Stepping out my front door
Don't know what I left for
Could have stayed in bed with you all day
I'm already calling, love it when we're talking
I just want your voice inside my brain

I never thought a guy like me would find it
I would re-peat it if I could re-wind it
I guess the only way I could de-scribe it
It's like hearing a love song and jumping in- side it

So this is happiness. Yeah, this is happiness
If this is happiness, I don't mind having this
So this is happiness. Yeah, this is happiness
If this is happiness, I don't mind having this

Got me in a bubble, oblivious to trouble
Right now there's nowhere else I'd rather be
I'm not saying that I'm perfect, I don't think that I deserve it
I guess it's something in me I don't see

I never thought a guy like me would find it
I would re-peat it if I could re-wind it
I guess the only way I could de-scribe it
It's like hearing a love song and jumping in- side it

So this is happiness. Yeah, this is happiness
If this is happiness, I don't mind having this
So this is happiness. Yeah, this is happiness
If this is happiness, I don't mind having this

Na, na-na-na- na, na-na-na- na-na-na-na-na-na-na-na- na x2
I guess the only way I could de-scribe it
It's like hearing a love song and jumping inside it

So this is happiness. Yeah, this is happiness
If this is happiness, I don't mind having this
So this is happiness. Yeah, this is happiness
If this is happiness, I don't mind having this

(Na, na-na-na- na) Oh no, no (Na-na-na- na-na-na-na-na-na-na-na)
Oh, I don't mind having this
(Na, na-na-na- na) Oh no, no (Na-na-na- na-na-na-na-na-na-na-na)
I don't mind having this
