

Jim's Nashville Notation Songbook

Note: The base for this songbook is the Ukulele Songbook in gCEA tuning. This book simply replaces the chord names for the Nashville numeral system.
This is a work in progress so please let me know of any issues

Instrumentals are shown in Blue and Underlined

Put together by Jim Carey – please let me know of problems/mistakes and I would love any updates/corrections

Songs have been sourced from lots of places. Some are as found, some have been transposed or modified by me. I am not claiming any credit on the work done to create these songs – all I have done is to collect the songs together in a common format so that Uke Clubs can use this to help their songlists. If I have put in any songs that anyone believes shouldn't have been put in there then please contact me on :

Now [1] I've [6-] had the time of my [b7] life
No, I [57] never felt like this be-[1]fore
Yes, I [6-] swear, it's the [b7] truth
And I [57] owe it all to you
'Cause [1] I've [6-] had the time of my [b7] life
And I [57] owe it all to you... [1]

I've been [b7] waiting for so long
Now I've finally found someone to stand by [1] me
We saw the [b7] writing on the wall
As we felt this magical fanta-[1]sy
Now with [b7] passion in our eyes
There's no way we could disguise it secret-[1]ly
So we [b7] take each other's hand
'Cause we seem to understand the urgen-[1]cy
Just remember...

[4] You're the one thing
[b3] I can't get enough of
[4] So I'll tell you something
[5] This could be love, because

> CHORUS
>
> [1] I've [6-] had the time of my [b7] life
> No, I [57] never felt this way be-[1]fore
> Yes, I [6-] swear, it's the [b7] truth
> And I [57] owe it all to [1] you
> Hey, baby

With my [b7] body and soul
I want you more than you'll ever [1] know
So, we'll [b7] just let it go
Don't be afraid to lose con-[1]trol, no
Yes, I [b7] know what's on your mind
When you say, "Stay with me to-[1]night"
And remember...

[4] You're the one thing
[b3] I can't get enough of
[4] So I'll tell you something
[5] This could be love, because

> 'Til I [6-] found the [b7] truth

Now [1] I've [6-] had the time of my [b7] life
No, I [57] never felt this way be[1]fore (never felt this way)

Ten [5-] thousand [3] miles a-[1-]way

Intro: [b27] [17] - ie last line of verse 1

Well in [47] nineteen-forty [b7] one a happy [b37] father had a [1] son
And by [47] nineteen-forty [b7] four the father [b37] walks right out the [1] door
And in [47] forty [b7] five the mom and [b37] son were still a-[1]live
But [b27] who could tell in forty six if the [17] two were to survive

Well the [47] years were passing [b7] quickly,
but not [b37] fast enough for [1] him
So he [47] closed his eyes through [b7] fifty five,
then he [b37] opened them up [1] again
Then he [47] looked around he [b7] saw a clown
and the [b37] clown seemed very [1] gay
And he [b27] set that night to join that circus [17] clown and run away

Well allololo la diddy etc (chords as per verse above)

Well he [47] followed every [b7] railroad track and [b37] every highway [1] sign
And he [47] had a girl in [b7] each new town
and the [b37] towns he left be-[1]hind
And the [47] open [b7] road was the [b37] only road that he [1] knew
But the [b27] color of his dreams was slowly [17] turning into blue

Then he [47] met a girl, the [b7] kind of girl he [b37] wanted all his [1] life
She was [47] soft and kind and [b7] good to him,
so he [b37] took her for a [1] wife
And they [47] got a house not [b7] far from town and [b37] in a little [1] while
The [b27] girl had seen the doctor and she [17] came home with a smile

Now in [47] nineteen-sixty [b7] one a happy [b37] father had a [1] son
And by [47] nineteen-sixty [b7] four the father [b37] walked right out the [1] door
And in [47] sixty [b7] five the mom and [b37] son were still a-[1]round
But [b27] what will happen to the boy when the [17] circus comes to town
Well allololo la diddy etc (chords as per verse) fading

Well [4] nothing I do don't seem to work,
It [5] only [5sus4] seems to [5] make matters [5sus4] worse,
[5] oh [1] plee-ee-ease.

[1] You were still in school, when you had that fool,
who really messed your mind.
And after that you turned your back on treating people kind.
On [4] our first trip, I tried so hard to rearrange your mind.
But [1] after a while I realized you were disarranging mine.

[1] Drive my truck midway to the motorway [5] station
[4] Fair-lane cruiser coming [5] up on the left hand [1] side
Headlights shining, driving rain on the [5] window frame
[4] Little young lady [5] stardust hitching a [1] ride

[1] And it's two four six eight, [5] never too late
[4] Me and my radio [5] trucking on through the [1] night
Three five seven nine, on a [5] double white line
[4] Motorway sun coming [5] up with the morning [1] light.

[1] Whizz-kid sitting pretty on your two wheels [5] stallion
[4] This old ten ton [5] lorry got a bead on [1] you
Ain't no use setting up with a [5] bad companion
[4] Ain't nobody got the [5] better of you know [1] who.

Intro (2 bars - strum) [4] 1234 [4] 1234

[4] Dearest darling
I had to text to say that I can't find [57] home any [1] more
My sat nav's [4] broken, truly, while I was in a place
That I'd never [57] been in be-[1]fore

Oh, I was [b7] only twenty-four hours from [5-] Tunstall
[b7] Only one day away from the Sneyd [5-] Arms
I [b3] wonder which road is the [4] best,
the [b3] north, south, east or the [4]* west?

And that is [4] when I saw them
As I pulled in outside of a small ca-[57]fe they were [1] there
I asked for di-[4]-rections, they said, I'd bin drivin' around and around
And was on the [57] road to no-[1]-where

Oh, I was [b7] only twenty-four hours from [5-] Tunstall
[b7] Only one day away from the Sneyd [5-] Arms,
This [b3] trip's the worst I've [4] had,
I'm [b3] lost, it's driving me [4]* mad
I feel, so sad

[4] Dearest darling
I had to text to say that I can't find [57] home any [1] more
My sat nav's [4] broken, truly, while I was in a place
That I'd never [57] been in be-[1]fore

Oh, I was [b7] only twenty-four hours from [5-] Tunstall
[b7] Only one day away from the Sneyd [5-] Arms
Back [b3] to the town and its [4] sights,
where we [b3] spent some wonderful [4]* nights

When we were [4] dancing wildly
To soul music all through the night at the Torch [57] until we'd [1] drop
Then we'd [4] walk to the Square
For a pasty or pie that we'd [57] fetch from the [1] shop.

Oh, I was [b7] only twenty-four hours from [5-] Tunstall
[b7] Only one day away from the Sneyd [5-] Arms
I [b3] hate to say this to [4] you, but [b3] I haven't got a [4]* clue
Don't [4]* know what to [4]* do.
and I might [4] never, never, never [47]
find [b7] home again [b7] 1234 [b7] 1234 [b7]*

For the [5] earth is old and grey, little [b37] darling we'll away
But my [6-] love this [b37] cannot [2-] be [4]
For so [1] many years have gone though I'm [5] older but a year
Your [4maj7] mother's [6-] eyes [2-] from your [5] eyes [4maj7] cry to [1] me. [5] / /

50 Ways to Leave Your Lover

Thanks to Steve Vass for this

[16] "The problem is [56] all inside your [4maj7] head", she said to [b37] me,
[6-] "The answer is [b6-dim] easy if you [4maj7] take it logic-[b37]ally.
[16] I'd like to [56] help you in your [4maj7] struggle to be [b37] free.
There must be, [6-] fifty [2-] ways to leave your [6-] lover"

[16] She said: "It's [56] really not my [4maj7] habit to in-[b37]trude,
Further-[6-]more I hope my [b6-dim] meaning won't be [4maj7] lost or miscon-[b37]strued,

There must be, [6-] fifty [2-] ways to leave your [6-] lover
[6-] Fifty [2-] ways to leave your [6-] lover"

You just slip out the [1] back Jack, make a new [b3] plan Stan,
You don't need to be [4] coy Roy, just get yourself [1] free
Hop on the [1] bus Gus, you don't need to dis-[b3]cuss much,

[16] She said: "It [56] grieves me so to [4maj7] see you in such [b37] pain.
I wish there was [6-] something I could [b6-dim] do to [4maj7] make you smile a-[b37]gain."
I said: "I a-[16]ppreciate [56] that and [4maj7] would you please ex-[b37]plain
About the, [6-] fifty ways" [2-] [6-]

[16] She said: "Why [56] don't we both just [4maj7] sleep on it to-[b37]night,
And I be-[6-]lieve that in the [b6-dim] morning you'll be-[4maj7]gin to see the [b37] light."
Then she [16] kissed me and I [56] realised, she [4maj7] probably was [b37] right,
There must be [6-] fifty [2-] ways to leave your [6-] lover,
[6-] Fifty [2-] ways to leave your [6-] lover

You just slip out the [1] back Jack, make a new [b3] plan Stan,
You don't need to be [4] coy Roy, just get yourself [1] free
Hop on the [1] bus Gus, you don't need to dis-[b3]cuss much,

Now I'm walking [1] home,... on those [5] streets,
the river [2-] winds,... move my f [4] eet
The subway [1] steam,... like silhouettes in [5] dreams,
Stood by [2-] me,... stood by me: just like moon- [4] beams,

Look out the [1] window, down upon that [5] street,
And gone like at [2-] midnight, was, that [4] man,

and all his [2-] things,... they all look so s [4] mall,
I got my fingers [1] crossed,... on a shooting [5] star

There were more than a thousand [17] reeds
Springing [4] up like [b27] weeds
There were [1] horns of [57] every shape and [1] kind.

There were [4] copper bottom tympani in [17] horse platoons
Thundering, [b3] thundering [4] all along the way.
Double bell euphoniums and [1] big bassoons,
[57] Each bassoon having its [1] big, fat [17] say!

There were [4] fifty mounted cannon in the [17] battery
Thundering, [b3] thundering [4] louder than before
Clarinets of every size and [b7] trumpeters who'd [b3] improvise
A [4] full octave [1] higher than the [4] score! [57]

Seventy-[1]six trombones paused the [57] big parade
By the park to hear the ukuleles [1] play
And all of the music [17] made when [4] they all [b27] played
Is a [1] thing still [57] talked about to-[1]day.

[1] Tumble out of bed and I stumble to the kitchen
[4] Pour myself a cup of ambition
[1] And yawn and stretch and try to come to [57] life.
[1] Jump in the shower and the blood starts pumping
[4] Out on the street the traffic starts jumping
With [1] folks like me on the [5] job from 9 to [1] 5

[NC] Working [4] 9 to 5, what a way to make a living
Barely [1] getting by, it's all taking and no giving
They just [4] use your mind and they never give you credit
It's [b2] enough to drive you [5] crazy if you let it
[4] 9 to 5, for service and devotion
You would [1] think that I would deserve a fair promotion
Want to [4] move ahead but the boss won't seem to let me
I [b2] swear sometimes, that man is [5] out to get me

They [1] let you dream just to watch them shatter
You're [4] just a step on the boss man's ladder
But [1] you've got dreams he'll never take [57] away
You're [1] in the same boat with a lot of your friends
[4] Waiting for the day your ship'll come in
The [1] tides gonna turn and it's [5] all gonna roll your way [1]

[NC] Working [4] 9 to 5, what a way to make a living
Barely [1] getting by, it's all taking and no giving
They just [4] use your mind and you never get the credit
It's [b2] enough to drive you [5] crazy if you let it
Working [4] 9 to 5, yeah they've got you where they want you
There's a [1] better life, and you think about it don't you
It's a [4] rich man's game, no matter what they call it
And you [b2] spend your life putting [5] money in his pocket [1]

[4] 9 to 5, what a way to make a living
Barely [1] getting by, it's all taking and no giving
They just [4] use your mind and then they never give you credit

[1] You and I in a [2-] little toy shop
Buy a [4] bag of balloons with the [5] money we got
[1] Set them free at the [2-] break of dawn
Till [4] one by one, [5] they were gone

[1] Back at base, [2-] bugs in the software
[4] Flash the message: [5] Something's out there...
[1] Floating in the [2-] summer sky
[4] 99 [5] Red Balloons go by [1] [2-] [4] [5]

[1] 99 [2-] Red Balloons
[4] Floating in the [5] summer sky
[1] Panicking, it's [2-] red alert
There's [4] something here from [5] somewhere else
[1] War machines [2-] spring to life
[4] Opens up one [5] eager eye
[1] Focusing it [2-] on the sky
Where [4] 99 [5] Red Balloons go [1] by...

[1] 99 [2-] Decision street
[4] 99 [5] ministers meet
To [1] worry, worry; [2-] super scurry
[4] Call the troops out [5] in a hurry
[1] This is what we've [2-] waited for
[4] This is it, boys, [5] this is war
The [1] president is [2-] on the line
As [4] 99 [5] Red Balloons go [1] by [2-] [4] [5]

[1] 99 knights [2-] of the air
Ride [4]super high-tech [5] jet fighters
[1] Everyone's a [2-] super hero
[4] Everyone's a [5] Captain Kirk
With [1] orders to [2-] identify
To [4] clarify and [5] classify
[1] Scramble in the [2-] summer sky
As [4] 99 [5] Red Balloons go [1] by [2-]
As [4] 99 [5] Red Balloons go [1] by [2-] [4] [5]

[1] 99 dreams [2-] I have had
In [4] every one a [5] red balloon
[1] It's all over now and I'm [2-] standing pretty
[4] In the dust that [5] was a city
If [1] I could find a [2-] souvenir
[4] Just to prove the [5] world was here
[1] And here is a [2-] red balloon
[4] I think of you [5] and let it go

[57] [1] [4]
The [57] sons of the prophet were [1] brave men and bold
And [4] quite unaccustomed to [1] fear,
But the [57] bravest by far in the ranks of the [1] Shah
Was [57] Abdul, the Bulbul [1] Amir.

When [57] they needed a man to encourage [1] the van,
Or to [4] harass a foe from the [1] rear,
Storm [57] fort or redoubt, they had only to [1] shout
For [57] Abdul, the Bulbul [1] Amir.

This [57] son of the desert in [1] battle aroused,
Could [4] split twenty men on his [1] spear.
A [57] terrible creature, sober or [1] soused,
Was [57] Abdul, the Bulbul [1] Amir.

Now the [57] heroes were plenty and well known [1] to fame
Who [4] fought in the ranks of the [1] Czar;
But the [57] bravest of these was a man by the [1] name
Of [57] Ivan Skavinsky [1] Skivar.

He could [57] imitate Irving, play poker [1] and pool,
And [4] strum on the Spanish [1] guitar;
In fact, [57] quite the cream of the Muscovite [1] team
Was [57] Ivan Skavinsky [1] Skivar.

The [57] ladies all loved him, his [1] rivals were few;
He [4] could drink them all under [1] the bar.
As [57] gallant or tank, there was no one [1] to rank
With [57] Ivan Skavinsky [1] Skivar.

One [57] day this bold Russian had [1] shouldered his gun,
And [4] donned his most truculent [1] sneer;
Downtown [57] he did go, where he trod on the [1] toe
Of [57] Abdul, the Bulbul [1] Amir.

"Young man," [57] said Bulbul, "has your [1] life grown so dull
That [4] you're anxious to end your [1] career ?
Vile [57] infidel, know you have trod on the [1] toe
Of [57] Abdul, the Bulbul [1] Amir."

"So [57] take your last look at [1] sunshine and brook,
And [4] send your regrets to the [1] Czar,
By [57] which I imply, you are going to [1] die,
Mr. [57] Ivan Skavinsky [1] Skivar."

Said [57] Ivan, "My friend, your remarks [1] in the end
Will [4] avail you but little, I [1] fear;
For you [57] ne'er will survive to repeat them [1] alive,
Mr. [57] Abdul, the Bulbul [1] Amir."

Then [57] that bold Mameluke drew his [1] trusty skibouk,
With [4] a cry of [1] "Allah Akbar."
And [57] with murderous intent, he ferociously [1] went
For [57] Ivan Skavinsky [1] Skivar.

They [57] parried and thrust, they [1] sidestepped and cussed,
Of [4] blood they spilled a [1] great part;
The [57] philologist blokes, [1] who seldom crack jokes,
Say that [57] hash was first made on that [1] spot.

They [57] fought all that night, 'neath the [1] pale yellow moon
The [4] din, it was heard from [1] afar,
And [57] huge multitudes came, so great was the [1] fame,
Of [57] Abdul and Ivan [1] Skivar.

As [57] Abdul's long knife was extracting [1] the life,
In [4] fact he had shouted [1] "Huzzah"
He [57] felt himself struck by that [1] wily Calmuck
Of Count [57] Ivan Skavinsky [1] Skivar.

The [57] sultan drove by in his [1] red-breasted fly,
Expecting [4] the victor to [1] cheer,
But he [57] only drew nigh just to hear the last [1] sigh
Of [57] Abdul, the Bulbul [1] Amir.

Czar [57] Petrovich, too, in his [1] spectacles blue,
Rode [4] up in his [1] new crested car;
He [57] arrived just in time to exchange a last [1] line
With [57] Ivan Skavinsky [1] Skivar.

There's [57] a tomb rises up where the [1] Blue Danube rolls,
And [4] 'graved there in [1] characters clear
Are, [57] "Stranger, when passing, oh pray for the [1] soul
Of [57] Abdul, the Bulbul [1] Amir."

A [57] Muscovite maiden [1] her lone vigil keeps
'Neath [4] the light of the pale polar [1] star,
And the [57] name that she murmurs so [1] oft as she weeps,
Is [57] Ivan Skavinsky [1] Skivar.

[1-] Abra-[7]ham took [3] Isaac's [4-] hand
and [6] led him [7] to the [1-] lonesome hill
[1-] While his [7] daughter [3] hid and [4-] watched
She [6] dared not [7] breathe, she [1-] was so still
[3] Just as an angel [7] cries for the slaughter,
[6] Abraham's daughter [7] raised her [1-] voice

[1-] Then the [7] angel [3] asked her [4-] what her [6] name was
[7] She said, "[1-] I have none."
[1-] Then he [7] asked, "How [3] can this [4-] be?"
"My [6] father [7] never [1-] gave me one."
[3] And with his sword [7] raised for the slaughter,
[6] Abraham's daughter [7] raised her [1-] bow
[3] "How darest you, child, [7] defy your father!"
"[6] You better let young [5-] Isaac [1-] go."

[57] Many the hopes that have [1] vanished
[b27] After [57] the [1] ball.

[1] A little maiden climbed an old man's [57] knee
[2-] Begged for a [57] story - "Do, uncle, [1] please!"
Why are you single; [b67] why live [2-] alone?
[4] Have you no [1] ba-[b67]bies; [b27] have [57] you no [1] home?"
"[6-] I had a sweet-[4]heart, years, [57] years a-[1]go,
[4] Where [4-] she is [1] now, [6-] pet, [b27] you [5] will soon [1] know.
[1] Listen to the story, [b67] I'll tell it [2-] all,
[4] I found her [1] faith-[b67]less, [b27] af-[57]ter the [1] ball."

Chorus:
After the [4] ball is [1] over,
After the [2-] break of [57] morn
[2-] After the dancers' [b67] leaving;
[57] After the stars are [1] gone;
[1] Many a [4] heart is [1] aching,
[b67] If you could read them [b27] all;
[57] Many the hopes that have [1] vanished
[b27] Af-[57]ter the [1] ball.

[1] "Bright lights were flashing in the grand ball-[57]room,
[2-] Softly the [57] music, playing sweet [1] tunes.
There came my sweetheart, [b67] my love, my own -
'[4] I [4-] wish some [1] wa-[6-]ter; [b27] leave [57] me a-[1]lone.'
[6-] When I returned, [4] dear, there [b67] stood a [1] man,
[4] Kiss-[4-]ing my [1] sweet-[6-]heart, [b27] as [57] lovers [1] can.
[1] Down fell the glass, pet, [b67] broken, that's [2-] all.
[4] Just as my [1] heart [b67] was, [b27] af-[57]ter the [1] ball."

Chorus

[1] "Long years have passed child, I've never [57] wed
[2-] True to my [57] lost love, though she is [1] dead.
She tried to tell me, [b67] tried to ex-[2-]plain;
[4] I [4-] would not [1] lis-[6-]ten, [b27] plea-[57]dings were [1] vain.
[6-] One day a le-[4]tter came [5] from that [1] man,
[4] He [4-] was [57] her [1] bro-[6-]ther - [b27] the letter [5] ran.
[1] That's why I'm lonely, all [b67] home a-[2-]lone;

[1] [4] [1] [4]
[4] Well I [1] dreamed I saw the knights in [4] armour coming
Sayin' [1] something about a [4] queen
There where [1] peasants singin' and [5] drummers drummin'
And the [4] archer split the [5] tree
There was a [6-] fanfare blowin' [b7] to the sun
That was [4] floating on the [b7] breeze
[1] Look at Mother Nature [5] on the run
In the [b7] nineteen seven-[4]ties
[1] Look at Mother Nature [5] on the run
In the [b7] nineteen seven-[4]ties [1] [4] [1] [4]

[4] I was [1] lying in a burned out [4] basement
With a [1] full moon in my [4] eye
I was [1] hoping for [5] replacement
When the [4] sun burst through the [5] sky
There was a [6-] band playing [b7] in my head
And I [4] felt like getting [b7] high
I was [1] thinking about what a [5] friend had said
I was [b7] hoping it was a [4] lie
I was [1] thinking about what a [5] friend had said
I was [b7] hoping it was a [4] lie [1] [4] [1] [4]

[4] Well I [1] dreamed I saw the silver [4] spaceship flying
In the [1] yellow haze of the [4] sun
There were [1] children crying and [5] colours flying
All a-[4]round the chosen [5] one
All in a [6-] dream all [b7] in a dream
The [4] loading had be-[b7]gun
[1] Flying mother nature's [5] silver seed
To a [4] new home in the [b7] sun
[1] Flying mother nature's [5] silver seed
To a [4] new home [1]

So I [1] sing you to sleep after the lovin'
With a [2-] song that I just wrote yesterday
And I [57] hope you can hear what the words
And the music have to [1] say. [2-] [57]

It's so [1] hard to explain everything that I'm feelin'
Face to [2-] face I just seem to go dry
But I [57] love you so much that the sound
Of your voice can get me [1] high. [17]

[4] Thanks for taking [3-] me
On a [2-] one way trip to the [1] sun.
[6-] And thanks for turning me into a [2-] someone. [57]

So I [1] sing you to sleep after the lovin'.
I [2-] brush back the hair from your eyes.
And the [57] love on your face is so real
That it makes me wanna [1] cry. [17]

And I [4] know that my song isn't [b37] sayin' anything [6-] new.
Oh, but [2-] after the [57] lovin' [2-] I'm still in [57] love with [1] you.

So I [1] sing you to sleep after the lovin'
I [2-] brush back the hair from your eyes.
And the [57] love on your face is so real
That it makes me wanna [1] cry. [17]

And I [4] know that my song isn't [b37] sayin' anything [6-] new.
Oh, but [2-] after the [57]lovin' [2-] I'm still in [57] love with [1] you.

Yes, [2-] after the [57] lovin' [2-] I'm still in [57] love with [1] you.

[4] After you've gone, [4-] and left me cryin'
[1] After you've gone, [b67] there's no denyin'
[b29] You feel blue, [57] you feel sad
[1] You miss the bestest pal [17] you ever had

[4] There'll come a time, [4-] now don't forget it
[1] There'll come a time, [b67] when you'll regret it

[1] Your heart will [b37] break like mine and [6-] you'll want me [1dim] only
[1] After you've gone, [57] after you've gone [1] away [17]

[4] After you've gone, [4-] after the break up
[1] After you've gone, [b67] you are gonna wake up
[b29] And you will find [57] that you were blind
[1] To let somebody come and [17] change your mind

[4] After the years that [4-] we've been together
[1] The joy and all the tears, [b67] in all types of weather
[2-] Someday when [b67] you're down [2-] hearted [4-]
[1] You'll long to [b37] be with me right back [6-] where we [1dim] started
[1] After you've gone, [57] after you've gone [1] away [17]

[5] Stop the clocks, it's amazing
[1] You should see the way the light dances off your hair
[b2] A million colours of [b3-7] hazel, golden and [1] red
[5] Saturday morning is fading
[1] The sun's reflected by the coffee in your hand
[b2] My eyes are caught in your [b3-7] gaze all over a-[1]gain

We were [1] love drunk, waiting on a miracle
Trying to [5] find ourselves in the [b2] winter snow
So a-[1]lone in love like the world had disa-[5]ppeared [b2]
Oh, I [1] won't be silent and I won't let go
I will [5] hold on tighter 'til the [b2] afterglow
And we'll [1] burn so bright 'til the darkness softly [5] clears [b2]

Oh, I will [1] hold on to the afterglow [5] [b2]
Oh, I will [1] hold on to the afterglow [5]

[5] The weather outside's changing
[1] The leaves are buried under six inches of white
[b2] The radio is [b3-7] playing, Iron & [1] Wine
[5] This is a new dimension
[1] This is a level where we're losing track of time
[b2] I'm holding nothing a-[b3-7] gainst it, except you and [1] I

We were [1] love drunk, waiting on a miracle

artist: Starland Vocal Band, writer: Bill Danof

Intro: [1] [b2-7] [1] [b2-7]
Gonna [1] find my baby gonna hold her tight
Gonna [b2-7] grab some afternoon delight
My [1] motto's always been when it's right it's right
Why [b2-7] wait until the middle of a cold dark night
[b2-7] When everything's a little clearer in the [5] light of day
[b2-7] And you know the night is always gonna be there
[5] Any [57]way [3-] [5]

[1] Thinking of you's working up my appetite
Looking [b2-7] forward to a little afternoon delight
Rubbin' [1] sticks and stones together makes the sparks ignite
And the [b2-7] thought of lovin' you is getting so exciting

Chorus:
[1] Sky rockets in flight [57sus4] [1] after [b37]noon de [6-]light
[b2-7] A.. [b27sus4] afternoon de [1]light
[b2-7] A.. [b3-7].. [b27sus4] afternoon de [1]light

[1] Started out this morning feeling so polite
I always [b2-7] thought a fish could not be caught who didn't bite
But you've [1] got some bait a waitin' and I think I might
Try [b2-7] nibbling a little afternoon delight

Chorus

[b2-7] Please be waiting for me baby when I [5] come around
[b2-7] We could make a lot of lovin' 'fore the [5] sun goes down
[1] Thinkin' of you's workin' up my appetite
Looking [b2-7] forward to a little afternoon delight
Rubbin' [1] sticks and stones together makes the sparks ignite
And the [b2-7] thought of lovin' you is getting so exciting

Chorus

[b2-7] A [b3-7] . [b27sus4] afternoon de [1]light

[1] It seems like yesterday, [3-] but it was long ago
[4] Janey was lovely, she was the [1] queen of my nights
[5] There in the darkness with the [4] radio playing low.
[1] And the secrets that we shared,
[3-] the mountains that we moved
[4] Caught like a wild fire [1] out of control
Till there was [4] nothing left to burn
and nothing left to [5] prove.
And I [6-] remember [5] what she said to [1] me
How she swore [6-] that it would [5] never [1] end
I [6-] remember how she [5] held me oh, so [4] tight,
Wish I didn't know now what I [5] didn't know then. [1]

[1] Against the [3-] wind,
We were [4] running against the [1] wind.
We were [4] young and [3-] strong,
We were [2-] running a-[4]gainst the [1] wind.

[1] The years rolled slowly past, [3-] I found myself alone,
[4] Surrounded by strangers I [1] thought were my friends,
[5] I found myself further and [4] further from my home.
And I [1] guess I lost my way, [3-] there were oh, so many roads.
I was [4] livin' to run and [1] runnin' to live,
Never [4] worrying about paying or [5] how much I owed.
Movin' [6-] eight miles a [5] minute for months at a [1] time,
Breakin' [6-] all of the [5] rules that would [1] bend.
[6-] I began to [5] find myself [4] searching
[4] Searching for shelter [5] again and again.

[1] Against the [3-] wind,
A little [4] something against the [1] wind.
I [4] found [3-] myself seeking [2-] shelter [4] against the [1] wind.

All those [6-] drifter's [5] days are [1] past me now,
I've got [6-] so much [5] more to think [1] about
[6-] Deadlines and com-[4]mitments,
[4] What to leave in and [5] what to leave out.

[1] Against the [3-] wind,
[4] I'm still running against the [1] wind.
I'm [4] older [3-] now and still [2-] Running a-[4]gainst the [1] wind

fade out towards the end

Well I'm [4] older [3-] now and still [57] Running..
Against the [4] wind
Against the [1] wind
Against the [4] wind (I'm still running)
Against the [1] wind (I'm still running against the wind)
Against the [4] wind (I'm still running)
Against the [1] wind (I'm still running against the wind)

I've [1] up and down and around and round and [5] back again
[4] Been so many places I can't [1] remember where or [5] when
And my [1] only boss was the clock on the wall and my [5] only friend
[4] Never really [5] was a friend at [1] all

I've [6-] traded love for pennies, [3-] sold my soul for less
Lost my [4] ideals in that [1] long tunnel of [5] time
And I've turned [1] inside out and around about and [5] back and then
[4] Found myself [5] right back where I [4] started a-[1] gain. [1sus4] [1]

[4] [1]

[4] Once I [1] had myself a million now I've [5] only got a dime
[4] Difference don't seem [5] quite as bad to-[1]day
With a [1] nickel or a million I was [5] searchin' all the time
[4] Something that I'd [5] never lost or [4] left be-[1]hind

I've [6-] traded love for pennies, [3-] sold my soul for less
Lost my [4] ideals in that [1] long tunnel of [5] time
And I've turned [1] inside out and around about and [5] back and then
[4] Found myself [5] right back where I [4] started a-[1]gain. [1sus4] [1]

And now I'm [1] in my second circle and I'm [5] headin' for the top
I've [4] learned a lot of [5] things along the [1] way
I'll be [1] careful while I'm climbin' cause it [5] hurts a lot to drop
[4] When you're down [5] nobody cares a [4] damn any-[1] way

I've [6-] traded love for pennies, [3-] sold my soul for less
Lost my [4] ideals in that [1] long tunnel of [5] time
And I've turned [1] inside out and around about and [5] back and then

[1] I loved you for a [17] long long time [4] I know this love is real
It [1] don't matter how it all went wrong
That [5] don't change the way I [57] feel
And I [1] can't believe that [b37] time's gonna heal
This [6-] wound that I'm speaking [4] of
There [1] ain't no cure there [5] ain't no cure
There [4] ain't no cure for [1] love

[1] I'm aching for you [17] baby [4] I can't pretend I'm not
I [1] need to see you naked in your [5] body and your [57] thought
I've [1] got you like a [b37] habit and I'll [6-] never get e[4]nough
There [1] ain't no cure there [5] ain't no cure
There [4] ain't no cure for [1] love
There ain't no [6-] cure for love [1] there ain't no [6-] cure for [1] love

All the rocket ships are [4] climbing through the sky
Holy books are open wide doctors [5] working day and night
But they'll never ever find that [6-] cure for [1] love
There ain't no [4] drink no drug
[b27] There's nothing pure enough to be a [5] cure for [57] love

[1] I see you in the [17] subway [4] and I see you on the bus
[1] I see you lying down with me and I [5] see you waking [57] up
[1] I see your hand I [b3] see your hair
Your [6-] bracelets and your [4] brush
And I [1] call to you I [b3] call to you but I [6-] don't call soft e[4]nough
There [1] ain't no cure there [5] ain't no cure
There [4] ain't no cure for [1] love

[1] I walked into this [17] empty church I had [4] no place else to go
When the [1] sweetest voice I ever heard [5] whispered to my [57] soul
[1] I don't need to be for[b3]given for [6-] loving you so [4] much
[1] It's written in the [b37] scriptures it's [6-] written there in [4] blood
[1] I even heard the [b37] angels de[6-]clare it from a[4]bove

And he wo-[4]bbles and he [1] gobbles
And he's [57] absolutely [1] mine.

Gobble [1] gobble, gobble gobble
Gobble gobble, gobble [57] get
And he wo-[4]bbles and he [1] gobbles
And he's [57] absolutely [1] mine.

He's the [1] best pet you can get,
Better than a dog or [57] cat.
He's my [4] Albuquerque [1] turkey,
And I'm [57] awfully proud of [1] that.

Gobble [1] gobble, gobble gobble
Gobble gobble, gobble [57] get
And he wo-[4]bbles and he [1] gobbles
And he's [57] absolutely [1] mine.

He once [1] told me, very frankly
He preferred to be my [57] pet,
Not the [4] main course at my [1] dinner,

Here's a [1-] story of a sinner,
He used to be a winner who enjoyed a life of prominence and [b57] position,
[b5] But the pressures at the office and his socialite engagements,
And his [b57] selfish wife's fanatical am-[1-]bition,

[b17] It turned him to the booze, and he got mixed up with a floozie
And she led him to a life of inde-[4-]cision.
The floozie [1-] made him spend his dough. She left him lying on Skid Row
A drunken lag in some [b5] Salvation Army [1-] Mission.

[b1-dim] It's such a [b57] shame.

[1-] Oh demon [4-] alcohol,
[77] Sad memories I [3] can't recall,
[1-] Who thought [4-] I would fall,
[b5] a slave to demon [1-] alcohol.

[b1-dim] It's such a [b57] shame.

[1-] Barley wine, [6] pink gin,
[1-] He'll drink [6] anythin',
[1-] a Port, pernod, [6] tequila, or a [b57] beer,
[b5] Rum, scotch, vodka on the rocks, as long as all his troubles dis-[1-]appear.

[b17] But he messed up his life when he beat up his wife,
And the floozie's gone and found another [4-] sucker
[1-] She's gonna turn him on to drink, she's gonna lead him to the brink
And when his money's gone,
She'll [b57] leave him in the [1-] gutter,

[b1-dim] It's such a [b57] shame.

[1-] Oh demon [4-] alcohol,
[77] Sad memories I [3] can't recall,

[b2] I [5] had a little beetle, so that [1] beetle was his [5] name
And I [1] called him Alex-[5]ander and he [b2] answered just the [5] same
[5] And I put him in a matchbox and [1] I kept him all the [5] day
But [1] nanny let my [5] beetle out, [1] nanny left my [5] beetle out,
She [1] went and left my [5] beetle out and [b2] beetle ran a-[5]way

[b2] She [5] said she didn't mean it and I [1] never said she [5] did
She [1] said she wanted [5] matches and she [b2] just took off the [5] lid
She [5] said I mustn't worry and I [1] really must be [5] kind
That there's [1] lots and lots of [5] beetles thats she's [b2] certain we could find
She said [5] I mustn't worry, but it's [1] difficult to [5] catch
An ex-[1]cited sort of [5] beetle you've mis-[b2]taken for a [5] match

If we [5] looked in all the places that a [1] beetle might be [5] near
And we [1] made the kind of [5] noises that a [b2] beetle likes to [5] hear

[5] Then I heard a [b2] kind of [5] something and I [1] gave a sort of [5] shout
It was a [1] beetle house and [5] Alexander [b2] beetle coming [5] out
It was Alexander beetle I'm as [1] certain as can [5] be
[5] And [b2] he had that [1] kind of look [5] as though he thought it [b2] might be me

[5] And [b2] he [5] had that kind of look as though he [1] thought he ought to [5] say
"I'm [1] really very [5] sorry that I [b2] tried to run away"
[5] And [b2] nanny's very [5] sorry too cause [1] you know what she [5] did
And she's [1] writing Alex-[5]ander very [b2] blackly on the [5] lid
[b2] So [5] nan and me are friends because it's [1] difficult to [5] catch
An ex-[1]cited Alex-[5]ander you've mis-[b2]taken for a [5] match [b2] [5] [1] [5]

[6] When it's love [3] live. (I'll make a stand. I won't break.)
[3] I'll be the rock you can [6] build on, be there when you're [3] old,
To have and to [7] hold. When there's love in-[3]side (I swear I'll always be strong.)
Then there's a reason [3] why. (I'll prove to you we belong.)
[3] I'll be the wall that pro-[6]tects you from the wind and the [3] rain,
From the hurt and [7] pain. Yeah [3] [3sus4] [3]

[NC] Let's make it all for one and all for [6] love. [b4-7] Let the one you hold
be the one you [3] want, the one you [7] need, 'cause [3] when it's [6] all for [7] one it's [3] one for [6] all
When there's [b4-7] someone that should [3] know then just [6] let your feelings [3] show
And make it [6] all for [b4-7] one and [7] all for [3] love.

When it's love you [3] make (I'll be the fire in your night.)
Then it's love you [3] take (I will defend, I will fight.)
I'll be there when you [6] need me. When honor's at [3] stake, this vow I will [7] make yeah
[3] [3sus4] [3]

[NC] Let's make it all for one and all for [6] love. [b4-7] Let the one you hold
be the one you [3] want, the one you [7] need, 'cause [3] when it's [6] all for [7] one it's [3] one for [6] all
When there's [b4-7] someone that should [3] know then just [6] let your feelings [3] show
And make it [6] all for [b4-7] one and [7] all for [3] love.

[1-] Don't lay our [6] love to rest 'cause we could [b4-7] stand up to you [6] test.
We got [1-] everything and [3] more than we had [6] planned,
[3] More than the [1-] rivers that run the [3] land. We've got it [6] all in our [7] hands.

[6] [6] [b4-7] [b4-7] [3sus4] [3] [3sus4] [3] [6] [6] [b4-7] [b4-7] [7sus4] [7sus4] [7]
Now it's all for one and all for [6] love. (It's all for love.)
[b4-7] Let the one you hold be the one you [3] want, the one you [7] need,
'Cause [3] when it's [6] all [1-] for [7] one it's [3] one for [6] all. (It's one for all.)
When there's [b4-7] someone that should [3] know then just [6] let your feelings [3] show.
When there's [b1-7] someone that you [3] want, when there's [6] someone that you [3] need

All I Wanna Do

Hit it... [1] [b7] This ain't no disco

Chorus:
cause all I wanna [b4] do is have some fun,
I've got a [b2] feeling that I'm not the [b3] only one,
all I wanna [b4] do is have some fun,
I've got a [b2] feeling that I'm not the [b3] only one
all I wanna [b4] do is have some fun,
until the [b2] sun comes up over [b3] Santa Monica Boule-[b4]vard [b2] [b3]

[1] and it ain't no [b7] country club, - [1] [b7] this L.A.
[b4] "All I wanna do is have a little fun before I die" says the
[b2] man next to me [b3] out of nowhere
[b4] Apropos of nothing, he says his name's William but I'm sure he's
[b2] Billy, Mac or [b3] Buddy
he's [b4] plain ugly to me, and I
[b2] wonder if he's ever had a [b3] day of fun in his life
[b4] We are drinking beer at noon on a Tuesday
[b2] in a bar that faces a giant [b3] car wash
[b4] The good people of the world are washing their cars
[b2] on their lunch break, [b3] as best as they can in skirts and suits
[1] [b7] They drive their shiny Datsuns and Buicks
[1] [b7] back to the phone company and the record store
[1] [b7] Well they're nothing like Bily and me,

Chorus

[b4] I like a good beer buzz early in the morning
[b2] and Billy likes to peel the labels from his [b3] bottle of Bud
[b4] and shred them on the bar, then he lights every match in an over-sized pack
[b2] letting each one [b3] burn down to his
[b4] thick fingers before blowing and cursing them out [b2] [b3]
[1] [b7] and he's watching the Buds as they spin on the floor,
[1] [b7] a happy couple enters the bar dangerously close,
[1] [b7] the bartender looks up from his want ads

Chorus

[1] [b7] otherwise the bar is ours
[1] [b7] the day and thee night and the car wash too
[1] [b7] the matches and the Buds and the clean and dirty cars
[1] [b7] the sun and the moon
repeat as often as you like

[NC] If I was a flower growing wild and free
[NC] All I'd want is you to be my sweet honey bee.
[NC] And if I was a tree growing tall and green
[NC] All I'd want is you to shade me and be my leaves

[1] If I was a flower growing [4] wild and [1] free
[1] All I'd want is you to be my [5] sweet honey [1] bee.
[1] And if I was a tree growing [4] tall and [1] green
[1] All I'd want is you to shade me and [5] be my [1] leaves

[1] All I want is you, will you [4] be my [1] bride
[1] Take me by the hand and [5] stand by my [1] side
[1] All I want is you, will you [4] stay with [1] me?
[1] Hold me in your arms and [5] sway me like the [1] sea

[1] If you were a river in the [4] mountains [1] tall,
[1] The rumble of your water would [5] be my [1] call.
[1] If you were the winter, I [4] know I'd be the [1] snow
[1] Just as long as you were with me, let the [5] cold winds [1] blow

[1] All I want is you, will you [4] be my [1] bride

[1] If you were a wink, I'd [4] be a [1] nod
[1] If you were a seed, well I'd [5] be a [1] pod.
[1] If you were the floor, I'd [4] wanna be the [1] rug
[1] And if you were a kiss, I know [5] I'd be a [1] hug

[1] All I want is you, will you [4] be my [1] bride
[1] Take me by the hand and [5] stand by my [1] side
[1] All I want is you, will you [4] stay with [1] me?

[1] If you were the wood, [4] I'd be the [1] fire.
[1] If you were the love, I'd [5] be the de- [1] sire.
[1] If you were a castle, I'd [4] be your [1] moat,

All I Want To Do Is Make Love To You

[1] [4] [1] [4]
It was a [1] rainy night when he [3-] came into sight,
[4] standing by the road, no um-[1]brella, no coat.
So I pulled up along side and I [3-] offered him a ride,
he [4] accepted with a smile, so we [5] drove for a while.

I didn't [1] ask him his name, this lonely [6-] boy in the rain.
Fate [4] tell me it's right, is this love at first sight.
Please, [5] don't make it wrong, just stay for the night.

[1] All I wanna do is make love to you. [4] Say you will you want me, too.
[1] All I wanna do is make love to you. I've got [4] lovin' arms to hold on to.

So we [1] found this hotel, it was a [3-] place I knew well.
We [4] made magic that night. Oh, he did [1] everything right.
He brought the woman out of me, so many [3-] times, easily.
And in the [4] morning when he woke, all I [5] left him was a note.

I told him [1] I am the flower you are the seed,
we [6-] walked in the garden, we planted a tree.
Don't [4] try to find me, please don't you dare,
just [5] live in my memory, you'll always be there.

[1] All I wanna do is make love to you, one [4] night of love was all we knew.
[1] All I wanna do is make love to you, I've got [4] lovin' arms to hold on to
[5] Oh, oooh, we made [6-] love, love like strangers.
[4] All night long we made [1] love.

Then it [3-] happened one day, we came round the same way.
[4] You can imagine his surprise when he [5] saw his own eyes.
I said [1] please, please understand, I'm in [6-] love with another man.
And what [4] he couldn't give me, was the [5] one little thing that you can.

[1] All I wanna do is make love to you, one [4] night of love was all we knew.
[1] All I want to do is make love to you.
[4] Come on, say you will, you want me, too.

[1] All I wanna do is make love to you, one [4] night of love was all we knew.
[1] All I want to do is make love to you.
[4] Come on, say you will, you want me, too.
All night [1] long, All night [4] long
All night [1] long, All night [4] long
[1] All I wanna do. All I wanna do, [4] All I wanna do. All I wanna do
[1] All I wanna do is make love to you, one [4] night of love was all we knew [1]

[1] All my ex's live in [57] Texas
And Texas is the [2-] place I'd dearly [5] love [4] to [1] be
But all my ex's live in [57] Texas
And that's why I hang my hat in Tennes[1]see

[1] Rosanna's down in Texarkana,
[2-] wanted me to push her broom
[57] Sweet Eileen's in Abilene, she forgot I hung the [1] moon
And Allison's in Galveston, [2-] somehow lost her sanity
And [b27] Dimple's who now lives in Temple's, Gt the [57] law looking for me

But all my ex's live in [57] Texas
And that's why I hang my hat in Tennes[1]see

But it [57] brings to mind another time where I wore my welcome [1] thin
By transcendental meditation [2-] I go there each night
But I [b27] always come back to myself [57] long before daylight

You [1] know your mama [3-] was born to [4] die [4-]
[1] All [6-] my [2-] trials, [b2-7] Lord, [5] soon [57] be [1] over

Well it [1] chills the body [3-] but not the [4] soul [4-]
[1] All [6-] my [2-] trials, [b2-7] Lord, [5] soon [57] be [1] over

I've [1] got a little book with pages [5-] three
And [1] every page [3-] spells liber-[4]ty [4-]
[1] All [6-] my [2-] trials, [b2-7] Lord, [5] soon [57] be [1] over

[1] Too late, my brothers [3-]
Too late, but never [4] mind [b2-7]
[1] All [6-] my [2-] trials, [b2-7] Lord, [5] soon [57] be [1] over

If [1] living were a thing that money could [5-] buy
Then the [1] rich would live [3-] and the poor would [4] die [4-]
[1] All [6-] my [2-] trials, [b2-7] Lord, [5] soon [57] be [1] over

I wish you [1] don't [1sus4][1]

'Cause if you [4] feel just like I [1] did
You'd probably [1] walk around the block
Like a little [5] kid [57]
But kids don't [1] know [1sus4] [1]
They can only [1] guess [1sus4] [1]
How hard it [1] is [5] to wish you happi-[1]ness

[1] [1sus4][1] [1] [1sus4][1] [1] [1sus4][1] [5] [1]
I guess that [1] love [1sus4] [1]
Is like a Christmas [1] card [1sus4] [1]
You decorate a [1] tree [5] you throw it in the [1] yard,
it decays and [1] dies [1sus4] [1]
And the snowmen [1] melt [1sus4] [1]
Well, I once knew [1] love, [5] I knew how love [1] felt

Yeah, I knew [4] love, love knew [1] me
And when I walked love walked with [5] me [57]
And I got no [1] hate [1sus4] [1]
And I got no [1] pride [1sus4] [1]
Well, I got [1] so much [5] love that I cannot [1] hide
Yeah, I got [1] so much [5] love that I cannot [1] hide

Say you drive a [1] Ford [1sus4] [1]
You say you [1] drive around the [5] town till you just get [1] bored
Then you change your [1] mind [1sus4] [1]
For something else to [1] do [1sus4] [1]
And your [1] heart gets bored with your

[1] All the good times are [4] past and [1] gone
All the good times are [57] o'er
[1] All the good times are [4] past and [1] gone

[b2] [5] [1] [4]
All the [1] nice girls love a sailor
All the [4] nice girls love a tar
For there's [b2] something about a [5] sailor
Well you know what sailors [1] are

Bright and breezy free and easy
He's the [4] ladies' [b37] pride and [4] joy
He falls in [b2] love with Kate and Jane
Then he's [5] off to sea again
Ship a-[1]hoy ship a-[4]hoy [1] [4] [1]

When the [4] man o' war or merchant ship comes sailing into port
The [1] jolly tar with joy will [4] sing out land ahoy
[4] With his pockets full of money and a parrot in a cage
He [5] smiles at all the pretty girls upon the landing [1] stage

All the [1] nice girls love a sailor
All the [4] nice girls love a tar
For there's [b2] something about a [5] sailor
Well you know what sailors [1] are

Bright and breezy free and easy
He's the [4] ladies' [b37] pride and [4] joy
He falls in [b2] love with Kate and Jane
Then he's [5] off to sea again
Ship a-[1]hoy ship a-[4]hoy [1] [4] [1]

He will [4] spend his money freely and he's generous to his pals
While [1] Jack has got a sou there's [4] half of it for you
[4] And it's just the same in love and war he goes through with a smile
And [5] you can trust a sailor he's a white man all the [1] while

All the [1] nice girls love a sailor
All the [4] nice girls love a tar
For there's [b2] something about a [5] sailor
Well you know what sailors [1] are

Bright and breezy free and easy
He's the [4] ladies' [b37] pride and [4] joy
He falls in [b2] love with Kate and Jane
Then he's [5] off to sea again

[1] I'd like to [17] watch you sleep at [4-] night,
to hear you [1] breathe by my side
And although [17] sleep leaves me be-[4-]hind,
there's nowhere I'd [1] rather be

[1] And now our [17] bed is oh so [4-] cold,
my hands feel [1] empty, [17] no one to [1] hold
I can [b7] sleep what side I [4-] want,
it's not the [1] same with you gone

[b7] Oh if you'd come [b6] home, I'll let you know that
[1] All you [4] want is [4-] right here in this [1] room,
[17] all you [4] want [4-]
And [1] all you [4] need is [4-] sitting here with [1] you,
[4] all [4-] you [1] want

[1] It's been three [17] years, one night a-[4-]part,
but in that [1] night you tore my heart
If only [b7] you had slept a-[4-]lone,
if those [1] seeds had not been sown

[b7] Oh you could come [b6] home and you would know that
[1] All you [4] want is [4-] right here in this [1] room,
[17] all you [4] want [4-]
[1] All you [4] need is [4-] sitting here with [1] you,
[4] all [4-] you [1] want

[b7] I hear your [4-7] key tur-[b7]ning in the [4-7] door,
[b7] I won't be [4-7] hearing [b7] that sound any-[4-7]more
And [b7] you and your [4-7] sin can [b7] leave the way you [4-7] just came in,
Send [b7] my regards to [4-7] her, I hope you've [b7] found that

[1] All you [4] want is [4-] right here in [1] this [17] room,
all you [4] want [4-]

Some-[1]body once [5] told me the [2-] world is gonna [4] roll me

So what's [2-] wrong with taking the [4] back streets?

You'll [2-] never shine if you don't [4] glow

[1] [5] [4] [4] x2

Well, I [1] heard some people [5] talkin' just the [4] other day [4]
And they [1] said you were gonna [5] put me on a [4] shelf [4]
But let me tell [1] you I got some [5] news for you and you'll
[4] soon find out it's [4] true
And then you'll [1] have to eat your [5] lunch all by [4] yourself [4]

'Cause I'm [1] al-[5]ready [4] gone [4]
And I'm [1] fee-[5]eelin' [4] strong [4]
I will [1] sing [5] this victory [4] song [4]
Woo-hoo-[1]hoo-o, my [5] my, woo-[4]hoo-hoo-o [4]

The [1] letter that you [5] wrote me made me [4] stop and wonder [4] why
But I [1] guess you felt like you [5] had to set things [4] right [4]
[1] Just remember [5] this, my girl, when you [4] look up in the [4] sky
You can [1] see the stars and [5] still not see the [4] light, that's [4] right

'Cause I'm [1] al-[5]ready [4] gone [4]
And I'm [1] fee-[5]eelin' [4] strong [4]
I will [1] sing [5] this victory [4] song [4]
Woo-hoo-[1]hoo-o, my [5] my, woo-[4]hoo-hoo-o [4]

INSTRUMENTAL

'Cause I'm [1] al-[5]ready [4] gone [4]

I will [1] sing [5] this victory [4] song [4]
Woo-hoo-[1]hoo-o, my [5] my, woo-[4]hoo-hoo-o [4]

Though I [1] know it wasn't [5] you who held me [4] down [4]
Heaven [1] knows it wasn't [5] you who set me [4] free [4]
So [1] often times it [5] happens that we [4] live our lives in [4] chains
And we [1] never even [5] know we have the [4] key [4]

But me I'm [1] al-[5]ready [4] gone [4]
And I'm [1] fee-[5]eelin' [4] strong [4]
I will [1] sing [5] this victory [4] song [4]
Woo-hoo-[1]hoo-o, my [5] my, woo-[4]hoo-hoo-o [4]

Change of key

Yes, I'm [4] al-[1]ready [b7] gone
And I'm [4] fee-[1]eelin' [b7] strong [b7]
I will [4] sing [1] this victory [b7] song [b7], 'cause I'm [4] al-[1]ready [b7] gone [b7]

Some [1-] things in life are [b47] bad
They can [7] really make you [5-] mad,
and [1-] other things just [b47] make you swear and [7] curse [5-].
When you're [1-] chewing on life's [b47] gristle,
don't [7] grumble - give a [5-] whistle
and [b17] this'll help things turn out for the [b47] best - and -

whistle [5-] ... [1-] ... [b47] ...
[7] Always [5-] look on the [1-] light [b47] side of [7] life
whistle [5-] ... [1-] ... [b47] ...

If [1-] life seems jolly [b47] rotten
ther's [7] something you've for [5-] gotten,
and [1-] that's to laugh and [b47] smile and dance and [7] sing [5-].
When you're [1-] feeling in the [b47] dumps, [7] don't be silly [5-] chumps
just [b17] purse your lips and whistle that's the [b47] thing .. and ...

Chorus

For [1-] life is quite ab [b47]surd and [7] death's the final [5-] word;
You must [1-] always face the [b47] curtain with a [7] bow. [5-]
For [1-] get about your [b47] sin; give the [7] audience a [5-] grin
en [b17]joy it; it's your last chance any [b47]how ... and ...

[7] Always [5-] look on the [1-] bright [b47] side of [7] death
whistle [5-] ... [1-] ... [b47] ...
[7] Just be [5-] fore you [1-] take your [b47] terminal [7] breathe.
whistle [5-] ... [1-] ... [b47] ...

[1-] Life's a piece of [b47] shit [7] when you look at [5-] it.
[1-] Life's a laugh and [b47] death's a joke - it's [7] true [5-]
[1-] you see it's all a [b47] show; keep them [7] laughing as you [5-] go.
Just re [b17] member that the last laugh is on [b47] you .. and ...

Am I [17] too blind to [4] see what's been happening to [1] me?

[1] Well, a ship out on the water
Just a [4] speck a-[b3]gainst the [b27]sky
[5] Amelia Earhart's flying out that [1] day
[1] With her partner, Captain Noonan,
on the [4] second [b3] of [b27] July
[5] They fell into the ocean far [1] away

[1] And [b2] there's [b3] a [4] beautiful, [4-] beautiful [1] field
[1] Far away in a land that is [5] fair
Happy [1] landings to you Amelia [4] Ear-[b3]har-[b27]t
Fare-[5]well, first lady of the [1] air

[1] Twenty minutes later
An [4] S-O-S was [b27] heard
[5] The voice that came was weak but sounded [1] brave
[1] In the shark infested waters
Their [4] plane went down that [b27] night
And our [5] heroes fell into a watery [1] grave

[1] And [b2] there's [b3] a [4] beautiful, [4-] beautiful [1] field
[1] Far away in a land that is [5] fair
Happy [1] landings to you Amelia [4] Ear-[b3]har-[b27]t
Fare-[5]well, first lady of the [1] air

[1] Well, now you've heard the story
the [4] awful trage-[b27]dy
we [5] pray that she might fly home safe [1] again
[1] but in years to come though others
blaze a [4] trail across the [b27] sky
we'll [5] ne'er forget Amelia and her [1] plane.

[1] And [b2] there's [b3] a [4] beautiful, [4-] beautiful [1] field

O [1] beautiful for [5] spacious skies,
for [57] amber waves of [1] grain
For purple mountain [5] majesties,

O [1] beautiful for [5] pilgrim feet,
whose [57] stern impassioned [1] stress
A thoroughfare of [5] freedom beat,
a [b2] cross the [b27] wilder [5]ness! [57]
A-[1]merica! A-[5]merica!
God [57] mend thine every [17] flaw
Con [4] firm thy soul in [1] self-control,
Thy [4] liber-[57]ty in [1] law!

O [1] beautiful for [5] heroes proved,
in [57] liberating [1] strife.
Who more than self their [5] country loved,
and [b2] mercy [b27] more than [5] life! [57]
A-[1]merica! A-[5]merica!
May [57] God thy gold re-[17]fine
Till [4] all success be [1] nobleness,

A [4] long, [1] long [2-] time ago, [5-] I can still re-[b7]member how
That [2-] music used to [1] make me smile. [17]
I [4] knew [1] if I [2-] had my chance that [5-] I could make those [b7] people dance
and [2-] maybe they'd be [b7] happy for a [1] while.
But [2-] February [5-] made me shiver, [2-] with every paper [5-] I'd deliver,
[b7] Bad news [4] on the [5-] doorstep, I [b7] couldn't take one [1] more step.
I [4] can't re-[1]member [2-] if I cried when I [5-] read about his [1] widowed bride,
[4] Something [1] touched me [2-] deep inside, the [b7] day, the [17] music, [4] died.

So [4] Bye - [b7] bye, Miss A-[4]merican [1] Pie,
drove my [4] chevy to the [b7] levee but the [4] levee was [1] dry,
Them [4] good ole' [b7] boys were drinkin' [4] whiskey and [1] rye, singin'
[2-] This'll be the day that I [57] die, [2-] this'll be the day that I [1] die. [17]

[4] Did you write the [5-] book of love and do [b7] you have faith in [5-] God above,
[2-] if the Bible [1] tells you so? [17]
Now do [4] you be-[1]lieve in [2-] rock and roll,
can [5-] music save your [b7] mortal soul and
[2-] Can you teach me [57] how to dance real [1] slow?
Well, I [2-] know that you're in [1] love with him,
`cause I [2-] saw you dancing [1] in the gym.
You [b7] both kicked [4] off your [57] shoes, man I [b7] dig those rhythm and [17] blues.
I was a [4] lonely [1] teenage [2-] broncin' buck
with a [5-] pink carnation and a [b7] pick up truck,
but [4] I knew [1] I was [2-] out of luck the [b7] day, the [17] music, [4] died. [b7] [4]

So [4] Bye - [b7] bye, Miss A-[4]merican [1] Pie,
drove my [4] chevy to the [b7] levee but the [4] levee was [1] dry,
Them [4] good ole' [b7] boys were drinkin' [4] whiskey and [1] rye, singin'
[2-] This'll be the day that I [57] die, [2-] this'll be the day that I [1] die. [17]

[4] I met a [1] girl who [2-] sang the blues and I [5-] asked her for some [b7] happy news,
but [2-] she just smiled and [1] turned away. [17]
[4] I went [1] down to the [2-] sacred store where I [5-] heard the music [b7] years before,
but the [2-] man there said the [b7] music wouldn't [1] play.
And [2-] in the streets the [5-] children screamed,
the [2-] lovers cried and the [5-] poets dreamed,
but [b7] not a [4] word was [5-] spoken, the [b7] church bells all were [1] broken.
And the [4] three men [1] I ad-[2-]mire most, the [5-] Father, Son and the [1] Holy Ghost,
they [4] caught the [1] last train [2-] for the coast, the [b7] day, the [5-] mu-[17]sic, [4] died.

[1] And they were singin'....
[4] Bye - [b7] bye, Miss A-[4]merican [1] Pie,
drove my [4] chevy to the [b7] levee but the [4] levee was [1] dry,
Them [4] good ole' [b7] boys were drinkin' [4] whiskey and [1] rye, singin'
[b7] This'll be the [1] day that I [4] die [b7] [4]

[1] Many's [1] the [4] time [1] I've [2-] been [1] mis-[5]tak-[b3]en,
And [6-] many [b37] times con-[6-]fused.
[1] Yes, and I've [4] of-[1]ten [2-] felt [1] for-[5]sa-[b3]ken,
[6-] And cer-[b37]tainly mis-[6-]used.
Oh, but [4] I'm al-[5]right, I'm [4] al-[1]right,
I'm just [4] weary [5] to [b3] my [b37] bones.
[4] Still, you [5] don't expect to be [1] bright and [b2] bon-[5]vivant,
So far [4] a-[1]way [5] from [b3] home,
[2-] So [1] far a-[5]way from [1] home

[1] I don't know [4] a soul [1] whose [2-] not [1] been [5] bat-[b3]tered,
I don't have a [6-] friend who [b37] feels at [6-] ease,
[1] I don't know a [4] dream [1] that's [2-] not [1] been [5] shat-[b3]tered,
Or [6-] driven [b37] to its [6-] knees.
Oh, but It's [4] al-[5]right, It's [4] al-[1]right,
For we [4] lived [5] so [b3] well so [b37] long.
[4] Still [5] when I think of the [1] road [5] we're [b2] traveling [5] on,
I [4] wonder [1] what's [5] gone [b3] wrong.
I [2-] can't help but [1] wonder [5] what's gone [1] wrong

And I [1] dream I was dying,
I dreamed that my [5] soul rose unex-[6-]pectedly,
And [5] looking back [4] down at [1] me smiled reas-[5]suringly.
And I [1] dreamed I was flying,
And high up above [5] my eyes could [6-] clearly see
The Statue of [5] Liberty, [4] sailing a-[1]way to [5] sea,
And I dreamed I was [1] flying.

We come on the [4] ship [1] they [2-] call [1] the May-[5]flow-[b3]er,
We come on the [6-] ship that [b37] sailed the [6-] moon.
[1] We come in the [4] a-[1]ge's [2-] most [1] unc-[5]certain [6-] hours,
And sing an [b37] American [6-] Tune.
Oh, and it's [4] al-[5]right, it's [4] al-[1]right,
You can't [4] be for-[5]ev-[b3]er [b37] blessed.
[4] Still to-[5]morrow's gonna be a-[1]noth-[5]er [b2] working [5] day,
And I'm [4] trying to [1] get [5] some [b3] rest,
[2-] That's all I'm [1] trying, to [5] get some [1] rest.

The [5] scribble so [57] familiar, was my mother's feeble [1] hand

Dear [57] Danny it's so lonely now among the Wicklow [1] Hills

I re-[1]live that moments joy
Those [4] same old Wicklow mountains
Where you [1] rambled as a [57] boy
Your [1] photo as a child
That pictures by your bedside [4] sill
And each [57] night I pray that you'll come back home

When in summer you would [4] stroll
Down [5] where the [57] crystal mountain streams meets
To the Slaney [1] waters roll

Do you recall a young companion
Who talks about you [4] still
And [57] you know who she's waiting for

[17] [17] [17] [17] [17] [17] [17] [17]
Yeah, here comes Amos!

[17] Now Amos Moses was a Cajun. He [b27] lived by himself in the swamp.
He [47] hunted alligator for a living,
he'd just knock them in the head with a [47] stump.
The [17] Louisiana law gonna get you, Amos. [17]
It ain't legal hunting alligator down in the swamp, boy. [17]

[17] Now everyone blamed his old man, for [b27] making him mean as a snake.
When [47] Amos Moses was a boy,
his daddy would use him for alligator [47] bait.
Tie a [17] rope around his waist and throw him in the swamp. [17]
Alligator bait in the Louisiana bayou. [17]

About [57] forty-five minutes south-[47]east of Thibodaux, [17] Louisiana,
lived a [57] man called Doc Mill-[47]sap and his pretty wife [17] Hannah.
Well, they [57] raised up a son that could [b3] eat up his weight in [47] groceries.
Named him after a man of the cloth,
called him Amos [17] Moses. [17]

[17] Now the folks around south Louisiana said [b27] Amos was a hell of a man.
He could [47] trap the biggest, the meanest alligator,
and just use one [47] hand.
That's [17] all he's got left 'cause the alligator bit it. [17]
Left arm gone clear up to the elbow. [17]

[17] Well, the sheriff caught wind that Amos
was in the [b27] swamp trapping alligator skin.
So he [47] snuck in the swamp gonna get the boy,
but he never come out again. [47]
Well I [17] wonder where the Louisiana sheriff went to? [17]
Well, you can sure get lost in the Louisiana bayou. [17]

About [57] forty-five minutes south-[47]east of Thibodaux, [17] Louisiana,
lived a [57] cat called Doc Mill-[47]sap and his pretty wife [17] Hannah.
Well, they [57] raised up a son that could [b3] eat up his weight in [47] groceries.
Named him after a man of the cloth, called him Amos [17] Moses. [17]

Set out on 'em Amos! Make it count son!
About [57] forty-five minutes south-[47]east of Thibodaux, [17] Louisiana,
lived a [57] man called Doc Mill-[47]sap and his pretty wife [17] Hannah.
Well, they [57] raised up a son that could [b3] eat up his weight in [47] groceries.

First verse spoken

[5] "Y'know, be-[1]fore I was a [57] sergeant at Dock [b67] Green
I [1] was an [57] ordinary [2-] copper [b2]
And [2-] now I'd like to finish with our theme [b27] song [57] just to remind [2-] me, and you
Of those happy [2-] days [57] when I was on the [1] beat" [2-]

[5] I'm an [1] ordinary [57] copper who's pa-[1]trolling his beat
A-[1]round [57] Dock [2-] Green [b2]
[2-] 'Hello, Mister [57] Dixon!' shout the [2-] kids in the [5-7] street
A-[2-]round [57] Dock [17] Green [b27]
The [1-7] C.I.D. are [5-] always in the [b67] headlines
But [2-] I prefer the ordinary [57] scene
As an [1] ordinary copper [57] who's pa-[1]trolling his [b67] beat
A-[2-]round [57] Dock [1] Green [57]

Now [1] I've been in the [57] police force for a long [1] time
More [1] years than I [57] care to think a-[1]bout
[2-] Sergeants come and [b7-7] go and inspectors [b37] come and [6-] go
But [2-] I'll stay on until they kick me [57] out
I [4] like the [b67] people I meet every-[2-]day
As I go [b27] quietly whistling on my [5-7] way [57]

[2-] Oh, the [5] water [6-]
Hope it don't rain all day [5]

And the [1] rain let up, and the [5] sun came up, and [4] we were getting [1] dry
[1] Almost let a [5] pickup truck [4] nearly pass us [1] by
So we [1] jumped right in and the [5] driver grinned
And he [4] dropped us up the [1] road
And we [1] looked at the swim, and we [5] jumped right in
Not to [4] mention fishing [1] poles

[2-] Oh, the [5] water

[1] Just give me [b7] one thing that [4] I can hold [1] on to.
[1] To believe in this [4] living is just a [5] hard way to [1] go. [4] [1] [4]

[1] There's flies in the [4] kitchen, [1] I can [4] hear all their buzzin',
[1] but I ain't done [4] nothin' since I [5] woke up to-[1]day.
[1] But how the hell can a [4] person [1] go to work in the [4] mornin,
[1] come home in the [4] evenin' and have nothin' [5] to say? [1]

[1] Make me an [b7] angel that [4] flies from Mont-[1]gomery.
[1] Make me a [b7] poster of [4] an old rode-[1]o.
[1] Just give me [b7] one thing that [4] I can hold [1] on to.

[1] I sit and wait
Does an angel contem-[4]plate my fate? [5]
And do they know
[1] the places where we go
When we're grey and [4] old? [5]
'Cos I have been [2-] told
That sal-[4]vation lets their [b6-7] wings unfold [4]
So when I'm [b7] lying in my bed
Thoughts [4] running through my head
And I [1] feel that love is dead

[1] You can't mix [57] angels [4] and alco-[1]hol
I don't think [57] God meant for [4] them to get a-[1]long
When it [57] takes control you can't [4] love the one [1] gone
You can't mix [57] angels [4] and alco-[1]hol

You can't blend [57] whiskey [4] with a good woman's [1] love

You think you can [57] handle how it [4] feels or what it [1] does

[b1-7] You live your life in the songs you hear on the rock and roll radio,
And when a young girl doesn't have any friends that's a really nice place to go.

[b4-7] Folks hopin' [77] you'd turn out cool,
[3maj7] But they had to take you [6maj7] out of school.
[b4-7] You're a little touched, you [b57] know, Angie [b1-7] Baby.

[b1-7] Lovers appear in your room each night and they whirl you 'cross the floor,
But they always seem to fade away when your daddy taps on your door.
[b4-7] Angie Girl, [77] are you all right?
[3maj7] Tell the radio [6maj7] good-night.
[b4-7] All alone once [b57] more, Angie [b1-7] Baby.

[77] Angie [3maj7] Baby, you're a [b4-7] spe-[77]cial [3maj7] lady
[6] Livin' in a [7] world of make [6maj7] believe, [b1-7] well, maybe.

[b1-7] Stoppin' at her house is a neighbour boy with evil on his mind,
Cause he's been peekin' in Angie's room at night through her window blind.

[b4-7] "I see your folks have [77] gone away.
[3maj7] Would you dance with me [6maj7]today?
[b4-7] I'll show you how to have a good [b57] time, Angie [b1-7] Baby. "

[b1-7] When he walks in her room, he feels confused like he walked into a play,
And the music's so loud it spins him around till his soul has lost its way.

[b4-7] And as she turns the [77] volume down,
[3maj7] He's getting smaller with the [6maj7] sound;
[b4-7] It seems to pull him off the [77] ground.
[3maj7] Toward the radio [6maj7] he's bound, [b1-7] never to be found.

[b1-7] The headlines read that a boy disappeared, now everyone thinks he died.
'Cept the crazy girl with the secret lover who keep her satisfied
[b4-7] It s so nice to be [77] insane; [3maj7] no one asks her to [6maj7] explain
[b4-7] Radio by her side, Angie [b1-7] Baby
[77] Angie [3maj7] Baby, you're a [b4-7] spe-[77]cial [3maj7] lady
[6] Livin' in a [7] world of make [6maj7] bel.. ie.. ve,

[b1-7] well, maybe.

[1-] Anna's in the churchyard she got [6] no life at all
[b57] She only got these words on a [1-] stone

We [6] cannot have all things to [3] please us
No [7] matter how we [1-] try
Until [6] we've all gone to [3] Jesus
We can [7] only wonder [1-] why [6] [7] [1-]

[1] [57] (Christmas), [1] [57] (Christmas).

[1] Light the lights, ring the chimes, come on in; it's [4] party time.
[57] Raise a glass for auld lang syne, come on, rock it up for [1] all mankind.
It's [1] good to see friends I know, kissing under the [4] mistletoe.
I [57] love to hear the children sing, it looks like Santa's gonna bring...

Another [1] Rock 'N' Roll [6-] Christmas, another [4] Christmas Rock 'N' [57] Roll.
[4] Presents hanging from the tree,
You'll [57] never guess what you've got from me!
Another [1] Rock 'N' Roll [6-] Christmas, another [4] Christmas Rock 'N' [57] Roll.
We [4] better hold each other tight; you [57] never know, it might snow tonight.

[1] Guys and girls, stay up late, so excited [4] they can't wait.
[57] Let there be peace on Earth; come on, Rock 'N' Roll for [1] all your worth.
[1] We're gonna laugh, we're gonna sing, we're gonna make the [4] rafters ring.
I'll [57] pull my cracker, let me be, the silver star upon your tree.

Another [1] Rock 'N' Roll [6-] Christmas, another [4] Christmas Rock 'N' [57] Roll.
[4] All dressed up, so here we go, do [57] I hear sleigh bells in the snow?
Another [1] Rock 'N' Roll [6-] Christmas, another [4] Christmas Rock 'N' [57] Roll.
To- [4] night old Santa never, ever stops; he [57] bops above the chimney tops.

You'll be [6-] rocking, in your stocking,
When you [5] see your big su- [57]prise.
'Cos I'll be [6-] rocking, in your stocking,
You [5] won't believe your [57] big blue eyes

[1] Come on in and join the fun; it's Christmas time for [4] everyone.
[57] May your days be merry and bright,
'Cos there ain't gonna be no [1] silent night!
[1] See the stars, glittering, soon they're gonna see the [4] new year in.
[57] No-one's looking, kiss me quick; come on, Rock 'N' Roll for old Saint Nick.

Another [1] Rock 'N' Roll [6-] Christmas, another [4] Christmas Rock 'N' [57] Roll.
[4] Presents hanging from the tree, you'll [57] never guess what you've got from me!
Another [1] Rock 'N' Roll [6-] Christmas, another [4] Christmas Rock 'N' [57] Roll.
We [4] better hold each other tight; you [57] never know, it might snow tonight.

[4] Just a week or two ago my poor old Uncle Bill
[1] Went and kicked the bucket and he [b7] left me in his Will
The [17] other day I popped around to see poor Auntie Jane
[57] Aunty said your Uncle has left to [1] you an old watch and chain
I [4] put it on - right a-[b7] cross me [4] vest
Thought I [b7] looked a dan-[57]dy as [1] it dangled on me chest
Just to flash it off I started walking round about
The [1] kids all run a-[5]ter me me and all began to [1] shout

Any old [4] iron, any old iron

[5] You look sweet, [1] talk about a treat
[5] You look dapper from your [1] napper to your feet
Well, you're [4] dressed in style
[4] With a brand new smile
[4] Your father's old green [1] tie on
Well, I [2-] wouldn't give you tuppence for your [4] old watch chain
[4] Old iron, [4] Old [1] ir-[4]on

[4] Shan't forget when I got married to Selena Brown
The [1] way that people laughed at me it [b7] made me feel a clown
I began to [1] wonder when their dials began to crack
If [57] by mistake I'd got my Sunday [1] trousers front to back
[4] I wore my chain on me [b7] Darby-[4]kel
The [b7] sun was shining on it and [57] made me look a [1] swell
The organ started playing and the bells began to ring
Me [1] chain be-[5]gan to rattle so the choir began to [1] sing

Any old [4] iron, any old iron
[4] Any, any, any old [b7] iron
[5] You look sweet, [1] talk about a treat

[4] I went to the city once and I thought I'd have a spree
[1] The Mayor of London he was there that's who I came to see
[4] He dashed up at a canter in a carriage and a pair
I [1] shouted Holler boys and threw my hat up in the air
[4] Just then the Mayor he began to smile
[b7] Saw my face and then he shouted Lummy what a dial
[4] Started Lord Mayoring an' I thought that I should die
When [1] pointing to my watch and chain and he hollered to me Hi

Any old [4] iron, any old iron
[4] Any, any, any old [b7] iron

Well, I [2-] wouldn't give you tuppence for your [4] old watch chain
[4] Old iron, [4] Old [1] ir-[4]on

[4] Just to have a little bit of fun the other day
[1] Made up in my watch and chain I went and drew my pay
[4] Then got out with a lot of other colonels on the loose
I [1] got full right up to here in fourp'ny stagger juice
[4] One of them said we want a pot of ale
[b7] Run him to the rag shop and we'll bung him on the scale
[4] I heard the fellow say what's in this bundle that you've got
Then [1] whisper to me kindly do you want to lose your lot

Any old [4] iron, any old iron
[4] Any, any, any old [b7] iron

[b2] Funny how I [b6] feel, more myself with [5] you,
than anybody [b2] else that I [b6] ever [b2] knew
[b2] I hear it in your [b6] voice , I see it in your [5] face,
You've become the [b6] memory, I [b7-] can't erase.

[b7-] You could have been [5] an-y-one at [b2] all
A [b4-] stranger [b4] falling [b7-] out of the blue
[b3] I'm so glad it [b6] was you

[b2] It wasn't in the [b6] plan, not that I could [5] see,
Suddenly a [b2] miracle [b6] came to [b2] me
[b2] Safe within [b6] your arms I can say what's [5] true,
Nothing in the [b6] world I would [b4-] keep from [b7-] you

[b7-] You could have been [5] an-y-one at [b2] all
An [b4-] old friend [b4] calling [b7-] out of the blue
[b3] I'm so glad it was [b6] you

Words can [5] hurt you if you [b4-] let them
People [3-] say them [b6] and for-[b2]get them
Words can [5-] promise, [1] words [4] can lie
But [5-] your words make me feel like I can [6-] fly

[2-] You could have been [b7] anyone at [4] all
A [6-] net that catches [2-] me when I fall
[5-] I'm so [5] glad it was [1] you

You [2-] could have been [b7] anyone at [4] all

[1] Dead grass, [5] dry roots,
[1] hunger crying [4] in the night
[1] Ghost of broken [5] hearts and laws are [1] here [5]
And [1] who saw the [5] young squaw
they [1] judged by their [4] whiskey law

[1] The lights shine [5] down the valley
[1] The wind blows [4] up the alley
[1] Oh and how I wish I was
[5] Lying in the arms of [1] Mary

She took the [5] pains of boyhood
[1] And turned them [4] into feel good
[1] Oh and how I wish was
[5] Lying in the arms of [1] Mary

Mary was the [3-] girl who taught me
All I [6-] had to know
She put me [4] right on my first mis[5]take
Summer wasn't [3-] gone when I'd learned
All she [6-] had to show
She really [4] gave all a boy could [5] take [57]

[1] So now when [5] I feel lonely
[1] Still looking for the [4] one and only
[1] That's when I wish I was
[57] Lying in the arms of [1] Mary

Intro: [1] [6-] [1]

[1] All I wanted was a [5] home and a [6-] roof over our [1] heads
[2-] Somewhere we could [4] call our own
Feel [1] safer in our [4] beds
[1] There was a storm of money [5] raining down
It [4] only touched the [1] ground
With a [5] loan I took I [4] can't repay and the crock of [5] gold you [1] found

[6-] At every [4] trough you stopped to [1] feed
With your [2-] Arrogance, your [4] Ignorance and [1] Greed.

[1] I never was a [5] cautious man , I [4] spend more than I'm [1] paid
But [5] those with something [4] put aside are the [1] ones that you be [4]trayed

With your [1] bonuses and expenses you [4] shovelled down your [1] throat
Now you bit the hand that [6-] fed you, dear [4] God I hope you [1] choke

[6-] At every [4] trough you stopped to [1] feed
With your [2-] Arrogance, your [4] Ignorance and [1] Greed.

[6-] You're on your [4] yacht, we're on our [1] knees
Through your [2-] Arrogance, your [4] Ignorance and [1] Greed.

[4] Toxics bring you tact and soul, [5] poisoned every watering hole
Your [6-] probity, you ex [4]changed for [5] gold

[1] Working man stands in line, the [6-] market sets his [1] price
No [2-] feather bed, no [1] golden egg, no one pays him [6-] twice [4]
So where's your [1] thrift and your [5] caution, your [1] honest sound advice
You know you've dealt yourself a [1] winning hand and [4] loaded every [1] dice

[6-] At every [4] trough you stopped to [1] feed
With your [2-] Arrogance, your [4] Ignorance and [1] Greed.

[6-] I pray one [4] day we'll soon be [1] free from your [2-] absolute in [4]difference
Your [2-] avarice, in [4]competence
Your [2-] Arrogance, your [4] Ignorance and your [1] Greed.

I [5] learned the truth at seventeen
That [6-] love was meant for beauty queens
and [b27] high school girls with clear skinned smiles
who [5] married young and then retired
The [5] valentines I never knew,
the [6-] friday nights, charades of youth
were [b27] spent on one more beautiful
At [5] seventeen I learned the truth

And [b7] those of us with ravaged faces,
[6-] lacking in the [b27] social graces
[5-7] Desp'ratly re-[1-7]mained at home
[5-7] inventing lovers [1-7] on the phone
Who [b3] called and say "come [b27] dance with me"
and [5-7] murmured vague ob-[1-7]scenities
[b6-7] It isn't all it seems at [b27] seventeen

A [5] brown eyed girl in hand-me-downs,
whose [6-] name I never could pronounce said
"[b27] Pity, please, the ones who serve,
they [5] only get what they deserve.
The [5] rich relationed home-town queen [6-] marries into what she needs
A [b27] guarantee of company and [5] haven for the elderly"

Re[b7] member those who win the game, [b6-7] lose the love they [b27] sought to gain
In [5-7] debentures of [1-7] quality and [5-7] dubious in-[1-7]tegrity
Their [b3] small town eyes will [b27] gape at you in [5-7] dull surprise when [17] payment due
[b6-7] exceeds accounts received at [b27] seventeen

To [5] those of us who know the pain of [6-] valentines that never came,
and [b27] those whose name were never called when [5] choosing side at basketball
It [5] was long ago and far away The [6-] world was younger than today
and [b27] dreams were all they gave for free to [5] ugly duckling girls like me

We all [b7] play the game and when we dare to [b6-7] cheat ourselves at [b27] solitaire
In-[5-7]venting lovers [1-7] on the phone, re-[5-7]penting other [1-7] lives unknown

The [1add9] valen-[1]tines I [1maj7] never [1] knew,

At [1add9] seven-[1]teen I [1maj7] learned the [1] truth
[1add9] [1] [1maj7] [1]
And [b3] those of us with [b3sus4] ravaged faces,
[2-] lacking in the [57] social graces
[1-] Desperately re-[4-]mained at home
[1-] inventing lovers [4-] on the phone
Who [b6maj7] called and say "come [57] dance with me"
and [1-7] murmured vague ob-[4-]scenities
[b2-7] It isn't all it seems at [57] seventeen [57sus4] [57]

A [1add9] brown-eyed [1] girl in [1maj7] hand-me-[1]downs,
whose [2-] name I never [b6aug] could pro-[2-]nounce

The [1add9] rich-[1]relationed [1maj7] home-town [1] queen

With a [57] guarantee of [57sus4] compa-[57]ny

Re-[b3]member those who [b3sus4] win the [b3] game,
[2-] lose the love they [57] sought to gain
In [1-] debentures of [4-] quality and [1-] dubious in-[4-]tegrity
Their [b6maj7] small-town eyes will [57] gape at you
in [1-] dull surprise when [4-] payment due
[b2-7] exceeds accounts received at [57] seventeen [57sus4] [57]
[1add9] [1] [1maj7] [1] x2

To [1add9] those of [1] us who [1maj7] knew the [1] pain
of [2-] valentines that [b6aug] never [2-] came,

when [1add9] choosing [1] sides for [1maj7] basket-[1]ball
[1add9] [1] [1maj7] [1]
It was [1add9] long [1] ago and [1maj7] far a-[1]way
The [2-] world was younger [b6aug] than [b2-7] today
and [57] dreams were all they [57sus4] gave for [57] free
[1add9] to ugly [1] duckling [1maj7] girls like [16] me [1add9] [1] [1maj7] [1]

We all [b3] play the game and [b3sus4] when we [b3] dare
to [2-] cheat ourselves at [57] solitaire
In-[1-]venting lovers [4-] on the phone,
re-[1-]penting other [4-] lives unknown
that [b6maj7] call and say "Come [57] dance with me", and [1-] murmur vague ob-[4-]scenities

Are we an [1] item? Girl quit playing
We're [6-] just friends, what are you saying?
Said there's a- [4] nother, look right in my eyes
My first [5] love broke my heart for the first time,

[1] When I was 13, I had my first love
[6-] There was nobody that compared to my baby
And nobody came between us, nor could ever come above
[4] She had me goin' crazy
Oh, I was starstruck
[5] She woke me up daily
Don't need no Starbucks (woo)

[1] She made my heart pound
And skip a beat when I see her in the street and
[6-] At school on the playground
But I really wanna see her on the weekend
[4] She knows she got me dazin'
'Cause she was so amazin'
[5] And now, my heart is breakin'
But I just keep on sayin'

CHORUS

You the [b3-7] only one I care enough to [4] hurt about
[2-] Maybe I'm-a crazy
But I [5] just can't live without...

Your [1] lovin' and affection
[2-] Givin' me direction
Like a [b3-7] guiding light to help me through a [4] darkest hour
[2-] Lately I'm a-prayin'
That you'll [5] always be a-stayin' beside [1] me

[b3-7] Used to be my life was just emotions [1] passing [4] by
[b3-7] Feeling all the while and never really [1] knowing [4] why...

INSTRUMENTAL

[1] Baby, I'm-a want you
[2-] Baby, I'm-a need you
You the [b3-7] only one I care enough to [4] hurt about

[2-] Lately I'm a-prayin'
That you'll [5] always be a-stayin' beside [1] me.

[b3-7] Used to be my life was just emotions [1] passing [4] by
[b3-7] Then you came along and made me laugh
And [1] made me [4] cry...
[5] You taught [b3-7] me [4] why...

[1] Baby, I'm-a want you
[2-] Baby, I'm-a need you [b3-7]
Oh, it [4] took so long to find you, baby
[1] Baby, I'm-a want you
[2-] Baby, I'm-a need you [b3-7] [4]

[1] I really can't [1maj7] stay
. ([1maj7] But baby it's [1] cold out-[1maj7]side)
I've [2-] got to go a-[57]way
. ([57]But baby it's [2-] cold out-[57]side)
The [1] evening has [1maj7] been
. ([1maj7] Been hoping that [1] you'd drop in)
So very [5-7] nice
. ([5-7] I'll hold your [17] hands, they're just like ice)

My [4] mother will start worry
. ([17] Beautiful what's your [4] hurry?)
And [47] father will be pacing the floor
. ([47] Listen to the fireplace [1] roar)
So [1] really I'd better scurry
. ([1] Beautiful please don't [b77] hurry)
But [2-] maybe just a half a drink [b77] more
. ([b77] Put some records on [5] while I [1] pour)

The [1] neighbors might [1maj7] think
. ([1maj7] Baby it's [1] bad out [1maj7] there)
Say, [2-] what's in this [57] drink?
. ([57] No cabs to be [2-] had out [57] there)
I [1] wish I knew [1maj7] how
. ([1maj7] Your eyes are like [1] starlight now)
To break the [5-7] spell
. ([5-7] I'll take your hat, your [17] hair looks swell)
I [4] ought to say, "No, no, no sir"
. ([4] Mind if I move in closer?)

At [4-] least I'm gonna say that I [57] tried
. ([57] What's the sense in hurtin' my pride?)
I [1] really can't [b77] stay
. ([b77] Baby don't [b67] hold out)
Ah, but it's [b27] cold [57] out-[1] side

I [1] simply must [1maj7] go
. ([1maj7] Baby, it's [1] cold out-[1maj7]side)
The [2-] answer is [57] no
. ([57] Ooh darling, it's [2-] cold [57] outside)
[1] This [1maj7] welcome [1] has been
. ([1] I'm lucky that you dropped in)
So nice and [5-7] warm
. ([5-7] Look out the [17] window at that storm)

My [4] sister will be sus-picious
. ([4] Man, your lips look delicious)
My [4-] brother will be there at the door
. ([4-] Waves upon a tropical shore
My [1] maiden aunt's mind is vicious
. ([1] Gosh your lips are delicious)
Well [2-] maybe just a half a drink [5] more
. ([5] Never such a blizzard before)

I've [1] got to go [1maj7] home
. ([1maj7] Oh, baby, you'll [1] freeze out [1maj7] there)
Say, [2-] lend me your [57] coat
. ([57] It's up to your [2-] knees out [57] there)
You've [1] really been [1maj7] grand
. ([1maj7] I thrill when you [1] touch my hand)
But don't you [5-7] see?
. ([5-7] How can you [17] do this thing to me?)

There's [4] bound to be talk to-morrow
. ([4] Think of my life long sorrow)
At [4-] least there will be plenty [57] implied
. ([57] If you caught pneumonia and died)
I [1] really can't [b77] stay
. ([b77] Get over that [b67] hold out)
Ahh, but it's [b27] cold [57] out-[1]side

Bachelor Boy

Cliff Richard - https://www.youtube.com/watch?v=rpLZVb56cVA

[1] When I was young my [4] father said,
[5] 'Son, I have something to [1] say.'
And what he told me I'll [4] never forget
un-[5]til my dying [1] day. He said:

[1] 'Son, you are a [4] bachelor boy,
and [5] that's the way to [1] stay.
Son, you'll be a [4] bachelor boy
un-[5]til your dying [1] day.'

[1] When I was sixteen I [4] fell in love
with a [5] girl as sweet as [1] can be.
But I remembered [4] just in time,
what [5] daddy said to [1] me. He said :

[1] 'Son, you are a [4] bachelor boy,
and [5] that's the way to [1] stay.
Son, you'll be a [4] bachelor boy
un-[5]til your dying [1] day.'

[1] As time goes by I [4] probably will
meet a [5] girl and fall in [1] love.
[1] Then I'll get married,
have a [4] wife and a child,
and [5] they'll be my turtle [1] doves.

[1] But until then I'll be a [4] bachelor boy,
[5] that's the way I'll [1] stay,
happy to be a [4] bachelor boy,
un-[5]til my dying [1] day, Yeah

[1] I'll be a [4] bachelor boy,
[5] that's the way I'll [1] stay.
Happy to be a [4] bachelor boy,
un-[5]til my dying [1] day.

There's a [1] storm across the [17] valley, [4] clouds are rollin' in
the [57] afternoon is heavy on your [1] shoulders.
There's a [1] truck out on the [17] four lane, a [4] mile or more away
the [57] whinin' of his wheels just makes it [1] colder.

He's an [1] hour away from [17] ridin' on your [4] prayers up in the sky

There's a [1] fire softly [17] burning; [4] supper's on the stove

[4] Hey, it's good to [57] be back home a-[1]gain [17]

Yes, 'n, [57] hey it's good to be back home [1] again

the [4] kisses that I [57] live for; the [1] love that lights my way [4] ;
the [2-] happiness that [4] livin' with you [57] brings me.

It's the [1] sweetest thing I [17] know of, just [4] spending time with you
It's the [57] little things that make a house a [1] home.
Like a [1] fire softly [17] burning and [4] supper on the stove.

She's driving [1] back to Nova Scotia with [4] every note that he [1] wrote her
Riding [6-] shotgun under the [4] prairie skies [1] [5]
She said [1] goodbye Manitoba and [4] all the friends that [1] told her
It's [6-] alright to lose your [4] self in love sometimes [1]
See [2-] every heart she'd held before with [6-] one foot already out the door
But [1] this time he caught her in the [4] hallway and he said

I just [5] spent the [4] whole night thinking about my [1] whole life
Thinking how I [5] can't find a reason to [6-] stay
And there's nothing left to [2-] say, life got in the way [5] [57]

Now he's on the [1] next plane back to Sydney a [4] tired heart shaking within [1] to see
That [6-] California [4] coastline fade [1] [5]
But he figures every [1] ticket costs the same to a place you can't go
[4] No use changing the [1] hearts you won't know
and a [6-] fifteen hour plane's a [4] good way to slowly [1] grow with the choices we've made [5]
See [2-] every heart he'd held before with [6-] one foot just about to board
But this [1] time she caught him on the [4] runway and she said

I just [5] spent the [4] whole night thinking about my [1] whole life
Thinking how I [5] can't find a reason to [6-] stay
And there's nothing left to [2-] say, life got in the [5] way
and it's life that spins us

[1] Round and round like you're never going to see her [6-] again
Round and round so don't ever get [6-] used to a
[4] face or a name cause they've fallen in between all
The [1] places that you came from and everything you wanted to be
[1] Round and round like the world's getting smaller
But the [6-] higher you fly then the harder that you fall for her
[4] Round and round like the wheels wont stop
And you [1] find yourself living as [5] somebody that you're not
And [2-] someday you'll see what you've been [5] trying to find
Lies in [2-] somebody you tried leaving behind [5] [57]

So if you're [1] back in Nova Scotia, and [4] I'm on the next bus [1] over the border
or I'll [6-] go by water or what [4] ever it takes [1] [5]
Cause all the [1] time I only wanted to hold you and there's [4] things I never [1] told you
So please just [6-] listen while I try to say it [1] straight

We could [5] spend our [4] whole life thinking about this [1] one night
Thinking that [5] maybe we're both [6-] insane
But who's to say what's [4] right and who's to know [1] what lies ahead
All I [5] know is that these feelings won't change [6-]
And there's nothing left to [2-] say, we were both born to [5] stray
But life got in the [1] way

I woke [47] up this mornin', couldn't even get out of my [17] door
Enough [57] trouble to make a poor woman [47] wonder where she's gonna [17] go

I packed up [57] all of my clothes, throwed them [47] in,

Well it [17] thundered and lightnin'd, and the [47] winds began to [17] blow
Said it [47] thundered and lightnin'd, and the winds began to [17] blow
There was [57] thousands of people, ain't [47] got no place to [17] go

And he [6-] asks you where you've been, you [1] tell him who you've seen
And you talk [5] about anything

[1] Dream on, dream on, [4] teenage [1] queen,
[4] prettiest [1] girl we've [5] ever [1] seen.

[1] There's a story [4] in our [1] town of the prettiest [5] girl a- [1]round.
Golden hair and [4] eyes of [1] blue, how those eyes could [5] flash at [1] you.
How those eyes could [5] flash at [1] you.

[4] Boys hung around her [1] by the score,
but she loved the [5] boy next [1] door, who worked at the [5] candy [1] store.
[1] Dream on, dream on, [4] teenage [1] queen,
[4] prettiest [1] girl we've [5] ever [1] seen.

[1] She was tops in [4] all they [1] said, it never once went [5] to her [1] head.
She had ev'ry [4] thing, it [1] seemed, not a care, this [5] teenage [1] queen.
Not a care, this [5] teenage [1] queen.

[4] Other boys could [1] offer more,
but she loved the [5] boy next [1] door, who worked at the [5] candy [1] store.
[1] Dream on, dream on, [4] teenage [1] queen,
[4] you should [1] be a [5] movie [1] queen.

[1] He would marry [4] her next [1] spring, saved his money and [5] bought a [1] ring.
Then one day a [4] movie [1] scout came to town to [5] take her [1] out.
Came to town to [5] take her [1] out.

[4] Hollywood could [1] offer more,
so she left the [5] boy next [1] door, workin' at the [5] candy [1] store.
[1] Dream on, dream on, [4] teenage [1] queen,
[4] see you [1] on the [5] movie [1] screen.

[1] Very soon she [4] was a [1] star, pretty house and [5] shiny [1] cars.
Swimming pool and a [4] fence a- [1] ound,
but she missed her [5] old home- [1]town.
But she missed her [5] old home- [1]town.

[4] All the world was [1] at her door,
all except the [5] boy next [1] door, who worked at the [5] candy [1] store.
[1] Dream on, dream on, [4] teenage [1] queen,
[4] saddest [1] girl we've [5] ever [1] seen.

[1] Then one day the [4] teenage [1] star sold her house and [5] all her [1] cars.
Gave up all her [4] wealth and [1] fame, left it all and [5] caught a [1] train.
Left it all and [5] caught a [1] train.

[4] Do I have to [1] tell you more ?
She came back to the [5] boy next [1] door, who worked at the [5] candy [1] store.
[1] Now this story [4] has some [1] more, you'll [4] hear it [1] all at the [5] candy [1] store.

[5]/// [1]//

I tell the tale of a [4] jealous [5] male and a [4] maid of
Sweet [5] six-[1]teen,
She was blonde and dumb and she [4] lived with her [5] mum
On the [4] fringe of Beth-[5]nal [1] Green.
She [b2] worked all week for a rich old Greek
For her [1] dad was on the [5] dole,
And her [1] one delight was a [4] Friday [5] night
When she [4] had a little rock [5] and [1] roll.

To my rit-fal-lal, to my [4] titty-fal-[5]lal,
To my [4] itty-bitty-fal-[5]dal-[1]day. (repeat)

Then [1] one fine day in the [4] month of [5] May
she [4] found her Big [5] ro-[1]mance.
He was dark and sleek with a [4] scar on his [5] cheek
and a [4] pair of drain-[5]pipe [1] pants.
And she [b2] thought, "With you, I could be so true through all the years to [5] come."
For she [1] loved the gay ab-[4]andoned [5] way
He [4] chewed his chew-[5]ing [1] gum.

To my rit-fal-lal, to my [4] titty-fal-[5]lal,
To my [4] itty-bitty-fal-[5]dal-[1]day. (repeat)

It started well be-[4]-cause he [5] fell for [4] all her girlish [1] charms
But he had some doubt when he [4] caught her [5] out
In [4] someone els-[5]e's [1] arms.
He [b2] said, "Look here, you know, my dear, this is [1] going a bit too [5] far."
Then he [1] went quite white and he [4] sloshed her [5] right
In the [4] middle of her cha-[5]cha-[1]cha.

He went before a [4] man of the [5] law who [4] said, "This will [5] not [1] do!
I've had enough of the [4] sort of [5] stuff I [4] get from
The likes [5] of [1] you!"
And [b2] was she peeved when he received a [1] longish term in [5] clink?
In a [1] fit of pique, she [4] married the [5] Greek
and [4] now she's dressed [5] in [1] mink!

To my rit-fal-lal, to my [4] titty-fal-[5]lal, to my [4] itty-bitty-fal-[5]dal-[1]day. (repeat)

[1] Bonnie and Clyde were [4] pretty lookin' [57] people
But [4] I can tell you [57] people, they were the [4] devil's [1] children,
[1] Bonnie and Clyde be-[4]gan their evil [57] doin'
One [4] lazy after-[57]noon down Sa-[4]vannah [1] way,
They [1] robbed a store, and [4] high-tailed outa that [1] town
Got [4] clean away in a [1] stolen [b67] car,
And [b27] waited till the [57] heat died [1] down

[1] Bonnie and Clyde ad-[4]vanced their repu-[57]tation
And [4] made the gradu-[57]ation
Into the [4] banking [1] business.
" [1] Reach for the sky" sweet [4] talking Clyde would [57] holler
As [4] Bonnie loaded [57] dollars into the [4] dewlap [1] bag,
Now [1] one brave man - he [4] tried to take 'em a-[1]lone
They [4] left him lyin' in a [1] pool of [b67] blood,
And [b27] laughed about it [57] all the way [1] home.

[1] Bonnie and Clyde ad-[4]vanced their repu-[57]tation

" [1] Reach for the sky" sweet [4] talking Clyde would [57] holler
As [4] Bonnie loaded [57] dollars into the [4] dewlap [1] bag,

[1] Bonnie and Clyde got to [4] be public enemy [57] number [1] one
[1] Running and hiding from [47] ev'ry American [57] lawman's [1] gun.
[b67] They used to laugh about [b27] dyin',
[57] But deep inside 'em they [1] knew
[b67] That pretty soon they'd be [b27] lyin'
[57] Beneath the ground together
[17] Pushing up daisies to [4] welcome the sun and the [57] morning [1] dew.

[1] Acting upon re-[4]liable infor-[57]mation
A [4] fed'ral dep-[57]tation laid a [4] deadly [1] ambush.
[1] When Bonnie and Clyde came [4] walking in the [57] sunshine
A [4] half a dozen [57] carbines opened [4] up on [1] them.

[1] Bonnie and Clyde, they [4-] lived a lot to-[57]gether
And [4-] finally to-[57]gether they [1] died

[1] Raised in the [17] woods so he [4] knew every [b27] tree
[57] Killed him a b'ar when he was only [1] three.
[1] Davy, [4] Davy [1] Crockett, [5] king of the [57] wild fron-[1]tier.

[1] Fought single handed through the [4] Indian [1] war,
Till' the [1] Creeks were whipped and [b27] peace was in [57] store,
While [1] he was [17] handling this [4] risky [b27] chore,

Ballad Of Thunder Road, The

[1] Let me tell the story, I can tell it all
[57] About the mountain boy who ran illegal alco- [1] hol
[1] His daddy made the whiskey, son, he drove the load
[57] When his engine roared, they called the highway thunder [1] road.

[1] Sometimes into Ashville, sometimes Memphis town
The [57] revenuers chased him but they couldn't run him [1] down
Each [1] time they thought they had him, his engine would explode
He'd [57] go by like they were standing still on thunder [1] road.

And there was [4] thunder, thunder [1] over thunder road
[57] Thunder was his engine, and white [1] lightning was his load
There was [4] moonshine, moonshine to [1] quench the devil's thirst
The [57] law they swore they'd get him, but the devil got him [1] first.

[1] On the first of April, nineteen fifty-four
A [57] federal man sent word he'd better make his run no [1] more
He [1] said two hundred agents were covering the state
Which- [57] ever road he tried to take, they'd get him sure as [1] fate.

[1] Son, his daddy told him, make this run your last
Your [57] tank is filled with 100-proof, you're all tuned up and [1] gassed
Now, [1] don't take any chances, if you can't get through
I'd [57] rather have you back again than all that mountain [1] dew.

And there was [4] thunder, thunder [1] over thunder road
[57] Thunder was his engine, and white [1] lightning was his load
There was [4] moonshine, moonshine to [1] quench the devil's thirst
The [57] law they swore they'd get him, but the devil got him [1] first.

[1] Roaring out of Harlan, revvin' up his mill
He [57] shot the gap at Cumberland, and [1] screamed by Maynardville
With [1] G-men on his taillights, roadblocks up ahead
The [57] mountain boy took roads that even angels feared to [1] tread.

[1] Blazin' right through Knoxville, out on Kingston Pike
Then [57] right outside of Bearden, they made the fatal [1] strike
He [1] left the road at ninety, that's all there is to say
The [57] devil got the moonshine and the mountain boy that [1] day.

And there was [4] thunder, thunder [1] over thunder road
[57] Thunder was his engine, and white [1] lightning was his load
There was [4] moonshine, moonshine to [1] quench the devil's thirst
The [57] law they swore they'd get him, but the devil got him [1] first.

And there was [4] thunder, thunder [1] over thunder road
[57] Thunder was his engine, and white [1] lightning was his load
There was [4] moonshine, moonshine to [1] quench the devil's thirst
The [57] law they swore they'd get him, but the devil got him [1] first.

The [57] law they swore they'd get him, but the devil got him [1] first.

Ballad of Barry and Freda

[1] Freda and Barry sat one night, [6-] the sky was clear, the stars were bright.
[b2-7] The wind was [57] soft, [3-] the moon was [b6] up.
(Slower) [b2-7] Freda drained her [5] cocoa [57] cup,
[1] she licked her lips, she felt su-[b2]blime.
[6-] She switched off 'Gardeners' Question Time'.
[b2-7] Barry [57] cringed in [3-] fear and [b6] dread
(Slower) [b2-7] As Freda grabbed his [5] tie, and [57] said:

[1] Let's do it! Let's do it, [57] do it while the mood is right!
[57] I'm feeling Appealing, [1] I've really got an [17] appetite.
[4] I'm on fire with desire, I could [1] handle half the tenors in a [b67] male voice choir.
[b27] Let's do it! [57] Let's do it to-[1]night. ? [57]

[1] I can't do it! I can't do it, [57] I don't believe in too much sex.
[57] This fashion, for passion, [1] turns us into nervous [17] wrecks.
[4] No derision! my decision, I'd [1] rather watch 'The Spinners' on the [b67] television.
[b27] I can't do it; I [57] can't do it to-[1]night.. [57]

[1] Let's do it! Let's do it, [57] do it till our hearts go boom!
[57] Go native, creative, [1] living in the living [17] room.
[4] This folly is jolly, [1] bend me over backwards on me [b67] hostess trolley.
[b27] Let's do it! [57] let's do it to-[1]night. [57]

[1] I can't do it! I can't do it [57] me 'eavy breathing days have gone.
[57] I'm older, Feel colder, [1] it's other things that turn me [17] on.
[4] I'm imploring: I'm boring, [1] let me read this Catalogue on [b67] vinyl flooring.
[b27] I can't do it. I [57] can't do it to-[1]night. [57]

[1] Let's do it! Let's do it, [57] have a crazy night of love!
[57] I'll strip bare, I'll just wear [1] stilettos and an oven [17] glove.
[4] Don't starve a girl of a palava,
[1] dangle from the wardrobe in your [b67] balaclava.
[b27] Let's do it! [57] Let's do it to-[1]night. [57]

[1] I can't do it! I can't do it, [57] I know I'd only get it wrong.
[57] Don't angle for me to dangle, [1] me arms 'ave never been that [17] strong.
[4] Stop pouting; Stop shouting,
you [1] know I pulled a muscle when I did that [b67] grouting.
[b27] I can't do it; I [57] can't do it [1] tonight. [57]

[1] Let's do it! Let's do it, [57] share a night of wild romance,
[57] Frenetic, Poetic! [17] This could be your last big chance
[4] To quote Milton, To eat Stilton,
To [1] roll in gay abandon on the [b67] tufted Wilton.
[b27] Let's do it! [57] Let's do it to- [1]night. [57]

[1] I can't do it! I can't do it, [57] I've got other little jobs on hand.
[57] Don't grouse around the house, [1] I've got a busy evening [17] planned.
[4] Stop nagging; I'm flagging,
[1] you know as well as I do that the
[b67] pipes want lagging.
[b27] I can't do it; [57] I can't do it to- [1]night. [57]

[1] Let's do it! Let's do it, [57] while I'm really in the mood!
[57] Three cheers! It's years since I [1] caught you even semi- [17] nude.
[4] Be drastic; Gymnastic, [1] wear your baggy Y-fronts with the [b67] loose elastic.
[b27] Let's do it! [57] Let's do it to- [1]night. [57]

[1] I can't do it. I can't do it, [57] I must refuse to get undressed.
[57] I feel silly, It's too chilly, to [1] go without me thermal [17] vest.
[4] Don't choose me; Don't use me, me
[1] mother sent a note to say you [b67] must excuse me.
[b27] I can't do it; [57] I can't do it [1] tonight. [57]

[1] I can't do it, I can't do it, [57] It's really not my cup of tea.
[57] I'm harassed, embarrassed, I [1] wish you hadn't picked on [17] me.
[4] No dramas, give me my pyjamas,
the [1] only girl I'm mad about is [b67] Judith Chalmers.
[b27] I can't do it, [57] I can't do it, to- [1]night. [57]

[1] Let's do it, let's do it, I [57] really want to run amok.
[57] Let's wiggle, let's jiggle, let's [1] really make the rafters [17] rock.
[4] Be mighty, be flighty,
[1] come and melt the buttons on me [b67] flameproof nightie.
[b27] Let's do it, [57] let's do it to- [1]night. [57]

[1] Let's do it, let's do it, I [57] really want to rant and rave.
[57] Let's go 'cause I know, just [1] how I want you to be- [17]have.
[4] Not bleakly, not meekly,
[1] beat me on the bottom with the [b67] 'Woman's Weekly'
[b27] Let's do it, [57] let's do it to- [1]night.

Just [1-] sit right back and you'll [7] hear a tale,
A [1-] tale of a fateful [7] trip,
That [1-] started from this [7] tropic port,
A-[6]board this [7] tiny [1-] ship.

[1-] The mate was a mighty [7] sailin' man,
The [1-] skipper brave and [7] sure,
Five [1-] passengers set [7] sail that day
For a [6] three [7] hour [1-] tour, a [6] three [7] hour [1-] tour.

[1-] The weather started [7] getting rough,
The [1-] tiny ship was [7] tossed.
If [1-] not for the courage of the [7] fearless crew,
The [6] Minnow [7] would be [1-] lost, the [6] Minnow [7] would be [1-] lost.

[1-] The ship's aground on the [7] shore of this
Un-[1-]charted desert [7] isle,
With [1-] Gilligan the [7] Skipper too
The [1-] Millionaire and his [7] wife
The [1-] movie [7] star!
The [1-] Professor and [7] Mary-Ann [6] here on [7] Gilligan's [1-] Isle!

[1-] So this is the tale of our [7] castaways,
They're [1-] here for a long, long [7] time.
They'll [1-] have to make the [7] best of things,

You know they didn't even give us a chance

Christ you know it ain't [4] easy you know how hard it can [1] be

You can get married in Gibraltar near Spain

Well can't you see that it's just [4-] raining, there ain't no need to go out-[3]side.
But [77] Baby!

You [3] hardly even [77] notice [4-] when I try to [67] show you
[3] Song is meant to [77] keep you from [4-] doing what you're [67] supposed to
[3] wakin' up too [77] early, [4-] maybe we could [67] sleep in
[3] make you banana [77] pancakes, pretend [4-] like it's the [67] weekend
[4-] now

We could pretend it all the [3] time.
Can't you see that it's just [4-] raining, there ain't no need to go out-[3]/ side.
But just [77] maybe!

[3] Hala ka uku-[77]lele, [4-] mama made a [67] baby.
Really don't [3] mind to prac-[77]tice cause [4-] you're my little [67] lady.
[3] Lady lady [77] love me 'cause I [4-] love to lay you [67] lazy.
[3] We could close the [77] curtains [4-] pretend like there's no [67] world
[4-] outside.

We could pretend it all the [3] time.
Can't you see that its just [4-] raining, there ain't no need to go out-[3]side.

[3] Ain't no need, ain't no [4-] need.
mmmm mmmm mmmmm [3] mmmmm
Can't you see can't you [4-] see?
Rain all day and I don't [3] mind.

But the [4-] telephones singin', ringin' it's too early don't pick it [7] up, we don't need to
We got [4-] everything we need right here and everything we need is [7] enough. Just so easy
When the [5-] whole world fits inside of your arms
do we [1-] really need to pay attention [6] to the alarm?
wake up [3] slow, mmmmm [7] mmmmmm
[7] wake up [3] slow [3]/

But [77] Baby!
You [3] hardly even [77] notice [4-] when I try to [67] show you
This [3] song is meant to [77] keep you from [4-] doing what you're [67] supposed to.
[3] Wakin' up too [77] early, [4-] maybe we could [67] sleep
[3] make you banana [77] pancakes, [4-] pretend like its the [67] weekend
[4-] now

Then we could pretend it all the [3] time.
Can't you see that its just [4-] raining, there ain't no need to go out-[3]side.
Ain't no need ain't no [4-] need.
Rain all day and I really, [3] really, really don't mind.
Can't you see can't you [4-] see?
you gotta wake up [3]/ slow.

Band Played Waltzing Matilda, The

[1] [57] [1]
[1] Now, when [1] I was a young [4] man I [1] carried me [6-] pack,
and I [1] lived the free [57] life of- the [1] rover.
From the Murray's green [4] basin to the [1] dusty out [6-]back,
well, I [1] waltzed my Ma [57]tilda all [1] over.
Then in [57] nineteen fifteen my [4] country said,
"[1] Son, it's [57] time you stop rambling,
there's [4] work to be [1] done"
So they gave me a [4] tin hat and they [1] gave me a [6-] gun
and they [1] marched me a [57]way to the [1] war. [4] [1]
And the [1] band played [4] Waltzing Ma [1]tilda,
as the ship pulled a [4] way from the [5] quay.
And [4] 'midst all the cheers, the flag [1] waving and [4] tears,
we [1] sailed off for [57] Gallipo [1]li. [57] [1]

And how [1] well I re [4]member that [1] terrible [6-] day,
how our [1] blood stained the [57] sand and the [1] water.
And how in that [4] hell that they [1] called Suvla [6-] Bay,
we were [1] butchered like [57] lambs at the [1] slaughter.
Johnny [57] Turk, he was ready, he'd [4] primed himself [1] well,
he [57] showered us with bullets and he [4] rained us with [1] shell
And in five minutes [4] flat he'd blown [1] us all to [6-] hell,
nearly [1] blew us right [57] back to Aus [1]tralia [4] [1]
But the [1] band played [4] Waltzing Ma [1]tilda,
when we stopped to [4] bury our [5] slain.
[4] We buried ours, and the [1] Turks buried [4] theirs,
then we [1] started all [57] over a [1] gain. [57] [1]

And [1] those that were [4] left, well, we [1] tried to sur [6-]vive,
in that [1] mad world of [57] blood, death and [1] fire.
And for ten weary [4] weeks I kept [1] myself a [6-]live,
though a [1]round me the [57] corpses piled [1] higher.
Then a [57] big Turkish shell knocked me [4] arse over [1] head,
and [57] when I woke up in me [4] hospital [1] bed
And saw what it had [4] done, well, I [1] wished I was [6-] dead, -
never [1] knew there was [57] worse things than [1] dying. [4] [1]
For I'll [1] go no more [4] Waltzing Ma [1]tilda,
All around the green [4] bush, far and [5] free.
To [4] hump tent and pegs, a [1] man needs both [4] legs,
no more '[1] Waltzing Ma [57]tilda' for [1] me. [57] [1]

So they [1] gathered the [4] crippled, the [1] wounded, the [6-] maimed,
and they [1] shipped us back [57] home to Aus[1]tralia.
The legless, the [4] armless, the [1] blind and in[6-]sane,
those [1] proud wounded [57] heroes of [1] Suvla.
And [57] when our ship pulled into [4] Circular [1] Quay,
I [57] looked at the place where [4] me legs used to [1] be.
And thanked Christ, there was [4] nobody [1] waiting for [6-] me,
to [1] grieve, to [57] mourn, and to [1] pity. [4] [1]
But the [1] band played [4] Waltzing Ma[1]tilda,
as they carried us [4] down the gang[5]way.
But [4] nobody cheered, they [1] just stood and [6-] stared,
then they [1] turned all their [57] faces a[1]way. [57] [1]

And so [1] now every [4] April I [1] sit on me [6-] porch,
and I [1] watch the pa[57]rade pass be[1]fore me
And I see my old [4] comrades, how [1] proudly they [6-] march,
re[1]viving old [57] dreams and past [1] glory.
And the [57] old men march slowly, old [4] bones stiff and [1] sore;
they're [57] tired old heroes from a [4] forgotten [1] war.
And the young people [4] ask "What are [1] they marching [6-] for?"
and [1] I ask me[57]self the same [1] question. [4] [1]
[1] But the band plays [4] Waltzing Ma[1]tilda,
and the old men still [4] answer the [5] call.
But as [4] year follows year, more old [1] men disa[4]ppear,
some day [1] no one will [5] march there at [1] all.

[1] Waltzing matilda, [4] waltzing matilda,
[1] who'll come a-[6-]waltzing ma[2-]tilda with [57] me?
And their [1] ghosts may be [57] heard as they [1] march by that [4] Billabong,
[1] Who'll come a-[6-] waltzing ma[57]tilda with [1] me?

All that's left is a [5] band of gold
All that's left of the [4] dreams I hold, Is a band of gold
And the [1] memories of what [4] love could be
If [1] you were still [4] here with me

You [1] took me from the shelter of a mother
I had [5] never known, and loved any other
[4] We kissed after taking vows
But [1] that night on our [4] honeymoon,
[1] We stayed in [4] separate rooms

[1] I wait in the darkness of my
[5] lonely room, filled with sadness,
[4] filled with gloom hoping soon
That [1] you'll walk back [4] through that door
And [1] love me like you [4] tried before

[4] [b7add9] [1] [1]
[4] On the dark side of the earth, where [b7add9] the creatures are out
I'm a [1] man on the moon [1]
[4] Midnight round my neck and [b7add9] sunrise on my breath
I still [1] wait for you [1]

Will you [4] lay down all the [b7add9] things you've [1] done?
Don't turn your [4] face around, you can [b7add9] come un-[1]done

Well, [4] hey, did you [b7add9] call, did you fall,
do you [1] need someone, do you [1] need someone?
And [4] hey, I'm a [b7add9] mess myself,
but I think I could [1] be someone, if you [1] need someone

When I [5-] was alone it was fine, I could [4] deny all I like
I could just [1] push back, and make believe it was alright
But [4], hey did you [b7add9] call, did you fall,
do you [1] need someone, I could [1] be someone?
For [4] you [b7add9] [1] [1]

Now there's [4] gold in your eyes, In this [b7add9] rosy fingered light,
Like a [1] man on the moon [1]
Out of [4] sight, out of mind, never [b7add9] raise the alarm,
Yeah, I'm [1] just like you [1]

Can you [4] lay down all the [b7add9] things you've [1] done? [1]
Don't turn your [4] face around, you can [b7add9] come un-[1]done [1]

And, [4] hey, did you [b7add9] call, did you fall,
Do you [1] need someone, do you [1] need someone?

And [4] hey, I'm a [b7add9] mess myself,
But I think I could [1] be someone, if you [1] need someone
I [5-] was alone it was fine, I could [4] deny all I like
I could just [1] push back and make believe that it was alright
But, [4] hey, when you [b7add9] call, when you fall,

Ahhhh [5-][4][2-][1]
Ahhhh [5-][4][1] [1]

[5-] Tell a lie [4], see a [2-] light
Burn a [1] bridge, it'll be [5-] alright
Things don't [4] have to fall apa-[1]rt [1]

Twas in the [57] merry month of [1] May
When green buds [4] all were [1] swelling
Sweet William [4] on his [1] death bed [6-] lay
For a [1] love of [57] Barb'ry [1] Allen

He sent his [57] servant to the [1] town
To the place where [4] she was [1] dwelling
Saying you must [4] come, to my [1] master [6-] dear
If your [1] name be [57] Barb'ry [1] Allen

So slowly, [57] slowly she got [1] up
And slowly [4] she drew [1] nigh him
And the only [4] words to [1] him did [6-] say
Young [1] man I [57] think you're [1] dying

He turned his [57] face unto the [1] wall
And death was [4] in him [1] welling
Good-bye, [4] good-bye, to [1] my friends [6-] all
Be [1] good to [57] Barb'ry [1] Allen

When he was [57] dead and laid in [1] grave
She heard the [4] death bells [1] knelling
And every [4] stroke to [1] her did [6-] say
Hard [1] hearted [57] Barb'ry [1] Allen

Oh mother, oh [57] mother go dig my [1] grave
And make it [4] long and [1] narrow
Sweet William [4] died of [1] love for [6-] me
And [1] I will [57] die of [1] sorrow

And father, oh [57] father, go dig my [1] grave
And make it [4] long and [1] narrow
Sweet William [4] died on [1] yester- [6-]day
And [1] I will [57] die to- [1]morrow

Barb'ry Allen was [57] buried in the old church- [1]yard
Sweet William was [4] buried be- [1]side her
Out of sweet William's [4] heart, there [1] grew a [6-] rose
Out of [1] Barb'ry [57] Allen's a [1] briar

They grew and [57] grew in the old church- [1]yard
Till they could [4] grow no [1] higher
At the end they [4] formed, a [1] true lover's [6-] knot
And the [1] rose grew [57] round the [1] briar [4] [1]

[1] There's a dance hall there where the sick folks go
[4maj7] Like the olden days on the Barbary Coast
[1] There's a barefoot child, she's playing in the [4maj7] rain [4maj7]
[1] You can sell your wares even if they're hot
[4maj7] In the great bazaar or the parking lot
[1] Cause it takes a while to know who to [4maj7] blame [4maj7]
[1] I might have a taste cause the first one's free
[4maj7] And the checkout girl's got a thing for me
[1] And they're both as sweet as the day is the [4maj7] long [4maj7]

[2-] I don't wanna feel [5] stuck, baby
[2-] I just wanna get [5] drunk before [1] noon

[1] [4maj7] [1] [4maj7] [2-] [5] [1]
[1] I don't mind my head when there's room to dream
[4maj7] Feel like Paul Gauguin painting breadfruit trees
[1] In some far off place where I don't be-[4maj7]long [4maj7]
[1] Tried to lose myself in the primitive
[4maj7] In Yosemite like John Muir did
[1] But his eyes were blue and mine are red and [4maj7] raw [4maj7]
[1] 'Cause the modern world is a sight to see
[4maj7] It's a stimulant, it's pornography
[1] It takes all my will not to turn it [4maj7] off [4maj7]

[2-] I don't want you to feel [5] sad, baby
[2-] I take everything [5] back, I swear I [1] do

Cause once [4] all the [3-] friends I [5] had
Have [1] used me [5] up and [6-] left

[4] I can remember how [5] proud I used t' [57] be
[1] When Dad an' Mother would [4] buy new shoes for me
[b7] Now that's the feeling we've all had
[4] How new shoes would [b27] make you glad
[1] But the best [b27] time, if you re-[1]call
When you [5] wore no shoes at [1] all

[4] Barefoot days, [b27] when we were [5] just a [57] kid
[1] Barefoot days, [17] O boy, the [4] things we [47] did
We'd go [b7] down to the shady brook
With a [4] bent pin for a [b27] hook
We'd [57] fish all day an' [5] fish till night
But the [1]* [NC] darn ole fish refuse to bite
[4] Then we'd slide [b27] down some ole [5] cellar door
We'd [1] slide an' slide, till our pants got [b67] tore
And then we'd [b27] have to go home an' climb into bed
My [5] Moma came along with the [57] needle an' thread
O [4] boy, what [b27] joy, we [57] had in [1] barefoot [4] days

[4] I can remember, when [5] Sunday came a-[57]long
[17] Boy, that was one day, when [4] ever' little thing went wrong
[b7] We lined up as stiff as starch
As [4] off to Sunday [b27] School we'd march
But no [1] wonder we [b27] had the [1] blues
We [5] always had to wear our [1] shoes

[4] Barefoot days, [b27] when we were [5] just a [57] kid
[1] Barefoot days, [17] O boy, the [4] things we [47] did

Oh the [1] night came undone like a party dress
And fell at her feet in a beautiful [5] mess [57]
The [1] smoke and whiskey came home in her [4] curls
And they crept through the [1] dreams of the [5] barroom [1] girls

Well she [1] tosses and turns because the sun is unkind

But [1] leave all the blue skies for the rest of the [4] world
Because the neon will [1] shine for the [5] barroom [1] girls

Oh the [5] barroom girls [1] go by your side

Now, [1] I'm just a bar-[17]tender, and I [4] don't like my [b2-7] work.
But I [5] don't mind the money at [1] all. [5] [b6-7] [5] I see
[1] lots of sad [17] faces and [4] lots of bad [b2-7] cases of
[5] folks with their backs to the [1] wall. [5] [b6-7] [5] But I need

[1] four walls a-[17]round me to [4] hold my [b2-7] life;
to [5] keep me from going a-[1]stray; [5] [b6-7] [5] and a
[1] honky-tonk [17] angel to [4] hold me [b2-7] tight
to [5] keep me from slipping a-[1]way. [5] [b6-7] [5] I can

[1] light up your [17] smokes. I can [4] laugh at your [b2-7] jokes.
I can [5] watch you fall down on your [1] knees. [5] [b6-7] [5] I can
[1] close down this [17] bar. I can [4] gas up my [b2-7] car. I can
[5] pack up and mail in the [1] key. [5] [b6-7] [5] But I need

to [5] keep me from slipping a-[1]way. [5] [b6-7] [5] Now, the

[1] smoke fills the [17] air in this [4] honky-tonk [b2-7] bar,
and I'm [5] thinking 'bout where I'd rather [1] be. [5] [b6-7] [5] But I
[1] burned all my [17] bridges; and I [4] sank all [b2-7] ships; and I'm
[5] stranded at the edge of the [1] sea. [5] [b6-7] [5] But I need

[1] four walls a[17]-round me to [4] hold my [b2-7] life;
to [5] keep me from going a-[1]stray; [5] [b6-7] [5] and a

[1] In 1814 we [4] took a little trip
A-[57]long with Col. Jackson down the [1] mighty Mississip'
We took a little bacon and we [4] took a little beans
And we [57] Caught the bloody British in a [1] town in New Orleans.

[1] We fired our guns and the British kept a comin'
There wasn't nigh as many as there [57] was a while a-[1]go
We fired once more and they began to runnin'
On down the Mississippi to the [57] Gulf of Mexi-[1]co.

[1] We looked down the river and we [4] see'd the British come
And there [57] musta been a hund'erd of 'em [1] beatin' on the [1] drum
They stepped so high and they [4] made their bugles ring
We [57] stood beside our cotton bales and [1] didn't say a thing.

[1] We fired our guns and the British kept a comin'
There wasn't nigh as many as there [57] was a while a-[1]go
We fired once more and they began to runnin'
On down the Mississippi to the [57] Gulf of Mexi-[1]co.

[1] Old Hick'ry said we could [4] take 'em by su'prise
If we [57] didn't fire our muskets [1] till we looked 'em in the eyes
We held our fire till we [4] see'd their faces well
Then we [57] opened up with squirrel guns and [1] really gave 'em... Well -

[1] We fired our guns and the British kept a comin'
There wasn't nigh as many as there [57] was a while a-[1]go
We fired once more and they began to runnin'
On down the Mississippi to the [57] Gulf of Mexi-[1]co.

[1] Yeah! they ran through the briars and they ran through the brambles
And they ran through the bushes where a [57] rabbit couldn't [1] go
They ran so fast that the hounds couldn't catch 'em
On down the Mississippi to the [57] Gulf of Mexi-[1]co.

[1] We fired our cannon till the [4] barrel melted down
So we [57] grabbed an alligator and we [1] fought another round
We filled his head with cannonballs and [4] powdered his behind
And when we [57] touched the powder off, the [1] 'gator lost his mind.

[1] We fired our guns and the British kept a comin'

I'm a [1] poor Hawaiian [5aug] beach boy
A [1] long way from the [5aug] beach

{sobIntro [1] [1] [1] [1]}
Well I [1] walked up to her
And I [57] asked her if she wanted to [1] dance
She [1] looked awful nice
And [57] so I hoped she might take a [1] chance
[4] When we danced I [1] held her tight
[4] And then I walked her [1] home that night
And all the stars were [57] shining bright
And then I [1] kissed her

[1] Each time I saw her
I [57] couldn't wait to see her a-[1]gain
I [1] wanted to let her
[57] Know that I was more than a [1] friend
[4] I didn't know just [1] what to do
[4] So I whispered [1] I love you
And she said that she [57] loved me too
And then I [1] kissed her [1]

Well [1] since she put me down
I've been [4] out doin' in my [1] head
[1] Come in late at night
And in the [4] mornin' I just lay in [1] bed
Well [6-] Rhonda you look so fine
And I [4] knew it wouldn't take much [b27] time
For you to [1] help me Rhonda
[57] Help me get her out of my [1] heart
(Bau bau bau bau bau bau bau Ahhhhh)
[57] Help me Rhonda help help me Rhonda
[1] Help me Rhonda help help me Rhonda
[57] Help me Rhonda help help me Rhonda
[1] Help me Rhonda help help me Rhonda
[4] Help me Rhonda help help me Rhonda

[2-] Help me Rhonda [57]* yeah - get her out of my [1] heart

[1] [1]

We [1] come out on the sloop [4] John [1] B
My grandfather [4] and [1] me
Around Nassau town, we did [5] roam
Drinking all [1] night, got into a [4] fi-[4maj7]i-[2-]ight
I [1] feel so broke up! [5] I wanna go [1] home
So [1] hoist up the John [4] B's [1] sail
See how the main [4] sail [1] sets
Call for the Captain ashore and let me go [5] home
I wanna go [1] home, I wanna go [4] ho-[4maj7]o-[2-]ome
I [1] feel so broke up! [5] I wanna go [1] home (2,3,4, 1,2,3,4)

Well [1] I'm not braggin' babe so don't put me down
But I've got the fastest set of [17] wheels in town
When [4] something comes up to me he don't even try
Cause if I [1] had a set of wings man I know she could fly
She's my [5] little deuce [2-] coupe
[5] You don't [2-] know what I [1] got (2,3,4, 1,2,3,4)

[1] I can hear music [2-] I can hear [5] music
[1] The sound of the city baby [2-] seems to disap-[5]pear, oh oh when
[1] I can hear [17] music [4] sweet sweet [4-] music

To have a [4] beard growing out of your [1] chin
I don't think [5] I will ever shave a [1]gain

[NC] I've got a [5] beard, growing out of my [1] face
Some people [5] say that it doubles my [1] age
But it's kinda [4] cool - it's like [b2] travelling through [1] time
[4] When I have a [5] shave I feel thirty [1] nine

I've got a [5] face, all covered in [1] hair
It makes me [5] feel like a grizzly [1] bear
But you won't catch [4] me catching [b2] fish from a [1] stream
And you won't catch [5] me buying shaving [1] cream

No you won't catch [5] me buying shaving [1] cream
Coz I've got a [5] beard and I'm living the [1] dream

This one is what the original video sounded like to me, quite like it actually
but other version is what Mike actually said it should be
(my excuse: Seems that the Uke was a tad out of tune and so were my ears)

What a beautiful [1] noise..... Comin' up from the [5] park
It's the song of the kids..... And it plays until [1] dark

It's a beautiful [1] noise. Made of joy and of [5] strife
[5] Like a symphony played .By the passing parade
It's the music of [1] life

It's a beautiful [4] noise.....And it's a sound that I [5] love
And it makes me feel [4] good.....Just like a hand in a [5] glove. [1]* [5]*

What a beautiful [1] noise. Comin' into my [5] room. [5]* (STOP)

And when we [b4] gather I'll pass buttons out that [b1] say

[3] Beautiful people
[4-] Then you'd never [6] be alone 'cause

There's a [1] garden, what a garden, only happy faces [57] bloom there
And there's never any room there, for a worry, or a [1] gloom there
Oh there's music, and there's dancing, and a lot of sweet ro- [57]mancing
When they play the polka, they all get in the [1] swing

Every [57] time they hear that Oom-Pa-Pa
Every- [1]body feels so Tra-La-La
They want to [57] throw their cares away
They all go Lah-dee-ahh-Dee- [1]aay

Then they [57] hear a rumble on the floor
It's the [1] big surprise they're waiting for
And all the [57] couples form a ring
For miles around you'll hear them [1] sing

[1] Roll out the barrel, we'll have a barrel of [57] fun
Roll out the barrel, we've got the blues on the [1] run

Well, to-[1]night I'm leavin' beer out for Santa.
Trade the cookies for a koozie full of [4] cheer.

[1] Being a pirate is all fun and games, till somebody loses an [5] ear.
[5] It drips down your neck, and it falls on the deck,
Till someone shouts out: [NC] "Hey, what's this [1] 'ere?"
You can't wear your glasses you [6-] don't attract lasses.
And [1] folks have to [17] shout so you'll [4] hear.
Being a pirate is [1] all fun and games till [5] somebody loses an [1] ear.

Chorus:
But [4] its all part of being a [1] pirate!
You can't be a [5] pirate, with all of your [1] parts;
[4] Its all part of being a [1] pirate!
You can't be a [5] pirate, with all of your [1] pa [4]rt [1]s. [4] [1] [4] [5]

[1] Being a pirate is all fun and games, till somebody loses a [5] hand.
[5] It spurts and it squirts and it bloody well hurts,
Pain only a pirate can [1] stand.
A nice metal hook is a [6-] fash'nable look,
But [1] then you can't [17] play in the [4] band;
Being a pirate is [1] all fun and games till [5] somebody loses an [1] hand.

Chorus

[1] Being a pirate is all fun and games, till somebody loses an [5] eye.
[5] It stings like the blazes. It makes you make faces,
You can't let your mates see you [1] cry.
Well a dashing black patch, will [6-] cover the hatch
And [1] make sure your [17] socket stays [4] dry.
Being a pirate is [1] all fun and games till [5] somebody loses an [1] eye.

Chorus

[1] Being a pirate is all fun and games, till somebody loses a [5] leg.
[5] It hurts like the dickens, your pace never quickens, hopping around on a [1] peg.
Ask your sweetheart to marry, but [6-] too long you've tarried,
And [1] now you can't [17] kneel down and [4] beg.
Being a pirate is [1] all fun and games till [5] somebody loses a [1] leg.

Chorus

[1] Being a pirate is all fun and games, till somebody loses a [5] whatsit.
[5] You didn't choose it but you still hate to lose it
and you're hoping that somebody [1] spots it.
Then the Doc comes along and he [6-] sews it back on;
Or he [1] ties it up tight [17] and he [4] knots it!
Being a pirate is [1] all fun and games till [5] somebody loses a [1] whatsit!.

Chorus

[4] Its all part of being a [1] pirate!
You can't be a [5] pirate, with all of your [1] pa [4]rt [1]s. [4] [1] [4] [5] [1]

It's not that [1] easy being green [1maj7]
Having to spend each day the [b6-7] colour of the leaves [56]
When I think it could be [b2-7] nicer
being red or yellow or [57] gold
Or something much more colourful like [16] that [57]

It's not that [1] easy being green [1maj7]
It seems you blend in with so many [b6-7] other ordinary things [56]
And people tend to pass you [b2-7] over
Coz you're not standing out like flashy [57] sparkles in the water
Or stars in the [16] sky [17]

But green is the [4maj7] colour of spring [57]
And green can be [1maj7] cool and friendly-like [b6-7]
And green can be [6-] big, like a [1aug] mountain
Or im-[b6-7]portant, like a river [b6-6]
Or [b2-7]tall like a tree [57]

When green is [1] all there is to be [1maj7]
It could make you [6-] wonder why, but why [b6-7] wonder
Why [b67] wonder?

Intro [3] [6] x 4

[3] Ben, the two of us need [7] look no more,
[3] we both found what we were [7] looking [77] for.
[3] With a friend to call my [b57] own, I'll never be a-[b2]lone.
And [b1] you my friend will [4-] see,
you've [7] got a friend in me [3] [6] x2

[3-] Ben, you're always running [7] here and there,
[3-] you feely you're not wanted [7] any-[77]where.
[3] If you ever look be-[b57]hind, and don't like what you [b2] find,
There's [b1] something you should [4-] know,
you've [7] got a place to go [3] [6] x 2

could split next four lines male/female?

I [4-] used to say [77] [3] I and me,
[4-] Now it's us, [77] [3] now it's we.

I [4-] used to say [77] [3] I and me,
[4-] Now it's us, [77] [3] now it's we. [6]

[3] Ben, most people would turn [7] you away,
[3] I don't listen to a [7] word they [77] say.
[3] They don't see you as I [b57] do, I wish they would try [b2] to,
I'm [b1] sure they'd think [4-] again,
if they [7] had a friend like [3] Ben, [6]
like [3] Ben, [6] like [3] Ben [6] ([3] [6] to fade)

[1] Better times, better times will come.
[1] Better [4] times, better times will [1] come.
[1] When this world learns to live as [4] one,
[1] oh, better [5] times will [1] come

[1] When we [5] greet each dawn without [1] fear

[4] There's no combi-[6-]nation of words
I could [2-] put on the back of a [1] postcard
[b7] No song that [4] I could sing,
but [5-] I can try for [1] your heart
[4] Our dreams, [6-] and they are [2-] made out of real [1] things
Like a, [b7] shoebox of [4] photographs with [5-] sepia-toned [1] loving

[4] Love is the [6-] answer,
At least for [2-] most of the questions in [1] my heart
[b7] Why are we [4] here? and where do we [5-] go? and how come it's [1] so hard?
[4] It's not always [6-] easy and sometimes [2-] life can be de-[1]ceiving
[b7] I'll tell you one [4] thing
It's always [5-] better when we're to-[1]gether

[b7] Mmm it's always [1] better when we're together
[b7] Yeah, we'll look at them [1] stars when we're together
[b7] Well, it's always [1] better when we're together
[b7] Yeah, it's always [1] better when we're together

[4] [6-] [2-] [1] [b7] [4] [5-] [1] *2
And all of these [4] moments

But I [b7] know that they'll be gone
When the [5-] morning light [1] sings and brings new [4] things,
[6-] for to-[2-]morrow night you [1] see [b7] that they'll be gone too,
Too many [5-] things I have to [1] do

[4] But if all of these [4] dreams
Might find their [2-] way into my day to day [1] scene
I'd be [b7] under the impression I was [5-] somewhere in be-[1]tween
With only [4] two just me and you [6-]
Not so many [2-] things we got to [1] do, or [b7] places we got to [4] be
We'll sit be-[5-]neath the mango [1] tree now

[b7] Mmm it's always [1] better when we're together
[b7] Mmm we're somewhere [1] in-between together
[b7] Well, it's always [1] better when we're together
[b7] Yeah, it's always [1] better when we're together

[4] [6-] [2-] [1] [b7] [4] [5-] [1] *2
[5-] I believe in [1] memories, they look so, [5-] so pretty when I [1] sleep
[5-] Hey now, and [5-] when I [1] wake up, you look so [5-] pretty sleeping next to [1] me
But there is [b7] not enough [1] time, and there is no, [b7] no song I could [1] sing

[1] Big Bad [b67] Bill don't [b27] fight [57] any [1] more,
([b27] No sir [57] no more)
[1] Doing the dishes, mopping up that [b37] floor - [b37] what's [b27] more
Well he [4] used to go out drinking,

It was early in the mornin' when he [6-] rode into the town
He came [1] riding from the south side slowly lookin' all a-[6-]round
He's an [4] outlaw loose and runnin' came the [1] whisper from each lip
And he's here to do some business with the [6-] big iron on his hip
[4] Big iron on his [1] hip

In this town there lived an outlaw by the [6-] name of Texas Red
Many [1] men had tried to take him and that many men were [6-] dead
He was [4] vicious and a killer, though a [1] youth of twenty-four
And the notches on his pistol numbered [6-] one and nineteen more
[4] One and nineteen [1] more

Now the stranger started talking made it [6-] plain to folks around
He was an [1] Arizona ranger wouldn't be too long in [6-] town
He came [4] here to take an outlaw back a-[1]live or maybe dead
And he said it didn't matter he was [6-] after Texas Red
[4] After Texas [1] Red

Wasn't long before the story was relay-[6-]ed to Texas Red
But the [1] outlaw didn't worry, men that [6-] tried before were dead
Twenty [4] men had tried to take him twenty [1] men had made a slip
Twenty one would be the stranger with the [6-] big iron on his hip
[4] Big iron on his [1] hip

The mornin' passed so quickly, it was [6-] time for them to meet
It was [1] twenty past eleven when they walked out in the [6-] street
Folks were [4] watchin' from their windows, everybody held their [1] breath
They knew this handsome ranger was a-[6-]bout to meet his death
Was a-[4]bout to meet his [1] death

There was forty feet between them when they [6-] stopped to make their play
And the [1] swiftness of the ranger is still talked about to-[6-]day
Texas [4] Red had not cleared leather when a [1] bullet fairly ripped
And the ranger's aim was deadly with the [6-] big iron on his hip
The [4] big iron on his [1] hip

Big [4] iron, big [1] iron
When he tried to match the ranger with the [6-] big iron on his hip
The [4] big iron on his [1] hip

Was [5] Big Joe riding on the bull [4] frog' s [1] back
[5] Heave hi, [4] heave hi [1] ho,
the [1] best man in Ottawa was Muffaraw [5] Joe, Muffaraw [1] Joe

[1] Well they say Big Joe put out a [4] Forest fire
[1] Half way between Renfrew and [5] old Arnpior
He was [1] fifty miles away down [4] around Smith Falls
When [5] he drowned out the fire with [4] five spit [1] balls

the [1] best man in Ottawa was Muffaraw [5] Joe, Muffaraw [1] Joe

[1] Well he jumped in the Calabogie [4] Lake real fast
[1] And he swam both ways to catch a [5] cross eyed bass
But he [1] threw it on the ground and said [4] I can't eat that
So [5] he covered it over with [4] Mount Saint [1] Pat
[5] Heave hi, [4] heave hi [1] ho,
the [1] best man in Ottawa was Muffaraw [5] Joe, Muffaraw [1] Joe

And [1] high on the ceiling of a [4] Pembroke pub
There's [5] twenty-nine boot marks and they're [4] signed with [1] love

And the [1] tears that I cried for that [17] woman,

Then I [1] heard my dream was back [17] downstream,

[1] Take that woman on down to New Or [b2] leans, New Or [57] leans
[1] Go on, I've had enough, dump my [4] blues down in the gulf

[4] Walking on [b7] cobble stone, [4] little bits of [b7] skin and bone
[2-] Jumping on a [6-] tramcar for a [5-] ride [1]
[4] I can [b7] remember when, [4] I was just a [b7] boy of ten,
[2-] Hanging ar-[6-]ound the old quay [5-] side [1]

[b7] Now all the cap-[4]stans and the [2-] cargo boats and [b7] stevedores are gone
[2-] to where the [4] old ships go, but [5-] memories
just [17] like the seas live [4] on

[4] That was when coal [b7] was king, [4] the river was a [b7] living thing
[2-] and I was just a [6-] boy but it was [5-] mine, [17] the coaly [4] Tyne [b7]

[1] For this was a [4] big [b7] river
I want [2-] you all to [6-] know that I was [5-] proud
[1] this was a [4] big [b7] river but [2-] that was long a-[6-]go,
that's not [5-] now, [17] , that's not [4] now

Instrumental break [4] [b7] [1] [1] x 2

[4] My father was a [b7] working man, [4] he earned our living [b7] with his hands
[2-] he had to cross the [6-] river every [5-] day [1]
[4] he picked up the [b7] union card
[4] out of the [b7] Neptune yard
[2-] mouths to [6-] feed and bills to [5-] pay [17] [b7]
then came a [4] time for him to [2-] sail across the sea and [b7] far away
finally [4] when that war was [5-] won
they brought him [17] home and home he [4] stayed

[4] and when his [b7] days were done [4] under a [b7] golden sun
[2-] they took him back to [6-] where he longed to [5-] be

[4] But what do they [b7] do all day?
[4] what are they [b7] supposed to say?

[1] One evening as the sun went down and the jungle [57] fire was [1] burning
Down the track came a hobo hikin' and he said boys [57] I'm not [1] turning
I'm [4] headed for a [1] land that's [4] far a [1] way
be- [4] side the crystal [57] fountains
So [1] come with me we'll go and see
the big rock [57] candy [1] mountains

[1] In the big rock candy [17] mountains there's a [4] land that's fair and [1] bright
Where the [4] handouts grow on [1] bushes and you [4] sleep out every [57] night
Where the [1] boxcars all are [17] empty and the [4] sun shines every [1] day
On the [4] birds and the [1] bees and the [4] cigarette [1] trees
The [4] lemonade [1] springs where the [4] bluebird [1] sings
In the [57] big rock candy [1] mountains

[1] In the big rock candy [17] mountains all the [4] cops have wooden [1] legs
And the [4] bulldogs all have [1] rubber teeth
and the [4] hens lay soft boiled [57] eggs
The [1] farmers' trees are [17] full of fruit and the [4] barns are full of [1] hay
Oh I'm [4] bound to [1] go where there [4] ain't no [1] snow
Where the [4] rain don't [1] fall and the [4] wind don't [1] blow
In the [57] big rock candy [1] mountains

[1] In the big rock candy [17] mountains you [4] never change your [1] socks
And the [4] little streams of [1] alcohol come a ? [4] tricklin' down the [57] rocks
The [1] brakemen have to [17] tip their hats and the [4] railroad bulls are [1] blind
There's a [4] lake of [1] stew and of [4] whiskey [1] too
You can [4] paddle all a [1] round 'em in a [4] big ca [1]noe
In the [57] big rock candy [1] mountains

[1] In the big rock candy [17] mountains the [4] jails are made of [1] tin
And [4] you can walk right [1] out again as [4] soon as you are [57] in
There [1] ain't no short handled ? [17] shovels no [4] axes saws or [1] picks
I'm a ? [4] going to [1] stay where you [4] sleep all [1] day
Where they [4] hung the [1] jerk who in [4] vented [1] work
In the [57] big rock candy [1] mountains

Kazoo and strum for line 1 of the verse above:
[1] [17] [4] [1]
I'll [4] see you [1] all this [4] coming [1] fall in the [57] big rock candy [1] mountains

The [1] day that the big storm came, it [47] washed away my [1] tears
The day that big storm came, it [b27] washed away my [57] fears
Well it [1] washed away my [17] misery,

The [1] day that the big storm came,
my [57] sun came out a-[1]gain

[47] I was feeling sad and blue [1] under a big dark cloud
[47] I was feeling lonely even [1] when I was in a crowd
[47] The doctor gave me medication, [1] chemicals and pills
But [b27] nothing he could do could blow [57] away my winter chills

Chorus

[47] Head in hands and wondering where [1] did it all go wrong
[47] Couldn't get the inspiration [1] for a happy song
[47] Thoughts where getting darker, looking [1] forward to the end
Till the [b27] mother of all storms, came [57] roaring round the bend

Chorus

[47] So brother if your feeling down please [1] listen to this song
[47] Wear a smile and lose the frown and [1] try to sing along
[47] Grab your problems by the horns, and [1] throw them to the wind
[b27] Wave goodbye away they fly, and [57] start to live again

Have you [1] heard about the big strong man,he lives in a cara-[5]van,
Have you heard about the Jeffery Johnson fight, [57] Oh what a hell of a [1] fight,
[1] You can take all the heavy weights you got,we got a lad who will beat the whole [5] lot,
He used to ring the bells in the belfry,now he's going to fight Jack [1] Dempsey,

[1] Was my brother Sylvest, whats he got, a row of forty medals on his [5] chest, big chest
He killed fifty bad men in the west,he knows no [1] rest,
[1] Think of a man hell's fire don't push just shove plenty of room for you and me,
He's got an arm like a leg,and a punch that would sink a battle [5] ship big ship,
It takes all the army and the navy,to put the wind up Syl-[1]vest.

He [1] thought he'd take a trip to Italy,he thought that he'd go by [5] sea,
He jumped off the harbor in New York,he swam [57] like a man made of [1] cork,
[1] He saw the Lusitania in distress,what he do,he put the Lusitania on his [5] chest,
He drank all the water in the sea,then he walked all the way to Ita-[1]ly,

[1] Was my brother Sylvest, what's he got, a row of forty medals on his [5] chest, big chest
He killed fifty bad men in the west,he knows no [1] rest,
[1] Think of a man hell's fire don't push just shove plenty of room for you and me,
He's got an arm like a leg,and a punch that would sink a battle [5] ship big ship,
It takes all the army and the navy,to put the wind up Syl-[1]vest.

He [1] thought he'd take a trip to old Japan,they turned out the whole brass [5] band,
He played every instrument they got,like a [57] lad sure he beat the whole [1] lot,
[1] Now the old church bells will ring, hells fire, the whole church choir will [5] sing,
They all turned out to say farewell to my big brother Syl-[1]vest.

[1] Was my brother Sylvest, whats he got, a row of forty medals on his [5] chest, big chest
He killed fifty bad men in the west,he knows no [1] rest,
[1] Think of a man hell's fire don't push just shove plenty of room for you and me,

Big Things

[1] There was a big sky rocket at the Lion's park
I could see the whole town through the bars at the top
And I [5] counted from 10 to "[4] blast-off"
But I knew that we'd never leave the [1] tan bark
We didn't have holidays growing up
We were always milking and always broke
[5] And all mum wanted was a [4] suntan
She talked dad into driving up to [1] Queensland

I [2-] met my country from the [4] back of a car
[1] Outside of Stawell [5] saw a big koala
[6-] Flying up the Newell to the big guitar

I [1] come from a little [4] place but I've [5] seen a lot of big [1] things

[1] If you want a family fight here's a recipe:
Pack three of us boys in a cramped back seat
And [5] drive for a day to [4] Sydney
Get mum to read a map. Get dad to [5] tow a van through the [1] city
Every road leads to the Harbour bridge
Every bugger's in the lane you want to merge in
So many [5] one way streets in [4] this damn town
And you can't hang a U-ie with a [1] caravan

I [2-] met my country from the [4] back of a car
Saw a [1] big pineapple, a [5] big banana
[6-] So much fruit made of fibreglass

I [1] come from a little [4] place but I've [5] seen a lot of big [1] things

We filled a [4] camera roll at the [1] picnic spots up and down the coast
[2-] So many [4] family pics standing [1] awkwardly posed
[5] In front of [1] big things
When we get back home the cows are waiting for dad
Mum's sunburn [4] faded and she never tanned
[5] I went back to the [4] rocket park
And I took another look at my town from the [1] top

[1] I saw dad's overalls on the laundry floor
Blackened and singed from an SES call
I saw mum in her gumboots in the living room
Trying to sweep out the river with a K-mart broom
I've [5] seen a kitchen bench full of casserole dishes
That the [4] neighbours brought when my mum got sick
And I've [1] seen a big fire, I've seen a big flood I've seen a little town with a great big heart
And I [5] know that this rocket won't ever launch
But there are [4] big things here without flying up North

I [1] come from a little [4] place but I've [5] seen a lot of big [1] things

I [1] come from a little [4] place but I've [5] seen a lot of big [1] things
From a big sky [4] rocket at the Lion's [1] park

[2-] The marchin' band came [5] down along main street,
[1] The soldier blues fell in behind.
[2-] I looked across and [5] there I saw Billy,
[1] Waiting to go and join the line,
[2-] And with her head u [5]pon his shoulder
[2-] his young and lovely [5] fiancee.
[2-] From where I stood I [5] saw she was cryin',
[2-] And through her tears I [5] heard her say :

[1] Billy, don't be a [3-] hero, don't be a [2-] fool with your life
[5] Billy, don't be a [57] hero, come back and [1] make me your wife
And as [1] Billy started to [17] go, she said, [4] keep your pretty head [4-] low,
[1] Billy, don't be [5] hero, come back to [1] me !

[2-] The soldier blues were [5] trapped on a hillside,
[1] The battle raging all around,
[2-] The sergeant cried, "We've [5] got to hang on boys!
[1] We've got to hold this piece of ground !
[2-] I need a volunteer to [5] ride up,
[2-] And bring us back some [5] extra men."
[2-] And Billy's hand was [5] up in a moment,
[2-] Forgettin' all the [5] words she said

She [5] said :
[1] Billy, don't be a [3-] hero, don't be a [2-] fool with your life !

And as [1] Billy started to [17] go, she said, [4] keep your pretty head [4-] low,
[1] Billy, don't be [5] hero, come back to [1] me!

[2-] I heard his fian [5]cee got a letter [1] that told how Billy died that day.
[2-] The letter said that [5] he was a hero, [1] she should be proud he died that way.
[2-] I heard she threw the [5] letter a [1] way.

[b77] Can't you start to see it too

[b67] You [NC] said you'd love me, never [4] make me blue

[b2] I'm in [5] pie-[b2]ces, bits and [5] pie-[b2]ces
[b2] Now you've [5] gone [b2] and I'm all a-[5]lo-[b2]one
[b2] I'm in [5] pie-[b2]ces, bits and [5] pie-[b2]ces
[b2] You're still way [5] up [b2] there on your [5] thro-[b2]one

Intro: [2-] [5] [1]
In a [1] neat little town they call Belfast,
apprenticed to [4] trade I was [5] bound,
[1] Many an hour sweet happiness
Have I [2-] spent in that [5] neat little [1] town.
'Till a sad misfortune came o'er me,
and caused me to [4] stray from the [5] land.
Far a-[1]way from my friends and relations,
Be-[2-]trayed by the [5] black velvet [1] band.

Chorus:
Her [1] eyes they shone like diamonds,
I thought her the [4] queen of the [5] land,
And her [1] hair hung over her shoulder,
Tied [2-] up with a [5] black velvet [1] band.

I [1] took a stroll down Broadway, meaning not [4] long for to [5] stay,
When [1] who should I meet but this pretty fair maid,
Come a [2-] traipsing a-[5]long the high-[1]way.
She was both fair and handsome, her neck it was [4] just like a [5] swan's.
And her [1] hair hung over her shoulder,
Tied [2-] up with a [5] black velvet [1] band.

Chorus

I [1] took a stroll with this pretty fair maid,
and a gentleman [4] passing us [5] by.
Well, I [1] knew she meant the doing of him,
By the [2-] look in her [5] roguish black [1] eye.
A gold watch she took from his pocket,
and placed it right [4] into my [5] hand,
And the [1] very first thing that I said was:
"Bad [2-] 'cess to the [5] black velvet [1] band".

Chorus

Be-[1]fore the judge and the jury next morning I [4] had to ap-[5]pear.
The [1] judge he says to me, "Young fellow,
The [2-] case against [5] you is quite [1] clear.
Seven long years is your sentence, to be spent far a [4] way from this [5] land,
Far a-[1]way from your friends and relations,
Be-[2-]trayed by the [5] black velvet [1] band.

[1-] Black is the [6] colour [7] of my true love's [1-] hair.

She's the sweetest [6] smile and the [7] gentlest [b57] hands.
I love the [6] ground [7] where on she [1-] stands.

[1] 'Twas early in the spring when I decide to go
For to [6-] work up in the woods in north On [3-] tar-i-o
And the [1] unemployment office said they'd send me through
To the [6-] Little Abitibi with the [3-] survey crew

And the [6-] black flies, the little black flies
[1] Always the black fly, no matter where you go
I'll [2-] die with the black fly a-picking my bones
In [4] north On-tar-i- [1] o-i-o,
In [1] north On- [3-] tar-i- [6-] o
Now the [1] man Black Toby was the captain of the crew
And he [6-] said, "I'm gonna tell you boys [3-] what we're gonna do
They [1] want to build a power dam, we must find a way
For to [6-] make the Little Abitibi flow [3-] the other way"

So, we [1] surveyed to the east, survey to the west
And we [6-] couldn't make our minds up [3-] how to do it best
Little [1] Ab, Little Ab, whatever shall I do
For I'm [6-] all but goin' crazy with the [3-] survey crew

With the [6-] black flies, the little black flies
[1] Always the black fly, no matter where you go
I'll [2-] die with the black fly a-picking my bones
In [4] north On-tar-i- [1] o-i-o,
In [3-] north On- tar-i- [6-] o
It was [1] black fly, black fly everywhere
A- [6-] crawlin' in your whiskers, a- [3-] crawlin' in your hair
[1] Swimmin' in the soup, swimmin' in the tea
The [6-] devil take the black fly and [3-] let me be

With the [6-] black flies, the little black flies
[1] Always the black fly, no matter where you go
I'll [2-] die with the black fly a-picking my bones
In [4] north On-tar-i- [1] o-i-o,
In [3-] north On- tar-i- [6-] o
Black [1] Toby fell to swearin', for the work was going slow
And the [6-] state of our morale was a- [3-] gettin' pretty low
When the [1] flies swarmed heavy, it was hard to catch a breath
As you [6-] staggerd up and down the trail [3-] talkin' to yourself

With the [6-] black flies, the little black flies
[1] Always the black fly, no matter where you go
I'll [2-] die with the black fly a-picking my bones
In [4] north On-tar-i- [1] o-i-o,
In [3-] north On- tar-i- [6-] o
Well now the [1] bull cook's name was Blind River Joe
If it [6-] hadn't been for him we'd have [3-] never pulled through
Cuz he [1] bound up our bruises, and he kidded us for fun
And he [6-] lathered us with bacon grease and [3-] balsam gum

For the [6-] black flies, the little black flies
[1] Always the black fly, no matter where you go
I'll [2-] die with the black fly a-picking my bones
In [4] north On-tar-i- [1] o-i-o,
In [3-] north On- tar-i- [6-] o
And at [1] last the job was over,
Black [1] Toby said we're through
With the [6-] Little Abitibi and the [3-] survey crew
'Twas a [1] wonderful experience and [1] this I know
I'll [6-] never go again to north On- [3-] tar-i-o

With the [6-] black flies, the little black flies
[1] Always the black fly, no matter where you go
I'll [2-] die with the black fly a-picking my bones
In [4] north On-tar-i- [1] o-i-o,
In [3-] north On- tar-i- [6-] o

[1] Oh! The Blackpool [6-] Belle was a [1] get-away [6-] train that
[1] went from [6-] Northern [5] Stations,
What a [2-] beautiful [57] sight on a [2-] Saturday [57] night,
[2-] bound for the [57] 'lumi [1]nations.
No mothers and dads, just girls and lads, [17] young and fancy- [4] free
Out for the laughs on the [1] Golden [b67] Mile at
[2-] Blackpool [57] by the [1] Sea.

CHORUS:
I re- [4]member very [1] well
All the [4] happy gang a- [b67]board the Blackpool [b27] Belle. [57]
I re- [1]member them pals of mine when I [b37] ride the Blackpool [6-] Line,
And the [b27] songs we sang to- [57]gether on the Blackpool [1] Belle. [57]

[1] Little Piggy [6-] Greenfield he [1] was [6-] there.
He [1] thought he was [6-] mighty [57] slick.
He [2-] bought a [57] hat on the [2-] Golden Mile [57]
and the [2-] hat said " [57] Kiss me [1] quick".
Piggy was a lad for all the girls, but [17] he drank too much [4] beer.
He made a pass at a [1] Liver- [b67] pool lass
and she [2-] pushed him [57] off the [1] pier.

CHORUS

[1] Ice-cream [6-] Sally could [1] never settle [6-] down.
She [1] lived for her [6-] Knickerbocker [57] Glories,
Till she [2-] clicked with a [57] bloke who [2-] said he was [57] broke,
but she [2-] loved his [57] ice-cream [1] stories.
She took it all in with a smile and a grin. she [17] fell for Sailor [4] Jack.
They went for a trip to the [1] Isle of [b67] Man and [2-] never [57] did come [1] back.

CHORUS

Now [1] some of us [6-] went up the [1] Blackpool [6-] Tower,
[1] others in the [6-] Tunnel of [5] Love.
A [2-] few made [57] off for the [2-] Blackpool [57] Sands
[2-] under the [57] pier a- [1] bove.
There was always a rush at the midnight hour, but we [17] made it just the [4] same,
And I made off with a [1] Liver- [b67]pool lass, but I could [2-] never re- [57] member her [1] name.

CHORUS

[1] Now the Blackpool [6-] Belle has a [1] thousand [6-] tales
if [1] they could [6-] all be [57] told
[2-] Many of [57] these I [2-] will re- [57]call as [2-] I am [57] growing [1] old
[1] They were happy days and I miss the times we'd [17] pull the curtains [4] down
[4] And the Passion Wagon would [1] steam [b67] back home and [2-] we would [57] go to [1] town

That's [57] on the road to [1] Blaydon

CHORUS

Oh [1] me lads, you [57] should've seen us [1] gannin
[4] Passing the folks [1] along the road [b27] just as they were [57] stannin
[1] All the lads and lasses there, [57] all with smiling [1] faces
[4] Gannin along the [1] Scotswood Road - to see the [57] Blaydon [1] Races

We [1] flew past Armstrong's factory and [57] up by the Robin [1] Adair
But [4] gannin doon te the [1] Railway Bridge, [b27] the bus wheel flew off [57] there
The [1] lasses lost their crinolenes [57] and veils that hide their [1] faces
I [4] got two black eyes and [1] a broken nose in [57] gannin to Blaydon [1] races

CHORUS

Now [1] when we got the wheel back on [57] away we went [1] again
But [4] them that had [1] their noses broke [b27] they went back over [57] hyem
[1] Some went to the dispensary and [57] some to Doctor [1] Gibbses
[4] And some to the [1] infirmary to [57] mend their broken [1] ribses

CHORUS

Now [1] when we got to Paradise [57] the bonny games [1] began
There were [4] four and twenty [1] on the bus,man, [b27] how they danced and [57] sung
[1] They called on me to sing a song, I [57] sang them Paddy [1] Fagan
I [4] danced a jig and I [1] swung me twig the [57] day I went to [1] Blaydon

CHORUS

We flew [1] across the Chain Bridge [57] right into Blaydon [1] Toon
The [4] bellman he was [1] calling there [b27] they called him Jackie [57] Broon
I [1] saw him talking to some chaps and [57] he was them per-[1]suadin'
To [4] gan te see Geordie [1] Ridley's show at [57] the Mechanics' Hall in [1] Blaydon

CHORUS

The rain it [1] poured down all the day and [57] made the ground quite [1] muddy
[4] Coffee Johnny had a [1] white hat on Shouted [b27] 'Wee stole the [57]cuddy?'
[1] There were spice stalls and monkey shows and old [57] wives selling [1] ciders
And the [4] chap on the ha'penny [1] roundabout saying [57] "now me boys for [1] riders?"

[1] Closed off from love, I didn't need the [6-] pain
[6-] Once or twice was enough, and it was all in [4] vain
[4] Time starts to pass, before you know it you're [5] frozen

[1] But something happened for the very first time with [6-] you
[6-] My heart melts into the ground, found something [4] true
[4] And everyone's looking round, thinking I'm going [5] crazy

[1] But I don't care what they say, I'm in love with [6-] you
[6-] They try to pull me away, but they don't know the [4] truth
[4] My heart's crippled by the vein that I keep on [5] closing
[5] You cut me open and I,
[1] Keep bleeding, keep, keep bleeding [6-] love
[6-] I keep bleeding, I keep, keep bleeding love
[4] Keep bleeding, keep, keep bleeding [5] love
[5] You cut me open - [1] mmm

[1] Trying hard not to hear, but they talk so [6-] loud
[6-] Their piercing sounds fill my ears, try to fill me with [4] doubt
[4] Yet I know that the goal is to keep me from [5] falling

[1] But nothing's greater than the rush that comes with your em-[6-]brace
And in this world of loneliness I see your [4] face
[4] Yet everyone around me thinks that I'm going [5] crazy, maybe, maybe

[1] But I don't care what they say, I'm in love with [6-] you
[6-] They try to pull me away, but they don't know the [4] truth
[4] My heart's crippled by the vein that I keep on [5] closing
[5] You cut me open and I,
[1] Keep bleeding, keep, keep bleeding [6-] love
[6-] I keep bleeding, I keep, keep bleeding [4] love
[4] Keep bleeding, keep, keep bleeding [5] love
[5] You cut me open

[6-] And it's draining all of [4] me
[4] Oh they find it hard to be-[1]lieve
[1] I'll be wearing these scars for [5] everyone to see

[6-] But I don't care what they say, I'm in love with [4] you
[4] They try to pull me away, but they don't know the [5] truth
[5] My heart's crippled by the vein that I keep on closing
[5] You cut me open and I,
[6-] Keep bleeding, keep, keep bleeding [4] love
[4] I keep bleeding, I keep, keep bleeding [5] love
[5] Keep bleeding, [1] keep, keep bleeding [5] love
[5] You cut me open and [6-] I
[6-] Keep bleeding, [4] keep, keep bleeding [1] love

They [1] say there's a troopship just leaving Bombay,
bound for old Blighty [5] shore
Heavily laden with time expired men, [57] bound for the land they [1] adore.
There's [1] many an airman just finishing his time,
there's many a twerp signing [5] on
You'll get no pro [57]motion this [5] side of the [57] ocean
So [5] cheer up my [57] lads, Bless 'em [1] All.

Bless 'Em [1] All, Bless 'Em All, the long and the [17] short and the [4] tall
[5] Bless all the sergeants and W. O. ones,
[b27] Bless all the [b2] corporals and [57] their blinkin' [57] sons,
Cos we're [1] saying goodbye to them all,
as [17] back to their billets they [4] crawl

So [5] cheer up my [57] lads, Bless 'em [1] All

They [1] say if you work hard you'll get better pay,
we've heard all that be- [5]-fore
Clean up your buttons and polish your boots,

There's [1] many a rookie has taken it in, hook line and sinker an' [5] all

So [5] cheer up my [57] lads, Bless 'em [1] All

Now they [1] say that the Sergeant's a very nice chap, oh what a tale to [5] tell.
Ask him for leave on a Saturday night and [57] he'll pay your fare home as [1] well.
There's [1] many an airman has blighted his life through writing rude words on the [5] wall
[5] You'll get no pro [57]motion this [5] side of the [57] ocean
So [5] cheer up my [57] lads, Bless 'em [1] All

Bless 'Em [1] All, Bless 'Em All, the long and the [17] short and the [4] tall

Seen the [1-] arrow [b57] on the door-[1-]post
Saying, "This land [b57] is con-[1-]demned
All the [b57] way from [7] New Or-[b4]leans

I traveled [b57] through East [1-] Texas

And I know no [b57] one can [7] sing the [b4] blues

Well, I [1-] heard the [b57] hoot owl [1-] singing
As they were [b57] taking down the [1-] tents
The stars a-[b57]bove the [7] barren [b4] trees

Them charcoal [b57] gypsy [1-] maidens

But no-[b57]body can [7] sing the [b4] blues

[1-] See them [b57] big plantations [1-] burning
Hear the [b57] cracking of the [1-] whips
Smell that sweet mag-[b57]nolia [7] blooming [b4]
see the [6] ghosts of [7] slavery [1-] ships
I can hear them [b57] tribes a-[1-]moaning
hear the [b57] undertaker's [1-] bell

[1] [6-] [4] [5] [1]
[1] It was on one Monday [6-] morning
As [4] I walked [5] o'er the [1] moss.
I'd little thought of [3-] 'listing,
'Til the [4] soldiers did me [5] cross.
The [1] company en-[3-]ticed me
To [4] drink their [1] health all [5] round,
And the [1] bounty, [5] [1]
And the [2-] bounty, [1] [5]
They [1] gave me
Five [4] guineas [5] and a [1] crown.

[2-] [6-] [4] [5] [1]
Well [1] my head was full of [6-] drink, love,
And [4] I didn't [5] think of [1] you.
And now I'm forced to [3-] go and join,
The [4] orange and the [5] blues.
Our [1] ship she waits at [3-] anchor,
To [4] take the [1] flowing [5] tide.
I'll re-[1]turn love ([5] I'll re-[4]turn love),
I'll re-[2-] turn love ([4] I'll re-[5]turn),
In the [1] springtime,
When [4] I'll make [5] you my [4] bride.

[1] [6-] [4] [5] [1]
[1] So early the next [6-] morning,
Be-[4] fore the [5] break of [1] day,
The captain gave his [3-] orders
And [4] my love [6-] marched a-[5]way.
All [1] in your ranks and [3-] files boys,
All [4] on your native [5] shore.
Fare thee [1] well love ([5] fare thee [4] well love),
Fare thee [2-] well love ([4] fare thee [5] well),
Fare thee [1] well love,
You're the [4] lad that [5] I a-[1]dore.

[1] [6-] [4] [5] [1]
[1] But I hope you never [6-] prosper,
And I [4] hope you [5] always [1] fail.
In everything you [3-] venture
I [4] hope you [6-] ne'er do [5] well.
And the [1] very ground you [3-] walk upon
May the [4] grass refuse to [5] grow,
Since you've [1] been the ([5] since you've [4] been the),
Since you've [2-] been the ([4] since you have [5] been)
The very [1] cause of
My [4] sorrow, [5] grief and [4] woe. [5]

[4] [6-] [4] [5] [1]
[1] [6-] [4] [5] [1]
[1] [3-] [4] [6-] [5]
[1] [3-] [4] [6-] [5]
[1] [5] [4] [2-] [4] [5]
[1] [4] [5] [4]
[6-] [4] [5] [1]
Well it's [1] true my love has listed
And he [2-] wears the blue [1] cockade.
He is a handsome young man,
Like-[4]wise a roving [5] blade;
He [1] is a handsome [3-] young man,
And he's [4] gone to serve the [5] king,
While my [1] very ([5] while my [4] very),
While my [2-] very ([4] while my [5] very)
Heart is [1] aching [5]
All [4] for the [5] love of [4] him.

[5] Silently I hear the [1] sound of the blue [b27] rain come [5] down

[1] It's late tonight and I just saw you walking [2-] by
Without one word of hello or good [1]bye

Just one look at you with someone new
And [4] then I knew [b2] I'll see you a [4]round
In the [4-] blue blue [1] rain

I didn't know one moment ago it could [4] rain this way
[5] You use to run straight to my arms now you [4] turn a [1]way
Oh I [5] never knew such a feeling of blue
[1] B-l-u [3-]-e [4] rain [b3] b-l-u-e [4] rain - blue [1] rain

Why did you make me love you then break my [4] heart in two
Then [5] leave me alone [2-] here in the rain to [4] cry for [1] you
To [5]morrow will be filled with the lonely
[1] B-l-u [3-]-e [4] rain [b3] b-l-u-e [4] rain

Went [4] to bed last night, and I was in my [1] sleep
Woke [57] up this morn in', the [4] police was shakin' [1] me [47] [1]

I [4] went to thejailhouse, drunk and blue as I could [1] be.
But that [57] cruel old judge [4] sent my man away from [1] me. [47] [1]

They [1] carried me to the courthouse [47] Lordy, how I was [1] cryin'. [17]
They [4] carried me to the courthouse Lordy, how I was [1] cryin'.
They [57] jailed me sixty days in jail,

But this [57] seems like jail, in a [47] cell where there ain't no [1] booze. [47] [1]

My [1] life is all a misery [47] when I cannot get my [1] booze. [17]
My [4] life is all a misery when I cannot get my [1] booze.
I spend [57] every dime on liquor,
got to [4] have the booze to go with these [1] blues. [47] [1]

The boat that I [4] row won't cross no [5] ocean;
The boat that I [4] row won't get me there [5] soon.
But I got the [4] love and if you got the [5] notion,
The boat that I [4] row's big enough for two,

[1] There once was a troop o' Irish dragoons,
[4] Cam marching doon through [57] Fyvie-o.
And the [1] captain's fa'en in love wi' a [4] very bonnie lass,
And her [1] name it is [57] cried, "pretty [1] Peg-[4]gy-[1]o ".

[1] There's many a bonnie lass in the howe o' Auchterless.
[4] There's many a bonnie lass in the [57] Garioch-o.
There's [1] many a bonnie Jean in the [4] streets o' Aiberdeen,
But the [1] floower o' them [57] aw lies in [1] Fy-[4]vie-[1]o.

[1] O' come doon the stair, pretty Peggy, my dear,
[4] Come doon the stair, pretty [57] Peggy-o.
[1] Come doon the stair, bind [4] up your yellow hair,
Tak a [1] last fare-[57] weell o' your [1] dad-[4]dy-[1]o.

[1] Then up cries the colonel, "mount, boys, mount!",
[4] "Tarry!" says the captain, "O-[57] tarry-o!".
O-[1] tarry for a while, for a-[4] nother day or twa,
Til I [1] see if this [57] bonnie lass will [1] mar-[4]ry-[1]o.

[1] Twas in the early morning, when we marched awa,
[4] O' but the captain was [57] sorry-o.
The [1] drums they did beat o'er the [4] bonnie braes o' Gight,
The [1] pipes played the [57] lowlands of [1] Fy-[4]vie-[1]o.

[1] Alang 'ere we come tae auld Meldrum toon,
[4] We had our captain to [57] carry-o.
A-[1] lang 'ere we come, to [4] bonnie Aiberdeen,
We [1] had our [57] captain to [1] bu-[4]ry-[1]o.

[1] Green grow the birks on bonnie Ythanside,
[4] Low lie the lowlands of [57] Fyvie-o.
The [1] captain's name was Ned and he [4] died for a maid,
He [1] died for the [57] chambermaid of [1] Fy-[4]vie-[1]o.

[1] I never did intend a soldier's lady for to be,
[4] I never will marry a [57] soldier-o.
I [1] never did intend to gae [4] tae a foreign land,
And I [1] never will [57] marry a [1] sol-[4]dier-[1]o.

[1] It's braw, aye it's braw, a captain's lady for to be,
[4] Braw to be a captain's [57] lady-o.
[1] Braw to rant and roam, to [4] follow at his word,
And [1] ride when your [57] captain he is [1] rea-[4]dy-[1]o.

He was the [4] top man at his craft,
but then his [1] number came up and he was gone with the draft.
He's in the [57] army now. He's blowin' [47] reveille.
He's the [1] boogie woogie bugle boy of company B.
[4] He's the [1] boogie [6-] woogie [1] bugle [6-] boy
of [1] com[6-]pany [1] B.

Chorus:
A [1] toot, a toot, a toodlie-a-da-toot.
He blows it [17] eight to the bar in boogie rhythm.
He [4] can't blow a note unless a bass and guitar is playin' [1] with him.
And the [57] company jumps when he plays [47] reveille.
[4] He's the [1] boogie [6-] woogie [1] bugle [6-] boy of

They [1] made him blow a bugle for his Uncle Sam.
It really brought him down because he [17] could not jam.
The captain [4] seemed to understand,
because the [1] next day the cap' went out and drafted the band.
And now the [57] company jumps when he plays [47] reveille.

Chorus

He [1] puts the boys to sleep with boogie every night,

They clap their [4] hands and stamp their feet,
'cause they [1] know how it goes when someone gives him a beat.
Woah, woah, he [57] wakes 'em up when he plays [47] reveille.
[4] He's the [1] boogie [6-] woogie [1] bugle [6-] boy of

[6-] I opened up a message, [5] saying "We need to talk"
[6-] Right then I knew the story, [5] that you were ready to move [6-] on
[6-] You can't define what's missing, [5] but you must make the move
[6-] You say you want to leave me, [5] but why you can't seem to [4] prove [5]

But you don't want to [4] lose [5] me [b37]

[4] Can't give you all my [1] time, if we are [5] not together
[4] Can't give you life ad-[1]vice, when my [5] words just go through [4] you
[4] This love comes from one [1] side, it puts me [5] under pressure
[2-] You say you're bored of [4] crying, I'm bored of [5] crying for [6-] you [5] [b37]

[6-] You calling 2 months later, [5] need me to lean upon
[6-] I'm putting on a brave face, [5] but I am trying to move [6-] on
[6-] You know I'll always be there, [5] we still talk everyday
[6-] It's a tough situation, [5] but you have made it this [4] way [5]

But you want me to [4] stay [5] [b37]

[4] Can't give you all my [1] time, if we are DC] not together

([5] I'm bored of crying for [6-] you) [5] [b37]

[6-] I see you calling a-[b37]gain, and I know what's [4] coming
[4] This ship has [5] sailed, but you are crying an [6-] ocean
I won't [b37] answer this [4] time

Boy Named Sue, A

[1] My daddy left home when I was three, [4] and he didn't leave much to ma and me
[5] Just this old guitar and an empty bottle of [1] booze.
[1] Now, I don't blame him cause he run and hid
[4] But the meanest thing that he ever did
[5] Was before he left, he went and named me " [1] Sue."

[1] Well, he must o' thought that is quite a joke,
[4] and it got a lot of laughs from a' lots of folk,
[5] It seems I had to fight my whole life [1] through.
[1] Some gal would giggle and I'd get red [4] and some guy'd laugh and I'd bust his head,
I tell ya, [5] life ain't easy for a boy named " [1] Sue."

[1] Well, I grew up quick and I grew up mean, [4] my fist got hard and my wits got keen,
[5] I'd roam from town to town to hide my [1] shame.
[1] But I made a vow to the moon and stars [4] that I'd search the honky-tonks and bars
[5] And kill that man who gave me that awful [1] name.

[1] Well, it was Gatlinburg in mid-July [4] and I just hit town and my throat was dry,
[5] I thought I'd stop and have myself a [1] brew.
[1] At an old saloon on a street of mud, [4] there at a table, dealing stud,
[5] Sat the dirty, mangy dog that named me " [1] Sue."
[1] Well, I knew that snake was my own sweet dad, [4] from a worn-out picture that my mother'd had,
[5] And I knew that scar on his cheek and his [1] evil eye.
[1] He was big and bent and gray and old, [4] and I looked at him and my blood ran cold
[5] And I said: "My name is 'Sue!' [1] How do you do! - Now you gonna die!!"

[1] Well, I hit him hard right between the eyes [4] and he went down, but to my surprise,
[5] He come up with a knife and cut off a [1] piece of my ear.
[1] But I busted a chair right across his teeth [4] and we crashed through the wall and into the street
[5] Kicking and a' gouging in the mud and the blood and [1] the beer.

[1] I tell ya, I've fought tougher men [4] but I really can't remember when,
[5] He kicked like a mule and he bit like a [1] crocodile.
[1] I heard him laugh and then I heard him cuss, [4] he went for his gun and I pulled mine first,
[5] He stood there lookin' at me and I saw him [1] smile.

[1] And he said: "Son, this world is rough [4] and if a man's gonna make it, he's gotta be tough
[5] And I knew I wouldn't be there to help ya [1] along.
[1] So I give ya that name and I said goodbye [4] I knew you'd have to get tough or die
[5] And it's the name that helped to make you [1] strong."
[1] He said: "Now you just fought one hell of a fight [4] and I know you hate me, and you got the right
[5] To kill me now, and I wouldn't blame you if you [1] do.
[1] But ya ought to thank me, before I die, [4] for the gravel in ya guts and the spit in ya eye
[5] Cause I'm the son-of-a-bitch that named you " [1] Sue.'"

[1] I got all choked up and I threw down my gun [4] and I called him my pa, and he called me his son,
[5] And I came away with a different point of [1] view.
[1] And I think about him, now and then, [4] every time I try and every time I win,
[NC] And if I ever have a son, I think I'm gonna name him
[1] Bill or George! Anything but Sue! I still hate that name!

[1] I remember [6-] all my [1] life, raining down as [6-] cold as [1] ice
[2-] Shadows of the man, her [b2-7] face through a window
[5] Crying in the night and [57] night goes into

[1] Morning just [6-] another [1] day,
Happy people [6-] pass my [1] way
[2-] Looking in their eyes I [b2-7] see a memory

[1] I'm standing on the [6-] end of [1] time
[1] I walked away when [6-] love was [1] mine
[2-] Caught up in a world, of [b2-7] uphill driving
While [5] tears are in my mind and [57] left hand driving,

INSTRUMENTAL

The sailors say [6-] Brandy you're a [4] fine girl (you?re a fine girl)
What a [6-] good wife you would [4] be (such a fine girl)
Your [1] eyes could steal a [5] sailor from the sea
([4] do, [1] do, [b2-7] do, [5] do)

[b2] There's a [1] port on a [4] Western [6-] bay
And it [2-] serves a [4] hundred [b7] ships a [4] day
Lonely [1] sailors pass the [4] time a-[6-]way
And [2-] talk a-[4]bout their [1] homes

[4] And there's a [1] girl in this [4] harbor [6-] town
And she [2-] works [4] layin' [b7] whiskey [4] down
They say [1] Brandy fetch a-[4]nother [6-] round
She [2-] serves them [4] whiskey and [1] wine

The sailors say [6-] Brandy you're a [4] fine girl (you?re a fine girl)
What a [6-] good wife you would [4] be (such a fine girl)
Your [1] eyes could steal a [5] sailor from the sea
([4] do, [1] do, [b2-7] do, [5] do)

[1] Brandy wears a [3-] braided [6-] chain
Made of [2-] finest [4] silver from the [b7] north of [4] Spain
A [1] locket that [3-] bears the [6-] name
Of the [2-] man that [4] Brandy [1] loves

He [1] came on a [3-] summer's [6-] day
Bringing [2-] gifts from [b7] far [4] away
But he [1] made it clear he [3-] couldn't [6-] stay
No [2-] harbor [4] was his [1] home

The sailor said [6-] Brandy you're a [4] fine girl (you?re a fine girl)
What a [6-] good wife you would [4] be (such a fine girl)
Your [1] eyes could steal a [5] sailor from the sea
([4] do, [1] do, [b2-7] do, [5] do)

Yeah [6-] Brandy used to [1] watch his eyes
When he [4] told his sailor's [5] stories
She could [6-] feel the ocean [1] fall and rise
She [4] saw it's raging [5] glory
But [6-] he had always [b7] told the truth
Lord he [6-] was an honest [4] man
And [1] Brandy does her [5] best to under-[4]stand [1]
([4] do, [1] do, [b2-7] do, [5] do)

At [1] night when the [3-] bars close [6-] down
[2-] Brandy [4] walks through a [b7] silent [4] town
And [1] loves a man who's [3-] not a-[6-]round
She [2-] still can [4] hear him [1] say she hears him say

She hears him say [6-] Brandy you're a [4] fine girl (you?re a fine girl)
What a [6-] good wife you would [4] be (such a fine girl)
Your [1] eyes could steal a [5] sailor from the sea
([4] do, [1] do, [b2-7] do, [5] do)

The sailors say [6-] Brandy you're a [4] fine girl (you?re a fine girl)
What a [6-] good wife you would [4] be (such a fine girl)
But my [1] life, my love and my [5] lady is the sea
([4] do, [1] do, [b2-7] do, [5] do)

As [1] I went a [4] walking one [57] morning in [1] spring
I met with some [4] trav'lers in an [57] old country [1] lane
One was an [4] old man the [57] second a [1] maid, ,
And the third was a [4] young boy who [57] smiled as he [1] said:

Chorus:
With the [4] wind in the [1] willows and the [4] birds in the [1] sky,
There's a [4] bright sun to [1] warm us where [4]ever we [57] lie,
We [1] have bread and [4] fishes and a [57] jug of red [1] wine
To [4] share on our journey with [57] all of man [1]kind.

I [1] sat down be[4]side them with the [57] gay flowers a[1]round,
And we ate from a [4] mantle spread [57] out on the [1] ground
They told me of [4] peoples and [57] prophets and [1] kings
And [4] all of the one god who [57] knew every [1]thing

Chorus

So I [1] asked them to [4] tell me their [57] name and their [1] race
That I may re[4]member their [57] kindness and [1] grace.
My name it is [4] Joseph, this is [57] Mary my [1] wife
And this is our [4] young son, who [57] is our dear [1] life

Chorus

We are [1] travelling to [4] Glaston, through [57] England's green [1] lanes,
To hear of men's [4] troubles, to [57] hear of men's [1] pains.
We travel the [4] wide world, o'er the [57] lands and the [1] seas
To tell all the [4] people how [57] they can be [1] free

Chorus

So [1] sadly, I [4] left them, in that [57] old country [1] lane
I know that I [4] never shall [57] see them a [1]gain
One was an [4] old man, the [57] second a [1] maid
The third was a [4] young boy who [57] smiled as he [1] said

Realized that [7] all the lies I've told myself have [1-] died

Filled with all the [7] memories and [b1-7] dreams I have ig-[1-]nored

Building up a world of [b5] brid-[b57]ges

[1-] There is one more [7] thing you need to [6] know
That I forgive my-[7]self for all the lies I said be-[1-]fore
Now I see the [7] road of leading [6] lights
Showing me where [7] I should go
And [b1-] what to leave be-[1-] hind, [7] a-[6] ah [b57]

[1-] There is always time to get back on track

[1-] You will find a way to begin again
[7] No more time to waste, or to play pretend

[1] I think the universe is on my side [1]
[b6-7] Heaven and Earth have finally aligned
[4] Days are good and [5] that's the way it should [1] be [4] [1]

[1] You sprinkle stardust on my pillow case [1]
[b6-7] It's like a moon beam brushed across my face
[4] Nights are good and [5] that's the way it should [1] be [4] [1]

You make me sing [b6-7] ooohhh la la [4] laaa
You make a girl go [b6-7] oohhh oohhh
I'm in [4] love, love [5]

[4] Did you [1] see that shooting [b6-7] star to-[5]night?
[4] Were you [1] dazzled by the [b6-7] same constell-[5]ation?
[4] Did you and [1] Jupiter con-[b6-7]spire to [5] get me?
And you and the [4] Moon and Neptune [1] got it right [b6-7]
'Cause now I'm [5] shining [1] bright, so [b6-7] bright [4]
[1] Bright, so [b6-7] bright [4]

[1] And I see colors in a different way [1]
[b6-7] You make what doesn't matter fade to grey
[4] Life is good and [5] that's the way it should [1] be [4] [1]

You make me sing [b6-7] ooohhh la la [4] laaa
You make a girl go [b6-7] oohhh oohhh
I'm in [4] love, [5] love

[1] I skimmed across black water,
[4] without once sub-merging,
[1] Onto the banks of an urban [5] morning,
[1] That hungers the first light
[4] much, much more than
the [1] mountains [5] ever [1] do.

And [1] she like the ghost beside me,
[4] goes down with the ease of a dolphin,
[1] And emerges un-[5]learned, un-shamed un-[1]harmed,
For [1] she is the perfect creature,
[4] natural in every feature,
And [1] I am the geek with the [5] alchemist [1] stone.

For [4] all of [5] you must dis-[1]cover,
for [4] all who [5] seek to under-[1]stand,
For [4] having [5] left the path of [1] others,
[b7] you'll find a [4] very special [5] hand.

And [1] it is a holy thing and [4] it is a precious time,
And [1] it is the only [5] way,
For-[1]get-me-nots among the snow,
it's [4] always been and so it goes,
To [1] ponder his death and his [5] life eternal-[1]ly.

One [1] bright blue rose out-lives all those,
two [4] thousand years and so it goes,
To [1] ponder his death and his [5] life eternal-[1]ly.

artist: You, writer: Stephen Beeston

A simple 12 bar blues. Play with it and make it your own

[G] Well my G string broke on my uke today
And now I'm sad 'cause I want to play
[C7] Back into the case my ukulele goes
[G] When it's fixed nobody knows
[D7] Can't get out to get new strings
No [G] uke to play, no songs to sing

[G] I go down to the shop with money to pay
For some aquila strings the very next day
[C7] They're out of stock, what will I do?
[G] Another shop I try don't have them too
[D7] Can I wait until they get them in?
[G] My choices sure are looking thin

[G] Next day I buy a random brand
Walk out of the shop with them in my hand
[C7] Get my uke down off the shelf
and [G] I fit the strings all by myself
The [D7] G string breaks, I start to cry
Back [G] to the shop, more strings to buy

[G] They fit the strings while I sit and wait
By now the time is getting late
[C7] I rush right home and start to play
[G] At least I'll get to strum today
[D7] the strings all stretch as I play along
[G] Is there no end to my sad song?

[G] I'll just play on 'till they settle in
Put away my frown, put on my grin
[C7] I persevere until things come right
[G] I strum and tighten through the night
[D7] At least my ukulele now sounds ok
[G] But I've got work, no time to play

> Rollin down the highway [57] smilin
> The spuds are big on the back of Bud's rig and they're from Prince Edward [1] Island
> They're [57] from Prince Edward [1] Island [1]

[1] Now from Charlottetown or from [17] Summerside
They [4] load him down for the big long ride
He [57] jumps in the cab and he's off with the prize [1] Sabagoes
He's gotta catch the boat to make [17] Tormentine
Then he [4] hits up that old New Brunswick line
Through [57] Montreal he comes just a flyin'
With another big load of [1] potatoes

> CHORUS
>
> It's [1] Bud the Spud, from the [4] bright red [1] mud,

(Spoken) [1] "Now the Ontario Provincial Police don't think much of Bud."

[1] Ya the cops have been lookin for the [17] son-of-a-gun
Who's bin [4] rippen the tar off the 401
You [57] know the name on the truck shines up in the sun [1] "Green Gables"
But he hits Toronto and its [17] seven o'clock
When he [4] backs 'er up agin' the terminal dock
And the [57] boys gather round just to hear him talk
About another big load of [1] potatoes

> They're [57] from Prince Edward [1] Island [1]

[1] Now I know a lot of people from [17] east to west
That [4] like the spuds from the island best
Cause they'll [57] stand up to the hardest test "right on the [1] table"
So when you see the big truck a [17] Rollin by,
[4] wave your hand or kinda wink your eye
Cause that's [57] Bud the Spud from old P.E.I
With another big load of po-[1]tatoes

verses in diff order but they all do it differently!

[1] As I was walking down the street
[57] Down the street, [1] down the street,
A [1] pretty little gal I chanced to meet,
We [57] danced by the light of the [1] moon.

> CHORUS
>
> [1] Buffalo gals, won't you come out tonight?
> [57] Come out tonight, [1] come out tonight?
> [1] Buffalo gals, won't you come out tonight
> And [57] dance by the light of the [1] moon.

[1] I asked her if she'd stop and talk,
[57] Stop and talk, [1] stop and talk.
Her [1] feet took up the whole sidewalk
And [57] left no room for [1] me.

> CHORUS
>
> [1] Buffalo gals, won't you come out tonight?
> [57] Come out tonight, [1] come out tonight?
> [1] Buffalo gals, won't you come out tonight
> And [57] dance by the light of the [1] moon.

[1] I asked her if she'd have a dance
[57] Have a dance, [1] have a dance
[1] I thought that I might have a chance
To [57] shake a foot with [1] her.

> CHORUS
>
> [1] Buffalo gals, won't you come out tonight?
> [57] Come out tonight, [1] come out tonight?
> [1] Buffalo gals, won't you come out tonight
> And [57] dance by the light of the [1] moon.

[1] I danced with a gal with a hole in her stockin'
And her [57] heels kept a-knockin' and her [1] toes kept a-rockin'
[1] I danced with a gal with a hole in her stockin'
And we [57] dance by the light of the [1] moon.

> CHORUS
>
> [1] Buffalo gals, won't you come out tonight?
> [57] Come out tonight, [1] come out tonight?
> [1] Buffalo gals, won't you come out tonight
> And [57] dance by the light of the [1] moon.

[1] I asked her if she'd be my wife,
[57] Be my wife, [1] be my wife,
Then [1] I'd be happy all my life,
[57] If she'd marry [1] me.

Now play chorus as many times as you want

Chorus:
Bugger [4] off, you [b7] bastards bugger [4] off! (F*** You!)
Bugger [2-] off, you [b7] bastards bugger [1] off! (F*** You!)
Like a [4] herd of bloody swine who re-[2-]fuse to leave the [b7] trough
You'll [4] get no more this [b7] evening so you [1] bastards bugger [4] off

Note: The "F*** You's" fit to the music and should be sung by the audience

Well you've [4] been a bloody audience, but [1] oh the time does [4] pass.
So don't you all be [2-] letting the door [b7] hit you in the [1] ass.
You've [b7] been a splendid audience, but [4] enough is e-[1]nough.
We'd [4] take it very [b7] kindly if you'd [1] all just bugger [4] off!

Chorus

Here's to the [4] barkeeps and waitresses who've been [1] servin' you your [4] beers,
They put up with your [2-] noxious breath and your [b7] stupid drunken [1] leers.
So be [b7] leaving your money on the [4] table when you [1] go,
To-[4]morrow you'll have a [b7] throbbin' head and [1] nothing else to [4] show

Chorus

Here's to [4] all the lovely ladies who might be [1] waiting for the [4] band,
And thinking one of [2-] them might make a [b7] charmin' one night [1] stand.
So [b7] please don't be offended girls this [4] song's not meant for [1] you.
And we're [4] happy to o-[b7]blige you when this [1] nasty job is [4] through.

Chorus

So now you're [4] promising the ladies a [1] night of loving [4] bliss,
When truth be told you're [2-] far to drunk to [b7] stand up straight and [1] piss.
So [b7] give it up you bloody sods you'll [4] not be getting [1] laid.
And the [4] sooner that you're [b7] out the door the [1] sooner we'll get [4] paid.

Chorus twice

You'll (G] get no more this [b7] evening to you

But I'm [1] Bert, [6-] Bert, and [2-] Royalty's hurt,

[1] Lord Almighty
[4] I feel my [5] temperature [1] rising
[1] Higher, higher
[4] It's burning [5] through to my [1] soul
[1] Girl, girl, girl
[4] You've gone and [5] set me on [1] fire
[1] My brain is flaming
[4] I don't know [5] which way to [1] go

Your [6-] kisses [5] lift me [4] higher
Like the [6-] sweet song [5] of a [4] choir
You [6-] light my [5] morning [4] sky
With [5] burning love [1]

[1] Ooh, ooh, ooh,
[4] I feel my [5] temperature [1] rising
[1] Help me, I'm flaming
[4] I must be [5] a hundred and [1] nine
[1] Burning, burning
[4] Burning and [5] nothing can [1] cool me
[1] I just might turn to
[4] Smoke, but [5] I feel [1] fine

Your [6-] kisses [5] lift me [4] higher
Like the [6-] sweet song [5] of a [4] choir
You [6-] light my [5] morning [4] sky
With [5] burning love [1]

[1] It's coming closer
[4] The flames are now [5] lickin' my [1] body
[1] Won't you help me
[4] I feel like I'm [5] slipping a- [1]way
[1] It's hard to breathe
[4] My chest [5] is a- [1]heaving
[1] Lord have mercy
[4] I'm burning [5] a hole where I [1] lay

Your [6-] kisses [5] lift me [4] higher
Like the [6-] sweet song [5] of a [4] choir
You [6-] light my [5] morning [4] sky
With [5] burning love [1]

[4] With burning [1] love [4]
I'm just a [1] hunk, a hunk of burning [4] love x3
Just a [1] hunk, a hunk of burning [4] love [1]*

[1] [4] [57] [1]
[1] A city girl is happy with her [4] friends [57] and family [1] life
[1] Appreciates a [57] wine with him at [1] night
She [1] tries to find the sparkle, she [4] searches [57] but it's [1] gone
With [1] lots of love she [57] hopes he'll be al [1] right
Her [1] man has gone all quiet he's not at [4] ease
He [57] doesn't feel at home he's hard to [1] please
[1] He gets itchy feet he's tired of [4] noises in the street
He [57] needs to walk for hours through the [1] trees

You see a bushman can't survive on city [4] lights
[1] Opera rock and [57] roll and height of [1] heights
[1] His moon shines on the silver brigalow
[4] Shimmers down the inland river flow
[57] Out there where the yellow belly [1] bites [1] [4] [57] [1]

[1] He's working with his hands today [4] on a [57] building [1] site
[1] He can smell the [57] Cypress on the [1] floor
[1] It takes him to a sandy ridge [4] out amongst the [1] pines
No [1] shearin' no [57] ploughin' any- [1] more
His [1] kelpie dog is tired and fast asleep [4]
[57] Sick of searchin' gardens for the [1] sheep
His [1] master doesn't whistle tunes [4] he's not in the mood
His [57] love for open spaces runs too [1] deep

No a bushman can't survive on city [4] lights
[1] Opera rock and [57] roll and height of [1] heights
[1] His moon shines on the silver brigalow
[4] Shimmers down the inland river flow
[57] Out there where the yellow belly [1] bites

[1] He tries to please his woman the [4] lady of his [1] life
[1] He's standing at a [57] party with a [1] plate
She [1] finds him on the balcony [4] staring [57] at the [1] moon
An old familiar [57] face he can re [1] late

In Dublin [5] city where I did [1] dwell
A butcher [57] boy, I loved right [1] well
He courted [6-] me, my life [2-] away
But now with [57] me, he will not [1] stay

I wish, I [5] wish, I wish in [1] vain
I wish I [57] was a maid a-[1]gain
A maid [6-] again I ne'er will [2-] be
'Till cherries [57] grow on an apple [1] tree

I wish my [5] baby it was [1] born
And smiling [57] on its daddy's [1] knee
And me poor [6-] girl to be dead and [2-] gone
With the long green [57] grass grown over [1] me

She went up [5]-stairs to go to [1] bed
And calling [57] down to her mother [1] said
"Give me a [6-] chair 'till I sit [2-] down
And a pen and [57] ink 'till I write [1] down"

At every [5] word she dropped a [1] tear
And at every [57] line cried "Willie [1] dear -
Oh, what a [6-] foolish girl was [2-] I
To be led a-[57]stray by a butcher [1] boy"

He went up-[5]stairs and the door he [1] broke
He found her [57] hanging from a [1] rope
He took his [6-] knife and he cut her [2-] down
And in her [57] pocket, these words he [1] found

Oh, make my [5] grave large, wide and [1] deep
Put a marble [57] stone at my head and [1] feet
And in the [6-] middle, a turtle [2-] dove
That the world may [57] know, that I died for [1] love.

[57] By the sea, by the sea, by the beautiful sea,

[1] Cake walkers may come, cake walkers may go,
I'd love to tell you 'bout a [b27] couple I [57] know
They're a [b37] high steppin' [6-] pair,
There's [b37] none to com-[6-]pare
[b27] Look at them go, they'll give you the [57] air

[57] Watch them go, look at 'em, demonstratin',
[1] Goin' strong, [b67] you can see some syncopatin'?
[b27] Teasin' brown cos they're the best in town,
At pickin' 'em up and layin' 'em [57] down

[57] Watch them go - there ain't no doubt about it
[1] They're in a class of their own
[b2] You may [4] try - you'll never beat 'em
The [1] only way to win is to cheat 'em,

[57] Come and strut your stuff, and watch those syncopatin',
[b27] Cake walkin' [57] babies from [1] home [b27]

[57] You can watch them go, look at 'em, demonstratin',
[1] Goin' strong, [b67] can't you see they're syncopatin'?
[b27] Teasin' brown cos they're the best in town,
At pickin' 'em up and layin' 'em [57] down

[57] Watch them go - there ain't no doubt about it
[1] They're up in a class of their own [17]
You may [4] try - you'll never beat 'em
[1] The only way to win is to cheat 'em,

[1] I don't know if you can [5] see,
The [6-] changes that have come [4] over me.
In these [1] last few days I've [5] been afraid,
That I [6-] might drift a-[4]way.
I've been [1] telling old stories, [5] singing songs,
That [6-] make me think about [4] where I came from.
[1] That's the reason [5] why I seem
So [6-] far away to-[4]day.

Chorus:
[1] Oh let me tell you that I [5] love you,
That I [6-] think about you all the [4] time.
Caledonia you're [1] calling me,
Now I'm [5] going [1] home.
But [1] if I should become a [5] stranger,
Know that [6-] it would make me more than [4] sad,
Caledonia's been [5] everything I've ever [1] had.

[1] Now I have moved and [5] kept on moving,
[6-] Proved the points [4] that I needed proving,
[1] Lost the friends [5] that I needed losing,
[6-] Found others on [4] the way.
[1] I have tried [5] and kept on trying,
[6-] Stolen dreams, yes there's [4] no denying,
[1] I have travelled hard sometimes [5] with conscience flying,
[6-] Somewhere with [4] the wind.

Chorus

Now I'm [1] sitting here be-[5]fore the fire,
[6-] The empty room, a [4] forest choir,
The [1] flames that couldn't [5] get any higher,
They've [6-] withered now [4] they've gone.
[5] But I'm [1] steady thinking [5] my way is clear,
[6-] And I know what I will [4] do tomorrow,
[1] When hands have shaken, [5] and kisses flown,
[1] Then I will [4] disappear.

[1] I'd like to dream my troubles are away
[5] On a bed of California stars
[4] Jump up from a starbed and make another day
[1] Underneath my California stars

[1] They hang like grapes on vines that shine
[5] And warm the lovers glass like friendly wine
[4] So, I'd give this world just to dream a dream with you
[1] On our bed of California stars

[1] I was ten when I first heard the call of angels [1sus4][1]
They were running through the bushes in my back yard [1sus4][1]
I never did know much about the gospel [1sus4][1]
But hearing angels never seemed that hard [1sus4]

[5] I got [4] older I got [1] wiser [1sus4]
[5] I lived my [4] life come what [1] may [1sus4]
[5] I still be-[4]lieve in the call of [1] angels [1sus4]
[5] I hear them [4] every single [1] day [1sus4]

[b7] I can [4] still hear the call of [1] angels [1sus4] x 4

[1] I remember fresh cut flowers [1sus4][1]
The smell of momma's stale perfume [1sus4] [1]
She'd be out on the front porch singing [1sus4][1]
Calling the angels to [2-] see us through [1sus4]

[5] I got [4] older I got [1] wiser [1sus4]
[5] I lived my [4] life come what [1] may [1sus4]
[5] I still be-[4]lieve in the call of [1] angels [1sus4]
[5] I hear them [4] every single [1] day [1sus4]

[b7] I can [4] still hear the call of [1] angels [1sus4] x 4

[1] Sometimes life deals you hard luck [1sus4][1]
And you find trouble no matter what you do [1sus4][1]
Lord I hope you're listening somewhere [1sus4][1]
I need a few more angels to see me through [1sus4]

[5] I got [4] older I got [1] wiser [1sus4]
[5] I lived my [4] life come what [1] may [1sus4]
[5] I still be-[4]lieve in the call of [1] angels [1sus4]

And the [b7] people that I see,

Don't make me sit all alone and cry
Well, it's [57] over, I [47] know it but I can't let [17] go
[17] I'm like a fish out of water
A cat in a tree
You don't even want to talk to me
Well, it's [57] over, I [47] know it but I can't let [17] go

[17] He won't take me back when I come around
Says he's sorry then he pulls me out
I got a big [47] chain around my neck
And I'm [17] broken down like a train wreck
Well, it's [57] over, I [47] know it but I can't let [17] go

[17] See I got a candle, and it burns so bright
In my window every night
Well, it's [57] over, I [47] know it but I can't let [17] go
[17] You don't like to see me standing around
Feel like I been shot and didn't fall down
Well, it's [57] over, I [47] know it but I can't let [17] go

[17] He won't take me back when I come around
Says he's sorry then he pulls me out
I got a big [47] chain around my neck
And I'm [17] broken down like a train wreck
Well, it's [57] over, I [47] know it but I can't let [17] go

[17] Turn off the trouble like you turn off a light
Went off and left me it just ain't right
Well, it's [57] over, I [47] know it but I can't let [17] go
[17] Rounds every corner something I see
Bring me right back how it used to be
Well, it's [57] over, I [47] know it but I can't let [17] go

[17] He won't take me back when I come around
Says he's sorry then he pulls me out
I got a big [47] chain around my neck
And I'm [17] broken down like a train wreck
Well, it's [57] over, I [47] know it but I can't let [17] go

Well, it's [57] over, I [47] know it but I can't let [17] go
Well, it's [57] over, I [47] know it but I can't let [17] go
Well, it's [57] over, I [47] know it but I can't let [17] go

You know I [1] can't smile without you
[6-] I can't smile without you
[b2-7] I can't laugh, and I can't sing
[57] I'm finding it hard to do anything
You see I [1] feel sad when you're sad

[b2-7] If you only knew what I'm going through
[57] I just can't smile without [1] you

[1] You came along [6-] just like a song
and [b2-7] brightened my day
[57] Who would have believed that you were [1] part of a dream

[1] There was a time in [4] this fair land when the [1] railroad did not run
When the [1] wild majestic [4] mountains stood a-[5]lone against the sun
[1] Long before the [4] white man and [1] long before the wheel
When the [1] green dark [5] forest was too [b7] silent to be [1] real [5-] [1] [5-] [1]

But [1] time has no be-[4]ginnings and the [1] history has no bounds
As [1] to this verdant [4] country they [5] came from all around
They [1] sailed upon her [4] waterways and they [1] walked the forests tall
Built the [1] mines, the mills and the [5] factories for the [b7] good of us [1] all

[5-] [1] [5-] [1]
And [1] when the young man's [4] fancy had [1] turned into the spring
The [1] railroad men grew [4] restless for to [5] hear the hammers ring
Their [1] minds were over-[4]flowing with the [1] visions of their day
With [1] many a fortune [5] won and lost and [b7] many a debt to [1] pay

For they [5] looked in the future and [2-] what did they see
They saw an [b7] iron road running from the [1] sea to the sea
[5] Bringing the goods to a [2-] young growing land
All [b7] up from the seaports and [1] into their hands

Look a-[b7]way said [1] they, a-[b7]cross this mighty [1] land
From the [b7] eastern [1] shore to the [b7] western [1] strand

[5] Bring in the workers and [2-] bring up the rails
We gotta [b7] lay down the tracks and [1] tear up the trails
[5] Open her heart let the [2-] life blood flow
Gotta [b7] get on our way 'cause we're [1] moving too slow

[5] Bring in the workers and [2-] bring up the rails
We gotta [b7] lay down the tracks and [1] tear up the trails
[5] Open her heart let the [2-] life blood flow
Gotta [b7] get on our way 'cause we're [1] moving too slow
[b7] Get on our way 'cause we're [5] moving too slow

Be-[1]hind the blue Rockies the [4] sun is de-[5]clining
The [1] stars they come [4] stealing at the [b2] close of the [5] day [57]
[1] Across the wide [17] prairie our [4] loved ones lie [5] sleeping
[1] Beyond the dark [4] oceans in a place [5] far a-[1]way

[1] We are the navvies who [4] work upon the rail-[5]way
[1] Swinging our [4] hammers in the [b27] bright blazing [5] sun [57]
[1] Living on [17] stew and [4] drinking bad [5] whiskey
[1] Bending our backs [4] til the long [5] days are [1] done

[1] We are the navvies who [4] work upon the rail-[5]way
[1] Swinging our [4] hammers in the [b27] bright blazing [5] sun [57]
[1] Laying down [17] track and [4] building the brid-[5]ges
[1] Bending our old backs [4] 'til the rail-[5]road is [1] done

So [5] over the mountains and [2-] over the plains
[b7] Into the muskeg and [1] into the rain
[5] Up the St. Lawrence all the [2-] way to Gaspé
[b7] Swinging our hammers and [1] drawing our pay
[5] Drivin' 'em in and [2-] tying them down
A-[b7]way to the bunkhouse and [1] into the town
A [5] dollar a day and a [2-] place for my head
A [b7] drink to the living, a [5] toast to the dead

Oh the [1] song of the [5-] future has been [1] sung
All the [5-] battles have been [1] won
On the [5-] mountain tops we [1] stand
All the [5-] world at our co-[1]mmand
We have [5-] opened up her [1] soil
With our tear-[5-]drops and our [5] toil

For there [1] was a time in [4] this fair land when the [1] railroad did not run
When the [1] wild majestic [4] mountains stood a-[5]lone against the sun
[1] Long before the [4] white man and [1] long before the wheel
When the [1] green dark [5] forest was too [b7] silent to be [1] real
When the [1] green dark [5] forest was too [b7] silent to be [1] real
And [1] many are the [5] dead men ...

[1] Goodbye Norma Jean
Though I never [4] knew you at all
You had the grace to [1] hold yourself
While those around you [4] crawled
They crawled out of the [1] woodwork
And they [4] whispered into your brain
They set you on the [1] treadmill
And they made you change your [4] name

Chorus:
And it [5] seems to me you [57] lived your life
Like a [1] candle in the [4] wind
Never [1] knowing who to cling to
When the [5] rain set in
And I [4] would have liked to have known you
But I was [6-] just a kid
Your candle burned out [5] long before
Your [4] legend ever [1] did

[1] Loneliness was tough
The toughest [4] role you ever played
Hollywood created a [1] superstar
And pain was the price you [4] paid
Even when you [1] died
Oh the [4] press still hounded you
[4] All the papers had to say
Was that [1] Marilyn was found in the [4] nude

Chorus

[1] Goodbye Norma Jean
Though I never [4] knew you at all
You had the [1] grace to hold yourself
While those around you [4] crawled
[1] Goodbye Norma Jean
From the young man [4] in the 22nd row
Who sees you as something more than [1] sexual
More than just our Marilyn Mon-[4]roe

Chorus

Your candle burned out [5] long before
Your [4] legend ever [1] did

Car Radio

[b7] [b7] [1] [2-] [1] [b7] [b7] [1] [2-] [1] .
[b7] I ponder of something great, my [b7] lungs will fill and then de-[1]flate
They [2-] fill with fire, exhale desire,
I [1] know it's dire, my time today

[b7] I have these thoughts, so often I [b7] ought
To replace that slot [1] with what I once [2-] bought
'Cause somebody stole my car [1] radio and now I just sit in [b7] silence

[b7] Sometimes quiet is [1] violent, [2-] I find it hard to hide it
My [1] pride is no longer inside, it's [b7] on my sleeve
My skin will scream reminding me of [1] who I killed in-[2-] side my dream
I hate this car that [1] I'm driving, there's no hiding for [b7] me
I'm forced to deal with what I [b7] feel
There is no [1] distraction to mask what is [2-] real
[1] I could pull the steering wheel

[b7] I have these thoughts, so often I [b7] ought
To replace that slot [1] with what I once [2-] bought
'Cause somebody stole my car [1] radio and now I just sit in [b7] silence

[b7] [b7] [1] [2-] [1] [b7] [b7] [1] [2-] [1] [b7] [b7] [1] [2-] [1] [b7] [b7] [1] [2-] [1] .
[b7] I ponder of something terrifying
[b7] 'Cause this time there's no sound to [1] hide behind
[2-] I find over the course of our human existence
[1] One thing consists of consistence
[b7] And it's that we're all battling fear
Oh [b7] dear, I don't know if we know why we're [1] here
[2-] Oh my, too deep
Please stop thinking, [1] I liked it better when my car had sound

[b7] There are things we can do
But from the [b7] things that work there are only [1] two
And [2-] from the two that we choose to do
[1] Peace will win and fear will lose
There's [b7] faith and there's sleep
We [b7] need to pick one please [1] because [2-] faith is to be awake
And to be a-[1] wake is for us to think
And for us to [b7] think is to be alive
And I will [b7] try with every rhyme to [1] come a-[2-] cross like I am dying
To let you [1] know you need to try to [b7] think

[b7] I have these thoughts, so often I [b7] ought
To replace that slot [1] with what I once [2-] bought
'Cause somebody stole my car [1] radio and now I just sit in [b7] silence

[b7] I ponder of something great, my [b7] lungs will fill and then de-[1]flate
They [2-] fill with fire, exhale desire
I [1] know it's dire - my time today

Intro: [1] / [b2] [b2]

The [1] early light is [b2] breaking,
The [2-] morning sun is [5] waiting in the [6-] sky
And I [b2] think I'm gonna [5] break away,
And [1] follow where the [b2] birds of freedom [5] fly [57]

I need to [1] give [17], I need to [4] live [b2]
For the [1] world is slowly turning,
And the [2-] lights of love are [5] burning in my [1] eyes

CHORUS

Caravans, oh my [17] soul is on the [4] run,
Over [2-] land, I am [1] fly-[5]ing,
Cara-[1]vans, moving [17] out into the [4] sun,
Oh I [2-] don't know where I'm [5] going, but I'm [4] go-[1]ing

Interlude: [1] [b2] [b2]

I [1] wish I had the [b2] wisdom
To [2-] find some simple [5] words to make you [6-] see,
That the [b2] things that mean a [5] lot to you
Don't [1] always seem to [b2] mean a lot to [5] me [57]

I need to [1] breathe [17], I need to [4] leave [b2]
When the [1] sands of time go drifting by
I [2-] may be on my [5] own, but I'll be [1] free

CHORUS

do chorus twice

Caravans, oh my [17] soul is on the [4] run,
Over [2-] land, I am [1] fly-[5]ing,
Cara-[1]vans, moving [17] out into the [4] sun,
Oh I [2-] don't know where I'm [5] going, but I'm [4] go-[1]ing

[1] [b7] [4] [5] [5]
[1] Pickin up the [5] pieces of my [b37] sweet shattered [6-] dream,
I [4] wonder how the [1] old folks are to-[5]night?
Her [1] name was Ann, and [5] I'll be damned if [b37] I recall her [6-] face;
[4] She left me not [5] knowing what to [1] do.

[1] Carefree [b7] highway, [4] let me [5] slip away on [1] you
Carefree [b7] highway, [4] you've seen [5] better days
The [6-] morning after [5] blues, from my [4] head down [1] to my [b2] shoes
[1] Carefree [b7] highway, [4] let me [5] slip away, slip away on [1] you

[b7] [4] [5] [1] [b7] [4] [5] [5]
[1] Turning back the [5] pages to the [b37] times I love [6-] best [5]
I [4] wonder if she'll [1] ever do the [5] same? [5]
Now the [1] thing that I call [5] living is just [b37] being satis-[6-]fied,
With [4] knowing I got [5] no one left to [1] blame

[1] Carefree [b7] highway, [4] let me [5] slip away on [1] you
Carefree [b7] highway, [4] you've seen [5] better days
The [6-] morning after [5] blues, from my [4] head down [1] to my [b2] shoes
[1] Carefree [b7] highway, [4] let me [5] slip away, slip away on [1] you

[b7] [4] [5] [1] [b7] [4] [5] [5]
[1] Searching thru the [5] fragments of my [b37] dream shattered [6-] sleep [5]
I [4] wonder if the [1] years have closed her [5] mind? [5]
Well I [1] guess it must be [5] wanderlust or [b37] trying to get [6-] free,
[4] From the good old [5] faithful feeling we once [1] knew

[1] Carefree [b7] highway, [4] let me [5] slip away on [1] you
Carefree [b7] highway, [4] you've seen [5] better days
The [6-] morning after [5] blues, from my [4] head down [1] to my [b2] shoes
[1] Carefree [b7] highway, [4] let me [5] slip away, slip away on [1] you
Let me [5] slip away on [1] you

Carefree [b7] highway [4] I got to [5] see you my old [1] flame
Carefree [b7] highway, [4] you've seen [5] better days
The [6-] morning after [5] blues, from my [4] head down [1] to my [b2] shoes
[1] Carefree [b7] highway, [4] let me [5] slip away, slip away on [1] you

[1] Love, oh [5-7] love, oh [57] careless [17] love
[17] You fly [17] to my [b67] head like [b27] wine [57]
You've [1] wrecked the [17] life of [4] a, many a poor [4-] girl
And you [1] nearly [57] spoiled this life of [1] mine [57]

[1] Love, oh [5-7] love, oh [57] careless [1] love [17] [57]
[17] In your [17] clutches [b67] of de-[b27]sire [57]
You [1] made [5] me [17] break a [4] many true [4-] vow
Then you [1] set my [57] very [47] soul on [1] fire [57] [17] [57]

[1] Love, oh [5-7] love, oh [57] careless [1] love
[17] All my [17] happi-[b67]ness has [b27] left [57]
You [1] filled my [17] heart with them [4] weary old [4-] blues
Now I'm [1] walkin' [57] talkin' to my-[1] self [57] [1] [57]

[1] Love, oh [57] love, oh careless [1] love
Trusted [17] you, now [b67] it's too [b27] late [57]
You've [1] made me [17] throw my [4] only friend [4-] down
That's [1] why I [57] sing this song of [1] hate [57] [1] [57]

[1] Love, oh [5-7] love, oh [57] careless [1] love [17] [57]
[1] Night and [17] day I [b67] weep and [b27] moan [57]
You [1] brought the [17] wrong man in-[4] to this life of [4-] mine

[1] The wind is in from Africa, [5] last night I couldn't sleep
Oh, you know it [4] sure is hard to [1] leave here Carey
But it's really [5] not my home
[1] My fingernails are filthy, I got [5] beach tar on my feet
And I [4] miss my clean white [1] linen and my fancy French co[5]logne

Oh Carey get out your cane, [1] and I'll put on some [5] silver
[4] Oh you're a mean old Daddy, but I [5] like [1] you fine

Come on down to the Mermaid Café and I will [5] buy you a bottle of wine
And we'll [4] laugh and toast to [1] nothing and smash our [5] empty glasses down
Let's have a [1] round for these freaks and these soldiers
A [5] round for these friends of mine
Let's have another [4] round for the bright red [1] devil
Who keeps me [5] in this tourist town

Come on Carey get out [1] your cane, I'll put on some [5] silver
[4] Oh you're a mean old Daddy, [1] but I [5] like [1] you

[1] Maybe I'll go to Amsterdam,
[5] Maybe I'll go to Rome and [4] rent me a grand pi[1]ano
And put some [5] flowers 'round my room
But [1] let's not talk about fare-thee-wells now
The [5] night is a starry dome
And they're [4] playin' that scratchy [1] rock and roll
Beneath the [5] Matala Moon

Come on Carey get out your [1] cane, I'll put on some [5] silver
[4] Oh you're a mean old Daddy, [1] but I [5] like [1] you

The wind is in from Africa, [5] last night I couldn't sleep
Oh you know it [4] sure is hard to [1] leave here
But it's really not [5] my home

[1] Maybe it's been too long a time
Since I was [5] scramblin' down in the street
Everybody [4] look for that clean white [1] linen
And that fancy [5] French cologne

Oh Carey get out your [1] cane, I'll put on my finest [5] silver
We'll [4] go to the Mermaid [1] Café, have [5] fun to [1] night
I said, [4] Oh, you're a mean old [1] Daddy
But you're [5] out of [1] sight

How it [4] breaks my heart to [1] leave you
Now the [4] carnival is [5] gone

High a-[1]bove, the dawn is [5] waking
And my tears are falling [1] rain
For the [4] carnival is [1] over
We may [4] never [5] meet a-[1]gain

Like a [4] drum, my [5] heart was [1] beating
And your [4] kiss was [5] sweet as [1] wine
But the [4] joys of [5] love are [3-] flee-[1]ting
For Pier-[4]rot and Colum-[b7]bine

[5] Now the [1] harbor light is [5] calling
This will be our last good-[1]bye
Though the [4] carnival is [1] over
I will [4] love [5] you till I [1] die

Like a [4] drum, my [5] heart was [1] beating
And your [4] kiss was [5] sweet as [1] wine

All the [1] places I have been to, all the [6-] things that [5] I have [4] seen
Since I [1] left my home to wander, when [4] I was just fif-[5]teen

So [1] one more time I left my home with [4] suitcase in my [5] hand
Oh the [1] journey took me far and wide [6-] across the [5] deep blue [4] sea
And [1] now I know since I've been there where [5] I was meant to [1] be

[1] I've seen [4] sunsets on the ocean I've [1] seen the desert bloom
[1] I've [4] driven endless highways be-[1]neath the prairie [5] moon
Yet the [1] picture in my mind I see when I [6-] think a-[5]bout it [4] all

[4] When we were at [b7] school our [4] games were [b7] simple,
[4] I played the [b7] janitor, [4] you played the [b7] monitor
[4] Then you played with [b7] older [4] boys and [b7] prefects,
[4] what's the a-[b7]ttraction in [4] what they're [1] doing?

[4] Hey, [b7] Carrie [1] Anne,
what's your [4] game now, can [b7] anybody [1] play?
[4] Hey, [b7] Carrie [1] Anne,
what's your [4] game now, can [b7] anybody [1] play?

[4] You were always [b7] something [4] special [b7] to me,

[4] You lost your [b7] charm as [4] you were [b7] aging,
[4] where is your [b7] magic [4] dis-[1]appearing?

[4] Hey, [b7] Carrie [1] Anne,
what's your [4] game now, can [b7] anybody [1] play?
[4] Hey, [b7] Carrie [1] Anne,

[4] Hey, [b7] Carrie [1] Anne,

[4] People live and [b7] learn but [4] you're still [b7] learning,
[4] you use my [b7] mind and [4] I'll be your [b7] teacher
[4] When the lesson's [b7] over [4] you'll be [b7] with me,

[1] Vegetables [5] live in [6-] oppression, [4] served on our [5] tables each [1] night
This [1] killing of [5] veggies is [6-] madness, [4] I say we [5] take up the [1] fight

[5] I told the judge when he [1] sentenced me, [5] this is my finest [1] hour
[5] I'd kill those farmers a-[1]gain, [4] just to save one more cauli-[5]flower

Carry on my wayward son
There'll be peace when you are done
Lay your weary head to rest
Don't you cry no more

[1-] Once I [7] rose above the [6] noise and con-[7]fusion
[1-] Just to [7] get a glimpse [6] beyond this i-[7]llusion
[4-] I was [3] soaring ever [b2] higher [b2] [3]
[4-] But I [3] flew too [7] high
[1-] Though my [7] eyes could see I [6] still was a [7] blind man
[1-] Though my [7] mind could think [6] I still was [7] a mad man
[4-] I hear the [3] voices when I'm [b2] dreaming
[4-] I can [3] hear them [7] say

[1-] Carry [3] on my [7] wayward [6] son
[1-] There'll be [3] peace when [7] you are done
[1-] Lay your [3] weary [7] head to [6] rest
[1-] Don't you cry no more

[1-] Masque-[7]rading as a [6] man with a [7] reason
[1-] My cha-[7]rade is the [6] event of the [7] season
[4-] And if I [3] claim to be a [b2] wise man [b2] [3]
[4-] It surely [3] means that I don't [7] know
[1-] On a [7] stormy sea of [6] moving e-[7]motion
[1-] Tossed [7] about I'm like a [6] ship on the [7] ocean
[4-] I set [3] sail for winds of [b2] fortune [b2] [3]
[4-] But I [3] hear the voices [7] say

[1-] Carry [3] on my [7] wayward [6] son
[1-] There'll be [3] peace when [7] you are done
[1-] Lay your [3] weary [7] head to [6] rest
[1-] Don't you cry no more

[1-] Carry on you will [3] always [7] remember
[1-] Carry on nothing [3] equals the [7] splendor
[4-] Now your [3] life's no longer [b2] empty [b2] [3]
[4-] Surely [3] Heaven waits for [7] you

[1-] Carry [3] on my [7] wayward [6] son
[1-] There'll be [3] peace when [7] you are done
[1-] Lay your [3] weary [7] head to [6] rest

[1-] The Castleford Ladies' Magical Circle meets tonight
In an upstairs aspidistra room that's [b57] lit by candlelight
Where [4-] Elizabeth Jones and Lily O'Grady
and [1-] three or four more [5-] married [b57] ladies
[b57] Practice every week unspeakable [1-] pagan rites [1-]

[1-] Dressed in their Sunday coats and their flowerpot hats
Respectable [b57] middle-aged ladies running to fat, at [5-] that
Where [4-] Elizabeth Jones and Lily O'Grady
and [1-] three or four more [5-] married [b57] ladies
Each with a Woolworth's broomstick and a [1-] tabby cat [1-]

[1-] But they don't waste time with a Ouija board or a seance, now and again, no
None of your wittering, twittering, petty polter-[b57] geists for them, no
[4-] Elizabeth Jones and Lily O'Grady
and [1-] three or four more married [b57] ladies
[b57] Prefer to be tickled by the whiskery chins of [1-] bogey men [1-]

[1-] Their husband's potter at snooker down the club
Unaware of the devilish jiggery-[b57]poke and rub-a-dub-dub
While [4-] Elizabeth Jones and Lily O'Grady
and [1-] three or four more married [b57] ladies
Are [b57] frantically dancing naked for Be-[1-]elzebub [1-]

[1-] And after the witches' picnic and the devil's grog
After their savage [b57] pantings, their hysterical leap-frog
Well, [4-] Elizabeth Jones and Lily O'Grady
and [1-] three or four more married [b57] ladies
Go back home for cocoa and the [1-] epilogue [1-]

[1-] So be careful how you go of a Saturday night
If you see a little old lady passing by, it [5-] very well might be
[4-] Elizabeth Jones or Lily O'Grady or [1-] one of those satanical ladies
Their [5-] eyes are wild and bright, their cheekbones all alight
Don't go where they in-[b57]vite
Because the Castleford [6] Ladies' [7] Magical Circle [1-] meets tonight

[47] It would mean the [b67] world [b27] if you would be my girl
I'd be the [57] happiest man in the [1] whole damn [1maj7] world [17] to-[47]day
[1] [1maj7] [17] [47] .
And if you'd take my [b67] hand, [b27] let me be your man
Every [57] second with you would [1] blow my [1maj7] blues [17] a-[47]way

> CHORUS
>
> Oh I [b67] studied at the school of Mills and Boon
> [b27] To learn the thing girls want to hear
> To [57] get inside their blouses
> And the [1] place be-[1maj7]tween their [17] ears
> [47] People think I'm [b67] crazy
> That I [b27] read books meant for ladies
> But the [57] words they never fail me
> At the [1] most im-[1maj7]portant [17] time

[47] It would be se-[b67]rene, [b27] life would be a dream
Just like [57] floating through a [1] sky turned [1maj7] blue
[17] from [47] grey
[1] [1maj7] [17] [47] .
And when I wake [b67] up I [b27] would want your face to be
The [57] first thing that I [1] see every [1maj7] sin-[17]gle [47] day

Chorus

Chorus

[b27] I throw out the lines
Let me [57] reel you in [17]
Let me [57] reel you in [17]
Let me [57] reel you in
Won't you [17] be my catch of the [4] day [b27]
Let me [57] reel you in [17]
Let me [57] reel you in [17]
Let me [57] reel you in
Won't you [17] be my catch of the [4] day

My [5] homeroom homeroom [4] angel always [1] pulled me from my [4] seat
[5] She was pure like [4] snowflakes, no-[1]one could ever [4] stain
The [5] memory of my [4] angel, could [1] never cause me [4] pain
[3-] Years go by I'm lookin' through a [6-] girly maga-[1] -zine [b2]
And [3-] there's my homeroom angel on the [6-] pages in be-[1]tween [b2]

My [5] blood runs [4] cold, my [1] memory has [4] just been sold

My [5] blood runs [4] cold, my [1] memory has [4] just been sold
[5] [4] [1] Angel is the [4] centerfold

[5] Slipped me notes [4] under the desk while [1] I was thinkin' a-[4]bout her [1] dress
[5] I was shy I [4] turned away, be-[1]fore she caught my [4] eye
[5] I was shakin' [4] in my shoes, when [1] ever she flashed those [4] baby-blues
[5] Something had a [4] hold on me when [1] angel passed close [4] by
[3-] Those soft and fuzzy sweaters, too [6-] magical to [1] touch [b2]
Too [3-] see her in that negligee is [6-] really just too [1] much [b2]

My [5] blood runs [4] cold, my [1] memory has [4] just been sold
My [5] angel is the [4] centerfold, [1] angel is the [4] centerfold
My [5] blood runs [4] cold, my [1] memory has [4] just been sold
[5] [4] [1] Angel is the [4] centerfold

[5] Na na, na [4] na na na, [1] na na na, na na [4] na na na na x4

[5] It's okay I [4] understand this [1] ain't no never-[4]never land
I [5] hope that when this [4] issue's gone I'll [1] see you when your [4] clothes are on
[5] Take you car, [4] yes we will we'll [1] take your car and [4] drive it
We'll [5] take it to a [4] motel room and [1] take 'em off in [4] private
[3-] A part of me has just been ripped
The [6-] pages from my [1] mind are [b2] stripped
[3-] Oh no, I can't deny it [6-] oh yea, I [1] guess I gotta [b2] buy it!

[5] You took a mystery and [6-] made me want it,
you got a pedestal and [b2] put me on it,
[b7-] You made me love you out of [3-] feeling nothing,
[b2] something that you do.
[1] And I was there and not dancing with anyone,
[6-] you took a little, then you [b2] took me over.
[b7-] You set your mark on [3-] stealing my heart away,
[b2] crying, trying, [b27] anything for you.

[b6] I'm in the middle of a chain reaction,
[5] you give me all the after midnight action,
[b5] I wanna get you where I can let you make [b7-] all that love to [b3] me.
[b7] I'm on a journey for the inspiration,
[b6] to anywhere and there ain't no salvation,
[5] I need you to get me nearer to you
so [1-] you can set me [b3-] free.
We talk about [b7] love, [2-] love, [b3] love, we talk about [b7] love.
We talk about [b7] love, [2-] love, [b3] love, we talk about [b7] love. [1] [b2] [5]

[5] You make me tremble when your [6-] hand moves lower,
you taste a little then you [b2] swallow slower.
[b7-] Nature has a way of [3-] yielding treasure, [b2] pleasure made for you, oh.
[1] You gotta plan, your future is on the run,
[6-] you shine a light for the [b2] whole world over,
[b7-] you never find your love [3-] if you hide away,
[b2] crying, dying, [b27] all you gotta do is...

[b6] Get in the middle of a chain reaction,
[5] you get a medal when you're lost in action,
[b5] I wanna get your love all ready for the [b7-] sweet sensation,
[b3] Instant radiation.

[b7] You let me hold you for the first explosion,
[b6] we get a picture of our love in motion,
[5] my arms will cover, my lips will smother you,
with [1-] no more left to [b3-] say.
We talk about [b7] love, [2-] love, I [b3] ove, we talk about [b7] love ....

[b6] You let me hold you for the [5] first explosion,
[b5] my arms will cover you, all you gotta [b7] do
[b7] You're in the middle of a chain reaction, [b6] you get a medal when you're lost in action,

[1] I took off for a [4] weekend last month
Just to [5] try and recall the whole [1] year
All of the faces and [4] all of the places
[5] Wonderin' where they all dis- [1]appeared
[6-] I didn't ponder the [3-] question too long
I was [4] hungry and went out for a [5] bite
Ran [4] into a chum with a [1] bottle of rum
and we [5] wound up drinkin' all [1] night

It's those [4] changes in latitudes, [1] changes in attitudes
[5] Nothing remains quite the [1] same
With [4] all of our running and [1] all of our cunning
If [5] we couldn't laugh we would [4] all go in- [1]sane

[1] Reading departure signs [4] in some big airport
Re- [5]minds me of the places I've [1] been
Visions of good times that [4] brought so much pleasure
Makes [5] me want to go back a- [1]gain
If it [6-] suddenly ended to- [3-]morrow
I could [4] somehow adjust to the [5] fall
[4] Good times and riches and [1] sons of a bitches
I've [5] seen more than I can re- [1]call

These [4] changes in latitudes, [1] changes in attitudes
[5] Nothing remains quite the [1] same
Through [4] all of the islands and [1]a ll of the highlands
If [5] we couldn't laugh we would [4] all go in- [1]sane

[4] [1] [5] [4] [1] [1]

I [1] think about Paris when I'm [4] high on red wine
I [5] wish I could jump on a [1] plane
So many nights I just [4] dream of the ocean
God, I [5] wish I was sailin' a- [1]gain
Oh, [6-] yesterday's over my [3-] shoulder
So [4] I can't look back for too [5] long
There's just [4] too much to see waiting [1] in front of me
And I [5] know that I just can't go [1] wrong

With these [4] changes in latitudes, [1] changes in attitudes
[5] Nothing remains quite the [1] same
With [4] all of our running and [1] all of my cunning
If [5] I couldn't laugh, I just [4] would go in- [1]sane
If [5] we couldn't laugh, we just [4] would go in- [1]sane
If [5] we weren't all crazy we [4] would [5] go in- [4]sane [1] [5] [1]

[b57] Man I'm telling you

[1] We'll do it [5] all, every-[4]thing, on our [1] own.
[1] We don't [5] need any-[4]thing, or any [1] one.

If I lay [1] here, if I just [5] lay here
Would you lie [4] with me, and just forget the [1] world.

[1] I don't quite [5] know how to [4] say how I [1] feel
[1] Those three [5] words, are said too [4] much, they're not e-[1]nough.

If I lay [1] here, if I just [5] lay here
Would you lie [4] with me, and just forget the [1] world.
Forget what we're [1] told, before we get [5] too old
Show me a [4] garden that's bursting into life. [1]

[1] Let's waste [5] time, chasing [4] cars, around our [1] heads.
[1] I need your [5] grace to re-[4]mind me, to find my [1] own.

If I lay [1] here, if I just [5] lay here
Would you lie [4] with me, and just forget the [1] world.
Forget what we're [1] told, before we get too [5] old
Show me a [4] garden that's bursting into life. [1]

All that I [1] am, all that I [5] ever was
Is here in your [4] perfect eyes, they're all I can [1] see
I don't know [1] where, confused about [5] how as well
just know that these [4] things will never change for us at all. [1]

[1] If I lay here, if I just [5] lay here
Would you lie [4] with me, and just forget the world. [1]

[b67] Track twenty [b27] nine;
[57] boy, you can give me a [1] shine. [57]

[1] Can you afford to board the [4] Chattanooga [1] Choo-Choo?
[b67] I got my [b27] fare, [57] and just a trifle to [1] spare [17].

[1] You leave the [4] Pennsylvania [17]Station

[b7] Dinner in the [57] diner, [4] nothing could be [b27] finer
Than to [57] have your ham and [2-] eggs in [17] Carolina.

[4] When you hear the [17] whistle blowing [4] eight to the bar,
[4] Then you know that [17] Tennessee is [4] not very far.
[b7] Shovel all your [57] coal in, [4] gotta keep a-[b27]rollin'.
[5-7] Whoo whoo, [17] Chattanooga, [5-7] there you [4] are!

[1] There's gonna be a certain [4] party at the [1] station.

[1] Way down yonder on the Chattahoochee
It gets hotter than a [5] hoochie [1] coochie
[1] We laid rubber on the Georgia asphalt
[1] We got a little crazy but we [5] never got [1] caught

[4] Down by the river on a Friday night
[1] A pyramid of cans in the pale moonlight
[4] Talking 'bout cars and dreaming 'bout women
[b27] Never had a plan just a livin' for the [5] minute

[1] Yeah way down yonder on the Chattahoochee
Never knew how much that muddy water [5] meant to [1] me
[1] But I learned how to swim and I learned who I was
A lot about livin' and a [5] little 'bout [1] love

[1] Well we fogged up the windows in my old Chevy
I was willing but she [5] wasn't [1] ready
[1] So I settled for a burger and a grape snow cone
Dropped her off early but I [5] didn't go [1] home

[1] Giving me [5] head on the [4] unmade [1] bed

And [4] that was called love for the [1] workers in song
Probably [4] still is for those of them [57] left

Ah but [4] you got away, [1] didn't you babe
You [1] just turned your [b3-7] back on the [6-] crowd
[4] You got away, I never once [1] heard you say
I [4] need you, I don't [1] need you

You [1] told me a [5]gain you [4] preferred handsome [1] men
But for [4] me you would make an ex [57]ception
And [6-] clenching your fist for the [4] ones like us
Who are o [1]pressed by the [b3-7] figures of [6-] beauty
[4] You fixed yourself, you said, [1] "Well never mind
We are [4] ugly but we have the [57] music."

[1] For two long years my head hurt bad
So a [4] doctor checked me an he shook his head
He said [57] I'm sorry to tell you
But your body's outlived your [1] brain
He said I know this doctor in New York, son
And he'll [4] fix you right up with a brand new one
So the [57] head doctor met me
When I stepped down off of the [1] train.

[1] He said we had this bank robber killed last night
His [4] body's shot but his brain's alright
I'll [57] give you a transplant, boy
And you'll be [1] OK
I got my new brain in and I was feelin' great
I went [4] right back to Nashville with no headache
But something [57] strange happened
When I walked in the bank one [1] day.

I said [4] stick 'em up ever'body I'm robbin' this place
Drop [1] all of your money in my guitar case
Don't [4] nobody move and don't nobody reach for that [57] door
A [1] lady said, why you're Johnny Cash
I said [4] no ma'am, I'm the Manhattan Flash
And I [57] am the best bank robber in New [1] York.

[1] Now the other night Roy Acuff called me
He said [4] John I'd like for you to do the Opry
So I [57] went out on the stage, but I couldn't [1] sing
I got into a half a verse of 'I Walk The Line'
And [4] something snapped in this head of mine
I yelled [57] stick 'em up -
Give me your money, your watches and [1] rings.

[b2] [b5] [b67]
[b2] Well, I called New York and talked to that brain quack
And said [b5] Doc I gotta have my old brain back
He said I'm [b67] sorry there, Mr. Cash, but I can't do [b2] that
He said I put your brain in a chicken last monday
He's [b5] singing your songs and makin' lots of money
And I got him [b67] signed to a ten-year recording con- [b2] tract.

[b2] Now friends if you see me walkin' down the street
Remember [b5] what you see ain't necessarily me
And if I [b67] try to hold you up, don't pay me no [b2] mind
But when you got ten bucks that you can blow
You oughta [b5] catch that Johnny Chicken show
He's doin' [b67] fairs and concert dates
All up and down the [b2] line.

I said [b5] stick 'em up ever'body I'm robbin' this place
Drop [b2] all of your money in my guitar case
Don't [b5] nobody move and don't nobody reach for that [b67] door

[1] [4] [5] [1] [1]
Far be-[1]tween sundown's [5] finish and [1] midnight's broken [4] toll
We [1] ducked inside the [4] doorway as [5] thunder went [1] crashing
As ma-[1]jestic bells of [5] bolts struck [1] shadows in the [4] sounds
[1] Seeming to be the [5] chimes of freedom [1] flashing
[5] Flashing for the warriors whose [1] strength is not to fight
[4] Flashing on the [1] refugees on the [2-] unarmed road of [5] flight
And for [1] each and every [5] underdog [1] soldier in the [4] night
And we [1] gazed upon the [4] chimes of [5] freedom [1] flashing

[1] Through the city's melted [5] furnace, unex-[1]pectedly we [4] watched
With [1] faces hidden [5] as the walls were [1] tightening [5]
As the [1] echo of the [5] wedding bells [1] before the blowing [4] rain
[1] Dissolved into the [5] bells of the [1] lighting
[5] Tolling for the rebel, [1] tolling for the rake
[4] Tolling for the [1] luckless, the [2-] abandoned and [5] forsaked
[1] Tolling for the [5] outcast burnin' [1] constantly at [4] stake
And we [1] gazed upon the [4] chimes of [5] freedom [1] flashing

[1] Through the mad mystic [5] hammering of the [1] wild ripping [4] hail
The [1] sky cracked its [5] poems in naked [1] wonder [5]
That the [1] clinging of the [5] church bells blew [1] far into the [4] breeze
[1] Leaving only bells of [5] lightning and its [1] thunder
[5] Striking for the gentle, [1] striking for the kind
[4] Striking for the [1] guardians and [2-] protectors of the [5] mind
And the [1] poet and the [5] painter far be-[1]hind his rightful [4] time
And we [1] gazed upon the [4] chimes of [5] freedom [1] flashing

In the [1] wild cathedral [5] evening the [1] rain unraveled [4] tales
For the [1] disrobed faceless [5] forms of no [1] position [5]
[1] Tolling for the [5] tongues with no [1] place to bring their [4] thoughts
All [1] down in taken-for-[5]granted [1] situations
[5] Tolling for the deaf and blind, [1] tolling for the mute
For the [4] mistreated, mateless [1] mother, the mis-[2-]titled prosti-[5]tute
For the [1] misdemeanor out-[5]law, chained and [1] cheated by pur-[4]suit
And we [1] gazed upon the [4] chimes of [5] freedom [1] flashing

Even [1] though a cloud's white [5] curtain in a [1] far-off corner [4] flared
And the [1] hypnotic splattered [5] mist was slowly [1] lifting [5]
Electric [1] light still struck like [5] arrows, [1] fired but for the [4] ones
[1] Condemned to drift or [5] else be kept from [1] drifting
[5] Tolling for the searching ones, on their [1] speechless, seeking trail
For the [4] lonesome-hearted [1] lovers with too [2-] personal a [5] tale
And for [1] each unharmful, [5] gentle soul mis-[1]placed inside a [4] jail
And we [1] gazed upon the [4] chimes of [5] freedom [1] flashing

[1] Starry-eyed and [5] laughing, as I re-[1]call when we were [4] caught
[1] Trapped by no track of [5] hours for they hanged sus-[1]pended [5]
As we [1] listened one last [5] time and we [1] watched with one last [4] look
[1] Spellbound and [5] swallowed 'til the tolling [1] ended
[5] Tolling for the aching, whose [1] wounds cannot be nursed
For the [4] countless confused, [1] accused, misused,
[2-] strung-out ones and [5] worse
And for [1] every hung-up [5] person in the [1] whole wide uni-[4]verse
And we [1] gazed upon the [4] chimes of [5] freedom [1] flashing

My [1] name is Francis [6-] Tolliver.
I [4] come from Liver-[2-]pool.
Two [57] years ago the war was waiting
[4] for me after [1] school.
To Belgium and to [6-] Flanders,
to [4] Germany, to [2-] here,
I [57] fought for King and country I love [1] dear.
Twas [57] Christmas in the trenches
where the [4] frost so bitter [1] hung.
The [6-] frozen fields of [3-] France were still,
no [4] Christmas song was [57] sung.
Our [1] families back in [6-] England
were [4] toasting us that [2-] day,
Their [57] brave and glorious lads so far a-[1]way.

I was [1] lyin' with my [6-] mess-mate
on the [4] cold and rocky [2-] ground
When a-[57]cross the lines of battle
came a [4] most peculiar [1] sound.
Says I "Now listen [6-] up me boys",
each [4] soldier strained to [2-] hear
As [57] one young German voice sang out so [1] clear.
"He's [57] singin' bloody well you know",
my [4] partner says to [1] me.
Soon [6-] one by one each [3-] German voice
[4] joined in in harmo-[57]ny.
The [1] cannons rested [6-] silent.
The [4] gas cloud rolled no [2-] more
As [57] Christmas brought us respite from the [1] war.

As [1] soon as they were [6-] finished
a [4] reverent pause was [2-] spent.
"God [57] Rest Ye Merry Gentlemen"
struck [4] up some lads from [1] Kent.
The next they sang was [6-] 'Stille Nacht"
"Tis [4] 'Silent Night'" says [2-] I
And [57] in two tongues one song filled up that [1] sky.

"There's [57] someone commin' towards us"
the [4] front-line sentry [1] cried.
All [6-] sights were fixed on [3-] one lone figure
[4] trudging from their [57] side.
His [1] truce flag, like a [6-] Christmas star,
shone [4] on that plain so [2-] bright
As he [57] bravely strode, unarmed, into the [1] night.

Soon [1] one by one on [6-] either side
walked [4] into no-mans-[2-]land
With [57] neither gun nor bayonet
we [4] met there hand to [1] hand.
We shared some secret [6-] brandy
and [4] wished each other [2-] well
And in a [57] flare-lit soccer game we gave 'em [1] hell.
We [57] traded chocolates, cigarettes
and [4] photographs from [1] home
These [6-] sons and fathers [3-] far away
from [4] families of their [57] own.
Young [1] Sanders played his [6-] squeeze box
They [4] had a vio-[2-]lin
This [57] curious and unlikely band of [1] men.

Soon [1] daylight stole u-[6-]pon us
and [4] France was France once [2-] more.
With [57] sad farewells we each began
to [4] settle back to [1] war.
But the question haunted [6-] every heart
that [4] beat that wonderous [2-] night
"Whose [57] family have I fixed within my [1] sights?"
Twas [57] Christmas in the trenches
where the [4] frost so bitter [1] hung.
The [6-] frozen fields of [3-] France were warmed
as [4] songs of peace were [57] sung.
For the [1] walls they'd kept be-[6-]tween us
to e-[4]xact the work of [2-] war
Had been [57] crumbled and were gone forever [1] more.

My [1] name is Francis [6-] Tolliver.
In [4] Liverpool I [2-] dwell.
Each [57] Christmas come since World War One I've
[4] learned its lessons [1] well.
That the ones who call the [6-] shots won't be

The cabaret's and [17] honky tonks

[57] Lights that say forget her name

[57] Lights that offer other girls
For [1] empty hearts like mine

They paint a pretty [17] picture
Of a [4] world that's gay and bright
And it's [57] just a mask for loneliness
Behind those city [1] lights

Just a [57] place to run away and hide
Behind those city [1] lights

A [1] masquerade for tears

[6] Words mean so little when you [b47] look up and smile
I don't care [1-] what people say to me you're [b47] more than a child,
oh, [4-] Clair, [7] Clair.

[1-] Clair - if [4-] ever a moment so [77] rare
was [5-] captured for all to com-[1-]pare
that [4-] moment is you, in [6] all that you [7] do.

But [3] why - in [b1] spite of our age difference [4-] do I cry,
[77] each time I leave you I feel [3] I could die ?
[6] Nothing means more to me than [b47] hearing you say:

In a [1] cavern, in a canyon, excavating for a [5] mine,
Lived a [57] miner, forty-[1]niner, and his [5] daughter Clemen[1]tine.

Chorus:
Oh my [1] darling, oh my darling, oh my darling Clemen[5]tine
Thou art lost and gone for [1] ever, dreadful [5] sorry, Clemen[1]tine.

Light she [1] was, and like a fairy, and her shoes were number [57] nine,
Herring [57] boxes without [1] topses, sandals [5] were for Clemen[1]tine.

Chorus

Walking [1] lightly as a fairy, though her shoes were number [5] nine,
Sometimes [57] tripping, lightly [1] skipping, lovely [5] girl, my Clemen[1]tine

Chorus

Drove she [1] ducklings to the water every morning just at [5] nine,
Hit her [57] foot against a [1] splinter, fell in [5] to the foaming [1] brine.

Chorus

Ruby [1] lips above the water, blowing bubbles soft and [5] fine,
But a-[57]las, I was no [1] swimmer, so I [5] lost Clemen[1]tine.

Chorus

In my [1] dreams she still doth haunt me, robed in garments soaked in [5] brine,
Though in [57] life I used to [1] hug her, now she's [5] dead I draw the [1] line!

[1] Out on the board the old shearer [4] stands
[1] Grasping his shears in his [b27] thin bony [57] hands

[1] [5] [1] [1]
[1] Well, I was born a [4] coal miner's [1] daughter [1]
In a cabin on a [b27] hill in [5] Butcher Holler [57]
We were [1] poor, but we had love
That's the [4] one thing that daddy made [1] sure of
He shoveled coal to [5] make a poor man's [1] dollar [1]

[1] My daddy worked all [4] night in the Van Lear [1] coal mine [1]
All day long in the [b27] field a-hoin' [5] corn [57]
Mommy [1] rocked the babies at night
And read the [4] Bible by the coal-oil [1] light
And ever'thing would start all [57] over come break of [1] morn' [1]
key changes skipped
Daddy [1] loved and raised eight [4] kids on a miner's [1] pay [1]
Mommy scrubbed our clothes on a [b27] washboard ever' [5] day [57]
Why, I've [1] seen her fingers bleed
To com-[4]plain there was no [1] need
She'd smile in Mommy's [5] understanding [1] way [1]

In the [1] summertime we [4] didn't have shoes to [1] wear [1]
But in the wintertime we'd [b27] all get a brand new [5] pair [57]
From a [1] mail order catalog
Money [4] made from sellin' a [1] hog
Daddy always managed to [5] get the money [1] somewhere [1]

Yeah! I'm [1] proud to be a [4] coal miner's [1] daughter [1]
I remember well, the [b27] well where I drew [5] water [57]
The [1] work we done was hard
At night we'd [4] sleep 'cause we were [1] tired
I never thought of ever [5] leaving Butcher [1] Holler [1]

Well, a [1] lot of things have [4] changed since way back [1] then [1]
And it's so good to [b27] be back home a-[5]gain [57]
Not much [1] left but the floor
Nothing [4] lives here any-[1]more
Except the mem'ries of a [5] coal miner's [1] daughter [5] [1]

[1]
[1] Back through the years,
[1] I go wonderin once again
Back to the seasons of [4] my youth
I re-[1]call a box of rags that someone gave us
And how my momma put the rags to [4] use

There were [1] rags of many colors
[1] Every piece was small
[1] And I didn't have a coat
And it was [57] way down in the fall
Momma [1] sewed the rags together
Sewin [4] every piece with love
She made my [1] coat of many colors
That [5] I was so proud [1] of

[1] As she sewed, she told a story
[1] From the bible, she had read
[1] About a coat of many colors
Joseph [57] wore and then she said
Per-[1]haps this coat will bring you
Good [4] luck and happiness
And I just [1] couldn't wait to wear it
And momma [5] blessed it with a [1] kiss

My [4] coat of many colors that my [1] momma made for me
[4] Made only from rags but I [1] wore it so [57] proudly
Al-[1]though we had no money well I was [4] rich as I could be
In my [1] coat of many colors my [5] momma made for [1] me [b67]

So with [b2] patches on my britches and [b2] holes in both my shoes
[b2] In my coat of many colors I [b67] hurried off to school
Just to [b2] find the others laughing and [5] making fun of me
in my [b2] coat of many colors my [b67] momma made for [b2] me

And [b67] oh I [b2] couldn't understand it for [b2] I felt I was rich
[b2] And I told them of the love my momma [b67] sewed in every stitch
And I [b2] told em all the story momma [5] told me while she sewed
And how my [b2] coat of many colors was worth [b67] more than all [b2] their clothes

But they [5] didn't understand it and I [b2] tried to make them see
That [5] one is only poor only [b2] if they choose to [b67] be
Now I [b2] know we had no money but I was [5] rich as I could be
In my [b2] coat of many colors my [b67] momma made for [5] me
Made just [b2] for me

[1] Early one mornin' while makin' the rounds, I took a shot of cocaine and I
[5] shot my woman down. I went right home and I went to bed.
[1] I stuck that lovin' .44 beneath my head

[1] Got up next mornin' and I grabbed that gun, took a shot of cocaine and
[5] away I run. Made a good run but I run too slow
[1] They overtook me down in Juarez, Mexico.

[1] Late in the hot joints takin' the pills, in walked the sheriff from
[5] Jericho Hill. He said Willy Lee your name is not Jack Brown.
[1] You're the dirty hack that shot your woman down.

[1] Said yes, oh yes my name is Willy Lee, if you've got the warrant just
[5] a-read it to me. Shot her down because she made me slow.
[1] I thought I was her daddy but she had five more.

[1] When I was arrested I was dressed in black, they put me on a train and they
[5] took me back. Had no friend for to go my bail.
[1] They slapped my dried up carcass in that county jail

[1] Early next mornin' about a half past nine, I spied the sheriff coming
[5] down the line. Talked and he coughed as he cleared his throat, he said
[1] come on you dirty heck into that district court.

[1] Into the courtroom my trial began where I was handled by
[5] twelve honest men. Just before the jury started out
[1] I saw the little judge commence to look about.

[1] In about five minutes in walked a man, Holding the verdict in
[5] his right hand. The verdict read in the first degree.
[1] I hollered Lawdy Lawdy, have a mercy on me.

[1] The judge he smiled as he picked up his pen 99 years in the
[5] Folsom pen. 99 years underneath that ground.
[1] I can't forget the day I shot that bad bitch down.

[1] Come on you've gotta listen
[4] unto me, [5] lay off that whiskey and let that cocaine [1] be.

INSTRUMENTAL

It's [1] cold in Colorado, colder in my [4] heart,
[5] Shattered hopes and dreams; [57] tear me a-[1]part. [57]

It's [1] cold in Colorado, colder in my [4] heart,
[5] Shattered hopes and dreams; [57] tear me a-[1]part. [57]
I [1] crossed that old blue river, a river of [4] tears, and
I don't [5] know if I can live - another heart-break [1] year.

It was [1] down in old Kentucky, where bluegrass [4] grows,
[5] Hope springs eternal, [57] when bourbon whiskey [1] flows.
Met a [1] pretty young lady, a southern aristo-[4]crat, and
I [5] should have known better [57] to trust a gal like [1] that.

Now it's [4] cold in Colorado, colder in my [1] heart,
These [5] shattered hopes and dreams; tear me a-[1]part.
I [4] crossed that old blue river, a river of [1] tears, and
I don't [5] know if I can live [57] another heart-break [1] year.

INSTRUMENTAL

I don't [5] know if I can live [57] another heart-break [1] year.

On a [1] moonlit night in Georgia, met a sweet southern [4] belle,
[5] Thought I knew the ways of love [57] thought I knew them [1] well.
She was [1] sweeter than the jasmine, I do remember [4] that,
Now, a-[5]nother shattered dream [57] she's never coming [1] back.

Now it's [4] cold in Colorado, colder in my [1] heart,
These [5] shattered hopes and dreams; tear me a-[1]part.
I [4] crossed that old blue river, a river of [1] tears, and
I don't [5] know if I can live [57] another heart-break [1] year.

There's [5] been too many lovers, too [4] many memor-[1]ies,
That [5] took my heart and soul and the [4] better part of [1] me.

Now it's [4] cold in Colorado, colder in my [1] heart,
These [5] shattered hopes and dreams; tear me a-[1]part.
I [4] crossed that old blue river, a river of [1] tears, and
I don't [5] know if I can live [57] another heart-break [1] year.

No I don't [5] know if I can live [57] another heart-break [4] year. [1] [5] [1]

Intro: [4] [b3] [1] [4] [1]

All you need is [4] time
All you need is [b3] time, time, [4] time to make it [1] bend
[4] Give it a try don't be rude
Put it to the test and I'll [b3] give it right [4] back to [1] you
It's [5] cold on the shoulder
And you [4] know that we get a little [b3] older every [1] day

Bridge
[4] Take it around
Take it to town
Try to defy what you feel inside
You better be strong your love belongs to [1] us
It's [5] cold on the shoulder
And you [4] know that we get a little [b3] older every [1] day

[4] All you need is trust
All you need is [b3] trust, trust, [4] trust to make it [1] show
[4] I don't want to know everything you've done
If you get a [b3] tip tell it to the [4] eski-[1]moes
It's [5] cold on the shoulder
And you [4] know that we get a little [b3] older every [1] day

[4] All you need is faith
All you need is [b3] faith, faith, [4] faith to make it [1] nice
[4] Kick it around don't be rude
If you're gonna make a [b3] mistake don't you [4] make it [1] twice
It's [5] cold on the shoulder
And you [4] know that we get a little [b3] older every [1] day
It's [5] cold on the shoulder

I [1] tried so hard my dear to show that you're my every [57] dream
Yet you're afraid each thing I do is just some evil [1] scheme
A mem'ry from your lonesome past keeps us so far [4] apart
Why [57] can't I free your doubtful mind and melt your Cold Cold [1] Heart.

[1] Another love before my time made your heart sad and [57] blue
And so my heart is paying now for things I didn't [1] do
In anger, unkind words are said that make the teardrops [4] start
Why [57] can't I free your doubtful mind and melt your Cold Cold [1] Heart.

You'll [1] never know how much it hurts to see you sit and [57] cry
You know you need and want my love yet you're afraid to [1] try
Why do you run and hide from life, to try it just ain't [4] smart
Why [57] can't I free your doubtful mind and melt your Cold Cold [1] Heart.

There [1] was a time when I believed that you belonged to [57] me
But now I know your heart is shackled to a memo [1] ry
The more I learn to care for you, the more we drift a [4] part
Why [57] can't I free your doubtful mind and melt your Cold Cold [1] Heart.

[NC] In a [1] little café, just the [4] other side of the [1] border
she was sitting there giving me [4] looks
that made my mouth [1] water [17]
Well, I [4] started walking her way, she belonged to Badman José
and I [5] knew, yes I knew, I should [57] leave,
but I heard her [1] say--[4]ay--[5]ay

> CHORUS
>
> [NC] Come a little bit [1] closer, you're [4] my kind of [5] man,

> Come a little bit [1] closer,
> I'm all a-[5]lone, and the night is so [1] long [4] [5] [4]

So, we [1] started to dance,
in my [4] arms she felt so in-[1]viting
And, I just [1] couldn't resist, just [4] one little kiss, so ex-[1]iting [17]
Then, I [4] heard the guitar player say
"Vamoose, José's on his way!"
and I [5] knew, yes I knew, I should [57] run,
but I heard her [1] say--[4]ay--[5]ay

> CHORUS

Then, the [1] music stopped,
[NC] when I [4] looked, the café was [1] empty
Then, I heard José say
"Man, you [4] know you're in trouble [1] plenty" [17]
So, I [4] dropped my drink from my hand,
and through the window I ran,
And as I [5] rode away, I could [57] hear her say to [1] José--[4]ay--[5]ay

I'm [1] mopin' around the [17] streets late at night
I'm [1] worried because you ain't [17] treatin' me right
[4] Come back again
[b7] I'm just crazy 'bout you [1] babe

I spoke to your Mum and I [17] spoke to your Dad
[1] - They said I was crazy, [17] made me feel sad
[4] Come back again
[b7] I'm just crazy 'bout you [1] babe

Feelin' so sad, so lonely too
[1] You don't know how it is to feel [17] sad and lonely an' blue
[4] Come back again
[b7] I'm just crazy 'bout you [1] babe

I spoke to your Dad and I [17] spoke to your Mum
[1] - They said go away boy and [17] leave us alone
[4] Come back again
[b7] I'm just crazy 'bout you [1] babe

I really don't know what to do
Everything you say just [17] makes me feel blue
[4] Come back again
[b7] I'm just crazy 'bout you [1] babe

I went to the dance but I [17] went all alone
[1] - I watched you dancin' then I [17] followed you home
[4] Come back again
[b7] I'm just crazy 'bout you [1] babe

I'm mopin' around the [17] streets late at night
[1] Worried because you ain't [17] treatin' me right

I've got my [4] Hush Puppies on,
I guess I [5] never was meant for glitter [1] rock and roll
[2-] And honey [4] I didn't know,
[5] that I'd be missing you so

Come [4] Monday, it'll [1] be all right;
Come [4] Monday, I'll be [5] holding you tight
I spent [1] four lonely [3-] days in a [4] brown L. A. [5] haze,

And now you're [4] off on vacation,
[5] something you [1] tried to explain
[2-] And Darlin' it's [4] I love you so,

[4] [1] [5] [1]
Many [1] miles I have wandered, on the [4] paths of my [1] homeland,
By [4] rivers, through [1] woodland, and [2-] by the sea [5] side.
On [1] streets I have seen those with [4] greed and hate [1] in their eyes,
And [4] those with their [1] hearts and their [5] hands open [1] wide.

[4] [1] [5] [1]
All my life has been blessed by its [4] thunderstorm [1] summer times,
By [4] misty gold [1] autumns, by [2-] fires in the [5] snow.
By [1] rainbows, by bluebells, by [4] radiant [1] spring times,
In the [4] wild, windy [1] meadows, where the [5] dandelions [1] blow.
[4] [1] [5] [1]
There are [1] some who would change this fair [4] home to a [1] prison,
To [4] enslave the [1] many, and [2-] bow to the [5] few.
[NC]The robbers, the racists, the breakers of faces,
Who [4] hide behind [1] masks and the [5] red white and [1] blue.

So stand [1] up, come on, England, live [4] up to your [1] history,
Your [4] heart can't be [1] held in a [2-] flag or a [5] crown!
Raise your [1] tea cups and glasses, you [4] bold lads and [1] lasses,
And [4] drink to the [1] spirit that will [5] never lie [1] down!
[4] [1] [5] [1]
For I [1]* come from the [1]* land of the [4]* diggers and [1]* levellers,
The [4]* fighters for [1]* freedom and [2-]* our National [5]* Health.
The [1]* beaten, mis[1]*treated, but [4]* never de-[1]*feated,
The [4]* builders and [1]* guardians of the [5] true Common [1]wealth.
[4] [1] [5] [1]
Only [1] lovin' can save us, only [4] givin' will [1] raise us,
So [4] welcome all [1] travellers to [2-] sweet liber-[5]ty.
And [1] raise all your voices to de-[4]fend our de-[1]mocracy... [1]
For [4] equality, [1] justice, and [5] community. [1]

[NC] So stand up, come on, England, live up to your history,
Your heart can't be held in a flag or a crown!
Raise your tea cups and glasses, you bold lads and lasses,
And drink to the spirit that will never lie down!

So stand [1] up, come on, England, live [4] up to your [1] history,
Your [4] heart can't be [1] held in a [2-] flag or a [5] crown!
Raise your [1] tea cups and glasses, you [4] bold lads and [1] lasses,
And [4] drink to the [1] spirit that will [5] never lie [1] down!
Slow down [NC] And drink to the spirit that will never lie down!

[1] Poor old Johnny [3-] Ray
Sounded [4] sad upon the radio moved a [1] million hearts in [5] mono
[1] Our mothers [3-] cried
[4] Sang along, who'd blame them [1] [5]
[1] You're grown (you're grown up), [3-] so grown (so grown up)
[4] Now I must say more than ever [1] [5] (come on Eileen)
[1] Toora-loora- [3-] toora-loo-rye- [4] aye
And we can [1] sing just like our [5] fathers

Chorus:
[b2] Come on Eileen oh, I [b5-] swear (well he means)
At this [3-] moment you mean [5] every- [b6] thing
With [b2] you in that dress, my [b5-] thoughts (I confess)
Verge on [3-] dirty, ah come [5] on [b6] Eileen

[1] These people round [3-] here
wear beaten- [4] down eyes sunk in smoke-dried faces,
so re- [1] signed to what their [5] fate is
But [1] not us (no never), no [3-] not us (no never)
[4] We are far too young and clever [1] [5] (remember)
[1] Toora-loora- [3-] toora-loo-rye- [4] aye
Eileen I'll [1] hum this tune for [5] ever

[b2] Come on Eileen oh, I [b5-] swear (well he means)
Ah come [3-] on let's take off [5] every- [b6] thing
That [b2] pretty red dress, Ei- [b5-] leen (tell him yes)
Ah come [3-] on let's, ah come [5] on Ei- [b6] leen, [b2] please
getting gradually faster
bit of a mess here - hard to show the background singing
[b2] (Come on Eileen too-loo rye- [b5-] aye come on)
(Eileen too-loo rye- [5] aye toora toora-too-loora)
[5] Now you are grown, now you have shown, [b2] Oh Ei- [b6] leen
Said, [b2] (Come on Eileen too-loo rye- [b5-] aye come on)
[b2] Come on Eileen, [b5-] These things they are real and I know how you feel
(Eileen too-loo rye- [5] aye toora toora-too-loora)
Now I must say more than ever
[b2] Things round here have [b6] changed
[b2] Too-ra loo-ra [b5-] too-ra loo-rye- [5] aye [b2] [b6]

[b2] Come on Eileen oh, I [b5-] swear (well he means)

[1] She came from Greece, she had a thirst for knowledge
She studied sculpture at St. Martin's college,
that's where [5] I caught her eye
[1] She told me that her dad was loaded
I said, "in that case I'll have a rum and coca cola," she said [5] fine
[5] And then in thirty seconds time, she said:

[4] I wanna live like common people,
I wanna do whatever common people [1] do
I wanna sleep with common people, I wanna sleep with common people, like [5] you
Well what else could I do? I said "I'll see what I can [1] do."

[1] I took her to a supermarket
I don't know why, but I had to start it some [5] where, so it started there.
[1] I said, "pretend you've got no money." She just laughed and said "oh, you're so funny"
I said [5] "Yeah, well I can't see anyone else smiling in here." Are you sure?

[4] You wanna live like common people.
You wanna see whatever common people [1] see?
[1] You wanna sleep with common people.
You wanna sleep with common people like [5] me?
But she didn't understand, she just smiled and held my [1] hand!

[1] Rent a flat above a shop, cut your hair and get a job
Smoke some [5] fags and play some pool, pretend you never went to school
But still you'll [1] never get it right, 'cos when you're laid in bed at night
Watching [5] roaches climb the wall, if you called your dad he could stop it all, yeah

[4] You'll never live like common people
You'll never do whatever common people [1] do
Never fail like common people, you'll never watch your life slide out of [5] view
And then dance and drink and screw, because there's nothing else to [1] do!

[1] [5] [1] [5]
[4] Sing along with the common people, sing along and it might just get you [1] through
Laugh along with the common people, laugh along even though they're laughing at [5] you
And the stupid things that you do, because you think that poor is [1] cool
[1] I wanna live with common people like you (x6 sing higher each time)
Oh la la la oh la la la la la Oh la la la oh la la la la la [5] [1].

To [4] lie him in state was the [1] least they could [57] do
The [1] old bear was dead, a suc [4] cessor they'd [1] need

Chorus (play between each Verse):
The [5] cheeses of Cheshire are famed, but beware
Of [4] stories they tell of the Congleton Bear
[1] Congleton Bear, [4] Congleton [5] Bear
They [1] sold the Church [4] Bible to [5] buy a new [1] bear

The [1] Wakes coming on and the [4] bear he took [1] ill
We [4] tried him with potion, with [5] brandy and [1] pill
He [1] died in his sleep at the [4] eve of the [1] Wakes
The [4] cause, it was [5] said, was strong ale and sweet [1] cakes

Chorus

He'd [1] served the town well and he's [4] served the town [1] true
To [4] lie him in [1] state was the [5] least they could [1] do
The old bear was dead, a suc [4]cessor they'd [1] need
A [4] new bear was [5] wanted, and that at great [1] speed

Chorus

Now a [1] parson is useful in [4] times of great [1] need
And im [4]bibed with strong porter he [5] quickly a [1]greed
The [1] parson, his Bible he [4] gave then and [1] there
We [4] sold it in [5] Nantwich to buy a new [1] bear.

Chorus

The [1] new bear, a she-bear, was the [4] toast of the [1] town
To [4] music and laughter she [5] danced up and [1] down
So [1] loudly the cheering would [4] waken the [1] dead
It [4] caused the old [5] bear for to rise from his [1] bed

Chorus

He [1] rolled his dark eye as he [4] spied the she- [1]bear
And [4] with an em [1]brace they danced [5] jigs pair-and- [1]pair

Who would be-[1]lieve that I could be [17] happy and con-[4]tented,
I used to [1] think that happiness [17] hadn't been in-[4]vented.
But that was [b2] in the bad old days before I [1] met you,

I was a-[1]fraid that maybe you [17] thought you were a-[1]bove me,

But then to-[b2]night you said you couldn't live with-[5-]out me,

[1] Cornbread and butterbeans, and you across the [4] table
[57] Eating beans and making love, as long as I am [1] able
[1] Hoein' corn and cotton too, and when the day is [4] over
[57] Ride the mule, a crazy fool, and love again all [1] over

[1] Wearing shoes and drinking booze, is goin' against the [4] Bible
[57] A necktie will make you die, and cause you lots of [1] trouble
[1] Street cars and whiskey bars, and kissing pretty [4] women
[57] Woah man, that's the end, of a terrible be-[1]ginning

[1] Cornbread and butterbeans, and you across the [4] table
[57] Eating beans and making love, as long as I am [1] able
[1] Hoein' corn and cotton too, and when the day is [4] over
[57] Ride the mule, a crazy fool, and love again all [1] over

[1] Can't read and don't care, and education's [4] awful
[57] Raising heck and writing checks, it oughtta be [1] unlawful
[1] Silk hose and pretty clothes is just a waste of [4] money
[57] I can see how glad you'll be to marry me, my [1] honey

[1] Cornbread and butterbeans, and you across the [4] table
[57] Eating beans and making love, as long as I am [1] able
[1] Hoein' corn and cotton too, and when the day is [4] over

[NC] I've stood on Cape [4] Cornwall in the sun's evening [1] glow,
On Chywoone Hill at Newlyn to watch the fishing fleets [57] go,
Watched the sheave wheels at [4] Geevor as they spun a-[1] round,
And heard the men singing [57] as they go under-[1] ground.

[1] And no one will [4] ever move me from this [1] land,
Until the Lord calls me to sit at his [57] hand,
For this is my [4] Eden, and I'm not a-[1] lone,
For this is my Cornwall [57] and this is my [1] home.

[1] I've left childish [4] footsteps in the soft Sennen [1] sand,
I've chased the maids there, all giggly and [57] tanned,
I've stood on the [4] cliff top in a westerly [1] blow,
And heard the wave thunder [57] on the rocks far be-[1] low.

[1] And no one will [4] ever move me from this [1] land,
Until the Lord calls me to sit at his [57] hand,
For this is my [4] Eden, and I'm not a-[1] lone,
For this is my Cornwall [57] and this is my [1] home.

[1] First thing in the [4] morning, on Chapel Carn [1] Brea,
To gaze at the Scillies in the blue far [57] away,
For this is my [4] Cornwall, and I'll tell you [1] why,
Because I was born here [57] and here I shall [1] die.

[1] And no one will [4] ever move me from this [1] land,
Until the Lord calls me to sit at his [57] hand,
For this is my [4] Eden, and I'm not a-[1] lone,
For this is my Cornwall [57] and this is my [1] home.

For this is my Cornwall [57] and this is my [1] home.

[5] Way back yonder a [1] long time [5] ago,
Daddy had a man called [5] Cotton Eye [5] Joe
Blew into town on a [1] travellin' [5] show,
nobody danced like [b2] Cotton Eye [5] Joe.

> CHORUS
>
> [5] Cotton Eye Joe, [3-] Cotton Eye [5] Joe,
> where did you come from, [b2] where did you [5] go
> Where did you come from, [3-] where did you [5] go,
> Where did you come from, [b2] Cotton Eye [5] Joe.

[5] Mama's at the window, [1] Mama's at the [5] door,
she can't see nothin' [b2] but CottonEye [5] Joe
Daddy held the fiddle, I [1] held the [5] bow,
an' we beat the hell out'a [b2] Cotton Eye [5] Joe.

> CHORUS
>
> [5] Cotton Eye Joe, [3-]Cotton Eye [5] Joe,
> where did you come from, [b2] where did you [5] go
> Where did you come from, [3-] where did you [5] go,
> Where did you come from, [b2] Cotton Eye [5] Joe.

[5] Made him a fiddle, [1] made him a [5] bow
and made a little tune called [b2] Cotton Eye [5] Joe
If it had'nt been for [1] Cotton Eye [5] Joe,
I'd a- been married a [b2] long time [5] ago.

> CHORUS
>
> [5] Cotton Eye Joe, [3-] Cotton Eye [5] Joe,
> where did you come from, [b2] where did you [5] go
> Where did you come from, [3-] where did you [5] go,
> Where did you come from, [b2] Cotton Eye [5] Joe.

[5] Whenever there's a dance all the [1] women want to [5] go
and they all want'a dance to [b2] Cotton Eye [5] Joe.
Daddy won't say but I [1] think he [5] know's,
whatever happened to [b2] Cotton Eye [5] Joe.

> CHORUS

[1] [1]

There's a [1] house on a hill
By a [4] worn down weathered old [1] mill
In the valley be-[5]low where the river winds
There's no such thing as bad [1] times
[1] And a soft southern flame
Oh [4] Cotton Jenny's her [1] name
And she wakes me [5] up when the sun goes down
And the wheels of love go [1] round

> But then the wheels go [1] round
> [1]/ [4]/ [17]/ [4]/ x2

When a [1] new day begins
I go [4] down to the cotton [1] gin
And I make my [5] time worth while till then
Then I climb back up a-[1] gain
[1] And she waits by the door
Oh [4] Cotton Jenny I'm [1] sore
And she rubs my [5] feet while the sun goes down
And the wheel of love goes [1] round

In the [1] hot, sickly south
When they [4] say we'll shut my [1]mouth
I can never be [5] free from the cotton grind
But I know I got what's [1] mine
[1] She's a soft southern flame
Oh [4] Cotton Jenny's her [1]name

[1] Well we are big rock singers, we've got golden fingers
and we're loved everywhere we [57] go,
[57] We sing about beauty and we sing about truth, [57] at ten thousand dollars a
[1] show;
[1] we take all kind of pills, to give us all kind of thrills,
but the thrill we've never [4] known, is the [57] thrill that'll get you
When you get your picture on the cover of the Rolling [1] Stone

[1] Rolling [57] Stone, wanna see my picture on the cover
[1] wanna buy five copies for my mother
[57] wanna see my smilin' face
on the [4] cover of the Rolling [1] Stone

[1] I've got a freaky old lady called my Cocaine Katy
who embroiders on my [57] jeans,
I've got my poor old gray-haired Daddy, [57] drivin' my limou-[1] sine

Now it's all designed to blow our minds, but our minds won't really be [4] blown,
like the [57] blow that'll get you when you get your picture
on the cover of the Rolling [1] Stone

[1] Rolling [57] Stone, wanna see my picture on the cover
[1] wanna buy five copies for my mother
[57] wanna see my smilin' face
on the [4] cover of the Rolling [1] Stone

we got a genuine Indian guru, [57] who's teachin' us a better [1] way,
we got all the friends that money can buy, so we never have to be a-[4] lone,
and we [57] keep gettin' richer but we can't get our picture
on the cover of the Rolling [1] Stone

repeat the following chorus

[1] Rolling [57] Stone, wanna see my picture on the cover

Coward Of The County

artist: Kenny Rogers, writer: Roger Bowling and Billy Ed Wheeler

Kenny Rogers: https://www.youtube.com/watch?v=BbYj3tJRSO8

Key changes have been simplified - 2 tone steps not 1 tone

[b7] Ev'ryone considered him the [b3] coward of the [b7] county,
he'd never stood one single time to prove the county [4] wrong.
His [b7] mama named him Tommy, the [b3] folks just called him " [b7] Yellow",
but something always told me they were [4] reading Tommy [b7] wrong.

[b7] He was only ten years old when his [b3] daddy died in [b7] prison,
I looked after Tommy 'cause he was my brother's [4] son.
I [b7] still recall the final words my [b3] brother said to [b7] Tommy:
"Son, my life is over, but [4] your's has just be [b7]gun.

Chorus:
[b7] "Promise me, son, not to [b3] do the things I've [b7] done,
[b3] walk away from [b7] trouble if you [4] can.
[b7] It won't mean you're weak if you [b3] turn the other [b7] cheek,
I hope you're old e [b3]nough to under [4]stand :
Son, you don't have to [47] fight to be a [b7] man."

[1] There's someone for ev'ryone and [4] Tommy's love was [1] Becky,
in her arms he didn't have to prove he was a [5] man.
One [1] day while he was workin' the [4] Gatlin boys came [1] callin',
they took turns at Becky, [5] there was three of [1] them!

[1] Tommy opened up the door and [4] saw his Becky [1] cryin',
the torn dress, the shattered look was more than he could [5] stand.
He [1] reached above the fireplace and took [4] down his daddy's [1] picture,
as his tears fell on his daddy's face, he [5] heard these words a- [1]gain :

[1] "Promise me, son, not to [4] do the things I've [1] done,
[4] walk away from [1] trouble if you [5] can.
[1] It won't mean you're weak if you [4] turn the other [1] cheek,
I hope you're old e [4]nough to under [5]stand :
Son, you don't have to [57] fight to be a [1] man."

The [b2] Gatlin boys just laughed at him when he [5] walked into the [b2] barroom,
one of them got up and met him halfway 'cross the [b67] floor.
When [b2] Tommy turned around they said, "Hey [5] look! Ol' Yellow's [b2] leavin'."
[NC] But you coulda heard a pin drop, when Tommy [b67] stopped and blocked the [b2] door.

[b2] Twenty years of crawlin' was [5] bottled up in [b2]side him,
he wasn't holdin' nothin' back, he let 'em have it [b67] all.
When [b2] Tommy left the barroom not a [5] Gatlin boy was [b2] standin',
he said, "This one's for Becky," as he [b67] watched the last one [b2] fall.
[NC] And I heard him say :

"I [b2] promised you, Dad, not to [5] do the things you [b2] done,
I [5] walk away from [b2] trouble when I [b67] can.
Now [b2] please don't think I'm weak, I didn't [5] turn the other [b2] cheek,
and Papa, I sure [5] hope you under [b67]stand :
Sometimes you gotta [b67] fight when you're a [b2] man."
[b2] Ev'ryone considered him the [5] coward of the county [b2]

[1-] Fat and docile, big and dumb, they look so stupid, they aren't much fun
[7] Cows aren't [1-] fun

[1-] They eat to grow, grow to die, die to be et at the hamburger fry
[7] Cows well [1-] done

[1-] Nobody thunk it, nobody knew, no one imagined the great cow guru
[7] Cows are [1-] one

[1-] He hid in the forest, read books with great zeal, he loved Che Guevera, a revolutionary veal
[7] Cow Tse [1-] Tongue

[1-] He spoke about justice, but nobody stirred, he felt like an outcast, alone in the herd
[7] Cow dol- [1-] drums

[1-] He mooed we must fight, escape or we'll die, cows gathered around,
[1-] 'cause the steaks were so high
[7] Bad cow [1-] pun

[1-] But then he was captured, stuffed into a crate , loaded onto a truck, where he rode to his fate
[7] Cows are [1-] bummed

[1-] He was a scrawny calf, who looked rather woozy, no one suspected he was packing an Uzi
[7] Cows with [1-] guns

[1-] They came with a needle to stick in his thigh, he kicked for the groin, he pissed in their eye
[7] Cow well [1-] hung

[1-] Knocked over a tractor and ran for the door, six gallons of gas flowed out on the floor
[7] Run cows [1-] run!

[1-] He picked up a bullhorn and jumped up on the hay (Stop)
[1-] We are free roving bovines, we run free today

[1-] We will [6] fight for bovine [3] freedom
And [b57] hold our large heads [1-] high
We will [6] run free with the [3] Buffalo, or [b57] die [b57] (stop)
Cows with [1-] guns

[1-] They crashed the gate in a great stampede, tipped over a milk truck, torched all the feed
[7] Cows have [1-] fun

[1-] Sixty police cars were piled in a heap, covered in cow pies, covered up deep
[7] Much cow [1-] dung

[1-] Black smoke rising, darkening the day
[1-] Twelve burning McDonalds, (Stop) have it your way

We will [6] fight for bovine [3] freedom
And [b57] hold our large heads [1-] high
We will [6] run free with the [3] Buffalo, or [b57] die [b57] (Stop)
Cows with [1-] guns [7] [1-]

[1-] The President said "enough is enough, these uppity cattle, its time to get tough"
[7] Cow dung [1-] flung

[1-] The newspapers gloated, folks sighed with relief, tomorrow at noon, they would all be - ground beef
[7] Cows on [1-] buns

[1-] The cows were surrounded, they waited and prayed, they mooed their last moos,
[1-] they chewed their last hay
(Slowing) [7] Cows [1-] outgunned (Stop)

(Spoken)
The order was given to turn cows to whoppers
Enforced by the might of ten thousand coppers
But on the horizon surrounding the shoppers
Came the deafening roar of chickens in choppers

We will [6] fight for bovine [3] freedom
And [b57] hold our large heads [1-] high
We will [6] run free with the [3] Buffalo, or [b57] die [b57] (Stop - Aria)

There's a blizzard blowing in from off the [1] river
It's ten below out on these [4] city streets

Miles from home you're sliding [4] down with each day
And you need a woman's love to make you [1] stronger
[5] And lately you've been getting doubts
[57] A voice inside keeps calling out
That someone [5] else's dreams don't get you no-[1]where

[1] So shut the suitcase, kiss the [4] year goodbye
Don't let nobody stop you at the [1] doorway
And close the shutters on this [4] empty room

[1-] Crazy Man [3] Michael, he [7] wanders and [5-] walks,

And [1-] he longs to [5-] be far a- [1-] way-o.
[5-] Michael he whistles the [1-] simplest of tunes,

[17][17][17][17]
[17] John and Mitchy were gettin' kind of itchy
Just to [17] leave their folk music behind
[47] Zal and Denny, workin' for a penny
[17] Tryin' to get a fish on the line
In a [57] coffee house Sebastian sat
And [47] after every number they'd pass the hat
Mc-[17]Guinn and McGuire just a-gettin' higher
In [17] L.A., you know where that's [47] at145
And [47] no one's gettin' fat [b37] except Mama [17] Cass [17]

[17] Zal he said, "Denny, you know there aren't many
Who can [17] sing a song the way that you do, let's go south"
[47] Denny said, "Zally, golly, don't you think that I wish
[17] I could play guitar like you"
Zal, [57] Denny, and Sebastian sat (at the Night Owl)
And [47] after every number they'd pass the hat
Mc-[17]Guinn and McGuire still are gettin' higher
In [17] L.A., you know where that's [47] at
And [47] no one's gettin' fat [b37] except Mama [17] Cass [17]

When [17] Cass was a sophomore, planned to go to Swarthmore
[17] But she changed her mind one day
[47] Standin' on the turnpike, thumb out to hitchhike
[17] "Take me to New York right away"
When [57] Denny met Cass he gave her love bumps
[47] Called John and Zal and that was the Mugwumps
Mc-[17]Guinn and McGuire couldn't get no higher
But [17] that's what they were aimin' at
And [47] no one's gettin' fat [b37] except Mama [17] Cass [17]

[17] Mugwumps, high jumps, low slumps, big bumps
[17] Don't you work as hard as you play
[47] Make up, break up, everything is shake up
[17] Guess it had to be that way
Se-[57]bastian and Zal formed the Spoonful
Mi-[47]chelle, John, and Denny gettin' very tuneful
Mc-[17]Guinn and McGuire just are catchin' fire
In [17] L.A., you know where that's [47] at
And [47] everybody's gettin' fat [b37] except Mama [17] Cass [17]

[17][17][17][17]
[47][47][17][17]
[57][57][47][47]
[17][17][17][47]
[47][b37][17][17]

Broke [17] busted, disgusted, agents can't be trusted
And [17] Mitchy wants to go to the sea
[47] Cass can't make it; she says we'll have to fake it
We [17] knew she'd come eventually
[57] Greasin' on American Express cards
[47] Tent's low rent, but keeping out the heat's hard
[17] Duffy's good vibrations and our imaginations
[17] Can't go on indefinite-[47]ly
And [47] California dreamin' is be-[b37]comin' a reali-[17]ty [17]

Hey [1] I got a gal at the [4] head of the [1] creek
Go up to see her 'bout the [57] middle of the [1] week
Kiss her on the mouth, just as [4] sweet as any [1] wine
Wraps herself around me like a [57] sweet pertater [1] vine

Chorus:
[1] Goin' up Cripple Creek, goin' on a run
Goin' up Cripple Creek, to [57] have a little [1] fun
[1] Goin' up Cripple Creek, goin' in a whirl
Goin' up Cripple Creek to [57] see my [1] girl

Now the [1] girls on the Cripple Creek [4] 'bout half [1] grown
Jump on a boy like a [57] dog on a [1] bone
Roll my britches up [4] to my [1] knees
I'll wade old Cripple Creek [57] whenever I [1] please

Chorus

[1] Cripple Creek's wide and [4] Cripple Creek's [1] deep
I'll wade old Cripple Creek a [57]fore I [1] sleep
Roads are rocky and the [4] hillside's [1] muddy
And I'm so drunk that I [57] can't stand [1] steady

Chorus
[1] Kids up on Cripple Creek [4] they so [1] free
Jump on your lap like a [57] squirrel up a [1] tree
We hold on tight when [4] things feel [1] bad
Laugh when you're happy and [57] cry when you're [1] sad

Chorus

[1] One time it rained 'bout a [4] week or [1] more
I never saw such [57] mud be [1]fore
We ran 'round naked like [4] little greased [1] pigs
Stood on our heads and [57] danced a [1] jig

Chorus

When [1] grandma died at a [4] hundred and [1] two
We danced and we sang like she [57] asked us [1] to
Folks drove in from [4] miles a [1]round
To help lay grandma [57] in the [1] ground

Chorus

[1] Loving you is [4] so [1] easy, cuz I love you and [57] you love [1] me
If I had all the [4] gold on [1] earth, it still wouldn't touch what a [57] good friend's [1] worth

Muck about on [A]

[1] I went down to the [17] crossroads,
[47] fell down on my [1] knees [17] [1] [17]
[47] Down to the crossroads, fell down on my [1] knees [17] [1] [17]
Asked the [57] Lord above for mercy,
" [47] Save me if you [17] please" [17] [1] [17]

[1] I went down to the [17] crossroads,
[47] tried to flag a [1] ride [17] [1] [17]
[47] Down to the crossroads, tried to flag a [1] ride [17] [1] [17]
[57] Nobody seemed to know me, [47] everybody passed me [1] by [17] [1] [17]

[1] And I'm going down to [17] Rosedale, [47] take my rider by my [1] side [17] [1] [17]
[47] Going down to Rosedale, take my rider by my [1] side [17] [1] [17]
You can [57] still barrel house, [47] baby, on the river [1]side [17] [1] [17]

You can [47] run, you can run [47] tell my friend, boy, Willie [1] Brown [17] [1] [17]

[1] Mmm, the sun goin' [17] down, boy, [47] dark gon' catch me [1] here [17] [1] [17]
[47] oooo, ooee, eee boy, dark gon' catch me [1] here [17] [1] [17]
I [57] haven't got no lovin' sweet woman that love and feel my [1] care [17] [1] [17]

Cruel Sister

There lived a lady by the North Sea [3] shore
Lay the [4-] bairn to the bonnie [1-] broom
Twa daughters [4-] were the bairns she [3] bore
[4-] Fa la la [3] la la la la [4-] la la la

One was as bright as is the [3] sun
Lay the [4-] bairn to the bonnie [1-] broom
Sae coal black [4-] grew the elder [3] one
[4-] Fa la la [3] la la la la [4-] la la la

A knight came riding to the ladies' [3] door
Lay the [4-] bairn to the bonnie [1-] broom
He travelled [4-] far to be their [3] wooer
[4-] Fa la la [3] la la la la [4-] la la la

He courted one, aye, with gloves and [3] rings
Lay the [4-] bairn to the bonnie [1-] broom
But he loved the [4-] other above all [3] things
[4-] Fa la la [3] la la la la [4-] la la la

INSTRUMENTAL

There lived a lady by the North Sea [3] shore
Lay the [4-] bairn to the bonnie [1-] broom
Twa daughters [4-] were the bairns she [3] bore
[4-] Fa la la [3] la la la la [4-] la la la

"Sister, sister will you go with [3] me
Lay the [4-] bairn to the bonnie [1-] broom
An' see the [4-] ships sail on the [3] sea?"
[4-] Fa la la [3] la la la la [4-] la la la

She took her sister by the [3] hand
Lay the [4-] bairn to the bonnie [1-] broom
And led her [4-] down to the North Sea [3] strand.
[4-] Fa la la [3] la la la la [4-] la la la

And as they stood on that windy [3] shore
Lay the [4-] bairn to the bonnie [1-] broom
The dark girl [4-] threw her sister [3] o'er
[4-] Fa la la [3] la la la la [4-] la la la

Sometimes she sank, sometimes she [3] swam
Lay the [4-] bairn to the bonnie [1-] broom
Crying, "Sister, [4-] reach to me your [3] hand"
[4-] Fa la la [3] la la la la [4-] la la la

"Oh Sister, Sister, let me [3] live,
Lay the [4-] bairn to the bonnie [1-] broom
And all that's [4-] mine I'll surely [3] give."
[4-] Fa la la [3] la la la la [4-] la la la

"(It's) your own true love that I'll have and [3] more,
Lay the [4-] bairn to the bonnie [1-] broom
But thou shalt [4-] never come a-[3] shore."
[4-] Fa la la [3] la la la la [4-] la la la

And there she floated just like a [3] swan
Lay the [4-] bairn to the bonnie [1-] broom
The salt sea [4-] bore her body [3] on
[4-] Fa la la [3] la la la la [4-] la la la

INSTRUMENTAL

And there she floated just like a [3] swan
Lay the [4-] bairn to the bonnie [1-] broom
The salt sea [4-] bore her body [3] on
[4-] Fa la la [3] la la la la [4-] la la la

Two minstrels walked along the [3] strand
Lay the [4-] bairn to the bonnie [1-] broom
And saw the [4-] maiden, float to [3] land
[4-] Fa la la [3] la la la la [4-] la la la

They made a harp of her breast [3] bone
Lay the [4-] bairn to the bonnie [1-] broom
Whose sound would [4-] melt a heart of [3] stone
[4-] Fa la la [3] la la la la [4-] la la la

They took three locks of her yellow [3] hair
Lay the [4-] bairn to the bonnie [1-] broom
And wi' them [4-] strung that harp so [3] rare
[4-] Fa la la [3] la la la la [4-] la la la

INSTRUMENTAL

And there she floated just like a [3] swan
Lay the [4-] bairn to the bonnie [1-] broom
The salt sea [4-] bore her body [3] on
[4-] Fa la la [3] la la la la [4-] la la la

They went into her father's [3] hall
Lay the [4-] bairn to the bonnie [1-] broom
To play the [4-] harp before them [3] all,
[4-] Fa la la [3] la la la la [4-] la la la

But when they laid it on a [3] stone
Lay the [4-] bairn to the bonnie [1-] broom
The harp beg[4-] an to play alone.[3]

The first string sang a doleful sound
Lay the [4-] bairn to the bonnie broom
"The bride her [4-] younger sister [3] drowned"
[4-] Fa la la [3] la la la la [4-] la la la

The second string as that they [3] tried
Lay the [4-] bairn to the bonnie [1-] broom
In terror [4-] sits the black-haired [3] bride
[4-] Fa la la [3] la la la la [4-] la la la

The third string sang beneath their [3] bow
Lay the [4-] bairn to the bonnie [1-] broom
"And surely [4-] now her tears will [3] flow"

Well you can [b17] cry me a river, [b47] cry me a [b49] river,

Ah don't ya feel like [57] crying
Don't ya feel like [1] crying
Well here I am [57] honey, c'mon you cry to [1] me

[1] When you're all alone in your lonely room
And there's [4] nothing but the smell of her per-[1]fume
Ah don't ya feel like [57] crying
Don't ya feel like [1] crying
Don't ya feel like [57] crying, c'mon, c'mon, you cry to [1] me

Woah oh [4] nothing can be sadder than a [1] glass of wine alone
[57] Loneliness, loneliness is such a waste of [1] time
But you [4] don't ever you don't ever have to [1] walk alone
You see, so [57] c'mon take my hand
Baby won't you walk with [1] me

It's hard to [1] understand,
but the [57] touch of your hand,
can start me [1] crying

[1] I thought that I, was over you, but it's true, so true
I love you even more, than I [1aug] did before
But [4] darling, what can I [4-] do?
Cause you [1] don't love me,
and I'll [57] always be

[1] Crying [3-] over you
[1] Crying [3-] over you
[4] Yes, now [5] you're gone
[4] And from this moment [5] on
I'll be [1] crying, [1aug] crying, [4] crying, [4-] crying

The tears I shed were tears of [1] joy.
I know the meaning of con-[b27]tentment,
[4-] Now I am [57] happy with the [1] Lord. [4] [1]
Just a plain and simple [2-] chapel,
Where humble people go to [1] pray.
I pray the Lord that I'll grow [b27] stronger,
[4-] As I [57] live from day to [1] day. [4] [17]

I've [4] searched and I've [4-] searched
but [1] I couldn't [6-] find
No [b27] way on earth to gain peace of [57] mind.
Now I'm happy in the [2-] chapel,
Where people are of one a-[1]ccord (one accord)
Yes, we gather in the [2-] chapel,
[4-] Just to [57] sing and praise the [1] Lord. [4] [1]

You'll [4] search and you'll [4-] search,
but [1] you'll never [6-] find
no [b27] way on earth to gain peace of [57] mind.
Take your [1] troubles to the [2-] chapel,
Get down on your knees and [1] pray (knees and pray)
Then Your burdens will be [b27] lighter,
[4-] And you'll [57] surely find the [1] way

Gent's Part:

[1] In the movie [b3-7] plays of [1] now-a-days
[4] A romance always [57] must begin in [1] June
Tales in [b3-7] magazines have [1] all their scenes
Of [b27] love laid in a garden 'neath the [57] moon

But [1] I don't miss, that kind of bliss
[b27] What I want is [57] this :-

[57] A cup of [1] coffee, a [57] sandwich and [1] you,
[57] A cozy corner, a table for [1] two,
A chance to whisper and [57] cuddle and [1] coo
With lots of [57] huggin' and kissin' in [1] view.

I [1-7] don't [17] need [4] music, lobster or [1] wine,
Whenever [b27] your eyes look into [57] mine.
The things I [1] long for are [57] simple and [1] few;
A cup of [57] coffee, a sandwich and [1] you! [1dim] [1]

Ladies Part:

[1] If it is be-[b3-7]cause you [1] can't afford more
[4] Sandwiches and [57] coffee we will [1] share
But if it's to [b3-7] help you save [1] and hoard more
I [b27] can plainly see how much you [57] care

If [1] I were you, talking to me
[b27] My approach would [57] be :-

[57] A cup of [1] coffee, a [57] sandwich and [1] you,
[57] A cozy corner, a table for [1] two,
A chance to whisper and [57] cuddle and [1] coo
With lots of [57] huggin' and kissin' in [1] view.

I [1-7] don't [17] need [4] music, lobster or [1] wine,
Whenever [b27] your eyes look into [57] mine.
The things I [1] long for are [57] simple and [1] few;
A cup of [57] coffee, a sandwich and [1] you!

I [1-7] don't [17] need [4] music, lobster or [1] wine,
Whenever [b27] your eyes look into [57] mine.

[1] I'm a broken-hearted keelman and I'm [57] over head in [1] love
With a [5] young lass from Gateshead
and I [6-] call her my [5] dove.
Her [1] name's Cushie Butterfield and she [2-] sells yellow [5] clay
And her [1] cousin's a [2-] muckman
and they [5] call him Tom [1] Gray

She's a [1] big lass and a bonny lass and [4] she likes her [57] beer
And they [1] call her Cushie [2-] Butterfield and I [5] wish she was [1] here
[1] Her eyes is like two holes in a [57] blanket burnt [1] through

She's a [1] big lass and a bonny lass and [4] she likes her [57] beer
And they [1] call her Cushie [2-] Butterfield and I [5] wish she was [1] here

You'll [1] oft see her doon at Sandgate

And she [1] wears geet galoshes

And her [1] bedgown it's [2-] lilac

She's a [1] big lass and a bonny lass and [4] she likes her [57] beer
And they [1] call her Cushie [2-] Butterfield and I [5] wish she was [1] here
When I [1] axed her to marry us she [57] started to [1] laugh
"Now [5] none of your monkey tricks for I [6-] take no such [5] chaff"
Then she [1] started a bubbling and she [2-] roared like a [5] bull
And the [1] lads on the [2-] Keel says A's [5] nowt but a [1] fool

She's a [1] big lass and a bonny lass and [4] she likes her [57] beer
And they [1] call her Cushie [2-] Butterfield and I [5] wish she was [1] here
She says "Th e [1] lad that gets us he'll have to [57] work every [1] day
And [5] when he comes home at night he'll [6-] need to seek [5] clay
And [1] when he's away seeking it A'll [2-] make balls an' [5] sing
And [1] we'll may the [2-] keel row that [5] my laddie's [1] in."

She's a [1] big lass and a bonny lass and [4] she likes her [57] beer

[1] Our little dog is six years old,

But when you mention the V.E.T. he [b2] damn near flips his [5] lid.
[1] Words like S.H.O.T. shot or [4] W.O.R.M. [1] worm,
[4] These are words that [1] make him S.Q.U.I.R.[5]M. [1] squirm.

[1] His Q.U.A.R.A.N.T.I.[4]N.E starts to-[1]day,
Coz he bit the V.E.T. and then [b2] he ran a-[5]way.
[1] He caused me and my wife to have a big fight,
And then, [4] both of them [1] bit me.
And [4] that's why I am [1] gonna get a D.I.V.O.[5] R.C.[1]E.

[1] She shouted "get him Rover," and he jumped over,
And [4] bit my L.E.[1] G.
She sank her teeth in my B.U.M. and [b2] called me a somethin' [5] B.
[1] Well I'm telling you, that was my cue, to get [4] O.F.F.-[1] ski
[4] And I'm going down to the [1] town tonight
To get a new B.[5] I.R.[1] D.

[1] Oh yes his Q.U.A.R.A.N.T.I.[4]N.E starts to[1]-day.
Both my wife and my wee scabby dog will [b2] soon be hauled a-[5]way.
[1] That's why I spell out all these words,
[4] So as my dog can't [1] hear.
Oh, [4] I must admit that [1] dog is acting Q.U.[5] E.R. [1] queer.

[1] [b37] [6-] [b2] [1] [5] [4] [4] [1]
[1] The love between the two of us was [4] dying
And it [1] got so bad I knew I had to [b2] leave
But [1] halfway down that highway when I [4] turned around I [b2] saw
My [1] little daughter [5] running after [1] me

> CHORUS
>
> [4] Cry-[5]ing [1] daddy, don't you [5] walk so [1] fast
> [4] Daddy, don't you walk so fast
> Daddy, [1] slow down [b37] some 'cause you're [6-] makin' me [b2] run
> [1] Daddy, don't you [57] walk so [1] fast

[b2] [4-] [1]
Now it broke my heart to tell my little [4-] daughter
That her [1] daddy had to run to catch a [b2] train
She [1] had no way of knowin' I was [4] leavin' home for [b2] good
I [1] turned around and [5] there she was a-[1]gain

> CHORUS
>
> As she [4] said to [5] me [1] daddy, don't you [5] walk so [1] fast
> My darling [b27] cried [4] daddy, don't you walk so fast
> Daddy, [1] slow down [b37] some 'cause you're [6-] makin' me [b2] run
> [1] Daddy, don't you [5] walk so [1] fast

Key change up a half tone ignored

If [1] only for the sake of my sweet [2-] daughter
I just [1] had to turn back home right there and [4] then
And [1] try to start a new life with the [4] mother of my [b2] child
I [1] couldn't bear to [5] hear those words a-[1]gain
As she [4] cried and [5] said

> CHORUS
>
> [1] Daddy, don't you [5] walk so [1] fast
> [4] Daddy, don't you walk so fast
> Daddy, [1] slow down [b37] some 'cause you're [6-] makin' me [b2] run

Fade to end

[1] Daddy, don't you [5] walk so [6-] fast
My [1] darling cried [4] daddy, don't you walk so fast
Daddy, [1] slow down [b37] some 'cause you're [6-] makin' me [b2] run

I re-[1]member when I was a [17] lad
Times were [4] hard and things were [1] bad
But there's a [1] silver linin' behind every [57] cloud
Just poor [1] people that's all we [17] were
Tryin' to make a [4] livin' out of blackland [1] dirt
We'd get [1] together in a family [57] circle singin' [1] loud

> [NC] Daddy'll sing bass, Mama'll sing tenor [1]
> Me and little [4] brother would join right [1] in there
> In the [1] sky Lord [57] in the [1] sky

Now I re-[1]member after [17] work
Mama would [4] call in all of [1] us
You could [1] hear us singin' for a country [57] mile
Now little [1] brother has done gone [17] on
But I'll re-[4]join him in a [1] song
We'll be to-[1]gether again up [57] yonder in a little [1] while

[1] He remembers the [57] first time he [1] met her
He re-[4]members the first thing she [1] said
He re-[4]members the first time he [1] held her
And the [b27] night that she came to his [57] bed

He re-[1]members her [57] sweet way of [1] saying
[4] Honey has something gone [1] wrong
He re-[4]members the fun and the [1] teasing
And the [b27] reason he [57] wrote her this [1] song

Chorus:
[1] I'll give you a [57] daisy a [1] day dear
I'll [4] give you a daisy a [1] day
I'll [4] love you until the [1] rivers run [6-] still
And the [1] four winds we [57] know blow a-[1]way

[1] They would walk down the [57] street in the [1] evening
And for [4] years I would see them go [1] by
And their [4] love that was more than the [1] clothes that they wore
Could be [b27] seen in the gleam of their [57] eye

As a [1] kid they would [57] take me for [1] candy
And I'd [4] love to go tagging a-[1]long
We'd hold [4] hands while we walked to the [1] corner
And the [b27] old man would [57] sing her his [1] song

CHORUS

[1] Now he walks down the street in the [1] evening
And he [4] stops by the old candy [1] store
And I [4] somehow believe he's be-[1]lieving
He's [b27] holding her hand like be-[57]fore

For he [1] feels all her [57] love walking [1] with him
And he [4] smiles at the things she might [1] say
Then the [4] old man walks up to the [1] hill top
And he [b27] gives her a [57] daisy a [1] day

[17] Calling out around the world
Are you ready for a brand new beat?
Summer's here and the is right
For dancing in the street
They'll be dancing in Chicago
Down in New Orleans
In New York City

All we need is [4] music, sweet music
There'll be music everywhere
There'll [17] be swinging and swaying,
And records playing, dancing in the street

[b37] Well, doesn't matter what you wear
Just as [6-] long as you are there
So come on [b27] every guy grab a girl
[b2-7] Everywhere a-[57]round the world
There'll be [17] dancing, dancing in the street

[17] This is an invitation across the nation
A chance for folks to meet
There'll be laughin' and singin'
And music swingin'
Dancing in the street
Philadelphia, PA, (dancing in the street)
Baltimore, and DC now (dancing in the street)
Can't forget the Motor City (dancing in the street)

All we need is [4] music, sweet music
There'll be music everywhere
There'll be [17] swinging and swaying,
And records playing, dancing in the street

[b37] Well, doesn't matter what you wear
Just as [6-] long as you are there
So come on [b27] every guy grab a girl
[b2-7] Everywhere a-[57]round the world
There'll be [17] dancing, dancing in the street
fade towards end

[17] They're dancin' in the street
Way down in L.A.
Every day, they're dancin' in the street
Let's form a big strong line, get in time,
We're dancin' in the street
Across the ocean blue
Me and you, we're dancin' in the street

[1] In [b37] my [b67] memory and [b27] on [57] my [1] mind [57]

[1] There's nothing else I'd [17] rather do
Than to [4] sit around and talk to you
And [1] remi [b6]nisce a [b2]bout a simpler [57] time
The [1] music that we [17] made was [4] simple but it [1] stayed
[1] In [b37] my [b67] memory and [b27] on [57] my [1] mind

[1] Dancin' on daddy's [17] shoes
[4] Dancin' all around the room
[1] Rollin' the rug up and [b6] kickin' our heels up
[b27] Dancin' away the [57] blues
[1] Sister would clap a [17]long
[4] Everyone would [b6] sing a song
[1] Playin' [b37] homemade [b67] music and
[b27] dancin' on [57] daddy's [1] shoes

There's [1] something about this [17] musty room
That [4] makes me reel, makes me swoon
That [1] strange [4] per [b6]fume is [b2] one of a [57] kind
This [1] rhythm takes me [17] back when I [4] hear that razzma [1]tazz
[1] There's no [b37] nicer [1] feeling that I can find

Intro: [1] [17] [4] [4-] [1] [57] [1] - first 2 lines

[1] Oh Danny Boy, the pipes, the [17] pipes are [4] calling [4-]
From glen to [1] glen and down the mountain-[57]side
The summer's [1] gone and [17] all the roses [4] fall-[4-]ing
It's you, It's [1] you must [57] go and I must [1] bide

But come ye back when [4] summer's in the [1] meadow [6-]
Or when the [1] valley's hu-[4]shed and white with [57] snow
I'll be [1] here in [4] sunshine or in [1] shadow [6-]
Oh Danny [1] Boy, oh Danny [57] Boy, I love you [1] so

[1] But if you come and [17] all the flowers are [4] dying [4-]
And I am [1] dead, and [17] dead I well may be [57]
You'll come and [1] find the [17] place where I am [4] lying [4-]
And kneel and [1] say an [57] Ave there for [1] me

And I will know tho' [4] soft you tread a-[1]bove me
And all my [1] grave will [4] richer sweeter [57] be
And you'll bend [1] down and [4] tell me that you [1] love me [6-]
And I will [1] rest in peace un-[57]til you come to [1] me

[b7] People Smile and [b6] tell me I'm the [5-] lucky one,
And we've [17] just begun, Think I'm gonna [4] have a son.

Con [17]ceived in love, Sun is gonna [4] shine above.

[b3] Even though we [4] ain't got money, [b7] I 'm so in [5-] love with you honey,
[b3] Everything will [4] bring a chain of [b7] lo [5-]ve.
[b3] In the morning [4] when I rise, [b7] You bring a tear of [5-] joy to my eyes,
and [17] tell me every [4] thing's gonna [4]* be all right.

[b7] Seems as though a [b6] month ago I was [5-] Beta Chi,
[17] never got high, Oh I was a [4] sorry guy.
[b7] Now a smile, [b6] a face, a girl that [5-] shares my name,

[1] Come listen you fellers so [4] young and so [5] fine
Oh [6-] seek not your [1] fortune in the [4] dark dreary [1] mine
Where the [1] demons of [4] death often come by sur-[57]prise
One [6-] fall of the [1] slate and you're [4] buried a-[1]live.

It's [5] dark as a dungeon and [4] damp as the [1] dew
Where [5] danger is double and [4] pleasures are [1] few
Where the [1] rain never falls and the [4] sun never [5] shines
It's [6-] dark as a [1] dungeon way [4] down in the [1] mines.

It's [1] many a man I've [4] known in my [5] day
Who [6-] lived just to [1] labor his [4] whole life a-[1]way
Like a [1] fiend with his dope and a [4] drunkard his [5] wine
A [6-] man will have [1] lust for the [4] lure of the [1] mine.

It's [5] dark as a dungeon and [4] damp as the [1] dew
Where [5] danger is double and [4] pleasures are [1] few
Where the [1] rain never falls and the [4] sun never [5] shines
It's [6-] dark as a [1] dungeon way [4] down in the [1] mines.

I [1] hope when I'm gone and the [4] ages shall [5] roll
My [6-] body will [1] blacken and [4] turn into [1] coal
Then I'll [1] look from the door of my [4] heavenly [5] home
And [6-] pity the [1] miner a-[4]diggin' my [1] bones.

slow down through verse

It's [5] dark as a dungeon and [4] damp as the [1] dew

[1] Come, and [4] talk of all the things we did to [1] day
Here, and [4] laugh about our funny little [1] ways
While we [4] have a few [2-] minutes to [1] breathe
Then I [4] know that it's [2-] time you must [1] leave

But [4] darling be home soon
I [4] couldn't bear to wait an extra [1] minute if you dawdled
My [4] darling be home [4] soon
It's [4] not just these few hours but I've been [1] waiting since I toddled
For the [4] great relief of [2-] having [57] you to [1] talk to

And [1] now, a [4] quarter of my life is almost [1] past
I [4] think I've come to see myself at [1] last
And I [4] see that the [2-] time spent con- [1]fused
Was the [4] time that I [2-] spent without [1] you
And I [4] feel [2-] myself in [5] bloom

So [4] darling be home soon

Chorus:
[1] Didn't we have a [4] lovely time the [1] day we [5] went to [1] Bangor
[4] A beautiful day we had [1] lunch on the way
And [b27] all for under a [5] pound you know
[1] Then on the way back I [4] cuddled with Jack
And we [1] opened a [5] bottle of [1] cider
[4] Singing a few of our [b67] favourite songs
as the [b2] wheels [5] went [1] round [b2] [5] [1]

[1] Do you recall the [4] thrill of it all
as we [1] walked a-[5]long the [1] sea front
[4] Then on the sand we [1] heard a brass band
That [b27] played De Diddle De Bum [5] Ta Ra Ra
[1] Elsie and me had [4] some cups of tea
then we [1] took a [5] peddler [1] boat out
[4] Splashing away as we [b67] toured round the bay
as the [b2] wheels [5] went [1] round [b2] [5] [1]

CHORUS

[1] Wasn't it nice eating [4] chocolate ice
as we [1] strolled a-[5]round the [1] funfair
[4] Then we ate [1] eels on the big Ferris wheel
we [b27] sailed above the [5] ground but then
[1] We had to be quick [4] because Elsie felt sick
and we [1] had to find [5] somewhere to [1] take her
[4] I said to her lad "what [b67] made her feel bad"
Twas the [b2] wheels [5] went [1] round [b2] [5] [1]

CHORUS

[1] Elsie and me we [4] finished our tea,
and we [1] said good-[5]bye to the [1] seaside
[4] Back on the bus [1] Flo says to us [b27] oh isn't it a [5] shame to go
[1] Wouldn't it be grand to have [4] cash on demand,
and to [1] live like [5] this for a-[1]lways
[4] Oh it makes me feel ill when I [b67] think of the Mill
and the [b2] wheels [5] going [1] round [b2] [5] C] x2

[5] Do [1] you like me? Well I [5] hope you do,
Cause if [b2] you like me, then I think I'm gonna have to [5] like you too.
We'll [1] share our things, and [5] have some fun,
Then we'll [b2] say goodbye, and go back home when the [5] day is done.

If [1] you tell me, I'll [5] tell you too.
And we'll [b2] say the things and do the things that [5] lovers do.
We'll keep it [1] to ourselves, we won't [5] hurt no one.
Then we'll [b2] say goodbye, and go back home when the [5] day is done.

We'll [1] carve our names, [5] on a tree,
Then we'll [b2] burn it down so no one in the [5] world will see.
And [1] we'll make love, while we [5] watch the flame
Then we'll [b2] walk away as if we never [5] had no shame.

INSTRUMENTAL

[5] Do [1] you like me? Well I [5] hope you do,
Cause if [b2] you like me, then I think I'm gonna have to [5] like you too.
We'll [1] share our things, and [5] have some fun,
Then we'll [b2] say goodbye, and go back home when the [5] day is done.

Now [1] we must hide, to [5] be alone,
And [b2] we can't say our sweet things on the [5] telephone.
If [1] we can't stop, what [5] we've begun,
We should [b2] say goodbye and go back home when the [5] day is done.

Do you [1] still like me? Well I [5] hope you do.
Cause if you [b2] still like me then I think I'm gonna have to [5] still like you.
We [1] shared our things, and [5] had some fun
Now we'll [b2] say goodbye and go back home when the [5] day is done.

Yeah, we'll [b2] say goodbye and go back home while we [5] still have one.
Let's [b2] say goodbye, and go back home now the [5] day is done.

[1] What a day for a [b67] daydream
[2-] What a day for a [57] daydreamin' boy

[1] What a day for a [b67] daydream
[2-] What a day for a [57] daydreamin' boy
[1] And I'm lost in a [b67] daydream

[4] And even if [b27] time ain't really [1] on my [b67] side

[4] I'm blowing the [b27] day to take a [1] walk in the [b67] sun

[1] I've been having a [b67] sweet dream
[2-] I've been dreaming since I [57] woke up today
[1] It starred me and my [b67] sweet thing
[2-] Cause she's the one makes me [57] feel this way

[4] And even if [b27] time is passing [1] me by a [b67] lot
[4] I couldn't care [b27] less about the [1] dues you say I [b67] got
[4] Tomorrow I'll [b27] pay the dues for [1] dropping my [b67] load

[4] A daydream will [b27] last along [1] into the [b67] night
[4] Tomorrow at [b27] breakfast you may [1] prick up your [b67] ears

[1] Oh the Deadwood Stage is a-rollin' on over the plains,
With the curtains flappin' and the driver slappin' the [5] reins.
Beautiful [57] sky, a [1] wonderful day.
[5] Whip crack-away, [5] whip crack-away, [5] whip crack a [1]way!

Oh the [1] Deadwood Stage is a-headin' on over the hills,
Where the Injun arrows are thicker than porcupine [5] quills.
Dangerous [57] land, no [1] time to delay.
So, [5] whip crack away, [5] whip crack away, [5] whip crack a- [1]way!

We're headin' [4] straight for town, [1] loaded down,
[5] with a fancy [1] cargo,

Oh the [1] Deadwood Stage is a-comin' on over the crest,

Twenty three [57] miles we've [1] covered today.
So, [5] whip crack away, [5] whip crack away, [5] whip crack a- [1]way!

The wheels go [4] turnin' round, [1] homeward bound,

[1] Life can never be exactly like we want it to be.
I [17] could be satisfied, knowing you love me.
But there's [3-] one thing I want you to [1] do, [3-] especially for [1] me..
and it's [2-] something that every-[b27]body [57] needs. [5]

[5] While [57] I'm far a-[1]way from you my [6-] baby.[4]
Whisper a [5] little [1] prayer for me my [6-] baby.[4]
Be-[5]cause it's [6-] hard for me my [3-] baby.
[2-] And the darkest [5] hour, is just be-[1]fore dawn.[5]

If there's [3-] one thing I want you to [1] do, [3-] especially for [1] me..
and it's [2-] something that every-[b27]body [57] needs.[5]

[5] Each [57] night before you [1] go to bed my [6-] baby.[4]
Whisper a [5] little [1] prayer for me my [6-] baby.[4]
And [5] tell [2-] all the stars a-[1]bove[5] ,
[5] This [57] is dedicated to the one I [6-] love.

Delaney's Donkey

[1] Now Delaney had a donkey that [4] every-[57]one ad-[1]mired
[1] Tempo'rily lazy and permanently [5] tired
A [1] leg at ev'ry cor-[4]ner balan-[57]cing [1] his head
[1] And a [17] tail to let [4] you know which end he [1] wanted [57] to be [1] fed
[6-] Riley slyly [b3] said "We've under-[6-]rated it,
[6-] Why not train it?", then he [6-] took a rag
They [1] rubbed it, [4] scrubbed [5] it, they oiled [57] and em-[1]brocated [4] it
Got it to the post and when the [1] starter dropped his [5] flag

[1] There was Riley pushing it, [4] shoving it, shushing it
Hogan, Logan and ev'ryone in [57] town [1] lined up attacking it
And [6-] shoving it and smacking it
[5] They might as well [b67] have tried to push the [5] Town [b27] Hall [5] down
The [1] donkey was eyeing [4] them, openly defying [1] them
Winking, blinking and twisting out of [5] place
[1] Riley reversing [4] it, ev'rybody cursing it
The [1] day Del-[57]aney's donkey [1] ran [4] the halfmile [1] race

The [1] muscles of the migh-[4]ty never known [57] to flinch
They couldn't [1] budge the donkey a quarter of [5] an inch
Del-[1]aney lay exhaus-[4]ted, hang-[57]ing round [1] its throat
With a grip [17] just [4] like a Scotchman on a [1] five [57] pound [1] note
[6-] Starter, Carter, he [b37] lined up with the [6-] rest of 'em
When it saw [b37] them, it was willing [6-] then
It [1] raced up, [4] braced [5] up, ready [57] for the [1] best of [4] 'em
They started off to cheer it but it [1] changed its mind [5] again

[57] There was [1] Riley pushing [4] it, shoving it and shushing [1] it
Hogan, Logan and Mary Ann Mac-[57]graw, [1] she started poking it
[6-] Grabbing it and choking [5] it
It kicked her in [b67] the bustle and it [5] laughed [b27] "Hee - [5] Haw!"
The [1] whigs, the conservatives, [4] radical super-[1]latives
Libr'rals and tories, they hurried to the [5] place
[57] Stood there in unity, [4] helping [1] the community
The day Delaney's donkey ran the [1] half [4] mile [1] race

[1] The crowd began to cheer it, then [4] Raff-[57]er-[1]ty, the judge
[1] He came to assist them, but still it [5] wouldn't budge
The [1] jockey who was riding, [4] little [57] John Ma-[1]cGee
Was so [17] thorough-[4]ly disgusted that he [1] went to [57] have his [1] tea
[6-] Hagan, Fagan was [b37] students of [6-] psychology
Swore they'd [b37] shift it with some [6-] dynamite
They [1] bought it, [4] brought it, [5] then with-[57]out a-[1]pology
The [4] donkey gave a sneeze and blew the [1] darn stuff out of [5] sight

There was [1] Riley pushing [4] it, shoving it and shushing [1] it
[1] Hogan, Logan and all the bally [57] crew
P'lice, and auxil'ary, the [6-] Garrison Artillery
[5] The Second [b67] Enniskillen's and [5] the Life [b27] Guards [5] too
They [1] seized it and harried [4] it, they picked it up and carried [1] it
Cheered it, steered it to the winn-[5]ing place
[1] Then the Bookies drew a-[4]side, they all commited suicide
The day Delaney's [57] donkey won the [1] half [4] mile [1] race

[1-] I saw the light on the night that I passed by her [b57] window
[1-] I saw the flickering shadows of love on her [b57] blind
[b1] She [b17] was my [4-] woman
[1-] As she deceived me I [b57] watched, and went out of my [1-] mind [77]

[3] My, my, my, De-[7]-lilah
[7] Why, why, [77] why, De-[3]-lilah
[3] I could [37] see that [6] girl was no good for [4-] me
[1-] But I was lost like a [b57] slave that no one could [1-] free [b57]

[1-] At break of day when that man drove away I was [b57] waiting
[1-] I crossed the street to her house and she opened the [b57] door
[b1] She [b17] stood there [4-] laughing
[1-] I felt the knife in my [b57] hand, and she laughed no [1-] more [77]

[3] My, my, my, De-[7]-lilah
[7] Why, why, [77] why, De-[3]-lilah

It was [1] Della and the Dealer and a dog named Jake and a [4] cat named Kalamazoo
[b3] Left the city in a [b6] pickup truck [4] gonna make some dreams come [1] true
Yeah [1] they rolled out west where the wild sun sets and the [4] coyote bays at the moon
[b3] Della and the Dealer and a [b6] dog named Jake and a [4] cat named Kalama- [1]zoo

[1] If that cat could talk what tales he'd tell
About [5] Della and the Dealer and the dog as well
[5] But the cat was cool and he never said a mumblin' [1] word

[1] Down Tucson way there's a small cafe where they [4] play a little cowboy tune
And the [b3] guitar picker was a [b6] friend of mine by the [4] name of Randy [1] Boone
[1] Yeah Randy played her a sweet love song and [4] Della got a fire in her eyes
The [b3] Dealer had a knife and the [b6] dog had a gun and the [4] cat had a shot of [1] Rye

[1] If that cat could talk what tales he'd tell
About [5] Della and the Dealer and the dog as well
[5] But the cat was cool and he never said a mumblin' [1] word

[1] Yeah the Dealer was a killer, he was evil and mean
and he was [4] jealous of the fire in her eyes
He [b3] snorted his coke through a [b6] century note
and he [4] swore that Boone would [1] die
[1] Yeah the stage was set when the lights went out there was [4] death in Tucson town
Two [b3] shadows ran for the [b6] bar backdoor and [4] one stayed on the [1] ground
play twice

[1] If that cat could talk what tales he'd tell
About [5] Della and the Dealer and the dog as well
[5] But the cat was cool and he never said a mumblin' [1] word

[1] Two shadows ran from the bar that night and a [4] dog and a cat ran too
[b3] And the tires got hot on the [b6] pickup truck as [4] down the road they [1] flew
[1] It was Della and her lover and a dog named Jake and a [4] cat named Kalamazoo
[b3] Left Tucson in a [b6] pickup truck [4] gonna make some dreams come [1] true

(Yeah yeah yeah)
play 3 times fading at end

[1] If that cat could talk what tales he'd tell
About [5] Della and the Dealer and the dog as well
[5] But the cat was cool and he never said a mumblin' [1] word

[1] Delta Dawn, what`s that [4] flower you have [1] on?
[1] Could it be a [4] faded [1] rose from days gone [5] by?
And [1] did I hear you [3-] say he was [4] meeting you here to [1]day..
[1] to take you to his [5] mansion in the [4] sky.y.y. [1]y?

[1] She`s forty-one and her [4] Daddy still calls her, [1] Baby.
[1] All the folks around [4] Brownsville say she`s [1] crazy.
[1] Cause she [4] walks downtown with her [5] suitcase in her [1] hand..
[1] looking for a [4] mysterious dark haired [1] man.

[1] In her younger days they [4] called her Delta [1] Dawn.
[1] Prettiest woman [4] you ever laid eyes [1] on.
[1] Then a [4]man of low de [5]gree stood by her [1] side..
[1] promised her he`d [4] take her for his [1] bride.

Perform 3 times:

Mary cried and forgave me and Mary took me back [1] again

But I don't wanna be [1] and I don't wanna see
[57] Mary cry any-[1]more

Devil [57] woman devil woman [1] let go of me
Devil woman [57] let me be and leave me alone I [1] want to go home

Mary is waitin' and weepin' down in our shack by the [57] sea
Even after I've hurt her Mary's still in love with [1] me
Devil woman it's over [17] trapped no more by your [4] charms
'Cause I don't want to stay [1] I want to get away, [57] woman let go of my [1] arm

[1] Devil woman you're evil like the dark coral [57] reef
Like the winds that bring high tides you bring sorrow and [1] grief
You made me ashamed to face Mary I [17] barely had the strength to [4] tell

Even the seagulls are happy glad I'm coming home a-[1]gain
Never again will I ever [17] cause another tear to [4] fall
Down the beach I see [1] what belongs to me the [57] one I want most of [1] all

[1] [1] [1] [1]
[1] 'Bout the time my daddy left to fight the big war
I saw my first pistol in the general [5] store
In the general store, I was thirteen
I thought it was the finest thing I [1] ever had seen

[1] Asked if I could have it someday when I grew up
Mama dropped a dozen eggs, she really blew [5] up
Yeah, she really blew up, I didn't understand
Mama said the pistol is the [1] devil's right hand

The [4] devil's right hand
The [1] devil's [4] right [1] hand
[5] Mama said the pistol is the [1] devil's right hand

[4] [1] [4] [1] [5] [1]
My [1] very first pistol was a cap and ball Colt
Shoot as fast as lightnin' but she loads a mite [5] slow
Loads a mite slow, I soon found out
It'll get you into trouble but it [1] can't get you out

So [1] then I went and bought myself a Colt .45
It was called a Peacemaker, but I never knew [5] why
Never knew why, I didn't understand
Mama says the pistol is the [1] devil's right hand

Hearing a [3] voice I'd known a couple of [7] light years ago
Heading straight for a [1-] fall [1-] [b1-add9] [1-]

You strayed into my [1-] arms [b1-add9] [1-]

And [1-] there you stayed, temporarily [6] lost at sea

Now [5-] I see you standing with brown leaves falling around and snow in your [4-] hair
Now [5-] you're smiling out the window of that crummy hotel over Washington [4-] Square

Mingles and hangs in the [3] air
Speaking [b2maj7] strictly for me
We both could have died then and [3] there [b57] [1-] [b1-add9] [1-]

[1-] Now you're telling me you're not nos-[6]talgic
Then give me another [3] word for it, you who are so [7] good with words

One [1] Afternoon, in [5] sunny June, I [6-] happened to think
as I [5] stood at the sink,
and I [6-] scrubbed away [4] at the dirty plates
and [6-] listened to music on the [4] phonograph
I [6-] thought of a question I've [5] often [4] asked [1]

[1] Did Beethoven do the dishes? Did [5] Mozart sweep the [1] floor?
did all those great musicians [5] have to do their [1] chores
I [4] can't help but think of all the [1] songs I would sing
if I [5] just didn't have to [1] clean the house [17]
I'm sure I'd [4] be on top of the [1] Billboard charts
if my [5] cat had not just killed a [1] mouse
and, brought it [4] into the house, oooo-[5]oohh [NC]

I [1] have these great ideas, but I [5] also have a [1] block
If I don't do my laundry, I will [5] soon run out of [1] socks
I bet that [4] Johann Sebastian Bach never had to [1] worry about clean socks
I'll bet [5] Peter Tchaikovsky never [1] took the garbage out [17]
I bet [4] Verdi rarely [1] helped to rake the leaves,
[5] even when his wife said [1] Please
Oh, pretty [4] please, oooo-[5]oohh [NC]

My [1] driver's license did expire [5] just two weeks [1] ago
I'll bet that thought never occurred to [5] Michaelange-[1]lo-lo-lo-lo
[4] Madame Curie [1]never had to serve on a jury
[5] Joseph Haydn hid from taking [1] care of the [17] kids
[4] Mozart was poor but, [1] you can be sure, he [5] never had to baby-[1]sit

And this is [4] it, that's all I've [1] writ,
Didn't have [5] time for more of [1] it.

Like it's the [b7] last night [b7]*

If the [b2-] world was ending,
[b57] I'd wanna be next to [b4-7] you [b7-]
If the [b2-] party was over and [b57] our time on Earth
Was [b4-7] through [b7-]
I'd wanna [b2-] hold you just for a [b57] while

If the [b2-] world was ending, [b57]* I'd wanna

Right next to [b4-7] you [b4-7] [b7-] [b7-]
Next to [b2-] [b2-] you [b57] [b57]
Right next to [b4-7] you, [b4-7] [b7-] oh-oh [b7-]

[b2-7] [b2-7] [b56] [b56] [b4-] [b4-] [b7-] [b7-].

I [1] hear the [57] sound, of distant [1] drums
Far a-[57]way, far a-[1]way
And if they [57] call, for me to [1] come
Then [4] I must [1] go, and [57] you must [1] stay

> CHORUS
>
> So Mary marry me; [17] let's not [4] wait
> Let's share [5] all the time we [57] can before it's too [1] late
> Love me now, for now is [17] all the time there may [4] be
> If you [5] love me Mary, [57] Mary marry [1] me

I [1] hear the [57] sound, of bugles [1] blow
Far a-[57]way, far a-[1]way
And if they [57] call, then I must [1] go
A-[4]cross the [1] sea, so [57] wild and [1] grey

> CHORUS
>
> So Mary marry me; [17] let's not [4] wait
> For the [5] distant drums might [57] change our wedding [1] date
> And love me now for now is [17] all the time there may [4] be

[4] [4] [2-] [b7] [1]
Well maybe I [4] came on too strong
Maybe I [2-] waited too long [b7] [1]
Maybe I [4] played my cards wrong, oh just a little bit wrong
Baby [2-] I --[b7]- a-[1]pologize for it

[b7] I could fall, or I could fly
[2-] Here in your aeroplane
[6-] And I could live, I could die
[b7] Hanging on the words you say
[b7] And I?ve been known to give my all
[2-] And jumping in harder than
[1] Ten thousand rocks on the lake

> CHORUS
>
> So don?t call me [4] baby
> Unless you [2-] mean it [b7]
> And don?t [1] tell me you [4] need me
> If you don?t be-[2-]lieve it
> So [b7] let me know the [1] truth
> Be-[2-]fore I [1] dive right [6-] into [4] you

You?re a [4] mystery
I have travelled the world and there?s [2-] no other girl like [b7] you,
No [1] one !
What?s your [4] history?
Do you have a tendency to lead some [2-] people on?
?Cause I [b7] heard you do ... [1] mmm-mmm

[b7] I could fall, or I could fly
[2-] Here in your aeroplane
[6-] And I could live, I could die
[b7] Hanging on the words you say
[b7] And I?ve been known to give my all
[2-] And lie awake, every day
[1] Don't know how much I can take

CHORUS

So don?t call me [4] baby
Unless you [2-] mean it [b7]
And don?t [1] tell me you [4] need me
If you don?t be-[2-]lieve it
So [b7] let me know the [1] truth
Be-[2-]fore I [1] dive right [6-] into [4] you

[4] [4] [2-] [b7] [1]
[4] [4] [2-] [b7] [1]
[b7] I could fall, or I could fly
[2-] Here in your aeroplane
[6-] And I could live, I could die
[b7] Hanging on the words you say
[b7] And I?ve been known to give my all
[2-] Sitting back, looking at
[1] Every mess that I've made

CHORUS

So don?t call me [4] baby
Unless you [2-] mean it [b7]

Oh, I [1] wish I was in the [17] land of cotton,
[4] old times there are not forgotten,
Look a [1]way, look a [6-]way, look a [5]way Dixie [1] Land.
In Dixie's Land, where [17] I was born in, [4] early on one frosty mornin',
Look a [1]way, look away, look a [5]way Dixie [1] Land.

Chorus:
I wish I [1] was in [4] Dixie, Hoo [2-]ray! Hoo [b27]ray!
In [1] Dixie Land I'll [4] take my stand to [1] live and die in [5] Dixie.
A [1]way, a [5]way, a [1]way down south in [5] Dix [1]ie.
A [1]way, a [5]way, a [1]way down south in [5] Dix [1]ie

Ole [1] Missus marry "[17] Will the weaver",
[4] Willum was a gay deceiver
Look a [1]way, Look a [6-]way, Look a [5]way, Dixie [1] Land
But when he put his [17] arm around 'er, he [4] smiled fierce as a forty pounder,
Look a [1]way! Look away! Look a [5]way! Dixie [1] Land

Chorus

His [1] face was sharp as a [17] butcher's cleaver,
[4] but that did not seem to grieve 'er
Look a [1]way, Look a [6-]way, Look a [5]way, Dixie [1] Land
Ole Missus acted the [17] foolish part, [4] and died for a man that broke her heart
Look a [1]way! Look away! Look a [5]way! Dixie [1] Land

Chorus

Now [1] here's to the health to the [17] next ole Missus,
[4] an' all the gals that want to kiss us;
Look a [1]way! Look a [6-]way! Look a [57]way! Dixie [1] Land
But if you want to [17] drive 'way sorrow,
[4] come and hear this song tomorrow
Look a [1]way! Look away! Look a [5]way! Dixie [1] Land

Chorus

There's [1] buckwheat cakes and [17] Injun batter,
[4] makes you fat or a little fatter
Look a [1]way, Look a [6-]way, Look a [5]way, Dixie [1] Land
Then hoe it down and [17] scratch your gravel,
[4] to Dixie's Land I'm bound to travel,
Look a [1]way! Look away! Look a [5] way! Dixie [1] Land

La la la la-la la-la-la-la-[57] la
La la la la-la la-la-ee-oh-[17] da [17] [17]

[17] Santa's got a little friend,
His name is Domi-[57]nick.
The cutest little donkey,
You never see him [17] kick.

When Santa visits his paisans,
With Dominick he'll [4] be.
Be-[4]cause the reindeer [17] cannot,
Climb the [57] hills of Ita-[17]ly.

Hey! [17] Chingedy ching, (Hee-haw, hee-haw)

[b2] Jingle bells around his feet,
And presents on the [b67] sled.
Hey! Look at the mayor's derby,
On top of Dominick's [b2] head.

A pair of shoes for Louie,
And a dress for Jose-[b5]phine.
The [b5] label on the [b2] inside says,
They're [b67] made in Brook-[b2]lyn.

When [1] you at-[4-]tend this [1] party,
you'll [4] all be [57] treated [1] right, but
[5] There's a [b27] wild and [5] wooly [b37] woman
[6-] You boys [b27] can't in-[5]vite, [57] now

[1] You can bring [b6-7] Pearl, she's a [1] darn nice [b6-7] girl
But [1] don't [b3-dim] bring [57] Lulu
You can bring Rose with the turned up nose, but don't bring [17] ?Lulu
[4] Lulu always [4-] wants to do, [1] what we boys don't [b67] want her to
[b27] When she struts her stuff around, London bridge is [57] falling down
[1] You can bring [b6-7] cake or [1] Porterhouse [b6-7] steak
But [1] don't [b3-dim] bring [57] Lulu

[5] When she [b27] did the [57] hula [b37] hula,
[6-] then she [b27] got the [5] air, [57] now

[1] You can bring [b6-7] Nan, with the [1] old dead [b6-7] pan
But [1] don't [b3-dim] bring [57] Lulu
You can bring Tess with her 'no' and 'yes', but don't bring [17] Lulu
[4] Lulu has the red-[4-]dest hair,
[b3-dim] red-[1]der here and [b67] redder there
[b27] How can we boys keep our head, bulls go wild when [57] they see red
[1] You can bring [b6-7] peas and [1] crullers and [b6-7] cheese
But [1] don't [b3-dim] bring [57] Lulu

Listen friends,while I say,
Are you [4] restless to-[1]day.
Wandering farther and farther a-[5]way

Take a [1] glimpse at back home
Mother [4] sits there a-[1]lone.
Don't cause mother's [5] hair to turn [1] grey.

Don't cause mother's [5] hair to turn [1] grey
Thy words should be decent al-[5]ways
Don't [1] grieve her at night
Doing [4] things that's not [1] right
Don't cause mother's [5] hair to turn [1] grey

Say boys while you do
And [4] girls, that means [1] you
Are you grieving your mother to-[5]day?
So [1] start while you may
And [4] heed what I [1] say
Don't cause mother's [5] hair to turn [1] grey

Don't cause mother's [5] hair to turn [1] grey
Thy words should be decent al-[5]ways
Don't [1] grieve her at night
Doing [4] things that's not [1] right
Don't cause mother's [5] hair to turn [1] grey

There's dear daddy, too
He's [4] hoping that [1] you
Will be a great man some-[5]day
So [1] cease now to roam
Mail a [4] letter back [1] home
Don't cause mother's [5] hair to turn [1] grey

Don't cause mother's [5] hair to turn [1] grey
Thy words should be decent al-[5]ways
Don't [1] grieve her at night
Doing [4] things that's not [1] right

[4] Now we're safe a-[5]shore, Jack
[1] Don't forget your [4] old ship-[1]mate
[1] Fal dee ral dee ral dee [5] rye eye [1] doe!

[1] Since we sailed from [4] Plymouth [1] Sound
[4] Four years [5] gone, or [1] nigh, Jack
[1] Was there ever [4] chummies, [1] now
[4] Such as [5] you and [1] I, Jack?
[1] Long we've tossed on the rolling main
[4] Now we're safe a-[5]shore, Jack
[1] Don't forget your [4] old ship-[1]mate
[1] Fal dee ral dee ral dee [5] rye eye [1] doe!

[1] We have worked the [4] self-same [1] gun:
[4] Quarter-[5] deck di-[1]vision
[1] Sponger I and [4] loader [1] you
[4] Through the [5] whole co-[1]mmission
[1] Long we've tossed on the rolling main

[1maj7] The night's the [4maj7] time for all your [5] tears [57]

[2-] Don't let the [57] sun catch you [1maj7] cryin' [4maj7] [1maj7] [4maj7]

[1maj7] The night-time [4maj7] shadows disa[1maj7]ppear [4maj7]

[4] [5] [1] [1]
[5] When the party hit full swing , [1] I saw you come reeling in
You [5] had that six pack in a strangle [1] hold
[5] Now you stagger, now you sway, [1] why don't you fall the other way?
'Cause [4] I've got something [5] here worth more than [1] gold [17]

I said, [4] Don't sit on my Jimmy Shands, [1] don't sit on my Jimmy Shands
[5] They don't mend with sticky tape and [1] glue [17]
[4] Don't sit on my Jimmy Shands, [1] don't sit on my Jimmy Shands
And [4] that's my very [5] best advice to [1] you

[5] Call me precious, I don't mind, [1] 78's are hard to find
You [5] just can't get the shellac since the [1] war
[5] This one's the Beltona brand, [1] finest label in the land
[4] They don't make 'em [5] like that any [1] more [17]

I said, [4] Don't sit on my Jimmy Shands, [1] don't sit on my Jimmy Shands
Un [5] less you wanna wind up black and [1] blue [17]
[4] Don't sit on my Jimmy Shands, [1] don't sit on my Jimmy Shands
And [4] that's my very [5] best advice to [1] you
[5] [1] [b2] [5] x 2

[5] Darling, though you're twice my size, [1] I don't mean to patronize
[5] Honey, let me lead you by the [1] hand
[5] Find a lap or find a chair, [1] you can park it anywhere
[4] Just don't rest your [5] cheeks against my [1] man [17]

I said, [4] Don't sit on my Jimmy Shands, [1] don't sit on my Jimmy Shands
[5] They don't mend with sticky tape and [1] glue [17]
[4] Don't sit on my Jimmy Shands, [1] don't sit on my Jimmy Shands
And [4] that's my very [5] best advice to [1] you

[5] No shindig is half complete with [1] out that famous polka beat
[5] That's why they invite me, I sup [1] pose
[5] Waltzes, Strathspey's, eightsome reels, [1] now you know how good it feels
[4] Crank that handle [5] babe, away she [1] goes [17]

I said, [4] Don't sit on my Jimmy Shands, [1] don't sit on my Jimmy Shands
Un [5] less you wanna wind up black and [1] blue [17]
[4] Don't sit on my Jimmy Shands, [1] don't sit on my Jimmy Shands
And [4] that's my very [5] best advice to [1] you

[1] A young cowboy named Billy Joe grew [57] restless on the [1] farm
A boy filled with wanderlust who [57] really meant no [1] harm
He [4] changed his clothes and shined his boots and combed his dark hair down
And his [1] mother cried as he walked out

Don't [4] Take Your Guns To [1] Town son
[4] Leave your guns at [1] home Bill
Don't [4] Take Your Guns To [1] Town

He laughed and kissed his mom and said [57] your Billy Joe's a [1] man
I can shoot as quick and straight as [57] anybody [1] can
But I'd [4] wouldn't shoot without a cause
I'd gun nobody down but she [57] cried again as he [1] rode away

Don't [4] Take Your Guns To [1] Town son
[4] Leave your guns at [1] home Bill
Don't [4] Take Your Guns To [1] Town

He sang a song as on he rode his [57] guns hung at his [1] hips
He rode into a cattle town a [57] smile upon his [1] lips
He [4] stopped and walked into a bar and laid his money down
But his [1] mother's words echoed again

Don't [4] Take Your Guns To [1] Town son
[4] Leave your guns at [1] home Bill
Don't [4] Take Your Guns To [1] Town

He drank his first strong liquor then to [57] calm his shaking [1] hand
And tried to tell himself at last he [57] had become a [1] man
A [4] dusty cowpoke at his side began to laugh him down
And he [57] heard again his [1] mother's words

Don't [4] Take Your Guns To [1] Town son
[4] Leave your guns at [1] home Bill
Don't [4] Take Your Guns To [1] Town

Bill was raged and Billy Joe reached [57] for his gun to [1] draw
But the stranger drew his gun and fired [57] before he even [1] saw
As [4] Billy Joe fell to the floor the crowd all gathered around
And [1] wondered at his final words

[b7] somethin's bound to [1] go wrong.
[5-] But she looks [1] in my eyes,
[6-] And makes me [b27] realize,

When she [5] says, don't worry baby.
Don't worry [6-] baby,
[b27] Everything will turn [5] out all right.
Don't worry [6-] baby,
[b27] Baby, [1sus4] ooh, [17] ooh.

[4] I guess I should've kept my mouth shut when I
[b7] started to brag [1] about my car;
[4] But I can't back down now because I've
[b7] pushed the other [1] guys too far.
[5-] She makes me [1] come alive,
[6-] and makes me [b27] wanna drive,

When she [5] says, don't worry baby.
Don't worry [6-] baby,
[b27] Everything will turn [5] out all right.
Don't worry [6-] baby,
[b27] Baby, [1sus4] ooh, [17] ooh.

[4] She told me, "Baby when you race today just
[b7] take along my [1] love with you,
[4] And if you knew how much I love you baby,
[b7] nothing could go [1] wrong with you.
[5-] Oh what she [1] does to me,
[6-] when she makes [b27] love to me.

When she [5] says, don't worry baby.
Don't worry [6-] baby,
[b27] Everything will turn [5] out all right.
Don't worry [6-] baby,
[b27] Baby, [5].

Whistle 2x [1], [2-], [4], [1]

[1] Here's a little song I wrote, [2-] you might want to sing note for note,
Don't [4] worry, be [1] happy

In every life we have some trouble,
[2-] when you worry you make it double,
Don't [4] worry, be [1] happy

Ooh's 2x [1] [2-] [4] [1]

[1] Aint got no place to lay your head, [2-] somebody came and took your bed,
Don't [4] worry, be [1] happy

The Landlord say your rent is late, [2-] he may have to litigate,
Don't [4] worry, be [1] happy

Whistle 2x [1] [2-] [4] [1]

[1] Aint got no cash, aint got no style, [2-] aint got no girl to make you smile,
Don't [4] worry, be [1] happy

Cos when you worry, your face will frown, [2-] and that will bring everybody down,
Don't [4] worry, be [1] happy

Ooh's 2x [1] [2-] [4] [1]

[1] Here's a little song I wrote, [2-] and you can learn it note for note,
Don't [4] worry, be [1] happy

In your life expect some trouble, [2-] but when you worry you make it double,
Don't [4] worry, be [1] happy

Whistle fade over 3x [1] [2-] [4] [1]

[1]

I dreamed I [1] walked in heaven just the other night,
there was so much beauty, so much [17] light
Don't you [57] wish it was true;
don't you [1] wish it was true?

An [1] angel took my hand, said you don't have to hurry,
you got all the time in the world, don't [17] worry
Don't you [57] wish it was true;
Lord, don't you [1] wish it was true?

But if to-[4]morrow everybody was your [1] friend,
anyone could take you [57] in,
no matter what or where you've [1] been

But if to-[4]morrow everybody had e-[1] nough,
the world wasn't quite so [57] rough
Lord, don't you wish it was [1] true?

He said the [1] World's gonna change and it's starting today,
there'll be no more armies, no more [1] hate
Don't you [57] wish it was true;
don't you [1] wish it was true?

And [1] all the little children who live happily,
there'll be singing and laughter, sweet harmo-[17]ny
Don't you [57] wish it was true;
Lord, don't you [1] wish it was true?

But if to-[4]morrow, everybody under the [1] sun, was happy just living as [57] one;
no borders or battles to be [1] won

But if to-[4]morrow, everybody was your [1] friend, happiness would never [57] end,
Lord, don't you wish it was [1] true

[4] [1] [57] [1] [4] [1] [57] [1]
But if to-[4]morrow, everybody under the [1] sun, was happy just living as [57] one;

[1-] Now I went down to London town
[7] And I had some fun in the underground

Chorus

[1-] To wear the kilt is my delight
[7] It is not wrong, I know it's right
[1-] The Highlanders would get a fright
[7] If they saw me in my [1-] troosers

[1] Dooley was a [4] good ole man
He [1] lived below the [5] mill
[1] Dooley had two [4] daughters
And a [1] forty-[5] gallon [1] still

[1] One gal watched the [4] boiler
The [1] other watched the [5] spout
And [1] mama corked the [4] bottles
And ole [1] Dooley [5] fetched 'em [1] out

[1] Dooley slippin' up the holler
[4] Dooley try to make a dollar
[1] Dooley give me a swaller
And I'll [5] pay you back some-[1]day

The [1] revenuers [4] came for him
A-[1] sippin' though the [5] woods
[1] Dooley kept be-[4]hind them all
And [1] never [5] lost his [1] goods

[1] Dooley was a [4] trader

The [1] day ole Dooley [5] died
The [1] women folk weren't [4] sorry
And the [1] men stood [5] round and [1] cried

Now [1] Dooleys on the [4] mountain
He [1] lies there all a-[5]lone

I've [1] heard the sound of my dear old mama [b7] cry [4]ing
And the [5] sound of the train that took me off to [1] war [5] [6-]
The [1] awful sound of a thousand bombs ex [b7]plo [4]ding
And I [2-] wondered if I could take it any [4]more [5]

There were [1] times when they almost drove me [b7] cra [4]zy
But I [5] did my best and took it like a [1] man [5]
And [1] who would think in my lonely room ='d [b7] hear [4] it
The [5] one sound in the world my heart can't [1] stand

[NC] To hear that sound and to [1] know its really [b7] o [4]ver
Through tear stained eyes I [1] watched her walk a [5]way [b2] [5]
And of [1] earthquakes storms and guns and war
Lord [4] nothing has ever [b2] hurt me more than that [1] lonely sound
The [5] closing of the [1] door

My friend [3] George is a [6] drag queen called [3] Nancy

My friend [3] George is a [6] drag queen called [3] Nancy
Pray tell me [6] which are you to-[7]night? [77]
If you're [3] George then let's [6] have a game of [3] snooker [b1-7]
If you're [1-] Nancy let's t[6]urn out the [7] light. [77]

For George [3] is a [6] foreman in a [7] coalmine [3]
But changes when the [1-] hooter goes at [7] five
From a [3] snooker playing [6] friend of your's [3] truely [b1-7]
To the [3] man I would [6] like to make my [7] wife. [77]

For [3] Nancy brings me [6] midnight satis[3]faction
And stays with me un-[1-]til the morning [7] light
Then he's [3] off to his [6] work down a [3] coal shaft [b1-7]
Where he [1-] ain't such a [b4] delicate [7] sight. [77]

Oh [3] Nancy you're the [6] girl that I [3] think of,
But George I [1-] know she's part of [7] you
But it's [3] Nancy not [6] you that I [3] fancy [b1-7]
Tell me [3] George tell me [6] what can I [7] do? [77]

I'm in [3] love with half a [6] man that's a [3] lady
And the half that ain't no [1-] lady's my best [7] friend
[3] Nancy I would [6] like to share my [3] name with [b1-7]
But [3] George is not the [6] type I could [7] offend [77]

So [3] George take off your [6] dress put on your [3] trousers

[4] Home, dear home, [5] childhood's happy [1] home
[4] Where I played with [1] sister and with [2-] brother? [5]
[1] 'Twas the sweetest joy [4] when we did [1] roam
[57] Over hill and through dale with [1] mother.

[1] See her loved form be-[4]side me [1] kneel

[1] [1] Oh, my [4] life is changing every [5] day
In every possible [1] way. [1]
[1] [1] And oh, my [4] dreams
It's never quite as it [5] seems. Never quite as it [1] seems. [1]

[1] I know I [1] felt like this [4] before
But now I'm feeling it even [5] more
Because it came from [1] you. [1]
[1] Then I [1] open up and [4] see
The person falling here is [5] me. A different way to [1] be. [1]

You have my heart so don't hurt [5] me
You're what I couldn't [1] find. [1]
[1] A total- [1]ly amazing [4] mind
So understanding and so [5] kind
You're everything to [1] me [1]

Intro: [4] [5] * 4

[4] Now here you [5] go again, you say [4] you want your free-[5]dom
[4] Well, who am [5] I to keep you down [4] [5]
[4] It's only ri-[5]ight that you should [4] play the way you [5] feel it,
but [4] listen careful-[5]ly to the sound [4]
of your lone-[5]liness, [4] like a heartbeat drives you mad, [5]
in the still-[4]ness of remem-[5]bering what you had [4] [5]
and what you lost, [4] [5] and what you had [4] [5] and what you lost. [4][5]

Oh, [6-] thunder only ha-[5]ppens when it's rain-[4]ing [5]
[6-] players only love [5] you when they're play-[4]ing. [5]
Say, [6-] women they will [5] come and they will [4] go, [5]
[6-] When the rain wa-[5]shes you clean, you'll [4] know, [5] you'll [6-] know. [5]

[4] [5] [5] [4]
[6-][5] [5] [4]

[4] Now here I [5] go again, I see [4] the crystal vi-[5]sions,
[4] I keep my vi-[5]sions to my self. [4] [5]
[4] It's only me [5] who wants to [4] wrap around your dreams, [5] and
