

I Could Easily Fall In Love With You

artist:Cliff Richard , writer:Brian Bennett, Bruce Welch, Hank Marvin, John Rostill

Aum aum, aum aum, aum aum, aum aum

If you should tell me that I'll a-lways be
The one you'll always love so true
Then I can tell you oh so easily
I could easily fall in love with you

It wasn't long ago that I saw you there,
But even then I thought I knew
Now given half a chance I'd easily
I could easily fall in love with you

I've been too long on my ownsome now,
Well I've been too long by my-self
Well I couldn't feel more lonesome now
If I was left on the sh-elf

Don't ever change that smile you're smiling now
And please don't let me see you blue,

Then I can tell you oh so easily
I could easily fall in love with you

Oh, I've been too long on my ownsome now,
I've been too long by my-self
Well, I couldn't feel more lonesome now
If I was left on the sh-elf

Don't ever change that smile you're smiling now
And please don't let me see you blue,

Then I can tell you oh so easily
I could easily fall in love with you

Aum aum, aum aum, aum aum, aum aum

Fading

Aum aum, aum aum, aum aum, aum aum
