[Now it's a job that just suits me, a window cleaner you would be](#)
[If you can see what I can see](#)
[When I'm cleaning windows](#)

I go cleaning windows to earn an honest bob
For a nosy parker it's an interesting job
Now it's a job that just suits me, a window cleaner you would be
If you can see what I can see
When I'm cleaning windows
The honeymooning couples too you should see them bill 'n coo
You'd be surprised at what they do
When I'm cleaning windows

In my profession I'll work hard but I'll never stop
I'll climb this blinking ladder 'till I get right to the top
The blushing bride, she looks divine
The bridegroom he is doing fine
I'd rather have his job than mine
When I'm cleaning windows
