

How High The Moon

artist:Les Paul and Mary Ford , writer:Nancy Hamilton, Morgan Lewis

(x2)

Somewhere there's music - how faint the tune?
Somewhere there's heaven - how high the moon?
There is no moon above
when love is far a-way, too.
'Til it comes true that you love me
as I love you.

Somewhere there's music - how near, how far?
Somewhere there's heaven - it's where you are.
The darkest night would shine
if you would come to me soon.
Un-til you will, how still my heart -
how high the moon?

Somewhere there's music - how faint the tune?
Somewhere there's heaven - how high the moon?
There is no moon above
when love is far a-way, too.
'Til it comes true that you love me
as I love you.

Somewhere there's music - how near, how far?
Somewhere there's heaven - it's where you are.
The darkest night would shine
if you would come to me soon.

Un-til you will, how still my heart -
how high the moon?
