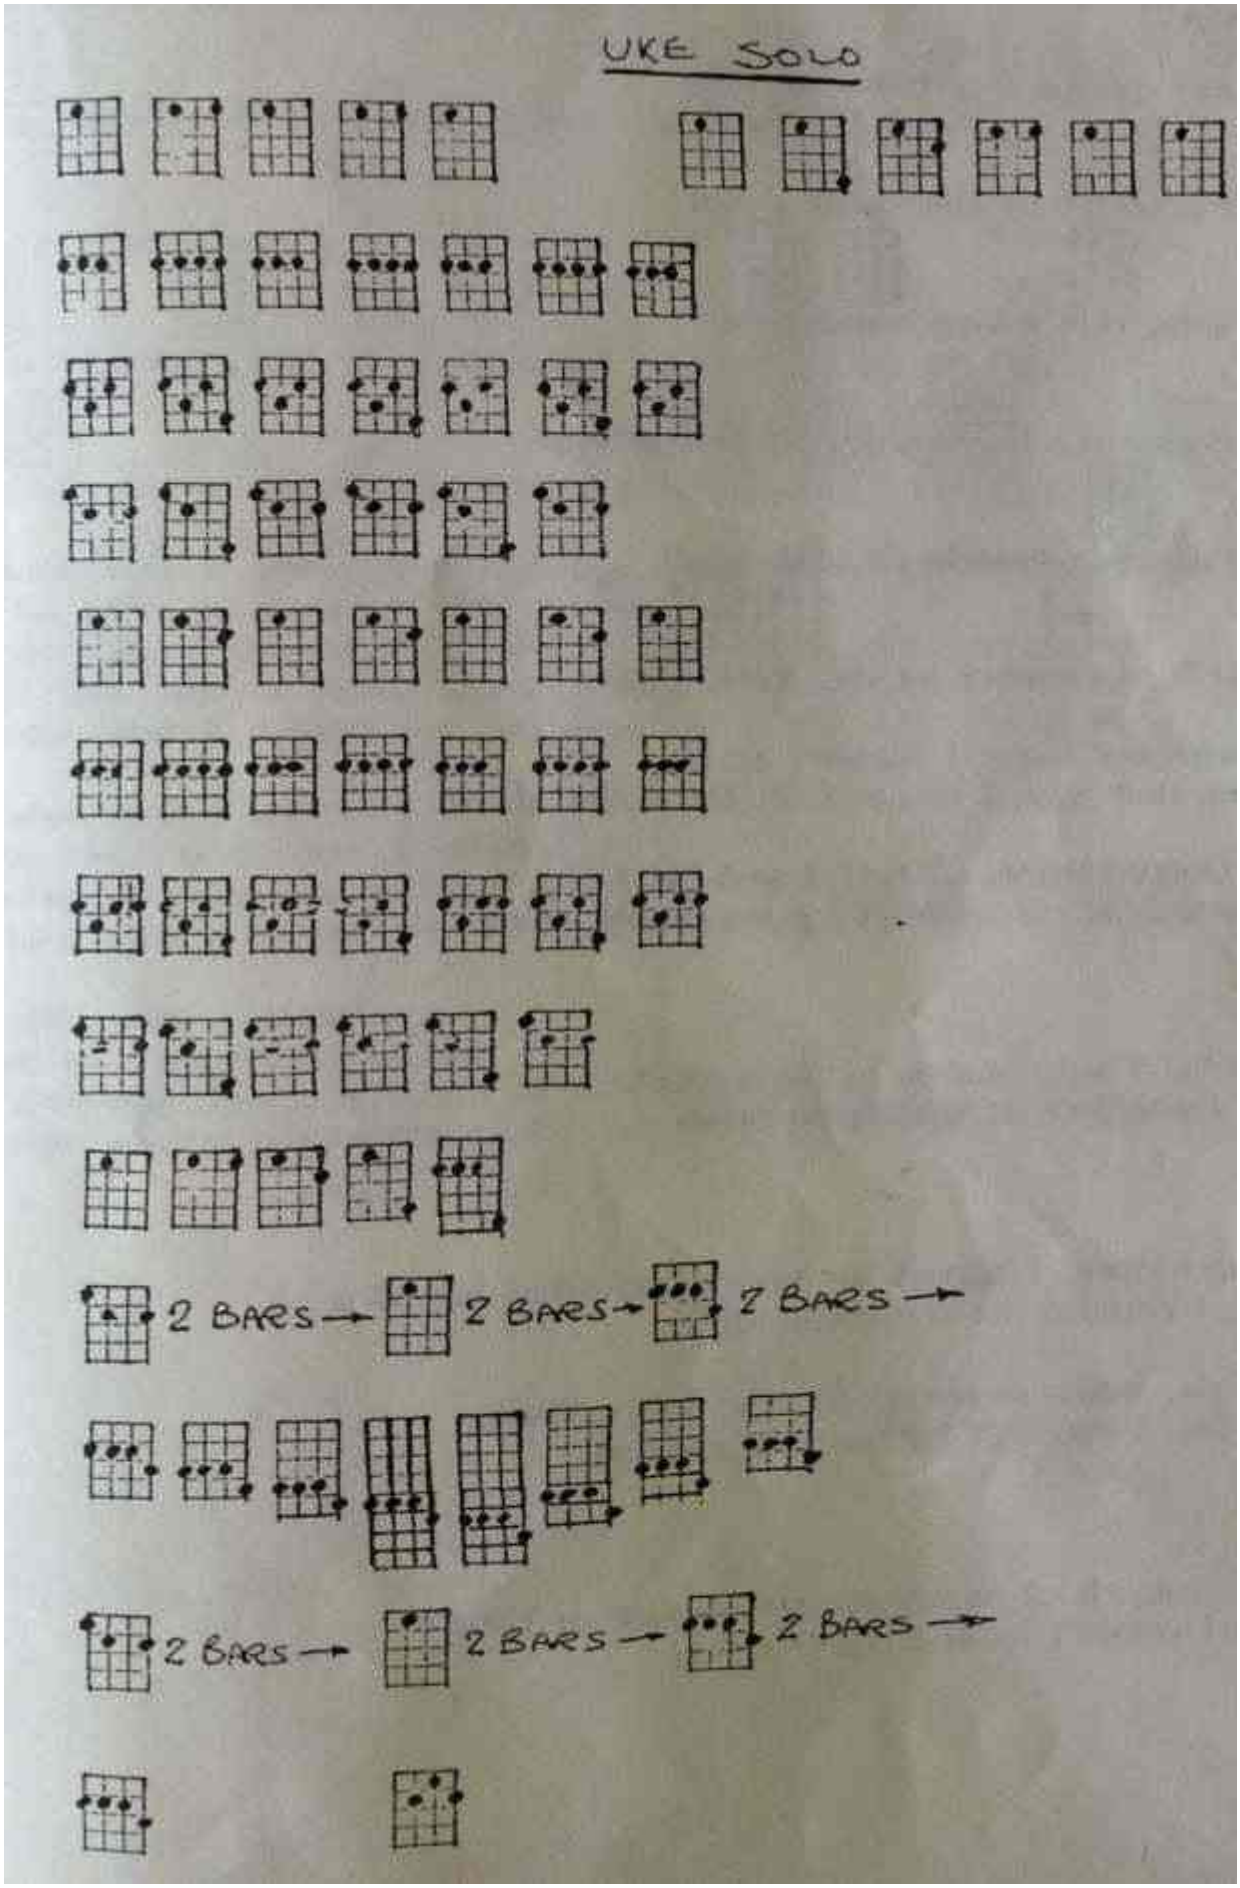
Now [1] I had a [b67] sweetie [57] once upon a [1] time,
well [b67] she was my [57] i-[1]deal,
And when she was [b67] near I [57] used to [1] feel,
[b67] well you know how [57] you [1] feel.
But [5] I was shy and couldn't tell my love,
when I [b27] did my knees all [3-] shook,
So [5] I thought I would say it with music
and I [b6] bought my-[b27]self a [57] uke.
I [b67] learnt this sloppy [57] tune,
then one night underneath [b67] the [b27] Wigan [57] moon.

I [1] told my [b67] baby [57] with the uku-[1]lele,
I [b27] sung a song of Ara-[57]by, [1] [17]
I [1] told my [b67] baby [57] with the uku-[1]lele,
[b27] but she only laughed at [57] me.
I played it [1] soft and sad, she didn't [b67] care a bit,
And then I [2-] got so mad I swore I'd [b67] make a [57] hit.
So I [1] told my [b67] baby [57] with the uku-[1]lele,
I [b67] bashed her with it [57] over the [1] head

But oh! she [b67] was a pal,
I [1] only wish you could have [b67] seen [57] that [1] gal.
Her hair was brunette type, It [b27] had pretty wrinkles like you see in [57] tripe.
She's [1] going to [17] have it [4] bobbed this [b67] Spring,
Now [1] where will the sparrows nest, [b67] po-[57]or [1] things.

Her face, it is so bright, you [b27] can't see a blemish on a foggy [57] night,
And [1] when she [17] smiles on [4] her own a-[b67]ccord
Her [1] face lights up because she's [b67] lan-[57]tern [1] jawed.

Her teeth they are divine,
all [b27] the colours in the rainbow there you'll [57] find,
Black, [1] blue, [17] green and [4] red you [b67] bet,
She [1] only wants a white one for a [b67] snoo-[57]ker [1] set.



Her neck, I loved it so, I [b27] brought her a present about a week [57] ago,
Two [1] little [17] gifts she'll [4] use I [b67] hope,
I [1] bought her a sponge and a [b67] bar [57] of [1] soap.

When I [1] went to meet my [b67] little maid, [b27]
I'll let you hear the sera-[b67]nade [57] I [1] played

I [1] told my [b67] baby [57] with the uku-[1]lele, I [b27] sung a song of Ara-[57]by, [1] [17]
I [1] told my [b67] baby [57] with the uku-[1]lele, [b27] but she only laughed at [57] me.
I played it [1] soft and sad, she didn't [b67] care a bit,

[1] Things have gone wrong [4] with my love song
I'm [4] not sere-[5]-nading to-[1]-night [57sus4] [17]
[4] In my place there's [1] somebody new
[b27] doing the things that [57] I ought to do

Chorus:
[1] I wonder who's under her balcony now
[b27] Who's kissing my girl?
[57] Will he kiss her [1] under the [b6] nose?
[b27] Or underneath the archway where the [57] sweet william grows

[1] If he's fresh and [b47] gets too free
I [4] hope a bulldog [b27] bites him in the [57] place it bit me
[1] I wonder who's under her [b6] balcony now
[b27] who's [57] kissing my [1] girl?

Chorus

[1] I will bet [b47] ten to one
There's [4] not a thing that [b27] he can do that [57] I haven't done
[1] I wonder who's under her [b6] balcony now
[b27] Who's [57] kissing my [1] girl?

Chorus

[1] May he fall, [b47] feel a wreck
And [4] stagger home with [b27] half the trellis-[57]-work round his neck
[1] I wonder who's under her [b6] balcony now
[b27] Who's [57] kissing my [1] girl?

Instrumental

INSTRUMENTAL

[1] I wonder who's under her balcony now
[b27] Who's kissing my girl?
[57] Will he kiss her [1] under the [b6] nose?
[b27] Or underneath the archway where the [57] sweet william grows

Chorus

[1] I hope he [b47] catches the lot
[4] When she empties [b27] out her old [57] geranium pot
[1] I wonder who's under her [b6] balcony now
[b27] Who's [57] kissing my [1] girl?

[b27] Come on and hear my [57] ukulele,
[1] come on and hear, come on and hear.
[b27] I give a demon [57]stration daily, [1] right over here, right over here.
Walk [b67] up, walk up [2-] chalk this one up to me,
whenever I play the [57] world goes gay The [1] Uku-[57]ele [1] Man is here.

I'm the [1] Ukulele Man, [1] come and listen if you [3-] can [1]
The Children love to [57] hear me [1] play,
they even [57] make their [1] mothers stay
And [2-] stand and listen all the day to the [1] Uku-[57]lele [1] Man.

[1] When I [b67] out with my [4] little black case,
[b67] the strangest things o [57]ccur,
A [1] lady smiled and [4] asked me in, [b67] I stood and [57] looked at [1] her.
[2-] She said, "Oh doctor, look at this" to undress she be-[5]gan
I [1] shut my eyes and shouted " [b7] Stop, I'm the [1] Uku-[57]lele [1] Man.

I'm the Ukulele Man, [5] I'm the [6-] Ukulele [b67] Man
I'm [57] not a [1] doctor [57] that's quite [1] true,
but I prescribe a [57] tonic, too.
Just [1] smile and you'll come smiling [57] through
with the [1] Uku-[57]lele [1] Man.

[1] When I go [b67] out with my [4] little black case, [b67] some people get me [57] wrong.
A [1] nice young lady [4] said to me, [b67] I'm glad you [57] came a-[1]long,
I'd [2-] like to see your underwear, please show me all you [5] can
I [1] said, "You won't see none of [b7] mine, I'm the [1] Uku-[57]lele [1] Man.

I'm the Ukulele Man, I'm the [5] Ukulele [b67] Man
I'm [5] not a salesman [1] you can guess, but I sell something [6-] none the less,
So [2-] come and buy some happiness from the [1] Uku-[57]lele [1] Man.

When I go out with my [4] little black case, the [b27] strangest jobs I [5] get
A [1] lady shouted [4] out one day " [b67] Don't clean those [57] windows [1] yet,
I'm [2-] in my bath so go away" but promptly in I [5] ran.
[1] I'm not cleaning [4] windows now, I'm the [1] Uku-[57]lele [1] Man.

I'm the Ukulele Man, I'm the [5] Ukulele [b67] Man.
Though [5] cleaning windows [1] I refuse, I've got a happy [6-] piece of news
I'll [2-] come and clean up all your blues, I'm the [1] Uku-[57]lele [1] Man.

Boys and girls come out to play, [5] for it is a [1] lovely day

Tune in D

Now [3] I'm a young inventor, a [6] chap with [77] good i [3]deas,
I've [6] built my [77] self a [3] camera, it [b27] took me years and [77] years.
[77sus2][77]
It's a [3] wonderful invention with [6] special [77] x-ray [1-] tricks,
It can [7] take a picture [7dim] in the [7] dark and can [7] even see through [7] bricks. [77]
I [b57] bought myself an [1-] album and [b57] filled it up with [1-] snaps,
And I've [7] got some lovely [b47] pictures of the [7] local girls and [77] chaps.

Now [3] I've got a [6] picture of the [77sus4] girl next [77] door,
[77sus4] in my little [77] snapshot [3] album,
And [3] I've never [36] had a better [77sus4] snap be [77] fore,
[77sus4] in my little [77] snapshot [3] album.
The [4-] night was dark and the [5-] hour was late,
She was [6] kissing her boy by the [3] gar [77] den [3] gate,
[4-] Wouldn't she love to [b57] see page [1-] eight,
[77] in my little snapshot [3] album.

And [3] I've got a [36] picture of my [77sus4] old [77] granddad,
[77sus4] in my little [77] snapshot [3] album.
[3] He's over [36] eighty but a [77sus4] real bad [77] lad,
[77sus4] in my little [77] snapshot [3] album
[4-] Although he's an [5-] old antique,
[6] he thinks he's still the [3] vil [77]lage [3] sheik,
I've [4-] got him dancing [b57] cheek to [1-] cheek
[77] in my little snapshot [3] album.

Now [3] I've got a [36] picture of the [77sus4] vicar's [77] wife,
[77sus4] in my little [77] snapshot [3] album.
[3] Chasing the [36] Curate with a [77sus4] carving [77] knife
[77sus4] in my little [77] snapshot [3] album.
Now [4-] what he did was [5-] all in fun
But it's [6] not the kind of [3] thing [77] that's [3] done,
I can [4-] see he pinched her [b57] hot-cross [1-] bun,
[77] in my little snapshot [3] album.

And [3] I've got a [36] picture of a [77sus4] nudist [77] camp,
[77sus4] in my little [77] snapshot [3] album,
[3] All very [36] jolly but a [77sus4] trifle [77] damp,
[77sus4] in my little [77] snapshot [3] album.
There's [4-] Uncle Dick [5-] without a care,
[6] Discarding all his [3] un [77]der [3]wear,
But his [4-] watch and chain still [b57] dangle [1-] there,
[77] in my little snapshot [3] album!

[1] Talk of your [6-] beautiful [1] meadows
and [6-] fields and your [57] parks so grand
Talk of your wonderful gardens down at [1] Kew. [17]
[4] I know a [2-] spot that can [4] beat all the [2-] lot
it's the [b37] best I've [6-] seen
[b27] Keep all your hills and dales, put me with the slugs and [57] snails.

In a little Wigan [1dim] garden, [1] where the dandelions [1dim] grow
With my sweetie frowsy [57] Flo round the mulberry bush we [1] go
Underneath the Wigan [1dim] Palm [1] trees
there I bring her up to [b67] scratch

We [b27] have such a game on the cucumber frame;
I'd show her the cabbage [57] patch
[17] When the morning mildew [4] christens our shallots,
[b27] Scented breezes coming [57] from the [2-] chimney [57] pots

In a little Wigan [1dim] Garden, [1] when the soot is falling [1dim] down
Oh what a [57] place, what a case, a disgrace to my home [1] town.
[1] All sorts of [6-] things, some with [1] wings,
some with [6-] stings every [57] night appear
Glow worms and silkworms and Wigan earwigs [1] too. [17]
[4] Crocuses [2-] croak with [4] fog
and [2-] smoke from the [b37] gasworks [6-] near
[b27] The one thing that only grows,
is the wart [57] on my [2-] sweeties [57] nose

In a little Wigan [1dim] garden [1] with my little [1dim] Wiganese
Getting [57] stung with bumble bees, between the cabbages and [1] peas
'Neath the Wigan water [1dim] lilies [1] where the drainpipe over [b67] flows
There's [b27] my girl and me she sits on my knee
and watch how the rhubarb [57] grows

[17] 'Neath the shady tree to my [4] loved one I cling
[b27] While the birds above do everything but [57] sing

It's a rotten Wigan [1dim] garden, [1] everything grows upside [1dim] down
Oh what a [57] place what a case, a disgrace to my home [1] town.

[b47] I'm rather rash I [77] know.
[37] See me dressed like [6] all the sports,

Some [b47] how he lost his baton - it flew [77] out of his hand
So I [37] jumped in his place and then con-[b57]ducted the [1-] band

With my [3] little stick of Blackpool Rock,
[7] along the promenade I [4-] stroll
[77] In [3] my po-[3dim]cket it got [77] stuck I could tell
'Cos [b47] when I pulled it out I pulled my [77] shirt off as well
[37] Every day [6] wherever I stray the [b47] kids all round me [77] flock.
See alternative verse at end

[37] A girl while bathing clung to me, my [6] wits I'd to use
She cried, "I'm [b47] drowning, and to save me, [77] you won't refuse"
I said, "[37] Well if you're drowning then I [b57] don't want to [1-] lose

With my [3] little stick of Blackpool Rock, [7] along the promenade I [4-] stroll
[77] In [3] the ball [3dim] room I went [77] dancing each night
No [b47] wonder every girl that danced with me, [77] stuck to me tight
[37] Every day [6] wherever I stray the [b47] kids all round me [77] flock.

It's no [4] one else's business, as [1] far as I can see
But [b27] every time that I go out the people stare at [57] me

With my [1] little ukulele in my hand [17]
Of [4] course the people do not [1] understand
Some [57] say, 'Why don't you be a scamp? Why [1] don't you read a book?'
But [b27] I get lots more pleasure when I'm playing with me [57] uke!
Of [1] course I take no [b37] notice you [6-] can tell [17]
For [4] mother's sound advice will always [57] stand
She said 'My [1] boy do as I [b37] say
And you'll [b67] never go [2-] astray
[57] If you [1] keep your uku-[57]-lele in your [1] hand, [b37] Yes [b67] son!
[b27] Keep your [57] ukulele in your [1] hand

While [1] walking on the [57] prom one night as [1] peaceful as can be
When [4] some young girl said, "What about a [b27] walk down by the [57] sea?"
She [4] said her name was Jen and that she'd [1] just come for the day,
She [b27] looked so young and harmless that I couldn't turn a-[57]-way.

So with me [1] little ukulele in my hand [17]
[4] Me and Jen we walked along the [1] sand
We [57] walked along for miles without a [1] single care or frown,
But [b27] when we reached the sand dunes, she said, "Come on lets sit down." [57]
I [1] felt so shy and [b37] bashful sitting [6-] there [17]
Cause the [4] things she said I didn't under-[57]-stand
She said, "Your [1] love just makes me [b37] dizzy
[6-] Come on big boy get [2-] busy!"
[b27] But I kept a [57] ukulele in my [1] hand
[b37] Yes [b67] sir!
[b27] I kept my [57] ukulele in my [1] hand!

[1] Made up my mind that [57] I'd get wed some [1] eighteen months ago,
I [4] also bought a book about [b27] the things a boy should [57] know.
But [4] just about a week ago I [1] had an awful fright,
I [b27] had to get dressed quickly in the middle of the [57] night.
And with my [1] little ukulele in my hand, [17]
I went [4] running down the street to Doctor [1] Brand.
It [57] didn't take him long to get his [1] bag of tools
I [b27] held his hat and coat and let him have me book of [57] rules
[1] Out the bedroom [b37] door he looked and [6-] smiled [17]
He said, [4] "Come inside and see your wife and [57] child!"
My [1] heart it filled with [b37] joy
I could [b67] see it was a [2-] boy
[b27] For he [57] had a ukulele in his [1] hand
[b37] Oh [b67] Baby!
[b27] He had a [57] ukulele in his [1] hand!

[1] Now everybody's [57] got a crazy notion of their [1] own
Some [4] like to mix up [1] with a crowd, some [b27] like to be [57] alone
It's no [4] one else's business, as [1] far as I can see
But [b27] every time that I go out the people stare at [57] me

With my [1] little ukulele in my hand
Of [4] course the people do not under [1]stand
Some [57] say, 'Why don't you be a scamp? Why [1] don't you read a book?'
But [b27] I get lots more pleasure when I'm playing with me [57] uke!
Of [1] course I take no [b37] notice you can tell [17]
For [4] mother's sound advice will always [b3] stand [b3maj7] [57]
She said 'My [1] boy do as I [b37] say
And you'll [b67] never go [2-] astray
[57] If you [1] keep your [b2-dim] uku-[57]-lele in your [1] hand, [b37] Yes [b67] son!
[b27] Keep your uku [57]lele in your [1] hand

While [1] walking on the [57] prom one night as [1] peaceful as can be
When [4] some young girl said, "What about a [b27] walk down by the [57] sea?"
She [4] said her name was Jen and that she'd [1] just come for the day,
She [b27] looked so young and harmless that I couldn't turn a-[57]-way.

So with me [1] little ukulele in my hand
[4] Me and Jen we walked along the [1] sand
We [57] walked along for miles without a [1] single care or frown,
But [b27] when we reached the sand dunes, she said, "Come on - lets sit [57] down."
I [1] felt so shy and [b37] bashful sitting there [17]
Cause the [4] things she said I didn't under-[b3]-stand [b3maj7] [57]
She said, "Your [1] love just makes me [b37] dizzy
Come on [b67] big boy get [2-] busy!"
[57] But I [1] kept a [b2-dim] uku [57]lele in my [1] hand, [b37] Yes [b67] sir!
[b27] I kept my [57] ukulele in my [1] hand!

[1] Made up my mind that [57] I'd get wed some [1] eighteen months ago,
I [4] also bought a book about [b27] the things a boy should [57] know.
But [4] just about a week ago I [1] had an awful fright,
I [b27] had to get dressed quickly in the middle of the [57] night.

And with my [1] little ukulele in my hand,
I went [4] running down the street to Doctor [1] Brand.
It [57] didn't take him long to get his [1] bag of tools
I [b27] held his hat and coat and let him have me book of [57] rules
[1] Out the bedroom [b37] door he looked and [b3] smiled [b3maj7] [57]
He said, [1] "Come inside and see your wife and [b37] child!"
My [1] heart it filled with [b37] joy
I could [b67] see it was a [2-] boy
[57] For he [1] had a [b2-dim] uku [57]lele in his [1] hand, [b3] Oh [b67] Baby!
[b27] He had a [57] ukulele in his [1] hand!

[1] Mother [1dim] you give [1] good advice, [b2-7] always you mean [4add9] well. [57]
[1] Now I [b37] need it [6-] more than ever I'm in [b27]side this [57] cell. [5dim] [57]

[1] I'm be [b37]hind a [2-] prison [57] wall,
the [1] bed's so [b67] hard and [b27] much too [57] small
There's [1] no py [17]jamas [4] here at [b67] all,
Oh [1] Mother what'll [b2-7] I [57] do [1] now? [1-] [57]

They [1] told me [17] they would [2-] treat me [57] swell
[1] tucked in [b67]side my [b27] little [57] cell
But [1] up to [17] now it's [4] been like [b67] h !
[1] Mother what'll [b2-7] I [57] do [1] now?
We're [17] parted from each other [1] and that's [4dim] too [4] bad.
[b27] You're my favourite Mother, Oh the best I ever [5] had. [5dim] [57]

To [1]night I've [b67] got a [2-] date you [57] see
but [1] they won't [b67] let me [b27] have a [57] key
And the [1] Warder's [17] won't wait [1] up for [b67] me,
Oh! [1] Mother what'll [b67] I [57] do [1] now?

It's [1] hard to [b67] pass the [2-] time a [57]way,
I'm [1] in a [b67] dangerous [b27] mood I [57] say.
I've [1] smoked two [17] ciga [4]rettes to [b67]day,
Oh! [1] Mother what'll [b67] I [57] do [1] now?

[1] First I [17] stand and [2-] then I [57] sit,
[1] then I [b67] sit and [b27] stand a [57] bit
But [1] I can't [17]stand much [4] more of [b67] it,
[1] Mother what'll [b2-7] I [57] do [1] now?
We're [17] parted from each other [1] and that's [4dim] too [4] bad.
[b27] You're my favourite Mother, Oh the best I ever [5] had. [5dim] [57]

[1] I got [b67] such an [2-] awful [57] shock,
I [1] asked the [b67] time for [b27] there's no [57] clock
And the [1] Warder [17] said six [4] months "Old [b67] Cock"
Oh! [1] Mother what'll [b67] I [57] do [1] now?

I [1] order [17] lunch from [2-] soup to [57] sweet
but [1] they for [b67]got the [b27] fish and [57] meat
And [1] since the [17] soup there's [4] nowt to [b67] eat,
[1] Mother what'll [b2-7] I [57] do [1] now?

[1] I've had [b67] such a [2-] tummy [57] ache.
[1] All night [b67] long I've [b27] been a [57] wake.
Some [1] castor [17] oil they [4] made me [b67] take,
[1] Mother what'll [b2-7] I [57] do [1] now?
We're [17] parted from each other [1] and that's [4dim] too [4] bad.
[b27] You're my favourite Mother, Oh the best I ever [5] had. [5dim] [57]

[1] I've played [b67] Peter [2-] fly away [57] Paul,
[1] I've played [b67] tiddly [b27] winks and [57] all
I've [1] written rude [17] words up [4]on the [b67] wall,
Oh! [1] Mother what'll [b67] I [57] do [1] now? [57] [1]

Tune in D

On the [4] boat express I ride, [17] see us every [4] day
[17] Flashing by the [4] countryside, [57] picking flowers [17] on the way

Once a [4] wedding pair didnt seem to [2-] care
they were [57] full of love I guess
And the [17] honeymoon started far too soon
on the [4] Wigan [b27] Boat [17] Express. [4]

A [4] chap one day with a girl got [2-] gay, I [57] saw them both caress
She [17] got what for in the corridor
on the [4] Wigan [b27] Boat [17] Express. [4]

[4] When [17] we [47] shunt the [4] backs [17] in [4] front
and the [b7] front parts in the rear
If [57] we survive then we'll arrive [17] alongside Wigan Pier.

Cried a lady [4] "Oo bring a doctor [2-] do, I [57] think Im in distress."
She was feel [17]ing shocks in a signal box
on the [4] Wigan [b27] Boat [17] Express. [4]

On a [4] steep incline one day, [17] the train was standing [4] still.
I [17] said we cant wait here [4] all day [17]
so we [5] pushed it [17] up the hill.
[17] If its wet [4] or fine we start at nine, we are [5] prompt I must confess.
And by half [17]-past one two miles weve done
on the [4] Wigan [b27] Boat Express. [4]

Once a [4] chap I saw on the engine floor, hed gone [4] to sleep I guess
But he [17] woke to find a tender behind on the [4] Wigan [b27] Boat Express. [4]

Now [47] when we shunt the backs in front and the [b7] front parts in the rear
If we [1] survive then well arrive a [5]longside [1-] Wigan [1] Pier.

[17] Mrs. [4] Brown looked swell but sad to tell on the [5] door she tore her dress
And the [17] sun shone gay through the permanent way on the [4] Wigan [b27] Boat Express. [4]

[4] When [17] we [47] shunt the [4] backs [17] in [4] front and the [b7] front parts in the rear
If [57] we survive then we'll arrive [17] alongside [1-] Wigan [5] Pier.

[17] In the slee [4]ping car they go too far, all [5] mixed up more or less
But they [17] rearrange when I shout "All change" on the [4] Wigan [b27] Boat Express. [4]

[1] Now there's a sergeant major, enjoys life will he can.
He proves to all the ladies he's a [b27] soldier and a [57] man.

[1] He sticks out his chest, two [2-] pillows in his vest,
A [57] bolster under his rotunda, Our Sergeant [1] Major.

His [1] medals break our hearts, he [2-] won them playing darts,
And [57] while competing, who was cheating? Our Sergeant [1] Major

He's [3-] far away the [b7-7] worst friend [3-] we've ever had,
[2-] When he's far [b67] away well, [2-] we're mighty glad. [57]

In [1] the canteen bar, you [2-] know what sergeants are,
[57] When we've passed out, who's the last out, Our Sergeant [1] Major.

He's [1] got a raucous voice, his [2-] language isn't choice,
In [57] clink we'd shove him, how we'd love him, Our Sergeant [1] Major.

His [1] weight about he'd throw, the [2-] wicked so and so,
[57] Who'd even smother his own mother, Our Sergeant [1] Major.

He's [3-] far away the [b7-7] worst friend [3-] we've ever had,
[2-] When he's far [b67] away well, [2-] we're mighty [57] glad.

Our [1] bugler goes his rounds, and [2-] when the bugle sounds.
For [57] everlasting, who's he blasting? Our Sergeant [1] Major.

Now he [1] makes raw recruits, just [2-] tremble in their boots,
He [57] calls them slackers, who's gone crackers? Our Sergeant [1] Major.

His [1] feet fill up the road, knock- [2-] kneed and pigeon toed,
[57] We'd sooner shoot him then salute him, Our Sergeant [1] Major.

He's [3-] far away the [b7-7] worst friend [3-] we've ever had,
[2-] When he's far [b67] away well, [2-] we're mighty [57] glad.

The [1] mascot goat we own, so [2-] big and fat has grown,
[57] Wild and warlike, he's far more like, Our Sergeant [1] Major.

Now [1] we all have [2-] hobbies [57] nowa[1]days,
and [4] my hobby I [4] think is so di[1]vine.
I never [57] go out on a hike, play [6-] golf or ride a bike,
But [b27] here's how I spend all my [5] time, [57] you'll [2-] find [57] me

[1] Sitting on the [57] top of Blackpool [1] Tower
[1] When the evening [57] shadows [1] fall
[6-] There you'll find me [b37] hour after [6-] hour
While [b27] seagulls up above, drop [57] messages of [57] love

And [b27] when you're top o'[b27] tower
[1] by [57] gum it blows [4] and [57] blows

I'd [4] like to [4-] tell your future but your future's [1aug] all be[b67]hind
I've [b27] seen it from the [57] top of Blackpool [1] Tower [57] [2-] [57]

Down [1] there on the [17] sandhills I [4] hear a happy [2-] throng
[b27] One chap with his [b27] girlfriend [1] kept [57] bursting in [4]to [57] song
But [4] later on he [4-] sang, "Oh lor you [1] made the night [1aug] too [b67] long",

[1] Me Grandad was a fine old man, who [b67] lived to 93
And [b27] in his will he left his favourite [57] bowler [2-] hat to [57] me
[b37] When I go out wearing it, I [6-] feel a [b37] proper [6-] toff
[b27] It's so snug and comfy I [57] rarely [2-] take it [57] off

In the [1] bowler hat me grandad left to [b67] me

I [b27] felt so hot and sticky I [57] thought I'd [2-] cast a [57] clout
[1] Without a stitch I lay there [b67] lazily
Then [b27] three girl guides dropped down out of a [57] tree
When I [1] spotted the in[b37]trusion, I [6-] covered my con[2-]fusion
[57] With the [1] bowler hat me [57] grandad left to [1] me

With the [1] bowler hat me grandad left to [b67] me
The [b27] local club had quite a novel[57]ty
A [b37] lady did a fan dance and a [6-] lot of [b37] skin she'd [6-] got
[b27] When she waved those fans around you [57] couldn't [2-] see a [57] lot
[1] Then she tripped and fell down on one [b67] knee
Her [b27] fans were lost, it was a myste[1]ry
I said "you've [1] lost your [b37] fan dear, just [6-] do the best you [2-] can here
[57] With the [1] bowler hat me [57] grandad left to [1] me "

In the [1] bowler hat me grandad left to [b67] me
I [b27] met some friends and we went on a [57] spree
They [b37] saw me to the station, I [6-] climbed [b37] aboard the [6-] train
[b27] Then I had an experience I [57] never [2-] want [57] again
[1] There wasn't any corridors you [b67] see
My [b27] journey was from nine o'clock 'till [1] three
I'd had ten [1] pints of [b37] shandy, so [6-] one thing came in [2-] handy

Now I [1] know I'm not [b67] handsome, [b27] no good looks or wealth
But the [57] girls I chase say my plain face will [1] compromise their health.
Now I [1] know fellows worse than [b67] me bow- [b27] legged and boss-eyed
[b27] Walking out with lovely women clinging to their [57] side.
Now if [1] women like them like men like those,
[1] why don't [57] women like [1] me?

[4] Look at Empress Jose [57] phine,
the [b27] most attractive women that ever was [57] seen,
[1] Yet Napoleon short and [b67] fat,
[b27] captivates a lovely looking dame like [57] that
Now if [1] women like them like men like those -
[b27] why don't [57] women like [1] me?
Hey, hey, [b27] why don't women like [1] me?

Last [1] night I went I out walking, my [b27] intentions were to click
But the [57] sights I saw while walking out, they [1] nearly made me sick.
I must admit I saw some [b67] girls, [b27] attractive little dears
Arm in arm with ugly men with [57] cauliflower ears.
Now if [1] women like them like men like those - [b27] why don't [57] women like [1] me?

[4] What can the [1] attraction be, [b27] that's the thing that always starts to worry [1] me.
Al [1] though I haven't got a [b67] bean, I've [b27] got a lot of things that girls haven't [57] seen.
Now if [1] women like them like men like those - [b27] why don't [57] women like me?
Hey, [b67] hey, [b27] why don't [57] women like [1] me? [57]

Now I [1] went for my holidays down [b27] to the gay seaside,
I saw a lot of [57] things there being [1] hidden by the tide.
The way some women [b67] jumped a [b27] round the man there in the sea
Made me think that there is still a good [57] chance left for me.
'Cause if [1] women like them like men like those, [b27] why don't [57] women like [1] me

Now if [1] women like them like men like those, [b27] why don't [57] women like [1] me?
[4] Take Lord Nelson with [1] one limb, [b27] Lady William Hamilton she fell for [57] him.
With [1] one eye and one arm gone [b67] west,
She [b27] ran like the devil and she grabbed the [57] rest.
Now if [1] women like them like men like those,
[b27] why don't [57] women like [1] me?

Hey, [b67] hey - why don't [57] women like [1] me? [57] [1]

GF - You Don't Need a License For That

[1] If you've a pub or a small hotel, [b67] you need a license for all you sell
You [57] may think I'm ro [1]mancing, but
[b27] they even tax you for [57] singing and dancing.
[1] You need a [b37] license [b6] whatever you [1] do,
[b6] one or two [b67] things they've [2-] exempted it's [57] true,
[1] Lumbago, the gout or a [b37] touch of the [b67] flu,
you [b27] don't need a license for [57] that.

Now [1] I've got a [b37] license for [b6] chickens to [b67] lay,
[b6] one of them [b67] sat on a [2-] brick yester [57]day,
And [1] then started clucking, as [b37] much as to [b67] say,
he [b27] won't need a [57] license for [1] that.

[b37] We'd have a good time, a wines in the wood time,
[b67] if it were duty free.
[b27] We'd cut the taxes, with our battle-axes,
then roll out the barrel for [57] me.

[1] Dairies must [b37] license you [b6] bet on your [b67] life,
If [b6] you've a [b67] cow then there's [2-] trouble and [57] strife
As [1] Farmer Dean said when he [b37] looked at his [b67] wife,
"By gum [b27] I'll not need a [57] license for [1] that!"

[1] You need a [b37] license for [b6] shooting down [b67] game,
But [b6] I'd rather [b67] flirt with a [2-] beautiful [57] dame,
Cause [1] I get the sport with the [b37] birds just the [b67] same
And I [b27] don't need a [57] license for [1] that

[1] We sit in the pictures, as warm as a glove,
[b67] in the back row of the circle above,
[b27] Two bob's worth of dark and a [57] basin of [1] love
and I [b27] don't need a license for [57] that.

[b37] We'd have a good time, a wines in the wood time, [b67] if it were duty free.
[b27] We'd cut the taxes, with our battle-axes, then roll out the barrel for [57] me.

[1] Fishing at [b37] Richmond is [b6] licensed by [b67] law,
A [b6] chap to his [b67] girl said, "Now [2-] you hold your [57] jaw".
You [1] know exactly what [b37] I'm fishing [b67] for,
and I [b27] don't need a license for [57] that.
No sir, I [b27] don't need a [57] license for [1] that

I'd give [b6-7] up without a shock, my [4] stick of Blackpool Rock
[4-6] Although it gives me lots of [1] fun.
I can [4] do without my pipe or my [2-] weekly plate of tripe
For you're [b2-7] everything rolled into [4-6] one.
[57] I [1] can do without my boots or [6-] without my swimming suit,
I'd [4] undress in the [b37aug] sea, [b37] brrrrr
I [b2-7] don't need [4-6] anything [1] so long as I've got [b67aug] you,

[1] Well, I took a stroll on the [1] old long walk, on a [1] day -l- ay-l- [4] ay
I [1] met a little girl and we [4] stopped to [1] talk, of a fine soft [57] day -l- [1]ay
And I [4] ask you [1] friend [1sus4]-[1], what's a [4] fella to [1] do [1sus4]-[1]
'Cause her [6-] hair was [1] black and her [57] eyes were [1] blue [1sus4]-[1]
And I [4] knew right [1] then [1sus4]-[1], I'd be [4] takin' a [1] whirl [1sus4]-[1]

And I [4] ask you [1] now [1sus4]-[1], tell me [4] what would you [1] do [1sus4]-[1]

On a [1] warm summer's evenin' on a [4] train bound for [1] nowhere,
I met up with the gambler; we were both too tired to [5] sleep.
So [1] we took turns a starin' out the [4] window at the [1] darkness
'til [4] boredom over [1] took us, and [5] he began to [1] speak.

He said, [1] "Son, I've made a life out of [4] readin' people's [1] faces,
and knowin' what their cards were by the way they held their [5] eyes.
And if [1] you don't mind my sayin', I can [4] see you're out of [1] aces.
For a [4] taste of your [1] whiskey I'll [5] give you some [1] advice."

So I [1] handed him my bottle
and he [4] drank down my last [1] swallow.
Then he bummed a cigarette and asked me for a [5] light.
And the [1] night got deathly quiet,
and his [4] face lost all ex[1]pression.
Said, "If you're [4] gonna play the [1] game, boy,
ya gotta [5] learn to play it [1] right.

You got to [1] know when to hold 'em, [4] know when to [1] fold 'em,
[4] know when to [1] walk away and know when to [5] run.
You never [1] count [2-] your [1] money when you're [4] sittin' at the [1] table.
There'll be [4] time enough for [1] countin' [5] when the dealin's [1] done.

[1] Ev'ry gambler knows that the [4] secret to surv[1]ivin'
is knowin' what to throw away and knowing what to [5] keep.
'Cause [1] ev'ry hand's a winner and [4] ev'ry hand's a [1] loser,
and the [4] best that you can [1] hope for is to [5] die in your [1] sleep."

And [1] when he'd finished speakin', he [4] turned back towards the [1] window,
crushed out his cigarette and faded off to [5] sleep.
And [1] somewhere in the darkness the [4] gambler, he broke [1] even.
But [4] in his final [1] words I found an [5] ace that I could [1] keep.

You got to [1] know when to hold 'em, [4] know when to [1] fold 'em,
[4] know when to [1] walk away and know when to [5] run.
You never [1] count [2-] your [1] money when you're [4] sittin' at the [1] table.

Never meaning what they [4] say now, [57] never saying what they [1] mean
And they wile away the hours, in their ivory [57] towers
Till they're covered up with [4] flowers, in the [57] back of a black limous- [1] ine

Chorus:
[1] La-da da, da-da da.., da da
La-da da, da-da da.., [57] da-dee
Talking 'bout [4] you and me
[57] And the games people [1] play

Till they're covered up with [4] flowers, in the [57] back of a black limous- [1] ine

Chorus

Oh we make one another cry, break a heart then we [57] say goodbye
Cross our hearts and we [4] hope to die, [57] that the other was to [1] blame
Neither one will ever give in, so we gaze at our [57] eight by ten
Thinking 'bout the things that [4] might have been

[1] Oh the games people play now, every night and every [57] day now

And they're trying [4] to sock it to you, [57] in the name of the [1] Lord
They're gonna teach you how to meditate, read your horoscope, [57] cheat your fate
And further more to [4] hell with hate,

Chorus

Look around tell me what you see, what's happening to [57] you and me
God grant me the ser- [4] enity, [57] to remember who I [1] am

[1] I went to a garden [4] party to remi-[1]nisce with my old [4] friends
[1] A chance to share old memories [4] and play our [5] songs a-[1]gain.
[1] When I got to the garden [4] party, [1] they all [5] knew my [4] name,
But [1] no one [5] recog-[1]nised me, I [4] didn't [5] look the [1] same.

[1] Yoko brought her walrus. There was [4] magic [5] in the [1] air.
[1] And over in the [4] corner, [1] much to my [4] surprise,

[1] I played them all the [4] old songs, I [1] thought that's why they [4] came.
[1] No one heard the music. [4] We didn't [5] look the [1] same.
[1] I said hello to [4] 'Mary Lou', [1] she belongs to [4] me.
When I [1] sang a [5] song about a [1] honky tonk, [4] it was [5] time to [1] leave.

[1] But it's [4] all [5] right [1] now. I [4] learned my [5] lesson [1] well.

[1] Someone opened up the [4] closet door and [1] out stepped Johnny B [4] Goode,
[1] Playing guitar like a ringin' a bell and [4] lookin' [5] like he [1] should.
[1] If you gotta play at garden [4] parties, I [1] wish you a lot of [4] luck
But if [1] memo-[5]ries are [1] all I sang, [4] I'd rather [5] drive a [1] truck.

[1] But it's [4] all [5] right [1] now. I [4] learned my [5] lesson [1] well.
You see you [4] can't please [1] everyone, so you [4] got to [5] please your-[1]self.

Gas Man Cometh [F], The

[5] 'Twas [1] on a Monday morn [5]ing the [1] gas man [57] came to [1] call.
The [57] gas tap wouldn't [1] turn ? I wasn't [5] getting gas at [57] all.
He [1] tore out all the [4] skirting boards to [b2] try and find the [57] main
And I [57] had to call a [1] carpenter to [b2] put them back [1] again.

[1] Oh, it all makes [b2] work for the [1] working man to do.

[5] 'Twas [1] on a Tuesday morn [5]ing the [1] carpen [57]ter came [1] round.
He [4] hammered and he [1] chiselled and he said:
[5] "Look what I've [57] found: your [1] joists are full of [4] dry rot
But I'll [b2] put them all to [57] rights".
Then he [57] nailed right through a [1] cable and [5] out went all the [1] lights!

[1] Oh, it all makes [b2] work for the [1] working man to do.

[5] 'Twas [1] on a Wednesday morn [5]ing the [1] elec [57]trician [1] came.
He [57] called me Mr. [1] Sanderson, which [b2] isn't quite the [57] name.
He [1] couldn't reach the [4] fuse box without [b2] standing on the [57] bin
And his [57] foot went through a [1] window so I [b2] called the glazier [1] in.

[1] Oh, [57] it [1] all makes work for the working man to do.

[5] 'Twas [1] on a Thursday morn [5]ing the [1] glaz [57]ier came [1] round
With his [4] blow torch and his [1] putty
and his [b2] merry [b7-] glazier's [57] song.
He [1] put another [4] pane in - it [b2] took no time at [57] all
But I [57] had to get a [1] painter in to [5] come and paint the [1] wall.

[1] Oh, it all makes [b2] work for the [1] working man to do.

[5] 'Twas [1] on a Friday morn [5]ing the [1] painter [57] made a [1] start.
With [57] undercoats and [1] overcoats he [b2] painted every [57] part:

'Twas [1] on a Monday morn[5]ing the [1] gas man [5] came to [1] call.
The [4] gas tap wouldn't [1] turn ? I wasn't [b2] getting gas at [5] all.
He [1] tore out all the [5] skirting boards to [b67] try and find the [4] main
And I [4] had to call a [1] carpenter to [5] put them back a[1]gain.

[1] Oh, it all makes [b2] work for the [57] working man to [1] do.

'Twas [1] on a Tuesday morn[5]ing the [1] carpen[5]ter came [1] round.
He [4] hammered and he chiselled and he [2-] said: "Look what I've [5] found:
Yo u r [1] joists are full of [5] dry rot
But I'll [4] put them all to [2-] rights".
Then he [b7] nailed right through a [1] cable
and [5] out went all the [1] lights!

[1] Oh, it all makes [b2] work for the [57] working man to [1] do.

'Twas [1] on a Wednesday morn[5]ing the [1] elec[5]trician [1] came.
He [4] called me Mr. [1] Sanderson, which [b2] isn't quite the [5] name.
He [1] couldn't reach the [5] fuse box without [b67] standing on the [4] bin
And his [4] foot went through a [1] window
so I [5] called the glazier [1] in.

[1] Oh, it all makes [b2] work for the [57] working man to [1] do.

'Twas [1] on a Thursday morn[5]ing the [1] glaz[5]ier came [1] round
With his [4] blow torch and his [1] putty
and his [b2] merry [b1-] glazier's [5] song.
He [1] put another [5] pane in - it [4] took no time at [2-] all
But I [4] had to get a [1] painter in to [5] come and paint the [1] wall.

[1] Oh, it all makes [b2] work for the [57] working man to [1] do.

'Twas [1] on a Friday morn[5]ing the [1] painter [5] made a [1] start.

[1] Fair and lovely Annie, your gentle [5] ways have [1] won me
You bring peace and [5] joy and [6-] laughter every-[2-]where [57]
Where you [1] go the sunshine [6-] follows, you're a [3-] breath of [2-] spring in [1] winter
And my [1] heart and soul are [5] always in your [1] care [17]

Gentle Ann-[6-]ie, gentle [3-] Annie
And my [1] heart and soul are [5] always in your [1] care [57]

When you [4] touch me with your [1] fingers, my [4] cares and worries [1] vanish
like the morning [5] dew [6-] before the rising [2-] sun [57]
When your [1] eyes tell me you [6-] love me and my [3-] soul is [2-] filled with [1] wonder
And my [1] love for you will [5] live when life is [1] done [17]

Gentle Ann-[6-]ie, gentle [3-] Annie
And my [1] love for you will [5] live when life is [1] done [57]

[1] You're a [4] flower among the [1] flowers, you're the [4] bird song in the [1] morning
You're the laughter of the [6-] children at their [2-] play [57]
You're my [1] hope, and joy, and [6-] wisdom, you're my [3-] reason [2-] just for [1] living

A good alternative from Stephen Hayes

It's [1] knowing that your [1maj7] door is always [16] open
And your [1maj7] path is free to [2-] walk [4aug] [4] [4aug]
That [2-] makes me tend to [4aug] leave my sleeping [4] bag
Rolled up and [57] stashed behind your [1] couch [1maj7] [16] [1maj7]

And it's [1] knowing I'm not [1maj7] shackled
by for-[16]gotten words and [1maj7] bonds
And the [1] ink stains that have [1maj7] dried if on some [2-] line [4aug] [4] [4aug]
That [2-] keeps you in the [4aug] back-roads by the [4] rivers of my [57] memory
that [2-] keeps you ever [57] gentle on my [1] mind [1maj7] [16] [1maj7]

It's not [1] clinging to the [1maj7] rocks and ivy
[16] Planted on the [1maj7] columns now that [2-] binds me [4aug] [4] [4aug]
Or [2-] something that some-[4aug] body said
Be-[4]cause they thought we [57] fit together [1] walking [1maj7] [16] [1maj7]

It's just [1] knowing that the [1maj7] world will not be [16] cursing

And for [2-] hours you're just [57] gentle on my [1] mind [1maj7] [16] [1maj7]

[1] Though the wheat fields and the [1maj7] clothes lines
And the [16] junkyards and the [1maj7] highways come be-[2-]tween us [4aug] [4] [4aug]
And some [2-] other woman's [4aug] cryin' to her [4] mother
Cause she [57] turned and I was [1] gone [1maj7] [16] [1maj7]

I [1] still might run in [1maj7] silence, tears of [16] joy might stain my [1maj7] face
And the [1] summer sun might [1maj7] burn me 'til I'm [2-] blind [4aug] [4] [4aug]
But [2-] not to where I [4aug] cannot see you [4] walkin' on the [57] backroads
By the [2-] rivers flowing [57] gentle on my [1] mind [1maj7] [16] [1maj7]

I [1] dip my cup of [1maj7] soup back from a [16] gurglin'
Cracklin' [1maj7] cauldron in [1] some [2-] train yard [4aug] [4] [4aug]
My [2-] beard a roughening [4aug] coal pile,
And a [4] dirty hat pulled [57] low across my [1] face [1maj7] [16] [1maj7]

Through [1] cupped hands 'round the [1maj7] tin can
I pre-[16]tend to hold you [1maj7] to my breast and [2-] find [4aug] [4] [4aug]
That you're [2-] wavin' from the [4aug] backroads by the [4] rivers of my [57] memories
Ever [2-] smilin' ever [57] gentle on my mind [1] [1maj7] [16] [1maj7] [1]

It's [1] of a Gentleman Soldier as a [5] sentry he did [1] stand
He saluted a fair maiden by a [5] waving of his [1] hand
So then he boldly [5] kissed her and he [4] passed it off as a [1] joke
He [1] drilled her up in the sentry box wrapped [5] up in a soldier's [1] cloak

> CHORUS
>
> And the [1] drums are going a [5] rat a tat, tat and the [4] fifes they loudly [1] play
> [1] Fare you well [6-] Polly my dear, I [5] must be going a-[1]way

All [1] night they tossed and tumbled till the [5] morning did a-[1]ppear
The soldier rose, put on his clothes, and [5] said farewell my [1] dear
For the drums are loudly [5] beating and the [4] fifes they sweetly [1] play
If it [1] weren't for that, Polly my dear, with [5] you I'd gladly [1] stay

> CHORUS
>
> And the [1] drums are going a [5] rat a tat, tat and the [4] fifes they loudly [1] play
> [1] Fare you well [6-] Polly my dear, I [5] must be going a-[1]way

If [1] anyone comes a courting you, you can [5] treat them to a [1] glass
If anyone comes a courting you, you can [5] say you're a country [1] lass
You don't have to [5] tell them, that you [4] ever played this [1] joke
That [1] you got drilled in a sentry box wrapped [5] up in a soldier's [1] cloak

> CHORUS
>
> And the [1] drums are going a [5] rat a tat, tat and the [4] fifes they loudly [1] play
> [1] Fare you well [6-] Polly my dear, I [5] must be going a-[1]way

Now [1] come you Gentleman Soldier, [5] won't you marry [1] me?
Oh no my dearest Polly this [5] thing can never [1] be
For I've a wife al-[5]ready and [4] children I have [1] three
Two [1] wives are allowed in the army, but [5] one's too many for [1] me

> CHORUS
>
> And the [1] drums are going a [5] rat a tat, tat and the [4] fifes they loudly [1] play
> [1] Fare you well [6-] Polly my dear, I [5] must be going a-[1]way

Oh it's [1] come my Gentleman Soldier, why [5] didn't you tell me [1] so?
My parents will be angry when [5] this they come to [1] know
And when nine months had [5] been and gone the [4] poor girl she brought [1] shame
She [1] had a little militia boy and she [5] didn't know his [1] name

> CHORUS
>
> And the [1] drums are going a [5] rat a tat, tat and the [4] fifes they loudly [1] play
> [1] Fare you well [6-] Polly my dear, I [5] must be going a-[1]way

[1] [3-] [4] [5] x4

[1] Hey [3-] there, [4] Georgy [5] girl
[1] Swingin' down the [3-] street so [4] fancy-[5] free
[1] Nobody you [3-] meet could [4] ever see
The [b7] loneliness there [57] inside you
[1] Hey [3-] there, [4] Georgy [5] girl
[1] Why do all the [3-] boys just [4] pass you [5] by?
[1] Could it be you [3-] just don't [4] try
Or [b7] is it the [57] clothes you wear?
[6-] You're always [3-] window shopping
But [4] never stopping to [1] buy
[b3] So shed those [b6] dowdy [b2] feathers
And [5] fly [57] a little bit

[1] Hey [3-] there, [4] Georgy [5] girl
[1] There's another [3-] Georgy [4] deep [5] inside
[1] Bring out all the [3-] love you [4] hide and
[57] Oh, what a [6-] change there'd be [b6-7]
The [4] world would see a [57] new Georgy [1] girl
[1] [3-] [4] [5] x4

[1] Hey [3-] there, [4] Georgy [5] girl
[1] Dreamin' of the [3-] someone [4] you could [5] be
[1] Life is a re-[3-]a- li[4]ty, you [b7] can't always [57] run away
[6-] Don't be so [3-] scared of changing
And [4] rearranging your [1] self
[b3] It's time for [b6] jumping [b2] down
From the [5] shelf [57] a little bit

[1] Hey [3-] there, [4] Georgy [5] girl

Met a [1] man wearin' a [5] t-shirt, said " [4add9] Virginia is for [1] lovers"
Had a [1] bible in his [5] left hand and a [4add9] bottle in the [1] other
He said " [1] all you're really [5] given is the [4add9] sunshine and your [1] name"
[1] We both started [5] laughin' when the [4add9] sky started to [1] rain

Get a- [1] long on down the [5] road, we've got a [4add9] long, long way to [1] go
Scared to [b6-7] live, scared to [5] die, we ain't [4] perfect but we [1] try
Get a- [1] long while we [5] can, always give [4add9] love the upper [1] hand
Paint a [b6-7] wall, learn to [5] dance, call your [4] mom, buy a [1] boat
Drink a [1] beer, sing a [5] song, make a [4add9] friend, can't we [1] all, get along

INSTRUMENTAL

Drink a [1] beer, sing a [5] song, make a [4add9] friend, can't we [1] all, get along

Saw a [1] model on a [5] billboard, 1- [4add9] 800-get-to- [1] know-me
Wonderin' [1] was she photo- [5] shopped or were her [4add9] eyes really that [1] lonely?
[1] Did she leave her [5] hometown thinkin' [4add9] she'd end up in [1] L.A.?
Did she [1] break down in the [5] desert and get [4add9] stuck beside the [1] highway?

Get a- [1] long on down the [5] road, we've got a [4add9] long, long way to [1] go

We [1] still don't know what [5] love is but we [4add9] sure know what it's [1] not,

Sometimes you got to:
Get a- [1] long on down the [5] road, we've got a [4add9] long, long way to [1] go

[1] I left home for the bright lights,
to find some city night life
you're a [4] fool boy is what my mama [5] said,

[5] But from those harbour lights I strayed
Down the [1] Gardiner Expressway
in [b2] old familiar footsteps did I [5] tread

In these [1] shoes all worn and tattered,
with a heart so blue and shattered
seemed like [4] everything that mattered once was [5] dead

[5] Cause you could spend, spend and spend
and never get back change
Your're a [4] fool boy is [5] what my mama [1] said.

[4] [5] [1]
[1] So here's to Roy, Dick and Harry
Cause it helped ease the worry
that you [4] naturally feel so far from [5] home

[5] And if its not the way you're brought up,
it's [1] easy to get caught up
in a [b2] life thats bound to leave you all a-[5]lone

In this [1] suit of empty pockets,
there's a face inside a locket
hopes that [4] I don't have to hock it, for a [5] bed

[5] Cause you could spend, spend and spend
and never get back change
Your're a [4] fool boy is [5] what my mama [1] said.

Yeah you could [5] spend, spend and spend,
and never get back change
Your're a [4] fool boy is [5] what my mama [1] said.

the fast Toronto night life
Your're a [4] fool boy ... [5]

[1] I'm getting married in the morning
[1] Ding dong the bells are gonna chime
[5] Pull out the stopper let's have a whopper
But get me to the [5] church on [1] time

[1] I gotta be there in the morning
[1] Spruced up and looking in my prime
[5] Girls come and kiss me show how you'll miss me
But get me to the [5] church on [1] time

[1] If I am [4] dancing roll up the [1] floor
[1] If I am [b27] whistling (whistle) me out the [5] door

[1] I'm getting married in the morning
[1] Ding dong the bells are gonna chime
[4] Kick up a rumpus but [5] don't lose the compass
And [1] get me to the church
[1] Get me to the church
[1] Be sure and get me to the [57] church on [1] time

[1] I'm getting married in the mornin'
[1] Ding dong the bells are gonna chime
[5] Some bloke who's able lift up the table
[5] And get me to the church on [1] time

[1] If I am [4] flyin' then shoot me [1] down
[1] If I am [b2] wooin' get her out of [5] town

For [1] I'm getting married in the morning
[1] Ding dong the bells are gonna chime
[4] Feather and tar me [5] call out the army
But [1] get me to the church
[1] Get me to the church
[5] For Gawd's sake get me to the [57] church on [1] time

I-[b2]maginin' the [1] world has [5] stopped [1] [b2] [1]
Then [5] in flies a [1] guy
Who's all dressed [b2] up just like a [1] Union [5] Jack [1] [b2] [1]
And says [5] I've won five [1] pounds if I have
[b2] His kind of [1] detergent [5] pack [1] [b2] [1]

The [5] telephone is [1] ringin'

A [5] voice says hi hel-[1]lo how are you
[b2] Well I guess that [1] I'm doin' [5] fine [1] [b2] [1]
He says it's [5] three am there's [1] too much noise
Don't you [b2] people ever want to [1] go to [5] bed [1] [b2] [1]
Just cause [5] you feel so [1] good
Do you have to [b2] drive me [1] out of my [5] head [1] [b2] [1] I said

It was [5] so very quiet and [1] peaceful
There was [b2] nobody not a [1] soul a-[5]round [1] [b2] [1]
I [5] laid myself [1] down
I was so [b2] tired and I [1] started to [5] dream [1] [b2] [1]

The [1-] floorboards creak, the [3] bedsprings squeak,
a [77] cold wind blows [1-] across my cheek
All [77]night I lie here [5-] haunted by your [1-] ghost [b57]

The [1-] shadows crawl a[3]cross the wall,
the [77] clock ticks loudly [1-] in the hall,
but [77] all that I can [5-] visualise...your [1-] ghost

Through the [77] darkness I stare
in a [1-] depth of despair
'cause I [b27] know you're not there
but I [b5] swear I see you [b57] everywhere

All [1-] I can see are [3] memories,
[77] endlessly tor[1-]menting me,
I [77] find my mind is [5-] blinded by your [1-] ghost [b57]

I [1-] go to bed to [3] rest my head
but [77] find that I'm pos[1-]sessed instead
by [77] visions, appar[5-]itions of your [1-] ghost

I thought [77] you'd disappear,
if I [1-] just persevered,
but I [b27] can't shake this fear,
'cause it's [b5] been a year and [b57] you're still here

I [1-] can't undo my [3] thoughts of you,
so [77] every night they [1-] start anew
I [77] lie awake and [5-] cannot shake your [1-] ghost [b57]

My [1-] heart once raced to [3] see your face
but [77] now there's just an [1-] empty space
be[77]side me, and in[5-]side me, just your [1-] ghost

[1-] An old cowboy went riding out one [3] dark and windy day
[1-] Upon a ridge he rested as he [3] went along his [b57] way
[1-] When all at once a mighty herd of red-eyed cows he saw
[6] Plowing through the ragged skies and [1-] up a cloudy draw

Yipie i-[3]oh Yipie i-[1-]ay [6] ghost riders in the [1-] sky

[1-] Their brands were still on fire and their [3] hooves were made of steel
Their [1-] horns were black and shiny
and their [3] hot breath he could [b57] feel
A [1-] bolt of fear went through him as they thundered through the sky
[6] For he saw the riders coming hard and he[1-] heard their mournful cry

Yipie i-[3]oh Yipie i-[1-]ay [6] ghost riders in the [1-] sky

[1-] Their faces gaunt their eyes were blurred
and their [3] shirts all soaked with sweat
He's [1-] riding hard to catch that herd but [3] he ain't caught 'em [b57] yet
Cause [1-] they've got to ride forever on that range up in the sky
On [6] horses snorting fire as they [1-] ride on hear their cry

[1-] As the riders loped on by him he [3] heard one call his name
If you [1-] want to save your soul from hell a [3] riding on our [b57] range

Intro: [1-] Vamp till ready

[1-] An old cowpoke went riding out one [3] dark and windy day
U[1-]pon a ridge he rested as he [3] went along his [b57] way
When [1-] all at once a mighty herd of red-eyed cows he saw
A'[6] plowin' through the ragged skies [4-] and [1-] up a cloudy draw

[1-] Yi-pi-yi-[3] ay, Yi-pi-yi-[1-] o
[6] Ghost riders [4-] in the [1-] sky

[1-] Their brands were still on fire and their [3] hooves were made of steel
[1-] Their horns were black and shiny and their [3] hot breathe he could [b57] feel
A [1-] bolt of fear went through him as they thundered through the sky
For he [6] saw the riders comin' hard [4-] and he [1-] heard their mournful cry

[1-] Yi-pi-yi-[3] ay, Yi-pi-yi-[1-] o
[6] Ghost riders [4-] in the [1-] sky

[1-] Their faces gaunt, their eyes were blurred, and [3] shirts all soaked with sweat
[1-] They're ridin' hard to catch that herd but [3] they ain't caught them [b57] yet
They've [1-] got to ride forever in that range up in the sky
On [6] horses snortin' fire, [4-] as they [1-] ride on, hear their cry

[1-] Yi-pi-yi-[3] ay, Yi-pi-yi-[1-] o
[6] Ghost riders [4-] in the [1-] sky

[4] [1] [57] [1] (whistle) [4] [1] [57] [1] x2

Verse 1:
[4] Early this [1] morning I [57] woke from a [1] dream
I [4] dreamt of a [1] valley that [57] I'd never [1] seen
A [4] magical [1] place in a [57] faraway [1] land
With a [4] gingerbread [1] house and a [57] gingerbread [1] man

Middle 1:
[57] He seemed to [1] know me, [57] to my sur-[1] prise
The [57] gingerbread [1] man was in-[b27] credibly [57] wise

Verse 2:
We [4] walked through that [1] valley and [57] sat by a [1] stream
He [4] told me that [1] nothing's as [57] bad as it [1] seems
[4] Nothing is [1] perfect and [57] nothing will [1] last
[4] Live in the [1] moment but [57] cherish the [1] past

*Musical interlude (whistle) [4] [1] [57] [1] x2

Middle 2:
He [57] told me that [1] life gets [57] harder to [1] live
When-[57] ever we blame and [b27] never for-[57] give

Verse 3:
And [4] now as I [1] lie here a-[57] wake in my [1] bed
[4] I can re-[1] call every [57] word that he [1] said
"What-[4] ever you [1] do, do the [57] best that you [1] can"
[4] That's what he [1] told me, the [57] gingerbread [1] man.

*Musical interlude (whistle) [4] [1] [57] [1] x2 [1]

Bridge:
And he said: [2-] "Sometimes life won't go to plan, it [1] happens.
If [2-] someone asks for help some day, it [5] could be you, don't [57] turn away."

Verse 4 and tag:
So what-[4] ever you [1] do, do the [57] best that you [1] can
[4] That's what I [1] learned from the [57] gingerbread [1] man
It was [4] only a [1] dream in a [57] faraway [1] land
But [4] we can all [1] learn from the [57] gingerbread [1] man.
"What-[4] ever you [1] do, do the [57] best that you [1] can"
Yes [4] we can all [1] learn from (slowing) the [57] gingerbread [1] man (pause)

Girl From The Hiring Fair

[1-] I went down to the [6] hiring fair, [3] for to sell my [7] labour,
and I [1-] noticed a maid in the [6] very next row
and [5-] hoped that she'd be my [6] neighbour.
Im-[3]agine then oh [7] my delight when the [1-] farmer picked us [6] both. [7]
I [3] spoke not a word in the [6] cart to the [1-] farm
but my heart [7] beat in my [1-] throat. [6]

My [1-] lodging was dry and my [6] master fair and [3] I gave him full [7] measure,
But my [1-] envy grew like the [6] corn in the field
for [5-] in his house was my [6] treasure.
And I'd [3] watch her carry [7] water or [1-] drive cows from the [6] byre, [7]
And the [3] heat from the sun made the [6] corn grow [1-] strong
and with it [7] my de-[1-]sire [6] [1-] [6]

I'd [1-] see her in my [6] dreaming and [3] in my dreams ca-[7]ress.
Her [1-] eyes her lips and her [6] dark brown hair,
the [5-] curves beneath her [6] dress.
When [3] harvest time it [7] came at last so [1-] heavy was the [6] task [7]
That the [3] women and the men worked [6] side by [1-] side
and I had her [7] near at [1-] last.

[6] [1-] [6] [1-] [6]
So [1-] I swung harder [6] with my scythe few [3] words between us [7] passed,
And I [1-] cursed my tongue tied [6] youthfulness
and I [5-] hoped that she'd hear my [6] heart.
When [3] all was safely [7] gathered in and [1-] we sat down to [6] rest [7]
My [3] trembling fingers [6] touched her [1-] arm
and she placed them [7] on her [1-] breast. [6]

And she [1-] turned to me as the [6] sun went down
and [3] all my senses [7] reeled,
As [1-] we lay there on the [6] scented ground
and the [5-] moon rose over the [6] field.

[3] [7] [1-] [6] [7] [3] [1-] [7] [1-]
[1-] She was safely [6] gathered in my [3] arms when from the [7] barn
[1-] Drifted the sound of the [6] violin
and we [5-] hurried back to the [6] farm.
And [3] all were dancing in the [7] lantern light and [1-] music filled the [6] air [7]
And I [3] thanked my stars for the [6] harvest [1-] moon
and the girl from the [7] hiring [1-] fair. [6] [1-] [6]

And [3] all were dancing in the [7] lantern light and [1-] music filled the [6] air, [7]
And I [3] thanked my stars for the [6] harvest [1-] moon,
and the girl from the [7] hiring [1-] fair.

[6-] Well, if you're travelin' in the [5] north country [1] fair,
[1] Where the [6-] winds hit heavy on the [5] border-[1]line,
[6-] Remember me to [4] one who lives [1] there.
[1] She once [6-] was a [5] true love of [1] mine.

[6-] Well, if you go when the [5] snowflakes [1] storm,
[6-] When the rivers freeze and [5] summer [1] ends,
[6-] Please see if she's wearing a [4] coat so [1] warm,
[6-] To keep her from the [5] howlin' [1] winds.

[6-] Please see for me if her [5] hair hangs [1] long,
[6-] If it rolls and flows all [5] down her [1] breast.
[6-] Please see for me if her [4] hair hangs [1] long,
[6-] That's the way [5] I remember her [1] best.

[6-] I'm a-wonderin' if she re-[5]members me at [1] all.
[6-] Many times I've [5] often [1] prayed
[6-] In the darkness [4] of my [1] night,
[6-] In the brightness [5] of my [1] day.

[6-] So if you're travelin' in the [5] north country [1] fair,
[6-] Where the winds hit heavy on the [5] border-[1]line,
[6-] Remember me to [4] one who lives [1] there.
[6-] She once was a [5] true love of [1] mine.

With a [5] girl named Linda Lou
When [1] in walked a man with a gun in his hand
[b27] Looking for you know [5] who
He said, [1] "Hey there, fellow with the hair colored yellow
[4] Whatcha tryin' to [b27] prove?
'Cause [1] that's my woman there and I'm a man who cares
And this [5] might be all for [1] you"
I said, "Excuse me" [1] [5] [1] [5] [1]

[1] I was scared and fearing for my life
I was shaking like a [5] leaf on a tree
'Cause [1] he was lean, mean, big and bad, Lord
[b27] Pointin' that gun on [5] me
"Oh, [1] wait a minute, mister I didn't even kiss her
[4] Don't want no trouble with [b27] you
And I know you don't [1] owe me but I wish you'd let me
[5] Ask one favor from [1] you"

" [1] Just gimme three steps, gimme three steps, mister
Gimme [5] three steps toward the [1] door?
[1] Gimme three steps, gimme three steps, mister
And you'll [5] never see me no [1] more"
For, sure

Well the [1] crowd cleared away, and I be [1]gan to pray
And the [5] water fell on the floor
And I'm [1] telling you, son, well, it ain't no fun
Staring [b27] straight down a forty- [5]four
Well, he [1] turned and screamed at Linda Lou
and [4] that's the break I was looking [b27] for
Well, you could [1] hear me screaming a mile away
I was [5] headed out toward the [1] door

" [1] Oh, won't you gimme three steps, gimme three steps, mister
Gimme [5] three steps toward the [1] door?

Well, [1] somebody robbed the Glendale train
This [4] mornin' at half past [1] nine
[1] Somebody robbed the Glendale train
And I [b27] swear, I ain't [5] lyin'
They [1] made clean off with sixteen gees
And left [4] two men lyin' [1] cold
[1] Somebody robbed the Glendale train
And they [5] made off with the [1] gold

Now, [1] Charlie Jones was the engineer,
He had [4] twenty years on the [1] line
He [1] kissed his wife at the station gate
This [b27] morning at six thirty [5] five
[1] Everything went fine till a half past nine
When [4] Charlie looked up and he [1] saw
There was [1] men on horses, men with guns,
And [5] no sign of the [1] law

And [1] somebody robbed the Glendale train
This [4] mornin' at half past [1] nine
[1] Somebody robbed the Glendale train
And I [b27] swear, I ain't [5] lyin'
They [1] made clean off with sixteen gees
And left [4] two men lyin' [1] cold
[1] Somebody robbed the Glendale train
And they [5] made off with the [1] gold

[1] Amos White was the baggage man
and he [4] dearly loved his [1] job
The [1] company, they rewarded him,
With a [b27] golden watch and [5] fob
Well, [1] Amos he was a markin' time
when the [4] door blew off his [1] car
They [1] found Amos White in fifteen pieces
[5] Fifteen miles a- [1] part

And [1] somebody robbed the Glendale train
This [4] mornin' at half past [1] nine
[1] Somebody robbed the Glendale train
And I [b27] swear, I ain't [5] lyin'
They [1] made clean off with sixteen gees
And left [4] two men lyin' [1] cold
[1] Somebody robbed the Glendale train

I said, [1] somebody robbed the Glendale train

Intro: [1] [6-] [b2-7] [57] ....until ready

You've got to [1] give a little, [57] take a little,
[1] let your [17] poor heart [4] break a little.
[1] That's the [6-] story of, [b2-7] that's the [57] glory of [1] love.
[6-] [b2-7] [57]

You've got to [1] laugh a little, [57] cry a little,
[1] before the [17] clouds roll [4] by a little.
[1] That's the [6-] story of, [b2-7] that's the [57] glory of [1] love.
[4-] [1] [17]

As [4] long as there's the two of us,
[1] we've got the world and all it's charms
And [4-] when the world is through with us,
[b27] we've got each other's [b2-7] arms [57].

You've got to [1] win a little, [57] lose a little,
[1] and always [17] have the [4] blues a little.
[1] That's the [6-] story of, [b2-7] that's the [57] glory of [1] love.

Repeat full song

Outro:
[1] That's the [6-] story of, [b2-7] that's the [57] glory of ...
[1] That's the [6-] story of, [b2-7] that's the [57] glory of ...

(Slow) [1] That's the [6-] story of,
[b2-7] that's the [57] glory of [1] love.

It's getting better :-)

[3] A year ago, last Thursday, I was [7] strolling in the zoo
when I [4-] met a man who [7] though he knew the [3] lot.
He was [b27] laying down the [5-] law about the habits of [b27] baboons
And the number of [4-] quills a porcupine has [7] got.
So I asked him:
" [3] What's that creature [7] there?"
He [4-] answered, "Oh, it's a [6] h'Elk"
I [5-] might of gone on [1-] thinking that was [4-] true
If the animal in question hadn't [b1] put that chap to [1-] shame
And re- [5-] marked, " [6] I h'aint a h'Elk, I'm a G [b57] nu"

[b1] "I'm a Gnu, I'm a Gnu
The g-nicest work of g-nature in the [b2-] zoo
I'm a Gnu, [b7] how do you [b2-] do
You [b7] really ought to k-now w-ho's w- [b2-] ho's
[b1] I'm a Gnu, spelt G-N-U
I'm g- [b57] not a Camel [b1] or a Kangaroo
[7] So [b2-] let me intro- [b1] duce
I'm g- [7] neither man or [b7-] moose
Oh g- [b27] no g- [5-] no g-no I'm a G [b1] nu"

[3] Well, I had taken furnished [3-] lodgings down at [7] Rustington-on-Sea
[b1] Whence I travelled [1-] on to Ashton-under- [b2-] Lyne
And the [b27] second night I [5-] stayed there I was [b27] woken from a dream
That I'll [4-] tell you all about some other [7] time
Among the hunting [3] trophies on the wall above my [7] bed
[3] Stuffed and [6] mounted, was a [5-] face I thought I [4-] knew;
A Bison? No, it's not a Bison.
An Okapi? Unlikely, Could it [b1] be a [1-] Hartebeest?
When I though I heard a voice...

[b1] "I'm a Gnu, I'm a Gnu, a g-nother gnu
I wish I could g-nash my teeth at [b2-] you
I'm a Gnu, [b7] how do you [b2-] do
You [b7] really ought to k-now w-ho's w- [b2-] ho's
[b1] I'm a Gnu, spelt G-N-U
Call me [b57] Bison or Okapi and I'll [b1] sue
G- [b27] nor am I the least like that [1-] dreadful Hartebeest,
Oh g- [b27] no g- [5-] no g-no I'm a G [b1] nu
g- [b27] no g- [5-] no g-no I'm a G [b1] nu

I [57] bought a brand new motor
And I'm [4] waitin' for a loan
So I can [57] fill her up and start her
Then I'm [b3] going [b2] back [1] home [16] [17] [16]
[1] [16] [17] [16]

[1] I got a girl, [16] [17] [16]
[1] A man's best friend [16] [17] [16]
[1] I'd have her now [16] [17] [16]
If she'd [1] just come back a-[17]-gain
But [4] she left me in the fog [46] [47]
[4] Told me that I treat her like a [1] dog [16] [17] [16]
[1] [16] [17] [16]
The [57] last time that I saw her
She was [4] buryin' a bone
I'm [57] tired of whistlin' for her
So I'm [b3] going [b2] back [1] home [16] [17] [16]

We [1] watched his TV [16] [17] [16]
And we [1] drank a little [17] gin
Then [4] I float on down the street [46] [47]
[4] Smilin' at the faces that I [1] meet [16] [17] [16]
[1] [16] [17] [16]
[57] That was back this morning
Now I'm [4] dizzy, sick and stoned

Intro: [1] x (2 - 8 bars - you pick)

[4] Spent my days with a woman unkind,
Smoked my stuff and drank... all my [1] wine [1] x3
[4] Made up my mind to make a new start,
Going to California with an aching... in my [1] hea-rt. [1] x3
[4] Someone told me there's a girl out there
With love in her eyes and flowers... in her [1] hair-air [1] x3
[1-] [4] [1] [1] [1-] [4] [1] [1] [1]
[4] Took my chances on a big jet plane,
Never let them tell you that they're all-all-all the [1] same [1] x3
Oh.. [4] The sea was red and the sky was grey,
Wondered how tomorrow... could ever follow to- [1]day-ay-ay [1] x3
[4] The mountains and the canyons started to tremble and shake
The children of the sun began to a- [1]wake. [1] (watchout) [1] x2

[1-] It seems that the wrath of the gods
Got a punch on the nose and it started to flow;
I think I might be [57] sinking [5] x3
[1-] Throw me a line if I reach it in time
I'll meet you up there where the path
Runs straight and [57] high [5] x3
[1] [1] [1] [1]
[4] To find a queen without a king;
They say she plays guitar and cries and [1] sings [1] La-la-la [1] x3
[4] Ride a white mare in the footsteps of dawn
Tryin' to find a woman whos never, never, never been [1] born [1] x3
[4] Standing on a hill in my mountain of dreams,
Telling myself its not as hard, hard, hard as it [1] seems [1] x3

[1-] I went up for my interview on the [3] fourth [b57] day of [1-] July
Personnel man, he questioned me un- [3]til I nearly [1-] cried
Made me fill in forms un- [3]til I shook with [1-] fear
A- [1-]*bout the colour of my [1-]* toilet roll and [3] if my [b57] cousin's [1-] queer

" [1-] Here's your gold watch and the [3] shackles [b57] for your [1-] chain
[1-] And your piece of paper to [3] saying that your [1-] sane"
" [1-] And if you've a son who [3] wants a good [1-] career
Just [1-]* get him to sign on the [1-]* dotted line and [3] work for [b57] fifty [1-] years"

[1-] He asked me how many [3] jobs I'd [b57] had [1-] before
He nearly had a heart attack [3] when I answered, [1-] "Four"
[1-] "Four jobs in twenty years, he said, [3] this can never [1-] be"
"We [1-]* only take on [1-]* men who [3] work until [b57] they [1-] die"

" [1-] Here's your gold watch and the [3] shackles [b57] for your [1-] chain

Just [1-]* get him to sign on the [1-]* dotted line and [3] work for [b57] fifty [1-] years"

[1-] He took me outside to where the [3] gravestones [b57] stood in [1-] line
[1-] "This is where we bury our dead, in [3] quick-stone and in [1-] lime"
"And [1-] if you come to work for us, on [3] this you must a- [1-]gree
That [1-]* if you're going to [1-]* die, you'll [3] do it [b57] during tea [1-] break"

" [1-] Here's your gold watch and the [3] shackles [b57] for your [1-] chain

" [1-] And if you've a son who [3] wants a good [1-] career
Just [1-]* get him to sign on the [1-]* dotted line and [3] work for [b57] fifty [1-] years"

[1-] This story that I've told to [3] you may seem [b57] rather [1-] queer
But it is the truth [3] you'll be surprised to [1-] hear
I did not want no [3] job upon the [1-] board
I just [1-] *want to take a [1-]* broom and [3] sweep the [b57] bloody [1-] floor

" [1-] Here's your gold watch and the [3] shackles [b57] for your [1-] chain
[1-] And your piece of paper to [3] saying that your [1-] sane"
" [1-] And if you've a son who [3] wants a good [1-] career

[5] I ain't gonna [1] ride no rail or hitchhike down no [5] highway
I ain't going nowhere feeling the way I [1] do [1]
Because my baby's long gone and nothings going [5] my way [5]
I'm gonna let this muddy water just wash away my [1] blues.

[1] It's Gonna take a lot of river, to keep this broken [5] heart afloat,
Gonna take a lot of river running all the live long [1] days,
Gonna take the Mississippi, the Monongahela and the [5] Ohio,
Gonna take a lot of river to wash these blues a-[1]way.

Well, I [1] wish I was tug boat pushing and pulling them [5] barges along
Moving on the water with a heart made of iron and [1] steel
There wouldn't be no women that could ever take my loving and [5] do me wrong
I could work all day with nothing in the world to [1] feel.

[1] It's Gonna take a lot of river, to keep this broken [5] heart afloat,
Gonna take a lot of river running all the live long [1] days,
Gonna take the Mississippi, the Monongahela and the [5] Ohio,
Gonna take a lot of river to wash these blues a-[1]way.

Hard chord changes - cut some out to make it easier

[1] Good King Wen- [5]ces- [1]las looked out,
[4] on the [5] Feast of [1] Stephen.
When the snow [5] lay [1] round about,
[4] deep and [5] crisp and [1] even.
Brightly shone the [5] moon that [1] night,
[4] though the [5] frost was [1] cru..el.
[5] When a poor man [6-] came in [5] sight,
[4] gathering [5] winter [6-] fu- [4]u- [1]el.

' [1] Hither, Page, [5] and [1] stand by me, [4] if thou [5] know'st it, [1] telling.
Yonder peas.. [5]ant, [1] who is he?.. [4] where and [5] whence his [1] dwelling?'
'Sire, he lives a [5] good league [1] hence, [4] under- [5]neath the [1] mountain.
[5] Right against the [6-] forest [5] fence,
[4] by Saint [5] Agnes' [6-] Fou- [4]oun- [1]tain.'

' [1] Bring me meat [5] and [1] bring me wine,
[4] bring me [5] pine logs, [1] hither.
Thou and I [5] shall [1] see him dine, [4] when we [5] bear him [1] thither.'
Page and Monarch [5] forth they [1] went, [4] forth they [5] went, to- [1]gether.
[5] Through the rude wind's [6-] wild la- [5]ment,
[4] and the [5] bitter [6-] we- [4]ea- [1]ther.

' [1] Sire, the night [5] is [1] darker now, [4] and the [5] wind blows [1] stronger.
Fails my heart, [5] I [1] know not how, [4] I can [5] go no [1] longer.'
'Mark my footsteps, my [5] good [1] Page, [4] tread thou [5] in them, [1] boldly.
[5] Thou shalt find the [6-] winter's [5] rage,
[4] freeze thy [5] blood less [6-] co- [4]old- [1]ly.'

[1] In his [5] master's [1] steps he trod, [4] where the [5] snow lay [1] dinted.
Heat was in [5] the [1] very sod, [4] which the [5] Saint had [1] printed.
Therefore, Christian [5] men, be [1] sure, [4] wealth or [5] rank poss- [1]essing.
[5] Ye who now will [6-] bless the [5] poor,
[4] shall your- [5]selves find [6-] ble- [4]ess- [1]ing.

[1] There's a big potted tree down an old hill from me,
Where you [4] lay down a dollar or [1] two.
You can go round the bend and when you come back again,
There's a jug full of [57] good old mountain [1] dew.

[1] Oh they call it that old mountain dew,
and [4] them that refuse are [1] few.
I'll shut up my mug if you fill up my jug,
With some [57] good old mountain [1] dew.

[1] My uncle Mort he is sawed off and short,
He [4] measures about four foot [1] two.
But he think he's a giant when you give him a pint
of that [57] good old mountain [1] dew.

[1] My old aunt June bought some brand new perfume,
It [4] had such a sweet smellin' [1] pew.
But to her suprise when she had it analyzed
It's nothing but [57] good old mountain [1] dew.

[1] Everybody's going away
Said they're moving to [4] L.A.
There ain't a [5] soul I know around
Everybody's leaving [1] town

Some [1] caught a freight, some caught a plane
Find the sunshine leave the [4] rain
They say this [5] town will waste your mind
I guess they're right cause it's wasted [1] mine

Some got to win, some got to [4] lose
[5] Good time Charlie's got the [1] blues

[1] My old heart keeps telling me
You ain't no kid at thirty [4] three
You play around and you [5] lose your wife
Play too long and you lose your [1] life

[1] I got my pills to ease the pain
I can't find a thing to ease the [4] rain
Sometimes I'd like to [5] try and settle down
But everybody's leaving [1] town

Some got to win, some got to [4] lose

[1] Success was [4] something you just [1] had to be
And [1] I would spend [4] myself un-[5]knowingly [57]

And you [4] know that I [5] could have me a [1] million more friends
[1] And all I'd have to lose is my point of [5] view [57]
But I [1] had no idea what a [4] good time would cost
Till last [5] night when I sat and talked with [1] you.

[1] An apple will [4] spoil if its [1] been abused
A [1] candle disap[4]pears when its been [5] used [57]
A [1] rainbow may [4] follow up a [1] hurricane
And [1] I cant leave for-[4]ever on a [5] train [57]

And you [4] know that I'd sur-[5]vive if I [1] never spoke again
[1] And all Id have to lose is my [5] vanity [57]
But I [1] had no idea what a [4] good time would cost

[2-] Goodbye a-[5]gain, [1] as if you didn't [6-] know
It's good-[2-]bye a-[57]gain, and I [1] wish you could [6-] tell me
Why [2-] do we always fight when I have to [57] go

[1] It seems a shame to [6-] leave you now, the [4] days are soft and [1] warm
I [1] long to lay me [6-] down again, to [4] hold you in my [57] arms
I [1] long to kiss the [6-] tears away, [4] give you back your [1] smile
But [1] other voices [6-] beckon me, and [4] for a little [57] while

It's [3-] something that's in-[4]side of me not [1] hard to under-[6-]stand
It's any-[2-]one who [4] listens to me [57] sing

[1] And if your hours are [6-] empty now, [4] who am I to [1] blame
You [1] think if I were [6-] always here, our [4] love would be the [57] same?
[1] As it is the [6-] time we have, [4] is worth the time a-[1]lone

Sometimes I [17] take a fool [4] notion
To [5] jump in the river and [1] drown.

Goodnight. I-[17]rene. Good [4] night, Irene.
I'll [5] see you in my [1] dreams.

Interlude [b2-7] [1] [5] [1]

Stop your [1] ramblin', stop your [5] gamblin'.
Stop staying out late at [1] night.
Go home to your [17] wife and [4] family.
Stay [5] there by the fireside [1] bright.

[1] Irene, good [5] night, Irene, Irene good [1] night.

I'll [5] see you in my [1] dreams.

As we [1] gathered in the [6-] chapel here in [4] old Kilmainham [5] jail
I [4] think about these past [1] few weeks, Oh [2-] will they say we [5] failed
From our [1] school days they have [6-] told us we must [4] yearn for liber-[5]ty
Yet [4] all I want in [1] this dark place is to [5] have you here with [1] me.

> CHORUS
>
> Oh [5] Grace just hold me in your arms and [4] let this moment [1] linger
> They'll [4] take me out at [1] dawn and I will [5] die
> With [5] all my love I'll place this wedding [4] ring upon your [1] finger
> There [4] won't be time to [1] share our love so [5] we must say good-[1]bye.

Now I [1] know it's hard for [6-] you my love to [4] ever under-[5]stand
The [4] love I'll bear for [1] these great men, my [2-] love for this dear [5] land
But when [1] Pádraic called me [6-] to his side down [4] in the G.P. [5] O.
I [4] had to leave my [1] own sick bed, to [5] him I had to [1] go

> They'll [4] take me out at [1] dawn and I will [5] die
> With [5] all my love I'll place this wedding [4] ring upon your [1] finger
> There [4] won't be time to [1] share our love so [5] we must say good-[1]bye.

Now [1] as the dawn is [6-] breaking, my [4] heart is breaking [5] too
On [4] this May morn as [1] I walk out, my [2-] thoughts will be with [5] you
And I'll [1] write some words u-[6-]pon the wall so [4] every-[1]one will [5] know
I [4] loved so much that [1] I could see his [5] blood upon the [1] rose.

> CHORUS
>

> They'll [4] take me out at [1] dawn and I will [5] die

Now, the [1] world holds seven wonders as the [4] travellers always tell.
some [5] gardens and some towers, I [57] guess you know them [1] well.
But now the greatest wonder is in [4] Uncle Sam's fair land,
it's the [5] big Columbia river and the [57] big Grand Coulee [1] Dam.

She [1] heads up the Canadian Rockies where the [4] rippling waters glide,
comes a-[5]roaring down the canyon for to [57] meet that salty [1] tide
of the great Pacific Ocean where the [4] sun sets in the west,
in the [5] big Grand Coulee country in the [57] land I love the [1] best.

In the [1] misty crystal glitter of that [4] wild and windward spray,
men have [5] fought the pounding waters and [57] met a watery [1] grave.
While she tore their boats to splinters, she [4] gave men dreams to dream,
of the [5] day the Coulee Dam would cross that [57] wild and restless [1] stream.

Now, Uncle [1] Sam took up the challenge in the [4] year of thirty three,
for the [5] farmer and the factory and [57] all of you and [1] me.
He said: roll along, Columbia, you can [4] roll down to the sea
but [5] river, while you're rambling you can [57] do some work for [1] me !

In the [1] misty crystal glitter of that [4] wild and windward spray,
men have [5] fought the pounding waters and [57] met a watery [1] grave.
While she tore their boats to splinters, she [4] gave men dreams to dream,
of the [5] day the Coulee Dam would cross that [57] wild and restless [1] stream.

Now from [1] Washington and Oregon you can [4] hear the factories hum,
making [5] chrome and making manganese and [57] white alumini-[1]um.
Now roars the Flying Fortress for to [4] fight for Uncle Sam,
along the [5] roaring King Columbia by the [57] big Grand Coulee [1] dam.

In the [1] misty crystal glitter of that [4] wild and windward spray,
men have [5] fought the pounding waters and [57] met a watery [1] grave.
While she tore their boats to splinters, she [4] gave men dreams to dream,

INSTRUMENTAL

But the [1] best darn thing about [4] Grandma's house
Was her [57] great big feather [1] bed

[1] When I was a [4] little bitty boy [1] just up off the [57] floor
We [1] used to go out to [4] Grandma's house
[1] every month [57] end or [1] so
We'd [1] chicken pie and [4] country ham,
And [1] home made butter on the [57] bread
But the [1] best darn thing about [4] Grandma's house
Was her [57] great big feather [1] bed

Chorus:
It was [1] nine feet high and six feet wide, [4] soft as a downy [1] chick
[1] It was made from the feathers of forty 'leven geese,
Took a [b27] whole bolt of cloth for the [57] tick
It'd [1] hold eight kids 'n' four hound dogs and a [4] piggy we stole from the [1] shed
[1] We didn't get much sleep but we [4] had a lot of fun on
[57] Grandma's feather [1] bed

INSTRUMENTAL

But the [1] best darn thing about [4] Grandma's house
Was her [57] great big feather [1] bed

[1] After supper we'd [4] sit around the fire,
the [1] old folks would spit and [57] chew
[1] Pa would talk about the [4] farm and the war,
and my [1] Granny'd sing a [57] ballad or [1] two
I'd [1] sit and listen and [4] watch the fire till the [1] cobwebs filled my [57] head
[1] Next thing I'd know I'd [4] wake up in the mornin'
in the [57] middle of the old feather [1] bed

Chorus

[1] Well I love my Ma, [4] I love my Pa, love [1] Granny and Grandpa [57] too
Been [1] fishing with my uncle, I've [4] rassled with my cousin,
I even [1] kissed my [57] Aunty [1] Lou eww!
[1] But if I ever had to [4] make a choice, I [1] guess it ought to be [57] said
That I'd [1] trade 'em all plus the [4] gal down the road
For [57] Grandma's feather [1] bed
Yes I'd [1] trade 'em all, plus the [4] gal down the road (spoken: maybe not the gal)

Chorus x2

Didn't get much sleep but we [4] had a lot of fun on [5] Grandma's, Grandma's

Or young [5] Willy Mc-[57]Bride was it [4] slow and ob-[1]scene

Did they [5] beat the drum [57] slowly, did they [4] play the fifes [1] lowly
Did they [5] sound the death [57] march as they [4] lowered you [5] down
And did the [4] band play the last post and [1] chorus

[1] Well the sun now it [6-] shines on the [4] green fields of [5] France
There's a [5] warm summer [57] breeze it makes the [4] red poppies [1] dance
And look how the [6-] sun shines from [4] under the [5] clouds
There's no [5] gas no barbed [57] wire, there's no [4] gun firing [1] now.

[1] But here in this [6-] graveyard it's [4] still no mans [2-] land
The [5] countless white crosses stand [4] mute in the [57] sand
To [1] man's blind in-[6-]difference to [4] his fellow [2-] man

Chorus

[1] Well Will Mc-[6-] Bride I cant [4] help wonder [5] why

And did they be-[6-]lieve when they [4] answered the [5] call

[1] The old home town looks the same
As I [4] step down from the [1] train,
And there to meet me is my mama and [5] papa. [57]
Down the [1] road I look and [17] there runs Mary,
[4] Hair of gold and lips like cherries,
It's [1] good to touch the [5] green, green [57] grass of [1] home [57]
Yes, they'll [1] all come to [17] meet me,
Arms [4] reaching, smiling sweetly,
it's [1] good to touch the [5] green, green [57] grass of [1] home. [57]

The [1] old house is still [17] standing,
though the [4] paint is cracked and [1] dry,
And there's that old oak tree that I used to [5] play on. [57]
Down the [1] lane I walk and with [17] my sweet Mary,
[4] Hair of gold and lips like cherries,
It's [1] good to touch the [5] green, green [57] grass of [1] home.

[1] Then I awake and look around me
at the [4] four gray walls that su [1] rround me,
And I realize, yes, I was only [5] dreaming. [57]
For there's a [1] guard and there's a [17] sad old padre,
[4] Arm and arm we'll walk at daybreak,
[1] Again I'll touch the [5] green, green [57] grass of [1] home. [4] [1]
Yes, they'll [1] all come to [17] see me in the [4] shade of that old oak tree,
As they [1] lay me 'neath the [5] green, green [57] grass of [1] home. [4] [1]

[1] Ten years before my time
I [4] sang a song to a friend of mine
[5] 'bout a girl working for a [1] dime [5] [4] [1]

[1] I didn't know that gypsy girl
but I [4] knew about her kind of thrill
Her [5] love was cheap and always up for [1] sale

[4] ooh picture [5] this, I was a-[6-]lone
but [5] when I fell in love
I was a-[4]lone, ooh with my gypsy [1] girl

[1] [4] [1] [5] [4] [1]
Now a [1] gypsy lady lost her soul
and [4] she's so scared of growin' old
but [5] words don't age for me
they turn to [1] gold

[1] Gypsy girl with raven hair
[4] holds my hope into the air
[5] she's the one that never seems to [1] care.

[4] ooh picture [5] this, I not a-[6-]lone
but [5] when I sing a song
I'm not a-[4]lone, with my gypsy [1] girl
with my gypsy girl
la la la la la la, la la la la la la

[4] ooh picture [5] this, I'm not a-[6-]lone
but [5] when I sing your song
I'm not a-[4]lone, with my gypsy [1] girl

[b7] Down to [4] is that [4sus4] no one's got it really figured
[1] Out just [1sus4] yet [1] [1sus4] but I got
[b7] One hand in my pocket and the [4] other one is [5] playing a piano
[1] [1sus4] [1] [1sus4] And what it all comes
[b7] Down to my friends [4] yeah is that [4sus4] everything' is just
[1] Fine fi-[1sus4]-i-ine [1] fine [1sus4] cause I got

[1] I go in for singing, [b2] I do it for my pay
But the [4] kind of gig I can [1] really dig
Happens [5] at the break of day
With a [1] few good friends and [b7] neighbours
Into [4] playin' the night-time [1] tunes
So [4] pass the jar and that [1] old guitar
In this [5] hangdog hotel [1] room

[1] I believe in magic, a [b2] little monkey-shines
But the [4] kind of row I can [1] really hoe
Is [5] playin' in tune on time,
With [1] rhythms all [b7] around us we're like [4] weavers at the [1] loom
So [4] pass the jar and that [1] old guitar
In this [5] hangdog hotel [1] room

Chorus
[1] Oh lord it [b7] feels so good to [4] play a night-time [1] tune
So [4] pass the jar and that [1] old guitar
In this [5] hangdog hotel [1] room

[1] When it comes to morning and [b2] going out at night
Well the [4] kind of test that [1] I like best
Is [5] treating the wrong girl right
With a [1] few good friends and [b7] neighbours
Into [4] playin' the night-time [1] tunes
So [4] pass the jar and that [1] old guitar
In this [5] hangdog hotel [1] room

Chorus
[1] Oh lord it [b7] feels so good to [4] play a night-time [1] tune
So [4] pass the jar and that [1] old guitar
In this [5] hangdog hotel [1] room

So [4] pass the jar and that [1] old guitar
In this [5] hangdog hotel [1] room

[4] [2-] [b7] [1]
Well it's [4] early in the morning and it's time to make a start,
And I [2-] put my polished surfboard on the rack upon my car.
I [b7] head down to the surfside, where the waves fine,
I'm [1] gonna catch a mountain but I won't go down the mine.

Ya gotta [4] walk the plank, [2-] ride the hook,
[b7] Goin' left and right and [1] keep it nice and tight.
And now the [4] time is growing near, you're [2-] movin' down the wall
Now [b7] steady as she goes you got your [1] toes upon the nose.
And now you're [4] hangin' five, hangin' five,
[1] Hangin' five toes ... upon the mali-[4]bu... [1]

And [4] now you've hit the beach and your feelin' mighty fine.
You [2-] turn your board around for the second time.
You [b7] make it out the back, the swells are comin' fast.
The [1] first ones are too small, and so you take the last.

Ya gotta [4] walk the plank, [2-] ride the hook,
[b7] Goin' left and right and [1] keep it nice and tight.
And now the [4] time is growing near, you're [2-] movin' down the wall
Now [b7] steady as she goes you got your [1] toes upon the nose.
And now you're [4] hangin' five, hangin' five,
[1] Hangin' five toes ... upon the mali-[4]bu... [1] LET'S S STOMP!

[4] [2-] [b7] [1]
And [4] when the day is over, and all the surfers meet,
You [2-] go down to the surf club to dance and stomp your feet.
And [b7] when the night is through you hear the fellas say,
[1] "Don't forget tomorrow, you got another day."

Ya gotta [4] walk the plank, [2-] ride the hook,
[b7] Goin' left and right and [1] keep it nice and tight.
And now the [4] time is growing near, you're [2-] movin' down the wall
Now [b7] steady as she goes you got your [1] toes upon the nose.
And now you're [4] hangin' five, hangin' five,
[1] Hangin' five toes ... upon the mali-[4]bu... [1] Upon the mali-[4]bu.

Sing Hanging Five continually behind the following - fading

(You know you gotta walk the plank, Frank.)
(Get your toes right up on that nose, Surfer Joe.)
(And don't forget, Frank watch that bushy, bushy blonde hair.)

You look [b6-7] happier [4] [1]

[1] We broke up a month ago
Your [6-] friends are mine
You know I know you've moved [2-] on, found someone new,
One more [5] girl who brings out the [57] better in you
And [1] I thought my heart was detached
From [6-] all the sunlight of our [1] past
But [2-] she's so sweet, she's so pretty,
[5] Does she mean you forgot about [57] me?

I [1] hope you're happy, but [6-] not like how you were with me
I'm [2-] selfish I know, I can't let you go
So [5] find someone [57] great, but don't find no one better
I hope you're happy [5] but [NC] don't be happier

[1] And do you tell her she's the most beautiful girl you've ever [6-] seen?
An eternal love bullshit you know you'll never [2-] mean

Remember when I believed you meant it when you [5] said it first to me?
And [1] now I'm pickin' her apart,
Like [6-] cuttin' her down will make you miss my wretched heart
But she's [2-] beautiful, she looks kind
She [5] probably gives you [57] butterflies

I [1] hope you're happy, but [6-] not like how you were with me
I'm [2-] selfish I know, I can't let you go
So [5] find someone [57] great, but don't find no one better

I [1] hope you're happy, I [6-] wish you all the best, really
Say [2-] you love her, baby, just not like you love me
And [5] think of me [57] fondly when your hand's around her
I hope you're happy [5] but [NC] don't be happier

[1] Ooooh oh oh [6-] ooooh oh oh [2-] ooooh oh oh [5] ooooh oooh oooh [57] oooh

Oh, I [1] hope you're happy

[1] No more cham-[2-]pagne, and the [1] fireworks are [b3-7] through
Here we [4] are, me and [1] you, feeling [2-] lost and feeling [5] blue
It's the [1] end of the [4-] party, and the [1] morning seems so [b3-7] grey
So un-[4]like yester-[1]day, now's the [2-] time for us to [5] say [57]

I [1] love to go a-wandering along the mountain [57] track
And [57] as I go I [1] love to sing, my [4] knapsack [57] on my [1] back

valder-[57]i, valder-[1]a, valder-[57]i, valder-[1]ra-ha-ha-ha-ha-ha
valder-[57]i, valder-[1]a, my [4] knapsack [57] on my [1] back.

I [1] love to wander by the stream, that dances in the [57] sun
So [57] joyously it [1] calls to me, "Come! [4] Join my [57] happy [1] song"

valder-[57]i, valder-[1]a, valder-[57]i, valder-[1]ra-ha-ha-ha-ha-ha
valder-[57]i, valder-[1]a, my [4] knapsack [57] on my [1] back.

[1] I wave my hat to all I meet, and they wave back to [57] me
And [57] blackbirds call so [1] loud and sweet, from [4] every [57] greenwood [1] tree.

valder-[57]i, valder-[1]a, valder-[57]i, valder-[1]ra-ha-ha-ha-ha-ha
valder-[57]i, valder-[1]a, my [4] knapsack [57] on my [1] back.

I [1] love to wander by the stream that dances in the [57] sun
So [57] joyously it [1] calls to me "come [4] join my [57] happy [1] song"

valder-[57]i, valder-[1]a, valder-[57]i, valder-[1]ra-ha-ha-ha-ha-ha
valder-[57]i, valder-[1]a, my [4] knapsack [57] on my [1] back.

High [1] overhead the skylarks wing, they never rest at [57] home
But [57] just like me they [1] love to sing as [4] o'er the [57] world we [1] roam.

valder-[57]i, valder-[1]a, valder-[57]i, valder-[1]ra-ha-ha-ha-ha-ha
valder-[57]i, valder-[1]a, my [4] knapsack [57] on my [1] back.

Oh [1] may I go a-wandering until the day I [57] die
Oh [57] may I always [1] laugh and sing be-[4]neath God's [57] clear blue [1] sky.

valder-[57]i, valder-[1]a, valder-[57]i, valder-[1]ra-ha-ha-ha-ha-ha
valder-[57]i, valder-[1]a, my [4] knapsack [57] on my [1] back.

Another year [5] over, a new one just be-[1]gun.

The near and the [1] dear ones, the old and the [4] young.

A [47] merry, merry [b7] Christmas, and a happy New [1] Year

For weak and for [2-] strong. (If you want it)
The rich and the [5] poor ones (War is over)
The road is so [1] long. (Now)

For black and for [5-] white. (If you want it)
For yellow and [1] red ones, (War is over)
Let?s stop all the [4] fights. (Now)

Hard Rain's A-Gonna Fall, A

artist: Bob Dylan, writer: Bob Dylan

[1] [4] [1]

Oh, [1] where have you been, my [4] blue-eyed [1] son?
And [1] where have you been, my darling young [5] one?
I've [4] stumbled on the side of [5] twelve misty [1] mountains,
I've [4] walked and I've crawled on [5] six crooked [1] highways,
I've [4] stepped in the middle of [5] seven sad [1] forests,
I've [4] been out in front of a [5] dozen dead [1] oceans,
I've been [4] ten thousand miles in the [5] mouth of a [1] graveyard,

And it's a [1] hard, and it's a [5] hard, it's a [1] hard, and it's a [4] hard,
And it's a [1] hard rai-[5]-ain's a-gonna [1] fall [4] [1]

Oh, [1] what did you see, my [4] blue-eyed [1] son?
Oh, [1] what did you see, my darling young [5] one?
I saw a [4] newborn babe with [5] wild wolves all a-[1]round it
I saw a [4] highway of diamonds with [5] nobody [1] on it,
I [4] saw a black branch with [5] blood that kept [1] drippin',
I saw a [4] room full of men with their [5] hammers a[1]bleedin',
I [4] saw a white ladder all [5] covered with [1] water,
I saw [4] ten thousand talkers whose [5] tongues were all [1] broken,
I saw [4] guns and sharp swords in the [5] hands of young [1] children,

And it's a [1] hard, and it's a [5] hard, it's a [1] hard, and it's a [4] hard,
And it's a [1] hard rai-[5]-ain's a-gonna [1] fall [4] [1]

And [1] what did you hear, my [4] blue-eyed [1] son?
And [1] what did you hear, my darling young [5] one?
I heard the [4] sound of a thunder, it [5] roared out a [1] warnin',
Heard the [4] roar of a wave that could [5] drown the whole [1] world,
Heard [4] one hundred drummers, their [5] hands were a[1]-blazin',
Heard [4] ten thousand whisperin' and [5] nobody [1] listenin',
Heard [4] one person starve, I heard [5] many people [1] laughin',
Heard the [4] song of a poet who [5] died in the [1] gutter,
Heard the [4] sounds of a clown who [5] cried in the [1] alley,
Heard the [4] sound of one person who [5] said he was [1] human,

And it's a [1] hard, and it's a [5] hard, it's a [1] hard, and it's a [4] hard,
And it's a [1] hard rai-[5]-ain's a-gonna [1] fall [4] [1]

Oh, [1] who did you meet, my [4] blue-eyed [1] son?
[1] Who did you meet, my darling young [5] one?
I [4] met a young child be-[5]side a dead [1] pony,
I [4] met a white man who [5] walked a black [1] dog,
I [4] met a woman whose [5] body was [1] burning,
I [4] met a young girl, she [5] gave me a [1] rainbow,
I [4] met one man who was [5] wounded in [1] love,
I [4] met another man who was [5] wounded in hatred,

And it's a [1] hard, and it's a [5] hard, it's a [1] hard, and it's a [4] hard,
And it's a [1] hard rai-[5]-ain's a-gonna [1] fall [4] [1]

And [1] what'll you do now, my [4] blue-eyed [1] son?
Oh, [1] what'll you do now, my darling young [5] one?
I'm a-[4]goin' back out 'fore the [5] rain starts a-[1]fallin'.

I'll [4] walk to the depths of the [5] deepest black [1] forest,
Where the [4] people are many and their [5] hands are all [1] empty,
Where the [4] pellets of poison are [5] flooding their [1] waters,
Where the [4] home in the valley meets the [5] damp dirty [1] prison,
Where the [4] executioner's face is [5] always well [1] hidden,
Where [4] hunger is ugly, where [5] souls are for-[1]gotten,
Where [4] black is the color, where [5] none is the [1] number,
And I'll [4] tell it and think it and [5] speak it and [1] breathe it,
And re-[4]flect from the mountain so [5] all souls can [1] see it,
Then I'll [4] stand on the ocean un-[5]til I start [1] sinkin',
But I'll [4] know my song well be-[5]fore I start [1] singin',

Let us [1] pause in life's pleasures and [57] count its many [1] tears
[4] while we [1] all sup sorrow [57] with the [1] poor.
There's a song that will linger for-[57]ever in our [1] ears,
[4] Oh, [1] hard times come a-[57]gain no [1] more.

T'is the [1] song, the sigh of the [4] weary.
[1] Hard times, hard times come again no [57] more.
Many [1] days you have lingered a-[57]round my cabin [1] door;
[4] Oh, [1] hard times come a-[57]gain no [1] more.

While we [1] seek mirth and beauty and [57] music light and [1] gay
[4] there are [1] frail forms fainting [57] at the [1] door.
Though their voices are silent, their [57] pleading looks will [1] say
[4] Oh, [1] hard times come a-[57]gain no [1] more.

T'is the [1] song, the sigh of the [4] weary.
[1] Hard times, hard times come again no [57] more.
Many [1] days you have lingered a-[57]round my cabin [1] door;
[4] Oh, [1] hard times come a-[57]gain no [1] more.

There's a [1] pale drooping maiden who [57] toils her life [1] away
[4] with a [1] worn heart whose better [57] days are [1] o'er.
Though her voice would be merry, t'is [57] sighing all the [1] day,
[4] Oh, [1] hard times come a-[57]gain no [1] more.

T'is the [1] song, the sigh of the [4] weary.
[1] Hard times, hard times come again no [57] more.
Many [1] days you have lingered a-[57]round my cabin [1] door;
[4] Oh, [1] hard times come a-[57]gain no [1] more.

T'is a [1] sigh that is wafted a-[57]cross the troubled [1] wave;
[4] t'is a [1] wail that is heard up-[57]on the [1] shore.
T'is a dirge that is murmured a-[57]round the lowly [1] grave.
[4] Oh, [1] hard times come a-[57]gain no [1] more.

T'is the [1] song, the sigh of the [4] weary.
[1] Hard times, hard times come again no [57] more.
Many [1] days you have lingered a-[57]round my cabin [1] door;

Intro: [4] [5] [1] [1]*
Come [1] all brother tradesmen that travel a-[5]lone,
O, [4] pray come and [5] tell me where the [4] trade is all [1] gone,
Long time I have travelled and [4] cannot find [1] none,
And it's [5] O, the hard times of old [1] England,
In [4] old England [5] very hard [1] times. [1] [4] [5] [1] [1]*
{sobWomen 1st 3 lines:}
Pro-[1]visions you buy at the shop it is [5] true,
[4] But if you've no [5] money there's [4] none there for [1] you.
So what are poor folk and their [4] families to [1] do?
And it's [5] O, the hard times of old [1] England,
In [4] old England [5] very hard [1] times. [1] [4] [5] [1] [1]*
{sobAll}
If you [1] go to a shop and you ask for a [5] job
[4] They answer you [5] there with a [4] shake and a [1] nod.
[1] That's enough to make a poor man to [4] turn out and [1] rob,
And it's [5] O, the hard times of old [1] England,
In [4] old England [5] very hard [1] times. [1] [4] [5] [1] [1]*
{sobMen 1st 3 lines:}
You will [1] see the poor tradesman a-walking the [5] street
From [4] morning till [5] night for [4] employment to [1] seek.
[1] And scarcely they have any [4] shoes to their [1] feet,
And it's [5] O, the hard times of old [1] England,
In [4] old England [5] very hard [1] times. [1] [4] [5] [1] [1]*
{sob1st 3 lines single strums on 1st beat of bar:}
Our [1] soldiers and sailors have just come from [5] war,
[4] Been fighting for [5] King and their [4] country this [1] year,
[1] Come home to be starved better have [4] stayed where they [1] were,
And it's [5] O, the hard times of old [1] England,
In [4] old England [5] very hard [1] times. [1] [4] [5] [1] [1]*

So [1] now to conclude and to finish my [5] song
[4] Let us hope that these [5] hard times they [4] will not last [1] long.
And I may soon have occasion to [4] alter my [1] song,
And sing [5] O, the good times of old [1] England,
In old [4] England [5] jolly good [1] times.

And sing [5] O, the good times of old [1] England,
In old [4] England [5] jolly good [1] times. [1]*

[1] Hark! The Herald angels sing
[5] glory to the [1] newborn king
[1] Peace on earth and mercy mild.
[5] God and sinners [1] reconciled.
[5] Joyful all ye [1] nations rise,
[5] join the triumph [1] of the skies,
[b67] With th'angelic [4] host proclaim,
[1] Christ is born in [5] Bethle-[1]hem!
[b67] Hark! The Herald [4] angels sing,
[1] Glory to the [5] newborn [1] king.

[1] Christ, by highest heav'n adored,
[5] Christ the ever-[1]lasting Lord.
[1] Late in time behold Him come,
[5] offspring of the [1] virgin's womb.
[5] Veiled in flesh the [1] God-head see,
[5] Hail the incarnate [1] Deity.
[b67] Pleased as Man with [4] man to dwell,
[1] Jesus our E-[5] mmanu-[1] el!
[b67] Hark! The herald [4] angels sing,
[1] Glory to the [5] newborn [1] king.

[1] Hail the heaven born Prince of Peace!
[5] Hail the Son of [1] Righteousness!
[1] Light and life to all He brings,
[5] risen with healing in [1] His wings.
[5] Mild he lays his [1] glory by.
[5] Born that man no [1] more may die.
[b67] Born to raise the [4] sons of earth.
[1] Born to give them [5] second [1] birth.
[b67] Hark! The herald [4] angels sing,
[1] Glory to the [5] newborn [1] king.

[b2-7] Come a little bit closer
Hear what I have to [1] say [1] [16] [1maj7] [1] [16] [1maj7].
[b2-7] Just like children sleepin'
We could dream this night a-[1]way [1] [16] [1maj7] [1] [16] [1maj7].

[4] But there's a full moon risin'
Let's go dancin' in the [1] light [1] [16] [1maj7] [1] [16] [1maj7]
[4] We know where the music's playin'
Let's go out and feel the [1] night [1] [16] [1maj7] [1] [16] [1maj7]

[57sus4] Because I'm still in love with [57] you
I want to see you dance a-[57sus4] gain

[b2-7] When we were lovers
I loved you with all my [1] heart [1] [16] [1maj7] [1] [16] [1maj7].

[4] But now it's gettin' late
And the moon is climbin' [1] high [1] [16] [1maj7] [1] [16] [1maj7]
[4] I want to celebrate
See it shinin' in your [1] eye [1] [16] [1maj7] [1] [16] [1maj7]

I [1] rise at six and then I [6-] feed the chicks
And I'm [4] feeling lonesome and [5] blue
And when I [1] milk the cows it [6-] seems somehow
My [4] thoughts keep straying to [5] you
And as the [1] horse and I plough the [b37] field nearby
Your [4] memory I can't e-[4-]rase
For while I [1] walk at the rear of the [6-] horse my dear
[4] I seem to see your [5] face

I'm gonna [1] sow the seed of deep devotion
[6-] Fertilize it with emotion
[4] Water it with warm desire
and then I'[5]ll reap the harvest of [NC] love

Yes I was [1] happy as a pig in
[6-] spite of the way that you looked at me
When I [4] met you at the village [5] dance
[1] But you was in the ladies' ex-[6-]cuse me at the time
[4] I thought I would never have a [5] chance
But you [1] let me walk you 'ome across [b37] Blatt's meadow
And I [4] knew that with you I should be a [4-] hit
'Cause I got an [1] old cow to get up and [6-] walk away
So that [4] you'd have somewhere nice an' dry to [5] sit

I'm gonna [1] sow the seed of deep devotion
[6-] Fertilize it with emotion
[4] Water it with warm desire and then I'll [5] reap the harvest of [NC] love

[1] Side by side we will [6-] take a ride in [4] my horse and buggy [5] one day
And when the [1] daylight ends and the [6-] night descends
My [4] horse'll run out of [5] hay
And I will [1] kiss your lips those [b37] tempting lips
The [4] only ones that can [4-] thrill me
And I would [1] hold you tight 'neath the [6-] stars so bright
If the [4] wife ever finds out she'll [5] kill me

I'm gonna [1] sow the seed of deep devotion

[1] In eighteen-eighty down a dusty road,
a-[4]long came a miner with a big fat load. [5] [1]
[1] He was caked in dirt from his head to his foot, his
[4] hair so black, that it looked like soot. [5] [1]

[1] Well, he reined in his mule and hitched him to the rail,
and he [4] said, Old fella it's the end of the trail. [5] [1]
[1] Well, he ambled on down to the old saloon,
he said, [4] I know it's early and it ain't quite noon.
But, [5] hey, hey, everybody drink on [1] me.

[1] Have a drink, have a drink, have a drink on me.
[6-] Everybody have a drink on me.
[5] Hey, hey, everybody drink on [1] me.
[1] Have a drink, have a drink, have a drink on me.
[6-] Everybody have a drink on me.
[5] Hey, hey, everybody drink on [1] me.

[1] Well, I just got a letter from down in Tennessee
it [4] said my Uncle died and left an oil-well to me.
[5] Hey, hey, everybody drink on [1] me.
[1] I've been diggin' all my life and I nearly got to hell.
but my [4] Uncle dug potatoes and he struck an oil-well.
[5] Hey, hey, everybody drink on [1] me.

[1] Have a drink, have a drink, have a drink on me.
[6-] Everybody have a drink on me.
[5] Hey, hey, everybody drink on [1] me.
[1] Have a drink, have a drink, have a drink on me.
[6-] Everybody have a drink on me.
[5] Hey, hey, everybody drink on [1] me.

[1] [4] [5] [1] [1] [4] [5] [1]
[1] Well, black gold, yellow gold, guess it's all the same -
[4] take my tip and give up the mining game.
[5] Hey, hey, everybody drink on [1] me!
[1] Well, sell your shovel and your old Long Johns
[4] you can make a fortune writin' Adam Faith's songs.
[5] Hey, hey, everybody drink on [1] me. One more time!

[1] Have a drink, have a drink, have a drink on me, [6-] everybody have a drink on me.
[5] Hey, hey, everybody drink on [1] me.
[1] Have a drink, have a drink, have a drink on me, [6-] everybody have a drink on me.
[5] Hey, hey, everybody drink on [1] me.

[1] Then one day, she went away, I dunt see har [5] no more
'Til by chance I see har down a-[b2]long the Mundesley [5] shore
[1] She wuz there, twice as fair, would she now be [5] trew?
So when she sees me passing by she say: "I'm glad thass [1] yew!"
"Have yer gotta [5] loight boy? Have yer gotta [1] loight?"

[4] Molly Windley, she [1] smook like a chimbley
But she's [5] my little nicotine [1] gal

[1] Now yew'll see - har and me never more [5] t'part
We would wander hand in hand ter-[b2]gethar in the [5] dark
[1] Then one night I held har tight in the old back [5] yard
But when I tried to hold har close she say, "Now hold yew [1] hard!"
Have yer gotta [5] loight boy? Have yer gotta [1] loight?"

[4] Molly Windley, she [1] smook like a chimbley
But she's [5] my little nicotine [1] gal

[1] By and by, we decide on th' wedding [5] day
So we toddles off to church to [b2] hear the preachar [5] say
"[1] Do yew now teck this vow ter honour all the [5] time?"
Before I had th'chance ter stop har she begins ter [1] pine
"Have yer gotta [5] loight boy? Have yer gotta [1] loight?"

[4] Molly Windley, she [1] smook like a chimbley
But she's [5] my little nicotine [1] gal

[1] Now the doctor tells me a daddy I will [5] be
So when I ask him, "What's the score?" he [b2] say thare's only [5] three
[1] So hare I go, cheerio ter see how she do [5] fare
I know what she will say ter me as soon as I git [1] thare
"Have yer gotta [5] loight boy? Have yer gotta [1] loight?"

[4] Molly Windley, she [1] smook like a chimbley
But she's [5] my little nicotine [1] gal

[1] Ah...ah...ah...ah...ah... [b3-7] ah...
[4] Ooh...ooh...ooh... [1] ooh.... [57] ooh...
One month ago today, I was happy as a lark
But now I go for walks, to the movies, maybe to the park
I have a seat on the same old bench to watch the children play, huh
You know tomorrow is their future, but for me, just another day
They all gather 'round me, they seem to know my name
We laugh, tell a few jokes, but it still doesn't ease my pain
I know I can't hide from a memory, though day after day I've tried
I keep sayin' she'll be back, but today again I've lied

[4]/ Oh, I [1] see her face every-[1maj7]where I go
On the [16] street and even at the [1] picture show
Have you [57sus4] seen her [57], tell me have you [1] seen her [4][57]
Oh, I [1] hear her voice as the [1maj7] cold winds blow
In the [16] sweet music on my [1] radio
Have you [57sus4] seen her [57], tell me have you [1] seen her [17]

[4] Why, [3-] oh, [2-] why
Did she have to leave and go [1] away? [1aug] [16] [17]
Ohh, [b27] I've been used to havin' someone to lean on
And I'm [57sus4] lost [57], baby, I'm [57sus4] lost [57][4]/

Oh, doo, [1] doo, doo, doo, doo, doo, doo, doo, [1maj7] doo
Doo, doo, [16] doo, doo, doo, doo, doo, doo, doo, [1] doo
Have you [57sus4] seen her [57], tell me have you [1] seen her [4][57]
Oh, doo, [1] doo, doo, doo, doo, doo, doo, doo, [1maj7] doo
Doo, doo, [16] doo, doo, doo, doo, doo, doo, doo, [1] doo
Have you [57sus4] seen her [57], tell me have you [1] seen her

the [b37] Savior's [6-] birth. [17]

[4maj7] Let us gather and [3-] sing to Him, [b2]
And to [2-] bring to Him [57] our [1maj7] praise.

[1] I've got a stupid question, what could the answer [5] be?
My mother's got a roly-poly, pudding on the [1] way.
I saw her put the suet in, the currants in as [4] well,
Now you will be surprised at the [5] story I will [1] tell.

Because [1] I'm having a bit tonight, tonight, I'm having a bit to-[5]night.
My mother says I must be fit if I can have this Spotted [1] Dick
I love my roly-poly, it fills me with de-[4]light.
I haven't had any since Easter [5] so, I'm having a bit to-[1]night

[1] The youngest of our family never gets his [5] share.
I used to be the youngest, and I never thought it fair.
Now Mother's had a baby, so everything's al-[4]right.
I'm not the youngest any-[5]more, I'm having a bit to-[1]night.

Because [1] I'm having a bit tonight, tonight, I'm having a bit to-[5]night.
My mother says I must be fit if I can have this Spotted [1] Dick
I love my roly-poly; it fills me with de-[4]light.
I haven't had any since Easter [5] so, I'm having a bit to-[1]night

[1] There's Mary and there's Susie, and cousin Ted as [5] well,
And then the lawyer from next door, he likes his men as [1] well.
And then, of course, there's Granpapa, he is so very [4] tough.
Although he's nearly ninety-[5]four, he's a bugger for his [1] stuff.

Because [1] I'm having a bit tonight, tonight, I'm having a bit to-[5]night.
My mother says I must be fit if I can have this Spotted [1] Dick
I love my roly-poly; it fills me with de-[4]light.
I haven't had any since Easter [5] so, I'm having a bit to-[1]night

Well, I [1] know I should be out there [b3] searchin' for a job,
[4] I could try a [6-] pick 'n shovel [4] but what the [5] hell.
[1] Why can't I be born again and [b3] come back as a swan,
[4] Head up north [6-] for the winter [4] and back a-[5]gain
to find some...

[4] Hawkesbury [5] River lovin', [1] good Aussie wine,
[b3] Workin' hard at [4] bein' lazy, [2-] no bait on the [5] line.
[4] My kind of [5] paradise, a [1] river honey [6-] moon,
Just [4] layin' with my lady on a [4-] houseboat in the [1] sun. [17][2-]
[1] [17] [4] [1] (2x)

[4] And I know you don't [4-] mind [1] if I say I love [6-] you,
As [4] long as you can [4-] stay around for [5] more,
what I call ....

[4] Hawkesbury [5] River lovin', [1] good Aussie wine,

[1] [5] [6-] [5]
With some changes suggested by Keith Clatworthy

The [1] road is long [5]
With many a [4] winding turn
[b2-7] That [5] leads us to [6-] who knows [b7] where
Who knows [b2-7] where [5]

[57] But I'm [1] stro[5]ng
Strong enough to [6-] carry [b6] him
[1] He ain't heavy, [b2-7] [57] he's my [1] brother [b2-7]

So [57] on we [1] go [5]
His welfare is [4] my concern [b2-7]
No [5] burden is [6-] he to [b7] bear
We'll get [b2-7] there [5] [57]

For I [1] know [5]
He would not en[6-]cumber [b6] me
[1] He ain't heavy, [2-] [5] he's my [1] brother

[17] If I'm [4] laden at [57] all
Then I'm [4] laden with sad[57]ness
That [3-] everyone's [5-] heart
Isn't [4maj7] filled [b37] with the [6-] gladness [17]
Of [4] love [b27] for one an[57]other

[5] It's a long, long [1] road [5]
From which there is [4] no return [b2-7]
[5] While we're on the [6-] way to [b7] there
Why not [b2-7] share [5] [57]

And the [1] load [5]
Doesn't weigh me [6-] down at [b6] all
[1] He ain't heavy [b2-7][57] he's my [1] brother

He Played His Ukulele As The Ship Went Down

A shortened version – far too many verses!! Lots of different versions

I'll [1] tell the tale of the [4] Nancy Lee
The [57] ship that got ship-[1]wrecked at [57] sea
The [1] bravest man was [4] Captain Brown
For he [57] played his ukulele as the [1] ship [4] went [1] down

[6-] All the crew were [4] in des-[b37]pair
[6-] Some rushed here and [b27] some rushed [57] there
But the [1] Captain sat in the [4] Captain's chair
And he [57] played the ukulele as the [1] ship [4] went [1] down

Now the [1] Captain said to [4] Fireman Mose
Best [57] pull on your [1] fireman's [57] clothes
While [1] you stand and [4] use your hose
I'll [57] play the ukulele as the [1] ship [4] goes [1] down

[6-] All the crew were [4] in des-[b37]pair
[6-] Some rushed here and [b27] some rushed [57] there
But the [1] Captain sat in the [4] Captain's chair
And he [57] played the ukulele as the [1] ship [4] went [1] down

Now the [1] owners signalled [4] to the crew
To [57] do they best [1] that you can [57] do
We're [1] only insured for [4] half a crown
So we'll [57] be out of pocket if the [1] ship [4] goes [1] down

[6-] All the crew were [4] in des-[b37]pair
[6-] Some rushed here and [b27] some rushed [57] there
But the [1] Captain sat in the [4] Captain's chair
And he [57] played the ukulele as the [1] ship [4] went [1] down

Now the [1] captain's wife was [4] on board ship
And [57] he was very [1] glad of [57] it
But [1] she could swim, and [4] might not drown
So he [57] tied her to the anchor as the [1] ship [4] went [1] down

[6-] All the crew were [4] in des-[b37]pair
[6-] Some rushed here and [b27] some rushed [57] there
But the [1] Captain sat in the [4] Captain's chair
And he [57] played the ukulele as the [1] ship [4] went [1] down

The [6-] crow's nest fell and it [4] killed the [b37] crow
The [6-] starboard watch was [b27] two hours [57] slow
But the [1] Captain sung fal-[4]doh-dee-oh-doh
And he [57] played the ukulele when the [1] ship [4] went [1] down

[6-] All the crew were [4] in des-[b37]pair
[6-] Some rushed here and [b27] some rushed [57] there
But the [1] Captain sat in the [4] Captain's chair
And he [57] played the ukulele as the [1] ship [4] went [1] down

He said I'll love you til I [1] die [5]
[1] She told him you'll forget in [4] time
As the years went slowly [5] by
She still preyed upon his [1] mind [5]

[1] He kept her picture on his [1] wall
Went half crazy now and [4] then

He still loved her through it [5] all
Hoping she'd come back a [1]gain

Kept some [b6] letters by his [b2] bed
and in 196 [b5]2
He had underlined in [b6] red
Every single I love [b2] you

I went to [b6] see him just to [b2]day
Oh but I didn't see no [b5] tears
All dressed up to go a [b6]way
First time I'd seen him smile in [b2] years

Chorus:
He stopped [47] loving [4-] her to [b2]day
They placed a wreath upon his [b5] door
And soon they'll carry him a [b6]way
He stopped loving her to [b2]day

(Speak next verse but all hum the tune of the chorus over)
You know she came to see him one last time
Oh and we all wondered if she would
And it kept running through my mind
This time he's over her for good

[6-] [1] [b7] [1] [4] [1] [4] [1]

[4] There's a [1] place in your [b2-7] heart and I [3-] know that it is [4] love
And this [1] place could be much [b2-7] brighter than to-[3-]morrow [4]
And if [1] you really [b2-7] try you'll find [3-] there's no need to [4] cry
In this [1] place you'll feel [b2-7] there's no hurt or [3-] sorrow [4]
There [b2-7] are ways to [3-] get there if you [4] care enough for the [3-] living
Make a [b2-7] little space, make a [5sus2] better place

Heal the [1] world, make it a [2-] better place
For [5sus2] you and for me and the [1] entire human race, [5] there are
[6-] People [3-] dying, if you [4] care enough for the [3-] living
Make a [2-] better place for [5sus2] you and for [1] me

[1] [b2-7] [3-] [4]

If you [1] want to know [b2-7] why there's a [3-] love that cannot [4] lie
Love is [1] strong it only [b2-7] cares for joyful [3-] giving [4]
If we [1] try we shall [b2-7] see in this [3-] bliss we cannot [4] feel
Fear or [1] dread we stop [b2-7] existing and start [3-] living [4]
Then it [b2-7] feels that [3-] always, [4] love's enough for us [3-] growing
So make a [2-] better world, make a [5sus2] better world

Heal the [1] world, make it a [2-] better place
For [5sus2] you and for me and the [1] entire human race, [5] there are
[6-] People [3-] dying, if you [4] care enough for the [3-] living
Make a [2-] better place for [4] you and for [1] me

And the [b7] dream we were conceived in will reveal a [1] joyful face
And the [b7] world we once believed in will shine a [1] gain in grace
Then [6-] why do we keep [3-] strangling, while [4] earth crucify its [3-] soul
Though it's [2-] plain to see this world is heavenly, [5sus2] be god's glow

Well, [1] since my baby left me,
I found a new place to dwell.
It's down at the end of [17] lonely street
At [1] heartbreak hotel.

[4] I've been so lonely baby,
Well, I'm so lonely,
[57] I"m so lonely, I could [1] die.

And al- [1]though it's always crowded,
You still can find some room.
For broken [17] hearted lovers
To [1] cry away their gloom.

[4] They've been so lonely baby,
They'll be so lonely,
[57] They'll be so lonely they could [1] die.

[1] Now, the bell hop's tears keep flowin',
And the desk clerk's dressed in black.
Well they been so long on [17] lonely street

Hell stayed behind so I wouldn't be lonely,

Could it be hell is heaven and that heaven is hell,
And [17] each one are both the same [4] thing?
Well I hope heaven finds what [1] she's looking for,
And that [5] hell treats us both just the [1] same.

[4] [6-] [b7] [17] [4] (chunk a bit on that C)

[4] One night a little [6-] hedgehog , he [b7] came into my [4] garden,
[b7] Without as much as a [4] do you mind or I [b7] beg your [17] pardon.
[4] He got into my [6-] binbag to [b7] see what he could [4] find,
And [b7] just to let me [4] know he'd been, he [b7] left some poo be [17] hind..

[b7] Hedgehog poo ooh ooh, Hedgehog [4] poo
[17] What a very charming thing to [4] do [47]
Hedgehog [b7] poo ooh ooh, Hedgehog [4] poo
[17] Mr. Hedgehog how dare [4] you !

[4] Next night I waited [6-] in the dark
[b7] To catch him at his [4] crime
I [b7] heard the leaves a [4] rustlin'
About a [b7] quarter after [17] nine

The [4] moonlight shone u [6-] pon his spines
As he [b7] strolled across the [4] lawn
I [b7] turned around to [4] get my net
When I [b7] turned back he had [17] gone

[b7] Hedgehog poo ooh ooh, Hedgehog [4] poo
[17] What a very charming thing to [4] do [47]
Hedgehog [b7] poo ooh ooh, Hedgehog [4] poo
I've [17] been here before, Déja [4] vu

Last [4] night he left a [6-] letter
By the [b7] bin for me to [4] find
It [b7] said thanks for the [4] food you leave
You're [b7] very very [17] kind

It was [4] very neatly [6-] written
Though the [b7] words were rather [4] small
And [b7] from that night I [4] realised
He was [b7] no problem at [17] all

[b7] Hedgehog poo ooh ooh, Hedgehog [4] poo
[17] What a very charming thing to [4] do [47]
Hedgehog [b7] poo ooh ooh, Hedgehog [4] poo
He's [17] only doing the things that hedgehogs [4] do

[b7] Hedgehog poo ooh ooh, Hedgehog [4] poo
[17] What a very charming thing to [4] do [47]
Hedgehog [b7] poo ooh ooh, Hedgehog [4] poo
He's [17] only doing the things that hedgehogs [4] do

I was [6-] wondering if [1] after all these [5] years
You'd like to [4] meet, to go [6-] over [1] every-[5]thing
[4] They say that [6-] time's supposed to [1] heal ya
But I ain't [5] done much [4] healing

He-[6-]llo, [1] can you [5] hear me? [4]
I'm in [6-] California dreaming about [5] who we used to [4] be
When we were [6-] younger [1] and [5] free [4]
I've [6-] forgotten how it [1] felt before the [5] world fell at our [4] feet
There's such a [6-] difference [5] be-[3-]tween [4] us
And a [6-] milli-[5]on [4] miles

It's so [6-] typical of [1] me to talk a-[5]bout myself, I'm [4] sorry
I [6-] hope [1] that you're [5] well [4]
Did you [6-] ever make it [1] out of that town where [5] nothing ever

It's no [6-] secret [5] that the [3-] both of [4] us

Don't you [1] miss her?
Since she [b27] up and walked a-[5]way?
And I'll [4] bet you dread to spend another [1] lonely night with me,
[4] But lonely walls, [5] I'll keep you compa-[1]ny. [4] [1] [5]

Well, I [4] see that you're still [1] here.
Aren't you [1] lonely,
Since our [b27] darlin' disa-[5]ppeared?
Well, [4] look here, is that a teardrop in the [1] corner of your pane?
[4] Now don't you try to [5] tell me that's it's [1] rain. [4] [1]

She went a-[57]way
And left us all a-[1]lone, the way she planned.
[b27] Guess we'll have to learn
to get along with-[b2-7]out her if we [57] can.

Hello [1] ceiling,
I'm gonna [4] stare at you a [1] while.
You know I [1] can't sleep,
So won't you [b2] bear with me a [5] while?
We gotta [4] all stick together or [1] else I'll lose my mind.
I got a [4] feelin' she'll be [5] gone a long, long [1] time. [4] [1]

Take the ribbon from my [1] hair,
shake it loose and let it [4] fall.
[4] Lay it soft against your [5] skin,
like the shadows on the [1] wall.

[1] Come and lay down by my side,

I'm a [1] thousand miles away but girl to-[3-]night you look so pretty,

[1] Oh it's what you do to [6-] me,

A [4] thousand miles seems pretty far, but [5] they've got planes and trains and cars,
I'd [1] walk to you if I had no other [6-] way
Our [4] friends would all make fun of us, and [5] we'll just laugh along because we'd [1] know
That none of them have felt this [6-] way
De-[4] lilah I can promise you, that [5] by the time that we get through,
The [6-] world will never ever be the [6-] same
And [5] you're to [5] blame

[1] Hey there Delilah you be good and [3-] don't you miss me,
Two more [1] years and you'll be done with school,
and [3-] I'll be making history like I [6-] do
[4] You'll know it's [5] all because of [6-] you
[4] We can do what-[5]ever we want [6-] to

[1] It's lonely out [4] tonight,
and the [5] feeling just got [57] right for a brand new [1] love song.
[4] A somebody done somebody [1] wrong song.

> CHORUS
>
> [1] Hey, won't you [1maj7] play,
> another [17] somebody done somebody [4] wrong song,
> and make me [1] feel at home,
> while I miss my [2-] baby, [57] while I miss my [1] baby.

[1] So please play for me, that sad [b37] melody,
so [b67] sad that it makes everybody [b27] cry.
A [57] real hurtin' song, about a [1] love that's gone [b67] wrong,
[b27]cause I don't want to cry all [57] alone.

> CHORUS
>
> [1] Hey, won't you [1maj7] play,

You told me you [4] fell in love with it,
[4-] hadn't gone as I planned.. [16] [b16] [16]

When you had to bid adieu, [16] [b16] [16]
said you'd never love anew. [16] [b16] [16]
I wondered if [4] I could hold it,

[1] Next time you're found
With your [5dim] chin on the ground
There's a [b2-7] lot to be learned
[57] So look a[1]round [6-] [b2-7] [57]

[1] Just what makes that [4] little old ant
[57] Think he'll move that [1] rubber tree plant
Anyone knows [5dim] an [b2-7] ant, [1dim] can't
[b2-7] Move [57] a rubber tree [1] plant

But [57] he's [17] got [4] high hopes
[1dim] He's got [1] high hopes
He's got [b27] high apple pie

So any [1] time you're gettin' low

Believe what they [1] see,
Give me [5] something to be-[1]lieve,
[4] Give me [1] something to believe,
[1] I got lucky in life and had plenty to eat and
I saw this world as one big pool of [1] opportunity
But there's [4] too much mind corruption,
Too little reme-[1]dy (or that's how it seems to me)

Hippopotamus Song - Flanders and Swann

artist: Flanders and Swann, writer: Flanders and Swann

https://youtu.be/AjnOj9O16_I?t=1m18s (but in Ab ?) Thanks Ian Blackhouse

[17] A [4] bold hippopotamus was [5-] standing one [17] day
On the [2-] banks of the [57] cool [17] Shalimar.
He [4] gazed at the bottom as he [5-] peacefully [b67] lay
By the [2-] light of the [57] evening [17] star.
[1-] Away on the [2-] hilltop sat [1-] combing her [b27] hair
His [1-] fair hippo-[b27]-potami [5-] maid [1]
The [2-] Hippo-[1]-potamus [2-] was no [1] ignoramus
And [5-] sang her this [57] sweet [17] serenade.

Chorus:
[4] Mud, mud, [5-] glorious [17] mud.
[2-] Nothing quite [57] like it for [17] cooling the blood.
So [4] follow me follow, [5-] down to the hollow
And [b7] there let us [4] wallow in [17] glorious [4] mud. [4]/// [5-]/// [17]//

The [4] fair hippopotama he [5-] aimed to en-[17]-tice
From her [2-] seat on that [57] hilltop [17] above
As [4] she hadn't got a ma to [5-] give her ad-[b67]-vice
Came [2-] tiptoeing [57] down to her [17] love.
Like [1-] thunder the [b27] forest re-[1-]-echoed the [b27] sound
Of the [1-] song that they [b27] sang when they [5-] met [1]
His [2-] inamor-[1]-ata ad-[2-]-justed her [1] garter
And [5-] lifted her [57] voice in du-[17]-et.

Chorus
Now [4] more hippopotami [5-] began to [17] convene
On the [2-] banks of that [57] river so [17] wide
I [4] wonder now what am I to [5-] say of the [b67] scene
That [2-] ensued by the [57] Shalimar [17] side.
They [1-] dived all at [b27] once with an [1-] ear-splitting [b27] posh
Then [1-] rose to the [b27] surface [5-] again [1]
A [2-] regular [1] army of [2-] hippopot-[1]-ami
All [5-] singing this [57] haunting [1] refrain.

Chorus
[17] The [4] amorous hippopotamus whose [5-] love song we [17] know
Is now [2-] married and [57] father of [17] ten,
He [4] murmurs, "God rot 'em!" as he [5-] watches them [b67] grow,
And he [2-] longs to be [57] single [17] again!
He'll [1-] gambol no [b27] more on the [1-] banks of the [b27] Nile,
Which [1-] Naser is [b27] flooding next [5-] Spring, [1]
With [2-] hippopot-[1]-amas in [2-] silken py-[1]-jamas
No [5-] more will he [57] teach them to [17] sing

[1] You've gotta help me, [b37] I'm losing my mind,
[6-] Keep getting the feeling you want to [5-7] leave this all behind.
Thought we were [4] going strong, I thought we were [5] holding on,
Aren't [1] we?

[1] No, they don't teach you [b37] this in school,

Thought we were [4] going strong, thought we were [5] holding on,
Aren't [1] we? [57]

Chorus:
You and [1] me got a whole lot of [6-] history,
We could [2-] be the greatest thing that the [4] world has ever seen.
You and [1] me got a whole lot of [6-] history,
So don't [2-] let it go, we can [1] make some more,

Well [1] who wouldn't be a sailor lad,sailing on the main,
To [5] gain the good will of his [1] captain's good name,
[1] He came a-[4]shore one [1] evening for to [5] be,
And [1] that was the be-[4]ginning of me [5] old true love and [1] me.

> CHORUS

> And it's [1] home boys home, home I'd like to be,

> Are [1] all growing [4] greener in the [5] old coun-[1]try.

Well I [1] asked her for a candle for to light me way to bed,
And [5] likewise for a handkerchief to [1] tie around me head,
[1] She tended to me [4] needs like a [1] young maid aught to [5] do,
And [1] then I said to [4] her now would you [5] leap in with me [1] too.

> CHORUS

> Where the [1] Oak and the [4] Ash,and the [1] bonny Rowan [5] tree,
> Are [1] all growing [4] greener in the [5] old coun-[1]try.

Well she [1] jumped into bed making no alarm,
[1] Thinking a young [4] sailor lad could [1] do to her no [5] harm,
Well I [1] hugged her and I [4] kissed her the [1] whole night [5] long,
Till she [1] wished the [4] short night,had been [5] seven years [1] long.

> Are [1] all growing [4] greener in the [5] old coun-[1]try.

Well [1] early next morning the sailor lad arose,
And [4] into Mary's apron threw a [1] handful of [5] gold,
Saying [1] take this me [4] dear for the [1] mischief that I've [5] done,
For to-[1]night I fear I've [4] left you with a [5] daughter or a [1] son.

> CHORUS

> Are [1] all growing [4] greener in the [5] old coun-[1]try.

Well [1] if it be a girl child send her out to nurse,
With [4] gold in her pocket and [1] silver in her [5] purse,
And [1] if it be a [4] boy child,he'll [1] wear the jacket [5] blue,
And go [1] climbing up the [4] riggin' like his [5] daddy used to [1] do.

> CHORUS

Oh [1] come all of you fair maidens, a warning take by me,
And [4] never let a sailor lad an [1] inch above your [5] knee,
For [1] I trusted [4] one and [1] he beguiled [5] me,
He [1] left me with a [4] pair of twins to [5] dangle on me [1] knee.

[1] [5] [6-] [4] [2-] [1] [4] [5]
[1] Cardboard sign, [5] old and bent,
Says "[6-] Friend for life, [4] twenty five cents"
[2-] When did this start [1] making sense;
[4] Man it's really getting [5] cold

[1] Sometimes I forget things and I [5] get confused.
I could [6-] still be working but [4] they refuse.
[2-] Now I'm living with the [1] bums and the whores and the [4] abused;
Man I hate [5] gettin' old

> CHORUS
>
> [1] Homeless, get a-[5]way from here;
> Don't [6-] give them no money they'll just [4] spend it on beer
> [2-] Homeless, will [5] work for food,
> You'll [6-] do anything that you [4] gotta do,
> When you're [1] homeless. [5] [6-] [4] [1] [5] [1]

[1] Betty sings a song that [5] no one hears,
As the [6-] wind begins to [4] freeze her tears
[2-] She says 'God, it's been [1] so many years',
She's [4] way past com-[5]plainin'.

[1] She sings a heartfelt [5] melody,
[6-] One that begs for [4] harmony
[2-] No, it's not what she [1] thought it would be,
But [4] hey, it could be [5] rainin'

> CHORUS
>
> Chorus

[1] You know life ain't easy, [5] it takes work,
[6-] It takes healin' 'cause you're [4] gonna get hurt.
[2-] You can lose your faith, [1] you can lose your shirt,
[4] Lose your way some-[5]times
Ah, [1] you never really [5] have control,
Some-[6-]times you just gotta [4] let it go
[2-] When the final [1] line unfolds,
[4] It don't always [5] rhyme

[1] I wish I'd never come back home
It don't feel right since I've been [5] grown
[1] I can't find any of my [4] old friends hangin' round
Won't [1] nothing bring you [5] down like your home [1] town

Won't [1] nothing bring you [5] down like your home [1] town

[4] Home is where the heart is
Ain't that [1] what they always say
[b27] My heart lies in broken pieces
[5] Scattered along the way

[1] So don't think about me when I'm gone
I don't mind traveling [5] alone

[1] I'm sitting in the railway station.
Got a [1maj7] ticket for my destina-[17]tion, mmm [b7]mmm
[2-] On a tour of one-night stands
my [b7] suitcase and guitar in hand.
And [1] ev'ry stop is neatly planned
for a [57] poet and one-man ba-[1]nd.

Chorus:
Homeward [4] bound, wish I [1] was, Homeward [4] bound,
[1] Home where my [1sus4] thought's escaping
[1] Home where my [1sus4] music's playing,
[1] Home where my [1sus4] love lays waiting

Of [1maj7] cigarettes and maga-[17]zines, mmm [b7]mmm
And [2-] each town looks the same to me,
the [b7] movies and the factories
And [1] ev'ry stranger's face I see
re-[57]minds me that I long to be-[1]e,

Repeat chorus

[1] Tonight I'll sing my songs again,
I'll [1maj7] play the game and pre-[17]tend, mmm [b7]mmm
But [2-] all my words come back to me in [b7] shades of mediocrity
Like [1] emptiness in harmony I [57] need someone to comfort me [1]e.

Repeat chorus

Hoo-[1]ray for [5] Hazel, [4] she put me [1] down,
Hoo-[1]ray for [5] Hazel, she [4] made me her [1] clown.
Hoo-[1]ray for [5] Hazel, she's [4] up to her [1] tricks,
Hoo-[1]ray for [5] Hazel, she's [4] getting her [1] kicks.

[1] Hazel's been in [5] love with [4] many a [1] guy,
She [4] tells them that she [5] loves them and [4] then says good-[1]bye.
hoo-[1]ray for [5] Hazel, I'm [4] now on her [1] list,
I'm [4] just another [5] fool that [4] couldn't re-[1]sist.

hoo-[1]ray for [5] Hazel, [4] she put me [1] down,
hoo-[1]ray for [5] Hazel, she [4] made me her [1] clown.
hoo-[1]ray for [5] Hazel, she's [4] up to her [1] tricks,
hoo-[1]ray for [5] Hazel, she's [4] getting her [1] kicks.

[1] Hazel never [5] feels any [4] pity or [1] shame,
A [4] broken heart is [5] just a part of [4] her evil [1] game.
hoo-[1]ray for [5] Hazel, she [4] did it a-[1]gain,
I'll [4] join the ranks of [5] broken hearts that [4] she put me [1] in.

hoo-[1]ray for [5] Hazel, [4] she put me [1] down,
hoo-[1]ray for [5] Hazel, she [4] made me her [1] clown.
hoo-[1]ray for [5] Hazel, she's [4] up to her [1] tricks,
hoo-[1]ray for [5] Hazel, she's [4] getting her [1] kicks.

[1] Hazel only [5] does things [4] she wants to [1] do,
She's [4] selfish and she's [5] spoiled and she [4] knows that she's [1] cute.
hoo-[1]ray for [5] Hazel, she [4] still gets her [1] way,
But [4] there's a time [5] coming we'll be [4] able to [1] say

hoo-[1]ray for [5] Hazel, there's [4] tears in her [1] eyes,
hoo-[1]ray for [5] Hazel, she [4] knows how to [1] cry.
hoo-[1]ray for [5] Hazel, she's [4] meek as a [1] dove,
hoo-[1]ray for [5] Hazel, she's [4] begging for [1] love.

Hoo-[1]ray for [5] Hazel, there's [4] tears in her [1] eyes,

[1] [4] [5] [5] [1] [4] [5] [5]

Well I [1] hope that I don't [4] fall in love with [5] you [5]
'Cause [1] falling in [4] love jus' makes me [5] blue [5]
Well the [4] music plays and [1] you display, Your [5] heart for me to [1] see
I [4] had a beer and [1] now I hear you [4] callin' out to [5] me
And I [1] hope that don't [4] fall in [5] love with [1] you [1]

Well the [1] room is crowded,with [4] people [5] everywhere [5]
And I [1] wonder should I [4] offer you a [5] chair [5]
Well if [4] you sit down with [1] this ol' clown, I'll [5] take that frown and [1] break it
Be- [4] fore the evening's [1] gone away, I [4] think that we could [5] make it [5]
And I [1] hope that I don't [4] fall in [5] love with [1] you [1]

I can [1] see that you are [4] lonesome just like [5] me [5]
And it [1] being late you'd [4] like some compa- [5] ny [5]
Well I [4] turn around to [1] look at you, and [5] you look back at [1] me
The [4] guy you're with has [1] up and split, the [4] chair next to you's [5] free [5]
And I [1] hope the you don't [4] fall in [5] love with [1] me [1]
{c: instrumental verse with La la las over it)
And I [1] hope that I don't [4] fall in [5] love with [1] you [1]

Well the [1] night does funny [4] things inside a [5] man [5]
These old [1] tom-cat feelings [4] you don't under- [5] stand [5]
When I [4] turn around to [1] look at you, yYou [5] light a [1] cigarette
I [4] wish I had the [1] uts to bum one, [4] but we've never [5] met
And I [1] hope that I don't [4] fall in [5] love with [1] you [1]

Now it's [1] closing t....ime, The [4] music's fading [5] out [5]
Last [1] call for drinks, I'll [4] have another [5] stout [5]
When I [4] turn around to [1] look at you, you're [5] nowhere to be [1] found
I [4] search the place for [1] your lost face, guess I'll [4] have another [5] round
(SLOW)
And I [1] think that I just [4] fell in [5] love with [1] you

Many varying lyrics to this song - good luck

[5] [b7] [1] [5]
Now [1] 'opping's just beginning,
We've got some time to [5] spend.
We've [1] only come down hopping,
To earn a quid if we [5] can.
With the [1] tee-i-ay, tee-i-ay, tee-i-ee-i-ay.

Now [1] early Monday morning,
Just at 6 o' [5] clock
You'll [1] hear them hoppers calling.
Get up and turn your [5] pots
With the [1] tee-i-ay, tee-i-ay, tee-i-ee-i-ay.

Now [1] every Tuesday morning,
The bookie he'll come [5] round;
[1] With a bag of money,
He'll flop it on the [5] ground.
With the [1] tee-i-ay, tee-i-ay, tee-i-ee-i-ay.

Saying, " [5] Do you want some money?"
"Yes sir, if you [5] please,
To [1] buy a hock of bacon
And a roll of mouldy [5] cheese".
With the [1] tee-i-ay, tee-i-ay, tee-i-ee-i-ay.

They [1] say all hopping's lousy,
I believe it's [5] true.
[1] Since I've been down hopping,
I've got a chat or [5] two.
With the [1] tee-i-ay, tee-i-ay, tee-i-ee-i-ay.

[1] Early Saturday morning,
It is our washing [5] day.
We [1] boil 'em in our hopping pot,
And we hangs 'em o'er the [5] ground.
With the [1] tee-i-ay, tee-i-ay, tee-i-ee-i-ay.

[1] Hopping is all over,
The money is all [5] spent.
I [1] wish to God I'd never done
No hopping down in [5] Kent.
With the [1] tee-i-ay, tee-i-ay, tee-i-ee-i-ay.

[1] I say one, I say two,
[b7] No more hopping shall I do.
The [1] tee-i-ay, tee-i-ay, tee-i-e-i-ay.

On the [4-] first part of the [36] journey
I was [4-] looking at all the [36] life
There were [4-] plants and birds and [36] rocks and things
There was [4-] sand and hills and [36] rings
The first [4-] thing I met was a [36] fly with a buzz
And the [4-] sky with no [36] clouds
The heat [4-] was hot, and the [36] ground was dry
But the [4-] air was full of [36] sound

I've [4-] been through the desert on a [b5-7] horse with no name
It felt [4-] good to be out of the [b5-7] rain
In the [4-] desert, you can re-[b5-7]member your name
'Cause there [4-] ain't no one for to [b5-7] give you no pain

[4-] La la, la, [b5-7] lalalala, lala [4-] la la [b5-7] la
[4-] La la, la, [b5-7] lalalala, lala [4-] la la [b5-7] la

After [4-] two days in the [36] desert sun
My skin [4-] began to turn [36] red
After [4-] three days in the [36] desert fun
I was [4-] looking at a river [36] bed
And the [4-] story it told of a [36] river that flowed
Made me [4-] sad to think it was [36] dead

You see I've [4-] been through the desert on a [b5-7] horse with no name
It felt [4-] good to be out of the [b5-7] rain
In the [4-] desert, you can re-[b5-7]member your name
'Cause there [4-] ain't no one for to [b5-7] give you no pain

[4-] La la, la, [b5-7] lalalala, lala [4-] la la [b5-7] la

After [4-] nine days, I let the [36] horse run free
'Cause the [4-] desert had turned to [36] sea
There were [4-] plants and birds and [36] rocks and things
There was [4-] sand and hills and [36] rings
The [4-] ocean is a desert with it's [36] life underground
And a [4-] perfect disguise a-[36]bove
Under [4-] the cities lies a [36] heart made of ground
But the [4-] humans will give no [36] love

You see I've [4-] been through the desert on a [b5-7] horse with no name
It felt [4-] good to be out of the [b5-7] rain
In the [4-] desert, you can re-[b5-7]member your name
'Cause there [4-] ain't no one for to [b5-7] give you no pain

[4-] La la, la, [b5-7] lalalala, lala [4-] la la [b5-7] la

[1-] On a dark desert highway [b57] cool wind in my hair
[7] Warm smell of colitas [b4] rising up through the air
[6] Up ahead in the distance [3] I saw a shimmering light
[4-] My head grew heavy and my sight grew dim
[b57] I had to stop for the night

[1-] There she stood in the doorway [b57] I heard the mission bell
[7] And I was thinking to myself this could be [b4] heaven or this could be hell
[6] Then she lit up a candle [3] and she showed me the way
[4-] There were voices down the corridor [b57] I thought I heard them say

[6] Welcome to the Hotel Cali [3]fornia
Such a [b57] lovely place such a [1-] lovely face
[6] Plenty of room at the Hotel Cali [3]fornia
Any [4-] time of year you can [b57] find it here

[1-] Her mind is Tiffany twisted [b57] she got the Mercedes bends
[7] She got a lot of pretty pretty boys [b4] that she calls friends
[6] How they dance in the courtyard [3] sweet summer sweat
[4-] Some dance to remember [b57] some dance to forget
[1-] So I called up the captain [b57] please bring me my wine
He said [7] we haven't had that spirit here since [b4] 1969
[6] And still those voices are calling from [3] far away
[4-] Wake you up in the middle of the night [b57] just to hear them say

[6] Welcome to the Hotel Cali [3]fornia
Such a [b57] lovely place such a [1-] lovely face
[6] Plenty of room at the Hotel Cali [3]fornia
Any [4-] time of year you can [b57] find it here

[1-] Mirrors on the ceiling [b57] the pink champagne on ice
And she said [7] we are all just prisoners here [b4] of our own device
[6] And in the master's chambers [3] they gathered for the feast
[4-] They stab it with their steely knives but they [b57] just can't kill the beast
[1-] Last thing I remember I was [b57] running for the door
[7] I had to find the passage back to the [b4] place I was before
[6] Relax said the nightman we are [3] programmed to receive
[4-] You can check out anytime you like [b57] but you can never leave

[6] Welcome to the Hotel Cali [3]fornia
Such a [b57] lovely place such a [1-] lovely face
They [6] livin' it up at the Hotel Cali [3]fornia

[7] Warm smell of colitas [b4] rising up through the air
[6] Up ahead in the distance [3] I saw a shimmering light
[4-] My head grew heavy and my sight grew dim
[b57] I had to stop for the night

[1-] There she stood in the doorway [b57] I heard the mission bell
[7] And I was thinking to myself this could be [b4] heaven or this could be hell
[6] Then she lit up a candle [3] and she showed me the way
[4-] There were voices down the corridor [b57] I thought I heard them say

[6] Welcome to the Hotel Cali [3]fornia
Such a [4-] lovely place such a [1-] lovely face
[6] Plenty of room at the Hotel Cali [3]fornia
Any [4-] time of year you can [b57] find it here

[1-] Her mind is Tiffany twisted [b57] she got the Mercedes bends
[7] She got a lot of pretty pretty boys [b4] that she calls friends
[6] How they dance in the courtyard [3] sweet summer sweat
[4-] Some dance to remember [b57] some dance to forget
[1-] So I called up the captain [b57] please bring me my wine
He said [7] we haven't had that spirit here since [b4] nineteen sixty-nine
[6] And still those voices are calling from [3] far away
[4-] Wake you up in the middle of the night [b57] just to hear them say

[6] Welcome to the Hotel Cali [3]fornia
Such a [4-] lovely place such a [1-] lovely face
[6] Plenty of room at the Hotel Cali [3]fornia
Any [4-] time of year you can [b57] find it here

[1-] Mirrors on the ceiling [b57] the pink champagne on ice
And she said [7] we are all just prisoners here [b4] of our own device
[6] And in the master's chambers [3] they gathered for the feast
[4-] They stab it with their steely knives but they [b57] just can't kill the beast
[1-] Last thing I remember I was [b57] running for the door
[7] I had to find the passage back to the [b4] place I was before
[6] Relax said the nightman we are [3] programmed to receive
[4-] You can check out anytime you like [b57] but you can never leave

[6] Welcome to the Hotel Cali [3]fornia
Such a [4-] lovely place such a [1-] lovely face
They [6] livin' it up at the Hotel Cali [3]fornia
What a [4-] nice surprise bring your [b57] alibis [1-]

I was [1] watching, with one [4] eye on the other side,
I had [5] fifteen people telling me to move, I got [1] movin' on my mind.
I found [1] shelter, in some [4] thoughts turning wheels around,
I've said [5] 39 times that I love you to the [1] beauty I have found.

Well it's, [1] one, two, three, four, take the elevator,
at the [4] Hotel Yorba I'll be glad to see you later,
[5] all they got inside is vacan-[1]cy [4] [1]

[1] [4] [5] [1]
I've been [1] thinking, of a little [4] place down by the lake
They've got a [5] dirty old road leading up to the house
I wonder [1] how long it will take
till we're [1] alone,
sitting on a [4] front porch of that home
[5] Stompin our feet, on the wooden boards,
[1] Never gotta worry about locking the door

Well its, [1] one, two, three, four, take the elevator,
at the [4] Hotel Yorba I'll be glad to see you later,
[5] all they got inside is vacan-[1]cy [4] [1]

[1] [4] [5] [1]
It might sound [1]* silly, for me to think [4]* childish thoughts like these
But [5]* I'm so tired of acting tough, and I'm [1]* gonna do what I please.

Let's get [1] married in a big ca-[4]thedral by a priest
because if [5] I'm the man that you love the most,
You could [1] say I do at least.

Well its, [1] one, two, three, four, take the elevator,
at the [4] Hotel Yorba I'll be glad to see you later,
[5] all they got inside is vacan-[1]cy
And it's [1] four, five six, seven, grab the umbrella,
And [4] grab hold of me cause I'm your favourite fella,
[5] All they got inside is vacan-[1]cy [4] [1]*

[1] [57] [1][1] - Simplified intro

Well, the doctor comes ar[5]ound with his face all [1] bright [1]
And he [1] says, "In a little [1] while you'll be all [5] right!" [57]
Well, all he [1] gives is a humbug [17] pill
Dose of [4] dope and a great big [2-] bill
Tell me, [1] how can a poor man [57] stand such times and [1] live? [1]

[1] There once was a time when [5] everything was [1] cheap
But now [1] prices nearly [1] puts a man to [5] sleep [57]
When we [1] get our grocery [17] bill
We just [4] feel like making our [2-] will
Tell me, [1] how can a poor man [57] stand such times and [1] live ? [1]

When we [1] get our grocery [17] bill
We just [4] feel like making our [2-] will
Tell me, [1] how can a poor man [57] stand such times and [1] live? [1]

Well I remember when dry [5] goods was cheap as [1] dirt [1]
You could [1] take two bits and [1] buy a dandy [5] shirt [57]
Now we [1] pay three bucks or [17] more
Maybe get a [4] shirt that another man [2-] wore
Tell me, [1] how can a poor man [57] stand such times and [1] live? [1]

Most preachers well they preach for [5] gold and not for [1] soul [1]
Well, that's what [1] keeps us poor folks always in a [5] hole [57]
Now, we can [1] hardly get our [17] breath
Taxed and [4] schooled and preached to [2-] death
Tell me, [1] how can a poor man [57] stand such times and [1] live? [1]
Tell me, [1] how can a poor man [57] stand such times and [1] live? [1]

How much [1] beer can one man drink
After a [4] long hard workin' [1] week
How many is it gonna be when the sun comes [5] 'round
How far [1] up can one man climb
On an old bar-[4]stool in the neon [1] light
How much beer can one man [5] drink
We're about to find [1] out

[1] I was thinkin' 'bout it while I was on my way
After [4] clockin' out, cashin' my pay-[1]check
What comes next for all us [57] regular guys
You know [1] life is tough with lots of decisions
[4] Questions without answers, and answers ain't been given

[1] So here you are, and we are too
[4] Sippin' on suds of that [1] ice cold brew
And listenin' to that old jukebox [5] play
[1] There's headaches to be had and heartaches to heal
What-[4] ever you got, we [1] know how you feel
'Cause we're all searchin', hurtin', or [5] helpin' a brother on his [1] way
[1] So what do y'all say

CHORUS

[1] How much beer can one man drink

How much beer can one man [5] drink
We're about to find [1] out

[1] [4] [1] [5] [1]
Well I [4] guess it all depends
On if you're [3-] broke or badly bent
Got just e-[2-]nough to pay the rent

[1] Oh we're going to a hukilau (Hoo-Key-Lau)
huki huki huki huki [57] hukilau
[57] Everybody loves a hukilau
Where the lau-lau is the kau-kau at the [1] huki-lau
We'll [b67] throw our nets out into the sea
And [b27] all the ama-ama(Amah-Amah) come swimming to me
Oh, we're [1] going to a hukilau
huki [57] huki huki huki huki [1]-lau

[1] What a wonderful day for fishing
In the old Hawaiian [57] way
[57] all the hukilau nets are swishing
Down in [b27] old Laie (Lah-ee-ah) [57] bay

Oh we're [1] going to a hukilau

[1] On the Isle of Filalilla out [57] Hawaii Way
A hula maiden gay stroll [1] by a moonlit bay
There come to court her over the water
From the savage Zin-[57]gazulu land
A Bolo chieftain grand sang her this [1] lay

> CHORUS
>
> And he sang . .[4] Hula, Hawaii hula . .
> [1] Smile on your zing gang a zula
> [57] Moon shine above on the [1] sweet jungle love
> [4] For you my bolo is swinging
> [1] For you my love song I'm singing
> [57] Come be my hula, hula love . . (a' ya, ya, ya)

But the chieftain of the warriors from the peaceful Fila-[57]lilla land
Would not give him her hand, her [1] lover took his stand
Through the rattle of the battle
As she heard his sweet voice [57] strong and true
They fled in his canoe over water [1] blue

[6-] How can I let my eyes [4] fall

I've been [1] turned on, and [1aug] turned down

But I [1] always get [5] lucky with [1] you [17]

I keep [4] two strikes [b5-dim] against me
Most [1] all of the time.
And when it's [b27] down to just a phone call
I'm [b2-7] minus a [57] dime.

There's been [1] good days, and [1aug] bad days
But [4] when the day is [b5-dim] through

[1] When the moon shines [4] on the [1] cow shed
And we're [1] rollin [4] in the [1] hay
All the [1] cows are [4] out there [1] grazing
And the milk is [5] on its [1] way.

[1] I am a cider [4] drinker, I drinks it all of the [1] day
[1] I am a cider [4] drinker, it soothes all me troubles a- [1]way
[1] Oh arr oh arr [5] aay, oh arr oh arr [1] aay.

It's so [1] cosy [4] in the [1] kitchen
With the [1] smell of [4] rabbit [1] stew
When the [1] breeze blows [4] cross the [1] farmyard
You can smell the [5] cow sheds [1] too.
[1] Oh I've smelt nothing like it in my life!

When those [1] combine [4] wheels stop [1] turning
And a [1] hard days [4] work is [1] done
There's a [1] pub a- [4]round the [1] corner
It's the place we [5] have our [1] fun.

[1] I am a cider [4] drinker, I drinks it all of the [1] day
[1] I am a cider [4] drinker, it soothes all me troubles a- [1]way
[1] Oh arr oh arr [5] aay, oh arr oh arr [1] aay.

Now dear old [1] Mabel, [4] when she's [1] able
We takes a [1] stroll down [4] lover's [1] lane
And we'll [1] sink a [4] pint of [1] scrumpy
And we'll play old [5] natures [1] game.
[1] Ha ha ha! Oo aar!

But we [1] end up [4] in the [1] duck pond
When the [1] pub is [4] sized to [1] close
With me [1] breeches [4] full of [1] tadpoles
And the newts be- [5]tween me [1] toes.

In a [1] deep and dark De-[5]cember

I stood upon the [3-] rocky shores, I [4] watched the [5] tall ships [6-] come.

I'm Clancy on his [3-] horse, I'm Ned [4] Kelly [5] on the [6-] run,

[1] I believe in Santa Claus
[4] I hope that you do [b2] too
[1] 'Cause Santa Claus be-[57]lieves in [1] you [5]

[1] I believe that children know [4] more than you think they [b2] do
[1] 'Cause they believe in [57] Santa [1] too [4] [1]

[3-] Every Christmas eve the children run and spy
[b2] Just to [b6] catch a [b2] glimpse as Santa's sleigh flies [b27] by

[1] I believe in fairy tales, [4] imagine me with [b2] you
[1] Santa make my [57] dream come [1] true [4] [1] [5]

[1] Ba ba ba ba ba ba, [4] ba ba ba ba [b2] ba
[1] Ba ba ba [57] ba, ba [1] ba [4] [1] [b77]

[3-] Underneath the mistle-[b77] toe you [3-] hold me tight
[b2] Santa make my dreams [b6] all come [b2] true to-[b27]night

I [1] don't believe the [6-] price of gold, the [1] certain-ty of [6-] growing old
That [5] right is right and left is wrong, that north and south can't get along

But I be-[4]lieve in love, I be-[1]lieve in babies
I believe in [5] Mom and Dad, [57] and I believe in [1] you [6-] [1] [6-]

I [1] don't believe that [6-] heaven waits for [1] only those who [6-] congre-gate
I [1] like to think of [6-] God as love, he's [1] down below, he's [6-] up a-bove

And [1] I'm an ordin-[6-] ary man, some-[1] times I wonder [6-] who I am

Well, I [4] know with all my certainty what's going on with you and me
Is a [1] good thing - it's [5] true, I believe in [1] you [6-] [1] [6-]

As [1] I was going home to tea
I [2-] thought I'd take some [4] luxury
Went in-[5]to a winkle shop
Bought me self a pennyworth of [1] winkles

Going home to tea as [2-] happy as could be
But while I was up stairs there was all the fami-[1]ly
[1] Picking all the big ones out
[4] Picking all the big ones out
[5] You should have seen my face a'wrinkle
When I saw my [1] penny worth of winkles

All the big ones [1] gone
[4] It made me rave and shout
There was the [5] Ma, Pa, and all the little kids
Picking all the big one's [1] out.

Singin', [1] I can't get my winkle out
[4] Isn't it a shame!
[5] Any time I get it out it pops right in a-[1]gain

I can't get my winkle out!
[4] Isn't it a sin!
[5] Any time I get it out it the further it goes [1] in

I can't get my winkle out!
[4] Isn't it a do'er!
[5] I can't get it out with an old bent pin.
Has anybody got a [1] skewer?

[1] Told you, baby, one more time
[1] Don't make me sit all alone and cry
Well, it's [57] over, I know it but I [4] can't let [1] go
I'm like a [1] fish out of water, a cat in a tree
[1] You don't even want to talk to me
Well, it's [57] over, I [4] know it but I can't let [1] go

CHORUS

He won't [17] take me back when I come around
[1] Says he's sorry then he pulls me out
I got a [4] big chain around my neck
And I'm [1] broken down like a train wreck
Well, it's [57] over, I [4] know it but I can't let [1] go

[1] See I got a candle and it burns so bright
[1] In my window every night
Well, it's [57] over, I [4] know it but I can't let [1] go
[1] You don't like to see me standing around
[1] Feel like I been shot and didn't fall down
Well, it's [57] over, I [4] know it but I can't let [1] go

CHORUS

He won't [17] take me back when I come around

[1] Went off and left me, and it [17] just ain't right
Well, it's [57] over, I [4] know it but I can't let [1] go
[17] Around every corner, something I see
[1] Brings me right back how it [17] used to be
Well, it's [57] over, I [4] know it but I can't let go [1]

[1] You're the only one that [3-] I rely on,

[1] And the hours alone that [3-] I'm without you,
[4] All I ever do is [57] think about you

[1] Didn't like you much when [3-] I first met you
[4] But somehow I couldn't [57] quite forget you
[1] Said you didn't want a [3-] friend or lover
[4] That your life was happy [57] with another

[b6] But as time went by my [b7-7] love grew stronger
[b6] Knew that I just couldn't [b7-7] wait any longer
[1] For I couldn't let you [2-] go, and I had to tell you [3-] so
That I loved you, then you'd [4] know

[1] I re-[5]member long a-[4]go

[1] [5] How then could I [4] know
[1] Well I was [5] young [4] before I was old

[1] I re-[5]member on the [4] bridge
[1] In a [5] place they said was [4] privileged
[1] Watching the [5] boats go up and [4] down
[1] I was attached and [5] detached from my [4] terrible town

And [1] I-I-I [5] I-I I [4] de-[5]cided to [1] fly [5] [4] [5]
Oh [1] I-I-I [5] I-I-I [4] de-[5]cided to [1] try [5] [4] [5]

[1] [6-] [4] [5]
[1] I re-[5]member long a-[4]go
[1] Lived in a [5] house on Whitebeam [4] Road
[1] The summers [5] came as they [4] go
[1] I spend my [5] life carrying granite [4] stone

[1] Brother, [5] father, mother, [4] three
[1] Another one [5] and that made [4] me
[1] I cut my [5] shin and looked up [4] high
[1] Something deep [5] told me that [4] I-I-I

[1] I-I-I [5] I-I I [4] de-[5]cided to [1] fly [5] [4] [5]
Oh [1] I-I-I [5] I-I-I [4] de-[5]cided to [1] try [5] [4] [5]

[1] I re-[5]member long a-[4]go
[1] I grew up [5] in the South [4] Seas
[1] A [5] horizon so far a-[4]way
[1] Now it's be-[5]come a part of me

I decided to [1] fly [5] [4] [5]
[1] I-I-I [5] I-I-I [4] de-[5]cided to [1] try [5] [4] [5]
[1] I-I-I [5] I-I-I [4] de-[5] ided to [1] fly [5] [4] [5]
You and [1] I-I-I [5] I-I-I [4] de-[5]cided to [1] try [5] [4] [5]
[1] I de-[5]cided to [1] fly
You and I de-[5]cided to [1] try [4] [1] [5]

I [57] don't know why I cry so but I [1] do,
I only know I'm [17] lonely,
And [4] that I want you [b67] only,

I [b27] don't know why I [57] love you, but I [1] do.

[1] I can't sleep nights because I feel so [b27] restless,
I [57] don't know what to do I feel so [1] helpless,
And since you been [17] away,
I [4] cry both night and [b67] day,

I [b27] don't know why I [57] love you, but I [1] do.

[4] My days have been so lonely,
My [1] nights have been so blue,
I [b67] don't know how I manage, but I [b27] do. [57]

[1] Each night I sit alone and tell my [b27] self,

I guess I'm wasting [17] time,
But I've [4] got to clear my [b67] mind,

[1] My family reunion is [4] goin' on [1] today
[1] My relatives have all flown in from [5] places far away
As we [1] sit there eatin' chicken, it [4] hits me like a truck
I [1] don't, like, [57] half the folks I [1] love

[1] Me and my former best friend [4] had a big fallin' [1] out
I [1] caught him with my wife, so I [5] punched him in the mouth
[1] We just can't hang out anymore, but [4] I still wish them luck
I [1] don't, like, [57] half the folks I [1] love

[4] God knows they're all dear to me, but [1] if the truth betold
Well, I [b2] like it when they come, but I [5] love it when they go
I'm [1] sure they've got good qualities, but the [4] bad ones cover 'em up
I [1] don't, like, [57] half the folks I [1] love

[1] My alcoholic buddies [4] are fun to hang [1] around
[1] When we drink together, [5] peace and joy abound
[1] Sometimes they bring me one more shot when they [4] know I've had enough

We [1] all need more tolerance to [5] get along peacefully

Slow intro - almost talking - simplified version

[1] My story is [b2-7] much [57] too sad to be [17] told,
[57] But practic'ly [1] ev'rything [57] leaves me totally [1] cold.
The [1] only [b2-7] exception I [57] know is the [b37] case,
[b4-7] When I'm [b77] out on a [b3] quiet spree,
[b4-7] fighting vainly the [57] old ennui,
[b67] And I [b2-7] suddenly turn and [57] see
[1] your [3-] fabulous [b67] face.

[b27] I get no [57] kick from cham-[1]pagne
[b2-7] Mere alco-[57]hol doesn't [1] thrill me at [3-] all,
So [b2-7] tell me, [57] why [b6-7] should it be [17] true
That [b2-7] I get a [57] kick out of [1] you?

[b2-7] Some get a [57] kick from co-[1]caine [3-]
[b2-7] I'm sure that [57] if I took
[1] just one [17] more [b67] sniff that would
[b2-7] Bore me ter-[57]rif-[17]ic'ly, [3-] too [b67]
Yet [2-] I get a [57] kick out of [1] you. [17]

[17] I get a [4] kick ev'ry time I [17] see
[4] You [6-] standing there be-[b67]fore me
[b2-7] I get a kick, though it's [5-7] clear to [2-] see
You [b27] obviously do not a-[b2-7]dore [57] me.

[b2-7] I get no [57] kick in a [1] plane [3-]
[b2-7] Flying too [57] high with some [1] gal in the [b6-7] sky
[b67] Is my [b2-7] idea of [3-] nothing to [b67] do
Yet [b2-7] I get a [57] kick, [3-] you give me a [b67] boot,
Yes, [b2-7] I get a [57] kick out of [1] you.

Well-a, [1] golly gee what have you done to me

[1] [b37] [b6] [b27] [5] [1]
Miss Anna [b37] Bellum [6-] used to take gym-[b37]nasium
[b2] When she used to [5] go to public [1] school [5]
[1] English, art and [b37] grammar, [6-] 'rithmetic and [b3] grammar
She [b2] always did the [5] best that she could [1] do
But one [b3] day she refuses and she [6-] wouldn't take gym no more
And the [b2] teacher asked her why she quit
And the [5] answer came just so

[1] I had to give up [b3] gym
[b6] Just keep my self in trim
[b2] I had to give up [5] gym after [1] all [5]

[1] Wasn't hard e-[b3]nough to make it
[b6] Even when I tried to take it
[b2] Had to give up [5] gym after [1] all

[b3] Every time I had my gym
I [6-] didn't ever talk
[b2] After I had tried to take it
I [5] couldn't hardly walk

[1] I'm no baby [b37] you can see
[b6] But it was just too much for me
[b27] Had to give up [5] gym after [1] all

[b3] [6-] [b6] [b2] [5] [1] [b3] [b6] [b2] [5] [1]

[b6] Even when I tried to take it
[b2] Had to give up [5] gym after [1] all

A-[b3]rithmetic and grammar
I [6-] love my school subjects
[b2] English, art and grammar
They're [5] always on my lips

[NC] I wonder.
[b2] What [b2sus2] will [b2] my [b3] future [b7] be?
[b77] I wonder.

[b57] It could be so [b1] exciting
[b1] To be [b27] out in the [b57] world, to be [b1] free,
My [b57] heart should be wildly re-[b1]joicing,
Oh, [57] what's the matter with [1] me?
I've [2-] always longed for ad-[1maj7]venture
[1maj7] To do the [4] things I've never [1maj7] dared!
Now [4] here I am facing ad-[1maj7]venture, then [4] why
[NC] am I so scared?

[5] A Captain with seven Children
[5] What's so fearsome about [b2] that?
Oh I [47] must stop all these doubts, all these [b7] worries,
If I [47] don't I just know I'll turn [b7] back,
I must [47] dream of the things I am [b7] seeking,
[NC] I am [47] seeking the courage I [b77] lack.

The [b2] courage to serve them with reliance
[b17] Face my mistakes without defiance!
[b7-7] Show them I'm worthy
[b7-7] And while I show [b37] them
[b3-7] I'll show [b6maj7] me [57] so!

[1] Let them bring on all their [57] problems
[1] I'll do better than my [57] best!
[1] I have confidence
[1] They'll [6-] put me to the [b7-dim] test,
But [1] I'll make them [1-] see,
I have [b37] confidence in [1] me

Some-[4]how I will [1] impress them
[4] I will be firm but [b77] kind
And [b3] all those [2-] children
[57] (Heaven bless them)
[1] They will look up to [5] me
[NC] And mind me

[1] With each step I am more [57] certain
[1] Everything will turn out [57] fine
[1] I have confidence the [6-] world can all be [b7-dim] mine
[5] They'll have to agree I have [57] confidence in [1] me [b67]

[b2] I have confidence in [b3-7] sunshine [b67]
[b2] I have confidence in [b67] rain
[b2] I have confidence that [b7-7] spring will come a-[b57]gain
Be-[b2]sides which, you [b2-dim] see, I have [b67] confidence in [b2] me!

[b5] Strength doesn't lie in [b27] numbers
[b5] Strength doesn't lie in [b77] wealth
[b3-] Strength lies in nights of [b67] peaceful slumber
[b2] When you wake up, [b37] WAKE [b67] UP!
[NC] It tells me!

[b3] All I trust, I give my [b77] heart to.
[b3] All I trust becomes my [b77] own.
[b3] I have confidence, in [b6] confidence [b7-dim] alone!
[NC] Oh help

[NC] I have con-[b7-]fidence in [b7] confi-[b77]dence alone!
Be-[b7]sides which you [b3-] see I have [b77] confi-[b7]dence,
in [b3] me [4-] [4-7] [47] [b3]

'Bout your [b57] plans to make me [b47] blue.
With some other [1-] guy you [b4] knew be-[1-]fore,
Between two of us [b57] guys, you know I loved you [b47] more.
It took me by sur-[b6-]prise, I must [b47] say,
When I [b17] found out yester-[b47]day. Don't you know that:

I [b17] heard it through the [b47] grape-[b17]vine;
Not much [b47] longer, would [b47] you be mine.
Oh, I [b17] heard it through the [b47] grape-[b17]vine;
Oh, I'm [b47] just about to lose my [b1] mind, [b1] honey, [3] ho-[b4]ney, [1-] yeah.
I [1-] heard it through the grapevine,
Not much longer would you [b4] be [1-] my baby [b4] [1-] [b4]

I know a [1-] man ain't sup-[b4]posed to [1-] cry,

Losing [1-] you, would end my [b4] life, you [1-] see,
'Cos you [b57] mean that much to [b47] me.

But I can't [1-] help, but be confused,
If it's [b57] true, please tell me, [b47] dear.
Do you [b6-] plan to let me [b47] go,
For the other [b17] guy you loved be-[b47]fore?

I [b17] heard it through the [b47] grape-[b17]vine;

Of [1] peace on earth, good [5] will to [1] men.

[1] [1sus4] [1] [1sus4] one bar each

And [1] thought how, as the [1sus4] day had come,
The [1] belfries [6-] of all [2-] Christen-[5]dom
Had [1] rolled along, the un-[3-]broken [6-] song,
Of [1] peace on earth, good [5] will to [1] men.

[1] [1sus4] [1] [1sus4] one bar each

Til [1] ringing, singing [1sus4] on its way,
The [1] world re-[6-]volved from [2-] night to [5] day,
A [1] voice, a chime, a [3-] chant su-[6-]blime,
Of [1] peace on earth, good [5] will to [1] men.

[1] [1sus4] [1] [1sus4] one bar each

And [1] in despair I [1sus4] bowed my head;
There [1] is no [6-] peace on [2-] earth, I [5] said;
For [1] hate is strong and [3-] mocks the [6-] song
Of [1] peace on earth, good [5] will to [1] men.

[1] [1sus4] [1] [1sus4] one bar each

Then [1] pealed the bells more [1sus4] loud and deep;
God [1] is not [6-] dead, nor [2-] doth He [5] sleep;
The [1] wrong shall fail, the [3-] right pre-[6-]vail,
With [1] peace on earth, good [5] will to [1] men.

I [57] hold your hand in [1] mine, dear,
I [57] press it to my [1] lips.
I [b37] take a healthy [6-] bite
From [b67] your [b27] dainty finger-[57]tips.

My [57] joy would be complete, [1] dear,
If [57] you were only [1] he-[5-]ee-[b67]re,
But [2-] still I keep your [1] hand
[b67] As a [b2-7] precious [57] souve-[1]nir. [57]

The [b6] night you died I [b3] cut it off.
I [b7] really [b77] don't know [b3] why. [b37]
For [b6] now each time I [b3] kiss it
I get [b2] bloodstains [b27] on my [57] tie.

I'm sorry now I [1] killed you,
For [1aug] our [57] love was something [1] fine, [17]
And [4] till they [4-] come to [1] get me
[b67] I shall [b2-7] hold your [57] hand in [1] mine.

[1-] (4 bars)

Well I [1-] took this job when I left school I thought it [7] might be [1-] fun,
so I signed the papers binding me, till [3] I was [7] twenty-[1-]one

But I [3] just can't wait to co-[7]llect my cards, I [1-] just can't wait to go,
I can't get along with the people here and the [b1] work it [7] bores me [1-] so!

Well I [1-] learned me job for what it's worth, but time dragged [7] by so [1-] slow,
My birthday will be coming up soon then [3] I'll be [7] free to [1-] go.

But I [3] just can't wait to co-[7]llect my cards, I [1-] just can't wait to go,
I can't get along with the people here and the [b1] work it [7] bores me [1-] so!

Well I [1-] think I'll wait 'till the wedding's done, [7] wearing my golden [1-] ring,
But my boy-friend tells me we must save if we [3] want a [7] house and [1-] things.

But I [3] just can't wait to co-[7]llect my cards, I [1-] just can't wait to go,
I can't get along with the people here and the [b1] work it [7] bores me [1-] so!

Well I [1-] think I'll wait till the baby's born then I [7] can be [1-] free,
'Cos now that I'm expecting I'll [3] need se-[7]curi-[1-]ty.

But I [3] just can't wait to co-[7]llect my cards, I [1-] just can't wait to go,
I can't get along with the people here and the [b1] work it [7] bores me [1-] so!

Well I [1-] think I'll wait till the kids leave school [3] then I can [7] break a-[1-]way,
For growing kids they wanted more and [3] I want a [7] steady [1-] pay.

But I [3] just can't wait to co-[7]llect my cards, I [1-] just can't wait to go,
I can't get along with the people here and the [b1] work it [7] bores me [1-] so!

Well I [1-] think I'll wait till the house is paid be-[3]fore I [7] break the [1-] tie
For the cost of living keeps rising and my [3] account [7] is running [1-] dry.

But I [3] just can't wait to co-[7]llect my cards, I [1-] just can't wait to go,
I can't get along with the people here and the [b1] work it [7] bores me [1-] so!

Well I [1-] think I'll wait till retirement age, be-[3]fore I [7] make the [1-] break;
but the pension scheme isn't up to much and it's [3] all for the [7] kids [1-]sake.

But I [3] just can't wait to co-[7]llect my cards, I [1-] just can't wait to go,
I can't get along with the people here and the [b1] work it [7] bores me [1-] so!

a capella

Well thank you for the bouquet sir, a silver carriage clock too -
But are you sure I have to go, for I don't know what I'll do.
And I just can't bear to collect my cards, I just can't bear to go;

back to normal

For [1-] I shall miss the people here, and [3] my life will [7] bore me [1-] so!

slowing

And I [3] just can't bear to co-[7]llect my cards, I [1-] just can't bear to go,
For I will miss the people here and [3] my life will [7] bore me [1-] so!
[NC] I took this job when I left school.

I stepped [1] outta the shower and I gotta [5] good look at my [1]self
Pot [4] belly, bald head, man, [5] I thought I was somebody [1] else
I [4] caught my reflection in the [5] mirror on the [1] back of the bathroom [4] door
I [1] just don't look good [5] naked any [1] more

So, I'm [1] goin' upstairs and turn the [5] bedroom mirror to the [1] wall
I [4] hung it there when [5] I was trim and [1] tall
I'd [4] stand there and smile, and [5] strut and [1] flex until my arms got [4] sore
But I [1] just don't look good [5] naked any [1]more

Well, [1] I used to go out with the girls
I [5] loved them one and [1] all
Now they [4] don't get very close to me
They're [5] afraid that I might [1] fall

Well, I [1] went to the Doctor for my [5] annual medical [1] exam
I [4] Stood there in the [5] buff, and he said [1] "MAN"
I [4] said "What is it Doc, some [5] fatal disease, I just [1] gotta know the [4] score"
He said "You [1] just don't look good [5] naked any [1]more

Well, [1] me and my wife had a dance routine
Every [5]body said it was u [1]nique
Now it's [4] only when we're back to back
That we're [5] dancing cheek to [1] cheek

Well, I [1] went to a nudie beach to [5] have some seaside [1] fun
Stretched [4] out in my birthday suit, [5] soakin' up the [1] sun
Some [4]body yelled, Hey [5] there's an old white whale [1] washed up on the [4] shore
An' I [1] just don't look good [5] naked any [1]more

I Knew The Bride When She Used To Rock N Roll

Well the [1] bride looked a picture in the gown that her momma [5] wore
When she was married herself nearly 27 years be [1]fore
They had to change the style just a little but it looked just [5] fine
Stayed up all night but they got it finished just in [1] time

Now on the arm of her daddy - she's a-walking down the [5] aisle
And she catches my eye - and she gives me a secret [1] smile
Maybe it's too old-fashioned but we were once close [5] friends
Oh but the way that she looks today she never could have [1] then

Well I can [4] see her now, in her tight blue jeans
[1] Pumping all her money in the record machine
[4] Spinning like a top, you should-a seen her go [1]
[1] I knew the bride when she used to rock and roll
I knew the bride when she [5] used to rock and [1] roll

Now a proud daddy only wanna give his little girl the [5] best
So he put down a grand on a cosy little lovers' [1] nest
You could have called the reception an unqualified suc [5]cess
And a flash hotel for a hundred and fifty [1] guests
Take a look at the bridegroom smiling pleased as [5] pie
Shaking hands all around with a glassy look in his [1] eye
He got a real good job and his shirt and tie is [5] nice
But I remember a time when she would never even look at him [1] twice

Well I can [4] see her now drinking with the boys
[1] Breaking their hearts like they were toys
She [4] used to do the pony - she used to do the stroll
[1] I knew the bride when she used to rock and roll
I knew the bride when she [5] used to rock and [1] roll
[1]I knew the bride when she used to rock and roll
I knew the bride when she [5] used to rock and [4] roll

Well I can [4] see her now with her headphones on
[1] Jumping up and down to her favourite song, I still
rem [4]ember when she used to want to make a lot of noise
[1] Hopping and a bopping with a city load of boys
She [4] used to wanna party - she used to wanna go

I [1] knew this place, I [57] knew it [1] well, [4] every sound and [1] every smell,
And [4] every time I [1] walked I fell, for the [2-] first two years or [57] so.
[1] There across the [57] grassy [1] yard, [4] I a young one [1] runnin' hard.
[4] Brown and bruised and [1] battle scarred and [4] lost in [57] sweet il-[1]lusion.

And [1] from my window [57] I can [1] see the [4] fingers of an [1] ancient tree.
[4] Reaching out it [1] calls to me to [2-] climb its surly [57] branches.
But [1] all my climbing [57] days are [1] gone, and [4] these tired legs I'm [1] standin' on
Would [4] scarcely dare to [1] leave the spot u-[4]pon which [57] they are [1]standin'.

And [57] I remember every word of [2-] every voice I [1] ever heard,
[4] Every frog and [1] every bird, yes, [2-] this is where it [57] starts.
A [1] brother's laugh, the [57] sighing [1] wind, [4] this is where my [1] life begins.
[4] This is where I [1] learned to use my [4] hands and [57] hear my [1] heart.

This [1] house is old, it [57] carries [1] on, like [4] verses to an [1] old time song,
[4] Always changed but [1] never gone, this [2-] house can stand the [57] seasons.
Our [1] lives pass on from [57] door to [1] door, [4] dust a crossed the [1] wooden floor,
Like [4] feather rain and [1] thunder roar, we [4] need not [57] know the [1] reason.

And [57] as these thoughts come back to me like [2-] ships across a [1] friendly sea,
Like [4] breezes blowing [1] endlessly, like [2-] rivers running [57] deep.
The [1] day is done. The [57] lights are [1] low, the [4] wheels of life are [1] turning slow
And [4] as these visions [1] turn and go, I [4] lay me [57] down to [1] sleep.

I [1] knew this place, I [57] knew it [1] well, [4] every sound and [1] every smell,
And [4] every time I [1] walked I fell, for the [2-] first two years or [57] so.

The fact that I like to drink [5] beer
[1] This little song is [4] more to the [1] point
So [b2] roll out the barrel and [5] lend me your ear

I like [4] beer it makes me a jolly good [1] fellow
I like [4] beer it [b2] helps me unwind
And sometimes it makes me feel [5] mellow - ([57] makes him feel mellow)

Vodka puts my mouth in [4] gear
This little refrain should [1] help me ex- [b6] plain
As a [b2] matter of [57] fact I like [1] beer

My wife often frowns when we're [4] out on the [1] town
And I'm wearing a suit and a [5] tie

When I [b2] yell as the waiter [5] goes by

I like [4] beer it makes me a jolly good [1] fellow
I like [4] beer it [b2] helps me unwind

Oh, I loved a lass and I loved her so [4] well

Oh, I loved a lass and I loved her so [4] well
But I [1] hated all others who [b7] of her spoke [1] ill
But now she's re-[4]warded me [1] well for [5] my love
She's a-[b7]gone to be [4] wed to a-[1]nother

When I saw my love to the church [4] go
With [1] bride and bride-maidens, she [b7] made a fine [1] show
I followed her [4] on with a [1] heart full of [5] woe
She's a-[b7]gone to be [4] wed to a-[1]nother

When I saw my love sit down to [4] dine
I [1] sat down beside her and I [b7] poured out the [1] wine
I drank to the [4] lassie that [1] should have been [5] mine
She's a-[b7]gone to be [4] wed to a-[1]nother

And the men in the forest they asked of [4] me
Saying, "How [1] many strawberries grow [b7] in the salt [1] sea?"
I answered them [4] back with a [1] tear in my [5] eye
"How [b7] many ships [4] sail in the [1] forest?"

The [1] hardest thing I've ever done

The [4] way that people come and go,

[1] I wandered so aimless life filled with sin
[4] I wouldnt let my dear savior [1] in
[1] Then Jesus came like a stranger in the night
[1] Praise the Lord [5] I saw the [1] light.

[1] I saw the light I saw the light
[4] No more in darkness no more at [1] night
[1] Now I'm so happy no sorrow in sight
[1] Praise the Lord [5] I saw the [1] light.

[1] Just like a blind man I wandered along
[4] Worries and fears I claimed for my [1] own
[1] Then like the blind man that God gave back his sight

I been putting it [1] off, it's something I [5] gotta do
I been living with a [1] secret, been keeping me a- [4]wake
There's just [1] something I [5] gotta [1] say

I shot your [4] dog, he was on my [1] property
I thought he was a [5] coyote on the [1] run
I been missing some [4] chickens
So I pulled the [1] trigger
I feel so [5] bad 'bout what I [1] done

You don't have to say [1] nothin'
I can tell how you [4] feel
I'd feel the [1] same if it was [5] me
I'm awfully [1] sorry, If I could make it [4] up to you
in any [1] way tell me [5] what to [1] do

I shot your [4] dog, he was on my [1] property

But I [5] still haven't [1sus4] found what I'm [1] looking for

Then all the colours they will bleed into one, bleed into [1sus4] one
But yes i'm still [1] running
You broke the [1] bonds and you loosed the chains
Carried the cross of, of my shame, of my [1sus4] shame
you know I be [1] lieve it

I [1] treated her [3-] like a [4] fool, [1]

[1] Once I had [6-] mountains [4] in the palm of my [1] hand,
[1] And rivers that [6-] ran through ev'ry [4] day. [5]
[6-] I must have been [2-] mad,
I never [1] knew [3-] what I [4] had, [1]

[4] Love is all there [5] is, it [1] makes the [3-] world go [6-] 'round,
[4] Love and only [5] love, it can't be [b6] denied.

A-[1]gain it is [1] Christmas, a-[1]gain it is [5] Christmas
A-[1]gain it is [4] Christmas a-[1]gain
But [b6] that never [2-] thrills me, the [6-] thought of it [2-] chills me
I tell you it [2-] fills me with [5] pain

It [b37] makes me remember a Christmas gone [6-] by
When I was ex-[b6]tremely up-[2-]set
A night in De-Em]cember, an evening that [6-] I
Would very much rather [b27] forget [57]

[1] I took me harp to a party but nobody [1-] asked me to [2-] play [b6]
The [2-] others were jolly and [57] 'earty but I wasn't feelin' so [1] gay
They might have said play us a tune [4] we can sing
But [b37] somehow I [b67] don't think they [b27] noticed the [57] thing
I [1] took me harp to a party but [4] nobody [b6] asked me to [2-] play
[b2-dim] So I [1-] took the [5] damned thing a-[b2]way [b37]

[b37] They asked Mrs [6-] Morgan to play her mouth-[5-]organ
And [2-] somebody else did a dance
They let Mrs [2-] Carter perform a so-[5-]nata
But [2-] I wasn't given a chance

A [1] north country person called Sandy McPherson
Played bagpipes and [b37] took off his [3-] coat
While [b6] both the Mc-[b2]Fawcetts bust [b37] out of their corsets
while [b6] trying to [b2] take a top [3-] note [b37]

They sang [6-] Home Sweet Home and The Banks of Loch Lomond
And All the King's Horses, then Trees
While [2-] nephews and nieces kept playin' their pieces
And spreadin' their jam on the keys
A [3-] daughter called Lena, played her concer-C]tina
We all [b37] played ridiculous [3-] games
'Til [b6] old Mr [2-] Dyer, set his [b37] whiskers on fire
And a [6-] fire engine [b2] played on the [5] flames [b2] [b6] [57]
I [1] took me harp to a party but [4] nobody [b6] asked me to [2-] play
So I [5] took the darned thing a-[b2]way! [4] [1]

I [1] want a hippopotamus for Christmas
Only a hippopotamus will [5] do
[57] Don't want a doll, no dinky Tinker Toy

Just [b2] bring him through the front door,
that's the easy thing to [57] do

I can [17] see me now on [4] Christmas morning,
[17] Creeping down the [4] stairs
Oh what [57] joy and what surprise
when I [1] open up my eyes
to see a [b27] hippo hero [5] standing [57] there

I [1] want a hippopotamus for Christmas
Only a hippopotamus will [5] do [57]

[1] I want to marry a lighthouse keeper
and [4] keep him [5] compa[1]ny.
[1] I want to marry a lighthouse keeper and,
[b27] Live by the side of the [57] sea.

I'll [1] polish his lamp by the [17] light of day,
So [4] ships at night can [1dim] find their way.
[1] I want to marry a [b67] lighthouse keeper,
[b27] Won't that [57] be [1] ok?

[4] We'll take walks along the [4-] moonlit bay,
[1] Maybe find a treasure [17] too.
[4] I'd love living in a [4-] lighthouse
[b27] how about [57] you?

[1] I dream of living in a lighthouse,
baby, [4] every [5] single [1] day.
[1] I dream of living in a lighthouse,
a [b27] white one by the [57] bay.

So [1] if you want to make my [17] dreams come true,
[4] Go be a lighthouse [1dim] keeper, do,
[1] We could live in a [b67] lighthouse -
A [b27] white one [57] by the [1] bay-ay-[b67] hay,
[b27] Won't that [57] be [1] ok?

My [b6] innards go beserk every time your [4] voice gets near [1-]
[b6] But when I get under control, I [4] see you ache for it and [1-] all
[1-] I'll get some sugar from your bowl
I've got some lemon for your [57] soul
Some twinkle for your [6-] eyes, [1-] I
Getting sick of being just a [4]lone

They think it's not [6-] right, [1-] fine
[4] Each to their very little own

Chorus:
[1] I want you now, I don't care [b4-] how
We're both too [4] young to be sitting a [57]round
I want you [1] now, [b2] I want you now
[1] You make me [2-] sure, you make me [b4-] live
And that's worth [4] more than I ever could [57] give
I don't know [1] how, [b2] I want you now

[b6] So Timmy goes to school and Timmy goes to [1] work all [4] day [1-]
[b6] But we just hang around and think of clever [4] things to say [1-]
[1-] You deserve to get your wish
[4] But you don't know what it [1-] is
[b6] First it was that and now it's this
[4] But there's one thing that you [1-] missed.

Together we'd be [6-] fine, [b6] fine
[1-] At least we can say we won't be [4] lonely

[6-] Fine, [1-] Fine, [4] I'll never want to be alone

Chorus
I [1-] want you [2-] now
I don't care [b4-] how
We're both to [4] young to sit a [57]round

We did Ca-[5]nungra, Shoal-[4]water before we [5] left

And an [5] Asian orange [4] sunset through the [5] scrub

And [b2] can you tell me, doctor, why I [1] still can't get to [5] sleep?
And [b2] night-time's just a jungle dark and a [1] barking M six-[5]teen?

It was [4] war within your-[5]self
But you wouldn't let your [b7] mates down til they [5] had you dusted [1] off
So you [5] closed your eyes and [4] thought about something [5] else

Then [b2] someone yelled out "Contact!" and the [1] bloke behind me [5] swore
We [b2] hooked in there for hours, then a [1] god all mighty [5] roar
[3-] Frankie kicked a [b2] mine the day that man-[1]kind kicked the [5] moon

On a [5] thirty-six hour [4] rec leave in Vung [5] Tau
And [5] I can still hear [b7] Frankie, lying [4] screaming in the [1] jungle
Til the [5] morphine came and [4] killed the bloody [5] row

And the [b2] Anzac legends didn't mention [1] mud and blood and [5] tears
And the [b2] stories that my father told me [1] never seemed quite [5] real
I [3-] aught some pieces [b2] in my back that I [1] didn't even [5] feel

If [6-] there's no one be-[1]side you when your [b3] soul em-[6-]barks [5]
then [4] I'll follow [4-] you into the [1] dark.

[1] Love of mine,
someday [6-] you will die,
but I'll be [4] close behind.
I'll follow [1] you into the [5] dark.
No [1] blinding light
or tunnels to [6-] gates of white,
just our hands [4] clasped so tight
waiting [1] for the hint of a [5] spark.

> CHORUS
>
> If [6-] heaven and hell de-[1]cide that they [4] both are satis-[1]fied, [5]
> il-[6-]luminate the [1] "No"s on their [5] vacancy signs.
> If [6-] there's no one be-[1]side you when your [b3] soul em-[6-]barks [5]
> then [4] I'll follow [4-] you into the [1] dark.

In [1] Catholic school,
as vicious as [6-] Roman rule,
I got my [4] knuckles bruised
by a [1] lady in [5] black.
And I [1] held my tongue
as she [6-] told me "Son,
fear is the [4] heart of love".
So I [1] never went [5] back.

> CHORUS
>
> If [6-] heaven and hell de-[1]cide that they [4] both are satis-[1]fied, [5]
> il-[6-]luminate the [1] "No"s on their [5] vacancy signs.
> If [6-] there's no one be-[1]side you when your [b3] soul em-[6-]barks [5]
> then [4] I'll follow [4-] you into the [1] dark.

[1] You and me
have seen every-[6-]thing to see
from [4] Bangkok to Calgary,
and the [1] soles of your [5] shoes
are [1] all worn down.
The time for [6-] sleep is now
but it's nothing to [4] cry about
'cause we'll [1] hold each other [5] soon
in the [6-] blackest of [4] rooms.

> CHORUS
>
> If [6-] heaven and hell de-[1]cide that they [4] both are satis-[1]fied, [5]
> il-[6-]luminate the [1] "No"s on their [5] vacancy signs.
> If [6-] there's no one be-[1] side you when your [b3] soul em-[6-]barks [5]

[1-] First I was afraid I was [4-] petrified
Kept thinking [7] I could never live without you [3] by my side
But then I [6] spent so many nights thinking [4-] how you did me wrong

I should have [6] changed that stupid lock

If I had [b5] known for just second you'd be [b57] back to bother me

Go on now [1-] go, walk out the [4-] door

Did you think I'd [b5] crumble? Did you think I'd [b57] lay down and die?

I [5] wish I was in Glasgow with some good old [b2] friends of [1] mine
Some [5] good old rough com-[3-]panions, some [5] good old [b2] smooth red [1] wine
We would [5] talk about the old days and the [3-] shipyard's [b2] sad de-[1]cline
And we'd [5] drink to the [b2] boys on the (C) road [5]

[5] I was born in Glasgow, in the Centre [b2] of the [1] town
I would [5] take you there and [3-] show you but they [5] pulled the [b2] old place [1] down
And [5] when I think about it oh it [3-] always [b2] makes me (C) frown
They [5] bulldozed it [b2] all to make a [1] road [5]

That [b2] good old place I [b27] miss so much now [1] sees some better [5] days
Yet [1] still we talk [5] it as we [3-] go our [5] separate [3-] ways
[5] Glasgow gave me [3-] more than it [5] ever [b2] took a-[1]way
And pre-[5]pared me for [b27] life on the [1] road [5]

[5] I belong to Glasgow, that's how the [b2] old song [1] ran
Ask [5] anyone who's [3-] been there [5] you will [b2] under-[1]stand
You can [5] take the man from [3-] Glasgow but not the [5] Glasgow [b2] from the [1] man
It pre-[5]pares you for [b2] life on the [1] road [5]

That [b2] good old place I [b27] miss so much now [1] sees some better [5] days
Yet [1] still we talk [5] it as we [3-] go our [5] separate [3-] ways
[5] Glasgow gave me [3-] more than it [5] ever [b2] took a-[1]way
And pre-[5]pared me for [b27] life on the [1] road [5]

I [5] still go to the city, to see how [b2] things have [1] changed
The [5] pubs and clubs and [3-] shopping [5] the Clyde [b2] the parks [1] the rain
But [5] still it makes me happy [3-] I feel [b2] that I've come [1] hame
And [5] I'm still learning [b2] life on the [1] road [5]

That [b2] good old place I [b27] miss so much now [1] sees some better [5] days
Yet [1] still we talk [5] it as we [3-] go our [5] separate [3-] ways
[5] Glasgow gave me [3-] more than it [5] ever [b2] took a-[1]way
And pre-[5]pared me for [b27] life on the [1] road [5]

Additional verse / alternative last verse (not used by Iain MacKintosh)

My [5] grannie brought the family up from the time we [b2] lost our [1] mum
My [5] father was a [3-] good man and he [5] made me [b2] all I [1] am
There was [5] always bread and butter, there was [3-] sometimes [b2] even [1] jam
And there was [5] so much to [b2] learn along the [1] road

[1sus4] [1] [1sus4] [1] [1sus4] [1] [5sus4] [5]
When I look in-to [1sus4] your [1] eyes
It's like watching the [1sus4] night [1] sky
Or a beautiful [1sus4] sun-[1]rise
There's so much they [5sus4] hold [5]
[NC] And just like them [1sus4] old [1] stars
I see that you've [1sus4] come so [1] far
To be right where [1sus4] you [1] are
How old is your [5sus4] soul? [5]

[NC] Well I won't give [4] up on [1] us
Even if the [6-] skies get [5] rough
I'm giving you [4] all my [1] love
I'm still looking [5sus4] up [5]

And when you're needing Dsus4] your [1] space
To do some [1sus4] navi-[1]gating
I'll be here [1sus4] patiently [1] waiting
To see what you [5sus4] find [5]

'Cause even the [4] stars they [1] burn
Some even [6-] fall to the [5] earth
We've got a [4] lot to [1] learn
God knows we're [5sus4] worth it [5]
No, I won't give [4maj7] up

I don't [2-] wanna be someone who walks away so easily
I'm here to stay and make the difference that [5] I can make
Our [2-] differences they do a lot to teach us how to use
The tools and gifts we got yeah, we got a [5] lot at stake
And in the [b7] end, you're still my friend at least we did intend
For us to work we didn't break, we didn't burn
[b1-dim] We had to learn, how to bend, without the world, caving in
[b7] I had to learn, what I've got, and what I'm not
[NC] And who I [1] am

[NC] Well I won't give [4] up on [1] us
Even if the [6-] skies get [5] rough
I'm giving you [4] all my [1] love
I'm still looking [5sus4] up [5] still looking [5sus4] up [5]

Well I won't give [4] up on [1] us, God knows I'm [6-] tough he [5] knows
We've got a [4] lot to [1] learn, God knows we're [5sus4] worth it [5]
[NC] I won't give [4] up on [1] us, even if the [6-] skies get [5] rough
I'm giving you [4] all my [1] love, I'm still looking [5sus4] up [5]

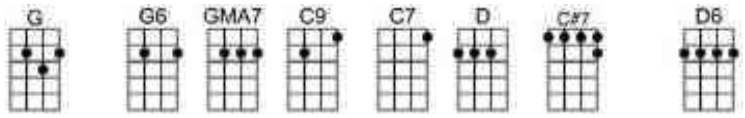
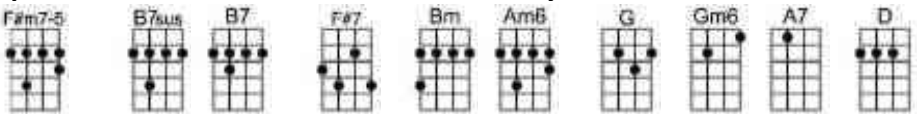
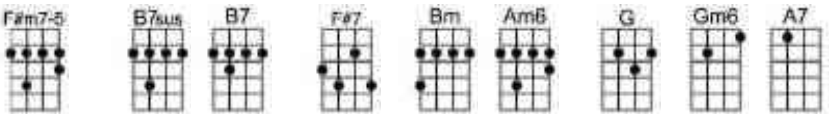
Of the happi-ness that used to be.



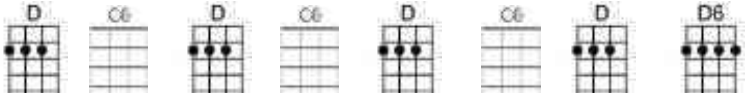
Soon my eyes will close, soon I'll find re-pose, and in dreams you're always near to me



I'll see you in my dreams, hold you in my dreams.



Someone took you out of my arms, still I feel the thrill of your charms.



Lips that once were mine, tender eyes that shine,

hey will light my way to-night, I'll see you in my dreams.

They will light my way to-night, I'll see you in my

[3-] I knew you when, [5] I loved you [1] then
[3-] in summer's [b2] yawn, now [1] hopeless
[3-] You laid me bare [5] and marked me [1] there

I'll take the [3-] rain, I'll take the [b7-] rain, [1]

[3-] The nighttime creases [5] summer [3-] schemes
and stretches [b2] out to [1] stay
[3-] The sun shine down, [5] you came around,
[3-] you loved the [b2] easy [1] days
[3-] But now the sun, [1] the winters [5] come
[3-] I wanted [b2] just to [1] say [3-] that if I hold [1] I'd hope you'd fold

[3-] This winter's song [5] I'll sing a [1]long

[1] I said 'the sky was blue'

I said 'it's Tuesday [6-] morning'
She [2-] said 'No it's Wednes-[5]day'
I [1] checked me for to prove it
Turned [4] out she was [1] right
I'm always wrong in [6-] every [5-] single [1] fight

I'm always [1] wrong
No matter [4] what I [1] say
I'm always wrong
Every [2-] word I [5] say
I say '[1] black' she'll say 'it's [4] white'
I'm always [1] wrong
E-[6-]ven [5] when I'm [1] right

I [1] bought her flowers last Sunday
[4] Thought I'd done something [1] nice
She said these flowers are the [6-] wrong kind,
I [2-] told you [5] twice
[1] I said that they're your favourites
She [4] gave me the [1] stare
Turns out the favourite [6-] changed
And I [5] wasn't a-[1]ware

I'm always [1] wrong
I can't win this [4] game
I'm always [1] wrong
Driving [2-] me in-[5]sane
I try my [1] best
To remember each de-[4]tail
I'm always [1] wrong
[6-] I'm des-[5]tined to [1] fail

Oh, [3-] 20 years of marriage
I should [4] know by [1] now
But what-[3-]ever I suggest
She'll [2-] tell me [5] how
I've [3-] learned to just agree
And [4] nod me [1] head
Coz I'm [2-] always [1] wrong
In [4] everything I've [5] said

Happy [3-] wife means happy life

I'm a [6-] cowboy who never [3-] saw a cow,

I'm a [6-] riding fool who is [3-] up to date,

[1] Woke up this [4] mornin' [1] feelin' [4] fine
[1] There's something [4] special [1] on my [17] mind

[5] We only danced for a minute or two (ahhhhhhh)
But then she [1] stuck close to [4] me the [1] whole night [17] through (Ohhhh)
[5] Can I be fallin' in love
[b2] She's everything I've been [4] dreaming [5] of

[1] I walked her [4] home and she [1] held my [4] hand

INSTRUMENTAL

[1] I'm looking over a four leaf clover
that [b27] I overlooked before,
[57] One leaf is sunshine, the [1] second is rain,
The [b27] third is the roses that [57] grow in the lane.
[1] No need explaining, the one re-maining is [b27] somebody I adore,
[4] I'm looking [2-] over a [1] four leaf [b67] clover
that [b27] I over [57] looked be-[1] fore.

Well [1] you dawned on me and you bet I felt it,
I [5] tried to be chill but you're so hot that I melted,
I [6-] fell right through the cracks, [4] And now I'm tryin to get back....

Well [1] you dawned on me and you bet I felt it,
I [5] tried to be chill but you're so hot that I melted,
I [6-] fell right through the cracks,
[4] And now I'm tryin to get back....
Before the [1] cool dun run out, Ill be givin it my bestest

[1] But I wont hesi-[5]tate, no more, No [6-] more
It can not [4] wait; I'm Yours [1]

INSTRUMENTAL

[5] Nothin's gonna stop me but divine intervention
I [6-] reckon its again my turn, to [4] win some or [5] learn some

Well, [1] open up your mind and see like [5] me,
Open up your plans and damn you're [6-] free.
Look into your heart and you'll find [4] love, love, love, love.
[1] Listen to the music of the moment, people dance and [5] sing,
We're just one big fami-[6-]ly
And it's our God-forsaken right to be [4] loved, loved, loved, loved, [b7-] loved [5]

Chorus:
[1] So I won't hesi-[5]tate, no more, [6-] no more, it [4] can not wait; I'm sure.
[1] There's no need to compli-[5]cate.
Our time is [6-] short, this is our [4] fate, I'm yours.

[1] Do-do-do-do [5] you want to [6-] come on, [5] scootch on over [4] closer, dear
And I will nibble [b4-dim] your ear
[3-] do dee waba bobee [1] dum woo [5] ooaa [6-] ooh ohh
[5] o oo oo [4] oww [b4-] hhm hmm

I've been [1] spending way too long checking my tongue in the mirror
And [5] bending over backwards just to try to see it clearer
But my [6-] breath fogged up the glass and so I [4] drew a new face and I laughed.

I [1] guess what I'll be saying is there ain't no better reason
To [5] rid yourself of vanities and just go with the seasons.
[6-] It's what we aim to do, our [4] name is our vir-[6-]tue.

Chorus

[1] I wont hesi-[5]tate, no [6-] more, No more, it can [4] not wait; I'm Yours
[1] Well, open up your mind and see like [5] me,
Open up your plans and damn you're [6-] free.
Look into your heart and you'll [1] find that the [4] sky is yours.
So [1] please don't, please don't, please don't, there's no [5] need to complicate.
'Cause our [6-] time is short, this is our [4] fate, I'm you..[b4-]..rs.

Vamp in [1]

[1] Many, many years ago when [5] I was 23
I was married to a widow who was [1] pretty as can be
This [17] widow had a [b67] grown-up daughter [2-] who had hair of red
My [b27] father fell in love with her and [5] soon they too were [57] wed

This [1] made my dad my son-in-law and [5] really changed my life
For now my daughter was my [57] mother 'cause she [1] was my father's wife
And to [17] complicate the [b67] matter even [2-] though it brought me joy
I [b27] soon became the father of a [5] bouncing baby [57] boy

My [1] little baby then became a [5] brother-in-law to dad
And [57] so he became my uncle though it [1] mad me very sad
For [17] if he were my [b67] uncle then that [2-] also made him brother
Of the [b27] widows grown-up daughter,
who was of [5] course my step- [57] mother [b67]

key change to D

My [b2] father's wife then had a son who [b67] kept them on the run
And [b67] he became my grandchild for he [b2] was my daughter's son
My [b27] wife is now my [b77] mother's mother and it [3-] makes me blue
Because [b37] although she is my wife she's my [b67] grandmother too

Now [b2] if my wife is my grandmother then [b67] I'm her grandchild
And [b67] every time I think of it, [b2] nearly drives me wild
'Cause [b27] now I have be- [b77] come the strangest [3-] case you ever saw
As [b37] husband of my grandmother I [b67] am my own grandpaw

Oh [b2] I'm my [b67] own grand- [b2] paw
[5] I'm my own [b67] grandpaw
It sounds [b2] funny I [b27] know but it [5] really is so
Oh [b2] I'm my [b67] own grand- [b2] paw

So [b2-7] deep in my heart [57] that you're nearly a [1] part of me [17]
[6-] I've [b2-7] got you [57] under my [1] skin. [17]

[17] I've [5-7] tried so [17] not to give in [1maj7]
I [1-7] said to my-[4-7]self, "this a-[17]ffair never can go so [1] well."
But [b7-7] why should I try to re-[6-]sist, when darling I [b6-dim] know so [2-] well
I've [b2-7] got you [57] under my [1] skin.

I'd [17] sacrifice anything, [57] come what might,
For the [1] sake of having you [47] near,
In spite of the [b7] warning voice that [4-] comes in the night
That repeats and re-[b37]peats in my [b2-7] ear,
"[57] Don't you [6-] know, little [b2-7] fool, [57]you never can [1] win? [1-]
[1-] Use your men-[57]tality - [b2-7] wake up to [1] reality." [5-7] [1]
But each [4]time I do, just the [4-] thought of you
[4-7] Makes me [17] stop before I be-[6-]gin

[NC] 'Cause I've [b2-7] got you [5-7] under my [1] skin,
I've [b2-7] got you [5-7] under my [1] skin.

[1] [b27] [57] [1]
[1] I've tried, tried, tried and I've [b27] tried even more
I've [57] cried, cried, cried and I [1] can't recall what for
I've [1] pressed I've pushed I've [1] yelled and begged
In [b27] hopes of some success, but the [b27] inevitable fact
Is that it [5] never will impress [57]

I've [1] no more f#@ks to give, my [b27] f#@ks have runneth dry
I've [57] tried to go f#@k shopping but there's no more f#@ks to [1] buy!
I've [1] no more f#@ks to give, though more [b27] f#@ks I've tried to get
I'm [5] over my f#@k budget and I'm now in f#@king [1] debt!

[1] [b27] [5] [1]
I've [1] strived, strived, strived to get [b27] everything done
I've [5] played by all the rules but I've [1] very rarely won
I've [1] smiled, I've charmed, I've [1] wooed and laughed
[b27] Alas to no avail. I've [b27] run round like a moron
To un-[5]equivocally fail! [57]

I've [1] no more f#@ks to give, my [b27] f#@k fuse has just blown
I've been [57] hunting for my f#@ks all day, but they've upped and f#@ked off [1] home!
I've [1] no more f#@ks to give, my f#@k [b27] rations are depleted,
I've [5] rallied my f#@k army but it's been f#@king [1] defeated!

The [4] effort has just [1] not been worth the [57] time or the ex-[1]pense [17]
I've ex-[b37]hausted all my [6-] energy for [b27] minimal recom-[57]pense
The [4] distinct lack of [1] acknowledgement has [57] now begun to [1]gall
And I've [b27] come to realise that I don't [5] give a f#@k at all! [57]

I've [1] no more f#@ks to give, my [b27] f#@ks have blown away!
My [57] f#@ks are now so f#@ked off they refuse to f#@king [1] stay!
I've [1] no more f#@ks to give, my [b27] f#@ks have gone insane,
They've [57] come back round and passed me while they're f#@king off [1] again!

I've [1] no more f#@ks to give, my [b27] f#@ks have all dissolved
I've [57] planned so many projects, but my f#@ks won't be in-[1]volved!
I've [1] no more f#@ks to give, my [b27] f#@ks have all been spent,
They've [5] f#@ked off from the building and I don't know where they [1] went!

I've [4] no more f#@ks to [1] give, I've [5] no more f#@ks to [1] give, [17]
I've [4] no more f#@ks, I've [1] no more f#@ks,
I've [5] no more fucks to [1] give! [57] [1]

I [4] forget the stink and I [1] always think back [5] to that [4] eastern [1] town

But I like [4] being free and [1] that makes me an i-[5]diot I sup-[1]pose

and the [4] hills are dirty [6-] brown
But the [4] government Dole will [1] rot your soul back [5] there in your home [1] town

So [4] bid farewell to the [1] Eastern town you never more will [5] see
There's [4] self-respect and a [1] steady cheque in this re-[5]finery
You will [1] miss the green and [5] woods and [6-] streams

(Maybe a nice chesterfield or an [4] ottoman)

[4] And if I [1] had a million [b7sus2] dollars (If I had a million [4] dollars)
[4] Well, I'd [1] buy you a [b7sus2] K-Car (A nice Reliant auto-[4]mobile)

You know, we could just go up there and [1]* hang out

There would already be laid out [1] foods for us

and [4] one even longer coming [2-] down
And [5-] one more leading [17] nowhere, just for [b67] show

I'd fill my [5-] yard with chicks and [b67] turkeys and geese
and [b2] ducks for the town to see and [b1-] hear
[3-] Squawking just as [b67] noisily as they [b2] can [b27]
And each loud "[5-] cheep" and "squawk" and "[17] honk" and "quack"
would [4] land like a trumpet on the [2-] ear
As [5-] if to say "Here [17] lives a wealthy [b67] man"

If I were a rich man, ya ba dibbie dibbie, doobie dibbie dibbie dibbie dum
[5-] All day long I'd [2-] biddy biddy bum [b67] if I were a wealthy man
I [b2] wouldn't have to work hard, ya ba dibbie dibbie, doobie dibbie dibbie dibbie dum
[b67] If I were a [2-] biddy biddy rich, [b67] idle-deedle-didle-didle [b2] man

I see my [5-] wife, my Golde, [17] looking like a rich man's [4] wife
with a proper double [2-] chin
[5-] Supervising [1] meals to her heart's de-[b2] light [b27]
I see her [5-] putting on airs and [17] strutting like a peacock,
[4] oh, what a happy mood she's [2-] in
[5-] Screaming at the [5-] servants, day and [b67] night

[b67] The most im [1] portant [b7] men in town would come to [4] fawn [b3] on [b2] me
[5-] They will ask me to advise them like a [b3] Solomon the Wise
If you [1-] please Reb Tevye, pardon [6-] me Reb Tevye
[b27] Posing problems that would cross a rabbi's eyes
[b27] Yah da-dee da da, yah di da da, yah di da da, daa

[5-] And it won't make [1] one bit of difference [4] if I answer right or [b27] wrong
[5-] When you're rich they think you really [b67] know
If I [5-] were rich I'd have the [b67] time
that I lack to [4] sit in the synagogue and [2-] pray
And [5-] maybe have a [b67] seat by the Eastern [b2] wall [b27]
And I'd dis-[5-]cuss the holy [17] books
with the learned [4] men seven hours every [b27] day
[5-] That would be the [5-] sweetest thing of [b67] all

If I were a rich man, ya ba dibbie dibbie, doobie dibbie dibbie dibbie dum
[5-] All day long I'd [2-] biddy biddy bum [b67] if I were a wealthy man
I [b2] wouldn't have to work hard, ya ba dibbie dibbie, doobie dibbie dibbie dibbie dum

[6-] Lord who made the [2-] lion and the [b67] lamb
You decreed I [2-] should be what I [b67] am
Would it spoil some [2-] vast eternal [b1-] plan
If I were a [b67] wealthy [b2] man

If I was [1] good I'd tell everyone I [4] know
If I was [1] free I wouldn't be so keen to [4] go
If I was [2-] wrong I would take it like a [5] man
If I was [2-] smart I would get out while I [5] can

If I was [1] broken I would probably let it [4] be
If I was [1] dying I wouldn't go out quiet-[4]ly
If I was [2-] lost, well my heart would feel the [5] same
If I was [2-] honest I would probably be a-[5]shamed

But if [1] I were [4] you I would notice me
If [1] I were [4] you I would wait for me
If [1] I were [4] you I would easily [2-] hold me
And [4] say it's all gonna be O-[1]K [4][1][4]

If I was [1] rich I would spend it on my [4] own
If I was [1] dignified I'd only smoke at [4] home
If I was [2-] dark, well I'd only dress in [5] black
If I was [2-] chosen I would gladly give it [5] back

But if [1] I were [4] you I would notice me
If [1] I were [4] you I would wait for me
If [1] I were [4] you I would easily [2-] hold me
And [4] say it's all gonna be O-[1]K [4][1][4]

[6-] It's not for you to judge [4] from all this kind of stuff
[2-] I'm only half of what you [5] see

But if [1] I were [4] you I would notice me
If [1] I were [4] you I would wait for me
If [1] I were [4] you I would easily [2-] hold me

Thanks to John Arkinstall for this very funny song

[1] You ask me if I loved you [4] and if my love is [1] true
Well if I were a rich man [b27] here is what I'd [57] do
I'd [1] buy you a diamond ring and a [4] new fur coat or [1] two
If my nose was running money I'd [57] blow it all on [1] you

If my nose was running money I'd [4] blow it all on [1] you
I'd buy you a Cadilac a [b27] new Mercedes [57] too
I'd [1] build you a mansion [4] upon that mountain [1] top
If my nose was running money but [57] honey, it's [1] snot!

If my nose was running money you'd [4] have anything you [1] please
Anytime you wanted cash [b27] all I'd have to do is [57] sneeze
Honey [1] you'd win the lottery [4] when I have a cold or [1] flu
If my nose was running money I'd [57] blow it all on [1] you

It's a [4] booger of a problem I've [1] got
I wish my nose was running money but it's [57] snot!
I'd [1] buy you a diamond ring a new fur coat or [1] two
If my nose was running money [57] I'd blow it all on [1] you

If my nose was running money let me [4] tell you what I'd [1] do
I'd buy you a John Deere tractor and we'd get rid of [b27] that old gray [57] mule
I'd [1] carry you down to the store and buy you a [4] brand new pair [1] shoes
And you not have to be plowing bare footed [57] the way you always [1] do

If my nose was running money we could [4] have anything we [1] please
Any time you wanted cash all I'd [b27] have to do is [57] sneeze
Why [1] we'd be living high on the hog and the [4] hog wouldn't be so [1] lean
If my nose was running money honey we'd be [57] rollin' in the [1] green

If my nose was running money you'd [4] have anything you [1] please
Anytime you wanted cash [b27] all I'd have to do is [57] sneeze
Honey [1] you'd win the lottery [4] when I have a cold or [1] flu

I [1] wish I was home again, [4] home in my heart again,
It's [1] been a long time since my heart talked to [5] me.
[1] Wastin' my precious days, [4] wishin' my life away,
If [1] wishes were fishes, we'd all cast [5] nets in the [1] sea.

I [1] wish I was young again, my [4] song still be sung again,
The [1] sweet tunes of my life have gone sour and off [5] key;
[1] Writin' my tired old rhymes, [4] tryin' to turn back time,
If [1] wishes were fishes, we'd all cast [5] nets in the [1] sea.

Chorus:
If [4] wishes were [5] fishes, I [1] know where I'd [4] be,
[1] Casting my net in the dark rolling [5] sea;
And [4] if my net's [5] empty when it [1] comes back to [4] shore,
I'll [1] throw it away and go fishing [1] no [5] more.

I [1] wish I could care again, [4] reach out and share again,

The [1] older I get it seems, more [4] wishin' takes the place of dreams,
If [1] wishes were fishes, we'd all cast [5] nets in the [1] sea

[1] If you could read my mind love, [b7] what a tale my thoughts could tell
[1] Just like an old time movie, [b7] about a ghost from a wishing well
[1] In a castle dark or a [4] fortress strong
With [5] chains upon my [6-] feet - you [4] know that ghost is [1] me
And [4] I will never [1] be set free
As [b2-7] long as I'm a [5] ghost that you can't [1] see

[1] If I could read your mind love, [b7] what a tale your thoughts could tell

The [5] hero would be [6-] me but [4] heroes often [1] fail
And [4] you won't read that [1] book again
[b2-7] because the ending's [5] just too hard to [1] take

[17] I'd walk away like a [4] movie star,

[1] If you could read my mind love, [b7] what a tale my thoughts could tell

But [4] stories always [1] end. And [4] if you read be[1]tween the lines
You'll [b2-7] know that I'm just [5] trying to under[1]stand

[1-] [b1-7] [b1-6] [6maj7] [b3-] [b57sus4] [b57]

If you go a-[1-]way ...on this summer day,
Then you [4-] might as well take the sun away,
All the [77] birds that flew ...in the summer sky,
When [3] our love was new, and our hearts were high,
When the [4-] day was young, and the [b57] night was long,
And the [1-] moon stood still ...for the [b1-7] nightbird's song,
If you [4-] go away, if you [b57] go away, ...if you [1-] go away!

But, ...if you [1-] stay, I'll [b1-7] make you a [b1-6] day
Like no day has [b57] been, or will be a-[1-]gain,
We'll [b57] ride on the [1-] rain, we'll [b1-7] sail on the [b1-6] sun,
We'll talk to the [77] trees, and worship the [3] wind,
[b57] Then, if you [1-] go, I'll under-[b26]stand,
Leave me just [b3-] enough love to [b57] hold in my [1-] hand,
If you go a-[3]way, if you go a-[4-]way,
If you go a-[b57]way! [b57sus4] [b57]

Ne me quitte [1-] pas, il faut oublier,
Tout peut [4-] s'oblier, qui s'enfuit déja,
Oubli-[77]er le temps ...des malentendus,
Et le [3] temp perdu, a savoir comment,
Oubli-[4-]er ces heures ...qui tuai-[b57]ent parfois,
A [1-] coups de pourquoi ...le [b1-7] couer du Bonheur,
Ne me [4-] quitte pas, ne me [b57] quitte pas,
Ne me quitte [1-] pas! [b4] [1-]

But, ...if you [1-] stay, I'll [b1-7] make you a [b1-6] night
Like no night has [b57] been, or will be a-[1-]gain,
We'll [b57] ride on the [1-] rain, we'll [b1-7] ride on your [b1-6] touch,
I'll talk to your [77] eyes, that I love so [3] much,
[b57] Then, if you [1-] go, I'll under-[b26]stand,
Leave me just [b3-] enough love to [b57] hold in my [1-] hand,
If you go a-[3]way, if you go a-[4-]way,
If you go a-[b57] way! [b57sus4] [b57]

If you [1-] go away, as I know you must,
There'll be [4-] nothing left in this world to trust,
Just an [77] empty room, full of empty space,
Like the [3] empty look ...I see on your face,
[4-] Oh, I'd have been the [b57] shadow of your shadow,
[1-] If it might have [b1-7] kept me by your side,
...If you [4-] go away, if you [b57] go away, if you go a-[1-]way!

[1] When I woke up this [5] morning, [4] things were lookin' [1] bad
[4] Seem like total [1] silence was the [5] only friend I [1] had
[5] Bowl of oatmeal [4] tried to stare me [1] down [4] and [1] won
And it was [5] twelve o'clock before I [4] realized
That I was [1] havin' [4] no [1] fun

Chorus:
But [5] fortunately I [1] have the key to es [4] cape re [5] ali [1] ty
And you may [4] see me tonight with an [1] illegal smile
It don't [5] cost very much, but it [1] lasts a long while
Won't you [4] please tell the man I didn't [1] kill anyone
No I'm [5] just tryin' to [4] have me some [1] fun

Last [1] time I checked my [5] bankroll,
[4] It was gettin' [1] thin
Some [4] times it seems like the [1] bottom
Is the [5] only place I've [1] been
I [5] chased a rainbow [4] down a one-way [1] street - [4] dead [1] end
And [5] all my friends turned [4] out to be in [1] surance [4] sales [1] men

Chorus

Well, I [1] sat down in my [5] closet with [4] all my over [1] alls
[4] Tryin' to get a [1] way
From all the [5] ears inside my [1] walls
I [5] dreamed the police [4] heard
Everything I [1] thought [4] what [1] then?
Well I [5] went to court
And the [4] judge's name [1] was [4] Hoff [1] man

But [5] fortunately I [1] have the key to es [4] cape re [5] ali [1] ty

[1] In my hour of darkness, in my time of need
[5] Oh Lord grant me vision, [4] Oh Lord grant me [1] speed

[1] Once I knew a young man, went driving through the night
[5] Miles and miles without a word,
with [4] just his high-beam lights [1]
[4] Who'd have ever [1] thought they'd build
such a [4] deadly Denver bend [1]
[5] To be so strong, to take so long as [4] it would till the end [1]

[1] In my hour of darkness, In my time of need
[5] Oh Lord grant me vision, [4] Oh Lord grant me [1] speed

[1] Another young man safely strummed his silver string guitar
And he [5] played to people everywhere, some [4] say he was a [1] star
But [4] he was just a [1] country boy, his [4] simple songs [1] confess
And the [5] music he had in him, so [4] very few [1] possess

[1] In my hour of darkness, in my time of need
[5] Oh Lord grant me vision, [4] Oh Lord grant me [1] speed

[1] Then there was an old man, kind and wise with age
And he [5] read me just like a book and he [4] never missed a [1] page
And I [4] loved him like my [1] father, and I [4] loved him like my [1] friend
And I [5] knew his time would shortly come but I [4] did not know just [1] when

Guys and Gals - pretty obvious split - chorus together

[1] She don't like her eggs all runny
[1] She thinks a'crossin' her legs is funny
[4] She looks down her nose at money
She [1] gets it on like the Easter Bunny
[5] She's my baby, I'm her honey
I'm [5] never gonna let her go [1]

Well he [1] ain't got laid in a month of Sundays
I [1] caught him once and he was sniffin' my undies
He [4] ain't real sharp but he gets things done
[1] Drinks his beer like it's oxygen
But [5] he's my baby, and I'm his honey
I'm [5] never gonna let him [1] go

[1] In spite of our-[4]selves, we'll [4] end up a'sittin' on a [1] rainbow
[1] Against all [5] odds, honey, [5] we're the big door [1] prize
We're gonna [4] spite, our noses right off of our [1] faces
There won't be [1] nothin' but big old [5] hearts
Dancin' in our [1] eyes

[1] She thinks all my jokes are corny, [1] convict movies make her horny
[4] She likes ketchup on her scrambled eggs,
[1] Swears like a sailor when she shaves her legs
She [5] takes a lickin', and keeps on tickin'
I'm [5] never gonna let her [1] go

[1] Well he's [1] got more balls than a big brass monkey
He's a [1] wacked out weirdo and a lovebug junkie
[4] Sly as a fox, crazy as a loon
[1] Payday comes and he's a'howlin' at the moon
But [5] he's my baby, I don't mean maybe
I'm [5] never gonna let him [1] go

[1] In spite of our-[4]selves, we'll [4] end up a'sittin' on a [1] rainbow

[3] In the bleak mid-[1-]winter, [4-] frosty wind made [77] moan,
[3] Earth stood hard as [1-] iron, [4-] water [77] like a [3] stone;
[6] Snow had fallen, [1-] snow on snow, [3] sno-[4-]ow on [77] snow,
[3] In the bleak mid-[1-] winter, [4-] lo-[77]ong a-[3]go.

[3] Our God, Heaven cannot [1-] hold him, [4-] nor earth sus-[77]tain;
[3] Heaven and earth shall [1-] flee away [4-] when he [77] comes to [3] reign.
[6] In the bleak mid-[1-]winter a [3] stable [4-] place su-[77]fficed
The [3] Lord God al-[1-]mighty, [4-] Je-[77]esus [3] Christ.

[3] Enough for Him, whom [1-] cherubim, [4-] worship night and [77] day
[3] A breast full of [1-] milk, and a [4-] manger-[77]ful of [3] hay
[6] Enough for Him, whom angels [1-] fall [4-] down be-[77]fore
The [3] ox and ass and [1-] camel [6] which [77] I a-[3]dore

optional verse

[3] Angels and Arch-[1-]angels [4-] may have gathered [77] there,
[3] Cherubim and [1-] seraphim [4-] thro-[77]onged the [3] air;
[6] But his mother [1-] only, [3] in her [4-] maiden [77] bliss,
[3] Worshiped the be-[1-]loved [6] with [77] a [3] kiss.

[3] What can I [1-] give him, [4-] poor as I [77] am?
[3] If I were a [1-] shepherd, [4-] I would [77] bring a [3] lamb;

As the [1] snow flies - -
On a [3-] cold and gray Chicago mornin'
A [4] poor little baby [5] child is born
In the [1] ghetto (in the ghetto) - and his [1] mama cries
Cause if [3-] there's one thing that she don't need
It's [4] another hungry [5] mouth to feed
In the [1] ghetto (in the ghetto)

People, don't you [5] understand
The child [4] needs a helping [1] hand
Or [4] he'll grow to be an [5] angry young man some [1] day
Take a look at [5] you and me,
Are we too [4] blind to [1] see?
[4] Do we simply [3-] turn our heads
And [4] look the other [5] way - well the [1] world turns

And a [3-] hungry little boy with a runny nose
[4] Plays in the street as the [5] cold wind blows
In the [1] ghetto (in the ghetto) - and his [1] hunger burns
So he [3-] starts to roam the streets at night
And [4] he learns how to steal and he [5] learns how to fight
In the [1] ghetto (in the ghetto)

Then one [5] night in desperation
A [4] young man breaks a-[1]way
He [4] buys a gun, [3-] steals a car,
[4] Tries to run, but he [5] don't get far - and his [1] mama cries

As a [3-] crowd gathers round an angry young man
[4] Face down on the street with a [5] gun in his hand
In the [1] ghetto (in the ghetto) - as her [1] young man dies,
On a [3-] cold and gray Chicago mornin',
A-[4]nother little (slow down) baby [5] child is born
In the [1] ghetto (in the ghetto) - and his [1] mama cries

Well, old Sadie she started fussin', she went down to the jailhouse a cussin'

[1] Mister Whatchacallum watcha doin' tonight?
Hope you're in the mood because I'm feelin' just right.
[4] How's about a corner with a table for two,
[1] Where the music's mellow in some gay rendezvous.
[57] There's no chance romancin' with the blue attitude,
[b2-7] You've got [1] to do some [4] dancin' to get [b67] in [57] the [16] mood.

[1] Sister Whatchacallum that's a timely idea,
Something swingadilla would be good to my ear.
[4] Everybody must agree that dancin' has charms
[1] When you have that certain one you love in your arms.
[57] Steppin' out with you will be a sweet interlude,
[b2-7] A buil [1]der-upper [4] that will put me [b67] in [57] the [16] mood.

[1] In the mood, [1dim] [b2-7] that's it I got it, [57]
[1] In the mood, [1dim] [b2-7] your ear will spot [57] it,
[1] in the mood, [1dim] [b2-7] oh what a hot [57] hit,
Be a- [57]live and get [5dim] the jive, you've got [57] to [b67] lea- [57]rn [1] how.

[1] Hep, hep, hep, [1dim] [b2-7] like a hep- [57] per,
[1] pep, pep, pep, [1dim] [b2-7] hot as a pep- [57] per,
[1] Step, step, step, [1dim] [b2-7] step like a step- [5] per,
[57] We're muggin' and [5dim] huggin', we're in [57] the [b67] mo- [57]od [1] now.

[1] Mister Whatchacallum all you needed was fun,
You can see the wonders that this evenin' has done.
[4] Your feet were so heavy till they hardly could move,
[1] Now they're light as feathers and you're right in the groove.
[57] You were only hungry for some musical food,
[b2-7] You're [1] positively, [4] absolutely [b6] in [5] the [16] mood.

[1] Sister Whatchacallum I'm indebted to you,
It all goes to show what good influence can do.
[4] Never felt so happy and so fully alive,
[1] Seems that jam and jumpin' is a powerful jive.
[57] Swing a roo has given me a new attitude,
[b2-7] My heart [1] is full of [4] rhythm and I'm [b6] in [5] the [16] mood.

They've [b2] got him in the jailhouse way down-[5]town. [5maj7] [57]

He's in the jailhouse [1] now

A-[1-]bout a maid, I'll sing a song, sing rickety [4-] tickety [1-] tin
A-[4-]bout a maid, I'll [1-] sing a song, [7] who didn't have her [1-] family long
[1-] Not only [7] did she [1-] do them [4-] wrong
She [1-] did every [7] one of them [1-] in, them [7] in, she [1-] did every [7] one of them [1-] in

[1-] One morning in a fit of pique, sing rickety [4-] tickety [1-] tin
[4-] One morning in a [1-] fit of pique [7] she drowned her father in [1-] the creek
[1-] The water [7] tasted [1-] bad for a [4-] week
And [1-] we had to make do with [1-] gin, with [7] gin, we [1-] had to make [7] do with [1-] gin

[1-] Her mother she could never stand, sing rickety [4-] tickety [1-] tin
[4-] Her mother she could [1-] never stand and [7] so a cyanide [1-] soup she planned
[1-] The mother died with a [1-] spoon in her [4-] hand
And [1-] her face in a [7] hideous [1-] grin, a [7] grin, her [1-] face in a [7] hideous [1-] grin

[1-] She set her sister's hair on fire, sing rickety [4-] tickety [1-] tin
[4-] She set her sister's [1-] hair on fire, and as the [7] smoke and [1-] flame grew higher
[1-] She danced [7] around the [1-] funeral [4-] pyre
[1-] Playing a [7] vio-[1-]lin, o-[7]lin, [1-] playing a [7] vi-o-[1-]lin.

[1-] She tied her brother down with stones, sing [4-] rickety-tickety-[1-]tin
[4-] She tied her brother [1-] down with [7] stones, and sent him off to [1-] Davy Jones
[1-] All they [7] ever [1-] found were the [4-] bones
And [1-] occasional [7] pieces of [1-] skin, of [7] skin, [1-] occasional [7] pieces of [1-] skin

[1-] One day when she had nothing to do, sing rickety [4-] tickety [1-] tin
[4-] One day when she had [1-] nothing to do she [7] cut her baby [1-] brother in two
[1-] Served him [7] up in an [1-] Irish [4-] stew
And [1-] invited the [7] neighbors [1-] in, 'bors [7] in, [1-] invited the [7] neighbors [1-] in.

[1-] When at last the police came by, sing rickety [4-] tickety [1-] tin
[4-] When at last the [1-] police came by, these [7] terrible deeds she [1-] did not deny
[1-] To do so [7] she would [1-] have to [4-] lie
And [1-] lying she [7] knew was a [1-] sin, a [7] sin, and [1-] lying she knew was a [1-] sin

[1-] Just one last thing before I go, sing rickety [4-] tickety [1-] tin
[4-] Jus' one last thing before I go, there's somethin' I think you [1-] ought to know
[1-] They had no [7] proof so [1-] they let her [4-] go
An' [1-] they say [7] she was tall and [1-] thin, and [7] thin, [1-] they say she [7] was tall and [1-] thin.

[1-] My tragic tale I won't prolong, sing rickety [4-] tickety [1-] tin
[4-] My tragic tale I [1-] won't prolong, [7] and if you didn't enjoy this [1-] song
[1-] You've your-[7]selves to [1-] blame if it's too [4-] long
You [1-] should've [7] never let me [1-] begin, [7] begin
You [1-] should've [7] never let me [1-] begin!

A song originally by the Pogues, this is the **Pogues/Dubliners version**
Verses deleted at random !!

In the [1] Fourth of July, eighteen hundred and [4] six,
We set [1] sail from the sweet cove of [5] Cork
We were [1] sailing away with a cargo of [4] bricks
For the [1] grand City [5] Hall in New [1] York
She was a [1] wonderful craft, she was [5] rigged 'fore and aft
And how [1] the wild winds [5] drove her
She 'stood [1] several blasts, she had [6-] twenty-seven [4] masts
And they [1] called her the [5] Irish [1] Rover

We had [1] one million bags of the best Sligo [4] rags
We had [1] two million barrels of [5] stones
We had [1] three million sides of old blind horses' [4] hides
We had [1] four million [5] barrels of [1] bones
We had [1] five million hogs and [5] six million dogs
[1] And seven million barrels of [5] porter
We had [1] eight million bales of old [6-] nanny goats' [4] tails
In the [1] hold of the [5] Irish [1] Rover

There was [1] Barney McGee from the banks of the [4] Lee
There was [1] Hogan from County Ty-[5]rone
There was [1] Johnny McGurk who was scared stiff of [4] work
And a [1] man from [5] Westmeath called [1] Malone
There was [1] Slugger O'Toole who was [5] drunk as a rule
[1] And fighting Bill Tracy from [5] Dover
And your [1] man Mick McCann, from the [6-] banks of the Bann
Was the [1] skipper of the [5] Irish [1] Rover

We had [1] sailed seven years when the measles broke [4] out
And our [1] ship lost her way in the [5] fog
And the [1] whole of the crew was reduced down to [4] two
'Twas [1] meself and [5] the captain's old [1] dog
Then the [1] ship struck a rock; oh Lord [5] what a shock
[1] The bulkhead was turned right [5] over
We turned [1] nine times around - then [6-] the poor old dog was [4] drowned
Now I'm [1] the last of the [5] Irish Ro-[1]ver

[1] Isabel makes love upon [5] national [1] monuments
[1] With style and enthusiasm and [5] anyone at [1] all.
[1] Isabel's done Stonehenge and the [5] Houses of [1] Parliament,
[1] But so far little Isabel's never [5] played the Albert [1] Hall.
[6-] Many a [b2-7] monolith has [5] seen [1] Isabel,
[6-] Her bright hair in [b2-7] turmoil, her [5] breasts' surging [1] swell.
But [6-] unhappy [b2-7] Albert, [5] so far [1] denied
[1] The bright sight of [b2-7] Isabel getting [5] into her [1] stride.

[1] The Forth Bridge, The Cenotaph, [5] Balmoral and [1] Wembley.
[1] The British Museum and the [5] House of [1] Lords.
[1] So many ticks in her [5] National Trust [1] catalogue,
[1] But so far the Royal Albert [5] Hall has not [1] scored.
[6-] Countless [b2-7] cathedrals can [5] now proudly [1] show
[6-] Where Isabel's [b2-7] white shoulder blades [5] have briefly [1] reposed.
[6-] Miserable [b2-7] Albert, [5] still waiting [1] for
[1] The imprint of [b2-7] Isabel on [5] his parquet [1] floor.

[1] In Westminster Abbey she [5] lay upon a cold [1] tombstone,
[1] The meat in a sandwich of [5] monumental [1] love,
[1] With old po-faced Wordsworth [5] unblinking [1] beneath
And [1] a bright-eyed young Arch-Deacon [5] breathless [1] above.
[6-] Many a stony faced [b2-7] statue has [5] flickered its [1] eyes
And [6-] swayed to the [b2-7] rhythm of her [5] little panting [1] cries.
But [6-] oh! wretched [b2-7] Albert [5] never yet has [1] known
[6-] Isabel's pretty [b2-7] whinnying [5] echo round his [1] dome.

[1] On the last night of the Promenades she [5] waved to the [1] conductor
And [1] there and then on the podium, with [5] scarcely a [1] pause,
[1] With a smile and a bow and a [5] loud "Rule [1] Britannia!"
He [1] completed her collection to [5] enormous [1] applause.
[6-] Rapturous [b2-7] Albert [5] now knows full [1] well
He's [6-] captured for-[b2-7]ever [5] elusive Isa-[1]bel.
[6-] Prettily di-[b2-7]shevelled but [5] firmly [1] installed
And [6-] faithfully for [b2-7] evermore to the [5] Royal Albert [1] Hall.

No [6-] more frantic [b2-7] scrambling's up the [5] dome of St. [1] Pauls.
No [6-] more dank [b2-7] rambles on [5] Hadrian's [1] Wall.
With [6-] style and [b2-7] enthusiasm and [5] anyone at [1] all,
[6-] Isabel makes [b2-7] love in the [5] Royal Albert [1] Hall.

[1] This is my island [4] in the sun
Where my [57] people have toiled since [1] time begun
[6-] I may sail on [2-] many a sea
Her [1] shores will always be [57] home to [1] me

[1] Oh island [2-] in the sun [57] willed to me by my [1] father's hand
[6-] All my days I will [4] sing and praise
Of your [57] forest waters your [1] shining sands [57] [1]

[1] As morning breaks the [4] heaven on high
[57] I lift my heavy load [1] to the sky
[1] Sun comes down with a [2-] burning glow
[1] Mingles my sweat with the [57] earth be [1]low

[1] Oh island [2-] in the sun [57] willed to me by my [1] father's hand
[6-] All my days I will [4] sing and praise
Of your [57] forest waters your [1] shining sands [57] [1]

[1] I see woman on [4] bended knee,
[57] Cutting cane for her [1] family
[6-] I see man [2-] at the water side,
[1] Casting nets at the [57] surging [1] tide

[1] Oh island [2-] in the sun [57] willed to me by my [1] father's hand
[6-] All my days I will [2-] sing and praise
Of your [57] forest waters your [1] shining sands

[1] I hope the day will [4] never come
[57] That I can't awake to the [1] sound of a drum
[6-] Never let me miss [2-] carnival
With caly [1]pso songs philo [57]sophi [1]cal

[1] Baby when I met you there was peace unknown
I set out to get you with a [17] fine tooth comb
I was [4] soft inside there was something going [1] on [4]* [1]
[1] You do something to me that I can't explain
Hold me closer and I [17] feel no pain every [4] beat of my heart
We got something going [1] on

Tender love is [4maj7] blind it requires a dedication
[4-] All this love we feel needs no conversation
We [1] ride it together uh huh, makin' love with each other uh huh

Islands [1] in the stream that is what [4] we are
No one in [2-] between, how can we be wrong
Sail a-[1]way with me, to a-[4]nother world
And we re-[1]ly on each other uh huh
From one [2-] lover to another uh [1] huh
key change ignored

[1] I can't live without you if the love was gone
Everything is nothing when you've [17] got no one
And you did [4] walk in the night,
slowly losing sight of the [1] real thing [4]* [1]
[1] That won't happen to us and we got no doubt
Too deep in love and we got [17] no way out
And the [4] message is clear
This could be the year for the [1] real thing

No more will you [4maj7] cry, baby I will hurt you never
We [4-] start and end as one in love forever we can
[1] Ride it together uh huh, makin' love with each other uh huh

[NC] 'twas on the [1] Isle of Capri that I found her
[1] Beneath the shade of an old walnut [57] tree
[57] Oh, I can still see the flowers blooming round her
[57] Where we [1] met on the [57] Isle of Ca-[17]pri

[1] She was as sweet as a rose at the dawning
[1] But somehow fate hadn't meant her for [57] me
[57] And though I sailed with the tide in the morning
[57] Still my [1] heart's on the [57] Isle of Ca-[1]pri

[4] Summertime was nearly [1] over
[4] Blue Italian sky a-[1]bove
[4] I said "Lady, I'm a [1] rover,
[b27] Can you spare a sweet word of [57] love?"

[1] She whispered softly "It's best not to linger"
[1] And then as I kissed her hand I could [57] see

[57] 'twas good-[1] bye at the [57] Isle of Ca-[1]pri

[1] [b27] [2-] [5] [1] x2

[1] Isn't life [2-] strange, [5] a turn of the [1] page? [6-]
Can read like be-[2-]fore, [5] can we ask for [1] more?
Each day passes [2-] by, [5] how hard man will [1] try [6-]

With no thought or [2-] care, [5] maker of de-[1]spair
Each breath that we [2-] breathe, [5] with love we must [1] weave [6-]
To make us as [2-] one -
You know it [5] makes me want to [1] cry, [5] cry, [6-] cry [b2] [2-]

To throw it a-[2-]way, [5] to lose just a [1] day [6-]
The quicksand of [2-] time -
You know it [5] makes me want to [1] cry, [5] cry, [6-] cry [b2] [2-]

It Ain't Drunk Driving If You're Riding a Horse

Listen to the intro - not straightforward

[1] [1][1][4], [1][1][57][1], [1][1][1] [1]
On the [1] highway at night, the lights blazing [4] red
and [1] there ain't no sounds except the pounding in my [6-] head
And a [1] couple, cop sirens, blaring for [4] me
They [1] stopped me en route to the refine- [6-] ry
They [1] said, "You look mean", "The kettle is [4] black"
They [1] punched me, for that one, and threw me in the [6-] back
They [1] say, "You've been drinking", I said, "Yes, of [4] course
But [1] it ain't drunk driving if you're [57] riding a [1] horse"

Well there's [1] coked-up truck drivers and T-Birds on [4] meth
And [1] cell phones, and silver folks, scare me to [6-] death
And [1] pills, weed and NyQuil in every third [4] car
And [1] liquored-up grandmas heading down to the [6-] bar
But my [1] horse, he does all the thinking for [4] me
He's [1] sober, as an angel, on a Christmas [6-] tree
Being [1] horny and getting messed up is life's strongest [4] force
But [1] it ain't drunk driving if you're [57] riding a [1] horse

[17][17]
Now my [5] equine companion is kind and good-hearted
But he [1] will not back [4] down from a [1] fight [1][4][1]
And [6-] down at the [1] stable he'll drink you [4] under the [1] table
But [5] he wasn't drinking to- [5] night

[17][17][4][4][1][1][57][1]
Well I [1] pleaded and pleaded without any [4] gain, took all the
[1] names in the Bible I could think of in [6-] vain
And the [1] judge, he had the gall, to shrink all my [4] wealth
He said, [1] "What do you have, to say for your- [6-] self
Of your [1] sinning and your drinking do you feel much re- [4] morse?" No, 'cause
[1] it ain't drunk driving if you're [57] riding a [1] horse

[4] It ain't drunk [1] driving if you're [57] riding a [1] horse [1]

[4] It came u-[b7]pon a [4] midnight clear
That [b7] glorious [57] song of [17] old
[4] From angels [b7] bending [4] near the earth
[b7] To touch their [17] harps of [4] gold
"[b67] Peace on the earth, good [2-] will to men
[b2] From [1] heaven's all [57] gracious [1] King"
[4] The world in [b7] solemn [4] stillness lay,
To [b7] hear the [17] angels [4] sing

[4] Still through the [b7] cloven [4] skies they come
With [b7] peaceful [57] wings un-[17]furled,
[4] And still their [b7] heavenly [4] music floats
[b7] O'er all the [17] weary [4] world
[b67] Above its sad and [2-] lowly plains
[b2] They [1] bend on [57] hovering [1] wing;
[4] And ever [b7] o'er its [4] Babel sounds
The [b7] blessed [17] angels [4] sing.

[4] O ye, be-[b7]neath life's [4] crushing load
Whose [b7] forms are [57] bending [17] low,
[4] Who toil a-[b7]long the [4] climbing way
[b7] With painful [17] steps and [4] slow
[b67] Look now! for glad and [2-] golden hours
[b2] Come [1] swiftly [57] on the [1] wing;
[4] O rest be-[b7] side the [4] weary road
And [b7] hear the [17] angels [4] sing

[4] For lo! the [b7] days are [4] hastening on
by [b7] prophets [57] seen of [17] old
W[4]hen with the [b7] ever-[4]circling years
[b7] shall come the [17] time fore-[4]told
[b67] When peace shall over [2-] all the earth
[b2] its [1] ancient [57] splendors [1] fling
[4] And the [b7] whole world [4] send back the song
which [b7] now the [17] angels [4] sing!}

Well you [57] left me here so I could sit and cry
[1] Well golly gee what have you done to me
I [57] guess it doesn't matter any [1] more

How you [57] held me tight each and every night
Well [1] oops-adaisy how you drove me crazy but
I [57] guess it doesn't matter any [1] more

It had to be [1maj7] you, it had to be [b67] you
I wandered a-[b29]round and [b27] finally [b29] found,
that [b27] somebody [b29] who
Could make me be [57] true [b37]
Could make me feel [6-] blue
And even be [b27] glad just to be sad, thinking of [57] you

Some others I've [1maj7] seen might never be [b67] mean
Might never be [b29] cross, or [b27] try to be [b29] boss
But they [b27] wouldn't [b29] do

For [b3-dim7] nobody [4] else gave me a [4-6] thrill
With all your [1] faults, [b37] I love you [6-] still
It had to be [57] you, [b2-7] wonderful [57] you

When I was [1-] seventeen it was a [b2] very good year,
It was a [1-] very good year
For [b3] small town girls and [b2] soft summer nights. [57]

When I was [1-] seventeen it was a [b2] very good year,
It was a [1-] very good year
For [b3] small town girls and [b2] soft summer nights.
We'd [1] hide from the lights
On the [b7] village green when I was [1] seventeen.

When I was [1-] twentyone, it was a [b2] very good year,
It was a [1-] very good year
For [b3] city girls who [b2] lived up the stair,
With [1] perfumed hair
That [b7] came undone, when I was [1] twenty-one.

When I was [1-] thirty-five it was a [1-] very good year,
It was a [1-] very good year
For [b3] blue blooded girls of [b2] independant means.
We'd [1] ride in limousines
Their [b7] chauffeurs would drive when I was [1] thirty-five.

But now the [1-] days are short, I'm in the [b2] autumn of the year,
And now I [1-] think of my life
As vint[b3]age wine from [b2] old kegs,
From the [1] brim to the dregs
It poured [b7] sweet and clear; it was a [1] very good year!

We [1] had a date, I [b37] stayed out late, I [4] bought round after [1] round
And [b27] just for you I [b27] played the fool -
Yes [57] I was quite the [57] clown
[1] Words were spoken, [b37] hearts were broken,
but [4] now I hope you [1] see
It was the [1] whiskey [57] talkin', not [1] me [1]

I [1] didn't mean to [b37] make a scene, it's [4] really not my [1] style
I [b27] raised some Cain and [b27] called some names,
I [57] got a little [57] wild
If I [1] brag too loud and [b37] act too proud, don't [4] blame it all on [1] me
It was the [1] whiskey [57] talkin', not [1] me [1]

I [b3] had myself a [b3] little splash, I [b6] said "You no good [b6] piece of trash"
[b2] Shut my mouth all [b2] through the night,
[5] Lord, my bark's bigger [5] than my bite

If [1] lies were told, if [b37] I was bold, don't [4] take it personal [1]ly
It was the [1] whiskey [57] talkin', not [1] me [1]
But [1] all that stuff is [b37] just a bluff, I [4] wouldn't hurt a [1] flea
It was the [1] whiskey [57] talkin', not [1] me [1]

[b3] At the bar I [b3] bucked and roared, I [b6] picked a fight and [b6] I got floored
I [b2] had a shot, got [b2] plumb insane, took [5] everybody's [5] name in vain

The [1] devil makes me [b37] do some things, it [4] takes a lot of [1] nerve
How [b27] could I sass , a [b27] girl like you, you're [57] more than I [57] deserve
Don't you [1] get upset , and [b37] please accept [4] my apolo [1]gy
It was the [1] whiskey [57] talkin', not [1] me [1]

[b3] Ended up with some [b3] more moonshine, my [b6] mouth was workin' [b6] overtime
[b2] Just let off a [b2] little steam, I [5] ain't the killer [5] that I seem

Some [1]times I'm strange but [b37] I might change, you [4] got my guarantee
It was the [1] whiskey [57] talkin', not [1] me [1]

[57] It's be-[1]ginning to look a [4] lot like [1] Christmas,
Ev-ry-[b37]where you [4] go [b67]
Take a [b2-7] look in the five and [57] ten,
[3-] glistening once a-[6-]gain
With [5] candy canes and [b27] silver lanes a-[57]glow.

It's be-[1]ginning to look a [4] lot like [1] Christmas,
toys in [b37] ev'ry [4] store [b67]
But the [b2-7] prettiest sight to [1dim] see
is the [1] holly that will [b67] be

[b37] Hopalong boots and a pistol that shoots
are the [6-] wishes of [b37] Barney and [6-] Ben,
[b27] Dolls that will talk and will go for a walk
Is the [57] hope of [b27] Janice and [57] Jen,

[57] It's be-[1]ginning to look a [4] lot like [1] Christmas,

There's a [b2-7] tree in the Grand Ho-[57]tel,

To know me is to love me.

Who cares I never get [1] lonesome
'cause I [57] treasure my own compa[1]ny

I [1] guess you [4] could say [1] I'm a loner,

Oh I could have lots of friends if I wanna

About to be-[b5] gin
[1-] Hear the [3] thunder
Don't you lose your [6] HEAD!

[1] Maybe I should buy some [3-] old tab collars ?

[3-] "Where have you been hiddin' [6-] out lately, honey?
You [3-] can't dress trashy till you [b2] spend a lot of [5] money."

[1] What's the matter with the [3-] car I'm driving?
"Can't you [b7] tell that it's out of [4] style?"
[1] Should I get a set of [3-] white wall tyres?
"Are you [b7] gonna cruise the miracle [4] mile?"

[3-] "Nowadays you can't be [6-] too sentimental,

[1] Hot funk, [3-] cool punk [b7] even if it's [4] old junk,

"If you [b7] are, then you think too [3-] much".

[1] Over bridge of [3-] sighs
To [b7] rest my eyes in [4] shades of green
[1] Under dreaming [3-] spires
To [b7] Itchycoo Park, that's [4] where I've been
What did you [1] do there? [b7] I got [4] high
What did you [1] feel there? [b7] Well, I [4] cried
But why the [1] tears there? [b7] Tell you [4] why [4sus4][4]

[1] It's all too [6-] beautiful x 4

I [1] feel inclined to [b3] blow my mind
Get hung [b7] up, feed the [4] ducks with a [1] bun
They [1] all come out to [b3] groove about
Be [b7] nice and have [4] fun in the [5] sun

[1] I tell you what I'll [3-] do (what will you do?)
I'd [b7] like to go there [4] now with you
[1] You can miss out [3-] school (won't that be cool?)
Why [b7] go to learn the [4] words of fools
What will we [1] do there? [b7] We'll get [4] high
What will we [1] touch there? [b7] We'll touch the [4] sky
But why the [1] tears there? [b7] I tell you [4] why

[1] Down on the farm we had a pig, J. [5] Edgar was his [1] name
He'd eat up all our victuals and [5] start back up a-[1]gain
Just [4] like them vacuum cleaners they [1] sell down in the [5] lane
Well, [1] that's how J. Edgar [5] Hoover got his [1] name

Now, momma baked a cherry pie and [5] set it out to [1] cool
So we'd have something good to eat when [5] we got home from [1] school
J. [4] Edgar climbed up on the porch and [1] ate up all that [5] pie
When [1] we got home that mornin' we [5] heard our mamma [1] cry

[1] J. Edgar, J. Edgar, just look what you've [4] done
You [5] ate up the cherry pie that was for every-[1]one
We made it through the dusters, and the hoppers [4] too
But God [4] help us, J. [1] Edgar, 'cause [5] nothin's safe from [1] you

We had an extra man named Bob he [5] wouldn't work a [1] lick
He drank bad moonshine likker, and it [5] always made him [1] sick
We [4] rode to church on Sunday and [1] stayed a while in [5] town
When [1] we reached home at suppertime, poor [5] Bob could not be [1] found

He wasn't in the parlor, and he [5] wasn't in the [1] lane
Drinking in the pantry or [5] sleepin' in the [1] hay
His [4] hat was in the pigpen, [1] that he always [5] wore
Poor [1] Bob won't be drinking moonshine [5] likker any-[1]more

J. Edgar, J. Edgar it just don't seem [4] fair
You [5] ate Bob our hired hand while we were at [1] prayer
Let's say a prayer for old Bob, and our country [4] too
God help us J. [1] Edgar, nobody's [5] safe from [1] you

[b2] [6-]
Well, I'm [b2] rumblin' in this [b6] JCB.
I'm [b2] 5 years old and my dad's [b6] giant sitting beside me.
And the [5] engine rattles my bum like [b6] berserk
While we're singin, [5] Don't forget your shovel if you [b6] want to go to work

My dad [b2] probably had a bloody hard [b6] day
But he's been [b2] good fun and bubbling and [b6] joking away
And the [5] procession of cars stuck [b6] behind
They're getting [5] all impatient and angry, but [b6] we don't mind

> CHORUS
>
> [NC] And we're holding up the [5] bypass
> [b6] Me and my Dad having a [5] top laugh
> [b6] I'm sitting on the [5] toolbox
> [b6] And I'm so glad I'm not in [5] school, boss
> [b6] So glad I'm not in [5] school oh [b2] no [b6] [b2] [b6]

And we [b2] pull over to let cars [b6] pass
And pull [b2] off again speeding by the [b6] summer green grass
And we're like [5] giants up here in our big [b6] yellow digger
Like [5] Zoids, or Transformers, or [b6] maybe even bigger

And I [b2] wanna transform into a Tyrannosaurus [b6] Rex
And [b2] eat up all the bullies and the [b6] teachers and their pets
And I'll [5] tell all my mates, my [b6] Dad's B.A. Baracus
Only with a [5] JCB and Bruce Lee's [b6] nunchuckas

Lets [4] rock, everybody, [1] lets rock,
Every-[57]body in the whole cell [47] block,

[1] Little Joe was blowin' on the slide trombone,
[1] The drummer boy from Illinois went crash, boom, bang,
[1] The whole rhythm section was the purple gang,

Lets [4] rock, everybody, [1] lets rock,
Every-[57]body in the whole cell [47] block,
[1] Were dancing to the jailhouse rock.

[1] Number forty-seven said to number three,
[1] You're the cutest jailbird I ever did see,
[1] I sure would be delighted with your company,
[1] Come on and do the jailhouse rock with me,

Lets [4] rock, everybody, [1] lets rock,
Every-[57]body in the whole cell [47] block,

[1] If you can't find a partner use a wooden chair,

Lets [4] rock, everybody, [1] lets rock,
Every-[57]body in the whole cell [47] block,

Tune of What a Friend we Have in Jesus

[1] Oh Jesus Christ I'm nearly [4] forty
[1] My pubic hair is going [5] grey
[1] I can't cut the mustard like I [4] used to
[1] I think it's [57] downhill all the [1] way

Oh [57] please don't dump me by the [1] seaside
Don't [4] shout as if my [1] ears don't [57] work
[1] Never let me pee my [4] trousers
Don't [5] let me dribble down my [1] shirt

The [1] hair that once flowed round my [4] shoulders
Is [1] drifting off just like the [57] tide
That [1] thing that was my little [4] parting
Is [5] now about four inches [1] wide

And [57] when you see me on the [1] buses
Oh [4] please don't [1] offer me your [57] seat
Or [1] when you're crunching on those [4] apples
[4] I'll be sucking boiled [1] sweets

I [1] can't play squash or go out [4] jogging
For [1] fear my heart is going to [57] burst
I [1] think that beds were made for [4] sleeping
And [5] that's a whole lot bloody [1] worse

I [57] think I'll stay at home this [1] evening
And [4] watch what-[1]ever's on the [57] box
[1] I must buy some thermal [4] knickers
A [5] night cap and some woolly [1] socks

[1] Oh Jesus Christ I'm nearly [4] forty
[1] My pubic hair is going [5] grey
[1] I can't cut the mustard like I [4] used to

My name is Jim the Carter, a [5] jolly cock am [b2] I,
I always am contented be the weather [b3] wet or [b6] dry.
I [b2] snap my fingers at the snow and [5] whistle at the [b2] rain,
I've [b2] braved the storm for [5] many a day and [b2] will do [b6] so a-[b2]gain.

[b2] Crack, crack, goes the whip, I [5] whistle and I [b2] sing.
I sits upon my wagon I'm as [b3] happy as a [b6] king.
My [b2] horse is always willing, and [5] I am never [b2] sad,
There's [b2] none can lead a [5] jollier life than [b2] Jim the [b6] carter's [b2] lad.

There's [b2] none can lead a [5] jollier life than [b2] Jim the [b6] carter's [b2] lad.

[b2] The girls all smile at me as [5] we go driving [b2] past,
My [b2] horse is such a beauty, as he [b3] jogs along so [b6] fast.
We've [b2] travel'd many a weary mile but [5] happy days we've [b2] had;
There's [b2] nothing near as [5] jolly a sight as [b2] Jim the [b6] carter's [b2] lad.

[b2] Crack, crack, goes the whip, I [5] whistle and I [b2] sing.

[b2] My father was a carter, [5] many years a-[b2] go;
[b2] Off and to the market by the first [b3] thing he would [b6] go.
Some-[b2]times he took me with him par-[5]ticularly in the [b2] spring,
I loved to sit u-[5]pon the cart and [b2] hear my [b6] father [b2] sing:

[b2] Crack, crack, goes the whip, I [5] whistle and I [b2] sing.
I sits upon my wagon I'm as [b3] happy as a [b6] king.

Well [b2] now I see the time has come for [5] me to bid a-[b2]dieu
I [b2] know my horse will weary if [b3] I stay here with [b6] you
To [b2] see your smiling faces here it [5] makes my heart quite [b2] glad
And I hope you'll give your [5] kind applause to [b2] Jim the [b6] carter's [b2] lad.
repeat this last chorus

[b2] Crack, crack, goes the whip, I [5] whistle and I [b2] sing.

Across the fields we [5] go,
[57] Laughing all the [1] way (Ho, Ho, Ho)
Bells on bobtails ring,

What fun it is to [5] ride and sing a [57] sleighing song to-[1]night.

[1] Jingle bells, jingle bells, jingle all the way,
[4] Oh, what fun it [1] is to ride

[1-] There were three [36] men came out of the West
Their [b5-7] fortunes for to [1-] try
And [1-] these three men made a [36] solemn vow
John [b5-7] Barleycorn must [1-] die

They [3] ploughed, they sowed, they [7] harrowed him [b5-7] in

Well, John [17] Henry was a little baby, sittin' on his papa's [57] knee
Well he [17] picked up a hammer and [47] little piece of steel,
Said, "[17] Hammer's gonna be the death of [47] me, Lord, Lord;
[17] Hammer's gonna be the [57] death of [17] me"

Now the [17] captain he said to John Henry,
"I'm gonna bring that steam drill a [57]round
I'm gonna [17] bring that steam drill [47] out on the job
I'm [17] gonna whup that steel on [47] down, Lord, Lord
[17] Gonna knock that [57] steel on [17] down"

John [17] Henry told his captain, "Lord, man ain't nothin' but a [57] man
Before I [17] let your steam drill [47] beat me down
I'm [17] gonna die with a hammer in my [47] hand, Lord, Lord
[17] Die with a hammer [57] in my [17] hand"

John [17] Henry said to his shaker, "Shaker, why don't you [57] sing?
'Cause [17] I'm swingin' thirty pounds from my [47] hips on down
Yeah, [17] listen to my cold steel [47] ring, Lord, Lord
[17] Listen to my [57] cold steel [17] ring"

Well, captain [17] said to John Henry, "I believe the mountain's caving [57] in"
John [17] Henry said right back [47] to the captain,
'Aint [17] nothing but my hammer sucking [47] wind, Lord, Lord
[17] Aint nothing but my [57] hammer sucking [17] wind "

Now John [17] Henry, he hammered in the mountains, His hammer was striking [57] fire
But he [17] worked so hard, he [47] broke his poor heart
And he [17] laid down his hammer and he [47] died, Lord, Lord
[17] He laid down his [57] hammer and [17] died

Well every, [17] every Monday morning, when the bluebird he begin to [57] sing
You can [17] hear John Henry from a [47] mile or more
You can [17] hear John Henry's hammer [47] ring, Lord, Lord
[17] You can hear John Henry's [57] hammer [17] ring

say it again!:
So [17] you can hear John Henry's hammer [47] ring, Lord, Lord
[17] You can hear John Henry's [57] hammer [17] ring

[1-] Moonshine Whiskey - Ortta be a [1] crime
When [1-] I started [4] drinkin' - I'm [1] bound to lose my mind
Oh Brother got to [4] get it a few more [1] time

[1-] Now what's that [1] smokin' - [1-] yonder cross the [1] hill
Looks [4] like our secret hideaway - we [1] had so many years
John [5] Law done come and [4] run us way from [1] here

He [1-] burned down the liquor [1] store
He [1-] burned down the liquor [1] store
John Law [1-] burned down the liquor [4] store
John Law [1] burned down the liquor store
Well, that boot-[5]leg [1-] whiskey - [4] where we gonna [1] go?

[1-] Workin' in the [1] fields - [1-] all the hot long [1] day
Just thinking [4] 'bout tonight - how we'll get to [1] dance our blues away
But now I fear I'm [4] drinking more a-[1]gain

[1-] Turned water to [1] whiskey - [1-] that's what the preacher [1] say
[1-] Lord I [4] need a mira-[1]cle - to get me thru the day
Muddy [5] water come and [4] wash my blues -[1]way

He [1-] burned down the liquor [1] store
He [1-] burned down the liquor [1] store
John Law [1-] burned down the liquor [4] store
John Law [1] burned down the liquor store
Well, that boot-[5]leg [1-] whiskey - [4] where we gonna [1] go?

[1-] John Law didn't [1] mind us - [1-] having a little [1] fun
Cause when we [4] made money - [1] he would get him some
The joint will rock un-[4]til the morning [1] comes

But [1-] when the money got [1] low - he [1-] took me off to [1] jail
Cauee I [4] drink all my corn liquor - and [1] had no more to sell
I ain't [5] had no one - to [4] get me out on [1] bail

He [1-] burned down the liquor [1] store
He [1-] burned down the liquor [1] store
John Law [1-] burned down the liquor [4] store
John Law [1] burned down the liquor store
Well, that boot-[5]leg [1-] whiskey - [4] where we gonna [1] go?

[1-] Good morning [1] judge - [1-] what may be my [1] fine
When the judge taste my [4] whiskey - he [1] didn't give me no time
He said could you [1-] make me some [4] more of your moon-[1]shine

He [1-] burned down the liquor [1] store
He [1-] burned down the liquor [1] store
John Law [1-] burned down the liquor [4] store
John Law [1] burned down the liquor store
Well, that boot-[5]leg [1-] whiskey - [4] where we gonna [1] go?

Deep [1] down in Louisiana close to New Orleans
Way [1] back up in the woods among the evergreens
There [4] stood a log cabin made of earth and wood
Where [1] lived a country boy named Johnny B. Goode
Who [57] never ever learned to read or write so well, but he
could [1] play the UKULELE like a ringin' a bell. Go!

Chorus

[1] Go go, Johnny go go
[1] Go go Johnny go go
[4] Go go Johnny go go
[1] Go go Johnny go go [57] go!
Johnny B. [1] Goode!

He used to [1] put his UKULELE in a gunny sack
and go [1] sit beneath a tree by the railroad track.
An [4] engineers could see him sitting in the shade
[1] strummin' to the rhythm that the drivers made
[57] People passing by they would stop and say
Oh [1] my but that little country boy can play. Go!

Chorus

His [1] mother told him "someday you will be a man"
And [1] you will be the leader of a big ol' band
[4] Many, many people come from miles around
to [1] hear your UKULELE till the sun go down
[57] Maybe someday your name will be in lights
Sayin' [1] "Johnny B. Goode tonight". Go!

Intro: [1] (Note: There are a couple of Key changes below)

I [1] hear the train a comin', it's rollin' 'round the bend,
And I ain't seen the sunshine, since, [17] I don't know when,
I'm [4] stuck in Folsom Prison, and time keeps draggin' [1] on,
But that [57] train keeps a-rollin', on down to San An [1]tone.

When [1] I was just a baby, my Mama told me, "Son,
Always be a good boy, don't [17] ever play with guns,"
But I [4] shot a man in Reno, just to watch him [1] die,
When I [57] hear that whistle blowin', I hang my head and [1] cry.
[1]/// [b67]///

I [b2] bet there's rich folks eatin' in a fancy dining car,
They're probably drinkin' coffee, and [b27] smokin' big cigars,
But I [5] know I had it comin', I know I can't be [b2] free,
But those [b67] people keep a-movin', and that's what tortures [b2] me.

Well, if they [b2] freed me from this prison, if that railroad train was mine
I bet I'd move it on a little [b27] further down the line,
[5] Far from Folsom Prison, that's where I want to [b2] stay,
And I'd [b67] let that lonesome whistle, blow my Blues [b2] away. [b2]//////

I keep a [b6] close watch on this heart of [b2] mine
I keep my [b6] eyes wide open all the [b2] time
I keep the [5] ends out for the tie that [b2] binds
Because you're [b6] mine, I walk the [b2] line

I find it [b6] very, very easy to be [b2] true
I find my [b6]self alone when day is [b2] through
Yes, I'll ad [5]mit that I'm a fool for [b2] you
Because you're [b6] mine, I walk the [b2] line

As sure as [b6] night is dark and day is [b2] light
I keep you [b6] on my mind both day and [b2] night
And happi [5]ness I've known proves that it's [b2] right
Because you're [b6] mine, I walk the [b2] line. [b2]/// [b3]///

You've got a [b77] way to keep me on your [b3] side
You give me [b77] cause for love that I can't [b3] hide
For you I [b6] know I'd try to turn the [b3] tide
Because you're [b77] mine, I walk the [b3] line

I keep a [b77] close watch on this heart of [b3] mine
I keep my [b77] eyes wide open all the [b3] time
I keep the [b6] ends out for the tie that [b3] binds
Because you're [b77] mine, I walk the [b3] line x 3

[1] There's a farm called Misery but [1] of that, we'll have none
[57] Because we know of one that's [1] always lots of fun (Ha! Ha!)

And [1] this one's name is Jollity, be-[1] lieve me folks, it's great
For [b27] everything sings out to us, as we go through the [57] gate

[1] All the little pigs, they grunt and howl
The [57] cats meow
The [1] dogs bow-wow
[4] Every-[1dim]body [1] makes a [b67] row
[2-] Down on [57] Jollity [1] Farm

The [57] lambs all bleat:, [NC] Baaaah!
And [1] shake their feet: [NC] Rattle!
[4] Every-[1dim]thing's a [1] perfect [b67] treat
[2-] Down on [57] Jollity [1] Farm

[4] Regular as habit
The [1] cocks begin to crow (Cock-a-doodle-doo)
[4] And the old buck rabbit
Sings [57] "Stuff it up your jumper!" [NC] Vo-doh-dee-oh!

[1] All the little ducks go Quack Quack Quack
The [57] cows all moo: [NC] Moo!
The [1] bull does too: [NC] Whonk!

Jolly Farmer

[1] I am a jolly farmer I've been [4] farming all me [1] life
I live on 40 acres with me [b2] parents and me [5] wife
We've got [1] two delightful children the [4] eldest one is [1] four
We're all content and happy and we [5] ask for nothing [1] more.

But me cousins up in Dublin they won't leave us a-[5]lone
On the [1] telly and the radio you can [4] hear the people [5] moan
They [1] want to tax the farmers and [4] some of them de-[1]clare
That the farmers down the country are a [5] bunch of million-[1]aires

Oh it's grand to be a farmer 'till the [4] hens refuse to [1] lay
And the rains that fall in summer time des-[b2]troys your fields of [5] hay
When the [1] curse of brucellosis it's your [4] lovely herd of [1] cows
And the queer desease you can't pronounce makes [5] bacon of your [1] sows.

With the prices fluctuatiing and there's nothing guaran-[5]teed
Sure the [1] farmer has his worries when he's [4] many mouths to [5] feed
So come all ye [1] loyal Dublin folks the [4] farmer is your [1] friend
Don't criticise him further or you'll [5] drive him 'round the [1] bend.

[1] The farmer grows potatoes and [4] saves them from the [1] blight
Then he drives them up to Dublin and he's [b2] driving half the [5] night
His [1] pockets may be paultry but he pays for [4] all his [1] trips
But he's happy for the city folks they can [5] have their bags of [1] chips.

The pigeons eat his cabbage and the crows devour his [5] wheet
There's a [1] levy on his creamery and a-[4]nother on his [5] beet
When he [1] gets a spell of sunshine his [4] grass may turn [1] brown
And the Carrot fly gets busy on his [5] carrots in the [1] ground [b6] [b2]

[b2] My cousin up in Dublin has a [5] job from 9 'till [b2] 5
But the poor old farmer's working every [b37] minute he's a-[b6]live
When the [b2] cows require a midwife or the [5] turkey's start to fight
He [b2] has to don his overalls in the [b6] middle of the [b2] night.

Of Dublin can be Heaven when you stroll in Stephen's [b6] Green
But the good and [b2] bad are everywhere and there's [5] plenty in be-[b6]tween
We need each [b2] other badly if we're [5] hoping to sur-D]vive
So lets learn to live together and thank [b6] God we're all a-[b2]live.

Oh it's grand to be a farmer 'till the [5] hens refuse to [b2] lay
And the rains that fall in summer time des-[b37]troys your fields of [b6] hay
When the [b2] curse of brucellosis it's your [5] lovely herd of [b2] cows
And the queer desease you can't pronounce makes [b6] bacon of your [b2] sows.

With the prices fluctuatiing and there's nothing guaran-[b6]teed
Sure the [b2] farmer has his worries when he's [5] many mouths to [b6] feed
So come all ye [b2] loyal Dublin folks the [5] farmer is your [b2] friend
Don't criticise him further or you'll [b6] drive him 'round the [b2] bend.

I was [1] down in Savannah, eatin' cream and bananas
When the [57] heat just made me faint
I [57] began to get cross-eyed, I thought I was lost, I'd
Begun to see things as they [1] ain't
As the [1] relatives gathered to see what's the matter
The doctor came to see was I [b27] dyin'
But the [1] doctor said, "Give him jug band music
It [57] seems to make him feel [1] just fine"

I was [57] told a little tale about a skinny-as-a-rail
Eight-foot cowboy with a [1] headache
He was [57] hung up in the desert swattin' rats and tryin' to get
A drink of water with his knees a-gettin' [1] mud-caked
And I'll [1] tell you in a sentence how he stumbled in to Memphis,
Tennessee, hardly crawlin', lookin' [4] dust-baked
We [4] gave 'im a little water, a little bit of wine
He [1] opened up his eyes, but they didn't seem to shine
Then the [1] doctor said, "Give him jug band music
It [57] seems to make him feel [1] just fine"

[1] So if you ever get sickly, get Sis to run quickly
To the [57] dusty closet shelf
And [57] pull out a washboard, and play a guitar chord
And do a little do-it-your [1] self
And [1] call on your neighbors to put down their labors
And come and play the hardware in [b27] time
'Cause the [1] doctor said, "Give him jug band music
It [57] seems to make him feel [1] just fine"

I was [57] floatin' in the ocean greased with suntan lotion
When I got wiped out by a [1] beach boy
He was [57] surfin' when he hit me but jumped off his board to get me
And he dragged me by the armpit like a [1] child's toy
As we [1] staggered into land with all the waiters eatin' sandwiches
He tried to mooch a towel from the [4] hoi polloi
He [4] emptied out his eardrums, I emptied out mine
And [1] everybody knows that the very last line
Is "the [1] doctor said, 'Give him jug band music
It [57] seems to make him feel just [1] fine'"

And the [1] doctor said "give him jug band music
It [57] seems to make him feel [1] just fine"

[1] One pleasant evening in the month of June
As [5] I was sitting with my [1] glass and spoon
A small bird sat on an [4] ivy bunch
And the [1] song he [4] sang [1] was "The [5] Jug Of [1] Punch"

[1] Too ra loo ra loo, too ra [4] loo ra lay,
too ra [5] loo ra loo, too ra [1] loo ra lay
[1] A small bird sat on an [4] ivy [5] bunch
And the [1] song he [4] sang [1] was "The [5] Jug Of [1] Punch"

What [1] more diversion can a man desire?
Than to [5] sit him down by snug [1] turf fire
Upon his knee a [4] pretty wench
And [1] on the [4] ta-[1]ble a [5] jug of [1] punch

[1] Too ra loo ra loo, too ra [4] loo ra lay,
too ra [5] loo ra loo, too ra [1] loo ra lay
Upon his knee a [4] pretty [5] wench
And [1] on the [4] ta-[1]ble a [5] jug of [1] punch

Let the [1] doctors come with all their art
They'll [5] make no impression u-[1]pon my heart
Even a cripple for-[4] gets his hunch
When he's [1] snug out-[4]side [1] of a [5] jug of [1] punch

[1] Too ra loo ra loo, too ra [4] loo ra lay,
too ra [5] loo ra loo, too ra [1] loo ra lay
Even a cripple for-[4]gets his hunch
When he's [1] snug out-[4]side [1] of a [5] jug of [1] punch

And if [1] I get drunk, well, the money's me own
And if [5] they don't like me they can [1] leave me alone
I'll tune me fiddle and I'll [4] rosin me bow
And [1] I'll be [4] wel-[1]come where-[5]ever I [1] go

[1] Too ra loo ra loo, too ra [4] loo ra lay,
too ra [5] loo ra loo, too ra [1] loo ra lay
I'll tune me fiddle and I'll [4] rosin me bow
And [1] I'll be [4] wel-[1]come where-[5]ever I [1] go

And [1] when I'm dead and in my grave
No [5] costly tombstone [1] will I have
[1] Just lay me down in my [4] native peat
With a [1] jug of [4] punch [1] at my [5] head and [1] feet

[1] Too ra loo ra loo, too ra [4] loo ra lay,
too ra [5] loo ra loo, too ra [1] loo ra lay

[3] You know I love that organic cooking, I [6] always ask for [3] more.
And they call me Mr. [b1] Natural, on [b4] down to the health food [7] store.
I [3] only eat good sea salt, white [6] sugar don't touch my [3] lips.
[3] And my friends is always [b1] begging me to take them [b4] on,
macro-[7]biotic [3] trips.
Yes, they [1-] are.

[1-] Oh, but at night I take out my strongbox, that I keep under [4-] lock and [1-] key.
And I [b4] take it off to my closet, where nobody else can [7] see.
[1-] I open that door so slowly, take a peek up [4-] north and [1-] south.
Then I [3] pull out a Hostess [b1] Twinkie, and I [b4] pop it [7] in my [3] mouth.

Yeah, in the [6] daytime I'm Mr. [3] Natural, just as [7] healthy as I can [3] be.
[3] But at night I'm a junk food [1-] junkie, good [b5] Lord have pity on [1-] me.

[3] Well, at lunchtime you can always find me, at the [6] Whole Earth Vitamin [3] Bar.
Just sucking on my plain white [b1] yogurt, from my [b4] hand thrown pottery [7] jar.
And [3] sippin' a little hand pressed cider, with a [6] carrot stick for [3] dessert.
[3] And wiping my face in a [b1] natural way, on the [b4] sleeve of my [7] peasant [3] shirt.
Oh [1-] yeah!

[1-] Ah, but when that clock strikes midnight and I'm all [4-] by my [1-] self.
[1-] I work that combination, on my [b4] secret hideaway [7] shelf.
And I [1-] pull out some Fritos corn chips, Dr. Pepper and an ol' [4-] Moon [1-] Pie.
Then I [3] sit back in glorious [b1] expectation, of a [b4] genuine [7] junk food [3] high.

Yeah, in the [6] daytime I'm Mr. [3] Natural, just as [7] healthy as I can [3] be.
[3] But at night I'm a junk food [1-] junkie, good [b5] Lord have pity on [1-] me.

[3] My friends down at the commune, they [6] think I'm pretty [3] neat.
[3] Oh, I don't know nothing about [b1] arts and crafts,
but I [b4] give 'em all something to [7] eat.
I'm a [3] friend to old Euell Gibbons, and I [6] only eat homegrown [3] spice.
[3] I got a John Keats autographed [b1] Grecian urn, filled [b4] up with my [7] brown [3] rice.
Yes, I [1-] do.

[1-] Oh, but folks, lately I have been spotted, with a Big Mac [4-] on my [1-] breath.
[b4] Stumbling into a Colonel Sanders, with a [7] face as white as death.
[1-] I'm afraid someday they'll find me, just stretched out [4-] on my [1-] bed.
With a [3] handful of Pringles [b1] Potato Chips, and a [b4] Ding Dong [7] by my [3] head.

Yeah, in the [6] daytime I'm Mr. [3] Natural, just as [7] healthy as I can [3] be.
[3] But at night I'm a junk food [1-] junkie, good [b5] Lord have pity on [1-] me.

[1] Just hang loose, [4] just have fun
[57] Sippin' on a drink or lying [1] in the sun.
[1] Don't try to fight it, there [4] ain't no use.
[57] When you're in Hawai'i, you should [5] just hang [1] loose.

[1] Once there was a tourist man who [4] tried to dance.
[57] He tried to do the hula, nearly [1] lost his pants.
[1] He didn't try fight it, said [4] it was no use.
[57] That's when he decided he would [5] just hang [1] loose.

[1] Just hang loose, [4] just have fun
[57] Sippin' on a drink or lying [1] in the sun.
[1] Don't try to fight it, it [4] ain't no use.
[57] When you're in Hawai'i, you should [5] just hang [1] loose.

[1] Down to the hotel street [4] by the bay,
[57] I met a pretty girl; I [1] thought I had it made.
[1] She came up to me and said, [4] "Hi I'm Bruce."
[57] That's when I decided I would [5] just hang [1] loose.

[1] Just hang loose, [4] just have fun
[57] Sippin' on a drink or lying [1] in the sun.
[1] Don't try to fight it, it [4] ain't no use.
[57] When you're in Hawai'i, you should [5] just hang [1] loose.

[1] Grandpa found a naughty little [4] hula girl.
[57] He took that girl for a [1] little "whirl."
[1] Grandma didn't worry; [4] she knew it was no use,
[57] Grandma knew that Grandpa would [5] just hang [1] loose.

[1] Just hang loose, [4] just have fun
[57] Sippin' on a drink or lying [1] in the sun.
[1] Don't try to fight it, it [4] ain't no use.
[57] When you're in Hawai'i, you should [5] just hang [1] loose.

[57] When you're in Hawai'i, you should [5] just hang [1] loose.

Each [1] day through my window I [4] watch her as she passes [1] by. [4]
I [1] say to myself, "You're [4] such a lucky [1] guy." [4]
[1] To have a girl like [4] her
is [1] truly a dream come [4] true.
Out of [1] all of the fellas in the [4] world
she be-longs [1] to you [4]

But it was [1] just my imagina-[4]tion
running a-[1]way with me. [4]
It was [1] just my imagina-[4]tion
running a-[1]way with me [4] Ooh-hoo-hoo-hooh

[1] Soon we'll be [4] married..
and raise a [1] family. (oh [4] yeah)
In a [1] cozy, little home out in the [4] country
with two [1] children, maybe three. [4]
I tell you, [1] I [4] can visua-[1maj7]lize it [4] all.
This [1maj7] couldn't be a dream for too [4] real it all [1] seems. [4]

But it was [1] just my imagination ([4] once again)
[1] running away with me. [4]
(telling me) It was [1] just my imagina-[4]tion
running a-[1]way with me [4]

[1] Every night, on my knees I pray,
"Dear Lord, [4] hear my plea
[1] don't ever let another [4] take her love from me
or I will [5] surely die"
Ooh, her love is [1] heavenly;
when her arms en-[4]fold me,

but in re-[1]ality, [4] she doesn't even know [1] me

It was [1] just my imagination ([4] once again)
[1] running away with me. [4] oh
(telling me) It was [1] just my imagina-[4]tion
running a-[1]way with me [4]
fade to end

[3-] [b2] [5] [b2] [b2] [1]
[b2] Let's get [3-] drunk
I'll pour my heart out [b2] through my [5] mouth
This year's been hard for [b2] us no [1] doubt
Let's raise a glass to a [b2] better [1] one
Let all the things that we've [b2] over-[3-] come,

[3-] Bring home to [b2] us [5] 'cause, [5] me and you, we can hold this [b2] out,
[1] Only you understand how I'm [b2] feelin' [1] now, yeah

[b2] And I [1] know, I can tell you anythin',
[5] You won't [b2] judge, you're just listenin', yeah
[b2-] Cause you're the best thing that ever [1maj7] happened to me

Cause my [5] darling, you and I could take [b6-7] over the world
One [1maj7] step at a time, just you and [5] I (Just you and I)
Cause [5] you're the only one, who brings [b6-7] light just like the sun
One [1maj7] step at a time, just you and [5] I (Just you and I)

Let's get [3-] drunk
We'll reminisce a-[b2]bout the [5] day, when we were broke, not [b2] getting [1] paid
And taking trips on the [b2] week-[1]end
When I would drop down [b2] to see [3-] you and we would paint the [b2] town
[5] Too many shots, I'll be [b2] passing [1] out, cause I can never keep [b2] up
[1] Quad vods, now I'm puking open

[b2] And I [1] know, I can tell you anythin',
[5] You won't [b2] judge, you're just listenin', yeah
[b2-] Cause you're the best thing that ever [1maj7] happened to me

Cause my [5] darling, you and I could take [b6-7] over the world
One [1maj7] step at a time, just you and [5] I (Just you and I)
Cause [5] you're the only one, who brings [b6-7] light just like the sun
One [1maj7] step at a time, just you and [5] I (Just you and I)

[3-] Tired of chasing paper, [1] staring at this screen
[5] Been saving up for weeks now just to [b2] get to you my [3-] dear
And though you're far from my [1] home, this ain't no weekend but [5]
[5] You know my heart grows fonder, must be [b2] city love

Cause my [3-] darling, you and I could take [b2-] over the world
One [1] step at a time, just you and [1] I (Just you and I)
Cause my [5] darling, you and I could take [b6-7] over the world

One [1maj7] step at a time, just you and [5] I (Just you and I)

The elepaio chirps
As midnight approaches
The `apapane sings
With his beautiful voice

Our love and intimacy
Our love and intimacy

Heard at dawn,
A song of the `i`iwi pölena
Now approaches the woman,
Attended by the birds

Our love and intimacy
Our love and intimacy

[4] Chicago Charlie was a [1] good time Rome-[4]o,
[4] He'd love a gal, then whisper, [17] "good-bye, cheeri-[4]o."
Just [b6] like Napo-[2-]leon, love [6-] got [b6] Charlie, [2-] too,
Here's [57] how Chicago [17] Charlie said he [b2] met his [17] Waterloo.

[4] I left Frisco [b7] Kate, [4] swingin' on the Golden [b7] Gate,
When [4] Kansas City Kitty [17] smiled at [4] me!
[4] I left Ma and [b7] Pa, [4] out in O-maha-ha-[b7]ha,
When [4] Kansas City Kitty [17] smiled at [4] me!

She comes from [b67] Missouri and she [b27] showed me,
Like a Texas [57] steer she buffa-[17]loed me;
[4] Every Jim and [b7] Jack got the [4] well known Hacken-[b7]sack,
When [4] Kansas City Kitty [17] smiled at [4] me!

[4] I just played the [b7] chill for the [4] famous Diamond [b7] Lil
When [4] Kansas City Kitty [17] smiled at [4] me!
[4] Folks in New Ro-[b7]chelle said that [4] he ain't done right by [b7] Nell
When [4] Kansas City Kitty [17] smiled at [4] me!

[b67] I gave Georgia Brown my watchcase, this [b27] Sunday
And [57] I gave Louisville Lou the works on [17] Monday
[4] I passed up those [b7] Queens, I could [4] pass up Boston [b7] beans
When [4] Kansas City Kitty [17] smiled at [4] me!

[4] Chicago [b7] Charlie singing [1] "no more [4] wedding bells"
[4] He got a sore throat singing [1] "no more [4] baby yells"
They [b6] wake the [2-] neighbours [6-] when they [b6] start to [2-] cry
And Charlie [5-] has to [1] pacify [b2] them with this [1] lullaby

[4] Men give up their [b7] lives, lots of [4] them give up their [b7] wives
For a [4] smile that Kitty [17] smiled at [4] me!
And [b6] once a [2-] Russian [6-] Czar took a bath in [b6] cavi-[2-]ar
For a [4] smile like Kitty [17] smiled at [4] me!

[b67] All she has to do is smile so [b27] simple
Show [57] he pearly teeth and pretty [1] dimple
[4] Other gals don't [b7] start [4] I give them the Marble [b7] Arch
When [4] Kansas City Kitty [17] smiles at [4] me!

[1] I hear the [4] drizzle of the [1] rain
[2-] Like a [6-] memo [4]ry it [57] falls
[1] Soft and [3-] warm [1] continu [4]ing
[2-] Tapping [6-] on my [5] roof and [1] walls [4] [1]

[1] And from the [4] shelter of my [1] mind
[2-] Through the [6-] window [4] of my [57] eyes
[1] I gaze be [3-]yond the [1] rain-drenched [4] streets
[2-] To England, [6-] where my [5] heart [1] lies [4] [1]

[1] My mind's dis [4]tracted and [1] diffused
[2-] My [6-] thoughts are many [4] miles a- [57]way
[1] They lie with [3-] you when [1] you're a [4]sleep
[2-] And kiss you [6-] when you [5] start your [1] day [4] [1]

[1] And a song I was [4] writing is left un- [1]done
[2-] I don't know [6-] why I [4] spend my [57] time
[1] Writing [3-] songs [1] I can't be [4]lieve
[2-] With words that [6-] tear and [5] strain to [1] rhyme [4] [1]

[1] And so you [4] see, I have come to [1] doubt
[2-] All that [6-] I once [4] held as [57] true
[1] I stand a [3-]lone with [1] out be [4]liefs
[2-] The only [6-] truth I [5] know is [1] you [4] [1]

[1] And as I [4] watch the drops of [1] rain
[2-] Weave their [6-] weary [4] paths and [57] die
[1] I know that [3-] I am [1] like the [4] rain
[2-] There but for the [6-] grace of [5] you go [1] I [4] [1]

[1] Tumbling curls of [1maj7] green
by [4] stained glass [4maj7] streaming [2-] light
And a [4] yellow [5] coloured [1] lampshade
used to keep us up all [5] night
[1] And the smile upon your [1maj7] face
And the [4] tears up [4maj7] on your [2-] cheek
And the [4] night sky [5] on the [1] window
Your [4maj7] heart calling out to [5] me.

> CHORUS

> [1] Come running home [1maj7] again, Katie
> Come [4] running [4maj7] home a-[2-]gain
> [4] Cross my [5] heart and [1] hope to [4] die
> Shall I [4maj7] cause another [5] tear from your eye

The [1] mirror that won't [1maj7] talk
And your [4] nightgown [4maj7] on the [2-] door
And the [4] old [5] pedal [1] singer
Just don't sing no [5] more
You can [1] roll the reels for [1maj7] hours
From the [4] movie [4maj7] of this [2-] book
It's a [4] question [5] mark on this [1] heart of [4] mine
Sends an [4maj7] elder back to [5] look.

> Come [4] running [4maj7] home a-[2-]gain
> [4] Cross my [5] heart and [1] hope to [4] die
> Shall I [4maj7] cause another [5] tear from your eye

Now I'm [1] looking through a [1maj7] tunnel
[4] Back in [4maj7] to the [2-] room
With the [4] genius [5] of a [1] druid
When the sunlight floods the [5] tomb
And I'm [1] never going [1maj7] back there
And I [4] couldn't [4maj7] any-[2-] way
'cause [4] though I [5] made the [1] great [4] escape
I [4maj7] never got a-[5]way.

Keep [6-] haulin', [5] keep [1] haulin'
