[C] I won't make you tell me  
what I've [Am] come to understand  
you're a [Dm] certain kind a woman  
I'm a [F] different kind of man,  
I [C] tried to make you love me  
you [Am] tried to find the spark  
of the [Dm] flame that burned but [F] somehow  
turned to [C] smoke rings [G] in the [F] dark.

[C] The loneliness within me  
[Am] takes a heavy toll  
'cause it [Dm] burns as slow as whiskey  
through an [F] empty aching soul,  
and the [C] night is like a dagger  
[Am] long and cold and sharp  
as I [Dm] sit here on the [F] front steps  
blowing [C] smoke rings [G] in the [F] dark.

[Am] I [F] [C] know I must be [G] going  
'cause [Am] lo-[F]oves already [C] go-[G]one,  
and [Dm] all I'm taking [Am] with me  
are the [G] pieces of my [F] heart  
and [Bb] all I'll leave are  
[F] smoke rings in the [C] dark.

The [C] rain falls where it wants to  
the [Am] wind blow where it will  
ever-[Dm] thing on earth goes somewhere  
but I [F] swear we're standing still,  
so [C] I'm not gonna wake you  
I'll go [Am] easy on your heart  
I'll just [Dm] touch your face and drift a-[F]way  
like [C] smoke rings [G] in the [F] dark,

[Am] I [F] [C] know I must be [G] going  
'cause [Am] lo-[F]oves already [C] go-[G]one,  
and [Dm] all I'm taking [Am] with me  
are the [G] pieces of my [F] heart  
and [Bb] all I'll leave are  
[F] smoke rings in the [C] dark.
