

# Your Power

artist:Billie Eilish , writer:Billie Eilish, Finneas O'Connell

Try not to a-buse your power  
I know we didn't choose to change  
You might not wanna lose your power  
But having it's so strange

She said you were a hero  
You played the part  
But you ruined her in a year  
Don't act like it was hard  
And you swear you didn't know (didn't know)  
No wonder why you didn't ask  
She was sleeping in your clothes (in your clothes)  
But now she's got to get to class, how dare you?

And how could you?  
Will you only feel bad when they find out?  
If you could take it all back , would you?

Try not to a-buse your power  
I know we didn't choose to change  
You might not wanna lose your power  
But having it's so strange

I thought that I was special  
You made me feel  
Like it was my fault you were the devil  
Lost your a-ppeal  
Does it keep you in control? (in control)  
For you to keep her in a cage?  
And you swear you didn't know (didn't know)  
You said you thought she was your age, how dare you?

And how could yoo-ouu?  
Will you only feel bad if it turns out  
That they kill your con-tract? , would you?

Try not to a-buse your power  
I know we didn't choose to change  
You might not wanna lose your power  
But power isn't pain

Hmm  
Ooh, ooh, ha  
La-la-la-la la-la la STOP!
