[D] [G] [C] [G] [E7] [A7] [D] [G]

I'll [G] tell you a lovely place down by the sea
It's not in France or Italy
Just [D] made for you, it's made for me.
The [A7] place I mean is [D7] Blackpool.

There's a [G] lovely beach and a lovely prom
The Brass bands play tiddly, um Pom Pom
You'll [D] hear the folks sing "Eee by gum,
a [A7] right old place is [D7] Blackpool"

If you [G] can't sleep after five
And feel [C] glad to be a-[G]live
[G] You're at Blackpool by the [D] Sea.

If you [G] find upon the shore,
blondes and [C] brunettes by the score
[A7] You're at Blackpool by the [D7] Sea

And if [G] you find in your arms
a [C] bunch of smile and charms
[A7] Lovely eyes that twinkle roguish-[D7]ly.
If at [G] night you sit and try
yards and [C] yards of lovely tripe,
[Em] you're at [D] Blackpool by the [G] Sea.

And if [G] you find in your arms
a [C] bunch of smile and charms
[A7] Lovely eyes that twinkle roguish-[D7]ly.
If a [G] policeman on the pier,
says you [C] can't do that there here,
[Em] You're at [D7] Blackpool by the [G] Sea.

Now if you [G] can't sleep after five,
feel [C] glad to be a-[G]live,
[G] You're at Blackpool by the [D] Sea.

If you [G] find upon the shore,
blondes and [C] brunettes by the score
[A7] You're at [D] Blackpool by the [D7] Sea

And if [G] you find in your arms
a [C] bunch of smile and charms
[A7] Lovely eyes that twinkle roguish-[D7]ly.
If you've [G] paid five bob or more
to sleep [C] on the bathroom floor,
[Em] You're at [D7] Blackpool by the [G] Sea.

[G] Eeee there's thousand there from Manchester,
thousands there from everywhere,
[A7] thousands there without a care,
as long as they're in [D7] Blackpool.

I've [G] been to Spain and Honolulu,
been to Paris and Timbuctu,
But [A7] they've no chance I'm telling you,
[D] not on the map with Blackpool.

Now if you [G] can't sleep after five,
feel [C] glad to be a-[G]live,
[G] You're at Blackpool by the [D] Sea.

If you [G] find upon the shore,
blondes and [C] brunettes by the score
[A7] You're at [D] Blackpool by the [D7] Sea

And if [G] you find in your arms
a [C] bunch of smile and charms
[A7] Lovely eyes that twinkle roguish-[D7]ly.
If you [G] stay for more and more,
and don't [C] know where to go
[Em] You're at [A7] Blackpool by the [G] Sea.

[D] And if [G] you find in your arms
a [C] bunch of [G] smile and [C] charms
[A7] Lovely eyes that twinkle roguish-[D7]ly.
If you [G] stay for more and more,
and don't [C] know where to go
[Em] You're at [A7] Blackpool by the [G] Sea.
