/// /// *

Only ukes
can make all this world seem right.
Only ukes
can make the darkness bright.

Only ukes and ukes a-lone,
can thrill me like ukes do,
and fill my heart with love for only
ukes. /// /// *

Only ukes
can make all this change in me.
For it's true,
ukes are my destiny.
When ukes are in my hand, I understand
the magic that ukes do.
Ukes are my dream come true,
my one of many
ukes. /// /// *

Only ukes
can make all this change in me.
For it's true,
ukes are my destiny.
When ukes are in my hand, I understand
the magic that ukes do.
Ukes are my dream come true;
my one of many ukes;

slowing

my one of many ukes.
