I can see her lying back in her satin dress  
In a room where you do what you don't confess

Sundown, you'd better take care  
If I find you've been creeping 'round my back stairs  
Sundown, you'd better take care  
If I find you've been creeping 'round my back stairs

She's been looking like a queen in a sailor's dream  
And she don't always say what she really means

Sometimes I think it's a shame  
When I get feeling better when I'm feeling no pain  
Sometimes I think it's a shame  
When I get feeling better when I'm feeling no pain

I can picture every move that a man could make  
Getting lost in your lover is the first mistake

Sundown you better take care  
If I find you've been creeping 'round my back stairs  
Sometimes I think it's a sin  
When I feel like I'm winning when I'm losing again

I can see her looking fast in her faded jeans  
She's a hard loving woman got me feeling mean

Sometimes I think it's a shame  
When I get feeling better when I'm feeling no pain  
Sundown you better take care  
If I find you've been creeping 'round my back stairs  
Sundown you better take care  
If I find you've been creeping 'round my back stairs  
Sometimes I think it's a sin  
When I feel like I'm winning when I'm losing a-\*gain
