It had to be you, it had to be you
I wandered a-round and finally found,
that somebody who
Could make me be true
Could make me feel blue
And even be glad just to be sad, thinking of you

Some others I've seen might never be mean
Might never be cross, or try to be boss
But they wouldn't do

For nobody else gave me a thrill
With all your faults, I love you still
It had to be you, wonderful you
It had to be you.
