I'd give up worldly ambition
I'd give up my worldly ways
And I put my trust in Jesus
I know He'll take me all the way

I'll go all the way with Jesus
All the way to heaven's door
I'll go all the way with Jesus
And stand on heaven's golden floor

Oh I know my Savior loves me
For He for-gave my every sin
And when old Gabriel's trumpet sounded
At heaven's gate He'll let me in

I'll go all the way with Jesus
All the way to heaven's door
I'll go all the way with Jesus
And stand on heaven's golden floor.
