[1] Well Saturday night at 8 o'clock
I know where I'm gonna [17] go
[5] I'm gonna pick my baby up
And [57] take her to the picture [1] show

[1] Everybody in the [17] neighbourhood
Is dressing up to be there [4] too
And we're gonna [1] have a ball
Just [5] like we always [1] do

[1] Saturday [4] night at the movies
Who cares what [1] picture you see
[1] When you're hugging with your baby in [5] last row in the balco-[1]ny

[1] Well there's technicolor and cinemascope
A cast out of Holly[17]wood
[5] And the popcorn from the candy stand
Is [57] all tasting twice as [1] good

[1] There's always lots of [17] pretty girls
With figures they don't try to [4] hide
But they never [1] can compare
To the [5] girl sittin' by my [1] side
repeat and fade when bored

[1] Saturday [4] night at the movies
Who cares what [1] picture you see

[b1-7] To a place where the [4-] air is clean
On [7-7] Saturn
There's no [37sus4] sense to sit and [37] watch the people [6] die
[b2] We don't fight our wars the [3] way you do

We're [1] gonna have a supper, we'll [1] eat some food that's [17] rare
And [4] at the head of the [1] table I'll [b27] place brother Henry's [57] chair
Invite [1] all the local [17] big dogs, we'll [4] laugh and talk and [b5-dim] eat,
but we'll [1] save the bones for [17] Henry [b6-7] Jones
'Cause [b27] Henry don't [57] eat no [1] meat

[1] Today I'll go to the market, I'll [1] buy a whole lot of [17] fish,
[4] That will thrill Brother [1] Henry 'Cause [b27] fish is his favourite [57] dish
Get a [1] large can of mo- [17]lasses,
So [4] we'll have something [b5-dim] sweet to eat,
But we'll [17] save the bones for [17] Henry [b6-7] Jones,
'Cause [b27] Henry don't [57] eat no [1] meat.

[1] Well Henry is not a drinker, he [4] rarely takes a nip
[b27] He don't need a napkin, 'cause the [57] things [NC] he eats don't drip ' blip!

[1] One day we had a banquet,it [17] really was a bake.
They [47] started off with [57] short [b2-7] ribs, then they [b27] finished off with [57] steak.

But [17] when the feast was over,

Who held your hand 'neath the [1] pale moonlight

But [57] don't [17] for-[4]get who's taking you home

So [57] darlin', save the last dance for [1] me

Oh I [1] know ('Oh I know') that the music's fine
like sparkling wine, go and [57] have your fun ('Yes I know, Oh I know')
Laugh and [57] sing, but while we're apart, don't give your heart to [1] anyone

'Cause [57] don't [17] for-[4]get who's taking you home
and in whose arms you're [1] gonna be

I will never, never [57] let you go I love you, oh, so [1] much

You can [1] dance ('You can dance'), go and carry on
Till the night is gone an it's [57] time to go ('You can dance',)

He [2-] does some small [57] tricks and some [2-] prestidigita-[57]tion
His [2-] lovely assi-[57]stant causes [2-] quite a sen-[57]sation
As she [6-] climbs in a [6-] coffin and [3-] pulls down the [3-] top
He [2-] takes out a [2-] saw, some-[57]body yells [57] "Stop"

He's [1] sawing a [47] lady in [57] half [57]
He [1] makes a small [47] joke, [4-] everyone [57] laughs
There's [2-] nothing to [57] fear 'cause it's [6-] all done with [3-] mirrors
[2-] Sawing a [57] lady in [1] half

He [b6-7] saws and she [1dim] screams but it's [57] all in good [57] fun
He [b6-7] pushes, both [1dim] halves, ap-[57]art when he's [57] done
His [2-] lovely assi-[57]stant [2-] wrinkles her [57] nose
[6-] Across the [3-] room, she [2-] wiggles her [57] toes [57]

He's [1] sawing a [47] lady in [57] half [57]
He [1] makes a small [47] joke, [4-] everyone [57] laughs
There's [2-] nothing to [57] fear 'cause it's [6-] all done with [3-] mirrors
[2-] He's sawing a [57] lady in [1] half

The [b6-7] cut is so [1dim] clean, there's no [57] blood or no [57] gore
[b6-7] No messy [1dim] liquids run [57] out on the [57] floor
The [2-] ladies all [57] faint and the [2-] men all turn [57] green
It [6-] is the most [3-] wonderous

[1-] Then she'll [7] be a true love of [1-] mine

[1-] Have her wash it [3] in yonder dry [1-] well
[3] Parsley, [1-] sage, [3] rose-[b4]mary and [1-] thyme
Where water ne'er sprung, [3] nor drop of rain [7] fell.
[1-] Then she'll [7] be a true love of [1-] mine

[1-] Tell her to [3] find me an [7] acre of [1-] land.
[3] Parsley, [1-] sage, [3] rose-[b4]mary and [1-] thyme
Between the sea [3] foam and over the [7] sand.
[1-] Then she'll [7] be a true love of [1-] mine

[1-] Plough the land [3] with the [7] horn of a [1-] lamb.
[3] Parsley, [1-] sage, rose-[b4]mary and [1-] thyme
Then sow some [3] seeds from north of the [7] dam.
[1-] Then she'll [7] be a true love of [1-] mine

[1-] Tell her to [3] reap it with a [7] sickle of [1-] leather
[3] Parsley, [1-] sage, [3] rose-[b4]mary and [1-] thyme
And gather it [3] all in a bunch of [7] heather
[1-] Then she'll [7] be a true love of [1-] mine

[1-] If she tells me [3] she can't, [7] then I'll [1-] reply.
[3] Parsley, [1-] sage, [3] rose-[b4]mary and [1-] thyme
Let me know, [3] that at least she will [7] try.

[1-] Then she'll [7] be a true love of [1-] mine

[1-] Love imposes [3] imposs-[7]ible [1-] tasks
[3] Parsley, [1-] sage, [3] rose-[b4]mary and [1-] thyme
Though not more [3] than any heart can [7] ask
[1-] And I must know [7] she's true a love of [1-] mine

[1-] When thou has [3] finished thy [1-] task.
[3] Parsley, [1-] sage, [3] rose-[b4]mary and [1-] thyme
Come to me [3] my hand for to [7] ask.

Intro: [2-] [5] [57] [1]

[1] Good bye to you my trusted friend,
We`ve known each other since we were [2-] nine or ten,
Together [5] we climbed hills and [1] trees,
Learned of love and A B C; [2-]
Skinned our [5] hearts and skinned our [1] knees.

Good bye my friend it`s hard to die, when all the birds are singing [2-] in the sky
Now that the [5] spring is in the [1] air.
Pretty girls are every [2-]where, think of [5] me and I`ll be there. [1]
We had joy, we had fun, we had [2-] seasons in the sun,
But the [5] hills that we climbed were just [57] seasons out of [1] time.

[1] Goodbye Papa, please pray for me. I was the black-sheep of the [2-] family
You tried to [5] teach me right from [1] wrong,
Too much wine and too much song; [2-]
Wonder [5] how I got a-[1]long.

Good bye Papa it`s hard to die, when all the birds are singing [2-] in the sky,
Now that the [5] spring is in the [1] air.
Little children every [2-] where, when you, [5] see them I`ll be there. [1]
We had joy, we had fun, we had [2-] seasons in the sun,
But the [5] wine and the song like the [57] seasons have all [1] gone.

[1] Good bye Michelle, my little one
You gave me love and helped me [2-] find the sun,
And every [5] time that I was [1] down.
You would always come [2-] around
And get my [5] feet back on the [1] ground

Good bye Michelle it`s hard to die, when all the birds are singing [2-] in the sky,
Now that the [5] spring is in the [1] air.
With the flowers every [2-]where,
I wish that [5] we could both be there. [1]
We had joy, we had fun, we had [2-] seasons in the sun,
But the [5] stars we could reach were just [57] starfish on the beach. [1]
We had joy, we had fun, we had [2-] seasons in the sun,
But the [5] wine and the song like the [57] seasons have all [1] gone.

[4] The secret of life is [17sus4] enjoying the passage of [4] time [17sus4] [17] [17sus2] [17]
[4] Any fool can [17sus4] do it [17], [4] there ain't nothing to it [17sus4] [17] [17sus2] [47]
[b7] Nobody knows how we [6-] got to the top of the [b2] hill [b2aug] [b2]
But [5-] since we're on our way [17] down
We [5-] might as well enjoy the [1aug] ride

The [4] secret of love is in [17sus4] opening up your [4] heart [17sus4] [17] [17sus2] [17]
[4] It's okay to feel a [17sus4]fraid [17]
But [4] don't let that stand in your way [17sus4] [17] [17sus2] [47]
'Cause [b7] everyone knows that [6-] love is the only [b2] road [b2aug] [b2]
And [5-] since we're only here for a [17] while
We [5-] might as well show some [1aug] style

[4maj7] Give us a smile [17sus4] [17]
[47] Isn't it a [b7] lovely ride, [6-] sliding [b6-7] down and [b2] gliding [b27] down
[5-] Try not to try too [17] hard, it's just a lovely [4] ride [17sus4] [17] [17sus2] [17]

[4] Now the thing about time is that [17sus4] time isn't really [4] real [17sus4] [17] [17sus2] [17]
[4] It's just your point of [4sus4] view, [4] how does it feel for you [17sus4] [17] [17sus2] [47]
[b7] Einstein said he could [6-] never understand it [b2] all [b2aug] [b2]
[5-] Planets spinning through [17] space
The [5-] smile upon your [1aug] face

[4maj7] Welcome to the human [17sus4] race [17] [47]
Some kind of [b7] lovely ride,
I'll be [6-] sliding [b6-7] down, I'll be [b2] gliding [b27] down
[5-] Try not to try too [17] hard, it's just a lovely [4] ride [1-6]

[47] Isn't it a [b7] lovely ride,
I'll be [6-] sliding [b6-7] down, see me [b2] gliding [b2aug] down
[5-] Try not to try too hard, [17] it's just a lovely [4] ride [17sus4] [17] [17sus2] [17]
Now, the [4] secret of life is [17sus4] enjoying the passage of [4] time

I need another [1] story, something to get [3-] off my chest
My life gets kinda [6-] boring, need something that I [4] can confess

And every [1] day I see the news, all the problems that we could solve
And when a [3-] situation rises just write it into an album
Singing [6-] straight, too cold
I don't really [4] like my flow, no, so

Tell me what you [1] want to hear, something that were [3-] like those years

Verse 1
I let it [2-] fall, my [4] heart,
And as it [1] fell you rose to [5-] claim it.
It was [2-] dark and I was [4] over,
Until you [1] kissed my lips and you [1sus4] saved me

Verse 2
My hands [2-] they're [4] strong,
but my [1] knees were far too [5-] weak,
[2-] Stand in your [4] arms
without [1] falling to your [1sus4] feet,

Pre-chorus
But there's a [b7] side to you that I [5-] never knew, never knew.
All the [2-] things you'd say, they were never true, [2-] never true,
And the [b7] games you'd play, you [1] would always, always win.

> CHORUS
>
> But I set [2-] fire to the rain,
> Watch it [1] pour as I touched your face,
> Well, it [5-] burned while I cried,
> Cause I heard it screaming out your [2-] name, your [1] name

Verse 3
When I [2-] lay with [4] you
I could [1] stay there, [5-] close my eyes
Feel you [2-] here for [4] ever,
You and [1] me together, nothing is [1sus4] better

Pre-chorus
But there's a [b7] side to you that I [5-] never knew, never knew.
All the [2-] things you'd say, they were never true, [2-] never true,
And the [b7] games you'd play, you would [1] always, always win.

Sometimes [b7] I wake up by the [4] door,
That heart you [6-] caught, must be waiting for [1] you,
Even [b7] now when we're already [4] over,
I can't [6-] help myself from looking for [1] you

As [1] I went home on a Monday night, as [5] drunk as drunk could [1] be
I saw a horse outside my door, where [5] my old horse should be
Well I [1] called me wife and said to her, will you [4] kindly tell to me,
Who [1] owns that horse outside the door where [5] my old horse should [1] be,
Ha your [1] drunk, your drunk you silly old fool, still you cannot see,
That's a lovey sow, that me [5] mother sent to [1] me,
Well [1] its many a day I travelled, a hundred miles or more,
But a saddle on a sow sure I [5] never saw be-[1]fore.

And as I went home on Tuesday night as [5] drunk as drunk could [1] be,
I saw a coat behind the door where [5] my old coat should be,
Well I [1] called me wife and said to her will you [4] kindly tell to me,
Who [1] owns that coat behind the door where [5] my old coat should be,
Ha your [1] drunk, your drunk you silly old fool, still you cannot see,
That's a woollen blanket, that me [5] mother sent to [1] me,
Well [1] its many a day I travelled, a hundred miles or more,
But a blanket with buttons on sure I [5] never saw be-[1]fore.

And as [1] I came home on a Wednesday night as [5] drunk as drunk could [1] be,
I saw a pipe upon the chair, where [5] my old pipe should be,
'Well I [1] called me wife and said to her would you [4] kindly tell to me,
Who [1] owns that pipe upon the chair where [5] my old pipe should be,
'Ha your [1] drunk, your drunk you silly old fool, still you cannot see,
That's a lovely tin whistle, that me [5] mother sent to [1] me,
Well [1] its many a day I travelled, a hundred miles or more,
But a whistle with tobacco in sure I [5] never saw be-[1]fore.

And as [1] I went home on a Thursday night as [5] drunk as drunk could [1] be,
I saw two boots beneath the bed where my [5] old boots should be,
Well I [1] called me wife and said to her will you [4] kindly tell to me,
Who [1] owns them boots beneath the bed where [5] my old boots should be,
Ha your [1] drunk, your drunk you silly old fool, still you cannot see,
Thats two lovely geranium pots me [5] mother gave to [1] me,
'Well [1] its many a day I travelled, a hundred miles or more,
But laces on a geranium pot sure I [5] never saw be-[1]fore.

Extras Verses:

The next old lady was Abigail Splatter,
She went there 'cause something was surely the matter.
When she got there, it was only her bladder,
And nobody knew she was there.

The next old lady was Antoinette Boomer
She went there to see what was wrong with her bloomers
And when she found out, she wished she'd come sooner
And nobody knew she was there.

And the first lady in was the ministers daughter
She was in there an hour and a quarter
She was so skinny her bum touched the water
Nobody knew she was there

He looked [1] down into her brown eyes,
And said, "Say a prayer for [57] me".
[57] And she threw her arms around him,
Whispered, "God will keep us [1] free".
[1] They could hear the riders coming,
He said, "This is [17] my last [4] fight.
And if they take me back to [1] Texas,
They won't [57] take me back a-[1]live".

> CHORUS
>
> There were [1] Seven Spanish Angels,
> At the Altar of the [57] Sun.
> They were [57] praying for the lovers,
> In the Valley of the [1] Gun.
> [1] And when the battle stopped, and the smoke cleared,
> There was [17] thunder from the [4] throne.
> And the Seven Spanish [1] Angels,
> Took a-[57]nother Angel [1] home. [1]

She reached [1] down and picked the gun up,
That lay smoking in his [57] hand.
She said, "[57] Father, please forgive me,
I can't make it without my [1] man".
[1] And she knew the gun was empty,
And she [17] knew she could not [4] win.
But her final prayer was [1] answered,
When the [57] rifles fired a-[1]gain.

[57] With the bad-a boys, always shoot-a pool
Gonna [16] flunk-a school [1] (That's-a my Mama) [4] [1]

[16] Boy it make-a me [1] sick, all [16] the things I gotta [1] do
[16] Can't-a getta no [1] kicks, always [16] gotta follow stupid [1] rules
[57] Boy it make-a me sick, just-a make-a lousy bucks
I gotta [16] feel like a [1] fool [4] (And Mamma used to say) [1]

[16] What'sa matta [1] you, hey
[16] Gotta no respect [1], [16] whatta you think you [1] do?
[16] Why you look-a so [1] sad ?
It's-a [57] not so bad, it's-a nice-a place
Ah, [16] Shaddap you [1] face [4] (That's-a my Mamma) [1]

[16] Soon-a come-a [1] day, gonna [16] be-a big-a [1] star.
[16] Gonna make a [1] TV show and-a [16] movies, buy-a nice-a [1] car
[57] But still-a be myself, I'm-a never change-a thing
Always [16] dance and [1] sing [4] (I think about-a Mamma - she says) [1]

[16] What'sa matta [1] you, hey
[16] Gotta no respect [1], [16] whatta you think you [1] do?
[16] Why you look-a so [1] sad ?

Ah, [16] Shaddap you [1] face [4] (You all-a shaddap you face 9 - 2 - 3) [1]

[16] What'sa matta [1] you, hey
[16] Gotta no respect [1], [16] whatta you think you [1] do?
[16] Why you look-a so [1] sad ?
It's-a [57] not so bad, it's-a nice-a place
Ah, [16] Shaddap you [1] face [4] (ahh shaddap-a my face) [1]

You [16] ought to learn this [1] song. It's [16] really [1] simple.
You [16] see, I [1] sing. [16] Whatsa Matta [1] You, hey "
Then [57] you sing the rest, and then, at the end,
[16] we can all [1] sing "Ah [16] Shaddap You [1] Face" ok?
[16] Let's try to do it, uno, duo, tre, quatro.

[16] What'sa matta [1] you, hey
[16] Gotta no respect [1], [16] whatta you think you [1] do?

I said [57] oh, mise [1] ry, [57] shame and scandal in the [1] family
[57] Oh, mise [1] ry, [57] shame and scandal in the [1] family

Down in [1] Trinidad, there was a [5] family
With [57] much confusion as [1] you will see
A mama and a papa and a [5] boy who was grown
He [57] wanted to marry and have [1] wife of his own
He found a girl, she [5] suited him nice
He [57] went to his father to [1] ask his advice
His father said, "Son, I [5] have to say no
The [57] girl is your sister, but your [1] mama don't know"

[57] Oh, mise- [1] ry, [57] shame and scandal in the [1] family
I said [57] oh, mise- [1] ry, [57] shame and scandal in the [1] family

And then the [1] weeks went by and the [5] summer came down
[57] Soon, the best girl on the [1] islands he found
He went to his papa to [5] make it a date
His [57] papa shook his head and to [1] this he did say
"You can't marry that girl, I [5] have to say no
Cause the [57] girl is your sister, but your [1] mama don't know"

[57] Oh, mise- [1] ry, [57] shame and scandal in the [1] family
I said [57] oh, mise- [1] ry, [57] shame and scandal in the [1] family

Oh, he [1] went to his mama, he [5] covered his head
He [57] told his mom, what his [1] father had said
His mother, she laughed, she said, " [5] go man go
Your [57] daddy ain't your daddy, but your [1] daddy don't know"

[57] Oh, mise- [1] ry, [57] shame and scandal in the [1] family
Well [57] oh, mise- [1] ry, [57] shame and scandal in the [1] family
I said [57] oh, mise- [1] ry, [57] shame and scandal in the [1] family

[1] Oh Shane and Dixie, they were two-bit crooks
They wanted to be famous like you read in books
Shane had the brain and Dixie had the looks for [5] glory
As a [1] bank robber Shane really was no use
He'd end up likely at the end of the noose
Which was fine by Shane if the papers could use the [5] story [5]

> CHORUS
>
> [4] Fame and love, [1] fame and love, [5] fame and love will never die
> [4] Fame and love, [1] fame and love, [5] fame and love will never die
> Never [1] die, [5] never [1] die

[1] Well Shane says to Dixie "We're getting nowhere
I've a fine idea if you love me, swear
We'll be household names if we only dare, for-[5]ever.
Here's [1] two bullets in my old carbine
One is yours and the other is mine
They'll find us there at the scene of the crime to-[5]gether" [5]

> CHORUS
>
> [4] Fame and love, [1] fame and love, [5] fame and love will never die
> [4] Fame and love, [1] fame and love, [5] fame and love will never die
> Never [1] die, [5] never [1] die [1]

Well she [6-] screams, she [1] swears, [6-] she tears her [1] hair
Saying [6-] Shane, this [b2] time you've [b7] lost your [5] mind

[1] Shane took aim with the sixteen bore
Dixie lay dying down there on the floor
Shane was shaken but his purpose was more in-[5]spired
[1] Shane says "Lord, what have I done
But this victory is only halfway won"
He put the barrel underneath his tongue and [5] fired [5]

> CHORUS
>
> [4] Fame and love, [1] fame and love, [5] fame and love will never die
> [4] Fame and love, [1] fame and love, [5] fame and love will never die
> Never [1] die, [5] never [1] die [1]

[1] [b2] [1] [5]
[1] They found the bodies when the neighbours complained
Shane was all over the walls like paint
Dixie looked bad but her heart beat faint but sure-[5]ly
Well they [1] saved her life, they were just in time
She turned her back on a life of crime
And she married the man who came to type out her [5] story [5]

[1] The News of the Screws most generously gave
The money helped to pay for Shane's new grave
It looked so fine till the vandals sprayed it [5] over
And [1] time took its toll and the weeds grew high
It hid Shane's grave from the curious eye
Or maybe that's why we forget those lines he [5] told us

> CHORUS
>
> [4] Fame and love, [1] fame and love, [5] fame and love will never die
> [4] Fame and love, [1] fame and love, [5] fame and love will never die
> [4] Fame and love, [1] fame and love, [5] fame and love will never die
> Never [1] die, [5] never [1] die
> [5] never [1] die

[4] Dancing without a partner
[1] Swaying on the two and four

And a [1] flower in her hair
A [4] smile on her face

[1] My young love said to me
My [b7] mother don't [1] mind
And my [b7] father won't [1] slight you
For [b7] your lack of [1] kind
And she [b7] stepped away [1] from me
And [b7] this she did [1] say

It [b7] will not be long [1] love
Till [b7] our wedding [1] day

She [b7] stepped away [1] from me
And she [b7] moved through the [1] fair
And [b7] fondly I [1] watched her
Move [b7] here and move [1] there

Then [b7] she went her way [1] homeward
[b7] Just one star a- [1]wake
As a [b7] swan in the [1] evening
Moves [b7] over the [1] lake

[1] Last night she came to me
My [b7] dead love came [1] in
So [b7] softly she [1] came
That her [b7] feet made no [1] din
And [b7] she came close beside [1] me
And [b7] this she did [1] say

repeat and fade to end

[b7] Oh, it will not be [1] long love
[b7] Till our wedding [1] day
[b7] Oh, it will not be [1] long love
[b7] Till our wedding [1] day

[1] She sits on the table in a [5] dress made of paper,
Diplomas all over the [1] wall....
One university, [5] one school of medicine,
She's overwhelmed by it [1] all.
The [17] nurse is all sympathy, [4] voice of experience,
[b27] Let's have a look at that [5] eye.
It's [1] going to look bad for a [5] week, maybe more.
Go on, darling, it's all right to [1] cry.

[1] How can I leave him, she is crying,
What could I do, where would I [5] go?
He didn't mean it, he will change someday
Oh, God, how he used to love me [1] so. [5] [1]

The doctor is busy, his [5] manner professional,
She finds she must look at the [1] floor.
He looks at her eye, at her [5] ribs and her arm,
And it seems every last inch is [1] sore.
The [17] doctor is handsome, he [4] smells of cologne,
And his [b27] figure's athletically [5] slim.
He [1] speaks disapprovingly, [5] what did you do
To deserve such a beating from [1] him?

[1] How can I leave him, she is crying,
What could I do, where would I [5] go?
He didn't mean it, he will change someday
Oh, God, how he used to love me [1] so. [5] [1]

The policeman is waiting out-[5]side in the corridor,
He speaks to her as to a [1] child.
He's friends with her husband, he's [5] angry with her,
And he asks if there'll be charges [1] filed.
She [17] says she's not sure, she needs [4] time to recover,
She [b27] feels beaten down in dis-[5]grace.
The po-[1]liceman asks isn't she [5] secretly glad
For a man who'll keep her in her [1] place?

[1] How can I leave him, she is crying,
What could I do, where would I [5] go?
He didn't mean it, he will change someday
Oh, God, how he used to love me [1] so. [5] [1]

[5] He didn't mean it, he will change someday

She was [1] poor but she was [4] honest
at least she [57] said so, to be [1] fair
till she [1] took up, the uku-[4]lele
and it [57] went, downhill from [1] there [1]

For she [1] met, a tenor [4] player
who showed her [57] things, she'd never [1] seen
such as [1] how, to pick claw-[4]hammer
and to [57] play B flat [1] thirteen [1]

It's the [1] same the whole world [4] over
the be-[57]ginner gets the [1] blame
it's the [1] smartarse gets the [4] pleasure
ain't it [57] all, a blooming [1] shame [1]

For he [1] plied her with some [4] vino
ran his [57] fingers, down her [1] frets
left her [1] with, a sopra-[4]nino
and a [57] whole load, of re-[1]grets [1]

It's the [1] singer, gets the [4] groupies
while the [57] players get the [1] beer
and the [1] poor ruddy bass [4] player
ends up [57] lugging all the [1] gear [1]

So she [1] ran away to [4] Biddulph,
she thought to [57] hide, away a [1] spell
but she [1] found, to her ann-[4]oyance
they were [57] at it, there as [1] well [1]

She was [1] on the stage at [4] midnight
with an [57] audience of [1] four
she thought that [1] if, she'd learned the [4] piano
she would at [57] least, have known the [1] score [1]

It's the [1] same the whole world [4] over
you should [57] always keep your [1] guard
the uku-[1]lele is Vi-[4]agra
every-[57]body finds it [1] hard [1]

[1] I worked in a London bank, respectable po-[5]sition,
From nine to three they [1] serve you tea, but [b2] ruin your dispo-[5]sition,
Each [4] night at the music hall, [1] travelogues I'd [2-] see,
And [5] once a pearl of a [1] native girl came [5] smilin' right at [1] me

Chorus

[6-] [5] [1]
[1] Goodbye to the London bank, I started in a-[5]sailin',
The fourteenth day from [1] Mandalay I [b2] spied her from the [5] railin',
She [4] knew I was on my way, [1] waited, and was [2-] true,

She's here with me and [1] you should see us [b2] walk down Picca-[5]dilly,

[1] Katie's sitting on the [4] old front [5] porch
[1] Watching the chickens peck the [4] ground [5]
[1] There ain't a whole lot going [4] on to-[5]night
[6-] In this [5] one horse [4] town [4] [5]
[1] Over [1] yonder, [4] coming up the [5] road
[1] In a beat-up Chevy [4] truck [5]
[1] Her boyfriend Tommy, he's [4] laying on the [5] horn
[6-] Splashing through the [5] mud and the [4] muck [4] [5]

[1] Her daddy says, "[4] he ain't worth a [5] lick
[1] When it comes to brains, he got the [4] short end of the [5] stick"
[1] But Katy's young and man, she [4] just don't [5] care
[6-] She'd [5] follow Tommy [4] any-[5]where

> CHORUS
>
> She's in [1] love with the [1] boy [4] [5]
> She's in [1] love with the [1] boy [4] [5]
> She's in [1] love with the [1] boy [4] [5]
> And [2-] even if they [4] have to run a-[5]way [5]
> She's gonna [4] marry that [5] boy some-[1]day [4] [5]

[1] [4] [5]
[1] Katie and Tommy at the [4] drive-in [5] movie
[1] Parked in the very last [4] row [5]
[1] They're too busy holding [4] on to one a-[5]nother
[6-] To even [5] care about the [4] show [4] [5]
[1] But later on outside the [4] Tastee [5] Freeze
[1] Tommy slips something on her [4] hand [5]
[1] He says, "my high school ring will [4] have to [5] do
[6-] Till I can [5] buy a wedding [4] band" [4] [5]

[1] Her daddy says, "[4] he ain't worth a [5] lick
[1] When it comes to [1] brains, he got the [4] short end of the [5] stick"
[1] But Katy's young and man, she [4] just don't [5] care
[6-] She'd [5] follow Tommy [4] any-[5]where

CHORUS

She's in [1] love with the [1] boy [4] [5]
She's in [1] love with the [1] boy [4] [5]
She's in [1] love with the [1] boy [4] [5]
And [2-] even if they [4] have to run a-[5]way [5]
She's gonna [4] marry that [5] boy some-[1]day [4] [5]

[1] Her daddy's waiting up till [4] half past [5] twelve
[1] When they come sneaking up the [4] walk [5]
[1] He says, "young lady, get on [4] up to your [5] room
[6-] While me and [5] junior have a [4] talk" [4] [5]
[1] But momma breaks in, [4] says, "don't lose your [5] temper
[1] It wasn't [1] very long a-[4]go [5]
[1] When you your-[1] self was just a [4] hay-seed [5] plowboy
[6-] Who didn't [5] have a row to [4] hoe" [4] [5]

[1] My daddy said, "you [4] wasn't worth a [5] lick
[1] When it came to brains, you got the [4] short end of the [5] stick"
[1] But he was wrong and honey, [4] you are [5] too
[6-] Katie looks at [5] Tommy like [4] I still look at [5] you

CHORUS

She's in [1] love with the [1] boy [4] [5]
She's in [1] love with the [1] boy [4] [5]
She's in [1] love with the [1] boy [4] [5]
What's [2-] meant to be will [4] always find a [5] way [5]
She's in [1] love with the [1] boy [4] [5]
She's in [1] love with the [1] boy [4] [5]
She's in [1] love with the [1] boy [4] [5]

Fade to end

What's [2-] meant to be will [4] always find a [5] way [5]
She's gonna [4] marry that [5] boy some-[1]day [1] [4] [5]
She's in [1] love with the [1] boy [4] [5]

INSTRUMENTAL

Well [46] I may be [1dim] late but I'll be [16] up-to- [b67] date
When I can [b29] shimmy like my [57] sister [1] Kate.

[57] I went to a dance with my sister Kate;
[1] Everybody there thought she danced so great;
[57] I realised a thing or two,
[1] When I got wise to something new:
[57] When I looked at Kate, she was in a trance,
[1] And then I knew it was in her dance;
[46] All the [1dim] boys are [16] going [b67] wild
Over [b29] sister [57] Katie's [1] style.

[57] I wish I could shimmy like my sister Kate;
[1] Shake it like a bowl of jelly on a plate.
My [57] mama wanted to know last night,
How [1] (STOP) sister Kate could do it so nice, now
[57] All the boys in the neighbourhood
Knew [1] Katie could shimmy, and it's mighty good
Well [46] I may be [1dim] late but I'll be [16] up-to- [b67] date
When I can [b29] shimmy like my [57] sister [1] Kate.
O [b67] yeah, [b29] shake it like my [57] sister [1] Kate.

Instrumental of first verse

[57] If I could shimmy like my Kate
I'd [1] never stay home, stay out too late
I'd [57] get my stuff about high as a kite
You [1] (STOP) know I do it for you every night, now
[57] Now all the boys in the neighbourhood,
Knew [1] Katie could shimmy and it's mighty good
Well [46] I may be [1dim] late but I'll be [16] up-to- [b67] date
When I can [b29] shimmy like my [57] sister [1] Kate.
O [b67] yeah, [b29] shake it like my [57] sister [1] Kate.

Instrumental of first verse

[57] I wish I could shimmy like my sister Kate;
[1] Shake it like a bowl of jelly on a plate.
My [57] mama wanted to know last night,

Thanks to Christopher Baily for the Verse

The [6-] night was mighty [b37] dark so you could [6-] hardly see, [2-]
For [6-] the moon re-[47]fused to [b37] shine.
[6-] Couple sitting [b37] underneath a [6-] willow tree,
For [57] love they [b4-dim] did [57] pine,
[57] Little maid was kinda 'fraid of darkness, So she [1] said, "I guess I'll go."
[b27] Boy began to [57] sigh, [b27] looked up at the [57] sky,
[57] Told the moon his [b27] little tale of [57] woe [b37]

[b67] Shine on,
shine on harvest [b27] moon
[b27] Up in the sky
[57] I ain't had no loving
since [1] January
[1] February, June or July
[b67] Snow time
[b67] ain't no time
to [b27] sit outside and spoon
[57] Shine on
shine on harvest [1] moon
for [47] me and my [1] gal

Instrumental verse plus Kazoo!!

[b67] Shine on

The [6-] night was mighty [b37] dark so you could [6-] hardly [4] see,
For the [6-] moon refused to [b37] shine.
[6-] Couple sitting [b37] underneath a [6-] willow [4] tree,
For [6-] love they did [b37] pine,
[4] Little maid was kinda 'fraid of [1] darkness,
So she [4] said, "I guess I'll [b3] go."
[4] Boy began to [1] sigh, [4] looked up at the [1] sky,
[b27] Told the moon his little tale of [5] woe [57] Oh,

[b67] Shine on, shine on harvest [b27] moon
[b27] Up in the sky [57] I ain't had no loving
since [1] January [b2-7] February, June or Ju-[1]ly
[b67] Snow time ain't no time
to [b27] stay outdoors and spoon
So [57] Shine on shine on harvest [1] moon
for [47] me and my [1] gal.

I [6-] can't see why a [b37] boy should sigh when [6-] by his [4] side
Is the [6-] girl he loves so [b37] true.
[6-] All he has to [b37] say is, "Won't you [6-] be my [4] bride,
For [6-] I love [b37] you.
[4] Why should I be telling you this [1] secret when I [4] know
That you can [b3] guess?"
[4] Harvest Moon will [1] smile, [4] shine on all the [1] while,
[b27] If the little girl should answer, [5] "Yes." [57] Oh,

[b67] Shine on, shine on harvest [b27] moon
[b27] Up in the sky [57] I ain't had no loving
since [1] January [b2-7] February, June or Ju-[1]ly
[b67] Snow time ain't no time
to [b27] stay outdoors and spoon
So [57] Shine on shine on harvest [1] moon
for [47] me and my [1] gal.

Maybe not P.C. these days ?

[b2] [5] [1] [4]
All the [1] nice girls love a sailor
All the [4] nice girls [4dim] love a [4] tar
For there's [b2] something about a [5] sailor
Well you know what sailors [1] are
[1] Bright and breezy free and easy
He's the [4] ladies' [b37] pride and [4] joy
He falls in [b2] love with Kate and Jane
Then he's [5] off to sea again
Ship a-[1]hoy ship a-[4]hoy [1] [4] [1]

When the [4] man o' war or merchant ship comes sailing into port
The [1] jolly tar with joy will [4] sing out land ahoy
With his [4] pockets full of money and a parrot in a cage
He [5] smiles at all the pretty girls upon the landing [1] stage

All the [1] nice girls love a sailor
All the [4] nice girls [4dim] love a [4] tar
For there's [b2] something about a [5] sailor
Well you know what sailors [1] are
[1] Bright and breezy free and easy
He's the [4] ladies' [b37] pride and [4] joy
He falls in [b2] love with Kate and Jane
Then he's [5] off to sea again
Ship a-[1]hoy ship a-[4]hoy [1] [4] [1]

He will [4] spend his money freely and he's generous to his pals
While [1] Jack has got a sou there's [4] half of it for you
[4] And it's just the same in love and war he goes through with a smile
And [5] you can trust a sailor, he's a white man all the [1] while

All the [1] nice girls love a sailor
All the [4] nice girls [4dim] love a [4] tar
For there's [b2] something about a [5] sailor

[1] Baby, although I chose this lonely life,
It seems it's [5] strangling me now.

They're all [5] laughing at me now.

Oh, I've been so [6-] blind ... so [3-] blind, yeah,

Walking on the [6-] wire; high [3-] wire.
But I [4] won't let the show go [1] on.

[1] Baby, look there's an enormous crowd of people,
And they're all [5] after my blood.
I [1] wish maybe they'd tear down the walls of this theatre,
And let me [5] out, let me out.

Oh, I've been mis-[6-]used, so ab-[3-]used,
I broke all the [6-] rules, I broke every single [3-] rule,
Oh I've been a [6-] fool, oh, what a [3-] fool.
But I [4] won't let the show go [1] on.

Been so un-[6-]kind, so, so un-[3-]kind.
Wasting my [6-] time, wasted so much [3-] time.
But I [4] won't let the show go [1] on.

Oh, I've been so [6-] blind ... so [3-] blind, yeah,
I've wasted [6-] time, wasted, wasted, oh, so much [3-] time.

Dear [1] Sir, I write this note to you to [5] tell you of me [1] plight
and [4] at the time of [1] writing, I am [4] not a pretty [5] sight;
me [4] body is all [1] black and blue, me [4] face a deathly [5] gray
and I [1] write this note to say why Paddy's [5] not at work to-[1]day.

While working on the fourteenth floor some [5] bricks, I had to [1] clear;
now, to [4] throw them down from [1] such a height was [4] not a good i-[5]dea.
the [4] foreman wasn't [1] very pleased, he [4] being an awkward [5] sod
he [1] said I'd have to cart them down the [5] ladders in me [1] hod.

Now, clearing all these bricks by hand it [5] was so very [1] slow,
so I [4] hoisted up a [1] barrel and se-[4]cured the rope be-[5]low.
But [4] in me haste to [1] do the job I [4] was too blind to [5] see
that a [1] barrelful of building bricks was [5] heavier than [1] me.

So when I untied the rope the [5] barrel fell like [1] lead
and [4] clinging tightly [1] to the rope I [4] started up in-[5]stead.
Well, I [4] shot up like a [1] rocket till to [4] my dismay I [5] found
that [1] halfway up I met the bloody [5] barrel coming [1] down.

Well, the barrel broke me shoulder as [5] to the ground it [1] sped,
and [4] when I reached the [1] top I banged the [4] pully with my [5] head.
Well, I [4] clung on tight through [1] numbed with shock from [4] this almighty [5] blow
and the [1] barrel spilled out half the bricks some [5] fourteen floors be-[1]low.

Now, when these bricks had fallen from the [5] barrel to the [1] floor
I [4] then outweighed the [1] barrel and so [4] started down once [5] more;
still [4] clinging tightly [1] to the rope, [4] I sped towards the [5] ground,
and I [1] landed on the broken bricks that [5] were all scattered [1] round.

While I lay there groaning on the ground, I [5] thought I'd passed the [1] worst,
when the [4] barrel hit the [1] pully-wheel and [4] then the bottom [5] burst.
A [4] shower of bricks rained [1] down on me, I [4] hadn't got a [5] hope
as I I[1] ay there moaning on the ground, I let [5] go of the bloody [1] rope.

The barrel than being heavier, it [5] started down once [1] more,
and [4] landed right a-[1]cross me, as I [4] lay upon the [5] floor.
It [4] broke three ribs and [1] my left arm and [4] I can only [5] say
that I [1] hope you'll understand why Paddy's [5] not at work to-[1]day.

Welcome to the [5] final show

[5] Hope you're wearing your best clothes
[1] You can't bribe the door, on your way to the [6-] sky
You look pretty [5] good down here, [5] but you ain't really good...

[1] If we never learn we've been here before
[6-] Why are we always stuck and running from the bull-[5]ets, the bull-[57]ets...

[1] We never learn we've been here before
[6-] Why are we always stuck and running from the bull-[5]ets, the bull-[57]ets...

Chorus:
[1] Just stop your crying, it's a sign of the [6-] times
We gotta get a-[5]way from here, we gotta get a-[57]way from here
[1] Just stop your crying, it'll be al-[6-]right
They told me that the [5] end is near, we gotta get a-[57]way from here

[1] Just stop your crying, have the time of your [6-] life
Breakin' through the [5] atmosphere, [5] things look pretty good from here
[1] Remember everything will be al-[6-]right, we could meet a-[5]gain somewhere.
[5] Somewhere far away from here.

[1] We never learn we've been here before
[6-] Why are we always stuck and running from the bull-[5]ets, the bul-[57]ets...
[1] We never learn we've been here before

[1] We never learn we've been here before
[6-] Why are we always stuck and running from the bull-[5]ets, the bull-[57]ets...

[1] We don't talk enough, [6-] we should open up, [5] before it's all too much [4]
[1] Will we ever learn [6-] we've been here before, [5] it's just what we know [4]

We gotta get a-[5]way, we got to get a-[4]way

[5] When you're [1] staring a few inches from the [2-] wall
[4] And you're [5] watching simple spider begin its [1] crawl
It's just a single thread he spins that' [4] has to break his fall
And [1] silence is the [5] slowest dance of [1] all

[5] From the greenkeeper's 'Good morning' to the [2-] birds (To the birds)
[5] To the father at the funeral, stuck for [1] words (Stuck for words)
There's a part of us that's confident, then a [4] padded-out two thirds
Where [1] silence is the [5] slowest song of [1] all

Chorus:
[1] Silence is the cancer that [2-] wakes us in the [5] morn
[1] Turns our every sentence into [2-] weak-kneed and with- [5]drawn
We [1] wish to speak with everyone
But [4] wish we'd not been [5] born
[1] Silence is the deadly dance
The reason spiders [5] take that chance
[1] Spin that web for flies and ants
Silence is the [5] greatest dance of [1] all [4] [5] [1] [4]

[5] From the [1] noise of New York traffic to Ne- [2-]pal
[4] From [5] Hindu-Buddhist peace to barroom [1] brawl
[1] From the CEO of supermarket to the [4] wide boy on the stall
[1] Silence is the [5] waltz that grabs us [1] all
[1] From the friendly wave of postie over [2-] hedge (Over hedge)
To the [5] two-fingered sa- [1]lute from brand new reg (Brand new reg)
[5] It could be [1] suicide, or window cleaner [4] standing on that ledge
But [1] silence is the [5] dance that grabs us [1] all

Chorus

[1] Silence is the mortal knife that [2-] cuts into our [5] throat
[1] Gets the punchline, slices up, [2-] turns us into the [5] joke
Takes the unco- [4]rrupted, and [1] wraps in vampire's [5] cloak...

[1] To silence everyone succumbs
[1] Across the world, the word is mum's
[1] Silence bangs the loudest drums
[1] Silence bangs the loudest drums
[1] Silence bangs the loudest drums
[1] Silence bangs the loudest drums of [4] all...
[1] Silence bangs the loudest drums
[1] Silence bangs the loudest drums
[1] Silence bangs the loudest drums

[1] There's a pine tree in a window in a house on a [5] hill
With a tree top angel sitting perfectly [1] still
She's watching the shoppers [17] walk through the [4] snow
With their arms full of [1] treasures and [5] hearts all aglow

Chorus:
{soc} We held [4] hands and stared at the lights on the [1] tree
As if Christmas was invented for you and for [5] me
When the [1] Angel on the treetop re-[17]quested a [4] song
We sang silent [1] night [5] all day [1] long{eoc}

[1] There's a family that's gathering in some living [5] room
Dinner on the table that's been cooking since [1] noon
The stockings on the mantle are [17] hanging with [4] care
While every-[1]body is [5] saying their prayers

Chorus:
{soc} We held [4] hands and stared at the lights on the [1] tree
As if Christmas was invented for you and for [5] me
When the [1] Angel on the treetop re-[17]quested a [4] song
We sang silent [1] night [5] all day [1] long{eoc}
[1] [4] [4] [1][5][1]
[1] There's a room out there somewhere with a woman in a [5] chair
With memories of childhood still lingering [1] there
How pretty the paper, the [17] lights and the [4] snow
How precious those [1] memories of [5] long, long a-[1]go

Chorus:

[b4-] You've been huntin' round for treasure
[b2] Find it all in the simple pleasures, [b6] I don't understand this life you [b2] lead
[b4-] Tryna be somebody else and [b2] tryna be the one's who help
[b6] Tryna find the one who helps you [b2] breathe
Maybe it's [b2] all a big mistake and you [b4] live on all you take
From the [b3] lives that [b7] have always been [b4] close

Chorus:
[b2] I've been roaming around for hours
[b6] Singing [b3] all your [b4-] songs [b3] of [b2] praise
How on earth can I com[b6]plain
How in hell can I be [b3] safe, this sudden fear of [b2] change
This sudden fear is [b4-] strange

[b4-] [b2] [b6] [b3] [b7] [b2] [b6] [b3] [b7] [b4-]
[b4-] Tryna understand your ways, [b2] you hide them with convulsive rage
[b6] Tried to be the best you could [b2] be
[b4-] People finding the most pleasure, [b2] all within the smallest treasures
[b6] This don't seem possible to [b2] me
And maybe it's [b2] all that you've done wrong
So just [b4] bite your silver tongue that you [b3] lied with, [b7] lied to your[b4]self

Chorus

The sudden fear of [b2] singing all your songs of
[b2] Staring into space I hear the [b6] sound, from a voice that's never [b3] found

The [1] warden led a [5] pris'ner down the [4] hallway to his [1] doom
And I stood up to say good-bye like all the [57] rest
And I [1] heard him tell the [5] warden just be-[4]fore he reached my [1] cell
"Let my guitar-playing [57] friend do my re-[1]quest"

Let him sing me back [5] home with a [4] song I used to [1] hear
Make my old memories come a-[57]live
[1] Take me a-[5]way and [4] turn back the [1] years
Sing me back [57] home before I [1] die

I re-[1]call last Sunday [5] morning a [4] choir from off the [1] street
Came in to sing a few old gospel [57] songs
And I [1] heard him tell the [5] singers "there's a [4] song my mama [1] sang
Could I hear once be-[57]fore you move a-[1]long?"

Won't you sing me back [5] home with a [4] song I used to [1] hear
Make my old memories come a-[57]live
[1] Take me a-[5]way and [4] turn back the [1] years
Sing me back [57] home before I [1] die

[4] Oh, Sister [6-] Josephine,
[b7] what do all these police [4] men mean
By [2-] coming to the convent
In a [5-] grim limousine,
[1] After [17] Sister Jose-[4]phine?

[1] While [4] you, Sister [6-] Josephine,
[b7] You sit with your boots upon the [4] altar screen
You [2-] smoke one last [5-] cigar -
[1] What a funny nun [17] you [4] are!

The [6-] policemen say that Josephine's
A [2-] burglar in disguise
Big bad [6-] Norman,
Fifteen years on the [2-] run
The [5] Sisters disbelieve it
No that [1] can't be Josephine
[5] Just think about her tenderness
[57] Towards the [1dim] younger [17] nuns.

[4] Oh, Sister [6-] Josephine,
[b7] They're searching the chapel
where you've [4] been seen
The [2-] nooks and the crannies
Of the [5-] nuns' canteen
[1] After [17] Sister Jose-[4]phine.

[1] While [4] you Sister [6-] Josephine,
[b7] You sip one farewell [4] Benedictine
Before [2-] your au [5-] revoir -
[1] A right funny nun [17] you [4] are!

And [6-] embellished with a curious [2-] tattoo
[5] Admittedly her voice is on the [1] deep side
And she [5] seems to shave more often
[1] Than the [57] other [1dim] Sisters [17] do.

[4] Oh, Sister [6-] Josephine,
[b7] Founder of the convent [4] pontoon team
They're [2-] looking through your bundles
Of [5-] rare magazines
[1] After [17] Sister Jose-[4]phine.

[1] While [4] you, Sister [6-] Josephine,
You give a [b7] goodbye sniff of [4] benzedrine
To the [2-] convent budgeri-[5-]gar -
A [1] bloody funny nun [17] you [4] are!

[6-] No longer will her snores
Ring through the [2-] chapel during prayers
Nor her [6-] lustful moaning
Fill the stille [2-] night
No more [5] empty bottles of altar wine
come [1] clunking from her cell
No [5] longer will the cloister toilet [1]
Seat [57] stand [1dim] up [17] right.

[4] Oh, Sister Jose-[6-]phine,
[b7] Slipping through their fingers like [4] Vaseline
[2-] Leaving them to clutch at your [5-] empty crinoline,
[1] After [17] Sister Jose-[4]phine.

[1] While [4] you Sister Jose-[6-]phine,
[b7] Sprinting through the suburbs [4] when last seen
Dressed [2-] only in your wimple and your [5-] rosary
A [1] right funny nun you [b2] seem [b3] to [4] be.

That you [1] cannot con[4]trol. [b7] [4]
It be[6-]gins with your [3-] family,
But [6-] soon it comes [3-] round to your [5] soul. [1]
Well I've [b7] been where you're [4] hanging,
I [b3] think I can [2-] see how you're [1] pinned.

Your [4] loneliness [1] says that you've [4] sinned. [b7]

[b7] [b3] [b7] [4] [b7] [b3] [b7] [4] [b7] [4] [1]

Well, they [4] lay down be[b7]side me,
I [4] made my con[1]fession to [4] them. [b7] [4]
They [6-] touched both my [3-] eyes
And I [6-] touched the [3-] dew on their [5] hem. [1]

[6-] Well I was sitting, [b6-7] waiting, wishing
[5] You believed in [57] superstitions
[4] Then maybe you'd [47] see the [1] signs
The [6-] Lord knows that this [b6-7] world is cruel
I [5] ain't the Lord, no I'm [57] just a fool
Learning [4] lovin' somebody [47] don't make them [1] love you

Must I [b3] always be waiting, waiting on [6-] you [b6-7] [6-] [b6-7]
Must I [b3] always be playing, playing your [6-] fool [b6-7] [6-] [b6-7]

I [6-] sang your songs, I [b6-7] danced your dance
I [5] gave your friends [57] all a chance
But [4] putting up with them
[47] Wasn't worth never [1] having you [17]
[6-] Maybe you've been through [b6-7] this before
But it's [5] my first time so [57] please ignore
The [4] next few lines cause [47] they're directed at you [1] [17]

I can't [b3] always be waiting, waiting on [6-] you [b6-7] [6-] [b6-7]
I can't [b3] always be playing, playing your [6-] fool [b6-7] [6-] [b6-7]

[1] I keep playing your [b3] part but it's not my [4] scene
Want [4] this plot to [5] twist I've had [4] enough myste-[1]ry
[1] You keep building it [b3] up then shooting me [4] down
But I'm [4] already [5] down just [5] wait a minute
[6-] [b6-7] [5] Just [57] sitting, wai-[4]ting [47]
[1] Just [17] wait a min-[6-]ute [b6-7] [5] Just [57] sitting, wait-[4]ing [47] [1] [17]

Well, [6-] if I was in [b6-7] your position
I'd [5] put down all my [57] ammunition
I'd [4] wonder why'd it [47] taken me so [1] long [17]
But [6-] Lord knows that I'm [b6-7] not you
And [5] if I was, I wouldn't [57] be so cruel
Cause [4] waitin' on love aint [47] so easy to [1] do [17]

Must I [b3] always be waiting, waiting on [6-] you [b6-7] [6-] [b6-7]
Must I [b3] always be playing, playing your [6-] fool [b6-7] [6-] [b6-7]
No, I can't al [b3] ways be waiting, waiting on [6-] you [b6-7] [6-] [b6-7]

Well, I've been [4] singing in the bar since [4] God knows when [4]
Six nights a week [4]
I [4] rest on Sunday, then I'm [4] back again [4]
Six nights a [47] week

I [b7] stare at the same old faces [b7]
And I [b7] gaze out at the empty seats [b7]
And [17] think of when you said [17] goodbye
[17] Six nights a [4] week [4]

[4] Now crazy Charlie wants the [4] same old song
[4] Six nights a week
[4] He puts a dollar in the tip jar and [4] he sings along
[47] Six nights a week [47]
So I [b7] play him the one about the [b7] hotel
At the [b7] end of a lonely [b7] street
[17] And wish that you'd walk [17] through that door
[17] Six nights a [4] week

[4] Well, [b7] six nights a week, from [b7] nine until two
Lord, what [4] else in the world am I sup-[17]posed to [4] do
[b7] A week with my buddies and I'm [b7] starting to itch
I'm [57] left to draw your face on this [17] same old stage [17]

Six nights a week [4]
No, she [47] don't say nothing 'til she's [47] had a few
Six nights a week [47]
Then she [b7] tells me she could make me [b7] happy
And she [b7] says it with a smile and a [b77] wink
But at [17] two A.M I go [17] home alone [17]

Intro - Harmonica doing Chorus ?

Chorus :
[1] Speed bonnie [6-] boat like a [5] bird on the wing
[1] Onward the [2-] sailors [1] cry.
[1] Carry the [6-] bairn that's [5] born to be king
[1] Over the [2-] sea to [1] Skye

[6-] Loud the wind howls, [2-] loud the waves roar
[6-] Thunderclaps [4] rend the [6-] air
[6-] Baffled, our foes [2-] stand by the shore
[6-] Follow they [b2-7] will not [6-] dare [57]

Chorus

[6-] Though the waves heave, [2-] soft shall ye sleep
[6-] Ocean's a [4] royal [6-] bed
[6-] Rocked in the deep, [2-] Flora will keep
[6-] Watch by your [b2-7] weary [6-] head [57]

Chorus

[6-] Many's the bairn [2-] fought on that day
[6-] Well the clay [4]more could [6-] wield
[6-] When the night came, [2-] silently lain
[6-] Dead on Coll [b2-7]oden [6-] field [57]

Chorus

[6-] Burned are their homes, [2-] exile and death
[6-] Scatter the [4] loyal [6-] men
[6-] Yet e'er the sword [2-] cool in the sheath
[6-] Charlie will [b2-7] come [6-] again [57]

[1] I should have [b6-7] known there was some-[3-]one else
[1] Down be [b6-7] low I always [3-] kept things to myself

Now I [4] believe on nothing, [57] not today
As I [3-] move myself out of your [b6] sight
[4] I'll be sleeping [57] by myself [1] tonight [b6-7] [3-] [1] [b6-7] [3-]

[1] I could never [b6-7] go to no one [3-] else
[1] The hurt don't [b6-7] show but who knows [3-] time will tell

[4] I believe in nothing [57] but the pain
And I [3-] can't see this turning out [b6] right
[4] I'll be sleeping [57] by myself [1] tonight

[1] Forever be sad and lonely
For-[b3]ever never be the [4] same
I [4] close my eyes
[b27] Wait for the sign
[57] Am I just waiting in vain?

[1] Sometimes the [b6-7] two are just the [3-] same
I'm [4] beginning to see what's [57] left of me

[1] Walking tightly, [4] swaying slightly
[57] You come back looking
[1] slightly faded
[1] Morning sunshine,
[4] Shining brightly
[57] On your lips, a faded [1] red

[1] And you know darned well
[1] I know you completely
[1] And you can't [2-] fool [57] me, you can't fool [1] me

[1] Your brain is burning, [4] your eyes are turning
[57] From me you can't
[1] Face me squarely
[1] On this morning
[4] All our learning
[57] Says things aren't what they should [1] be

[1] And you know darned well
[1] I know you completely
[1] And you can't [2-] fool [57] me
You can't fool [1] me

[1] Your hair is tumbling, [4] fingers fumbling
[57] For the ring I [1] gave you wildly
[1] Your steps are stumbling
[4] Lips are mumbling
[57] Trying to find the words for [1] me

[1] And you know darned well
[1] I know you completely
[1] And you can't [2-] fool [57] me
You can't fool [1] me

[1] Keep on walking, [4] no use talking
[57] Move on fast your a
[1] Sporting lady
[1] On your night beat
[4] Keep on going
[57] Go on being what you should [1] be

[1] And you know darned well
[1] I know you completely
[1] And you can't [2-] fool [57] me, you can't fool [1] me

[4] Schoolbag in [4-] hand
She [1] leaves home in the [3-] early morning
[4] Waving good-[4-]bye
With an [1] absent-minded [3-] smile
[4] I watch her [4-] go
With a [1] surge of that well-[3-]known sadness
[4] And I have to [5] sit down for a [1] while

The [4] feeling that I'm [5] losing her for-[1]ever [b4]
And [4] without really [5] entering her [1] world
I'm [4] glad whenever [5] I can share her [1] laughter,
that [5] funny little [1] girl

Slipping through my [4] fingers all the [1] time
I try to [3-] capture every min-[2-]ute
The [4] feeling [1] in it
Slipping through my [5] fingers all the [1] time
Do I really [4] see what's in her [1] mind
Each time I [3-] think I'm close to [2-] knowing
She [4] keeps on [1] growing
Slipping through my [5] fingers all the [1] time

[4] Sleep in our [4-] eyes
Her and [1] me at the [3-] breakfast table
[4] Barely a-[4-]wake
[1] I let precious time go [3-] by
[4] Then when she's [4-] gone
There's that [1] odd melan-[3-]choly feeling
[4] And a sense of [5] guilt I can't [1] deny

What [4] happened to the [5] wonderful ad-[1]ventures [b4]
The [4] places I had [5] planned for us to [1] go
([1] slipping through my fingers all the time)
[4] Well some of that we [5] did
But most we [1] didn't
And [5] why I just don't [1] know

Slipping through my [4] fingers all the [1] time
I try to [3-] capture every [2-] minute
The [4] feeling [1] in it
Slipping through my [5] fingers all the [1] time
Do I really [4] see what's in her [1] mind

She [4] keeps on [1] growing
Slipping through my [5] fingers all the [1] time

[1] [4] [1] [5] [1] x2
I've been [1] on my way - for such a [4] long time
[1] Singing the blues - up and [5] down this [1] road
Seen [1] good times - I've seen bad times [4] sometimes
Boys I [1] want to go back to the [5] time and place I used to [1] know

> CHORUS
>
> Let me [1] ri_de - ride on a [4] slow train
> Carry me [1] ho_me, [5] carry me [1] home

Been [1] out on the street - brokedown and [4] hungry
Drank [1] wine with kings and [5] queens, I've seen right and [1] wrong
Now I' m [1] feeling - kind of tired and [4] weary
I wished a [1] slow train [5] come and take me [1] home

> CHORUS
>
> Let me [1] ri_de - ride on a [4] slow train
> Carry me [1] ho_me, [5] carry me [1] home
> Let me [1] ri_de - ride on a [4] slow train
> Carry me [1] ho_me, [5] carry me [1] home

Time will [1] come - when my travelling days are [4] over
At the [1] end of this winding [5] road, where the journey [1] ends
Don't you [1] bury me boys - leave me standing at a [4] crossroad
I know a [1] slow train - be [5] coming around the [1] bend

> CHORUS
>
> Let me [1] ri_de - ride on a [4] slow train
> Carry me [1] ho_me, [5] carry me [1] home.
> Let me [1] ri_de - ride on a [4] slow train
> Carry me [1] ho_me, [5] carry me [1] home.

[b2-7] [57] [b2-7] [57] [1]

It's all [b2-7] small town [57] talk - you [b2-7] know how people [57] are
[1] They can't stand to see someone else [b67] doing
what they'd [b2-7] like to [57] do [b2-7] [57]
It's all [b2-7] small town [57] talk - you [b2-7] mustn't pay no [57] mind.
[1] Don't believe a word - they'll try and [b67] do it every [b2-7] time [57] [b2-7] [57]

[4] You [57] can't believe in [b67] everything you hear [4]
and only [5] half of what you [1] see
[4] And if you're [57] gonna be-[b67]lieve in anyone, [5] darling, believe in [57] me.

It's all [b2-7] small town [57] talk - and it's [b2-7] a well-known [57] fact
[1] You don't ever know how one might re-[b67]act
to what you're [b2-7] thinkin' [57] [b2-7] [57]
And it's [b2-7] small town [57] talk - they [b2-7] tell a lot of [57] lies
It [1] makes some people crazy, they'll never rea-[b67]lize
that they're [b2-7] sink-[57]ing [b2-7] [57]

[4] We're only [57] two people [b67] trying to live together,
[4] trying to [57] make something [1] work. [17]
[4] Who are [57] we to [b67] judge one another? [57] - that could cause a lot of hurt.

It's all [b2-7] small town [57] talk - you [b2-7] know how people [57] are
[1] They can't stand to see someone else [b67] doing
what they [b2-7] want [57][b2-7] [57]
It's all [b2-7] small town [57] talk - you [b2-7] mustn't pay no [57] mind.
[1] Don't believe a word - they'll try to [b67] do it every [b2-7] time [57] [b2-7] [57]

Half Verse – Spoken / sung – fade it out

[4] We're only [57] two folks [b67] trying to live together [4] - trying to [57] make it [1] work

[1] After the turn of the [4] century,
In the [1] clear blue skies over [57] Germany.
Came a [1] roar and a thunder men had [4] never heard,
Like the [57] screamin' sound of a [1] big war bird.

[1] Up in the sky, a [4] man in a plane,
[1] Baron von Richthoven, [57] was his name.
[1] Eighty men tried and [4] eighty men died,
Now they're [57] buried together on the [1] country side.

Chorus:
[1] Ten, twenty, thirty, forty, [4] fifty and more,
The [1] bloody Red Baron was [57] rollin' up the score.
[1] Eighty men died tryin' to [4] end that spree,
Of the [57] bloody Red Baron of [1] Germany.

In the [1] nick of time, a [4] hero arose,
A [1] funny lookin' dog, with a [57] big black nose.
He [1] flew into the sky to [4] seek revenge,
But the [57] Baron shot him down; "Curses! [1] Foiled again!"

Chorus

So he [1] asked the great pumpkin for a [57] new battle plan.

Intro reduced

[1-] [1-] [1-]
[1-] We're walking in the air
We're [1-] floating in the moonlit [7] sky
The [4-] people far below are [6] sleeping as we [1-] fly [b1]

I'm [b1] holding very [1-] tight
I'm [1-] riding in the midnight [7] blue
I'm [4-] finding I can fly so [6] high above with [1-] you [b1]

[3] [1-] [6] [4-] [1-] [1-]
[1-] Far across the world
The [1-] villages go by like [7] dreams
The [4-] rivers and the hills
The [6] forests and the [1-] streams

[1-] Children [b5] gaze [1-] open-[b1]mouthed
[b4] Taken by sur-[7]prise
[7-] Nobody [3] down below be-[6]lieves [b2-] their [b5] eyes

We're [1-] surfing in the air
We're [1-] swimming in the frozen [7] sky
We're [4-] drifting over icy
Moun-[6]tains floating [1-] by

[3] [1-] [3] [1-] [6] [4-] [1-] [1-]
[b5] Suddenly [1-] swooping low
[b4] On an ocean [7] deep
[7-] Rousing up a [3] mighty monster [6] from [b2-] his [b5] sleep

We're [1-] walking in the air
We're [1-] dancing in the midnight [7] sky
And [4-] everyone who sees us [6] greets us as [1-] we [b1] fly

[1] [1] [2-] [5] [1] [4] [1] [5]

[1] Give me a man who's a [4] man amongst [2-] men
Who'll [57] stow his white collar and [1] put down his pen.
We'll [1] blow down a mountain and [4] build you a [2-] dam
Much [57] bigger and better than [1] old Uncle Sam.

> CHORUS

> Snowy River [1] roll on your way.
> [6-] Roll on your way until [4] Judgement [2-] Day.
> [57] Snowy River [1] roll.

[1] Sometimes it's raining and [4] sometimes it's [2-] hail,
And [57] sometimes it blows up a [1] blizzardly gale.
[1] Sometimes there's fire and [4] sometimes there's [2-] flood,
And [57] sometimes you're up to your [1] eyeballs in mud!

> CHORUS

> And It's [1] roll, roll, [2-] roll on your [57] way,
> Snowy River [1] roll on your way.
> [6-] Roll on your way until [4] Judgement [2-] Day.
> [57] Snowy River [1] roll.

[1] Give me bulldozers and [4] tractors and [2-] hoses
And [57] diesels to ease all my [1] troubles away.
With the [1] the help of the Lord and of [4] good Henry [2-] Ford
The [57] Snowy will roll on her [1] way.

> CHORUS

> [6-] Roll on your way until [4] Judgement [2-] Day.
> [57] Snowy River [1] roll.

[1] Don't bring your sweetheart un-[4]less she's your [2-] wife,
For [57] here you must follow the [1] bachelor life.
When [1] woman is woman a [4] man is a [2-] fool!

[5] You're so [4] far away from [1] me
[5] You're so [4] far away from [1] me

[1] Here I am again in this [5] mean old town
And you're so far a [1]way from me
And [1] where are you when the [5] sun goes down
You're so far a [1]way from me

[4] So far a [6-]way from me
[5] So far I [1] just can't see
[4] So far a [6-]way from me
[5] You're so [4] far away from [1] me

INSTRUMENTAL

[5] You're so [4] far away from [1] me
[5] You're so [4] far away from [1] me

[1] I'm tired of being in love and being [5] all alone
When you're so far a [1]way from me
I'm [1] tired of making out on the [5] telephone
And you're so far a [1]way from me

[4] So far a [6-]way from me
[5] So far I [1] just can't see
[4] So far a [6-]way from me
[5] You're so [4] far away from [1] me

INSTRUMENTAL

[5] You're so [4] far away from [1] me
[5] You're so [4] far away from [1] me

[1] I get so tired when I [5] have to explain
When you're so far a [1]way from me
See [1] you been in the sun and [5] I've been in the rain
And you're so far a [1]way from me

When you walked into the room
There was voodoo in the vibes
I was [b4-7] captured by your style
But I could not catch your [b1-7] eyes
Now I [b1-7] stand here helplessly [6]
Hoping [b5-7] you'll get into me

I am [b1-7] so into you
I can't think of nothin' else
I am [b4-7] so into you
I can't think of nothin' [b1-7] else

Thinking [b1-7] how it's going to be [6]
Whenever I [b5-7] get you next to [b4-7] me
It's gonna be good, don't you [b1-7] know
From your head to your toe
Gonna love you all [b4-7] over, over and over

[b4-7] I am so into [b1-7] you
[b4-7] I am so into [b5-7] you, ooh, ooh, ooh, ooh, ooh, [b1-7] ooh

When you [b1-7] walked into the room
There was voodoo in the vibes
I was [b4-7] captured by your style
But I could not catch your [b1-7] eyes
Now I stand here helplessly, yeah
Hoping you get into me

I am [b4-7] so into you, baby
I can't get to nothin' [b1-7] else
No, no, no, come on [b4-7] baby
I am so into [b1-7] you

Love the things I do
Listen, [b4-7] baby
Driving me crazy, oh, oh, [b1-7] oh
Come on, [b4-7] baby, oo-ooh

[1] So long it's been good to know ya
[57] So long it's been good to know ya
[1] So long it's [4] been good to know ya
What a [1] long time since [5] I've been home
And I've [1] gotta be [5] drifting a-[1]long

[1] I've sung this song but I'll [2-] sing it a [5] gain
Of the [1] people I've met and the [2-] places I've [5] seen
Of [1] some of the troubles that [4] bothered my mind
And a [1] lot of good people that [5] I've left be-[1]hind saying

[1] So long it's been good to know ya
[57] So long it's been good to know ya
[1] So long it's [4] been good to know ya
What a [1] long time since [5] I've been home
And I've [1] gotta be [5] drifting a-[1]ong

[1] The sweethearts they sat in the [2-] dark and they [5] sparked
They [1] hugged and they kissed in that [2-] dusty old [5] dark
They [1] sighed and they cried and they [4] hugged and they kissed
But in [1] stead of marriage they [5] talked like [1] this honey

[1] So long it's been good to know ya
[57] So long it's been good to know ya
[1] So long it's [4] been good to know ya
What a [1] long time since [5] I've been home
And I've [1] gotta be [5] drifting a-F]long

[1] I went to your family I [2-] asked them for [5] you
They [1] all said take her oh [2-] take her please [5] do
She [1] can't cook or sew and she [4] won't scrub your floor
So I [1] put on my coat and tip-[5] toed out the [1] door singing

[1] So long it's been good to know ya
[57] So long it's been good to know ya
[1] So long it's [4] been good to know ya
What a [1] long time since [5] I've been home

[1] I walked down the street to the [2-] grocery [5] store

I [1] asked the man how his [4] butter was sold

[1] So long it's been good to know ya
[57] So long it's been good to know ya
[1] So long it's [4] been good to know ya
What a [1] long time since [5] I've been home
And I've [1] gotta be [5] drifting a-[1]long

[1] My telephone rang and it [2-] jumped off the [5] wall
[1] That was the preacher [2-] making a [5] call
[1] He said we're waiting to [4] tie the knot
[1] You're getting married be-[5]lieve it or [1] not
[1] Well the church it was jammed and the [2-] church it was [5] packed
The [1] pews were crowded from the [2-] front to the [5] back
A [1] thousand friends waited to [4] kiss my new bride
But [1] I was so anxious I [5] rushed her out-[1]side told them

[1] So long it's been good to know ya
[57] So long it's been good to know ya
[1] So long it's [4] been good to know ya
What a [1] long time since [5] I've been home

Come [1] over to the window my little [2-] darling
[4] I'd like to try to read your [1] palm
[b7] I used to think I was some kind of [4] gypsy boy
[6-] Before I let you take me [57] home

Chorus:
Now [1] so long Marianne [6-] it's time we began
To [57] laugh and cry and cry and laugh about it [1] all again [1sus4] [1] [1sus4]

[1] Well you know that I love to [2-] live with you
[4] But you make me forget so very [1] much
[b7] I forget to pray for the [4] angels
And then the [6-] angels forget to pray for [57] us

Chorus

[1] We met when we were [2-] almost young
[4] Deep in the green lilac [1] park
[b7] You held on to me like I was a [4] crucifix
[6-] As we went kneeling through the [57] dark

Chorus
[1] Your letters they all say that you're be [2-]side me now
[4] Then why do I feel a [1]lone
[b7] I'm standing on a ledge and your [4] fine spider web
Is [6-] fastening my ankle to a [57] stone

Chorus
[1] For now I need your [2-] hidden love
[4] I'm cold as a new razor [1] blade
[b7] You left when I told you I was [4] curious
[6-] I never said that I was [57] brave

Chorus
[1] Oh you are really such a [2-] pretty one
[4] I see you've gone and changed your [1] name again
[b7] And just when I climbed this whole [4] mountainside
[6-] To wash my eye [57]lids in the rain

When [1] I was just a [4] little bit bitty [1] girl
Up [4] on my daddy's [1] knee
He [4] used to [5] say my [1] darling dear
Take [b2] this advice from [5] me
There's a [1] north of Ireland [17] saying
It is [4] old but it is [1] true
When [4] things get tough and the [1] goings rough
Here's [b2] what you've got to [5] do

Soap your [1] arse
and slide [17] backwards up a [4] rainbow
Yes my [5] dear that is my advice to [1] you [5]
Soap your [1] arse
and slide [17] backwards up a [4] rainbow
Don't be sad or be [1] glum
Put the soap to your [5] bum
And the skies will turn [1] blue

Now the years [1] passed by I have children of my own
And their [4] world is full of [1] strife
And they [4] asked me what's the [1] secret
Of my [b2] long and happy [5] life
They're [1] so filled up with [17] sorrow
And with [4] gloom they want to [1] cry
They [4] feel so blue what [1] can they do?
And [b2] here is my re-[5]ply

Soap your [1] arse
And slide [17] backwards up a [4] rainbow
Yes you'll [5] find it's a very happy [1] ride [5]
Soap you're [1] arse
and slide [17] backwards up a [4] rainbow
All you need is some [1] hope

And a slippy back-[1]side

Soap your [1] arse

[1] [5] [5] [1]
[1] In a station in the city a [5] British soldier stood
[5] Talking to the people there [1] if the people would
[1] Some just stared in hatred, and [5] others turned in pain
[5] And the lonely British soldier wished he [1] was back home again

Come [4] join the British Army! said the [1] posters in his town
[5] See the world and have your fun come [1] serve before the Crown
The [4] jobs were hard to come by and he [1] could not face the dole
So he [5] took his country's shilling and en-[4] listed on the [1] roll

[1] For there was no fear of fighting, the [5] Empire long was lost
[5] Just ten years in the army getting [1] paid for being bossed
[1] Then leave a man experienced a [5] man who's made the grade
[5] A medal and a pension some [1] mem'ries and a trade

[1] Then came the call to Ireland as the [5] call had come before
[5] Another bloody chapter in an [1] endless civil war
[1] The priests they stood on both sides the [5] priests they stood behind
[5] Another fight in Jesus name the [1] blind against the blind

[4] The soldier stood between them [1] between the whistling stones
And [5] then the broken bottles that [1] led to broken bones
The [4] petrol bombs that burnt his hands the [1] nails that pierced his skin
And [5] wished that he had stayed at home su-[1] rrounded by his kin

The station filled with people the [5] soldier soon was bored
But better in the station than [1] where the people warred
The room filled up with mothers with [5] daughters and with sons
Who stared with itchy fingers at the [1] soldier and his gun

A yell of fear a screech of brakes the [5] shattering of glass
The window of the station broke to [1] let the package pass
A scream came from the mothers as they [5] ran towards the door
Dragging children crying from the [1] bomb upon the floor

The soldier stood and could not move his [5] gun he could not use
He knew the bomb had seconds and not [1] minutes on the fuse
He could not run to pick it up and [5] throw it in the street
There were far too many people there too [1] many running feet

Take [4] cover! yelled the [2-] soldier, Take [1] cover for your lives
And the [5] Irishmen threw [3-] down their young and [1] stood before their wives
They [4] turned towards the soldier their [1] eyes alive with fear
For [4] God's sake save our [3-] children or they'll [4] end their short lives
[1] here

The soldier moved towards the bomb his [5] stomach like a stone
Why was this his battle God [1] why was he alone
He lay down on the package and he [5] murmured one farewell
To those at home in England to [1] those he loved so well

He saw the sights of summer felt the [5] wind upon his brow
The [3-] young girls in the [5] city parks how [1] precious were they now
The soaring of the swallow the [b1-] beauty of the [5] swan
The music of the turning world so [1] soon would it be gone

A muffled soft explosion and the [5] room began to quake
The soldier blown across the floor his [1] blood a crimson lake
They never heard him cry or shout they [5] never heard him moan
And they turned their children's faces from the [1] blood and from the bones

The [4] crowd outside soon gathered and the [1] ambulances came
To [4] carry off the [5] body of a [1] pawn lost to the [b7] game
And the [4] crowd they clapped and cheered and they [1] sang their rebel songs
One [4] soldier less to [5] interfere where [1] he did not belong

And [4] will the children growing up learn [1] at their mothers' knees
The [6-] story of the [b7] soldier who [1] bought their liberty
Who [4] used his youthful body as a [1] means towards an end
Who [5] gave his life to those who called him [1] murderer not friend

[5] Causing me so much pain [b2] out of something I [5] can't explain

[1] Some humans ain't human, some people ain't [4] kind.
You open up their [57] hearts, and here's what you'll [1] find.
A few frozen [1] pizzas, some ice cubes with [4] hair
A broken pop-[57]sicle, you don't wanna go [1] there.

They screw you when you're [1] sleepin', they try to screw you [4] blind.
Some humans ain't [57] human, some people ain't [1] kind.

You might go to [4] church, and sit down in a [1] pew.
Those humans who ain't [57] human, will be sitting right next to [1] you.
They talk about your [4] family, they talk about your [1] clothes,
When they don't know their [57] own ass, from their own el-[1]bows.

[1] I remember well the [5] day we wed, I can [4] see that picture [1] in my head.
I [4] still believe the [1] words we said [2-] forever will ring [5] true.
[1] Love is certain, [5] love is kind, [4] love is yours and [1] love is mine.
But it [4] isn't something [1] that we find, it's [5] something that we [1] do.

It's [1] holding tight, [5] lettin' go, it's [4] flying high and [1] laying low
[4] Let your strongest [1] feelings show, [2-] and your weakness [5] too
It's a [1] little and a [5] lot to ask, an [4] endless and a [1] welcome task
Love [4] isn't something [1] that we have, it's [5] something that we [1] do

[4] We help to make each other [3-] all that we can be
Though we can [2-] find our strength and inspiration [1] independently
The [4] way we work together is what [1] sets our love apart
So [b3] closely that we can't tell where I [2-] end and where you [5] start

It [1] gives me heart re-[5]membering how we [4] started with a [1] simple vow.
There's [4] so much to look [1] back on now, [2-] still it feels brand [5] new.
We're [1] on a road that [5] has no end, and [4] each day we be-[1]gin again.
Love's [4] not just something [1] that we're in, it's [5] something that we [1] do.

INSTRUMENTAL

We're [1] on a road that [5] has no end, and [4] each day we be-[1]gin again.
Love's [4] not just something [1] that we're in, it's [5] something that we [1] do.

[4] We help to make each other [3-] all that we can be
Though we can [2-] find our strength and inspiration [1] independently
The [4] way we work together is what [1] sets our love apart
So [b3] closely that we can't tell where I [2-] end and where you [5] start

[1] Love is wide, [5] love is long, [4] love is deep and [1] love is strong.
[4] Love is why I [1] love this song, and I [2-] hope you love it [5] too.
I re-[1]member well the [5] day we wed, I can [4] see that picture [1] in my head.
Love [4] isn't just those [1] words we said, it's [5] something that we [1] do.

There's [4] no request too [1] big or small, we [2-] give ourselves, we [1] give our all.
Love [2-] isn't someplace [1] that we [4] fall, it's [5] something that we [1] do.

Simple version

[1] [6-] [4] [1] [5] [6-] [4]
[1] Somewhere [5] over the rainbow, [6-] way up [1] high
[4] And the [1] dreams that you dream of
[5] Once in a lulla-[6-]by [4]
[1] Somewhere [5] over the rainbow
[6-] Blue birds [1] fly
[4] And the d[1] reams that you dream of
[5] Dreams really do come [6-] true [4]

Some-[1]day I'll wish upon a star and
[5] Wake up where the clouds are far be-[6-]hind [4] me
Where [1] troubles melt like lemon drops
[5] High above the chimney tops that's [6-] where you'll [4] find me

[1] Somewhere [5] over the rainbow [6-] bluebirds [1] fly
[4] And the [1] dreams that you dare to, oh [5] why, oh why can't [6-] I? [4]

Well I see [1] trees of [5] green and [6-] Red roses [1] too,
[4] I'll watch then [1] bloom for [5] me and [6-] you
[4] And I think to myself
[5] What a wonderful [6-] world [4]

[1] Well I see skies of [5] blue and I see [6-] clouds of [1] white
[4] And the brightness of [1] day, [5] I like the [6-] dark
[4] And I think to myself
[5] What a wonderful [6-] world [4]

The [5] colors of the rainbow so [6-] pretty in the sky
[5] Are also on the faces of [6-] people passing by
I see [4] friends shaking [1] hands
Saying, "[4] How do you [1] do?"
[4] They're really [1] saying, [4] I - I love [5] you

I hear [1] babies [5] cry and I [6-] watch them [1] grow,
[4] They'll learn much [1] more
[5] Than we'll [6-] know
[4] And I think to myself
[5] What a wonderful [6-] world [4]
Some-[1]day I'll wish upon a star
[5] Wake up where the clouds are far be-[6-]hind [4] me
Where [1] troubles melt like lemon drops
[5] High above the chimney tops that's [6-] where you'll [4] find me

[1] When we talk about love it's the burning kind
It's the fresh cut roses, it's the [5] bitter wine
[1] Reckless hearts, smoking guns
It's shining like the [5] summer sun

[4] I thought love was [1] hot or cold
[4] One or the other ex [5]treme
[1] But I'm learning that love is somewhere in the middle
[5] Somewhere in the middle be [1]tween

[1] Me and my baby, we get along fine
Most we ever do is [5] bicker and whine
[1] Yeh, we're good together
She's [1] my best friend
Slow and steady [5] 'til the end

[4] I thought love was [1] war and peace
[4] One or the other ex [5]treme
[1] But I'm learning that love is somewhere in the middle
[5] Somewhere in the middle be [1]tween

Instrumental [1] [5] [1] [4] [1] [4] [5]

In my [1] younger years it was do or die
Full of heartbreak [5] and desire
[1] I've known joy for every tear I've cried
For every passion [5] I was once denied

[4] I thought love was [1] highs and lows
[4] One or the other ex [5]treme
[1] But I'm learning that love is somewhere in the middle
[5] Somewhere in the middle be [1]tween

[4] Yeh, I thought love was [1] black or white
[4] One or the other ex [5]treme
[1] But I'm learning that love is somewhere in the middle
[5] Somewhere in the middle be [1]tween

I think E7 sounds good all through this

[1] [4-] [1] [1] [4-] [1]
[1] Billy Ray was a preacher's son
And when his [4] daddy would visit he'd [1] come along
When they'd gather 'round and started talking
[57] Cousin Billy would take me walking
through the back yard we'd go walking
Then he'd look into my eyes
Lord knows to my surprise

The [1] only one who could ever reach me
[4] Was the son of a [1] preacher man
The only boy who could ever teach me
[4] Was the son of a [1] preacher man
Yes he was, he [5-] was [4] Oh, yes he was [1] [4-] [1]

[1] Being good isn't always easy
[4] No matter how [1] hard I tried
When he started sweet talking to me
[57] He'd come and tell me everything is all right
He'd kiss and tell me everything is all right
Can I get away again tonight

The [1] only one who could ever reach me
[4] Was the son of a [1] preacher man
The only boy who could ever teach me
[4] Was the son of a [1] preacher man,
Yes he was, he [5-] was------ [4] lord knows he was. (yes he [b7] was)

[b7] How well I remember [4] the look that was in his eyes
Stealin' kisses from me on the sly
[57] Takin' time to make time
Tellin' me that he's all mine
[17] Learnin' from each other's knowing
Lookin to see how much we'd grown and

The [4] only one who could ever reach me, [b7] was the son of a [4] preacher man
The only boy who could ever teach me, [b7] was the son of a [4] preacher man
Yes he was, he [1] was, [b77] ooh yes he was

The [4] only one who could ever reach me,
[b7] He was the sweet talkin son of a [4] preacher man
The only boy who could ever teach me, [b7] aah, the kiss stealing son of a [4] preacher man.
The [4] only one who could ever move me, [b7] the sweet talkin son of a [4] preacher man
The only one who could ever groove me [b7] was the son of a [4] preacher man

[1-] I've been so many places in my [b57] life and time
[3] I've sung a lot of songs, I've made some [b47] bad rhymes
[6] I've acted out my life in [5-] stages
with [4-] ten thousand people [5-] watching
[6] But we're [5-] alone now
and I'm [4-] singing this song for [3] you

[1-] I know your image of me is what I [b57] hope to be
[3] I treated you unkindly but darling [b47] can't you see
[6] There's no one more important [5-] to me
[4-] Baby can't you please see [5-] through me
[6] Cause we're a-[5-]lone now
And I'm [4-] singing this song for [3] you

[1] [4] [1] [4] [1]
I was [5] standing at the counter, I was waiting for the change
When I [5] heard that old familiar music [1] start
It was [5] like a lighted match had been tossed into my soul
It was [5] like a dam had broken in my [1] heart
After [4] taking every detour, getting lost and losing track
So that [1] even if I wanted, I could not find my way back
After [4] driving out the memory of the way things might have been
[5] After I'd forgotten all about us
The song remembers [1] when [4]

We were [5] rolling through the Rockies, we were up above the clouds
When a [5] station out of Jackson played that [1] song
And it [5] seemed to fit the moment, and the moment seemed to freeze
When we [5] turned the music up and sang a-[1]long
And there [4] was a God in heaven, and the world made perfect sense
We were [1] young and were in love, and we were easy to convince
We were [4] headed straight for Eden, it was just around the bend
[5] And though I have forgotten all about it
The song remembers [1] when

I guess [4] something must have happened
And we must have said good-[6-]bye
And my [b27] heart must have been broken
Though [5] I can't recall just why
[NC] The song remembers [1] when [4] [1] [4]

Well, for [5] all the miles between us, and for all the time that's past
You would [5] think I haven't gotten very [1] far
And I [5] hope my hasty heart, will forgive me just this once
If I [5] stop to wonder how on earth [1] you are
But that's [4] just a lot of water, underneath a bridge I burned
And it's no [1] use in backtracking, around corners I have turned
Still I [4] guess some things we bury, are just bound to rise again
[5] For even if the whole world has forgotten the song remembers [1] when

Yeah, and [5] even if the whole world has forgotten
[NC] The song remembers [1] when [4] [1] [4] [5]/ [1]/

A great version of the Fishermans Friends song from Sue Rollo

A [4] good sword and a trusty hand,
A [1] merry heart and true
King [4] James' men must [b7] understand
What [4] Cornish [1] lads can [4] do

And [b7] have they fixed the [1] where and when,
And [b7] shall Trelawny [1] die?
Here's [b7] twenty thousand [1] Cornish [4] men
Will [1] know the [5] reason [1] why!

And [4] shall Trelawny live?
Or [17] shall Trelawny die?
[4] Here's twenty thousand [b7] Cornish men
[4] Will know the [1] reason [4] why!

Out [4] spake their Captain brave and bold:
A [1] merry wight was he:
"If [4] London Tower were [b7] Michael's hold,
We'll [4] set [1] Trelawny [4] Free!
We'll [b7] cross the Tamar, [1] land to land,
The [b7] Severn is no [1] stay
With [b7] 'one and all', and [1] hand in [4] hand,
And [1] who shall [5] bid us [1] nay?"

[4] And shall Trelawny live?
[17] Or shall Trelawny die?
[4] Here's twenty thousand [b7] Cornish men
[4] Will know the [1] reason [4] why!

"And [4] when we come to London Wall,
A [1] pleasant sight to view,
Come [4] forth! come forth ye [b7] cowards all,
Here's [4] men as [1] good as [4] you!
Tre-[b7]lawny he's in [1] keep and hold:
Tre-[b7]lawny he may [1] die:
Here's [b7] twenty thousand [1] Cornish [4] bold
Will [1] know the [5] reason [1] why!"

And [4] shall Trelawny live?
And [17] shall Trelawny die?

Vamp on [4]

Sonny [4] lives on a farm, on a wide open space
Where you can [4] take off your shoes and [b7] give up the [4] race
You could [1] lay down your head, by a sweet riverbed
But Sonny [b7] always remembers, what it was his mama [4] sai-ai-[1]aid [1]

Oh, Sonny [4] don't go away, I am [4] here all alone
Your [4] daddy's a sailor, who [b7] never comes [4] home
All these [1] nights get so long, and the silence goes on
And I'm [b7] feeling so tired, I'm not all that [4] stro-o-[1]ong [1]

Sonny [4] carries a load, though he's barely a man
There ain't [4] all that to do, still he [b7] does what he [4] can
And he [1] watches the sea, from a room by the stairs
And the [b7] waves keep on rollin', they've done that for [4] years and for [1] years [1]

Oh, Sonny [4] don't go away, I am [4] here all alone
Your [4] daddy's a sailor, who [b7] never comes [4] home
All these [1] nights get so long, the silence goes on
And I'm [b7] feeling so tired, not all that [4] stro-o-[1]ong [1] / [1] / [1] /

[b7] / [b7] / [b7] / [4] / [1] / [1]*

It's a [4] hundred miles to town, Sonny's [4] never been there
And he [4] goes to the highway and [b7] stands there and [4] stares
And the [1] mail comes at four, and the mailman is old
Oh but he [b7] still dreams his dreams full of silver and [4] go-o-o-[1]old

Oh, Sonny [4] don't go away, I am here all alone
Your [4] daddy's a sailor, who [b7] never comes [4] home
All these [1] nights get so long, the silence goes on
And I'm [b7] feeling so tired, not all that [4] stro-o-[1]ong [1]

Sonny's [4] dreams can't be real, they're just stories he's read
They're just [4] stars in his eyes, they're just [b7] dreams in his [4] head
And he's [1] hungry inside, for the wide world outside
And I [b7] know I can't hold him though I've tried and I've [4] tried and I've [1] tried [1]

Oh, Sonny [4] don't go away, I am here all alone
Your [4] daddy's a sailor, who [b7] never comes [4] home
All these [1] nights get so long, the silence goes on
And I'm [b7] feeling so tired, not all that [4] stro-o-[1]ong [1]

That I [b2-7] cannot hide
and I [b26] know I've tried
but it's [b6maj7] turning me a-[b57]round

[b7maj7] I'm not sure ... that [b3maj7] I'm aware
If I'm [b7maj7] up or down or [b3maj7] here or there
I need [b7maj7] both feet on the [b3maj7] ground

[b3-7] Maybe I'm [b67] just going [b2maj7] crazy

[47] I'm acting just like a [b7maj7] baby
But [5maj7] I'm [4maj7] gonna [b3maj7] be al-[b2maj7]right

[b3-7] Soon as I get [b2maj7] home
[b3-7] Soon as I get [b2maj7] home
[4] Soon as I get [1maj7] home [16]

[1] In a different [1maj7] place, in a [16] different time
[1maj7] different [b7] people around me
[1] I would like to [1maj7] know of their [16] different
world [1maj7] and how [b7] different they find me

[4] And just what's a Wiz is he [5] big? Will scare me?
[4] If I ask to leave will the [5] Wiz even hear me?
[b3-dim] How will I know [b6aug] then [b67]
If I'll [b2-7] ever get home a-[b6maj7]gain?

[1] Here I am alone, [1maj7] though it [16] feels the same
[1maj7] I don't [b7] know where I'm going
[1] I'm here on my [1maj7] own and it's [16] not a game
[1maj7] and a [b7] strange wind is blowing
[4] I'm so amazed at the [5]
things that I see here
don't [4] want to be afraid,
I just [5] don't want to be here [b3-dim]
In my mind this is [b6aug] clear [b67]
[b2-7] What am I doing [b6maj7] here?

[b7] I wish ... I was [1maj7] home [16]

[1-] Hello darkness, my old [7] friend, I`ve come to talk to you a-[1-]gain,
because a [3] vision softly [6] is cree-[3]ping,
left its seeds while I [6] was slee-[3]ping,
and the [6] vision that was planted in my [3] brain, still re-[1-]mains,
within the [7] sound of [1-] silence.

[1-] In restless dreams I walked a-[7]lone,
narrow streets of cobble-[1-]stone.
`Neath the [3] halo of [6] a street [3] lamp,
I turned my collar to the [6] cold and [3] damp,
when my [6] eyes were stabbed by the flash of a neon [3] light,
that split the [1-] night - [3] and touched the [7] sound of [1-] silence.

[1-] And in the naked light I [7] saw, ten thousand people, maybe [1-] more,
people [3] talking wi-[6]thout spea-[3]king,
people hearing wi-[6]thout [3] listening,
people writing [6] songs that voices never [3] share,
and no-one [1-] dare - [3] disturb the [7] sound of [1-] silence.

[1-] Fools, said I, you do not [7] know, silence like a cancer [1-] grows,
hear my [3] words, that I [6] might teach [3] you,
take my arms that I [6] might reach [3] you,
But my [6] words like silent raindrops [3] fell - [1-]
and echoed in the [7] wells of [1-] silence.

[1-] And the people bowed and [7] prayed to the neon god they`d [1-] made.
And the [3] sign flashed out [6] its war-[3]ning,
in the words that it [6] was for-[3]ming.
And the sign said, the [6] words of the prophets are written
in the subway [3] walls, and tenement [1-] halls ,
and [3] whispered in the [7] sound - of [1-] silence.

[3] If I was an astronaut, I?d be [b57] floating in mid-[1-]air

[6] I would be the [3] centre of my [b57] lonely uni-[1-]verse

A [1-] spaceman came [3] travelling on his [7] ship from a-[1-]far
'Twas [3] light years of [7] time since his [6] mission did start [7]*
And [1-] over a [5-] village he [6] halted his [1-] craft
And it [3] hung in the [7] sky like a [6] star, just like [7]* a [1-] star

(Group sing, no ukes, gently)
He [1-] followed a [3] light and came [7] down to a [1-] shed
Where a [3] mother and [7] child were lying [6] there on a bed [7]*
A [1-] bright light of [5-] silver [6] shone round his [1-] head
And [3] he had the [7] face of an [6] angel, and they [7]* were a-[1-]fraid

(Group sing and play, gently)
Then the [1-] stranger [3] spoke, he [7] said "Do not [1-] fear
I [3] come from a [7] planet a [6] long way from here [7]*
And [1-] I bring a [5-] message for [6] mankind to [1-] hear"
And [3] suddenly the [7] sweetest [6] music filled [7]* the [1-] air

(Group sing and play, full volume)
And [6] it [7] went [1-] la, la, la, [5-] la, la, la, [6] la, la, la, [1-] la
[3] la, la, la, [7] la, la, la, [6] laaah , [7]*
[1-] la, la, la, [5-] la, la, la, [6] la, la, la, [1-] la
[3] Peace and good-[7]will to all [6] men, and love [7]* for the [1-] child

[3] la, la, la, [7] la, la, la, [6] laaah, [7]*
[1-] la, la, la, [5-] la, la, la, [6] la, la, la, [1-] la
[3] oh, [7] oh, [6] oh

(Group sing, no ukes, gently)
This [1-] lovely [3] music went [7] trembling through the [1-] ground
And [3] many were [7] wakened on [6] hearing that sound [7]*
And [1-] travellers on the [5-] road, the [6] village they [1-] found
By the [3] light of that [7] ship in the [6] sky which shone [7]* all a-[1-]round

(Group sing and play, gently)
And [1-] just before [3] dawn at the [7] paling of the [1-] sky
The [3] stranger re-[7]turned and said [6] "Now I must fly [7]*
When [1-] two thousand [5-] years of your [6] time has gone [1-] by
This [3] song will be-[7]gin once a-[6]gain, to a ba-[7]*by's [1-] cry"

(Group sing and play, full volume)
And [6] it [7] went [1-] la, la, la, [5-] la, la, la, [6] la, la, la, [1-] la
[3] la, la, la, [7] la, la, la, [6] laaah , [7]*
[1-] la, la, la, [5-] la, la, la, [6] la, la, la, [1-] la
[3] Peace and good-[7]will to all [6] men, and love [7]* for the [1-] child

And [6] I [7] hear [1-] la, la, la, [5-] la, la, la, [6] la, la, la, [1-] la
[3] la, la, la, [7] la, la, la, [6] laaah [7]*
[1-] la, la, la, [5-] la, la, la, [6] la, la, la, [1-] la

Last [1-] night as I lay [7] dreaming of pleasant days [1-] gone by
My [1-] mind been bent on rambling to [3] Ireland I did [7] fly
I [1-] stepped on board a vision and I [3] travelled with a [7] will
Till at [1-] last I came to [7] anchor at the cross of Spancil [1-] Hill

It was [1-] on the twenty [7] third of June, the day before the [1-] fair
When [1-] Ireland's sons and daughters were [3] all assembled [7] there
The [1-] young, the old, the brave and the bold, their [3] duty to ful-[7]fill
At the [1-] parish church in [7] Clooney a mile from Spancil [1-] Hill

I [1-] went to see my [7] neighbours to see what they might [1-] say
The [1-] old ones were all dead and gone the [3] young ones turning [7] grey
I [1-] met the tailor Quigly, he's as [3] bold as ever [7] still
Sure he [1-] used to make my [7] britches when I lived in Spancil [1-] Hill

I [1-] paid a flying [7] visit to my first and only [1-] love
She's as [1-] fair as any lily and as [3] gentle as a [7] dove
She [1-] threw her arms around me saying [3] "Johnny I love you [7] still"
Sure she's [1-] Ned the farmer's [7] daughter and the pride of Spancil [1-] Hill

I [1-] dreamt I held and [7] kissed her as in the days of [1-] yore
She said [1-] "Johnny, you're only joking as [3] many's the time be-[7]fore"
The [1-] cock crew in the morning, it [3] crew both loud and [7] shrill
And I [1-] awoke in Cali-[7]fornia many miles from Spancil [1-] Hill

[1] There is a rose in Spanish Harlem,
[1] A red rose up in Spanish Harlem.

[4] It is a special one, it's never seen the sun,
[4] It only comes out when the moon is on the run,
And all the stars are [1] gleaming.

[5] It's growing in the street,
[5] Right up through the concrete
But soft and sweet and [1] dreaming.

[1] There is a rose in Spanish Harlem, a red rose up in Spanish Harlem,
[4] With eyes as black as coal, that look down in my soul,
And start a fire there, and then I lose control, I have to beg your [1] pardon.

[5] I'm gonna pick that rose and watch her as she grows - in my [1] garden.

Fare-[1-]well and adieu to [3] you, Spanish [5-] ladies,
Fare-[1-]well and adieu to [3] you ladies of [7] Spain;
For we [1-] have received [7] orders for to [6] sail for ol' [1-] England,
we [6] hope in a [7] short time to [6] see you a-[1-]gain.

Chorus
We'll [1-] rant and we'll roar like [3] true British [5-] sailors,
We'll [1-] rant and we'll roar all [3] on the salt [7] sea.
Un-[3]til we strike [7] soundings in the [6] Channel of old [1-] England;
From [6] Ushant to [7] Scilly is [6] thirty-five [1-] leagues.

We [1-] hove our ship to with the [3] wind from the sou' [5-] west boys,
We [1-] hove our ship to, [3] for to strike soundings [7] clear;
It's [1-] forty-five [7] fathoms, with a [3] white sandy [1-] bottom,
we [6] squared off our main [7] yard and up [6] channel did [1-] steer.

Chorus

Now [1-] let every man drink [3] off his full [5-] bumper,
And [1-] let every man toss [3] off his full [7] glass;
We'll [1-] drink and be [7] jolly and [3] drown melan-[1-]choly,
And [6] here's to the [7] help of each [6] true-hearted [1-] lass

Chorus

The [1-] first land we sighted [3] it is called the [5-] Dodman,
Next [1-] Ram's Head off Plymouth, [3] Start, Portland then [7] Wight;
We [1-] sailed on by [7] Beachy, by [3] Fairley and [1-] Dover,
And [6] then we bore [7] up for the [6] South Foreland [1-] light.

Chorus

Then [1-] the signal was made for the [3] Grand Fleet to [5-] anchor,
And [1-] all in the Downs that [3] night for to [7] lie;
Let [1-] go your shank [7] painter, like-[3]wise your cat [1-] [1-]
Haul [6] up your clew-[7]garnets, let [6] tacks and sheets [1-] fly!

[1] It was a moonlit night in Old Mexico.
I walked alone between some old adobe haciendas.
Suddenly, I heard the plaintive cry of a young Mexican girl:
La la [1] la..la la la la la la [6-] la...la la la la la la [4] la la la la la la la [5] la

[NC] You better come home Speedy Gon-[1]zales, away from Cannery [6-] Row.

Come on home to your a-[1]dobe, and slap some mud on the [6-] wall.
The roof is leaking like a [4] strainer.

No enchiladas in the [4] icebox, and the television's [57] broke.
I saw some lipstick on your [1] sweatshirt,

Last 2 verses different from the YouTube

[1] Mellow the moonlight to shine is be- [57] ginning
[5] Close by the window young Eileen [1] is spinning
[1] Bent o'er the [17] fire her blind [4] grandma is [1] sitting
Is [57] crooning and [1] moaning and [57] drowsily [1] knitting.

> CHORUS
>
> [1] Merrily cheerily noiselessly [57] whirring
> [5] Swings the wheel spins the wheel while her foot's [1] stirring
> [1] Sprightly and [17] lightly and [4] merrily [1] ringing
> [57] Trills the sweet [1] voice of the [57] young maiden [1] singing.

[1] Eileen, a chara, I hear someone [57] tapping
[5] 'Tis the ivy dear mother against the glass [1] flapping
[1] Eileen, I [17] surely hear [4] somebody [1] sighing
'Tis the [57] sound mother [1] dear of the [5] autumn winds [1] dying.

> CHORUS
>
> [1] Merrily cheerily noiselessly [57] whirring
> [5] Swings the wheel spins the wheel while her foot's [1] stirring
> [1] Sprightly and [17] lightly and [4] merrily [1] ringing
> [57] Trills the sweet [1] voice of the [57] young maiden [1] singing.

[1] What's the noise that I hear at the window I [57] wonder?
[5] 'Tis the little birds chirping the holly bush [1] under
[1] What makes you be [17] shoving and [4] moving your stool [1] on?
And [57] singing all [1] wrong the old [5] song of the '[1] Coolin'?

> CHORUS
>
> [1] Merrily cheerily noiselessly [57] whirring
> [5] Swings the wheel spins the wheel while her foot's [1] stirring
> [1] Sprightly and [17] lightly and [4] merrily [1] ringing
> [57] Trills the sweet [1] voice of the [57] young maiden [1] singing.

[1] There's a form at the casement the form of her [57] true love
[5] And he whispers with face bent I'm waiting for [1] you love
Get [1] up on the [17] stool through the [4] lattice step [1] lightly
And we'll [57] rove in the [1] grove while the [5] moon's shining [1] brightly.

> CHORUS
>
> [1] Merrily cheerily noiselessly [57] whirring
> [5] Swings the wheel spins the wheel while her foot's [1] stirring
> [1] Sprightly and [17] lightly and [4] merrily [1] ringing
> [57] Trills the sweet [1] voice of the [57] young maiden [1] singing.

[1] The maid shakes her head on her lips lays her [5] fingers
Steps [5] up from the stool longs to go and yet [1] lingers
A [1] frightened glance turns to her [4] drowsy [1] grandmother
[4] Puts her foot on the [1] stool spins the [5] wheel with the [1] other

> CHORUS
>
> [1] Merrily cheerily noiselessly [57] whirring
> [5] Swings the wheel spins the wheel while her foot's [1] stirring
> [1] Sprightly and [17] lightly and [4] merrily [1] ringing
> [57] Trills the sweet [1] voice of the [57] young maiden [1] singing.

[1] Lazily, easily, now swings the wheel [5] round
[5] Slowly and lowly is heard now the reel's [1] sound
[1] Noiseless and light to the [4] lattice above [1] her
The [4] maid steps, then [1] leaps to the [5] arms of her [1] lover.

Who [4] promised they would teach me to play in a day
They [1] said we'll put you in Bert Weedon's shoes
You'll get the [57] Five Foot Folsom Wagon Rising [1] Blues

They said we're [1] not like other ukulele bands
Who've [4] clearly got far too much **time** on their hands
We like to [1] get it over quick and **not** to amuse
With the [57] Five Foot Folsom Wagon Rising [1] Blues

I [1] said have you lot flown in from **some** other world
I [4] thought this would make me a hit with the girls
I'd [1] much rather listen to the 10 o'clock news
Than the [57] Five Foot Folsom Wagon Rising [1] Blues

They [1] said we avoid those Formby **strum**ming patterns
We [4] like to hit our instruments with ceiling battens
We [1] don't do any number that you care to choose
Just the [57] Five Foot Folsom Wagon Rising [1] Blues

[1] Five foot two [b37] eyes of blue
[1] Far from Folsom [5] prison
[1] Rock me mama like a [5] wagon wheel
[5] I see a [b2] bad moon's [5] risen [57]

I con- [1] fess I was tempted but I was still wary
I said [4] have you tried those songs in that **book** by Jim Carey
I'll [1] play anybody's, I don't care whose
Not just the [57] Five Foot Folsom Wagon Rising Blues

They [1] said that sort of thing is far too progressive
We [4] tried it once and came over all depressive
It's [1] really quite hard for anyone to enthuse
Except for the [57] Five Foot Folsom Wagon Rising [1] Blues

The [1] only groups with spaces were Country Dancing
Hun- [4] garian for beginners and Necromancing
So I [1] signed up anyway: what have I got to lose
Just the [57] Five Foot Folsom Wagon Rising [1] Blues

To the tune of Five Foot Two - written by Steve Walton

[1] Five foot one, [b37] where's he gone?
[b67] Maybe he's run off with Juan
Has [b27] anybody [57] seen Mi[1]guel? [5dim] [57]

[1] Is he Basque? [b37] Didn't ask
[b67] Drinks his sherry by the cask
Has [b27] anybody [57] seen Mi[1]guel?

Now if you [b37] come upon, a five foot one
[b67] Covered in hair
[b27] Don't be fazed, avert your gaze
[57] Better not to risk a stare

[1] Hairy chest, [b37] wears a vest
[b67] Not a girl like all the rest
Has [b27] anybody [57] seen Mi[1]guel?

[1] Looks like Heston [b37] in El Cid
[b67] Supports Atl-tico Madrid
Has [b27] anybody [57] seen Mi[1]guel?

Now if you [b37] chance upon, a five foot one
[b67] Gives you the eye
[b27] Turn your back, 'cos it's a fact
[57] He'll never let a day go by

[1] Garlic breath, [b37] lives on meth
[b67] Nearly scares me half to death
Has [b27] anybody [57] seen Mi[1]guel?

[1] Slicked back hair, [b37] bad persona
[b67] Once had a trial for Barcelona
Has [b27] anybody [57] seen Mi[1]guel?

Has [b27] anybody [57] seen
Has [b27] anybody [57] seen

I've [1] lowered the saddle and filed all the frets

Chorus

She's got a [4] great little sound if the strings stay in tune

[1] [4] [5] [1] - (It's murder)

[1] There's a [4] jam at the junction,
[5] It's miles [1] long, what a function.
[1] We've been [4] sitting here for hours,
[5] Running [1] low on fuel and power.

[6-] Brake lights [4] flash, horns all blaring,
[5] Drivers curse, [1] tempers flaring.
[6-] Nowhere to go, [4] we're stuck in dismay,
[5] And I heard someone say-

> CHORUS
>
> [1] It's murder [4] on the motorway,
> [5] And we just [1] can't get away, hey hey.
> [1] It's bumper-to-[4] bumper, all day,
> [5] We're trapped [1] in this car ballet.

[1] Kids in the [4] back are screaming,
[5] The sat-nav [1] just keeps on scheming.
[1] "Take the next [4] left," it insists,
[5] But we're on the [1] road that time forgot exists.

[6-] A lorry blocks the [4] passing lane,
[5] This stop-start [1] drive's insane.
[6-] The snacks are gone, the [4] loo is far,
[5] Why'd we take the car?

> CHORUS
>
> [1] It's murder [4] on the motorway,
> [5] And we just [1] can't get away, hey hey.
> [1] We're stuck in [4] traffic's cruel ballet,
> [5] Another wasted [1] Saturday.

[4] Oh, the radio says, "[5] Expect delays,"
[6-] But we've been [4] here for days and days.
[4] The sign says "[5] accident ahead,"
[6-] No wonder it's the [5] highway of dread!

> CHORUS
>
> [1] It's murder [4] on the motorway,
> [5] And we just [1] can't get away, hey hey.
> [1] We're crawling [4] forward, inch by inch,
> [5] Patience thinner [1] than a pinch.

[1] It's murder [4] on the motorway,

Intro: 4 bars of [D]

CHORUS

Refrain: [57] Oh! my [1] old man's from Totland, he looks a proper [57] sight!
He always loves a drink or ten, especially Ale of [1] Wight.
He looks a proper narner in his great [17] big wellie [4] boots
He's [57] got such a job to pull em up that he calls them daisy [1] roots [57]*

[1] My old man's from Totland, that's on the Isle of [57] Wight
And you should see the state he comes home in every [1] night.
He like to go our walking when he's [17] had a drop of [4] beer.
Last [57] night he came home soaking wet, 'cause he'd walked off Totland [1] pier!

Refrain: [57] Oh! my [1] old man's from Totland, he looks a proper sight! [57]
He always loves a drink or ten, especially Ale of [1] Wight.
Spoken: I say I say Les! What's hot and steaming and comes out of Cow(e)s?
(I don't know, what is hot and steaming and comes out of cows?)
The Isle of Wight ferry, of course!! ***GROAN!***

[1] The Memorial Hall's a venue for music smooth and [57] grand,
And so he thought he'd have a go at singing with a [1] band.
The call themselves the Pilchards, and [17] you should under- [4]stand,
They [57] just sound good together, when, like the fish, they're [1] canned

Refrain: [57] Oh! my [1] old man's from Totland, he looks a proper sight! [57]
He always loves a drink or ten, especially Ale of [1] Wight.
(spoken) I say I say I say! 'Ow far is it from Totland to Newport?
(Well how should I know?)
Darn! Nor do I, never been that far in all me life!

The [1] turf walk is quitefamouse for its views across the [57] bay
But my old man stood on the edge and the cliff it dropped a- [1]way.
They called out Solent Coastguard, who [17] yelled "We've got you, [4] Jack"
[57] But when they saw how small he was the had to throw him [1] back.

Refrain: [57] Oh! my [1] old man's from Totland, he looks a proper sight! [57]

So if you catch a tiddler, don't [17] throw it in a [4] pan.

We can [4] sue ya! We can [6-] sue ya!
We can [4] sue ya! We can [1] su-u-[5]-ue [1] ya!

Have you [1] ever been hassled by [6-] Ambulance Chasers
[1] Telephone Scammers [6-] and Time Wasters
You [4] tell them to stop! They con-[5]-tinue to pur-[1]-sue ya? [5]

It's [1] time for them [4] to be [5] burned
It's [6-] time for the tables [4] to be turned

We can [4] sue ya! We can [1] su-u-[5]-ue [1] ya!

Do you [1] live with someone, who has a [6-] ukulele,
(And) in-[1]-sists on playing it, several [6-] times daily
And [4] does that 'leaping [5] flea' bite in-[1]-to ya [5]

Y' don't [1] have to suffer this in-[4]-digni-[5]-ty
[6-] This one, we will [4] do for free (Cos)
We [5] tell the Hell [b37] that's coursing right [6-] through ya ..

We can [4] sue ya! We can [6-] sue ya!
We can [4] sue ya! We can [1] su-u-[5]-ue [1] ya!

I've a [1] legal letter, from Leonard [6-] Cohen's Estate
It reads: [1] " (Rik) We think your [6-] song is great.
But, we [4] don't recall [5] giving permission [1] to ya [5]

To [1] use this tune. So, [4] please re-[5]-frain
And [6-] if you dare [4] sing it again
Can you [5] guess the next [b37] thing we'll write [6-] to ya?

We can [4] sue ya! We can [6-] sue ya!

We got [1] married last [4] Fri [1]day,
The vicar said it was [4] my [1] day,
When the [4] crowds had gone,
[1] We settled right [b67] down
[b27] Side [57] by [1] side.

We got [1] ready for [4] bed [1] then,
I got the shock of [4] my life [1] when
Her teeth and [4] her hair
[1] She placed on the [b67] chair,
[b27] Side [57] by [1] side.

[b37] I stood in frank amazement,
[b67] When a glass eye so small,
Her arms, [b27] her legs, her bosom
[57] She placed on a chair by the wall.

Well, I [1] was [4] broken [1] hearted,
'Cause most of my wife had [4] de [1]parted,
So I [4] slept on the chair,
[1] 'Cause there was more of her [b67] there,

Add your own Riff here - depends on instrument!

[1] We keep strumming when we ought to be sleeping
[1] Something we call fun - [NC] but we're obsessed! [17]
[4] We got started at the senior's centre
[1] And now were playing with such youthfulness

[b3] These strings are made for [1] strumming
And [b3] that's just what we'll [1] do.
To-[b3]day's the day we're [1]
[NC] gonna play our instruments for you! [1] x 2

[1] We like chucking cause we want a great backbeat
[1] And we like plucking cause we want to be [17] cool
[4] We like strumming to the golden oldies
[1] The songs we played when we were in high school.

[b3] These strings are made for [1] chucking
And [b3] that's just what we'll [1] do.
To-[b3]day's the day we're [1]
[NC] gonna play our instruments for you! [1] x 2

[1] We keep playing when we shouldn't be playing
[1] And we keep thinking that were gonna get [17] good. Ha!
[4] I just bought me another ukulele (that's 4!)
[1] Cause playing makes me happy as it should

[b3] These stringd are made for [1] plucking
And [b3] that's just what we'll [1] do.
To-[b3]day's the day we're [1]
[NC] gonna play our instruments for you! [1] x 2

[1] We keep playing when we ought to be working
[1] Playing with much joy and eagerness
[4] We play cause we like to be together
[1] And playing helps relieve our daily stress!

[b3] These stringd are made for [1] strumming
And [b3] that's just what we'll [1] do.

[1] [6-] [1] [6-]
Now I've [1] heard there was a [6-] list of chords
That [1] I should play 'til [6-] I got bored
My [4] teacher told me [5] I must practice [1] daily [5]
It [1] goes like this, [4] C, F, [5] G7
I'll [6-] never play the [4] harp in heaven
I'm [5] going to hell to [b37] play my uku-[6-]-lele

Uku-[4]-lele, uku-[6-]-lele, Uku-[4]-lele, uku-[1]-le-----[5]-le [1]
[1] [6-] [1] [6-]

On [1] X Factor they [6-] sang this song
But [1] I believe they [6-] got it wrong
The [4] vocals sounded [5] shrill and far to [1] wail-ey [5]
But [1] sometimes when [4] the spirit [5] moves
I'm [6-] sure that laughing [4] Len approves
I'll [5] play his song [b37] upon my uku-[6-]-lele
Uku-[4]-lele, uku-[6-]-lele , Uku-[4]-lele, uku-[1]-le-----[5]-le [1]
[1] [6-] [1] [6-]

It [1] doesn't matter [6-] who you are
Or [1] where you come from, [6-] near or far
You [4] could be Greek, Bra-[5]-zilian or Is-[1]-raeli [5]
No-[1]-one will want to [4] be your [5] friend
Be-[6-]-cause you drive them [4] round the bend
And [5] irritate them [b37] with your uku-[6-]-lele
Uku-[4]-lele, uku-[6-]-lele, Uku-[4]-lele, uku-[1]-le-----[5]-le [1]
[1] [6-] [1] [6-]
So [1] armed with my [6-] half-dozen chords
I'm [1] setting out to [6-] tread the boards
At [4] folk-club sessions, [5] open mic or [1] ceilidh [5]
From [1] jazz, thrash-metal, [4] country, [5] pop
To [6-] little stick of [4] Blackpool Rock
You'll [5] hear them all [b37] upon my uku-[6-]-lele

Uku-[4]-lele, uku-[6-]-lele
Uku-[4]-lele, uku-[1]-le-----[5]-le [1]
[1] [6-] [1] [6-]

And the [3] seagulls [5-] are all [b1-7] dreaming seagull [b4] dreams on Amherst [7] rock
And the [3] mist is [77] slowly [3] drifting
as the [6] storefront lights go [1-] dim
And the [3] moon is [5-] gently [b1-7] lifting
As the [b4] last ship's coming [7] in all the [6] sailors got a [7] story ,

Oh we've [3] had our [36] share of [3] history,
We've seen [6] nations come and [3] go
We've seen [5-] battles rage over [b1-7] land and stage
Two [b4] hundred years and [7] more

[1-] [7] [3] [b4] [6] [7] [1-]
[3] [b4] [6] [1-] [3] [7] [b4]
[1-] There's a lady who's [7] sure
All that [3] glitters is [b4] gold
And she's [6] buying a stairway to [7] hea[1-]ven

[1-] When she gets there she [7] knows
If the [3] stores are all [b4] closed
With a [6] word she can get what she [7] came [1-] for

[3]Ooh [b4]ooh [6]ooh [1-] ooh
And she's [3] buying a [7] stairway to [b4] heaven

There's a [3] sign on the [b4] wall
But she [6] wants to be [1-] sure
'Cause you [3] know sometimes [b4] words have two [6] meanings

In a [1-] tree by the [7] brook
There's a [3] songbird who [b4] sings
Sometimes all of her [6]thoughts are [7]mis[1-]given

[1-] [7] [3] [b4] [6] [7] [1-]
[b1-7] [b4sus4] [b4] Oh, it makes me [b1-7] wonder [5-] [b4] [3] [b4]
[b1-7] Oh, [b4sus4] it [b4] makes me wonder [b1-7] [5-] [b4] [3] [b4]

There's a [3] feeling I [7] get
When I [1-] look to the west
And my [3] spirit is [7] crying for [6] lea-[1-]ving

In my [3] thoughts I have [7] seen
Rings of [1-] smoke through the trees
And the [3] voices of those who [7] stand [6] look-[1-]ing

[b1-7] [b4sus4] Oh, and [b4] it makes me wonder [b1-7] [5-] [b4] [3] [b4]
[b1-7] Oh, [b4sus4] it [b4] really makes me wonder [b1-7] [5-] [b4] [3] [b4]

And it's [3] whispered that [7] soon
If we all [1-] call the tune
And the [3] piper will [7] lead us to [6] rea[1-]son

And the [3] new day will [7] dawn
For [1-] those who stand long
And the [3] forest will [7] echo with [6] laugh[1-]ter
(Does anyone remember laughter?)

[3] [7] [1-] [b4]
[1-] [b4] [1-] [b4]Oh ho ho [1-] [b4]

[3] If there's a [7] bustle in your [1-] hedgerow,
Don't be alarmed now
[3] It's just a [7] spring clean for the [6] May [1-] queen

[3] Yes, there are [7]two paths you can [1-]go by
But in the long run
[3] There's still [7]time to change the [6]road you're [1-] on

[3] [7] [1-] [b4]
And it makes me [1-] wonder [b4] [1-] [b4] Oh ho ho [1-] [b4]

[3] Your head is [7] humming and it [1-] won't go
In case you don't know
[3] The piper's [7] calling you to [6] join [1-] him

[3] Dear lady [7] can you hear the [1-] wind blow
And did you know
[3] Your stairway [7] lies in the [6] whispering [1-] wind?

[b4] [b4sus2] [b4] [b4sus4] [b4] [b4sus2] [b4] [b4sus4] [3] [3add9] [3]

[1-] And as we [7] wind on down the [6] road [7]
[1-] Our shadows [7] taller then our [6] soul [7]
[1-] There walks the [7] lady we all [6] know [7]
[1-] Who shines white light and [7] wants to [6] how
[7] [1-] How everything [7]s till turns to [6] gold [7]
[1-] And if you listen [7] very [6] hard [7]
[1-] The truth will come to [7] you at [6] last [7]
[1-] When all are one and [7] one is [6] all [7]
[1-] To be a rock and [7] not to [6] roll [7]
And she's [6] buying a stairway to [7] hea[1-]ven

[1] Sometimes its hard to be a [5] woman,
[2-] Giving all your [57] love to just one [1] man.
[4] You'll have bad times, [1] and he'll have good times,
[b2] doing things that [b27] you don't under[5]stand. [57]

[1] But if you love him you'll [5] forgive him,
[2-] Even though he's [57] hard to under[1]stand.
[4] And if you love him, [1] oh be [4] proud of him,
[1] cause after [57] all he's just a [1] man [4] [1] [5]

[1] Stand by your [b37] man, [4] give him two arms to cling to,
[1] and something [b6] warm to come to,
[b2] when nights are [57] cold and lonely.
[1] Stand by your [b37] man, [4] and tell the world you love him,
[1] keep giving [57] all the love you [b37] can. [b6] [4]
[5] Stand by your [1] man. [4] [1] [5]

In [6-] Banbridge Town in the [1] County [5] Down
One [6-] morning [4] last [5] July
From a [6-] boreen green came a [1] sweet col-[5]leen
And she [6-] smiled as she [5] passed me [6-] by.
She [1] looked so sweet from her [5] two bare feet
To the [6-] sheen of her [4] nut-brown [5] hair
Such a [6-] coaxing elf, sure I [1] shook my [5] self
For to [6-] see I was [5] really [6-] there

> CHORUS
>
> From [1] Bantry Bay up to [5] Derry Quay and
> From [6-] Galway to [4] Dublin [5] Town
> No [6-] maid I've seen like the [1] brown col-[5]leen
> That I [6-] met on the [5] County [6-] Down

As she [6-] onward sped, sure I [1] scratched my [5] head,
And I [6-] looked with a [4] feelin' [5] rare,
And I [6-] says, I to a [1] passer [5] by
Who's the [6-] maid with the [5] nut-brown [6-] hair
He [1] smiled and me and he [5] says, says he
"That's the [6-] gem of [4] Ireland's [5] crown.
Young [6-] Rosie McCann from the [1] banks of the [5] Bann,
She's the [6-] Star of the [5] County [6-] Down."

> CHORUS
>
> From [1] Bantry Bay up to [5] Derry Quay and
> From [6-] Galway to [4] Dublin [5] Town
> No [6-] maid I've seen like the [1] brown col-[5]leen
> That I [6-] met on the [5] County [6-] Down

At the [6-] Harvest Fair, she'll [1] surely be [5] there
And I'll [6-] dress in my [4] Sunday [5] clothes,
With my [6-] shoes shone bright and my [1] hat cocked [5] right
For a [6-] smile from my [5] nut brown [6-] rose.
No [1] pipe I'll smoke, no [5] horse I'll yoke
Til my [6-] plough turns a [4] rust-coloured [5] brown.
Til a [6-] smiling bride by my [1] own [5] fireside
Sits the [6-] Star of the [5] County [6-] Down

> CHORUS
>
> From [1] Bantry Bay up to [5] Derry Quay and
> From [6-] Galway to [4] Dublin [5] Town
> No [6-] maid I've seen like the [1] brown col-[5]leen

Becoming more aware of your body.
Responding to your body's needs.
Everything you hear and read about diets,
Nutrition and sleeping position and detoxifying your system,
And buying machines that they advertise to help you exercise.
Herbs to revitalize you if you're traumatized.
Soaps that will sanitize.
Sprays to deordorize.
Liquid to neutralize acids and pesticides.
Free weights to maximize your strength and muscle size.
Shots that will immunize.
Pills to re-energize you.

I [47] run up and down the road making [1] music as I go
They [5] say my pace would kill a normal [1] man
But I've [47] never been accused of being [1] normal anyway

[5] no no one [1] sees them
[b2] no one but [5] I.
[5] Cigarette butts and empty [3-] cups is [5] all that is
[1] staying [b2] right by my [5] side
and now [1] I'm waiting for that [b2] Stillest [5] Hour
now [1] I'm waiting for that [b2] Stillest [5] Hour

[5] Whole damn day spent, not a word [3-] said,
[5] no not a [1] dime spent
[b2] just waiting for [5] night
[5] Cause all that action, that sur-[3-]rounds my [5] life
couldn't match that [1] racket
[b2] inside my [5] mind
and now I'm [1] waiting for that [b2] Stillest [5] Hour
now I'm [1] waiting for that [b2] Stillest [5] Hour

[5] And now I'm seeking that dreamless [3-] sleep-[5]ing
when I stop de-[1]ceiving
[b2] just for a [5] while
[5] Cause everyone your meeting is so [3-] mis-[5]leading
Now I'm re-[1]ceding

[1] Baby Baby, I'm a-[1maj7] ware of where you go,
[5-7] each time you [b6] leave my door
[4] I watch you walk [5] down the street,
[4] knowing your other [5] love you'll meet

[1] But this time before you [5] run to her,
[4] leaving me a-[4-] lone and hurt
(Think it [1] over) [4] haven't I been [1] good to you
(Think it [1] over) [4] haven't I been [1] sweet to you?

[6-] Stop, in the [5] name of love, [4] before you [5] break my heart
Think it [1] o-o-[4]ver, [1] think it [4] o-o-[1]ver

[1] I've known of your, [1maj7] your secluded nights,
[5-7] I've even seen her, [b6] maybe one or twice
[4] But is her [5] sweet expression,
[4] worth more than my [57] love and affection?
[1] This time before you [5] leave my arms,
[4] and rush off [4-] to her charms
(Think it [1] over) [4] haven't I been [1] good to you
(Think it [1] over) [4] haven't I been [1] sweet to you?

[6-] Stop, in the [5] name of love, [4] before you [5] break my heart
[6-] Stop, in the [5] name of love, [4] before you [5] break my heart
Think it [1] o-o-[4]ver, [1] think it [4] o-o-[1]ver

[1] I've tried so hard, [1maj7] hard to be patient,
[5-7] hoping you'll stop [b6] this infatuation
[4] But each time [5] you are together,
[4] I'm so afraid of [5] losing you forever
repeat and fade to end

[4] See the girl with cymbals on her fingers, entering through the door
Ruby glistening from her navel, shimmering around the floor
Bells on feet go ting-a ling-a linging, going through my head
Sweat is falling just-a like-a tear drop, running from her head

[4] Now she's dancing, going through the movements, swaying to and fro
Body moving, bringing back a memory, thoughts of long ago
Blood is rushing, temperature is rising, sweating from my brow
Like a snake, her body fascinates me, I can't look away now

[b7] Stop, stop, stop all the dancing [1] give me time to breathe
[b7] Stop, stop, stop all the dancing [1] or I'll have to leave

[4] Now she's moving all around the tables, luring all in sight
But I know that she cannot see me, hidden by the light
Closer, closer, she is getting nearer, soon she'll be in reach
As I enter into a spotlight, she stands lost for speech

[b7] Stop, stop, stop all the dancing [1] give me time to breathe
[b7] Stop, stop, stop all the dancing [1] or I'll have to leave

[b7] Stop, stop, stop all the dancing [1] give me time to breathe
[b7] Stop, stop, stop all the dancing [1] or I'll have to leave

[4] Now I hold her, people are staring, don't know what to think
And we struggle knocking over tables, spilling all the drinks
Can't they understand that I want her, happens every week.
Heavy hand upon my collarbone throws me into the street

[b7] Stop, stop, stop all the dancing [1] give me time to breathe
[b7] Stop, stop, stop all the dancing [1] or I'll have to leave

Thanks to Ronald Dobson

It's [6] true that all the [b5] men you [6] knew were [3] dealers
Who said they were through with [7] dealing
Every time you gave them [1-] shelter
I [7] know that kind of man

It's hard to [1-] hold the hand of anyone
Who's [7] reaching for the sky just to sur-[1-]render
Who is [7] reaching for the sky just to sur-[1-]render

And then [6] sweeping up the [b5] jokers [6] that he [3] left behind
You'll [3] find he did not [7] leave you very much
Not even [1-] laughter
Like [7] any dealer he was watching for the [1-] card
That is so high and [7] wild
He'll never need to deal an [1-] other
He was [7] just some Joseph looking for a [1-] manger
He was [7] just some Joseph looking for a [1-] manger

And then [6] leaning on your [b5] window [6] sill
He'll [3] say one day you caused his will
To [7] weaken with your love and warmth and [1-] shelter
And then [7] taking from his wallet
An old [1-] schedule of trains, he'll say
I [7] told you when I came I was a [1-] stranger
I [7] told you when I came I was a [1-] stranger

Oh but [6] now another [b5] stranger [6] seems
To [3] want you to ignore his dreams
As [7] though they were the burden of some [1-] other
You've [7] seen that man before
His golden [1-] arm dispatching cards
But now it's [7] rusted from the elbow to the [1-] finger
And he [7] wants to trade the game he plays for [1-] shelter
Yes he [7] wants to trade the game he knows for [1-] shelter

Ah you [6] hate to watch a [b5] nother [6] tired [3] man
Lay down his hand
Like he was [7] giving up the holy game of [1-] poker
And [7] while he talks his dreams to sleep
You [1-] notice there's a highway
That is [7] curling up like smoke above his [1-] shoulder
It's [7] curling just like smoke above his [1-] shoulder

Well, you [6] tell him to come [b5] in sit [6] down
But [3] something makes you turn around
The [7] door is open you can't close your [1-] shelter
You [7] try the handle of the road
It [1-] opens do not be afraid
It's [7] you my love, you, who are the [1-] stranger

Well, I [6] 've been waiting, [b5] I was [6] sure
We'd [3] meet between the trains we're waiting [7] for
I think it's time to board a [1-] nother
Please [7] understand, I never had a [1-] secret chart
To get me to the [7] heart of this or any other [1-] matter
When he [7] talks like this you don't know what he's [1-] after
When he [7] speaks like this, you don't know what he's [1-] after

Let's [6] meet tomorrow [b5] if you [6] choose
Up [3] on the shore, beneath the bridge
That [7] they are building on some endless [1-] river
Then he [7] leaves the platform
For the sleeping [1-] car that's warm
You realize, he's [7] only advertising one more [1-] shelter
And it [7] comes to you, he never was a stranger
And you [7] say okay the bridge or someplace [1-] later

And then [6] sweeping up the [b5] jokers [6] that he [3] left behind
You'll [3] find he did not [7] leave you very much
Not even [1-] laughter
Like [7] any dealer he was watching for the [1-] card
That is so high and [7] wild
He'll never need to deal an [1-] other
He was [7] just some Joseph looking for a [1-] manger
He was [7] just some Joseph looking for a [1-] manger

And then [6] leaning on your [b5] window [6] sill
He'll [3] say one day you caused his will
To [7] weaken with your love and warmth and [1-] shelter
And then [7] taking from his wallet
An old [1-] schedule of trains, he'll say

I [7] told you when I came I was a [1-] stranger
I [7] told you when I came I was a [1-] stranger
I [7] told you when I came I was a [1-] stranger

[1] Where are you going [4] I don't [5] mind
I've [1] killed my world and I've [4] killed my [5] time
So [1] where do I go [4] what do I [5] see
I see [1] many people coming [4] after [5] me

So [1] where are you going to [4] I don't [b37] mind
If I [6-] live too [5] long I'm a-[4]fraid I'll [1] die
So [4] I will follow you wher-[1]ever you [b37] go
If your [6-] offered [5] hand is still [4] open to [1] me

[b37] Strangers on this [6-] road we are [4] on
[1] We are not [5] two; we are [1] one [4] [1] [5]

[1] So you've been where [4] I've just [5] come
[1] From the land that brings [4] losers [5] on
So [1] we will share this [4] road we [5] walk
And [1] mind our mouths and be-[4]ware our [5] talk

Till [1] peace we find tell you [4] what I'll [b37] do
All the [6-] things I [5] own I will [4] share with [1] you
And if I [4] feel tomorrow like I [1] feel to-[b37]day
We'll [6-] take what we [5] want and give the [4] rest a-[1]way

[b37] Strangers on this [6-] road we are [4] on
[1] We are not [5] two; we are [1] one [4] [1] [5]

[1] Holy man and [4] holy [5] priest
This [1] love of life makes me [4] weak in my [5] knees
And [1] when we get there [4] make your [5] play
Cos [1] soon I feel you're gonna [4] carry us a-[5]way

In a [1] promised lie you [4] made us be-[b37]lieve
For [6-] many [5] men there is [4] so much [1] grief
And my [4] mind is proud but it [1] aches with [b37] rage
And if I [6-] live too [5] long I'm a-[4]fraid I'll [1] die

[b37] Strangers on this [6-] road we are [4] on
[1] We are not [5] two; we are [1] one
[b37] Strangers on this [6-] road we are [4] on

All [1] wrapped in white [57] linen as [1] cold [57] as the [1] clay

[1] As I walked [57] out in the [1] streets of La-[57]redo
As [1] I walked [4] out in La-[1]redo one [57] day
I [1] spied a poor [57] cowboy all [1] wrapped in white [57] linen
All [1] wrapped in white [4] linen as [1] cold [57] as the [1] clay

I see by your [57] outfit that [1] you are a [57] cowboy
[1] These words he did [4] say as I [1] boldly walked [57] by
[1] Come sit down be-[57]side me and [1] hear my sad [57] story
Got [1] shot in the [4] breast and [1] I know [57] I must [1] die

'Twas once in the [57] saddle I [1] used to go [57] dashing,
[1] 'Twas once in the [4] saddle I [1] used to go [57] gay.
[1] First down to [57] Rosie's, and [1] then to the [57] card-house,
Got [1] shot in the [4] chest, and [1] I'm dying to-[57]day.

Oh beat the [57] drum slowly and [1] play the fife [57] lowly
[1] Sing the death [4] march as you [1] carry me [57] along
[1] Take me to the [57] valley then [1] lay the sod o'er [57] me
I'm [1] a young [4] cowboy and [57] I know [1] I've [57] done [1] wrong

Get six jolly [57] cowboys to [1] carry my [57] coffin,
[1] Get six pretty [4] maidens to [1] bear up my [57] pall.
[1] Put bunches of [57] roses all [1] over my [57] coffin,
[1] Roses to [4] deaden the [57] clods as they [1] fall.

Go fetch me some [57] water a [1] cool cup of [57] water
To [1] cool my parched [4] lips then the [1] poor cowboy [57] said
[1] Before I re-[57]turned his [1] spirit had [57] left him
Had [1] gone to his [4] Maker the [1] cowboy [57] was [1] dead

We beat the [57] drum slowly and [1] played the fife [57] lowly
[1] And bitterly [4] wept as we [1] bore him [57] along
[1] For we loved [57] our comrade [1] so brave, young and hand-[57]some
We [1] all loved our comrade [4] although [1] he'd [57] done [1] wrong

And you don't [5] care 'bout, where [b2] I've been

You know, I used to be in [6-] 1D (now I'm out, free)

[1] Strolling, just [b4-dim] strolling,
In the [4] cool of the [b6] evening [2-] air,
[57] I don't [1] envy the [17] rich
In their [4] automo [4-]biles,
Coz a [b2] motor car is [b27] phoney -
I'd [5] rather [5maj7] have Shanks's [57] pony,

By the [4] light of the [57] moon a [1]bove,
[17] Ev'ry [b6] night I go out [b67] strolling,
[b27] And I [1] know my luck is [4] rolling, [1]

INTRO x2: [1] - [b27] - [57] - [1]

[1] I'm gonna strum my [b27] cares away,
[57] Watching the sun sink [1] into the bay.
It's too hot to work, so [b27] here I'll stay.
[57] Strumming my cares a-[1]way.

[57] You could spend your whole life [1] punching the clock
[57] maybe get the third best [1] house on the block and
[b67] Spending all your free time [b27] mowing the yard.
[57] Who wants to work that [1] hard?

[57] Watching the sun sink [1] into the bay.
It's too hot to work, so [b27] here I'll stay.
[57] Strumming my cares a-[1]way.

[57] Grab your ukulele and [1] head for the shore.
[57] Tell your boss you just can't [1] take anymore.
[b67] If he tries to stop you [b27] play him a song.
[57] He might want to tag a-[1]long.

[1] Ooh..... [b27] la-la-la,
[57] Ooh..... [1] la-la-la.
[1] Ooh..... [b27] la-la-la,
[57] Ooh..... [1] la-la-la.

[57] Maybe you're afraid that some-[1]one will hear.
[57] Take it from a pro, you've got [1] nothing to fear.
[b67] Maybe you're afraid you'll for-[b27]get all the words.

Here I [5] am stuck in the middle of Crewe.

Yes, I'm [5] stuck in the middle of Crewe
And I'm [5] wonderin' what it is I should do
There were [17] roadworks down by the station
And there's [5] traffic all round Grand Junction

Here I [5] am stuck in the middle of Crewe

Our love is a [2-] flame, [5] burning with-[1]in, [6-]

Baby, you [2-] showed me so many [5] things that I`d never [1] see. [6-]

[1] Stupid Cupid you're a real mean guy
I'd like to clip your wings, so you can't [17] fly
[4] I'm in love and it's a cryin' shame
[1] And I know that you're the one to blame
[5] Hey, hey [4] set me free, [1] Stupid Cupid stop pickin' on me

[1] I can't do my homework and I can't think straight
I meet him every mornin' 'bout a half past [17]eight
[4] I'm actin' like a lovesick fool
He [1] even got me carryin' his books to school
[5] Hey, hey [4]set me free [1]Stupid Cupid stop pickin' on me

[4] You mixed me up but good, [1] right from the start
[4] Hey, go play Robin Hood with [b2] somebody else's [5] ha..ha [57] heart

[1] You've got me jumpin' like a crazy clown
And I don't feature what you're puttin' [17] down
[4] Since I kissed his lovin' lips of wine
The [1] thing that bothers me is, I like it fine
[5] Hey, hey [4] set me free [1] Stupid Cupid stop pickin' on me

[4] You mixed me up but good, [1] right from the start

The songs that we'll be singing, might be [4] wrong but they'll be ringing,
[1] When all the lights of town are shining [57] bright, and we're all tight,
We'll [1] get to work on Monday, but to-[4]morrow's only Sunday,

Suicide is Painless

Theme from M.A.S.H https://www.youtube.com/watch?v=niMNRW1iZEg
Intro: 4/4 4x [1-]

[b4-7] Through early morning [77] fog I see, [3] visions of the [1-] things to be
The [4-] pains that are with [77] held for me,
I [3] realize and [b1-7] I can see [b17]
That [b4-7] suicide is [77] painless,
it [3] brings on many [b1-7] changes
And [6maj7] I can [5-] take or [4-] leave it [77] if I [1-] please [1-]

I [b4-7] try to find a [77] way to make [3] all our little [1-] joys relate
[4-] Without that ever [77] present hate.
But [3] now I know that [b1-7] it's too late,
and [b17] that [b4-7] suicide is [77] painless - it [3] brings on many [b1-7] changes
And [6maj7] I can [5-] take or [4-] leave it [77] if I [1-] please [1-]

The [b4-7] game of life is [77] hard to play, [3] I'm gonna lose it [b1-7] anyway
[4-] The losing card I'll [77] someday lay, so [3] this is all I have to [b1-7] say [b17]
That [b4-7] suicide is [77] painless, it [3] brings on many [b1-7] changes
And [6maj7] I can [5-] take or [4-] leave it [77] if I [1-] please [1-]

[b4-7] The only way to win is [77] cheat
And [3] lay it down [b1-7] before I'm beat
And [4-] to another [77] give my seat
For [3] that's the only painless [b1-7] feat [b17]
That [b4-7] suicide is [77] painless, it [3] brings on many [b1-7] changes
And [6maj7] I can [5-] take or [4-] leave it [77] if I [1-] please [1-]

The [b4-7] sword of time will [77] pierce our skins
It [3] doesn't hurt when [b1-7] it begins
But [4-] as it works its [77] way on in
The [3] pain grows [b1-7] stronger watch it grin, [b17]
That [b4-7] suicide is [77] painless, it [3] brings on many [b1-7] changes
And [6maj7] I can [5-] take or [4-] leave it [77] if I [1-] please [1-]

A [b4-7] brave man once [77] requested me
To [3] answer questions [b1-7] that are key
Is [4-] it to be or [77] not to be ?
And [3] I replied 'Oh, [b1-7] why ask me? [b17]
That [b4-7] suicide is [77] painless, it [3] brings on many [b1-7] changes
And [6maj7] I can [5-] take or [4-] leave it [77] if I [1-] please [1-]

[1] Summer [4] lovin', [5] had me a [4] blast
[1] Summer [4] lovin', [5] happened so [4] fast
[1] Met a [4] girl [5] crazy for [b6] me
[b2] Met a [5] boy [b2] cute as can [5] be
[1] Summer [4] days [5] drifting a-[b6]way too,
[2-] ah, those [5] summer [1] nights

[1] Well-a, [4] well-a, [5] well-a, Ah!
[1] Tell me [4] more, tell me [b2] more, did you [5] get very [1] far?
[1] Tell me [4] more, tell me [b2] more, like does [5] he have a [1] car?
[1] U-hu [4] U-hu [5] U-hu x2

[1] She swam [4] by me, [5] she got a [4] cramp
[1] He ran by [4] me, [5] got my suit [4] damp
[1] Saved her [4] life, [5] she nearly [b6] drowned
[b2] He showed [5] off [b2] splashing a-[5]round,
[1] Summer [4] sun, [5] something's be-[b6]gun, [2-] but, oh, those [5] summer [1] nights

[1] Well-a, [4] well-a, [5] well-a, uh!
[1] Tell me [4] more, tell me [b2] more, was it [5] love at first [1] sight?
[1] Tell me [4] more, tell me [b2] more, did she [5] put up a [1] fight?
[1] U-hu [4] U-hu [5] U-hu x2

[1] Took her [4] bowling [5] in the ar-[4]cade
[1] We went [4] strolling; [5] drank lemon-[4]ade
[1] We made [4] out [5] under the [b6] dock
[b2] We stayed [5] out [b2] till ten o'[5]clock
[1] Summer [4] fling [5] don't mean a [b6] thing
[2-] but, oh, those [5] summer [1] nights

[1] Tell me [4] more, tell me [b2] more, but you [5] don't gotta [1] brag
[1] Tell me [4] more, tell me [b2] more, 'cause he [5] sounds like a [1] drag
[1] U-hu [4] U-hu [5] U-hu x2

[1] He got [4] friendly [5] holding my [4] hand
[1] Well, she got [4] friendly [5] down in the [4] sand
[1] He was [4] sweet, [5] just turned eigh-[b6]teen
[b2] Well, she was [5] good, [b2] you know what I [5] mean
[1] Summer [4] heat, [5] boy and girl [b6] meet, [2-] but, oh, those [5] summer [1] nights

[1] Tell me [4] more, tell me [b2] more, how much [5] dough did he [1] spend?
[1] Tell me [4] more, tell me [b2] more, could she [5] get me a [1] friend?

Slow Down

[1] It turned [4] colder; [5] that's where it [4] ends, [1] so I [4] told her [5] we'd still be [4] friends
[1] Then we [4] made our [5]true love [b6] vow
[b2] Wonder [5] what [b2] she's doin' [5] now
[1] Summer [4] dreams [5] ripped at the [b6] seams,
[2-] but, oh, those [5] summer [1] nights
[1] Tell me [4] more, tell me [1] more [4] ohhh. [1]

[1] The summer wind came blowing in
a-[57]cross the sea,
[57] It lingered there to touch your hair
and [1] walk with me.
[17] All summer long we sang a song
and [4] strolled the golden [4-] sand.
[1] Two sweethearts [57] and [1] the summer wind. [b67]

[b2] Like painted kites the days and nights
went [b67] flying by.
The world was new beneath a blue um [b2]brella sky.
Then, [b27] softer than a piper man
One [5] day it called to [5-]you.
[b2] I lost you [b67] to the [b2] summer wind. [b77]

[b3] The autumn wind, the winter winds
Have [b77] come and gone
[b77] And still the days, the lonely days
Go [b3] on and on
And [b37] guess who sighs his lullabies
Through [b6] nights that never [6-] end.

[1-] My summer wine is really [7] made from all these things.

Male: [1-] I walked in town on silver [7] spurs that jingled to.
[1-] A song that I had only [7] sang to just a few.
[4-] She saw my silver spurs and [1-] said let's pass some time.
[4-] And I will give to you [1-] summer wine.

[4-] Ohh-oh-oh summer [1-] wine.

Male: [1-] My eyes grew heavy and my [7] lips they could not speak.
[1-] I tried to get up but I [7] couldn't find my feet.
[4-] She reassured me with an [1-] unfamiliar line.

[77] Sleigh bells [3] ring, are you listenin'
Sunburn [77] stings, ice box glistenin'
The [77] beautiful [4-] sight of [7] barbies a-[6]-light
[b47] Strollin' through a [77] summer wonder-[3]land

[b5] In the arvo [b27] we can grab the [b5] wickets
And [b5] plastic cricket [b27] bat your brother [b5] found
[7] Backyard full of [b47] all your distant [7] rellies
So we [b17] pass the can of [b47] mozzie spray a-[7]-round

We'll hear the [77] birds in the [4-] trees,

[1] I got my first real four-string
[5] Bought it at the Five and Dime
[1] Played it till my fingers bled
[5] It was the summer of sixty-nine

[1] Me and some guys from school
[5] Had a band and we tried real hard
[1] Himmy quit, Hodie got married
[5] Shoulda known, we'd never get far

[6-] Oh, when I [5] look back now
[1] That summer seemed to [4] last forever
[6-] And if I [5] had the choice
[1] Yeah I'd always [4] wanna be there
[6-] Those were the [5] best days of my [1] life [5]

[1] Ain't no use in complainin'
[5] When you've got a job to do
[1] Spent my evenin's down at the drive-in
[5] And that's when I met you, yeah

Chorus:
[6-] Standin' on your [5] mama's porch
[1] You told me that you'd [4] wait forever
[6-] Oh and when you [5] held my hand
[1] I knew that it was [4] now or never
[6-] Those were the [5] best days of my
[1] life, oh [5] yeah, back in the summer of [1] 69 [5]

[b3] Man we were [b6] killin' time
We were [b7] young and restless, we [b6] needed to unwind
[b3] I guess [b6] nothin' can last for [b7]ever, forever, no

[1] [5] [1] [5]

[1] And now the times are changin'
[5] Look at everything that's come and gone

[5] All the little birds are singing, [b2] Canterbury bells are ringing
[b37] Pussy on the tiles is [1] wreathed in [b27] smiles
[5] Sleeping in the [b27] sun all [5] day,

[5] hip-hip-hoo-[57]ray
The [1] sun has got his hat [57] on, [1] hip-hip-hip-hoo-[b27]ray
The [57] sun has [2-] got his [57] hat on

[5] All the little boys excited [b2] all the little girls delighted
[b37] What a lot of fun for [1] every [b27] one
[5] Sitting in the [b27] sun all [5] day

So, [1] jump into your [57] sunbath, [1] hip-hip-hip-hoo-[b2]ray
The [57] sun has [2-] got his [57] hat on
[2-] and he's [57] coming [2-] out to-[1]day

[5] All the little birds are singin', [b2] all the little gnats are stingin'
[b37] All the little bees in [1] 2's and [b27] 3's
[5] buzzing in the [b27] sun all [5] day

[5] hip-hip-hoo-[57]ray
The [1] sun has got his hat [57] on, [1] hip-hip-hip-hoo-[b27]ray
The [57] sun has [2-] got his [57] hat on
[2-] and he's [57] coming [2-] out to [1] day

[1] Now we'll all be [57] happy, [1] hip-hip-hip-hoo-[b2]ray
The [57] sun has [2-] got his [57] hat on
[2-] and he's [57] coming [2-] out to-[1]day

[1-] What was [4-] here [b57] now is [1-] gone
[1-] Up and [4-] down, [b57] like [1-] everyone
[1-] I walked the [4-] earth in [7] lonesome [3] cry
But when the [4-] sun comes up, when the [1-] sun comes up
It will be [4-] on my side. [b57] It will be on my [1-] side

Chorus : [1-] [4-] [b57] [1-] [1-] [4-] [b57] [1-]

[1-] To the song of [4-] wheels, all [b57] demons [1-] die
[1-] Rays of [4-] joy, [b57] they [1-] multiply
[1-] Harmony, [4-] you will [7] be my [3] bride
But when the [4-] sun comes up, I'll let [1-] out last breath
And I [4-] slumber softly. [b57] into the [1-] death

Chorus : [1-] [4-] [b57] [1-] [1-] [4-] [b57] [1-]

[1-] My half-breed [4-] odyssey, your [b57] orphan [1-] prophecy
[1-] Our [4-] destiny we [b57] will not [1-] hide

[57] I want a [1] Sunday kind of [b67] love.[b2-7]
A love to [57] last past [1] Saturday [b67] night [4]
I'd like to [4-] know, it's more than [1] love at first [b67] sight. [b2-7]
I want a [57] Sunday kind of [1] love. [57]
I want a [1] love that's on the [b67] square.[b2-7]
Can't seem to [57] find some-[1]body to [b67] care [4]
I'm on a [4-] lonely road that [1] leads me no-[b67]where. [b2-7]
[b27] I want a [57] Sunday kind of [1] love. [47] [1] [17]

I [5-7] do my Sunday [17] dreaming, and [5-7] all my Sunday [17] scheming
Every [4] minute, every [5-7] hour, every [4] day.
I'm [b27] hoping to dis-[b6-7]cover,
that [b27] certain kind of lover. [3-] [b2-7]
Who will [b67] show me the [57aug] way.
My [57] arms need [1] someone to en-[b67]fold, [b2-7]
to keep me [57] warm when [1] Mondays are [b67] cold [4]
A love for [4-] all my life, to [1] have and to [b67] hold.[b2-7]
I want a [57] Sunday kind of [1] love. [b7maj7] [b67]

[b6-7] I don't want a [b27] Monday, [b2-7] Tuesday, [5-7] Wednesday or Thursday
[b3-7] Friday or Saturday - [b67] oh nothing else but Sunday
[b2-7] I want a Sunday, Sunday
[57] I want a [1] Sunday kind of love [b67]

When I [b7] get feeling better when I'm [1] feeling no pain
[1] Sometimes I [4] think it's a shame
When I [b7] get feeling better when I'm [1] feeling no pain [1]

I can [1] picture every move that a [1] man could make
Getting [57] lost in your lover is the [1] first mistake

[1] Sundown you [4] better take care
If I [b7] find you've been creeping 'round [1] my back stairs
[1] Sometimes I [4] think it's a sin
When I [b7] feel like I'm winning when I'm [1] losing again [1]

I can [1] see her lying back in her [1] satin dress
In a [57] room where you do what you [1] don't confess
[1] Sundown, you'd [4] better take care
If I [b7] find you've been creeping 'round [1] my back stairs [1]

I can [1] see her looking fast in her [1] faded jeans
She's a [57] hard loving woman got me [1] feeling mean

[1] Sometimes I [4] think it's a shame
When I [b7] get feeling better when I'm [1] feeling no pain
[1] Sundown you [4] better take care
If I [b7] find you've been creeping 'round [1] my back stairs

[1] Sunshine came [17] softly through my [1] a-window [17] today
[1] Could've tripped out [17] easy a-but I've [1] a-changed my [17] ways
[4] It'll take time, [47] I know it [4] but in a while [47]
[1] You're gonna be [1maj7] mine, [17] I know it,
[1] we'll do it in [17] style
[57] 'Cause I made my mind [57] up you're going
[4] to be mine [47]
[NC] I'll tell you right now
[1] Any trick in the book [17] now, baby, all [1] that I can find [17]

[1] Everybody's hustlin' [17] just to have [1] a little scene [17]
[1] When I say we'll be cool [17] I think that you
[1] know [1maj7] what I mean [17]
[4] We stood on a beach [47] at sunset, do
[4] you remember when? [47]
[1] I know a beach where, [1maj7] baby, [17] a-it

[NC] Super Trouper beams are gonna blind me, but I won't feel blue like I always do
'Cause somewhere in the crowd there's [4] you [4] [2-] [2-] [5-] [5-] [17] [17]

[4] I was sick and tired of every-[6-]thing,
when I [5-] called you last night from [17] Glasgow
[4] All I do is eat and sleep and [6-] sing, wishing [5-] every show was the [17] last show

[b7] So imagine I was [4] glad to hear you're coming
[b7] Suddenly I feel all [4] right [b7] and it's gonna be so [4] different
When I'm on the stage to-[17sus4]night [17]
Some people sing Su-per per, Trou-per per

Tonight the [4] Super [4sus4] Trouper [4] lights are gonna [4sus4] find me
[4sus4] Shining [4] like the [1] sun, [5-] smiling having [17] fun
[4] Feeling like a number one
Tonight the [4] Super [4sus4] Trouper [4] beams are gonna [4sus4] blind me
[4sus4] But I [4] won't feel [1] blue [5-] like I always [1] do
'Cause [17] somewhere in the crowd there's [4] you
[4] [2-] [2-] [5-] [5-] [17] [17]

[4] Facing twenty thousand of your [6-] friends, how can [5-] anyone be so [17] lonely
[4] Part of a success that never [6-] ends, still I'm [5-] thinking about you [17] only
[b7] There are moments when I [4] think I'm going crazy, [b7] - but it's gonna be all [4] right
[b7] Everything will be so [4] different when I'm on the stage to[17sus4]night [17]

Tonight the [4] Super [4sus4] Trouper [4] lights are gonna [4sus4] find me
[4sus4] Shining [4] like the [1] sun, [5-] smiling having [17] fun
[4] Feeling like a number one
Tonight the [4] Super [4sus4] Trouper [4] beams are gonna [4sus4] blind me
[4sus4] But I [4] won't feel [1] blue [5-] like I always [1] do
(slowing) 'Cause [17] somewhere in the crowd there's [4] you [4]
Arpeggio the chords ?

So I'll be [b7] there when you a-[2-]rrive
The sight of [5-] you will prove to [17] me I'm still a-[4]live
And when you take me in your [b7] arms and hold me [5-] tight [b27]
I [b7] know it's gonna mean so much to-[17]night [17]
Quietly

Tonight the [4] Super [4sus4] Trouper [4] lights are gonna [4sus4] find me
[4sus4] Shining [4] like the [1] sun, [5-] smiling having [17] fun
[4] Feeling like a number one

Tonight the [4] Super [4sus4] Trouper [4] beams are gonna [4sus4] blind me

Super [b27]cali [1]fragilistic [2-]expi [57]ali [1]docious!
It's [1] supercali [1maj7]fragilistic [1] expi [b67]ali [57]docious!
[57] even though the sound of it is [57] something quite a [1]trocious.
[1] If you say it [1maj7] loud enough, you'll [17] always sound pre [4]cocious,
[4] super [b27]cali [1]fragilistic [2-]expi [57]ali [1]docious!

[1] Um diddle diddle diddle, [57] um diddle ay. (x4)

Be [1]cause I was a [1maj7] fraid to speak, when [1] I was [b67] just a [57] lad,
me [57] father gave me nose a tweak and [57] told me I was [1] bad.
But [1] then one day I [1maj7] learned a word that [17] saved me aching [4] nose,
the [b2] biggest word I ever heard, and [b27] this is how it [57] goes :

It's [1] supercali [1maj7]fragilistic [1] expi [b67]ali [57]docious!
[57] even though the sound of it is [57] something quite a [1]trocious.
[1] If you say it [1maj7] loud enough, you'll [17] always sound pre [4]cocious,
[4] super [b27]cali [1]fragilistic [2-]expi [57]ali [1]docious!

[1] Um diddle diddle diddle, [57] um diddle ay. (x4)

He [1] traveled all a [1maj7]round the world and [1] every [b67]where he [57] went,
he'd [57] use his word and all would say, "There [57] goes a clever [1] gent"
When [1] dukes and maha [1maj7]rajas pass the [17] time of day with [4] me,
I [b2] say me special word and then they [b27] ask me out to [57] tea.

It's [1] supercali [1maj7]fragilistic [1] expi [b67]ali [57]docious!
[57] even though the sound of it is [57] something quite a [1]trocious.
[1] If you say it [1maj7] loud enough, you'll [17] always sound pre [4]cocious,
[4] super [b27]cali [1]fragilistic [2-]expi [57]ali [1]docious!

[1] Um diddle diddle diddle, [57] um diddle ay. (x4)

So [1] when the cat has [1maj7] got your tongue, there's [1] no need [b67] for dis [57]may,
just [57] summon up this word, and then [57] you've got a lot to [1] say.
[1] But better use it [1maj7] carefully, or [17] it could change your [4] life,
one [b2] night I said it to me girl, and [b27] now me girl's my [57] wife!

She's [1] supercali [1maj7]fragilistic [1] expi [b67]ali [57]docious!
[57] even though the sound of it is [57] something quite a [1]trocious.
[1] If you say it [1maj7] loud enough, you'll [17] always sound pre [4]cocious,
[4] super [b27]cali [1]fragilistic [2-]expi [57]ali [1]docious!
[4] super [b27]cali [1]fragilistic [2-]expi [57]ali [1]docious!

[1] Memories of a [5] life that's been [1] loved

I took the [1] get well soon [3-] cards and stuffed [4] animals
I poured the [1] old ginger beer [3-] down the [4] sink
[6-] Dad always [5] told me don't you [4] cry when you're [1] down

So I'll sing [1] Hallelu-[3-]jah [4]
You were an [5] angel in the [1] shape of my [3-] mum [4]
When I fell [5] down you'd be [6-] there
[6-] Holding me up, [4] spread your [1] wings as you [5] go
And when [6-] God takes you [4] back, he'll say [1] Hallelu-[5] jah, you're [1] home

[1] [3-] [4] [5]
[1] [3-] [4]
[5] I fluffed the [1] pillows, made the [3-] beds, stacked the [4] chairs up
Folded your [1] nightgowns [3-] neatly in a [4] case [5]
[6-] John said he'd [5] drive then put his [4] hand on my [1] cheek
And wiped a [4] tear from the [5] side of my [1] face

[2-] And I hope that I [4] see the [1] world as you [5] did cause I know
[2-] A life with [4] love is a [1] life that's been [5] lived

So I'll sing [1] Hallelu-[3-]jah [4]

You got to see the person [6-] I have become,

[1] Suzanne takes you down to her place by the river
You can [2-] hear the boats go by you can spend the night beside her
And you [1] know that she's half crazy but that's why you want to be there
And she [3-] feeds you tea and oranges that come
[4] all the way from China
And just [1] when you mean to tell her that you
[2-] have no love to give her
Then she [1] gets you on her wavelength and she
[2-] lets the river answer
That you've [1] always been her lover
And you [3-] want to travel with her and you
[4] want to travel blind
And you [1] know that she will trust you
For you've [2-] touched her perfect body with your [1] mind

[1] And Jesus was a sailor when He walked upon the water
And He [2-] spent a long time watching from his lonely wooden tower
And [1] when He knew for certain only drowning men could see Him
He said [3-] All men will be sailors then un[4]til the sea shall free them
But [1] He Himself was broken long be[2-]fore the sky would open
For[1]saken almost human. He [2-] sank beneath your wisdom like a [1] stone

And you [3-] want to travel with him and you [4] want to travel blind
And you [1] think maybe you'll trust him
For he's [2-] touched your perfect body with his [1] mind
[1] Suzanne takes your hand and she leads you to the river
She is [2-] wearing rags and feathers from Salvation Army counters
And the [1] sun pours down like honey on our lady of the harbor
And she [3-] shows you where to look among the [4] garbage and the flowers
There are [1] heroes in the seaweed there are [2-] children in the morning
They are [1] leaning out for love and they will [2-] lean that way forever
While Su[1]zanne holds the mirror

And you [3-] want to travel with her and you [4] want to travel blind
And you [1] know that you will trust her
For she's [2-] touched your perfect body with her [1] mind

[1] Way [57] down upon the [1] Swanee [4] River,
[1] Far, far a [57] way
[1] That's [57] where my heart is [1] turning [4] ever
[1] That's where the [57] old folks [1] stay

[57] All the world is [1] sad and dreary, [4] everywhere I [1] roam [57]
[1] Oh, [57] brother, how my [1] heart grows [4] weary,
[1] far from the [57] old folks at [1] home

[1] All [57] up and down the [1] whole cre [4] ation,
[1] Sadly I [57] roam
[1] Still [57] longing for the [1] old plan [4] tation
[1] And for the [57] old folks at [1] home

[1] All [57] 'round the little [1] farm I [4] wandered,
[1] When I was [57] young
[1] Then [57] many happy [1] days I [4] squandered,
[1] Many the [57] songs I [1] sung

Re[b7]minds me of childhood memories
Where [4] everything was as fresh as the bright blue [1] sky

[1] Now and then when I see her face
She [b7] takes me away to that special place
And if I [4] stared too long, I'd probably break down and [1] cry

[5] Whoa-[b7] oh, sweet child o' [1] mine
[5] Whoa, Oh, Oh, [b7] Oh sweet love [1] of mine

[1] She's got eyes of the bluest skies
As [b7] if they thought of rain
I [4] hate to look into those eyes and [1] see an ounce of pain
Her [1]hair reminds me of a warm safe place
Where [b7] as a child I'd hide
And [4] pray for the thunder and the rain to quietly pass me [1] by

[1] I went to a dance just the [5] other [1] night.
[1] I saw a girl there she was [5] out of [1] sight.
[1] I asked a friend of mine who [5] she could [1] be.
[1] He said that her friends just [5] call her Sweet [1] Pea.

[1] Oh, Sweet [4] Pea, come [5] on and dance with [1] me.
[1] Come on, come on, come [4] on and dance with [5] mee-[1]ee.
[1] Oh, Sweet [4] Pea, [5] won't you be my [1] girl?

[b2] Thinkin' maybe later we'd be [b6] makin' ro-[b2]mance.
[b2] But every guy there was [b6] thinkin' like [b2] me.
[b2] I had to stand in line to get a [b6] dance with Sweet [b2] Pea.

[b2] Oh, Sweet [b5] Pea, come [b6] on and dance with [b2] me.
[b2] Come on, come on, come [b5] on and dance with [b6] mee-[b2]ee.

[b2] Won't you, won't you, [b5] won't you be my [b6] giii-[b2]rl? [b2]

[b2] I finally got to whisper sweet [b7] words in her [b2] ear.
[b2] Convinced her that we oughta get a-[b7]way from [b2] there.
[b2] We took a little walk, I held her [b7] close to [b2] me.
[b2] And underneath the stars I [b7] said to Sweet [b2] Pea.

[1] Hold back the days in which I'm [5] living
So far from [57] home, so far from [1] free
Hold back the [17] ways we've all been [4] given
And let a [1] sweet [4] song from [1] yesterday [57] wash over [1] me

[1] Hold back the days in which I'm [5] living
So far from [57] home, so far from [1] free
Hold back the [17] ways we've all been [4] given
And let a [1] sweet [4] song from [1] yesterday [57] wash over [1] me

[1] If we should meet, like ships a-[5]passin'
Some stormy [57] night upon the [1] blue
We may not [17] speak but for the [4] askin'
I'd let a [1] sweet [4] song from [1] yesterday [57] wash over [1] you

So far from [57] home, so far from [1] free
Hold back the [17] ways we've all been [4] given
And let a [1] sweet [4] song from [1] yesterday [57] wash over [1] me

[1] When it seems your dreams ain't worth the [5] dreamin'
When you [57] can't find your way [1] through
And when your [17] schemes ain't worth the [4] schemin'
Just et a [1] sweet [4] song from [1] yesterday [57] wash over [1] you

Hold back the [17] ways we've all been [4] given

[1] Remember when livin' was [5] easy
We'd take our [57] time, not too much to [1] do
When things won't [17] wait and life gets [4] crazy
Just let a [1] sweet [4] song from [1] yesterday [57] wash over [1] you.

[1] I met my girl at [5] Woolwich Pier be-[1]neath the [4] big crane [5] standing
And [1] all the love I [5] felt for her it [1] passed all [5] under-[1]standing
Took her sailing [2-] on the river, [4] flow [5] sweet [4] river [5] flow
[1] London town was [2-] mine to give her, [4] sweet [5] Thames flow [1] softly
[5] Made the Thames in [2-] to a crown, [4] flow [1] sweet [5] river [1] flow
[1] Made a brooch of [2-] Silvertown, [4] sweet [1] Thames flow [5] soft-[1]ly

[1] At London Yard I [5] held her hand, at [1] Blackwell [4] Point I [5] faced her
At the [1] Isle of Dogs I [5] kissed her mouth and [1] ten-[5]derly em-[1]braced her
Heard the bells of [2-] Greenwich ringing, [4] flow [5] sweet [4] river [5] flow
[1] All the time my [2-] heart was singing, [4] sweet [5] Thames flow [1] softly
[5] Limehouse Reach I [2-] gave her there, [4] flow [1] sweet [5] river [1] flow
[1] As a ribbon [2-] for her hair, [4] sweet [1] Thames flow [5] soft-[1]ly

[1] From Shadwell Dock to [5] Nine Elms Reach, we [1] cheek to [4] cheek were [5] dancin'.
Her [1] necklace made of [5] London Bridge,her [1] beauty [5] was en-[1]hancin'.
Kissed her once [2-] again at Wapping, [4] flow [5] sweet [4] river [5] flow
[1] After that there [2-] was no stoppin', [4] sweet [5] Thames flow [1] softly
[5] Richmond Park it was [2-] her ring, [4] flow [1] sweet [5] river [1] flow
[1] I'd have given her [2-] anything, [4] sweet [1] Thames flow [5] soft-[1]ly

[1] From Rotherhithe to [5] Putney Bridge, my [1] love I [4] was [5] declarin'.
And [1] she from Kew to [5] Isleworth, her [1] love for [5] me was [1] swearin'.
Love had set my heart [2-] a-burnin', [4] flow [5] sweet [4] river [5] flow
[1] Never saw the [2-] tide was turnin', [4] sweet [5] Thames flow [1] softly
[5] Gave her Hampton [2-] Court to twist, [4] flow [5] sweet [4] river [5] flow
[1] Into a bracelet for [2-] her wrist, [4] sweet [1] Thames flow [5] soft-[1]ly

[1] And now, alas, the [5] tide has changed, my [1] love she [4] has gone [5] from me.
And the [1] winter's frost has [5] touched my heart, and [1] left its [5] blight [1] upon me.
Creepin' fog is [2-] on the river, [4] flow [5] sweet [4] river [5] flow
[1] Sun and moon and [2-] stars gone with her, [4] sweet [5] Thames flow [1] softly
[5] Swift the Thames flows [2-] to the sea, [4] flow [5] sweet [4] river [5] flow
[1] Bearin' ships and [2-] part of me, [4] sweet [1] Thames flow [5] soft-[1]ly

[1] Red telephone sitting by my bed, [3-] practically [4] bore your name
[2-] Lying alone in the twilight zone, waiting for your [5] call to come in
[3-] Hadn't been for the kid who was sleeping upstairs, you'd have [1] found me
Well [5] on my way, [b2] on that midnight [5] plane to LA,
[2-] you - suffered [5] sweeter for me
than [2-] anyone [5] I've ever [1] known

[1] I dared to look into the years... [3-] Would you still [4] have your wife?
[2-] I dared to peer through my tears.. Could we ever [5] have a life?
[3-] Even thought I was pregnant by you, but [1] I didn't care.
I just [5] just talked to my son... [b2] Would he mind a- [5]nother one?
[2-] you - suffered [5] sweeter for me
than [2-] anyone [5] I've ever [1] known

[1] Once more the mist rolls to the sea - [3-] like a hundred [4] times we've known.
[2-] Trees have faded and the clouds have stopped, where the [5] wind had blown.
[3-] How I dread when the evening comes, and I [1] cannot be
what you [5] want me to be [b2] when you are [5] next to me.

[1] How silent you are as the veils come down_ [3-] before my [4] eyes.
[2-] Soft and reserved as you move away, [5] donning your disguise.
[3-] While every folk song that I ever knew, once [1] more comes true.
And [5] love grows old [b2] and [5] waxes cold.
[2-] you - suffered [5] sweeter for me
than [2-] anyone [5] I've ever [1] known

[1] Just one favor of you my love. [3-] If I should [4] die today,
[2-] take me down to where the hills meet the sea, on a [5] stormy day.
[3-] Ride a ridge on a snow white horse, and throw my [1] ashes away
To the [5] wind and the sand [b2] where my [5] song began.
[2-] you - suffered [5] sweeter for me

[1]* Please allow me to intro- [b7]*-duce myself
I'm a [4]* man of wealth and [1]* taste [1sus4] [1]
[1]* I've been around for a [b7]* long, long year
Stolen [4]* many a man's soul and [1]* faith [1sus4] [1]

[1] I was around when [b7] Jesus Christ
Had His [4] moment of doubt and [1] pain [1sus4] [1]
Made damn sure that [b7] Pilate washed his [4] hands and sealed his [1] fate [1sus4] [1]

[5] Pleased to meet you hope you guess my [1] name [1sus4] [1]
But what's [5] puzzling you is the nature of my [1] game [1sus4] [1]

[1] I stuck around St. [b7] Petersburg When I [4] saw it was time for a [1] change
I killed the Tzar and his [b7] ministers Anas- [4]tasia screamed in [1] vain
I rode a tank, held a [b7] gen'ral's rank
When the [4] blitzkrieg raged and the [1] bodies stank

[1] I watched with glee while your [b7] kings and queens
Fought for [4] ten decades for the [1] gods they made
I shouted out "Who killed the [b7] Kennedys?" when [4] after all it was [1] you and me

[1] Let me please intro- [b7]duce myself, I am a [4] man of wealth and [1] taste
And I lay traps for [b7] troubadours Who get [4] killed before they reach Bom- [1]bay

[1] I watched with glee while your [b7] kings and queens
Fought for [4] ten decades for the [1] gods they made
I shouted out "Who killed the [b7] Kennedys?" when [4] after all it was [1] you and me

Fought for [4] ten decades for the [1] gods they made
I shouted out "Who killed the [b7] Kennedys?" when [4] after all it was [1] you and me

[1] Just as every cop is a [b7] criminal
And [4] all the sinners [1] saints
As heads is tails, just call me [b7] Lucifer 'cause I'm in [4] need of some re- [1]straint
[1] So if you meet me, have some [b7] courtesy
Have some [4] sympathy and some [1] taste
Use all your well-learned [b7] politesse or I'll [4] lay your soul to [1] waste

[1] I watched with glee while your [b7] kings and queens

When there's nothing to be [2-] lieve [4] in
Still you're [5] coming back, you're [4] running back
You're [5] coming back for [4] more [5]

If the Heavens ever [4-] did [1-] speak
She is the last true [4-] mouth [3] piece
Every Sunday's getting [4-] more [1-] bleak
A fresh poison [4-] each [7] week
'We were born [6] sick', you heard them say [1-] it
My church offers no [4-] abso-[1-] lutes
She tells me 'worship in the [4-] bed-[3]room'
The only heaven I'll be [4-] sent [1-] to
Is when I'm alone [4-] with [7] you
I was born [6] sick, but I love it
Command me to be well
[3] Aaaaaaa [6] aaaaaaaaa-[3] men. [6-] Aaaaaaaa-[3] men. [6-] Aaa-[3] men

> CHORUS

> Take me to [1-] church

[1-] If I'm a pagan of the [4-] good [1-] times
My lover's the [4-] sun-[3]light
To keep the Goddess on [4-] my [1-] side
She demands a [4-] sacri-[7]fice
To drain the whole [6] sea
Get something [1-] shiny
Something meaty for the [4-] main [1-] course
That's a fine looking [4-] high [3] horse
What you got in the [6] sta-[1-]ble?
We've a lot of star-[4-]ving [7] faithful
That looks [6] tasty, that looks plenty, this is hungry work

CHORUS

Take me to [1-] church
I'll worship like a dog at the shrine of your [b57] lies
I'll tell you my sins and you can sharpen your [3] knife
Offer me that [4-] deathless death
Good [1-] God, let me give you my life
Take me to [1-] church
I'll worship like a dog at the shrine of your [b57] lies
I'll tell you my sins and you can sharpen your [3] knife
Offer me that [4-] deathless death
Good [1-] God, let me give you my life

[6] No masters [3] or kings [b57] when the ritual [b57] be-[1-]gins
There [6] is no sweeter [3] innocence than [b57] our gentle [1-] sin
In the [6] madness and [3] soil of [b57] that sad [1-] earthly scene
Only [6] then I am [3] human
[b57] Only then I am [1-] clean [3] [6]
[3] Amen. A [6] men. A [3] men [6-] [3] [6-] [3]

CHORUS

Take me to [1-] church
I'll worship like a dog at the shrine of your [b57] lies
I'll tell you my sins and you can sharpen your [3] knife
Offer me that [4-] deathless death
Good [1-] God, let me give you my [4-] life [3]

Take me to [1-] church
I'll worship like a dog at the shrine of your [b57] lies
I'll tell you my sins and you can sharpen your [3] knife
Offer me that [4-] deathless death
Good [1-] God, let me give you my [4-] life [3]

[b7] Many men have loved the [4] bells
[b7] You fastened to the [4] rein
[2-] And everyone who wanted [5-] you
[2-] They found what they will [1] always [2-] want a-[1]gain
[3-] Your beauty lost to you your-[6-]self
Just [3-] as it was lost to [6-] them

Oh [4] take this longing from my [1] tongue
What-[4]ever useless things these hands have [1] done
[4] Let me see your beauty broken [1] down
[3-] Like you would [4] do for one you [1] love

[b7] Your body like a [4] searchlight
[b7] My poverty re-[4]vealed
[2-] I would like to try your [5-] charity
[2-] Until you cry, "[1] Now you must [2-] try my [1] greed."

Intro: [1] [1sus4][1][1sus4]

[1] Early one mornin' the [b7sus2] sun was shinin',
[1] I was layin' in [b7sus2] bed
[1] Wond'rin' if she'd [b7sus2] changed at all
If her [4] hair was still red.
[1] Her folks they said our [b7sus2] lives together
[1] Sure was gonna be [b7sus2] rough
[1] They never did like Mama's [b7sus2] homemade dress
Papa's [4] bankbook wasn't big enough.
[5] And I was standin' on the [6-] side of the road
[1] Rain fallin' on my [4] shoes
[5] Heading out for the [6-] East Coast
Lord [1] knows I've paid some [4] dues gettin' [5] through,
[b7] Tangled [4] up in [1] blue. [1sus4][1][1sus4]

[1] She was married when [b7sus2] we first met
[1] Soon to be divorced [b7sus2]
[1] I helped her out of a [b7sus2] jam, I guess,
But I [4] used a little too much force.
[1] We drove that car as [b7sus2] car as we could
[1] Abandoned it out West [b7sus2]
[1] Split up on a dark sad [b7sus2] night
Both agr-[4]eeing it was best.
[5] She turned around to [6-] look at me
[1] As I was walkin' [4] away
[5] I heard her say [6-] over my shoulder,
"We'll [1] meet again someday [4] on the avenue [5],"
[b7] Tangled [4] up in [1] blue. [1sus4][1][1sus4]

[1] I had a job in the [b7sus2] great north woods
[1] Working as a cook for [b7sus2] a spell
[1] But I never did like [b7sus2] it all that much
And [4] one day the ax just fell.
[1] So I drifted down to [b7sus2] New Orleans
[1] Where I happened to be [b7sus2] employed
[1] Workin' for a while on [b7sus2] a fishin' boat
Right [4] outside of Delacroix.
[5] But all the while I was alone [6-]
[1] The past was close [4] behind,
[5] I seen a lot of women [6-]
But [1] she never escaped my [4] mind, and I [5] just grew
[b7] Tangled [4] up in [1] blue. [1sus4][1][1sus4]

[1] She was workin' in a [b7sus2] topless place
[1] And I stopped in for a [b7sus2] beer,
[1] I just kept lookin' at [b7sus2] the side of her face
In the [4] spotlight so clear.

[1] And later on as the [b7sus2] crowd thinned out
[1] I's just about to do [b7sus2] the same,
[1] She was standing there [b7sus2] in back of my chair
Said [4] to me, "Don't I know your name?"
[5] I muttered somethin' [6-] underneath my breath,
[1] She studied the [4] lines on my face.
[5] I must admit I felt a little un-[6-]easy
When [1] she bent down to tie [4] the laces of [5] my shoe,
[b7] Tangled [4] up in [1] blue. [1sus4][1][1sus4]

[1] She lit a burner [b7sus2] on the stove
and [1] offered me a [b7sus2] pipe
[1] "I thought you'd never [b7sus2] say hello," she said
"You [4] look like the silent type."
[1] Then she opened up a book [b7sus2] of poems
[1] And handed it to me [b7sus2]
[1] Written by an Italian [b7sus2] poet
From [4] the thirteenth century.
[5] And every one of them [6-] words rang true
[1] And glowed like bur-[4]nin' coal
[5] Pourin' off of every page [6-]
Like [1] it was written in my [4] soul from me [5] to you,
[b7] Tangled [4] up in [1] blue. [1sus4][1][1sus4]

[1] I lived with them on [b7sus2] Montague Street
[1] In a basement down the [b7sus2] stairs,
[1] There was music in the [b7sus2] cafes at night
And re-[4]volution in the air.
[1] Then he started into [b7sus2] dealing with slaves
[1] And something inside [b7sus2] of him died.
[1] She had to sell every [b7sus2] thing she owned
And [4] froze up inside.
[5] And when finally the [6-] bottom fell out
[1] I became withdrawn [4]
[5] The only thing I knew how to do [6-]
Was [1] to keep on keepin' on [4] like a bird [5] that flew,
[b7] Tangled [4] up in [1] blue. [1sus4][1][1sus4]

[1]So now I'm goin' back [b7sus2] again,
[1] I got to get to her some-[b7sus2]how.
[1] All the people we used [b7sus2] to know
They're [4] an illusion to me now.
[1] Some are mathematician [b7sus2]s
[1] Some are carpenter's [b7sus2] wives.
[1] Don't know how it all [b7sus2] got started,
I don't [4] know what they're doin' with their lives.
[5] But me, I'm still [6-] on the road
[1] Headin' for another [4] joint
[5] We always did [6-] feel the same,
We [1] just saw it from a diff-[4]erent point of [5] view,
[b7] Tangled [4] up in [1] blue. [1sus4][1][1sus4]

The [1]* town I came from was quiet and [57]* small
We played in the [57]* meadows where the grass grew so [1]* tall
In [1]* summer the lilacs would grow every-[57]* where
The [57]* laughter of children would float in the [1]* air

And I can [6-] see it all so clearly now we're going [1] on
Yes I can [6-] see it all so clearly now though all of it's [1] gone

[1] As I grew older I had to [57] roam
Far from my family far from my [1] home
Into the city where lives can be [57] spent
Lost in the shadows of tar and ce-[1]ment
Into the city where I had my [57] eye
On all of the pleasures money can [1] buy

[1] And every [6-] night I'd sit alone and learn what loneliness [1] meant
Up in my [6-] rented room above the world of tar and ce-[1]ment

[1] Each day I'd wake up and look at the [57] sky
Think of the meadows where I used to [1] lie
Then I'd remember all of that's [57] gone
You're in the city you better push [1] on
Get what you came for before it's too [57] late
Get what you came for the meadows can [1] wait

[1] So every [6-] night I'd sit alone and learn what loneliness [1] meant
Up in my [6-] rented room above the world of tar and ce-[1]ment

[1] Many years later tired at [57] last
I headed for home to look for my [1] past
I looked for the meadows there wasn't a [57] trace
Six lanes of highway had taken their [1] place
Where were the lilacs and all that they [57] meant
Nothing but acres of tar and ce-[1]ment

Yet I can [6-] see it there so clearly now where has it [1] gone
Yes I can [6-] see it there so clearly now where has it [1] gone
Fade to end

[1] Where are the meadows [6-] (tar and cement)
[1] Where are the lilacs [6-] (tar and cement)
And [1] where is the tall grass [6-] (tar and cement)
The [1] laughter of children [6-] (tar and cement)

[1] Once I [4] married a tattooed [1] lady, (well tell me about her Skeets)
it was on a [b27] cold and winter [57] day.
[1] And tattooed [4] all around her [1] body (what was that?)
was the [b27] map of the good old US [5]A.
[4] And every night before I'd go to [1] sleep, (what'd ya do Skeets?)
I'd [b27] jerk down the quilt and I'd take a [5] peep.
[NC] But good gracious alive!

Upon her [1] leg was Minne [b2]sota,
On her [57] shoulder Tennes [1]see.
And tattooed [4] on her back
was good old [1] Rackensack,
the [b27] place where I long to [5] be. [57]
Upon her [1] (wolf whistle) was West Vir [b27]ginnie,
Through them [5] hills I did love to [1] roam.
When I [4] saw the the moonlight on her Missi [1]ssippi

I'm an [1] ordinary joker, growing [4] old before me time,
Cause me [1] heart's in Taumarunui on the [b2] Main Trunk [5] Line
in [1] Taumarunui, [4] Taumarunui. [1] Taumarunui on the [5] Main Trunk [1] Line!

You can [1] get to Taumarunui going [4] North or going [1] South,
And you pull in there at midnight and there's [b2] cinders in your [5] mouth,
got [1] cinders in your whiskers and a [4] cinder in your eye,
So you [1] pop off to Refreshments for a [b2] cuppa tea and [5] pie,
in [1] Taumarunui [4] Taumarunui. [1] Taumarunui on the [5] Main Trunk [1] Line!

[1] There's a sheila in Refreshments and she's [4] pouring cups of [1] tea,
And my heart jumps like a rabbit when [b2] she pours a cup for [5] me.
She's got [1] hair of flaming yellow and [4] lips of flaming' red,
And I'll [1] love that flaming sheila till [b2] I'm up and gone and [5] dead,
From [1] Taumarunui [4] Taumarunui. [1] Taumarunui on the [5] Main Trunk [1] Line!

[1] Now you can get a job in Wellington [4] or get a job up [1] North,
But you can't in Taumarunui though you [b2] try for all [5] you're worth.
If I want [1] to see this sheila I've got [4] to take the train,
Get ten [1] minutes for refreshments then [b2] they cart me [5] off again,
From [1] Taumarunui [4] Taumarunui. [1] Taumarunui on the [5] Main Trunk [1] Line!

[1] Well they took me on as Fireman on the [4] Limited Express,
Add I [1] thought that she'd be Jake but she's [b2] all a flamin' [5] mess
The [1] sheila didn't like me though I [4] thought she'd be a gift,
But she's [1] gone and changed her duty now and [b2] works the daylight [5] shift, in
[1] Taumarunui [4] Taumarunui. [1] Taumarunui on the [5] Main Trunk [1] Line!

[1] I'm an ordinary joker, growing [4] old before me time
'Cause me [1] heart's in Ta'm'runui on the [b2] Main Trunk [5] Line.
In [1] Ta'm'r'nui, [4] Ta'm'r'nui, [1] Ta'm'r'nui on the [5] main Trunk [1] Line,
In [1] Ta'm'r'nui, [4] Ta'm'r'nui, [1] Tamra-bloody-nui [5] on the Main [1] Trunk Line!

And [1] so become your [4]self
Because the [1] past is just a [5] goodbye

[1] Teach your children [4] well
Their father's [1] hell did slowly [5] go by [57]
And [1] feed them on your [4] dreams
The one they [1] picks the one you'll [5] know by

No [4] gold-plated sign, in a [1] marble pillared room
The [4] one thing I want, when they [b7] lay me in the ground
When I [4] die, [1] tear my stillhouse [4] down

Oh, [b7] tear my stillhouse down, let it go to rust
Don't [4] leave no trace of the hiding place where I made that evil stuff
For [b7] all my time and money, no profit did I see
That [4] old copper kettle was the [17] death of [4] me.

When [4] I was a child, way [b7] back in the hills
I [4] laughed at the men, who [1] tended those stills
But that [4] old mountain shine, it [b7] caught me somehow
When I [4] die, [1] tear my stillhouse [4] down.

Oh, [b7] tear my stillhouse down, let it go to rust
Don't [4] leave no trace of the hiding place where I made that evil stuff

[4] But it doesn't matter, [1] give me the laughter. [57] I'm gonna choose to keep. [57]

Another [1] tender Tennessee [4] Christmas, the [5] only Christmas for [1] me. [1]
Where the [1] love circles a-[b6-7]round us,
like the [b2-7] gifts around our [5] tree. [5]

[1] Every now and [b6-7] then I get a [b7] wandering urge to [5] see. [5]
[1] Maybe Cali-[b6-7]fornia, maybe [b7] tinseltown's for [5] me. [5]
[4] There's a parade there, [1] we'd have it made there,
[5] Bring home a tan for [1] New Year's Eve.
[4] Sure sounds exciting, [1] awfully inviting. [57] Still I think I'm gonna keep. [57]

Another [1] tender Tennessee [4] Christmas, the [5] only Christmas for [1] me. [1]
Where the [1] love circles a-[b6-7]round us,
like the [b2-7] gifts around our [5] tree. [5]
Well, they [1] say in L.A., it's a [b3-7] warm holiday.
It's the [5-] only place to [4] be. [4]
But a [4] tender [5] Tennessee [1] Christmas, [b6-7]
Is the [b2-7] only [5] Christmas for [1] me.

[1] Used to spend my nights out in a bar [2-]room
[4] Liquor was the only love I've known [1]

But you rescued me from reachin' for the bot- [2-]tom
And brought me [4] back from being too far gone [1]

I've looked for love in all the same old places [2-]
[4] Found the bottom of a bottle was always [1] dry

But when you poured out your heart I didn't waste it [2-]
Cause there's no-[4]thing like your love to get me [1] high, yeah

[1] She said I'm goin' out with [4] my girl [1]friends
For margaritas at the [5] Holiday [1] Inn
Oh have [1] mercy my [4] only [1] thought
Was [6-] Tequila Makes Her [5] Clothes Fall [1] Off

[1] I told her put an extra [4] layer [1] on
I know what happens when she [5] drinks [1] Patron
Her closets missin' half the [4] things she [1] bought
Yeah [6-] Tequila Makes Her [5] Clothes Fall [1] Off

Chorus:
[4] She'll start by kickin' [1] out of her shoes
[5] Lose an earring in her [1] drink
[4] Leave her jacket in the [1] bathroom stall
[2-] Drop a contact down the [5] sink

[1] Them panty-hose ain't gonna [4] last too [1] long
If the DJ puts Bon [5] Jovi [1] on
She might come home in a [4] table [1] cloth
Yeah [6-] Tequila Makes Her [5] Clothes Fall [1] Off

[1] She can handle any [4] champagne [1] brunch
Bridal shower with [5] Bacardi [1] punch
Jello shooters [4] full of Smir [1]noff
But [6-] Tequila Makes Her [5] Clothes Fall [1] Off

Chorus

[1] She don't mean nothin' she's just [4] havin' [1] fun
Tomorrow she'll say oh what [5] have I [1] done
Her friends will joke about the [4] stuff she [1] lost
Yeah [6-] Tequila Makes Her [5] Clothes Fall [1] Off
Oh [6-] Tequila Makes Her [5] Clothes Fall [1] Off

[1] It's another Tequila sunrise

[1] He was just a hired hand
[5] Working on the dreams he planned to [2-] try, [57] the days go [1] by

[6-] Every night when the [4] sun goes down
[6-] He's just another [4] lonely boy in [6-] town
[2-] And she's out running [5] round [5]

[1] She wasn't just another woman
[5] And I couldn't keep from coming [2-] on, [57] it's been so [1] long
[16] [1] [16]
[1] Oh and it's a hollow feeling
[5] When it comes down to dealing [2-] friends, [57] it never [1] ends

[2-] Take another [5] shot of courage,
[3-] Wonder why the [b67] right words never [2-] come
[b3] You just get [b6-7] numb [b2]

[1] It's another Tequila sunrise
[5] This old world still looks the [2-] same

Well, [1] life on the farm is kinda laid [4] back
Ain't [1] much a country boy like [b7] me can't [5] hack
It's [1] early to rise, early in the [4] sack
[1] Thank God I'm a [5] country [1] boy
A [1] simple kind of life never did me no [4] harm
[1] Raisin' me a family and [b7] livin' on the [5] farm
My [1] days are all filled with an easy country [4] charm
[1] Thank God I'm a [5] country [1] boy

> CHORUS
>
> **Chorus**
> Well, I [5] got me a fine wife, I got my old [1] fiddle
> When the [5] sun's comin' up I got [1] cakes on the griddle
> Life ain't nothin' but a funny, funny [4] riddle
> [1] Thank God I'm a [5] country [1] boy

When the [1] work's all done and the sun's settin' [4] low
I [1] pull out my fiddle and [b7] rosin up the [5] bow
But the [1] kids are a-sleep so I keep it kinda [4] low
[1] Thank God I'm a [5] country [1] boy
I'd [1] play "Sally Goodin" all day if I [4] could
But the [1] wife and my family wouldn't [b7] take it very [5] good
So I [1] fiddle when I can and I work when I [4] should
[1] Thank God I'm a [5] country [1] boy

> CHORUS
>
> **Chorus**

Well I [1] wouldn't trade my life for diamonds or [4] jewels
I [1] never was one of those [b7] money hungry [5] fools
I'd [1] rather have my fiddle and my farmin' [4] tools,
[1] Thank God I'm a [5] country [1] boy
Yeah, [1] city folks drivin' in a black limou- [4] sine
A [1] lotta sad people think that's [b7] mighty [5] keen
Well, [1] folks, let me tell you exactly what I [4] mean
[1] Thank God I'm a [5] country [1] boy

> CHORUS
>
> **Chorus**

Well my [1] fiddle was my daddy's till the day he [4] died
And he [1] took me by the hand and held me [b7] close to his [5] side
He said, [1] "Live a good life, play my fiddle with [4] pride
And [1] thank God you're a [5] country [1] boy
My [1] daddy taught me young how to hunt and how to [4] whittle
He [1] taught me how to work and play a [b7] tune on the [5] fiddle

[1] I'm nothing special, in [57] fact I'm a bit of a [1] bore [5-7] [17]
If [4] I tell a joke, [b67] you've probably heard it be-[b2-7]fore [57]
But [1] I have a talent, a [57] wonderful thing
'Cause [1] everyone listens when [4] I start to [4-] sing
I'm so [6-] grateful and proud
All I [2-] want is to sing it out [57] loud

So I say [1] thank you for the [2-] music, the [57] songs I'm [1] singing
[6-] Thanks for all the [b27] joy they're [57] bringing
[1] Who can live with-[2-]out it, I [3-] ask in [b6-7] all hones-[4]ty
What would life [4-] be?
Without a [1] song or a [17] dance what are [b6] we?
So I say [b2-7] thank you for the [4] music
For [57] giving it to [1] me [1] [b2-7] [57]

Mmm, hmm, she [4] says I began to [b67] sing long before I could [b2-7] talk [57]
And [1] I've often wondered, how [57] did it all start?
Who [1] found out that nothing can [4] capture a [4-] heart
Like a [6-] melody can? [4]
Well, who-[2-]ever it was, I'm a [57] fan

So I say [1] thank you for the [2-] music, the [57] songs I'm [1] singing
[6-] Thanks for all the [b27] joy they're [57] bringing
[1] Who can live with-[2-]out it, I [3-] ask in [b6-7] all hones-[4]ty

Thanks to James Ginther for the lyrics

[1] [4] [1] [4] [1] [57] [1]
[1] Oh the days are bad and the [4] nights are long
and the [1] whole wide world is [4] going wrong.
It's [1] all because I'm [5] far away from [1] home. [5]

When I [1] bow my head and I [4] close my eyes,
it is [1] then I stop and [4] realize,
Oh, [1] what a fool I [b27] was to ever [5] roam.

There's a [1] long, long trail a-[4]wind-[1]ing
to a l[4] and that's fair and [1] bright.
It's a trail I'm always [4] fin-[1]ding
when I [b27] go to sleep at [5] night

And I [1] dream, I'm climbing [4] up the hill
where I [1] used to [5] hear that [4] whipporwill
in the [1] good old country [57] town where [5] I was [1] born.

I tried to figure out [b37] just what it's all about,
[4] why I ever left [1] home.
[5] I got a notion [1] in my [6-] head
the [b27] ol' home town was [5] mostly dead,

but [1] I learned a thing or two [b37] as we were bound to do
[4] when we're roaming a-[1]round
and [5] I made up my mind right now.
I'll [b27] soon be homeward [5] bound.

Oh, the [1] sun shines brighter [4] every day
and the [1] breezes blow your [4] blues away
In the [1] good old country [5] town I'm longing [1] for [5]

It's a [1] place where clothes don't [4] make the man
and they [1] mean it when they [4] shake your hand
and a [1] stranger won't be [b2] turned from any [5] door.

It's a [1] land of milk and [4] honey
where the folks are on the [1] square,
though they don't have lots of [4] mooo-[1]ney,
you're [b27] always welcome [5] there.

Oh, I [1] know that I'm just a [4] small time guy,
so I'm [1] going back to l[4]ive and die
in the [1] good old country [b2] town where [5] I was [1] born

abbreviated instrumental

INSTRUMENTAL

And I [1] dream, I'm climbing [4] up the hill
where I [1] used to [5] hear that [4] whipporwill
in the [1] good old country [57] town where [5] I was [1] born.

Oh I wonder if I'm [4] going to find
That [1] little girl I [4] left behind
I [1] never can for-[5]get her smiling [1] face [5]

When I [1] start back home where [4] belong
In my [1] heart I know there'll [4] be a song
For [1] no-one else can [b27] ever take her [5] place

When I [1] get off at the [4] sta-[1]tion,
and I [4] see those happy [1] smiles,
I will tell the whole creation.
I would [b27] walk a thousand [5] miles
just to [1] be back where the [4] skies are blue,
where I [1] know my friends are [4] always true
in the [1] good old country [5] town where I was [1] born.

[1] Working on the site from [1] morning 'till night
That's [5] livin' alright, that's livin' alright
Then a [57] pint with the boys, in a bar full of noise
That's [1] livin' alright, that's [1] livin' alright

[3-] My father sits at night with [1maj7] no lights on
[3-] His cigarette glows in the [1] dark
[5-7] The living room is still
[4] I walk by, no re-[b2-7]mark [b2] [1]

[3-] I tiptoe past the master [1maj7] bedroom where
[3-] My mother reads her maga-[1]zines
[5-7] I hear her call sweet dreams
[4] But I forgot how to [b2-7] dream [b2] [1]

[b7] But you say it's time we [b6-7] moved in together
[5-7] And raised a [17] family of our [4maj7] own, you and me
[b7] Well, that's the way I've always [b6-7] heard it should be
You want to [b2] marry me
We'll [5] marry

[3-] My friends from college, they're all [1maj7] married now
[3-] They have their houses and their [1] lawns
[5-7] They have their silent noons
[4] Tearful nights, angry [2-] dawns [b2] [1]

[3-] Their children hate them for the [1maj7] things they're not
[3-] They hate themselves for what they [1] are
[5-7] And yet they drink, they laugh
[4] Close the wound, hide the [b2-7] scar [b2] [1]

[b7] But you say it's time we [b6-7] moved in together
[5-7] And raised a [17] family of our [4maj7] own, you and me
[b7] Well, that's the way I've always [b6-7] heard it should be
You want to [b2] marry me
We'll [5] marry

[3-] You say we that can keep our [1maj7] love alive
[3-] Babe, all I know is what I [1] see
[5-7] The couples cling and claw
[4] And drown in love's de-[2-]bris [b2] [1]

[3-] You say we'll soar like two birds [1maj7] through the clouds
[3-] But soon you'll cage me on your [1] shelf
[5-7] I'll never learn to be
[4maj7] Just me first, by my-[b2-7]self [b2] [1]

[b7] Well, okay, it's time we [b6-7] moved in together
[5-7] And raised a [17] family of our [4maj7] own, you and me

[1] Well, I know a guy who's got a lot to lose,
he's a [4] pretty nice fella, kinda confused,
He's got [1] muscles in his head, never been used,
thinks he owns half of this [5] town. [57]
[1] Starts drinkin' heavy, got a big red nose,
[4] beats his old lady with a rubber hose,
Then he [1] takes her out to dinner, buys her new clothes,
that's the way the [57] world goes [1] round

[1] That's the way the world goes [17] round,
you're [4] up one day, the next you're down,
It's [1] half an inch of water, but you think you're gonna drown
that's the way the [57] world goes [1] round.

[1] Sittin' in my bathtub, countin' my [17] toes
when the [4] radiator broke, the water all froze
I got [1] stuck in the ice without my clothes
naked as the eyes of a [5] clown. [57]
I was [1] cryin' ice cubes, hopin' I'd croak,
when the [4] sun came through the window, the ice all broke,
[1] I stood up and laughed, thought it was a joke,
that's the way the [57] world goes [1] 'round.

[1] That's the way the world goes [17] round,

Intro [1] [1] [1] [1]

[1] Well I walked up to her
And I [57] asked her if she wanted to [1] dance
[1] She looked awful nice
And [57] so I hoped she might take a [1] chance
[4] When we danced I [1] held her tight
[4] And then I walked her [1] home that night
And all the stars were [57] shining bright and then I [1] kissed her

[1] Each time I saw her I [57] couldn't wait to see her a[1]gain
I wanted to let her [57] know that I was more than a [1] friend
[4] I didn't know just [1] what to do
[4] So I whispered [1] I love you
And she said that she [57] loved me too and then I [1] kissed her

I [4] kissed her in a [46] way
That I'd [4maj7] never kissed a [46] girl be[4]fore [46] [4maj7] [46]
I [b2] kissed her in a way
That I [b27] hoped she'd like for ever [5] more [57]

I [1] knew that she was mine
So I [57] gave her all the love that I [1] had
Then one day she'll take me [57] home
To meet her mum and her [1] dad
[4] And then I asked her to [1] be my bride
[4] And always be right [1] by my side
I felt so happy that I [57] almost cried and then I [1] kissed her
And then I [1] kissed her and then I [1] kissed her

beginners song

[57] There [1] was an old lady who swallowed a fly,
[57] I don't know why she swallowed a fly, perhaps she'll [1] die.

There [1] was an old lady who swallowed a spider,
That [57] wriggled and jiggled and tickled inside her,
She [1] swallowed the spider to catch the fly,
[57] I don't know why she swallowed the fly, perhaps she'll [1] die.

There [1] was an old lady who swallowed a bird,
[57] How absurd, to swallow a bird.
She [1] swallowed the bird to catch the spider,
That [57] wriggled and jiggled and tickled inside her,
She [1] swallowed the spider to catch the fly
[57] I don't know why she swallowed the fly, Perhaps she'll [1] die.

There [1] was an old lady who swallowed a cat
[57] Fancy that, to swallow a cat....

There [1] was an old lady who swallowed a dog
[57] What a hog, to swallow a dog....

There [1] was an old lady who swallowed a horse
She [57] died, of [1] course!

[1] You keep saying you've got something for me
[1] Something you call love but confess [17]
[4] You've been messin' where you shouldn't have been a mess in'
And now [1] someone else is gettin' all your best

These [b3] boots are made for [1] walking
And [b3] that's just what they'll [1] do
[b3] One of these days these [1] boots are gonna
Walk all over you

[1] You keep lying when you oughta be truthin'
And you keep losin' when you oughta not bet [17]
[4] You keep samin' when you oughta be changing'
Now what's [1] right is right but you ain't been right yet

These [b3] boots are made for [1] walking
And [b3]that's just what they'll [1] do
[b3] One of these days these [1] boots are gonna
Walk all over you

[1] You keep playin' where you shouldn't be playin'
And you keep thinkin' that you'll never get burnt. [17] Ha!
[4] I just found me a brand new box of matches, yeah
And [1] what he knows you ain't had time to learn

These [b3] boots are made for [1] walking
And [b3] that's just what they'll [1] do
[b3] One of these days these [1] boots are gonna
Walk all over you

[1] A cigarette that [6-] bears a [2-] lipstick's traces, [57]

[17] And still my heart has [4] wings, [b67] these foolish [b27] things

[1] A tinkling [6-] piano in the [2-] next a-[57]partment,

[3-] You came, [6-] you [b77] saw, [3-] you conquered [b67] me,
[5] When [3-] you [6-] did that to [b27] me, [57] I, knew somehow,
[2-] this had to [57] be!
[1] The winds of [6-] March that [2-] make my heart a [57] dancer,
[1] A telephone [6-] that rings, [2-] and who's to an-[57]swer?
[1] Oh, how the ghost of you [4] clings, [b67] these foolish [2-] things

[1] Gardenia [6-] perfume lingering [2-] on a pillow, [57]
[1] Wild straw-[6-]berries only seven [2-] francs a [57] kilo,

[1] The park at [6-] evening when [2-] the bell has soun-[57]ded,

[3-] I know [6-] that [b77] this [3-] was bound to [b67] be,
[5] These [3-] things [6-] have haunted [b27] me,

[1] The sigh of [6-] midnight trains [2-] in empty [57] stations,
[1] Silk stockings [6-] thrown aside, [2-] dance invi-[57]tations,
[1] Oh, how the ghost of you [4] clings, [b67] these foolish [2-] things
remind me of [57] you,

[1] First daffodils, [6-] and long ex-[2-]cited [57] cables,
[1] And candle-[6-]light on little [2-] corner [57] tables,
[1] And still my heart has [4] wings, [b67] these foolish [b27] things
re-[2-]mind me of you, [57]
[1] The smile of [6-] Garbo, when [2-] the scent of [57] roses,
[1] The waiters [6-] whistling as the [2-] last bar [57] closes,
[1] The song Crosby [4] sings, [b67] these foolish [2-] things
[57] remind me of [1] you, [b77]
[3-] How strange, [6-] how [b77] sweet, [3-] to find you [b67] still,
[5] These [3-] things [6-] are dear to [b27] me,
[57] that seem [b2-dim] to bring [2-] you so near to [57] me!
[1] The scent of [6-] smouldering leaves, [2-] the wail of [57] steamers,
[1] Two lovers, [6-] on the street, who [2-] walk like [57] dreamers,
[1] Oh how the ghost of you [4] clings, [b67] these foolish [b27] things
[57] remind me of you, [1]

[1] [4] [1] [4]
[1] You've been around for such a [4] long time now,
Or maybe [2-] I could leave you, but I [5] don't know how.
[1] And why should I be [4] lonely every night,
When I can [2-] be with you; oh yes, you [5] make it right.

And I [4] don't, listen to the [5] guys who say,
That you're [1]bad for me, and I should [4] turn away.
'Cos, [1] they don't [2-] know about [3-] us, [5]
And [4] they've never [b7] heard of [1] love.

[1] I get a feeling, when I [4] look at you;
Wherever [2-] you go now, I wanna [5] be there too.
[1] They say we're crazy, but I [4] just don't care,
And if they [2-] keep on talkin', still they [5] get nowhere.

So I [4] don't, mind if they don't [5] understand
When I [1] look at you and you [4] and you hold my hand
'Cos, [1] they don't [2-] know about [3-] us, [5]
And [4] they've never [b7] heard of [1] love.

[6-] Why should it [b7] matter to us, if [4] they don't ap-[5] prove?
[6-] We should just [b7] take our chances, while [4] we've got nothing to [5]lose.

[1] [4] [1] [4] [1] [4] [5]
Baby, [1] There's no need for living [4] in the past,
Now I [2-] found good loving; gonna [5] make it last.
[1] I tell the others not to [4] bother me,
'Cos when they [2-] look at you, they don't see [5] what I see.

No I [4] don't listen to their [5] wasted lines
Got my [1] eyes wide open and I [4] see the signs
But [1] they don't [2-] know about [3-] us, [5]
And [4] they've never [b7] heard of [1] love.

No I [4] don't listen to their [5] wasted lines
Got my [1]eyes wide open and I [4] see the signs
But [1] they don't [2-] know about [3-] us, [5]

But [1maj7] remember to think like a [47] child. [b27]

VERSE 2:

Remember the [5] way that the [1] big world [b2] seemed
[1] Crazy and [5] mean in [1] scene after [b2] scene
With [1] eyes shut [5] tight in [1] case they should [b2] see
That [1] everything [3-] touches other things to [b2] hand
They'd [1] try and pre[3-]tend not to under[b2]stand
And the [3-] promise I [b77] made was try hard as I [3-] can
And re[1maj7]member to think like a [47] child. [b27]

BRIDGE:

[b27] And the [5] child that you [b77] were is the [1] best you will [b67] be
And the [b77] eyes that [3-] saw are the [1] clearest you'll [b27] see
And the [5] shadows that [b77] grew as the [1] years cloud your [b67] smile
Will [b77] fall back if you [3-] only will [b2] feel like a [5] child.

VERSE 3:

[b2] Remember just [5]this, you've [1] got to re[b2]sist
[1] Set your al[5]arm so that [1] you never [b2] miss
A [1] chance to be [5] smart, not just [1] remi[b2]nisce
And [1] take a [3-] look at the ones who for[b2]got
The [1] cold, cold [3-] faces and the empty [b2] hearts
In the [3-] crowded [b77] streets you might think you're [3-] lost
But [1maj7] remember to think like a [47] child. [b27]

Once the [1] gallant order of the [4] Ukulele [5] Group,
Went for a hike [5] a country [1] hike.
Over hills [1] and over dales [4] and over hedges [1] to
[5] Not one complaining what a gallant [1] crew. [5]
But hobnail [5] boots had made out poor feet sore.
We walked and walked and walked, and then we walked some [57] more.

[1] Thirty thirsty throats, gosh you should have [5] seen us.
Wilder than the mountain goats, not a drink between [1] us.
Thirty thirsty throats, not a map to guide [5] us,
All the chillis in the world seemed to be inside [1] us..

With [4] grim faced smiles we [1] tramped for miles,
[b2] All about us empty bottles, piles and piles and [5] piles.
[1] Thirty thirsty throats full of dust and [5] fury
Would have sold our ukuleles for a bloomin' [1] brewery.

[1] Now the gallant players of the [4] ukulele [5] group
Won't walk no more, [5] no sir no [1] more.
With bunions, bumps and bruises on [4] their poor old feet [1] galore
[b2] If you mention hiking they lay upon the [5] floor.

[5] They all still love to hike but here's the rub
They love to take a hike right to the [b2] nearest [5] pub.
[1] Thirty thirsty throats, [1] gosh you should have seen [5] us.
Each one worth a million [5] pounds and not a drink between [1] us.

[1] Thirty thirsty throats marching on [5] together.
Each one of us, was praying hard, for some stormy [1] weather.
[4] We couldn't talk, could [1] hardly walk.
[b2] Would have given all we own, to taste a whisky [5] cork.
[1] Thirty thirsty throats feeling kinda [5] hazy.
The two stoogies are OK we'er the ones that's [1] crazy

[1] Thirty thirsty throats, thirsty boy you [5] said it
We could have drank the camels dry in the bloomin [1] desert.. STOP

[1-] Well I was sitting in a [5-] roadhouse [7] havin' a cup to pass the [1-] time
[1-] Swapping rodeo [5-] stories with a [7] few old territory friends of [1-] mine
[1-] When some motorcycle [3] riders started [4-] snickering in the back
[1-] They were pokin' fun [5-] at my friends [1-] hat
[1-] Well one old boy said [5-] 'Hey Tex where'd you [7] park your [1-] horse'
[1-] My friend just turned his [5-] hat down low but [7] they couldn't be ig-[1-]nored
[1-] Then one husky [3] fella said 'I think I'll [4-] rip that hat right off your head'
[1-] That's when my friend turned [5-] round and this is what he [1-] said

[1-] Now this old [5-] hat is [7] better left a-[1-]lone
[1-] You see it used to be my [5-] father's but [7] last year he passed [1-] on
[1-] My Uncle skinned the [3] red belly black that [4-] makes up this ol' hat band
[1-] But back in sixty [5-] nine he was killed in Viet-[1-]nam
[1-] Now the eagle feather was [5-] given to me by an [7] old aboriginal friend of [1-] mine
[1-] But someone run him [5-] down somewhere up around that [7] Nothern Territory [1-] line
[1-] And a real special [3] lady gave me this hat [4-] pin
[1-] But I don't know if I'm [5-] ever going to see her a-[1-]gain

You'll [1-] ride a black tor-[3]nado a-[4-]cross the western sky
You'll [1-] rope an old blue [3] norther and [5-] milk it 'til it's dry
Bull-[1-] dog the Diaman[3]-tina [4-] pin its ears down flat
[1-] Long before you [5-] take this cowboy's [1-] hat

[1-] Now if your leather jacket [5-] means to you what this old [7] hat means to [1-] me
[1-] Then I guess we under-[5-]stand each other and [7] we'll just let it [1-] be
[1-] But if you still think it's [3] funny then you've [4-] got my back up against the wall
[1-] And if you touch my [5-] hat then you're [7] gonna have to fight us [1-] all
[1-] Well right then and there I [5-] noticed a little [7] sadness in the gang leader's [1-] eyes
[1-] He turned back toward the [5-] others and they [7] all just shuffled on out-[1-]side
[1-] But when my friend turned [3] back towards me I [4-] noticed his hat brim
Well it was [1-] turned up in a [5-] big old Territory [1-] grin

You'll [1-] ride a black tor-[3]nado a-[4-]cross the western sky
You'll [1-] rope an old blue [3] norther and [5-] milk it 'til it's dry

From Cali-[57]fornia to the New York [1] Island,
From the Redwood [4] Forests to the Gulf Stream wa-[1]ters
[57] This land was made for you and [1] me.

As I was [4] walking that ribbon of [1] highway

While all a-[4]round me a voice was [1] sounding

When the sun came [4] shining, and I was [1] strolling
And the wheat fields [57] waving and the dust clouds [1] rolling
A voice was [4] chanting and the fog was [1] lifting,
[57] This land was made for you and [1] me.

As I went [4] walking I saw a [1] sign there
And on the [57] sign it said "No Tres-[1]passing."
But on the [4] other side it didn't say [1] nothing,
[57] That side was made for you and [1] me.

In the shadow of the [4] steeple I saw my [1] people,
By the relief [57] office I seen my [1] people;

Nobody [4] living can ever make me [1] turn back

From [7-7] being close to-[37]gether from the [6maj7] start

I wish I could [4] write a [6-] song
Good e-[3-]nough for the [4] world to sing a-[1]long
And if I could [4] write that [3-] song
In a [4] language that the world would under-[1]stand
And if they [6-] sing it e-[1]nough the [4] message might get [1] through
The [4] message that was [1] only meant for [5] you
Wher-[6-]ever you [1] are, no [4] matter how [1] far
This [4] message was [1] only meant for [5] you:

I hope you're [1] smiling. [4]
I [6-] hope your [3-] worries are as [1] far away as me
I hope you're [1] happy, [4]
[6-] I hope your [3-] troubles are as [1] far away

I [1] wish I could [4] write a [6-] book
Good e-[3-]nough for the [4] world to want to [1] read
And if I did would you [4] take a [3-] look
Would the [4] words show another side of [1] me
And as you [6-] turn a [1] page a [4] chapter has to [1] end

Ooh, [57] this old [1] heart of mine, been broke a [3-] thousand times,
Each time you [4] break away, [b3-7] fear you've [b2-7] gone to stay.
[57] Lonely [1] nights that come, memo [3-]ries that flow,
Bringing you [4] back again, [3-] hurting me [b2-7] more and [b3-7] more.

Ooh, [57] this old [1] heart of mine, been broke a [3-] thousand times,

This ole [1] house once knew my children,
this ole [4] house once knew my wife;
This ole [5] house was home and comfort
as we [1] fought the storms of life.
This old [1] house once rang with laughter,
this old [4] house heard many shouts;
Now she [5] trembles in the darkness
when the lightnin' walks a- [1] bout.

Ain't a-gonna [4] need this house no longer,
Ain't a-gonna [1] need this house no more;
Ain't got [5] time to fix the shingles,
ain't got [1] time to fix the floor,
Ain't got [4] time to oil the hinges
nor to [1] mend the window [b6-7] pane;
Ain't gonna [5] need this house no longer
I'm a-gettin' ready to meet the [1] saints.

This ole [1] house is a-gettin' shaky,
this ole [4] house is a-gettin' old;
This ole [5] house lets in the rain,
this ole [1] house lets in the cold.
Oh, my [1] knees are a-gettin' shaky,
but I [4] feel no fear nor pain,
'Cause I [5] see an angel peekin' through a broken window [1] pane.

Ain't a-gonna [4] need this house no longer,
Ain't a-gonna [1] need this house no more;
Ain't got [5] time to fix the shingles,
ain't got [1] time to fix the floor,
Ain't got [4] time to oil the hinges

[1-] Once upon a time there was a [b1-7] tavern [b1]
[b17] Where we used to raise a glass or [4-] two
[4-] Remember how we laughed away the [1-] hours
And [b37] dreamed of all the great things we would [b57]* do

Those were the [1-] days my friend we thought they'd [4-] never end
We'd sing and [7] dance for [77] ever and a [3] day
We'd live the [4-] life we choose we'd fight and [1-] never lose
For we were [b57] young and sure to have our [1-] way

[1-] Then the busy years went rushing [b1-7] by us
We [b17] lost our starry notions on the [4-] way
[4-] If by chance I'd see you in the [1-] tavern
We'd [b37] smile at one another and we'd [b57]* say

Those were the [1-] days my friend we thought they'd [4-] never end
We'd sing and [7] dance for [77] ever and a [3] day

[4-] In the glass I saw a strange re [1-]flection
[b37] Was that lonely woman really [b57]* me

[1-] Through the door there came familiar [b1-7] laughter
I [b17] saw your face and heard you call my [4-] name
[4-] Oh my friend we're older but no [1-] wiser
For [b37] in our hearts the dreams are still the [b57]* same

But the [4] ghosts still haunt the waves

[1] Waste your summer [6-] praying in vain
For a [4] saviour to rise from these [5] streets
[1] Well now I'm no hero, that's [6-] understood
All the [1] redemption I can offer, girl, is [4] beneath this dirty hood
With a [1] chance to make it [6-] good somehow
Hey [4] what else can we do [5] now?

Except [1] roll down the window and [4] let the
wind blow [1] back your hair [1sus4] [1]

Well, the night's busting open
These [6-] two lanes will take us [4] anywhere
We got one last chance to make it [5] real
To [1] trade in these wings on some [4] wheels
Climb in back [1] heaven's waiting down [5] on the tracks

[1] Oh oh come [6-] take my hand
We're [1] riding out tonight to [4] case the promised land
[1] Oh oh oh [6-] oh Thunder Road,
[4] Oh Thunder Road, [5] oh Thunder Road,
[1] Lying out there like a [6-] killer in the sun
Hey [1] I know it's late we [4] can make it if we run
[1] Oh oh oh [6-] oh Thunder Road,
Sit [4] tight take [5] hold, Thunder [1] Road

Well, I [4] got this guitar and I [5] learned how to make it [1] talk
And my [6-] car's out back if you're ready to take that [4] long [5] walk
From your [4] front porch to my front [5] seat
The door's [1] open but the ride it [6-] ain't free
And [4] I know you're lonely for words that I ain't spoken
But [5] tonight we'll be free, all the promises'll be broken

There were [1] ghosts in the eyes of [4] all the boys
you [1] sent away [1sus4] [1]

They haunt this dusty beach road
In the [6-] skeleton frames of [4] burned out Chevrolets
They scream your name at night in the [5] street
Your [1] graduation gown lies in rags at their [4] feet and in the
Lonely cool before dawn you hear
their [1] engines roaring [6-] on but when you
[4] Get to the porch they're [5] gone on the
[4] wind - so Mary [5] climb in
It's a [4] town full of losers and I'm [5] pulling out of here to [1] win

[1] A fellow lost his watch in a railway [4] station
An attractive [1] girl named Melda

Is to [1-] save every day till [4-] eternity passes a-[1-]way
Just to [4-] spend them with [1-] you. [b57] [1-][b57]

I've [b1] looked around enough to know
That [b1] you're the one I want to go through [b4] time with. [b2-7] [b57]

For the [1] times [6-] they are a-[57]cha -- [57]--ang -- [1]in'.

Come [1] senators, [6-] congressmen, [4] please heed the [1] call
Don't [1] stand in the [2-] doorway, don't [4] block up the [57] hall
For [1] he that gets [6-] hurt will be [4] he who has [1] stalled
There's a [1] battle out[6-]side and it's [5] raging . [57].
It'll [4] soon shake your [1] windows and [4] rattle your [57] walls
For the [1] times [6-] they are a-[57]cha -- [57]--ang -- [1]in'.

Come [1] mothers and [6-] fathers, [4] throughout the [1] land
And [1] don't crit[2-]icize what you [4] can't under[57]stand
Your [1] sons and your [6-] daughters are [4] beyond your co[1]mmand
Your [1] old road is [6-] rapidly [5] aging . [57].
please [4] get out the [1] new one if you [4] can't lend your [57] hand
For the [1] times [6-] they are a-[57]cha -- [57]--ang -- [1]in'.

The [1] line it is [6-] drawn, the [4] curse it is [1] cast.
The [1] slow one [2-] now will [4] later be [57] fast
As the [1] present [6-] now will [4] later be [1] past.
The [1] order is [6-] rapidly [5] fading [57]
And the [4] first one [1] now will [4] later be [57] last

For the [1] times [6-] they are a-[57]cha -- [57]--ang -- [1]in'.

Sentimental Journey

[1] Gonna take a sentimental journey,
Gonna set my [57] heart at ease.
[1] Gonna make a [47] sentimental journey,
[1] To renew old [57] memo- [1]ries.

Long way to Tipperary

It's a [1] long way to Tipperary
It's a [4] long way to [1] go.
It's a long way to Tipperary
To the [b2] sweetest [b27] girl I [5] know.
[1] Goodbye Piccadilly
[4] Farewell Leicester [b37] Square!
It's a [1] long long way to Tippe [4]ra- [1]ry
But [b2] my heart [5] lies [1] there.

Side By Side

Oh, we [1] ain't got a barrel of [4] mon [1]ey,
Maybe we're ragged and [4] fun [1]ny
But we'll [4] travel along
[1] Singing a [b67] song
[b27] Side [57] by [1] side

Pack up your troubles in your old kit-bag

[1] Pack up your troubles in your old kit bag, and [4] smile, smile, [1] smile,
[1] While you've a Lucifer to light [b37] your [6-] fag,
[b2] smile, boys, [b27] that's the [57] style.
[1] What's the use of [57] worrying?
It [4] never [1] was worth [5]while, [57] so,
[1] Pack up your troubles in your old kit [4] bag,
and [1] smile, [57] smile, [1] smile.

We'll Meet Again

[1] We'll meet a- [b37]gain,
Don't know [b67] where, don't know when,
But I [b27] know we'll meet again some sunny [57] day.
[1] Keep smiling [b37] through, just like [b67] you always do
Till the [b27] blue skies drive the [2-] dark clouds [57] far a- [1]way.

[1] [57] [1]
On a [1] tree by a river a [4] little tom-[1]tit
Sang [1]"Willow, tit-[57]willow, tit-[1]willow".
And I [1] said to him, "Dicky-bird, [4] why do you [1] sit
Singing [b2] "Willow, tit-willow, tit-[5]willow".
"Is it [b3-dim] weakness of [b67] intellect, birdie?" I [2-] cried,
"Or a [b3-dim] rather tough [b67] worm in your little in-[2-]side?"
With a [b7] shake of his [4] poor little [b67] head, he re-[5]plied
"Oh, [1] willow, tit-[4]willow, tit-[1]willow".

He [1] slapped at his chest, as he [4] sat on that [1] bough
Singing [1] "Willow, tit-[57]willow, tit-[1]willow".
And a [1] cold perspiration be-[4]spangled his [1] brow
"Oh, [b2] willow, tit-willow, tit-[5]willow".
He [b3-dim] shivered and [b67] shook and a gurgle he [2-] gave
Then he [b3-dim] plunged himself [b67] into the billowy [2-] wave.
And an [b7] echo a-[4]rose from the [b67] suicide's [5] grave
"Oh, [1] willow, tit-[4]willow, tit-[1]willow".

Now I [1] feel just as sure as I'm [4] sure that my [1] name
Isn't [1] Willow, tit-[57]willow, tit-[1]willow.
That 'twas [1] blighted affection that [4] made him ex-[1]claim
"Oh, [b2] Willow, tit-willow, tit-[5]willow".
And if [b3-dim] you remain [b67] callous and obdurate, [2-] I
Shall [b3-dim] perish as he did, and [b67] you will know [2-] why.
Though I [b7] probably [4] shall not [b67] exclaim as I [5] die
"Oh, [1] willow, tit-[4]willow, tit-[1]willow !".

INSTRUMENTAL

[4] The [b7] sun had set behind yon hill, a-[b3]cross yon dreary [4] moor
When [1] weary and lame, a [4] boy there came, up to the [1] farmer's [4] door
Can you tell me if any there be one [b7] that will give me em-[4]ploy
To [b7] plough and sow, to [b3] reap and [b7] mow and be a [4] farmer's [b7] bo-[5-]oy,
To [1] be a [4] Farmer's [b7] Boy

The [b7] Farmer's Boy grew up a man, and the [b3] good old couple [4] died
They [1] left the lad the [4] farm he had, and the daughter [1] for his [4] bride
Now the lad as was the farm now has and he oftern smiles with [4] joy
And will [b7] bless the day, he [b3] came that [b7] way to be a [4] Farmer's [b7] bo-[5-]oy
To [1] be a [4] Farmer's [b7] Boy

And will [b7] bless the day, he [b3] came that [b7] way to be a [4] Farmer's [b7] bo-[5-]oy
To [1] be a [4] Farmer's [b3] Boy [b7]

[1] [4] [1] [5] [1] [4] [1][5] [1]

I got my [1] toes in the water, [4] ass in the sand.
Not a [1] worry in the world, a cold [57] beer in my hand.
Life is [4] good today, [57] life is [1] good today.

Well, the [1] plane touched down just a-[4]bout three o'clock
and the [1] city's still on my [57] mind.
Bi-[1]kinis and palm trees [4] danced in my head
I was [1] still in the [57] baggage [1] line.
Concrete and cars are there [4] own prison bars like this [1] life I'm living [57] in.
But the [1] plane brought me farther, I'm sur-[4]rounded by water
And I'm [1] not going [57] back a-[1]gain.

I got my [1] toes in the water, [4] ass in the sand.
Not a [1] worry in the world, a cold [57] beer in my hand.
Life is [4] good today, [57] life is [1] good today.

[1] Adios and vaya con [4] Dios. Yeah I'm leaving [1] GA.
And if it [57] weren't for Tequila and pretty senoritas I'd have no reason to [1] stay.
Adios and vaya con [4] Dios. Yeah I'm leaving [1] GA.
Gonna [57] lay in the hot sun and roll a big fat one and grab my guitar and [1] play.

[1] Four days flew by like a [4] drunk Friday night as the [1] summer drew to an [57] end.
[1] They can't believe that I [4] just couldn't leave
And I [1] bid a-[57]dieu to my [1] friends.
'Cause [1] my bartender [4] she's from the islands, her [1] body's been kissed by the [57] sun.
And [1] coconut replaces the [4] smell of the bar
And I don't [1] know if it's [57] her or the [1] Rum.

I got my [1] toes in the water, [4] ass in the sand
Not a [1] worry in the world, a cold [57] beer in my hand.
Life is [4] good today, [57] life is [1] good today.

[1] Adios and vaya con [4] Dios. A long way from [1] GA.
Yes [57] all the muchachas they call me Big Poppa when I throw pesos their [1] way.
Adios and vaya con [4] Dios. A long way from [1] GA
Someone [57] do me a favor and pour me a Jaeger, I'll grab my guitar and [1] play.

Adios and vaya con [4] Dios. Going home now to [1] stay.
The senor-[57]itas don't care-o when there's no dinero. I got no money to [1] stay.

Adios and vaya con [4] Dios. Going home now to [1] stay.
Spoken: (Come on prop it up by the lake)
With my [1] ass in a lawn chair, [4] toes in the clay, not a [1] worry in the world a PB-[57]-R on the way.
Life is [4] good today. [57] Life is [1] good today. [4][57][1]

> He's too [1] old to cut the [57] mustard [1] anymore

[1] When I was young I [57] had a lotta pep
I could get around I didn't [1] need no help
But now you're old and a [57] getting gray
The people all look at [1] you and say

[1] I used to could jump just [57] like a deer
But now you need a new [1] landing gear
I used to could jump a [57] picket fence
But now you're lucky if you [1] jump an inch

[1] Well when I was young I had an [57] automobile
Now they push you around in a [1] chair with wheels
I had to fight the gals off [57] with a stick
But now they say he [1] makes me sick

When I was young and [57] in my prime
The gals all used to [1] stand in line
But now they go the [57] other way
And as they leave I [1] hear them say

I'm in a [1-] lonely room [b4]
Hank Williams sings a [1-] lovesick blues [b4]
Winter's walking up the [1-] avenue
But I ain't [b4] seen the sunshine since the [6] 6th o' June
But I tell ya [7] this

CHORUS

Don't call the [1-] doctor
I'm gonna get [b4] better
Don't run for the [1-] priest
I'm gonna find some [b4] faith [1-]
Just because I burned my [b4] Bible baby
It don't [6] mean I'm too sick to [7] pray

I'm in a [1-] crowded place yeah [b4]
But I can't recognise a [1-] single face [b4]
And they say the thrill is [1-] in the chase
Well I ain't [b4] got the legs I ain't got the legs to [6] run that race
But I tell ya [7] this

They [1-] say I made my money messing up young minds
[b4] stupped the congregation and I left em all cryin
In the [1-] rain, yeah left em with their pain
[b4] Exit your boy with his ill-gotten gains
Well the [1-] blood runs deep and the blood runs cold
As the [7] knife lifts so [b4] another sucker is [1-] born

[1-] Thrown into this world alone

[1] I've been too sick to pray, Lord
That's why we ain't talked in a [5] while
It's been some of them days, Lord
I [57] thought I was on my last [1] mile

But I'm feelin' okay, Lord
And I'm glad that I called You to-[4]day
Never needed You [1] more
I woulda called You be-[5] fore
But I've been to sick to [1] pray [4] [1]

[1] Remember the family, Lord?
I know they will remember [5] You [57]
And all of their prayers, Lord
[5] They talk to You [57] just like I [1] do

Well, I reckon that's all, Lord
That's all I can think of to [4] say
And thank You, my [1] friend
We'll be talkin' a-[5]gain
If I'm not too sick to [1] pray [4] [1]

[1] I thought I saw a man brought to life
[3-] He was warm, he came around like he was [47] dignified
[47] He showed me what it was to cry
[1] Well you couldn't be that man I adored
[3-] You don't seem to know,
Don't seem to care what your [47] heart is for but I don't know him anymore

There's [6-] nothing where he used to lie, [5] conversation has run dry
[3-] That's what's going on, [5] nothing's fine, I'm [1] torn

I'm all out of [5] faith, this is how I [6-] feel
I'm cold and I am [4] shamed, lying naked on the [1] floor
Illusion never [5] changed into something [6-] real
I'm wide awake and [4] I can see the perfect sky is [1] torn
You're a little [5] late, I'm already [6-] torn [4]

[1] Well I guess the fortune teller's right
[3-] Should have seen just what was there and not some [47] holy light
But you crawled beneath my veins, and now [6-] I don't care, I had no luck
[5] I don't miss it all that much
[3-] There's just so many [5] things that I can't touch, I'm [1] torn

I'm all out of [5] faith, this is how I [6-] feel

There are [b2-7] times when a [5] woman has to [1] say what's on her mind
Even [2-] though she knows how [57] much it's gonna [1] hurt
[b2-7] Before I say a-[57]nother word,
Let me [1] tell you "I [b6-7] love you"
Let me [2-] hold you close, and [4] say these words
As [b2-7] gently as I [5] can

[b2-7] "There's been a-[5]nother man

[2-] Torn between two [57] lovers, [3-] feeling like a [b67] fool
[b2-7] Loving you both is [57] breaking all the [1] rules

[b2-7] Couldn't really [57] blame you if you [1] turned and walked [b6-7] away
But [2-] with everything I [4] feel inside, I'm [b2-7] asking you to [5] stay

[1] Well my friends are gone and my hair is grey
I ache in the places where I [17] used to play
And I'm [4] crazy for love [47] but I'm not coming [1] on
I'm just [57] paying my rent every [4]day in the [47] tower of [1] song

[1] I said to Hank Williams how lonely does it get
Hank Williams hasn't [17] answered yet
But I [4] hear him coughing [47] all night [1] long
A [57] hundred floors above me [4] in the [47] tower of [1] song

[1] I was born like this I had no choice.
I was born with the gift of a [17] golden voice
And [4] 27 angels [47] from the great be [1]yond
They [57] tied me to this table right [4] here in the [47] tower of [1] song

[1] So you can stick your little pins in that voodoo doll
I'm very sorry baby doesn't [17] look like me at all
I'm [4] standing by the window [47] where the light is [1] strong
They don't [57] let a woman kill you [4] not in the [47] tower of [1] song

[1] Now you can say that I've grown bitter but of this you may be sure:
The rich have got their channels in the [17] bedrooms of the poor
And there's a [4] mighty judgment coming [47] but I may be [1] wrong
You see you [57] hear these funny voices [4] in the [47] tower of [1] song

[6-] I see you standing on the [5] other side
[6-] I don't know how the river [5] got so wide
I [4] loved you baby [47] way back [1] when
[6-] And all the bridges are burning that we [5] might have crossed
[6-] But I feel so close to every [5]thing that we lost
We'll [4] never have to lose it a [57]gain

[1] I bid you farewell I don't know when I'll be back
They're moving us tomorrow to that [17] tower down the track
But you'll be [4] hearing from me baby [47] long after I'm [1] gone
I'll be [57] speaking to you sweetly from a [4] window
In the [47] tower of [1] song

But it's up to us to change
This town called [1] malice

[3-] Rows and rows of disused milk floats

And a [3-] hundred lonely housewives
Clutch empty [2-] milk bottles to their hearts

[4] Hanging out their old love letters

A [b7-] whole street's belief
In [6-] Sunday's roast beef
Gets [b7-] dashed against the [6-] Co-Op
To either [5] cut down on beer, or the kids new gear

And leave it for dead [2-] [b3-] [3-]

Chorus:
I swear we [4] drove right past the [1] Old Kings Head
[4] 25 times or [1] more
The [4] wipers stopped and [1] Catherine said
"I can't [b27] take this any [57] more"
So [4] Lizzy jumped out and [1] took the wheel
She coulda [4] took us to the moon and [1] back
By the [4] time that we got [b7] out and [4] slammed the [57] door
[NC] In a town called UG [1]LEY

[1] Swerved more than a couple times for a black alpaca [1-]
Delayed in every kind of way so time was a [1] factor
[1] Only made worse by a broken down tractor
Turn [b7] round and slam on the [4] brakes
Or we will [1] drive straight down the road
To find our next mistake [2-] [b3-] [3-]

Chorus

So after [4] driving right past the [1] Old Kings Head
[4] 55 times or [1] more
The [4] tyre's flat and the [1] battery's dead
it doesn't [b27] matter any [57] more
We sur [4]vived this drive to [1] tell the tale
What the [4] hell did we come here [1] for
We couldn't [4] wait to get out and [b7] finally [4] slam the [57] door
[NC] In a town called UG [1]LEY [1] [57] [1]

[1] In my memo-[5]ry I will [4] always [1] see
The [4] town that [1] I have loved so [5] well
Where our [1] school played [5] ball by the [4] gasyard [1] wall
And we [4] laughed through the [1] smoke [5] and the [1] smell
Going [4] home in the [5] rain, running [1] up the [5] dark [6-] lane
Past the [4] jail and [2-] down behind the [5] fountain
Those were [1] happy [5] days in so [4] many many [1] ways
In the [4] town I [1] loved [5] so [1] well

[1] In the early [5] morning the [4] shirt factory [1] horn
Called [4] women from [1] Creggan, the Moor and the [5] Bog
While the [1] men on the [5] dole played a [4] mother's [1] role
Fed the [4] children and [1] then [5] trained the [1] dog
And when [4] times got [5] tough, there was [1] just a-[5]bout e-[6-]nough
But they [4] saw it [2-] through without com-[5]plaining
[1] For deep in-[5]side was a [4] burning [1] pride
In the [4] town I [1] loved [5] so [1] well

[1] There was music [5] there in the [4] Derry [1] air
Like a [4] language that [1] we all could under-[5]stand
I re-[1]member the [5] day when I [4] earned my first [1] pay
as I [4] played in a [1] small [5] pickup [1] band
There I [4] spent my [5] youth and to [1] tell [5] you the [6-] truth
I was [4] sad to [2-] leave it all be-[5]hind me
For I'd [1] learned about [5] life and I'd [4] found a [1] wife

[1] But when I re-[5]turned, oh my [4] eyes, how they had [1] burned
To [4] see how a [1] town could be brought to it's [5] knees
By the [1] armoured [5] cars and the [4] bombed out [1] bars
And the [4] gas that hangs [1] on to [5] every [1] breeze
Now the [4] army's in-[5]stalled by that [1] old gas-[5]yard [6-] wall

Sat [4] down at a booth in a cafe there,
gave his [1] order to a girl with a bow in her hair

Sitten down for a while and [4] talking to me, I'm feeling a little [1] low
She said I'm [b7] off in an hour and [4] I know where we can [1] go

[1] So they went down and they sat on the pier he said "I bet you got a boyfriend
but I don't care, I've [4] got no one to send a letter [1] to.
Would you [b7] mind if I sent [4] one back here to [1] you?"

> [1] Never more to be alone

[1] So the letters came from an army camp, in California then Vietnam
And he [4] told her of his heart, might be love
and [1] all of the things he was so scared of.

[1] He said when it's getting kinda rough over here, I think of that day
Sittin down at the pier and I [4] close my eyes and see your pretty [1] smile
Don't [b7] worry but I won't be [4] able to write for a [1] while

[1] [b7] [6-] [5] [1]
[1] I left Oklahoma, driving in a Pontiac, just about to lose my [57] mind.
[57] I was going to Arizona, maybe on to California.
Where the people all live so [1] fine.

My baby said I'm crazy, my momma called me lazy. I was gonna show 'em all this [57] time.
[57] 'Cause you know I ain't no fool and I don't need no more schooling.
I was born to just walk the [1] line.

Living on Tulsa time. Living on Tulsa [57] time.
[57] Well you know I've been through it. When I set my watch back to it.
Living on Tulsa [1] time.

Well there I was in Hollywood, wishing I was doing good. Talking on the telephone [57] line.
[57] But they don't need me in the movies, and nobody sings my songs.
Guess I'm just wasting [1] time.

Well then I got to thinking, man I'm really sinking. And I really had a flash this [57] time.
[57] I had no business leaving and nobody would be grieving.
If I went on back to Tulsa [1] time.

Living on Tulsa time. Living on Tulsa [57] time.
[57] Going to set my watch back to it. Cause you know I've been through it.
Living on Tulsa [1] time.

Living on Tulsa time. Living on Tulsa [57] time.
[57] Going to set my watch back to it. Cause you know I've been through it.

When the [1] deer has bedded down and the [4] bear has gone to ground
And the [1] northern goose has wandered off to [4] warmer bay and [57] sound
It's so [1] easy in the cold to feel the [4] darkness of the year
And the [1] heart is growing [57] lonely for the [4] morning [1]

Oh, my [57] Joanie, don't you know that the [1] stars are swingin' slow
And the [1] seas are rollin' easy as they [4] did so long a-[57]go
And if I [1] had a thing to give you I would [4] tell you one more time
That the [1] world is always [57] turning toward the [4] morning [1] [57] [1]

Now Oc-[1]tober's growin' thin and No-[4]vember's comin' home
You'll be [1] thinking of the seasons and the [4] sad things that you've [57] seen
And you hear that old wind walkin' hear him [4] singin' high and thin
You could [1] swear he's out there [57] singin' of your [4] sorrow [1]

Oh, my [57] Joanie, don't you know that the [1] stars are swingin' slow
And the [1] seas are rollin' easy as they [4] did so long a-[57]go
And if I [1] had a thing to give you I would [4] tell you one more time
That the [1] world is always [57] turning toward the [4] morning [1] [57] [1]

When the [1] darkness falls around you and the [4] north wind comes to blow
And you [1] hear him call your name out as he C] walks the brittle [57] snow
That old [1] wind don't mean you trouble, he don't [4] care or even know
He's just [1] walkin' down the [57] darkness toward the [4] morning [1]

Oh, my [57] Joanie, don't you know that the [1] stars are swingin' slow
And the [1] seas are rollin' easy as they [4] did so long a-[57]go
And if I [1] had a thing to give you I would [4] tell you one more time
That the [1] world is always [57] turning toward the [4] morning [1] [57] [1]

It's a [1] pity we don't know what the [4] little flowers know
They can't [1] face the cold November they can't [4] take the wind and [57] snow
They put their [1] glories all behind them bow their [4] heads and let it go
But you [1] know they'll be there [57] shining in the [4] morning [1]

Repeat the following

Oh, my [57] Joanie, don't you know that the [1] stars are swingin' slow
And the [1] seas are rollin' easy as they [4] did so long a-[57]go
And if I [1] had a thing to give you I would [4] tell you one more time
That the [1] world is always [57] turning toward the [4] morning [1] [57] [1]

To- [b27] gether at [b2-7] last at [57] twilight [1] time.

[1] Heavenly shades of night are falling,
[b47] it's twilight time,
[6-] Out of the mist your voice is calling,
[17] it's twilight time.
[4] When purple [4-6] coloured curtains
[1] mark the end of [b67] day,
I [b27] hear you my dear at twilight [b2-7] time. [57] [57aug]

[1] Deepening shadows gather splendour as [b47] day is done.
[6-] Fingers of night will soon surrender,
the [17] setting sun.
[4] I count the [4-6] moments darling,
[1] 'till you're here with [b67] me,
To- [b27] gether at [b2-7] last at [57] twilight [1] time. [16]

[b47] Here in the afterglow of day we
[6-] keep our rendezvous beneath the blue,
[b27] Here in the sweet and same old way
I [b2-7] fall in love again as [5] I [b5-dim] did [57] then. [57aug]

[1] Deep in the dark your kiss will thrill me like [b47] days of old,
[6-] Lighting the spark of love that fills me
with [17] dreams untold.
[4] Each day I [4-6] pray for evening
[1] just to be with [b67] you,
To- [b27] gether at [57] last at twilight [1] time. [b77] [b67]

Oh, my baby [47] moved out and left me behind

But it's [1] all right, cause it's [4] midnight,

[4] Baby we can talk all [4maj7] night [b7] but that ain't gettin us [4] nowhere
I've [4] told you [4maj7] everything I [b2-7] possibly can
[Amadd9] There's nothing left in [1]side of here
And [4] maybe you can cry all [4maj7] night
But [b7] that'll never change the [4] way that I feel
The snow is [4maj7] really piling [b2-7] up outside
I [Amadd9] wish you wouldn't make me [1] leave here
[b7] I poured it on and [17] I [4] poured it out [5-] [4]
[b7] I tried to show you [17] just how [4] much I care [5-] [4]
[b7] I'm tired of words and [17] I'm too [4] hoarse to [b2-7] shout
[b3] But you've been cold to me so long
I'm crying [b7] icicles instead of [17] tears
And [b7] all I can [17] do is [b7] keep on [17] telling you

Chorus:
I [4] want you I [b2-7] need you
But there [b7] ain't no [17] way I'm [6-] ever gonna [b2-7] love you
Now [5-] don't be sad cause [b7] two out of [b7-dim] three ain't [b2-7] bad
Now [5-] don't be sad cause [b7] two out of [b7-dim] three ain't [4] bad

You'll [b7] never find your gold [17] on a [4] sandy beach [5-] [4]
You'll [b7] never drill for oil [17] on a [4] city street [5-] [4]
I know you're [b7] looking for a ruby [17] in a [4] mountain of rocks
But there [b3] ain't no coupe de ville
hiding at the bottom of a [1] crackerjack box

[6-] I can't lie I can't tell you that I'm [b7] something I'm not
No matter how I try I'll [6-] never be able to give you something
[b7] Something that I just haven't [17] got

Now there is [4] only one girl that I will [4maj7] ever love
And that was [b7] so many years a[4]go
And [4] though I know I'll [4maj7] never get her [b2-7] out of my heart
She never [Amadd9] loved me back [1] ooh I know
Well I re[4]member how she left me on a [4maj7] stormy night
She [b7] kissed me and got out of our [4] bed
And though I [4] pleaded and I [4maj7] begged her not to [b2-7] walk out that door
She [Amadd9] packed her bags and turned right a[1]way
And she [b7] kept on [17] telling me she [b7] kept on [17] telling me

Cut time.

[1-] The search for hap-pi-[b27]ness will never [4-] cease
'Till [57] we have reached the shores of perfect [1] peace.
Come [b67] with me as we take a little [2-] trip
And [b77] keep your ukulele in your [3-] grip. [b77]

[b77] -- [1aug] We'll all go [4] striding a-[b2-7]long
[b5-dim] with a [1maj7] smile and a [b67] song
not a [b2-7] thing can go [57] wrong in [1dim] ukulele [1] heaven.

[1aug] Then you'll be [4] calm as can [b2-7] be,
[b5-dim] far from [1maj7] reali-[b67]ty,
ev'ry [b2-7] thing's fancy [57] free in [1dim] ukulele [1] heaven.

[b7-dim] Zoom back to the past where all's cor-[56]rec-[b67]ted.
[b27] That's because with ukie you're con-[b2-7]nec-[57]ted.
[1aug] It's very [4] easy to [b2-7] find [b5-dim] cause it's [1maj7] all in your [b67] mind.
Kingdom [b2-7] come in a [57] strum, that's [b3-6] ukulele [1] heaven.

[4] Striding a-[b2-7]long, [b5-dim] with a [1maj7] smile and a [b67] song,
not a [b2-7] thing can go [57] wrong in [1dim] ukulele [1] heaven.

[1aug] Then you'll be [4] calm as a [b2-7] monk,
[b5-dim] when a [1maj7] Proust cake you [b67] dunk
to a [b2-7] sweet pleasing [57] plunk in [1dim] ukulele [1] heaven.

[1][1][1][5][5][5][4][4][4][1][1][1][4][4][4][5][5][5][1][1][1][1][1][1]

It's nine o'[5]clock on a [4] Saturday, [1]
The [4] regular [1] crowd shuffles [b27] in [5]
There's an [1] old man [5] sitting [4] next to [1] me
Making [4] love to his [5] tonic and [1] gin [1][1]
[1][1][1] [5][5][5] [4][4][4] [1][1][1] [4][4][4] [5][5][5] [1][1][1] [1]
He says, "[1] Son, can you [5] play me a [4] memory [1]
I'm [4] not really [1] sure how it [b27] goes [5]
But it's [1] sad and it's [5] sweet and I [4] knew it complete [1]
When [4] I wore a [5] younger man's [1] clothes." [1][1]

[b6-7] la la la, di da [b27] da [b27][b27] [b27][b27][b27]
[b6-7] La la, di di [b27] da da [5] dum [5][5] [4][4][4] [b6-7][b6-7][b6-7] [5][5][5]

[1] Sing us a [5] song, UKE-U-[4]LELE [1] man, [4] sing us a [1] song to-[b27]night [5]
Well, we're [1] all in the [5] mood for a [4] melody, [1] and [4] you've got us [5] feeling al-[1]right [1][1]
[1][1][1] [5][5][5] [4][4][4] [1][1][1] [4][4][4] [5][5][5] [1][1][1] [1][1]
Now [1] John at the [5] bar is a [4] friend of [1] mine, he [4] gets me my [1] drinks for [b27] free [5]
And he's [1] quick with a [5] joke and he'll [4] light up your [1] smoke
But there's [4] some place that [5] he'd rather [1] be [1][1] [1][1]

He says, "[1] Bill, I be-[5]lieve this is [4] killing [1] me" as the [4] smile ran a [1] way from his [b27] face [5]
"Well I'm [1] sure that I [5] could be a [4] movie [1] star if [4] I could get [5] out of this [1] place" [1][1]

Now [1] Paul is a [5] real estate [4] novelist [1] who [4] never had [1] time for a [b27] wife [5]
And he's [1] talking with [5] Davy, who's [4] still in the [1] Navy and [4] probably will [5] be for [1] life [1][1]
[1][1][1] [5][5][5] [4][4][4] [1][1][1] [4][4][4] [5][5][5] [1][1][1] [1][1]
And the [1] waitress is [5] practicing [4] politics [1] as the [4] businessman [1] slowly gets [b27] stoned [5]
Yes, they're [1] sharing a [5] drink they call [4] loneliness [1] but it's [4] better than [5] drinking a-[1]lone [1]
[1]
[b6-7][b6-7][b6-7] [4][4][4] [4][4][4] [5][5][5] [5][5][5]
[1] Sing us a [5] song, UKE-U-[4]LELE [1] man, [4] sing us a [1] song to [b27] night [5]
Well, we're [1] all in the [5] mood for a [4] melody, [1] and [4] you've got us [5] feeling al-[1]right [1][1]
[1][1][1] [5][5][5] [4][4][4] [1][1][1] [4][4][4] [5][5][5] [1][1][1] [1][1]
It's a [1] pretty good [5] crowd for a [4] Saturday, [1] and the [4] manager [1] gives me a [b27] smile [5]
'Cause he [1] knows that it's [5] me they've been [4] coming to [1] see to [4] forget about [5] life for a [1] while

And the [1] UKULELE [5] sounds like a [4] carnival, [1] and the [4] microphone [1] smells like a [b27] beer [5]
And they [1] sit at the [5] bar and put [4] bread in my [1] jar and say, "[4] Man, what are [5] you doing [1] here?" [1][1]

[b6-7] la la la, di da [b27] da [b27][b27] [b27][b27][b27]
[b6-7] La la, di di [b27] da da [5] dum [5][5] [4][4][4] [b6-7][b6-7][b6-7] [5][5][5]

[1] Sing us a [5] song, UKE-U [4]LELE [1] man, [4] sing us a [1] song to [b27] night [5]
Well, we're [1] all in the [5] mood for a [4] melody, [1] and [4] you've got us [5] feeling al-[1]right

[1] My Mama don't like it, the way I comb my hair
Papa thinks I'm crazy, in the clothes [57] I wear
They [1] took all my records [17] and I play it all [4] day
I [1] am what I am and I'm [57] gonna keep a rockin' that [1] way

I gotta keep a-strummin' everywhere I [57] go
Everybody [1] join us, [17] we're good compa [4] ny
Be a [1] real cool cat, be a [57] Ukulele rebel like [1] me

[1] The kids in the schoolhouse they couldn't wait too long
When the school is over, they put their cat clothes [57] on
You oughta [1] hear the slap bass, [17] swingin' to the [4] band
It is a [1] real rockin' rhythm that is [57] sweepin' all over this [1] land

Shakin' in [1] your shoes, boy, oh, don't it [17] make you feel [4] Wow!
Well [1] if you can't dance, [57] we're not gonna show you [1] how

Life [46] could [4maj7] be [4] bright [4maj7] and [46] breezy

[1] No mystery, no riddle
[b27] Shlepping that thing, you look like a [57] kook, gotta' believe me!

But there's [1]* nothing I like more
Than [1] strumming down a hole
I wannna [47] play my ukulele
Play my ukulele under[1]ground
Man there [57] aint no sweeter sound as when
I [47] play my ukulele under[1]ground

[1] Some people they like clubbing, and some people like to rave
[1] But theres nothing I like more than strumming in a cave
I wannna [47] play my ukulele
Play my ukulele under[1]ground
Man there [57] aint no sweeter sound as when
You [47] play your ukulele under[1]ground

[47] Some folks they like country
[1] Some folks they like swing
[47] Some people like to fiddle on a [57] vintage violin

But in [1] my honest opinion, for what it may be worth
[1] Underneath the ground is where I get my best reverb
I wannna [47] play my ukulele
Play my ukulele under[1] ground
Man there [57] aint no sweeter sound as when
I [47] play my ukulele under[1]ground

Oh man there [57] aint no sweeter sound as when
I [47] play my ukulele under[1]ground
Oh man there [57]* aint no sweeter sound as when

A [1] long time ago when the [2-] earth was green
There was [57] more kinds of animals than [1] you'd ever seen
They'd [1] run around free while the [2-] earth was being born
But the [1] loveliest of them all was the [5] uni-[1]corn

There was [1] green alligators and [4] long necked geese
Some [57] humpty backed camels and some [1] chimpanzees
Some [1] cats and rats and elephants, but [4] sure as you're born
The [1] loveliest of all was the [5] uni-[1]corn.

[1] [5] [1]
Now [1] God seen some sinning and it [2-] gave him a pain
And he [5] says, stand back, "I'm going to [1] make it rain!"
He says, "[1] Hey, brother Noah I'll [2-] tell you what to do,
[1] Build me a [5] floating [1] zoo,"
"and [NC] take some of them...."

[1] Green alligators and [2-] long necked geese,
Some [5] humpty backed camels and some [1] chimpanzees.
Some [1] cats and rats and elephants, but [4] sure as you're born.
[1] Don't you forget my [5] uni-[1]corn."

[1] [5] [1]
Old [1] Noah was there to [2-] answer the call,
He [5] finished up making the ark just as the [1] rain started pourin'
He [1] marched in the animals [4] two by two,
And he [1] called out as [5] they went [1] through,
"Hey lord,"

I [1] got your green alligators and [2-] long necked geese,
Some [5] humpty backed camels and some [1] chimpanzees,
Some [1] cats and rats and elephants, but [4] lord, I'm so forlorn,
I [1] just can't see no [5] uni-[1]corn!"

[1] [5] [1]

Then [1] Noah looked out through the [4] driving rain,
Them [5] unicorns were hiding, [1] playing silly games.
[1] Kicking and splashing while the [4] rain was pourin'
[1] Oh, them silly [5] uni-[1]corns!"

There were [1] green alligators and [2-] long necked geese,
Some [5] humpty backed camels and some [1] chimpanzees.
Noah [1] cried, "Close the door cause the [4] rain's pourin'
And [1] we just can't wait for those [5] uni-[1]corn!"

[1] [5] [1]
The [1] ark started moving, it [2-] drifted with the tides,
Them [57] unicorns looked up from the r[1]ocks and they cried.
And the [1] waters came down and sort of [4] floated them away,
[NC] And that's why ya never seen a unicorn to this very day.

You'll see [1] green alligators and [4] long necked geese,
Some [5] humpty backed camels and some [1] chimpanzees.
Some [1] cats and rats elephants, but [4] sure as you're born,
You're [1] never gonna see no [5] u--ni--[1]corn

[1] I never thought it would [4] happen
With me and the girl from [1] Clapham
Out on the windy [6-] common
That night I ain't [1] forgotten
When she dealt out the [4] rations
With some or other [1] passions
I said, "You are a [6-] lady"
"Perhaps," she said, "I [1] may be"

We [1] moved into a [4] basement
With thoughts of our [1] engagement
We stayed in by the [6-] telly
Although the room was [1] smelly
We spent our time just [4] kissing
The Railway Arms we're [1] missing
But love had got us [6-] hooked up
And all our time it, [1] took up

[1] I got a job with [4] Stanley
He said I'd come in [1] handy
And started me on [6-] Monday
So I had a bath on [1] Sunday
I worked eleven [4] hours
And bought the girl some [1] flowers
She said she'd seen a [6-] doctor
And nothing now could, [1] stop her

[6-] I worked all through the [3-] winter
The weather brass and [2-] bitter
I put away a [5] tenner
Each week to make her [b7] better
And when the time was [4-] ready
We had to sell the [b3-] telly
Late evenings by the [b2] fire
With little kicks, [4] inside her

[b7] This morning at four-[b3]fifty
I took her rather [b7] nifty
Down to an incu-[5-]bator
Where thirty minutes [b7] later
She gave birth to a [b3] daughter
Within a year a [b7] walker
She looked just like her [5-] mother
If there could be, an-[b7]other [b7][4][1]

[1] And now she's two years [4] older
Her mother's with a [1] soldier
She left me when my [6-] drinking
Became a proper [1] stinging
The devil came and [4] took me
From bar to street to [1] bookie
No more nights by the [6-] telly
No more nights nappies, [1] smelling

[1] Alone here in the [4] kitchen
I feel there's something [1] missing
I'd beg for some [6-] forgiveness
But begging's not my [1] business
And she won't write a [4] letter
Although I always tell [1] her
And so it's my a-[6-]ssumption
I'm really up the, [1] junction [1]

[1] [57] [1]
[1] We shall meet but we shall miss him,
there will [4] be one vacant [1] chair;
[1] we shall linger to caress him,
[1] While we [b27] breathe our ev'ning [57] pray'r

When a [1] year ago we gathered,
joy was [4] in his mild blue [1] eyes,
[1] But a golden chord is severed,
And our hopes in [57] ruin [1] lie.

[1] We shall [4] meet but we shall [1] miss him,
[1] there will be one vacant [57] chair,
[57] We shall [1] linger to ca-[4]ress him,
while we [1] breathe our [57] ev'ning [1] pray'r.

[1] [4] [57] [1]
[1] At our fireside, sad and lonely,
often [4] will the bosom [1] swell
[1] at remembrance of the story,
How our [b27] noble Willie [57] fell;

How [57] he [1] strove to bear our banner
through the [4] thickest of the [1] fight,
[1] And uphold our country's honor,
in the strength of [57] manhood's [1] night.

[1] We shall [4] meet but we shall [1] miss him,
there will be one vacant [57] chair,
[57] We shall [1] linger to ca-[4]ress him,
while we [1] breathe our [57] ev'ning [1] pray'r.

[1] True, they tell us wreaths of glory
ever [4] more will deck his [1] brow,
but this soothes the [1] anguish only,
Sweeping [b27] o'er our heartstrings [57] now.

Sleep to-[1] day, oh early fallen,
in thy [4] green and narrow [1] bed,
[1] Dirges from the pine and cypress
mingle with the [57] tears we [1] shed.

[1] We shall [4] meet but we shall [1] miss him,
[1] there will be one vacant [57] chair,
[57] We shall [1] linger to ca-[4]ress him,

Did you [7] have to go to jail, put your house on up for sale
Did you get a good [1-] lawyer?
I hope you [7] didn't catch a tan, I hope you find the right man
Who'll fix it [1-] for you
Are you [7] shopping anywhere, changed the colour of your hair,
Are you still [1-] busy
And did you [7] have to pay the fine you were dodging all the time
Are you still [1-] dizzy?

Starry starry [1] night [1sus4] [1] paint your palette [2-] blue and grey
Look out on a [4] summer's day with [5] eyes that know the darkness in my [1] soul
Shadows on the [1] hills [1sus4] [1] sketch the trees and the [2-] daffodils
Catch the breeze and the [4] winter chills
In [5] colours on the snowy linen [1] land [4] [1]

Now I under [2-]stand [b2-6] what you tried to [1] say to [1maj7] me [b6-7]
How you suffered for you [2-] sanity [b2-6] and how you tried to set them [6-] free
They would not listen they did [b2] not know how [2-]
Per [b2-6]haps they'll listen [1] now

Starry starry [1] night [1sus4] [1] flaming flowers that [2-] brightly blaze
Swirling clouds in [4] violet haze re [5]flect in Vincent's eyes of china [1] blue
Colors changing [1] hue [1sus4] [1] morning fields of [2-] amber grain
Weathered faces [4] lined in pain
Are [5] soothed beneath the artist's loving [1] hand [4] [1]

Now I under [2-]stand [b2-6] what you tried to [1] say to [1maj7] me [b6-7]
How you suffered for you [2-] sanity [b2-6] and how you tried to set them [6-] free
They would not listen they did [b2] not know how [2-]
Per [b2-6]haps they'll listen [1] now

For they could not [2-] love you [b2-6] but still your love was [1] true [1maj7] [b6-7]
And when no [2-] hope was left in sight on that [4-] starry starry night
You [1] took your life as [b77] lovers often [b67] do
But I [2-] could have told you Vincent
This [4] world was never meant for one as [5] beautiful as you [1] [4] [1]

Starry starry [1] night [1sus4] [1] portraits hung in [2-] empty halls
Frameless heads on [4] nameless walls
With [5] eyes that watch the world and can't for [1]get
Like the stranger that you've [1] met [1sus4] [1] the ragged man in [2-] ragged clothes
The silver thorn of [4] bloody rose lies [5] crushed and broken on the virgin [1] snow

Now I think I [2-] know [b2-6] what you tried to [1] say to [1maj7] me [b6-7]
And how you suffered for you [2-] sanity [b2-6] how you tried to set them [6-] free
They would not listen they're not [b2] listening still [2-]
Per [b2-6]haps they never [1] will [4] [1]

[6] [7] [3] [1-] x2

And I'm [6-] thumbin' my way into [4] North Caroline
[1] Starin' up the road
And [5] pray to God I see [4] headlights

I [1] made it down the coast in [5] seventeen hours
[6-] Pickin' me a bouquet of [4] dogwood flowers
And I'm a [1] hopin' for Raleigh
I can [5] see my baby to-[4]night

Chorus:
So [1] rock me mama like a [5] wagon wheel
[6-] Rock me mama any [4] way you feel
[1] Hey, [5] mama [4] rock me

My [1] baby plays the guitar, [5] I pick a banjo [4] now

Oh, the [1] North country winters keep a [5] gettin' me now
Lost my [6-] money playin' poker, so I [4] had to leave town

[4] [1]
[4] I'm in a [2-] nice bit of trouble, I con-[1]fess;
[4] Somebody with [1] me has had a [4] game. [b2]
[2-] I should by now be a proud and happy [b2] bride,
[1] But I've still got to [5] keep my single [1] name.
I was pro-[17]posed to by Obadiah [1] Binks
[2-] In a very gentlemanly way;
[b2] Lent [57] all my money [1] so that he could buy a home,
And punctually at twelve o'clock to-[1]day-

[4] There was I, [b7] waiting at the church,
[5] Waiting at the [57] church,
[1] Waiting at the [17] church;
[4] When I found he'd [b37] left me in the [6-] lurch,
[1] or, how it [5] did up-[1]set me!
[4] All at once, he [b7] sent me round a note
[5] Here's the very [57] note,
[1] This is what he [17] wrote:
[4] "Can't [b27] get away to [5-] marry you today,
[4] My wife, [1] won't [4] let me!"

[4] Lor, what a [2-] fuss Obadiah made of [1] me
[4] When he used to [1] take me in the [4] park! [b2]
[2-] He used to squeeze me till I was black and [b2] blue,
[1] When he kissed me, he [5] used to leave a [1] mark.
Each time he [17] met me he treated me to [1] port,
[2-] Took me now and then to see the play;
[b2] Under-[57]stand me rightly, when I [1] say he treated me,
It wasn't him but me that used to [1] pay.

[4] There was I, [b7] waiting at the church,
[5] Waiting at the [57] church,
[1] Waiting at the [17] church;
[4] When I found he'd [b37] left me in the [6-] lurch,

[1] This is what he [17] wrote:
[4] "Can't [b27] get away to [5-] marry you today,
[4] My wife, [1] won't [4] let me!"

[4] Just think how [2-] disappointed I must [1] feel,
[4] I'll be off me [1] crumpet very [4] soon.
[2-] I've lost my husband, the one I never [b2] had!
[1] And I dreamed so a-[5]bout the honey-[1]moon.
I'm looking [17] out for another Oba-[1]diah,
[2-] I've already bought the wedding ring,
[b2] There's [57] all my little fal-de-riddles [1] packed up in my box
Yes, absolutely two of ev'ry-[1]thing.

[4] There was I, [b7] waiting at the church,
[5] Waiting at the [57] church,
[1] Waiting at the [17] church;
[4] When I found he'd [b37] left me in the [6-] lurch,

Walk [1] tall, walk straight and look the [5] world right in the [1] eye! [17]
That's [4] what my mama told me, when [1] I was about knee-high.
She [4] said, Son, be a proud man, and [1] hold your head up high.
Walk tall, walk straight and look the [5] world right in the [1] eye!

All [1] through the years that I grew up ma [5] told these things to [1] me, [17]
But [4] I was young and foolish then and [1] much too blind to see.
[4] I ignored the things she said as [1] if I'd never heard,
Now I see and understand the [5] wisdom of her [1] words.

Walk [1] tall, walk straight and look the [5] world right in the [1] eye! [17]
That's [4] what my mama told me, when [1] I was about knee-high.
She [4] said, Son, be a proud man, and [1] hold your head up high.
Walk tall, walk straight and look the [5] world right in the [1] eye!

I [1] started going places where the [5] youngsters shouldn't [1] go, [17]
I [4] got to know the kind of girls it's [1] better not to know.
I [4] fell in with a bad crowd and [1] laughed and drank with them,
through the laughter Mama's words would [5] echo now and [1] then.

Walk [1] tall, walk straight and look the [5] world right in the [1] eye! [17]
That's [4] what my mama told me, when [1] I was about knee-high.
She [4] said, Son, be a proud man, and [1] hold your head up high.
Walk tall, walk straight and look the [5] world right in the [1] eye! [b67]
Key change

I [b2] got in trouble with the law and [b67] I'm in prison [b2] now [b27]
[5] Through these prison bars I see things [b2] so much different now
I've [5] got one more year to serve and [b2] when my time is done
I'll walk tall and straight and make Ma [5] proud to call me [b2] son

Walk [b2] tall, walk straight and look the [b67] world right in the [b2] eye! [b27]
That's [5] what my mama told me, when [b2] I was about knee-high.
She [5] said, Son, be a proud man, and [b2] hold your head up high.
Walk tall, walk straight and look the [b67] world right in the [b2] eye!

Traditional Song (parody) sung by Tom Lewis, 1989 - tune of Waltzing Matilda
Thanks to Bill Whiston for this !!!

[1] Once a jolly [57] vagabond [1] camped down by a [4] lily pond
[1] Under the spreading [57] chestnut tree
And he [1] sang as he [57] watched
as he [1] waited till his [4] kettle boiled
[1] Who'll come a walking m' [57] bulldog with [1] me.

Chorus:
[1] Walking a bulldog, [4] walking a bulldog
[1] You'll come a walking m' [57] bulldog with me.
And he [1] sang as he [57] watched as he [1] waited till his [4] kettle boiled
[1] Who'll come a walking m' [57] bulldog with [1] me.

[1] Up came a [57] hedgehog to [1] drink at the [4] lily pond
[1] Up jumped the vagabond with [57] cries of glee
And he [1] sang as he [57] stuffed that [1] hedgehog in his [4] haversack
[1] You'll come a walking m' [57] bulldog with [1] me.

Chorus

[1] Up came a [57] policeman [1] mounted on his [4] bicycle
[1] Up came the gamekeepers, [57] one, two, three
If [1] that's a spiny [57] hedgehog what [1] you've got in your [4] haversack
[1] You'll come a walking m' [57] bulldog with [1] me.

Chorus

[1] Up jumped the [57] vagabond and [1] leapt into the [4] lily pond
[1] You'll never take me a-[57]live said he.
Now his [1] ghost may be [57] heard as you [1] pass by the [4] lily pond
[1] Who'll come a walking m' [57] bulldog with [1] me.

[1] Gee but it's [b6-7] great after [b3-7] bein' out [b6-7] late
[1maj7] Walkin' my baby back [b67] home
[b27] Arm in [57] arm over [b27] meadow and [57] farm
[b27] Walkin' my [57] baby back [1] home [1maj7]

[1] We walk a [b6-7] long harmo [b3-7]nizing a [b6-7] song
[1maj7] Or I'm reciting a [b67] poem
[b27] Owls go [57] by and they [b27] give me the [57] eye
[b27] Walkin' my [57] baby back [1] home [1maj7]

We [b3-7] stop for a while, she [b67] gives me a smile
She [6-] snuggles her head to my [b17] chest
We [b3-7] start in to pet and [b67] that's when I get
[b2-7] Her talcum all [57] over my vest

[1] Then after I [b6-7] kinda [b3-7] straighten my [b6-7] tie
[1maj7] She has to borrow my [b6-7] comb
[b27] One kiss [57] then we con [b27]tinue a [57]gain
[b27] Walkin' my [57] baby back [57] home [1maj7]

She's [3-] afraid of the dark so [b67] I have to park
Out [6-]side of her door till it's [b17] light
She [3-] says if I try to [b67] kiss her she'll cry
[b27] I dry her tears [57] all through the night

[1] Hand in [b6-7] hand to a [b3-7] barbecue [6-] stand
[1maj7] Right from her doorway we [b67] roam
[b27] Eats and [57] then it's [b27] pleasure a [57]gain
[b27] Walking my [57] baby, [5-6] talking my [b67] baby
[b27] Loving my [57] baby, [5-6] I don't mean [b67] maybe
[b27] Walking my [57] baby [49] back [1] home

We're [1-] walking in the air [1-]

The [4-] people far below are [6] sleeping as we fly [1-]

The [4-] rivers and the hills
The [6] forests and the streams [1-]

[b57] Children gaze [1-] open mouth
[b47] Taken by [7] surprise
[7-] Nobody [3] down below [6] believes [b27] their [b5] eyes

We're [1-] surfing in the air [1-]
We're [1-] swimming in the frozen [7] sky
We're [4-] drifting over icy
[6] Mountains floating by [1-]

[b57] Suddenly [1-] swooping low
[b47] on an ocean [7] deep
[7-] Arousing of a [3] mighty monster [6] from [b27] its [b5] sleep

We're [1-] walking in the air [1-]
We're [1-] floating in the midnight [7] sky
And [4-] everyone who sees us [6] greets us as we fly [1-]

Version from original lyrics by Banjo Paterson 1895

[1] Once a jolly [b37] swagman [6-] camped by a [4] billabong,
[1] Under the shade of a [57] coolibah tree,
And he [1] sang as he [b37] watched and [6-] waited till his [4] billy boiled
[1] You'll come a [6-] waltzing Ma [57]tilda with [1] me

Chorus:
[1] Waltzing Matilda, [4] Waltzing Matilda
[1] You'll come a [6-] waltzing Ma [2-]tilda with [5] me
And he [1] sang as he [b37] watched and [6-] waited till his [4] billy boiled
[1] You'll come a waltzing Ma [57]tilda with [1] me.

[1] Down came a [b37] jumbuck to [6-] drink at the [4] billabong
[1] Up jumped the swagman and [57] grabbed him with glee
And he [1] sang as he [b37] stowed that [6-] jumbuck in his [4] tuckerbag
[1] You'll come a [6-] waltzing Ma [57]tilda with [1] me

Chorus

[1] Up rode the [b37] squatter [6-] mounted on his [4] thoroughbred,
[1] Up rode the troopers, [57] one, two, three.
[1] "Where's the jolly [b37] jumbuck [6-] you've got in your [4] tuckerbag?
[1] You'll come a [6-] waltzing Ma [57]tilda with [1] me "

Chorus

[1] Up jumped the [b37] swagman and [6-] sprang into the [4] billabong,
[1] "You'll never take me a [57]live," cried he
(Slower)
And his [1] ghost may be [b37] heard as you [6-] ride beside the [4] billabong,
[1] " You'll come a [6-] waltzing Ma [57]tilda with [1] me "

He goes [1] wa-wa-wa-wa, wa-[4]waltzing with [1] bears,

[1] There's nothing on Earth Uncle [4] Walter won't [1] do,
So [4] he can go [1] waltzing, [4] wa-wa-wa-[1]waltzing,

[1] My Uncle Walter's not [4] right in the [1] head.
[5] He's been that way all his life [4] my Mother [1] said.
It's [1] not that he's violent or [4] falls down the [1] stairs.
It's [4] that he goes [1] waltzing goes [5] waltzing with [1] bears. [1]

> CHORUS
>
> He goes [1] wa-wa-wa-wa, wa-[4]waltzing with [1] bears,
> [5] Raggy bears, shaggy bears, [4] baggy bears [1] too.
> [1] There's nothing on Earth Uncle [4] Walter won't [1] do,
> So [4] he can go [1] waltzing, [4] wa-wa-wa-[1]waltzing,
> So [4] he can go [1] waltzing, go [5] waltzing with [1] bears! [1]

I [1] went upstairs in the [4] middle of the [1] night,
I [5] tiptoed inside and I [4] turned on the [1] light,
but [1] to my dismay, he was [4] noone in [1] sight,
[4] My Uncle [1] Walter goes [5] waltzing at [1] night! [1]

> CHORUS

> He goes [1] wa-wa-wa-wa, wa-[4]waltzing with [1] bears,

> So [4] he can go [1] waltzing, [5] waltzing with [1] bears! [1]

I [1] gave Uncle Walter a [4] new coat to [1] wear,
[5] When he comes in it's all [4] covered with [1] hair,
And [1] lately I've noticed [4] several new [1] tears,
I'm [4] afraid Uncle [1] Walter goes [5] waltzing with [1] bears! [1]

We [1] told Uncle Walter that [4] he should be [1] good,
And [5] do all the things that we [4] said he [1] should,
I think [1] he would rather be [4] out in the [1] wood,

I'm [4] afraid we might [1] lose Uncle [5] Walter for [1] good! [1]

[1-] From Cape Cod [b5] Light to the [1-] Mississip', to San Fran-[6]cisco [3] Bay.
[b5] They're [1-] talkin' '[b5] bout this [1-] famous place, [6] down Greenwich [5-] Village [1-] way.
[3] They hootenanny [1-] all the time with folks from [6] every-[3]where.
[3] Come Sunday morning, rain or [1-] shine, [6] right in [5-] Washington [1-] Square.

[1-] And so I got my banjo out, just sitting, [6] catching [3] dust.
[b5] And [b1] painted [b5] right across the [1-] case, 'Greenwich Village or Bust!'
My [3] folks were sad to [1-] see me go, but I got no [6] meaning [3] there.
[5-] So, [3] I said, goodbye, [1-] Kansas, Mo. and [6] hello, [5-] Washington [1-] Square.

[6] Near [b2-] Tenne-[6]ssee, [b2-] I met a guy who played 12 [b7] string gui-[b4]tar.
[6] He [b2] also [6] had a [b2-] mighty voice, [b7] not to [6-] mention a [b2-] car.
Each [b4] time he hit those [b2-] bluegrass chords, you sure smelled [b7] mountain [b4] air.
[6] I [b4] said, don't waste it [b2-] on the wind, come [b7] on to [6-] Washington [b2-] Square.

[b7] In [b2] New Orleans, we [b2-] saw a gal a-walkin' [7] with no [b4] shoes.
[b7-] And [b2-] from her throat there comes a growl, she [7] sure was [b2-] singin' the blues.
She [b4] sang for all [b2-] humanity, this gal with [7] raven [b4] hair.
I said, it's for the [b2-] world to hear, [7] come to [b7-] Washington [b2-] Square.

[7-] We [3-] cannonballed into New York on good old [b1] US [b5] 1.
[7] 'Til up a [3-]-head we saw the arch, a-[b1]gleamin' [3-] bright in the sun.
As [b5] far as all the [3-] eye could see, ten thousand [b1] folks were [b5] there.
And [b5] singing in sweet [3-] harm-[b5]ony, [b1] right in [7-] Washington [3-] Square.

Explanation (from mudcat.org):
"death" is a misunderstanding of I cannot get to my love if I would dee. It's a construction that's not all that obvious to people who aren't used to it, and who may not realise that it just means something like I cannot get to my love for the life of me, or I cannot get to my love however hard I try; that sort of thing.

"Hinny" is just a Northern English dialectal form of honey

We used to [1] talk about forever [17] you and [4] I
And love [b2-7] was all [57] we seemed to [b4-7] need [6-]
Do you re-[b2-7]call sometimes
The [1] way we [4] used to [b7] be [57]
When did we [1] change [4-]
Where has love [1] gone [4-]
We can't ex-[1]plain
But we [17] know there's [b4-7] something [4] wrong
And [1] all that's [b2-7] left of [57] you and [b4-7] me [6-]
Is just a [b2-7] memory of
The [57] way we used to [1] be [17]

I can re-[4-7]member when
We [b77] used to be the [b3] best of friends [b6]
Now [b77] suddenly we [57] don't know what to [1] say [17]
If there's a [4-7] chance that we
Can [b77] bring the feeling [b3] back again [b6]
I've [b77] got to try
[57] Why don't you stay

within in my [1] heart [4-]
I think [1] you know [4-]
I tried [1] to hide it but I [17] just can't let you [4] go [b2-7]
It's [1] not too [b2-7] late [57]
For you and [b4-7] me [6-]
To be in [b2-7] love again
The [b4-7] way we used to [6-] be [57]
It's [1] not [17] too [4] late
[57] For you and [b4-7] me [6-]
To be in [b2-7] love again

[1] Oh, the wayward wind is a restless [4] wind,
a restless [1] wind, that yearns to [57] wander.
And I was [1] born the next of [4] kin..
the next of [1] kin... [57] to the wayward [1] wind.

[1] In a lonely shack by a railroad track,
I [1] spent my younger days.
And I [1] guess the sound of the 'outward-bound,'
made me a [57] slave, to my wandering [1] ways.

[1] Oh, the wayward wind is a restless [4] wind,
a restless [1] wind, that yearns to [57] wander.
And I was [1] born the next of [4] kin..
the next of [1] kin... [57] to the wayward [1] wind.

[1] Oh, I met a girl in a border town..
I [1] vowed we'd never part.
Though I [1] tried my best to settle down..
She's now a-[57]lone with a broken [1] heart.

[1] Oh, the wayward wind is a restless [4] wind,

When [1-] you attend a funeral,
It is [57] sad to think that sooner or
Later [1-] those you love will [b67] do the same for [57] you. [b67] [57]
And you [1-] may have thought it tragic,
Not to [57] mention other adjectives,
to [1-] think of all the [b27] weeping they will [57] do. (But don't you worry.)

[5] No more [1-] ashes, no more sackcloth,
And an [b2] arm band made of black cloth

[1] Fall is here, hear the yell, back to school, ring the bell
[4] Brand new shoes, walking blues, [1] climb the fence, books and pens
[5] I can tell that [4] we are gonna be [1] friends
[5] I can tell that [4] we are gonna be [1] friends

[1] Walk with me, Suzy-Lee, through the park, and by the tree
[4] We can rest upon the ground [1] and look at all the bugs we've found
[5] Safely walk to [4] school without a [1] sound
[5] Safely walk to [4] school without a [1] sound

[1] Well here we are, no one else, we walked to school all by ourselves
[4] There's dirt on our uniforms, [1] from chasing all the ants and worms
[5] We clean up and [4] now it's time to [1] learn
[5] We clean up and [4] now it's time to [1] learn

[1] Numbers. letters, learn to spell, noun, and books, and show and tell
[4] At playtime we will throw the ball, [1] back to class, through the hall
[5] Teacher marks our [4] height against the [1] wall
[5] Teacher marks our [4] height against the [1] wall

[4] And we don't notice any time [1] pass
[4] We don't notice any-[1]thing
[b27] We sit side by side in every class
[4] Teacher thinks that I sound funny, [5] But she likes the way you sing

[1] Tonight I'll dream while I'm in bed, when silly songs go through my head
[4] About the bugs and alphabet, [1] and when I wake tomorrow I'll bet
[5] That you and I will [4] walk together a-[1]gain
[5] 'Cause I can tell that [4] we are going to be [1] friends
[5] Yes I can tell that [4] we are going to be [1] friends

I know your [1] plans [4] don't include [1] me [5]
Still here we [1] are [5] both of us [1] lonely
Longing for [1] shelter [4]
From all that we [1] see [5]
Why should we [1] worry? [4]
No one will [1] care, girl [5]

We've got to- [1]night [4]
Who needs to- [1]morrow?

All of my [1] hopes [4] fading a- [1]way [5]

I've said it [1] all now [5]

Both of us [1] lonely [4-7] [1sus4]

[1] I'm a weaver, a master weaver,
I've got a loom where the [4] best cloth's [1] made.
[4] Plain cloth, [1] twill, bro-[5]cade or [4] satin,
[1] I'm the master of my trade.
Shed the warp and [5] fly the shuttle,
[1] Beat the reed, the [5] weft is [1] laid.

[1] I can wind a flying bobbin,
I can warp a [4] theme of [1] thread.
[4] I can [1] weave a [5] sheet of [4] linen,
[1] Fit to grace a royal bed.
Lift the heel and [5] fly the shuttle,

Wee Kirkcudbright Centipede, The

https://www.youtube.com/watch?v=57b3OAsGw0s but in G

Oh, [1] the Wee Kirkcudbright Centipede, [b2-7] she was very sweet
[57] She was ever so proud of every one of her hundred [1] feet
[1] Early every morning her [b2-7] neighbours came to glance
[57] She always entertained them with a beautiful little [1] dance

As [1] leg number ninety four gave [b2-7] ninety five a shunt
[57] Legs number one and two were twistin out in [1] front
[1] Legs numbers nine and ten came [b2-7] wriggling up the side
[57] Seventy three and seventy four were doing the Parlour [1] Glide

[1] Now her neighbour Jenny Longlegs with [b2-7] jealousy was mad
[57] She went out and bought herself a pencil and a [1] pad
[1] She came look one morning, she [b2-7] made careful note
[57] Of every step the centipede made and this is what she [1] wrote

Well [1] leg number ninety four gave [b2-7] ninety five a shunt
[57] Legs number one and two were twistin out in [1] front
[1] Legs numbers nine and ten came [b2-7] wriggling up the side
[57] Seventy three and seventy four were doing the Parlour [1] Glide

[1] Now with her exact notation young [b2-7] Jenny Longlegs tried
[57] To dance just like the centipede, she failed and nearly [1] cried
[1] She grabbed a hold of the centipede, and [b2-7] said "Now, have a look
[57] Show me how to do this dance I've written in my [1] book?"

[1] The centipede said "Do I do that?", and [b2-7] tried to demonstrate
[57] She'd never thought it out before, sand didn't do too [1] great
[1] Her hundred legs were twisted, and she [b2-7] wound up in a tangle
[57] She fractured fourteen kneecaps, seven shinbones, and an [1] ankle

[1] As legs number one and two were [b2-7] tied with three and four
[57] Legs number five and six were cancelled on the [1] floor
[1] Leg number seventeen was a- [b2-7] ttacked by number ten
[57] Ninety eight and ninety nine will never dance a- [1] gain

[1] Oh, the Wee Kirkcudbright Centipede, she [b2-7] suffered terrible pain
[57] And some of us were very surprised she ever danced a- [1] gain
[1] But now she tells her neighbours, any- [b2-7] one that calls to see
[57] Never try an explanation of what comes natural- [1] ly.

[1] [4] [b7] [1] [1] [4] [b7] [1]
[1] I bought a bottle of Creaming [4] Soda
[b7] From a woman who called me '[1] love'
I dropped the change into a [4] guide dog box
[b7] by a tray of custard [1] tarts
And the pies from the Maffra [4] bakery
Are [b7] famous all over the [1] world
There's a sign that says so on the [4] drinks fridge
[b7] Near the picture of a Big M [1] girl [4] [b7] [4] [1]

[1] We used to drive down to the [4] weir
Throwing tennis balls [b7] in for the [4] dogs to re-[1]trieve
While an old man sitting on a [4] camp chair's [b7] fishing
[1] Down at the [4] weir wall

There's a [1] bottle of Brando-[4]vino
Broken by the [b7] spirit of last night's [1] fire
There's a speed boat screaming a-[4]round Glenmaggie
Dragging [b7] kids on a tractor [1] tyre
There's a flyblown roo on the [4] roadside
There's a [b7] cross and a plastic [1] rose
There's a sign that says 'No [4] Shooting'
[b7] Riddled with bullet [1] holes [4] [b7] [1]

[1] We used to drive down to the [4] weir
Throwing tennis balls [b7] in for the [4] dogs to re-[1]trieve
While an old man sitting on a [4] camp chair's [b7] fishing
[1] Down at the [4] weir wall

[b7] Remember that [4] awful drought
When the [1] weir dried up and we [b7] took the [1] Fairlane [b7] out
Drove across the [4] dried up mud
To the [1] rotten farm house that [b7] stood there be-[1]fore the [b7] flood
And I wonder how many [4] summers I'd swam
[1] Over that roof not [b7] knowing what [1] lies under-[b7]neath
I wonder how many [4] people there'll be skimming [1] rocks over ghosts
At the places that I used [b7] to be

All the rivers come [1] here
Back to the [4] weir [b7] [1] back to the [4] weir [b7] [1]

An old man pulls a [4] fishing line in
[b7]To see what he hasn't [1] caught
A teenager checks out the [4] girls in the water
Pulling [b7] bull-ants from his football [1] shorts
I come here when it's [4] late in the summer and I [b7] can't make sense of it
[1] all
I still bring a pie from the [4] bakery
'cause they're the [b7] best bloody pies in the [1] world [4] [b7] [4] [1]

We used to drive down to the [4] weir
Throwing [b7] tennis balls in for the [4] dogs to re-[1]trieve
We used to dive into the [4] weir
[1] Down at the weir [4] wall
Well we [1] used to drive down to the [4] weir
Throwing [b7] tennis balls in for the [4] dogs to re-[1]trieve
And we used to dive into the [4] weir
[1] Down at the weir [4] wall
[1] Down at the weir [4] wall
[1] Down at the [4] weir

I [4] met her at the laundromat, she was [1] washing extra hot
I said, "Don't you need a little help with that big load you [4] got?"
She said no, but did a double take
and then she smiled and said, "I [b7] might"
As [1] I rolled up my sleeves,
I said to myself, "Well al-[4]right, well alright" [4]

I [4] put it on automatic and she [1] sat down on the floor
She said, "Just keep it on medium hot." I said, "I've done this be-[4]fore"
Then I opened up the dryer and I set it on soft and [b7] light
She [1] said, "Be gentle with my silk and lace." And I said, "Well al-[4]right"

Well al-[4]right [4]

H?r [4] clothes were in th? basket folded [1] down, so nice and warm
She headed for the door when I said, "I will take you [4] home"
She said, "I just live up the street," I said, "It's a dangerous [b7] night"
[1] Take my arm and I'll carry the basket."
And she said, "Well al-[4] right, well al-[4]right" [4]

The [4] world's half full of women and the [1] world's half full of men
And sometimes one or the other, opens up to let one [4] in
But the one I met at the laundromat that dangerous, beautiful [b7] night
Said, [1] "Yes, I do, and yes, I will." And I said, "Well al-[4]right"

[1] Speak of the riches that [4] come from Ca-[5]thay
[1] Ay but its grand to be [5] woken at day

[1] Westering home and a song in the air
[4] Light in the [1] eye and its [4] goodbye to [5] care
[1] Laughter and [4] love and a [1] welcoming there
Light of my [5] heart my [4-] own land.

[1] Where are the folk like the [5] folk o the West
[1] Canty and [4] couthy and [4] kindly the [5] best
[4] There I would hie me and [5] there I would rest
[1] At home with my [5] ain folk on [4-] Is-[1]la.

[1] Westering home and a [5] song in the air
[4] Light in the [1] eye and its [4] goodbye to [5] care
[1] Laughter and [4] love and a [1] welcoming there
Light of my [5] heart my [4-] own [1] land.

[1] Now I'm at home and at home I do [5] lay
[1] Dreaming of riches that [4] come from Ca-[5]thay
[1] I'll hop a good ship and be on my [5] way
[1] And bring back my [5] fortune to [4-] Is-[1]la

[1] Westering home and a song in the air
[4] Light in the [1] eye and its [4] goodbye to [5] care

[5] Got a [1] whale of a tale to [4] tell ya, [5] lads
A [1] whale of a tale or [4] two [5]
'Bout the [1] flappin' [17] fish and the [4] girls I've [5] loved
[1] On nights like [5] this with the [1] moon a [5]bove
[1] A whale of a [5] tale and [1] it's all [4] true
[1] I swear [5] by my tat [1]too

There was [4] Mermaid Minnie, [1] met her down in Madagascar
[4] She would kiss me, [1] any time that I would ask her
[4] Then one evening her [1] flame of love blew [5] out
[1] Blow me down and [5] pick me [1] up!
She [4] swapped me [5] for a [1] trout

[5] Got a [1] whale of a tale to [4] tell ya, [5] lads
A [1] whale of a tale or [4] two [5]
'Bout the [1] flappin' [17] fish and the [4] girls I've [5] loved
[1] On nights like [5] this with the [1] moon a [5]bove
[1] A whale of a [5] tale and [1] it's all [4] true
[1] I swear [5] by my tat [1]too

There was [4] Typhoon Tessie, [1] met her on the coast of Java
[4] When we kissed I [1] bubbled up like molten lava
[4] Then she gave me the [1] scare of my young [5] life
[1] Blow me down and [5] pick me [1] up!
She [4] was the [5] captain's [1] wife

[5] Got a [1] whale of a tale to [4] tell ya, [5] lads
A [1] whale of a tale or [4] two [5]
'Bout the [1] flappin' [17] fish and the [4] girls I've [5] loved
[1] On nights like [5] this with the [1] moon a [5]bove
[1] A whale of a [5] tale and [1] it's all [4] true
[1] I swear [5] by my tat [1]too

There was [4] Harpoon Hannah, [1] had a face that made you shudder
[4] Lips like fishhooks, [1] and a nose just like a rudder
[4] If I kissed her and [1] held her tender [5]ly
There's [1] no sea monster [5] big [1] enough
To [4] ever [5] frighten [1] me!

[5] Got a [1] whale of a tale to [4] tell ya, [5] lads
A [1] whale of a tale or [4] two [5]
'Bout the [1] flappin' [17] fish and the [4] girls I've [5] loved

[1] A whale of a [5] tale and [1] it's all [4] true
[1] I swear [5] by my tat [1]too

Then there was [4] Anchor Anna, [1] had a look that spelled out danger
[4] My heart quivered [1] when she whispered "Hi there, stranger"
[4] Bought her trinkets [1] that sailors can't af [5]ford
And [1] when I spent my [5] last red [1] cent
She [4] tossed me [5] over [1] board

[5] Got a [1] whale of a tale to [4] tell ya, [5] lads
A [1] whale of a tale or [4] two [5]
'Bout the [1] flappin' [17] fish and the [4] girls I've [5] loved
[1] On nights like [5] this with the [1] moon a [5]bove
[1] A whale of a [5] tale and [1] it's all [4] true
[1] I swear [5] by my tat [1]too

There was [4] Old Man Nemo, [1] fed his crew on worms and fishes
[4] Eels for breakfast, [1] slimy cold and seaweed dishes
[4] When they ate it, they [1] knew it wasn't [5] meat
But [1] eat they did and [5] with a [1] scent
Of [4] smelling [5] like a [1] reef

[5] Got a [1] whale of a tale to [4] tell ya, [5] lads
A [1] whale of a tale or [4] two [5]
'Bout the [1] flappin' [17] fish and the [4] girls I've [5] loved

[1-] Di Di Di Di [7] Di De Di [1-] Di [1-] [1-] [1-]

They [1-] sailed from port one [1-] morning when the
[7] weather it was [1-] fair
A [1-] gentle breeze it [1-] pushed them, and
[7] no one gave a [1-] care
They [1-] sang and danced and [3] laughed that night and
[7] opened up a [1-] keg
They're [1-] out to catch the [1-] monster whale that
[7] took the captain's [1-] leg

Oh [1-] Di Di Di Di [7] Di De Di [1-] Di [1-]

The [1-] Captain said "a [1-] piece of gold for

So [1-] bend your backs and [1-] row me lads, I

[1-] Bend your backs and [3] row me lads and

We [1-] sail into the [3] harbour, no

Oh [1-] Di Di Di Di [7] Di De Di [1-] Di [1-] [1-] [1-]

They [1-] saw the whale one [1-] morning when the

The [1-] men were white as [1-] ghosts, but the

I'll [1-] take this whale my- [3] self he said, The

Oh [1-] Di Di Di Di [7] Di De Di [1-] Di [1-]

The [1-] whale it came up [1-] closer, it was

They [1-] lowered down the [1-] longboats, and they

Oh [1-] Di Di Di Di [7] Di De Di [1-] Di [1-] [1-] [1-]

The [1-] whale it came so [1-] close, that it
[7] almost tipped the [1-] boat
The [1-] captain raised his [1-] spear, and he
[7] rammed it down it's [1-] throat
The [1-] whale it gave a [3] mournful cry and
[7] lifted it's great [1-]* ta-a-ail
And [1-] brought it down a-[1-]smashing their wee
[7] boat worse than a [1-]* gale
slowly
A [1-]* 100 years have [1-]* passed, since
the [7]* Captain and his [1-]* men
[1-]* Went down below to [1-]* spend their days
in [7]* Davy Joneses' [1-]* den
The [1-]* whale it goes on [3]* living but in-[7]* side it wears a [1-]* scaaar
slower still And [1-]* if you?re ever near that place
a [7]* voice calls, from a-[1-]* fa-a-ar
Hauntingly, slowly
[1-] Bend your backs and [3] row me lads and
[7] take me to me [1-] whale.
To [1-] night we sing and [1-] dance, and
[7] tomorrow night we [1-] sail.
We [1-] sail into the [3] harbour, no

[1] Jimmy Bean was a funny lookin' fellah
If he had another mouth he'd [b2] look much sweller
But the "race" queered him from winning a beauty [5] show
[1] It was like a steamboat funnel
Or a railway arch or the [b2] Blackwall Tunnel
When you can't see Jim when he opens his mouth you'll [5] know
[5] And as poor Jim goes walkin' about
[5] You can hear the kids all 'ollerin' [57] out

Now when [b2] he was a baby well oh Gawd luv 'er

He can whisper in his own ear [b2] ain't it funny
And to quench his thirst now he's gotta take a drink o' [5] mine
He [1] got so drunk one foggy morn
He lay in the road and [b2] started to yawn
And a poor old man was delivering coals close [5] by
[5] And as he went to shoot the load
[5] He saw Jim's mouth out in the [57] road

What a [1] mouth what a mouth what a north and south
Blimey what a [5] mouth he's [1] got
Now the [b2] poor old man bein' a short sighted fellah
When he saw Jim's mouth he [5] took it for the cellar
And he [1] shot the lot right into his mouth no [5] joke

[5] Just a loud-mouthed Yankee, I went [b27] down to Mexi-[5]co

There I [1] lightly took ad-[4]vantage
Of a girl [1] who loved me [4] so [1] [4]

You [1-] must understand that the touch of your hand, makes my [5-7] pulse react,
That it's [1-] only the thrill of boy meeting girl, oppos- [5-7] ites attract,

It's [b6] phys-ic- [b7] al
Only [b6] log-ic- [b7] al
You must [b6] try to ignore that it [b7] means more than that, o-oh oh

[1-] What's [b7] love got to [b6] do, got to [b7] do with it,
[b3] What's [b7] love but a [b6] second hand e- [b7] motion,
[b3] What's [b7] love got to [b6] do, got to [b7] do with it,

[1-] It may seem to you that I'm acting confused
When you're [5-7] close to me

I've [5-7] got cause to be

There's a [b6] name for [b7] it ,
There's a [b6] phrase that [b7] fits
But [b6] whatever the reason you [b7] do it for me

[b3] I've been taking on a [4] new direction,

Intro: [5] [2-] [1] (end of last line 1st verse)

A ray of [1] hope [5] flickers in the [1] sky, [4]
A tiny [1] star [6-] lights up way up [5] high, [4] [5]
All [4] across the land [5] dawns a brand new [3-] morn ,
[6-] This comes to [5] pass [2-] when a child is [1] born.

A silent [1] wish [5] sails the seven [1] seas, [4]
The winds of [1] change [6-] whisper in the [5] trees [4] [5]
All the [4] walls of doubt [5] crumble tossed and [3-] torn ,
[6-] This comes to [5] pass [2-] when a child is [1] born.

A rosy [1] dawn [5] settles all [1] around, [4]
You get the [1] feel [6-] you're on solid [5] ground [4] [5]
For a [4] spell or two [5] no-one seems [3-] forlorn ,
[6-] This comes to [5] pass [2-] when a child is [1] born.

It's all a [1] dream, [5] an illusion [1] now, [4]
It must come [1] true [6-] sometime soon [5] somehow. [4] [5]
All [4] across the land [5] dawns a brand new [3-] morn ,
[6-] This comes to [5] pass [2-] when a child is [1] born [4] [1]

I'm a [1] rowdy [5dim] dowdy, that's [57] me.
She's a [1] high hat [5dim] mama, that's [57] she,
So I [b67] never take her where the [b2-7] gang [4-] goes,
[4-] When I [1] take my sugar [57] to [1] tea

[4] Every Sunday afternoon, [b77] we forget about our cares,
[1] Rubbing elbows [b27] at the Ritz, [b67] with those [57] million- [1]aires.

[57] When I [1] take my [5dim] sugar to [57] tea,

Same [4] bed, but it feels just a little bit [5-] bigger now
[1] Our song on the [1] radio, but it don't [4] sound the same [6-]

[b3] Hmmm too young, too dumb to [4] rea[1]lize

[5-] Now my baby is [b7] dancing, but she's [b7-] dancing with another [4] man [6-]

[2-] My pride, [4] my ego, my needs and my [5-] selfish ways

In [b37] my profession I work hard [b67] but I'll never stop
I'll [b27] climb this blinking ladder 'til I [5] get right to the [57] top
The [1] blushing bride she [17] looks divine, the [4] bridegroom he is [b27] doing fine

Well [1] I like eating biscuits, I [b27] shove 'em in my gob

I [b37] can't eat half a packet, no, [b67] I can never stop.
I'll [b27] get them crumbs around my gums 'til [5] I have scoffed the [5]? lot [57]?

A [1] plain Digestive [17] leaves me cold; they're [4] OK for the [b27] very old

And [1] Wagon Wheels are [17] not for me, they're [4] smaller than they [b27] used to be

I [b37] can't eat half a packet, no, [b67] I can never stop
I'll [b27] get them crumbs around my gums 'til [5] I have scoffed the [5]? lot [57]?

Or [1] they could make you [b67] follow through, [1dim] when I'm eating [1] biscuits
It [1] makes me want to [17] laugh and sing, when I'm [4] nibbling on a [b27] Party Ring
They're [1] full of sugar, [b67] that's the thing, [1dim] when I'm eating [1] biscuits

I [b37] can't eat half a packet, no, [b67] I can never stop.

[1] There's a tear in your eye

In the [4] lilt of Irish [1] laughter [b67]

[1] Is the sweetest of all

And while [b27] springtime is ours
Throughout [5] all of youth's hours
Let us [b27] smile each chance we [5] get [57]

I lived [1] less like a workhorse, more like a [4] slave.
I thought the [6-] one quick moment that was noble or brave

[5] [5] [1]
In the [1] days of bread and dripping and that [4] good old cocky's joy,
When [5] home-made dolls and shanghais were the battlers kiddie's [1] toys [1]
We used to dream of luxury but [4] couldn't raise the price,
So we [5] had to save our bumpers and boil the tea leaves [1] twice.

In the [1] days of darning needles, patching [4] clothes and making do,
Dear [5] Mother at the wash-tub, bar of soap and bubbles [1] blue, [1]
She had so little comfort but she [4] kept the old place nice,
In those [5] days of saving bumpers n' boiling tea leaves [1] twice.|
In those [5] days of saving bumpers n' boiling tea leaves [1] twice.

In the [1] days of horse and sulky and [4] mail-order catalogues,
Of [5] cross cut saw and broad axe to work and sleeper [1] logs, [1]
When the day was done we dined on [4] rabbit stew and rice,
And [5] then we smoked our bumpers 'n boiled the tea leaves [1] twice.

In the [1] days of Vicks, camphor, Epsom [4] salts and castor oil,
When we [5] used the good old Clydesdale and plough to work the [1] soil, [1]
We could use the forge 'n anvil, twist the [4] green hide rope and splice,
Back [5] when we saved our bumpers 'n boil the tea leaves [1] twice.
Back [5] when we saved our bumpers 'n boil the tea leaves [1] twice

In the [1] days of old bark humpies and [4] wind-up gramophones,
When we [5] used to sharpen axes on that big old grinding [1] stone, [1]
We had gramma pie for smoko and [4] ravaged every slice,
Back [5] when we saved our bumpers 'n boiled our tea leaves [1] twice.
Back [5] when we saved our bumpers 'n boiled our tea leaves [1] twice

In the [1] days of storytellers and [4] men who could recite,
When [5] arguments were settled with a clean bare knuckle [1] fight, [1]
And I think in spite of progress with each [4] work-saving device,
We were [5] happier saving bumpers 'n boiling tea leaves [1] twice,
Yes, we were [5] happier saving bumpers 'n boiling tea leaves [1] twice.

[57] Since I [1] still appreciate you,
Let's [b67] find love while we [2-] may,
Because I know I'll [57] hate [57] you
When [b2-7] you're [57] old and [1] grey.

[1] So say you love me here and now,
I'll [b67] make the most of [2-] that. [b67]
[2-] Say you love and [4] trust me,
For I [1] know [2-] you'll dis-[b67]gust me
When you're [b27] old and [57] getting [1] fat.

An [1] awful debility,
A [4] lessened utility,
A [57] loss of mobility
Is a [1] strong possibility.
In all probability
I'll [57] lose my vi-[5]rility
And [6-] you your fertility
And [b27] desira-[57]bility,
[57] And [1] this liability
Of [4] total ste-[2-]rility
Will [57] lead to hostility
And a [1] sense of fu-[1]tility,
So let's act with agility
While we still [57] have facility,
For we'll [6-] soon reach senility
And [b27] lose the a-[57]bility.

Your [1] teeth will start to go, dear,

[1] When you [4] shook your [1] long hair down,
[5] when you sat be-[1]side me,
[1] all my [4] terrors [1] came to town,
[5] they began to [1] ride me.
[6-] I was left with-[3-]out a word,

[1] When you [4] shook your [1] long hair down,

[1] feeling [4] I be-[1]came too grown,
[5] all my words got [1] jumbled.
[6-] Not a word would [3-] come to mind,

oh, [1] in your [4] eyes I [1] saw a light of [5] all my bridges [1] burning.

Intro: [1] [3-] [4] [5] then vamp on [1]

You [1] talk like Marlene [3-] Dietrich and you [4] dance like Zizi Jean [5] Maire
Your [1] clothes are all made by [3-] Balmain
And there's [4] diamonds and pearls in your [5] hair [57] [b3-7] [5]

You [1] live in a fancy [3-] apartment on the [4] boulevard St Mi-[5]chel
Where you [1] keep your Rolling Stones [3-] records,
and a [4] friend of Sacha Dis-[5]tel [57] [b3-7] [5]

But [1] where do you go to my [3-] lovely, [4] when you're alone in your [5] bed?
[1] Tell me the thoughts that sur-[3-]round you
I [4] want to look inside your [5] head [57] [b3-7] [5]

I've [1] seen all your qualifi-[3-]cations you [4] got from the Sor-[5]bonne
And the [1] painting you stole from Pic-[3-]asso,
And your [4] loveliness [5] goes on and [57] on, yes it [b3-7] does [5]

When you [1] go on your summer va-[3-]cation you [4] go to Juan-les-[5] Pins
With your [1] carefully designed topless [3-] swimsuit
You [4] get an even sun [5] tan, on your [57] back, and on your [b3-7] legs [5]

When [1] the snow falls you're found in St [3-] Moritz with the [4] others of the jet [5] set
And you [1] sip your Napoleon [3-] brandy
But you [4] never get your lips [5] wet [57] [b3-7] [5]

But [1] where do you go to my [3-] lovely [4] when you're alone in your [5] bed?
[1] Tell me the thoughts that sur-[3-]round you,
I [4] want to look inside your [5] head [57] [b3-7] [5]

Your [1] name it is heard in high [3-] places, you [4] know the Aga [5] Khan
He [1] sent you a racehorse for [3-] Christmas
And you [4] keep it just for [5] fun, for a [57] laugh, a-ha-ha [b3-7] ha [5]

They [1] say that when you get [3-] married, it will [2-] be to a million-[5]aire
But they [1] don't realise where you [3-] came from,
I [4] wonder if they really [5] care or give a [57] damn, Oh, Oh, [b3-7] oh [5]

But [1] where do you go to my [3-] lovely [4] when you're alone in your [5] bed?
[1] Tell me the thoughts that sur-[3-]round you,
I [4] want to look inside your [5] head [57] [b3-7] [5]

I re-[1]member the back [3-] streets of Naples, two [4] children begging in [5] rags
Both [1] touched with a burning am-[3-]bition
To [4] shake off off their lowly born [5] tags, yes they [57] try [b3-7] [5]

So [1] look into my face Marie [3-] Claire and [4] remember just who you [5] are
Then [1] go and forget me for-[3-]ever, but
I [4] know you still bear the [5] scar, deep [57] inside, yes you [b3-7] do [5]
I [1] know where you go to my [3-] lovely [4] When you're alone in your [5] bed
[1] I know the thoughts that sur-[3-]round you - cos [4] I can look inside your [1] head

[1] [1]
[1] As I was a goin' over the [6-] far famed Kerry mountains
I [4] met with Captain Farrell and his [1] money he was [6-] counting
I [1] first produced my pistol and I [6-] then produced my rapier
Said [4] "Stand and deliver" for you [1] are my bold de- [6-]ceiver

Chorus:
Musha [5] ring dum-a doo dum-a da
[1] Whack fall the daddy-o. [4] whack fall the daddy-o
There's [1] whiskey [57] in the [1] jar.

This verse is not in the Dubliners' version

I [1] counted out his money and it [6-] made a pretty penny
I [4] put it in me pocket and I [1] brought it home to [6-] Jenny
She [1] said and she swore that she [6-] never would deceive me
But the [4] devil take the women for they [1] never can be [6-] easy

Chorus

I [1] went into my chamber, all [6-] for to take a slumber
I [4] dreamt of gold and jewels and for [1] sure it was no [6-] wonder
But [1] Jenny drew me charges and she [6-] filled them up with water
Then [4] sent for captain Farrell to be [1] ready for the [6-] slaughter.

Chorus

It was [1] early in the morning, just be [6-]fore I rose to travel
The [4] guards were all around me and [1] likewise Captain [6-] Farrell
I [1] first produced me pistol for she [6-] stole away me rapier
But I [4] couldn't shoot the water, so a [1] prisoner I was [6-] taken.

Chorus

If [1] anyone can aid me, it's my [6-] brother in the army,
If [4] I can find his station in [1] Cork or in Kill- [6-]arney.
And [1] if he'll come and save me, we'll go [6-] roving near Kilkenny,
and I [4] swear he'll treat me better than me [1] darling sportling [6-] Jenny.

Chorus

Now [1] some men take delight in the [6-] drinking and the roving,
But [4] others take delight in the [1] gambling and the [6-] smoking.
But [1] I take delight in the [6-] juice of the barley,
and [4] courting pretty Jenny in the [1] morning bright and [6-] early.

Well it's a [1] big big city and it's [1] always the same, can never
[3-] be too pretty, [3-] tell me your name, is [b3-] it
[2-] out, of line, if [2-] I was to be bold and say "Would
[57] you, be mine"? [57] Because I
[1] may be a beggar and you [1] may be the queen, I know I
[3-] may be on a downer I'm still [3-] ready to dream now [b3-] it's
[2-] 3, o'clock, the [2-] time is just the time it takes for
[57] you, to talk [57] - So if you're

[1] lone- ly [1] why did you say you're not [3-] lone- ly
[3-] / Oh-you're-a si- [b3-] lly [2-] girl, I know, I [2-] heard it so, it's

I [1] know, me [1] no you don't even [3-] know, me

And [b3-] I [2-] must, confess, my [2-] heart's in broken pieces
and my [57] head's, a mess [57] and it's
[1] 4 in the morning, and I'm [1] walking along, beside the
[3-] ghost of every drinker here who's [3-] ever done wrong and [b3-] it's
[2-] you, woo hoo, that's [2-] got me going crazy for the
[57] things you do [57] / So if you're

[1] crazy, [1] I don't care you a- [3-] maze me
[3-] / Oh-you're-a stu- [b3-] pid [2-] girl, oh me, oh [2-] my, you talk, I
[57] die, you smile, you [57] laugh, I cry and
[1] on-ly, a [1] girl like you could be [3-] lone-ly
[3-] And-it's-a cry [b3-] ing [2-] shame, if you, would [2-] think the same
A [57] boy like me's just [57] irresistible

[1] Lone- ly [1] why did you say you're not [3-] lone- ly

[1] Across the evening sky, [4] all the birds are lea-[1]ving
[1] But how can they know it's [4] time for them to [1] go?
[2-] Before the winter [3-] fire,
[4-] I will still be [3-] dreaming [4]
[4] I have no thought of [1] time
For who knows where the [4] time goes? [1]
Who knows where the time [2-] go--[4]oes? [1]

[1] Sad, deserted shore, [4] your fickle [1] friends are [4] leaving
Ah, but [1] then you know, it's [4] time for [1] them to go [4]
[2-] But I will [3-] still be [2-] here,

[4] I do not count the [1] time

[1] And I am not alone [4] while my love is near [1] m--ee
I [1] know it will be so until [4] it's time [1] to g--[4]oo
[2-] So come the storms of [3-] winter [4]

[3-] Out of the blue, on the back of your hand,
Count your [4] blessings and bear in [1] mind
Those [5-] small fragile wings could [4] beat again at any [1] time

Chorus 1

[1] So write down that feeling, cast it in stone
Get it [3-] tattooed so deep that it's etched on the bone
A [4] memento when it's gone [1] away.
Those [5-] flashes of colour can [4] light up the world when it's [1] grey

Instrumental [D] [F#m] [G] [D]

[1] When you look to the sky and there's nothing but blue
[3-] Paint your nails in that shade, paint your life in that hue
To re- [4] mind you of the de- [1] light
You'll [5-] need it when clouds have [4] obscured the view from your [1] sight

Chorus 2

[1] So write down that feeling, carve it in stone
Get it [3-] tattooed so deep that it's etched on the bone
A [4] reminder when it's gone [1] away.

Don't [3-] choose to ignore it, the same rules apply
Take a [4] photograph and lock it [1] away
You can [5-] use it to light up your [4] path on your darkest [1] day

Chorus 3

When a [1] flower grows wild, it can [4] always sur- [1]vive,
Wild- [1]flowers don't [57] care where they [1] grow.

The [1] hills were alive with wild [4] flowers and,
[1] I was as wild, even [57] wilder than [1] they,
For at least I could run, they just [4] died in the [1] sun
And I refused to just [57] wither in [1] place.

> CHORUS
>
> Just a [4] wild mountain rose, needing [1] freedom to grow
> So I [4] ran fearing not where I'd [1] go-o- [57]-o
> When a [1] flower grows wild, it can [4] always sur [1]vive,
> Wild- [1]flowers don't [57] care where they [1] grow.

And the [1] flowers I knew, in the [4] fields where I [1] grew
Were con- [1]tent to be [57] lost in the [1] crowd,
They were [1] common and close, I had [4] no room to [1] grow
And I [1] wanted so [57] much to branch [1] out.

> CHORUS
>
> Just a [4] wild mountain rose, needing [1] freedom to grow
> So I [4] ran fearing not where I'd [1] go-o- [57]-o
> When a [1] flower grows wild, it can [4] always sur- [1]vive,
> Wild- [1]flowers don't [57] care where they [1] grow.

So I [4] uprooted myself, from my [1] home ground and left,
Took my [4] dreams and I took to the [1] road-o- [57]oad
When a [1] flower grows wild, it can [4] always sur- [1]vive,
Wild- [1]flowers don't [57] care where they [1] grow.

I grew [1] up fast and wild and I [4] never felt [1] right
In a garden so [57] different from [1] me,
I just [1] never belonged, I just [4] longed to be [1] gone
So the garden one [57] day, set me [1] free.

> CHORUS
>
> Just a [4] wild mountain rose, needing [1] freedom to grow
> So I [4] ran fearing not where I'd [1] go-o- [57]-o
> When a [1] flower grows wild, it can [4] always sur- [1]vive,
> Wild- [1]flowers don't [57] care where they [1] grow.

I hitched a [4] ride with the wind, and since [1] he was my friend
I just [4] let him decide where we'd [1] go-o- [57]-o
When a [1] flower grows wild, it can [4] always sur [1]vive,
Wild- [1]flowers don't [57] care where they [1] grow.

Just a [4] wild rambling rose, seeking [1] myst'ries untold,
No re- [4]grets for the path that I [1] chose-o- [57]ose
When a [1] flower grows wild, it can [4] always sur- [1]vive
Wild- [1]flowers don't [57] care where they [1] grow.

Will you [1] come to the [5] bower o'er the [57] free boundless [1] ocean

Will you [1] come to the [5] bower o'er the [57] free boundless [1] ocean
Where the [1] stupendous [5] waves roll in thundering [1] motion,
Where the [1] mermaids are seen,and the fierce tempest [4] gathers,
To loved [1] Erin the green,the dear [57] land of our fathers.

Will you [1] come, will you, [57] will you, will you come to the [1] bower.

Will you [1] come to the [5] land of O' [57] Neill and O' [1] Donnell,
Of Lord [1] Lucan the [5] bold and the immortal O' [1] Connell,
Where [1] Brian chased the Danes, and St.Patrick the [4] vermin,
And whose [1] valleys remain, still most [57] beautiful and charming.

Will you [1] come, will you, [57] will you, will you come to the [1] bower.

You can [1] visit Ben [5]burb and the [57] storied Black- [1]water,
Where Owen [1] Roe met Mun- [5]roe and his chieftains did [1] slaughter,
Where the [1] lambs sport and play on the mossy all [4] over,
From those [1] golden bright views,to en- [57]chanting Rostrevor.

Will you [1] come, will you, [57] will you, will you come to the [1] bower.

You can [1] see Dublin [5] city and the [57] fine groves of [1] Blarney
The [1] Bann, Boyne the [5] Liffey, and the lakes of Kil- [1]larney
You may [1] ride on the tide o'er the broad majestic [4] Shannon
You may [1] sail round Loch Neagh and see [57] storied Dungannon.

Will you [1] come, will you, [57] will you, will you come to the [1] bower.

You can [1] visit New [5] Ross, gallant [57] Wexford and [1] Gorey,
Where the [1] green was last [5] seen by proud Saxon and [1] Tory.
Where the [1] soil is sanctified by the blood of each [4] true man
Where they [1] died satisfied their ene- [57]mies they would not run from.

Will you [1] come, will you, [57] will you, will you come to the [1] bower.

Will you [1] come and a- [5]wake our dear [57] land from its [1] slumber
And her [1] fetters we will [5] break, links that long are en- [1]cumbered,
And the [1] air will resound with Hosanna to [4] greet you,
On the [1] shore will be found gallant [57] Irishmen to meet you.

Will you [1] come, will you, [57] will you, will you come to the [1] bower.

Paper wings began to [4] rise,
A quiet [2-] glow against the night, [5]
Like the promise in your [1] eyes.

I watched it lift and drift away,
Carried where the breezes [4] go,
A warming [2-] light that couldn't stay, [5]
Rising to the sky so [1] slow.

Like a lantern drifting [4] skyward, [5]
You were shining, then you [1] flew, [6-]
I reach but only catch the [4] shadows, [5]
The night keeps taking me from [1] you.

The wind decides the path it takes,
No hand can guide it where to [4] roam,
And so it [2-] is with hearts that break, [5]
We burn, then wander far from [1] home.

[4] Maybe it's [5] enough we had that [1] moment,
[4] Floating bright [5] against the [1] dark, [5] [6-]
Some loves are [5] lanterns in the [4] distance,
[2-] Leaving only [5] smoke and [1] sparks.

[1] [3-] [4] [1] [1] [3-] [4] [1]

I searched the sky, but found no trace,
Just darkness where the glow had [4] been,
The [2-] memory still holds your face, [5]
A fragile warmth I keep [1] within.

Like a lantern drifting [4] skyward, [5]
You were shining, then you [1] flew, [6-]
I reach but only catch the [4] shadows, [5]
The night keeps taking me from [1] you.

I watched the glow fade to a [4] sta-ar, [5]
Then vanish in the endless [1] blue, [5] [6-]
Some lights are always meant to [4] wander, [5]
I'll take the time I had with [1] you.

[1] [4] [b7] [b3] [b6] [b2] [57] [1]
A [1] mouse lived in a [4] windmill in [b7] old Amster-[b3]dam;
A [b6] windmill with a [b2] mouse in, and [57] he wasn't [1] grousin'.
He sang every [4] morning, How [b7] lucky I [b3] am,
[b6] Living in a [b2] windmill in [57] old Amster-[1]dam.

[1] I saw a [4] mouse. Where? [1] There on the stair.
[57] Where on the stair?
Right [1] there, a little mouse with [4] clogs on.
[1] Well, I declare.
Going [b27] clip, clippety [57] clop on the [1] stair, oh [1] yeah.

This [1] mouse, he got [4] lonely, he [b7] took him a [b3] wife;
A [b6] windmill with [b2] mice in is [57] hardly [1] surprising.
She sang every [4] morning, How [b7] lucky I [b3] am,
[b6] Living in a [b2] windmill in [57] old Amster-[1]dam.

[1] I saw a [4] mouse. Where? [1] There on the stair.
[57] Where on the stair?
Right [1] there, a little mouse with [4] clogs on.
[1] Well, I declare.
Going [b27] clip, clippety [57] clop on the [1] stair, oh [1] yeah.

[1] First they had [4] triplets, and [b7] then they had [b3] quins;
A [b6] windmill with [b2] quins in, [57] triplets and [1] twins in.
They sang every [4] morning, How [b7] lucky we [b3] are,
[b6] Living in a [b2] windmill in [57] Amsterdam [1] Ja!.

[1] I saw a [4] mouse. Where? [1] There on the stair.
[57] Where on the stair?
Right [1] there, a little mouse with [4] clogs on.
[1] Well, I declare.
Going [b27] clip, clippety [57] clop on the [1] stair, oh [1] yeah.

The [1] daughters got [4] married and [b7] so did the [b3] sons.
The [b6] windmill had [b2] christ'nings when [57] no one was [1] list' nin'.
They all sang in [4] chorus, How [b7] lucky we [b3] am,
[b6] Living in a [b2] windmill in [57] old Amster-[1]dam.

[1] I saw a [4] mouse. Where? [1] There on the stair.

In [1] days gone [57] by, when the [4] world was much [1] younger
Men harnessed the [57] wind to [4] work for man[1]kind
Seamen built [57] ships to [4] sail on the [1] ocean
Landsmen built [57] windmills the [4] corn for to [1] grind

It's a[1] round and a[57]round and a[4]round went the [1] big sail
Turning the [57] shaft and the [4] great wooden [1] wheel
Creaking and [57] groaning, the [4] millstones kept [1] turning
Grinding to [57] flour the good [4] corn from the [1] field

In [1] Flanders and [57] Spain and the [4] lowlands of [1] Holland

[1] Windmills of [57] stone, glaring [4] white in the [1] sun

Round, like a circle in a spiral, like a wheel within a [b57] wheel
Never ending or beginning on an ever spinning [1-] reel
Like a snowball down a [b17] mountain or a carnival bal[b4-7]loon
Like a carousel that's [77] turning,
Running rings around the [3maj7] moon
Like a clock whose hands are [6maj7] sweeping
Past the minutes of its [b4-6] face
And the world is like an [b57] apple
Whirling silently in [b5-dim] space
Like the circles that you [b57] find
In the windmills of your [1-] mind

Like a tunnel that you follow to a tunnel of its [b57] own
Down a hollow to a cavern where the sun has never [1-] shone
Like a door that keeps revol[b17]ving
In a half-forgotten [b4-7] dream
Or the ripples from a [77] pebble

Like a clock whose hands are [6maj7] sweeping
Past the minutes of its [b4-6] face
And the world is like an [b57] apple
Whirling silently in [b5-dim] space
Like the circles that you [b57] find
In the windmills of your [1-] mind

Keys that jingle in your pocket, words that jangle in your [b4-7] head
Why did summer go so [77] quickly?
Was it something that you [3maj7] said?
Lovers walk along the [37] shore
And leave their footprints in the [6maj7] sand
Is the sound of distant [b37] drumming
Just the fingers of your [5-] hand?
Pictures hanging in a [b17] hallway
And the fragment of a [4-] song
Half-remembered names and [77] faces,
But to whom do they be[3maj7]long?

When you knew that it was [6maj7] over,
You were suddenly [b4-6] aware
That the autumn leaves were [b57] turning
To the colour of her [1-]hair
A circle in a spiral, a wheel within a [b57] wheel
Never ending or beginning on an ever spinning [b5-dim] reel
As the images un[1-]wind,
Like the circles that you [b57] find
In the windmills of your [1-] mind
Like the circles that you [b57] find
In the windmills of your [1-] mind

> [1] Why does the Winkle always turn to the right
> [5] turn to the right, [1] turn to the right,
> and why does the Winkle going upstairs at night,
> [b2] put his little nightdress on and [5] turn to the right.
> [4] Tail first he [1] toddles off to bed
> with his [b2] door shut tight down [5] on his head.
> [1] Why does the Winkle always turn to the left,
> when [5] he comes down to breakfast in the [4] mor-[1]ning.

[1] As the lion build his [5] lair out in the [1] jungle oh,
Birdies build their [5] nest up in the [1] trees.
But the Winkle always [5] builds his little [1] bungalow,
in a [b2] puddle at the bottom of the [5] sea.
The reason for this scientists [1] can never tell,
what [b2] makes the Winkle go inside his [5] Winkle [57] shell.

> [1] Why does the Winkle always turn to the left,

[1] Now the moral of the [5] story is quite [1] obvious,
if the [5] Winkle he turned left then as sure as [1] sin.
[5] when you [1] try to get him [5] out with your [1] Winkle pin,
your pin [b2] wouldn't get him out, you'd screw him in.
[4] And nature that put whiskers on the [1] Walruses,

Nothing more to [2-] say, no more ace to [5] play

In the [57] lane, snow is glistenin'
A [57] beautiful [2-] sight, we're [5] happy to-[4]-night

[b27] Walkin' in a [57] winter wonder-[1]land

[b37] In the meadow [b77] we can build a [b37] snowman
[b37] And pretend that [b77] he is Parson [b37] Brown
[5] He'll say, "Are you [b27] married?" We'll say, [5] "No Man,
But [b67] you can do the [b27] job while you're in [5] town"

Later [1] on we'll conspire
As we [57] dream by the fire
To [57] face una-[2-]-fraid the [5] plans that we [4] made
[b27] Walkin' in a [57] winter wonder-[1]land

[b37] In the meadow [b77] we can build a [b37] snowman
[b37] And pretend that [b77] he's a circus [b37] clown
[5] We'll have lots of [b27] fun with Mr [5] Snowman
Un-[b67]til the other [b27] kiddies knock him [5] down [57]

When it [1] snows ain't it thrillin'
Though your [57] nose gets a chillin'
We'll [57] frolic and [2-] play the [5] Eskimo [4] way
[b27] Walkin' in a [57] winter wonder-[1]land

there's no place I'd rather be, than at your place for the [1] night.

[1] I like small speakers, I like tall speakers
[b7] If they've music, they're [1] wired for sound

[1] Walking about with a head full of music
[1] Cassette in my pocket and I'm gonna use it
[b7] Stereo out on the [6-] street you know [5]
[5] Oh woah woah oh [4] woah woah woah

[1] Into the car go to work and I'm cruising
I never think that I'll blow all my fuses
[b7] Traffic flows into the [6-] breakfast show
[5] Oh woah woah oh [4] woah woah woah
[3-] Oh [2-] Oh [1] woah

[1] Power [3-] from the [4] needle to the plastic
[1] AM [3-] FM [4] I feel so ecstatic [3-] now
It's [4] music I've [3-] found, and I'm [4] wired for [1] sound

[1] I was small boy who don't like his toys I
[b7] Could not wait to get [1] wired for sound

[1] I met a girl and she told me she loved me
I said you love me then love means you must like [b7] what I like
My music is [6-] dynamite
[5] Oh woah woah oh [4] woah woah woah

She said [1] I'm not a girl you put on at a stand by
I am a girl who demands that her love is [b7] amplified
Switching to [6-] overdrive
[5] Oh woah woah oh [4] woah woah woah
[3-] Oh [2-] Oh [1] woah

[1] Power [3-] from the [4] needle to the plastic
[1] AM [3-] FM [4] I feel so ecstatic [3-] now
It's [4] music I've [3-] found and I'm [4] wired for [1] sound

[1] Power [3-] from the [4] needle to the plastic
[1] AM [3-] FM [4] I feel so ecstatic [3-] now
It's [4] music I've [3-] found
And I'm [4] wired for [1] sound
Play to fade

[b67] [b67] [b1-] [57] [1]

I've [5] tried to write a [1] love song, [4] that [1] shows the way I [5] feel
[4] But per-[57]haps I just [1] ain't got it, [4] perhaps I [57] never [1] will
I wish that I could [4] write down words, [1] that I want you to [5] see
[1] Wish I could [17] write a [4] love song, [1] just to [57] you from [1] me

I [17] write the words [4] down, and change them [5] all a-round
'cos I [1] ain't too [17] sure, they [4] look all wrong, it's just anoth-[57]er song
It's all been [1] done before, and it's got to [4] mean much more [4] [5] [4] [5]

[1] I wish that I [b67] could write a love [b27] song, [57] that shows the way I [1] feel
But per-[b67]haps I just ain't [b27] got it, [57] perhaps I never [1] will
[6-] Rock & roll songs [b27] come easy,
[5] rock & roll songs [b37] are dead [4] ea-[b37]sy
[b67] P'raps it's simply that I [b1-] love you, [57] more than words can [1] say [b37]

[b67] [b67] [b1-] [57] [1]

Is it [5] that I feel sil-[1]ly, [4] when I let my [1] feelings [5] show
Or [4] am I a-[57]fraid to [1] give too much in [4] case one [57] day you [1] go
If I give in to [4] my emotions, [1] then I might get [5] hurt
[1] If one [17] day you [4] run away, [1] with my [57] uncle [1] Bert

But I'm [17] making [4] fun again, trust me to make a [5] joke, out of an-[17]y-thing,
[17] Wish I could [4] think of lines, wish I could make [57] up rhymes
Can't think of an-[1]y-thing, [4] good to sing [4] [5] [4] [5]

[1] I wish that [b67] I could write a [b27] love song, [5] that shows the way I [1] feel
But per-[b67]haps I just ain't [b27] got it, [57] perhaps I never [1] will

[5] rock & roll songs [b37] are dead [4] ea-[b37]sy

[5] Here's a little [6-] wishful [b2] thinking
Be [1] mindful of [4] ourselves at [3-] Christmas
[5] Leave behind our [6-] small [b2] misgivings
[1] Fill those hearts [4] whose joy is [3-] missing
[4] It's the season [3-] to be jolly
[4] Makes more [3-] sense than [57] senseless folly

[5] Remember when your [6-] life was [b2] simpler
[1] Hopes and dreams your [4] stocking [3-] filler
[5] So carry on this [6-] wishful [b7] thinking
[1] And make it last [4] beyond the [3-] winter
[4] Cos when the cold [3-] around us gathers
[4] That's when goodwill [3-] truly [57] matters

[5] And if it's only [6-] wishful [b2] thinking
[1] Maybe it's that [4] I've been [3-] drinking
[5] Forgive me for my [6-] past [b2] transgressions
[1] This old fool could yet [4] learn his [3-] lesson
[4] Call on those who [3-] might just need it
[4] Simple gestures, [3-] love [57] preceded

[5] Tell me that it's [6-] wishful [b2] thinking
[1] That I'm the only [4] one who [3-] feels it

[1] Wishin' and [5] hopin' and [4] thinkin' and [5] prayin',
[1] plannin' and [5] dreamin' each [4] night of his charms.
That won't get you [5] into his arms
So if you're [3-] lookin' to find love [b37] you can [6-] share,
[4-7]* all you gotta do is;
[1] Hold him and [5] kiss him and [4] love him,
And [5] show him that you [1] care [4] [1]

Show him that you [5] care just for [57] him,
Do the [1] things [4] he likes to [1] do
Wear your [5] hair just for him, 'Cos
[3-] You won't get him, thinkin' and a-prayin,' Wishin' and hopin'!

Just [1] Wishin' and [5] hopin' and [4] thinkin' and [5] prayin'
[1] Plannin' and [5] dreamin' his [4] kisses will start,
That won't get you [5] into his heart

So if you're [3-] thinking how great [b37] true love [6-] is,
[4-7]* all you gotta do is:
[1] Hold him and [5] kiss him and [4] squeeze him and [5] love him.
Yeah just [1] do it and [5] after you [4] do,
You [57] will be [1] his [4] [1]

You gotta show him that you [5] care just for [57] him,
Do the [1] things [4] he likes to [1] do
Wear your [5] hair just for him, 'Cos
[3-] You won't get him, thinkin' and a-prayin,' Wishin' and hopin'!

[1] Wishin' and [5] hopin' and [4] thinkin' and [5] prayin'
[1] Plannin' and [5] dreamin' his [4] kisses will start,
That won't get you [5] into his heart

[1] Hold him and [5] kiss him and [4] squeeze him and [5] love him.

The Lord a-[1]bove [1] gave [4] man an [57] arm of [1] iron, [1maj7] [16]

The [5] Lord [17] a-[4]bove [4] gave [b67] man an [b67] arm of [4] i-[4maj7]ron, [b27] but

With a [5] little bit, [5] with a [1] little bit, [1]

with a [1] little bit of [5] bloomin' [1] luck.

The Lord a-[1]bove [1] made [4] man to [57] help his [1] neigh-[1maj7]bour, [16]
no [5] matter [1] where [1maj7] on [16] land or [57] sea or [1] foam [1maj7] [16]
The [5] Lord [17] a-F]bove [4] made [b67] man to [b67] help his [4] neigh-[4maj7]bour, [b27] but,
with a [4] little bit [4] of [4] luck, [b27] with a [5] little bit [5] of [1] luck,
[b37] WHEN HE [4] COMES [b27] A-[5]ROUND [b2-7] YOU [1] WON'T [57] BE [1] HOME![1] !

With a [5] little bit, [5] with a [1] little bit,
with a [5] little bit of [5] luck you won't be [1] home.

They're always [4] throw-[4]ing [4] good-[4]ness [1] at [1] you,
but [b2-dim] with a [5] little bit of [b27] luck a man can [5] duck.

Oh, it's a [1] crime [1] for [4] man to [57] go phi-[1] lande-[1maj7]rin' [16]
and [5] fill his [1] wife's [1maj7] poor [16] heart with [57] grief and [1] doubt [1maj7] [16]
Oh, [5] it's [17] a [4] crime [4] for [b67] man to [b67] go phi-[4] lande-[4maj7]rin', [b27] but,
with a [4] little bit [4] of [4] luck, [b27] with a [5] little bit [5] of [1] luck,
[b37] you can [4] see [b27] the [5] blood-[b2-7]hound [1] don't [57] find [1] out.

With a [5] little bit, [5] with a [1] little bit,
with a [5] little bit of [5] luck she won't find [1] out.
With a [5] little bit, [5] with a [1] little bit,
with a [1] little bit of [5] bloomin' [1] luck.

[4] [4] [1] [1]
[5] [b2] [5] [5]
A man was [1] made [1] to [4] help sup-[57]port his [1] chil-[1maj7]dren [16]
which [5] is the [1] right [1maj7] and [16] proper [57] thing to [1] do. [1maj7] [16]
A [5] man [17] was [4] made [4] to [b67] help sup-[b67]port his [4] chil-[4maj7]dren, [b27] but
with a [4] little bit [4] of [4] luck, [b27] with a [5] little bit [5] of [1] luck,
[b37] they'll go [4] out [b27] and [5] start[b2-7] sup-[1]por-[57]ting [1] you.

With a [5] little bit, [5] with a [1] little bit,
with a [5] little bit of [5] luck they'll work for [1] you.

He doesn't [1] have [1] a [4] tuppence [57] in his [1] po-[1maj7]cket, [16]
the [5] poorest [1] bloke [1maj7] you'll [16] ever [57] hope to [1] meet [1maj7] [16]
He [5] does-[17]n't [4] have [4] a [b67] tuppence [b67] in his [4] po-[4maj7]cket, [b27] but,
with a [4] little bit [4] of [4] luck, [b27] with a [5] little bit [5] of [1] luck,
[b37] he'll be [4] mo-[b27]vin' [5] up [b2-7] to [1] ea- [57]sy [1] street

With a [5] little bit, [5] with a [1] little bit,
with a [5] little bit of [5] luck, he's movin' [1] up.
With a [5] little bit, [5] with a [1] little bit,
with a [1] little bit of [5] bloomin' [1] luck!

No I [1] can't forget this evening
Or your [3-] face as you were leaving
But I [2-] guess that's just the way the story [b47] goes
You always [6-] smile but in your [b6-7] eyes
Your sorrow [b29] shows yes it [1] shows [57]

No I [1] can't forget tomorrow
When I [3-] think of all my sorrows
When I [2-] had you there but then I let you [b47] go
And now it's [6-] only fair that [b6-7] I should let you [b29] know
What you should [1] know [57]

I can't [1] live if [b6-7] living is without you
I can't [2-] live I can't [57] give any more
Can't [1] live if [b6-7] living is without you
I can't [2-] give I can't [57] give any more

Well I [1] can't forget this evening

[NC] They say don't [1] go on Wolverton [5] Mountain
If you're looking for a [1] wife
'Cause Clifton Clowers has a pretty young [5] daughter
He's mighty handy with a gun and a [1] knife

> CHORUS
>
> Her tender [5] lips (her tender lips) are sweeter than [1] honey
> And Wolverton [b27] Mountain protects her [5] there [57]
> [NC] The bears and the [1] birds tell Clifton [5] Clowers
> If a stranger should enter [1] there.

[NC] All of my [1] dreams are on Wolverton [5] Mountain
I want his daughter for my [1] wife.
I'll take my chances and climb that [5] mountain
Though Clifton Clowers, he might take my [1] life.

> CHORUS
>
> Her tender [5] lips (her tender lips) are sweeter than [1] honey
> And Wolverton [b27] Mountain protects her [5] there [57]
> [NC] The bears and the [1] birds tell Clifton [5] Clowers
> If a stranger should wander [1] there. [b2]

Key Change

[NC] I'm going [b2] up on Wolverton [b6] Mountain
It's too lonesome down here be - [b2] low
It's just not right to hide his [b6] daughter
From the one who loves her [b2] so.

> CHORUS
>
> Her tender [b6] lips (her tender lips) are sweeter than [b2] honey
> And Wolverton [b37] Mountain protects her [b6] there [b67]
> [NC] The bears and the [b2] birds tell Clifton [b6] Clowers
> If a stranger should wander [b2] there.

But I don't [b6] care about Clifton Clowers
I'm gonna [b2] climb up on his mountain
I'm gonna [b6] take the girl I love
I don't [b2] care about Clifton Clowers
I'm gonna [b6] climb up on that mountain
And I'll [b2] get the one I love

It's rather dull in town, I think I'll take me to Paris, hmm
The mistress wants to open up the castle in Capri, hmm
Me doctor recommends a quiet summer by the sea, hmm, mmm
Wouldn't it be loverly?

[4] All I want is a [b7] room some-[5-7]where [17],
[4] Far away from the [57] cold night [17] air.
[4] With [17] one e-[1-]normous [b27] chair, oh,
[4] Wouldn't [1] it be [5-7] loverly? [17]

[4] Lots of chocolate for [b7] me to [5-7] eat, [17]

[4] Warm [17] face, warm [1-] hands, warm [b27] feet, oh
[4] Wouldn't [17] it be [4] loverly?

[1]* Oh, [57]* so [1] loverly sittin'
[57] Absobloomin' [1]-lute-[b37]ly [6-] still. [17],
[4]* I [b37]* would [6-] never [b27] budge 'til [57] spring
Crept [5-7] over the window [17] sill.

[4] Someone's 'ead restin' [b7] on my [5-7] knee, [17],
[4] Warm and tender as [57] he can [17] be.
[4] Who [17] takes good [1-] care of [b27] me
Oh, [4] would-[2-]n't [17] it be [4] loverly,

Wouldn't it be [1] nice if we were older
And we wouldn't [4] have to wait so [b2-7] long
And [57] wouldn't it be [1] nice to live together
In the kind of [4] world where we be [b2-7]long [57]

[b6-7] When we can say goodnight and [b3-7] stay to [b2-7]gether [57]

Wouldn't it be [1] nice if we could wake up
In the morning [4] when the day is [b2-7] new

[b6-7] I wish that every kiss was [b3-7] never [b2-7] ending [57]
Oh wouldn't it be [1] nice?

[b6maj7] Maybe then [b2maj7] there wouldn't be a single thing

I'll [1] tell you the tale of the [57] Nancy Lee
The ship that got ship [1] wrecked at sea
And the bravest man was [2-] Captain Brown
'cause he [57] played his ukulele as the [1] ship went down

Chorus:
[6-] All the crew were [4] in des- [6-] pair
Some rushed here and [b2] some rushed [5] there.
But the [1] captain sat in the [2-] captain's chair
And he [57] played his ukulele as the [1] ship went down

The [1] captain called to [57] Seaman Jones
"You'd best put on your [1] working clothes.
While you can stand and [2-] play your hose,
I'll [57] play my ukulele as the [1] ship goes down".

Repeat Chorus

The [1] owners signalled [57] to the crew
Saying, "Do the best that [1] you can do.
We're only insured for [2-] half a crown
So we'll [57] all be out of pocket if the [1] ship goes down"

Repeat Chorus

The [1] Captain's wife was [57] on board ship
And he was very [1] glad of it
But she could swim and [2-] might not drown
So they [57] tied her to the anchor as the [1] ship went down

Repeat Chorus

The [1] crow's nest fell and [57] killed the crow
The starboard watch was [1] two hours slow
But the captain sang Fal- [2-] -oh- di- do
And he [57] played his ukulele as the [1] ship went down

Repeat Chorus

And [1] that was the tale of the [57] Nancy Lee
The ship that got ship [1] wrecked at sea
And Captain Brown was [2-] in command
Now he [57] plays his ukulele in the [1] mermaid band

[1] All the ladies fell for Rudolph Valentino
[1] He had a [b7] beano back [b6] in those balmy [57] days
He knew [1] every time you meet an icy creature
You've got to [b7] teach her hot [b6] blooded latin [57] ways
[b6] But even Rudy would have felt the [57] strain
[b2] Of making smooth advances in the [57] rain

Oh this [1] year I'm off to Sunny Spain Y Viva Es-[57]pania
I'm taking the Costa Brava 'plane Y Viva Es-[1]pania
If you'd like to chat a matador, in some cool [57] cabana
And meet senoritas by the score - Espana por [1] favor

[1] Quite by chance to hot romance I found the answer
Flamenco [b7] dancers are by [b6] far the finest [57] bet
There was [1] one who whispered oh hasta la vista
Each time I [b7] kissed him [b6] behind the casta-[57]nets
He [b6] rattled his maracas close to [57] me
[b2] In no time I was trembling at the [57] knee

Oh this [1] year I'm off to Sunny Spain Y Viva Es-[57]pania

If you'd like to chat a matador, in some cool [57] cabana
And meet senoritas by the score - Espana por [1] favor

[1] When they first arrive the girls are pink and pasty
But oh so [b7] tasty as [b6] soon as they go [57] brown
[1]I guess they know every fellow will be queuing
To do the [b7] wooing his [b6] girlfriend won't [57] allow
[b6] But every dog must have his lucky [57] day
[b2] That's why I've learnt the way to shout: [57] Ole!

[b4-7] [77]

On a [6maj7] morning from a [5-] Bogart [1-] movie
In a [6maj7] country where they [5-] turned back [1-] time
You go [6maj7] strolling through the [5-] crowd like [1-] Peter Lorre
Contem-[b4-7]plating a crime [77]
She comes [6maj7] out of the [5-] sun in a [1-] silk dress
Running like a [b57] water colour in the [6] rain
[4-] Don't bother [b57] asking for [1-] explanations
She'll just [b4-7] tell you that she came [77] - In the Year of the [6maj7] Cat [7]
[1-] [6maj7] [7] [1-] [6maj7] [7] [1-] [b4-7] [77]
She [6maj7] doesn't give you [5-] time for [1-] questions
As she [6maj7] locks up you [5-] arm in [1-] hers
And you [6maj7] follow 'til your [5-] sense of
[1-] Which direction com-[b4-7]pletely disappears [77]
By the [6maj7] blue-tiled [5-] walls near the [1-] market stalls
There's a [b57] hidden door she leads you [6] to
[4-] These days [b57] she says I [1-] feel my life
Just like a [b4-7] river running through [77] - The Year of the [6maj7] Cat [7]
[1-] [6maj7] [7] [1-] [6maj7] [7] [1-] [b4-7] [7]
Well she [b57] looks at you so [6] coolly
And her [3] eyes shine like the [7] moon in the sea
She comes in [b57] incense and pat-[6]chouli
So you [3] take her to [b2] find what's [4-] waiting in-[7]side
The Year of the [6maj7] Cat [7]
[1-] [6maj7] [7] [1-] [6maj7] [7] [1-] [b4-7] [77]
Well morning [6maj7] comes and [5-] you're still [1-] with her
And the [6maj7] bus and the [5-] tourists are [1-] gone
And you've [6maj7] thrown away your [5-] choice and [1-] lost your ticket so you
[b4-7] Have to stay on [77]
But the [6maj7] drumbeat [5-] strains of the [1-] night remain
In the [b57] rhythm of the newborn [6] day
[4-] You know some [b57] time you're [1-] bound to leave her
But for [b4-7] now you're gonna stay [77] - In the Year of the [6maj7] Cat [7]

She [1] cried so when I left her, it like to broke my heart,
and [57] if I ever [1] find her, we [5] never [57] more will [1] part.

She's the [1] sweetest little rose bud that Texas ever knew.
Her eyes are bright as [5] diamonds, they [57] sparkle like the dew.
You may [1] talk about your Valentine and sing of Rosalie,

We'll [1] play the banjo gaily and sing the songs of yore,

When they [4] played I'd sing a-[6-]long
It made me [5-] smile [1]

Those were such [4] happy times
And not so [6-] long ago
How I [2-] wondered where they'd [b7] gone
[3-] But they're [2-] back again
Just like a [4] long lost friend
All the [b7] songs I loved so [1] well

[17] Every [4] Sha-la-la-la, every [2-] Wo-wo-wo
Still [4] shines [2-]
Every [4] shing-a-ling-a-ling, that they're [2-] starting to sing
So [5-] fine [1]

When they [2-] get to the part where he's [b2] breakin' her heart

[NC] It seems the love I've known
Has always been the most destructive kind

[b6] Yester-[2-]-day, when I was [57] young
The taste of life was [1maj7] sweet as rain upon my [4] tongue
I teased at life as [2-] if it were a foolish [b37] game
The way the evening [6-] breeze may tease a candle flame

The thousand dreams I [2-] dreamed, the splendid things I [57] planned
I always built [1maj7] alas on weak and shifting [4] sand
I lived by night and [2-] shunned the naked light of [b37] day
And only now I [6-] see how the time ran away

Yester-[2-]-day, when I was [57] young
So many happy [1maj7] songs were waiting to be [4] sung
So many wild [2-] pleasures lay in store for [b37] me
And so much pain my [6-] dazzled eyes refused to see

I ran so fast that [2-] time and youth at last ran [57] out
I never stopped to [1maj7] think what life was all [4] about
And every conver-[2-]-sation I can now [b37] recall
Concerned itself with me [6-] and nothing else at all

The game of love I [2-] played with arrogance and [57] pride
And every flame I [1maj7] lit too quickly, quickly [4] died
The friends I made all [2-] seemed somehow to slip [b37] away
And only I am [6-] left on stage to end the play

You [1add9][1] can't always get what you [4] want
You [1add9][1] can't always get what you [4] want
You [1add9][1] can't always get what you [4] want

[1maj7] [b3-7] [b2-7] [57]
[1maj7] Woke up this morning, sun shining bright,
Grab [b3-7] me a coffee and feeling alright.
The [b2-7] world's got troubles, that's plain to see,
But I'm [57] just one soul, it ain't all on me.
[1maj7] Millions of questions, answers like dust,
But I'll find [b3-7] comfort in what I can trust.
[b2-7] Take a step back, breathe in the air,
[57] Life's a journey, with love to share.

'Cos you [1] can't change the course of a [1maj7] river,
[b3-7] Can't move the clouds in the sky,
The [b2-7] wind's gonna blow where the wind's gonna go,
So [5] don't waste your wondering [57] why.
You [1] don't need to carry the [1maj7] weight of the world,
Or [b3-7] hold every wrong to account,
Just [b2-7] smile for the man and do what you can,
And the [57] rest can work itself ou- ou [1maj7]-out.

[1maj7] [b3-7] [b2-7] [57]
[1maj7] Dance in a meadow, run with the breeze,
Join [b3-7] hands with the flowers, move how you please.
There's [b2-7] magic in kindness, it's simple, just start,
A [57] thought for a stranger , you're playing your part.
It's not [1] all on your shoulders, [1maj7] just let it be,
The [b3-7] secret to living, is no mystery.
[b2-7] Look for the smiles, let joy be a sign,
Lets [5] make the world better, one day at a time.

But you [1] can't change the course of a [1maj7] river,

You [1] don't need to carry the [1maj7] weight of the world,
Or [b3-7] hold every wrong to account,
Just [b2-7] stick to the plan and do what you can,
And the [57] rest can work itself out

So [4] whisper your hopes to the [5]stars up above,
And [3-] watch as the universe [6-] dances with love.
Tell [4] someone you love them, [5] stay for a while,
In a [3-] world full of sorrow, be the [6-] one with a smile.
[4] Kindness is currency, [5] let your heart pay,
The [3-] more that you give, the more [6-] comes your [4] way.

'Cos you [1] can't change the course of a [1maj7] river,
[b3-7] Can't move the clouds in the sky,

You [1] can't keep a [57] horse in a [1] lighthouse;
It [4] isn't a home for Old [1] Ned.
A [57] horse's place is [1] on dry land;
He'll [b27] never keep healthy on sea-foam and [57] sand.

Oh, you [1] can let him [57] graze in the [1] garage,
If you [4] give him his meals on a [6-] tray,
But you [4] can't keep a [b27] horse in a [1] light-[b67]house.
[b27] Neigh! [57] Neigh! [1] Neigh!

You [1] can't keep a [57] horse in a [1] lighthouse;
It [4] isn't a home for Old [1] Ned.
A [57] horse's place is [1] on dry land;
He'll [b27] never keep healthy on sea shells and [57] sand.

Oh, you [1] can trot him [57] round the [1] allotment,
For the [4] 'get fit' cam-[b37]paign, every [6-] day,
But you [4] can't keep a [b27] horse in a [1] light-[b67]house.

[4] Who's gonna [5] tell me the [1] truth?

The way you al-[5]ways [1] do?

[1] When [5] somebody [6-] knocks at the [4] door,

[1] [1]
[1] I need [1] love, love to [4] ease my mind
[1] And I need to [3-] find time, [b6-7] someone to [2-] call mine
My [57] Mama said

CHORUS

You [1] can't hurry love.
No you [4] just have to [1] wait
She said: [3-] Love don't come [b6-7] easy
But [2-] it's a game of [57] give and take

You [1] can't hurry love.
No you [4] just have to [1] wait
Just [3-] trust in the good [b6-7] time
[2-] no matter how [57] long it takes

[3-] How many heartaches must I stand
before I [6-] find the love to let me live again
Right now the [2-] only thing, that keeps me hangin' on
When I [57] feel my strength
[1] Oh, it's [57] almost gone
I re-[5]member Mama said

CHORUS

You [1] can't hurry love.
No you [4] just have to [1] wait
She said: [3-] Love don't come [b6-7] easy
But [2-] it's a game of [57] give and take

How [1] long must I wait?
How much [4] more must I [1] take
Before [3-] loneli-[6-]ness
Will [2-] 'cause my heart, [5] heart to break?

No [3-] one can bear to live a life alone
I grow im-[6-]patient for a love to call my own
But when I [2-] feel that I, I can't go on
Well these [5] precious words
[1] Keep me [57] hangin' on
I re-[5]member Mama said

CHORUS

You [1] can't hurry love.
No you [4] just have to [1] wait
She said: [3-] Love don't come [b6-7] easy
But [2-] it's a game of [57] give and take

You [1] can't hurry love.
No you [4] just have to [1] wait
Just [3-] trust in the good [b6-7] time
[2-] no matter how [57] long it takes

[1] [1]
Now [1] love, love don't come [4] easy
[1] But I [3-] keep on [6-] waiting, an-[2-]tici-[57]pating
For that [1] soft voice to talk to [4] me at night
[1] For some [3-] tender [6-] arms to [2-] hold me [5] tight

I keep [1] waiting, oh [4] until that day,
[1] But it ain't [3-] easy, [6-] no, you know it ain't [2-] easy.
My [5] Mama said:

CHORUS

You [1] can't hurry love.

[4-] Meet you downstairs
in the [7-] bar and hurt
Your [b17] rolled up sleeves
in your [4-] skull t-shirt.
You say, [4-] "What did you do
with [7-] him today?"
And [b17] sniff me out
like I was [4-] Tanqueray.

[7-] 'Cos you're my fella, my guy.
[b57] Hand me your Stella and fly.
[6] By the time I'm out the door,
You [b57] tear men down

[4-] Upstairs in bed

[b17] He's in the place,
but I [4-] can?t get joy.
[4-] Thinking of you
in the [7-] final throes,
[b17] This is when
my [4-] buzzer goes.

[7-] Run out to meet your chips and pitta.
[b57] You say, "When we marry?", 'cos you're not bitter.
[6] There'll be none of him no more.
I [b57] cried for you
on the [b17] kitchen floor.

> CHORUS

[1-] [4-] [1-] [b57] [1-] [4-] [1-] [b57] [1-]
[4-] Sweet reunion,
Ja-[7-]maica and Spain.
[b17] We're like how
we [4-] were again.
[4-] I'm in the tub,
You?re [7-] on the seat.
[b17] Lick your lips
as I [4-] soak my feet.

[7-] Then you notice lickle carpet burn.
[b57] My stomach drops and my guts churn.
[6] You shrug and it's the worst,
to [b57] truly stick
the [b17] knife in first?

> CHORUS

[1] You left on the [4] water running
[1] When you left me be-[5]hind, baby now
[1] You left all the [4] water running
[1] It's running from these [5] eyes of [1] mine

Baby now that
[1] You turned out the [4] light of love
[1] You left with another [5] guy, honey that me
[1] You turned off all your [4] love for me
[1] But you forgot to turn [5] off the [6-] cry
Ooh, for [4] got to turn [5] off the [1] cry

Baby now that
[1] You pull the shades [4] way down low
[1] And disconnect the tele-[5]phone
But baby [1] these tears are running [4] from my eyes
[1] I can't turn 'em [5] off and [1] on

Now baby now that
[1] You left on the [4] water running
[1] When you left me be-[5]hind, let me tell you
[1] That you left all that [4] water running
[1] It's running from these [5] eyes of [1] mine

And now you go
[1] You locked the door, and [4] left me outside
[1] And then you throw the key away, [5] baby now that
[1] You'll regret, baby, you'll [4] be upset, now
[1] When you get your water [5] bill to [6-] pay, ooh
[4] When you get that water [5] bill to [1] pay

Honey now that

Sunday came and trashed me out a-[5]gain

And we [5] all enjoyed the weekend for a [1] change

You may be [5] right ///? I may be [1] crazy
But it [5] just may be a [4] lunatic you're [6-] looking for /// [1]?
Turn out the [5] light ///?don't try to [1] save me
You may be [4] wrong for all I [5] know but you may be [1] right /// ///

[1] Remember how I found you there, alone in your electric chair
I told you dirty jokes until you [5] smiled
You were [2-] lonely for a man, I said [b7] take me as I am
Cause you [5] might enjoy some madness for a [1] while

[1] Now think of all the years you tried to, find someone to satisfy you
I might be as crazy as you [5] say
If I'm [2-] crazy then it's true, that it's [b7] all because of you
And you [5] wouldn't want me any other [1] way ///?

You may be [5] right ///? I may be [1] crazy

It was a [1] teenage wedding, and the old folks wished them well.
You could see that Pierre did truly love the mademoi[57]selle.
[57] And now the young monsieur and madam have rung the chapel bell,
'C'est la vie', say the old folks, it goes to show you never can [1] tell. [57]

They furnished [1] off an apartment with a two room Roebuck sale.
The coolerator was crammed with TV dinners and ginger [57] ale.
[57] But when Pierre found work, the little money comin' worked out well.
'C'est la vie', say the old folks, it goes to show you never can [1] tell. [57]

They had a [1] hi-fi phono, oh boy, did they let it blast.
Seven hundred little records, all rock, rhythm and [57] jazz.
[57] But when the sun went down, the rapid tempo of the music fell.
'C'est la vie', say the old folks, it goes to show you never can [1] tell. [57]

They bought a [1] souped-up jitney, 'twas a cherry red '53.
They drove it down New Orleans to celebrate their anniversa[57]ry.
[57] It was there that Pierre was married to the lovely mademoiselle.
C'est la vie', say the old folks, it goes to show you never can [1] tell.

Spoken:

[1] Well, a friend of mine named Steve Goodman wrote that song
and he told me [5] it was the perfect country and western song.
I wrote him back a letter and told him it was NOT the perfect
country and western song because he hadn't said [1] anything at all about
Momma, or trains, [5] or trucks, or prison, [1] or gettin' drunk. [5]
Well, he sat down [1] and wrote another verse to the song and he sent
it to me and after reading it, I realized that my friend had written
the perfect country and western song. And I felt obliged to include it
on this album. The last verse goes like this here:

Well, I was [1] drunk the day my [5] Mom got outta [1] prison.
And I [4] went to pick her [5] up in the [1] rain.
But, be-[4]fore I could get to the station in my [1] pickup [6-] truck
[b2] She got runned [b27] over by a damned old [5] train. [57]

She was a [1] fast machine

She was the [5] best damn woman I had [1] ever seen
She had the sightless eyes, Telling [4] me no lies
[5] Knockin' me out with those [1] American thighs

Taking [1] more than her share, had me [4] fighting for air
She [5] told me to come but I was [1] already there
'Cause the [1] walls start shaking, the [4] earth was quaking

And [1] you shook me [4] all [1] night [5] long [4] [5]

She wanted no applause, Just [4] another course
Made a [5] meal out of me and [1] came back for more

Had to [1] cool me down to take [4] another round

[5] [1][4] [1] [b67] [b27] [5] [1]
I'll [1] tell you a lovely place down by the sea
It's not in France or Italy
Just [5] made for you, it's made for me.
The [b27] place I mean is [57] Blackpool.

There's a [1] lovely beach and a lovely prom
The Brass bands play tiddly, um Pom Pom
You'll [5] hear the folks sing "Eee by gum,
a [b27] right old place is [57] Blackpool"

If you [1] can't sleep after five
And feel [4] glad to be a-[1]live
[1] You're at Blackpool by the [5] Sea.

If you [1] find upon the shore,
blondes and [4] brunettes by the score
[b27] You're at Blackpool by the [57] Sea

And if [1] you find in your arms
a [4] bunch of smile and charms
[b27] Lovely eyes that twinkle roguish-[57]ly.
If at [1] night you sit and try
yards and [4] yards of lovely tripe,
[6-] you're at [5] Blackpool by the [1] Sea.

And if [1] you find in your arms
a [4] bunch of smile and charms
[b27] Lovely eyes that twinkle roguish-[57]ly.
If a [1] policeman on the pier,
says you [4] can't do that there here,
[6-] You're at [57] Blackpool by the [1] Sea.

Now if you [1] can't sleep after five,
feel [4] glad to be a-[1]live,
[1] You're at Blackpool by the [5] Sea.

If you [1] find upon the shore,
blondes and [4] brunettes by the score
[b27] You're at [5] Blackpool by the [57] Sea

And if [1] you find in your arms
a [4] bunch of smile and charms
[b27] Lovely eyes that twinkle roguish-[57]ly.
If you've [1] paid five bob or more
to sleep [4] on the bathroom floor,
[6-] You're at [57] Blackpool by the [1] Sea.

[1] Eeee there's thousand there from Manchester,
thousands there from everywhere,
[b27] thousands there without a care,
as long as they're in [57] Blackpool.

I've [1] been to Spain and Honolulu,
been to Paris and Timbuctu,
But [b27] they've no chance I'm telling you,
[5] not on the map with Blackpool.

Now if you [1] can't sleep after five,
feel [4] glad to be a-[1]live,
[1] You're at Blackpool by the [5] Sea.

If you [1] find upon the shore,
blondes and [4] brunettes by the score
[b27] You're at [5] Blackpool by the [57] Sea

And if [1] you find in your arms
a [4] bunch of smile and charms
[b27] Lovely eyes that twinkle roguish-[57]ly.
If you [1] stay for more and more,
and don't [4] know where to go
[6-] You're at [b27] Blackpool by the [1] Sea.

INSTRUMENTAL

[5] And if [1] you find in your arms
a [4] bunch of [1] smile and [4] charms
[b27] Lovely eyes that twinkle roguish-[57]ly.
If you [1] stay for more and more,
and don't [4] know where to go
[6-] You're at [b27] Blackpool by the [1] Sea.

[4] [b7] [4] [b7] [2-] [1] [b7]
Some came [4] walking through the dreamtime
to this [b7] land of fire and drought
[1] Reading stars and seasons
Learning [b7] what this land's a-[4]bout
Some came later, over ocean
A heavy [b7] price for their mistake
But they [1] learned this place rewards you
If you [b7] give more than you [4] take

> CHORUS
>
> If you [b7] stand for a fair go,
> And [4] stick by your mates,
> If you [b7] laugh through the hard times,
> And [4] speak your mind straight,
> And roll up your [2-] sleeves and give it a [b7] run,
> You're as [5-] Australian as [1] zinc cream in the [4] sun.

[4]
[4] Hands that shaped the first stone fires
Hands that [b7] broke the stubborn ground
Hands that [1] built the roads and rails
Every [b7] bush track, every [4] town
[4] Some arrived with fancy clothes
[b7] Some arrived with scars
[1] But everyone who stayed and tried
Helped [b7] make this country [4] ours

CHORUS

If you [b7] stand for a fair go,
And [4] stick by your mates,
If you [b7] laugh through the hard times,
And [4] speak your mind straight,
And roll up your [2-] sleeves and give it a [b7] run,
You're as [5-] Australian as [1] zinc cream in the [4] sun.

[4]
[4] I've seen the immigrants step up
I've [b7] seen them sweat and toil
On [1] building sites with shovels
And with [4] hoes into the soil
No shortcuts, no complaints
Just [b7] getting on somehow
Turning [1] hard work into hope
They're all [4] Australian now

[4] This country grants a second start
An [b7] empty book, an open heart
[1] Leave the hate and hurt behind
And [4] bring the things you hope to [b7] find

CHORUS

play chorus twice

If you [b7] stand for a fair go,
And [4] stick by your mates,
If you [b7] laugh through the hard times,
And [4] speak your mind straight,
And roll up your [2-] sleeves and give it a [b7] run,
You're as [5-] Australian as [1] zinc cream in the [4] sun.

[1-] I'm afraid [5-] these don't [4-] grow on [1-] trees,

[b57] You've [1-] got to pick-a-[4-]pocket or [1-] two, [4-] boys,
[1-] You've got to pick-a-[b57]pocket or [1-] two.

[1-] Large a-[5-]mounts don't [4-] grow on [1-] trees.

Your Bulldog Drinks Champagne

INTRO COUNT: 1 2 3 4
[1] [1] There was a lady in a window,
In the [5] room across the way.
From the hotel I was staying in,
While [4] on my holi-[1]day. [1]
I [1] couldn't help but see everything,
Cause I was [5] peeping, I confess.
Still, after dinner every night, she [4] had the strangest [1] guest. [1]

She'd [1] retire to her favorite chair, and [5] sit there with a dog.
Fill the crystal glasses while the [4] fire danced on the [1] log. [1]
Well, I [1] watched them drink their bubbly brew, [5] 'til that fire grew dim.
Then I stuck my head out the window,
And said, 'WHY NOT [4] ME INSTEAD OF [1] HIM'!!?? [1]

> CHORUS
>
> Oh, your [4] bulldog drinks [5] champagne,
> And [1] I ain't one to com-[4]plain.
> But, what a [1] perfect waste of [4] wine it seems to [5] me. [5]
> So, [1] honey, tell ol' [4] rover that the [1] big dog's coming [4] over... [4]
> Cause any [1] woman that'd get a [6-] bulldog drunk, [6-]
> Would [4] have to be [5] good to [1] me. [1]

[1] Fourteen days and fourteen nights, not [5] one word did I hear.
Her with her silk and champagne, and [4] me in my shorts with a [1] beer. [1]
She just [1] left the curtains wide, and [5] I knew she knew I could see.
Her and the pug-nosed mutt,
Guzzling [4] wine and teasing [1] me. [1]

> CHORUS
>
> Oh, your [4] bulldog drinks [5] champagne,
> And [1] I ain't one to com-[4]plain.
> But, what a [1] perfect waste of [4] wine it seems to [5] me. [5]
> So, [1] honey, tell ol' [4] rover that the [1] big dog's coming [4] over... [4]
> Cause any [1] woman that'd get a [6-] bulldog drunk, [6-]
> Would [4] have to be [5] good to [1] me. [1]

So I [1] made a bolder move, I went [5] over and rang her bell.
I heard growling from inside, and [4] I got scared as [1] hell. [1]
Then the [1] bulldog staggered out the door, and he [5] said, 'How do you do?'
But the lady bit me on the leg,
And I said [4] rrrruuuffff, I love you [1] too! [1]

> CHORUS
>
> Oh, your [4] bulldog drinks [5] champagne,
> And [1] I ain't one to com-[4]plain.
> But, what a [1] perfect waste of [4] wine it seems to [5] me. [5]
> So, [1] honey, tell ol' [4] rover that the [1] big dog's coming [4] over... [4]
> Cause any [1] woman that'd get a [6-] bulldog drunk, [6-]

[NC] While di-[1]gesting Readers Digest in the [4] back of a dirty book store
A [5] plastic flag with gum on the back fell out on the [1] floor.
Well I [1] picked it up and ran outside and slapped it on my window-[4]shield.
And If [5] I could see old Betsy Ross I'd tell her how good I [1] feel.

> CHORUS
>
> But, your [4] flag decal won't get you into [1] Heaven anymore.
> They're al-[5]ready overcrowded from your [1] dirty little war
> Now [4] Jesus don't like killin' no matter [1] what the reasons for.
> And your [5] flag decal won't get you into Heaven any-[1]more. [b3] [4] [5]

Well I [1] went to the bank this morning and the [4] cashier said to me
[5] If you join the Christmas Club we'll give you ten of them flags for [1] free.
[1] I didn't mess a round a bit I took him up on what he [4] said
And [5] stuck them stickers all over my car and one on my wife's fore-[1] head.

> CHORUS
>
> But, your [4] flag decal won't get you into [1] Heaven anymore.
> They're al-[5]ready overcrowded from your [1] dirty little war
> Now [4] Jesus don't like killin' no matter [1] what the reasons for.
> And your [5] flag decal won't get you into Heaven any-[1]more. [b3] [4] [5]

Well I [1] got my windshield so filled with flags I couldn't [4] see
So I [5] ran my car upside a curb and right into a [1] tree
By the [1] time they got a doctor down I was already [4] dead,
And I'll [5] never understand why the man,
Standing in the Pearly Gates [1] said -

> CHORUS
>
> But, your [4] flag decal won't get you into [1] Heaven anymore.
> They're al-[5]ready overcrowded from your [1] dirty little war
> Now [4] Jesus don't like killin' no matter [1] what the reasons for.

[1] When I was young I thought I knew what life was [4] all about
I [1] figured love was something I could [5] live without
[1] You came along, [4] showed me I was wrong
[1] You gave your [5] smile to [4] me, and now I [5]see

Chorus:
Your lovely [1] face is shining [4] through
I see it [1] every day, and every night
My [5] dreams are filled with you
[1] You are the reason I am [4] down upon my knees
And begging [1] you to bring your [5] lovely face in [1] view

I remember putting love songs on [4] cassette for you
I [1] let 'em sing the words like I could [5] never do
[1] You gave a listen, [4] heard what you been missin'
[1] You finally [5]came a [4]round, and now I've [5] found

Without that [b27] face of yours
Right here next to [5] mine

[1] Ziggy played guitar [3-] jamming good
with Weird and [4] Gilly and the Spiders from [5] Mars.
He played it left [1] hand, but made it too [6-] far
became the [2-] special man, and we were [4] Ziggy's band.

[1] Ziggy really sang, with [3-] screwed up eyes and
screwed down [4] hairdo like some cat from [5] Japan.
He could lick 'em by [1] smiling,
he could leave 'em to [6-] hang.
Came on so [2-] loaded man,
well hung and [4] snow-white tan.

[2-] But [1] where were the [b7]* spi-[2-]*ders [b7]* [2-]* [b7]* [2-]* [b7]* [1]*

we were [4] voodoo and the kids was just [5] crass.
He was the [1] nazz with God-given [6-] ass.
He took it [2-] all too far but boy could he [4] play guitar.
