You're always in my heart  
From early in the morning till it's dark  
I gotta see your sweet, sweet smile every day

When I wake up in the morning and I see you there  
I always whisper a little prayer  
I gotta see your sweet sweet smile every day

I gotta know that you love me, and that you want me  
and that you'll always be there  
I gotta know that you care  
And I gotta feel your arms around me, and that you need me  
And you'll always be there  
I gotta know that you care

If my times are bringing me down  
You're the only one that I want around  
I gotta see your sweet sweet smile every day

And if I'm all strung out  
You're the only one who can straighten me out  
I gotta see your sweet sweet smile every day

I gotta know that you love me, and that you want me  
and that you'll always be there  
I gotta know that you care  
And I gotta feel your arms around me, and that you need me  
And you'll always be there  
I gotta know that you care
